May 10, 2021

Board Chair Ted Lammi called the working session to order at 5:30 p.m.

Topics discussed:

Dr. Cary explained the contract and benefits with Infinite Campus online registration. Dr. Cary and the School Board had a discussion about returning the School Board meetings to in-person and the need for live streaming the meetings going forward. The discussion was tabled until the next meeting. Dr. Cary mentioned to the Board that they are beginning negotiations with the City of Cloquet regarding the ice arena lease and the Board discussed concerns and ideas.

There being nothing further to discuss, Board Chair Ted Lammi adjourned the working session at 6:03 p.m.

April 26, 2021

ADJOURNMENT

There being nothing further to discuss, Board Chair Ted Lammi adjourned the meeting at 6:15 p.m.

ATTEST:

Clerk of the School Board

Chair of the School Board

Department Reports

Churchill Elementary:

No report at this time.

Washington Elementary:

Our student advisory team organized a change drive and was able to present a check for \$1611.74 to John and Kim Lind to go toward the B&B Food Train.

During our Staff Development time in May, each PLC group shared what they've been working on with Read Alouds, how it has impacted their students' and their teaching. Some teachers reported that students are opting to read more difficult books while others reported that students are making connections between what they've heard in the read alouds to other learning in the classroom. Next year, one of our staff development goals will be based on writing; and last week during our PLC time, we began learning about best practices and discussing ways to incorporate more writing into our day. Jess Gagne also offered tech training with fun, creative ideas on how to celebrate the end of the school year.

This week, we will begin completing our end-of-year benchmarks in reading and math for all students.

Kindergarten Round-Up went extremely well! We had 92 students attend.

Our PBIS Team in conjunction with the Specialists are working on our Field Day, School of Excellence Celebration and all-school picnic lunch that will be held on May 28th. Our PIE Group is purchasing t-shirts for all staff and students for our School of Excellence celebration & we will be having a special treat!! I hope our School Board members received their personal invite to our celebration rally on the afternoon of the 28th – we hope you can make it!

Speaking of our PBIS team, we are pleased to announce that Washington was recognized as a “Minnesota PBIS Sustaining Exemplar” school again this year. We were also recognized in 2019-20 as well!!

Lastly, our Building Leadership Team is looking through ideas from the Washington Staff and district attendance committee for three new attendance focused strategies/ideas that can be implemented next year to boost student attendance.

We are busy but doing well!

Submitted by Robbi Mondati, Washington Elementary Principal

Cloquet Middle School:

Everyone is glad to be done with MCA testing, and we are all looking forward to celebrating the end of the year!

We will celebrate the 8th-grade class on June 3rd as they get ready to move onto the High School. Students get the opportunity to sign up for an off-campus adventure in the morning (Ropes course, movie, skate park, etc.) and then will come back to school for an afternoon of outdoor fun, including a bouncy house, picnic, games, and water balloons. They will then watch the 8th-grade slideshow and have an awards ceremony in the gym to end the day!

We have been doing classroom walkthroughs to collect data to investigate how we are doing in our work towards our building goals. It was so much fun to get into all the classrooms and see all the fantastic things that are happening.

Last week we invited the 4th-grade classes into the building to see what the Middle School is like. It was so fun to see them in the building and we look forward to seeing them daily next year!

Submitted by Tom Brenner, Cloquet Middle School Principal

Cloquet High School:

- Prom was held in our back parking lot on May 8th – it was outstanding! Our juniors and seniors had a ton of fun.
- Board Members Nate Sandman and Ted Lammi, along with Dr. Cary, will be helping with diploma hand-out at Graduation on May 28 at 6pm on our Football Field. In the event of rain, the ceremony will be moved indoors – CMS gym. Same time.
- The All-Night graduation party is all set – it will immediately follow commencement. We've got a nice group of parents and community members that work tirelessly to pull it off.
- CHS held a choir concert on 5/17
- Summer school is shaping up – we expect it to be twice the size of normal
- Hiring for 21-22 continues
- Julian Kitto is leading a group of students in making a School Drum
- Our Senior Banquet was held on Sunday night – 5/16 in the CMS gym
- The Indian Education banquet celebrating our graduating seniors was held at Spirit Mountain on 5/12
- Our Senior Field Trip is on May 27 – to Taylors Falls
- Construction our CTE space has started – we've relocated our CTE classes for the remainder of the school year

Submitted by Steve Battaglia, Cloquet High School Principal

Cloquet Area Alternative Education Programs:

This Thursday is the CAAEP all school field trip the students selected rather than having a prom. We are going to "Adventure Zone" in Duluth where the students will have unlimited laser tag, mini golf and batting cage time for 3 hours.

