Mr. Rother
January 2025
Superintendent & Tecumseh Site Elementary Board Report

- Due to student needs in the early childhood program, and in conjunction with a smaller kindergarten class, for the 2025 school year we are considering splitting kindergarten into three sections. This would make three sections of about eight to nine students per room. Therefore, first grade would consist of one classroom. Current kindergarten enrollment is twenty (20) students.
- Precision Concrete Cutting has completed their work at all JCC facilities. Curbs have been cut down to level with the sidewalks and sidewalk lips have been smoothed down. This work should help eliminate trips and falls.
    - We will be getting quotes this late winter for replacing sidewalk concrete that is broken up.
- Walk-off carpet has been installed in the high school at both the North and South entrances. We may want to think about other areas that could use this kind of surfacing.
- JCC is hosting three (3) student teachers this spring from Peru State College.
    - Mr. Marquis Griffin - High School PE/Health (Mr. Neil Bowman)
    - Ms. Zoe Ebel - Kindergarten/Special Education (Mrs. Maggie Badertscher)
    - Ms. Jami Gabriel - Kindergarten (Mrs. Michelle Borrenpohl)
- JCC's Federal ESEA Monitoring visit is scheduled for February 20, 2025. During this visit, state officials ensure that the school district is complying with federal regulations for funds from the Elementary and Secondary Education Act (ESEA). ESEA was signed into law in 1965 by President Lyndon B. Johnson and then reauthorized by President Obama in 2015 as the Every Student Succeeds Act (ESSA). These federal programs support states and schools with funds for supporting student achievement. As such, each state must have an accountability system. In Nebraska, this is AQuESTT (Accountability for a Quality Education System, Today and Tomorrow). For more information on ESEA and ESSA, follow the link: https://www.ed.gov/laws-and-policy/laws-preschool-grade-12-education/esea
- I have been doing a lot of research on school budgets and funding in order to help try to predict future funds for Johnson County Central. Of particular interest to me is the category of "Unused Budget Authority".
- I have shared AQuESTT data and information with staff. I plan to report on this to the public in the February newsletter.
- The backpack program through the Food Bank of Lincoln is in need of a local coordinator. I met with Mr. John Mabry, Chief Relationship Officer, to discuss a solution. He is going to solicit the local churches and the Tecumseh Chamber of

Commerce. The local coordinator's main responsibility is to lead local fundraising efforts.

- I am considering the idea of adding back the position of Elementary Principal for the Tecumseh Site PK-3 and making the Activities Director a full time position. Due to student needs in our district, the various buildings, sites and student services/activities, these positions would help to ensure the student and district needs are met appropriately. I can foresee our district with the following administrative team:
    - Superintendent
    - Principals (Elementary, Middle School, High School)
    - Activities Director
    - Special Education or Student Services Director

  In the end, this all comes down to budget and having the funds to ensure a robust staff.
- We will need to discuss again the possibility of Kudu Lawn Care adding topsoil to the football field to create a crown. In doing so, work will also need to be done to raise the sprinkler heads and plant new grass.
- Mr. Waring has had vents added to the restrooms in the elementary school over the break. Although a small item, they make a big difference.
- Laurie Badertscher calculated staff absences for the first semester for last year and this year. This is to see if the four day week results in fewer staff being gone during student days. Staff have been encouraged to make any appointments on non-student days. Therefore, Mondays without students were not included in the data. Staff absences for "School Activity" and "Professional Leave" were also not included. Staff Absences for the First Semester:
    - 23-24 First Semester = 260 (94 contracted 1st semester days)
    - 24-25 First Semester = 222.15 (87 contracted 1st semester days)

2024-25 Teacher Vacancy Survey Report Summary

The Nebraska Department of Education (NDE) conducted the 2024-25 Teacher Vacancy Survey in the fall of 2024. All public-school districts, nonpublic school systems and Educational Service Units (ESU) have been included in the collection of data. For purposes of this report, the ESU data has been combined with the public-school data (district) while the nonpublic data (system) is combined with them into the total counts. This summary shows the totals. For the separate district and system counts, see the full report.

The survey of all 436 Nebraska districts/systems (262 PK-12 public school districts and ESUs, and 174 nonpublic school systems) in the state requested the following information:

- The number of districts/systems that could not find fully qualified teachers* to fill positions;
- The endorsement areas of the positions that were unfilled**;
- The reasons why the applicant pool was not sufficient; and
- What the district/system did to address the unfilled positions.

The overall response rate was average (71.10%) with 310 completing the survey. The district rate (public/ESU) was 255 of 262 responding for a 97.33% response rate, while the system rate (nonpublic) was 55 of 174 responding for a 31.61% response rate. Participation by public districts, ESUs, and nonpublic systems remained steady this year. Unfilled positions in descending order by endorsement area (excluding Other and Middle Level – include under content area) are as follows:

[+]ESL/ELL are traditional shortage areas for federal consideration so Nebraska recognizes them as well.

Overall, there were 153 districts/systems reporting unfilled positions, or 49.35% of the returned sample, at the beginning of the 2024-25 school year.

