Richland County High School
Agriculture Education Department

Annual Report
2025-2026

Message from the Teachers

The Agriculture Department continues to thrive at RCHS. During the 2025-2026 school year, 285 unduplicated students enrolled in an Agriculture Education course.

Many notable achievements were accomplished by the Agriculture Department and the FFA Chapter. Students received recognition for their hard work, dedication, achievements, and leadership.

The community is very supportive of the Agriculture Program and the FFA Chapter, and students are actively involved within the community by volunteering at various local events as well as hosting activities that benefit our community. Dual Credit classes continue to provide students with more opportunities to kick-start their collegiate careers and are a great asset to our program.

Ms. Mueller has stepped into her role exceedingly well here at RCHS, and we are excited to see her future contributions within our department.

The Agriculture Department will continue to grow and succeed with the continued support of parents, teachers, the community, the administration, and the RCCU #1 Board of Education.

Respectfully Submitted,

Hayden Kinkade, Lexi Mueller, and Jamie VanDyke

After the last board meeting Mr. Fox went back to Geo and asked for options on changing the orientation of the tennis courts. Geo came back with two options, one by changing the orientation so the tennis courts to run north and south. The other option was to add sunshades to the current orientation of running east and west.

Mrs. VanDyke shared with the board that she had contacted coaches and IHSA and there is no regulation that courts have to run north and south. We will be able to host regionals, sectionals and tournaments. Mrs. VanDyke stated that the coaches prefer the east and west location, with the close proximity of all six courts, they like the current orientation of the courts and sun is not a typical factor during our match times. Mrs. VanDyke said other coaches were contacted and they stated there would be no issues with courts running east and west. The current orientation is set up great for the spectators and there is plenty of room around the courts. Mr. Drew Muston also spoke to the board in favor of the east and west court orientation.

Gene Brauer, representing the tennis community, spoke to the board in regards to the construction of the new tennis courts at the athletic complex. Gene feels it is a grave mistake to have the tennis court orientation running east and west. Gene has spoken to past and present tennis players and they are not in favor of the east and west orientation.

Sherry Brauer also spoke to the board and stated she has played tennis for many years and has never played on east/west courts. She wanted to express her concern that the courts should run north and south. Sherry also wanted the board to consider the safety factor of the players when looking into the sun. Sherry feels the new complex will be around for at least 75 years and feels this is an error in the making.

I. Call to Order and Pledge of Allegiance – The special meeting of the Richland County Board of Education was called to order by President Scott Snyder at 5:00 p.m. on Thursday, May 7, 2026.

II. Roll Call

Dennis Anderson:	Present

Jeff Wilson:	Present

Present: 6, Absent: 1.

Mr. Snyder, President of the Board, expressed his apology to the public for the misunderstanding of the room location of the special meeting. He had no intention of kicking the JROTC Awards Night out of the RCPAC. When he realized it was a conflict the board and Mr. Fox made adjustments to change the room location of the meeting so JROTC could be in the RCPAC.

III. Recognition and Comments from Employees and Public – There were a total of 10 public comments made at the board meeting in regards to the Athletic Complex.

1. Tara Racklin, member of the community, tennis player and past coach, presented to the board a binder of letters and email communication and a list of all Illinois Class A high school tennis court orientations. Tara stated she was not here to place blame on anyone but to share facts, not opinions with the board. She shared her email that she received from Dan Le, Asst. Executive Director of IHSA, stating there is not a steadfast rule that requires tennis courts to run north-south, however the east-west orientation is very uncommon due to the impact the sun can have when playing. Tara stated they could not find any courts that run east-west. Tara also researched GeoSurfaces to find any complexes they had designed that ran east-west. She could not find any. Tara stated “It is never too late to do the right thing”.
2. Gene Brauer, representing the tennis community, had spoken at the previous two board meetings. He wanted to reiterate the safety concern and the personal injuries that could happen if tennis courts ran east-west. Gene has spoken to Matt Wright from the Chicago area, a 20 year teaching professional and former Olney tennis player. He said there are no public courts that run east-west. Gene once again asked the board to consider changing the orientation to north-south.
3. Sherry Brauer, member of the community, reflected on the FACTS committee formed prior to the high school remodel and its successfulness. The committee was once again asked to reconvene for the start of the planning of the Athletic Complex but the third meeting was cancelled and the FACTS committee never met again. She referred to the

multiple athletic complex plans that were presented with at least one of the plans showing the courts north-south and that the final plan chosen had the courts running east-west. Sherry stated the east-west is not safe and would be irresponsible. She asked the board, if it is not possible to change the orientation at the athletic complex, then to consider an alternate location for the tennis courts.

4. Sadie Gassmann-Kocher, member of the community and former tennis player, addressed the board in regards to the east-west orientation, asking to change to the north-south orientation. Sadie stated it would be better to spend more now, than later, to get it right.
5. Michelle Kauble, member of the community, stated she has been involved with tennis for over 25 years. Michelle stated that Patricia Bramlet, Chief Executive Officer of the USTA Mid-South District Coordinator, has taken a professional interest of the athletic complex construction and she stated that she would never advise anyone to build an east-west court. Michelle also read a letter from Kylie York the Director of Facilities of the USTA Midwest Section. Michelle wanted to ask a question about the process and transparency. Michelle stated with her research of previous board meetings she noted that visits were made to other football, baseball and softball fields. Did anyone visit tennis court facilities as part of the planning process? Michelle stated that guidance from the American Sports Builder Association clearly states the east-west court orientation is not recommended due to sun interference player safety. ASBA only recommends east-west with site constraints.
6. Logan Kauble, RCHS Girls Head Tennis Coach, wanted to make the board aware that she has decided the original design (east-west) is not feasible. She has decided, after much thought and talking to others, that in the best interest of the players the design should be changed to north-south. She understands there will be additional costs but she does apologize for changing her mind.
7. Mark Richardson, member of the community, presented a letter from Stefan Aydt, Paris High School Tennis Coach, stating that Mr. Aydt is not in favor of the courts running east-west and feels it is a bit of a risk. Mark also presented a letter from Pat Harrison, Head of the Harrison Tennis Academy in Florida. Pat stated that he would highly recommend building the courts north-south direction. It is too difficult to see for most of the day if built east-west.
8. Matt Zuber, member of the community, addressed the board about his concerns of the overall project cost and design. He stated if changing the courts is a long term solution to do it correctly now. He asked that the board look at the continued costs and take them all into consideration.
9. Drew Muston, RCHS Boys Head Tennis Coach, stated to the board that he originally didn't think it would be too bad to play east-west. After thinking about it and after playing some recent matches, he and his players reconsidered the idea of playing east-west. They realized the sun would be too much of a factor. Drew thanked the board and apologized for the inconvenience at this time.
10. Jon Racklin, attorney and member of the community, stated that he felt the purpose of the meeting is not to place blame or point fingers but to discuss which tennis court layout provides the safest playing environment for our student athletes. He wanted everyone to visualize driving into the sun and how hard it is to see the road. Jon said the same thing is going to happen when playing tennis. He understands that the change order will cost money but isn't the students safety worth it? He also wanted to explain that if a student

gets injured the district will get sued. He stated the evidence will show that the board was warned of the possibility of injuries and ignored it, if you don't make the changes.

President Snyder asked Mr. Fox what his recommendation would be to the board. Mr. Fox stated he and Mr. Rusk have had many conversations with GeoSurfaces. The decision for the east-west orientation is based on the site ergonomics, which Geo provided. Geo is in agreement that we can make the court change to north-south orientation by making the tennis courts a 3/3 offset and reducing parking spaces. Geo also offered information on installing sunscreens to the east/west courts but it would cause viewing obstruction. After Mr. Fox and Mr. Rusk spent more time with Geo they presented a cost of $279.000.00 to change the orientation due to the fact they would need to change culvert work, parking lot layout and retention pond changes. After additional conversation and internal discussion by Geo, they contacted Mr. Fox and reduced the cost to do the rotation to north/south to $200,000.00. Mr. Fox recommends we approve the change order to north/south and take out the option of athletes looking into the sun and possible injury.

Mr. Fox stated the $200,000.00 would be added on at the end of the project. The Capital Projects Fund is where the $200,000.00 would be paid out of.

Prior to adjournment Board Member Jeff Wilson wanted to address the community about the comments made on social media earlier in the week against Mr. Fox and the district. Mr. Wilson stated the accusations against Mr. Fox were inaccurate. Mr. Wilson wanted the public to know that Mr. Fox has come in and made changes and that is what the board expected him to do. Mr. Wilson noted some of the positive changes that have been made, such as, curriculum, processes in various buildings, job descriptions, expectations of employees, and purposes of benefiting the kids.

Updates:

- Pacing guides for the 26/27 school year were created by representatives of each grade level team. All team members had an opportunity to provide feedback before the pacing guides were created.
- IAR and ISA testing was completed.
- The Master Schedule for the 26/27 school year was created with input from all specialists.
- Each grade level team created a grade level schedule that they will use for the 26/27 school year. By grade levels having the same schedule, we will be able to align our special education services more effectively, maximizing our general education opportunities and providing adequate instruction and support to all students. We have also expanded conferring time to address conferring, reading intervention, special education resource time, and potentially math intervention. This will allow for homogenous intervention grouping and will also allow us to provide more effective interventions. In addition, we will drastically reduce the number of students who have to miss specials, an area they often enjoy or thrive in.
- Grades 3-5 and special education teachers were trained in Secret Stories so they will understand the hooks and strategies taught in the K-2 general education classroom.
- First grade Math and CKLA Assessment Binders were created, allowing them to have standards driven assessments and more effective grading practices. The first grade team also revamped their approach to fact fluency to provide a stronger development of number sense and daily practice.
- Transitional meetings have been taking place to allow for a smooth transition from Prek to Kindergarten. The kindergarten team has attended preschool IEP meetings, conducted observations in preschool classrooms, and collaborated with the classroom teachers to learn about each of the students. Preschool teachers have created passports to provide crucial information to allow for a smoother transition and informed placements.
- The PTO sponsored a Silly Safari animal encounter for students. Each grade level had an opportunity to learn about and interact with different animals.
- Those paraprofessionals and teacher assistants have been conducting observation days for the tentative positions they will be filling next year.

- Special Education Teachers have been conducting observations of the students that they are receiving next year. They have been observing classrooms, attending IEPs, meeting students, and preparing for a smooth transition.
- The special education team is also working to create an inventory and resource cabinet for shared planning and resources.

Type of Project: Community-Based Fundraiser & School Spirit Initiative

The Student Leadership Committee (SLC) bead fundraiser is a student-led, community-based service project that promotes school spirit and builds strong connections between the school and the local community. Through this ongoing fundraiser, SLC members will design, organize, and sell custom bead strands featuring school colors (black, orange, and white) as well as sport-specific beads representing a wide range of activities, including football, tennis, cross country, fishing, swimming, softball, baseball, basketball, volleyball, wrestling, cheerleading, dance, band, track, and soccer.

This project goes beyond a traditional fundraiser by actively involving the community. Students will collaborate with local businesses to sell and promote the beads, creating partnerships that support both the school and the community. In addition, SLC members will sell beads at school sporting events, encouraging school pride and increasing engagement among students, families, and community members.

Through this initiative, students will develop leadership, communication, and organizational skills while learning the importance of community involvement and service. The fundraiser not only raises money for school activities and programs but also strengthens relationships between the school and local stakeholders, making it a meaningful and sustainable community-centered project.

Purpose of Raised Funds

Funds raised through the Student Leadership Committee (SLC) bead fundraiser will directly support meaningful community service efforts and enhance the overall school environment. A portion of the proceeds will be used to sponsor a "Family in Need," providing essential support during the holiday season through Christmas gifts and food supplies. This effort allows students to give back in a compassionate and impactful way while addressing real needs within the community.

In addition, funds will be donated to support the local food bank program, helping provide meals and resources to individuals and families facing food insecurity. This reinforces the project's commitment to community outreach and service.

The fundraiser will also support school-based initiatives that benefit students and staff. This includes funding quarterly reward activities that recognize positive behavior and achievements, as well as funding projects that beautify the school and improve the overall school climate. Through these efforts, the SLC aims to foster a positive, supportive, and engaged school community while making a lasting difference beyond the classroom.

School Board

Types of School Board Meetings [1]

General

For all meetings of the School Board and its committees, the Superintendent or designee shall satisfy all notice and posting requirements contained herein as well as in the Open Meetings Act (OMA). This shall include mailing meeting notifications to news media that have officially requested them and to others as approved by the Board.[2] Unless otherwise specified, all meetings are held in the District's main office.[3] Board policy 2:220, *School Board Meeting Procedure*, governs meeting quorum requirements.

The Superintendent is designated on behalf of the Board and each Board committee to receive the training on compliance with the ~~Open Meetings Act~~ OMA that is required by Section 1.05(a) of that Act. The Superintendent may identify other employees to receive the training.[4] In addition, each Board member must complete a course of training on ~~Open Meetings Act~~ OMA as required by Section 1.05(b) or (c) of that Act.[5]

[1] State law controls this policy's content. The provisions of the Open Meetings Act (OMA) do not apply to collective bargaining negotiations, including negotiating team strategy sessions, and grievance arbitrations as provided in 115 ILCS 5/18.

[2] 5 ILCS 120/2.02. These responsibilities may be given to anyone.

[3] State law requires that meetings be held in a location convenient and open to the public and no open meeting is allowed to be held on a legal holiday unless the regular meeting day falls on that holiday. 5 ILCS 120/2.01. Regular and special meetings also may not be held or scheduled on the day of a general primary election, a general election, a consolidated primary election, or a consolidated election, as defined in the Election Code. 5 ILCS 120/2.07(a), added by P.A. 104-438. According to an Ill. Atty. Gen. Public Access Counselor Opinion (PAO), a board may not meet in a private residence because it would not be convenient and open to the public. PAO 12-8. A board meeting 26 miles away from its regular location, while open to the public, was inconvenient because "the public, as a practical matter, would be deterred from attending it." PAO 13-14. Generally, a board must also plan to accommodate a greater number of meeting attendees if it is aware of heightened interest in a meeting. PAO 25-11. Any person may record an open meeting. 5 ILCS 120/2.05. See sample policy 2:220, *School Board Meeting Procedure*.

[4] Each board must designate at least one employee or member to receive training on compliance with OMA. 5 ILCS 120/1.05. Revise this paragraph if the board designates other individual(s) to receive the training. A list of designated individual(s) must be submitted to the Ill. Atty. Gen. Public Access Counselor (PAC). The designated individual(s) must successfully complete an electronic training curriculum administered by the PAC within 30 days after that designation, and thereafter must successfully complete an annual training program. OMA does not specify duties for the designated individuals who receive the training but presumably they would assist the board in its OMA compliance efforts.

[5] 5 ILCS 120/1.05(b) applies to training administered by the Ill. Atty Gen. Office; 1.05(c) applies to training administered by IASB. Board members elected or appointed after 1-1-12 must complete the training not later than 90 days after taking the oath of office. Even before this law, compliance with OMA has always been considered a shared responsibility of board members. Failing to complete OMA training does not affect the validity of an action taken by the board nor is it considered a criminal violation. 5 ILCS 120/1.05(b) and 120/4. However, a person found to have violated any other provisions of OMA is guilty of a Class C misdemeanor punishable by a $1,500 fine and/or 30 days in jail. 5 ILCS 120/4.

Regular Meetings

The Board announces the time and place for its regular meetings at the beginning of each fiscal year.[6] The Superintendent shall prepare and make available the calendar of regular Board meetings. The regular meeting calendar may be changed with 10 days' notice in accordance with State law. [7]

A meeting agenda shall be posted at the District's main office and the Board's meeting room, or other location where the meeting is to be held, at least 48 hours before the meeting. [8]

Closed Meetings [9]

The Board and Board committees may meet in a closed meeting to consider the following subjects:

1. The appointment, employment, compensation, discipline, performance, or dismissal of specific employees, specific individuals who serve as independent contractors in a park, recreational, or educational setting, or specific volunteers of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee, a specific individual who serves as an independent contractor in a park, recreational, or educational setting, or a volunteer of the public body or against legal counsel for the public body to determine its validity.[10] However, a meeting to consider an increase in compensation to a specific employee of a public body that is subject to the Local Government Wage Increase Transparency Act may not be closed and shall be

[6] OMA and the School Code have different provisions regarding the establishment of a regular meeting schedule. OMA requires each public body to prepare and make available a regular meeting schedule at the beginning of each calendar or fiscal year. 5 ILCS 120/2.03. The School Code states that this task is accomplished during the organizational meeting. By *announcing* the schedule at the beginning of each calendar or fiscal year and by *fixing* the schedule at the organizational meeting, a board can implement both laws. Note that the phrase in this sample policy, "at the beginning of each fiscal year," can be changed to "at the beginning of each calendar year."

[7] Regular meeting dates may be changed by giving at least 10 days' notice in a newspaper of general circulation and posting a notice at the district's main office. 5 ILCS 120/2.03. Districts with a population of less than 500, in which no newspaper is published, may give the 10 days' notice by posting a notice in at least three prominent places within the district, in addition to posting a notice at the district's main office. Id. Notice shall also be given to those news media having filed an annual request to receive notifications. Id. The 10 days' notice requirement does not apply to the rescheduling of a single meeting if the regular meeting schedule is otherwise maintained. See PAO 24-13 and f/n 17, below.

[8] 5 ILCS 120/2.02(a). The posting location may need modification to comply with the law's requirement that the agenda be posted at the district's main office. For agenda requirements, see sample policy 2:220, *School Board Meeting Procedure*.

OMA also requires that "any requested notice and agenda for the meeting be continuously available for public review during the entire 48-hour period preceding the meeting." 5 ILCS 120/2.02(c). The requirement for continuously available is satisfied if the district posts any required notice and agenda on its website. However, to comply with the legislative intent, posting on the district website does not replace the posting described in this sentence. See Rep. Pihos' remarks reported in *New open-meetings law; is hard-copy posting of agendas still required?*, Sept. 2012, Illinois Bar Journal.

For districts that do not post board meeting agendas on a website (because they do not have a website maintained by a full-time staff member), add the following sentence:

The agenda shall be continuously available for public review during the entire 48-hour period preceding the meeting.
If a notice or agenda is not continuously available for the full 48-hour period due to actions outside of the district's control, the lack of availability does not invalidate any meeting or action taken.

[9] 5 ILCS 120/2(c), amended by P.A. 103-311. The reasons for closed meetings are frequently addressed in court decisions and Ill. Atty. Gen. opinions; only a few of these decisions/opinions are mentioned in the footnotes.

[10] "Th[is] exception is not intended to allow private discussion of fiscal matters, notwithstanding that they may directly or indirectly impact the employees of the public body." See PAOs 12-11 and 15-03. Discussing the elimination of an employee's position for reasons unrelated to the performance of the employee is not within the scope of Section 2(c)(1). See PAO 15-07. Nor does the exception permit a public body to hold closed sessions to discuss employees in general or issues that may ultimately have an impact on employees. See PAOs 15-05, 16-13, and 18-12.

open to the public and posted and held in accordance with [~~Open Meetings Act~~ OMA]. 5 ILCS 120/2(c)(1). [11]

2. Collective negotiating matters between the public body and its employees or their representatives, or deliberations concerning salary schedules for one or more classes of employees. 5 ILCS 120/2(c)(2). [12]
3. The selection of a person to fill a public office, as defined in ~~Open Meetings Act~~ OMA, including a vacancy in a public office, when the public body is given power to appoint under law or ordinance, or the discipline, performance or removal of the occupant of a public office, when the public body is given power to remove the occupant under law or ordinance. 5 ILCS 120/2(c)(3).
4. Evidence or testimony presented in open hearing, or in closed hearing where specifically authorized by law, to a quasi-adjudicative body, as defined in ~~Open Meetings Act~~ OMA, provided that the body prepares and makes available for public inspection a written decision setting forth its determinative reasoning. 5 ILCS 120/2(c)(4).
5. Evidence or testimony presented to the Board regarding denial of admission to school events or property pursuant to 105 ILCS 5/24-24, provided that the Board prepares and makes available for public inspection a written decision setting forth its determinative reasoning. 5 ILCS 120/2(c)(4.5).
6. The purchase or lease of real property for the use of the public body, including meetings held for the purpose of discussing whether a particular parcel should be acquired. 5 ILCS 120/2(c)(5).
7. The setting of a price for sale or lease of property owned by the public body. 5 ILCS 120/2(c)(6).
8. The sale or purchase of securities, investments, or investment contracts. 5 ILCS 120/2(c)(7).
9. Security procedures, school building safety and security, and the use of personnel and equipment to respond to an actual, a threatened, or a reasonably potential danger to the safety of employees, students, staff, the public, or public property. 5 ILCS 120/2(c)(8).
10. Student disciplinary cases. 5 ILCS 120/2(c)(9).
11. The placement of individual students in special education programs and other matters relating to individual students. 5 ILCS 120/2(c)(10).
12. Litigation, when an action against, affecting or on behalf of the particular public body has been filed and is pending before a court or administrative tribunal, or when the public body finds that an action is probable or imminent, in which case the basis for the finding shall be recorded and entered into the minutes of the closed meeting. 5 ILCS 120/2(c)(11).
13. The establishment of reserves or settlement of claims as provided in the Local Governmental and Governmental Employees Tort Immunity Act, if otherwise the disposition of a claim or potential claim might be prejudiced, or the review or discussion of claims, loss or risk management

[11] The Local Government Wage Increase Transparency Act, 50 ILCS 155/, allows *disclosable payments* (described below) to Ill. Municipal Retirement Fund (IMRF) employees only when the school board has first discussed the specific payment to be made at a meeting open to the public and posted and held in accordance with the requirements of OMA. 50 ILCS 155/5.

