She stated there is a lot of chatter in the community about bullying in the schools. She said she appreciated the Committee's time, and found the meeting interesting.

STUDENT CONDUCT ON BUSES TRANSPORTATION RULES & RESPONSIBILITIES

Nye County School District (NCS D) views school buses as an extension of the classroom; if it is against the rules at school, it is against the rules on the bus, and at the bus stop. Safety is of primary importance for NCS D students as they wait for the bus, and as we transport them to and from school and school-sponsored activities. Safety requires the cooperation of students, parents/legal guardians and school personnel. Parent/Legal guardian should review and discuss the school bus rules with their student in an effort to help him/her understand and assume responsibility for good conduct both at the bus stop and on the bus. Parent/Legal guardian is expected to reinforce the transportation rules and responsibilities to assist:

1. the school district in providing safe and reliable transportation;
2. the motoring public and community members in having a safe and low-risk school bus operation in their communities;
3. all students to have access to safe and efficient transportation to/from school and school events.

Students are charged with the responsibility of proper conduct while enroute to and from bus stops, at the bus stop, and while on the bus. Students will show respect for NCS D personnel and respect other students. Bus drivers/monitors are required to report known violations resulting in a disciplinary report to the school administrators via the NCS D Transportation Department. Failure to abide by the bus rules, show proper respect to others, and comply with requests of NCS D personnel may result in a student being issued a School Bus Incident Report with subsequent discipline, which may include suspension from bus transportation privileges being administered by the administration of the school of attendance, up to and including denial of bus transportation for a period of up to one year (365 calendar days). Loss of school transportation privileges does not excuse a student from school attendance, and therefore becomes the parent/legal guardian responsibility. Disciplinary consequences will follow NCS D policies and regulations, and the NCS D Restorative Justice Plan.

Student Responsibilities

1. Arrive to the bus stop ten (10) minutes prior to the scheduled stop time.
2. Display proper conduct while en route to/from bus stops, waiting at bus stop, and entering, riding, and exiting the bus.
3. Comply with the directions of the bus driver.
4. Remain properly seated at all times.

5. Do not extend any part of your body out of the bus, or throw any item in or out of the bus.
6. Do not bring any food or drink on the bus. Bus drivers may make exceptions for athletic trips, medical reasons, and weather-related occasions.
7. Do not cause damage to any part of the bus, or another student's property.
8. Do not bring skateboards, glass containers, large instruments, sports equipment, animals, or any other item that cannot be held on lap, or that could interfere with passenger safety.
9. Adhere to NCSD policy/regulation regarding weapons, drugs, alcohol, tobacco use, etc. while en route to/from bus stop, at bus stop, and while on the bus.
10. Follow the bus driver's directions and signals when crossing the road, and while entering or departing the bus.
 - a. crossing behind the bus is prohibited;
 - b. do not touch the outside of the bus;
 - c. refer to Diagram 1. below for bus danger zones.
11. Do not ride a bus other than your assigned bus. Students will board and disembark from the bus only at their assigned bus stop.

Parent/Legal Guardian Responsibilities

1. Practice with your student so he/she can identify his/her bus stop location and the path to/from the bus stop.
2. Kindergarten students must be met at the bus stop by an approved adult unless written permission is submitted to the NCSD Transportation Department.
3. If parent/legal guardian, or approved adult, is required to meet his/her student at the bus stop, arrive at the bus stop ten (10) minutes prior to the scheduled bus arrival time.
 - a. **NOTE:** Failure to comply with the bus stop pickup requirements, or failure of notification that you will be late to the bus stop, will require the NCSD Transportation Department or school administrators to contact the Nye County Sheriff's Office for assistance.

4. Do not drop your student off behind the bus as this increases the risk to student safety. Please refer to Diagram 1. below for bus danger zones.
5. Do not block private driveways, park on private property, or immediately adjacent to the actual bus stop location.
6. Ensure your student is respectful of private and public property. Keep letter and trash away from stops and walk paths.

Bus Driver/Designated Driver Responsibilities

1. Inspection and preparation of the vehicle.
2. Follow the planned route directions.
3. Ensure only authorized riders enter the bus, and that all students exit the bus at their assigned bus stop location.
4. Report any known violations of rules to school administration via the NCSD Department of Transportation.

School Administrator Responsibilities

1. Investigate and follow NCSD policy/regulation regarding reported violations.
2. Follow up with parent/legal guardian regarding any issues or action taken.
3. Assist the Department of Transportation with concerns or violations that may warrant a student's immediate removal from school transportation privileges.

Severe misbehavior that causes a safety concern for staff/students could result in an immediate suspension from school transportation. These severe behaviors may include, but are not limited to:

1. Violence/Harm (Battery) to a Staff Member;
2. Violence/Harm (Battery) to a Student;
3. Fighting;
4. Threat/Assault;
5. Possession/Distribution of Weapons, Narcotics, Marijuana, Tobacco/Vape Product;

- 6. Gang Activity;
- 7. Destruction of Property;
- 8. Disruptive Conduct.

Consequences to all student behavior will follow the NCS D Restorative Justice Discipline Matrix guidelines.
