## Independent Auditor's Report

To the Members of the Board of Education  
Collinsville Area Vocational Center  
Collinsville, Illinois

### Report On The Audit Of The Financial Statements

#### *Opinions*

We have audited the accompanying financial statements of the Collinsville Area Vocational Center (the Center), as administered by Collinsville Community Unit School District No. 10 (the District), as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Center's basic financial statements as listed in the table of contents.

#### *Qualified Opinion On Regulatory Basis Of Accounting*

In our opinion, except for the effects of the matters described in the Basis For Qualified Opinion On Regulatory Basis Of Accounting section of our report, the accompanying financial statements present fairly, in all material respects, the assets and liabilities and fund balances of the Center as of June 30, 2025, its revenue and expenditures and the changes in fund balance thereof for the year then ended in accordance with the basis of accounting practices prescribed or permitted by the Illinois State Board of Education (ISBE) to demonstrate compliance with the ISBE's regulatory basis of accounting as described in Note 1.

#### *Adverse Opinion On Accounting Principles Generally Accepted In The United States Of America (U.S. GAAP)*

In our opinion, because of the significance of the matter discussed in the Basis For Adverse Opinion On Accounting Principles Generally Accepted in the United States of America (U.S. GAAP) section of our report, the accompanying financial statements do not present fairly, in accordance with U.S. GAAP, the financial position of the Center as of June 30, 2025 or changes in financial position thereof for the year then ended.

### ***Basis For Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Basis For Qualified Opinion On Regulatory Basis Of Accounting***

The Center does not maintain a detailed listing (inventory) of fixed assets. Accounting practices prescribed or permitted by the ISBE require that a detailed listing of fixed assets is maintained which includes removing fixed assets no longer in service. Therefore, the amounts included in the general fixed assets account group and the information contained on page 36 have not been audited. The amount by which this departure would affect the financial statements is not reasonably determinable.

### ***Basis For Adverse Opinion On U.S. GAAP***

As described in Note 1 of the financial statements, the financial statements are prepared by the Center on the basis of accounting practices prescribed or permitted by the ISBE to demonstrate compliance with the ISBE's regulatory basis of accounting, which is a basis of accounting other than U.S. GAAP.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and U.S. GAAP, although not reasonably determinable, are presumed to be material and pervasive.

### ***Responsibilities Of Management For The Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting practices prescribed or permitted and the financial reporting provisions prescribed or permitted by the ISBE to demonstrate compliance with the ISBE's regulatory basis of accounting and budget laws. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## ***Auditor's Responsibilities For The Audit Of The Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Center's basic financial statements. The information provided on pages 2 and 28 through 35 is presented for the purposes of additional analysis and is not a required part of the basic financial statements.

The Supplementary Information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves and other additional procedures in accordance with U.S. GAAS. In our opinion, the Supplementary Information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### ***Other Information Included In The Annual Report***

Management is responsible for the other information included in the annual report. The other information comprises the statistical sections on pages 36 and 41 and the information on pages 42 through 47 but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information and we do not express an opinion or any form of assurance thereon.

The information on page 41 is propagated from information in the audited basic financial statements and we take no responsibility for the accuracy of the calculations.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

### ***Other Reporting Required Under Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2025 on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

**NOTES TO FINANCIAL STATEMENTS**

**1. Summary Of Significant Accounting Policies**

The Collinsville Area Vocational Center (the Center) is an entity that provides vocational educational services to students from various participating districts. The accounts and operations of the Center are administered by the Collinsville Community Unit School District No. 10 (the District). The accounting policies of the Center conform to the regulatory provisions prescribed by the Illinois State Board of Education (ISBE) on the modified cash basis of accounting. Set forth below are descriptions of the significant accounting policies followed by the Center for financial reporting purposes.

**Reporting Entity**

The Center's financial statements include all funds, account groups and organizations over which Center officials exercise oversight responsibility.

Oversight responsibility includes such aspects as appointment of governing body members, budget review, approval of property tax levies, outstanding debt secured by the Center's full faith and credit or revenue and responsibility for funding deficits.

There were no organizations subject to the Center's oversight responsibility which required incorporation into the financial statements.

