**VI. INFORMATION AND PROPOSALS**

**VI.1. ACTIVITY DIRECTOR'S REPORT**

AD Hauxwell began his report announcing the winter sports classifications. He noted that the C-5 Cross Country Districts are in Ogallala on October 14th at Crandell Creek Golf Course. Twelve teams will be competing, girls run at 3:00 PM and boys run at 4:05 PM Mountain Time. SPVA volleyball tournament is at Perkins County on Saturday, October 16th starting at 10:00 AM Mountain Time. Chase County is the #1 seed, so they have a bye the first round. Hauxwell also mentioned that Chase County

Volleyball will play in the C1-12 Subdistricts and hopefully at Chase County as the highest seed, will host on Monday, October 25th and Tuesday, October 26th. The musical has been postponed until March 26th, 27th, and 28th, of 2022. The 94th National FFA Convention is October 27th-October 30th. Market Plan and Parliamentary Procedure Teams will be competing. AD Hauxwell ended his report by thanking the bus drivers for everything they have been doing. Yolanda Dockery and Jordan Beard for helping to cover routes, teachers that continually help out covering classes and helping at events and Dallas Baney for everything he and his custodians have been doing to set up activities and keeping the school looking great.

## **VI.2. PRINCIPALS' REPORT**

Principal Odens began her report noting that on September 29th the 4th and 5th graders went to Perkins County Schools for a Food and Nutrition Day. She noted on October 4th the teachers had an In-Service Day when they worked in their PLC groups. They also completed some online mandatory trainings and prepared for Parent Teacher Conferences. Odens said that conferences were well attended & that the Annual SPED Review meeting with NDE went well, with a few minor corrections that needed done. Map testing has even completed for the K-8 students and that data was shared with parents at Parent Teacher Conferences. Principal Odens ended her report mentioning that the kindergarten class went to Homestead Pumpkin Patch in North Platte last Friday, October 8th and that the Fall Staff Gathering was held at Cox's pond on Saturday with 19 people in attendance.

Principal Sorensen welcomed the two student representatives for the evenings meeting: Remington Yaw and Delaney Krutsinger. Sorensen stated PLC groups have been meeting and the expectation is that every PLC group will meet twice a month, with the majority of groups meeting in the mornings due to after school coaching commitments. Each group will have a goal based on the Marzano framework and each teacher has a professional goal based on the Marzano framework. Testing for Pre-ACT, ACT and PSAT and National ACT are taking place. Sorensen noted that on September 23rd he attended an on-line Financial Literacy workshop in-which he had learned the term "FOMO" which is "Fear of Missing Out." Students will purchase items because they are afraid that they would be missing out on the next best thing or they have to have something because it is trending and others have it. It was also mentioned that Personal Finance will be a requirement for graduation, which he noted we are already ahead of the curve on that. Sorensen ended his report stating he attended an on-line MTSS (Multi-Tiered Systems of Support) on October 7th & 8th which offered him some key personal takeaways he will be encouraging staff and himself to apply to build relationships & positive culture within the building.

## **VI.3. SUPERINTENDENT'S REPORT**

Superintendent Lambert started his report summarizing much of what Principal Odens and Principal Sorensen covered in their reports. He went on to inform the board of different events that have taken place over the past month, including and LB1184 meeting, infinite campus workshop, Map testing concluding, our seal of Biliteracy is featured in the NDE newsletter & 3 students were recognized for scoring 30 or higher on the ACT. Lambert mentioned that Pinnacle Bank and the Rotary Club are sponsoring a sex trafficking educational trailer to come to Chase County Schools on October 27th and 28th where grades 5-12th will go in small groups to get a 15-minute awareness presentation. He also stated that he has been working on schedules and putting together groups to be interviewed for our 5-year external visit on October 26th and 27th. He moved on to building and grounds information. The storage unit is pretty much complete, just waiting on the main power to be hooked up. Bus barn has its own dedicated phone line, which will help during any power outages so parents can be contacted in case of any emergencies. New front office furniture has arrived & looks very nice. The new automatic faucets will gradually be installed throughout the building. He is working with playground companies to take a look at the current set up and provide suggestions on how to update and the front handicap ramp had some broken concrete, so that has been repaired, and concrete was also added to the arboretum sign. Regarding budget and finance, the auditors were here this last month going over the 2020-2021 budget, they were here for 2 full days. The ESSER III grant was completed and submitted to the state. All of the budget documents were submitted to the state auditor's office, NDE and both counties for the 2021-2022 fiscal year's budget and teachers received their classroom budgets this month. Lastly, Lambert submitted the final documentation for the bus grant that was received last year. ## Activities Director's Report

