 Columbus Day,
 October 11, 2010

The 2020-2011 School Year calendar as approved by the School Board does not list Christopher Columbus Day, October 11, 2010, as an observed holiday in our District. School is in session and all school and administrative offices are open. While Minnesota Statutes list Christopher Columbus Day as a holiday, it also provides “political subdivisions” with the option to conduct public business by taking specific action. October 11, 2010, is the second Monday of the month, which is the School Board’s regular meeting day.

Declared that Christopher Day, October 11, 2010, is not an observed holiday in the Wayzata Public Schools, that public business may be conducted, and authorize holding a Regular School Board Meeting on October 11, 2010.

Dan has been an employee of the District since 1967 and came to Central as a sixth grade teacher when its doors opened in 1997 and has been inspiring his students and colleagues ever since. A professional in every sense of the word, Dan challenges his students every day to do their best work and helps to make connections between the classroom and their real-life experiences. They come away from their math classroom not only understanding how to solve problems, but being able to apply their knowledge to everyday life. Dan recognizes the importance of developing well-rounded students and devotes his after-school time coaching the Central volleyball and track teams. He helps to coordinate the intramural broomball program and is more than willing to score a wrestling match or basketball game if the need arises. Each day Dan sets a standard that those around him recognize and respect. A colleague stated that Dan “has inspired me to become a better teacher by showing me his passion for this great profession.” It is this passion that he brings to his students each day and why Central Middle is proud to recognize Dan Nielsen as the Employee of the Month. Dan thanked everyone for the kind words and stated, “I hope I can continue to live up to them.” He also thanked the Board for providing the resources needed to be successful as teachers. Congratulations Dan!

II. REPORTING PROCEDURES

- A. A mandated reporter as defined herein shall immediately report the neglect or physical or sexual abuse, which he or she knows or has reason

to believe is happening or has happened to the local welfare agency, police department, county sheriff, or agency responsible for assisting or investigating maltreatment.

- B. If the immediate report has been made orally, by telephone or otherwise, the oral report shall be followed by a written report within 72 hours (exclusive of weekends and holidays) to the appropriate police department, the county sheriff, local welfare agency, or agency responsible for assisting or investigating maltreatment. The written report shall identify the child, any person believed to be responsible for the abuse or neglect of the child if the person is known, the nature and extent of the abuse or neglect and the name and address of the reporter.
- C. A mandated reporter who knows or has reason to know of the deprivation of parental rights or the kidnapping of a child shall report the information to the local police department or the county sheriff.
- D. A person mandated by Minnesota law and this policy to report who fails to report may be subject to criminal penalties and/or discipline, up to and including termination of employment.
- E. Submission of a good faith report under Minnesota law and this policy will not adversely affect the reporter's employment, or the child's access to school.
- F. Any person who knowingly or recklessly makes a false report under the provisions of applicable Minnesota law or this policy shall be liable in a civil suit for any actual damages suffered by the person or persons so reported and for any punitive damages set by the court or jury, and the reckless making of a false report may result in discipline. The court may also award attorney's fees.

III. INVESTIGATION

- A. The responsibility for investigating reports of suspected neglect or physical or sexual abuse rests with the appropriate county, state, or local agency or agencies. The investigating agency may interview the child at school. The interview may take place outside the presence of a school official. The investigating agency, not the school, is responsible for either notifying or withholding notification of the interview to the parent, guardian or person responsible for the child's care. School officials may not disclose to the parent, legal custodian, or guardian the contents of the notification or any other related information regarding the interview until notified in writing by the local welfare or law enforcement agency that the investigation or assessment has been concluded.
- B. When the investigating agency determines that an interview should take place on school property, written notification of intent to interview the child

on school property will be received by school officials prior to the interview. The notification shall include the name of the child to be interviewed, the purpose of the interview, and a reference to the statutory authority to conduct an interview on school property.

- C. Except where the alleged perpetrator is believed to be a school official or employee, the time and place, and manner of the interview on school premises shall be within the discretion of school officials, but the local welfare or law enforcement agency shall have the exclusive authority to determine who may attend the interview. The conditions as to time, place, and manner of the interview set by the school officials shall be reasonable and the interview shall be conducted not more than 24 hours after the receipt of the notification unless another time is considered necessary by agreement between the school officials and the local welfare or law enforcement agency. Every effort must be made to reduce the disruption of the educational program of the child, other students, or school employees when an interview is conducted on school premises.
- D. Where the alleged perpetrator is believed to be a school official or employee, the District shall conduct its own investigation independent of MDE and, if involved, the local welfare or law enforcement agency.
- E. Upon request by MDE, the District shall provide all requested data that are relevant to a report of maltreatment and are in the possession of a school facility, pursuant to an assessment or investigation of a maltreatment report of a student in school. The District shall provide the requested data in accordance with the requirements of the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, and the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g.

