8:10-E1 Exhibit - Connection with the Community

Official Public Statements on Matters Unrelated to Our Mission

The mission of Lincolnwood School District 74 is to be a fiscally responsible school community that engages all students to become confident, adaptive and productive life-long learners.

This mission requires our full attention and the careful allocation of our resources.

Given the breadth and complexity of issues in the broader community and beyond, it is important for the school district to remain focused on the matters that directly relate to education and the operation of our schools. We believe that engaging in public discourse on topics unrelated to our core mission diverts attention and resources away from our primary objectives and risks creating division where unity is essential to the success of our schools.

Therefore, it is the practice of Lincolnwood School District 74 to refrain from issuing official public statements on public matters unrelated to our core mission.

This practice does not reflect a lack of awareness or concern for broader societal issues, but rather a commitment to staying focused on our mission and acknowledging that diverse perspectives within our community can and will vary widely.

6. ADJOURNMENT

A motion was made, seconded and passed to adjourn the Policy Committee meeting at 9:03 a.m. The next Policy Committee meeting is scheduled for Friday, May 22, 2026 at 8:30am in the Administration Building. The public is welcome.

SECTION 2 - Board of Education

2:230 Public Participation at Board of Education Meetings and Petitions to the Board

During each regular and special open meeting of the Board of Education or Board Committee, any person may comment to or ask questions of the Board (*public participation*), subject to the reasonable constraints established and recorded in this policy's guidelines below.^{C1} The Board listens to comments or questions during public participation; responses to comments to or questions of the Board are most often managed through policy 3:30, *Chain of Command*.

To preserve sufficient time for the Board to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President. This includes following the directives of the Board President to maintain order and decorum for all.
2. Use a sign-in sheet, if requested.
3. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to three minutes. In unusual extenuating circumstances, e.g., to accommodate a person's disability or language interpreter, and when an individual has made a request to speak for a longer period of time, the Board President may allow a person to speak for more than three minutes. If multiple individuals wish to address the Board on the same subject, the group is encouraged to appoint a spokesperson.
4. Observe, when necessary and appropriate, the Board President's authority to:
 - a. Shorten the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak; and/or
 - b. Determine procedural matters regarding public participation not otherwise covered in Board policy.
5. Conduct oneself with respect and civility toward others and otherwise abide by Board policy 8:30, *Visitors to and Conduct on School Property*.

Petitions or written correspondence to the Board shall be presented to the Board of Education at the next regularly scheduled Board meeting.

All students are entitled to enjoy the rights protected by the [U.S.](#) and [Illinois Constitutions](#) and laws for persons of their age and maturity in a school setting. In order that the right of every student to the free right to the free exercise of religion is guaranteed within the public schools and that each student has the freedom to not be subject to pressure from the State either to engage in or to refrain from religious observation on public school grounds, students in the public schools may voluntarily engage in individually initiated, non-disruptive prayer that, consistent with the Free Exercise and Establishment Clauses of the [United States](#) and [Illinois Constitutions](#), is not sponsored, promoted, or endorsed in any manner by the school or any school employee (Source: P.A. 92-832, §5.) Board of Education Meeting Procedure

2:220-E1 Exhibit - Board Treatment of Closed Meeting Verbatim Recordings and Minutes

The following procedures govern the verbatim audio recordings and minutes of Board of Education meetings that are closed to the public.^{C1}

Actor	Action
<i>Before any Board meeting:</i> Superintendent or designee	Arranges to have an audio recording device with adequate storage capacity and a back-up audio recording device in the Board meeting room during every Board meeting regardless of whether a closed meeting is scheduled. The Board may close a portion of a public meeting without prior notice; it cannot, however, have a closed meeting unless it can record the session.
<i>Before a closed meeting:</i> Board President or presiding officer (#3 and #4 may be delegated to the Board Secretary or Recording Secretary)	On the closed meeting date: (1) convenes an open meeting, (2) requests a motion to adjourn into closed meeting making sure the reason for the meeting is identified in the motion, (3) takes a roll call vote, (4) ensures that the minutes record the vote of each member present and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting (5 ILCS 120/2a), and (5) adjourns the open meeting.
<i>Before a closed meeting:</i> Superintendent or Board Secretary	Immediately before a closed meeting, tests and activates the audio recording device.