**Basis Of Accounting, Measurement Focus**

Basis of accounting refers to when transactions or events are recognized in the accounts, how they are valued or measured and how they are presented and disclosed in the financial statements. The Center prepares the financial statements on the regulatory basis of accounting prescribed by the ISBE, which practices differ from accounting principles generally accepted in the United States of America (U.S. GAAP). The regulatory based financial statements are intended to assure effective legislative and public oversight of school district financing and spending activities of accountable Illinois school districts. The Center's regulatory based financial statements are issued using the ISBE Annual Financial Report Forms which consist of individual fund statements including a statement of assets, liabilities and fund balances and a statement of revenue, expenditures and changes in fund balances for governmental funds. The regulatory based financial statements also include a statement of assets and liabilities for the account groups and fiduciary funds. This regulated presentation and disclosure differs from the presentation and disclosure of government-wide financial statements and fund financial statements as provided in U.S. GAAP. In the financial statements, transactions or events are recognized in the accounts at the time of cash inflow or cash outflow. For example, revenue is recorded when received rather than when susceptible to accrual and expenditures are recorded when paid rather than when the fund liability is incurred. The modifications to the pure cash basis of accounting are comprised of recording investment purchases as assets when they arise from cash transactions and recording amounts due to other entities as liabilities. All accounts are measured based on the value of the cash inflow or outflow at the time of the transaction or event and are not adjusted to fair value. Accordingly, the accompanying financial statements are not intended to present the financial position or results of operations in accordance with U.S. GAAP.

Employees' contracts for services rendered during the school year ending June 30, 2025 are paid over twelve months. Under this basis of accounting, the unpaid portion of those contracts are recorded in the fiscal year when such checks are drawn. At June 30, 2025, the total amount of unpaid employees' contracts for services performed through June 30, 2025 was approximately \$155,500 which includes the Board paid Teachers' Retirement System of the State of Illinois (TRS) contributions.

**Fund Accounting**

The accounts of the Center are organized on the basis of legally established funds and account groups as defined by ISBE, each of which is considered a separate accounting entity.

The financial position and results of operations of each fund and amounts related to the general fixed assets and general long-term debt account groups are accounted for in separate sets of self-balancing accounts which comprise its assets, fund equity, revenue received and expenditures paid.

## Notes To Financial Statements (*Continued*)

The Center maintains funds and account groups as required by the State of Illinois. They are grouped as required for reports filed with ISBE and differ from U.S. GAAP. The Center's resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The following fund types and account groups are used by the Center:

### **Governmental Fund Types**

Governmental funds are used to finance most of the Center's activities. The Center's expendable financial resources are accounted for through governmental funds.

All governmental funds are accounted for using a current financial resources measurement focus. The measurement focus is upon determination of changes in financial position rather than upon net income determination. The following are the Center's governmental fund types:

#### **General Funds**

The Educational and Operations and Maintenance Funds are the general operating funds. They are used to account for all financial resources except those required to be accounted for in other funds.

#### **Special Revenue Fund**

The Transportation Fund is used to account for the cash receipts of specific revenue sources that are legally restricted to cash expenditures for specified purposes.

### **Account Groups**

Account groups are used to establish accounting control and accountability for the Center's general long-term fixed assets and general long-term debt. Account groups are not funds. They are concerned only with the measurement of financial position, not with the measurement of the results of operations. The Center's account group is listed below:

#### **General Fixed Assets (Unaudited)**

Fixed assets are accounted for at cost. Fixed assets used in governmental fund type operations (general fixed assets) are reported as fund expenditures in the applicable fund in the year of acquisition. Depreciation is not provided on general fixed assets. However, depreciation and accumulated depreciation are computed for ISBE reporting based on methods and lives prescribed by ISBE as follows:

Buildings and improvements	25 – 50 years
Land improvements	20 years
Equipment	3 – 10 years

The Center does not maintain a detail listing (inventory) of fixed assets and thus the amounts reported in the general fixed assets account group are not audited.

Notes To Financial Statements (*Continued*)

**Budgetary Practices**

An annual budget is prepared on the modified cash basis of accounting which is the same basis that is used for financial reporting. The budget is adopted by the Board of Education at the beginning of each fiscal year separately for each fund legally required to adopt a budget. The Superintendent is authorized to make transfers up to 10.00% between line items within a fund; however, any revisions that alter the total expenditures for any fund must be approved by the Board of Education. Budgeted amounts included in the accompanying financial statements reflect the amended budget adopted by the Board on June 23, 2025. The original budget was adopted by the Board on August 19, 2024.

