Re: June FY26 Budget Transfers

Recommendation:

The Board of Trustees accepts the June FY26 Budget Transfers for the General Fund, Special Education Fund, Capital Projects Fund, and Bond Fund.

Background Information:

Per NRS 354.598005 section 5 (b); “Budget appropriations may be transferred between functions, funds or contingency accounts in the following manner, if such a transfer does not increase the total appropriation for any fiscal year and is not in conflict with other statutory provisions:

(b) The person designated to administer the budget may transfer appropriations between functions or programs within a fund, if:

- (1) The governing body is advised of the action at the next regular meeting; and
- (2) The action is recorded in the official minutes of the meeting.”

Budget Considerations:

There is no net increase in budgeted appropriations for these transfers, these transfers are between functions as allowed by state law.
