Special Presentations (cont.)

in the annual contest sponsored by the Michigan Women's History Center and Hall of Fame. The purpose of the contest is to encourage children to read good books. Students must select either a biography about a woman or a girl, or a fiction book with an admirable female character. The poster is to represent something important about the life of the person in the book. Five of the six winning students were in attendance at the meeting and shared their posters and a brief comment. Olivia Long won first place with a poster about Maria Tallchief. Jackie Mayfield placed second with an entry on Helen Keller and Jenelle Lamond's Rosa Parks poster place third. Kahlimah Nelson and Delaney Beres earned Honorable Mention. Unable to attend the meeting was David Anderson who also won honorable mention for his poster. Each student won a gift certificate to either the Women's History Center gift shop or Schuler's Book Store. All thirty-two posters designed by Elmwood students are on display at the History Center at 213 West Main Street in Lansing. Mrs. Hendrickson-Carr stated the students used many of the Strategic Plan's Character Clusters while participating in the contest.

The second special presentation featured recognition of East teacher Susan Stahly. Principal Gloria Gonzalez stated she picked Ms. Stahly for three main reasons. The first is that she is a masterful teacher; she understands the needs of her students and is open to making adjustments based on their unique situations. Susan Stahly is a model example of someone who, by her own actions, lives our strategic plan focus of ensuring that every student achieves his/her personal best. Secondly, Ms. Stahly is an excellent communicator whether it is with a student, a parent, a fellow colleague or a community member. Her style of communication is to seek input, find a solution and display an attitude of confidence and care regarding the persons involved in the dialogue. Lastly, but certainly not the least, Susan is a hallmark leader in the district. Her willingness to extend herself beyond the walls of her own rich classroom learning environment is very beneficial to Waverly Community Schools. Susan is involved in many activities such as East's Big Brother-Big Sister program, the school improvement team, chairing the science NCA sub-committee, volunteering for ISD level committee work, and being heavily involved and supportive of the Strategic Plan process. Mrs. Gonzalez closed by saying if a performance or activity is happening that involves our students, Susan Stahly is likely to be there to support her students and their efforts. Mrs. Gonzalez presented Ms. Stahly with a crystal block with the inscription "you are making a difference".

Waverly East student Kirsten Mitchell and art teacher Melissa Wood presented Ms. Stahly with a poster identifying attributes based on the letters in Ms. Stahly's last name. S=science lover; t=trustworthy; a=artist; h=helpful; l=loving; and y=young at heart. Colleague Susan Ellsworth described Ms. Stahly as her guide and mentor who has been helpful in so many ways.

Correspondence

Secretary Suttles reported a letter had been received which she passed on to the superintendent.

Jacklin Blodgett then went through a compiled list gathered from employee brainstorming sessions and the associated costs. John Cavanaugh of EPIC MRA followed up with the results of the community telephone survey in which 313 samples were taken.

Superintendent's Report

Dr. Pillar reported MME testing for 11th grade students will be held March 10th-12th. Breakfast is being offered to all 11th grade students at 7:30 a.m. each day, with testing starting at 8:00 a.m. There will be no school for grades 9, 10, and 11 on these days.

Dr. Pillar reported he is meeting with Board candidates to orient them to the Board member process.

Dr. Pillar announced the Ingham ISD superintendents will be visiting Ombudsman on Wednesday, March 11th.

Dr. Pillar reported residents of Chanticleer Trail whose property backs up to Waverly property have been invited to attend a meeting on Thursday, March 12th at 7:00 p.m. to discuss the proposed fence.

Dr. Pillar reminded Board members of the legislative breakfast on Friday, March 13th at the Radisson Hotel from 7:30-9:00 a.m.

Dr. Pillar announced special Board meetings will be held on Monday, March 16th at 6:00 p.m. at the East cafeteria and on Monday, March 23rd at 6:00 p.m. at the Waverly Middle School Little Theatre. The purpose of the meetings is presentation of the cost reduction proposal and the opportunity for Board and public comment.

Dr. Pillar reported he will be attending a Legislative Conference sponsored by MASB and MASA on Wednesday, March 18th at the Lansing Center.

Dr. Pillar announced the Grand Ledge/Waverly Varsity Hockey team won its first CAAC league championship on Saturday, February 28th.

Superintendent's Report (cont.)

Dr. Pillar reported that Waverly Board members are also winners. Member Brewer-Williams has recently achieved Level One Certification and the Award of Merit. Member Slocum also achieved the Award of Merit. The Waverly Board of Education is eligible to receive the Honor Board Award this year as a result of every member of the board achieving Level One Certification. The Board is also eligible to receive the Standard of Excellence Award as a result of every member of the board achieving the Award of Merit. Waverly's Board of Education is one of a very limited number of boards in the state to receive this very special recognition. A representative from MASB will attend a future meeting to recognize these achievements.