The provisions apply only to disclosable payments made to participating employees under Article Seven of the Ill. Pension Code (IMRF) who began participation before 1-1-11 and who are not subject to a collective bargaining agreement with respect to the employment upon which the participation is based.

Disclosable payments means a payment, whether in the form of an increase in the rate of earnings or a lump-sum payment, that would:

1. Be made by a participating employer to a participating employee after the employee has expressed to the employer his or her intent to retire or withdraw from service;
2. Have the effect of increasing the employee's reportable monthly earnings from that employer by more than 6% compared to the previous month; and
3. Be made between 12 months and 90 days prior to the employee's expected termination of service.

A disclosable payment also includes payment for accumulated sick leave; it does not include a refund of contributions or any payment required to be paid by State or federal law.

[12] Discussing a hiring freeze is not within the scope of Section 2(c)(2). See PAO 15-07. And if a public body is not engaged in collective bargaining at the time of the meeting, discussion of a hiring freeze does not constitute a collective negotiating matter. Id.

information, records, data, advice or communications from or with respect to any insurer of the public body or any intergovernmental risk management association or self insurance pool of which the public body is a member. 5 ILCS 120/2(c)(12).

14. Self evaluation, practices and procedures, or professional ethics, when meeting with a representative of a statewide association of which the public body is a member. 5 ILCS 120/2(c)(16). [13]
15. Discussion of minutes of meetings lawfully closed under ~~Open Meetings Act~~ OMA, whether for purposes of approval by the body of the minutes or semi-annual review of the minutes as mandated by Section 2.06. 5 ILCS 120/2(c)(21).
16. Meetings between internal or external auditors and governmental audit committees, finance committees, and their equivalents, when the discussion involves internal control weaknesses, identification of potential fraud risk areas, known or suspected frauds, and fraud interviews conducted in accordance with generally accepted auditing standards of the United States of America. 5 ILCS 120/2(c)(29).

The Board may hold a closed meeting, or close a portion of a meeting, by a majority vote of a quorum, taken at an open meeting. The vote of each Board member present, and the reason for the closed meeting, will be publicly disclosed at the time of the meeting and clearly stated in the motion and the meeting minutes. [14]

A single motion calling for a series of closed meetings may be adopted when such meetings will involve the same particular matters and are scheduled to be held within three months of the vote. [15]

No final Board action will be taken at a closed meeting. [16]

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda. [17]

---

[13] IASB Outreach and Training directors are available to facilitate a board self-evaluation.

[14] 5 ILCS 120/2a. Provided the open meeting was properly noticed, no additional notice is required to close the meeting. A motion to close a meeting can be as simple as, "I move that the Board hold [go into] a closed session to discuss [state one of the closed meeting grounds with reference to the specific section authorizing the closed meeting]."

The adequacy of a motion to go into closed session was discussed in Henry v. Anderson and Champaign Community Unit School Dist. No. 4, 356 Ill.App.3d 952 (4th Dist. 2005). A statutory citation is not required in the motion to go into closed session, but OMA does require a reference to the specific exception.

The *litigation* exception can be challenging ~~is tricky~~. If the litigation has been filed and is pending, the motion to go into closed session need only state that the board will discuss litigation that has been filed and is pending. If the litigation has not been filed, the board must: (1) find that the litigation is probable or imminent, and (2) record and enter into the closed session minutes the basis for that finding. 5 ILCS 120/2. See City of Bloomington v. Raoul, 184 N.E.3d 366 (Ill. App. 4th Dist. 2021) (finding city council improperly invoked litigation exception to justify closed session); PAO 21-03.

[15] Id.

[16] 5 ILCS 120/2(e). See also PAOs 13-03, 13-07, 14-01, and 24-03.

[17] 5 ILCS 120/2.02.

Special Meetings

Special meetings may be called by the President or by any three members of the Board by giving notice thereof, in writing, stating the time, place, and purpose of the meeting to remaining Board members by mail at least 48 hours before the meeting, or by personal service at least 24 hours before the meeting.[18]

Public notice of a special meeting is given by posting a notice at the District's main office at least 48 hours before the meeting and by notifying the news media that have filed a written request for notice. A meeting agenda shall accompany the notice. [19]

All matters discussed by the Board at any special meeting must be related to a subject on the meeting agenda. [20]

Emergency Meetings

Public notice of emergency meetings shall be given as soon as practical, but in any event, before the meeting to news media that have filed a written request for notice. [21]

Posting on the District Website [22]

In addition to the other notices specified in this policy, the Superintendent or designee shall post the following on the District website: (1) the annual schedule of regular meetings, which shall remain posted until the Board approves a new schedule of regular meetings; (2) a public notice of all Board meetings; and (3) the agenda for each meeting which shall remain posted until the meeting is concluded.

---

[18] 105 ILCS 5/10-16 (two members of a board of directors; 105 ILCS 5/10-6). Lawyers disagree whether three members may call a special meeting without violating OMA, although there is general agreement that no violation occurs if three members call a special meeting while they are participating in a lawful board committee meeting with the matter on the agenda.

[19] 5 ILCS 120/2.02. News media that gave the board an address or telephone number within the district's territorial jurisdiction must be given notice in the same manner as given board members.

OMA requires that "any required notice and agenda be *continuously available* for public viewing during the entire 48-hour period preceding the meeting." 5 ILCS 120/2.02(c) (emphasis added). The requirement for *continuously available* is satisfied if the district posts any required notice and agenda on its website. Posting on the district website does not replace the posting described in this paragraph. See f/n 8.

For districts that do not post board meeting notices and agendas on a website (because they do not have a website maintained by a full-time staff member), add the following sentence:

> The notice and agenda shall be continuously available for public review during the entire 48-hour period preceding the meeting.

Some attorneys find OMA's posting requirements for special meetings to be unclear and recommend that a board post notices and agendas of such meetings at the district's main office *and* at the location where the meeting is to be held. Consult the board attorney for guidance on this issue and ensure that posting practices align with this policy and administrative procedure 2:200-AP, *Types of School Board Meetings*. Posting at the meeting location promotes greater transparency. Boards that post public notices and agendas of special meetings at the meeting location may revise this sentence as follows:

> Public notice of a special meeting is given by posting a notice at the District's main office and the location where the meeting is to be held at least 48 hours before the meeting and by notifying the news media that have filed a written request for notice.

Note that if this alternative language is used, this sample policy requires posting in the same manner for reconvened and rescheduled meetings in alignment with OMA; see the **Reconvened or Rescheduled Meetings** subhead.

[20] Lawyers disagree whether OMA mandates this restriction, i.e., whether it restricts board *discussions* to items related to an item on the special meeting agenda. OMA limits board *action* to items on the agenda (5 ILCS 120/2.02(c)); it states that the validity of any action taken "which is germane to a subject on the agenda shall not be affected by other errors or omissions in the agenda." 5 ILCS 120/2.02(a). For agenda requirements, see sample policy 2:220, *School Board Meeting Procedure*.

[21] 5 ILCS 120/2.02(a).

[22] Required *only if* the district has a website that is maintained by a full-time staff member; if not, this section may be omitted. 5 ILCS 120/2.02. Note that 5 ILCS 120/2.02(b) requires that a notice of *all* meetings be posted on the district website, but only notices of *regular* meetings must remain posted until the *regular* meeting is concluded. As this is an obvious oversight, it is wise to leave the notice of every meeting on the website until after the meeting occurred. The agenda must remain on the district website until the meeting is concluded. Id.

School Board Meeting Procedure [1]

Agenda

The School Board President is responsible for focusing the Board meeting agendas on appropriate content.[2] The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration. [3]

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting.[4] Items submitted by Board members to the Superintendent or the President shall be placed on the agenda for an upcoming meeting.[5] District residents may suggest inclusions for the agenda.[6] The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed. [1] State law requires boards to have a policy concerning: (1) the public's right to record meetings (5 ILCS 120/2.05), and (2) if applicable, attendance by video or audio means (5 ILCS 120/7). Boards are not mandated to have a policy on the remaining topics covered in this policy. The following items are matters of local discretion: agenda preparation and contents, process for board members to have items placed on agenda, receipt and handling of residents' requests for agenda inclusions, and order of business.

[2] Appropriate agenda content includes establishing board processes, clarifying the district's purpose, delegating authority, defining operating limits, monitoring district progress, and taking legally required board action. See *IASB's Foundational Principles of Effective Governance* at: www.iasb.com/conference-training-and-events/training/training-resources/foundational-principles-of-effective-governance.

[3] To comply with the Open Meetings Act's (OMA's) mandate that minutes contain a "summary of discussion on all matters proposed, deliberated, or decided," a board should include a list of consent items in the agenda. OMA also requires that any final action "be preceded by a public recital of the nature of the matter being considered and other information that will inform the public of the business being conducted." 5 ILCS 120/2(e). Some level of explanation of the consent agenda items must be verbally given before a board votes to approve a consent agenda. The Ill. Supreme Court has held that "the recital must announce the nature of the matter under consideration, with sufficient detail to identify the particular transaction or issue, but need not provide an explanation of its terms or its significance." Bd. of Educ. of Springfield Sch. Dist. No. 186 v. Atty. Gen. of Ill., 77 N.E.3d 625, 636 (Ill. 2017).

[4] 5 ILCS 120/2.02(c). The Ill. Appellate Court held that OMA prohibits a board from voting on a matter at a regular meeting that is not on the pre-meeting published agenda. Rice v. Bd. of Trustees of Adams Cnty., 326 Ill.App.3d 1120 (4th Dist. 2002).

[5] An alternative follows for those boards that want to give discretion to the board president to decide whether an item submitted by a board member should be added to a meeting agenda:

> Any Board member may submit suggested agenda items to the Board President for his or her consideration.

[6] See sample policy 2:230, *Public Participation at School Board Meetings and Petitions to the Board.* In districts governed by a board of school directors, an appointed board official must give a resident of the district requesting consideration of a matter by the board a formal written response no later than 60 days after receiving the request. The response must establish a meeting before the board or list the reasons for denying the request. 105 ILCS 5/10-6.

Options follow to restrict the addition of new agenda items by district residents; the phrases between [ ] may be used together, separately, or eliminated:

> Discussion items suggested by District residents may be added to the agenda [at the beginning of a regular meeting] [upon unanimous approval of those Board members present].

[7] An Ill. Atty. Gen. Public Access Counselor Opinion (PAO) found no violation of OMA when a board removed an item from the agenda within the 48-hour notice time period. PAO 14-3. Removals inform the public that the board does not plan to proceed on the topic.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency.[8] The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of School Board Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome.[9] A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of abstain or present, or a vote other than yea or nay, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated. [10]

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may

---

[8] State law does not require this, except that 105 ILCS 5/10-16 requires members to receive a written notice of a special meeting that includes the meeting's purpose.

[9] In most situations, the failure of a member to vote has the effect of acquiescence or concurrence with the majority of votes cast. Prosser v. Village of Fox Lake, 91 Ill.2d 389 (Ill. 1982); People v. Bertrand, 978 N.E.2d 681 (Ill. App. 1st Dist. 2012). For example, a motion passes with a vote of two *yeas*, one *nay*, and four *abstentions*. A motion fails with a vote of two *yeas*, three *nays*, and two *abstentions*. A motion fails with a vote of three *yeas*, three *nays*, and one *abstain* because there is no majority. Exceptions include when a statute requires the *affirmative vote* of a majority or extra. Statutory exceptions include the following board actions:

1. Dismissing a teacher for any reason other than reduction of staff or elimination of that position requires approval by the majority of all members. 105 ILCS 5/24-12.
2. Directing the sale of district real property or buildings thereon must be approved by at least 2/3 of the board members, unless the sale is residential property constructed or renovated by students as part of a curricular program, in which case, the board could engage the services of a licensed real estate broker to sell the property for a commission not to exceed 7%, contingent upon the public listing of the property on a multiple listing service for a minimum of 14 calendar days and a sale of the property happens within 120 days. 105 ILCS 5/5-22.
3. Making or renewing a lease of school property to another school district or municipality or body politic and corporate for a term longer than 10 years, or to alter the terms of such a lease whose unexpired term exceeds 10 years, requires approval by at least 2/3 of the board's full membership. 105 ILCS 5/10-22.11.
4. Leasing any building, rooms, grounds, and appurtenances to be used by the district for school or administration purposes for a term longer than ten years, or to alter the terms of such a lease whose unexpired term exceeds ten years, requires approval by at least 2/3 of the board's full membership. 105 ILCS 5/10-22.12.
5. Obtaining personal property by lease or installment contract requires approval by an affirmative vote of at least 2/3 of the board members. *Personal property* includes computer hardware and software and all equipment, fixtures, and improvements to existing district facilities to accommodate computers. 105 ILCS 5/10-22.25a.
6. Adopting a supplemental budget after a successful referendum requires approval by a majority of the full board. 105 ILCS 5/17-3.2.
7. Petitioning the circuit court for an emergency election requires approval by a majority of the members. 10 ILCS 5/2A-1.4.
8. Expending funds in emergency situation in the absence of required bidding requires approval by at least 3/4 of the board. 105 ILCS 5/10-20.21(a)(xiv).
9. Exchanging school building sites requires approval by at least a 2/3 majority of the board. 105 ILCS 5/5-23.
10. Waiving the administrative cost cap requires approval by an affirmative vote of at least 2/3 of the board. 105 ILCS 5/17-1.5.
11. Authorizing an advisory question of public policy to be placed on the ballot at the next regularly scheduled election requires approval by a majority of the board. 105 ILCS 5/9-1.5.

[10] Voting sequence is at the board's discretion. A board may indicate how frequently it changes the voting sequence by adding *after each vote*, *monthly*, or *annually* to the end of the sentence. All board members, including officers, may make motions and vote.

approve or deny the request but a denial is subject to being overturned by a majority vote of the members present. [11]

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary.[12] The minutes include: [13]

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted yea and nay;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion;[14] and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later. [15]

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection.[16] This is also referred to as

---

[11] This paragraph's first sentence contains the requirements in 105 ILCS 5/10-7. The second sentence is optional and may be deleted or amended. Other optional provisions include:

Option 1: Any Board member may include a written explanation of his or her vote in the District file containing individual Board member statements; the explanation will not be part of the minutes.

Option 2: Any Board member may request that his or her vote be changed before the President announces the result.

If a board takes a roll call vote on *all* action items, it may substitute this paragraph with the following sentence:

The Board shall take a roll call vote on all matters requiring its action, including but not limited to, all questions involving the expenditure of money and all questions involving the closing of a meeting to the public.

[12] 105 ILCS 5/10-7 and 5 ILCS 120/2.06. The minutes are the only record showing that the board took official action, including necessary prerequisites to make such action legally sufficient. A non-member recording secretary (of a board of education) or clerk (of a board of directors) may be given these responsibilities. 105 ILCS 5/10-14.

[13] All items listed are required to be recorded in minutes **except** items 7-9; other items may be included at the board's discretion. 5 ILCS 120/2.06 and 120/2a; 105 ILCS 5/10-7. The Ill. Atty. Gen. Public Access Counselor (PAC) found a board's vague reference to a *personnel matter* insufficient to meet the requirements of #3. PAO 13-7.

[14] The intent behind this optional item is to give an individual member a means of recording his or her support or opposition to a motion that was taken by oral vote; it will record that the individual took an alternative position to that of the majority without having the minutes recite unnecessary detail.

[15] Required by 5 ILCS 120/2.06(b).

[16] Required by 5 ILCS 120/2.06(d). If a board is unable to conduct the review every six months, it must do so as soon after as is practicable, taking into account the nature and meeting schedule of the board. Id. A board may also conduct the review more frequently. For the sake of brevity and to align with the closed meeting exception in 5 ILCS 120/2(c)(21) that continues to refer to a public body's *semi-annual* review of its closed session minutes, this policy's exhibits use the term *semi-annual*, even though that term was removed from 5 ILCS 120/2.06(d).

While board notes from closed sessions may be confidential under the Freedom of Information Act (FOIA), they may be discoverable by the opposing party in a lawsuit. Bobkoski v. Cary Sch. Dist. 26, 141 F.R.D. 88 (N.D. Ill. 1992).

a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session. [17]

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require. [18]

The official minutes are in the custody of the Board Secretary.[19] Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval;[20] they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member.[21] The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order. [22]

The Board's open meeting minutes shall be posted on the District website within ten days after the Board approves them; the minutes will remain posted for at least 60 days. [23]

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings.[24] If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location. [25]

The failure to strictly comply with the semi-annual review does not cause the written minutes or related verbatim record to become public, provided that the board, within 60 days of discovering its failure to strictly comply, reviews the closed session minutes and reports the result of that review in open session. 5 ILCS 120/2.06(d).

[17] 5 ILCS 120/2(c)(21) allows boards to discuss the confidentiality needs of closed meeting minutes in closed meetings.

[18] Required by 105 ILCS 5/10-7.

[19] Optional provision: "A copy of the minutes is kept in a secure location appropriate for valuables."

[20] Required by 5 ILCS 120/2.06(b).

[21] 5 ILCS 120/2.06(f). The listed individuals in the statute are matched to the titles in the IASB Policy Reference Manual. If the board wishes to mirror the statutory language, delete: ~~the Recording Secretary, the Superintendent or designated administrator, or any elected Board member~~ and replace with: "a records secretary, an administrative official of the public body, or any elected official of the public body."

See the discussion in paragraph two of f/n 27 below about what *in the presence of* means.

[22] Id.

[23] Posting on the website is required *only if* the district has a website that is maintained by a full-time staff member; if not, this sentence may be omitted. 5 ILCS 120/2.06(b).

[24] Boards must keep a verbatim record of their closed meetings in the form of an audio or video recording. 5 ILCS 120/2.06(a). This sample policy uses audio recording only; a board that uses a video recording should amend this policy and exhibit 2:220-E1, *Board Treatment of Closed Meeting Verbatim Recordings and Minutes*.

The interests of continuity, efficiency, and ease of holding someone accountable suggest that the superintendent be made responsible for making and storing the verbatim recordings. If the superintendent is not present, e.g., during discussions concerning the superintendent's contract, the tasks should be given to a board member.

[25] Alternatively, use: "is maintained within the District's administrative offices or their official storage location."

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting. [26]

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member.[27] Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location.[28] Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order. [29]

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections. [30]

26 This paragraph paraphrases 5 ILCS 120/2.06(c). No notification to, or the approval of, a records commission or the State Archivist is needed if a recording is destroyed under the conditions listed.

27 5 ILCS 120/2.06(e). The listed individuals align with the other titles used in the IASB Policy Reference Manual. If the board wishes to mirror the statute, delete: ~~the Recording Secretary, the Superintendent or designated administrator, or any elected Board member~~ and replace with: "a records secretary, an administrative official of the public body, or any elected official of the public body."

The intent of the *in the presence of* language is meant to protect both (1) the verbatim recordings/closed session minutes (see f/n 21 above), and (2) the board members requesting access to them. It ensures that a school district official is present at all times when a requesting board member accesses the verbatim recording/closed session minutes. The requirement is meant to prevent misuse and removal of the verbatim recording/closed session minutes from the district offices or official storage location. It is also meant to protect the board member who requests the access from being alone and in a situation where the board member could potentially be accused of tampering with or taking the verbatim recording/closed session minutes.

Consult the board attorney about:

1. The practice of sending an *appointed* board member to be present with a board member who requests access to verbatim recordings/closed session minutes. 5 ILCS 120/2.06(e) states, "any *elected* official of the public body;" appointed is not listed but is mentioned elsewhere in the language of this section of the law;
2. Access to verbatim recordings/closed session minutes by other officials employed by the district, e.g., superintendent or other high-level administrators and even the board attorney; and
3. How this law affects the sharing of closed session minutes with board members prior to a meeting at which the closed session minutes will be approved.

The intent of P.A. 99-515, which amended 5 ILCS 120/2.06(e), was to manage a board member's *individual* request for access to these items in the board member's individual capacity (see sample policy 2:80, *Board Member Oath and Conduct*), not change prior practices in regard to other officials and board attorneys or the required work of school boards under various laws. While many attorneys do not interpret the law to restrict access or change procedures for these other high-level school officials and attorneys employed by the district, some attorneys do, and it is important to obtain legal advice on this specific issue.

30 This paragraph is optional. It provides boards an opportunity to discuss and encourage each member to carefully think about purposes for their requests to listen to verbatim recordings, which historically has been and should continue to be to "access information relevant to the exercise of duties" for the public body. Intra-board conflicts may escalate if the recording is used to confirm or dispute who said what. Prior to P.A. 99-515, OMA did (and still does) allow boards to release these types of information. 5 ILCS 120/2.06(e). Board members should evaluate whether their requests under 5 ILCS 120/2.06(e) are "relevant to the exercise of their duties" before making such requests. Confirming or disputing who said what diverts resources away from operations of the district in educating its students. Additional considerations in listening to verbatim recordings may include personnel and student records confidentiality issues, which should be discussed with the board attorney.

Quorum and Participation by Audio or Video Means [31]

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, (4) unexpected childcare obligations, or (5) performance of *active military duty* as a *service member*. If a member wishes to attend a meeting by video or audio means, he or she must notify the Recording Secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration [32]

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency.[33] The Board President or, if the office is vacant or the President is

31 5 ILCS 120/2.01 and 120/7, amended by P.A.s 103-311 and 104-438. See also 105 ILCS 5/10-6 (regular and special meetings) and 5/10-12 (quorum). In order to allow attendance by video or audio means, a board must adopt a policy conforming to the restrictions in OMA. The statute requires the board member who wishes to attend remotely to notify the "recording secretary or clerk of the public body." The policy includes the superintendent as a possible person to receive the notice. Everything in this section is required aside from provisions on the length of notification that is given the secretary and the process for accommodating the request. Alternatively, a board may: (1) prohibit members from participating by video or audio means by omitting this section, (2) add other requirements, or (3) alter the 24-hour notification. Note that the statute does not contemplate someone either approving or denying a request, only that the request be accommodated if the notification is provided.