**Vacation, Personal Leave And Sick Pay**

Vacation, personal leave and sick pay benefits are provided to substantially all full-time employees of the Center. Unused time is accumulated by the Center; however, no computation is made of the accumulated amounts that would be due to employees upon termination of employment. Therefore, no amount is recorded in the general long-term debt account group.

**Fund Balance Reporting**

According to *Government Accounting Standards*, fund balances are to be classified into five major classifications; Nonspendable Fund Balance, Restricted Fund Balance, Committed Fund Balance, Assigned Fund Balance and Unassigned Fund Balance. The Regulatory Model, followed by the Center, only reports Reserved and Unreserved Fund Balances. Below are definitions of the differences and a reconciliation of how these balances are reported.

**Nonspendable**

Consists of amounts that cannot be spent because they are either not in spendable form or are legally or contractually required to be maintained intact. The Center has no nonspendable fund balance at June 30, 2025.

**Restricted**

Consists of fund balances that are legally restricted by external parties or by law through constitutional provisions or enabling legislation. The Center's restricted fund balance at June 30, 2025 consists of student activities.

**Committed**

Consists of fund balances that can only be used for specific purposes pursuant to constraints imposed by formal action by the Center's Board of Education, the Center's highest level of decision-making authority. This Center has no Committed fund balances at June 30, 2025.

**COLLINSVILLE AREA VOCATIONAL CENTER  
(ADMINISTERED BY COLLINSVILLE COMMUNITY UNIT SCHOOL  
DISTRICT NO. 10)**

Notes To Financial Statements (*Continued*)

**Assigned**

Consists of fund balances that are intended to be used for specific purposes but are neither restricted nor committed. Intent is expressed by the Center's Board of Education or the Superintendent or their designee. The Center has no Assigned fund balances at June 30, 2025.

**Unassigned**

Consists of fund balances that do not meet the definition of nonspendable, restricted, committed or assigned and are available for appropriation in future periods.

**Regulatory – Fund Balance Definitions**

Reserved Fund Balances are those balances that are reserved for a specified purpose, other than the regular purpose of any given fund. Unreserved Fund Balances are all balances that are not reserved for a specific purpose other than the specified purpose of a fund.

**Reconciliation Of Fund Balance Definitions**

The first five columns of the following table represent fund balance reporting according to U.S. GAAP. The last two columns represent fund balance reporting under the regulatory basis of accounting utilized in preparation of the financial statements.

Fund	Generally Accepted Accounting Principles					Regulatory Basis	
	Non-Spendable	Restricted	Committed	Assigned	Unassigned	Financial Statement Reserved	Financial Statement Unreserved
Educational	\$ —	\$ 108,302	\$ —	\$ —	\$ 511,036	\$ 108,302	\$ 511,036

Unless specifically identified, expenditures act to reduce restricted balances first, then committed balances, next assigned balances and finally unassigned balances. Expenditures for a specifically identified purpose will act to reduce the specific classification of fund balance that is identified.

Notes To Financial Statements (*Continued*)

**2. Cash And Investments**

The Center is governed by the deposit and investment limitations of state law as follows:

- Deposits (including certificates of deposit) at any one financial institution may not exceed 75.00% of the net worth of the institution and all institutions must furnish the School Board with required financial statements.
- The Center may invest in any type of security allowed by Illinois law (Public Funds Investment Act of the State of Illinois: 30ILCS235/1, et. seq. as amended). These investments include bonds, commercial paper and other securities of the United States, short-term discount obligations of the Federal National Mortgage Association, shares and securities issuable by Savings and Loan Associations, Public Treasurer's Investment Pools and certificates of deposit from qualified banks.

The deposits and investments held at June 30, 2025 and reported at cost, are as follows:

	<u>Cost</u>
<b>Deposits</b>	
<u>Demand deposits</u>	<u>\$ 619,318</u>
<b>Reconciliation To ISBE</b>	
<u>Cash (including student activity funds)</u>	<u>\$ 619,318</u>

**Custodial Credit Risk - Deposits**

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The Center does not have a deposit policy for custodial credit risk. At June 30, 2025, none of the Center's bank balance of \$689,817 was exposed to custodial credit risk.

