Subject: Evidence of Excellence Recognition Nov. 2025 - iWRITE Student Recognized

Information Item

Executive Summary:

We are proud to recognize a Garland ISD student who has earned international recognition for her creativity and writing talent through the 2025 iWRITE Publishing Contest.

Each year, iWRITE Publishing selects exceptional young authors and illustrators from across the world to be featured in its *I Write Short Stories by Kids for Kids Anthology*, now in its sixteenth volume. The organization’s mission is to build student confidence through writing and to inspire the next generation of storytellers.

We are thrilled to share that two students from Garland ISD were selected to have their work published in this year’s anthology.

North Garland High School:

Mia Andrea, 10th Grade — for her poem titled “She is My Hero.”

Rowlett High School:

Sierra Thompson, 12th Grade — for her poem titled “The Boy’s Superheroes.”

(Sierra graduated in May 2025 and is now pursuing her college studies, but we are proud to celebrate her accomplishment along with our current honoree tonight.)

At this time, we would like to recognize and congratulate Mia Andrea for this remarkable achievement. Mia’s poem will be featured in the upcoming iWRITE anthology, where she will join other talented young writers from around the world as a published author.

BOARD OF TRUSTEES AGENDA

Date: November 18, 2025

Presented By: Mark Quinn, Director of Security

Subject: Receive Intruder Detection Audit Report for November 2025

Information Item

Executive Summary:

The top priority of Garland ISD and the State of Texas is keeping students and staff safe every day. The Texas School Safety Center recently conducted an Intruder Detection Audit at one or more of our campuses. The audits test whether a campus is accessible to an unauthorized individual. This audit seeks to help districts identify how campuses can improve safety for students, such as ensuring exterior doors are locked. The audit provides us with an opportunity to create a safer learning environment for our students and staff.

We are working closely with our district's School Safety & Security Committee to ensure that we are training all our staff and securing our doors for the protection of everyone at our campuses. The support from the state in conducting the Intruder Detection Audits is just one of the many actions we are taking to ensure our schools are safe. We know that this work does not end, and we appreciate the Board's support.

We acknowledge that parents and community members are likely very interested in the details of the audit results; however, it is in the best interest of the students that we do not share this information to the broader public as it could lead to compromising important campus security information. Specific details of the Intruder Detection Audit will be discussed in the executive session and with the Safety and Security Committee. Garland ISD is committed to providing a safe and secure learning environment for our students and staff.

BOARD OF TRUSTEES AGENDA

Date: November 18, 2025

Presented By: Coleman Bruman, Executive Director of Secondary Teaching and Learning
Michael Ruiz, Executive Director of Elementary Teaching and Learning
Dr. Ramona Morin, Director, Family & Community Engagement

Subject: Academic Calendar Recommendations: 2026-27 and 2027-28

Action Item

Executive Summary:

The calendar recommendations impact families, employees, and the broader community beyond the classroom. The 2026–2027 and 2027–2028 calendar recommendations reflect the work of several representative committees who considered state requirements, district guardrails, and community needs.

The District Improvement Team, composed of principals, paraprofessionals, department leaders, teachers, business partners, and community members, worked alongside the District Educational Improvement Council, which includes teachers, parents, and community representatives. In addition, a student committee at the Gilbreath-Reed Career and Technical Center provided input from students representing all seven high schools and the three cities served by Garland ISD.

Together, these groups reviewed data, feedback, and operational priorities to develop calendar options that support high-quality instruction while balancing the needs of students, families, and staff. The recommendations were shared with the community for feedback before being presented to the Board for consideration and adoption.

The following information is included for your review:

- draft copy of presentation,
- calendar recommendations for 2026-27 and 2027-28 academic years.

Administrative Recommendations:

Administration recommends approval.

Recommended Motion for Action Items:

Move to approve the Academic Calendar Recommendations for the 2026-2027 and 2027-2028 school years, as presented to the Board of Trustees.

BOARD OF TRUSTEES AGENDA

Date: November 18, 2025

Presented By: Michael Ruiz, Executive Director of Elementary Teaching and Learning
Jeanine Boyett, Coordinator of Library Media Services

Subject: Library Resources Approval

Action Item

Executive Summary:

During this agenda item, trustees will receive information regarding our process for the review of new library materials, and request for approval to acquire the posted materials in alignment to Texas Senate Bill 13 (SB 13). Campus librarians have compiled titles requested for their campuses. After submitting, resources are vetted by campus librarians and reviewed by Library Media Services. The district has posted the consolidated list of proposed library materials for a minimum 30-day public review period on the District website, providing an online avenue for parent/community input and ensuring transparency prior to Board action.

The list of requested materials is posted on the District's website for your reference:

Subject: Consider Approval of Purchase of Instructional Software, Licensing
Subscription, Hardware and Services (#397-25-02)

Consent Agenda

Executive Summary:

The Texas Education Agency (TEA) has modified the purchasing module of the Financial Accountability System Resource Guide to permit the use of an “Extended RFP Process”. This process is different from the traditional RFP process as it affords districts the ability to accept, evaluate, and award proposals as they are received throughout the term of the agreement. The benefits of this process enable the district to be more responsive to unforeseen and unexpected events that require compliance with purchasing laws. Along with the benefits, TEA requires internal controls to ensure the process is used properly.

