2022-23 School Year Financial Report Analysis

Excellence. For each and every student.

For the Month Ended February 28, 2023

Statement of Revenues Analysis

This analysis reflects revenue received by the month end noted above. Property Tax revenues are close in line with prior years along with State Aids. As pointed out in prior reporting months, deviations in revenue from prior years include Federal Aids and Miscellaneous Local Revenue. The significant increase over prior years in Federal are due to the fact that CARES Act dollars continued to flow into the district in FY22-23 with some of these dollars being allowed to carry over to multiple future fiscal years. This has allowed the district to draw on these funds periodically throughout the fiscal year. A portion of the variance in Miscellaneous Local Revenue from prior years includes an Insurance Recovery payment. This pushes that comparative percentage upwards from the prior fiscal year during the same time frame. The district continues to see numbers more in line with pre-pandemic times as it relates to fees the district collects for sports. This would also be a similar story for Community Education and their numbers related to the before and after care programs of school children.

Statement of Expenditures Analysis

The analysis of the expenditures reflects the actual expenditures and does not include outstanding encumbrances. As you can see from the Statement of Expenditures, the overall expenditures are similar in several prior years especially as it relates to Salaries and Benefits combined factoring in the revised budget. As mentioned in prior reporting months, Supplies & Materials along with Other Expenditures can vary from year to year based on the timing of purchases or payments during the fiscal year depending on the needs of staff, buildings, and departments. As an example, Purchased Services are up over last fiscal year percentage wise due to the timing of some transportation payments and other expenditures where payment timing can vary. The variation in Capital Expenditures from the prior year was driven mainly by more projects being conducted in the prior fiscal year along with the timing of purchases during the fiscal year.

AGENDA SECTION: Approval of Agenda and Consent Agenda Items
ITEM: Finance and Operations Services
COMMENTS BY: DeeDee Kahring, Executive Director of Finance & Operations

Master Lease Purchase Agreement – Apple Inc.

Wayzata Public Schools requested proposals for financing 2,900 iPads which are due to be replaced based on the District’s replacement cycle. The equipment cost is \$1,117,052.00.

The District received four proposals for financing the equipment. All four proposals included equal installments over three years with the first payment due upon arrival of the equipment. The following are the results of the proposals received:

- Apple Inc. \$372,350.67 per payment
- First American \$388,445.52 per payment
- American Capital \$391,326.89 per payment
- TEQ Lease \$394,709.92 per payment

The District received no reply from AvTech Capital and Public Sector Capital.

Apple Inc. is offering an interest rate of 0% per annum and has the lowest payment of the proposals received. Apple Inc. has a state contract in effect, placing the District in compliance with state bid laws.

Wayzata Public Schools desires to enter into a Master Lease Purchase Agreement with Apple Inc. The terms and conditions are included within the Master Lease Purchase Agreement.

Recommended Action: Approve the Master Lease Purchase Agreement with Apple Inc. and authorize the Executive Director of Finance and Operations to execute and deliver the agreement.

Master Lease Purchase Agreement

This Master Lease Purchase Agreement dated as of October 26, 2012 (this "Master Lease") is entered into by and between Apple Inc. ("Lessor") and Independent School District No. 284 ("Lessee").

1. MASTER LEASE; SCHEDULES. Subject to the terms of this Master Lease, Lessee agrees to lease, purchase and acquire from Lessor certain equipment and/or software (the "Equipment") as may be described in any lease schedule in the form of Exhibit A (each, a "Schedule") which may be executed by the parties from time to time. Nothing in this Master Lease shall be construed to impose any obligation upon, or otherwise commit, Lessor to enter into any proposed Schedule, it being understood that whether Lessor enters into any proposed Schedule shall be a decision solely within Lessor's discretion. Lessee understands that Lessor requires certain documentation and information necessary to enter into any Schedule, and Lessee agrees to provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Schedule. Such documentation may include but shall not be limited to: (a) a description of the proposed Equipment, including the cost and its contemplated use and location, (b) information related to the vendor(s) manufacturing, licensing (subject to the terms of the Vendor's applicable end user license agreement(s)), delivering, installing or maintaining the proposed Equipment for Lessee (the "Vendor"), (c) documentation or information concerning the financial condition of Lessee, and (d) other information related to the Schedule and Lessee. The terms and conditions of this Master Lease (including all exhibits and any amendments hereto), are incorporated by reference into each Schedule and each Schedule, once executed by Lessor and Lessee, shall constitute a separate and independent lease and installment purchase of the Equipment identified therein, hereinafter referred to as a "Lease."

2. INVOICE PAYMENT OR REIMBURSEMENT. With respect to any Lease, and subject to the provisions of Section 3 if applicable, Lessor shall have no obligation whatsoever to make any payment to a Vendor or reimburse Lessee for any payment made to a Vendor for the Equipment that is the subject of such Lease until three (3) business days after Lessor's receipt of the following in form and substance satisfactory to Lessor in its sole discretion: (a) a Schedule executed by a duly authorized representative of Lessee; (b) a fully executed partial or final acceptance certificate as applicable, in the form of Exhibit B ("Acceptance Certificate"); (c) a resolution or evidence of other official action taken by Lessee's governing body authorizing Lessee to enter into the related Lease and any applicable Escrow Agreement, the acquisition of the Equipment subject thereto, and confirming that Lessee's actions were in accordance with all applicable state, local and federal laws, including laws regarding open meetings and public bidding; (d) evidence of insurance with respect to the Equipment in accordance with the provisions of Section 15 of this Master Lease; (e) a Vendor invoice for the Equipment and, if such invoice has been paid by Lessee, evidence of payment thereof and, if applicable, evidence of official intent to reimburse such payment as required by the Treasury Regulations; (f) a completed and executed Form 8038-G or 8038-GC; (g) an Incumbency Certificate substantially in the form attached as Exhibit C; (h) a Bank Qualification Designation substantially in the form attached as Exhibit D; (i) Lease Payment Instructions substantially in the form attached as Exhibit E; (j) Insurance Coverage Requirements in the form attached as Exhibit F; (k) an opinion of Lessee's counsel substantially in the form attached as Exhibit G; and (l) such other documents, items, or information reasonably required by Lessor.

3. ESCROW AGREEMENT. Upon agreement by both Lessee and Lessor as to any Lease, the parties shall enter into an escrow agreement (an "Escrow Agreement") with an escrow agent selected by Lessee, such selection subject to Lessor's approval, establishing an account from which the cost of the Equipment subject to such Lease is to be paid (the "Escrow Account"). Upon execution and delivery of an Escrow Agreement by the parties thereto and satisfaction of any conditions precedent set forth in Section 2 of this Master Lease or in such Escrow Agreement, Lessor shall deposit or cause to be deposited into the Escrow Account under the related Escrow Agreement funds for the payment of the costs of acquiring the Equipment under such Lease. Lessee acknowledges and agrees that no disbursements shall be made from an Escrow Account except for portions of the Equipment that are operationally complete and functionally independent and that may be fully utilized by Lessee without regard to whether the balance of the Equipment is delivered and accepted.

4. DELIVERY AND ACCEPTANCE OF EQUIPMENT. Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the location specified in each Lease, and pay any and all delivery and installation costs and applicable sales and other taxes in connection therewith. When the Equipment identified in any Lease has been delivered and installed, Lessee shall immediately inspect the Equipment and evidence its acceptance by executing and delivering to Lessor the Acceptance Certificate. If Lessee signed a purchase contract for the Equipment, by signing a Schedule Lessee assigns its rights, but none of its obligations under the purchase contract, to Lessor.