**Custodial Credit Risk – Investments**

Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the name of the government and are held by the party who sold the security to the Center or its agent but not in the government's name. The Center does not have a policy that addresses investment custodial credit risk. The Center does not have any investments at June 30, 2025.

**Investment Interest Rate Risk**

The Center has no formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The Center does not have any investments at June 30, 2025.

**COLLINSVILLE AREA VOCATIONAL CENTER  
(ADMINISTERED BY COLLINSVILLE COMMUNITY UNIT SCHOOL  
DISTRICT NO. 10)**

Notes To Financial Statements (*Continued*)

**Investment Credit Risk**

The Center has no formal investment policy that limits its investment choices other than the limitation of state law, as documented above. The Center does not have any investments at June 30, 2025.

**Concentration Of Investment Credit Risk**

Concentration of credit risk is required to be disclosed by the Center for any single investment that represents 5.00% or more of total investments (excluding investments issued by or explicitly guaranteed by the U.S. Government, investments in mutual funds, investments in external investment pools and investments in other pooled investments). The Center places no limit on the amount it may invest in any one issuer. The Center does not have any investments at June 30, 2025.

**3. General Fixed Assets (Unaudited)**

The Center does not maintain a detail listing (inventory) of fixed assets, thus the information in the general fixed assets account group has not been audited. A summary of the changes in general fixed assets (unaudited) based on group totals is as follows:

	<b>Balance July 1, 2024</b>	<b>Additions Or Transfers</b>	<b>Disposals Or Transfers</b>	<b>Balance June 30, 2025</b>
<b>Cost</b>				
Equipment	\$ 1,403,848	\$ 92,742	\$ —	\$ 1,496,590
<b>Accumulated Depreciation</b>				
Equipment	\$ 1,082,631	\$ 67,513	\$ —	\$ 1,150,144

**4. Interfund Transfers**

During the year ended June 30, 2025, \$10,949 was transferred from the Operations and Maintenance Fund to the Educational Fund to zero out the fund balance of the Operations and Maintenance Fund and \$6,764 was transferred from the Transportation Fund to the Educational Fund to zero out the fund balance of the Transportation Fund.

**5. Insurance Program**

The Center is exposed to various risks of loss related to torts, theft of, damage to and destruction of assets; errors and omissions; injuries to employees and natural disasters.

Notes To Financial Statements (*Continued*)

The Center, along with various other local school districts, participates in the Mississippi Valley Intergovernmental Cooperative (MISSVIC), an insurance association for substantially all insurance. The purpose of MISSVIC is to distribute the cost of self-insurance over similar entities. MISSVIC requires an annual premium payment to cover estimated claims payable and reserves for claims from each entity. The members of MISSVIC have no legal interest in assets, liabilities or fund balances of the insurance association. However, the Center retains a contingent liability to fund its pro rata share of any deficit incurred by MISSVIC should it cease operations at some future date. The Center's and the District's premium payments to MISSVIC for the year ended June 30, 2025 were approximately \$10,340,000 for all related coverage.

During the year ended June 30, 2025, there were no significant reductions in insurance coverage. Settled claims have not exceeded insurance coverage in any of the past three years.

**6. Related Parties**

During the year ended June 30, 2025, the Center received \$875,000 from the District in tuition payments. In addition, the Center's employees are covered under the District's insurance plan which covers participating employees' medical and dental insurance.

Vision insurance is available on a voluntary, employee-paid basis. An \$11,000 life insurance policy is paid for by the District for all full-time employees. After tax life insurance is also available on a voluntary employee paid basis.

**7. Retirement Fund Commitments**

**Illinois Municipal Retirement Fund**

*Plan Description*

The Center's defined benefit pension plan for regular employees provides retirement and disability benefits, post-retirement increases and death benefits to plan members and their beneficiaries. The Center's plan is affiliated with the Illinois Municipal Retirement Fund (IMRF), the administrator of a multi-employer public pension fund. A summary of IMRF's pension benefits is provided in the paragraphs that follow. Details of all benefits are available from IMRF. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available Annual Comprehensive Financial Report that includes financial statements, detailed information about the pension plan's fiduciary net position and required supplementary information. That report is available for download at [www.imrf.org](http://www.imrf.org).

