Important Disclosures

Important Disclosures

This statement is for general information purposes only and is not intended to provide specific advice or recommendations. PFM Asset Management ("PFMAM") is a division of U.S. Bancorp Asset Management, Inc. ("USBAM"), a SEC-registered investment adviser. USBAM is direct subsidiary of U.S. Bank National Association ("U.S. Bank") and an indirect subsidiary of U.S. Bancorp. U.S. Bank is not responsible for and does not guarantee the products, services or performance of PFMAM. PFMAM maintains a written disclosure statement of our background and business experience. If you would like to receive a copy of our current disclosure statement, please contact Service Operations at the address below.

Proxy Voting PFMAM does not normally receive proxies to vote on behalf of its clients. However, it does on occasion receive consent requests. In the event a consent request is received the portfolio manager contacts the client and then proceeds according to their instructions. PFMAM's Proxy Voting Policy is available upon request by contacting Service Operations at the address below.

Questions About an Account PFMAM's monthly statement is intended to detail our investment advisory activity as well as the activity of any accounts held by clients in pools that are managed by PFMAM. The custodian bank maintains the control of assets and executes (i.e., settles) all investment transactions. The custodian statement is the official record of security and cash holdings and transactions. PFMAM recognizes that clients may use these reports to facilitate record keeping and that the custodian bank statement and the PFMAM statement should be reconciled and differences resolved. Many custodians use a settlement date basis which may result in the need to reconcile due to a timing difference.

Account Control PFMAM does not have the authority to withdraw funds from or deposit funds to the custodian outside the scope of services provided by PFMAM. Our clients retain responsibility for their internal accounting policies; implementing and enforcing internal controls and generating ledger entries or otherwise recording transactions.

Market Value Generally, PFMAM's market prices are derived from closing bid prices as of the last business day of the month as supplied by ICE Data Services. There may be differences in the values shown for investments due to accrued but uncollected income and the use of differing valuation sources and methods. Non-negotiable FDIC-insured bank certificates of deposit are priced at par. Although PFMAM believes the prices to be reliable, the values of the securities may not represent the prices at which the securities could have been bought or sold. Explanation of the valuation methods for a registered investment company or local government investment program is contained in the appropriate fund offering documentation or information statement.

Amortized Cost The original cost of the principal of the security is adjusted for the amount of the periodic reduction of any discount or premium from the purchase date until the date of the report. Discount or premium with respect to short term securities (those with less than one year to maturity at time of issuance) is amortized on a straightline basis. Such discount or premium with respect to longer term securities is amortized using the constant yield basis.

Tax Reporting Cost data and realized gains / losses are provided for informational purposes only. Please review for accuracy and consult your tax advisor to determine the tax consequences of your security transactions. PFMAM does not report such information to the IRS or other taxing authorities and is not responsible for the accuracy of such information that may be required to be reported to federal, state or other taxing authorities.

Financial Situation In order to better serve you, PFMAM should be promptly notified of any material change in your investment objective or financial situation.

Callable Securities Securities subject to redemption prior to maturity may be redeemed in whole or in part before maturity, which could affect the yield represented.

Portfolio The securities in this portfolio, including shares of mutual funds, are not guaranteed or otherwise protected by PFMAM, the FDIC (except for certain non-negotiable certificates of deposit) or any government agency. Investment in securities involves risks, including the possible loss of the amount invested. Actual settlement values, accrued interest, and amortized cost amounts may vary for securities subject to an adjustable interest rate or subject to principal paydowns. Any changes to the values shown may be reflected within the next monthly statement's beginning values.

Rating Information provided for ratings is based upon a good faith inquiry of selected sources, but its accuracy and completeness cannot be guaranteed.

Shares of some local government investment programs and TERM funds are distributed by representatives of USBAM's affiliate, U.S. Bancorp Investments, Inc. which is registered with the SEC as a broker/dealer and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Municipal Securities Rulemaking Board ("MSRB"). You may reach the FINRA by calling the FINRA Hotline at 1-800-289-9999 or at the FINRA website address <https://www.finra.org/investors/investor-contacts>. A brochure describing the FINRA Regulation Public Disclosure Program is also available from FINRA upon request.

Key Terms and Definitions

Dividends on local government investment program funds consist of interest earned, plus any discount ratably amortized to the date of maturity, plus all realized gains and losses on the sale of securities prior to maturity, less ratably amortization of any premium and all accrued expenses to the fund. Dividends are accrued daily and may be paid either monthly or quarterly. The monthly earnings on this statement represent the estimated dividend accrued for the month for any program that distributes earnings on a quarterly basis. There is no guarantee that the estimated amount will be paid on the actual distribution date.

