6. Reports

6.1. Continuous School Improvement

Continue School Improvement team provided an update on progress made over the summer toward development of goals and priorities based on academic, demographic, program and perceptual data.

6.2. Boone Central Recognitions

Cassie Olson was recognized for her contributions to the District. Ms. Olson does a great job in the classroom engaging with students. She makes kids think about subjects in a new way and encourages them to use critical thinking skills when looking at a topic, problem, or subject. Ms. Olson also does a great job with National Honor Society, Book Club, ONP (Olson Nature Preserve), and Close-Up (trip to DC). She encourages our kids to seek out healthy experiences and to be honorable people. Thank you to Ms. Olson for all she does for our kids and our district. Those who helped prepare for and facilitate the registration process were recognized - registration this year was very well organized and smooth. Shout out to Lauren Mrsny, Stephanie Banzhaf, Bonnie Molt, Heather Hudson, and Stacy Gragert for planning and preparing the Boone County Grand Marshal parade float. Thank you to those who assisted with the Petersburg move in July: Custodial staff, Joel Sup, Angie Sup, Jon Perone, Craig Theis, Dawn Theis, Whitney Paulson, Lynne Webster, Sarah Bird, Justin Frey, Erin Eickhoff, Michelle Merten, Kathy Beckman, Lauren Mrsny, Stacy Petersen, Corey Thome, Andy Imus, Tim Stopak, and Laisha Winter. Special thank you to Charlie Krohn for also assisting! Recognition of all the staff who have worked to prepare for the middle school transition.

6.3. Board Committee

Coop committee has met several times, both with NG and with our own committee members to discuss the Coop in general and more specifically, regarding participation numbers and cooping in sports where classifications are affected. We have had many conversations regarding the wrestling coop for the upcoming year and other various aspects of the coop. After looking at what we perceive to be no participants from Newman Grove for the upcoming year, and where the Coop will push us into Class B, it is the recommendation of the committee that we amend the coop agreement for the 2021-2022 year, in boys wrestling only to remove the cooperative with Newman Grove. This would allow our program to participate in Class C for the upcoming year. This would be a one sport, one year amendment only. We value our relationship with NG and the coaches that they provide to the Boone Central Co-op. We want to make sure that it is understood that this decision has nothing to do with NG or the staff that they provide. It should not be looked at as an us vs. them situation. The recommendation for amendment is solely based on what we believe will give our program and our kids that are participating in 2021-22 wrestling season the very best chance at success. We hope to be able to work out details where our current coaches can and will continue to coach and our kids. They are an extremely important and valued part of our programs, in wrestling as well as all other sports. Many hours were spent discussing this specific topic and after listening to a lot of input and considering the many aspects of this unique situation, we believe this recommendation is best for the boys wrestling program for this upcoming year.

6.4. Superintendent

Superintendent Hardwick provided an update on the construction project noting that substantial progress has been made and that the occupancy permit is anticipated by Tuesday, August 10th.

Board & Administrator

FOR SCHOOL BOARD MEMBERS

September 2021 Vol. 35, No. 5

School board meeting refresh

Consider new ways to conduct your school board meeting in the coming school year. The way you prepare for your meeting might need to change in light of the “new normal” post-coronavirus.

When preparing for the next school board meeting, consider the following:

- **Virtual meetings.** Appreciate that many stakeholders may continue to virtually participate in the meeting. Your agenda may need to detail the transition to in-person meetings and reflect how the meeting will be conducted to allow for both in-person and online participation. Meeting procedures and the time allotted for each agenda item may need to be adjusted to accommodate different meeting formats.

- **Public comment.** The board will need to continue to provide a means for virtual public comment on agenda items. Review district policies for collecting and meaningfully considering public comment. Be certain to document that the board considered all input from stakeholders.

- **Open meetings.** Ensure that procedures are in place to make meetings open to the public as required by law, via live streaming technology, archived recordings accessible on the district’s website, or broadcasts through cable channels, YouTube, or other platforms. Assign a board member to maintain an accurate and current events calendar

that provides the required notice to the public of open meetings according to state sunshine laws.

- **Accessibility.** Revisit your website and correspondence to ensure that board policies and procedures are accessible to all stakeholders. Don’t overlook how stakeholders may address the board, provide input, and comment.

