COMMENDATION FORM FOR SCHOOL BOARD MEETINGS

Person(s) to be Commended:

Chloe Mitchell, Timberview High School

Justification for the Commendation:

Chloe Mitchell was selected as an Outstanding Musician at the UIL Texas State Solo and Ensemble Competition. This is the highest honor awarded at the event. Of the approximately 100,000 high school musicians who compete, this recognition is reserved for performers who demonstrate exceptional musical skill, preparation, and artistry. This award is not given lightly, with only 2%-3% of students across the state receiving this distinction each year. Chloe's achievement reflects countless hours of hard work and represents an outstanding accomplishment both for the student and our music program.

Requested Month of Board Meeting for Commendation: September

Principal, Director, or Supervisor's Approval: Dr. Darwert Johnson

**Board of School Trustees
Mansfield Independent School District**

TITLE: Class Size Exemption Waiver Request

DATE: September 22, 2026

ACTION

BACKGROUND:

In accordance with TEC §25.112, Texas school districts must submit to TEA a request for an exception to the student-to-teacher ratio of 22:1 in Grades K-4 when that ratio is exceeded for a period of more than 30 days or by October 1, with the exception of during the last twelve weeks of the school year.

CONSIDERATIONS:

Districts that are in compliance at the beginning of the school year but that subsequently exceed class size limitations must apply for an exception no later than the 30th day after the district exceeds the 22:1 limit. Therefore, MISD could need to submit subsequent waivers throughout the year should additional classes exceed the 22:1 ratio. At this time, we are seeking additional class size exception waivers.

RECOMMENDATION:

The Superintendent recommends The Board approve the class size exemption waivers request as presented.

TITLE: Consideration and Approval of
Proposed Budget Amendments

DATE: September 22, 2026

ACTION

BACKGROUND:

The legal basis for budget development in Texas school districts is established in Sections 44.002 through 44.006 of the Texas Education Code. The Texas Education Code requires Board approval of the budget for the General Operating, Debt Service, and Food Service Funds. Board Resolution #27-01 permits the Superintendent or Associate Superintendent for Business and Finance to authorize routine budget revisions, adjustments and transfers necessary for the payment of District obligations throughout the fiscal year.

Any non-routine budget revisions, adjustments, and transfers which increase or decrease revenues and other financing sources and uses, along with the corresponding revisions in expenditures; or budget revisions, adjustments, and transfers which reduce or increase the fund balance of any related fund; or transfers between funds; or transactions exceeding \$500,000 must continue to be presented to the Board of Trustees for approval prior to processing.

A summary report of budget revisions, adjustments, and transfers approved and processed by the District in accordance with this resolution, listed by major function and funds, shall be submitted to the Board of Trustees for adoption/ratification on a monthly basis.

The attached amendments ensure compliance with state and local requirements.

Budget changes over \$500,000 for approval:

There are no budget changes requiring approval at this time.

CONSIDERATIONS:

General Fund amendments are primarily transfers between functions due to account code changes and department requirements.

RECOMMENDATION:

The Superintendent recommends that the Board approve and ratify the amendments to the 2026-2027 budgets as presented.

RECOMMENDED MOTION:

“Move to approve and ratify the budget amendments as presented.”

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

Timely Reporting

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

Reporting Procedures

Student Report

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.

Employee Report

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

Report Format

A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.

Periodic Monitoring

The Superintendent shall periodically monitor the reported counts of bullying incidents, and that declines in the count may represent not only improvements in the campus culture because bullying declines but also declines in the campus culture because of a decline in openness to report incidents.

Notice of Report

When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.

Prohibited Conduct

The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, sex, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.

Investigation of Report

The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.

Concluding the Investigation

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.

The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.

Notice to Parents

If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.

District Action

Bullying

If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. The District may notify law enforcement in certain circumstances.

Discipline

A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.

The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.

Corrective Action

Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.

Corrective Action

The principal or designee shall refer to FDB for transfer provisions.

Counseling

The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.

Counseling

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.

Confidentiality

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

Appeal

~~A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.~~

A student or parent who is dissatisfied with the outcome of a bullying investigation may appeal the determination by submitting the appeal to the campus principal. The principal's decision may be appealed to the Executive Director of Student Services, whose decision shall be final.

Records Retention

Retention of records shall be in accordance with CPC(LOCAL).

Access to Policy and Procedures

This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.

