Facilities Paving Project

Board Meeting

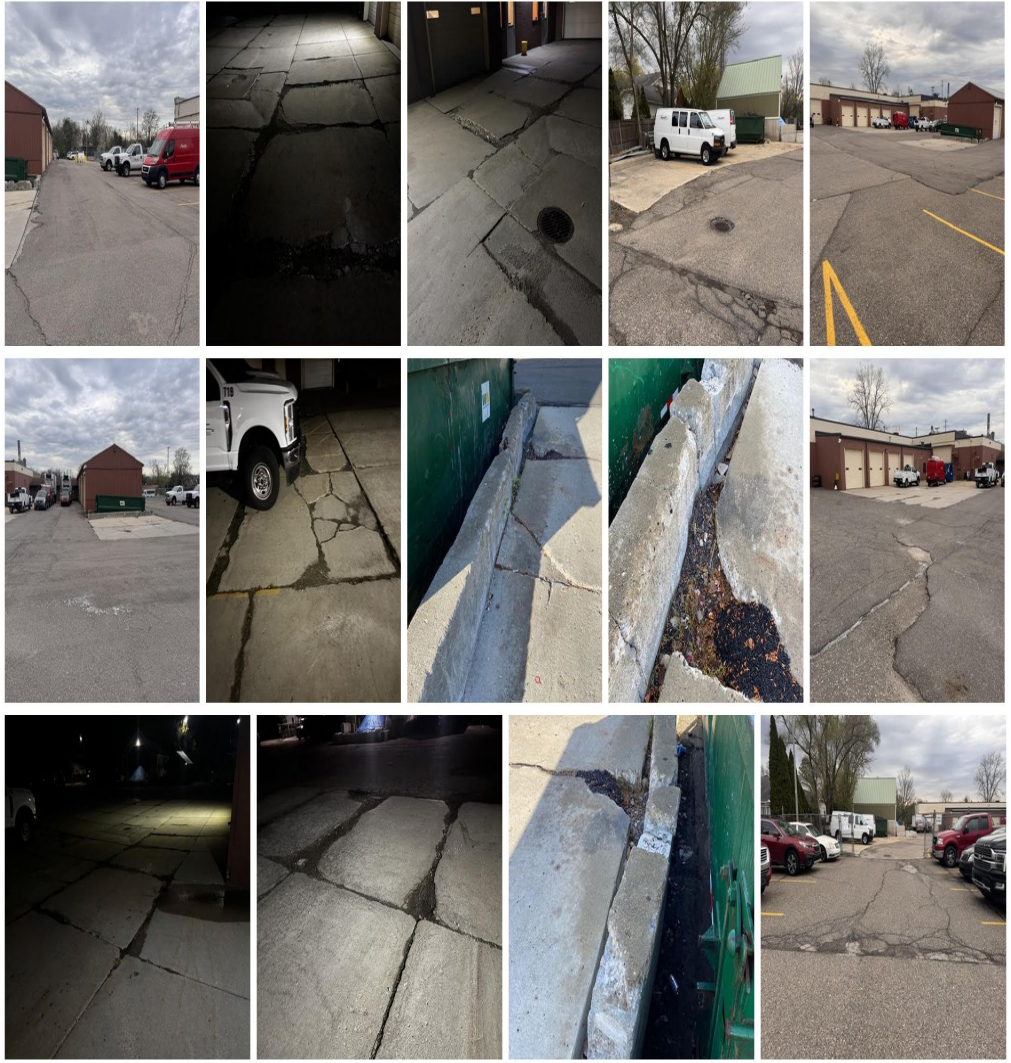

Proposed Bid Pack 19

September 1, 2026

Farmington PUBLIC SCHOOLS

Why This Project Is Needed

- Safety concern for Facilities crew members and vehicles. Due to large cracks, divots, holes, and significant deterioration.
- Temporary patches have been used for years; the worst areas now need to be repaired correctly.
- The dumpster well is failing and has begun caving in on itself.
- Identified as a 4 to 6 year need, in the prior capital needs assessment

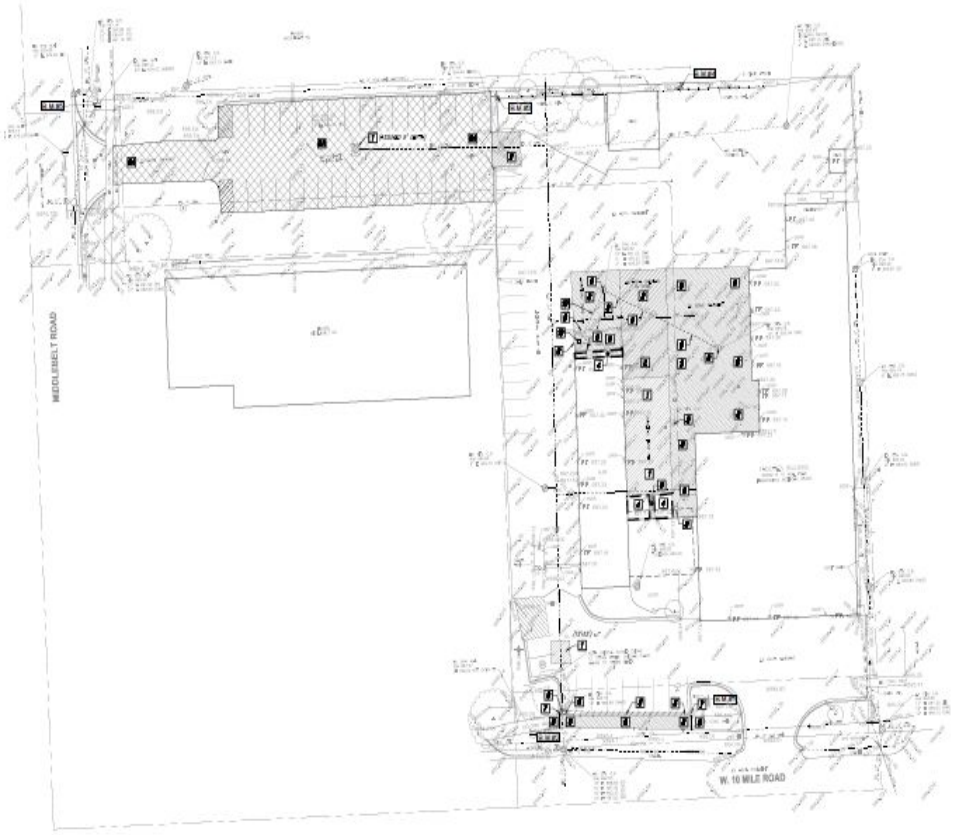

Proposed Scope of Work

- Remove and fully replace the most deteriorated pavement areas rather than continuing temporary repairs.

- Reconstruct the dumpster area and raise it to the same grade as the surrounding lot, avoiding the significant cost of building a new recessed well.

- Replace the main parking lot pad leading into the Facilities building.

- Replace the front sidewalk damaged over time by snow plowing and salt.

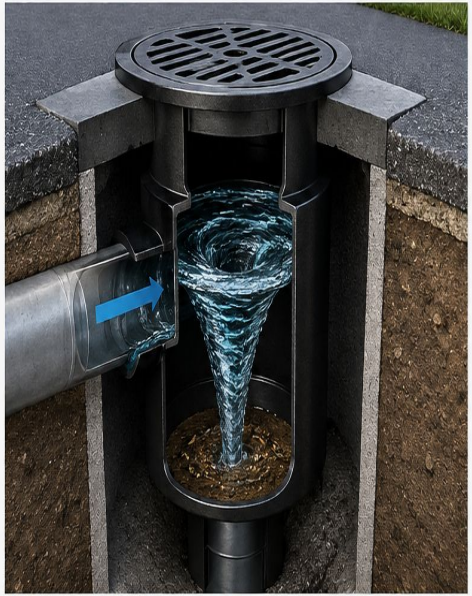

Stormwater Requirement

- The paving work is straightforward; the primary added requirement is stormwater treatment.
- The City is requiring a Drain Vortex system to collect sediment from the large paved area before runoff enters the main stormwater line.

STORM WATER VORTEX DRAIN

CLEANER WATER. STRONGER SYSTEMS. SMARTER INFRASTRUCTURE.