We have had one Junior High wrestling meet at Sutherland November 4th to start off our Winter Sports Season. We currently have 11 participating in Junior High Wrestling. Their next meet will be Thursday, November 11th at Hitchcock County. This has been moved up a day due to the Hitchcock County Football hosting Cross County on Friday for the Football Semifinals.

The SPVA Board of Directors meeting will be here in North Platte on Monday, November 22nd. The SPVA Play Production will be taking place along with the Board of Directors Meeting. Hershey is the host school and will be hosting at the Fox Theatre in North Platte. Chase County has around 52 participants at this time.

Winter Sports will start practice on Monday, November 15th. Preliminary numbers for High School- 19 Girls Basketball, around 28 Boys for Basketball, 25 Wrestlers (23 Boys and 2 Girls), and 52 for One Act.

The NSAA District 5 Meeting was in McCook Monday, November 1st at 12:00 MST.

Some topics for discussion Sportsmanship, Low numbers officials, clarifying some of the Current By-Laws and Wet Bulb globe for heat monitoring.

**Name/Image/Likeness-** The Board reviewed a proposal from legal counsel to adopt a policy regarding Name/Image/Likeness regulations for students participating in NSAA activities. There have already been some inquiries to the NSAA offices about this situation.

**Girls Wrestling** has already grown enough that there will be 4 District Competitions instead of the planned 2. The state wrestling tournament will still be combined with the boys.

**Wet Bulb Globe Heat Monitoring-** The board heard a few more details about heat index management and the new Wet Bulb Globe tools will figure into that. They thought this may be in place withing a couple of years. These new standards may be approved at the national level next semester and the NSAA could be making official recommendations to adopt them before the 22-23 school year gets going.

## Mrs. Odens' November 2021 Board Meeting Report

The First Graders went on their field trip to Lake McConaughy Visitor Center on October 19th.

Mr. Sorensen, Mr. Hauxwell, Mr. Herbert, Mrs. Lakey, Mrs. Hanna, and myself went to a CPI training at ESU15 on October 27th. CPI stands for Crisis Prevention Intervention. We learned ways to help de-escalate a situation, ways to get out of some physical situations, and how to safely "hold" a student.

The Halloween Parade of Costumes was held on October 29th in the Longhorn Gym. Mrs. Meyer recorded the parade and it is available on our website. PTO and Cox's Ponds provided pumpkins again this year to be painted. The K-4 students painted their pumpkins during art class.

Last Monday we had our November In-Service Day. The whole staff reviewed the Standard Response Protocol. The K-6 staff worked on videos showing the right and wrong way to walk in the hallway, eat in the lunchroom, ride the bus, etc. The videos will be shared with the students while teachers teach and reteach these expectations of being safe, responsible, and respectful. The videos will be posted on the website for parents and students to reference. I will share the videos with all of you next month. Teachers also worked in their PLC groups.

We had a Secure, Hold, and Lock Down drill last week. We made note of what did and didn't work well. We are looking into some issues with classrooms and areas struggling to hear the intercom.

Mrs. O'Neill and her students will be putting on a Veteran's Day program for our K-12 students and the community on Thursday at 9:30 in the Longhorn Gym.

The PTO Book Fair is this week in the auditorium.