IV. MAINTENANCE OF SCHOOL RECORDS CONCERNING ABUSE OR POTENTIAL ABUSE

- A. When a local welfare or local law enforcement agency determines that a potentially abused or abused child should be interviewed on school property, written notification of the agency's intent to interview on school property must be received by school officials prior to the interview. The notification shall include the name of the child to be interviewed, the purpose of the interview, and a reference to the statutory authority to conduct the interview. The notification shall be private data. School officials may not disclose to the parent, legal custodian, or guardian the contents of the notice or any other related information regarding the interview until notified in writing by the local welfare or law enforcement agency that the investigation has been concluded.
- B. All records regarding a report of maltreatment, including any notification of intent to interview which was received by the school as described above in Paragraph A, shall be destroyed by the school only when ordered by

the agency conducting the investigation or by a court of competent jurisdiction.

V. PHYSICAL OR SEXUAL ABUSE AS SEXUAL HARASSMENT OR VIOLENCE

Under certain circumstances, alleged physical or sexual abuse may also be sexual harassment or violence under Minnesota law. If so, the duties relating to the reporting and investigation of such harassment or violence may be applicable.

VI. DISSEMINATION OF POLICY

- A. The District will develop a method of disseminating this regulation with school personnel.

AGENDA SECTION: 2. APPROVAL OF AGENDA AND CONSENT AGENDA ITEMS

ITEM: C. Federal Title Funds Combined Application

COMMENTS BY: Dr. Jill Johnson

Wayzata Public Schools has submitted the annual application under the Elementary and Secondary Education Act (ESEA) for Title I, II, and III funding to the Minnesota Department of Education. The Title program allocation for the 2010-11 school year is as follows:

Title I	\$274,745.61
Title II	\$193,139.01
Title III	\$ 28,790.54

Title I dollars are allocated to support reading and math instruction for students in schools determined eligible for the funding. Wayzata Public Schools has five buildings designated as Title I eligible; Birchview, Gleason Lake, Oakwood, Sunset Hill, and East Middle School. In addition, the District is required to allocate funds to eligible Non-Public Schools located in the District. Funds from Title I are designated in the following manner; support personnel working with eligible students, provide materials and supplies for instruction, and support professional development of Title I funded employees.

Title II dollars are allocated to support professional development in the use of scientifically research based instructional strategies. These dollars are allocated to both the District's schools and Non-Public schools.

Title III supports programming for the District's English Learners (EL's). The funds are dedicated to the provision of paraprofessional support to EL's in the general education classroom, purchase of core curriculum in the areas of reading, writing, listening, and speaking, and integration of technology in the EL classrooms.

RECOMMENDED ACTION: Approve the Federal Title Funds Combined Application as presented.

AGENDA SECTION: 3. STUDENT CURRICULUM PRESENTATION

ITEM: A. Wayzata High School Marching Band Student Leaders
– Summer Band Program

COMMENTS BY: Dr. Jill Johnson

Wayzata High School music teachers, David Elmhirst and Donald Krubsack, are present this evening along with WHS marching band student leaders Sarah Porter and Hannah Roe, who will be focusing on the summer and fall marching band review. Sarah and Hannah are two of three drum majors in the band.

WHS BAND DATES FOR 2010/2011 SCHOOL YEAR

This is the list of band dates for the school year. We have done our part by sending all of our required dates to you in a timely fashion. You must do your part by putting these dates on your family calendar and your own daily planner NOW! Attendance at all band dates during the school year is required and is figured into your band grade. I am sure you can understand that everyone's attendance is important at all band rehearsals and performances. We function just like any other team. When a member or two is absent from a drill or music rehearsal, it affects the whole group.

If you have a prior family, religious or other commitment for one of our band dates, your parents must send us a note about this as soon as possible. (We will set a deadline in the fall for these notes.) Of course, if you have a Verified Absence from one of our activities, we will provide you with a make-up assignment so you will not lose grading points.