WHAT IT DOES

A Storm Water Vortex Drain is a compact stormwater treatment device that uses a vortex action to separate pollutants and sediment from stormwater runoff before it enters the main storm sewer system.

- **Vortex Action** – Incoming water swirls inside the chamber, creating a vortex that pushes sediment and debris to the bottom.
- **Sediment Capture** – Heavier particles settle in the sump, preventing them from being carried into the storm system and local waterways.
- **Cleaner Water** – Treated water exits through the outlet pipe, helping improve water quality downstream.
- **Compact & Efficient** – Designed to fit in a small footprint, ideal for parking lots, industrial sites, and paved areas.

BENEFITS

Improves Water Quality
Removes sediment, trash, and pollutants before they reach our lakes, rivers, and streams.

Protects Infrastructure
Reduces sediment buildup in pipes and downstream systems, lowering maintenance costs.

Meets City Requirements
Helps comply with stormwater management regulations by treating runoff from large paved areas.

Long-Term Value
Durable, low-maintenance solution that provides long-term performance and protection.

Community Benefit
Cleaner water and healthier environments for current and future generations.

This system helps keep our stormwater clean, protects our waterways, and supports a sustainable community.

Funding

The project is proposed to be funded through interest earned and contingency funds from the 2020 Bond.

The work is being proposed as Bid Pack 19.

Final pricing is expected September 11th

Why the Timeline Matters

- Michigan's paving season is limited, and asphalt plants typically close in late October or early November.
- The goal is to complete the work before winter to prevent additional deterioration and safety concerns.
- Today's presentation is a preview; no action or final cost approval is being requested.

Questions?

Farmington Public School Emergency Days

(Pursuant to Section 21f of the State School Aid Act MCL 388.1621f)

Plan Purpose & Scope

Pursuant to Section 21f(14) of the State School Aid Act, Farmington Public Schools (FPS) maintains this plan to pivot to virtual instruction during short-term cancellations of in-person learning. This plan ensures continuous academic progress, accurate pupil accounting, and seamless instructional access using district-issued Chromebooks and the Canvas LMS.

- Authorized Scope:
    - Emergency Closures: Up to three (3) virtual days per school year (e.g., severe weather, facility issues) after “Act of God” days have been used up.
    - Student Testing Days: Up to three (3) virtual days per school year (e.g., high school state testing flexibility windows).
    - Coverage: District-wide, individual buildings, or specific grade levels/student groups.

Instructional Delivery Overview:

Farmington Public Schools uses Canvas as its primary learning management system to support daily student learning plans and teacher communication. In addition to communication via Canvas, FPS provides student email accounts, which allow for two-way communication with teachers. Teachers are available during normal school day hours via digital communication and, where appropriate, a Google Meet.

Depending on the timing and circumstances of a school closure or testing day, instruction is delivered through one of three flexible learning models—fully asynchronous, fully synchronous, or hybrid (combination of asynchronous and synchronous. Daily attendance is maintained per pupil accounting guidelines, based on daily student interactions via Google Meet (when appropriate) and/or task completion.

Parent and Student Communication

- **Annual Communication:** The Emergency Day Virtual Plan is communicated as part of back-to-school messaging at the launch of each school year.
- **Virtual Event Communication:** Depending on the scope and timing of an in-person closure, district or building leadership will notify parents and students via email and other alert systems (as needed) regarding the date and instructional model as soon as details are finalized. Students will also receive specific learning plan updates directly through Canvas.

Superintendent Goals
2026-27 School Year

Goal 1: NWEA & Academic Achievement

Increase percent of students in grades 3-8 predicted to be proficient on the state assessments from Fall, 2026 to Spring, 2027 based on NWEA projections by 4% in both ELA and Math.

The Why: Academic Growth– Connecting leading measures (NWEA growth from Fall to Spring) directly to lagging measures (state assessment performance) as evidenced by increased proficiency on state assessments.

Goal 2: Meaning Making & Classroom Walkthroughs

Increase the percentage of classroom lessons designed AND delivered as meaning-making (transfer-level learning) from 43.6% (current baseline) to 57.6 % by June 2027.

The Why: Deeper Learning–Shifting from basic information acquisition to deeper learning where students analyze, problem-solve, and apply concepts to new situations (transfer).

Goal 3: Student Noticing & Belonging

Increase the percentage of students who feel part of the school community and that there are a lot of people who know and care about them (as measured by the LEAP Survey) from 63% to 73% by June 30, 2026.

The Why: Positive School Culture– Ensuring every student feels seen, valued, and connected to at least one caring adult in their school building every day.

Re: Furnishing Recommendation
Farmington High School Multipurpose Addition
TMP Project No. 25008A

Dear Ms. Kaminski:

Farmington High School hosted a furniture fair coordinated by TMP Architecture from April 27–30, 2026 for the new multipurpose addition. A variety of furniture samples supporting flexibility, collaboration, and diverse learning styles were displayed in the high school media center for evaluation by students, staff, and other stakeholders. Participants were encouraged to test the furniture and provide feedback through a Microsoft Forms Survey via QR code / link. TMP Architecture compiled and reviewed the (13) total survey results with the Farmington High School team, and the survey input played a significant role in guiding the final furniture recommendations and selections.

Final pricing for the Farmington High School Multipurpose Addition has been received by multiple furniture contractors, utilizing pre-existing bid contracts (consortiums). Below identifies each Category's associated costs. TMP recommends the procurement of furnishing packages as follows:

CATEGORY	***FURNITURE CONTRACTOR***	***AMOUNT***
Category A: *VS America*	*Great Lakes Furniture Supply*	*$55,494.60*
Category B: *Steelcase*	*NBS Commercial Interiors*	*$21,084.12*
Category C: *Integra*	*NBS Commercial Interiors*	*$24,539.00*
Category D: *Smith System*	*NBS Commercial Interiors*	*$6,651.32*
Category E: *Ergotron*	*ISCG*	*$1,781.26*
Category F: *Kimball International*	*ISCG*	*$6,151.17*
Category G: *KI*	*KI*	*$1,583.28*
Category H: *Safco*	*NBS Commercial Interiors*	*$4,324.80*
	TOTAL AMOUNT:	***$121,609.55***

Quotations received are valid until September 02, 2026. Furniture dealers have the right to increase their quotes should tariffs or surcharges be applied by manufacturers. As of today, there are no price increases, tariffs or surcharges anticipated from furniture vendors except for KI (for orders placed after September 02, 2026). TMP recommends reserving the remaining funds from the $125,000 furniture budget for contingency, totaling $3,390.45.

VS America *Warranty*

12 Years Limited Warranty

Basic Information

12 years limited warranty. VS America, Inc. warrants all products provided on the project for 12 years unless otherwise noted. Mechanical components and soft seating elements are warranted for five years. Standard fabrics and upholstery are warranted for five years – COM's are excluded from the warranty. Writable laminates are warranted for three years. The warranty is given to the initial customer and is valid for as long as the initial customer owns the product. This warranty, which runs from the date of delivery, covers defects in materials and craftsmanship found during normal usage of the products during the warranty period. Normal wear and tear of the product is not covered under this warranty (including, but not limited to, superficial or visual damages that do not affect the use or safety of the product or consumable parts such as glides). Freight damage is excluded and will be handled under separate terms. To ensure product longevity, unless outdoor use is explicitly authorized, VS products should be used in climate-controlled indoor environments. Damage caused by exposure to excessive humidity or other environmental factors – including corrosion, swelling, mold, or mildew – is not covered under this warranty. Customer modifications, unless approved by VS America, are not covered under the warranty. VS will pass along any warranty it receives with respect to third-party supplied products.

If a VS product is defective, and if notice of the defect is given to VS America, Inc. within the applicable warranty period, VS America, Inc., at its option, will repair or replace the defective product with a comparable product or component or provide a credit up to the purchase price. VS reserves the right to request that product be returned for inspection prior to granting a remedy. This warranty is in lieu of all other warranties, expressed or implied, and VS America, Inc. hereby disclaims any other warranties or representations of any kind or character with regard to the products sold herein, including, without limitation, their merchantability, suitability or fitness for a particular purpose.