TITLE: TEA Waiver Request
2026-2027: Bible Literacy Teacher
Training

DATE: September 22, 2022

ACTION

BACKGROUND:

MISD first offered a course option in the 2019-2020 school year entitled Special Topics in Social Studies: Hebrew Scriptures (Old Testament) and New Testament (Elective, Grades 11-12, 1/2 Credit, Prerequisite World History). MISD is offering this course again in the 2026-2027 school year.

[19 Texas Administrative Code \(TAC\) §74.36.](#)

[Texas Education Code TEC §28.011\(f\)](#)

[Texas Education Code TEC §21.459](#)

CONSIDERATION:

Per the Texas Education Agency (TEA), the required training for a teacher of this course was originally offered through Project Share and Texas Gateway, however the training is no longer available. A waiver process was initiated by TEA in lieu of the required training, which must be renewed annually.

RECOMMENDATION:

The Superintendent recommends the Board approve the action to allow MISD to apply for a waiver with the Texas Education Agency for the teacher training requirement of the course, Special Topic in Social Studies: Hebrew Scripture (Old Testament) and New Testament.

RECOMMENDED MOTION:

"I move to approve the application for a TEA Waiver request for the required teacher training associated with the course, Special Topics in Social Studies: Hebrew Scripture (Old Testament) and New Testament for the 2026-2027 school year."

TITLE: Consideration & Approval of Change Order #1 to
2024 Bond Package ELA2 Early Learners Academy with
CORE Construction

DATE: September 22, 2026

ACTION

BACKGROUND:

The District has adopted a Request for Proposal (RFP) procedure for identifying change to the Construction Documents Scope of Work between a Construction Contractor, Architect/Engineer (A/E), Construction Program Supervisor (CPS) and MISD's designated representative. The intent of the RFP process is to document changes when they occur, validate the necessity of the change before it is implemented, obtain rapid cost and time proposals from the contractor, and jointly document a timely agreement on the change's cost and time impact in order to avoid higher cost claims by the Contractor. RFPs are administered at the lowest feasible working level. Delays in handling changes can result in Contractor delay claims for extended overhead costs and time delays.

Once RFPs have accumulated to an extent that an increase or decrease to the Contract Value is needed, the RFPs are consolidated into a formal Change Order for Approval as required to adjust the contract Value. Change Order #1 to CORE Construction, submitted herewith, and includes the RFPs developed from April 2025 to September 2026.

CONSIDERATION:

Change Order #1 adds 56 days to the construction completion date due to delays in permitting and inclement weather. No additional costs are associated with Change Order #1.

Original Contract Amount:	\$50,239,684.00
Change Order No. 1:	<u>\$0.00</u>
Current Contract Amount:	\$50,239,684.00

RECOMMENDATION:

The Superintendent recommends Approval of Change Order #1 to CORE Construction for 2024 Bond Package ELA2 Early Learners Academy.

RECOMMENDED MOTION:

"Move to approve Change Order #1 to CORE Construction 2024 Bond Package ELA2 Early Learners Academy."

RE: NOTICE OF CLAIM

Per the Bases of Estimate, the permits were to be issued no later than 10/1/2025 (Site) and 11/3/2025 (Building). CORE received permits on 12/03/25 (Site) & 12/18/25 (Building).

General Assumptions

1. Price is based on documents issued by Huckabee Architects as enumerated in the List of Documents.
2. Guaranteed Maximum Price (GMP) Amendment is not a line-item guarantee. The breakdown of cost is to show a path to the lump sum guaranteed maximum price and is for reference only.
3. General Conditions, as defined by the Contract, shall be considered Cost of Work items.
4. We assume normal working hours. However, to maintain the schedule we may perform work outside of normal working hours. We will advise Owner when we plan to work outside of normal work hours.
5. Normal shrinkage cracking of the slab is expected and shall not be cause for removal or replacement of structurally sound slabs
6. The Contractor and the Owner agree that the following rates are fixed and will not be subject to change unless otherwise expressly stated in this contract or mutually agreed to and will be used to determine and define "Actual Costs".
 - o SDI is included at a fixed rate of 1.50% (include any anticipated rate increases and date it goes into effect)
 - o Payment and Performance Bond is included at a fixed rate of 0.67% (include any anticipated rate increases and date it goes into effect)
 - o GL Insurance is included at a fixed rate of 1.00% (include any anticipated rate increases and date it goes into effect)
 - o Rental Rates included in the attached document.
 - o Labor Rates included below. The Actual Costs for each of the agreed to rates includes all normal and customary payroll paid by the Contractor plus all fringe benefits, taxes and insurances.