Districts/systems reported 669.35 positions as unfilled with fully qualified personnel, and 200.65 left vacant for 2024-25. Of those 669.35 positions, 167.95 positions (25.09%) were in districts/systems with **less than 500** students.

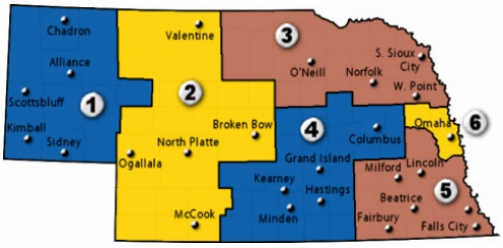

For the purposes of this survey:

***Fully qualified teacher** is an individual who holds an Initial, Standard, or Professional Nebraska teaching certificate with the appropriate endorsement for the assigned class and the professional attributes sought by the school district.

****Unfilled** refers to a position that was filled by someone other than a fully qualified teacher **or** a position that was left vacant.

*****Vacant** refers to a position that was not filled at all – i.e., in Special Education of the 149.5 unfilled positions, 99 have teachers and 50.5 were left vacant.

The survey offered solutions from which districts/systems could choose from when identifying how they solved the dilemma of unfilled** positions. The most frequently reported solutions for unfilled positions include: "*Position was not filled*" (22%); *"Used substitute teachers"* (18%); "*Hired a person NOT appropriately endorsed in the content area"* (11%); "*Hired a person who holds a provisional permit in the content area*" (10%); and *"Hired a person who holds a provisional permit"* (10%). For further information, see Tables 10a-c in the full report.

Of the 17 endorsement shortage areas, six have been designated shortage areas each year for the last 15 years: Language Arts, Mathematics, Science, Special Education, Speech-Language Pathology, and World Language. In addition to these, 8 others have been designated shortage areas each of the last five years: Career Education Areas; Art; Early Childhood Education; Health and/or Physical Education; School Counselor; School Library; School Psychologist; and Music/Instrumental/Vocal.

The purpose of this survey was to determine Nebraska teacher shortages in the fall of 2024 and what the district/system did to address those shortages. The survey conducted by the Nebraska Department of Education (NDE) and disseminated to all Nebraska PK-12 public school districts, Educational Service Units (ESU), and nonpublic school systems, determined the following:

- The number of districts/systems that could not find fully qualified personnel;
- The number of teacher positions for which districts/systems could not find fully qualified personnel;
- The endorsement areas of those positions;
- The reasons why individuals in the applicant pool were not sufficient/appropriate for the positions; and
- What districts/systems did to address the positions not filled with fully qualified personnel.

PROCEDURES

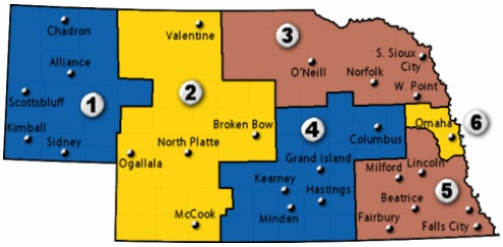

The Teacher Vacancy Survey, which is administered online through the NDE Portal, was opened to all Nebraska PK-12 public school districts, Educational Service Units (ESU), and nonpublic school systems, in October 2024. Announcements in the NDE Bulletin (a weekly e-bulletin for NDE Portal users), phone calls, and email reminders were utilized to encourage participation.

The survey asked districts/systems to report the following information:

- The number of positions the district/system needed to fill at the beginning of the 2024-25 school year;
- The number of those positions not filled with fully qualified personnel*;
- The full-time equivalency (FTE) and endorsement area of each unfilled** position;
- The reason for not being able to fill the position with a fully qualified teacher; and
- How the district/system solved the dilemma for the position.

NDE gathered the following information using data available from NDE databases:

- Community College Region in which district/system is located
- Size of PK-12 school enrollment

1 – Western
2 – West Central
3 – Northeast
4 – Central
5 – Southeast
6 – Metro

For purposes of this report, public districts, ESUs, and nonpublic systems' data are combined into total counts as **Districts/Systems** (coded in orange, Table #a); ESUs are combined with the public-school data as **Districts** (coded in green, Table #b), while the nonpublic data are shown as **Systems** (coded in yellow, Table #c).

*__Fully qualified__ is defined as "*an individual who holds a regular Nebraska teaching certificate, the appropriate endorsement for the assigned class, and the professional attributes sought by the school district.*"

__Unfilled__ refers to a position that was filled by someone other than a fully qualified teacher **or a position that was left vacant.

***__Vacant__ refers to a position that was not filled at all.

RESULTS

Response Rate

All 436 districts/systems (public districts and ESUs, and nonpublic systems) in Nebraska had the opportunity to respond to the survey. The overall response rate was average (71.10%) with 310 completing the survey. The district rate (public/ESU) was 255 of 262 responding for a 97.33% response rate, while the system rate (nonpublic) was 55 of 174 responding for an 31.61% response rate. Participation by public districts, ESUs, and nonpublic systems remained steady this year. Tables 1a (districts/systems), 1b (districts), and 1c (systems) report the distribution and the return sample by Community College Region (region). Tables 2a-c show the return sample by size of district/system.

