- I. **CALL TO ORDER AND ROLL CALL (6:30 p.m.)***
- II. **EXECUTIVE SESSION (5:15-6:15 p.m.)* Note: this is not part of the public meeting. The Board will meet in Executive (closed) Session under ORS 192.660(2)(d) to consult with persons designated to carry on labor negotiations.**
- III. **SCHOOL BOARD RECOGNITION**
- IV. **ACKNOWLEDGE BLACK HISTORY MONTH**

Corvallis School District 509J

Resolution Number: 21-0201

ACKNOWLEDGEMENT OF BLACK HISTORY MONTH

WHEREAS, the Corvallis School District recognizes and pays tribute to the significant contributions made in our community by Black and African American people; and

WHEREAS, in 1926 Black History Month grew out of the establishment of what was then called Negro History Week by Carter G. Woodson and the Association for the Study of African American Life and History; and

WHEREAS, Black History Month was first proclaimed nationally in 1976 and has been celebrated annually ever since; and

WHEREAS, this nation was built upon the stolen labor of African peoples; and

WHEREAS, the descendants of African people forcibly removed from their homes now live in diaspora; and

WHEREAS, The State of Oregon has a documented history of anti-Blackness; and

WHEREAS, inequality and injustice still linger in our cities, states and country, and it is the responsibility of citizens to advance the American notion of life, liberty, and the pursuit of happiness for all; and

WHEREAS, our diverse culture enriches and broadens the American experience of which Black and African American heritage is an inseparable part as it weaves throughout our country's history, profoundly influencing every aspect of our lives; and

WHEREAS, education is a necessary component for creating a more equitable and anti-racist community, nation, and world; and

WHEREAS, The Corvallis School District has made a commitment to equity and anti-racism; and

WHEREAS, The Corvallis School District has a responsibility to honor and respect the diverse histories of our community.

Therefore, let it be resolved by the Board of Education of the Corvallis School District:

do hereby proclaim **February 2021** as well as each February annually, as **Black History Month** in the District and strongly encourage families, staff, and community members to join in existing local celebrations;

and encourage all schools in the district to help highlight this month in grade appropriate ways as well as highlight the contributions of Black and African American peoples to the local community, nation, and beyond both historically and in current times.

Adopted this day: 02-18-2021

Signed:

Sami Al-Abdrabbuh
Board Chair

Balanced Governance Board Self-Evaluation

Reviewing Your Detailed Report

The disaggregate data of each question's responses are displayed in column charts color coded to show responses in each of the categories for every question in the survey.

OSBA believes your school board will find it beneficial to drill down to the individual questions within each of the standards for the 12 board performance standards, and requests you read through this report thoroughly prior to your facilitator's arrival.

With the help of your OSBA facilitator the board will go through discussion in the following

1) What do you see?

Be prepared to describe what you see in the data and identify where it is located to the group. This is not about interpretation at this stage, only what you see.

2) What does the data suggest?

The board will discuss what the data suggest and try to generate different interpretations. Please come prepared to ask clarifying questions of one another to increase clarity and understanding of one another's perspectives.

3) Identify growth area(s) from the observations and interpretations.

The board will discuss which standard(s) to focus on for improvement and any indicators that the board wishes to see increased.

4) Build a professional development plan for the board.

