## Educational Results Partnership Honor Roll

**United ISD** is one of eighteen Region One districts with schools named to the 2019-2020 Educational Results Partnership (ERP) Honor Roll for High Achievement in Student Success.

The program is presented by Educational Results Partnership, a nonprofit organization that applies data science to help improve student outcomes and career readiness. ERP maintains the nation's largest database on student achievement and utilizes this data to identify higher-performing schools and districts.

The 2019-2020 Honor Roll recognizes schools that have demonstrated consistently high levels of student academic achievement, improvement in achievement levels over time, and a reduction in achievement gaps among student populations.