Districts/Systems with Unfilled Positions

Unfilled positions are those positions for which fully qualified personnel were not hired, including positions that were left vacant***. Overall, there were 153 districts/systems reporting unfilled positions, or 49.35% of the returned sample. Tables 3a (districts/systems), 3b (districts), and 3c (systems) report the distribution of those districts/systems by region. Tables 4a-c report the distribution of districts/systems with unfilled positions by size of district/system. Of the districts/systems reporting unfilled positions, almost 60% have **less than 500** students, while one half (50%) of nonpublic systems reporting unfilled positions have **less than 250** students.

Unfilled Positions

There were 669.35 unfilled positions reported. Tables 3a-c identify the percentage of unfilled positions by region. Tables 4a-c identify the percentage of unfilled positions by district/system size. Of the 669.35 unfilled positions, 167.95 positions (25.09%) were in districts/systems with **less than 500** students. Overall, 200.65 of the unfilled positions (29.98%) were reported with a solution of '**not filled**' (vacant).

Tables 3a-c and 4a-c show the number of unfilled positions in each region or size, as well as the percent of unfilled positions left vacant. The Metro region had the largest number of unfilled positions and the most difficulty filling open positions. The largest schools (>10,000) had the most unfilled positions and more positions left vacant.

Unfilled Positions by Endorsement Area

Tables 5a-c and 6a-c indicate the number of unfilled positions by endorsement area, by region and district/system size, respectively. The endorsement areas of Special Education (149.5 positions; 22.34%), Elementary Education (68 positions; 10.16%), Career Education (57.3 positions; 8.56%), Language Arts (51.5 positions; 7.69%), Early Childhood Education Areas (45.5 positions; 6.80%), Mathematics (44 positions; 6.57%), and Speech Language Pathology (42.4 positions; 6.33%) topped the list of unfilled positions. Additional areas of need include School Counselor, Science, School Psychologist, and Music Instrumental/Vocal.

Reasons for Unfilled Positions

Districts/systems were provided with and allowed multiple reasons for an unfilled position. Of the 153 districts/systems reporting unfilled positions, the main reasons given were divided between "*No applicants*" (63%) and "*No fully qualified applicants based on endorsement area"* (15%). Tables 7a-c, 8a-c and 9a-c report the percentage of reasons for unfilled positions by region, district/system size, and endorsement area respectively.

Solutions for Unfilled Positions

The most frequently reported solutions for unfilled positions include: "*Position was not filled*" (22%); *"Used substitute teachers"* (18%); "*Hired a person NOT appropriately endorsed in the content area"* (11%); "*Hired a person who holds a provisional permit in the content area*" (10%); and *"Hired a person who holds a provisional permit"* (10%). Tables 10a-c report the number of solutions by endorsement area. Nonpublic systems indicated a higher rate of the solution: "*Used substitute teachers*" (36% compared to 17%); whereas public and nonpublic systems indicated a similar rate of the solution: "*Position was not filled*" (22% and 25% respectively).

Trend Analysis

Of the top 10 unfilled positions by endorsement area, several are the same for districts and systems – Elementary Education, Career Education Areas, Language Arts, Mathematics, School Counselor, and Science. Public districts and ESUs show Special Education, Elementary Education, Career Education Areas, and Language Arts as their top four areas of need this year. Nonpublic systems show Elementary Education, Language Arts, Music Instrumental/Vocal, and Mathematics as their top four areas of need. Special Education, Elementary Education, and Mathematics reported the highest number of positions left vacant in the top 10 unfilled endorsement areas.

Represents Common Shortage Areas

Of the 17 endorsement shortage areas, six have been designated shortage areas each year for the last 15 years: Language Arts, Mathematics, Science, Special Education, Speech-Language Pathology, and World Language. In addition to these, 8 others have been designated shortage areas each of the last five years: Career Education Areas; Art; Early Childhood Education; Health and/or Physical Education; School Counselor; School Library; School Psychologist; and Music/Instrumental/Vocal.

Comments were provided by 53 unique districts/systems. Over two-thirds of the comments stated that the overall applicant pool continues to get smaller, along with fewer fully qualified candidates applying. In addition, just over 10% of the comments from respondents identified a key struggle with finding quality applicants within the teacher pool or they described the difficulty of recruiting and hiring full-time teachers to rural areas in Nebraska.

SUPERINTENDENT'S CONTRACT OF EMPLOYMENT
JOHNSON COUNTY CENTRAL PUBLIC SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Johnson County Central Public Schools,** legally known as **Johnson County School District No. 49-0050,** and referred to as "the Board" and "the School District" respectively, and **Jon Rother**, referred to herein as "the Superintendent". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Superintendent, and the Superintendent agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Contract. The Superintendent shall be employed for a period of one (1) year beginning on July 1, 2024, and expiring on June 30, 2025. During each year of this contract, the Superintendent shall render at least 230 working days of service in the performance of his duties as Superintendent. "Working days" typically will not include Saturdays, Sundays, and legal holidays, but it shall include all days on which the Superintendent actually and necessarily completes his contractual duties. The Superintendent agrees to work sufficient hours and days to satisfactorily complete the duties of this contract. The Superintendent shall keep complete and accurate records of his working days and shall provide the Board of Education with a report of his accumulated working days at least quarterly.