<i>During a closed meeting:</i> Board President or presiding officer	Convenes the closed meeting stating: Seeing a quorum of the Board of Education gathered today, [<i>state the date</i>], at [<i>state the time</i>], at ____ location, for the purpose of holding a closed meeting in order to confidentially discuss ____, I call the meeting to order. To record who is present, I request that each individual state his or her name and position with the District, and whether you are in person or participating remotely by audio or video conference. (Note: This script is an example.) Limits discussion to the topics that were included in the motion to go into a closed meeting. The failure to immediately call a person out-of-order who strays from the purposes included in the motion may result in an appearance of acquiescence. This responsibility to call a person out-of-order falls on each Board member in the event of the President's failure. Once the closed meeting is finished, announces a return to an open meeting or adjournment, and states the time.
<i>After a closed meeting:</i> Superintendent, Recording Secretary, or Board Secretary	For Verbatim Recordings: Takes possession of the recording of the closed meeting and labels it with identification information, specifically the date and items discussed. Adds the identification information contained on the recording's label to a cumulative list of closed meeting recordings. As soon as possible, puts the recording of the closed meeting in the previously identified secure location for storing recordings of closed meetings. Upon request of a Board member: 1. Provides access to the verbatim recording at a reasonable time and place without disrupting District operations; 2. Supervises the access to the verbatim recording or delegates it to one of the following individuals in the District: a. The Recording Secretary,

	b. The Superintendent or designated administrator, or c. Any elected Board member; and 3. Logs the access to the recordings in exhibit 2:220-E7, <i>Access to Closed Meeting Minutes and Verbatim Recordings</i>. For Closed Meeting Minutes: Prepares written closed meeting minutes that include: • The date, time, and place of the closed meeting • The Board members present and absent • A summary of discussion on all matters proposed or discussed • The time the closed meeting was adjourned Upon request of a Board member: 1. Provides access to the closed session minutes at a reasonable time and place without disrupting District operations; 2. Supervises the access to the closed session minutes or delegates it to one of the following individuals in the District: a. The Recording Secretary, b. The Superintendent or designated administrator, or c. Any elected Board member; and 3. Logs the access in exhibit 2:220-E7, <i>Access to Closed Meeting Minutes and Verbatim Recordings</i>.
<i>After a closed meeting:</i> Board of Education	Approves the previous closed meeting minutes at the next open meeting.
<i>In preparation for the semi-annual review:</i> Superintendent or designee	Every six months, prepares a recommendation concerning the continued need for confidential treatment of all of the Board's closed meeting minutes; includes this recommendation in the packet for the meeting in which the Board will conduct its semi-annual review. This step is in preparation for the Board's meeting to decide whether the need for confidential treatment of specific closed meeting minutes

	continues to exist. If the Board wants to discuss closed meeting minutes in closed session, places “review of unreleased closed meeting minutes” on a closed meeting agenda. Places “result of Board’s review of unreleased closed meeting minutes” as an item on a subsequent open meeting agenda.
<i>In preparation for the semi-annual review:</i> Individual Board members	Before the meeting in which the Board will conduct its semi-annual review, examines the material supplied by the Superintendent. Individual Board members should consider: (1) the Superintendent’s recommendation, (2) the recommendation of the Board Attorney, (3) other Board members’ opinions, (4) the minutes themselves, and/or (5) whether the minutes would be exempted from public disclosure under the Illinois Freedom of Information Act.
<i>During the semi-annual review:</i> Board of Education	The Board decides in open session whether: (1) the need for confidentiality still exists as to all or part of closed meeting minutes, or (2) the minutes or portions thereof no longer require confidential treatment and are available for public inspection. The Board may have an earlier meeting in closed session to discuss the continued need for confidential treatment.
<i>After the semi-annual review:</i> Superintendent or designee	Relabels and refiles closed meeting minutes as appropriate.
<i>Monthly:</i> Board President	Adds “destruction of closed meeting verbatim recording” as an agenda item to an upcoming open meeting.
<i>Monthly:</i> Board of Education	Approves the destruction of particular closed meeting recording(s) that are at least 18 months old and for which approved minutes of the closed meeting already exist.