The yearbook is complete and the seniors will all be receiving a free copy due to a grant from Cloquet Education Foundation. Thank you CEF for your support in these difficult times!

CAAEP High School graduation is Thursday, May 27th at 2:00 pm in the Garfield gym. School Board invitations will be coming out soon. Due to space constraints, each graduate can have 2 guests in the gym during the ceremony. Other family members can view the program online and meet with the family outside after the program.

CAAEP spring symposium will start on May 28th. This is four days of special programming that enables students to earn an additional .25 credit for the quarter. This symposium will include community connections, games, spring activities, credit recovery academy and more.

Summer school credit recovery starts June 8th, 8-4 Tues, Wednesday and Thursday through the month of June. It's been a busy year and we foresee a busy summer with credit recovery options for students.

Submitted by Connie Hyde, CAAEP Principal

Community Education

Driver's Ed

Our May classroom session started on May 17th. The June classroom session is now full and the August session is half filled. We will be offering a class in September as well. There are currently over 150 students either waiting or have started Behind the Wheel training. After the 2021 classes conclude, we could potentially be adding up to another 160 students for Behind the Wheel. Due to this demand, we continue to only allow Cloquet and FDL students in our Driver's Education program.

Li'l Lumberjacks and Li'l Thunder

Li'l Lumberjacks and Thunder are continuing to apply for small grants to assist with operations during COVID.

Kids Corner

For the summer program, Kids Corner will be operating at both sites in order to expand capacity. Preschool and Kindergarten children will be at Churchill and grades 1 - 4 will be at Zion. Despite using both sites, the program has filled for the summer and we now have a waiting list. Daily numbers will be evaluated two weeks in to see if any more children can be added from the waiting lists. 21-22 School year registration for new families of school age children will start on August 1. Families of children registered for 21-22 school readiness are able to register now for the Kindercorner program.

Tour de Cloquet

We are holding a 3 month virtual challenge to run/walk/other exercise the equivalent of the 100 miles of streets in Cloquet this summer. Finishers will earn a medal and an entry form for the drawing that will take place in September.

Submitted by Erin Bates, Community Education Director

Business Department:

The Business Office is just gearing up for year end payoffs and year end reporting to the state. I have been working on wrapping up budget for the next board meeting along with the LTFM report. This will set us up so that we can jump right into a new fiscal year. Dr. Cary and I have been following the legislation and are hoping that we will have some good news in the coming weeks with what school district are going to be receiving. Other than that, we are just trying to get some year end items done and get ourselves set up for the new fiscal year and audit season is right around the corner.

American Indian Education Department:

No report at this time

Building and Grounds

CTE Renovation Project Updates:

A-1 Movers was contracted by Gardner Builders to relocate all the heavy equipment and machinery in the woods and metals lab to the auto shop over the weekend of May 15th. Custodial staff made an incredible effort assisting the instructors in discarding unneeded materials and storing items to be reused in the new space. Due to asbestos tile in the woods lab, ACCT will be abating that area on Wednesday May 20th. During this time Gardner will begin light demolition on the job site.

A Churchill part time cleaner has accepted a transfer to the open middle school part time cleaner position. As a result, request to post internally for Churchill part time cleaner has been brought to the board.

Submitted by Dylan Carlson, Building and Grounds Director

Technology

The Technology Department is rolling full steam ahead as we wrap up this school year and get ready for summer projects. There are plans in place at each building on when students will be turning in devices, as well as plans to ensure that students will have access to their devices for targeted services over the summer. In addition to getting ready for turning devices in, we're also evaluating quotes for devices for next school year at Cloquet Middle School as their iPads are due for replacement. At the last board meeting a new phone system was approved. The technology department has been busy with the initial configuration of the new phone system as well as programming all of the individual phones that will be installed across the district this summer. Over the coming

weeks we will be exporting all of our phone menus and importing that into the phone system before we cut over to the new phone system in June.

MEMORANDUM

TO: Dr. Michael Cary, Superintendent
FROM: Tom Brenner, Middle School Principal
DATE: May 18, 2021
RE: Recommendation for Employment

I am recommending the employment of Alexis Crotteau to fill the 1.0 FTE 7th/8th Grade Mathematics Teacher position beginning the 2021-2022 school year with Cloquet Middle School.

RATE OF PAY:	BA Step 5
TOTAL COST:	\$48,200
HOURS TO BE WORKED:	8 Hours/Day (Monday – Friday)
START DATE:	August 26, 2021
LENGTH OF CONTRACT:	Ongoing
BUDGETED CURRENT YEAR:	Yes
RATIONALE FOR HIRE:	CMS would like to recommend Alexis Crotteau for our open math position. Alexis comes to us with over five years of experience teaching mathematics at both the middle and high school levels. Her reference spoke to her willingness for professional growth and working with others to improve teaching and learning for all students. She also has experience in instructional best practices that CMS is working to implement into our classrooms.