STEELCASE LIMITED LIFETIME WARRANTY*

For Americas

YOU CAN DEPEND ON US. OUR PRODUCTS. OUR SERVICES. OUR PEOPLE.

Steelcase Inc. ("Steelcase") warrants that Steelcase® and Coalesse® brand products (collectively, "Steelcase Branded Products") are free from defects in materials and workmanship for the normal expected life of the product, except as set forth below. This warranty applies to Steelcase Branded Products delivered in the Americas: United States, Canada, Mexico, Latin America, and the Caribbean. The warranty is non-transferable and valid from the date of delivery, regardless of shift usage, to the original end-use customer, which means the final purchaser of a product from Steelcase or a Steelcase authorized reseller for the purchaser's own use and not for resale, remarketing, or distribution. Steelcase will repair or replace with comparable product, at its option and free of charge (for materials and components) any product, part or component which fails under normal use. If repair or replacement is not commercially practicable, Steelcase will provide a refund or credit for the affected product. Because Steelcase cannot control the quality of products sold by unauthorized sellers, Steelcase reserves the right to reject warranty claims for products purchased from unauthorized sellers, including unauthorized Internet sites, unless otherwise prohibited by law.
*Not applicable to products sold at retail to consumers (as defined below), who should refer to the Steelcase Limited Lifetime Consumer Warranty for Americas.

STEELCASE LIMITED LIFETIME WARRANTY FOR AMERICAS

WARRANTY DOES NOT APPLY TO PRODUCT DEFECTS, DAMAGE, OR LOSS RESULTING FROM:

- Normal wear and tear.
- Failure to apply, install, reconfigure, or maintain products according to published Steelcase or manufacturer instructions and guidelines.
- Abuse, misuse, or accident (including, without limitation, use of product in unsuitable environments or conditions).
- Alteration or modification of the product.
- The substitution of any unauthorized non-Steelcase components for use in the place of Steelcase components in an integrated product solution, including but not limited to worksurfaces, leg supports, panels, brackets, shelves, overhead bins and other integral components.

WARRANTY DOES NOT COVER:

- Products considered by Steelcase to be consumables; (e.g., batteries, bulbs/lamps).
- Variations occurring in surface materials (e.g., colorfastness matching grains, textures and colors across dissimilar substrates and lots), and natural aging found in materials such as wood, clear coat finishes and leather.
  - Planked Veneer´s intentional and natural variations include, but are not limited to: character marks, grain pattern, color and natural color aging.
  - Cast Shadow's variations include, but are not limited to: color range, weld marks, fingerprints, anodized streaks, colorfastness, color haze and variability across parts and products.
- Materials specified through our Custom Surfaces, COM program and Select Surfaces are warranted differently by each supplier and do not fall under Steelcase warranty. Additionally, if the material is found to be covered under a supplier's warranty including, but not limited to, quality, aging, colorfastness, shade variations, puddling, wrinkling or abrasions, Steelcase is not responsible for additional costs from replacement products or labor.
- Products manufactured utilizing a non-standard product platform or material.
- Other manufacturers' products, Steelcase, shall pass along any warranty it receives with respect to other manufacturers' branded products.
- Products purchased from other than Steelcase or a Steelcase authorized reseller, unless otherwise prohibited by law.

WARRANTY PROVIDES EXCLUSIVE REMEDIES:

- Pursuant to this limited warranty, if a product fails under ordinary use as a result of a defect in materials or workmanship, Steelcase will (i) repair or, at Steelcase's option, replace the affected product at no charge, with a new or refurbished product of comparable function, performance and quality or (ii) refund or credit of the purchase price for the affected product, at Steelcase's discretion, if Steelcase determines that repair or replacement is not commercially practicable or cannot be timely made.
  - A product "defect" means an inadequacy in the materials or workmanship of the product that (i) existed at the time when you received the product from Steelcase or a Steelcase Authorized Reseller and (ii) causes a failure of the product to perform under ordinary use in accordance with the materials and documentation accompanying the product.
  - An "ordinary use" means use of the product (i) in conformance with all applicable local, state or federal laws, codes and regulations (including without limitation building and/or electrical codes) and (ii) in accordance with manufacturer recommendations and/or instructions in the materials and documentation accompanying the product.
  - A "Steelcase Authorized Reseller" means any dealer that (i) is duly authorized by Steelcase to sell the product, (ii) is legally permitted to conduct business in the jurisdiction where the product is sold, and (iii) sells the product new and in its original packaging.
  - A "Consumer" means any individual client who acts for its own use and for purposes that are outside its trade, business, craft or profession.
- Replacement parts are covered for 2 years or the balance of the original warranty, whichever is longer.

STEELCASE RESERVES THE RIGHT TO REQUEST THAT THE DAMAGED PRODUCT BE RETURNED PRIOR TO GRANTING A REMEDY.

THIS LIMITED WARRANTY IS THE SOLE REMEDY FOR PRODUCT DEFECT AND NO OTHER EXPRESS OR IMPLIED WARRANTY IS PROVIDED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. STEELCASE SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE, OR INCIDENTAL DAMAGES.

INTEGRA WARRANTY

(UPDATED OCTOBER 2024)

INTEGRA LIFETIME WARRANTY

Products manufactured by Integra are warranted to be free of defects in material and workmanship under normal use for the lifetime of the product. Product must be properly assembled, maintained and in use by its original owner. Under the warranty, the obligation of Integra is limited to the repair or replacement of such furniture. Damage in transit or by negligence, abuse, abnormal usage, misuse, accidents or alterations nullifies the warranty.

All seating manufactured by Integra is covered under this warranty for minimum weight capacities of: **1200+ lbs static capacity** and **800+ lbs dynamic capacity**.

As Buyer's sole remedy under this warranty, Integra, at its option, will repair or replace damaged parts at no charge to the original owner of record provided the replacement or return has previously been authorized by Integra under the terms of this warranty. Normal aging and wear of fabrics, filling materials, and finishes are excepted from this warranty. Any labor charges incurred will be solely the Buyer's responsibility. In no event shall the Seller be liable for consequential damages.

All other express or implied warranties made by any sales representative, or agent, or other representative, including any warranty or merchantability or fitness for a particular use, are hereby excluded.

PRODUCT EXCEPTIONS:

- ALL FABRICS & TEXTILES – contact the textile distributors for their product's warranty details
- ELECTRIC POWER PORT OPTION – 1 YEAR WARRANTY
- All products manufactured prior to October 1, 2007 have a 10-Year Warranty

Smith System®

Smith System Butcher Block Warranty Clause

Smith System will not be liable for any Butcher Block products that are:

- Improperly cleaned. Our Butcher Block products should only be cleaned using the following method. No abrasive cleaners, disinfectant wipes, or bleach should be used on the finish.
    1. Fill a spray bottle with 2 cups of water, 1 cup of white vinegar, and 5 tablespoons of dish-washing soap.
    2. Spray the solution onto the Butcher Block top. Agitate the surface gently with a damp cleaning rag and wipe off excess.
    3. Use a dry rag or towel to dry the surface – making sure to NOT leave excess moisture on the Butcher Block surface.

- Misused. This includes but is not limited to:
    - Gouges from transit or end use
    - Chipping from transit or end use
    - Deep scratching from transit or end use
    - Scuffing from transit or end use
    - Staining from foreign materials or chemicals - including paints, acidic-based solutions, cleaners or water
    - Warping from excess moisture exposure
    - Finish fading, loss in gloss, or discoloration due to excessive UV exposure, or abrasive substances
    - Delamination from excess moisture exposure

- Exposed to extreme conditions, including very low or very high humidity or extreme temperature changes.
- Installed with any hole or cutout – whether done by Smith System or end user.
- Modified in any way that is unnecessary for normal installation or function.
- Exposed to moisture for prolonged periods of time. Moisture that is not allowed to sit on the surface and is wiped off promptly does not fit this condition.
- Not properly installed. Our Butcher Block product is actual wood, and is subject to expand and contract. The top should never be installed with adhesive, and should only be installed in accordance with Smith System's installation instruction.
- Unique in appearance. Wood is a natural product that will have variations in color and characteristics, and thus cannot be considered a defect.
- Burned due to an open flame or exposure to high-temperature objects.
- Butcher Block usage is not recommended in spaces that involve frequent spills or harsh chemicals such as Art Rooms or Laboratories/Science Rooms.