Section 2. Renewal of Contract. If a Board representative does not inform the Superintendent in writing on or before **the seventh day after the regular December board meeting** of the Board's intention to consider the nonrenewal or amendment of this contract, the contract will automatically renew for a period of **one year** from and after the expiration date provided in Section 1 of this contract. The Superintendent shall remind the Board in writing of this provision no later than **its regular November meeting** of each year of this contract and shall make the renewal of his employment contract an agenda item for the regular **December** board meeting during each year of this contract. At the time of each contract renewal and/or amendment, the Superintendent shall be responsible for taking all necessary steps to insure that the district has complied with the Superintendent Pay Transparency Act.

Section 3. Salary. The Superintendent's salary for the contract year shall be $147,700 which shall be paid in 12 equal monthly installments beginning in the month of August 2024. The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the

contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation and shall be subject to the School Employees Retirement Act. The Superintendent authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Superintendent or the value of property or money entrusted to the Superintendent or owed by the Superintendent to the District during the course of or as a result of the Superintendent's employment, if such property or money have not properly been returned to the District. The school district shall withhold other deductions as the Superintendent and Board may agree.

Section 5. Professional Status. The Superintendent affirms that he is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, he will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which he will register and maintain on file in the school district's central administrative office. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that he registers his certificate. The Superintendent represents that: (1) all information he provided in connection with his application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, he will advise the Board immediately; (2) he has never been convicted of or plead no contest to, a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) he has not had any professional licenses or certificates suspended or revoked.

Section 6. Superintendent's Duties. The Superintendent's duties shall be 0.8 FTE Superintendent, 0.2 FTE Principal, and as prescribed by statute and by Board policies, rules, regulations, and directives. The Superintendent agrees to devote his time, skill, labor, and attention to his duties throughout the contract term. The Superintendent shall be subject to the direction and control of the Board at all times and shall perform such administrative duties as the Board assigns to him. The Superintendent shall not undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations without first obtaining the written agreement of the school board.

Section 7. Board-Superintendent Relationship. The Board shall be primarily responsible for formulating and adopting policy. The Superintendent shall be the chief administrative officer for the district and shall be responsible for implementing Board policy. He shall organize the administrative and supervisory staff, and select, place, and transfer personnel with the concurrence of the Board. He is responsible for administering the instruction of students and the business affairs of the school district. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study, and/or recommendation, as appropriate.

Section 8. Cancellation or Mid-Term Amendment. The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education: (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence: (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity: (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of his duties; (m) any arrest, criminal charge, or criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying school district records or documents; (p) misrepresentation of fact to the district and its personnel in the conduct of the district's official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the district except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with his duties under Section 2 (Renewal of Contract) or Section 15 (Evaluation) shall constitute a material breach of this contract.

Section 9. Disability. If the Superintendent is unable to perform his duties by reason of illness, accident or other disability beyond his control, and the disability continues for a period of more than forty-five (45) days or if the disability is permanent, irreparable, or of such a nature as to make performance of his duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the

parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the district.

Section 10. Transportation. The Board shall provide the Superintendent with transportation or reimburse his for mileage required in the performance of his official duties at the rate approved by the Board.

Section 11. Fringe Benefits. The Board shall provide the Superintendent with the following fringe benefits:

a. **Expense Reimbursement.** The Board shall pay or reimburse the Superintendent for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (NEB. REV. STAT. § 13-2201 *et seq.*) or some other provision of law, and (2) the Superintendent shall secure the prior approval of the Board before incurring any such expense when the anticipated aggregate expense of any single event is $1,500.00 or more. If the Superintendent incurs more than $1,500.00 in educational seminars, workshops, conferences, or training programs in any contract year and chooses to not return the following year of employment as Superintendent, the Superintendent agrees to repay the district in full for expenses paid by the district.

b. **Cell Phone.** The Board shall provide the Superintendent with a cellular phone at school district expense. The Superintendent shall be permitted to use the cellular phone for personal calls except as otherwise prohibited or limited by the law. The Superintendent shall be responsible for the payment of any charges that directly result from personal use of the cellular phone and authorizes the school district to deduct the cost of the overage from his next regular paycheck.

c. **Health Insurance.** Family health insurance that is provided to certificated staff through the District's health insurance carrier.

d. **Dental Insurance.** Family dental insurance that is available to certificated staff through the District's health insurance carrier.

e. **Vision Insurance.** Family vision insurance that is available to certificated staff through the District's selected carrier.

f. **Disability Insurance.** The Superintendent shall purchase long-term disability insurance from the school district's carrier at his own expense. The Board will increase his salary by the amount of the premium cost.

g. **Professional Development.** The Superintendent is expected to continue his professional development and to participate in relevant learning experiences. With the approval of the Board, he may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Superintendent attends a national convention and does not return following the initial year of employment as Superintendent, the Superintendent agrees to repay the District in full for national convention expenses paid by the District.

h. **Professional Dues.** The school district will pay the annual dues for the Superintendent's membership in the following organizations: NCSA, AASA, NCA, and ASCD.

i. **Physical Examination.** The Superintendent may voluntarily choose to have a comprehensive medical exam each contract year, which is subject to reimbursement pursuant to the terms of this subsection. Any reimbursement request shall be limited to no more than $500 of costs that are not paid by medical insurance applicable to the Superintendent. To be reimbursed, the Superintendent shall provide the Secretary of the Board (i) documentation sufficient to support the reimbursement request (e.g. receipts, explanation of benefits, etc.) and (ii) a statement from the physician certifying that the Superintendent is physically fit to perform the essential functions of the Superintendent's position with or without a reasonable accommodation. Such statement shall be placed in a separate medical file and remain confidential as to the extent permitted by law.