(Employment is contingent upon Cloquet School Board approval.)

RE: Recommendation for Employment

I recommend the employment of Kristie Petersen to fill the 8 Hours/Day, 210 Days/Year Head Secretary position at Cloquet Middle School beginning the 2021-2022 school year.

RATE OF PAY:	Step 5, per contract – stays frozen at Step 5
Total Cost:	\$22.19, contingent upon me-too clause for 21-22 school year
HOURS TO BE WORKED:	8 hours/day (Monday – Friday)
START DATE:	Approximately August 10, 2021
LENGTH OF CONTRACT:	Ongoing
BUDGETED CURRENT YEAR:	Yes
POSTED:	Yes, internally and externally
REASON FOR HIRE:	Opening
RATIONALE FOR HIRE:	CMS is recommending Kristie Peterson for the open CMS Head Secretary position. Kristie comes to us with both external and internal secretary experience. Most recently, she was the head secretary at NLA and before that she worked at our central administration office. Her recommendations speak highly of her secretarial skills and her strong work ethic.

MEMORANDUM

TO: Cloquet School Board

FROM: Dr. Michael Cary, Superintendent and Principals

DATE: May 5, 2021

RE: Staffing Adjustment /Permission to Post

We are requesting to make the following staffing adjustments:

Add:

- 1.0 FTE Media Specialist to split between Cloquet Middle School and Cloquet High School. The position will oversee library circulation and functioning behind the scenes for both the Cloquet High School and the Cloquet Middle School. The position will also oversee a paraprofessional that will aid in the day to day functioning of both media centers.
- 1.0 FTE Media Specialist to be shared between the two elementary schools. The position will oversee library circulation and functioning behind the scenes, however the primary role would be as a specialist teacher working with the individual classes and grade-levels at both buildings to work toward implementing the ITSE (International Society for Technology in Education) Standards and Digital Citizenship framework, as well as overseeing Gifted and Talented programming at the elementary level.

Reduce:

- Middle School Media Center Paraprofessional
- Gift & Talented Extra Services Contract
- 0.6 FTE District-Wide Media Specialist

These positions will be partially funded by ESSER and Title IV funds.

Cloquet, Minnesota

May 24, 2021

MEMBER _____ introduced the following resolution and moved its adoption:

RESOLUTION RELATING TO THE TERMINATION AND
NONRENEWAL OF THE TEACHING CONTRACT
OF **JOSH TERWEY**, A PROBATIONARY TEACHER

WHEREAS, **JOSH TERWEY** is a probationary teacher in Independent School District No. 94.

BE IT RESOLVED, by the School Board of Independent School District No. 94, that pursuant to Minnesota Statutes 122A.40, Subdivision 5, that the 1.0 FTE 7th/8th Grade English teaching contract of **JOSH TERWEY**, a probationary teacher in Independent School District No. 94 is hereby terminated at the close of the current 2020-2021 school year.

BE IT FURTHER RESOLVED that written notice be sent to said teacher regarding termination and non-renewal of his 1.0 FTE 7th/8th Grade English teaching contract as provided by law, and that said notice shall be in substantially the following form:

NOTICE OF TERMINATION
AND NON-RENEWAL

Mr. Josh Terwey

Dear Mr. Terwey,

You are hereby notified that at a regular meeting of the School Board of Independent School District No. 94 held on Monday, May 24, 2021, a resolution was adopted by a majority roll call vote to terminate your 1.0 FTE 7th/8th Grade English teaching contract effective at the end of the current school year and not to renew your 1.0 FTE 7th/8th Grade English teaching contract for the 2020-2021 school year. Said action of the board is taken pursuant to M.S. 122A.40, Subd. 5.

You may officially request that the school board give its reasons for the non-renewal of your teaching contract. For your information, however, this action is being taken because your annual probationary contract is not being renewed.

Yours very truly,

SCHOOL BOARD OF
INDEPENDENT SCHOOL DISTRICT NO. 94

Clerk of the School Board

The motion for the adoption of the foregoing resolution was duly seconded by _____ and upon vote being taken thereon, the following voted in favor thereof:

- T. Lammi***
- N. Sandman***
- D. Battaglia***
- G. Huard***
- M. Juntunen***
- K. Scarbrough***

and the following voted against the same:

- T. Lammi***
- N. Sandman***
- D. Battaglia***
- G. Huard***
- M. Juntunen***
- K. Scarbrough***

whereupon said resolution was declared duly passed and adopted.

