Re: Papa John's Pizza Contract - 2025-26 Funding Revision

On May 13, 2025, the Board of Education approved the bid submitted by Papa John's Pizza - 3368 Middle Road in the amount of \$50,339.27 for the 2025-26 school year. Upon review, it was noted that the original recommendation did not fully account for the price increase from the 2024-25 school year. Adjusting for this increase, the bid amount should have been \$62,866.

In addition, sales have increased by 710 pies compared to this time last year, with a potential overall increase of 1,180 pies for the remainder of the school year. Accounting for these additional pies, the total recommended funding is \$72,896.00 to ensure adequate pizza availability for students.

It is recommended that the Board of Education approve the revised total funding of \$72,896 for the 2025-26 school year to cover price adjustments and increased student demand.

Investment Period: July 1, 2025 - June 30, 2026

Total Investment: \$72,896