In a non-binding opinion, the PAC found a public body violated OMA when it allowed a board member to join a closed session meeting remotely without first taking action at that particular meeting in open session to approve the remote participation. 2019 PAC 57660. Therefore, even with the adoption of this policy to approve remote participation, best practice is to ensure the public is informed of any board members that are participating remotely for a particular board meeting. Consult the board attorney for advice on whether the board should take action every time it wishes to permit a member to participate remotely or in those instances where a board member objects to such participation.

Conflicting obligations to an employer may provide a permissible reason for a board member's attendance by video or audio conference. PAO 24-7. A board member does not have to show that it would be unfeasible to commute from a work assignment to the meeting location to participate remotely. Id.

OMA borrows the definition for *active military duty* from the Service Member Employment and Reemployment Act, 330 ILCS 61/1-10. 5 ILCS 120/7(a), amended by P.A. 104-438. It means any full-time military service regardless of length or voluntariness, including, but not limited to, annual training, full-time National Guard Duty, and State active duty. 330 ILCS 61/1-10. *Service member* means a resident of Illinois who is a member of any component of the U.S. Armed Forces or the National Guard of any state, D.C., a commonwealth, or territory of the U.S. 5 ILCS 120/7(a), amended by P.A. 104-438.

32 5 ILCS 120/2.01 and 120/7(e)(1)-(10). See also 105 ILCS 5/10-6 (regular and special meetings) and 5/10-12 (quorum). During the 2020 COVID-19 pandemic, Ill. Gov. Pritzker issued Executive Order (EO) 2020-07 pursuant to 20 ILCS 3305/7 (disaster proclamation due to public health emergency) that temporarily suspended OMA's physical quorum requirement. The Governor extended this OMA relief through subsequent Executive Orders as the crisis continued. In June of 2020, 5 ILCS 120/7 was enacted, immediately requiring public bodies to meet a number of conditions before suspending the physical quorum requirement. Boards must remember that public comment is still required when a quorum is not physically present at the meeting location.

33 The phrase "due to public health emergency" aligns with Ill. Emergency Management Agency Act (IEMAA), 20 ILCS 3305/4 and 7, which provides the governor with the power to declare a disaster. 5 ILCS 120/7(e)(1) uses the phrase "related to public health concerns because [the governor has declared] a disaster" and while not aligning with IEMAA text, means "public health emergency." For ease of understanding and alignment with IEMAA, this policy uses "public health emergency."

To avoid confusion, note that the triggers under 5 ILCS 120/7(e) for when a school board may conduct its meetings by audio or video conference without the physical presence of a quorum are a bit more broad than the School Code's triggers to implement remote and/or blended remote learning days (RLD/BRLDs). OMA states (1) the "governor **or the director of IDPH** has issued a disaster declaration of a disaster as defined in 20 ILCS 3305/ …." This means that it is possible for the board to meet remotely if the director of IDPH declares a disaster under OMA, but that may not mean a district must implement RLD/BLRDs because the School Code states that the governor must declare the disaster.

absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination. [34]

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes,[35] and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum. [36]

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure. [37]

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting.[38] Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

[34] 5 ILCS 120/7(e)(2) states "the head of the public body as defined in [the Freedom of Information Act (FOIA), 5 ILCS 140/2(e), FOIA]." FOIA defines *head of the public body* to mean the *president* or "such person's duly authorized designee." 5 ILCS 140/2(e). Sample policy 2:110, *Qualifications, Term, and Duties of Board Officers*, designates the vice president to perform the duties of the president if that office is vacant or he or she is absent or unable to perform the office's duties.

For practical purposes if a disaster is declared due to a public health concern, this policy designates the superintendent as "[the president or vice president's] duly authorized designee" pursuant to the authority of 5 ILCS 140/2(e) for the board to move forward with the required determination to meet by audio or video with no physical presence of a quorum.

[35] While this phrase of the sentence is not required in OMA, many attorneys agree that transparency best practices in this situation include the individual making the determination to: (1) put it in writing referring to the specific disaster declaration applicable to the board's jurisdiction and the public health concern/public health emergency that applies to not having an in-person meeting; and (2) include that written determination (a) on the board's published notice and agenda for the audio or video meeting, and (b) in the meeting minutes.

[36] See sample exhibit 2:220-E9, *Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration*.

[37] Boards are not required to follow any particular rules of order. Rules, however, must be in writing and available for public inspection, in order to have any legal effect. 105 ILCS 5/10-20.5.

[38] The public's right to record meetings must be addressed in board policy. 5 ILCS 120/2.05. However, a provision requiring advance notice to record a meeting is invalid. PAO 12-10.

School Board

Access to District Public Records [1]

Full access to the District's public records is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response. [2]

Freedom of Information Officer [3]

The Superintendent shall serve as the District's Freedom of Information Officer and assume all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of responsibility for the delegated action ~~that was delegated~~.

Definition [4]

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District. The District's public records do not include *junk mail*.

---

[1] The Ill. Freedom of Information Act (FOIA) governs the subject matter in this policy. 5 ILCS 140/. School districts are required to make public records available to any person for inspection or copying, unless they fall within an exception. 5 ILCS 140/3(a). The f/ns only discuss sections of FOIA that are relevant to school districts. State law does not explicitly require boards to adopt a policy on access to their records. However, a board policy is the logical instrument to memorialize the actions that are required to implement FOIA. The laws limiting the disclosure of employee evaluations are discussed in f/n 7.

See also *Let the Sunshine In: School Board Meetings and Records* published by IASB at: www.iasb.com/IASB/media/Documents/JPBSunshine.pdf.

Any person denied access to a public record may request a review by the Ill. Public Access Counselor (PAC) established in the office of the Ill. Atty. Gen. 5 ILCS 140/9.5. As a result of the review, the PAC may issue an opinion binding on the requester and public body. IASB reports on the opinions relevant to school districts at: www.iasb.com/policy-services-and-school-law/court-decisions-listing/.

[2] This sentence allows a board to monitor the district's compliance with FOIA. This is an important duty as illustrated by FOIA's provision stating: "It is a fundamental obligation of government to operate openly and provide public records as expediently and efficiently as possible." The School Code requires the FOIA report described in #2 (105 ILCS 5/10-16); it is optional, however, for districts governed by a board of school directors.

[3] Each board must designate one or more official(s) or employee(s) to act as its freedom of information officer(s). 5 ILCS 140/3.5 **(referred to in the f/ns as *FOIA Officer*)**. A board may replace *Superintendent* in this paragraph with another job title, or may replace the paragraph with one of the alternatives below:

Alternative 1: The Board will appoint an employee to serve as the District's Freedom of Information Officer. That appointee assumes all the duties and powers of that office as provided in FOIA and this policy.

Alternative 2: The Superintendent shall appoint an employee, who may be himself or herself, to [continue as with alternative 1].

[4] The definition is quoted from 5 ILCS 140/2(c), amended by P.A. 104-438. Substitute the following alternative for this paragraph if desired:

The definition of *public records*, for purposes of this policy, is the definition contained in 5 ILCS 140/2(c) without amendment.

Junk mail means any unsolicited commercial mail or commercial electronic communication sent to a district and not responded to by a district. 5 ILCS 140/2(j), added by P.A. 104-438.

Requesting Records [5]

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. Email requests must include the entirety of the request within the body of the email and not as an attachment or hyperlink. The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist; [6]
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; [7]
3. Complying with the request would be unduly burdensome; [8]
4. The request would require the District to open electronically attached files or hyperlinks to view or access details of a request. In that case, the requester shall be notified within five business days that the entirety of the electronic request must appear within the body of the electronic submission;[9] or

[5] This section restates 5 ILCS 140/3(c), amended by P.A. 104-438, in relevant part. Districts may, but are not required to, accept oral requests. Compliance with an oral request may stave off the formal written request and permit more flexibility in the response. If the district wants to accept oral requests, delete ~~must be made in writing and~~ from the first sentence and add the following:

> Oral requests may be accepted provided personnel are available to handle them, but otherwise must be made in writing.

The response to an oral request should be documented. Districts may provide a request form for convenience but may not require its use. See sample exhibit 2:250-E1, *Written Request for District Public Records*.

[6] FOIA does not require a public body to create a record. 5 ILCS 140/1; Chicago Tribune Co. v. Dept. of Financial and Professional Regulation, 8 N.E.3d 11 (Ill. App. 4th Dist. 2014). However, compiling information already in the public body's possession into a different format in order to respond to a FOIA request does not constitute the creation of a new record. PAO 15-10. See also Hites v. Waubonsee Community College, 56 N.E.3d 1049 (Ill. App. 2nd Dist. 2016) (holding that databases that house aggregations of data and do not merely store documents are subject to FOIA).

[7] 5 ILCS 140/7 and 140/7.5 describe numerous explicit exceptions to the presumption that all public records are available for public inspection. Each record is "presumed to be open to inspection or copying" and the district will have "the burden of proving by clear and convincing evidence that it is exempt." 5 ILCS 140/1.2 and 140/11(f). A person who prevails in a court proceeding to enforce FOIA will be awarded attorney's fees; the public body may incur a civil penalty of between $2,500 and $5,000 for each occurrence of a willful or intentional violation of FOIA or other action in bad faith; and courts may impose additional penalties of up to $1,000 for each day the violation continues if (1) the board fails to comply with the court's order after 30 days, (2) the court's order is not on appeal or stayed, and (3) the court does not grant the public body additional time to comply with the court's order to disclose public records. 5 ILCS 140/11(i) and (j). School officials should seek the board attorney's advice concerning the denial of a record request.

Two State laws limit the disclosure of employee personnel evaluations:

1. The Personnel Record Review Act prohibits the disclosure of performance evaluations. 820 ILCS 40/11.
2. The School Code prohibits the disclosure of public school teacher, principal, and superintendent performance evaluations except as otherwise provided in the certified employee evaluation laws. 105 ILCS 5/24A-7.1.

5 ILCS 140/7(kk) exempts from disclosure "the public body's credit card numbers, debit card numbers, bank account numbers, Federal Employer Identification Number, security code numbers, passwords, and similar account information" that could result in identity theft or fraud of a government entity or a person.

[8] 5 ILCS 140/3(g).

[9] 5 ILCS 140/3(c), amended by P.A. 104-438.

5. The District has a reasonable belief that the request was not submitted by a person, and the requester fails to verify orally or in writing that they are a person within 30 days of the District's request for such verification. [10]

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA.[11] The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date.[12] If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period. [13]

The time periods are extended for responding to requests for records made for a commercial purpose, requests by a recurrent requester, or voluminous requests, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA. [14]

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request. [15]

Fees [16]

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a commercial purpose and fees, costs, and personnel hours in connection with responding to a voluminous request.

---

[10] 5 ILCS 140/3(j), added by P.A. 104-438.

[11] 5 ILCS 140/3(d). Reasons for extensions are addressed at 5 ILCS 140/3(e). Public bodies must respond to FOIA requests. PAOs 16-05, 16-04, 16-03, and 16-01. Public bodies must also conduct a reasonable search for public records responsive to a FOIA request, which includes searching public employees' communications on personal devices or accounts for records pertaining to the transaction of public business. PAO 16-06.

[12] 5 ILCS 140/3(e).

[13] 5 ILCS 140/3(f). A board may replace the default paragraph with the following alternative:

The Freedom of Information Officer shall respond to record requests according to the time periods described in 5 ILCS 140/3.

[14] The timelines are extended to respond to a: (1) *recurrent requester* (defined in 5 ILCS 140/2(g)); (2) request with a *commercial purpose* (defined in 5 ILCS 140/2(c-10)); and (3) *voluminous request* (defined in 5 ILCS 140/2(h)). To use the extended timelines, a district must follow the requirements in 5 ILCS 140/3.2 for responding to a *recurrent requester*; 5 ILCS 140/3.1 for responding to a request with a *commercial purpose*; and 5 ILCS 140/3.6 for responding to a *voluminous request*. See sample administrative procedure 2:250-AP1, *Access to and Copying of District Public Records*, for additional information.

[15] 5 ILCS 140/7. Redacting exempt portions is permitted, but not required, except that contractors' employees' addresses, telephone numbers, and social security numbers must be redacted before disclosure. 5 ILCS 140/2.10. Reviewing past responses to FOIA requests will promote uniform treatment of requests for similar records.

[16] 5 ILCS 140/6. The first paragraph's intent is to be efficient and avoid paraphrasing a complex law. See sample administrative procedure 2:250-AP1, *Access to and Copying of District Public Records*, for a fee schedule identifying the maximum fees permitted.

5 ILCS 140/6(a) states: "If a request is *not* a request for a *commercial purpose* or a *voluminous request*, a public body *may not* charge the requester for the costs of any search for and review of the records or other personnel costs associated with reproducing the records." (Emphasis added.) This implies that a search and review fee may be charged when responding to a request for a *commercial purpose* or a *voluminous request*. However, 5 ILCS 140/6(b) states that the search and review fee described in 5 ILCS 140/6(f) may be charged *only to* someone making a *commercial request*. 5 ILCS 140/6(f) contains the maximum amounts that may be charged for search and review but does not explain when they may be charged. The FOIA Officer will need to consult the board attorney concerning fees.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a voluminous request, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it. **17**

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer. **18**

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record.**19** The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy. **20**

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data

---

17 5 ILCS 140/6(c) makes it mandatory to furnish records "without charge or at a reduced charge" if the request is in the *public interest* as defined by FOIA. If a board wants to indicate when a reduction is available by paraphrasing the statute, it may substitute the following alternative for the default paragraph:

> A fee reduction is available if the person requesting the record states a specific purpose for the request and indicates that a fee reduction is in the public interest by having as its principal purpose the preservation of the general public's health, safety, welfare, or legal rights and is not for the principal purpose of personal or commercial benefit. The Freedom of Information Officer shall set the amount of the reduction, taking into consideration the amount of material requested and the cost of copying it.

18 Public bodies may adopt rules for the times and places where records will be made available. 5 ILCS 140/3(h). A board may amend this sentence to reflect other times and/or places where records will be made available.

19 5 ILCS 140/4. A district may reduce FOIA requests by posting records on its website. Many records are required to be web-posted, see sample exhibit 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*. If the district does not have a website, replace this paragraph as follows:

> Some public records are available for immediate access including a description of the process for requesting a public record, and a list of all types or categories of records under its control.

For a list of required web-postings see sample exhibit 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*. Using the district's website is also a convenient way to comply with FOIA's requirement to identify documents that are *immediately* available. 5 ILCS 140/3.5(a). Although not required to be web-posted, a list of all types or categories of records under its control must be prepared and made available. 5 ILCS 140/5; see sample administrative procedure 2:250-AP1, *Access to and Copying of District Public Records*.

20 5 ILCS 140/8.5.

appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request.[21] Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission. [22]

820 ILCS 130/5, Prevailing Wage Act.

CROSS REF.: 2:140 (Communications To and From the Board), 5:150 (Personnel Records), 7:340 (Student Records)

[21] The Local Records Act (50 ILCS 205/3) requires the preservation of records described in items #1-3. The preservation of records described in item #3 is also required by the Family Educational Rights and Privacy Act (20 U.S.C. §1232g) and the Ill. School Student Records Act (105 ILCS 10/), among other laws. An example of a record described in item #4 is a record subject to a *litigation hold* or a document preservation requirement pursuant to Federal Rules of Civil Procedure, Rules 16 and 26.

Categorizing email messages is complicated because two laws apply, and the rules differ when a board member is a party. See sample policy 2:140, *Communications To and From the Board*, for a discussion of email between or among board members. When employees or agents are using email for school purposes, the email messages may be *public records*, but will not necessarily be subject to disclosure depending on the topic discussed. FOIA's list of exemptions from disclosure determines whether these emails are subject to disclosure. For exemptions see 5 ILCS 140/7.

Not all email messages between or among employees must be preserved, even if they are *public records* for purposes of FOIA. The definition of *public record* in the Local Records Act (50 ILCS 205/3) is narrower than its definition in FOIA. Thus, staff email, like all district records, must be retained only when it contains material described in #1-4. While this is a slippery slope without definitive parameters, employee email that is conversational or personal, or contains brainstorming may generally be deleted.

The Prevailing Wage Act (820 ILCS 130/5) requires contractors, while participating in public works, to keep certified payroll records of all laborers, mechanics, and other workers employed by them on the project and to submit this record to the Ill. Dept. of Labor (IDOL) through an electronic database. These records are considered public records, except for contractors' employees' addresses, telephone numbers, social security numbers, race, ethnicity, and gender, and they must be made available in accordance with FOIA. Id. **Note:** 820 ILCS 130/5 requires contractors to maintain records of the race, ethnicity, gender, and veteran status of workers on a public works project. FOIA, however, was not similarly amended to require public bodies to redact the workers' race, ethnicity, and gender from certified payroll records before disclosure. See 5 ILCS 140/2.10. The Ill. Atty. Gen. has previously issued at least one non-binding opinion finding that disclosure of a person's gender is not an unwarranted invasion of personal privacy under 5 ILCS 140/7(1)(c). Districts should consult with their board attorneys regarding what categories of information may be properly redacted in response to a FOIA request for certified payroll records.

[22] 50 ILCS 205/. Preservation and destruction of documents is covered in sample administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. See also the Ill. Secretary of State's website for information on preserving and destroying records at:

School Board

Uniform Grievance Procedure [1]

A student, parent/guardian, employee, or community member should notify any District Complaint Manager if he or she believes that the School Board, its employees, or its agents have violated his or her rights guaranteed by the State or federal Constitution, State or federal statute, or Board policy,[2] or has a complaint regarding any one of the following: [3]

1. Title II of the Americans with Disabilities Act, 42 U.S.C. §12101 et seq. [4]
2. Title IX of the Education Amendments of 1972, 20 U.S.C. §1681 et seq., excluding Title IX complaints governed by Board policy 2:265, *Title IX Grievance Procedure*
3. Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. §791 et seq. [5]
4. Discrimination and/or harassment on the basis of race, color, or national origin prohibited by the Illinois Human Rights Act, 775 ILCS 5/; Title VI of the Civil Rights Act of 1964, 42 U.S.C. §2000d

---

[1] State or federal law requires this subject matter be covered by policy and controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. Employee grievance procedures are a mandatory subject of bargaining and cannot be changed without the employee exclusive representative's consent. This policy and its companion sample policy 2:265, *Title IX Grievance Procedure*, are in addition to, and not a substitute for, the employee grievance procedure contained in a collective bargaining agreement.

A grievance procedure is required by many civil rights acts and implementing regulations, including those listed. For the sake of consistency and ease of administration, this policy consolidates all board grievance procedures, excluding Title IX sexual harassment complaints (see sample policy 2:265, *Title IX Grievance Procedure*) into one policy, except those contained in collective bargaining agreements. See the cross references for the policies referring to this uniform grievance procedure policy.

[2] Including the phrase "guaranteed by the State or federal Constitution, State or federal statute, or Board policy" broadens the scope of this policy beyond the items listed. Consult the board attorney regarding whether to retain this phrase and/or to otherwise limit the scope of this policy.

[3] The Individuals with Disabilities Education Act (IDEA) (20 U.S.C. §1400 et seq.) is not included in the list of statutes that may serve as the basis of a grievance, and attorneys disagree whether it should be. Many believe that IDEA provides the exclusive remedy; others believe that including IDEA allows parents/guardians an opportunity to get their position before the board. Unique and specific complaint resolution mechanisms are expressly provided under IDEA, Article 14 of the School Code, and their respective implementing regulations. These mechanisms follow: (1) IDEA at 20 U.S.C. §1415 (procedural safeguards-mediation and due process); (2) IDEA regulations at 34 C.F.R. §§300.151-300.153 (state complaints), 300.506 (mediation), and 300.507 et seq. (due process); (3) 105 ILCS 5/14-8.02a (mediation and due process) and 5/14-8.02b (expedited due process); and (4) special education regulations at 23 Ill.Admin.Code §§226.560 (Mediation), 226.570 (State Complaint Procedures), and Subpart G (due process). A board that would like to include IDEA should consult the board attorney.

[4] The Americans with Disabilities Act Amendments Act (ADAAA) (Pub. L. 110-325), made significant changes to the Americans with Disabilities Act's definition of disability by broadening the scope of coverage. The ADAAA also overturned a series of U.S. Supreme Court decisions that interpreted the Americans with Disabilities Act of 1990 in a way that made it difficult to prove that impairments were a disability. The U.S. Equal Employment Opportunity Commission's (EEOC) regulations, 29 C.F.R. Part 1630, are at: www.eeoc.gov/eeoc-disability-related-resources/laws-and-regulations-related-disability-discrimination.

Boards should consult with their attorneys regarding how the ADAAA and its implementing regulations impact their districts.

Title II of the ADA of 1990 also includes website accessibility. The *Web Content Accessibility Guidelines* (WCAG) Version 2.1, Level AA is the formal federal legal standard for public accommodation websites, including school districts. The compliance date for districts is 4-24-26 or 4-26-27, depending upon the size of the population where the district is located. 28 C.F.R. §§35.104 and 35.200 et seq. See the U.S. Dept. of Justice's *Fact Sheet: New Rule on the Accessibility of Web Content and Mobile Apps Provided by State and Local Governments* (4-8-24), at: https://www.ada.gov/resources/2024-03-08-web-rule/. WCAG 2.1 is available at: www.w3.org/TR/WCAG21. 105 ILCS 5/10-20.75 also requires school districts to ensure their *Internet websites or web services* comply with Level AA of the WCAG 2.1 or any revised version of those guidelines. *Internet website or web service* means "any third party online curriculum that is made available to enrolled students or the public by a school district through the Internet." [6] 105 ILCS 5/22-95(b)(1)(B), added by P.A. 103-472, requires a district to have an internal process for filing a complaint regarding a violation of its policy (or policies) prohibiting discrimination and harassment on the basis of race, color, national origin, and retaliation. Sample policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, utilizes this policy as an internal complaint process. See also sample administrative procedure 2:270-AP, *Prevention and Response Program for Complaints of Discrimination and Harassment Based on Race, Color, and National Origin*, which includes additional procedures to be followed when responding to complaints of discrimination and harassment on the basis of race, color, and national origin.