- **Agenda items.** Expect that many of the high-priority issues at the start of the school year might involve COVID-19 health and safety protocols, recovery services due as a result of learning loss during the pandemic, accommodating continuing online learners, staffing and budgeting stressors, requests for hybrid instruction, and mask and vaccine policies. The board should prepare in advance to present a united front on these issues and navigate the “new normal” as a group. Determine what topics are of current interest and prioritize them. Include details for each meeting agenda item and delegate time parameters. Document any special meetings and agenda items that require board approval.

Your next board meeting should embrace all of the new ways to participate and collaborate. Consider the start of the 2021-22 school year a “fresh start” and an opportunity to strengthen and support the board’s working partnership with stakeholders. ■

Honor your retiring superintendent

The retirement of a superintendent can be bitter-sweet for both the superintendent and the school board, especially if board members developed a good

working relationship with the superintendent during her tenure. Before your superintendent departs, consider holding an event to honor her accomplishments.

When Jean Shumate, former superintendent for the Stanwood-Camano (Wash.) School District, retired on June 30, members of the school board spoke about her achievements during a public meeting. For example, one board member highlighted how Shumate helped the district overcome a financial crisis and rebuild its general fund. You can do something similar for your retiring superintendent by:

- Inviting current and former board members who worked with the superintendent to her last board meeting.
- Having board members say a few remarks about the superintendent's contributions to the district.
- Presenting the superintendent a retirement gift, such as an engraved glass award or fountain pen. ■

Refine your school board's committees

Discuss whether committee chairs and vice chairs should be board members. The board should also ensure that the board's governance manual identifies standing committees and includes procedures for meetings, conducting business, and reporting at each board meeting. The committees' work can help to facilitate the board's decision-making. They should meet regularly between board meetings, take attendance, and remain accountable to the group and to the board. Board policies and procedures should also reflect rules for committees, including tracking attendance, keeping minutes, documenting decisions, and archiving notes. The school board president, director, or chair should have a role in each committee, even if that means only sitting-in on a meeting each month to keep abreast of the committee's progress.

This year, the board's public advisory committee may face the biggest demands, having to address the transition back to in-person instruction, health and safety protocols, mask mandates, vaccination requirements, and recovery services for learning loss. Anticipate this need when organizing your committees to avoid insufficient membership on committees and committee member burnout. ■

The first board meeting in the new school year is probably the best time to examine the board's governance needs and determine whether your board committees need to be adjusted to align with those needs. School boards should refrain from continuing the same committees year-to-year, and target groups to focus on specific current needs. There are essential core committees that every school board should have, such as governance, development, finance, academic excellence, director support and evaluation, audit, budget, planning, development, and public engagement committees. However, your board should consider smaller, more directed, groups to tackle special projects. Committees to handle fundraising, curriculum, or buildings and facilities might be needed. Citizen advisory committees for adult community education, career and technical education, and advanced academic programs might also prove beneficial. Also, consider a committee to review and revise the board's by laws, especially after the changes that resulted from the pandemic. Each committee should have a "job description" and goals. While committee members might develop goals, the board should supply some direction to ensure that each committee stays focused.

Communication is a two-way street. Just as board members expect the superintendent to inform them of potential issues before they show up on the board meeting agenda, board members should also relay their concerns to the superintendent in a timely manner. If you have questions about district operations or doubts about a specific hot-button issue, communicate directly with the superintendent or board president at least a few days in advance of the next board meeting. This will allow you to air out your concerns and provides the superintendent sufficient time to research the issue and prepare a solution. ■

Communicate questions, concerns before the board meeting

President Kusek inquired about a formal process to request funds to help with the playground project. Steve indicated that he would do some research, however the "purse strings are tight at Wells Fargo" at this time. He will reach back out to President Kusek after he looks into the possibility of a donation.

She was employed at CKC during the summer and wanted the opportunity to fill the site director position.

Abby Hitchler, Boone Central Agriculture teacher, reported on the addition of Biotechnology and her CASE certification to teach this class.