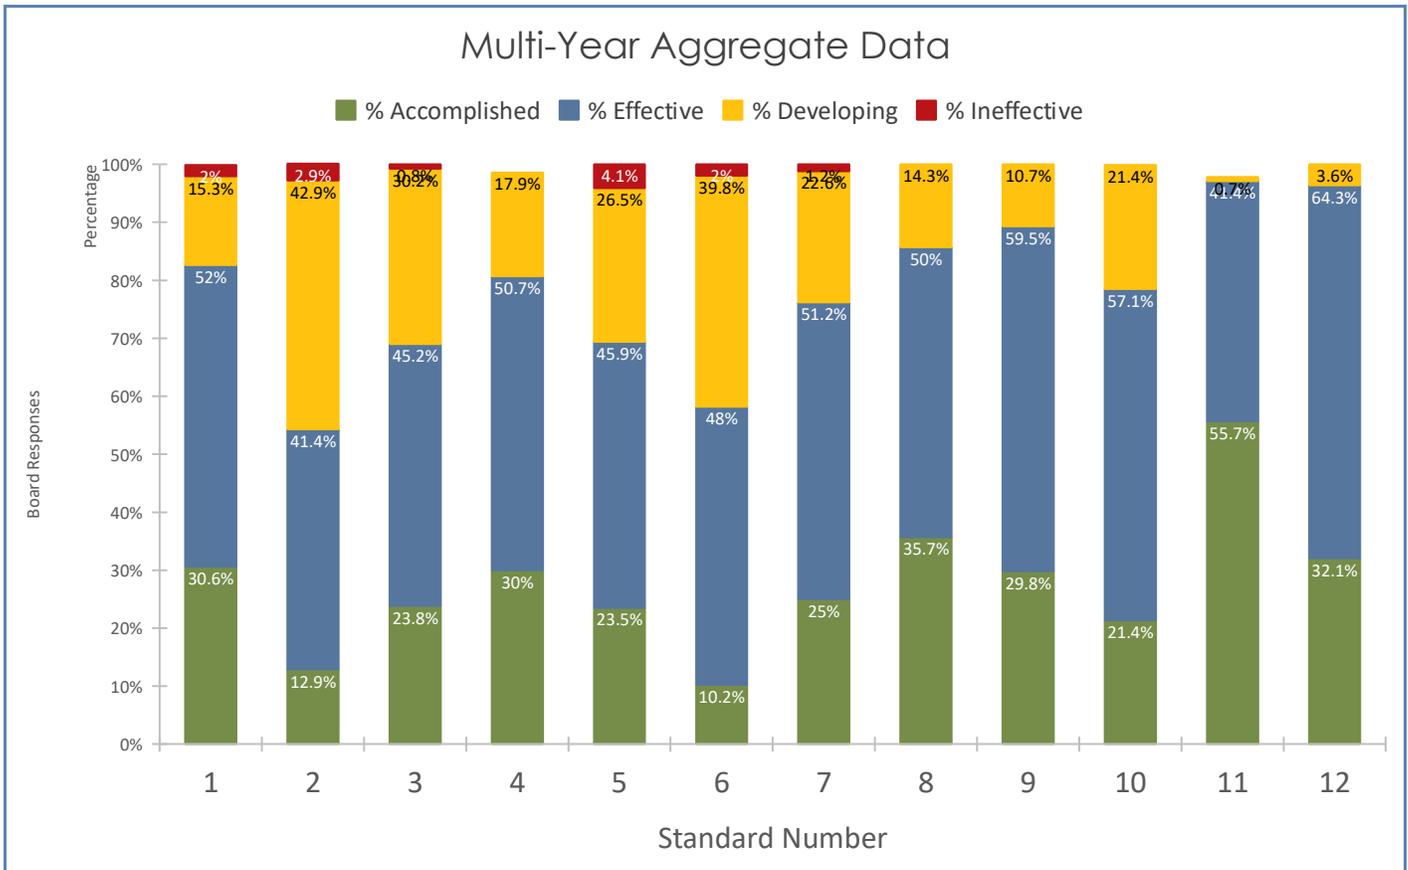

The board will discuss how it wishes to go about implementing its professional development by determining the level of commitment from the individual board members, how much time it is willing to devote to learning and who the board wishes to help guide the learning.

- Identify available time for board-superintendent team learning
- Determine use of a learning facilitator (OSBA, in-district, consultant, other)
- Establish commitment from individual board members to participate in the professional development.

OSBA looks forward to serving your board and being the association dedicated to improving student success and education equity through advocacy, leadership and service to Oregon school boards.

Linn Benton Lincoln Education Service District Local Service Plan 2023-2025 – First Read NO ACTION REQUESTED

Background

At least 90% of the annual State School Fund (SSF), Property Tax and other qualifying resources allocated to the Linn Benton Lincoln Education Service District (LBL ESD) will be expended on resolution services and are outlined in a Local Service Plan (LSP). Service decisions are made by the member district superintendents for a two-year period. The 2023-2025 LSP, attached, was adopted by the LBL ESD Board of Directors on January 18, 2023. Under Oregon Law, each component school district board must affirm the resolution for the Local Service Plan by March 1 annually.

Involvement

Superintendents of the member districts of the LBL ESD.

Cost Impact

Costs will be factored into the annual budget.

Serving the Counties of Linn, Benton, Lincoln, and Beyond!

Linn Benton Lincoln Education Service District (LBL) serves educational agencies, districts, and schools across the state with high-quality services and programs that are practical, reliable, and economical. LBL has a distinguished reputation for supporting educational excellence and equity, working cooperatively with educators and educational agencies, and effecting productive solutions that help schools, teachers, students, and families meet Oregon's educational goals.

LBL comprises 12 component districts and 96 schools with approximately 37,217 students in Linn, Benton, and Lincoln counties. LBL also serves

students and districts elsewhere in Oregon through grants and contracts. Its governance structure includes a seven-member Board.

LBL is one of 19 Education Service Districts in Oregon that serve all 36 counties. The purpose of Oregon's Education Service Districts is defined in Oregon Revised Statute (ORS) 334.005. Education Service Districts assist school districts and the State of Oregon in achieving Oregon's education goals by providing equitable education opportunities for all of Oregon's public school students.

Education Service Districts (ESDs) originated in Oregon's first laws establishing a general system of common schools. Through the history of Oregon's regional services system, local governances and state statues concerning the mission of ESDs has remained somewhat constant: "Education Service Districts assist school districts and the State of Oregon in achieving Oregon's education goals by providing excellent and equitable educational opportunities for all Oregon public school students."

ORS 334.005 defines the mission, purpose, and accountability of an ESD. The mission of education service districts is to assist school districts and the Department of Education in achieving Oregon's educational goals by providing equitable, high quality, cost-effective, and locally responsive educational services at a regional level.

An education service district plays a key role in:

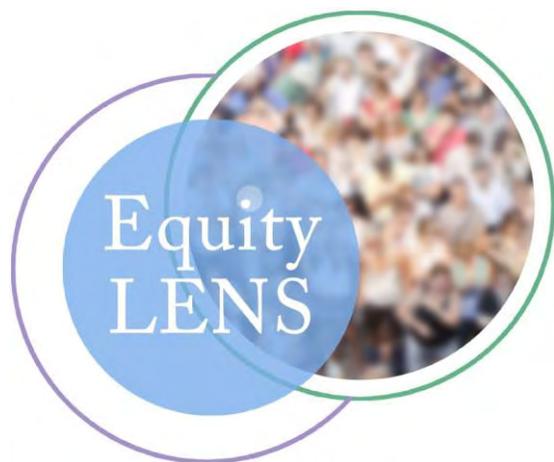

- Ensuring an equitable and excellent education for all children in the state;
- Implementing the Oregon Educational Act for the 21st Century;
- Fostering the attainment of high standards of performance by all students in Oregon's public schools;
- Facilitating interorganizational coordination and cooperation among education, social service, health care, and employment training agencies.