Cloquet, Minnesota
May 24, 2021

RESOLVED by _____

Designation of Identified Official with Authority (IOWA) for Education Identity Access Management

The Minnesota Department of Education (MDE), Professional Educator Licensing Standards Board (PELSB), and Office of Higher Education (OHE) require annual designation of an Identified Official with Authority (IOWA) for each local education agency that uses the Education Identity Access Management (EDIAM) system. The IOWA is responsible for authorizing, reviewing, and recertifying user access for their local education agency in accordance with the State of Minnesota Enterprise Identity and Access Management Standard, which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The Identified Official with Authority will authorize user access to State of Minnesota secure systems in accordance with the user’s assigned job duties and will revoke that user’s access when it is no longer needed to perform their job duties. The Director recommends the Board authorize Dr. Michael Cary, mcary@isd94.org, EDIAM User ID: Jacks1234 to act as the Identified Official with Authority (IOWA) for Cloquet Public School District 0094-01 effective July 1, 2021 until June 30, 2022.

Motion for the adoption of the foregoing resolution was duly seconded by member _____ and it was declared adopted on the following vote:

	YEA	NAY	
TED LAMMI, CHAIR			PASSED: May 24, 2021
NATE SANDMAN, CLERK			
DAVE BATTAGLIA			BOARD CHAIR:
JIM CROWLEY			
DUANE BUYTAERT			ATTEST (BOARD CLERK):
GARY HUARD			

Education Identity and Access Management Board Resolution

The Minnesota Department of Education (MDE), Professional Educator Licensing Standards Board (PELSB), and Office of Higher Education (OHE) require annual designation of an Identified Official with Authority (IOwA) for each local educational agency that uses the Education Identity Access Management (EDIAM) system. The IOwA is responsible for authorizing, reviewing, and recertifying user access for their local educational agency in accordance with the State of Minnesota Enterprise Identity and Access Management Standard, which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The IOwA will authorize user access to State of Minnesota Education secure systems in accordance with the user’s assigned job duties, and will revoke that user’s access when it is no longer needed to perform their job duties.

Your school board or equivalent governing board must designate an IOwA to authorize user access to State of Minnesota Education secure websites for your organization. This EDIAM board resolution must be completed and submitted to the Minnesota Department of Education annually, as well as any time there is a change in the assignment of the Identified Official with Authority.

It is strongly recommended that only one person at the local educational agency or organization (typically the superintendent or director) is designated as the IOwA. If the local educational agency or organization assigns this role to more than one person, identify each designated person in this board resolution.

NOTE: Please complete the following board resolution language using your organization’s letterhead.

Designation of the Identified Official with Authority for Education Identity Access Management

Organization Name: **Cloquet School District – ISD #94**

6-Digit or 9-Digit Organization Number (e.g., 1234-01 or 1234-01-000): **0094-01**

The Director recommends the Board authorize the below named individual(s) to act as the Identified Official with Authority (IOwA) for this organization:

Print Name: **Dr. Michael Cary**

Title: **Superintendent**

Board Member Signature: _____

Name: **Ted Lammi, Cloquet School Board Chair**

Date: **May 24, 2021 IOWA Effective Dates July 1, 2021 through June 30, 2022**

Once the EDIAM Board Resolution is completed, scan and send it to: useraccess.mde@state.mn.us

Lease Proposal

May 19, 2021

Lessee

Independent School District No. 94
302 – 14th Street
Cloquet, MN 55720

Lessor

Vantage Financial, LLC
444 Second Street
Excelsior, MN 55331

Description	Total Cost	3 Annual Payments
950 iPads with AppleCare, 950 Brenthaven Edge Folio III Case. Place order as school requires this spring, first payment not due until July 1, 2021	\$359,052.50	\$107,701

Additional items:

- The school district can keep 100 power cords from schedule A02 (term end 8/31/2021) at no charge at the end of term.
- Vantage will be donating \$1/device (\$950) to the school district’s charity of choice as part of our **inspireIT Education Program**.

Term:

3 years

Flex Lease:

Lessee may add, substitute, or delete equipment at any time during the lease term.

Refundable Security Deposit

Lessee shall pay equivalent to one month’s rent as a refundable security deposit.

Anticipated Delivery

During the installation period, rent will be charged only on the Equipment accepted by Lessee. Once all of the Equipment is installed and accepted, the lease schedule will commence.

Fees

Lessor will not charge any documentation, administration, or legal fees.

End of Lease Options

At the end of the lease term, Lessee may at its option extend the lease, purchase the equipment, or return the equipment based on Lessee’s needs at that time.

Contingencies

This proposal and the Lease Agreement are subject to final credit, equipment, and pricing approval by Lessor. This proposal is not intended to address all of the legal matters relating to the lease. The lease documentation will represent the final legal agreement.