Current Yield is the net change, exclusive of capital changes and income other than investment income, in the value of a hypothetical fund account with a balance of one share over the seven-day base period including the statement date, expressed as a percentage of the value of one share (normally \$1.00 per share) at the beginning of the seven-day period. This resulting net change in account value is then annualized by multiplying it by

365 and dividing the result by 7. The yields quoted should not be considered a representation of the yield of the fund in the future, since the yield is not fixed. **Average maturity** represents the average maturity of all securities and investments of a portfolio, determined by multiplying the par or principal value of each security or investment by its maturity (days or years), summing the products, and dividing the sum by the total principal value of the portfolio. The stated maturity date of mortgage backed or callable securities are used in this statement. However the actual maturity of these securities could vary depending on the level or prepayments on the underlying mortgages or whether a callable security has or is still able to be called.

Monthly distribution yield represents the net change in the value of one share (normally \$1.00 per share) resulting from all dividends declared during the month by a fund expressed as a percentage of the value of one share at the beginning of the month. This resulting net change is then annualized by multiplying it by 365 and dividing it by the number of calendar days in the month.

YTM at Cost The yield to maturity at cost is the expected rate of return, based on the original cost, the annual interest receipts, maturity value and the time period from purchase date to maturity, stated as a percentage, on an annualized basis.

YTM at Market The yield to maturity at market is the rate of return, based on the current market value, the annual interest receipts, maturity value and the time period remaining until maturity, stated as a percentage, on an annualized basis.

Managed Account A portfolio of investments managed discretely by PFMAM according to the client's specific investment policy and requirements. The investments are directly owned by the client and held by the client's custodian.

Unsettled Trade A trade which has been executed however the final consummation of the security transaction and payment has not yet taken place.

Please review the detail pages of this statement carefully. If you think your statement is wrong, missing account information, or if you need more information about a transaction, please contact PFMAM within 60 days of receipt. If you have other concerns or questions regarding your account, or to request an updated copy of PFMAM's current disclosure statement, please contact a member of your client management team at PFMAM Service Operations at the address below.

408 SUBPOENA OF A SCHOOL DISTRICT EMPLOYEE

I. PURPOSE

The purpose of this policy is to protect the privacy rights of school district employees and students under both state and federal law when requested to testify or provide educational records for a judicial or administrative proceeding.

II. GENERAL STATEMENT OF POLICY

This policy is to provide guidance and direction for school district employees who may be subpoenaed to testify and/or provide educational records for a judicial or administrative proceeding.

III. DATA CLASSIFICATION

A. Educational Data

1. State Law

The Minnesota Government Data Practices Act (MGDPA), Minnesota Statutes chapter 13, classifies all educational data, except for directory information as designated by the school district, as private data on individuals. The state statute provides that **private data on individuals may not be released, except pursuant to a valid court order or informed consent by the subject of the data or a parent if the subject of the data is a minor.**

2. Federal Law

The Family Educational Rights and Privacy Act (FERPA), 20 United States Code section 1232g, provides that educational data may not be released, except pursuant to informed consent by the individual subject of the data or any lawfully issued subpoena. Regulations promulgated under the federal law require that the school district must first make a reasonable effort to notify the parent of the student, or the student if the student is 18 years of age or older, of the subpoena in advance of releasing the information pursuant to the subpoena.

B. Personnel Data

The MGDPA also classifies all personnel data, except for certain data specifically classified as public, as private data on individuals. The state statute provides that **private data on individuals may not be released, except pursuant to a valid court order or informed consent by the subject of the data.**

IV. APPLICATION AND PROCEDURES

A. Any employee who receives a subpoena for any purpose related to employment is to inform the building administrator or designated supervisor when the employee receives the subpoena. The building administrator or designated supervisor shall immediately

inform the superintendent that the employee has received a subpoena.

- B. No employee may release educational data, personnel data, or any other data of any kind without consultation in advance with the school district official who is designated as the authority responsible for the collection, use and dissemination of data.
- C. Payment for attendance at judicial or administrative proceedings and the retention of witness and mileage fees is to be determined in accordance with the applicable school board policies and collective bargaining agreements.
- D. The administration shall not release any information except in strict compliance with state and federal law and this policy. Recognizing that an unauthorized release may expose the school district or its employees to civil or criminal penalties or loss of employment, the administration shall confer with school district legal counsel prior to release of such data.

412 EXPENSE REIMBURSEMENT

I. PURPOSE

The purpose of this policy is to identify school district business expenses that involve initial payment by an employee, and qualify for reimbursement from the school district, and to specify the manner by which the employee seeks reimbursement.