(Continued on page 6)

Per ORS 334.175, Education Service Districts must provide regionalized core services in the following areas:

- Programs for children with special needs, including but not limited to special education services and services for at-risk students.
- Technology support for component school districts and the individual technology plans for those districts, including but not limited to technology infrastructure services, data services, instructional technology services, and distance learning.
- School improvement services for component school districts, including but not limited to:
 1. Services designed to support component school districts in meeting the requirements of state and federal law;
 2. Services designed to allow the education service district to participate in and facilitate a review of the state and federal standards related to the provision of a quality education by component school districts;
 3. Services designed to support and facilitate continuous school improvement planning;
 4. Services designed to address schoolwide behavior and climate issues;
 5. Services designed to support career and technical education.
- Administrative and support services for component school districts, including but not limited to services designed to consolidate component school district business functions, liaison services between the Department of Education and component school districts, and registration of children being taught by private teachers, parents, or legal guardians pursuant to ORS 339.035.

An education service district may provide entrepreneurial services to public and private entities and to school districts that are not component school districts of the education service district with the approval of the constituent districts through their approval of the Local Service Plan.

We believe that every student, staff and community partner should be treated equitably. Our focus is to eliminate disparities among all groups.

Equity:

Just and fair inclusion. An equitable society is one in which all can participate and prosper to allow all to reach their full potential.

Purpose:

Provide a common vocabulary and protocol to produce and evaluate policies, practices, processes, programs, services or decisions that result in more equitable outcomes.

Procedure:

Consider the following four questions for any policy, practice, process, program, service or decision:

- 1 Who Does It Impact?**
 - Who are the groups affected?
 - What are the potential impacts on these groups?
- 2 Who Has the Opportunities and is Included and Who is Not?**
 - Are existing disparities ignored or worsened?
 - Are there unintended consequences?
- 3 Whose Voices Are at the Table?**
 - Have we intentionally involved our partners?
- 4 What Can We Do About It?**
 - How will we mitigate the negative impacts and address the barriers identified above?

Non-Discrimination: LBL ESD prohibits discrimination and harassment on any basis protected by law, including but not limited to an individual's perceived or actual race, color, religion, sex, sexual orientation, national or ethnic origin, marital status, disability, veterans status, or the protected status of any other person with whom the individual associates. [Policy AC](#).

Mission

Linn Benton Lincoln Education Service District serves districts, schools, and students by providing equitable, flexible, and effective educational services through economy of scale.

Vision

To be a responsive and transparent organization that supports districts by embracing continuous improvement in helping every child succeed.

Values

Success for all students and their districts.

Relationships built on trust, responsiveness, and honesty.

The four “E”s of Excellence, Equity, Efficiency, and Effectiveness.

Accountability.

Goals and Board Objectives

Goal 1

Support success for all students and their districts by delivering excellent, equitable, efficient, and cost effective services.

Board Objective 1

Pursue innovation through service delivery, evaluation and improvement, staff development, and the use of technology.

Goal 2

Foster positive relationships by strengthening communication within the ESD, with school districts, other organizations, and communities.

Board Objective 2

Continue to enhance positive relationships and effective communication with LBL ESD employees, school districts, and communities.

Goal 3

Continue long-term financial stability.

Board Objective 3

Maintain a long-term financial plan with guidelines and philosophy that includes contingencies for economic changes.

September/October

Visit and interview districts to discuss service level satisfaction, LBL performance measures, and emerging needs. Survey electronically as needed.

October/November

Present VCSA draft resolution Local Service Plan for the next biennium. Review/revise the Local Service Plan as described under ORS 334.175(1) with input from Superintendents.

November

VCSA Superintendents finalize the Local Service Plan services and agreements resulting in recommendation of the LBL Local Service Plan to the LBL Board of Directors and component school districts.

January

The recommended LBL Local Service Plan will be provided to the LBL Board of Directors for adoption for the biennium. By statute, the Local Service Plan must be approved by districts each year.

February

After being adopted by the LBL Board of Directors, the Local Service Plan is approved on or before March 1 by resolution of two-thirds of the component school districts representing more than 50% of the students in the LBL region. Adoption by component district boards shall occur before March 1.

March

Notify LBL staff of changes in service requirements as established in the Local Service Plan.

April/May

LBL acquires the necessary staffing, equipment, and technology and other resources to deliver the services required or services are brokered through other sources.

Resolution Service Allocation

At least 90% of the annual State School Fund (SSF), property tax, and other qualifying resources allocated to LBL will be expended on resolution services. Services will be provided on a two-tiered basis.

Tier 1 Resolution Services

Tier 1 includes services that are available to all 12 districts and are determined as being essential to all districts. Approval to sustain or add a Tier 1 service occurs with a positive vote of two-thirds of the districts, representing over 50% of the students, based on the final ADMr from the 2020-2021 fiscal year as provided by the Oregon Department of Education in May of 2022. The emphasis in Tier 1 is on achieving the greatest economies of scale and assuring equity of access. Tier 1 services are fully funded from the 90% SSF allocation. Service decisions are made for a two year period. However, if a service is provided through a contract that LBL holds with a third party vendor, the term of that contract will take precedence. Current Tier 1 services include:

- Business Information Services
- InTouch Student Receipting Software
- Frontline Software - Forecast 5, 5Cast, 5Cast Plus, and 5Sight
- Courier
- Student Information System Suite: Synergy with Analytical and multi-tiered systems of support modules.
- Network Support Services including Wide Area Network Operation
- Cyber Safety
- Special Education and Evaluation Services (School Psychologists, Speech Language Pathologists, and other special education assessment personnel)
- Early Childhood Special Education Evaluation
- Audiology Evaluation
- Occupational Therapy
- Physical Therapy
- Augmentative Communication Services
- Severe Disabilities: Support and consultation for students
- Strategic Partnerships for Student Success
- Home School: Registration and assessment tracking

Tier 2 Resolution Services

Once Tier 1 funds are allocated, the remaining balance is used for Tier 2 services. Tier 2 funds are allocated based on the average of the last 3 years of actual ADMw. For the 2023-2024 fiscal year, ADMw from FY19/20, FY20/21 and FY21/22 will be used. For the 2024-2025 fiscal year, ADMw from FY20/21, FY21/22 and FY22/23 will be used. The amount is rounded to the nearest tenth of a percentage, not less than 1%. This allows LBL and its component school districts will stay within the constraints of the agreements, yet provide flexibility in the use of funds.