Notes To Financial Statements (*Continued*)

*Funding Policy and Contributions*

As set by statute, the Center's Regular plan members are required to contribute 4.50% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The Center's annual required contribution rate for calendar years 2025 and 2024 was 6.97% and 6.83% of annual covered payroll, respectively. The Center also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

*Benefits Provided*

IMRF provides two tiers of pension benefits. Employees hired prior to January 1, 2011 are eligible for Tier 1 benefits. For Tier 1 employees, pension benefits vest after eight years of qualifying service credit. Participating members who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of credited service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1.67% of the final rate of earnings for the first 15 years of service credit plus 2.00% for each year of service credit after 15 years to a maximum of 75.00% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 48 consecutive months within the last ten years of service, divided by 48. Under Tier 1, each pension is increased by 3.00% of the original amount on January 1 every year after retirement.

Employees hired on or after January 1, 2011 are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1.67% of the final rate of earnings for the first 15 years of service credit, plus 2.00% for each year of service credit after 15 years to a maximum of 75.00% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last ten years of IMRF service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement upon reaching age 67, by the lessor of 3.00% of the original pension amount, or 1/2 of the increase in the Consumer Price Index of the original pension amount.

For purposes of pension plan administration, the IMRF has grouped the participating employees of the Center with those of the District.

For the year ended June 30, 2025, the Center's and the District's contributions were approximately \$725,000.

Notes To Financial Statements (*Continued*)

## **Teachers' Retirement System Of The State Of Illinois**

### *Plan Description*

The Center participates in the Teachers' Retirement System Of The State Of Illinois (TRS). TRS is a cost-sharing multiple-employer defined benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the city of Chicago. TRS members include all active non-annuitants who are employed by a TRS-covered employer to provide services for which teacher licensure is required. The Illinois Pension Code outlines the benefit provisions of TRS and amendments to the plan can be made only by legislative action with the Governor's approval. The TRS Board of Trustees is responsible for the system's administration.

TRS issued a publicly available financial report that can be obtained at <http://www.trsil.org/financial/acfrs/fy2024>; by writing to TRS at 2815 W. Washington, PO Box 19253, Springfield, IL 62794; or by calling (888) 678-3675, option 2.

For purposes of pension plan administration, TRS has grouped the participating employees of the Center with those of the District.

### *Benefits Provided*

TRS provides retirement, disability and death benefits. Tier 1 members have TRS or reciprocal system service prior to January 1, 2011. Tier 1 members qualify for retirement benefits at age 62 with five years of service, at age 60 with ten years or age 55 with 20 years. The benefit is determined by the average of the four highest consecutive years of creditable earnings within the last ten years of creditable service and the percentage of average salary to which the member is entitled. Most members retire under a formula that provides 2.20% of final average salary up to a maximum of 75.00% with 34 years of service.

Tier 2 members qualify for retirement benefits at age 67 with ten years of service or a discounted annuity can be paid at age 62 with ten years of service. Creditable earnings for retirement purposes are capped and the final average salary is based on the highest consecutive eight years of creditable service rather than the highest four. Disability provisions for Tier 2 are identical to those of Tier 1. Death benefits are payable under a formula that is different from Tier 1.

Essentially all Tier 1 retirees receive an annual 3.00% increase in the current retirement benefit beginning January 1 following the attainment of age 61 or on January 1 following the member's first anniversary in retirement, whichever is later. Tier 2 annual increases will be the lesser of 3.00% of the original benefit or .50% of the rate of inflation beginning January 1 following attainment of age 67 or on January 1 following the member's first anniversary in retirement, whichever is later.

## Notes To Financial Statements (*Continued*)

Public Act 100-0023, enacted in 2017, creates an optional Tier 3 hybrid retirement plan, but it has not yet gone into effect. Public Act 100-0587, enacted in 2018, requires TRS to offer two temporary benefit buyout programs that expire on June 30, 2026. One program allows retiring Tier 1 members to receive a partial lump-sum payment in exchange for accepting lower, delayed annual increase. The other allows inactive vested Tier 1 and 2 members to receive a partial lump-sum payment in lieu of a retirement annuity. Both programs began in 2019 and are funded by bonds issued by the State of Illinois.

### *Contributions*

The State of Illinois maintains the primary responsibility for funding TRS. The Illinois Pension Code, as amended by Public Act 88-0593 and subsequent acts, provides that for years 2010 through 2045, the minimum contribution to the System for each fiscal year shall be an amount determined to be sufficient to bring the total assets of the System up to 90.00% of the total actuarial liabilities of the System by the end of the fiscal year 2045.