5. LEASE PAYMENTS. Lessee agrees to pay "Lease Payments" to Lessor in accordance with the payment schedule set forth in each Lease, exclusively from legally available funds, consisting of principal and interest components in the amounts and on such dates as provided in each Lease. Lessee shall pay Lessor a charge on any Lease Payment not paid on the date such payment is due at the rate of 12% per annum or the highest lawful rate, whichever is less, from such due date until paid. The "Commencement Date" for each Lease is the date when interest commences to accrue under such Lease, which date shall be the earlier of (a) the date Lessee partially or fully accepts the Equipment pursuant to Section 4, or (b) the date of Lessor's

deposit into an Escrow Account of sufficient monies to purchase the Equipment. Lessor will advise Lessee as to the address to which Lease Payments shall be sent. The Lease Payment is due whether or not Lessee receives an invoice. Restrictive endorsements on checks sent by Lessee will not reduce Lessee's obligations to Lessor. Unless a proper exemption certificate is provided, applicable sales and use taxes may be paid by Lessee from funds advanced to Lessee by Lessor for such purpose in connection with the execution and delivery of the related Lease or may be paid by Lessee pursuant to Section 4 hereof. **Lessor and Lessee understand and intend that the obligation of Lessee to pay Lease Payments under each Lease shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness or debt by Lessee, nor shall anything contained in this Master Lease or in any Lease constitute a pledge of the general tax revenues, funds or monies of Lessee.**

6. NON-APPROPRIATION OF FUNDS. Lessee is obligated to pay Lease Payments under each Lease for each fiscal period as may lawfully be made from funds budgeted and appropriated for that purpose for such fiscal period. Lessee currently intends to remit and reasonably believes that funds in an amount sufficient to remit all Lease Payments and other payments under each Lease can and will lawfully be appropriated and made available to permit Lessee's continued utilization of the Equipment under such Lease and the performance of its essential function during the scheduled "Lease Term" as reflected in each Lease. Lessee currently intends to do all things lawfully within its power to obtain and maintain funds from which the Lease Payments under each Lease may be made, including making provision for such payments to the extent necessary in each budget or appropriation request adopted in accordance with applicable provisions of law. Notwithstanding the foregoing, Lessor acknowledges that the decision whether or not to budget and appropriate funds or to extend the term of a Lease for any period beyond the original or any additional fiscal period is within the discretion of the governing body of Lessee. In the event that Lessee's governing body fails or is unwilling to budget, appropriate or otherwise make available funds for the payment of Lease Payments and other payments, if any, under a Lease following the then current fiscal period (an "Event of Non-appropriation"), Lessee shall have the right to terminate such Lease on the last day of the fiscal period for which sufficient appropriations were made without penalty or expense, except as to the portion of any Lease Payment for which funds shall have been appropriated and budgeted, in which event Lessee shall return the Equipment subject to such Lease in accordance with Section 19 of this Master Lease. Lessee agrees to deliver notice to Lessor of such Event of Non-appropriation with respect to a Lease and termination at least thirty (30) days prior to the end of the then current fiscal period, but failure to give such notice shall not extend the term of the affected Lease beyond such then current fiscal period.

7. UNCONDITIONAL OBLIGATION. UPON THE COMMENCEMENT DATE OF A LEASE PURSUANT TO SECTION 5 OF THIS MASTER LEASE, AND EXCEPT AS PROVIDED IN SECTION 6, "NON-APPROPRIATION OF FUNDS," THE OBLIGATIONS OF LESSEE TO MAKE LEASE PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS AND AGREEMENTS CONTAINED IN EACH LEASE SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SET-OFF OR DEFENSE, FOR ANY REASON INCLUDING, WITHOUT LIMITATION, ANY FAILURE OF THE EQUIPMENT TO BE DELIVERED OR INSTALLED, ANY DISPUTES WITH LESSOR OR ANY VENDOR OF ANY EQUIPMENT, DEFECTS, MALFUNCTIONS OR BREAKDOWNS IN THE EQUIPMENT, ANY ACCIDENT, CONDEMNATION, DAMAGE, DESTRUCTION, OR UNFORESEEN CIRCUMSTANCE, OR ANY TEMPORARY OR PERMANENT LOSS OF ITS USE.

8. DISCLAIMER OF WARRANTIES. THE SOLE WARRANTY FOR THE EQUIPMENT IS THE APPLICABLE PRODUCT WARRANTY (DEFINED BELOW). LESSOR MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WHATSOEVER, INCLUDING WITHOUT LIMITATION, AS TO THE EQUIPMENT'S MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, DESIGN, CONDITION, DURABILITY, OPERATION, QUALITY OF MATERIALS OR WORKMANSHIP, NON-INFRINGEMENT, OR COMPLIANCE WITH SPECIFICATIONS OR APPLICABLE LAW, OR THAT THE OPERATION OR USE OF THE EQUIPMENT WILL BE UNINTERRUPTED, SECURE OR FREE OF ERRORS, DEFECTS, VIRUSES, MALFUNCTIONS, AND LESSEE, AS OF THE DATE OF LESSEE'S ACCEPTANCE AS SET FORTH IN SECTION 4, ACCEPTS SUCH EQUIPMENT AS IS AND WITH ALL FAULTS. LESSEE ACKNOWLEDGES THAT LESSEE HAS SELECTED THE EQUIPMENT BASED UPON LESSEE'S OWN JUDGMENT. Lessee acknowledges that the Equipment was manufactured and/or assembled, or in the case of software was developed and licensed, by the applicable Vendor and that any warranty rights with respect to such Equipment shall be provided by the applicable Vendor (the "Product Warranty"). Lessee agrees to settle any dispute it may have regarding performance of the Equipment directly with the applicable Vendor and not to make any claim against the Lease Payments due Lessor or any Assignee (as hereinafter defined). Lessee agrees to continue to pay Lessor, or such Assignee (as applicable), all Lease Payments and other payments without abatement or set off for any dispute with a Vendor regarding the Equipment. Nothing in this Master Lease or in any Lease shall relieve Apple Inc. of its obligations under the Product Warranty offered by Apple Inc. for applicable Apple-branded Equipment. Lessee acknowledges and agrees that the Product Warranty is a separate agreement between Lessee and the applicable Vendor and that such Product Warranty is not a part of this Master Lease or any Lease.

9. TITLE AND SECURITY INTEREST. Unless otherwise required by the laws of the state where Lessee is located, during each Lease Term, title to the Equipment shall be vested in Lessee, subject to the rights of Lessor under such Lease. In the event Lessor terminates a Lease pursuant to Section 17 of this Master Lease or an Event of Non-Appropriation occurs under a Lease, title to the related Equipment shall immediately vest in Lessor free and clear of any rights, title or interests of Lessee. Lessee, at its expense, shall protect and defend Lessee's title to the Equipment and Lessor's rights and interests therein and keep the Equipment free and clear from any and all claims, liens, encumbrances and legal processes of Lessee's creditors and other persons.