Smith System®

Limited Lifetime Warranty

The following Smith System warranty applies to products shipped after May 1, 2021.

Smith System promises to repair or replace any Smith System brand product or component that is substantially defective (loss of serviceability) in material or workmanship for twelve years and lifetime for metal frames on chairs and tables for the original purchaser, or at our election give credit up to the invoice price of the product only. This is your sole and exclusive remedy for products found by Smith System to be defective. This warranty, which runs from the date of shipment, is subject to the limitations, exclusions, and other provisions below.

Smith System may repair or replace, at its sole discretion, any portion of the subject product, which proves to be defective under the terms of this limited warranty at no further cost to the buyer. Smith System shall be liable under this limited warranty only for the cost or, at its option, the repair or replacement of defective products. Smith System will not pay labor costs associated with repairs or replacements. All incidental or consequential damages which may arise, including, but not limited to, lost profits, personal property damage, and third-party liabilities are hereby expressly excluded. Likewise, Smith System will not be responsible for any damage to the customer's property caused by the incompatibility of the product with the customer's flooring and other customer property.

Exclusions:

This warranty does not apply and no other warranty applies to:

- Normal wear and tear, which are to be expected over the course of ownership.
- Defects caused by abusive or abnormal use of the product.
- Damage caused by the carrier in transit, which will be handled under separate terms.
- Modifications or attachments to the product that are not approved by Smith System.
- Products that were not installed, used or maintained in accordance with product instructions and warnings.

Smith System products (not including Flowform® Outdoor) are not intended or warranted for outdoor use. In addition, some natural color variations occurring in plastics, laminates, paints, or other natural materials are inherent to their character, and cannot be avoided. Therefore, they are not considered defects. Smith System does not warrant the colorfastness or matching of colors, grains, or textures of such materials. Customer's own materials selected by and used at the request of a user are not warranted.

** Recommended that Flowform Outdoor soft seating be bolted to a stable surface and be set in a covered area. Damage to Flowform Outdoor soft seating caused by animals and/or natural disaster is not covered under warranty.*

This warranty does not apply and no other warranty applies to:

Normal wear and tear, which are to be expected over the course of ownership.
Defects caused by abusive or abnormal use of the product.
Damage caused by the carrier in transit, which will be handled under separate terms.
Modifications or attachments to the product that are not approved by Smith System.
Products that were not installed, used or maintained in accordance with product instructions and warnings.

Smith System products (not including Flowform® Outdoor) are not intended or warranted for outdoor use. In addition, some natural color variations occurring in plastics, laminates, paints, or other natural materials are inherent to their character, and cannot be avoided. Therefore, they are not considered defects. Smith System does not warrant the colorfastness or matching of colors, grains, or textures of such materials. Customer's own materials selected by and used at the request of a user are not warranted.

Unless otherwise specified, our products are intended to be stored indoors in a dry and climate-controlled environment with humidity levels between 30% and 60% and temperatures between 60°F and 85°F. The environment should also be well-ventilated and free of water sources. Environments that are highly humid or have a high amount of salt air may need a dehumidifier to reduce the air's moisture and/or salt content to acceptable levels. Failure to control the environment to appropriate levels can result in premature rust and corrosion of the product, voiding the product's warranty.

*Flowform Outdoor soft seating must be secured/bolted to a stable surface for outdoor use. Covered placement is strongly recommended to maximize product life and appearance retention. Over time, exposure to direct sunlight and outdoor weather conditions may result in natural color variation or fading, which is considered normal wear. Damage caused by weather-related movement, animals, or natural disasters is not covered under warranty.

Limited Warranties

All Ergotron® products will remain free of material and workmanship defects for the product category's time period term as measured from the date of receipt, subject to any exceptions, exclusions and limitations we outline below.

These warranties do not cover product abuse, product modifications, failure to follow product instructions, improper operations, unauthorized service or repair, improper maintenance or failure to perform preventative maintenance, misuse, damages or defects caused by acts of God, damage from electrical power problems, use of parts or components not supplied by Ergotron, or damage caused by peripherals, accessories or software from external sources.

Ergotron is not responsible for damages, injury or loss arising from not following instructions related to the product's shipment, installation and intended use detailed in installation manuals, supplemental assembly and installation instruction sheets, technical bulletins and/or product literature. You will provide Ergotron immediate written notice of any property damage or personal injury resulting from the use of Ergotron products.

Please note, this Limited Warranty is available only to the original end consumer who purchases from Ergotron or an authorized reseller and the Limited Warranty is non-transferable. For this warranty to be valid, the Ergotron product must have been purchased directly from Ergotron, an authorized distributor, reseller and/or authorized representative of Ergotron. Unless otherwise stated, the warranty period begins from the date of purchase.

Exclusive Remedy

What Steps to Take for Product Repairs

Warranty Repair

If any Ergotron equipment becomes defective in material or workmanship during the warranty period as determined by Ergotron at its sole discretion, Ergotron may elect to replace or repair the unit or refund the purchase price. You must receive pre-approval by Ergotron for any costs related to the repair or replacement of warranty products.

You must contact Ergotron for a return material authorization (RMA) number by reaching out to Ergotron Customer Care online or by telephone within your specific region. Contact information is available on the Ergotron website. Repairs or product replacement under warranty does not renew or extend the warranty period.

Non-Warranty Repair

You may return a product for repair that is not covered by warranty if you have received a preapproved RMA number from Ergotron Customer Care. Labor costs and freight charges associated with non-warranty repair will be the sole responsibility of the customer, reseller or installer/integrator.

A standard repair fee, specific to the product, is charged for any product that is repaired outside of the warranty period. Repairs on products out of warranty also carry a 90-day warranty, effective the day that you receive the item after repair.

For products that are not covered under warranty, Ergotron offers the following options:

1. You may upgrade to a newer, equivalent product at a similar suggested selling price (SSP)
2. Ergotron will return the product to you at your cost
3. You can request in writing that Ergotron appropriately dispose of the product for you (fees may apply based on local laws)

If Ergotron notifies you that a returned product is not defective after testing, then the product will be returned to you. You would be responsible for the freight charges associated with the return.

LIFETIME WARRANTY

Revision Date 01.05.26

Kimball International Brands (Kimball, National, Etc., Interwoven, and David Edward) warrants that its products are free from defects in materials and workmanship given normal use and care for as long as the original customer owns and uses the product subject to the conditions below.

This warranty is valid only if the product is given proper care and maintenance. Normal use is defined as the equivalent of a single shift, forty-hour work week. Products used in a multi-shift have a 12-year warranty unless noted with exceptions. Certain products are warranted for three-shift 24/7 service as shown in the applicable price list at the time of order acceptance.

The Company, at its option, will repair or replace any product with a comparable product, part, or component, if the claim is eligible under the conditions of this warranty, however, if a product has been discontinued prior to the Company's receipt of the warranty claim, the Company reserves the right to replace with a comparable product in our current portfolio, as determined by the Company in its sole discretion.

