10.3. 2025-2026 Budget

Dr. McDonald provided historical budget data for review and noted that the 2025-2026 budget has been discussed by the Board previously with estimated revenue amounts. He stated actual revenue numbers won't be released until August 20th. Superintendent Rhodes noted that back taxes owed are not always being collected, which effects the ability of the District to build a cash reserve over what funds are required for planned expenses. Possible Board opportunities to discuss the 2025-2026 budget after the actual figures are received were discussed.

10.4. Policy #3036 Purchasing (Credit) Card Program

This policy has been discussed previously with various changes suggested. The policy is now being brought forward again to determine and formalize the procedures around purchase cards. Clarifying language was suggested and will be implemented. Dr. Rhodes acknowledged that 94 cards is a high number and he is working with administrators particularly at maintenance and the high school to decrease the number of cards held. He pointed out that having site dedicated cards makes the oversight of charges easier since they are itemized by card in the monthly statement that is provided to the Board. This policy will come back with the changes decided tonight for approval at the next regular meeting of the Board of Education.

10.5. 2025-2026 Student Handbook

7. Discussion and Possible Action Regarding Violation of Board Code of Ethics and Requirements of the Open Meetings Act and FERPA

President Emily Garrick read a prepared statement. Within that statement she stated that at a previous Board meeting member Skip Altig asked her where her child would be attending school this fall. Mrs. Garrick feels that since the question didn't pertain to an agenda item, it violated the Nebraska Open Meetings act and that it undermined the transparency, legality and integrity of the open meeting process. She went on to say that she has since met with Mr. Altig, along with Mrs. Lundgreen, and that he acknowledged a violation of the open meeting rules and the Board Code of Ethics. Mrs. Garrick said Mr. Altig went on to say he made an intentional choice to ask the question to see how Mrs. Garrick would react and that he feels she should not serve on this Board. She felt Mr. Altig also violated the Family Educational and Rights, and Privacy Act (FERPA) with the question regarding her student. She went on to say her son is enrolled in a small private Christian school which is not a reflection on North Platte Public School District's teachers or staff, who she supports, but a reflection of fears of retaliation against her family and their businesses because of her role on this Board. Mrs. Garrick went on to reference North Platte Public Schools policies #2012 Board Code of Ethics and #2013 Violation of Board of Ethics.

Mr. Altig stated he did not agree that he violated the Board Code of Ethics or FERPA. He noted that there are gray areas in the open meetings act. He didn't feel he attacked Mrs. Garrick's son

but rather asked a specific question. He wondered if she wasn't going to support North Platte Public Schools why was she on the Board? Mr. Altig noted that micromanaging is also a violation of the Board Code of Ethics. Mrs. Garrick said she would welcome a conversation regarding that when it is an agenda topic.

Angela appreciates the differences and hard conversations of the Board which discourages rubber stamping and mirrors the differences of the patrons in the District. She feels there are often violations of the board code of ethics and FERPA and thinks additional training should be done.

Cindy O'Connor doesn't feel it is appropriate for the Board to question where a member's student attends school.

Justin Thompson stated that all Board members have the goal of serving students and feels it is ridiculous to have to take meeting time for something that could have been done privately.

Jo Ann Lundgreen reported that she is the longest serving Board member at 11 years. Over those years she has had several conversations with disagreeing Board members but that the issues have never risen to this level, she feels that this was the choice of the Board chair. She is concerned about setting precedent and feels some previous Board disagreements were far worse. She feels there is dysfunction in the Board and that needs to change. Last year, when she was chair, strides were being made toward working together and feels the Board needs to figure out how to move towards that. She stated that Board members are elected to do what is best for kids.

Skip Altig asked for clarification of what "censure" means. Mrs. Garrick said it is a public reprimand and acknowledgement.

Motion by Angela Blaesi second by Justin Thompson to censure Board member Skip Altig

Yeas: Cindy O'Connor, Angela Blaesi, Justin Thompson and Emily Garrick

Nay: Skip Altig, Jo Ann Lundgreen

8. Board Engagement

Jo Ann Lundgreen noted that retired Executive Director of Finance, Stuart Simpson, received the Nebraska Council of School Administrators Distinguished Service award which is another tribute to the work he did for North Platte Public Schools. She went on to report she had an opportunity to visit with high school principal, Mr. Spotanski, who shared some of the work being done around the new cell phone policy and other things to look forward to for the new school year.

President Garrick encourages all to bring forward positive items to Dr. Rhodes to be celebrated. She went on to report she attended a Nebraska Association of School Boards leadership workshop which centered around superintendent evaluation and Board self-evaluation. Superintendent evaluations products available were discussed as well as Dr. Rhodes' suggestion that the evaluation be tied to the District Strategic Plan.

He reported that there are a total of 10 employees on the maintenance staff including transportation. Explanation of 2025/26 Property Tax Authority Calculation

SECTION A – TOTAL PROPERTY TAX & NON-PROPERTY TAX REVENUE

From the General and Special Building Funds only – Data collected and added together from the following sources:

- The property tax requests from the current budget year (2024-25 LC-2)
- Non-property tax revenue reported in the previous year's Annual Financial Report (2022-23 AFR)
- SPED reimbursement totals reported in the current AFR data year (2023-24 AFR)
- TEEOSA reimbursement total from the current fiscal year (to be paid 2024-25)

SECTION B – TOTAL BASE GROWTH %

The sum of the following percentages:

- 3%
- The annual percentage increase in the student enrollment of the school district multiplied by:
 - One if the school district's student enrollment has grown by an average of 3% over the preceding 3 years and 150 students over the 3 years; seven-tenths if the school district's student enrollment has grown by an average of 3% over the preceding 3 years; or four-tenths if growth average below 3%
- The percentage obtained by first dividing the annual increase in the total number of limited English proficiency students in the school district by the student enrollment of the school district and then multiplying the quotient by fifteen hundredths
- The percentage obtained by first dividing the annual increase in the total number of poverty students in the school district by the student enrollment of the school district and then multiplying the quotient by fifteen hundredths

SECTION C – REVENUE CAP

Total Property Tax & Non-Property Tax Revenue (Section A) multiplied by Total Base Growth Percentage total (Section B). This amount is the upcoming year's (2025-26) total revenue subject to the property tax cap authority calculation.