Section 12. Residence/Domicile in School District. The Superintendent shall have his domicile and principal residence within the boundaries of the District as they exist on the first duty day for the Superintendent under the terms of this contract; and, the Superintendent shall maintain his domicile and residence within the boundaries of the District during the term of this agreement, or any renewal, amendment, or continuation thereof, except as otherwise provided herein. If the Superintendent is in his first year of employment with the District and does not have his domicile and principal place of residence within the District at the time of his employment, the Superintendent shall move his domicile and principal place of residence into the corporate limits of the District before the expiration of the first six months from the Superintendent's first duty day under this contract. It is the purpose of this paragraph to require the Superintendent to, at all times during such employment, live and maintain his domicile and principal place of residence in the District to encourage the Superintendent: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the district as a legal voter of the school district; (3) to be involved in school and community activities bringing him in contact with parents and community leaders and be committed to the future of the district and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Superintendent; and (5) to gain sympathy and understanding for the cultural basis of the community, and the social, economic, and environmental problems of the children of the school community and are thus less likely to be considered isolated from the community in which he is the educational leader.

Section 13. No Penalty for Release or Resignation. There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

Section 14. Compensation Upon Termination and Credit for Accrued Vacation. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary he was paid but had not earned prior to the date of termination of this contract.

Section 15. Evaluation. The Board shall evaluate the Superintendent once during the 2024–2025 school year. The annual evaluations shall occur no later than the **regular December meeting**. The Superintendent shall: remind the Board members in writing of this provision no later than its **regular November meeting**; make his evaluation an agenda item for the regular **December** board meeting during each year of this contract; and provide them with the written evaluation instrument that is on file with the Nebraska Department of Education.

Section 16. Legal Actions. The Board will support the Superintendent if there is a legal dispute caused by him carrying out his duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of his performance of his duties or his position as Superintendent of the district, the Board will provide him with a legal defense to the maximum extent permitted by law so long as he acted in good faith and in a manner which he reasonably believes to be in or not opposed to the best interests of the district and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful.

Section 17. Physical or Mental Examination. To the extent allowed by applicable law, the Superintendent agrees that, at the request of the Board, he will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this Contract. The physician's report to the Board shall address whether the Superintendent is able to perform the "essential functions" of his position with or without reasonable accommodation. Additionally, the report will address whether reasonable accommodations are necessary and, if so, provide information requested by the Board relating to such reasonable accommodations and the nature/duration of any disability.

Section 18. Disciplinary Action. The parties agree that the Board president may place the Superintendent on paid leave by delivering written notice of the same when the Board president determines it is in the best interests of the school district to do so. The paid leave shall continue unless and until a majority of the Board determines otherwise at a duly convened meeting. The Board may suspend the Superintendent without pay for a period not to exceed thirty (30) working days. Prior to suspending the Superintendent without pay, the Board president or secretary shall deliver a written notice to the Superintendent advising him of the alleged reasons for the proposed action and provided the opportunity to present his version of the facts. Within seven calendar days after receipt of such notice, the Superintendent may make a written request to the secretary of the school board for a formal due process hearing under NEB. REV. STAT. § 79-832. If

such a request is not delivered within such time, the action of the Board shall become final.

Section 19. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contact.

Section 20. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Superintendent and the Board.

Section 21. Severability. If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.

> Outlot D, Shawnee Ridge Addition to the City of Tecumseh, Johnson County, Nebraska

(the "Property"); and

WHEREAS, Buyer desires to procure an option to purchase the Property upon the terms and provisions as set forth herein;

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants, promises, and conditions set forth herein, the Parties agree as follows:

AGREEMENT

1. **Recital Incorporated Herein.** The foregoing recitals are incorporated herein by this reference with the same force and effect as if the same were set forth in the body of this Agreement section in their entirety.

2. **Exclusive Option to Purchase the Property.** Seller hereby grants Buyer the exclusive and irrevocable option to purchase the Property (the "Option") upon the terms and conditions set forth in this Agreement.

3. **Option Payment.** Upon execution of this Agreement, Buyer will pay Seller the total amount of Fifty Thousand Dollars ($50,000) (the "Option Payment"). The Option Payment will not be deducted from the Purchase Price of the Property and is paid to Seller as consideration for entering into this Agreement and granting the Option herein.

4. **Right to Exercise Option.** The Option may be exercised by the Buyer, at its sole discretion, at any time at or before 11:59 pm on **January 15, 2026**, by personal delivery of notice in writing to Seller or by sending the same to the following address: 1109 North 5th Street, Tecumseh, Nebraska 68450. Any notice of Buyer exercising the Option will be deemed delivered to Seller upon deposit in the U.S. Mail, Certified, Return Receipt Requested, addressed to the above address.