TREASURER'S REPORT

Treasurer Martinsen provided a statement of Liabilities and assets as of August 24, 2021. Current assets were \$70,062.38 in checking and saving; a total of \$ 1,773,112.15 in loan funds; \$ 619,209.66 in the Cornerstone Bank investment account with \$325,663.82 in Cornerstone Trust loan funds; \$100,251.81 in Masonic Lodge Funds. The total current assets are \$3,569,059.49. Net income to date is \$94,611.04 with total liabilities and equity noted as \$3,569,059.49.

Discussion noting students in payout followed. Martinsen reported that 3 students have yet to respond to his request for repayment. He noted that around 20 students applied for the Olson Wolf Loan in 2021, which is down from previous years. It was suggested that we reach out to the high schools in Boone, Nance, Antelope, Wheeler and Greeley counties to encourage students to apply for the loan. School Counselor Webster will reach out to the area school counselors through email in August and again in May to remind school counselors of the opportunity for their students.

There was discussion about the bill from Bygland Dirt Contracting, Inc. for the repairs done to the bridge at ONP and the Corp of Engineers permit to make repairs.

OLD BUSINESS

AEF Board member Ralph Schmadeke attended the alumni banquet and reported to the attendees about AEF's purpose, projects and possibly hosting an out-reach event. Mandy Luettel will be the next president of the Alumni Association.

School counselor, Lynne Webster, presented data on the addition of the greenhouse. She presented on enrollment of students in the classes that use the greenhouse and ACT and MAP test scores since the greenhouse was built. She also reported about several FFA projects that placed at state with projects that used the greenhouse.

There is an outstanding bill of \$61,829.50 from Bygland Dirt Contracting, Inc. for the repairs made to the bridge at ONP. Coakes moved and Kruse seconded. The motion passed unanimously.

David Craft reached out to Treasurer Martinsen and President Kusek apologizing for not following up after he was let go and explaining that he wasn't able to reach out to his clients. He also sent a note to Kusek that she shared with the board.

Joe-On-The-Go provided drinks (coffee and smoothies) to the teachers for the first day back for meetings. The teachers appreciated the gesture and it was really well received. Treasurer Martinsen paid \$863.14 and the owner indicated she would donate \$60 to the AEF. Discussion was held about providing this again in the future.

The Big Give is coming up and the project will still be raising funds for the elementary playground equipment. By September 1, 2021, the projects for the Big Give 2021 will be posted on the website.

NEW BUSINESS

Grant Requests - Three teachers submitted new grant requests since AEF was under budget last school year.

- Mr. Korte requested two 3D printers for students K-12 at \$800 each. Supt Hardwick suggested that the school would purchase one table if the foundation would fund the second one.
- Mr. Korte also requested two new welding tables at the cost of \$1,000 each. Supt. Hardwick suggested that the school would purchase one table and the foundation would purchase the second one.
- Mrs. Hitchler requested additional grant money to cover supply costs of her Biotechnology class for \$2,500

Discussion about last year's grant budget took place and it was reported that St. Mike's was not going to use their approved \$1,800 toward their artist in residence so there would be more money available. As of December, there was approximately \$20,000 left of the pledged science money. Abby Hitchler also presented about her Biotechnology class and the added costs that weren't anticipated due to the hands-on nature of the course. The additional funds would cost materials and equipment. The class has 12 students enrolled this year and it is the second year the course has been taught.

Martinsen moved and Schmadeke made a motion to approve the requests for the welding table and 3D printers for a total of \$1,800 to come from the pledged science money. It was approved unanimously.

Coakes moved and Kruse seconded a motion to approve the requests for the material and equipment for Biotechnology for an additional \$2,500 to come from the pledged science money. It was approved unanimously.

Donations - Discussions were had about monetary donations toward either a scholarship or toward the grants that AEF fund. The question arose around a donor wall to recognize people that have donated to AEF. Member Schmadeke offered to be on a committee to look more into this.

AEF Member Stephens's term is up for renewal. His term is approved by the Boone Central School Board and Supt Hardwick will put it on the agenda for the September school board meeting.

Member Coakes's term was also up for renewal. AEF needs to approve his continued membership.

Schmadeke moved and Kruse seconded that Coakes's term be renewed until 2025.

Coakes moved and Kruse seconded that current officer positions remain for the upcoming year. The motion passed unanimously.