1. Local policy will dictate which purchases require approval by the Board of Trustees - \$150,000 or greater in accordance with CH Local.
2. The standard procurement process should be used when possible.
3. The Purchasing Department, in conjunction with Committee(s), will establish guidelines to ensure all requirements listed in the Financial Accountability System Resource Guide are met. At a minimum, the following guidelines must be established:
 - Establish the categories in which responses will be received
 - Determine the frequency of reviewing and approving responses
 - Determine the criteria for accepting and rejecting responses
 - Review existing contracts to ensure the needs cannot be met with an existing contract.

By design of the extended RFP, we are adding additional vendors to continue creating a pool of awarded instructional technology vendors that have been approved and vetted for Garland ISD campuses and departments. This ongoing RFP seeks to provide access to instructional technology and software online to support the educational needs in classrooms throughout GISD, aligned with district goals and objectives. This specific recommendation to award includes the addition of seven (7) new companies. Reviewed and approved by Coleman Bruman, Executive

Re: Election Ballot for Dallas Central Appraisal District Board of Directors
Number of Votes Allocated To: Garland ISD is 84

I have received all timely submitted nominating resolutions to elect members to the Dallas Central Appraisal District Board of Directors. I have prepared the attached sample Resolution and Ballot listing the candidate alphabetically according to the first letter of each candidate's surname, as required by Texas Property Tax Code Section 6.03(j). There are 13 nominees on the official ballot.

The governing body of each taxing unit entitled to vote must cast its votes in an open meeting by resolution and submit the resolution ballot to the Dallas CAD Chief Appraiser **BEFORE** December 15, 2025 (except taxing units with 250 or more votes). In addition to your taxing unit's votes being provided in the Subject line of this memo, an attachment has been provided showing the number of votes for each county, city, school district and college district that is entitled to vote.

The governing body of each taxing unit entitled to cast at least five percent of the total votes (taxing units with 250 votes or greater) must determine its vote by resolution adopted at the FIRST or SECOND open meeting of the governing body that is held after the date the chief appraiser delivers the ballot to the presiding officer of the governing body. The governing body must submit its vote to the chief appraiser not later than the THIRD day following the date the resolution is adopted.

Please submit the resolution ballot both by email (DcadElections@dcad.org) as well as hardcopy via mail, courier or hand delivery. Taxing units may cast its votes for one candidate or distribute their votes among any number of the candidates listed on the attached official ballot (Page 4).

The Chief Appraiser will count the votes and declare the two candidates who received the largest cumulative votes as elected and submit the results before December 31, 2025, to each of the taxing units and to the candidates.

In addition to the sample resolution, ballot and taxing unit voting entitlement list, are the biographies/resumes provided by the candidates and taxing units.

The remaining steps in the appointment process and calendar as prescribed by Texas Property Tax Code Section 6.03 is summarized below:

- Before December 15: In accordance with Texas Property Tax Code Section 6.03 (k) each taxing unit that is entitled to vote shall determine its vote by resolution and submit the same to the Chief Appraiser.
- Before December 31: In accordance with Texas Property Tax Code Section 6.03 (k) the Chief Appraiser will count the votes, declare the two candidates who received the largest cumulative vote totals elected, and submit the results to each taxing unit in the District and to the candidates.
- On January 1 the two appointed members take office and begin serving a 4-year term, 2026-2029.

If you have any questions about this process, please contact Deputy Chief Appraiser, Cheryl Jordan, via email at DcadElections@dcad.org or her direct line, 214-819-2312, or the District's main number, 214-631-0520.

BOARD OF TRUSTEES AGENDA

Date: November 18, 2025

Presented By: Mark Booker, Executive Director of Purchasing
John King, Director of Risk Management

Subject: Consider Approval of Purchase of Property Insurance (#363-26)

Action Item

Executive Summary:

The contract is for property insurance with coverage for boilers and machinery. A response was received from the current property insurance carrier and from the Texas Association of School Boards Risk Management Fund (TASB), a self-insured risk pool. The quote from TASB was approximately \$1 million to \$1.5 million lower, depending on how the variables of each quote are assessed. For this reason, the recommendation below is made for property loss coverage from December 3, 2025, through December 2, 2026, at an annual cost of \$3,972,793, listed in (Exhibit A), which includes an additional \$27,207 for incidentals.

Loss limit:	\$500,000,000
Weather Deductible:	2% per location with a minimum of \$500,000
All other perils Deductible:	\$250,000
Equipment Breakdown:	\$50,000 deductible with \$100 million limit
Maximum Deductible:	\$10 million

Crime Insurance

The TASB quote includes crime insurance.

Crime limit:	\$1 million
Deductible:	\$10,000

To align the District's property renewal, start date of December 3, 2026, with the next liability coverage renewal start date of September 1, 2026, it is recommended that the Board approve an option to prorate the annual quote, if acceptable to TASB. If this is implemented, the current quote would be prorated from December 3, 2025, through September 1, 2026 (9 months). The renewal quote for property coverage at that time may increase due to normal underwriting reasons.

Reviewed and approved by John King, Director of Risk Management, Mark Booker, Executive Director of Purchasing, and Darrell Dodds, Chief Financial Officer.

Presented to the Finance, Facilities and Operations Committee for review on November 11, 2025.
