Recent Activities

8. I want to thank the district for allowing me to travel to Nashville for the Power of ICU conference with Danny Hill. He was very complimentary of the school and remembered many names from when he was last here. I was fortunate enough to go as his paid guest and able to network with other schools from across the country and another principal from here in Nebraska.
9. I also attended administrator days in Kearney during the last week of July. A focus of mine over the course of the two days was to reach out to other districts and attend sessions on their use and implementation of MTSS resources. It was hit or miss but I did make a connection with an ESU5 representative and will be in discussions with her.
10. Other training over the summer time included MTSS training and MANDT recertification.

New Staff

11. We held our new staff training on Thursday August 7, 2025
-

- a. Mrs Holly Luettel - shop/ag teacher

Pre-Service Days

12. Certified staff had the week of Aug 1-7 to report for a flex day
 - a. All staff orientation was held on Friday Aug 8, 2025
 - i. Highlights included having staff focus on the small consistent efforts as well as coming up with the GOAL GETTER statements
13. MS/HS (6-12) Orientation/Roll-Out Night was held Monday August 11, at 6:00 pm. I introduced students to HUSKY as our new PBiS goals which stand for Honor, Unity, Scholarship, Kindness, and You Matter. Students were able to receive their computers. I did have 6th grade students and parents meet in a classroom to answer any questions or concerns they may have as they transition to middle school. All seemed to run quite well.

New for 25-26

14. As previously mentioned we will be implementing the HUSKY acronym on the MS/HS side for the 25-26 school year. Along with this we will be utilizing the PBiS Rewards program. Students were given the opportunity during the first three days of school to reply to a prompt about what they would prefer to receive as part of the PBiS rewards program. I will be gathering that information and we will then have a store and student accounts established that will allow them to “cash in” their points to receive such awards.
15. We will be utilizing Advisory time to allow teachers to meet as MTSS cohorts appx 6 times throughout the school year (ie - once every six weeks). During this time students will be assigned to a standard advisory thereby building/expanding their advisory family.
16. We will be implementing CharacterStrong on the MS/HS side beginning on Mondays during advisory. The tentative plan is to begin the CharacterStrong Mondays on August 25, 2025. Each week will have a specific focus for teachers to present and students to discuss during advisory time.

Summary:

From how I am reading this, we have the authority to ask for more if need be but with my initial reading of where our budget currently stands, we are in a good spot to not have to max out or go over.

As we look into next year, some of the expenses that we will have that are not refunded through covid that we haven't had to worry about for the past four years:

- Curriculum updates - Science is the next one up
- Nutrition Fund - we will have to supplement this fund through our General Fund as SRC have done in the past
- Staff Payroll Increase
- Special Education Teacher or 1/2 & 1/2 of Special Education & Interventionist for our Secondary

I will have updated numbers by the end of the month and an initial report on our 25-26 budget.

Meetings and Due Date Updates:

Legislation Update:

- 109th Session will convene on January 7th, 2026 and will last for 60 days

The State Board approved several projects for this program.
 - Nebraska Literacy Leadership Network - The NDE pursued a grant opportunity through the Sherwood Foundation for \$25 million to create the Nebraska Literacy Leadership Network, which will focus on supporting school and district leaders in coaching and supporting effective literacy instruction.
 - Approval of New Non-Public Schools and Educator Preparation Programs - As part of their annual cycle of approvals, the State Board approved four new Rule 14 approved non-public schools, and all 16 educator preparation programs.

The Department uses the governmentwide Standard Form (SF) 425, also known as the Federal Financial Report (FFR), for final reporting. Governmentwide reports can be accessed on the [Post-Award Reporting Forms](#) page on the [Grants.gov](#) website.

FINANCIAL REPORT OVERVIEW

A Standard Form (SF) 425 Federal Financial Report (FFR) is required if:

1. A grant involves cost sharing, and the ED 524B, which collects cost sharing information, is not submitted or a program-specific report approved by U.S. Office of Management and Budget (OMB) does not collect cost sharing information;
2. Program income was earned;
3. Indirect cost information is to be reported and the ED 524B was not used or a program-specific report approved by OMB does not collect indirect cost information;
4. Program regulations or statute require the submission of the FFR; or
5. Specific Award Conditions, or specific grant or subgrant conditions for designation of "high risk," were imposed in accordance with [2 CFR Part 200.208](#) and [2 CFR Part 3474.10](#) and required the submission of the FFR.

SUBMISSION TIMELINES

If the FFR is required, the notification may indicate one of the following reporting frequencies and timelines:

1. Quarterly - FFRs are required for reporting periods ending on 12/31, 03/31, 06/30, 09/30 and are due within 30 days after each reporting period.