It is further agreed:

Changes in Tier 2 resolution services are negotiated by each district between the LBL Superintendent and the component school district Superintendent based on individual needs and within the following criteria:

- Assist component school districts in meeting requirements of state and federal law
- Improve student learning
- Enhance the quality of instruction provided to students
- Provide professional development to component school district employees
- Enable component school districts and the students who attend schools in those districts to have equitable access to resources
- Maximize operational and fiscal efficiencies for component school districts

- Service decisions will be made prior to May 1st of each year when possible
- Estimates of available resolution funding will be provided in April of each year

While every attempt is made to achieve economies of scale in Tier 2, the emphasis is on customizing a service package for each district. Tier 2 services do not require participation by a certain number of school districts. The emphasis is on the development of consortia of districts utilizing a given service. These consortia may, and most likely will, utilize a variety of funding resources, including resolution service resources, to fund services. The cost of Tier 2 services will be based on the districts ADMr where applicable. Up to 50% of the district's allocated Tier 2 resources may be used to acquire services from sources other than LBL if the service is not provided by LBL, based on the above criterion. Individual districts will determine Tier 2 services of Charter Schools.

Amendments to the Local Service Plan

If the component school districts approve an amendment to a Local Service Plan, the board of the education service district may amend a Local Service Plan that has been previously adopted by the LBL Board and approved by the Boards of component school districts.

ADMw that is used to calculate resource distribution for the 2023-2025 Local Service Plan are as follows:

(Continued on page 18)

Enrollment for Year 1 of the 2023-2025 Biennium

Tier 2 funds are allocated based on the average of the last 3 years of actual ADMw. ADMw from the previous three years will be used. This information is provided below.

SPECIAL EDUCATION SERVICES

Audiology Screening and Augmentative Communication

Service: Audiology Screening and Augmentative Communication

Program: Cascade Regional Inclusive Services

How it's funded: Tier 1

Contact: Angie Greenwood

Hearing screenings are provided to all students in kindergarten, 1st and 3rd grades who attend public schools. A child who fails two hearing screenings is then referred to the audiologist for an audiology evaluation. Testing may include: otoscopy, acoustic emittance testing, standard air and bone conduction

audiometry, speech audiometry, and otoacoustic emissions.

Augmentative Communication

Service: Augmentative Alternative Communication (AAC)

Program: Cascade Regional Inclusive Services

How it's funded: Tier 1

Contact: Angie Greenwood

Students who have an existing special education program, demonstrate significant difficulty communicating, and need a specialized system to support their education program are referred to Augmentative Alternative Communication Specialists. The goal of the specialists is to support school staff in creating and supporting student communication opportunities throughout the school day/week- infusing communication training in daily tasks and routines.

Early Childhood Special Education Evaluation

Service: Early Childhood Special Education Evaluation

Program: Early Intervention/Early Childhood Special Education

How It's Funded: Tier 1 and State Grant

Contact: Autumn Belloni, Debbie McPheeters and Kimberly McCutcheon-Gross

LBL early intervention specialists provide evaluations for students from birth to age 5 who are suspected of having a developmental delay or disability, including challenges in how they see, hear, talk, move, respond to others, play or learn. Families, child care providers, preschools, physicians, and community agencies can all refer students to the program for evaluation. Children who are found to have a developmental delay or disability are provided an Individualized

Family Service Plan (IFSP). An IFSP is a plan of services individualized for each child and family and includes the child's abilities and needs, services for the child and family, family outcomes related to the child's needs and goals, and objectives reflecting both the child's developmental and special education needs.

Occupational Therapy

Mild/Moderate occupational therapy in the educational setting supports school staff toward the collaborative implementation of student and children's educational goals. Providers assist in the implementation of Individual Family Service Plan (IFSP) and Individual Education Program (IEP) goals with a focus on adaptations and functional skills that promote progress toward those goals. Providers give direct consultation

to school staff and early intervention families for children eligible for services. Classroom teachers and interventionists are assisted with program development and interpretation of medical information. In-service training opportunities are available to enhance knowledge and understanding of issues impacting children's progress towards IFSP or IEP goals.

Physical Therapy

Service: Physical Therapy
Program: Cascade Regional Inclusive Services
How It's Funded: Tier 1 and Tier 2 and State Grant
Contact: Angie Greenwood

Physical therapists play an important role in both developing standards for school staff to assist students with gross motor deficits and in developing health care protocols to ensure safety, availability, accessibility, and self-

care in the school environment. A library of equipment is available for loan including assistive technology, positioning equipment, recreational equipment, and mobility aids. Providers give direct consultation to school staff and early intervention families for children eligible for services. Classroom teachers and interventionists are assisted with program development and interpretation of medical information. In-service training opportunities are available to enhance knowledge and understanding of issues impacting children's progress toward Individual Family Service Plan (IFSP) or Individual Education Program (IEP) goals.

School Psychological Services

Service: School Psychological Services
Program: Special Education and Evaluation Services
How It's Funded: Tier 1 and Tier 2
Contact: Laura Petschauer

School psychologists provide evaluation and consultation services to component districts. The school psychologists complete some evaluations in their assigned districts and also lead more complex team evaluations (such as Autism Spectrum Disorder and Culturally and Linguistically Diverse evaluations) that take place in the ESD's testing center. Additionally, school psychologists provide consultation services in a wide range of areas such as systems development, academic interventions and behavioral supports for both general education and special education students, evaluation planning, as well as legal compliance.