Dr. Pillar reported information has been received on the Ingham ISD biennial election schedule. In addition to approving the ISD general fund budget, this is the year they elect new Board members. The Board will be considering this in May.

Dr. Pillar reported the House passed House Bills 4030 and 4132 this week that would raise the compulsory attendance age from 16 to 18. The bills added a parental consent piece for parents who feel that their child is ready to leave the education system. The bill package would not prohibit advanced students from completing high school before they turn 18, but would require all students to stay in school until they turn 18 or graduate high school. Talk continues on the MEA retirement incentive. House and Senate Fiscal Agencies estimate that this proposal will indeed cost over \$3 billion and will cause the retirement contribution rate to go up by several points. There continues to be debate about how federal stimulus money should be spent. MASB staff believes that this money should be used to make the School Aid Fund whole. There is talk among state leaders that this money could be used for new programming while categorical funding could see drastic cuts.

Report #08-48

FOR ACTION

Subject: Budget Considerations 2009-2010

Recommendation:

The Superintendent recommends the Board of Education approve the attached budget considerations for the 2009-2010 fiscal year.

Statement of Purpose/Issue:

Approving these considerations will allow for the continued preparation of the 2009-2010 budget.

Budget Impact:

The considerations total \$1,481,900.

Historical Perspective:

The Board of Education is required to adopt a budget by June 30. The initial review of the 2009-2010 fiscal year budget projected a deficit of \$2,722,000. These considerations will reduce the projected deficit by \$1,481,900.

Discussions of Options:

The Board may adopt the considerations as presented or reject the considerations.

Rational for Proposal:

The approval of the considerations will provide the basis for preparing the budget for 2009-2010.

**WAVERLY COMMUNITY SCHOOLS
BOARD OF EDUCATION
SPECIAL MEETING
April 20, 2009**

Report #08-49

FOR ACTION

Subject: **Non-extension of Principal Contracts**

Recommendation:

The Superintendent recommends the Board of Education not extend (terminate under Article IV, Section 4.4 of the Master Agreement between the Waverly Administrators Education Association and the Board of Education) the two least senior principals and the least senior assistant principal contracts as agreed upon by the Waverly Administrators Education Association. The non-extension recommendation is for the following contracts: Rashawnda Talifarro, Winans Elementary Principal; Vincent Perkins, Middle School Principal; and Mike Moreno, East Intermediate School Assistant Principal.

The recommendation is not a reflection of these administrators' job performances with the District, but is a necessity due to contract language.

Statement of Purpose/Issue:

The purpose of the non-extension is to not extend three administrator contracts for the 2010-2011 school year. Each administrator is currently employed under a two-year contract starting July 1, 2008 and expiring June 30, 2010.

Budget Impact:

There will be no budget impact on the 2009-2010 school year as all three administrators currently have two year contracts, which are in effect for the 2009-2010 school year. The District could save over \$370,000 in the 2010-2011 school year because of the non-extensions.

Rationale for Recommendation:

The District's enrollment declined in the 2008-2009 school year and is projected to decline further in the 2009-2010 school year. The District may be looking at facility usage in the coming year and its financial stability due to funding pressures from the State of Michigan. Because administrators are contracted under two-year agreements, the only way to prepare for a possible administrative reduction is not to extend each administrator's contract and let the contract expire.

The Board may offer a two-year contract to an administrator should enrollment remain constant or increase, the use of the facilities remains the same or the funding situation changes for school districts.

**WAVERLY COMMUNITY SCHOOLS
BOARD OF EDUCATION
REGULAR MEETING
April 20, 2009**

Report #08-50

FOR ACTION

Subject: **Resolution to Consider Designation of Electoral Representative for the June 1, 2009
IISD Biennial Election**

Recommendation:

The Superintendent recommends the Board of Education adopt the resolution to consider designation of its representative to the electoral body which will elect one member to a six-year term on the Ingham Intermediate School District board.

Statement of Purpose:

This action is necessary to fulfill requirements of Section 614(2) of the Revised School Code pertaining to intermediate school district elections.

Historical Perspective:

Section 614(2) of the Revised School Code provides that the Board of Education shall consider the resolution at not less than one public meeting before adopting the resolution to appoint the representative and identifying the candidate the local board representative must vote for on the first ballot taken by the electoral body. At the May 11th Board meeting the Board will consider a resolution to appoint its designated representative and identify the candidate for whom the Waverly Board will cast its ballot.

Ingham ISD will be holding its biennial board member election on Monday, June 1, 2009 in the Thorburn Education Center, Room ABC, beginning at 7:00 p.m. The election is for one (1) six-year term from July 1, 2009 through June 30, 2015.

Discussion of Options:

None

Rationale for Recommendation :

According to legal counsel, the Board should follow Section 614(2) of the Revised School Code relating to intermediate school district board member elections.
