Board Meeting Date: 5/13/2024 Superintendent: Dave Valenzuela

Administrator/Staff: Jaime Sijarto

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I would like to take students to Italy in June of 2027 for 9 days. We will go through EFTours.

Provide history/background information on your proposal: We will fly into Milan, then go to Venice for a guided tour and gondola ride, and other fun things! Then, we head to Florence to explore, to Assisi, and then we end in Rome to see the Colosseum. Wow!

List the advantages of your proposal: Student travel broadens perspectives and builds respect for others around the world. It also heightens curiosity and gives students appreciation for other cultures and histories.

List possible disadvantages of your proposal: There are always dangers to traveling, but the advantages far outweigh the possibilities of negatives. I have had training through EFTours and am 6 weeks away from taking students to Spain & France. ;)

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended? N/A