Specific Exclusions to GMP

- a. The following are excluded and assumed to be by owner or owner's vendor:
- Hazardous Material (Asbestos) Abatement
 - Packing, handling, unloading, or distributing FFE items of any kind, unless otherwise noted.
 - Salvage and Relocation of any existing equipment or furnishings UNO
 - Delivery and Installation of all above

Other Scope Specific Assumptions and Clarifications:

LINE ITEM 7 | Earthwork

1. We have included soil preparation as noted below, in the following areas:
 - Inner courtyard, 2' select fill over 10' of M.C. (in lieu of Chemical Injection option)
 - All sidewalks, 2' select fill over 10' M.C. (per GTR para 6.5.1)
 - All parking lots and drives, as noted on C6.00
 - Re: Alternate 1, prep is based on Light Duty paving, and area is per C 2.00

LINE ITEM 8 | Site Utilities

1. Our pricing assumes City Inspection fees for utility work shall be waived.

LINE ITEM 14 | Site Signage and Striping

1. We have included Striping for the Alternate 1 parking lot, as noted on C2.00, and we included (4) traffic signs, and (4) directional arrows.

LINE ITEM 15 | Landscaping & Irrigation

1. We have included tilling 1" of compost into the topsoil at sodded areas only.
2. Other than the stone benches shown, we do not include any other site furnishings.

LINE ITEM 16 | Synthetic Turf

1. We have included Synthetic Turf based on (SYNFescu 60), without padding, at all areas other than the Inner Courtyard, and north Play Area, where Synthetic Turf is noted to be 'By Others' (See allowance #3).

LINE ITEM 18 | Fencing & Gates

1. We have included sealing of the perimeter Cedar Fence and gates at \$.50/SF. If a more expensive product is specified, owner contingency will fund this change.

LINE ITEM 22 | Protective Covers (Shade Canopies)

1. We have included a wood grain aluminum soffit at all column-supported and cantilevered canopies per 3 / A6.11.
2. The columns at the Children Center canopy are included as aluminum (not structural steel as noted on 7 & 8 / AS 2.03).

LINE ITEM 27 | Building & Site Concrete

1. We have included **Auger Cast Piles with 13' penetration.**
 - o There is a discrepancy on detail 1 on S3.01. They are noted as 25' deep, but the cut section shows 35' from top of pile. We have included the additional 10' of rebar cages and approximately 104,000lbs additional rebar vs 25' cages.
2. All building and site concrete is included as noted on the bid documents.
3. Concrete footings for shade canopy columns are assumed to be 24" diameter x 36" depth.
4. We include all mow curbs as noted, except for areas where some information was lacking:
 - o Mow curbs at Decorative fence, included as 12"W x 8"D, 3,600 psi, with (2) #4's
 - o Mow curbs at Lift Station, included as 24"W x 8"D, 4,000 psi, with (2) #4's
5. We included formed grade beams in lieu of void boxes.
6. We have included \$120,000 for **12" Void space under beams in lieu of 8" Void space**
 - o Includes a ¾" x 36" VoidForm BackFill retainer (¾" retainer based on specification 031000 / 2.04 / E / 2).
 - o The 36" retainer depth is based on:
 - o Using the minimum above/below requirements for ¾" retainers found on the VoidForm Product Info Sheet - BFR (06-2025)

VOID FORM HEIGHT	RETAINER THICKNESS	OVERALL RETAINER HEIGHT	ABOVE VOID HEIGHT	BELOW VOID HEIGHT	AVAILABLE LENGTH
20"	¾"	36"	8"	8"	48"

- 6" depth retainer embedment into soil (1.5x PVM of 4") plus 8" manufacturer recommended distance below soil
- These add up to 14" below void space based on specification 031000 / 2.04 / E / 1.
- 12" void space

LINE ITEM 28 | Precast Concrete

1. We have included double tees, at the storm shelter based on a stem length of 38" i.l.o. 44". This dimension still meets engineering requirements.