SECTION D – PROPERTY TAX REQUEST AUTHORITY

The sum of the Revenue Cap (Section C)

- LESS: Non-property tax revenue reported in the most recent available year's Annual Financial Report (2023-24 AFR) for the General and Special Building Funds. At certification data is updated for districts that submitted amendments.
- LESS: 2024/25 SPED reimbursement amount (model uses estimate from November 2024 SPED FFR, certification is revised with actual paid through May 2025)
- LESS: TEEOSA to be paid in the upcoming fiscal year including foundation aid and prior year correction amount

- PLUS: Prior years unused property tax authority (2024-25 LC-2)

2025-26 Property Tax Request Authority is the maximum amount a district will be allowed to ask between their General and Building fund tax request. This amount does not take into consideration the levy or spending authority requirements which may limit a districts request to an amount below their property tax request authority.

SECTION E - ADDITIONAL BASE GROWTH PERCENTAGE

With 70% Board approval the following additional percentage will apply:

- 7% with average daily membership of 471 students or less
- 6% with average daily membership of 472-3044 students
- 5% with average daily membership of 3045-10,000 students
- 4% with average daily membership of 10,001 or more students

SECTION F – ADDITIONAL PROPERTY TAX AUTHORITY IF BOARD APPROVED

Total Property Tax & Non-Property Tax Revenue (Section A) from the base year (2024-25) multiplied by Additional Base Growth Percentage (Section E). This is the amount of additional property taxes for the General and Building fund that may be levied if the district obtains 70% board approval.

SECTION G – PROPERTY TAX REQUEST AUTHORITY Including additional board approved amount

Sum of Property Tax Request Authority (Section D) and Additional Property Tax Authority (Section F) for the upcoming year (2025-26) which would be the maximum amount a district could levy in the General and Special Building funds without obtaining a voter approved override.

Explanation of 2025/26 Property Tax Authority Calculation

SECTION A – TOTAL PROPERTY TAX & NON-PROPERTY TAX REVENUE

From the General and Special Building Funds only – Data collected and added together from the following sources:

- The property tax requests from the current budget year (2024-25 LC-2)
- Non-property tax revenue reported in the previous year's Annual Financial Report (2022-23 AFR)
- SPED reimbursement totals reported in the current AFR data year (2023-24 AFR)
- TEEOSA reimbursement total from the current fiscal year (to be paid 2024-25)

SECTION B – TOTAL BASE GROWTH %

The sum of the following percentages:

- 3%
- The annual percentage increase in the student enrollment of the school district multiplied by:
 - One if the school district's student enrollment has grown by an average of 3% over the preceding 3 years and 150 students over the 3 years; seven-tenths if the school district's student enrollment has grown by an average of 3% over the preceding 3 years; or four-tenths if growth average below 3%
- The percentage obtained by first dividing the annual increase in the total number of limited English proficiency students in the school district by the student enrollment of the school district and then multiplying the quotient by fifteen hundredths
- The percentage obtained by first dividing the annual increase in the total number of poverty students in the school district by the student enrollment of the school district and then multiplying the quotient by fifteen hundredths

SECTION C – REVENUE CAP

Total Property Tax & Non-Property Tax Revenue (Section A) multiplied by Total Base Growth Percentage total (Section B). This amount is the upcoming year's (2025-26) total revenue subject to the property tax cap authority calculation.

SECTION D – PROPERTY TAX REQUEST AUTHORITY

The sum of the Revenue Cap (Section C)

- LESS: Non-property tax revenue reported in the most recent available year's Annual Financial Report (2023-24 AFR) for the General and Special Building Funds. At certification data is updated for districts that submitted amendments.
- LESS: 2024/25 SPED reimbursement amount (model uses estimate from November 2024 SPED FFR, certification is revised with actual paid through May 2025)
- LESS: TEEOSA to be paid in the upcoming fiscal year including foundation aid and prior year correction amount

- PLUS: Prior years unused property tax authority (2024-25 LC-2)

2025-26 Property Tax Request Authority is the maximum amount a district will be allowed to ask between their General and Building fund tax request. This amount does not take into consideration the levy or spending authority requirements which may limit a districts request to an amount below their property tax request authority.

SECTION E - ADDITIONAL BASE GROWTH PERCENTAGE

With 70% Board approval the following additional percentage will apply:

- 7% with average daily membership of 471 students or less
- 6% with average daily membership of 472-3044 students
- 5% with average daily membership of 3045-10,000 students
- 4% with average daily membership of 10,001 or more students

SECTION F – ADDITIONAL PROPERTY TAX AUTHORITY IF BOARD APPROVED

Total Property Tax & Non-Property Tax Revenue (Section A) from the base year (2024-25) multiplied by Additional Base Growth Percentage (Section E). This is the amount of additional property taxes for the General and Building fund that may be levied if the district obtains 70% board approval.

SECTION G – PROPERTY TAX REQUEST AUTHORITY Including additional board approved amount

Sum of Property Tax Request Authority (Section D) and Additional Property Tax Authority (Section F) for the upcoming year (2025-26) which would be the maximum amount a district could levy in the General and Special Building funds without obtaining a voter approved override.