Proposal Expiration:

June 30, 2021

We appreciate your consideration of Vantage Financial and look forward to continuing our relationship with Cloquet Public Schools. Please do not hesitate to call me should you have any questions regarding this proposal.

Sincerely,

Brian Bagley

#533 - DISTRICT WELLNESS POLICY

I. PURPOSE

The primary goals of the Cloquet School District’s wellness program are to create a total school environment that is conducive to healthy eating and being physically active.

II. GENERAL STATEMENT OF POLICY

As per the Child Nutrition and WIC Reauthorization Act of 2004, the Cloquet School District hereby adopts a local wellness policy that addresses healthy eating and physical activity aimed at improving children’s health by expanding the availability of nutritious meals and snacks to more children in schools while also promoting increased activity. Goals will be set for nutrition education, physical activity and other school-based activities designed to promote student wellness. Nutrition standards will be established for foods that are available at each school with the objective of promoting health and reducing childhood obesity.

III. NUTRITION GUIDELINES

It is the policy of the Cloquet School District that all foods and beverages available in school fall under the District’s nutrition guidelines. The District will serve meals and snacks to students that meet federal program regulations and nutrition standards of the National School Lunch Program. The district will create procedures that may include the following areas:

- National School Lunch Act, including breakfast and after school snack programs
- A la carte offerings in the cafeterias including foods and beverages
- Classroom celebrations and parties
- Classroom rewards and school sponsored events
- Fundraisers
- Food and beverages sold in school stores and vending machines

IV. NUTRITION EDUCATION

A. Instructional Program Design

The District’s nutrition education goal is to integrate sequential nutrition education with the comprehensive health education and family and consumer science curriculum, and to the extent possible, integrate materials at every grade level to provide students with the necessary knowledge and skills to make healthy nutrition choices, being consistent with the state’s/district’s health education standards. To achieve the nutrition education goal, the district will:

1. Provide students at all grade levels (pre-K through 12) with adequate and age appropriate nutritional knowledge including, but not limited to:
 - The benefits of healthy eating
 - Essential nutrients
 - Nutritional deficiencies
 - Principles of healthy weight management
 - The use and misuse of dietary supplements
 - Safe food preparation, handling, and storage

2. Provide students with nutrition-related skills that include the ability to:
 - Apply the principles of the Dietary Guidelines for Americans and Choose MyPlate.
 - Assess personal eating habits, nutrition goalsetting and achievement.
 - Understand and use food labels.
 - Evaluate nutritional information, distinguishing the valid from the invalid.
 - Plan healthy meals applying a decision-making process to enhance personal health.
 - Evaluate commercial food advertising and media influence on food selection.
 3. Provide instructional activities that teach the aspects of healthy eating. These activities should be hands-on, behavior based, culturally relevant, developmentally appropriate, and enjoyable. Examples of activities include but are not limited to food demonstrations and preparations, contests, promotions, taste testing, guest speakers and appropriate fieldtrips.
- B. Educational Reinforcement/Coordination of Programs
1. The District’s coordinated health programs will collaborate with the educational staff to provide support with the nutrition-related education.
 2. District staff are encouraged to provide educational links outside the classroom with local agencies and community groups to provide students with opportunities for volunteer work related to nutrition, such as in food banks, soup kitchens, or after-school programs.
 3. District staff are encouraged to integrate with the food service program to promote nutrition instruction. Food service staff are encouraged to work closely with those responsible for other components of the school wellness program to achieve common goals.
 4. The District will encourage families to become partners with the school in promoting healthy eating behaviors, working cooperatively to advocate for healthy individuals and families.
- C. Nutrition Related Health Problems and Modified Diets
1. School counselors and school health service staff will promote healthy eating to students and other staff.
 2. The food service program will comply with USDA’s requirements. The school food service program is strongly encouraged to meet ethnic dietary requests as recommended by the USDA.
- D. Staff Qualifications
1. Staff who provides nutrition education should have appropriate training and regularly participate in professional development activities to effectively deliver nutrition programs as planned.
- E. Staff as Role Models
1. The District shall provide staff with in-service opportunities that recognize conditions such as unhealthy weight, eating disorders, and other nutrition related health problems among students and staff. All school staff are encouraged to model healthy nutrition practices.