LINE ITEM 30 | Structural Steel

1. We have not included Steel Columns or Beams at Gridlines: E2/LBU & E2/LBS per A1.05 & 6/A6.04 – Not shown on Structural Drawings as structural steel, shown as Premanufactured Canopy
2. We have not included Wall Support Angle Framing per 20/A4.17. This section is not cut on Plans.
3. We have not included Windowsill Support per 8/S3.03. This section is not cut on Plans.
4. We have not included Projection Screen Support Framing per 13,15/A4.24. These locations are not found.

LINE ITEM 47 | Roofing Management

1. We have not included the roofing scope in this GMP, this will be by Owner. CORE has included "Roofing Management" costs, to facilitate, schedule, and help coordinate the install of the roof and temporarily protect roof openings.

LINE ITEM 99 | HVAC

1. We have included Lennox RTU's.

LINE ITEM 102 | Electrical

1. For the Telecom Service Conduits, we have assumed the service to be 400' of (2)4" direct buried PVC conduits with pull string.

RE: NOTICE OF CLAIM

CORE Construction values its partnership with Mansfield ISD and is providing formal notice of weather-related delays that have impacted the project beyond normal anticipated conditions.

The project schedule was developed using NOAA monthly average weather data to account for typical weather delays. During the months of Jan, March, April and May, the project experienced 48 Rain/Mud/Snow impact days. Since 20 weather impact days were already incorporated into the baseline schedule, the project has incurred 28 additional weather-related delay days beyond those anticipated. These excessive rainfall/snow events and resulting muddy site conditions have delayed critical construction activities and impacted the project's progress. Accordingly, CORE respectfully requests a day-for-day contract time extension of twenty-eight (28) calendar days.

CORE will continue to pursue reasonable opportunities to mitigate these delays. However, maintaining the current project schedule may require overtime and weekend work. As such, CORE reserves its right to submit any costs associated with accelerating the work to maintain the schedule for reimbursement through the project's Contingencies, should such measures become necessary.

CORE appreciates Mansfield ISD's continued partnership and will provide any supporting weather documentation or schedule analysis upon request.

Sincerely

David Gonzalez
Project Manager

Re: Activity Report on Delinquent Tax Collections for the month of August 2026

Dear Dr. Spencer:

Linebarger Goggan Blair & Sampson, LLP, is pleased to provide the following information recapping our delinquent tax collection activity for the month of **August 2026** for our Mansfield Independent School District delinquent tax collection program. Please find the following items attached summarizing our efforts on your behalf.

- A)** A report highlighting the **collection activities** we have undertaken on behalf of the Mansfield Independent School District.
- B)** A report highlighting the **litigation activities** we have undertaken on behalf of the Mansfield Independent School District.
- C)** Refunds information for August 2026.
- D)** An analysis of the Mansfield Independent School District combined delinquent tax roll by Property Types.

August marks the second month of the delinquent collection cycle and the District collected very well. The District very successfully collected \$531,127 of delinquent penalties, interest and base tax for the month of August. Collections revenues for August very nearly exceeded total refunds issued by the Tarrant County Appraisal District for the month of August; those refunds total \$574,366 in refunded base tax, penalty and interest. Our Team has created a separate section of this report below, Section C, that reports on refunds issued by the District. Refunds issued are not a reflection of the effectiveness of the collection service you are receiving, but the funds refunded do impact the overall monies received by the District in its monthly allotment from the Tax Office.

As always, should our efforts result in phone calls or inquiries to the District, please direct those calls or inquiries to Shannon Ortiz at the office or to myself at 817-489-4062. It is our pleasure to service your account and we appreciate our partnership with the Mansfield ISD!

Many Thanks,

Charles E. Brady, Capital Partner

TITLE: Financial Reports

DATE: September 22, 2026

INFORMATION

BACKGROUND:

Each month, financial reports are prepared detailing the status of the District's budget as of the most recent accounting period. To increase financial transparency, the following additional reports are included:

- Balance Sheet – Governmental Funds
- Project Detail –Bond Programs
- Combining Statement of Net Position – Proprietary Funds

The fund balance and net position figures are the unaudited balances carried from 2025-26.

The reports are as of August 31, 2026. The financial reports are separated into revenue and expenditures. Expenditures are reported by summary by function and by object series.

Year to date totals and percentages are calculated. Payroll costs should represent (2/12) of the 12-month budget for 16.67%. General Fund actual expenditures for salaries through August 2026 are 15.17%. Variance in the expenditures for the payroll object percentage will be due to vacancies, changes in personnel, demographics, stipend schedules, auxiliary weeks, and benefit elections.