Board of Education Meeting Procedure

2:220-E8 Exhibit - Board of Education Records Maintenance Requirements and FAQs

Open Meetings Act^{C1}

The Open Meetings Act (OMA) requires public bodies to “keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording.” 5 ILCS 120/2.06(a). Minutes must include, but are not limited to: (1) the date, time, and place of the meeting; (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (3) a summary of discussion on all matters proposed, deliberated, or decided, and record of any votes taken. Id.

The remainder of 5 ILCS 120/2.06 addresses the approval of open meeting minutes, the treatment of verbatim recordings of closed meetings, the semi-annual review of closed meeting minutes, the confidential nature of closed meeting minutes, and the right of persons to address public officials under rules established and recorded by the public body. The requirements of 5 ILCS 120/2.06, as well as OMA requirements pertaining to Board agendas, are included in Board policy 2:220, *Board of Education Meeting Procedure*.

Exhibit 2:220-E3, *Closed Meeting Minutes*, provides a sample template for keeping closed meeting minutes that incorporates the requirements of 5 ILCS 120/2.06 of OMA. It also includes an area to designate if the Board has determined, pursuant to 5 ILCS 120/2.06(d), that the closed meeting minutes no longer need confidential treatment.

Exhibit 2:220-E4, *Open Meeting Minutes*, contains a protocol for open meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also provides a sample template for keeping open meeting minutes.

Exhibit 2:220-E5, *Semi-Annual Review of Closed Meeting Minutes*, contains a process for implementing the semi-annual review of closed meeting minutes, and exhibit 2:220-E6, *Log of Closed Meeting Minutes*, is designed to facilitate this semi-annual review (every six months, or as soon after as is practicable, taking into account the nature and meeting schedule of the Board). 5 ILCS 120/2.06(d).

Exhibit 2:220-E9, *Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration*, contains a process for compliance with 5 ILCS 120/7(e) when a board is meeting without a physical quorum present at the meeting location during a disaster declaration related to public health concerns.

Local Records Act

The Local Records Act (LRA) provides that public records, including “any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connections with the transaction of public business and preserved or appropriate for preservation by such agency or officer” must be preserved unless the State Local Records Commission has given permission to destroy those records. 50 ILCS 205/3 and 7. Board records, including agendas, meeting packets and meeting minutes, fall into this definition.

Public bodies located in Cook County must work with the Local Records Commission of Cook County to determine how long they must retain public records. Public bodies located outside of Cook County must work with the Downstate Local Records Commission to determine how long they must retain public records.

Board policy 2:250, *Access to District Public Records*, contains a subhead entitled **Preserving Public Records** which provides as follows:

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District’s organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the Board of Education or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

See the sample policy, 2:220, *Board of Education Meeting Procedure*, for all relevant footnotes. Also see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*, for recommendations regarding school district records retention protocols and links to web-based record management resources.

Yes. OMA does not directly state public bodies are required to approve closed meeting minutes, nor does it set a time frame for such approval. 2:220-E8 Exhibit - School Board Records Maintenance Requirements and FAQs

Open Meetings Act

The Open Meetings Act (OMA) requires public bodies to “keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording.” 5 ILCS 120/2.06(a). Minutes must include, but are not limited to: (1) the date, time, and place of the meeting; (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (3) a summary of discussion on all matters proposed, deliberated, or decided, and record of any votes taken. Id.