If you do not have a prior commitment we expect you to honor your commitment to the band. If, after this, people ask you for a commitment on one of these dates, you simply say, "I have a previous commitment I cannot break." We do not accept excuses like, "I didn't know I had to be somewhere else that night . . ." or "I didn't ask for work off in time . . ." or "I bought tickets to . . ." ((NOTE: Because students do not know their winter or spring school-related sports dates in the fall, we ask that they notify us, via a parent note, of conflicts with these activities within one week of receiving the schedule from their coaches.)

If you have a family vacation scheduled during the Marching Band rehearsals, please let Mr. E know by calling 763/745-6908 on or before August 1st. (We will still ask for their notes in the fall for prior commitments.)

ITEM: A. Employee of the Month - October

COMMENTS BY: Superintendent Anderson

Oakwood Elementary School is proud to announce **Danny Sable**, Head Custodian, as the District 284 Employee of the Month for October 2010.

Danny began his career with the Wayzata Public School District in 2001. Although Danny has only been at Oakwood Elementary School for one year, his influence and dedication to make Oakwood Elementary School look its very best has already been felt and observed.

Danny is an outstanding employee. He is committed to make the most of his time by positively directing his staff, checking on issues that emerge, and keeping a direct line of communication with the principal and office staff. His “can do” attitude is contagious.

Danny has a very positive relationship with the students. They enjoy his great attitude and calming influence.

Oakwood is a better school because of Danny’s dedication and hard work. Our students, parents, and staff are truly the winning recipients of a diligent and conscientious employee like Danny. Congratulations, Danny! You are truly deserving of this recognition.

Congratulations Danny!

ITEM: B. Perfect ACT Scores

COMMENTS BY: Superintendent Anderson

Samantha Carter, Michael Neaton, and Lauren Urke, seniors at Wayzata High School, earned a perfect score of 36 on the ACT exam.

Samantha prepared for the exam by taking it in eighth grade to become more familiar with the test. She took the ACT exam again early in her junior year and earned a 34. She said her normal class work, Advanced Placement calculus, AP U.S. history and AP composition also helped prepare her for the ACT. During her time at WHS, Samantha has been involved with the swim team, choir and is in the National Honor Society. She also teaches Sunday school at Mount Olivet.

Michael said he did not prepare for the exam and that he has always tested well. During his time at WHS, has been involved with Gay Straight Alliance and Junior State of America. He has also performed trumpet in the symphony band, marching band, 10th and 11th grade spirit band and the 9th and 10th grade jazz band.

Lauren said she prepared for the exam by taking a couple practice tests to learn the format of the exam. She said her normal course work prepared her for the knowledge she needed to earn a 36 on the exam. During her time at WHS, Urke has been involved with hockey and track and recently gave these up to concentrate on soccer. She is a member of the 2009 state championship girls soccer team. She is also a 2010-11 National Merit Scholarship semi-finalist. She has performed violin in the WHS orchestra and is a member of the National Honors Society and LINK crew.

AGENDA SECTION: 6. SUPERINTENDENT’S REPORTS AND RECOMMENDATIONS

ITEM: C. Finance and Business Services

COMMENTS BY: Mr. Westrum

2. Preliminary Levy Limitation and Certification – 2010 Payable 2011

Minnesota Law requires school districts to certify their proposed property tax levy payable in 2011 to the county auditor on or before September 30, 2010. At the September 27th school board meeting, the administration recommended and the board approved a proposed property tax levy of \$46,026,905, which is the maximum allowable amount for the Wayzata School District.

This amount is \$61,402 less than the previous years' levy and represents a 0.13% decrease. The levy will be used to fund a portion of the district's 2011-2012 operations.

We believe that most components of the levy are materially accurate and complete. Because the Board approved the maximum allowed, the county auditor will automatically include any positive adjustments in the levy, if any. Otherwise, the final levy amount cannot exceed the preliminary levy amount and the District is not seeking additional voter approved levies at this time.

School districts are required to meet the Truth in Taxation requirements for levy year 2010, taxes payable 2011. School districts are no longer required to hold a separate Truth in Taxation hearing, but instead are required to discuss the payable 2011 levy and the current year (FY 2011) budget at a regularly scheduled board meeting and allow the public to speak.

The School Board has scheduled this discussion for its Regular Board meeting on December 13, 2010.

No further School Board action is required.