A subgrantee must submit a final financial report to a pass-through entity no later than 90 calendar days after the conclusion of the period of performance ([2 CFR Part 200.328](#)).

SUBMISSION GUIDANCE

When completing an FFR for submission in accordance with the above referenced selection, the following must be noted:

1. *Multiple Grant Reporting Using SF 425A Not Required:*
 - While the FFR is a governmentwide form that is designed for single grant and multiple grant award reporting, the Department's policy is that multiple grant award reporting is not permitted for Department grants.
 - Grantees are instructed to not use the FFR attachment (SF 425A), which is available for reporting multiple grants, for reporting on Department grants.
2. *Completing an SF 425 for Each Grant*
 - Department grantees are required to submit an FFR in accordance with any of the above referenced selections.
 - Grantees must complete and submit one FFR for each of its grants.
 - FFR Form, Field 2: Grantees are instructed to disregard the note about using the SF 425A to report multiple grants.
 - FFR Instructions, Report Submissions: With regards to item 1 of the note found in the FFR Instructions, a grantee must complete items 10(a) through 10(o) for each of its grants. The multiple grants and FFR attachment references found in item 2 of the Line Item Instructions for the FFR is not applicable to Department grants.

 - A grantee is permitted, in accordance with [2 CFR Part 200.307](#), to add program income to its Federal share to further eligible project or program objectives, use program income to finance the non-Federal share of the project or program; and deduct program income from the Federal share of the total project costs.

4. *Indirect Costs*

- A grantee will complete item 11(a) by listing the indirect cost rate type identified on its indirect cost rate agreement, as approved by its cognizant agency for indirect costs.
- A Department grantee that does not have an indirect cost rate agreement approved by its cognizant agency for indirect costs, and that is using the Department approved (beyond the 90-day temporary period) temporary indirect cost rate of 10% of budgeted direct salaries and wages, or the de minimis rate of 15% of modified total direct cost (MTDC) must list its indirect cost rate in 11(a) as a Department Temporary Rate or De Minimis Rate.
 - The de minimis rate of 15% of MTDC consists of: All direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first \$50,000 of each subaward.
 - MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$50,000.
 - Other items, including contract costs in excess of \$50,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs ([2 CFR Part 200.1](#), Modified Total Direct Cost (MTDC)).
- A training program grantee whose recovery of indirect cost limits indirect cost recovery to 8% of MTDC or the grantees negotiated indirect cost rate, whichever is less in accordance with [34 CFR Part 75.562 \(c\)](#), must list its rate in 11(a) as a Department Training Grant Rate. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States³ as defined in [2 CFR Part 200.1](#).
- A restricted program grantee must list its rate as a Restricted Indirect Cost Rate in 11(a).
 - A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under [34 CFR Part 75.563](#) and [2 CFR Part 76.564 – 76.569](#), is not less than 8% MTDC.
 - A State or local government⁴ that is a restricted program grantee may not elect to utilize the 8% MTDC rate.
 - Additionally, restricted program grantees may not utilize the de minimis rate but may utilize the temporary rate until a restricted indirect cost rate is negotiated.
 - If a restricted program grantee elects to utilize the temporary rate, it must list its rate as a Department Temporary Rate in 11(a).
- Grantees with indirect cost rates prescribed in program statute or regulation must list their rate as a Rate Required in Program Statute or Regulation in 11(a).
- Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery.
- For detailed information including restrictions related to temporary, de minimis,

³ Note that a State-funded institution of higher education is not considered a “State government” for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.

training, restricted, and program prescribed indirect cost rates see the [Indirect Cost Determination Guidance for State and Local Government Agencies Questions and Answers](#) on the Department website.

2. A faith-based organization may not use direct Federal financial assistance from the Department to support or engage in any explicitly religious activities except when consistent with the Establishment Clause of the First Amendment and any other applicable requirements. Such an organization also may not, in providing services funded by the Department, or in outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

The written notice that an organization uses to notify beneficiaries or prospective beneficiaries of certain religious non-discrimination protections must include language substantially similar to that in Appendix C to [34 CFR Part 75](#) (See EDGAR, [34 CFR Part 76.712\(d\)](#)). Grantees and

subgrantees have discretion regarding how to provide the notice, which may include providing the notice directly to each beneficiary, posting it on the grantee's website, or other means. A grantee or subgrantee that participates in multiple Department programs may provide a single notice covering all applicable programs. Additionally, grantees must ensure that the notice is accessible to individuals with disabilities and limited English proficient individuals as required by law. Unless notified by the applicable program office, a grantee or subgrantee is not required to include in the notice the information in paragraph (5) of Appendix C to 34 CFR Part 75 (i.e., the opportunity of a beneficiary to receive information about other similar providers).