II. AUTHORIZATION

Requests by staff to attend and/or participate in professional conferences, meetings, and conventions will be considered on an individual basis and should be routed through supervisors. Staff must receive approval prior to registration. Staff should anticipate attendance at these functions and allow a minimum of three weeks for in-state, four weeks for out-of-state for processing of the request.

III. REIMBURSEMENT

1. Business travel by private automobile shall be reimbursed at the current Federal IRS mileage rate. Private automobiles must meet state requirements for liability and property damage insurance coverage. Reimbursement is requested by completing the ISD 917 "Mileage Reimbursement Form."
2. Reimbursement claims for travel, lodging, meals, taxi fare, baggage handling, and other miscellaneous expenses will be accompanied by itemized original receipts. Request reimbursements by completing the "Conference Expense Form".
3. Trips or attendance at meetings outside of the state shall be authorized by the superintendent by written notice.
4. School personnel may arrange for car rental with previous authorization of the superintendent.
5. Requests for reimbursement must be itemized on the official School District form and are to be submitted within 60 days after returning. The School District will be required to report reimbursements received after 60 days as taxable income and will not be obligated for claims received 30 days past the June 30 fiscal year end.
6. Reimbursement of out-of-state travel expenses for use of a personal car for the destination of the conference, meeting, or convention, will be allowed not to exceed

the applicable round trip airfare rate (coach fare).

IV. OPERATING PROCEDURES

TRAVEL

Approved business travel involving use of personal automobile shall be reimbursed on a per mile reimbursement rate. Rates will be set in accordance with Federal IRS mileage rates.

Travel by commercial transportation shall be obtained with the ISD 917 Corporate Credit card only and shall be the most economical air fare available. Only regularly scheduled commercial airlines shall be used for business purposes.

If travel is canceled by the employee according to Minnesota Statute 15.435 “Whenever public funds are used to pay for airline travel by an elected official or public employee, any credits or other benefits issued by any airline must accrue to the benefit of the public body providing the funding. In the event the issuing airline will not honor a transfer or assignment of any credit or benefit, the individual passenger shall report receipt of the credit or benefit to the public body issuing the initial payment within 90 days of receipt.” The employee will reimburse the district for the cost of the airfare.

Travel by personal automobile for long distance trips must be approved in advance by the superintendent and reimbursement shall not exceed the most economical air fare rate available.

MEALS

Meals will be reimbursed per the Minnesota Office of State Procurement Commissioner’s Plan. If a conference registration fee includes some meals, reimbursement for meals not included shall be based on the Commissioner’s Plan. There will be no reimbursement for alcoholic beverages. Itemized receipts are required to be submitted.

Reimbursement for an official meal or meeting function shall not exceed actual cost. The Superintendent or Chairperson of the Board must approve meal cost requests exceeding the daily allowance. Itemized receipts are required to be submitted.

LODGING

Because of variances in hotel or motel accommodations, no fixed amounts are prescribed. For accommodations not booked through District 917, the District will reimburse employees for lodging costs incurred in carrying out approved District 917 business. Employees are responsible to use good judgment in incurring lodging costs and shall provide receipts as evidence of lodging payments. Itemized receipts are required to be submitted.

OTHER EXPENSES

Personal and special expenses other than the above shall require special approval by the superintendent or school board.

560 STUDENT GENDER INCLUSION POLICY

I. PURPOSE

All students need a safe, supportive school environment to progress academically and developmentally. The purpose of this policy is to facilitate compliance with applicable laws and organizational guidelines as well as to foster an educational environment that is safe, supportive, and fully inclusive for all students regardless of gender identity or gender expression.

II. POLICY STATEMENT

Intermediate School District 917 shall act to ensure that students who are transgender and gender non-conforming are included in all school activities like their peers.

DEFINITIONS

The following definitions are provided to assist in understanding this policy.

- a. **Assigned Gender** – An individual’s gender assigned at birth, which correlates to the biological, genetic, and anatomical makeup of a body.
- b. **Gender Expression** – The manner in which an individual expresses their gender.
- c. **Gender Identity** – An individual’s sense of being male, female, or otherwise on a continuum of gender.
- d. **Gender Dysphoria** – A conflict between an individual’s physical or assigned gender and the gender with which they identify.
- e. **Gender Non-Conformity** – Behaviors and interests that fit outside of stereotypical behaviors and interests for an individual’s assigned sex.
- f. **Transgender** – An individual whose gender is different from the gender assigned to them at birth.