5. **Term and Extension.** This Agreement shall be valid and remain in force for at least five (5) years following the effective date stated above and upon Buyer's exercise of the Option will be automatically extended until such time as the

Closing occurs. This Agreement may be extended for an additional two (2) years by Buyer paying Seller the amount of Thirty Thousand Dollars ($30,000) (the "Extension Fee") by school district check at any time prior to expiration of the initial term stated herein.

6. **Purchase Price.** In consideration of Seller's agreement to convey the Property, and subject to the terms, conditions, and limitations of this Agreement, Buyer agrees to pay Seller the sum of Eight Hundred Thousand Dollars Only ($800,000) (the "Purchase Price") at Closing.

7. **Closing.** Closing shall take place within ninety (90) days of Buyer's exercise of the Option. Buyer has the right to determine the time, date, and place of Closing. Time is of the essence of this Agreement.

8. **Title.** Within 30 days after Buyer has exercised its Option, the Seller shall deliver to Buyer a Certificate of Title or Title Abstract covering the Property that shall reflect that marketable fee simple title to the subject Property is vested in Seller and that the same is insurable by a title insurance company licensed to do business in the State of Nebraska. The Certificate or Abstract shall be subject only to taxes for the current year and those easements and encumbrances shown in the Limited Title Report dated October 1, 2020, attached hereto as Exhibit A and incorporated herein by this reference. If the Certificate or Abstract reflects any other exceptions to the title unacceptable to Buyer, Buyer shall notify the Seller in writing of any defects within 30 days (the "Title Review Period") and the Seller shall have up to 30 days in which to make the title good and marketable or insurable, and shall use due diligence in an effort to do so. If after using due diligence the Seller is unable to make the title acceptable to Buyer within 30 days, it shall be the option of the Buyer either to accept the title in its existing condition with no further obligation on the part of the Seller to correct any defect, or to cancel this Agreement. If this Agreement is cancelled pursuant to this paragraph, all money paid by the Buyer to the Seller upon the execution of this Agreement or upon any extension shall be returned to the Buyer, and this Agreement shall terminate without further obligation of either party to the other. If title is acceptable to Buyer, the Closing shall occur within 30 days after expiration of the Title Review Period.

9. **Title Insurance Policy.** Buyer may obtain title insurance insuring Buyer's interest in the Property in an amount equal to the Purchase Price subject only to (a) liens of current local property taxes, not yet due and payable; and (b) such covenants, conditions, and restrictions of record, public utility easements, and zoning ordinances which will not adversely affect the value of the Property for Buyer's intended use (hereinafter collectively referred to as "Title Insurance"). The premium for the Title Insurance shall be paid entirely by Buyer.

10. **Delivery of Deed.** At Closing, Seller shall deliver to Buyer a properly executed and acknowledged general warranty deed, substantially similar to the form attached hereto as Exhibit B, conveying marketable fee simple title to Buyer, free and clear of all liens, encumbrances, special assessments levied or assessed, and subject only to exceptions acceptable to Buyer.

11. **Possession.** Buyer shall be entitled to possession of the Property at Closing.

12. **Closing Costs.** The following fees and costs shall be shared equally by the Parties: (a) any fee that becomes payable upon recordation of the warranty deed conveying title to the Property from Seller to Buyer; (b) applicable Nebraska Documentary Stamp Taxes, if any, that become payable upon recordation of the warranty deed; and (c) any other closing costs.

13. **Taxes.** Seller shall be responsible for real estate taxes on the Property for all years prior to the year in which the Closing occurs. Real estate taxes for the calendar year in which the Closing occurs shall be prorated to the closing date. The real estate taxes shall be prorated on the basis of the most current assessment for the Property and based upon the most current tax levy as set by the Board of Equalization of Johnson County, Nebraska. Any property tax credit applicable to the Property under the Nebraska Property Tax Credit Act for the year of the date of possession shall be prorated to the date of possession. The credit shall be prorated on the basis of the most recently certified property tax credit available from the appropriate governing body at the time of closing. The most recently certified property tax credit shall be the prior year's certified property tax credit until a new credit is certified.

14. **Maintain Property.** Seller agrees to maintain the Property in its present condition until delivery of possession.