[7] 5 ILCS 430/70-5(a) requires governmental entities (including school districts) to adopt an ordinance or resolution establishing a policy to prohibit sexual harassment that contains certain prescribed elements. See sample policy 5:20, *Workplace Harassment Prohibited*, at f/n 3 and subhead **Complaints of Sexual Harassment Made Against Board Members by Elected Officials** in sample policy 2:105, *Ethics and Gift Ban*, for further detail. Complaints of sexual harassment made against board members by fellow board members or other elected officials of governmental units must undergo an *independent review*, which is not a term defined in the statute. Unlike the powers granted by the Ill. General Assembly to municipalities to pass ordinances, school boards govern by rules referred to as *policies*. 105 ILCS 5/10-20.5. Further, school boards may only exercise powers given to them that are consistent with the School Code that may be requisite or proper for the maintenance, operation, and development of any school or schools under the jurisdiction of the board. 105 ILCS 5/10-20. School districts are also required to create, maintain, and implement an age-appropriate sexual harassment policy. 105 ILCS 5/10-20.69. See sample policy 7:20, *Harassment of Students Prohibited*, and its f/n 9 for further information.

50 ILCS 205/3c requires a school district to post on its website and make available to news media specific information about severance agreements that it enters into because an employee or contractor was "found to have engaged in sexual harassment or sexual discrimination, as defined by the Ill. Human Rights Act or Title VII of the Civil Rights Act of 1964." Consult the board attorney about the word *found*. It raises many practical application questions, e.g., when does the word *found* trigger a board's compliance responsibility pursuant to this law. Such questions include, but are not limited to:

1. Must a school board make a *finding* to trigger this requirement? If the severance agreement is entered into post-termination, a record of board *findings* rarely exists.
2. Are charges for termination *findings*? Often superintendents submit charges for termination, but these are not technically *findings*.
3. Are charges based on a complaint manager's report and determination(s) *findings* under the law when a board still has the ability to review and reject the complaint manager's determination(s)?

Next, contrast the above publication law with the Government Severance Pay Act (GSPA), 5 ILCS 415/10(a)(2). GSPA prohibits an employee of a school district with contract provisions for severance pay from receiving any severance if he or she is fired for *misconduct* by the board. GSPA defines *misconduct* to include sexual harassment and/or discrimination. Id. at 415/5.

Consult the board attorney about how to reconcile whether sexual harassment and/or sexual discrimination is misconduct for which a severance would be prohibited under the GSPA, and therefore, not available to be published under 50 ILCS 205/3c. And for further discussion and other applicable transparency laws that apply to this issue, see also f/n 16 in sample policy 5:20, *Workplace Harassment Prohibited*.

[8] Consult the board attorney regarding proper filing and storage of these investigation documents, including whether certain student-related investigation documents are *sole possession records*, a Family Policy Compliance Office (FPCO)-created an exemption to the Family Education Rights Privacy Act (FERPA) (20 U.S.C. §1232g). See *Letter to Ruscio*, 115 LRP 18601 (FPCO 12-17-14).

[9] 105 ILCS 5/10-20.60 requires schools to implement the Ill. sex equity grievance procedures when processing student complaints about breastfeeding accommodations. Complainants must be informed that the board's decision may be appealed to the Regional Superintendent (or appropriate Intermediate Service Center Executive Director) and, thereafter, to the State Superintendent. 23 Ill.Admin.Code §200.40. **Note:** Certain claims brought under 105 ILCS 5/10-20.60 may also be covered by the anti-discrimination protections of Title IX; consult the board attorney for further advice. ---

[10] All districts must have a policy on bullying. 105 ILCS 5/22-110, renumbered by P.A. 104-391. See sample policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. The inclusion of *bullying* in the list of topics that may serve as the basis of a grievance furthers the obligation to communicate this policy to students and their parents/guardians.

[11] Parents/guardians of educationally disadvantaged children may sue a district for misuse of funds allocated by State law for the benefit of such children. Noyola v. Bd. of Educ., 179 Ill.2d 121 (Ill. 1997) (affirming the appellate court's conclusion in Noyola v. Bd. of Educ., 284 Ill.App.3d 128 (1st Dist. 1996) that parents/guardians may pursue a claim to enforce the requirements of the School Code but holding that the proper action for enforcement is by means of mandamus not an implied right of action).

[12] The Whistleblower Act (740 ILCS 174/), amended by P.A. 103-867, includes school districts in the definition of employer. It protects employees from employer retaliation for disclosing information to a government or law enforcement agency. 740 ILCS 174/15, amended by P.A.s 103-867 and 104-440, contains language prohibiting employers from retaliating against employees who disclose information in a court, an administrative hearing, or in any other proceeding initiated by a public body where the employee has a good faith belief that an activity, policy, or practice of the employer: (1) violates a State or federal law, rule, or regulation; or (2) poses a substantial and specific danger to employees, public health, or safety. The Ill. False Claims Act (740 ILCS 175/) includes school districts in its definition of *State*. A strict interpretation of this language appears to allow school boards to collect civil penalties and costs against someone making a false claim. Before disciplining any employee, boards should thoroughly investigate the ramifications of these acts in consultation with their attorney and liability insurance carriers.

[13] The Genetic Information Nondiscrimination Act (GINA) (42 U.S.C. §2000ff et seq.) is a federal law. Title I addresses the use of genetic information pertaining to health insurance. Title II protects job applicants, current and former employees, labor union members, and apprentices and trainees from discrimination based on their genetic information. GINA covers employers with 15 or more employees.

GINA broadly defines genetic information to include information about an individual's genetic tests, their family members, and, among other things, the manifestation of a disease or disorder in the individual or the individual's family members. Information about an individual's or family member's age or gender is excluded from genetic information. Its remedies mirror those available under a Title VII of the Civil Rights Act claim: back pay, reinstatement, attorneys' fees and compensatory and punitive damages. Retaliation against an individual who brings a claim under GINA is also prohibited. Federal regulations are available at 29 C.F.R. Part 1635, and background information on these regulations is available at: www.eeoc.gov/genetic-information-discrimination. An FAQ entitled *FAQs on the Genetic Information Nondiscrimination Act* is available at: www.dol.gov/agencies/ebsa/laws-and-regulations/laws/gina.

The Ill. Genetic Information Protection Act (GIPA) (410 ILCS 513/) also prohibits employers from making employment decisions on the basis of any employee's genetic testing information and from penalizing employees who do not want to disclose their genetic information as part of a workplace wellness program. GIPA includes the federal GINA's definition of genetic information and creates more stringent obligations on Ill. employers. While the federal GINA exempts small employers (those with less than 15 employees), Illinois' GIPA covers all employers, even those with one employee. GIPA also provides penalties for negligent and intentional mishandling of genetic information. Note that Title II of GINA does not preempt GIPA's greater protections to Illinois employees.

Before using any sort of genetic information, consult the board attorney for guidance regarding GINA's and GIPA's specific applications to the district and how these laws integrate with other related federal laws, such as the Family and Medical Leave Act (29 U.S.C. §2612 et seq.) and the ADA, and State laws governing time off for sickness and workers' compensation.

16. Employee Credit Privacy Act, 820 ILCS 70/ [14]

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parent(s)/guardian(s)); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable[15] resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender.[16] The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager or designee shall process and review the complaint under Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

For any complaint alleging sex discrimination that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Title IX Coordinator or designee[17] shall process and review the complaint under Board policy 2:265, *Title IX Grievance Procedure*.

For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint under Board policy

[14] 820 ILCS 70/. Unless a satisfactory credit history is an *established bona fide occupational requirement* of a particular position, an employer may not: (1) refuse to hire, discharge, or otherwise discriminate against an individual with respect to employment because of the individual's credit history or credit report; (2) inquire about an applicant's or employee's credit history; or (3) order or obtain an applicant's or employee's credit report from a consumer reporting agency. The Act identifies circumstances that permit a satisfactory credit history to be a job requirement, such as, when the position's duties include custody of or unsupervised access to cash or marketable assets valued at $2,500 or more. 820 ILCS 70/10(b). A person who is injured by a violation of this Act may bring a civil action to obtain injunctive relief and/or damages. 820 ILCS 70/25. The court must award costs and reasonable attorneys' fees to a prevailing plaintiff. Id.

[15] The phrase "prompt and equitable resolution" comes from Title IX implementing regulation 34 C.F.R. §106.8(c) which requires schools to "adopt and publish grievance procedures that provide for the prompt and equitable resolution of student and employee complaints" of sex discrimination.

[16] These are best practices to reduce barriers to filing a complaint.

[17] "Title IX Coordinator or designee" is used where Title IX is implicated. In contrast, if Title IX is not implicated, "Nondiscrimination Coordinator or a Complaint Manager or designee" is used (see the last paragraph under the **Filing a Complaint** subhead).

2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint according to that policy, in addition to any response required by this policy, and shall consider whether an investigation under Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*,[18] should be initiated.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf.[19] The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time from the Superintendent.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall provide his or her written decision to the Complainant and the accused[20] as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard. [21]

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

---

[18] See sample administrative procedure 5:120-AP2, *Employee Conduct Standards*, and its exhibit 5:120-AP2, E, *Expectations and Guidelines for Employee-Student Boundaries*.

[19] This sample policy gives complaint managers the flexibility to appoint another individual to conduct an investigation, which may be appropriate in cases where the neutrality or efficacy of the complaint manager is an issue, and/or where the district wishes to have the expertise and related attorney-client and work product privileges that an in-house or outside attorney may afford an investigation. Such alternative appointments are often made in consultation with the superintendent or other district-level administrator (except in cases involving complaints about those individuals).

[20] Using a consistent delivery method that allows the district to verify the date of receipt is a best practice, e.g., registered mail, return receipt requested, and/or personal delivery.

[21] *Preponderance of evidence* is a standard of proof used in civil cases. It means "the greater weight of the evidence, not necessarily established by the greater number of witnesses testifying to a fact but by evidence that has the most convincing force." See *Black's Law Dictionary, 11th ed. 2019*.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall provide its written decision to the Complainant and the accused,[22] as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party. [23]

Appointing a Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers [24]

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Superintendent shall appoint a Title IX Coordinator to coordinate the District's efforts to comply with Title IX. [25]

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, each of a different gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator, Title IX Coordinator, and the Complaint Managers. [26]

---

[22] See f/n 20, above.

[23] The Ill. sex equity regulations require districts to have "specific timelines for completion of each step and rendering of a written decision, and shall provide for final appeal of grievance decisions made at the system level to the system's governing board." 23 Ill.Admin.Code §200.40(c)(1). To avoid arguments over these timelines, this sample policy provides that the failure to strictly follow the timelines does not prejudice any party. The grievance procedure is worthless if complaints are not thoroughly and promptly investigated.

[24] While the names and contact information are required by law to be listed, they are not part of the adopted policy and do not require board action. This allows for additions and amendments to the names and contact information when necessary. It is important for updated names and contact information to be inserted into this policy and regularly monitored.

A district's Nondiscrimination Coordinator often also serves as its Title IX Coordinator. Best practice is that throughout the board policy manual, the same individual be named as Nondiscrimination Coordinator. In contrast, Complaint Managers identified in individual policies may vary depending upon local district needs.

[25] Title IX regulations require districts to designate and authorize an employee to coordinate efforts to comply with Title IX and to refer to that employee as the *Title IX Coordinator*. 34 C.F.R. §106.8(a). Districts must identify the Title IX Coordinator by name, office address, email address, and telephone number. Id. If a district has more than one Title IX Coordinator, it should designate one of its Title IX Coordinators to retain ultimate oversight to ensure the district's consistent compliance with its responsibilities under Title IX and its implementing regulations.

A district must prominently display its Title IX nondiscrimination policies (this policy 2:260, *Uniform Grievance Procedure*, and policy 2:265, *Title IX Grievance Procedure*) and contact information for its Title IX Coordinator on its website, if any, and in each handbook made available to students, applicants for employment, parents/guardians, employees, and collective bargaining units. 34 C.F.R. §106.8(a) and (b). Notifications must state that nondiscrimination extends to employment, and that inquiries about the application of Title IX and its regulations may be referred to the district's Title IX coordinator, to the U.S. Dept. of Education's Assistant Secretary of Education, or both. 34 C.F.R. §106.8(b). See sample exhibit 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*.

[26] The board may include the following option to address publication of such contact information:

"The Superintendent or designee shall ensure that students, parents/guardians, employees, and members of the community are informed of the contact information for the District's Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers on an annual basis."

Publicizing the contact information for the Nondiscrimination Coordinator and Complaint Managers through personnel handbooks, student handbooks, and/or on the district's website is a best practice. The Ill. Principals Association (IPA) maintains a handbook service that coordinates with **PRESS** material, *Online Model Student Handbook (MSH)*, at: www.ilprincipals.org/msh/.

Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors [1]

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of:[2] (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) ~~grooming~~ behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children,[3] and define prohibited grooming behaviors,[4] the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program. The Program will:

1. Educate students with:

Also infused into this policy are concepts from *Faith's Law,* 105 ILCS 5/22-85.5, which provides helpful guidance for districts to implement *Erin's Law* due to its vagueness. See f/ns 1 and 14 in sample policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, for further information regarding *Faith's Law*.

2. 105 ILCS 5/27-1015(b), renumbered by P.A. 104-391 (requires comprehensive personal health and safety and comprehensive sexual health education a/k/a National Sex Education Standards (NSES) to: (a) be age and developmentally appropriate, medically accurate, complete, culturally appropriate, inclusive, and trauma informed, (b) replicate evidence-based or evidence-informed programs or substantially incorporate elements of evidence-based programs or evidence-informed programs or characteristics of effective programs, (c) provide information about local resources where students can obtain additional information and confidential services related to sexual violence (including sexual abuse and assault), and (d) provide information about State laws related to mandated reporting of child abuse and neglect, and school policies addressing the prevention of and response to sexual violence) (see sample policy 6:60, *Curriculum Content*, and administrative procedure 6:60-AP2, *Comprehensive Personal Health and Safety and Sexual Health Education Program (National Sex Education Standards (NSES))*); and

14 Providing information to parents/guardians about how to recognize grooming behaviors is not in *Erin's Law*; it only addresses informing parents/guardians about the methods for increasing their awareness and knowledge of grooming behaviors. 105 ILCS 5/10-23.13(b)(1). This policy requires the district to provide information to parents/guardians about how to recognize grooming behaviors to: (1) effect the purpose of *Erin's Law*, (2) align with the intent of the statutes cited in f/n 1, above (educating all students to recognize and avoid sexual abuse and assault), and (3) align with the notification requirements in 105 ILCS 5/27-13.2 (parents/guardians of K-8 students prior to commencing instruction in recognizing and avoiding sexual abuse (see f/n 15, below)).

15 105 ILCS 5/22-85.5(e) requires the employee code of professional conduct policy be included in any staff, student or parent/guardian handbook provided by the district. General Personnel

Hiring Process and Criteria [1]

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with School Board policy on equal employment opportunity and minority recruitment.[2] The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board.[3] If the Superintendent's recommendation is rejected, the Superintendent must submit another.[4] No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).[5]

[1] State or federal law controls this policy's content. This policy contains an item on which impact bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

[2] See sample policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Districts may not classify a job as either a *male* or *female* job. 29 C.F.R. §1604.5, 34 C.F.R. §106.55.

105 ILCS 5/22-96, added by P.A. 103-46 and renumbered by P.A. 103-564, requires school districts, when hiring or assigning educators for physical education, music, or visual arts, to prioritize the hiring or assigning of educators who hold an educator license and endorsement in those areas.

[3] Boards must consider the superintendent's recommendations concerning, among other things, "the selection, retention, and dismissal of employees." 105 ILCS 5/10-16.7. The board may want to use this alternative sentence:

All personnel decisions are made by the Board, but only on the recommendation of the Superintendent.

A board that fills a "new or vacant teaching position" must select a candidate based on: (1) certifications, (2) qualifications, (3) merit and ability (including performance evaluation, if available), and (4) relevant experience, provided that the length of continuing service with the district must not be considered a factor, unless all other factors are determined by the school district to be equal. 105 ILCS 5/24-1.5. The statute does not define "new or vacant teaching positions." The requirement does not apply to filling vacant positions under 105 ILCS 5/24-12 (reduction in force and recall). Consult the board attorney about these issues.

The Equal Pay Act of 2003, 820 ILCS 112/10(b-25), added by P.A. 103-539, makes it unlawful for employers with 15 or more employees to fail to include the "pay scale and benefits" for a position in any specific job posting. "Pay scale and benefits" means the wage or salary, or the wage or salary range, and a general description of benefits and other compensation. Id. at 112/5, amended by P.A. 103-539. To satisfy the posting requirement, an employer can include a hyperlink to a public webpage that includes the pay scale and benefit information. Id. at 112/10(b-25), added by P.A. 103-539. If an employer uses a third party to post its job postings, then the employer must provide the pay scale and benefits or a hyperlink containing the information to the third party. Id. The Act also requires employers to inform current employees of promotion opportunities within 14 calendar days after the employer posts externally for the position. Id. Employers are not prohibited from asking applicants about their wage or salary expectations for a position. Id.

[4] An additional optional sentence follows:

The Superintendent may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval.

[5] 775 ILCS 5/2-103.1 prohibits employers from using conviction records as a basis to refuse to hire or to take any adverse action against an applicant or employee unless: (1) otherwise authorized by law; (2) there is a *substantial relationship* between the criminal offense and the employment sought; or (3) granting the employment would involve an unreasonable risk to property or to the safety or welfare of specific individuals or the general public. For the disqualifying offenses listed in 105 ILCS 5/21B-80, a district does not have to show a *substantial relationship* between the offense and the position or that hiring or continuing to employ the person would involve an unreasonable risk. However, the Ill. Dept. of Human Rights (IDHR) interprets the Ill. Human Rights Act (IHRA) to still require the employer to notify the applicant of the disqualification pursuant to law and to afford the applicant at least five business days to respond in case the applicant wants to dispute the accuracy of the conviction record. Id. at 5/2-103.1(C). See IDHR's *Conviction Record Protection – Frequently Asked Questions* (March 2021), at:
https://dhr.illinois.gov/conviction-record-protection-frequently-asked-questions.html.

Attorneys have different opinions as to whether the IHRA requires the *interactive assessment* outlined in 775 ILCS 5/2-103.1(c), which includes preliminary and final notices, when a disqualifying offense listed in 105 ILCS 5/21B-80 is found in a conviction record; **consult the board attorney for guidance on this issue**. See sample administrative procedure 5:30-AP2, *Investigations*, and its footnotes for more detail regarding the IHRA notice provisions and the need for districts to also comply with the seven-day notification requirement in the Ill. Uniform Conviction Information Act, 20 ILCS 2635/7. **Note:** The protections of 775 ILCS 5/2-103.1 do not cover *unpaid interns*, which may include student teachers in the K-12 context. The definition of *employee* in the IHRA only extends to include unpaid interns for civil rights violations involving sexual harassment. 775 ILCS 5/2-101(A)(1)(c) and 5/2-102(D).

All applicants must complete a District application in order to be considered for employment. [6]

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration. [7]

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict. [8]

105 ILCS 5/10-21.9(c); 105 ILCS 5/21B-80, allows individuals with criminal histories involving certain drug convictions to apply for or to reinstate their educator licenses seven years after their sentence for the criminal offense is completed. Consult the board attorney about whether the board wants to continue prohibiting employment for any individual who has a criminal history involving these exempted drug offenses.

6 Any person who applies for employment as a teacher, principal, superintendent, or other certificated employee who willfully makes a false statement on his or her application for employment, material to his or her qualifications for employment, which he or she does not believe to be true, is guilty of a Class A misdemeanor. 105 ILCS 5/22-6.5. District employment applications must contain a statement to this effect. Id. Each employment application for these positions must state the following (Id.):

> Failure to provide requested employment or employer history which is material to the applicant's qualifications for employment or the provision of statements which the applicant does not believe to be true may be a Class A misdemeanor.

Many districts ask applicants about disqualifying criminal convictions on their employment applications or at another point before a job offer is made. State law does not expressly prohibit this practice; however, guidance issued by IDHR regarding implementation of 775 ILCS 5/1-103(G-5) and 5/2-103.1 states "[u]nless authorized by law, an employer is prohibited from inquiring about an applicant's conviction record prior to making a job offer to the applicant." See *Conviction Record Protection – Frequently Asked Questions* guidance issued by IDHR (March 2021), at:

https://dhr.illinois.gov/conviction-record-protection-frequently-asked-questions.html.

While the School Code and Job Opportunities for Qualified Applicant Act do not prohibit districts from asking about disqualifying convictions before a job offer is made, it is unclear whether they affirmatively *authorize* such inquiries. The IDHR's guidance does not carry the force of law, but it may impact its handling of a discrimination charge based on a conviction record. It is also unclear if an applicant's mere disclosure of a disqualifying conviction on an application, absent results of a fingerprint-based criminal history records check, Ill. Sex Offender Registry check, or Violent Offender Against Youth Registry check, triggers the district's obligation to provide notice to the applicant under 775 ILCS 5/2-103.1(C); see also f/n 5, above. Consult the board attorney for advice on these issues and how they may affect application processes.

