- c. Land Use Acknowledgement

Land Acknowledgement:

We will open tonight’s meeting by acknowledging the traditional Indigenous inhabitants of this land. The purpose of these statements is to show respect for indigenous peoples and recognize their enduring relationship to the land. Practicing acknowledgment can also raise awareness about histories that are often suppressed or forgotten.

As a community, we prepare lifelong learners to achieve their full potential in a complex and interconnected world.

Strategic Plan Goal Topic 1: Marginalized Students

In order to give voice to our marginalized populations, we will remove barriers, hold high academic expectations, and elicit and honor all voices.

Summary:

Members of the public will address the Board with comments and the Board will listen only. The Board may choose not to address a request if it does not fall within the scope of Board Governance. Oregon law prohibits the Board from discussing specific employees or their job performance.

Those wishing to speak must complete a Public Comment Form before the beginning of the meeting. The first 7 submissions will be able to speak for 3 minutes.

Written Public Comment can be submitted on the RSD website at any time.

Summary:

Budget Input Sessions were held with Reynolds School District staff, parents, community members, and students through October and November. The purpose of these input sessions was to facilitate open discussion on priorities for the 2023-2024 Budget. The themes that emerged during those input sessions will be presented to the Board so they can choose their top priorities for the 23-24 budget.

Previous Board Action:

The Board reviews budget themes to choose priorities annually in order to provide guidance and direction of the development of the budget.

Key Findings – Budget Input Questions

Question 1 – What’s going well?

- Communication is improving (ParentSquare is a huge plus)
- Programs helping engagement:
 - CTE Programs
 - Dual Language Programs
 - Extracurricular Activities and After-School Sports
 - Literacy and Library Programs
 - Wraparound Services have Improved
 - Health Clinics Offered at Schools
- Community Partners
- Better relationships between the district and the community, and a focus on equity and inclusion
- Staff care deeply about their students
- District has been intentional about filling gaps: hiring diverse staff, increasing access to mental health and social workers, and creating spaces for collaboration.

Key Findings – Budget Input Questions

Question 2 – What’s not going well?

- Staff Support
 - Classified staff pay
 - Staff working outside of roles
 - EAs needed
- Safety
 - Fights and Bullying
 - Not enough security
 - Micro and Macro Aggressions
- Transportation
- Lack of Pride in Facilities
- Technology Barriers
- Feelings of Disconnect
- Academic Needs:
 - Interventions
 - SPED
 - Culturally Sensitive Curriculums

Key Findings – Budget Input Questions

Question 3 – When asked what students need to be successful, participants responded with the following needs:

- Support for students:
 - Academic (including mentoring and tutoring opportunities)
 - Programmatic (more EAs and supports for specialized programs and restorative programs)
 - Social-emotional (access to counselors and trusted adults, and restorative, rather than¹³ punitive programs)
- Representation (in staff and curriculum):
 - Bilingual and BIPOC staff and teachers
 - Dual language and cultural programs
- Strong and consistent communication between schools and parents
- Technology that is right-sized, reliable, and accessible (especially to those who might not have Wi-Fi or computer access at home)
- Safe learning environment
- Healthy school (facilities, meals, mental health)

Key Findings – Budget Input Questions

Question 4 – What do people want to see in the future?

- Invest in Staff:
 - Incentive opportunities for EAs
 - Higher pay for bus drivers, kitchen personnel, EAs, and other classified staff
 - Onboarding, offboarding and specialized trainings for staff
 - Create more systems of teacher evaluation and provide opportunities for mentorship and peer support networks
 - Provide tech support for every building
 - Provide more guest speakers and training opportunities on equity
 - Hire interventionalists and mental health professionals
- Invest in safety and security:
 - More security personnel and/or more staff present during breaktimes
 - Enforce stricter rules around entry into buildings, students leaving campus during school hours, and safety overall across the District
 - Emotional safety

Key Findings – Budget Input Questions

Question 4 – What do people want to see in the future? (cont)

- Invest in programs that keep students interested and engaged:
 - Increase CTE offerings
 - Increase after-school sports programs
 - Increase music, dance, and arts programs
 - Provide more extracurricular clubs
 - Provide programs with low barriers to entry for kids living in poverty
 - Offer programs that parents and students can do together
 - Provide transportation home after extracurricular activities (i.e. later bus routes)
- Invest in academic success:
 - Block schedule at secondary schools
 - Dual language programs in all elementary schools
 - Small class size
 - Reading and literacy skills in younger students
 - Hire a District librarian and increase the library's allocation of dollars spent per student

Key Findings – Budget Input Questions

Question 4 – What do people want to see in the future? (cont)

- Increase student support systems and invest in a healthy school for all:
 - Enough counselors for students to be able to have access to the support they need
 - Increase mental health supports, and consider how to best use MTSS (Multi-Tiered Systems of Support) staff
 - Provide mentoring to develop student leaders
 - Consider separating kids into skills-based groups and scaling learning to make sure students get what they need to succeed
 - Open a crisis center
 - Allocate more resources to McKinney Vento
 - Provide better food (especially healthy options, and choices for older students)
- Invest in community partners:
 - Direct liaison with community partners and CBOs (community-based organizations)
 - Allocate staff time to co-create plans and strategies with community partners.
 - Hold events to bring all community partners together
 - Invest in resources for community partners

Key Findings – Budget Input Questions

Question 4 – What do people want to see in the future? (cont)

- Invest in facilities:
 - Upgrade SPED classrooms; more sensory rooms
 - Upgrade the buildings and landscaping
 - Provide better sound systems in schools
 - Modernize libraries
 - Maintain equipment to ensure everyone has the tools that they need across the District
 - Consider building another high school
 - Improve the theater at RMS
 - Upgrade the fields (for football and track) at the middle schools
 - Create welcoming entryways at all schools

Key Findings – Budget Input Questions

Question 4 – What do people want to see in the future? (cont)

- Invest in planning for the future:
 - Invest in more communications staff
 - Intentionally research the ‘why’ behind consistent issues throughout the District (such as attendance)
 - Build succession planning to ensure that systems are in place to maintain relationships and knowledge when staff leave
 - Analyze the success of promotions and marketing
 - Invest in supporting parents and caregivers
 - Academic programs for parents
 - Monthly educational seminars or workshops for parents to help them build awareness of the District, educational systems, and how they can best support their students
 - Incentivize participation in meetings and events

Prioritize Themes

Questions to Consider:

- How does the theme impact student outcomes?
- How does the theme specifically impact the outcomes for historically underserved students?
- What are the long-term financial impacts (general fund, staffing, potential state fund changes, Capital projects, bonds, etc.)
- Are there any unintended consequences?
- How long will it take to produce results?