Some products and parts may have limited warranty periods (warranty periods run from original date of purchase), may be excluded from this warranty, or may be subject to different terms, as shown in the following exceptions:

12-Year Warranty
- Height adjustable tables
- Solid surface and EOS^{CU}
- Wood veneers and laminates
- Wood chair frames/legs

10-Year Warranty
- Trendelenburg mechanism
- Central locking caster systems
- Recliner mechanism
- Mechanical parts (such as casters, glides, drawer slides, moving chair arms, pneumatic lifts, door seals)

5-Year Warranty
- All Etc. products except outdoor products
- Electrical/power products
- Inflatable lumbar supports
- Lighting
- Monitor arms
- Keyboard kits
- Sinks/faucets
- Keyless locking
- Covering materials (such as foam, most textiles, 3D laminate, marker-board, decorative trim)

3-Year Warranty
- Wool felt
- Mesh

2-Year Warranty
- Etc. outdoor products
- Etc. Milam seating

1-Year Warranty
- Bean bags and poufs with EPS (Expanded Polystyrene) fill

Exclusions:

This warranty does not apply to:
- Damage caused by a carrier
- Normal wear and tear that is expected during the period of ownership
- The substitution of non-Company components for use in place of Company components
- Appearance, durability, quality, behavior, colorfastness, or any other attribute of C.O.M. (Customer's Own Materials) or any other non-standard material specified by the customer
- Color, grain, or texture of wood, laminate, and other covering materials, including but not limited to, naturally occurring variations and differences in grain character and color between and within wood species, and natural variations in marble and leather, and industry dye-lot variations in fabric color
- Alliance program fabrics
- Fabric, leather, and felt fading and wear, discoloration from contact with liquids, or change in color or texture caused by the application of finishes (flame proofing, stain resistance)
- Products considered to be consumable (bulbs, light ballast, and certain electronic products)
- Non-compliance with installation and maintenance instructions
- Damages or failures resulting from modifications, alterations, misuse, abuse, negligence, or improper care and maintenance of our products

EXCEPT AS EXPRESSLY SET FORTH ABOVE, THERE ARE NO OTHER WARRANTIES EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. TO THE EXTENT PERMITTED BY LAW, WE EXCLUDE AND WILL NOT PAY CONSEQUENTIAL, PUNITIVE, OR INCIDENTAL DAMAGES UNDER THIS WARRANTY.

Notes:

Kimball International's family of brands includes Kimball, National, Etc., Interwoven, and David Edward. References to the "Company" in this warranty refer to the relevant brand whose product is at issue. Facility managers and users are urged to make periodic inspections to look for signs of structural fatigue, damage, and potential failure that may occur as a result of daily handling and use. Inspections should include the structural joints, corner blocks, screws or fasteners, welds, and any other points of stress. If any problems are found, the product should be taken out of service and Customer Service should be contacted promptly at 800.482.1717.

This warranty is made to the original customer for as long as the original customer owns and uses the product. This warranty is only valid if the products are given normal and proper use, as well as installed, used, and maintained in accordance with the Company's installation and/or application guidelines and installed by an authorized dealer or agent. The Company assumes no responsibility for repairs to products sustaining damages resulting from user modification, attachments to a product, misuse, abuse, alteration, or negligent use of our products.

Wood Finish Color Matching
Each piece of natural wood offers unique texture and grain. Minor variations in finish color and value may occur due to the natural characteristics of wood. The Company carefully selects all materials used in every product ensuring a commercially acceptable color and finish. Factors such as aging and exposure to light alter finishes.

Fabric Color Matching
The Company will always ship a satisfactory commercial match on fabric. Because of industry dye-lot variation, colors may not match exactly.

Process for Warranty Issues:

① Contact Customer Service (800.482.1717) and provide them with the serial number from the product in question and the purchase order number or acknowledgement number and a detailed description of the warranty issue. Serial numbers are mandatory before the claim can be processed.

② Customer Service will determine and pre-approve all resolutions to the claim such as replacement units, service parts, labor, and repair charges. Upon approval, resolutions will be assigned an authorization number.

③ The authorization number must be included on all invoices for reimbursement. Any unauthorized charges will not be the responsibility of the Company.

THESE TERMS, CONDITIONS, RIGHTS, AND WARRANTIES APPLY TO PRODUCTS AND SERVICES SOLD BY KI AND ITS DIVISION, KI WALL.

PRODUCT PRICING

KI

ALL PRICES LISTED IN KI PRICE LISTS ARE FREIGHT EXCLUDED OR DELIVERED PRICING.

KI price lists and any prices contained therein are subject to change without notice. Prices applicable to all Customer orders shall be those in effect at the time KI receives a complete order from Customer unless: Customer and KI have in place an established pricing or master supply agreement, which agreement specifies the prices to be paid by Customer; or Customer requests a product shipping date to occur more than sixty (60) days after KI's receipt of Customer's order (in which case KI reserves the right to revise orders with ship dates more than 60 days out from receipt of purchase order to reflect a price adjustment and/or surcharge at KIs discretion). If KI elects to reprice an order or apply a surcharge, KI will give the customer the option to accept the change or cancel the order. The most current KI price lists are maintained electronically and can be found at **ki.com/design-resources/document-library**.

Any discounts are ineffective if, as a result of the discounts, the final selling price of any product offered in a KI quote would be lower than the corresponding price for that product under KI's multiple award schedule contracts with the United States General Services Administration (GSA). If the final selling price for any KI product in a quote would be below KI's price to GSA, KI will offer that product at the same price that KI offers to GSA. No other terms or conditions of KI's GSA contracts would apply to such sales.

FREIGHT, DELIVERY, AND INSTALLATION

Freight Terms

KI reserves the right to select the "best way" shipment methods and means (including, but not limited to, determination of the carrier, method of shipment, and routing). Standard delivery shall be dock-to-dock delivery and shall occur Monday through Friday, 6:00 a.m. to 12:00 p.m. for truckload or 9:00a.m. to 5:00 p.m. for less than truckload or parcel. Products quoted as "Delivered Pricing" shall be "F.O.B. Origin," and freight charges are based on shipments to the 48 U.S. contiguous states. For shipments destined to other U.S. states or foreign territories, delivery will be made to a prearranged port. Customer shall prepay all freight charges and any extra expenses resulting from any request by Customer for after-hours, holiday, weekend, or specific time delivery, or special carrier, shipping method, (e.g. air freight, exclusive use vehicle) packaging, and/or routing. Contact KI for quote.

CAUTION: After obtaining a clear receipt for shipment, the delivering carrier is no longer responsible for damage or shortages.

Title, Risk of Loss

Title to product shall pass to Customer upon delivery by KI to the carrier. For purposes of risk of loss, all shipments are "F.O.B. Origin"; and Customer acknowledges that once KI delivers the product to the carrier, risk of loss shall pass to the Customer.

Shipment Damage Claims

All products are packaged to comply with carrier requirements and leave KI's manufacturing facilities in good condition. Customer shall be responsible to:

1. Carefully inspect merchandise upon delivery. Make notation of package conditions and describe any type of damage observed on the carrier's delivery receipt.
2. If the delivery receipt has been signed free and clear and damage is discovered after carrier has left, the customer shall report the concealed damage and request an inspection to the local carrier terminal within (5) five business days of receipt date.
3. Retain all shipping cartons for inspection by the carrier agent.
4. All damaged product and packaging must be kept at point of delivery.

KI shall not be liable for loss or damage to product that occurs in transit, and Customer's sole remedy for any such damages shall be to seek appropriate recourse against the carrier. For more information visit **Damaged Product Process.**

Shortage Claims

Shortage must be noted at time of delivery to be considered a carrier claim.

KI will evaluate Customer reported shortage claims within (10) ten days immediately following delivery. Shortage claims reported beyond (10) ten days after delivery will not be honored.

Returns

Product conforming to the specifications contained in KI's acknowledgment to Customer may not be returned to KI without KI's written consent, which consent may be conditioned upon Customer's agreement to pay re-handling and/or restocking charges and/or to prepay all freight charges on the return shipment.

Requests for Specific Delivery Time(s)

KI considers requests for delivery times and for drop shipments to job sites, and will undertake reasonable efforts to indicate any such request(s) to product carriers. KI may, in its sole discretion, extend to Customer the option of a carrier deliver on service at an additional cost to Customer. KI's liability for any damages incurred for any late deliveries, including labor and other expenses resulting from any such delays, shall be limited to a refund of the charges for the aforementioned delivery service.

Accessorial Fees

Customer shall be responsible for the payment of all accessorial fees, including, but not limited to, charges necessitated by any of the following:

1. A need for special delivery equipment
2. Inside delivery
3. The absence of a loading dock
4. Redirection or re-consignment of product
5. Detention charges
6. Street unloads
7. Improper refusal of product

Storage of Product

If, following KI's acknowledgment of Customer's purchase order, Customer requests a delay in shipment for any period greater than one (1) day from the scheduled ship date, Customer shall be responsible for the payment of any storage and other charges caused or necessitated by the delay.

Any long-term storage (i.e. storage outside standard shipping and installation storage) must be climate controlled. Temperature must range between 60 and 80 degrees Fahrenheit and humidity must be controlled between 45 and 65 percent relative humidity.

Split Deliveries

Orders can be split shipped (including C.O.M. as it arrives) only with emailed or written authorization.