Any employer that asks applicants to record video interviews and uses an artificial intelligence (AI) analysis of the applicant-submitted videos must comply with the Artificial Intelligence Video Interview Act, 820 ILCS 42/. Employers should also be careful that use of AI, software, and algorithms to assess applicants does not violate the Americans with Disabilities Act (ADA) (42 U.S.C. §12101 et seq.) or the Ill. Human Rights Act (IHRA), 775 ILCS 5/2-101(N) and (O), added by P.A.s 103-804 and 104-417. See sample policy 5:10, *Equal Employment Opportunity and Minority Recruitment*, and its f/n 2 for discussion of the IHRA requirements regarding use of artificial intelligence in the hiring process. 7 105 ILCS 5/10-16.7. The foundation for a productive employment relationship begins with adherence to written board policy, a thoughtfully crafted employment contract and job description, and procedures for communications and ongoing assessment. 8 Job descriptions will become the basis for categorizing a teacher into one or more positions that the teacher is qualified to hold for reduction in force (RIF) dismissal and recall purposes. 105 ILCS 5/24-12(b). A board should consult with its attorney to review its current list of job descriptions and discuss the district's specific responsibilities.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law.[9] When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed.[10] The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database.[11] The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law.[12] The Board reserves its right to authorize additional

A job description is evidence of a position's essential functions. 29 C.F.R. §1630.2(n). The ADA protects individuals who have a disability and are qualified, with reasonable accommodation, to perform the *essential functions* of the job. 42 U.S.C. §12101 et seq., amended by the ADA Amendments Act (ADAAA), Pub. L. 110-325. Determining which functions are essential may be critical to determining if an individual with a disability is qualified. An individual is qualified to perform a job even though he or she is unable, due to a disability, to perform tasks which are incidental to the job. Only when an individual is unable to perform the *essential functions* of a job may a district deny the individual employment opportunities. 29 C.F.R. §1630.2(m). For a definition of *essential functions* see Id. at 1630.2(n). Whether a particular function is essential is a factual determination.

Important: The ADAAA made significant changes to the ADA's definition of disability that broadened the scope of coverage and overturned a series of U.S. Supreme Court decisions that made it difficult to prove that an impairment was a qualifying disability. There is information about the regulations and a link to them at: www.eeoc.gov/laws/guidance/fact-sheet-eeocs-final-regulations-implementing-adaaa. Consult the board attorney regarding how these amendments impact the district's hiring processes.

9 The policy's requirements on criminal records checks for applicants for employment are mandated by 105 ILCS 5/10-21.9. See sample administrative procedure 5:30-AP2, *Investigations*, for the process, timing, and positions requiring criminal background investigation and what steps a district must take if it wants to disqualify an applicant based on a conviction record. The Statewide Sex Offender Database (a/k/a Sex Offender Registry) is available at: https://sor.isp.illinois.gov/sorpublic/. The Statewide Murderer and Violent Offender Against Youth Database is available at: https://sor.isp.illinois.gov/sorpublic/. For more discussion regarding criminal history records checks and screenings required by 105 ILCS 5/10-21.9, see f/n 5 in sample policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*. See sample policy 4:60, *Purchases and Contracts*, for requirements concerning (1) criminal background checks of employees of contractors who have *direct, daily contact* with students and (2) sexual misconduct related employment history reviews (EHRs) of employees of contractors who have *direct contact with children or students*.

10 Id. If a board wants to require additional background inquiries beyond the fingerprint-based criminal history records information check required by 105 ILCS 5/10-21.9 and the EHR required by 105 ILCS 5/22-94, including the federal *Rap Back Service* (20 ILCS 2630/3.3) and/or checks through consumer reporting agencies regulated by the Fair Credit Reporting Act (15 U.S.C. §1681 et seq.), consult the board attorney. For more detailed information, see the laws listed in sample exhibit 3:40-E, *Checklist for the Superintendent Employment Contract Negotiation Process*, under the checklist item entitled **Conditions of Employment**, in the **Other Background Check Laws** row.

11 105 ILCS 5/10-21.9(b) and 105 ILCS 5/21B-10. The School Code requires the board president to keep a conviction record confidential. It is impossible to know whether a fingerprint-based criminal history records check and a check of the Statewide Sex Offender and Violent Offender Against Youth Databases on a successful superintendent candidate will come back with a conviction record.

Therefore, in accordance with best practice (ensuring compliance and aligning with good governance principles), this policy does not assign a designee for the board president to complete this task. However, to balance the requirement to keep conviction records confidential with the practical implementation of ensuring a fingerprint-based criminal history records check and a check of the Statewide Sex Offender and Violent Offender Against Youth Databases are performed on each successful superintendent applicant, a board president may want to designate the duty to order these checks to the individuals otherwise listed in 105 ILCS 5/10-21.9(b). Those individuals include the board president, the superintendent or designee, regional superintendent (if the check was requested by the district), state superintendent of education, state Educator Preparation and Licensure Board, any other person necessary to the hiring decision, or for clarification purposes, the Ill. State Police and/or Statewide Sex Offender Registry.

12 Id. at 5/10-21.9(b) and 105 ILCS 5/21B-85, amended by P.A. 103-51. The School Code continues to define the board president's role in conducting criminal background investigations and receiving the results of these investigations, including the results for employees of district contractors. 105 ILCS 5/10-21.9. Many districts delegate this task in the hiring process to a human resources department.

background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law. **13**

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80**14** or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment. **15**

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following: **16**

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position. **17**

105 ILCS 5/21B-85, amended by P.A. 103-51, requires a board to provide prompt written notice to the board of trustees of the Teachers' Retirement System of the State of Illinois (TRS) when it learns that any teacher has been convicted of a felony offense (which provides for a sentence of death or imprisonment for one year or more). The notice to TRS is limited to (1) the name of the license holder, (2) fact of conviction, (3) name and location of the court in which the conviction occurred, and (4) the assigned case number from the court. Id.

Use this alternative for districts in suburban Cook County: replace "Regional Superintendent" with "appropriate Intermediate Service Center Executive Director."

For more discussion regarding responses to results obtained by criminal history records checks and screenings as required by 105 ILCS 5/10-21.9(e), see f/n 6 in sample policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*.

13 Immigration Reform and Control Act, 8 U.S.C. §1324a et seq. Consult with the board attorney regarding the district's rights and responsibilities under Illinois law if the district uses any electronic employment verification system, including *E-Verify*. 820 ILCS 55/. The Right to Privacy in the Workplace Act (RPWA) at 820 ILCS 55/14, added by P.A. 104-455, prohibits employers from taking adverse action against an employee based only on the receipt of a notice of discrepancy (a *no-match letter*) between an employee's individual taxpayer identification number or other identifying documents from a federal agency or outside vendor not responsible for immigration law enforcement, such as the Social Security Administration, Internal Revenue Service, or an insurance company. The RPWA also requires employers to provide notice to the employee upon receipt of a *no-match letter*. Id., at 55/15-55/17 added by P.A. 104-455. Employers are subject to civil, monetary penalties for violations of the RPWA. Id. However, a safe harbor from penalties for employers and prospective employers is available for violations made in good faith while relying on guidance issued by the Ill. Dept. of Labor or the federal Dept. of Homeland Security, or if a bona fide administrative error occurs that does not affect an employee or prospective employee's employment or pay. Id., at 55/25, added by P.A. 104-455. See also https://labor.illinois.gov/laws-rules/conmed/privacy-workplace.html.

16 As an alternative to describing the prohibited investigations, a board may substitute this sentence:

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law, including without limitation, investigation into or inquiry concerning: (1) credit history or report unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; (2) claim(s) made or benefit(s) received under Workers' Compensation Act; and (3) access to an employee's or applicant's social networking website, including a request for passwords to such sites.

The default policy provision and the alternative stated above – whichever is selected – may be made a prohibition rather than a duty of the superintendent; to do this, delete the stricken text as follows: "The ~~Superintendent shall ensure that the~~ District does not engage"

17 Employee Credit Privacy Act, 820 ILCS 70/10. This Act allows inquiries into an applicant's credit history or credit report or ordering or obtaining an applicant's credit report from a consumer reporting agency when a satisfactory credit history is an *established bona fide occupational requirement* of a particular position. The Act identifies circumstances that permit a satisfactory credit history to be a job requirement, such as, the position's duties include custody of or unsupervised access to cash or marketable assets valued at $2,500 or more.

2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria. [18]
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation. [19]
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment. [20]
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation. [21]
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act. [22]
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts. [23]
8. The District provides equal employment opportunities to all persons. See Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

[18] 820 ILCS 112/10(b-5). If an employer violates this subsection, the employee may recover in a civil action any damages incurred, special damages up to $10,000, injunctive relief, and costs and reasonable attorney's fees. 820 ILCS 112/30(a-5).

[19] Id. at 112/10(b-5).

[20] Id.

[21] 820 ILCS 112/10(b-10). **Note:** Attorneys caution that using the exceptions in 820 ILCS 112/10(b-10)(1) and (2) may trigger litigation. Violating this subsection entitles an employee to recover in a civil action any damages incurred, special damages up to $10,000, injunctive relief, and costs and reasonable attorney's fees. 820 ILCS 112/30(a-5).

A school board that wishes to preserve these exceptions should consult its board attorney; then they may supplement number 5 by adding the following after "compensation":

> unless the applicant's wage or salary history is a matter of public record, or is contained in a document completed by the applicant's current or former employer and then made available to the public by the employer, or then submitted or posted by the employer to comply with State or federal law; or the applicant is a current employee applying for a position with the same current employer.

[22] Right to Privacy in the Workplace Act, 820 ILCS 55/10(a).

[23] Id. at 55/10(b) (commonly known as the *Facebook Password Law*). A *personal online account* is defined as an online account used primarily by a person for personal purposes. *Personal online account* does not include an account created, maintained, used, or accessed for the business purpose of a person's employer or prospective employer. Id. at 55/10(b)(6). Bracketed explanations follow the statutory language in 820 ILCS 55/10(b)(5):

"Nothing in this subsection shall prohibit or restrict an employer from complying with a duty to screen employees or applicants prior to hiring…provided that the password, account information, or access sought by the employer only relates to an online account that:

(A) an employer supplies or pays; or

(B) an employee creates or maintains on behalf of under the direction of an employer in connection with that employee's employment."

[Based on this explanation, it is implausible that an applicant would have an account, service, or profile for business purposes of a school employer.]

The statute specifically permits an employer to: (1) maintain workplace policies governing the use of the employer's electronic equipment, including policies regarding Internet use, social networking site use, and electronic mail use; and (2) monitor usage of the employer's (district's) electronic equipment and electronic mail. The statute also states that it does *not prohibit* an employer from obtaining information about an applicant or an employee that is in the public domain or that is otherwise obtained in compliance with the statute. Finally, the statute does not apply to all types of personal technology that employees may use to communicate with students or other individuals, such as text messages on a personal phone. Consult the board attorney about these issues.

Sexual Misconduct Related Employment History Review (EHR) [24]

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Nepotism

Richland County CUSD #1 is committed to a policy of employment and advancement based on qualifications and merit. The school district does not discriminate in favor of or in opposition to the employment of relatives.

A person in an administrative or supervisory role within Richland County CUSD #1 (including district administrators, building administrators, school board members, head custodians, office managers, etc.) cannot use his/her authority or position with the district to benefit or to disadvantage another employee in a familial relationship. Although all such potential misuses of authority cannot be listed here, examples include an employee signing an evaluation for a family member, participating in a job interview with a family member, or signing/approving a check payable to a family member.

"Familial relationship" within the meaning of this policy means two employees (or an employee and a job applicant) in the relationship of husband, wife, father, mother, brother, sister, son, daughter, uncle, aunt, nephew, niece, grandfather, grandmother, grandson or granddaughter, or any of those relationships arising as a result of marriage (for example, brother-in-law, step child, etc.). The term also includes domestic partners (a person with whom the employee's life is interdependent and who shares a common residence) and, a daughter or son of an employee's domestic partner.

In the course of employment, a person may rise to an administrative position and find himself/herself in a supervisory role of a family member. In this type of circumstance, the administrator must excuse himself/herself from performing an evaluation on a family member. Such circumstances could involve the superintendent. In the event the superintendent has a family member that is an administrator in the district, the superintendent must excuse himself/herself from performing contract negotiations, evaluations, and/or discipline of the staff member. Those duties would be assumed by a non-relative administrator. It shall be the responsibility of the non-relational administration to implement and enforce this policy and, if necessary, to develop administrative procedures for implementation and enforcement.

A school board member may be elected prior to the employment of a family member, or the family member may be hired prior to the board member being elected. In either circumstance, the board member should recuse himself/herself from any decision regarding the family member's employment, advancement, or individual benefits/compensation. A board decision about a group of employees is not considered a violation of this policy (for example, if a board member's family member is part of the education association, the approval of the teacher's contract is for the group, not the individual employee; another example is the approval of a salary increase for all non-certified employees of which a family member is part of the group).

A job applicant should disclose any familial relationship during the application process. Potential familial relationships are indicated on the application form.

See sample policy 4:60, *Purchases and Contracts*, and sample administrative procedure 4:60-AP4, *Sexual Misconduct Related Employment History Review (EHR) of Contractor Employees*, for EHR requirements for employees of contractors who have *direct contact with children or students*.

Prior to any employment offer, the immediate supervisor must complete a signed statement disclosing any familial relationship with the job candidate. This disclosure is to be reviewed by the superintendent of schools prior to a candidate being recommended to the board of education for employment.

Physical Examinations [25]

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity.[26] The Board will pay the expenses of such examination. [27]

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in Board policy 5:90, *Abused and Neglected Child Reporting*.

25 105 ILCS 5/24-5. According to this statute, a new or existing employee or substitute teacher employee may be subject to additional health examinations, including tuberculosis screening, as required by rules adopted by the Ill. Dept. of Public Health (IDPH) or by order of a local public health official. The IDPH does not require school employees to be screened for tuberculosis other than workers in child day care and preschool settings. 77 Ill.Admin.Code §696.140(a)(3).

The last sentence of the first paragraph exceeds State law requirements and may be deleted.

Note that while examination by a spiritual leader/practitioner is sufficient for purposes of leaves, the statute does not permit an examination by a spiritual leader/practitioner for initial employment exams. This difference may present a constitutional issue; contact the board attorney for an opinion if an applicant wants to use an examination by a spiritual leader/practitioner.

Federal law limits pre-employment medical inquiries to whether the applicant is able to perform job-related functions; required medical examinations of applicants is forbidden. ADA, 42 U.S.C. §12112(d)(2); see also f/n 8 for an explanation regarding the ADAAA. Districts may condition an employment offer on taking and passing medical inquiries or physical exams, provided that all entering employees in the same classification receive the same conditional offer.

26 The State law (105 ILCS 5/24-5) allowing boards to require physicals of current employees "from time to time," is superseded by the ADA. 42 U.S.C. §12112(d)(4). The ADA allows medical inquiries of current employees only when they are job-related and consistent with business necessity or part of a voluntary employee wellness program. Id. Districts may deny jobs to individuals with disabilities who pose a direct threat to the health or safety of others in the workplace, provided that a reasonable accommodation would not either eliminate the risk or reduce it to an acceptable level. 42 U.S.C. §12113; 29 C.F.R. §1630.2(r). See f/n 8 for an explanation regarding the ADAAA.

See f/n 25 for a discussion of examinations by spiritual leaders/practitioners.

27 Consult the board attorney if a staff member requests more than one physical examination to obtain a second opinion.

Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition [1]

All District workplaces are drug- and alcohol-free workplaces. [2]

---

1 State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. The Right to Privacy in the Workplace Act (RPWA) allows employers to regulate employees' use of lawful products that impair an employee's ability to perform his or her assigned duties. 820 ILCS 55/5(b). The Cannabis Regulation and Tax Act (CRTA), 410 ILCS 705/10-35(a)(8), allows penalties issued by employers of law enforcement officers for consumption, possession, sale, purchase, or delivery of cannabis or cannabis-infused substances while on or off duty to be collectively bargained; districts that employ school resource officers should consult their board attorneys about this provision of the CRTA.

The federal Drug-Free Workplace Act applies only to the specific programs receiving federal funds. 41 U.S.C. §8101 et seq. For ease of administration, this policy makes its requirements applicable to all employees to avoid confusion during implementation and to avoid complications when obtaining and maintaining federal funds. The CRTA, 410 ILCS 705/, legalized cannabis, but it remains a *Schedule I* (c)(17) controlled substance under federal law, meaning that it has no currently accepted medical use in addition to a high potential for abuse. 21 U.S.C.A. §812 (exempting hemp as defined at 7 U.S.C.A.§1639o). 41 U.S.C. §§8101, 8102 and 8103. While not law, in June 2019, the U.S. House of Representatives, in a voice vote, voted in favor of an amendment to H.R. 3055, which was introduced by Reps. Earl Blumenauer (D-OR), Tom McClintock (R-CA), and Eleanor Holmes Norton (D-D.C.), prohibiting the U.S. Dept. of Justice (DOJ) from interfering with a state's decision to implement laws governing the legalization of cannabis (recreational and medicinal). This marked the first time that either branch of the U.S. Congress has voted to protect state recreational cannabis laws from federal enforcement actions. If the amendment becomes law, it would block the DOJ from using funds to intervene in state and territory cannabis legalization laws. This policy continues to prohibit employees from using cannabis as allowed by the CRTA. See f/n 9, below.

The federal Safe and Drug-Free Schools and Communities Act provides funds, upon application, for drug and violence prevention programs; it does not contain policy mandates. Illinois also has a Drug Free Workplace Act (30 ILCS 580/) that applies to districts with 25 or more employees working under a state contract or a grant of $5,000 or more.

2 Replace this sentence with the district's drug- and alcohol- free policy goal(s), if any.

With the passage of the CRTA, 410 ILCS 705/, each board and superintendent may wish to engage in a risk-management conversation about the district's drug- and alcohol-free policy enforcement and discipline goals. Enforcement and discipline goals depend upon a board's risk-level tolerance and community expectations. Risk-level-tolerance decisions will depend upon many factors, including, but not limited to: (1) the board attorney's recommendations, (2) the district's budget parameters, if any, for reasonable suspicion training on identification of symptoms of impairment and/or being under the influence, (3) drug testing, and (4) the community's expectations. Answers to the following questions might structure this risk-management conversation:

1. Does the board want to implement a reasonable suspicion program (or any other type of *just cause* provisions in an applicable collective bargaining agreement) to identify employees suspected of being impaired and/or under the influence to enhance its ability to discipline?
2. Does the board want the superintendent to secure training for designated district employees to educate them to identify symptoms of impairment or being under the influence of the substances prohibited in this policy?
3. How does the board want to address employees in positions of leadership, e.g., the superintendent and/or building principal(s), who are perpetually on call due to the nature of their positions and responsibilities (see f/n 3, below)?
4. How will the district manage its duty to educate students about the dangers of drugs and alcohol against the reality that employees are allowed to use lawful products off duty and off the district's premises (820 ILCS 55/5(a))?
5. Will licensed educators be held to a higher standard than non-licensed employees due to their professional code of conduct expectations?
6. Will employees working directly with students be held to a higher standard than employees not working directly with students?

An employee is *on call* when the District schedules the employee with at least 24 hours' notice to be on standby or otherwise responsible for performing employment-related tasks either at the District or another location previously designated by the District.[3] All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being on call for the District: [4]

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance. [5]
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectible, regardless of when and/or where the use occurred. [6]
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, 105 ILCS 5/22-33.[7] The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific

---

[3] 820 ILCS 55/5. Consult the board attorney regarding how the board wants to treat employees who may be considered *on call*, e.g., superintendents, principals, coaches, and/or maintenance workers, etc.

For boards that do not want to refer to employees on call, delete this sentence and the following phrase from the sentence that immediately follows it: ~~or being *on call*~~.

[4] To align with best practices for identifying and subsequently initiating discipline of employees for violating this policy (especially with the passage of the CRTA) and any possible collective bargaining agreement provisions, the superintendent may want to convene the **Employee Substance Abuse Prevention Committee** (see sample administrative procedure 2:150-AP, *Superintendent Committees*).

[5] These actions are prohibited by both federal (41 U.S.C.A. §§8101, 8102 and 8103) and State Workplace Acts. See f/n 13, below. These laws do not address *under the influence* but a board may add: ", or being impaired by or under the influence of any illegal substance or any detectible use of any illegal substance regardless of when or where the use occurred." This option is limited to *illegal* substances to avoid prohibiting employees from using lawfully prescribed controlled substances. See f/n 13. Contact the board attorney for advice concerning this provision and whenever the district wants to discipline or dismiss an employee using it. If a hearing is required before the district may discipline or discharge an employee under this provision, the district must put forth evidence that the employee violated it. A district would also have this burden if a grievance is filed under a *just cause* provision in a collective bargaining agreement. This policy's third paragraph addresses prescribed medications other than cannabis.

[6] Optional; alcohol is not addressed in either the federal or State Drug-Free Workplace Acts. Contact the board attorney for advice concerning this provision and whenever the district wants to discipline or dismiss an employee using it. If a hearing is required before the district may discipline or discharge an employee under this provision, the district must put forth evidence that the employee violated it. A district would also have this burden if a grievance is filed under a *just cause* provision in a collective bargaining agreement. The Ill. Court of Appeals held that when the policy defines *under the influence* as any "mental, emotional, sensory or physical **impairment** due to the use of drugs or alcohol," the school district must prove that the teacher showed signs of impairment even though she registered 0.056 blood-alcohol level on a Breathalyzer. Kinsella v. Bd. of Ed. of the City of Chicago, 27 N.E.3d 226 (Ill. App. Ct. 1st Dist. 2015).

[7] "[R]egardless of when and/or where the use occurred" is intended to mean that an employer may reach an employee's conduct on- or off duty depending upon the facts of the disciplinary situation; however, the CRTA contains a specific requirement that law enforcement employers adopt a policy outlining penalties for discipline of law enforcement employees for their on or off-duty conduct involving consumption, possession, sale, purchase, or delivery of cannabis or cannabis-infused substances. Id. at 10-35(a)(8). See also f/ns 1, above, and 9, below. Consult the board attorney if the district employs a school resource officer(s) (SRO(s)) as opposed to contracting with a local law enforcement agency for SRO services.