CERTIFICATION OF TAXABLE VALUE

Assessed Valuation – includes all real, personal and centrally assessed valuation in the school district. The assessed valuations are certified by the county assessor and provided to the school on or before August 20th each year. The assessed value is used to calculate the levy and request using the following formulas:

$$\begin{aligned} &(\text{Property Tax Request}/\text{Assessed Valuation}) \times 100 = \text{Property Tax Levy} \\ &(\text{Assessed Valuation} \times \text{Property Tax Levy})/100 = \text{Property Tax Request} \end{aligned}$$

10 Year History – The assessed valuation for the Boone Central School District has increased \$739,764,405 (109%) over the last 10 years.

The Boone Central School District has land in both Boone and Antelope County. The valuations below are a combined total of assessed values.

GENERAL FUND BUDGET OF DISBURSEMENTS

The General Fund finances all facets of services rendered by the school district. General Fund receipts are classified according to source while its expenditures are classified according to specific functions. General Fund expenditures are limited by statute. The tax levy for this fund is restricted.

General Fund Budget of Disbursements and Transfers – the total amount of disbursement the school estimates spending during the school year. The school district may not exceed this total amount.

Necessary Cash Reserve – an amount of budgeted funds to provide a stable cash flow during a school fiscal year. The Necessary Cash Reserve is limited by the Applicable Allowable Reserve Percentage or by 50% of the total expenditures in a budgeted fund less capital outlay.

DEPRECIATION FUND

A depreciation fund may be established by a school district in order to facilitate the eventual purchase of costly capital outlay by reserving such monies from the General Fund. To allocate monies from the General Fund, a school district will show the movement of monies as an expense from the General Fund and the Depreciation Fund will show the revenue as a transfer from the General Fund. The purpose of the Depreciation Fund is to spread replacement costs over a period of years in order to avoid a disproportionate tax effort in a single year to meet such an expense. The Depreciation Fund is considered a component of the General Fund and is restricted by statute as part of the Allowable Reserve limitation.

Allowable Reserve Limitation – as determined by State Statute 79-1027. The percentage is based on the average daily membership of the school district and places a limitation on the amount of funds that may be budgeted as necessary cash reserves in the General Fund and Employee Benefit Fund and the total requirements in the Depreciation Fund. This percentage is applied in the LC-2 to the 2021-22 General Fund Budget of Disbursements and Transfers to determine the maximum dollar amount of allowable reserves.

Boone Central School District Average Daily Membership (Fall 2020) = 582

Allowable Reserve Percentage = 35%

BOND FUND

The Bond Fund is used to record tax receipts, investment interest, and the payment of bond principal, interest, and other related costs. The tax levy for this fund is restricted for expenditures other than principal and interest on bonds.

The proposed Bond Fund Tax Request is \$870,00,000. The total Personal and Real Property Tax Requirement with the County Treasurer's Commission of 1% is \$878,788.

In June 2020, the Series 2015 bonds (\$10,000,000) were refunded. The refunding resulted in an overall savings of \$882,800. The annual savings on the bond payments totaled approximately \$30,000 last year and this year. Starting in 2022-23 the annual savings on the bond payments will be approximately \$60,000.

- Series 2020 – December 2035

SPECIAL BUILDING FUND

A Special Building Fund shall be established when a school board decides to acquire or improve sites and/or to erect, alter or improve buildings. The sale of bonds, the sale of property, or tax receipts will be the primary sources of revenue for the Special Building Fund. Regardless of the source of money to be used for building construction and related costs, all income for the purposes of this fund shall be accountable through this fund.

The tax levy for this fund is restricted to 14 cents with local board approval or 17.5 cents following a vote of the people for a term not to exceed ten years.

The Special Building Fund has a current balance of \$1,389,886. These funds are reserved for remaining payments to WA Klinger for the middle school construction project totaling approximately \$890,000, 2021-22 Cornerstone Bank Lease Purchase principal and interest payments for the middle school project totaling \$601,460, and completion of the playground renovation.

The Special Building Fund property tax request increase is a shift from the general fund efficiencies from the closure of the Petersburg campus. The general fund tax request was decreased by \$684,592 which is a combination of available federal funds and Petersburg campus efficiencies. Of this \$684,592, \$338,384 was shifted to the Special Building Fund property tax request for payments on the middle school construction project. The lease purchase payments on the middle school will be approximately \$600,000/year with the final payment scheduled for December 2027.