To secure the payment of all of Lessee's obligations under each Lease, Lessee hereby grants to Lessor a first priority purchase money security interest in the Equipment subject to each such Lease, anything attached or added to the Equipment by Lessee at any time, Lessee's rights under each agreement for the licensing of software to the extent that a security interest therein may be granted without violating the terms of such agreement, and on all proceeds, including proceeds from any insurance claims for loss or damage, from such Equipment. Lessee authorizes Lessor to file a financing statement perfecting Lessor's security interest under the laws of Lessee's state. Lessee agrees to promptly execute such additional documents, in a form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment. The Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated. If applicable, as further security therefor, Lessee hereby grants to Lessor a first priority security interest in the cash and negotiable instruments from time to time comprising each Escrow Account and all proceeds (cash and non-cash) thereof, and agrees with respect thereto that Lessor shall have all the rights and remedies of a secured party under the applicable Uniform Commercial Code.

10. USE, MAINTENANCE AND REPAIR. Upon installation, no item of Equipment will be moved from the location specified for it in the related Lease (the "Equipment Location") without Lessor's prior consent, which consent will not be unreasonably withheld, except that any items of Equipment that are intended by design to be a mobile piece of technology (i.e. laptop computers) may be moved within the continental U.S. without consent. Lessor shall have the right at all reasonable times during regular business hours, subject to compliance with Lessee's customary security procedures, to enter into and upon the property of Lessee for the purpose of inspecting the Equipment. In order to facilitate the use of the Equipment by students and/or Lessee's employees ("Authorized Users") while on premises other than those belonging to Lessee, Lessee acknowledges and agrees that: (a) Lessee shall use due care to ensure that the Equipment is not (i) used in violation of any applicable law, in a manner contrary to that contemplated by the related Lease, or for private business purposes, or (ii) used by anyone other than Authorized Users; and (b) Lessee (and not Authorized Users) shall be solely responsible for (i) maintaining insurance in accordance with the terms of the related Lease, (ii) payment of any applicable sales, property and other taxes on the Equipment, and (iii) return of the Equipment under a Lease to Lessor upon the occurrence of an Event of Default or Event of Non-appropriation thereunder. Lessee agrees that it will use the Equipment under each Lease in the manner for which it was intended, as required by all applicable manuals and instructions and as required to keep the Equipment eligible for any manufacturer's certification and/or standard, full service maintenance contract. Lessee agrees that it will, at Lessee's own cost and expense, maintain, preserve and keep the Equipment under each Lease in good repair, condition and working order, ordinary wear and tear excepted. All replacement parts and repairs shall be governed by the terms of the related Lease. Lessee will not make any permanent alterations to the Equipment that will result in a decrease in the market value of the Equipment.

11. LIENS; TAXES. LESSEE WILL NOT SELL, TRANSFER, ASSIGN, PLEDGE, SUB-LEASE OR PART WITH POSSESSION OF THE EQUIPMENT, OR FILE OR PERMIT A LIEN TO BE FILED AGAINST THE EQUIPMENT, EXCEPT AS OTHERWISE EXPRESSLY PROVIDED UNDER THIS MASTER LEASE AND THE RELATED LEASE. The parties to this Master Lease intend that the Equipment will be used for governmental or proprietary purposes of Lessee and that the Equipment will be exempt from all property taxes. Lessee shall timely pay all assessments, license and filing fees, taxes (including sales, use, excise, personal property, ad valorem, stamp, documentary and other taxes) and all other governmental charges, fees, fines or penalties whatsoever, whether payable by Lessor or Lessee, now or hereafter imposed by any governmental body or agency on or relating to the Equipment or the Lease Payments or the use, registration, rental, shipment, transportation, delivery, ownership or operation of the Equipment and on or relating to this Master Lease or any Lease; *provided, however*, that the foregoing shall not include any federal, state or local income or franchise taxes of Lessor.

12. LIMITATION OF LIABILITY. NOTWITHSTANDING ANYTHING TO THE CONTRARY, LESSOR SHALL NOT BE LIABLE FOR ANY DIRECT DAMAGES OF LESSEE RESULTING FROM, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, WHETHER ARISING IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, REGARDLESS OF THE THEORY OF LIABILITY. FURTHER, NOTWITHSTANDING ANYTHING TO THE CONTRARY, with respect to each Lease, Lessee agrees that (a) Lessor shall have no liability, cost or expense with respect to transportation, installation, selection, purchase, lease, ownership, possession, modification, maintenance, condition, operation, use, return or disposition of the Equipment, and (b) Lessor shall have no responsibility in connection with the selection of the Equipment, the ordering of the Equipment, its suitability for the use intended by Lessee, Lessee's compliance or non-compliance with competitive pricing and/or bidding requirements, the acceptance by the Vendor of the order submitted, if applicable, or any delay or failure by the Vendor or its sales representative to, deliver, install, or maintain the Equipment for Lessee's use. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES IN CONNECTION WITH OR ARISING OUT OF ANY LEASE OR THE EXISTENCE, FURNISHING, FUNCTIONING OR LESSEE'S USE OF ANY ITEM OF EQUIPMENT PROVIDED FOR IN ANY LEASE, WHETHER IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, REGARDLESS OF THE THEORY OF LIABILITY AND REGARDLESS OF WHETHER LESSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE PARTIES AGREE THAT THE PROVISIONS IN THIS MASTER LEASE FAIRLY ALLOCATE THE RISKS BETWEEN THE PARTIES WITHOUT WHICH THEY WOULD NOT HAVE ENTERED INTO THIS MASTER LEASE.

13. IDENTIFICATION. Lessor shall be entitled to insert missing or correct information on the related Lease, including, without limitation, Lessee's official name, serial numbers and any other information describing the Equipment under such Lease; provided that Lessor forwards copies of such changes to Lessee.

14. LOSS OR DAMAGE. Lessee shall be responsible for any loss, theft of and/or damage to the Equipment or any portion thereof from any cause whatsoever, regardless of the extent or lack of insurance coverage, from the time the Equipment is delivered to Lessee pursuant to the related Lease until the end of the Lease Term thereunder or until the Equipment is returned to Lessor pursuant to Section 19 of this Master Lease. If any item of the Equipment is lost, stolen or damaged, Lessee shall immediately provide written notice of such loss to Lessor and shall, within fifteen (15) days after such loss, at Lessee's option, either: (a) repair the damaged Equipment so that it is in good condition and working order, eligible for any manufacturer's certification, (b) replace the damaged Equipment at Lessee's sole cost and expense with equipment having substantially similar manufacturer's specifications and of equal or greater value to the damaged Equipment immediately prior to such Equipment being damaged, such replacement equipment to be subject to Lessor's approval, whereupon such replacement equipment shall be substituted in the applicable Lease and the other related documents by appropriate endorsement or amendment; or (c) pursuant to Section 18(b), purchase Lessor's interest in the damaged Equipment on a pro rata basis (notwithstanding the limitation in Section 18(b) only to prepaying in whole) and continue the related Lease for the non-damaged Equipment for the balance of the applicable Lease Term. In such event, Lessor will provide Lessee with a revised amortization of Lease Payments for the non-damaged Equipment. Lessor will forward to Lessee any insurance proceeds which Lessor receives for damaged Equipment for Lessee's use in the repair or replacement of the damaged Equipment, unless there has been an Event of Default or an Event of Non-appropriation by Lessee, in which event Lessor will apply any insurance proceeds received to reduce Lessee's obligations under Section 17 of this Master Lease.