410 ILCS 130/25(b) prohibits discipline or arrest of school nurses and/or administrators for acting in accordance with *Ashley's Law*, 105 ILCS 5/22-33. Employers may enforce drug-free workplace policies when they are applied in a nondiscriminatory manner. 410 ILCS 705/10-50(a) includes disciplining employees – even those who are *registered qualifying patients* – for violating drug-free workplace policies (410 ILCS 130/50 and 705/10-35(a)(1)). Contact the board attorney for advice concerning the Compassionate Use of Medical Cannabis Program Act (Medical Cannabis Program Act (MCPA)).

articulable symptoms[8] while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position. [9]

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test. [10]

For purposes of this policy, a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

---

8 Specific articulable symptoms listed in 410 ILCS 705/10-50(d) include: the employee's speech, physical dexterity, agility, coordination, demeanor, irrational or unusual behavior, or negligence or carelessness in operating equipment or machinery; disregard for the safety of the employee or others, or involvement in any accident that results in serious damage to equipment or property; disruption of a production or manufacturing process; or carelessness that results in any injury to the employee or others. In contrast to the CRTA, the MCPA, while listing the same specific, articulable, symptoms, does not require an employer to have a *good faith belief* that a *registered qualifying patient* is under the influence of cannabis. 410 ILCS 130/50(f).

9 410 ILCS 705/10-35 and 10-50(a) allow reasonable, nondiscriminatory, zero-tolerance policies. If the district seeks to discipline an employee on the basis that he or she is under the influence of or impaired by cannabis, it must afford the employee a reasonable opportunity to contest the basis of the determination. Id. at 10-50(d). See also f/n 7, above. **Contact the board attorney for advice concerning this provision and whenever the district seeks disciplinary action or dismissal of an employee on the basis of the cannabis prohibitions in the policy**.

See also the Ill. Vehicle Code 625 ILCS 5/11-501.2(b-5) number one: when an individual's tetrahydrocannabinol concentration (THC) is five nanograms or more in whole blood or 10 nanograms or more in another bodily substance, e.g., saliva, urine, etc., as defined in 625 ILCS 5/11-501.2(a), a presumption under Illinois law exits that the individual is under the influence of cannabis. Under 625 ILCS 5/11-501.2(b-5) number two: when an individual's THC is less than five nanograms in whole blood or less than 10 nanograms or more in another bodily substance, e.g., saliva, urine, etc., as defined in 625 ILCS 5/11-501.2(a), the individual may still be considered impaired.

In addition to a zero-tolerance policy, the CRTA also allows civil, criminal, or other penalties for:

1. Engaging in tasks under the influence of cannabis when doing so would constitute negligence, professional malpractice, or professional misconduct (410 ILCS 705/10-35(a)(1));
2. Possessing cannabis on a school bus or on school grounds (Id. at 10-35(a)(2)(A)-(B) unless permitted under the MCPA);
3. Using cannabis on a school bus or on school grounds (Id. at 10-35(a)(3)(A)-(B) unless permitted under the MCPA);
4. Using cannabis in a public place while impaired or under the influence of cannabis(Id. at 10-35(a)(3)(F));
5. Knowingly being impaired by or under the influences of cannabis in close physical proximity to anyone under 21 years of age who is not a registered medical cannabis patient under the MCPA (Id. at 10-35(a)(3)(G));
6. Smoking [and/or *vaping* (see f/n 19, below for a definition of vaping)] it in any place where smoking is prohibited under the Smoke Free Illinois Act (Id. at 10-35(a)(4));
7. Using cannabis as an on-duty law enforcement officer, corrections officer, probation officer, or firefighter (Id. at 10-35(a)(8)), or consuming, possessing, selling, purchasing, or delivering cannabis or a cannabis-infused substance(s) while on or off duty [only if a policy has been adopted] Id. at 10-35(a)(8); or
8. Using cannabis while being on duty as an individual holding a school bus permit or Commercial Driver's License (Id. at 10-35(a)(9)).

10 410 ILCS 705/10-50(d). For boards that will not communicate to employees what will happen when reasonable suspicion exists, delete the first sentence of this paragraph: ~~Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation.~~

410 ILCS 705/10-50(e)(1), protects the district from liability for actions described in the last sentence of this paragraph. Delete it if the board will not communicate this information to its employees.

For purposes of this policy, *District premises*[11] means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. School grounds means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall: [12]

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired. [13]

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following: [14]

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted. [15]
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations. [16]
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about: [17]

[11] 410 ILCS 705/10-35 and 10-50(a) allows employers to prohibit cannabis in the *workplace*. Many attorneys agree it is a best practice for employers to define workplace in policies that prohibit cannabis. 410 ILCS 705/10-50(h) defines *workplace* as the employer's premises, including any building, real property, and parking area under the control of the employer or area used by an employee while in performance of the employee's job duties, and vehicles, whether leased, rented, or owned – and may be further defined by the employer's written policy when it is consistent with this definition.

This policy's definition of workplace expands the above CRTA definition to areas that board policy and/or the School Code impose duties upon districts to keep students safe, including:

1. The *school property* definition from sample policy 8:30, *Visitors to and Conduct on School Property*;
2. The *school grounds* definition at 105 ILCS 5/10-27.1A(d); and
3. Places that school districts must prevent and respond to bullying, including vehicles used for school purposes. 105 ILCS 5/22-110, renumbered by P.A. 104-391.

[12] Required by the State and federal Drug-Free Workplace Acts.

[13] This optional paragraph is not addressed in State or federal drug-free workplace acts. An employer should generally not ask an employee about his or her use of medication. See rules implementing the Americans with Disabilities Act, 29 C.F.R. §1630.14. Consult the board attorney if an employee is suspected of working while impaired or under the influence.

[14] Numbers one through five in this paragraph are required by the State and federal Drug-Free Workplace Acts. 30 ILCS 580/3.

[15] As an alternative, replace the phrase "in a place where other information for employees is posted" with the district's local method, e.g., staff intranet, Internet, etc.

[16] 105 ILCS 5/22-81, added by P.A. 103-399 (a/k/a *Louie's Law*), required the Ill. State Board of Education (ISBE) and the Ill. Dept. of Human Services to develop and regularly update a comprehensive *Substance Use Prevention and Recovery Instruction Resource Guide* for public elementary and secondary schools across the state of Illinois. It is available at: www.isbe.net/Pages/Substance-Use-Prevention-and-Recovery-Instruction-Resource-Guide.aspx.

[17] The drug-free awareness program requirement can be met by developing a brochure on drug abuse or by contacting local, State, or national anti-drug abuse organizations for materials. The materials should be distributed to employees along with a list of places employees may call for assistance.

a. The dangers of drug abuse in the workplace,
b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
c. The penalties that the District may impose upon employees for violations of this policy.

6. Remind employees that Board policy 6:60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence. **18**

E-Cigarette, Tobacco, and Cannabis Prohibition **19**

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes,**20** tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco has the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis has the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device. **21**

---

18 Optional. This statement serves as a display of good judgement and a reminder to employees that 105 ILCS 5/27-255, added by P.A. 104-391, and 5/27-115 renumbered by P.A. 104-391 (provided it can be funded by private grants or the federal government) require districts to educate students about the prevention and avoidance of drugs abuse, the dangers of opioid and substance abuse, and the dangers of fentanyl.

19 105 ILCS 5/10-20.5b, The Smoke Free Illinois Act, 410 ILCS 82/, and the CRTA, 410 ILCS 705/10-35(a)(4)(smoking anyplace where smoking is prohibited under the Smoke Free Illinois Act). Federal law prohibits smoking inside schools. 20 U.S.C. §6083(a).

The prohibition in sample policy 8:30, *Visitors to and Conduct on School Property*, referred to here, applies "on school property or at a school event." Here, "at a school event" is clarified with the phrase "while … performing work for the District" in order to align with this policy's other prohibitions.

20 While 720 ILCS 675/1, excludes e-cigarettes from its definition of tobacco, it does not address vaporization. Prohibiting *e-cigarettes* aligns with the district's obligation to maintain a safe, smoke-free environment and is a logical extension of 105 ILCS 5/10-20.5b, The Smoke Free Illinois Act (410 ILCS 82/), and The Prevention of Tobacco Use by Persons Under 21 Years of Age and Sale and Distribution of Tobacco Products Act, 720 ILCS 675 (provides the legal age to buy tobacco and e-cigarette products to 21 years of age). In addition, the U.S. Food and Drug Administration now regulates e-cigarettes. 21 C.F.R. Parts 1100, 1140, and 1143.

E-Cigarettes may resemble cigarettes but contain a battery-operated heating element that turns a liquid into an aerosol (or vapor) that sometimes includes nicotine, flavorings, and other chemicals. The act of inhaling and exhaling the aerosol is known as *vaping*. See https://nida.nih.gov/publications/drugfacts/vaping-devices-electronic-cigarettes. For ease of administration, this sample policy treats *vaping*, whether tobacco products or not, and smoking tobacco the same due to the outbreaks of lung disease associated with the use of e-cigarettes and vaping. Some e-cigarettes do not look like tobacco products; they are designed to resemble other objects, such as USB flash drives, to be more easily concealed. Like smoking tobacco, vaporization products may include nicotine, which is derived from and is the addictive drug in tobacco, and other potentially harmful chemicals. See *Tobacco/Nicotine and Vaping* at: https://nida.nih.gov/research-topics/tobacconicotine-vaping. Unlike smoking tobacco, vaping does not produce smoke, but rather the aerosol, often mistaken for water vapor and consisting of fine particles. Many of these particles contain varying amounts of toxic chemicals, which have been linked to cancer and respiratory and heart disease. For resources, see https://digitalmedia.hhs.gov/tobacco/educator_hub.

21 Optional. If a district does not want to include the statutory example that includes the term *vape pen*, which provides notice that vaping products are also prohibited through the term e-cigarette, replace ~~, includes but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device~~ with "shall have the meaning provided in the Prevention of Tobacco Use by Persons Under 21 Years of Age and Sale and Distribution of Tobacco Products Act, 720 ILCS 675/1(a-9)."

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination.[22] In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction. [23]

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of $5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction. [24]

Disclaimer [25]

The Board reserves the right to interpret, revise or discontinue any provision of this policy pursuant to the **Suspension of Policies** subhead in Board policy 2:240, *Board Policy Development*.

[22] An employee who currently uses *illegal* drugs is not protected under the Americans With Disabilities Act (ADA) when the district acts on the basis of such use. 42 U.S.C. §12114. Legal drug abusers and alcoholics may still be protected as *handicapped* under the Rehabilitation Act of 1973 (29 U.S.C. §706 et seq.) or the Ill. Human Rights Act (IHRA). 775 ILCS 5/1-101 et seq. and 56 Ill.Admin.Code §2500.20. The Rehabilitation Act, however, excludes from protection "an alcohol or drug abuser whose current use of alcohol or drugs prevents such individual from performing the duties of the job in question or whose employment …would constitute a direct threat to the property or the safety of others." 28 C.F.R. §42.540(k)(1).

The ADA neither authorizes nor prohibits drug testing; it allows the results of such tests to be used as the basis for disciplinary action. 42 U.S.C. §12114; 29 C.F.R. §1630.16(c). Drug tests may still violate other laws, e.g., Title VI and the Rehabilitation Act. 42 U.S.C. §2000e et seq.; and 29 U.S.C. §701 et seq. Drug tests may also be a subject of collective bargaining. See paragraph one of f/n 1, above. Consult the board attorney before implementing a drug-testing program to enforce this policy.

Professional Personnel

Leaves of Absence [1]

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave [2]

Each full-time professional staff member is granted 10 days sick leave each school year at full pay. Unused days are allowed to accumulate to 180 days. Sick leave is defined in State law as personal illness, mental or behavioral health complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority

1 State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

This policy is consistent with the minimum requirements of State law. The local collective bargaining agreement may contain provisions that exceed these requirements. The introductory paragraph recognizes that an applicable collective bargaining agreement or individual employment contract will supersede a conflicting provision of the policy. It also provides policy coverage for those professional personnel who are not included in a bargaining unit or have employment contracts with conflicting provisions. Alternatively, if the policy's subject matter is superseded by a bargaining agreement, the board policy may state, "Please refer to the applicable collective bargaining agreement(s)."

Districts must coordinate leaves provided by State law and the local bargaining agreement with the leave granted by the Family and Medical Leave Act (FMLA) (29 U.S.C. §2612), amended by Sec. 565 of the National Defense Authorization Act for Fiscal Year 2010 (Pub. L. 111-84). The FMLA grants eligible employees 12 weeks unpaid leave each year for: (1) the birth and first-year care of a child; (2) the adoption or foster placement of a child; (3) the serious health condition of an employee's spouse, parent, or child; (4) the employee's own serious health condition; (5) the existence of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is on *covered active duty*; and (6) to care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness. Districts are permitted to count paid leave (granted by State law or board policy) taken for an FMLA purpose against an employee's FMLA entitlement. 29 C.F.R. §825.207. See sample policy 5:185, *Family and Medical Leave*.

Many State laws grant leaves to employees of the State and municipalities but are not applicable to school districts, including the Employee Blood and Organ Donation Leave Act (820 ILCS 149/), Local Government Disaster Service Volunteer Act (50 ILCS 122/), Organ Donor Leave Act (5 ILCS 327/), Civil Air Patrol Leave Act (820 ILCS 148/), and Paid Leave for All Workers Act (820 ILCS 192/). See sample policy 5:185, *Family and Medical Leave*, for a discussion of the Military Leave Act (820 ILCS 151/) and its applicability to school districts.

2 The provisions in this section are required by 105 ILCS 5/24-6. Each specified number of days in this section is the statutory minimum. Before adopting this policy or applying its provisions, the district should examine any applicable bargaining agreements.

Consult the board attorney about the Employee Sick Leave Act (ESLA). 820 ILCS 191/. It prohibits employers from limiting the use of sick time to an employee's own illnesses and allows employees to use employer-provided sick leave due to illness, injury, medical appointment, or *personal care* of a *covered family member*. Id. at 191/10(a). *Personal care* means: (1) activities to ensure a covered family member's basic medical, hygiene, nutritional, or safety needs are met, or to provide transportation to medical appointments, for a covered family member unable to meet those needs himself or herself; and (2) being physically present to provide emotional support to a covered family member with a serious health condition who is receiving inpatient or home care. Id. at 191/5. The ESLA defines *covered family members* as an employee's child, stepchild, spouse, domestic partner, sibling, parent, mother- or father-in-law, grandchild, grandparent, or stepparent. Id. Leave may be taken under the same terms for which the employee would be permitted to take leave for his or her own illness or injury.

to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification. [3]

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway. [4]

Family Bereavement Leave [5]

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for

[3] 105 ILCS 5/24-6 overturned the Illinois Supreme Court's decision in Dynak v. Bd. of Educ. of Wood Dale Sch. Dist. 7, 444 Ill.Dec. 651 (Ill. 2020) (finding that a teacher was not entitled to use 30 days of sick leave for birth consecutively before and after an intervening summer break). It is unclear from the language of the statute if an employee can be prohibited from *intermittent* use of 30 working sick days for birth, e.g., such as taking leave once a week. Consult the board attorney for guidance on this issue.

[4] 105 ILCS 5/24-6.

[5] Family Bereavement Leave Act, 820 ILCS 154/; 56 Ill.Admin.Code Part 252. These paragraphs discuss family bereavement leave. 820 ILCS 154/5 defines an *eligible employee* under the same terms as an employee under FMLA (29 U.S.C. §2601 et seq.). See f/n 1 above. The employer may require reasonable documentation as specified in 820 ILCS 154/10(d) but may not require that an employee identify which specific category under item (4) in the first paragraph of this subhead pertains to the leave. Note the term *Significant Event* does not appear in the statute; it is included in this sample policy as a shorthand term to refer to those events listed in 820 ILCS 154/10(a)(4).

Domestic partner, when used to refer to an unmarried employee, includes: (1) the person recognized as the domestic partner of the employee under any domestic partnership or civil union law of a state or political subdivision of a state, or (2) an unmarried adult who is in a committed, personal relationship with the employee, who is not a domestic partner as described in item (1) and who the employee designates as that employee's domestic partner. 820 ILCS 154/5.

The Act also provides that the leave must be completed within 60 days of the employee learning of the death of his or her *covered family member*, as defined by 820 ILCS 154/5. However, that 60-day limitation does not apply when more than one covered family member dies in a 12-month period. There may be times when an employer may want to grant more than 10 unpaid work days, e.g., when a deceased covered family member lived in a foreign country, etc. Consult the board attorney to resolve the complexities of determining whether an employee is an eligible employee under the FMLA that would trigger this Act.

leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave [6]

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss.[7] An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Sabbatical Leave [8]

Sabbatical leave may be granted in accordance with the School Code.

Personal Leave [9]

Professional staff members are granted one personal leave day per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal three days in advance of the requested date,
2. No personal leave days may be used immediately before or immediately after a holiday unless the Superintendent grants prior approval,
3. Personal leave may not be used in increments of less than one-half day,
4. Personal leave days are subject to a substitute's availability,
5. Personal leave days may not be used during the first and/or last five days of the school year,
6. Personal leave days may not be used on in-service and/or institute training days, and
7. Personal leave may not be used by more than 10% of the teaching staff in each building at the same time.

[7] If the district employs at least 50 but fewer than 250 employees on a full-time basis, substitute the following sentence: "Accordingly, if the District employs at least 50 but not more than 249 employees on a full-time basis, an employee is entitled to a total of six weeks of unpaid leave within one year after the employee notifies the District of the loss." 820 ILCS 156/10, added by P.A. 103-466.

[8] State law provides guidelines for sabbatical leaves but does not require boards to offer them. 105 ILCS 5/24-6.1.

[9] State law does not address personal leave. It is not uncommon for professional staff to be granted more than one day of personal leave per year.

Leave of Absence Without Pay [10]

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge [11]

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Child-Rearing Leave [12]

The Board shall grant a professional staff member's request for a non-paid, child-rearing leave, not to exceed the balance of the school year plus one additional school year (but in no event shall such leave exceed three semesters), provided the request complies with this policy. Nothing in this section shall prohibit a professional staff member from using paid sick days as provided in this policy. [13]

A teacher should request, if possible, a child-rearing leave by notifying the Superintendent in writing no later than 90 days before the requested leave's beginning date.[14] The request should include the proposed leave dates. The leave shall end before a new school year begins or before the first day of school after winter recess. [15]

Subject to the insurance carrier's approval, the teacher may maintain insurance benefits at his or her own expense during a child-rearing leave.

---

[10] State law does not address leaves of absence without pay other than stating that a mutually agreed leave will not affect a teacher's contractual continued service. 105 ILCS 5/24-13.

[11] This paragraph restates 10 ILCS 5/13-2.5. The statute does not state whether the notice requirement is *calendar* days or *business* days. Support for it being *calendar* days is found in 10 ILCS 5/1-6; support for it being *business* days is found in 10 ILCS 5/1-3.

Rather than duplicate the statute's requirements in separate policies, sample policy 5:330, *Sick Days, Vacation, Holidays, and Leaves,* grants the leave to support personnel on the terms applicable to professional staff.

[12] The School Code does not address child-rearing. FMLA grants eligible employees a combined total of 12 weeks each year, with exceptions for teachers at the end of the school year, for, among other things, a child's: (1) birth and first-year care, and (2) adoption or foster placement (see sample policy 5:185, *Family and Medical Leave*). Districts not covered by the FMLA must treat a request for child-care leave to care for an adopted infant on terms comparable to those given biological mothers. McWright v. Alexander, 982 F.2d 222 (7th Cir. 1992).

[13] Districts offering a child-rearing or maternity leave must be very careful not to violate anti-discrimination laws. Districts can prohibit pregnant teachers from combining paid disability leave with an unpaid maternity leave, provided that non-pregnant teachers are likewise prohibited from combining a paid disability leave with an unpaid general leave of absence. Maganuco v. Leyden Comm. High Sch. Dist. 212, 939 F.2d 440 (7th Cir. 1991); U.S. v. Consol. High Sch. Dist. 230, 983 F.2d 790 (7th Cir. 1993); E.E.O.C. v. Elgin Teachers' Ass'n., 780 F.Supp. 1195 (N.D.Ill. 1991). A sick leave bank exclusion of maternity benefits violates Title VII. U.S. v. Consol. High Sch. Dist. 230, supra.

[14] The length of the notice - here 90 days - is *not* covered by State or federal law. If an employee fails to provide this notice, the employee still has the right to request a family and medical leave which has a much shorter notice requirement (see sample policy 5:185, *Family and Medical Leave*), and could be followed by a child-rearing leave.

[15] For a high school, omit "the first day of school after winter recess" and insert "at the semester break." Alternatively, the board may want to be more flexible by stating:

Every effort shall be made to have the leave minimally interrupt instructional continuity by ending . . .

A professional staff member desiring to return before the leave's expiration will be assigned to an available vacancy for which the teacher is qualified, subject to scheduling efficiency and instruction continuity.