Severe Disability Services

Service: Severe Disability Services
Program: Special Education and Evaluation Services
How It's Funded: Tier 1 and State Grant
Contact: Laura Petschauer

Consultants provide support on instructional programming for students with moderate to severe intellectual disabilities, financial support, and access to an extensive lending library with materials that target the educational needs of students with moderate to severe intellectual disabilities. Services are provided by a program consultant which include the following resources: coordinates library purchases and

distributes list of available materials, provides districts with or helps districts find technical assistance and materials identified in district goals, visits each district monthly to observe programs and to provide consultation, serves as regional qualified trainer for Extended Assessment, and maintains an iPad loaded with educational apps for teacher preview.

Spanish Interpreter and Translation Services

Interpretation (oral) and translation (written) services in Spanish for school-related activities and meetings/services related to special education are offered through the Special Education and Evaluation Services program. The interpreter/translator services include interpreting at special education meetings and providing exact

translation of all school-related materials and forms, including but not limited to: evaluation reports, education forms, and parent communications. Staff can attend special education meetings to provide interpretation. This service also supports the Culturally and Linguistically Diverse (CLD) evaluations conducted per district request.

Special Education Collaborative

Service: Special Education Collaborative
Program: Special Education and Evaluation Services
How It's Funded: Tier 2
Contact: Laura Petschauer

The Special Education Collaborative consists of five component districts who coordinate service and professional development needs through the ESD's learning consultants and school psychologists to maximize the support of district teachers and administrators. The collaborative services and supports include, but are not limited to the following: consultation on special education paperwork development, Individualized Education Plan (IEP) preparation, action plan

and system development, short professional development for individuals or groups of teachers, Oregon Department of Education (ODE) guidance and sharing of ODE resources, Systems Performance Review & Improvement (SPR&I) procedures, and review and maintaining the Electronic Special Education Manual (ESEM).

Special Education Evaluation Services

The Special Education and Evaluation Services (SEES) program offers support to students across the broad range of services, including: system development for general education interventions in academics and behavior, evaluations for Special Education identification, psychologists, speech language pathologists and educational consultants services, interpreter and translator services in Spanish,

Multi-Tiered Systems of Support (MTSS) consultation and training, professional development on research based initiatives, and special education law and current practices in evaluation by SEES staff.

Speech and Language Services

Service: Speech Language Services

Program: Special Education and Evaluation Services

How It's Funded: Tier 1 and Tier 2

Contact: Laura Petschauer

Speech Language Pathologists (SLPs) provide speech and language services in Tier 1 evaluations as well as a direct service for districts to address students with a speech language impairment that adversely impacts their educational performance. As a Tier 1 service, speech language pathologists work with the evaluation teams to help identify and evaluate students with a suspected speech language impairment, suspected Autism Spectrum Disorder, or to help teams identify a language difference due to an English language proficiency rather than a disorder for students who are bilingual. As a Tier 2 service, districts are able to purchase FTE to support direct services within districts. Services include improving communication skills for students coping with difficulties in learning to listen, speak, read and/or write. SLPs serving in the schools case manage students who are identified with an eligibility of a speech language impairment as well as serve on intervention teams to help determine appropriate next steps for students who may be struggling with speech and/or language. SLPs may work with students under all disability categories and provide services under Specially Designed Instruction (SDI), related service, and/or consultation. These services may include articulation, receptive language, expressive language, social language, fluency, and voice.

TECHNOLOGY SUPPORT SERVICES

Business Information System (BIS)

Service: Business Information System (BIS)
Program: Business Services
How It's Funded: Tier 1 and Tier 2
Contact: Rocco Luiere

Infinite Visions is a fully integrated solution for financial and personnel management. It consists of integrated financial, human resources, payroll, purchasing, warehouse and fixed asset applications. Designed specifically for schools, Infinite Visions is a true K-12 multi-fund, modified accrual accounting system, both Generally Accepted Accounting Principles (GAAP) and Government Account Standards Board (GASB) compliant, offering full

Microsoft Office integration, drill-down capabilities, expert state reporting, customizable data sorting, and comprehensive reporting. The Infinite Visions suite also includes integrated applications such as the iVisions Web Portal that brings the power of Infinite Visions to every employee's desktop for employee self-services and school site functionality. LBL provides level 1 customer support to districts and acts as a liaison between Tyler Technologies and districts. Customer support includes problem-solving, training, facilitation of user groups, and upgrades and maintenance to each district database.

Cyber Safety

In the last year over 1000 schools have been negatively impacted by ransomware and many more have had breaches that resulted in stolen data. These attacks can cost districts in excess of one million dollars to rectify. Due to this uptick in cyber related attacks many cyber insurance carriers have increased their requirements for coverage.

Service: Cyber Safety
Program: Technology and Information Services
How It's Funded: Tier 1
Contact: Tim Jones

Cyber safety services are designed to help districts assess compliance with insurance requirements and improve their security posture. Cyber safety engineers can work with districts to create a complete security profile and make recommendations on how best to protect the district from malicious actors. While no amount of preparation can prevent all cyber attacks, the cyber safety services can help to lessen the impact in the case of the cyber attack.

Data Integrations

Service: Data Integrations
Program: Technology and Information Services
How It's Funded: Tier 2
Contact: Tim Jones

Data integration services offer the ability to integrate LBLEDSD hosted applications with a variety of third party vendors, including but not limited to Destiny, MealTime, Canvas, Google and School Messenger. Integrations can be configured, implemented and monitored for proper transmission of data.

Desktop Support

Service: Desktop Support
Program: Technology and Information Services
How It's Funded: Tier 1
Contact: Tim Jones

Computer support technicians (desktop support) offer support to users who are experiencing problems with their individual desktop computers or software. Assistance is provided to computer users by answering questions and resolving technical problems related to computer equipment and software. They may install or update required hardware and software, and recommend computer products or equipment to improve district productivity.