15. INSURANCE. In the event that Lessee is not self-insured (as hereafter provided), Lessee shall, at its expense, keep the Equipment fully insured against loss, fire, theft, damage or destruction from any cause whatsoever in an amount not less than the greater of (a) the total Lease Payments for the Lease Term under the related Lease or (b) the full replacement cost of the Equipment without consideration for depreciation. Upon Lessor's request, Lessee shall also provide such additional insurance against injury, loss or damage to persons or property arising out of the use or operation of the Equipment as is customarily maintained by owners of property similar to the Equipment. With Lessor's prior written consent, Lessee may self-insure against such risks. The policy shall state that Lessor shall be notified of any proposed cancellation at least 30 days prior to the date set for cancellation. All such insurance shall be in form, issued by such insurance companies and be in such amounts as shall be satisfactory to Lessor, and shall provide that losses, if any, shall be payable to Lessor as "loss payee," and all such liability insurance shall include Lessor as an "additional insured." Upon Lessor's request, Lessee shall provide Lessor with a certificate or other evidence of insurance acceptable to Lessor evidencing the insurance coverage required under the related Lease. In the event Lessee fails to provide such evidence within 10 days of Lessor's request, or upon Lessor's receipt of a notice of policy cancellation, Lessor may (but shall not be obligated to) obtain insurance covering Lessor's interest in the Equipment at Lessee's sole expense. Lessee will pay all insurance premiums and related charges.

16. DEFAULT. Lessee will be in default under a Lease upon the occurrence of any of the following (each, an "Event of Default"): (a) Lessee fails to pay any Lease Payment or other payment due in full under such Lease within 10 calendar days after its due date; (b) Lessee fails to perform or observe any other promise or obligation in this Master Lease and/or any Lease and does not correct the default within 30 days after written notice of default by Lessor; (c) any representation, warranty or statement made by Lessee in this Master Lease or any Lease shall prove to have been false or misleading in any material respect when made; (d) Lessee fails to obtain and maintain insurance as required by Section 15, or any insurance carrier cancels any insurance on the Equipment; (e) the Equipment or any portion thereof is misused, used in a manner not authorized by the applicable end user license agreement (if any) accompanying such Equipment, or used in violation of the terms of the related Lease; (f) the Equipment or any part thereof is lost, destroyed, or damaged beyond repair and remains uncured in accordance with Section 14; (g) a petition is filed by or against Lessee under any bankruptcy or insolvency laws; or (h) an Event of Default occurs under any other Lease or prior financing with Lessor or assigns or their respective affiliates, but any such Assignee may only exercise remedies with respect to other Leases for which it is the Assignee.

17. REMEDIES. Upon the occurrence of an Event of Default under a Lease, Lessor may, in its sole discretion, do any or all of the following (without penalty, liability or obligation on Lessor's part and without limiting any other rights or remedies available to Lessor): (a) provide written notice to Lessee of the Event of Default; (b) as liquidated damages for loss of a bargain, and not as a penalty, declare due and payable any and all amounts which may then be due and payable under the Lease, plus all Lease Payments remaining through the end of the then current fiscal period; (c) with or without terminating the Lease Term under such Lease, (i) enter the premises where the Equipment is located and retake possession of such Equipment or require Lessee at Lessee's expense to promptly return any or all of such Equipment to the possession of Lessor in accordance with the requirements in Section 19, and (ii) at Lessee's expense, sell or lease such Equipment or, for the account of Lessee, sublease such Equipment, continuing to hold Lessee liable for the difference between the Lease Payment payable by Lessee pursuant to the terms of such Lease to the end of the current fiscal period and the net proceeds of any such sale, lease or sublease. Lessor may require Lessee to remove all proprietary data from the Equipment, holding Lessor and its assigns harmless if Lessee fails to do so. Lessee will not make any claims against Lessor or the Equipment for trespass, damage or any other reason. The exercise of any of such remedies shall not relieve Lessee of any other liabilities under any other Lease. Without limiting the foregoing, Lessor may take whatever action, either at law or in equity, may appear necessary or desirable to enforce its rights under any Lease, or as a secured party in any or all of the Equipment. No remedy of Lessor is intended to be exclusive and every such remedy, now or hereafter existing, at law or in equity, shall be cumulative and shall be in addition to every other remedy given under a Lease. In the event that Lessor sells or otherwise liquidates the Equipment following an Event of Default or an Event of Non-appropriation as herein provided and realizes net proceeds (after payment of costs) in excess of total Lease

Payments under the related Lease that would have been paid during the related scheduled Lease Term plus any other amounts then due under the related Lease or Leases, Lessor shall immediately pay the amount of any such excess to Lessee.

18. PURCHASE OPTION. At the option of Lessee, and provided that no Event of Default or Event of Non-appropriation has occurred and/or is continuing under any Lease, Lessor's interest in all, but not less than all, of the Equipment subject to a Lease will be transferred, conveyed and assigned to Lessee, free and clear of any right or interest of Lessor, and such Lease shall terminate: (a) upon payment in full of all Lease Payments under such Lease and all other amounts then due thereunder or (b) on any Lease Payment due date under such Lease, provided that Lessee shall have delivered written notice at least 30 days prior to such date of Lessee's intention to purchase the Equipment subject to such Lease pursuant to this provision, by paying to Lessor, in addition to the Lease Payment due on such date, an amount equal to the purchase price (the "Purchase Price") shown for such Lease Payment due date in the payment schedule included in the applicable Lease. Lessee hereby acknowledges that the Purchase Price under a Lease includes a prepayment premium.

19. RETURN OF EQUIPMENT. In the case of an Event of Default under a Lease or an Event of Non-appropriation by Lessee with respect to a Lease in accordance with Section 6, Lessee will, at Lessee's sole cost and expense, immediately return the Equipment (including all copies of any software free of any proprietary data), manuals, and accessories to any location and aboard any carrier Lessor may designate in the continental United States. The Equipment must be properly packed for shipment in accordance with the manufacturer's recommendations or specifications, freight prepaid and insured, and maintained in accordance with the terms of the related Lease. All Equipment must be free of markings. Lessee will pay Lessor for any missing or defective parts or accessories. Lessee will continue to pay Lease Payments until the Equipment is accepted by Lessor, which acceptance shall be deemed to occur fifteen (15) days after delivery unless Lessor rejects the Equipment for good cause within such fifteen (15) day period. Notwithstanding anything in this Section 19 to the contrary, any amounts to be paid by Lessee as provided in this Section 19 shall be payable solely from funds legally available for the purpose.