The remainder of Section 2.06 addresses the approval of open meeting minutes, the treatment of verbatim recordings of closed meetings, the semi-annual review of closed meeting minutes, the confidential nature of closed meeting minutes, and the right of persons to address public officials under rules established and recorded by the public body. The requirements of Section 2.06, as well as OMA requirements pertaining to Board agendas, are included in policy 2:220, *School Board Meeting Procedure*.

Exhibit 2:220-E3, *Closed Meeting Minutes*, provides a sample template for keeping closed meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also includes an area to designate if the Board has determined, pursuant to Section 2.06(d), that the closed meeting minutes no longer need confidential treatment.

Exhibit 2:220-E4, *Open Meeting Minutes*, contains an open meeting minute’s protocol that incorporates the requirements of Section 2.06 of OMA. It also provides a sample template for keeping open meeting minutes.

Exhibit 2:220-E5, *Semi-Annual Review of Closed Meeting Minutes*, contains a process for implementing the semi-annual review of closed meeting minutes, and exhibit 2:220-E6, *Log of Closed Meeting Minutes*, is designed to facilitate this semi-annual review.

Local Records Act

The Local Records Act (LRA) provides that public records, including “any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connections with the transaction of public business and preserved or appropriate for preservation by such agency or officer” must be preserved

unless the State Local Records Commission has given permission to destroy those records. [50 ILCS 205/3](#) and [7](#). Board records, including agendas, meeting packets and meeting minutes, fall into this definition.

Public bodies located in Cook County must work with the Local Records Commission of Cook County to determine how long they must retain public records. Public bodies located outside of Cook County must work with the Downstate Local Records Commission to determine how long they must retain public records.

Policy 2:250, *Access to District Public Records*, contains a subhead entitled **Preserving Public Records** which provides as follows:

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

See the sample policy, 2:200, *School Board Meeting Procedure*, for all relevant footnotes. Also see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*, for recommendations regarding school district records retention protocols and links to web-based record management resources.

SECTION 2 - Board of Education

2:30 District Elections

Elections conducted by the School District are non-partisan elections governed by the general election laws of the State and include the election of Board of Education members, various public policy propositions, and advisory questions. Board of Education members are elected at the consolidated election held on the first Tuesday in April in odd-numbered years. If, however, that date conflicts with the celebration of Passover, the consolidated election is postponed to the first Tuesday following the last day of Passover. The canvass of votes is conducted by the election authority within 21 days after the election. ^{C1}

The Board, by proper resolution, may cause to be placed on the ballot: (a) public policy referendum according to [Article 28 of the Election Code](#), or (b) advisory questions of public policy according to [Section 9-1.5 of the School Code](#).

The Board Secretary serves as the local election official. He or she receives petitions for the submission of a public question to referenda and forwards them to the proper election officer.

5:185 Family and Medical Leave

Please refer to the current “Agreement between the Board of Education, School District #74, Lincolnwood, Illinois, and the Lincolnwood Teacher’s Association, Local 1274 IFT/AFT, AFL-CIO and the Lincolnwood Support Staff Union, Local 1274 IFT/AFT, AFL-CIO for additional information, if applicable.”

For employees not covered by this agreement:

Leave Description ^{C1}

Eligible employees may use unpaid family and medical leave, guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor’s rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee shall be granted FMLA leave for up to twelve (12) weeks per rolling 12-month period.

During a single 12-month period, an eligible employee’s FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The “single 12-month period” is measured forward from the date the employee’s first FMLA leave to care for the covered servicemember begins.

Other available paid vacation, personal, or family leave will be substituted for family and medical leave necessitated by birth, adoption/foster care placement, or a family member's serious health condition. Other available paid vacation, personal, or sick leave will be substituted for family and medical leave necessitated by a family member's or employee's own serious health condition. Any substitution required by this policy will count against the employee's family and medical leave entitlement. The District will pay family leave or sick leave only under circumstances permitted by the applicable leave plan. Use of family and medical leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of family and medical leave shall not serve to extend such other unpaid leave.