Frontline (formerly Forecast5)

Service: Frontline License
Program: Business Services

Tier 1 funds support the purchase of Frontline licenses for three products: 5Cast, 5Cast *Plus* and 5Sight. A statewide contract with Frontline provides technical support, regional training, and report development.

Internet Access

Internet access (ISP) service is available to provide districts with reliable high speed internet secured by a high availability firewall pair

and optional content filtering. Network devices and facilities required to deliver ISP service are housed and maintained in the LBL data center facility. This secure facility provides an environment that includes high-capacity cooling and emergency power capabilities.

InTouch is a comprehensive cash receipting software developed for K-12 schools that provides information in real-time. Tier 1 funds support the purchase of licenses for InTouch software and LBL staff provide level 1 support and training to districts. The software is a point of sale, system that manages students fees, tracks donations and payments for fundraisers, and provides comprehensive reporting.

Low Voltage

Low-voltage electrical work requires a licensed (journeyman) staff who can provide design, installation, maintenance, replacement and repair of electrical systems under 100 volts. Services include any kind of device that connects through the internet, such as telephone systems, climate controls, and even clocks. This service and other related

Network technicians provide support for your district's local and wide area networks which includes troubleshooting, patching, configurations and monitoring. Technicians maintain and provide consultation on network

equipment such as switches, routers, firewalls, and access points. Technology moves at a fast pace and our technical staff can help districts keep up with changing technologies.

Synergy (formerly Student Information System (SIS) Suite

LBL provides a comprehensive student information system (SIS) to districts and schools across Oregon. The Synergy SIS includes an administrative student information system, teacher gradebook and attendance, master/student scheduler, online registration system, MTSS, Special education and analysis tools. These applications offer secure, configurable access to student demographics, enrollment,

LBL provides a web-based special education management system. This special education management system enables educators to document all activities from pre-referral, referral, eligibility, Individual Education Program (IEP) development, IEP progress reporting to parents, and IEP revisions.

The model also includes private school

Individualized Service Plan (ISP) forms, data tracking sheets, and other forms. PowerSchool has an extensive suite of reports for district administrative reporting and state reporting. PowerSchool can be integrated with a district's student information system allowing specified data to flow between the two systems.

Systems Engineering

Service: Systems Engineering

Program: Technology and Information Services

How It's Funded: Tier 2

System engineers specialize in solving complex engineering problems regarding maintenance of and implementation of new systems. Engineers work to implement best practices in application delivery and data storage. These services include application and website hosting, data backups and datacenter designs and implementations. Engineering procedures are developed from idea to implementation to ensure security, service and sustainability.

Web Design and Maintenance

Service: Web Design and Maintenance

Program: Technology and Information Services

How It's Funded: Tier 2

LBL offers website development, hosting, and management solutions for district web-related needs. All of our websites utilize responsive design, with content that tailors to any device. Websites and content are made accessible to the widest audience. LBL's social media integration allows districts to make multiple posts of the same content for website and social media feeds, such as Facebook and Twitter saving you time. LBL has developed a mobile app for websites that allows users to quickly access website information, news, and resources, as well as receive push notifications for instant communication from school district officials. The mobile app is available for Android and Apple devices.

SCHOOL IMPROVEMENT SERVICES

Attendance Services

Service: Attendance Services
Program: Strategic Partnerships for Student Success
How It's Funded: Tier 2 and State Grant
Contact: Nancy Griffith

School attendance advisors work in collaboration with educators to mobilize schools and communities to teach the value of regular school attendance. Decreasing absenteeism involves a team approach in addressing the complex needs of our most vulnerable children in schools. School attendance advisors provide positive messaging, home visits, and mentoring to students and families. They address barriers to regular school attendance and connect students and families to community resources when needed. Schools attendance advisors work closely with school teams to promote a positive culture of attendance and an engaging school environment that motivates daily attendance.

Behavior Consultant Services

Behavior consultants work closely with teachers and administrators to provide behavioral intervention for students in the classroom. Behavior consultants collaborate with educators to complete Functional Behavior Assessments (FBAs) and positive Behavior Intervention Plans (BIPs). They provide specific student strategies to help students learn new behavior skills and promote prosocial behavior and emotional regulation. Behavior consultants provide support for level 1 and level 2 student behavioral safety assessments and sexual incident response

advisory teams. They also provide nonviolent crisis intervention training to teach educators best practices for managing difficult situations involving unsafe behavior.

Family Support Liaisons

Family support liaisons offer a range of services that include, but are not limited to addressing, physical and mental health services, case coordination services, positive youth development opportunities, and education supports. Of importance, secure connections are made for families to access health and social services, assist in navigating social service systems, and eliminating barriers. A disproportionate number of youth and families encounter adversaries such as poverty, homelessness, bullying/harassment, trauma, crisis, food insecurity, and substance abuse resulting in problems with social, emotional, and behavioral health issues. The vision is to fully engage and support underserved populations by integrating and leveraging resources that eliminate barriers to school success and foster successful transition to the workforce or postsecondary education.

LBL home school registrar monitors and maintains records of compliance for home school students and their parents residing in Linn, Benton, and Lincoln counties. LBL serves as a home school information resource for parents, students, schools, and districts.

When a student is being home schooled, parents must notify LBL of their intention to home school. Home school is education provided in the home by the parent or guardian. Home school parents have the full responsibility for their student's education, including all curriculum choices, record keeping, and testing compliance.

Library/Media Services

This service provides districts with the opportunity to purchase district-based library media services at the level of FTE required to meet Division 22 Standards. The specialist primarily provides consultation services that may include supporting districts in the development of library media program goals, library inventory training, and database management along with providing recommendations for media, book and collection purchases as well as other services as needed by the district.