Re-delivery of Freight

When re-delivery of merchandise is required because the customer is not ready to accept merchandise, and no notification of this fact is provided to KI a minimum of twenty (20) days prior to expected delivery date as acknowledged, the actual costs for freight, restocking and re-handling, plus 5% of the order value, will be billed to the customer.

Installation

KI warrants product installation, when performed by KI or a third party approved by KI, complies with the requirements of the contract between KI and its customer; and further warrants such installation will remain free of defects in workmanship for one (1) year immediately following completion of installation. In the event of a failure of either or both of the foregoing warranties, and as customer's exclusive remedy, KI will reperform the defective installation at its expense. KI does not warrant product installation performed by any person or entity other than KI or a third party approved by KI.

ORDER PROCESS

Requirements of a Valid and Complete Purchase Order

To submit a valid and complete purchase order, Customer must provide the following information:

1. If you are purchasing directly from KI/KI Wall, the purchase order must be issued as follows:

KI or KI c/o the dealer	KI Wall or KI Wall c/o the dealer
1330 Bellevue Street	1330 Bellevue Street
Green Bay, WI 54302	Green Bay, WI 54302

2. The following items must be included on all purchase orders:
   - Sold To/Bill To Information: complete legal name, address, telephone number and fax number
   - Ship To Information: complete legal name, address, contact name, contact phone number
   - Purchase Order Number: a customer-specific identifier, typically a sequential purchase order number or requisition number
   - Issue Date: date the purchase order was issued
   - Sales Tax: applicable sales tax will be added upon invoicing. If tax exempt, customer must provide or have the tax exempt certificate on file at KI or KI Wall.
   - Purchase Order Total: total of all items and services included on the purchase order
   - Authorization: signature of authorized purchasing agent or buying entity
   - Order Details: reference a fully optioned KI quote (ex: 11KGH-85432)/ KI Wall opportunity number (ex: 469193) or include all the information listed below:
     - Quantity of each item
     - Complete model number, including all finish and option information (by line item)
     - Net purchase price (by line item)
     - Extended net purchase price (all line items)
     - Any additional applicable charges (ex: installation and/or delivery charges)
     - Contract name and/or number if pricing is based on a contract reference
3. Signatures on a quote or a worksheet will NOT be accepted as a purchase order.
4. In the event you do not have a formal Purchase Order process, please contact your KI or KI Wall Sales Representative or call 1-800-424-2432, and we will assist you with creating a PO.

Purchase Orders that do not meet these requirements will be placed on hold until complete information is received. On hold orders are not released to manufacturing or assigned a delivery date; lead times begin once the order is released to manufacturing.

Acknowledgments

KI sends acknowledgments on all orders. Please read these acknowledgments and contact KI immediately if there is any discrepancy. In the event of any difference or inconsistency between KI's acknowledgment and Customer's purchase order, KI's acknowledgment will control. In the event the model number and description differ on the purchase order, the model number will be the determining factor. Any error or discrepancy on acknowledgment must be reported to KI in writing within three (3) working days of acknowledgment date.

All acknowledgments contain an estimated delivery date, but an order may ship earlier than the estimated shipping date. If Customer desires delivery on or after a specified date, Customer must write "Do not ship for arrival before ___ [date] __" on Customer's purchase order.

Fax or Email Orders

Orders may be sent via facsimile or email. SIF Files: If you have a fully optioned SIF file, submit one email containing the purchase order, fully optioned SIF file, and any supporting quotes. If, following submission of an order, Customer sends a confirming order, such confirming order must be marked "Confirming Order". Original order sent via fax (or email)." KI will not be responsible for any duplicate orders caused by unmarked hard copy, duplicative confirming orders, or orders submitted more than once.

Changes or Cancellations of Orders

Purchase orders acknowledged by KI cannot be changed or canceled without KI's consent, which consent may be conditioned upon Customer's agreement to pay increased or additional expenses resulting from the requested change or cancellation. Modified products (non-standard) or veneer tops cannot be canceled or returned.

Quick Ship Program

Quick Ship Program (QSP) leadtimes begin upon receipt of clearly marked and complete purchase order and approval by KI credit department. The QSP purchase order must be accompanied by the QSP purchase order cover sheet. Orders will only be processed as Quick Ship if all items on the order are included in the Quick Ship program. Quick Ship orders cannot be revised, canceled, or returned. It is KI's intention to ship all QSP products within a period of 10 working days or less. Based on production capacity, KI reserves the right to cancel the Quick Ship Program without notice.

C.O.M. FABRIC REQUIREMENTS

Fabrics to be supplied by Customer must be approved by KI for upholster-ability and flammability prior to acceptance of Customer's purchase order. Customer shall submit to KI a one (1)-foot square sample swatch with Customer's purchase order. Following KI's approval of Customer's fabric, Customer must contact KI for exact production yardage requirements (1-800-454-9796, ext. 2707). Thereafter, Customer shall ship its fabric to the appropriate manufacturing facilities below. When supplying Customers own materials, it is the responsibility of the Customer to ship the materials to the correct KI manufacturing facility (as stated on the product pricing pages of KI price lists or on ki.com). Failure to ship the materials to the correct KI manufacturing facility will result in additional charges to the Customer for re-delivery of Customer's own materials to the correct KI manufacturing facility.

Terms Conditions Rights Warranties

Updated July 2026

PAYMENT TERMS

Net Thirty Days

Payment on all KI invoices shall be made in U.S. dollars within thirty (30) days of the date of each such invoice and without offset, back charges, retention, or withholding of any kind. Unpaid and delinquent invoices shall accrue interest at the rate of one and one-half percent (1.5%) per month, or the highest rate permitted by law, whichever is less.

Leasing Provisions

KI offers a lease finance option. The first and last monthly payments are required at the time of signing. Lease quotations subject to National Cooperative Leasing credit approval. Rates are based upon current market and subject to change without notice. Contact KI for a quote.

Modified Product Deposits

Customer may be required to pay a deposit for the purchase of any modified (non-standard) products identified in Customer's purchase order. Any such deposit shall accompany Customer's purchase order.

New Accounts

New accounts require the approval of a KI sales representative, credit references, and a valid tax-exempt or resale certificate (where applicable).

Security Interest in Products

KI shall retain a purchase money security interest in all products sold to Customer and for which Customer has not made full payment. Customer agrees to execute any and all instruments necessary to document the creation of this security interest and/or to perfect the same. Customer further agrees to assemble and deliver to KI all products subject to this security interest in the event Customer defaults on Customer's payment obligations to KI.

Collection Costs

In the event Customer defaults on Customer's payment obligations to KI, and KI employs the services of an attorney or collection agency to enforce these obligations, Customer shall reimburse KI for all of KI's actual collection costs and expenses (including actual attorneys' fees and court costs) upon demand.

CODE & FLAMMABILITY STANDARDS COMPLIANCE

Seating

1. California Technical Bulletin 117-2013. All upholstered seating products manufactured by KI meet or exceed the standards set forth in California Technical Bulletin 117-2013 and are labeled accordingly. California Technical Bulletin 117-2013 is the National Standard in the United States for upholstered furniture per 16 CFR part 1640.

Panels

ASTM E84 (equivalent to UL 723) is the test method used to determine the Flame Spread and Smoke Developed Indices of the system, consisting of the core substrate, fabric covering, and adhesive. The NFPA 101® Life Safety Code and the International Building Code® define acceptable Flame Spread and Smoke Developed Indices that have been adopted by the federal and many state or local governments as law in the form of building codes and regulations. Panel cores have been judged acceptable for the use with UL Recognized Component Office Panel Fabrics. Contact KI for the current list of fabrics that are acceptable for use.

General Information

Specifications, test procedures and requirements pertaining to flammability regulations can change. KI will make every effort to keep our information and services pertaining to flame specifications up-to-date. However, we reserve the right to alter the products, fabrics/ leathers, or upcharges associated with any of the above or any other flame specifications.

MISCELLANEOUS

Weights and Dimensions

All weights and dimensions listed in KI's price or product listings are approximate.