V. PHYSICAL ACTIVITY

The District's physical activity goal is to assist students in learning to value and enjoy physical activity as an ongoing part of a healthy lifestyle by ensuring that every student can develop the knowledge and skills necessary to perform a variety of physical activities, maintain physical fitness and regularly participate in physical activity. To achieve the physical activity goal, the district will:

- Develop a sequential program of appropriate physical education for every student. The program goal will be to: Provide for at least 125 minutes (on average) of physical education for students in grades K-8; and high school students will meet the graduation standard requirements in physical education required for graduation.
- Emphasize knowledge and skills for a lifetime of regular physical activity.
- Devote at least 50 percent of physical education class time to actual physical activity in each week, with as much time as possible spent in moderate to vigorous physical activity.
- Meet the needs of all students, especially those who are not athletically gifted or who have special needs.
- Provide a variety of activity choices, feature cooperative as well as competitive activities, and account for gender and cultural differences in students' interests.
- Prohibit exemptions from physical education courses based on participation in an athletic team, marching band or other school or community activity.
- Be closely coordinated with the other components of the overall school health program.
- Not use prohibiting participation in physical education as punishment for actions unrelated to performance in and adherence to the rules of the physical education class.
- Provide time in elementary schools for supervised recess. Recess will be held outdoors when possible.
- Provide opportunities and encouragement for students to voluntarily participate in before and after-school activity programs such as intramural activities, interscholastic athletics, and clubs both through the school and community. Examples include the following:
- Providing a diverse selection of competitive and noncompetitive, as well as structured and unstructured, activities to the extent that staffing, and district/community facilities permit.
- Offering intramural physical activity programs that feature a broad range of competitive and cooperative activities for all students.
- Encouraging partnerships between schools and businesses. Promotion of such partnerships must be appropriate and in accordance with Board policy and applicable procedures, i.e. fitness center, soccer, basketball, hockey, and the softball/baseball associations. Also, community education offers a variety of activities that are not competitive to meet the needs of all students.
- Strive to provide joint school and community recreational activities by:
- Actively engaging families as partners in their children's education and collaborating with community organizations to provide ample opportunities for students to participate in physical activity beyond the school day.
- Encouraging schools to work with recreation agencies and other community organizations to coordinate and enhance opportunities available to students for physical activity during their out-of-school time.
- Encouraging schools to negotiate mutually acceptable, fiscally responsible arrangements with community agencies and organizations to keep district-owned facilities open for use by students, staff and community members during non-school hours and vacations.
- Encouraging district officials to work together with local public works, public safety, police departments and/or other appropriate state and federal authorities in efforts to make it safer and easier for students to walk and bike to school.

- Discourage periods of inactivity that exceed two (2) or more hours. When activities such as mandatory school testing makes it necessary for students to remain indoors for long periods of time, staff should give students periodic breaks during which they are encouraged to stand and be moderately active.
- Provide and encourage – verbally and through the provision of space, equipment, and activities – daily periods of moderate to vigorous physical activity for all participants in onsite after-school childcare and enrichment programs sponsored by the District, i.e. Kid’s Corner.
- Strive to provide opportunities and encouragement for staff to be physically active by:
 - Planning, establishing, and implementing activities to promote physical activity among staff and providing opportunities for staff to conveniently engage in regular physical activity.
 - Working with recreation agencies and other community organizations to coordinate and enhance opportunities available to staff for physical activity during their out-of-school time.

V. OTHER SCHOOL-BASED ACTIVITIES

The district’s goal for other school-based activities is to ensure an integrated whole-school approach to the district’s wellness program. The district may achieve this goal by addressing such areas as listed below:

Community Involvement

- School instructional staff collaborating with agencies and groups conducting nutrition education in the community to send consistent messages to students and their families.
- Guest speakers invited to address students will receive appropriate orientation to the relevant policies of the district.
- Making effective use of district and community resources and equitably serve the needs and interests of all students and staff, taking into consideration differences of gender, cultural norms, physical and cognitive abilities, and fitness level.

Family Involvement

- Engaging families as partners in their children’s education by supporting parental efforts to motivate and help their children with maintaining and improving their health, preventing disease, and avoiding health-related risk behaviors.
- Providing nutrition information to parents/guardians in the forms of newsletters, handouts, presentations, or other appropriate means.
- Posting nutrition tips on district website.
- Providing nutrient analyses of district menus.
- Providing parents/guardians for appropriate foods that meet the district’s nutrition standards.
- Providing parents/guardians with ideas for healthy celebrations, parties, rewards, and fundraising activities.
- Encouraging parents/guardians to pack healthy lunches and snacks and to refrain from including beverages and foods that do not meet the district’s nutrition standards for individual foods and beverages.
- Providing opportunities for parents/guardians to share their healthy food practices with others in the school’s community.
- Designing curricular nutrition education activities and promotions to involve parents/guardians and the community.
- Supporting efforts of parents/guardians to provide their children with opportunities to be physically active outside of school.

- Providing information about physical activity and other school-based physical activity opportunities available to students before, during and after the school day.
- Sharing information about physical activity and physical education via the district’s website, newsletter, other take home materials, special events or physical education homework.
- Encouraging parents/guardians to volunteer time in the classroom, cafeteria or at special events that promote student health.
- If practical, provide information in a language understandable to parents/guardians.

