2021-2022 LB399 Activities

Constitution Day – Constitution Bingo: Each Advisory will be provided a bingo card and link to the US Constitution. Clues will be read, the students will need to 1) find the answer to the question, 2) see if their correct answer is on their card. Winner is the Advisory that completes a traditional bingo first.

Thanksgiving – Advisory cornucopia: Each Advisory asked students what they were thankful for in their lives and shared them on a printout of a cornucopia and posted in the classroom.

Native American Heritage – Advisory Kahoot competition about Native American facts.

Veterans Day – School's Veteran's Day program

Lincoln's Birthday – President's Day Kahoot Advisory Challenge.

MLK Day – Each Advisory completed a Word Art in the shape of MLK's head that contained words the students associated with Martin Luther King, Jr. and his life's work.

Mr. Wickham- If you could please send along the documentation describing how our 10th-12th grade students met LB399 that would be greatly appreciated. Please include Mr. Tejkl in that.

Thanks.

Good morning! Much like we have had to do in the past, we need a summary demonstrating how we met LB 399 this year. If you could pass this along before the June 20th board meeting that would be great.

Thanks!

Outside of these activities, we also need documentation about students in grades 8-12 attending a meeting of a public body as well as the curriculum in grades 10 and 12 that describes time devoted to teaching American History and Civics. This is what you sent me last year to include in the report.

For the "Attendance or participation...in a meeting of a public body":

*12th grade usually attends County Government Day. It was canceled due to Covid.
We were able to view impeachment proceedings and cabinet meetings on CSPAN
Students did a Cabinet Department presentation on leadership, responsibilities and functions.
Q2 - Cabinet Departments*

Here are the units that covered the "In 10th and 12th grade time shall be devoted..."

Civics

Q1 - Foundations of American Government

Q1 - Constitutional Freedoms, Citizenship & Law in America

Am History

Q3 - America in WWII, Postwar America

Q4 - Civil Rights Movement