20. LESSEE'S REPRESENTATIONS AND WARRANTIES. Lessee hereby represents, covenants and warrants for the benefit of Lessor that as of the date hereof and as of Commencement Date for each Lease, and throughout each Lease Term: (a) Lessee is a state or political subdivision thereof within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"); (b) Lessee is duly organized and existing under the Constitution and laws of the state in which Lessee is located; (c) Lessee is authorized to enter into and carry out its obligations under this Master Lease and each Lease and every other document required to be delivered in connection with this Master Lease and a Lease; (d) this Master Lease and each Lease have been duly authorized, executed and delivered by Lessee in accordance with all applicable laws, codes, ordinances, regulations, and policies; (e) any person signing the Master Lease and each Lease has the authority to do so, is acting with the full express authorization of Lessee's governing body, and holds the office indicated below his or her signature, which is genuine; (f) the Equipment is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of Lessee's authority and shall be used during the Lease Term only by Lessee and only to perform such function; (g) Lessee intends to use the Equipment for the entire Lease Term and shall take such action, in accordance with Section 6, to include in its annual budget request, for submission to Lessee's governing body, any funds required to fulfill Lessee's obligations for each succeeding fiscal period during the applicable Lease Term; (h) Lessee has complied fully with all applicable laws, codes, ordinances, regulations, and policies, governing open meetings, competitive pricing and/or public bidding and appropriations required in connection with each Lease, the selection and acquisition of the Equipment and the selection of Vendor; (i) all payments due and to become due during Lessee's current fiscal period under a Lease are within the fiscal budget of such fiscal period, and are or will be included within an unrestricted and unencumbered appropriation currently available for the lease/purchase of the Equipment under the related Lease; (j) Lessee shall not do or cause to be done any act which shall cause, or by omission of any act allow, the interest portion of any Lease Payment to become includible in Lessor's gross income for Federal income taxation purposes under the Code; (k) Lessee shall comply with the information reporting requirements of Section 149(e) of the Code with respect to each Lease (such compliance shall include, but not be limited to, the execution of Form 8038-G or 8038-GC information reporting returns as appropriate); (l) all financial information provided by Lessee is true and accurate and fairly represents Lessee's financial condition; (m) Lessee has not for at least its most recent ten fiscal periods failed to appropriate or otherwise make available funds sufficient to pay rental or other payments coming due under any lease purchase, installment sale or other similar agreement; (n) there is no litigation, pending or threatened that would materially adversely affect the transactions contemplated by this Master Lease, any Lease or the financial condition of Lessee; and (o) any and all Equipment that Lessee leases, purchases and/or acquires pursuant to this Master Lease and any Lease hereunder is for Lessee's internal purposes only and Lessee is not and will not lease, purchase or acquire the Equipment for resale.

21. ASSIGNMENT. Lessor may, upon notice to Lessee but without Lessee's consent, sell, assign, or transfer from time to time Lessor's rights, title, and interest under this Master Lease and/or any Lease or Leases or interest therein, including the right to receive Lease Payments under a Lease and Lessor's security interest in the Equipment under a Lease and any related Escrow Agreement to one or more assignees or subassignees (each, an "Assignee"). Lessee agrees that, upon such assignment, the Assignee will have the same rights and benefits of Lessor under the terms of the related Lease. Lessee agrees that the rights of Assignee will not be subject to any claims, defenses, or set-offs that Lessee may have against any Vendor. Upon notice to Lessee of such assignment, Lessee agrees to respond to any requests about the related Lease and, if directed by Lessor, to pay Assignee all Lease Payments and other amounts due under such Lease. Lessee hereby appoints Lessor as its agent to maintain a record of all assignments of each Lease in a form sufficient to comply with the registration requirements of Section 149(a) of the Code and the regulations prescribed thereunder from time to time, and Lessor agrees to maintain such registration record.

22. ADDITIONAL PAYMENTS. Lessor may, but is not obligated to, take on Lessee's behalf any action which Lessee fails to take as required by any Lease, and Lessee shall pay any expenses incurred by Lessor in taking such action, which will be in addition to the Lease Payments as set forth in the related Lease.

23. RELEASE AND INDEMNIFICATION. To the extent permitted by applicable state law and subject to Section 6, Lessee shall indemnify, release, protect, hold harmless, save and defend Lessor from and against any and all liability, obligation, loss, claim, tax and damage whatsoever, regardless of the cause thereof, and all costs and expenses in connection therewith (including, without limitation, attorneys' fees) arising out of or resulting from (a) entering into this Master Lease and/or any Lease; (b) the ownership of any item of Equipment; (c) the ordering, acquisition, use, installation, deployment, testing, operation, condition, purchase, delivery, rejection, storage or return of any item of Equipment; (d) any damage to property or personal injury or death of any person in connection with the operation, use, installation, deployment, testing, condition, possession, storage or return of any item of Equipment, or in connection with or resulting from Lessee's acts, omissions, negligence, misconduct or breach of any provision of this Master Lease or any Lease(s) hereunder; and/or (e) the breach of any covenant or any material representation of Lessee contained in this Master Lease or any Lease. The indemnification obligations set forth herein shall continue in full force and effect notwithstanding the payment in full of all obligations under any Lease or the termination of the Lease Term under any Lease for any reason.

24. MISCELLANEOUS. Each Lease, together with this Master Lease, contains the entire agreement of the parties regarding the subject matter hereof which is limited to lease financing. TIME IS OF THE ESSENCE IN EACH LEASE. ITEM: WHS Varsity Basketball Team- State Champions

COMMENTS BY: Chace B. Anderson, Superintendent

The Wayzata Boys Basketball team defeated Park Center in the Class 4A Championship Game held on March 25 at Target Center in Minneapolis. The game was closely contested, with both teams trading leads throughout the game. 36 minutes wasn't enough to decide a winner and the two teams went to overtime. Wayzata's Jackson McAndrew scored eight of the team's nine points in overtime to secure a 75-71 victory. The win not only avenged Wayzata's loss to Park Center in the 2022 championship game but also earned them their first championship since winning it all in 2021. Congratulations to Coach Brian Schnettler and the WHS Varsity Basketball Team on the nail-biting victory!

730 TRUST FOR OTHER POST EMPLOYMENT BENEFITS

I. PURPOSE

The purpose of this policy is to establish guidelines for the investment of other post-employment benefits (OPEB).

II. GENERAL STATEMENT OF POLICY

The policy of this school district is to comply with all state laws relating to OPEB investments and to guarantee that investments meet certain primary criteria.

III. AUTHORITY; OBJECTIVES

A. The funds of the school district shall be deposited or invested in accordance with this policy, Minn. Stat. Ch. 118A, Ch 471.6175, and Ch 356. and any other applicable law or written administrative procedures.

B. The school district shall form an irrevocable trust to hold, manage, and expend assets reserved for “other post-employment benefits” as defined as benefits for health care, dental care, and life insurance paid to or on behalf of employees after they retire from service with the district. “Other post-employment benefits” does not include pension savings plans or severance pay. The terms of the trust must comply with the requirements of the Government Accounting Standards Board regarding other post-employment benefits.

C. The trust shall be overseen by the finance and operations committee of the board. The district shall select a trust administrator, as defined in MN Statute 471.6175 sub. 3, and may select one or more money managers (financial firm that manages the district portfolio) to advise the trust administrator and the School Board on prudent investment of assets. The finance and operations committee shall determine investment guidelines and recommend investment allocations to the trust administrator.

IV. PERMISSIBLE INVESTMENT INSTRUMENTS

The assets of an other postemployment benefits (OPEB) trust or trust account established pursuant to Minn. Stat. § 471.6175 to pay postemployment benefits to employees or officers after their termination of service, with a trust administrator other than the Public Employees Retirement Association, may be invested in instruments authorized under Minn. Stat. Ch. 118A or § 356. Investment of funds in an OPEB trust account under Minn. Stat. § 356, as well as the overall asset allocation strategy for OPEB investments, shall be governed by an OPEB Investment Policy Statement (IPS) developed between the investment officer, as designated in Policy 705-

Investments, and the trust administrator.

V. PORTFOLIO DIVERSIFICATION; MATURITIES

A. Limitations on instruments, diversification, and maturity scheduling shall depend on whether the funds being invested are considered short-term or long-term funds. All funds shall normally be considered short-term except those reserved for building construction projects or specific future projects and any unreserved funds used to provide financial-related managerial flexibility for future fiscal years.

B. The school district shall diversify its investments to avoid incurring unreasonable risks inherent in over-investing in specific instruments, individual financial institutions or maturities.