VII. MARKETING AND ADVERTISING

Marketing in district facilities will be consistent with the goals of the district’s wellness program and comply with Board policy. The district will strive to promote the wellness program and educate parents regarding the quality of district foods.

Tobacco advertising is not permitted on district property, at district-sponsored events or in district-sponsored publications. Food and beverage marketing will include the promotion of foods and beverages that meet the nutrition standards adopted by the Board. Other examples of marketing and advertising the district will scrutinize include but are not limited to pricing strategies that promote healthy food choices, audiovisual programming, educational incentive programs, scoreboards, book covers and vending machine displays.

VIII. DISTRICT DINING ENVIRONMENT GOALS

- Provide a clean, safe, enjoyable meal environment for students.
- Provide enough space and serving areas to ensure all students have access to school meals with minimum wait time.
- Provide drinking fountains and/or portable water stations in all schools, so that students can get water at meals and throughout the day.
- Encourage all students participate in school meals program and protect the identity of students who eat free and reduced-price meals.
- Provide an adequate time for students to enjoy eating healthy foods with friends in schools.
- Provide scheduled lunch time as near the middle of the school day as possible.

IX. OVERSIGHT, EVALUATION, REVIEW

It will be the responsibility of the District Wellness Committee to meet at least four (4) times a year to review the policy, discuss building issues/evaluations, and review new goals set by the buildings to ensure district compliance with the policy.

X. COMPLIANCE INDICATORS/MONITORING

The Building SDM Teams will include an annual review of the building’s compliance and progress working with the District’s Wellness Policy.

XI. DISTRICT WELLNESS GOALS

On June 18, 2020 the Minnesota Department of Education (MDE) and the Minnesota Department of Health (MDH) released the Guidance for Minnesota Public Schools: 2020-21 School Year Planning (from MDE) and the 2020-2021 Planning Guide for Schools (from MDH). These guides established requirements and recommendations for schools in safeguarding student and public health for the coming school year. These guides also established three scenarios under which education will be provided during the coming school year. A brief description of the three scenarios follows:

1. Scenario 1 – In-person learning for all students
2. Scenario 2 – Hybrid learning – This is defined by the state as “classes in which some traditional face-to-face instruction has been replaced by distance learning activities”. In practice, this scenario is a mix of traditional in-person learning and distance learning.
3. Scenario 3 – Distance learning only

The intention of providing multiple scenarios is to allow schools to shift between them as cases of COVID-19 increase or decrease within the region. Regardless of the scenario being used by schools, families have the option for distancing learning for their students.

Cloquet School District will be operating responsibly with the Minnesota Safe Learning Plan. The plan highlighted five main goals:

1. Prioritize the safety of students and staff
2. Prioritize in-person learning, especially for younger learners and those with most need
3. Recognize differences in potential spread (of COVID-19) among different ages
4. Support planning, while permitting flexibility for districts
5. Take into account disease (COVID-19) prevalence at the local level

MENTAL HEALTH AND WELLNESS**Both Elementary Schools**

- Full time counselor support will be heavily included in all three models. Students will have SEL support through classroom guidance lessons and counselors will be available to meet with students individually as needed.
- A secondary support person is also available onsite at both elementary schools and serve students and families as licensed social workers employed by Carlton County.
- Therapeutic service providers and CTSS providers are both onsite providing services to students who have various social, emotional, and mental health needs. These services are not run by the district and are set up through families and provided onsite.
- Staff Wellness Committee members are onsite working to provide activities and emphasis on staff mental health and wellness.
- After school clubs were offered virtually.
- National Honor Society (NHS) students provided tutoring 2x week to elementary students.
- Paraprofessionals provided homework help virtually for distance learning students.
- Title services were provided virtually with distance learning students.
- Backpack program continued with additional meal assistance for weekends.

Washington Elementary

- Staff wrote positive notes to one another.
- Counselor offered morning wellness groups in the morning for staff during distance learning model.

- Movies were created by staff of fun virtual dress up days including distance learning students.
- Class counseling sessions 2x week and was done through Google Meet 1:1 virtually during distance learning.
- Friday announcements were recorded so distance learning students could receive the same message as in-person students.
- Each Friday a “star” distance learning student was chosen. Rewards were given to students monthly.

Churchill Elementary

- Wednesday snacks and water were provided to the staff on a cart/table.
- Physical Education teacher created fitness movies for the staff to use. These were also used as “brain breaks” for students as well.

