Wauneta, NE 69045

Dear Negotiations Committee:

The Wauneta-Palisade Education Association requests that the school board of the Wauneta-Palisade Public Schools take action to recognize the Wauneta-Palisade Education Association as the exclusive bargaining agent for the district's non-supervisory staff to begin bargaining next fall for the 2028-2029 contract year.

Please direct your response to the undersigned.

Sincerely,

Sheryl Einspahr
Negotiation Team Member

Principal's Report

October, 2026

Parent-Teacher Conferences
Parent-teacher conferences were held on October 1. We had strong participation from our elementary families, with 94.7% of elementary parents attending conferences. 87% of middle school parents and 52% of high school parents also participated. I appreciate our teachers and families making time to communicate about student progress, strengths, and areas for continued growth.

Instruction and Data Teams
Our first elementary data team meeting was held on October 2. The team analyzed DIBELS data to identify student needs, discuss current interventions, and review progress-monitoring information. We also established decision rules to help determine when students should continue, adjust, or exit interventions based on their progress. Our next elementary data team meeting is scheduled for October 23.

Mentoring and New Staff Support
I have continued checking in with our mentors and mentees to ensure that new staff members feel supported as they transition into the school year. A mentor-mentee meeting is scheduled for October 23. These conversations provide an opportunity to address questions, share ideas, and strengthen support for our newer teachers.

HERDS and Professional Learning Communities
HERDS began on September 29. We have made some adjustments to the structure from last year to better meet the requests of our staff and to continue to provide opportunities for professional growth and collaboration. Beginning October 13, our 6–12 teachers will begin PLCs. Half of the teachers will participate in PLCs while the other half participates in HERDS, allowing staff to engage in focused professional learning and collaboration.

Fire Prevention Week
Fire Prevention Week began October 5. Our K–5 students participated in activities at the local firehouse, including a presentation from our local firefighters on fire prevention and fire safety. Students also had the opportunity to experience the smokehouse, providing them with a hands-on way to learn about what to do in the event of a fire. We appreciate the time and effort our local firefighters put into making this an educational, meaningful, and fun experience for our students.

Homecoming Week
Homecoming Week also began October 5 and provided many opportunities for student involvement and school spirit. Students decorated the hallways on Wednesday afternoon. On Friday, our pep rally was held downtown. The band marched from the school and led students and staff downtown for the celebration. Friday evening included the volleyball and football games, followed by the Homecoming crowning after the football game. Students then enjoyed the Homecoming dance following the game. It was a great week of school spirit and community involvement.

Student Health Services
Dental screenings were provided to students on Friday. Nebraska schools are required to provide dental screenings, and parents have the option to opt their child out of the screening. We appreciate our school nurses and the providers who work with our school to make this service available to students.

Teacher Walkthroughs and Evaluations
I have begun conducting classroom walkthroughs as part of our ongoing focus on instruction and student learning. These walkthroughs provide an opportunity to see teaching and learning in action, provide feedback, and identify areas where additional support may be beneficial. I will begin formal evaluations of our experienced teachers next week.