15. **Seller's Representations and Warranties.** Seller represents and warrants to Buyer as follows:

a. **No Options or Rights of First Refusal.** The Property is free and clear of all liens and encumbrances not recorded. Additionally, and without limiting the foregoing, the Property is not encumbered in any way by any rights of first refusal, options to purchase, or any other preemptive right to purchase the Property.

b. **No Hazardous Substances.** There has been no release, threatened release, presence, leak, spill, discharge, or emission of any "Hazardous Substance", to the surface water, groundwater, air, or soil at, on, or within the Property. As used herein, the term "Hazardous Substance" shall mean any substance which is or contains (1) any "hazardous substance" as now or hereafter defined in § 101(14) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. § 9601 et seq.) ("CERCLA") or any regulations promulgated under CERCLA; (2) any "hazardous waste" as now or hereafter defined in the Resource Conversation and Recovery Act (42 U.S.C. §6901 et seq.) ("RCRA") or regulations promulgated under RCRA; (3) any substance regulated by Toxic Substances Control Act (15 U.S.C. §2601 et seq.); (4) gasoline, diesel fuel, or other petroleum hydrocarbons; (5) asbestos and asbestos containing materials, in any form, whether friable or non-friable; (6) polychlorinated biphenyls; (7) radon gas; and (8) any additional substances or materials which are now or hereafter classified or considered to be hazardous or toxic under any applicable federal or state laws relating to any of the Property. Hazardous substances shall

include, without limitation, any substance, the presence of which on the property, (a) requires reporting, investigation, or remediation under applicable law, (b) causes or threatens to cause a nuisance on the property or adjacent property or poses or threatens to pose a hazard to the health or safety of persons on the property or adjacent property; or (c) which, if emanated or migrated from the property, could constitute a trespass.

c. **Survival.** All of Seller's representations and warranties contained in this Agreement shall survive the Closing and/or termination of this Agreement.

16. **Inspections and Testing.** Upon Buyer's exercise of its Option, Buyer and its employees and agents shall have the right to enter upon the Property and perform such tests and inspections as it deems necessary to determine suitability of the Property for its intended use. Buyer shall provide notice to Seller of the need to access the Property, and such notice shall be provided by phone call to (402) 335-3189 or (402) 335-0189 or text message to (402) 335-0189. Buyer shall restore the Property if (a) such tests alter the grade, compaction, or vegetation and (b) this Agreement fails to close for any reason. Buyer hereby agrees to indemnify, defend, and hold harmless Seller from and against: (i) any and all claims, actions, damages, or expenses (including attorney's fees) arising from Buyer's tests and/or inspections conducted on the Property (including personal injury, death, and property damage); and (ii) any mechanic's liens filed against the Property resulting from the Buyer's tests or inspections. The terms and conditions of this section shall survive the Closing and/or termination of this Agreement. The costs of these inspections will be paid by the Buyer.

a. Buyer will notify Seller in writing within 30 days of the completion of any test or inspection (i) of any physical deficiencies that Buyer is requesting Seller correct ("Deficiency Notice"), or (ii) if the Buyer rejects the Property or personal property due to its unsatisfactory condition ("Rejection").

b. If the Buyer does not provide the Seller with either of the notices indicated in the foregoing paragraph within 30 days of the completion of the test or inspection, the Property will be deemed acceptable to the Buyer.

c. This Agreement will be null and void if the Buyer provides the Seller with a Rejection.

d. Seller shall have five days to respond, in writing, to a Deficiency Notice from Buyer. Seller's failure to so respond shall give the Buyer the option to terminate this Agreement.

e. By accepting the Property, Buyer does not waive, release, or relinquish any claims it might have against anyone for misrepresentation, concealment, fraud, or any other cause of action.

17. **Environmental Liability.** Nothing herein shall be construed to relieve Seller of liability arising from or related to the presence, release, threatened release, leak, spill, discharge, or emission of any "Hazardous Substance" to the surface water, groundwater, air, or soil at, on, or within the Property prior to the Closing Date. Further, nothing herein shall be construed to transfer liability, including without limitation any financial obligation or indemnity obligation, from Seller to Buyer arising from or related to the presence, release, threatened release, leak, spill, discharge, or emission of any "Hazardous Substance", to the surface water, groundwater, air, or soil at, on, or within the Property prior to the Closing Date. Seller expressly agrees that to the extent that there is any presence, release, threatened release, leak, spill, discharge, or emission of any "Hazardous Substance", to the surface water, groundwater, air, or soil at, on, or within the Property prior to the Closing Date, then: (a) a party other than Buyer was the "sole cause" of the presence, release, threatened release, leak, spill, discharge, or emission of such "Hazardous Substance" and the damages caused thereby; (b) Buyer did not actually know of the presence, release, threatened release, leak, spill, discharge, or emission of such "Hazardous Substance" prior to the Closing Date; and (c) Buyer undertook appropriate inquiry prior to the Closing Date to minimize its liability. The terms and conditions of this section shall survive the Closing and/or termination of this Agreement.

18. **Other Costs.** Except as otherwise expressly provided herein, Buyer and Seller shall pay their own respective attorney fees and other costs and expenses incurred in connection with the preparation, execution, and performance of this Agreement.

19. **No Brokers.** Neither Party has entered into any contract, arrangement, or understanding with any person or firm which may result in the obligation of either party to pay any finder's fee, brokerage, or agent's commission, or other like payment in connection with the negotiations leading to the execution of this Agreement or the consummation of the transactions contemplated hereby.

20. **Buyer's Conditions of Closing.** Buyer's obligation to close on the purchase of the Property is expressly conditioned upon the complete and timely fulfillment of the following at or prior to Closing:

a. **Warranty Deed.** Buyer shall receive from Seller an executed and acknowledged warranty deed to the Property, substantially similar to the form attached hereto as Exhibit B, in accordance with section 10 of this Agreement.

b. **Accuracy of Warranties.** All representations and warranties of Seller contained in this Agreement shall be true and correct at and as of Closing and Seller shall have performed all agreements and covenants and satisfied all conditions on its part to be performed or satisfied by Closing pursuant to the terms of this Agreement.