Middle School

- CMS counselors, social workers, ADSIS, and American Indian Education supports will run in-person and online groups and services following appropriate MDH social distancing guidelines.
- Paraprofessional provided support through virtual resource rooms via Zoom for distance learners.
- Posters were used addressing mental wellness, especially anxiety and ideas to decrease it. These were strategically and thoughtfully placed throughout the school. These were placed where staff and students naturally pause throughout the day such as on bathroom stall doors, and next to drinking fountains.
- Mask breaks were given throughout the day outside for all students in order for them to get fresh air and support mental wellness through nature. Scheduled so as not to cross classrooms and pods.
- Therapy dog was onsite to provide students and staff a form of comfort and relaxation/reset.
- Backpack program continued with additional meal assistance for weekends.
- “Living Above the Line” postcards were mailed to students by teachers, social workers and counselors to encourage the students to stay positive.

High School

- CHS has comprehensive staffing including school counselors, mental health practitioners, and a social worker to monitor and respond to student mental health needs.
- Students have the ability and choice to make appointments to meet with their counselors/social workers/therapists.
- Caring messages were sent to students from community and staff members to give them encouragement during this difficult pandemic.
- NHS students helped with food drives, created valentines and snow figures at the local nursing home, volunteered at the local hospital and agencies.
- Two (2) Blood Drives were coordinated and were successful once again.
- To honor and recognize the senior class students with some extra fun they have been able to enjoy extra events coordinated by a parent group in conjunction with our administration, All nigh Grad Party Committee and Senior Class Advisors. These events include a day at Pine Valley to ski, snowboard, hike, a barbeque, roast marshmallows, win prizes etc. There was a day at Mont Du Lac Skiing and Snowboarding, food and prizes. Parents have also put together a goodie bag for seniors to pick up from the activities office.

- Our Special Education Dept has been in the forefront emphasizing the importance of inclusion. Days such as "Speak Kindness", "Spread The Word" and The Polar Plunge. Creating awareness to make inclusion a reality for all people regardless.
- Our Community Closet is still available to provide any needed clothing or food to students in need.
- We have established a small SOS fund - we have had a community member donate money for those in need or crisis and have been able to provide food, necessities, and baby items for families.
- Family Representative has provided educational and informative opportunities for our families to join in virtually. Topics include: NEw YEAr, New You Caregiver Series, which include education and discussion on Equity, Diversity, Inclusion, race and bias. Also, the high school has offered information and trainings on Restorative Practices.

CAAEP

- Staff, families, and students (age-appropriate) will be provided with information on how to access resources for mental health and wellness.
- Monthly "Staff Circle" incorporating relational building activities.
- Staff and students utilized the "check in, check out, check up" RP circles in homeroom.
- Wednesday Yoga was offered to staff and students during lunch.
- "Whole 30 month" was offered to all staff to promote healthier habits.
- Free water was offered in plastic bottles to all students to encourage staying hydrated and the importance of drinking water daily.
- RP day each quarter to incorporate mindful activities, whole group activities and "hands on" activities, supporting "mindfulness" and inter-personal relationships.
- Student Offering Support (SOS) was reinstated.
- Staff is doing book studies including "the Four Agreements" and "Focusing on Educators Mental Health: Developing Love and Self Care".
- Phoenix food shelf has continued.
- Staff had a "step" challenge going for quarter 4.
- Positive reports home from all staff to all students at least 1 time a year.
- They have a therapy dog "Maggie" in training and hope she will be available next school year.

NUTRITION

In - Person

- All students K-4 planning to have school lunch will have a pre-served meal as well as a milk delivered to their classroom. Middle School Students will be dismissed by classroom, they will pick up their lunch and return to their classroom. CHS students will be divided into three areas. Seating arrangements will follow MDE and MDH guidelines.

Hybrid

- During the in-person session, each student may order lunch for the distance learning sessions. Students will pick up their bag at the end of the day which contain meals for when they are not physically able to attend in person.

Distance Learning

- Distance learning meals will be available on a weekly ordering system where families may order and pick up.
- During a full district learning model buses will run on their designated routes and deliver meals directly daily per bus stops.

Internet and Device Access

All students will be issued a 1:1 device to minimize the sharing of electronic devices. Students in grades kindergarten through 8 will receive an Apple iPad, while students in grades 9 through 12 will receive a Chromebook. If families are unable to obtain internet access in the home, for any reason, the school district has options available to assist students in accessing online resources while they are home.

Cloquet School District using the guides and goals defined has experienced and achieved all three learning scenarios in SY 2020-2021. We combined all tech platforms into a Digital Learning Center for easier access and extended Tech Support hours when necessary. CHS and CMS presented New Year – New You which included a variety of speakers and topics regarding parenting, raising teenagers, internet safety, restorative practices and more to support our students and families. We implemented START – Student Transportation Aid to Reduce Truancy which provides second round pickups, deliver instructional supplies, educational materials, backpack program kits for families in need to support the success of our students.