1. The investment officer shall prepare and present a table to the school board for review and approval. The table shall specify the maximum percentage of the school district's investment portfolio that may be invested in a single type of investment instrument, such as U.S. Treasury Obligations, certificates of deposit, repurchase agreements, banker's acceptances, commercial paper, etc. The OPEB policy statement shall be attached as an exhibit to this policy and shall be incorporated herein by reference.
2. The investment officer shall prepare and present to the school board for its review and approval a recommendation as to the maximum percentage of the total investment portfolio that may be held in any one depository. The approved recommendation shall be attached as an exhibit or part of an exhibit to this policy and shall be incorporated herein by reference.
3. Investment maturities shall be scheduled to coincide with projected school district cash flow needs, taking into account large routine or scheduled expenditures, as well as anticipated receipt dates of anticipated revenues. Maturities for short-term and long-term investments shall be timed according to anticipated need. Within these parameters, portfolio maturities shall be staggered to avoid undue concentration of assets and a specific maturity sector. The maturities selected shall provide for stability of income and reasonable liquidity.

VI. QUALIFIED INSTITUTIONS AND BROKER-DEALERS

C. The school district shall maintain a list of the financial institutions that are approved for investment purposes.

D. Prior to completing an initial transaction with a broker, the school district shall provide to the broker a written statement of investment restrictions which shall include a provision that all future investments are to be made in accordance with Minnesota statutes governing the investment of

public funds. The broker must annually acknowledge receipt of the statement of investment restrictions and agree to handle the school district's account in accordance with these restrictions. The school district may not enter into a transaction with a broker until the broker has provided this annual written agreement to the school district. The notification form to be used shall be that prepared by the State Auditor. A copy of this investment policy, including any amendments thereto, shall be provided to each such broker.

VII. SAFEKEEPING AND COLLATERALIZATION

E. All investment securities purchased by the school district shall be held in third-party safekeeping by an institution designated as custodial agent. The custodial agent may be any Federal Reserve Bank, any bank authorized under the laws of the United States or any state to exercise corporate trust powers, a primary reporting dealer in United States Government securities to the Federal Reserve Bank of New York, or a securities broker-dealer defined in Minn. Stat. § 118A. The institution or dealer shall issue a safekeeping receipt to the school district listing the specific instrument, the name of the issuer, the name in which the security is held, the rate, the maturity, serial numbers and other distinguishing marks, and other pertinent information.

F. Deposit-type securities shall be collateralized as required by Minn. Stat. § 118A.03 for any amount exceeding FDIC, SAIF, BIF, FCUA, or other federal deposit coverage.

G. Repurchase agreements shall be secured by the physical delivery or transfer against payment of the collateral securities to a third party or custodial agent for safekeeping. The school district may accept a safekeeping receipt instead of requiring physical delivery or third-party safekeeping of collateral on overnight repurchase agreements of less than \$1,000,000.

VIII. REPORTING REQUIREMENTS

H. The investment officer shall generate daily and monthly transaction reports for management purposes. In addition, the trust board shall be provided a quarterly report that shall include data on investment instruments being held as well as any narrative necessary for clarification.

I. The investment officer shall prepare and submit to the trust board a quarterly investment report that summarizes recent market conditions, economic developments, and anticipated investment conditions. The report shall summarize the investment strategies employed in the most recent quarter and describe the investment portfolio in terms of investment securities, maturities, risk characteristics, and other features. The report shall summarize changes in investment instruments and asset allocation strategy approved by the investment officer for an OPEB trust in the most recent quarter. The report shall explain the quarter's total investment return and compare the return with budgetary expectations. The report shall include an appendix that discloses all transactions during the past quarter. Each quarterly report shall indicate any areas of policy concern and suggested or planned revisions of investment strategies. Copies of the report shall be provided to the school district's auditor.

J. The investment officer shall prepare and submit to the school board a comprehensive annual report on the investment program and investment activity of the school district for that fiscal year.

K. If necessary, the investment officer shall establish systems and procedures to comply with applicable federal laws and regulations governing the investment of bond proceeds and funds in a debt service account for a bond issue. The record keeping system shall be reviewed annually by the independent auditor or by another party contracted or designated to review investments for arbitrage rebate or penalty calculation purposes.

IX. DEPOSITORIES

The school board shall annually designate one or more official depositories for school district funds. Under the direction of the School Board, the School Board treasurer or the executive director of finance and operations of the school district may also exercise the power of the school board to designate a depository. The School Board shall be provided notice of any such designation by its next regular meeting. The school district and the depository shall each comply with the provisions of Minn. Stat. § 118A and any other applicable law, including any provisions relating to designation of a depository, qualifying institutions, depository bonds, and approval, deposit, assignment, substitution, addition, and withdrawal of collateral.

X. ELECTRONIC FUNDS TRANSFER OF FUNDS FOR INVESTMENT

The school district may make electronic fund transfers for investments of excess funds in compliance with Minn. Stat. § 471.38.

- B. The responsible authority will respond to a data request at reasonable times and places as follows:
 1. The responsible authority will notify the requestor in writing as follows:
 - a. The requested data does not exist; or
 - b. The requested data does exist but either all or a portion of the data is not accessible to the requestor; or
 - (1) If the responsible authority determines that the requested data is classified so that access to the requestor is denied, the responsible authority will inform the requestor of the determination in writing, as soon thereafter as possible, and shall cite the specific statutory section, temporary classification, or specific provision of federal law on which the determination is based.
 - (2) Upon the request of a requestor who is denied access to data, the responsible authority shall certify in writing that the request has been denied and cite the specific statutory section, temporary

classification, or specific provision of federal law upon which the denial was based.

- c. The requested data does exist and provide arrangements for inspection of the data, identify when the data will be available for pick-up, or indicate that the data will be sent by mail. If the requestor does not appear at the time and place established for inspection of the data or the data is not picked up within ten (10) business days after the requestor is notified, the school district will conclude that the data is no longer wanted and will consider the request closed.
2. The school district's response time may be affected by the size and complexity of the particular request, including necessary redactions of the data, and also by the number of requests made within a particular period of time.
3. The school district will provide an explanation of technical terminology, abbreviations, or acronyms contained in the responsive data on request.
4. The school district is not required by the MGDPA to create or collect new data in response to a data request, or to provide responsive data in a specific form or arrangement if the school district does not keep the data in that form or arrangement.
5. The school district is not required to respond to questions that are not about a particular data request or requests for data in general.

IV. REQUESTS FOR SUMMARY DATA

- A. A request for the preparation of summary data must be made in writing directed to the responsible authority.
 1. A request for the preparation of summary data must include the following information:
 - a. Date the request is made;
 - b. A clear description of the data requested;

- c. Identify the form in which the data is to be provided (e.g., inspection, copying, both inspection and copying, etc.); and
 - d. Method to contact requestor (phone number, address, or email address).
- B. The responsible authority will respond within ten (10) business days of the receipt of a request to prepare summary data and inform the requestor of the following:
 - 1. The estimated costs of preparing the summary data, if any; and
 - 2. The summary data requested; or
 - 3. A written statement describing a time schedule for preparing the requested summary data, including reasons for any time delays; or
 - 4. A written statement describing the reasons why the responsible authority has determined that the requestor's access would compromise the private or confidential data.
- C. The school district may require the requestor to pre-pay all or a portion of the cost of creating the summary data before the school district begins to prepare the summary data.