Lessee shall comply and conform to all laws, ordinances and regulations relating to the possession, use or maintenance of the property, and save Lessor harmless against actual or asserted violations and pay all cost and expenses of any character occasioned by and arising out of such violations. Any such repossession shall constitute a termination of this lease, and if such repossession is made and the lease is so terminated the Lessee agrees that the Lessor is entitled to damages in an amount equal to the total amount due under this lease from Lessee to Lessor minus the amount already paid by Lessee to Lessor upon this lease. Any mitigation of damages shall be computed so that Lessor receives its full net rental as herein anticipated after recouping all cost and expenses of Lessor in repossessing, re-leasing, transporting, repairing, selling, or otherwise handling said property, including attorneys expenses of Lessor in repossessing, re-leasing, transporting, repairing, selling, or otherwise handling said property, including attorneys fees.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Eakes Office Solutions (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Eakes Office Solutions:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To advise Eakes Office Solutions of your new email address

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Eakes Office Solutions

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to rhanda@eakes.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Eakes Office Solutions

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to rhanda@eakes.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

FORWARD

The Asbestos Hazard Emergency Response Act (AHERA) requires each local education agency to conduct a reinspection of all friable and non-friable known or assumed Asbestos Containing Building Materials (ACBMs) in each school building that they lease, own, or otherwise use a school building, at least once every three years after a management plan is in effect. The inspection of each school building has been completed in accordance with the Asbestos Containing Materials in Schools; Final Rule and Notice, dated October 30, 1987, Federal Register, 40 CFR Part 763.85.

The following report consists of re-inspection forms and the Inspector's State and EPA Certifications. The reinspection forms correlate with the homogeneous areas in the original management plans. These forms reassess friable and non-friable known or assumed ACBM. If the condition of a material has changed, or a new material is discovered, the new AHERA category, and recommendation or response action are included. If required, results of bulk samples with their locations are also included.

This report is to be inserted into and shall become a part of the continuing AHERA management plan. This re-inspection information is the ACM data of record and should be referred to when any remodeling or renovation work may disturb ACMs.

DISCLAIMER

This report should not be used as a single authority, but shall be used in conjunction with EPA, OSHA, NESHAPS, and the AHERA FINAL RULE dated October 30, 1997. New regulations or amendments may be passed into law after the effective date of this report, and shall also be a requisite in the implementation of AHERA requirements. Furthermore, this report is to be made part of the original AHERA management plan, and therefore, refers to the management plan for Operations and Maintenance Procedures and other recordkeeping data.

PREFACE

Ron J. Prochaska of Benesch reinspected the Shelby / Rising City Public Schools on July 24, 2024. Mr. Prochaska also made assessments and recommendations in the re-inspection. Mr. Prochaska is certified by The State of Nebraska and the U.S. Environmental Protection Agency AHERA INSPECTOR/ MANAGEMENT PLANNER Certification No. EDI 2023-0008 IMPR / NE License No. 850.

The school system was re-inspected as required and in accordance with the U.S. Environmental Protection Agencies 40 CFR Part 763 Asbestos Containing Materials in Schools; Final Rule and Notice dated October 30, 1987.

The inspection was performed with the Elementary/Secondary Education Building in Shelby. The district no longer owns any buildings in Rising city.

REINSPECTION SUMMARY

During the current re-inspection (2024) of asbestos containing building materials (ACBM), in the building in Shelby it was found that the material conditions in general had not changed since the previous re-inspection (2021).

The main school building in Rising City was razed in 2017. The Village of Rising City has taken over ownership of the remaining school property.

AERO 3500µmicro

Uplifting productivity

TASKI AERO 3500µmicro facilitates both vacuuming and sweeping for hard and soft floors. It delivers unmatched productivity and excellent cleaning results.

- Unmatched productivity with great cleaning results
- TASKI whisper technology and improved air quality
- Versatile machine for different floor types

Unmatched productivity with great cleaning results

Two counter rotating cylinder brushes work in combination with an efficient brushless vacuum turbine to collect fine dust and bigger debris at the same time. Bigger debris is collected in the hopper and fine dust goes to the dust bag. The digital motor is highly efficient and thus increases the autonomy of the machine. Furthermore, there is no wear and tear on the motor, drastically improving its expected lifespan.

The brushes can be easily adjusted with the press of a button to ensure the best cleaning results on soft and hard floors.

TASKI whisper technology and improved air quality

High quality filtration in combination with the unique airflow design based on the TASKI whisper patent guarantees best air quality and low noise emissions. Optional HEPA H13 filter available for best air quality.

Versatile machine for different floor types

The machine has an active seating concept allowing fast hop on&off. It comes with hand tool accessories that allows manual cleaning in small areas in a 3-6 m radius around the machine. The seat and steering wheel are height-adjustable and enable an ergonomic use of the machine.