**7-12 Principal's Report  
Mr. Sorensen  
November 9, 2021**

**Introduction of student representatives: Sophie Fiedler and Joshua Starns**

**October 26-27th: External visit for School Improvement.**

**October 27-28th: Global Connections International presented information on Human Trafficking to grades 5-12. Approximately 400 students had the opportunity to hear the 15 minute presentation.**

**November 2nd: Attended the NSAA Region V meeting in McCook with Mr. Hauxwell. Biggest takeaway from the meeting is CLASSIFICATION**

**November 3rd: Drill Day. We practiced Secure, Hold and Lockdown. Moving forward, we would like to drill these again with local law enforcement involved.**

# Board Report

## November 9th, 2021

Adam Lambert  
Superintendent of Schools

---

### Academics & Students

- Attended a training on the Marzano compendium online resource kit. I downloaded all of the 43 elements and compiled them into a single document so staff could easily access the information as they work on their personal goals.
- Principal's have been doing their formal observations this last month and continue to do so.
- We had the human trafficking trailer here this month. All 5th-12th grade students participated in the 15 minute presentation.
- Congratulations to our FFA teams for representing Chase County Schools and the state of Nebraska at the national convention.
- We had a professional development day this month for teachers. They were given a lot of time to work in their PLC's. We also reviewed our safety protocols and conducted drills with students that same week including Hold, Secure, and Lockdown.
- Attended and participated in the Nebraska Educator Shortage Summit in Kearney.
- Prepped for and had the 5 year external visit.
  - Informal review highlighted some positives of the district which included great facilities, high quality instructional materials (especially in Math and ELA), great resources to support student learning, and a positive environment for students and staff.

- Some recommendations included considering taking PBiS K-12. Developing a process to share the data collected by PBiS and using that data to help develop student plans.
- A Math recommendation was to develop a working document to address when and where standards are being taught, much like what is happening this year with ELA.
- District recommendations were to reestablish the school improvement steering committee since there has been so much leadership turnover the past 5 years and to continue to go down the Marzano implementation path that we are on by planning professional development around it.
- The formal report will be delivered in 3-4 weeks.
- Thank you to the PTO for setting up and running the book fair this week in auditorium

## **Building & Grounds**

- I have been in communication with a couple playground companies to look at upgrading our elementary playground and potentially adding something for our middle school. So far I have had one company submit plans/ideas and hope the other 2 will submit something soon so the building and grounds committee can have a discussion on what direction we want to go.
- We addressed the lighting concerns for the playground by the pool. Turning on the pool lights during a home football game seemed to give adequate visibility to everyone.
- All of the building's bathroom partitions have been installed and look really nice. Dallas and his crew will work on filling holes in the walls and floor and making minor repairs from the old setup. They have also removed some toilets to accommodate the larger ADA compliant stalls.

- The new dry storage shed is complete. Dallas and his crew will work on clearing out our rental storage unit as our lease goes to the end of this year.

## **Budget & Finance**

- ESSER III grant was officially approved. That means we can start pulling funds down once we meet the grant criteria.
- Attended a couple Perkins Grant meetings to close out the year and to start prepping for the next year.
- Worked on and submitted our annual Title I grant application to the state.
- We received our \$20,000 bus grant for the new bus purchases we made.

BE IT RESOLVED BY THE BOARD OF EDUCATION OF SCHOOL DISTRICT NO. \_\_\_\_\_  
IN THE STATE OF NEBRASKA AS FOLLOWS:

Section 1. The Board of Education (the "Board") hereby makes the following findings and determinations:

(a) Parents and guardians are the primary educators of their own children, especially in matters of faith and morals, including sex education; and

(b) The school district is to support and assist the education of children, not to replace the parent or guardian; and

(c) The Nebraska Department of Education has proposed Health Education Standards which could infringe on parent's and guardian's role as primary educators of their own children; and

(d) Parents and guardians in this district have voiced their concerns over some of the proposed Standards, making it clear that they do not intend to relinquish their role as primary educators of their own children; and

(e) Parents and guardians who support some or all of the proposed Health Education Standards have every right and every opportunity to avail themselves of any and all educational material necessary to educate their own children in a manner consistent with the proposed Health Education Standards from the Nebraska Department of Education, and their right and ability to do so is not adversely affected by this District's decision to decline the adoption of the proposed Health Education Standards.

Section 2. The Board hereby directs and determines that the District will not adopt or utilize the Health Education Standards proposed by the Nebraska Department of Education. The District will make its own determinations regarding the content of its health education curriculum.

Section 3. At such time as the Nebraska Department of Education removes all content which promotes ideological positions on human sexuality, the District will consider the adoption of new Health Education Standards.