V. DATA BY AN INDIVIDUAL DATA SUBJECT

- A. Collection and storage of all data on individuals and the use and dissemination of private and confidential data on individuals shall be limited to that necessary for the administration and management of programs specifically authorized by the legislature or local governing body or mandated by the federal government.
- B. Private or confidential data on an individual shall not be collected, stored, used, or disseminated by the school district for any purposes other than those stated to the individual at the time of collection in accordance with Minnesota Statutes section 13.04, except as provided in Minnesota Statutes section 13.05, subdivision 4.
- C. Upon request to the responsible authority or designee, an individual shall be informed whether the individual is the subject of stored data on individuals, and whether it is classified as public, private or confidential. Upon further request, an individual who is the subject of stored private or public data on individuals shall be shown the data without any charge and, if desired, shall be informed of the content and meaning of that data.

- D. After an individual has been shown the private data and informed of its meaning, the data need not be disclosed to that individual for six months thereafter unless a dispute or action pursuant to this section is pending or additional data on the individual has been collected or created.
- E. The responsible authority or designee shall provide copies of the private or public data upon request by the individual subject of the data. The responsible authority or designee may require the requesting person to pay the actual costs of making and certifying the copies.
- F. The responsible authority or designee shall comply immediately, if possible, with any request made pursuant to this subdivision, or within ten days of the date of the request, excluding Saturdays, Sundays and legal holidays, if immediate compliance is not possible.
- G. An individual subject of the data may contest the accuracy or completeness of public or private data. To exercise this right, an individual shall notify in writing the responsible authority describing the nature of the disagreement. The responsible authority shall within 30 days either: (1) correct the data found to be inaccurate or incomplete and attempt to notify past recipients of inaccurate or incomplete data, including recipients named by the individual; or (2) notify the individual that the authority believes the data to be correct. Data in dispute shall be disclosed only if the individual's statement of disagreement is included with the disclosed data.
- H. The determination of the responsible authority may be appealed pursuant to the provisions of the Administrative Procedure Act relating to contested cases. Upon receipt of an appeal by an individual, the commissioner shall, before issuing the order and notice of a contested case hearing required by Minnesota Statutes chapter 14, try to resolve the dispute through education, conference, conciliation, or persuasion. If the parties consent, the commissioner may refer the matter to mediation. Following these efforts, the commissioner shall dismiss the appeal or issue the order and notice of hearing.
- I. Data on individuals that have been successfully challenged by an individual must be completed, corrected, or destroyed by a government entity without regard to the requirements of Minnesota Statutes section 138.17.
- J. After completing, correcting, or destroying successfully challenged data, the school district may retain a copy of the commissioner of administration's order issued under Minnesota Statutes chapter 14 or, if no order were issued, a summary of the dispute

between the parties that does not contain any particulars of the successfully challenged data.

VI. REQUESTS FOR DATA BY AN INDIVIDUAL SUBJECT OF THE DATA

- A. All requests for individual subject data must be made in writing directed to the responsible authority.
- B. A request for individual subject data must include the following information:
 - 1. Statement that one is making a request as a data subject for data about the individual or about a student for whom the individual is the parent or guardian;
 - 2. Date the request is made;
 - 3. A clear description of the data requested;
 - 4. Proof that the individual is the data subject or the data subject's parent or guardian;
 - 5. Identification of the form in which the data is to be provided (e.g., inspection, copying, both inspection and copying, etc.); and
 - 6. Method to contact the requestor (such as phone number, address, or email address).
- C. The identity of the requestor of private data is private.
- D. The responsible authority may seek clarification from the requestor if the request is not clear before providing a response to the data request.
- E. Policy 511/ 511-R (Student Records) addresses requests of students or their parents for educational records and data.

VII. COSTS

A. Public Data

- 1. The school district will charge for copies provided as follows:

- a. 100 or fewer pages of black and white, letter or legal sized paper copies will be charged at 25 cents for a one-sided copy or 50 cents for a two-sided copy.
- b. More than 100 pages or copies on other materials are charged based upon the actual cost of searching for and retrieving the data and making the copies or electronically sending the data, unless the cost is specifically set by statute or rule.
 - (1) The actual cost of making copies includes employee time, the cost of the materials onto which the data is copied (paper, CD, DVD, etc.), and mailing costs (if any).
 - (2) Also, if the school district does not have the capacity to make the copies, e.g., photographs, the actual cost paid by the school district to an outside vendor will be charged.
2. All charges must be paid for [in cash or by check] in advance of receiving the copies.

B. Summary Data

1. Any costs incurred in the preparation of summary data shall be paid by the requestor prior to preparing or supplying the summary data.
2. The school district may assess costs associated with the preparation of summary data as follows:
 - a. The cost of materials, including paper, the cost of the labor required to prepare the copies, any schedule of standard copying charges established by the school district, any special costs necessary to produce such copies from a machine-based record-keeping system, including computers and microfilm systems;
 - b. The school district may consider the reasonable value of the summary data prepared and, where appropriate, reduce the costs assessed to the requestor.

C. Data Belonging to an Individual Subject

1. The responsible authority or designee may require the requesting person to pay the actual costs of making and certifying the copies.

The responsible authority shall not charge the data subject any fee in those instances where the data subject only desires to view private data.

The responsible authority or designee may require the requesting person to pay the actual costs of making and certifying the copies. Based on the factors set forth in Minnesota Rule 1205.0300, subpart 4, the school district determines that a reasonable fee would be the charges set forth in section VII.A of this policy that apply to requests for data by the public.

2. Wayzata Public Schools may not charge a fee to search for or to retrieve educational records of a child with a disability by the child’s parent or guardian or by the child upon the child reaching the age of majority.

I. PROCEDURES

To inspect data or request copies of public data in the school district's possession, a requestor should make a written request on the attached form (page 5) and submit this request to the appropriate data practices official or designee described below. The school district reserves the right to accept verbal requests for data or reduce verbal requests to writing, at its sole discretion.

II. REQUESTS FOR PUBLIC DATA

- A. Upon receipt of a written request, the school district will process it within a reasonable time, depending upon the nature and volume of the request. If the response to a request will take longer than fifteen (15) business days and the requester has provided contact information, the school district may notify the requestor of the approximate amount of time it will take to process the request.
 1. If it is unclear what data the individual is requesting, the school district will seek clarification.
 2. If the school district does not have the requested data, it will notify the individual in writing as soon as reasonably possible.
 3. District 284 requires proof of the requestor's identity (valid photo identification) before it responds to a request for data of this nature. If the requestor is requesting data about their child, the requestor must show proof that s/he is the parent. If the requestor is a guardian, the requestor must show legal documentation of the guardianship.
 4. If the school district has the requested data, and the data may lawfully be disclosed to the individual, the school district will respond to the request by doing one of the following:
 - Arrange a date, time, and place for the individual to inspect the data without cost to the individual, or;
 - Provide the individual with copies of the data. The individual may choose to pick up the copies, or the school district will mail or fax copies of the data to the individual. The school district will provide electronic copies (such as e-mail), only if the school district keeps the data in electronic format. Prepayment of copies is required unless other arrangements are approved by the responsible authority. Further information about copying charges is included below.
 5. The school district will provide electronic copies (such as e-mail), only if the school district keeps the data in electronic format.

6. Prepayment of copies is required unless other arrangements are approved by the responsible authority. Further information about copy charges is included below.
7. Upon request, the school district will inform the requester as to the meaning of any data disclosed pursuant to this policy. The MGDPA does not require the district to answer questions that are not requests for data.