Contributions from active members and TRS contributing employers are also required by the Illinois Pension Code. The contribution rates are specified in the pension code. The active member contribution rate for the year ended June 30, 2025 was 9.00% of creditable earnings. The member contribution, which may be paid on behalf of employees by the employer, is submitted to TRS by the employer.

- **On-Behalf Contributions to TRS.** The State of Illinois makes employer pension contributions on behalf of the Center and the District. For the year ended June 30, 2025, state of Illinois contributions of \$21,156,482 were based on the state's proportionate share of the collective net pension liability associated with employer. The Center and the District did not recognize this amount as revenue or expense in the financial statements for the pension contribution that the State of Illinois paid directly to TRS.
- **2.2 Formula Contributions.** Employers contribute 0.58% of total creditable earnings for the 2.2 formula change. This rate is specified by statute. Contributions for the year ended June 30, 2025 were \$240,834.
- **Federal and Special Trust Fund Contributions.** When TRS members are paid from federal and special trust funds administered by the Center and the District, there is a statutory requirement for the Center and the District to pay an employer pension contribution from those funds. Under Public Act 100-0340, the federal and special trust fund contribution rate is the total employer normal cost beginning with the year ended June 30, 2018.

Previously, employer contributions for employees paid from federal and special trust funds were at the same rate as the State contribution rate to TRS and were much higher.

**COLLINSVILLE AREA VOCATIONAL CENTER

---

Notes To Financial Statements (*Continued*)

For the year ended June 30, 2025, the employer pension contribution was 10.34% of salaries paid from federal and special trust funds. For the year ended June 30, 2025, salaries totaling \$1,630,538 were paid from federal and special trust funds that required employer contributions of \$168,598.

- **Employer Retirement Cost Contributions.** The employer is also required to make a one-time contribution to TRS for members granted salary increases over 6.00% if those salaries are used to calculate a retiree's final average salary.

A one-time contribution is also required for members granted sick leave days in excess of the normal annual allotment if those days are used as TRS service credit. For the year ended June 30, 2025, the employer paid \$2,355 to TRS for employer contributions due on salary increases in excess of 6.00% and \$0 for sick leave days granted in excess of the normal annual allotment.

## **8. Post-Employment Benefits**

### **Teachers' Retirement Insurance Program**

#### *Plan Description*

The Center participates in the Teachers' Retirement Insurance Program (TRIP or Plan). TRIP is a cost-sharing, multiple-employer defined benefit post-employment healthcare plan that was established by the Illinois legislature for the benefit of retired employees of participating school districts throughout the State of Illinois (the State), excluding the Chicago Public School District. The Plan provides medical, prescription and behavioral health benefits to annuitants of TRS. TRIP does not provide vision, dental or life insurance benefits. Annuitants may participate in the State administered Preferred Provider Organization plans or choose from several managed care options. TRIP is administered in accordance with the State Employees Group Insurance Act of 1971 (5 ILCS 375) which establishes the eligibility and benefit provisions of the Plan.

The Plan issues a publicly available financial report that can be found on the website of the Illinois Auditor General (<http://www.auditor.illinois.gov/Audit-Reports/ABC-List.asp>). The current reports are listed under Central Management Services (<http://www.auditor.illinois.gov/Audit-Reports/CMS-THISF.asp>). Prior reports are available under Healthcare and Family Services (<http://www.auditor.illinois.gov/Audit-Reports/HEALTHCARE-FAMILY-SERVICES-Teacher-Health-Ins-Sec-Fund.asp>).

Notes To Financial Statements (*Continued*)

*Benefits Provided*

If a plan member enrolls in TRIP, they may enroll the following dependents: spouses; unmarried children age 26 and under; unmarried children age 26 and under that are full-time students, financially dependent for at least one-half of their support and eligible to be claimed on income tax return; disabled children that have been continuously disabled from causes originating prior to age 26, financially dependent for at least one-half of their support and eligible to be claimed on income tax return; and parents if they are financially dependent for at least one-half of their support and eligible to be claimed on income tax return.