Statute of Limitations

Except as specifically set forth in these Terms, Conditions, Rights and Warranties, no claim arising out of or in connection with products purchased from KI, these Terms, Conditions, Rights and Warranties or any product warranty applicable to any KI product may be brought by Customer more than one (1) year after the cause of action on which it is based has accrued.

Jurisdiction and Venue

The interpretation and application of these Terms, Conditions, Rights and Warranties and any product warranties applicable to products purchased by Customer from KI shall be governed in all respects by the laws of the State of Wisconsin, U.S.A., without reference to the rules of any jurisdiction concerning conflicts of laws or the provisions of the United Nations Convention on Contracts for the International Sale of Goods. Customer agrees that all disputes arising from the interpretation or application of these Terms, Conditions, Rights and Warranties or any product warranty shall be subject to the exclusive jurisdiction of and venue in the federal and state courts located in Green Bay, Wisconsin, or within Brown County, Wisconsin, U.S.A.; and Customer hereby consents to the personal and exclusive jurisdiction and venue of these courts.

Notification to KI

Except as set forth elsewhere in these Terms, Conditions, Rights and Warranties, all inquiries and correspondence to KI should be directed to:

KI/KI Wall
1330 Bellevue Street
Green Bay, WI 54302
Phone: 1-800-424-2432

Force Majeure

KI shall not be liable for failure to perform or for delay in performance due to fire, flood, strike, or any other labor difficulty, act of God, act of any governmental authority or of Customer, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials, or manufacturing facilities from usual sources, or failure of suppliers to meet their contractual obligations, or due to any cause beyond its reasonable control. In the event of delay in performance due to any such cause, KI reserves the right to extend the date of delivery or time for completion by a period of time reasonably necessary to overcome the effect of such delay, to allocate any available supply of goods in a manner it deems reasonable, or to cancel any purchase order.

Product Warranties

These Terms, Conditions, Rights and Warranties may change from time to time. Purchases of products from KI shall be subject to KI's then current Terms, Conditions, Rights and Warranties which can be found at **ki.com/terms**

For warranty details on orders shipped prior to 12/1/23, contact KI Customer Service.

RIGHTS AND WARRANTIES

The following KI product warranty applies to products manufactured on or after December 1, 2023. This warranty is given to the initial purchaser and is valid for as long as the initial purchaser owns the product. The warranty, which runs from the date of manufacture, covers defects in materials and craftsmanship found during normal usage of the products during the warranty period. If a product is defective, and if written notice of the defect is given to KI within the applicable warranty period, KI at its option will either repair or replace the defective product with a comparable component or product, or provide a refund of the purchase price. KI reserves the right to determine labor method used during replacement of product. The Lifetime Warranty applies regardless of the number of shifts the product is used each day. All non-lifetime product warranties are a single 8 hour shift per day. KI products are not intended or warranted for outdoor use unless specifically stated for outdoor use.

EXCLUSIONS

This warranty does not cover:

- Failure resulting from normal wear and tear which is to be expected over the course of ownership, including but not limited to: scratching, natural variations/ movement of butcher block wood tops, bowing/cupping of butcher block tops due to environmental conditions during transit and/or at site, or ghosting on markerboard surfaces.
- Any misuse, abuse or modification of the original product voids the warranty.
- Damage caused by carrier.
- Products that are exposed to extreme environmental conditions or that have been subject to improper storage.
- Alterations to product not expressly authorized by KI, nor to products considered to be of a consumable nature such as bulbs, light ballasts, and surge suppression products.
- Replacement parts are covered for two years or the balance of the original warranty, whichever is longer.
- Failure to apply, install, reconfigure, or maintain products according to published KI planning, assembly, cleaning instructions, or user guides.
- Customer's Own Material (i.e., material supplied by the Customer or procured by KI on behalf of the client that is not a standard KI product offering) used in the manufacture of KI products.
- Natural variations in wood grain; changes in surface finishes, including colorfastness, due to aging or exposure to light; matching of color, grain or texture, except to within commercially acceptable standards.
- Wrinkles, marks or scars occurring naturally in leather.
- Discoloration or deterioration of all surface materials due to soiling, stains, dye transfer from clothing (including denim) or cleaning agents (refer to KI's Care & Maintenance Instruction documents).
- Fabric properties including, but not limited to aging, colorfastness, shade variations, pilling, puddling/wrinkling or abrasions of textiles.
- Ruckus stacking desk cosmetic wear and tear (that does not impact performance) from stacking and unstacking, including but not limited to scratching, scuffing, marking, indenting, or discoloration.
- Outspan outdoor collection use covers only defects in materials and workmanship and excludes any color change, fading, or other appearance alterations resulting from extreme weathering, UV exposure, or environmental conditions. Corrosion—including surface rust on steel components—caused by scratches, dents, abrasion, or prolonged exposure to the elements is not covered, as such conditions do not constitute manufacturing defects. All exclusions apply in accordance with KI's current product specific warranty schedules, including those applicable to outdoor collections such as Promenade outdoor.

NOTATIONS

- Warranties and exceptions listed will apply to all applicable product warranties.
- Modified (non-standard) product has a one year warranty, unless the change is only cosmetic. If the product is modified due to a cosmetic change, the warranty is the same as the "base" product.
- Third Party Supplied Product (KI shall pass along any warranty it receives with respect to other manufacturer's products).
- Modification to UL Listed products eliminates the listing.
- KI reserves the right to request that product be returned for inspection prior to granting a remedy.
- KI will not be liable for consequential, economic (including loss of time or inconvenience), or incidental damages arising from any product defect.
- For consumers covered by consumer protection laws or regulations in their country of purchase or, if different, their country of residence, the benefits conferred by KI's warranty and/or terms and conditions of sale are in addition to all rights and remedies conveyed by such consumer protection laws and regulations.

EXCEPT AS STATED ABOVE, KI MAKES NO EXPRESS OR IMPLIED WARRANTIES AS TO ANY PRODUCT AND IN PARTICULAR MAKES NO WARRANTY OF FITNESS FOR ANY PARTICULAR USE. AT KI'S OPTION, PRODUCT REPAIR, REPLACEMENT, OR REFUND OF PURCHASE PRICE IS THE CUSTOMER'S EXCLUSIVE REMEDY FOR ANY AND ALL PRODUCT DEFECTS.

Limited Warranty for the United States

Please keep all purchase documents for the product in the event a warranty claim is needed. Contact our Customer Care team for any warranty assistance at info@safcoproducts.com or (888) 971-6225.

Our warranty pledges excellence in the quality of our products. It helps protect our customers' investments and extends our continuing dedication to our customers after their initial investment.

WARRANTY DURATIONS

Safco Products Co. ("Safco") warranty obligation: We pledge, to the original end user purchaser in the United States, to repair, replace, or otherwise take the actions herein, at Safco's option, for any Safco product or component that is defective in material or workmanship for the durations set forth below from the product purchase date or product delivery date (if later than the product purchase date):

Warranty Duration for "Normal Use" (as defined herein)	Products or Product Component
Lifetime (for as long as the original end user purchaser in the U.S. owns the product)	All products, parts, and components except as set forth below.
Three Years	• Outdoor products • Dry erase surfaces / tops / markerboards • Electrical components • Motors • Drawer Slides • Glides • Casters
Five Years	• Polymer-based components (i.e. all hard plastic, rubber, and structural synthetic parts) • Upholstery • Foam • Armrests • Chrome seating components • User-adjustable work surface mechanisms (excluding motors) • Laminate finishes for K-12 products • Veneer finishes • Mobile storage drive components • Wood seating components
Ten Years	• Mechanical seating controls and seating cylinders • Laminate finishes (except for K-12 products)

"NORMAL USE" OF THE PRODUCT; PRODUCTS USED FOR MULTIPLE SHIFTS

Safco's warranty obligation is limited to normal use of our products. "Normal use" for seating, desks, and other office furniture is defined as the equivalent of a single 8-hour shift, five days a week, totaling a forty (40) hour work week. To the extent that a product is used in a manner exceeding the standard single-shift, the applicable warranty period will be reduced on a pro-rata basis. For example, double-shift use reduces the warranty period by one-half, and triple-shift use reduces the warranty period to one-third of the stated term.