The financial statement for the 2XX, 3XX, and 4XX special revenue funds (excluding Fund 240 & 242 School Nutrition) is presented in a single format for expenditures intended to provide specific information about funds received through federal, state, and local sources that are accounted for outside the General Operating fund.

Accounting code definitions for the function and object codes are included in addition to bond project descriptions.

Re: Activity Report on Delinquent Tax Collections for the month of August 2026

Dear Dr. Spencer:

Linebarger Goggan Blair & Sampson, LLP, is pleased to provide the following information recapping our delinquent tax collection activity for the month of **August 2026** for our Mansfield Independent School District delinquent tax collection program. Please find the following items attached summarizing our efforts on your behalf.

- A)** A report highlighting the **collection activities** we have undertaken on behalf of the Mansfield Independent School District.
- B)** A report highlighting the **litigation activities** we have undertaken on behalf of the Mansfield Independent School District.
- C)** Refunds information for August 2026.
- D)** An analysis of the Mansfield Independent School District combined delinquent tax roll by Property Types.

August marks the second month of the delinquent collection cycle and the District collected very well. The District very successfully collected \$531,127 of delinquent penalties, interest and base tax for the month of August. Collections revenues for August very nearly exceeded total refunds issued by the Tarrant County Appraisal District for the month of August; those refunds total \$574,366 in refunded base tax, penalty and interest. Our Team has created a separate section of this report below, Section C, that reports on refunds issued by the District. Refunds issued are not a reflection of the effectiveness of the collection service you are receiving, but the funds refunded do impact the overall monies received by the District in its monthly allotment from the Tax Office.

As always, should our efforts result in phone calls or inquiries to the District, please direct those calls or inquiries to Shannon Ortiz at the office or to myself at 817-489-4062. It is our pleasure to service your account and we appreciate our partnership with the Mansfield ISD!

Many Thanks,

Charles E. Brady, Capital Partner

How are results calculated?

HOW ARE RESULTS CALCULATED?

Domain I Student Achievement

Includes:

- STAAR Performance
- Graduation Rates
- College, Career & Military Readiness

Domain II School Progress

Two Parts:

- Academic Growth on Individual Student Progress on STAAR
- Relative Performance Comparison to similar campuses

Domain III Closing the Gaps

Measures:

- STAAR Performance
- TELPAS
- Graduation Rates
- College, Career, & Military Readiness

DOMAIN 1: STUDENT ACHIEVEMENT

Ratings in this domain are based on how many students are approaching, meeting, and mastering grade level on STAAR as well as how many students graduate and whether those students are ready for college, career, or the military.

DOMAIN 2: SCHOOL PROGRESS

PARTS A & B

The School Progress domain measures district and campus outcomes in two areas:

Part A: Academic Growth

The number of students that grew at least one year academically and number of students that were accelerated as measured by year-over-year STAAR results

Part B: Relative Performance

The achievement of students relative to campuses with similar economically disadvantaged percentages

DOMAIN 2: SCHOOL PROGRESS

PARTS A & B

PART A: Academic Growth

Aggregating individual student year-over-year gains

Annual Growth

STAAR Performance Level	Sample Student: 3 rd Grade	Same Sample Student: 4 th Grade
Masters		
Meets		● Meets
High Approaches		
Low Approaches	●	
High Does Not Meet		
Low Does Not Meet		

Accelerated Learning

PART B: Relative Performance

Approximating growth using baseline adjusted proficiency targets

DOMAIN 3: CLOSING THE GAPS

Domains 1 & 2 examine the performance of all students on average (for both achievement and progress).

Domain 3 examines the performance of groups of students, to ensure gaps are closing (for both achievement and progress).

Domain 3 is used to comply to meet federal ESSA requirements.

*Includes current and former/monitored SPED/EB

**High Focus is an unduplicated count of economically disadvantaged, EB, current special education, and/or highly mobile (homeless, migrant, or in foster care) students

CAMPUS DISTINCTIONS

Campus comparison groups are groups of schools across the state with similar demographic profiles. Schools in the top 25% on certain indicators within their campus comparison groups earn distinctions

87 **DISTINCTIONS EARNED
AS A DISTRICT**

A photograph of two young girls with long blonde hair sitting at a desk. They are both smiling and looking towards the camera. An open book is on the desk in front of them. The background is a classroom setting with shelves and other students. The image is overlaid with a blue gradient and a red diagonal shape on the left side.