Members who have not previously enrolled in TRIP are eligible to enroll when they begin receiving pension benefits through TRS, during any annual open enrollment period, when turning 65 or becoming Medicare eligible or after losing coverage by a former plan. Members and beneficiaries who previously were enrolled in TRIP and subsequently waive coverage, are only eligible to reenroll due to the loss of prior coverage by a former plan or at the attainment of age 65 or when Medicare eligible. Coverage through TRIP becomes secondary to Medicare after Medicare eligibility has been reached. Members must enroll in Medicare Parts A and B to receive the reduced premium available to Medicare eligible participants. Spouses of employees/retirees who die are eligible to maintain health insurance coverage until the surviving spouse's death. If the surviving spouse elects a monthly benefit, he or she becomes the member with the same TRIP rights.

*Contributions*

The State Employees Group Insurance Act of 1971 (5 ILCS 375) outlines the benefit provisions of TRIP and amendments to the plan can be made only by legislative action with the Governor's approval. The plan is administered by the Illinois Department of Central Management Services (CMS) with the cooperation of TRS. Section 6.6 of the State Employees Group Insurance Act of 1971 requires all active contributors to TRS who are not employees of the State to make a contribution to the Plan.

Currently, benefits offered through TRIP are financed through a combination of retiree premiums and percentage-of-payroll contributions from active employees, local school districts, the state and subsidies from the federal government. Contributions are made to the Teacher Health Insurance Security Fund (THIS). For fiscal year 2025, active members were required to contribute 0.90% of pay and school districts were required to contribute 0.67% of pay. Retired members contribute through premium payments based on the coverage elected, Medicare eligibility and the age of the member and dependents. The premium for retired members is not permitted to increase by more than 5.00% per year by statute. The federal government provides a Medicare Part D subsidy. Contributions to the Plan from the Center and the District were \$278,304 for the year ended June 30, 2025.

Notes To Financial Statements (*Continued*)

*On Behalf Contributions To TRIP*

The State of Illinois makes employer retiree health insurance contributions on behalf of the employer. State contributions are intended to match contributions to TRIP from active members which were 0.90% of pay during the year ended June 30, 2025. State of Illinois contributions were \$278,304 for the year ended June 30, 2025.

**Center Sponsored Retiree Insurance Plan**

In addition to the pension benefits described in Note 7 and the TRIP Plan described above, the Center and the District allow employees who retire from the Center under IMRF to participate in the Center's health, dental and prescription insurance plans. The retirees must pay 100.00% of their coverage for the plan in which they elect to participate. The premiums are based on the single blended rate used for both active and inactive employees and retirees. The difference between the amount the retiree is required to pay and the actual cost to the Center is considered a post-employment benefit. The Center has not established an irrevocable trust fund for the accumulation of resources for the future payment of benefits under the plan; benefits are paid on a pay as you go basis. A stand-alone financial report is not available for the plan. During the year, 7 retirees participated in the Center's and District's post-employment insurance plan.

**9. Retirement Incentive Plan**

The Center and the District have approved early retirement incentive plans for eligible employees of the Center and the District. Employees who elect to participate must submit an irrevocable letter of resignation for retirement in exchange for future payments from the Center and the District. Incentive payments range from \$1,500 to \$4,500 depending on the employee's eligibility. During the year ended June 30, 2025, the Center and the District paid \$35,175 under the plans and the estimated amount due in future years at June 30, 2025 is \$74,400.

# **Government Audit Report**

## **Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of Financial Statements Performed In Accordance With *Government Auditing Standards***

To the Members of the Board Education  
Collinsville Area Vocational Center  
Collinsville, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the Collinsville Area Vocational Center (the Center), as of and for the year ended June 30, 2025 and the related notes to the financial statements, which collectively comprise the Center's basic financial statements and have issued our report thereon dated October 31, 2025.

In our report, because the Center prepared its financial statements on the basis of accounting practices prescribed or permitted by the Illinois School Board of Education (ISBE) to demonstrate compliance with the ISBE's regulatory basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP), our opinion stated that the financial statements were not presented fairly in conformity with U.S. GAAP. However, the financial statements were found to be fairly stated, except for the fact that we did not audit the general fixed assets account group in accordance with the accounting practices prescribed or permitted the ISBE, which is a basis of accounting other than U.S. GAAP.

### ***Report On Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting (internal control) as a basis of determining the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Center's financial statements will not be prevented or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

### ***Report On Compliance And Other Matters***

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose Of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