Family and medical leave is available in one or more of the following instances:

1. the birth and first-year care of a son or daughter;
2. the adoption or foster placement of a child;
3. the serious health condition of an employee's spouse, parent, or child; and
4. the employee's own serious health condition.

Employees may take an intermittent or reduced-hour family and medical leave when the reason for the leave is 3 or 4, above, with certain limitations provided by law.

Within 15 calendar days after the Superintendent makes a request, an employee must support a request for a family and medical leave when the reason for the leave is 3 or 4, above, with a certificate completed by the employee's or family member's health care provider. Failure to provide the certification may result in a denial of the leave request.

If both spouses are employed by the District, they may together take only 12-weeks for family and medical leaves when the reason for the leave is 1 or 2, above, or to care for a sick parent.

Eligibility

To be eligible for family and medical leave, an employee must either:

1. Have been employed by the District for at least 12 months (the 12 months need not be consecutive) and have been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning of the leave, or
2. Be a full-time classroom teacher.

Notice

If possible, employees must provide at least 30 days' notice to the District of the date when a leave is to begin. If 30 days' notice is not practicable, the notice must be given within two business days of when the need becomes known to the employee.

Employees shall provide at least verbal notice sufficient to make the District aware that he or she needs a family and medical leave, and the anticipated timing and duration of the leave. Failure to give the required notice may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Continuation of Health Benefits

During a family and medical leave, employees are entitled to continuation of health benefits that would have been provided if they were working.

Return to Work

An employee returning from a family and medical leave will be given an equivalent position to his or her position before the leave, subject to the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by law.

Implementing Procedures

The Superintendent shall develop procedures to implement this policy consistent with the federal Family and Medical Leave Act.

Educational technologies used in the District shall further the objectives of the District's educational program, as set forth in Board policy 6:10, *Educational Philosophy and Objectives*, align with the curriculum criteria in policy 6:40, *Curriculum Development*, and/or support efficient District operations. The Superintendent shall ensure that the use of educational technologies in the District meets the above criteria. ^{C1}

The District and/or vendors under its control may need to collect and maintain data that personally identifies students in order to use certain educational technologies for the benefit of student learning or District operations.

Federal and State law govern the protection of student data, including school student records and/or *covered information*. The sale, rental, lease, or trading of any school student records or covered information by the District is prohibited. Protecting such information is important for legal compliance, District operations, and maintaining the trust of District stakeholders, including parents, students and staff. The Board designates the Director of Technology to serve as Privacy Officer, who shall ensure the District complies with the duties and responsibilities required of it under the Student Online Personal Protection Act, [105 ILCS 85/](#), amended by P.A. 101-516, eff. 7-1-21.

Definitions

Covered information means personally identifiable information (PII) or information linked to PII in any media or format that is not publicly available and is any of the following: (1) created by or provided to an operator by a student or the student's parent/guardian in the course of the student's or parent/guardian's use of the operator's site, service or application; (2) created by or provided to an operator by an employee or agent of the District; or (3) gathered by an operator through the operation of its site, service, or application.

Operators are entities (such as educational technology vendors) that operate Internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes.

Breach means the unauthorized acquisition of computerized data that compromises the security, confidentiality or integrity of covered information maintained by an operator or the District.

Operator Contracts

The Superintendent or designee designates which District employees are authorized to enter into written agreements with operators for those contracts that do not require separate Board approval. Contracts between the Board and operators shall be entered into in accordance with State law and Board policy 4:60, *Purchases and Contracts*, and shall include any specific provisions required by State law.

Security Standards

The Superintendent or designee shall ensure the District implements and maintains reasonable security procedures and practices that otherwise meet or exceed industry standards designed to protect covered information from unauthorized access, destruction, use, modification, or disclosure. In the event the District receives notice from an operator of a breach or has determined a breach has occurred, the Superintendent or designee shall also ensure that the District provides any breach notifications required by State law.