21. **Seller's Conditions of Closing.** Seller's obligation to perform hereunder is expressly conditioned upon the complete and timely fulfillment of the following at or prior to Closing:

a. **Payment.** At Closing, Buyer shall deliver to Seller the Purchase Price in accordance with section 6 of this Agreement.

22. **Successors-in-Interest and Assigns.** This Agreement shall be binding upon and inure to the benefit of the Parties, and each of their respective insurers, legal representatives, heirs, devisees, successors, assigns, personal representatives, and agents. Notwithstanding any provision to the contrary, the death of Seller will not terminate, diminish, or excuse any of Seller's obligations hereunder. Sellers shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the District.

23. **No Third-Party Beneficiaries.** The Parties have entered into this Agreement solely and exclusively for their own benefit. This Agreement does not and is not intended to confer any right or remedies upon any person or entity other than the Parties. Nothing herein shall be construed to create any third-party beneficiary rights in any other person or entity not a Party hereto

24. **Counterparts.** This Agreement may be executed, acknowledged, delivered, and transmitted in counterparts, by facsimile process or otherwise, each of which when so executed, acknowledged, delivered, or transmitted shall be deemed an original, but all of such counterparts shall constitute one and the same instrument.

25. **Delivery of Documents.** This Agreement properly executed and any document or notice required or permitted to be delivered hereunder shall be in writing and shall be deemed delivered on the same day if personally delivered or two (2) days after deposit in the U.S. mail if delivered by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

If to Seller: David and Suzanne Wilson

Tecumseh, Nebraska 68450

If to Buyer: Johnson County Central Public Schools
Attn: Superintendent
358 North 6th Street
Tecumseh, NE 68450

or to such other address as any party shall specify by written notice so given. Notwithstanding the foregoing, any notice of Buyer exercising the Option will be deemed delivered to Seller as provided by section 4 above.

26. **Execution of Additional Documents.** The parties hereto will at any time, and from time to time after Closing, upon request of the other party, execute, acknowledge, and deliver all such further acts, deeds, assignments, transfers, conveyances, powers of attorney, and assurances as may be required to carry out the intent of this Agreement, and to transfer and vest title to the Property, and to protect the right, title, and interest in and enjoyment of the Property assigned, transferred, and conveyed to Buyer pursuant to this Agreement; provided, however, this Agreement shall be effective regardless of whether any such additional documents are executed.

27. **Assignment.** Seller shall not assign any right or delegate any obligation arising hereunder without the prior written consent of Buyer.

28. **Governing Law.** All aspects of this Agreement shall be governed by and construed in accordance with the internal laws of the State of Nebraska, without regard to its choice of law rules.

29. **Severability.** If for any reason whatsoever, any one or more of the provisions of this Agreement shall be held or deemed to be inoperative, unenforceable, or invalid as applied to any particular case or in all cases, such circumstances shall not have the effect of rendering such provision invalid in any other case or of rendering any other provision of this Agreement inoperative, unenforceable or invalid.

30. **Waiver.** By written notice to the other, either Party hereto may: (a) extend the time for the performance of any of the obligations or other actions of the other under this Agreement; (b) waive any inaccuracy in the representations or warranties of the other contained in this Agreement or in any document delivered pursuant to this Agreement; (c) waive compliance with any condition or covenant of the other contained in this Agreement; or (d) waive performance of any obligation of the other under this Agreement. Except as provided in the preceding sentence, no action taken pursuant to this Agreement, including, without limitation, any investigation by or on behalf of any Party, shall be deemed to constitute a waiver by the Party taking such action of compliance with any representation, warranty, covenant or agreement contained in this Agreement. The waiver by any Party hereto of a breach of any provision hereunder (i) shall not be effective unless in writing and signed by an authorized representative of the waiving Party, and (ii) shall not operate or be construed as a waiver of any prior or subsequent breach of the same or any other provision hereunder.

31. **Construction.** All parties have cooperated in the drafting and preparation of this Agreement. Thus, this Agreement should not be construed against or for any party.

32. **Recording.** Contemporaneously with the execution hereof, the Parties agree to execute a Memorandum of Option to Purchase in the form attached hereto as Exhibit C, which is incorporated herein by this reference, and record the same with the Johnson County, Nebraska, Register of Deeds. Buyer shall be responsible for all fees assessed in connection with the recording of such Memorandum of Option to Purchase.

33. **Entire Agreement.** This Agreement, together with the exhibits attached hereto and all other documents to be delivered pursuant hereto, constitute the complete and exclusive written expression of the terms and conditions of the agreement among the Parties and supersedes all prior or contemporaneous proposals, agreements, understandings, negotiations and discussions, oral or written, between the Parties pertaining to the subject matter hereof. This Agreement may not in any way be explained, supplemented, or modified by: (a) any prior or existing course of dealing; (b) any prior performance of the Parties; or (c) any other

method, unless amended in a writing signed by duly authorized representatives of Buyer and Seller.