E-rate Services

Service: E-rate Services
Program: Business Services
How It's Funded: Tier 2
Contact: Rocco Luiere

The Universal Service Administration Company's (USAC) Schools and Libraries Program, commonly known as the E-rate Program, helps ensure that schools and libraries can obtain high-speed internet access and telecommunications at affordable rates. Each year, the E-rate program offers over \$3.9 billion to bring

internet services to classrooms and libraries, providing discounts ranging from 20 to 90 percent to eligible schools and libraries on eligible products and services. LBL can assist districts to apply for and track E-rate funding, while helping to make sure each district stays in compliance with program rules. Our application services include assisting applicants through the entire lifecycle of the E-rate application process as well as providing staff training and yearly reports on E-rate funding. LBL also offers additional services that include district needs assessments, project management and audit supports.

Special Education and Evaluation Services

Service: Special Education Administration/Consultation
Program: Special Education and Evaluation Services
How It's Funded: Tier 2
Contact: Laura Petschauer

This service is available to districts who require a licensed special education administrator to support their district. Services may include administrative functions of planning and managing special education programs, staffing and budgeting, supervision of staff, compliance review, professional development, state reporting, and consultation.

OTHER GRANTS & CONTRACTS

Cascade Regional Inclusive Grant

This contract through the ODE supports the Regional Program for students with low-incidence disabilities:

- Deaf/Hard of Hearing
- Audiology for Deaf/Hard of Hearing
- Traumatic Brain Injury
- Blind/Visually Impaired
- Severe Orthopedic Impairment
- Autism Spectrum Disorder

Service: Low-Incidence Disabilities

Early Intervention/Early Childhood Special Education

This contract through the Oregon Department of Education, supports the program for Early Intervention and Special Education services to young children, birth to five years. Early Intervention/Early Childhood Special Education staff provides consultation and instruction to families and young children with developmental delays and disabilities in a variety of settings through an Individualized Family Service Plans (IFSP).

The focus of Oregon's Early Intervention (EI) program is to build the family's capacity to meet the special needs of their child. EI services are available for children from birth to three years who have developmental delays in their cognitive, physical, communication, self-help, or social skills development. EI services are also provided to children who have medically diagnosed conditions that are likely to result in a developmental delay later in the child's development.

Most EI interventions are provided to the child within everyday routines, activities, and places within their natural environment. Family members or caregivers are shown strategies for teaching the child in situations where and when a skill is used. Early Childhood Special Education (ECSE) provides services for children from three years to entrance kindergarten who qualify for services due to a developmental delay or categorical disability. Children in ECSE have disabilities that significantly impact their developmental progress. Services are provided in community preschools, homes, and structured classrooms and are based on the unique special education needs of each child.

The focus of the ECSE program is on teaching the child needed skills in areas of developmental delay, preparing the child for a school setting, and incorporating intervention strategies into the child's day.

Long-Term Care and Treatment

The Long Term Care and Treatment (LTCT) contract through the Oregon Department of Education provides education services to students in residential and day treatment facilities.

Service: Education Services
Program: Long Term Care and Treatment
How It's Funded: Grant from Oregon Department of Education
Contact: Cathy Wright

Farm Home School - The Children’s Farm Home, a Trillium Family Services mental health facility, provides residential and day treatment mental health services to children and youth from our region and from around the state who have significant emotional and behavioral challenges. LBL provides educational services to children and youth primarily in middle school through high school.

Wake Robin School - This transitional program provides education services to children and youth admitted to the day treatment program located on the Children’s Farm Home campus, through a contract with ODE. Trillium Family Services provides the mental health services and LBL ESD provides the educational services. The program services children and youth, kindergarten through 12th grade.

Old Mill Center Classroom - This program, through a contract with ODE, provides education services to students in day treatment at the Old Mill Center for Children and Families in Corvallis, the mental health provider. The program services children and youth, kindergarten through 2nd grade.

Medicaid Administrative Claiming

With support from the Oregon Health Authority (OHA), LBL provides training and support to districts to complete the Medicaid Administrative Claiming survey three times a year. LBL interfaces with OHA to generate cost pools, process match payments and resolve questions.

LBL staff also participate in the Medicaid Administrative Claiming process. Funds generated are used to purchase 0.25 FTE for a family support liaison to work with students and families in the Early Intervention/Early Childhood Special Education program.

Statewide Education Initiatives Account

Service: District Support
Program: Strategic Partnerships for Students Success
How It's Funded: Student Success Act
Contact: Nancy Griffith

The Statewide Education Initiatives Account (SEIA) provides support to districts in the implementation of their Student Investment Account (SIA) plans. LBL's plan will assist districts in meeting their SIA goals by providing school and systems improvement strategy support through partnerships that facilitate ongoing learning. Staff provide and assist with the use of data and strategies integral to improvement science. As a hub of information from ODE and other educational and mental health organizations, we communicate the latest information in regard to curriculum, initiatives and grants, professional development, and opportunities to work with other educators and service providers.

School Safety and Prevention Specialist

Service: District Support
Program: Strategic Partnerships for Students Success
How It's Funded: Grant from Oregon Department of Education
Contact: Nancy Griffith

This contract through the Oregon Department of Education offers training, assistance program/plan development, help to establish and coordinate school and community teams and provide ongoing consultation, training and technical assistance in Linn, Benton Lincoln and Lane counties. Three domains include: behavioral safety assessment, suicide prevention, and bullying and harassment prevention. This also includes promoting the use of the SafeOregon Tip Line.

Transition Network Facilitator

Service: District Support
Program: Special Education and Evaluation Services
How It's Funded: Grant from Oregon Department of Education
Contact: Laura Petschauer

This contract through the Oregon Department of Education provides support in developing partnerships between districts and agencies that support transition services for students with intellectual and developmental disabilities. The services are focused on providing educators and students in Lane, Linn, Benton, Lincoln, and Marion counties with information and services creating pathways toward independent living and employment in post school life. Services include teaching pre-employment transition skills for youth and young adults.