III. BULLYING, HARASSMENT, AND DISCRIMINATION PROHIBITION

Intermediate District 917 and all employees are responsible for ensuring that every student, including transgender and gender nonconforming students, has a safe and supportive school environment. Bullying, harassment, and discrimination on the basis of gender identity or expression are prohibited. Intermediate School District 917 will take any such incident seriously, give the incident immediate attention, and handle the incident in the same manner as the school handles other bullying, harassment and discrimination as outlined in all applicable existing District 917 policies, including but not limited to Policy 102 (Equal Educational

Opportunity), Policy 526 (Hazing Prohibition), Policy 514 (Bullying Prohibition), Policy 521 (Student Disability Nondiscrimination), Policy 522 (Student Sex Nondiscrimination), Policy 529 (Violent Behavior by Students), Policy 515 (Protection and Privacy of Pupil Records) apply to all students regardless of their gender identity or gender expression. Education and training regarding the issues addressed in this gender inclusion policy will be provided for employees, students and the broader school community.

IV. GENDER TRANSITION AT SCHOOL

Students who transition socially or physically at school have a right to a safe and supportive environment. Steps taken to support students during this time will be carried out in collaboration with the student first, then the parent/guardian, with careful consideration given to student data privacy and consent. If appropriate, school administration and staff shall work with any such students and their parents/guardians (based on the student's individual needs) to identify which steps will create the conditions necessary to make the transition experience as positive as possible. Based on this work, Intermediate District 917, the student, and parents/guardians will create a tailored gender transition plan that ensures the school environment remains both safe and supportive of the student. Because each possible plan will be highly individualized, the plan will be developed in collaboration with the student, parent/guardian, school principal, Executive Director of Student Services and/or additional appropriate school staff.

V. NAMES AND PRONOUNS USAGE

Students have the right to be addressed by a preferred name and by a pronoun corresponding to their gender identity. A court-ordered name or gender change is not required, and a student need not change official records in order to have this right honored by all members of the school community. Official records must identify a student with their legal name and assigned gender, unless the student has legally changed their name.

VI. DRESS CODE

Students have the right to dress and must be in accordance with their gender identity, within the constraints of the dress code specified in the Student handbook or policy. School staff will not enforce the school's dress code more strictly toward transgender and gender nonconforming students than other students. Intermediate School District 917 will not require gender stereotypical fashion or dress. Intermediate School District 917 will avoid the use of gender pronouns when describing dress in its dress code.

VII. GENDER-SEGREGATED ACTIVITIES, RULES, POLICIES AND PRACTICES

Intermediate School District 917 shall evaluate all gender-based activities, curricula, rules, policies, and practices, including but not limited to classroom activities, school ceremonies, and school photos, and maintain only those that have a clear and sound pedagogical purpose. In situations where students are segregated by gender, students have the right to participate in any such activities or conform to any such rule, policy, or practice in a manner that aligns with their gender identity consistently asserted at school.

All students, regardless of their gender identity, have the right to participate fully in overnight trips and other activities. In all cases, the school has an obligation to maintain the privacy of all students and cannot disclose or require the disclosure of the student's transgender status to the other students or the parents/guardians of other students.

VIII. PHYSICAL EDUCATION CLASSES

All students have the right to participate in physical education classes in a manner that aligns with their gender identity.

IX. ACCESS TO RESTROOMS, LOCKER ROOMS, AND CHANGING AREAS

Each student shall be granted access to restrooms, locker rooms, and changing areas that align with the student's gender identity. Any student who has a need or desire for increased privacy, regardless of the underlying reason, shall be provided access to a reasonable alternative, but no student shall be required to use such a facility.

X. PRIVACY

All students have a right to privacy. A student's transgender or gender nonconforming status is private information. Related information, such as the student's legal name, may also constitute private information. Information regarding a student's transgender or gender nonconforming status may also be confidential medical information. Disclosing this information to other students, other students' parents/guardians, or other third parties may violate privacy provisions in certain laws, such as the federal Family Educational Rights and Privacy Act (FERPA) and the Minnesota Government Data Practices Act. Disclosure of this information to school employees is also limited to those employees who have a legitimate educational reason for obtaining the information. Other disclosure may occur as allowed by exceptions to FERPA or the Minnesota Government Data Practices Act.

Intermediate School District 917 shall keep private all personal information relating to transgender and gender nonconforming students in accordance with Board Policy 515 and applicable laws. School staff is prohibited from disclosing information that may reveal a student's transgender status to others, including other students' parents/guardians and other school staff, unless legally required to do so or when written permission has been given by the parent(s)/guardian(s) or the student who is over 18 years of age.

Transgender and gender nonconforming students have the right to discuss and express their gender identity and gender expression openly and to decide when, with whom, and how much private information to share. The fact that a student chooses to disclose their transgender status to staff or other students does not authorize school staff to disclose other private information about the student.