III. FEES

- A. The school district charges individuals for copies as authorized under Minnesota Statutes, section 13.03, subdivision 3(c). The individual must pay for the copies before the school district will provide the copies.
 1. For 100 or Fewer Paper Black and White Copies – \$.25 per Page
The charge for 100 or fewer pages of black and white, letter or legal size paper copies, is \$.25 for a one-sided copy and \$.50 for a two-sided copy.
 2. More than 100 Paper Black and White Copies or Other Types of Copies/Actual Cost
The charge for more than 100 pages of black and white paper copies, or any other types of copies, is the actual cost of searching for and retrieving the data, and making the copies or electronically transmitting the data. In determining the actual cost, the school district includes the cost of the employee time, the cost of the materials (paper, DVD, etc.), and mailing costs (if any). If the request is for copies of data that the school district cannot reproduce itself, such as photographs, it will charge the actual cost it must pay an outside vendor for the copies.
- B. The cost of employee time to search for data, retrieve data and make copies is based upon the lowest hourly rate of the appropriate staff member. There is no charge for time spent separating public from non-public data.

IV. REQUESTS FOR SUMMARY DATA

- A. Summary data are statistical records or reports that are prepared by removing all identifiers from private or confidential data on individuals. The preparation of summary data is not a means to gain access to private or confidential data.
- B. District 284 will prepare summary data if a member of the public makes a request in writing and pays for the cost of preparing the data.
- C. Upon receiving a written request, District 284 will respond within fifteen (15) business days with the data or details of when the data will be ready and how much will be charged.

- D. In determining the actual cost, the school district includes the cost of the employee time, the cost of the materials (paper, DVD, etc.), and mailing costs (if any). If the request is for copies of data that the school district cannot reproduce itself, such as photographs, it will charge the actual cost it must pay an outside vendor for the copies.

- F. If the request involves copies of public data that has commercial value and is a substantial and discrete portion of or an entire formula, pattern, compilation, program, device, method, technique, process, database, or system developed with a significant expenditure of public funds by the school district, the responsible authority may charge a reasonable fee for the information in addition to the costs of making and certifying the copies. Any fee charged must relate to the actual development costs of the information. The responsible authority, upon the request, shall provide sufficient documentation to explain and justify the fee being charged.

802 NAMING OF FACILITIES

I. PURPOSE

The purpose of this policy is to establish guidelines for the naming of Wayzata Public Schools buildings, facilities and structures.

II. GENERAL STATEMENT OF POLICY

The naming of school buildings or facilities is the responsibility of the School Board. The School Board recognizes that the official names of district facilities are vital to its public image. When selecting names for facilities, the School Board will emphasize effective public communication and the honor and integrity that the name will reflect upon the facility. Further, areas within specific educational facilities and adjacent property shall be titled in accordance with their function and the official district name for the facility.

- A. The School Board, when they deem appropriate, will direct administration to submit recommendations for a name(s) for School Board consideration; for either a new facility or for the renaming of an existing structure.
- B. Naming proposals for facilities will be considered at any time the School Board so chooses, including naming proposals recommended prior to construction, when construction is in progress, or after being acquired by the district.
- C. The superintendent may delegate responsibility to administrative designees or a committee charged with the responsibility of determining the process for soliciting and evaluating names, pursuant to providing a recommendation to the superintendent for consideration.
- D. The superintendent, or designee, will make a recommendation to the School Board for final approval.
- E. The superintendent, or designee, will retain responsibility for determining the procedures to select a school mascot and school colors. The School Board expects that the mascot and school colors reflect the traditions of the school district and are congruent with the public image and branding of the district.

III. OTHER USE OF SCHOOL PROPERTY FOR COMMEMORATIVE PURPOSES

School administrators and faculties may, at their discretion, place pictures, plaques and other non-permanent commemorative objects on the internal walls of educational facilities in recognition

802-R NAMING OF FACILITIES REGULATIONS

I. GUIDELINES FOR NAMING OF FACILITIES

- A. When naming a Wayzata Public Schools building or facility, School Board members serving on the facilities development and long range planning committee will appoint a committee made up of staff and residents of the school district. The principal of the school building to be named, or administrator in the facility, will co-chair the committee along with the director of communications and community engagement. The committee may solicit suggested names for buildings or other facilities from students, staff, and residents of the school district. The committee will present three recommendations for consideration to the School Board. The responsibility for the final decision on the name rests with the School Board.
- B. The director of communications and community engagement will manage the communications process of naming school district facilities. The director will advise the community about the process and the timeline for naming the new school or facilities. Public notification may include, but not be limited to, news releases and mailings to parents, PTAs/PTOs, community organizations and civic clubs.
- C. The public may submit names for School Board consideration through the U.S. mail or email, or via online submission, to the superintendent's designee. The names considered must conform to this School Board Policy. A minimum six-week timeline will be established for the public to propose names. The superintendent's designee will compile a list of the suggested names, and will forward the names proposed (along with any supporting documentation) to the committee co-chairs. Once the School Board determines a name for the school or facility through a formal vote, the director of communications and community engagement will determine appropriate means to inform the public of the approved name.
- D. The school district does not name facilities for specific programs, individuals or families. Individuals or organizations requesting that a facility be named in honor of an individual or a family will be notified that the school district does not name facilities in this manner and will be encouraged to consider an alternative commemoration such as the designation of an academic scholarship to honor the individual or family through the high school counseling department.
- E. The school district may consider a name for a new school or facility that reflects a unique geographic location or feature within the school district. There may occasionally be a compelling reason to change the name of an existing facility. The process will be the same as that for naming a new facility.

The District administration’s proposed operating capital budget for fiscal year 2023-2024 is as follows:

AGENDA SECTION: Administration Reports and Recommendations

ITEM: Human Resource Recommendations, Health Benefits

COMMENTS BY: Stacie Vos, Executive Director of Human Resource Services

Authorization of Health and Hospitalization Insurance Rates 2023-2024

As part of the required HITA RFP process, the Insurance Committee recommends the District accept the UnitedHealthcare offer for administration and stop loss, and also the ClearScript offer for pharmacy benefit administration for the 2023-2024 contract year.

The Insurance Committee reviewed an option to keep the health plans “as is” which would have required a 19% increase to premiums for both the District and the employees. After a thorough review, the committee was able to lower the increase to 7% by making plan changes to the deductibles and out of pocket maximum amounts for the 2023-2024 plan year. The committee realizes that any change is hard, but the 19% increase was not an option that anyone was able to support.

I would like to thank the following members for their work on this important committee:

- WEA: Cory Knudtson, Anne Naumann, Lynda Lankford, Dave Schultz
- Clerical: Daneen Usgaard
- Custodial: Ron Rogers
- WPA: Ashley Paul
- Wayzata Kids: Mindy Olsen
- Unaffiliated: Leslie Myrin
- Culinary: Marla Stahl
- Benefits Mgr: Joanne Fieldseth

Recommended Action: Approve the recommendations of the Insurance Committee that the District selects UnitedHealthcare on a self-insured basis for administration and stop loss, accept the ClearScript pharmacy benefit offer, and accept the 7% rate renewal and plan changes for the 2023-2024 health insurance plans.

COMMENTS BY: Stacie Vos, Executive Director of Human Resource Services

Authorization of Dental Insurance Rates 2023-2024

The administration is recommending an overall 3% increase in funding for our self-insured Delta Dental Plan.

We are pleased to accomplish this without any plan design changes.

Recommended Action: Approve the recommendation that the District remain with Delta Dental on a self-insured basis and a rate renewal for the 2023-2024 plan year is 3% overall.