Models warranted for multiple shifts:

- Task Master® Industrial Series
- Soft Tough™ Series
- WorkFit™ Series
- Uber™ Series (maximum 500 lbs.)
- Alday™ Intensive-Use (maximum 500 lbs.)
- Vue™ Intensive-Use (maximum 500 lbs.)

SPECIFIC LIMITATIONS REGARDING COLOR VARIATIONS, FABRICS, AND FINISHES

Natural products have varying grains and colors. Due to such natural variations occurring in materials such as wood and leather, these characteristics are not considered defects. Safco does not warrant the color-fastness or matching of colors, grains, or textures of such materials. Materials supplied, selected, or provided by the customer (COM) are not warranted.

WARRANTY EXCLUSIONS

Because Safco cannot control the quality of products sold by unauthorized sellers, this warranty applies only to products that were purchased from Safco or a Safco authorized seller in the United States, unless otherwise prohibited by law. Safco reserves the right to reject warranty claims for products purchased from unauthorized sellers, including unauthorized internet sites. Additional exclusions pertaining to this warranty include:

- Normal wear and tear, meaning deterioration or cosmetic or performance changes resulting from ordinary use over time, including, but not limited to, scuffing, scratches, abrasions, cuts, tears, surface marks, oxidation or rust, burnishing, edge-softening, pilling or puddling of fabric or upholstery, foam or cushioning compression or loss of resiliency, joint friction or loosening from repeated joint movement, and ordinary and operational noise from motors or other mechanisms.
- Damage caused by cleaning chemicals, humidity, or exposure to liquids or spills.
- Product or product components utilized for rent or lease.
- Freight damages: Safco is not liable for any product damages sustained during shipping or handling operations. Safco provides specific policies and requirements regarding shipping and handling and reserves the right to review and address product distribution matters separately. Damage-related claims must be reported prior to product assembly or installation, with photo or video evidence, including images of the packaging upon arrival.
- Product negligence: A product is not considered defective due to misuse or improper installation or assembly. Safco products must be assembled, installed, used, and maintained in accordance with product instructions and warnings.
- Damage due to alterations or attachments to the product that were not approved by Safco.
- All COM (as defined above) fabric.
- All corrugated products or components, including, but not limited to, literature organizers, roll files, and bins.

WARRANTY PROCEDURES

Please follow the warranty procedures described below to ensure apt and responsive service.

1. Once an alleged defect has been discovered, the original purchaser must contact Safco immediately (within 30 days of alleged defect detection), in writing, with the serial number(s) (if applicable), date code and model

number from the product(s) in question, and proof of purchase (including where and when the product was purchased). Customer Care is available Monday through Friday from 7:30AM – 5:00PM CST.

Phone: (888) 971-6225
Fax: (763) 971-1525
Email: info@safcoproducts.com
Mail: 9300 West Research Center Road, New Hope, MN 55428

2. Upon inspection of the product(s), Safco will collect all relevant information necessary for review of the request. The original purchaser will be asked to provide photo or video evidence of the alleged defect or may be asked to mail the product subject to the claim to Safco. If Safco requires the return of the product to Safco for warranty evaluation, the end user purchaser is responsible for freight to and from Safco on all warranty claims.
3. Product repair, product replacement (with comparable item), replacement part(s), or refund (if Safco is unable to provide a replacement and repair is not commercially practicable or cannot be timely made) will be authorized by a Customer Care representative if eligible under product warranty. Except for the repair or replacement of defective parts as expressly provided under this warranty, Safco shall not be responsible for any costs or expenses associated with removal, installation, reinstallation, assembly, disassembly, labor charges, site preparation, or any other incidental service or handling costs related to the product.

Any description of the goods sold by Safco, including any reference to the purchaser's specifications and any description in catalogs, circulars, and other written or digital material published by Safco is for the sole purpose of identifying goods and shall not create an express or implied warranty that the goods shall conform to such description.

There are no other warranties which extend beyond those stated herein. ***Any implied warranties that may be applicable to products, including implied warranties of merchantability or fitness for a particular purpose, are limited in duration to the express warranty durations set forth above.*** *No agent, employee or representative of Safco has any authority to bind Safco to any affirmation, representation or warranty except as stated herein. Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.*

Under no circumstances shall Safco have any liability for indirect, incidental, consequential or special damages of any kind, including based upon breach of this limited warranty, breach of contract, or strict liability. *These limitations are agreed allocations of risk. Under no circumstances shall Safco's liability with regard to the sale or use of the products exceed the purchase price paid by the buyer for the products. Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.*

This warranty gives you specific legal rights, and you may also have other rights which vary from State to State.

If you have any questions about whether a seller is authorized, contact us at info@safcoproducts.com or (888) 971-6225.

If you would like a physical copy of this warranty, feel free to print this webpage or call our customer service team at (888) 971-6225, and we would be happy to send you a copy.

Terms and conditions of this warranty are subject to change with notice. This warranty supersedes all warranty statements found in product manuals or other printed materials.

Farmington Public School Emergency Days

(Pursuant to Section 21f of the State School Aid Act MCL 388.1621f)

Plan Purpose & Scope

Pursuant to Section 21f(14) of the State School Aid Act, Farmington Public Schools (FPS) maintains this plan to pivot to virtual instruction during short-term cancellations of in-person learning. This plan ensures continuous academic progress, accurate pupil accounting, and seamless instructional access using district-issued Chromebooks and the Canvas LMS.

- Authorized Scope:
    - Emergency Closures: Up to three (3) virtual days per school year (e.g., severe weather, facility issues) after “Act of God” days have been used up.
    - Student Testing Days: Up to three (3) virtual days per school year (e.g., high school state testing flexibility windows).
    - Coverage: District-wide, individual buildings, or specific grade levels/student groups.

Instructional Delivery Overview:

Farmington Public Schools uses Canvas as its primary learning management system to support daily student learning plans and teacher communication. In addition to communication via Canvas, FPS provides student email accounts, which allow for two-way communication with teachers. Teachers are available during normal school day hours via digital communication and, where appropriate, a Google Meet.

Depending on the timing and circumstances of a school closure or testing day, instruction is delivered through one of three flexible learning models—fully asynchronous, fully synchronous, or hybrid (combination of asynchronous and synchronous. Daily attendance is maintained per pupil accounting guidelines, based on daily student interactions via Google Meet (when appropriate) and/or task completion.

Parent and Student Communication

- **Annual Communication:** The Emergency Day Virtual Plan is communicated as part of back-to-school messaging at the launch of each school year.
- **Virtual Event Communication:** Depending on the scope and timing of an in-person closure, district or building leadership will notify parents and students via email and other alert systems (as needed) regarding the date and instructional model as soon as details are finalized. Students will also receive specific learning plan updates directly through Canvas.

Superintendent Goals
2026-27 School Year

Goal 1: NWEA & Academic Achievement

Increase percent of students in grades 3-8 predicted to be proficient on the state assessments from Fall, 2026 to Spring, 2027 based on NWEA projections by 4% in both ELA and Math.

The Why: Academic Growth– Connecting leading measures (NWEA growth from Fall to Spring) directly to lagging measures (state assessment performance) as evidenced by increased proficiency on state assessments.

Goal 2: Student Noticing & Belonging

Increase the percentage of students who feel part of the school community and that there are a lot of people who know and care about them (as measured by the LEAP Survey) from 63% to 73% by June 30, 2027.

The Why: Positive School Culture– Ensuring every student feels seen, valued, and connected to at least one caring adult in their school building every day.

Goal 3: Meaning Making & Classroom Walkthroughs

Increase the percentage of classroom lessons designed AND delivered as meaning-making (transfer-level learning) from 43.6% (current baseline) to 57.6 % by June 2027.

The Why: Deeper Learning–Shifting from basic information acquisition to deeper learning where students analyze, problem-solve, and apply concepts to new situations (transfer).

XI. CONSENT AGENDA. MOTION: I move that the Board of Education approve the September 1, 2026, Consent Agenda, as presented.

XI.A. Approval of Minutes

1. August 11, 2026, Regular Meeting
2. August 18, 2026, Finance/Facilities Committee Meeting
3. August 22, 2026, Board Retreat

XI.B. Recommendation for Approval of Salary Schedule - 2026-27 Early Childhood Compensation Package, Non Affiliated (N/A)