Youth Transition Program

The Youth Transition Program (YTP) is a structured partnership between local Vocational Rehabilitation offices and school districts to enhance transition services. The grant is used to support services which are designed to prepare high school youth with disabilities for employment or career related post-secondary education or training. Through a partnership, the University of Oregon provides technical assistance to students and schools, preparing the student to enter the work force, higher education or both.

LBL Local Service Plan Addendum 2023-2025: Intergrated Guidance Technical Assistance

The ESD Mandate:

Through the Statewide Education Initiatives Account, each ESD received funds to provide technical assistance to districts in their region in support of the Student Investment Account, now included in the Integrated Guidance. There is flexibility in how ESD TA funds can be spent, but they must be spent on capacity building expenditures. (Funds cannot be used for direct student services.)

LBLESD	Student Success Act – SEIA
Outcome #1	Technical assistance for districts in their implementation of policies, systems, programs, and services that promote student social emotional wellbeing, mental health, engagement, and physical safety.
Outcome #2	Technical assistance for the continued implementation of and the identified key areas in district SIA plans via consulting, coaching, professional development, or other supports.
Outcome #3	Technical assistance in data collection and analysis that builds capacity, data literacy, and continuous improvement of schools and districts.
Outcome #4	Technical assistance to further and expand community engagement to meet the requirements of district SSA/SIA planning.
Outcome #5	Technical assistance for the growth and support of equity within each school district.
Strategy #1	Utilize a Regional Behavioral Health Plan to focus on district social, emotional, behavioral, and student engagement needs in-line with district planning. (Outcomes 1, 2, 5)
Strategy #2	Utilize a Continuous Improvement Team focused on building data literacy of district and school personnel through coaching and training, or provide systems planning and performance support for the systematic use of data in planning and decision making. (Outcomes 2, 3, 5)
Strategy #3	Utilize a Continuous Improvement Team to support implementation of District SIA processes and plans. (Outcomes 1, 2, 3, 4, 5)
Strategy #4	Utilize a Continuous Improvement Team to support implementation of District SIA processes and plans. (Outcomes 1-5)

LBLEDSD works to support districts in the implementation of their Integrated Guidance plan.

The original SSA purpose:

1. Meet Students' health or safety needs. This may include supports from the following:

- (A) Social-emotional learning and development (SEB Coaches/Facilitator);*
- (B) Student mental and behavioral health (SEB Coaches/Facilitator);*
- (C) Improvements to teaching and learning practices or organizational structures that lead to better interpersonal relationships at the school (Engagement/Attendance Facilitator, Instructional & Mentor Coaches);*
- (D) Student health and wellness (SEB Coaches/Facilitator);*
- (E) Trauma-informed practices (SEB Coaches/Facilitator);*

2. Increase academic achievement, including reducing academic disparities for historically underserved students (Primarily Instructional & Mentor Coaches)

Each of the Activities were created based on the Strategies listed that support the overall Outcomes.

Strategy 1: Utilize a Regional Behavioral Health Plan to focus on district social, emotional, behavioral, and student engagement needs in-line with district planning. (Outcome 1, 2, 5)

Activity Associated

- SSA Coordinator
- Regional Behavioral Health Systems Facilitator
- Social Emotional Behaviors Coaches
- Engagement/Attendance Facilitator
- Professional Development
- DESSA

Strategy 2: Utilize a Continuous Improvement Team focused on building data literacy of district and school personnel through coaching and training, or provide systems planning and performance support for the systematic use of data in planning and decision making. (Outcome 2, 3, 5)

Activity Associated

- SSA Coordinator
- Instructional Coaching/Mentor
- Engagement/Attendance Facilitator
- SEB Coaching
- Data Analyst Tech/Programming Support (Longitudinal Performance Growth Targets)
- Professional Development

Strategy 3: Utilize a Continuous Improvement Team to support implementation of District SIA processes and plans. (Outcome 1, 2, 3, 5)

Activity Associated

- SSA Coordinator
- Instructional Coaching/Mentor
- Engagement and Attendance Facilitator
- Professional Development

Strategy 4: Utilize a Continuous Improvement Team to support implementation of District SIA processes and plans. (Outcomes 1-5)

Activity Associated:

- SSA Coordinator
- All Coaches & Facilitators
- Dada Analyst Tech/Programming Support (Longitudinal Performance Growth Targets)
- Professional Development

As outlined in statute, at least 90% of the annual State School Fund (SSF), property tax and other qualifying resources allocated to LBL will be expended on resolution services. The Local Service Plan is developed with the State School fund biennium budget. Districts review and approve the Local Service Plan on an annual basis. Services will be provided on a two-tiered basis.

Tier 1 Resolution Services

Tier 1 includes services that are available to all 12 districts and are determined as being essential to all districts. The emphasis in Tier 1 is on achieving the greatest economies of scale and assuring equity of access. Tier 1 services are fully funded from the 90% SSF allocation. Service decisions are made for a two year period.

Tier 2 Resolution Services

Once Tier 1 funds are allocated, the remaining balance is used for Tier 2 services. Tier 2 services are decided by districts on an annual basis. This allows LBL and its component school districts to stay within the constraints of the agreements, yet provide flexibility in the use of funds.

Transits

Up to 50% of the district’s allocated Tier 2 resources may be used to acquire services from sources other than LBL if the service is not provided by LBL.

Statewide Education Initiatives Account (SEIA)

The SEIA grant provides funding to allow greater ESD support to districts. This includes the provision of technical assistance to districts in developing, implementing and reviewing a plan for receiving Student Investment Account grant money; and providing coordination with Oregon Department of Education in administering and providing technical assistance to districts, including coordinating any coaching programs. SEIA plans are adopted and amended as part of the Local Service Plan and approved by the Oregon Department of Education.

The _____ School District is in agreement to have the Linn Benton Lincoln Education Service District provide the Local Service Plan for the 2023-2024 school year as presented.