Leaves for Service in the Military [16]

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave [17]

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense [18]

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours.[19] Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave. [20]

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act. [21]

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence [22]

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period.[23] Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.). [24]

Leaves to Serve as an Officer, Trustee, or Representative of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations,[25] (2) up to 20 days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3,[26] (3) a paid leave of absence for the local association president of a State teacher association that

[22] Required by the Victims' Economic Security and Safety Act, (VESSA) (820 ILCS 180/ and 56 Ill.Admin.Code Part 280). *Gender violence* means: (1) one or more acts of violence or aggression that is a criminal offense under State law committed, at least in part, on the basis of a person's actual or perceived sex or gender, (2) a physical intrusion or invasion of a sexual nature under coercive conditions that is a criminal offense under State law, or (3) a threat to commit one of these acts. 820 ILCS 180/10(12.5). *Other crime of violence* means conduct prohibited by 720 ILCS 5/9 (homicide), 720 ILCS 5/11 (sex offenses), 720 ILCS 5/12 (bodily harm), 720 ILCS 5/26.5 (harassing and obscene communications), 720 ILCS 5/29D (terrorism), and 720 ILCS 5/33A (armed violence), or similar provisions of the Criminal Code of 1961. 820 ILCS 180/10(2.5). *Sexual violence* is not specifically defined in VESSA. While the law applies to all school districts (820 ILCS 180/10(10)), the number of employees determines the number of total workweeks of leave available during any 12-month period (820 ILCS 180/20(a)(2)). The term *employee* includes part-time workers. The Ill. Dept. of Labor must furnish to all employers a notice summarizing the law's requirements (*Your Rights Under Illinois Employment Laws* at: https://labor.illinois.gov/employers/posters.html. All districts must post this notice in a conspicuous place where notices to employees are customarily posted.

[23] If the district employs fewer than 50 employees, it may substitute the following sentence: "Accordingly, if the District employs at least 15 but not more than 49 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of eight work weeks of unpaid leave during any 12-month period." 820 ILCS 180/20(a)(2), amended by P.A. 103-314.

If the district employs at least one but not more than 14 employees, it may substitute the following sentence: "Accordingly, if the District employs at least one but not more than 14 employees, and subject to any exceptions in VESSA, an employee is entitled to a total four (4) work weeks of leave during any 12-month period." Id.

Under 820 ILCS 180/20(a)(4) an employee is not entitled to more than two work weeks (10 work days) if the leave is to attend a wake or funeral (or an alternative event), make end-of-life arrangements, or grieve due to the death of a family or household member killed in a crime of violence. In these circumstances, the leave must be completed within 60 days after the date on which the employee receives notice of the death. Employees may qualify for unpaid leave under both VESSA and the Family Bereavement Leave Act; leave taken under one act does not diminish the availability of leave under the other. Id.

[24] VESSA states that an employee does not have a right to take unpaid leave that exceeds the unpaid leave time allowed under the FMLA. 820 ILCS 180/20(a)(2). Section 25 creates an ambiguity by stating, "[t]he employer may not require the employee to substitute available paid or unpaid leave for [leave available to victims of domestic violence, sexual violence, or gender violence]," 820 ILCS 180/25. Contact the board attorney for advice about resolving this ambiguity.

COVID-19 Paid Administrative Leave [29]

When applicable, paid administrative leave related to COVID-19 will be granted to eligible employees in accordance with State law.

Family Neonatal Intensive Care Leave [30]

An unpaid leave from work is available to any staff member whose child[31] is a patient in a neonatal intensive care unit (NICU) in accordance with the requirements of the Family Neonatal Intensive Care Leave Act. If the District employs at least 51 employees, an employee is entitled to a total of 20 days of unpaid leave while a child of the employee is a patient in a NICU.[32] The District may require reasonable verification of the employee's child's length of stay in a NICU. [33]

[29] 105 ILCS 5/10-20.83. Whether some or all of the COVID-19 related reasons listed in 105 ILCS 5/10-20.83(b) and (c) apply will depend upon current health guidance and/or rules. The law prohibits districts from rescinding the paid leave if the definition of "fully vaccinated against COVID-19" is later updated by the CDC or IDPH to include recommended booster doses. Id.

Consult the board attorney for guidance about whether the board must accommodate an employee's religion or disability by exempting the employee from the COVID-19 vaccination prerequisite in 105 ILCS 5/10-20.83, and/or if the board and union may agree that this leave will extend to all unvaccinated employees. Title VII of the Civil Rights Act of 1964 requires employers to accommodate an employee's sincere religious objection to an employer vaccination requirement unless doing so would be an "undue hardship" on the employer. 42 U.S.C §2000e(j). Similarly, the Americans with Disabilities Act requires an employer to exempt an employee with a disability (including pregnancy-related disability) from a safety-related standard, such as a vaccination requirement, unless the employee poses a *direct threat* to the health or safety of the employee or others while on the job. 29 C.F.R. §1630.2(r). Educational Support Personnel

Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Full or part-time educational support personnel who work at least 600 hours per year receive paid sick leave as per the table below. Part-time employees will receive sick leave pay equivalent to their regular workday**.** Unused sick leave may accumulate.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent or designee shall monitor the use of sick leave

As a condition for paying sick leave after 3 days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a licensed physician to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member (3) a chiropractic physician licensed under the Medical Practice Act, (4) an licensed advanced practice registered nurse, (5) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than 3 days, for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

All employees' unused sick leave shall, upon separation from employment be credited to IMRF for service credit purposes. Effective July 1, 2021, upon retirement, resignation, or termination of employment, the Board agrees to pay educational support employees for unused accumulated sick leave which is not used for service credit to IMRF at the rate of $50.00 per day up to a maximum one-time benefit of $5,000.00. No employee shall be compensated a benefit for unused sick leave in excess of $5,000.00. Employees may choose to turn in unused sick leave for compensation (up to a maximum of $5,000.00 at a rate of $50.00 per day) in lieu of the District reporting sick leave to IMRF for service credit. Uncompensated sick days will be reported to IMRF on behalf of the educational support employee for service credit with IMRF upon retirement. An employee desiring post-employment compensation (which shall be paid no earlier than sixty (60) days following issuance of the employee's final paycheck) for unused and uncredited accumulated sick leave shall notify the Board not later than his or her final date of work that he or she intends

to be paid for sick leave in lieu of unused sick leave being reported to IMRF on his or her behalf.

If an eligible employee notifies the Board in writing no later than sixty (60) days in advance of his or her intended resignation and retirement, compensation for unused sick leave will be added to the employee's IMRF creditable earnings before the issuance of the employee's final paycheck so that IMRF creditable compensation for the 12 month period preceding such resignation and retirement increases up to a maximum of a gross total six percent (6%) increase in total IMRF creditable earnings over the prior year's income. Any unused and uncredited to IMRF sick leave monies that are not paid to the employee in his or her final paycheck because of the 6% limit will be considered a post-retirement severance benefit and will be paid to the employee no earlier than the 60th day following the employee's last day of work. The purpose of such post-retirement payment is to avoid pension penalties, excess contributions or accelerated payments, and to shelter and shield the amount paid from retirement credit. In the event a penalty or accelerated assessment is charged to the District, the amount of the compensation provided for hereinabove shall be immediately reduced to fall within that penalty, and the parties shall meet to discuss how the Board will comply with the award of sick leave compensation set forth above in a manner which will not cause a pension payment or liability.

Vacation

Twelve-month employees shall be eligible for paid vacation days as per the table below. Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Any exceptions must be pre-approved by the Superintendent.

Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays [1]

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a legal school holiday listed below, District employees will not be required to work on:

New Year's Eve	Monday following Easter	Veteran's Day
New Year's Day	Memorial Day	General Election Day, when required by law
Martin Luther King Jr.'s Birthday	Juneteenth National Freedom Day	Thanksgiving Day
Abraham Lincoln's Birthday	Independence Day	Friday following Thanksgiving

[1] Holidays are listed in 105 ILCS 5/24-2(a), (e), amended by P.A. 103-467. For information on the waiver process allowed by 105 ILCS 5/24-2(b), see sample exhibit 2:20-E, *Waiver and Modification Request Resource Guide*. The General Assembly passed legislation adding General Election Day as a school holiday for 2020, 2022, and 2024. Language referring to a General Election holiday when required by law is maintained in this policy should this practice continue. Holidays not specified in the School or Election Codes may be added to the policy; however, boards adding additional holidays should monitor and review to ensure the list remains current.

A State-mandated school holiday on Good Friday is unconstitutional according to Metzl v. Leininger, 57 F.3d 618 (7th Cir. 1995). Closing school on religious holidays may be permissible for those districts able to demonstrate that remaining open would be a waste of educational resources because of widespread absenteeism. Also, districts may be able to close school on Good Friday by adopting a spring holiday rationale or ensuring that it falls within spring break. School districts should discuss their options, including the collective bargaining implications, with their board attorney.

Casimir Pulaski's Birthday	Labor Day	Christmas Eve
Good Friday	Columbus Day	Christmas Day

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a legal school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

Full-time educational support personnel have three personal leave days per year. The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal 3 days in advance of the requested date.
2. No personal leave days may be used immediately before or immediately after a holiday, or during the first and/or last 5 days of the school year, unless prior approval is granted by the Superintendent.
3. Personal leave may not be used in increments of less than one-half day.
4. Personal leave days are subject to any necessary replacement's availability.
5. Personal leave days may not be used on an in-service training day and/or institute training days.
6. Personal leave may not be used when the employee's absence would create an undue hardship.

Leave to Serve as a Trustee of the Illinois Municipal Retirement Fund

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Illinois Municipal Retirement Fund in accordance with State Law.

Other Leaves

Educational support personnel receive the following leaves on the same terms and conditions granted professional personnel in Board policy 5:250, *Leaves of Absence*:

1. Leave for Service in the Military.
2. Leave for Service in the General Assembly.
3. School Visitation Leave.
4. Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence.
5. Family Bereavement Leave.
6. Child Extended Bereavement Leave.
7. Leave to serve as an election judge.
8. COVID-19 Paid Administrative Leave.
9. Family Neonatal Intensive Care Leave. [2]

Instruction

School Wellness [1]

Student wellness, including good nutrition and physical activity, shall be promoted in the District's educational program, school-based activities, and meal programs.[2] This policy shall be interpreted consistently with Section 204 of the Child Nutrition and WIC Reauthorization Act of 2004 and the Healthy Hunger-Free Kids Act of 2010 (HHFKA). [3]

The Superintendent will ensure: [4]

---

[1] State or federal law requires this subject matter to be covered in policy and controls its content. The federal Child Nutrition and WIC Reauthorization Act of 2004 (Child Nutrition Act) (Pub. L. 108-265) requires school districts participating in a program authorized by the Richard B. Russell National School Lunch Act (NSLA) (42 U.S.C. §1751 et seq.) or the Child Nutrition Act to have a school wellness policy. Pub. L. 108-265, Sec. 204. State law required the Ill. State Board of Education (ISBE) to "establish a State goal that all school districts have a wellness policy." 105 ILCS 5/2-3.139(a). ISBE complied in October 2007 by "instruct[ing] all public school districts to establish a School Wellness Policy." The federal and State laws list mandatory topics for the policy. The second sentence of this policy should be deleted if the district does not participate in the NSLA or the Child Nutrition Act.

See ISBE's numerous resources at: www.isbe.net/Pages/Nutrition-and-Wellness.aspx and www.isbe.net/Pages/Local-School-Nutrition-Wellness-Policy.aspx. Action for Healthy Kids is a national organization dedicated to overcoming the "epidemic of overweight, undernourished and sedentary youth by focusing on changes in schools;" see its resources at: www.actionforhealthykids.org/.

This sample policy seeks to be both legally compliant and consistent with good governance principles. Both federal and State laws allow each school district to determine how the required topics are addressed. Good governance principles suggest that the board should establish goals with community and stakeholder input. The administration should determine how to achieve the goals. The board should monitor this policy by requesting and reviewing periodic implementation data.

~~The Ill. Dept. of Agriculture and ISBE are directed to create the Farm Fresh Schools Program. 105 ILCS 124/, Farm Fresh Schools Program Act; 30 ILCS 105/5.728, Farm Fresh Schools Program Fund. They are also directed to administer a grant program to further the Program's intent of "reduc[ing] obesity and improve[ing] nutrition and public health, as well as strengthen[ing] local agricultural economies by increasing access to and promoting the consumption of locally grown fruits and vegetables in schools and increasing physical activities and programs that promote pupil wellness." 105 ILCS 124/10.~~

[2] 7 C.F.R. §210.31(a) and (c)(1). The law requires that local school wellness policies include specific goals for nutrition promotion and education, physical activity, and school-based activities. Federal law requires consideration of evidence-based strategies and techniques when implementing school-based activities. See also f/n 20, below.

This sample policy identifies the superintendent as the school official responsible to ensure compliance and oversee the policy. When the rules require specific identification of a school official, the policy does not include the delegation language *or designee*. **[School boards] must identify the [school official(s)] responsible for oversight of [its wellness policy] to ensure compliance. [Boards] have discretion and are the most qualified to identify the best candidate for [their wellness] policy leadership as size, resources, and needs vary greatly among [school districts].** See Federal Register Vol. 81, No. 146 at 50155 at: www.gpo.gov/fdsys/pkg/FR-2016-07-29/pdf/2016-17230.pdf.

For boards that wish to identify a school official other than the superintendent, delete ~~Superintendent~~ and replace it with the responsible school official's title.

1. Each school building complies with this policy;
2. The policy is available to the community on an annual basis through copies of or online access to the Board Policy Manual[5]; and
3. The community is informed about the progress of this policy's implementation.

Goals for Nutrition Education and Nutrition Promotion [6]

The goals for addressing nutrition education and nutrition promotion include the following:

- Schools will support and promote sound nutrition for students.
- Schools will foster the positive relationship between sound nutrition, physical activity, and the capacity of students to develop and learn.
- Nutrition education will be part of the District's comprehensive health education curriculum. See Board policy 6:60, *Curriculum Content*. [7]

Goals for Physical Activity [8]

The goals for addressing physical activity include the following:

- Schools will support and promote an active lifestyle for students.
- Physical education will be taught in all grades and shall include a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes

---

The intent of the rule is that schools "notify households on an annual basis of the availability of the local school wellness policy information and provide information that would enable *interested households* to obtain additional details." Fed. Reg. Vol. 81, No. 146 at 50160. However, the rule states, "[i]nform the *public* about the content and implementation of the local school wellness policy, and make the policy and any updates to the policy available to the public on an annual basis."

To achieve the intent of this requirement, the regulations suggest several methods for districts, which include a common method many districts likely already use: post the policy on the websites for the *public*, and use the student handbook to distribute important information to *interested households*.

[5] For boards that distribute their wellness policies via student handbooks and want to list that in the text of their policies, insert "and distributed to students and their parents/guardians through student handbooks". For sample handbook language, see the Illinois Principals Association *Online Model Student Handbook (MSH)* at: www.ilprincipals.org/msh/.

[6] Goals for nutrition education and nutrition promotion are required topics, but the local board may determine what goals are appropriate. Pub. L. 108-265, Sec. 204(a)(1) and Pub. L. 111-296; 42 USC §1758b(b)(1); 105 ILCS 5/2-3.139(a)(2); and 7 C.F.R. §210.31(c)(1). Replace this policy's text with a board's own locally developed nutritional education and promotion goals.

Nutrition promotion, required by Pub. L. 111-296, is not well-described or defined. The Food Nutrition Service (FNS) describes *nutrition promotion* more clearly in its technical assistance materials and the proposed 7 C.F.R. Part 210 rules (Fed. Reg. Vol. 79, No. 38 at 10695), dated Feb. 26, 2014, which state, "… evidence based techniques and scientifically-based nutrition messages targeted to a specific audience to inspire and motivate them to take action and use these techniques and messages to create environments and food service venues (classroom, cafeteria, à la carte, vending machines, school stores, snack bars, fundraisers, home, etc.) that encourage healthy nutrition choices, as well as enhance and encourage participation in school meal programs."

Goals for Other School-Based Activities [12]

The goals for school-based activities include the following:

- Schools will support and promote a healthy eating environment for students.
- Schools will promote and participate in wellness activities.
- Schools will offer other school-based activities to support student health and wellness, including coordinated events and clubs.

[12] **This is a required topic, but the local board may determine what goals are appropriate.** 42 USC §1758b(b)(1); 7 C.F.R. §210.31(c)(1). The third sample goal comes from ISBE's *Local Wellness Policy Template for Schools*, which was formerly available on ISBE's website.

[13] The policy must include the nutrition guidelines selected by the board for "all foods available during the school day with the objective of promoting student health and reducing childhood obesity." Pub. L. 108-265, Sec. 204(a)(2); 105 ILCS 5/2-3.139(a)(1); and 7 C.F.R. §§210.10 and 210.31(a), (c)(2), and (c)(3)(i)-(iv). 42 U.S.C. 1758b(b)(2)(A) requires that each local school wellness policy include nutrition guidelines for all foods and beverages available for sale on the school campus during the school day to ensure they are consistent with the statutory and regulatory provisions governing school meals (7 C.F.R. §§210.10, 220.8 and 220.10) and competitive foods (7 C.F.R. §210.11) as applicable.

Prior to July 2016 when 7 C.F.R. § 210.10 and 7 C.F.R § 210.31(c) (respectively) became effective, the current *Dietary Guidelines for Americans* published jointly by the U.S. Depts. of Health and Human Services and Agriculture (USDA) were used as nutrition guidelines.

[14] 7 C.F.R. §§210.10 (meal requirements for lunches and requirements for afterschool snacks); 210.11(c) (general nutrition standards for competitive food, i.e., *Smart Snacks*); and 210.31(a) and (c) (encompassing all other nutrition requirements, including foods not sold to students during the school day (classroom parties)).

In addition, in order to promote student health and reduce childhood obesity,[15] the Superintendent or designee shall:

4. Restrict the sale of *competitive foods*, as defined by the USDA, in the food service areas during meal periods;
5. Comply with all ISBE rules; and
6. Prohibit marketing during the school day of foods and beverages that do not meet the standards listed in Board policy 4:120, *Food Services*, i.e., in-school marketing of food and beverage items must meet *competitive foods* standards. [16]

Competitive foods standards do not apply to foods and beverages available, but not sold in school during the school day; e.g., brown bag lunches, foods for classroom parties, school celebrations, and reward incentives. [17]

Exempted Fundraising Day (EFD) Requests [18]

All food and beverages sold to students on the school campuses of participating schools during the school day must comply with the "general nutrition standards for competitive foods" specified in federal law.

[16] 7 C.F.R. §§210.11(a)(2) and 210.31(c)(3)(iii); 23 Ill. Admin. Code §305.5. For a definition of *competitive foods*, see sample administrative procedure 4:120-AP, *Food Services; Competitive Foods; Exemptions*.

[17] 7 C.F.R. §210.31(c)(2). This sample policy does not apply competitive food standards to foods not sold in schools; i.e., foods that students bring into the school from home, etc.

The final [federal] rule does not require that local school wellness policy standards for *foods provided in schools during the school day but not available for sale* conform to the school meal requirements or the competitive foods standards. In fact, the preamble to the final rule reiterates this saying, "[a]gain, it should be noted that with regard to foods provided, but not sold, in schools, local jurisdictions have the discretion to adopt standards that conform to [the competitive food standards] or to adopt more or less stringent standards." Similarly, the preamble to the final rule clearly states the rule does not require school boards to address standards for food brought from home for individual consumption. See Federal Register Vol. 81, No. 146 at 50158 at: www.gpo.gov/fdsys/pkg/FR-2016-07-29/pdf/2016-17230.pdf. Emphasis added.

This sample policy adopts less stringent standards for foods not sold in schools. For boards that wish to adopt standards that conform to the competitive food standards or apply even more stringent standards to foods available, but not sold during the school day, delete the last sentence of this **Nutrition Guidelines for Foods Available During the School Day; Marketing Prohibited** subhead: ~~*Competitive foods* standards do not apply to foods and beverages available, but not sold in school during the school day; e.g., foods for classroom parties, school celebrations, and reward incentives.~~ and choose one of the following sentences to replace it:

Option 1: The District applies competitive foods standards listed in Board policy 4:120, *Food Services*, to foods available, but not sold, in schools.

Option 2: The District applies more stringent standards than the competitive foods standards to foods available, but not sold, in schools. These include [list the chosen standards to foods available, but not sold, in schools].

The AHG encourages school officials to consider prohibiting foods as a reward and using the *Smart Snacks* standards for foods available, but not sold during the school day. However, enforcing such standards against students who are sent to school with snacks from their parents/guardians is difficult and may be considered overreach. Further, such a standard may open the district to challenges. Consult the board attorney about enforcement of standards that meet the *competitive foods* standards – or even more stringent standards – upon foods available, but not sold during the school day, i.e., choosing Options 1 or 2, above.

[18] Required by 23 Ill.Admin.Code §305.15(c)(2), 7 C.F.R. §§210.11(b)(4) and (c)(2) and 210.31(c)(3) for participating schools that want to grant EFDs.

For elementary districts, delete these sentences: ~~The Superintendent or designee in a participating school may grant an EFD for grades 9 through 12 in participating schools. To request an EFD and learn more about the District's related procedure(s), contact the Superintendent or designee. The District's procedures are subject to change. The number of EFDs for grades 9 through 12 in participating schools is set by ISBE rule.~~

For high school districts, delete this sentence: ~~EFDs are prohibited for grades eight and below in participating schools.~~

ISBE rules prohibit EFDs for grades 8 and below in participating schools.

The Superintendent or designee in a participating school may grant an EFD for grades 9 through 12 in participating schools. To request an EFD and learn more about the District's related procedure(s), contact the Superintendent or designee. The District's procedures are subject to change. The number of EFDs for grades 9 through 12 in participating schools is set by ISBE rule.

Guidelines for Reimbursable School Meals [19]

Reimbursable school meals served shall meet, at a minimum, the nutrition requirements and regulations for the National School Lunch Program and/or School Breakfast Program. [20]

Unused Food Sharing Plan [21]

In collaboration with the District's local health department, the Superintendent or designee will:

7. Develop and support a food sharing plan (Plan) for unused food that is focused on needy students. [22]
8. Implement the Plan throughout the District.
9. Ensure the Plan complies with the Richard B. Russell National School Lunch Act, as well as accompanying guidance from the U.S. Department of Agriculture on the Food Donation Program. [23]
10. Ensure that any leftover food items are properly donated to combat potential food insecurity in the District's community. *Properly* means in accordance with all federal regulations and State and local health and sanitation codes.

Monitoring [24]

At least every three years, the Superintendent shall provide implementation data and/or reports to the Board concerning this policy's implementation sufficient to allow the Board to monitor and

Detailed procedures are subject to change and are too complicated for policy text. This policy seeks to balance the requirement to include procedures in the policy for requesting an EFD by providing information about the initial steps and directing the superintendent or designee to inform the requestor of the current procedure. For a list of the number of available EFDs and a more detailed sample step-by-step procedure to request them, see sample administrative procedure 4:120-AP, *Food Services; Competitive Foods; Exemptions*.

[19] Inclusion in the policy is required for only those districts that participate in a program authorized by the NSLA or the Child Nutrition Act.

Delete number 3 *only if* the district participates in none of the programs listed.

Food sharing plans will depend on many local factors and require local health department involvement, so because of that, a sample **PRESS** administrative procedure is not practical and does not exist.

[24] The policy must establish a plan for measuring implementation of the local wellness policy, including designation of one or more persons within the local educational agency at each school, as appropriate, charged with operational responsibility for ensuring that the school meets the local wellness policy. Pub. L. 108-265, Sec. 204(a)(4); 105 ILCS 5/2-3.139(a)(4); and 7 C.F.R. §210.31(c)(5), (6), and (e)(1). 105 ILCS 5/27-235(a), renumbered by P.A. 104-391, requires ISBE to develop and maintain a nutrition and physical activity best practices database. Materials may be found at: www.isbe.net/Pages/Nutrition-and-Wellness.aspx.

42 U.S.C. §1758b(b)(5)(A) (Pub. L. 111-296) requires the public to receive periodic measures with the listed items. The accepted practice is annual reports. There is very little guidance to assist school districts in complying with this requirement. Without guidance, to ensure compliance, superintendents should contact their Regional Office of Education or Intermediate Service Center regarding their school districts' efforts to comply with this requirement. Guidance to help school districts conduct a triennial evaluation of local wellness policies is available at: https://www.isbe.net/Pages/Local-School-Nutrition-Wellness-Policy.aspx

adjust the policy (a triennial report).[25] This triennial report must include without limitation each of the following:

- An assessment of the District's implementation of the policy
- The extent to which schools in the District are in compliance with the policy
- The extent to which the policy compares to model local school wellness policies
- A description of the progress made in attaining the goals of the policy
- How the District will make the results of the assessment available to the public
- Where the District will retain records of the assessment [26]

The Board will monitor and adjust the policy pursuant to Board policy 2:240, *Board Policy Development*.

Community Involvement [27]

The Board and Superintendent will actively invite suggestions and comments concerning the development, implementation, periodic reviews, and updates of the school wellness policy from parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the community. Community involvement methods shall align their suggestions and comments to Board policy

[26] Id. and §210.31(f); see also the Local Records Act, 50 ILCS 205/. It governs retention of district records; its definition of *public record* is narrower than the definition in the Freedom of Information Act. These communications must be retained only when they contain: (1) evidence of the district's organization, function, policies, procedures, or activities, or (2) informational data appropriate for preservation. Consult the board attorney for a more thorough analysis and a legal opinion about how to meet both of the federal records retention requirements discussed in f/n 29, below, and the Local Records Act.

[27] A board must establish a plan in its wellness policy for involving parents, students, and representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the public in the development of the school wellness policy. Pub.L. 108-265, Sec. 204(a)(5); 42 U.S.C. §1758b(b)(3) (Pub.L. 111-296); 105 ILCS 5/2-3.139(a)(3); 7 C.F.R. §210.31(c)(5) (requirement to describe involvement plan in policy), and 7 C.F.R. §210.31(d)(1) (requirement to allow certain stakeholders to participate in policy development, etc.).

School districts have discretion in exactly how they implement this requirement, and [e]ach [school district] is best suited to determine the distinctive needs of the community it serves. See Federal Register Vol. 81, No. 146 at 50155 at: www.gpo.gov/fdsys/pkg/FR-2016-07-29/pdf/2016-17230.pdf.

This requirement's awkward wording notwithstanding, a board may take compliance steps by:

Seeking community input or involvement during this policy's adoption and monitoring phases, and inviting suggestions and comments during the public comment portion of board meetings from time to time. This method aligns with sample policies 2:140, *Communications To and From the Board*, and 2:240, *Board Policy Development*.

Establishing a "local school wellness committee." This method is discussed in the preamble to 7 C.F.R. §210.31(d)(1), which suggests "identifying individuals" to serve on a "local school wellness policy committee**." However, the final text of 7 C.F.R. §210.31(d)(1) does not specifically require districts to establish a local school wellness policy committee – only that they "permit [groups listed in the policy above] to participate …."** See also the citation to the Federal Register, in the second paragraph of this f/n, above, discussing policy implementation discretion.

The default text of this policy does not establish a local school wellness committee. For a district that wants to appoint or approve a local school wellness committee, add the following optional sentence as the last sentence of this subhead: "As necessary, the Superintendent or designee will convene a Wellness Committee with at least one representative from each of the listed groups." Also list the Wellness Committee in sample administrative procedure 2:150-AP, *Superintendent Committees*. As much of the work of developing a plan to involve local stakeholders is administrative/staff work rather than governance work, best practice is for a Wellness Committee be an administrative committee, but consult the board attorney for guidance. See f/n 3 in sample policy 2:150, *Committees*, for a discussion of Open Meetings Act implications of the Wellness Committee being a board committee.

If a board wants to comply with the USDA's *encouragement* to include Supplemental Nutrition Assistance Program Education (SNAP-ED) coordinators or educators in the group to provide input about the policy, add:

", Supplemental Nutrition Assistance Program Education (SNAP-ED) coordinators, educators" to the end of the first sentence in this subhead, immediately before: ", and community."

2:140, *Communications To and From the Board* and/or the **Community Engagement** subhead in Board policy 8:10, *Connection with the Community*. [28]

Student Social and Emotional Development [1]

Social and Emotional Learning (SEL) is defined as the process through which students enhance their ability to integrate thinking, feeling, and behaving to achieve important life tasks. Students competent in SEL are able to recognize and manage their emotions, establish healthy relationships, set positive goals, meet personal and social needs, and make responsible and ethical decisions. [2]

The Superintendent shall incorporate SEL into the District's curriculum and other educational programs consistent with the District's mission and the goals and benchmarks of the Ill. Learning Standards.[3] The Ill. Learning Standards include three goals for students: [4]

1. Develop self-awareness and self-management skills to achieve school and life success.
2. Use social awareness and interpersonal skills to establish and maintain positive relationships.
3. Demonstrate decision-making skills and responsible behaviors in personal, school, and community contexts.

The incorporation of SEL objectives into the District's curriculum and other educational programs may include but is not limited to: [5]

1. Classroom and school-wide programming to foster a safe, supportive learning environment where students feel respected and valued. This may include incorporating scientifically based, age- and culturally appropriate classroom instruction, and District-wide and school-wide strategies that teach SEL skills, promote optimal mental health, and prevent risk behaviors for all students. [6]
2. Ongoing staff professional development and support to promote students' SEL development. [7]
3. Parent/Guardian and family involvement to promote students' SEL development. This may include providing parents/guardians and families with learning opportunities related to the importance of their children's optimal SEL development and ways to enhance it. [8]

[6] 20 ILCS 1705/76 requires the Ill. Dept. of Human Services (IDHS) to create and maintain an online mental health database and resource page on its website with mental health resources to: (1) assist school social workers, school counselors, parents, teachers, and school support personnel with the goal of connecting them with mental health resources related to bullying and school shootings; and (2) encourage information sharing among educational administrators, school security personnel, and school resource officers. See the IDHS *School Based Mental Health Database* at: www.dhs.state.il.us/page.aspx?item=118331.

20 ILCS 1705/76.2, added by P.A. 103-222, requires IDHS to partner with ISBE to provide technical assistance for the provision of mental health care for students during school days.

105 ILCS 5/27-1080, added by P.A. 103-764 and renumbered by P.A. 104-391, allows districts to provide students with at least 20 minutes per week of *relaxation activities* to enhance students' mental and physical health as part of the school day. *Relaxation activities* may include mindful-based movements, yoga, stretching, meditation, breathing exercises, guided relaxation techniques, quiet time, walking, in-person conversation, and other stress-relieving activities. *Relaxation activities* may take place during a P.E. class, social emotional learning class, or student-support or advisory class or as a part of another similar class.

[8] The Ill. Children's Mental Health Partnership provides resources for youth, caregivers, and professionals. See f/n 2, above.

4. Community partnerships to promote students' SEL development. This may include establishing partnerships with diverse community agencies and organizations to assure a coordinated approach to addressing children's mental health and SEL development.
5. Early identification and intervention to enhance students' school readiness, academic success, and use of good citizenship skills. This may include development of a system and procedures for periodic and universal screening, assessment, and early intervention for students who have significant risk factors for social, emotional, or mental health conditions that impact learning. [9]
6. Treatment to prevent or minimize mental health conditions in students. This may include building and strengthening referral and follow-up procedures for providing effective clinical services for students with social, emotional, and mental health conditions[10] that impact learning. This may include student and family support services, school-based behavioral health services, and school-community linked services and supports.
7. Assessment and accountability for teaching SEL skills to all students. This may include implementation of a process to assess and report baseline information and ongoing progress about school climate, students' social and emotional development, and academic performance. [11]

Using Animals in the Educational Program [1]

Animals may be brought into school facilities for educational purposes according to procedures developed by the Superintendent assuring: (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment. [2]

Animal Experiments

Experiments on living animals are prohibited; however, behavior studies that do not impair an animal's health or safety are permissible. [3]

Animal Dissection

The dissection of dead animals or parts of dead animals shall be allowed in the classroom only when the dissection exercise contributes to or is a part of an illustration of pertinent study materials. All dissection of animals shall be confined to the classroom and must comply with the School Code.

Students who object to performing, participating in, or observing the dissection of animals are excused from classroom attendance without penalty during times when such activities are taking place.[4] No student will be penalized or disciplined for refusing to perform, participate in, or observe a dissection. The Superintendent or designee shall inform students of: (1) their right to refrain from performing, participating in, or observing dissection, and (2) which courses contain a dissection unit and which of those courses offers an alternative project. Migrant Students [1]

The Superintendent will develop and implement a program to address the needs of migrant children in the District in accordance with federal law.

This program will:

1. Identify migrant students and assess their educational and related health and social needs.
2. Provide a full range of services to migrant students through appropriate local, State, and federal educational programs,[2] including applicable Title I programs, special education, gifted education, vocational education, language programs, counseling programs, and elective classes.
3. Provide migrant ~~children~~ students with full and appropriate opportunities to meet the same challenging State academic standards that all children are expected to meet. [3]
4. Provide, to the extent feasible: [4]
    a. Advocacy and outreach programs to migrant children and their families, including helping such children and families gain access to other education, health, nutrition, and social services,
    b. Professional development programs, including mentoring, for District staff,
    c. Family literacy programs,
    d. The integration of information technology into educational and related programs, and
    e. Programs to facilitate the transition of secondary school students to postsecondary education or employment. [5]
    f. Programs, activities, and procedures for the engagement of parents/guardians and family members of migrant students in an understandable format and language. [6]

---

[1] Federal law controls this policy's content. The first sentence of this policy allows a school board to consider the goals for its migrant education program and to amend the sample policy accordingly. The *Migrant Education Program* is a federally funded program authorized under Title I, Part C, of the Elementary and Secondary Education Act (ESEA). 20 U.S.C. §6391 et seq.; 34 C.F.R. §200.81 et seq. This policy may be deleted if the district does not receive Title I funds under the ESEA.

To qualify for the program, a migrant child must: (1) be younger than the age of 22, (2) have not earned a high school diploma or an equivalent degree, (3) have moved on his/her own as a migratory worker or with/to join/to precede a parent, spouse or guardian who is a migratory worker; and (4) have moved within the preceding 36 months due to economic necessity, from one school district to another, and from one residence to another. 20 U.S.C. §6399; see also www.isbe.net/Pages/Migrant-Education-Program.aspx. Although most of the requirements are directed to State agencies, local school districts that receive State money for these programs will be held to many of the same requirements by the State. For additional information, see ISBE's collection of material about the Migrant Education Program in Illinois at www.isbe.net/Pages/Migrant-Education-Program.aspx.

105 ILCS 5/22-105 (final citation pending), added by P.A. 104-288, requires that schools in the State, "[p]rotect the integrity of school learning environments for all children, so that no parent is discouraged from sending and no child is discouraged from attending school, including from the threat of immigration enforcement or other law enforcement activity on a school campus." Consult the board attorney for guidance on the intersection of federal and State law related to migrant students. See also sample policy 7:150, *Agency and Law Enforcement Requests*.

Migrant Education Program for Parent/Guardian and Family Member Engagement

Instruction

Title I Programs [1]

The Superintendent or designee shall pursue funding under Title I, Improving the Academic Achievement of the Disadvantaged, of the Elementary and Secondary Education Act, to supplement instructional services and activities in order to improve the educational opportunities of educationally disadvantaged or deprived children.

All District schools, regardless of whether they receive Title I funds, shall provide services that, taken as a whole, are substantially comparable. Teachers, administrators, and other staff shall be assigned to schools in a manner that ensures equivalency among the District's schools. Curriculum materials and instructional supplies shall be provided in a manner that ensures equivalency among the District's schools. [2]

Title I Parent and Family Engagement

The District maintains programs, activities, and procedures for the engagement of parents/guardians and families of students receiving services, or enrolled in programs, under Title I. These programs, activities, and procedures are described in District-level and School-level ~~compact~~ plans.

District-Level Parent and Family Engagement Plan ~~Compact~~ [3]

The Superintendent or designee shall develop a District-Level Parent and Family Engagement Plan (District Plan) according to Title I requirements. This District Plan ~~Level Parent and Family Engagement Compact~~ shall contain: (1) the District's expectations for parent and family engagement, (2) specific strategies for effective parent and family engagement activities to improve student academic achievement and school performance, and (3) other provisions as required by federal law. The Superintendent or designee shall ensure that the District Plan ~~Compact~~ is distributed to parents/guardians of students receiving services, or enrolled in programs, under Title I.

---

[1] State or federal law controls this policy's content. **This policy is mandatory for any district that receives or plans to receive Title I funds.** Title I is part of the Elementary and Secondary Education Act (ESEA). 20 U.S.C. §6301 et seq. It was amended by the Every Student Succeeds Act. Pub. L. 114-95. To comply with ESEA, a board must also incorporate by reference the district's exhibits 6:170-AP1, E1, *District-Level Parent and Family Engagement Plan*, and 6:170-AP1, E2, *School-Level Parent and Family Engagement Plan*. These exhibits contain all legally required components and are compatible with sample templates contained in the U.S. Dept. of Education's non-regulatory guidance titled *Parent and Family Engagement* (2025), at: www.ed.gov/media/document/parent-and-family-engagement-guidance-2025-109202.pdf.

Note: On December 15, 2015, the Every Student Succeeds Act (ESSA) amended multiple laws, including ESEA. If a source cites to ESEA through ESSA (as *Parent and Family Engagement* does), it uses ESSA's phrasing and states "Section 1116 of the ESEA." In contrast, materials that cite directly to ESEA, as **PRESS** does, cite to 20 U.S.C. §6318. These citations both reference the same law.

Instruction

Administrative Procedure - Checklist for Development, Implementation, and Maintenance of Parent and Family Engagement Compacts for Title I Programs [1]

The development, implementation, and maintenance of school-level parent and family engagement compacts must be carried out through meaningful consultation with parents/guardians of children participating in Title I programs. The Superintendent must designate a person who will be responsible for the process of obtaining meaningful consultation. This checklist includes some measures designed to encourage meaningful consultation.

This is an annual checklist. *Check steps as completed*.

☐ Plan regular meetings throughout the school year with parents/guardians to discuss school compacts; identify dates and convenient times, places, and persons whose attendance is desired. Offer meetings in the morning or evening, and, if funds are available under Title I for this purpose, provide transportation, childcare, or home visits, as such services relate to parent/guardian involvement.

☐ Plan an agenda for meetings to discuss school-level parent and family engagement compacts.

- Always begin with "where we are now?" and end with "next steps."
- Agendas should provide for two-way communication between the District and parents/guardians of children participating in Title I programs.
- Agendas can be built around the federal compliance requirements as stated in exhibits 6:170-AP1, E1, *District-Level Parent and Family Engagement Plan,* and 6:170-AP1, E2, *School-Level Parent and Family Engagement Plan*.
- Agendas should also include a section to inform parents/guardians of their school's participation in Title I and to explain Title I's requirements regarding parent/guardian involvement, including the right of parents/guardians to be involved.
- Agendas should also include a section to describe and explain the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of challenging State academic standards.

The footnotes should be removed before the material is used.

This administrative procedure should be used along with 6:170-AP1, E1, *District-Level Parent and Family Engagement Plan*, and 6:170-AP1, E2, *School-Level Parent and Family Engagement Plan*, but only by those districts receiving Title I funds.

- If requested by a parent/guardian, agendas should also include a section for parents/guardians to formulate suggestions and to participate, as appropriate, in decisions relating to their children's education.
- Agendas should also include a section to involve parents/guardians in the planning, review, and improvement of Title I programs, including the joint development of the School-Level Parent and Family Engagement Plan (School Plan) under 20 U.S.C. §6314(b)(2).
- Another agenda topic is how funds are allotted for parent/guardian involvement in activities; parents/guardians of children receiving services must be involved in these decisions.

☐ Notify interested persons of meeting dates to discuss school compacts, including:

- ☐ Parents/guardians of students participating in Title I programs
- ☐ Staff members
- ☐ Students participating in Title I programs
- ☐ School Board members
- ☐ Media
- ☐ Coordinators for other school programs, e.g., Head Start and preschool programs
- ☐ Other _____

☐ Publicize the meeting dates, times, and locations to discuss school-level parent and family engagement compacts.

☐ Make all Open Meetings Act notifications and postings for meetings to discuss school-level parent and family engagement compacts. **Note:** it is wise to assume these meetings will be in open session if Board members are expected to attend or if the meetings are conducted by a Board-appointed committee.

☐ Appoint a recording secretary to keep meeting minutes.

☐ Provide copies of working drafts to parents/guardians in an understandable and uniform format and, to the extent practicable, in a language the parents/guardians can understand.

☐ Determine success indicators to measure the effectiveness of the school-level parent and family engagement compacts in improving students' academic achievement.

☐ Review the success indicators in order to evaluate the effectiveness of the school-level parent and family engagement compacts in improving students' academic achievement.

☐ Conduct an annual evaluation to identify: [2]

☐ Barriers to greater participation by parents/guardians, with particular attention to parents/guardians who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background;

☐ The needs of parents/guardians and family members to assist with the learning of their children, including engaging with school personnel and teachers; and

☐ Strategies to support successful school and family interactions.

Use the findings of such an evaluation to design evidence-based strategies for more effective parent/guardian involvement.

☐ If the School Plan under 20 U.S.C. §6314(b)(2) is not satisfactory to the parents/guardians of participating children, submit any parent/guardian comments on the School Plan when the school makes it available to the Board.

☐ Provide status reports to the Board and, periodically, submit updated parent and family engagement plans to the Board.

☐ Revise the applicable parent and family engagement plans as necessary.

    ii. Their child's level of English proficiency, how such level was assessed, and the status of the child's academic achievement;
    iii. The instructional methods used in their child's program and the instructional methods used in other available programs;
    iv. How their child's program will meet their child's educational strengths and needs
    v. How the program will help their child to learn English and meet age-appropriate academic achievement standards for grade promotion and graduation;
    vi. Exit requirements for the program, including the expected rate of transition from such program into classrooms not tailored for English learners and the expected rate of high school graduation;
    vii. In the case of a child with a disability, how the program meets the objectives of their child's individualized education program; and
    viii. Information regarding parental rights that includes written guidance:
        1. Detailing parents'/guardians' right to immediately remove their child from the program upon their request;
        2. Detailing parents'/guardians' options to decline enrollment in the program or to choose another program or instructional method, if available; and
        3. Assisting parents/guardians in selecting among various programs and instruction methods, if more than one program/method is offered.

5. Student Privacy

a. **Notice of privacy policy**.[16] The student privacy policies developed by the District shall provide for reasonable notice of the adoption or continued use of such policies directly to the parents/guardians of students enrolled in its schools. At a minimum, the District shall:

   i. Provide such notice at least annually, at the beginning of the school year, and within a reasonable period of time after any substantive change in such policies; and

   ii. Offer an opportunity for the parent/guardian to opt the student out of the activity.

c. **Notice of existing policy**.[18] The Districts shall provide reasonable notice of such existing policies to parents/guardians of students, e.g., "The School Board has adopted and continues to use policies regarding student privacy, parental access to information, and administration of certain physical examinations to minors. Copies of those policies are available on request."

Students

Harassment of Students Prohibited [1]

No person, including a ~~School~~ District employee, agent, or student, shall harass, intimidate, or bully a student on the basis of actual or perceived: race; color; national origin; military status; unfavorable discharge status from military service; sex; sexual orientation; gender identity[2]; gender-related identity or expression; ancestry; age; religion; physical or mental disability; order of protection status; status of being homeless; actual or potential marital or parental status, including pregnancy; physical appearance; socioeconomic status; academic status; association with a person or group with one or more of the aforementioned actual or perceived characteristics; or any other distinguishing characteristic. The District will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, sexual, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, sexual violence, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above. [3]

---

[1] State or federal law requires this subject matter be covered by policy, controls this policy's content, and 105 ILCS 5/10-20.71 requires that every two years, each district within an Illinois county served by an accredited Children's Advocacy Center review all its existing sexual abuse investigation policies and procedures to ensure consistency with 105 ILCS 5/22-85. Each district must also have a policy on bullying. 105 ILCS 5/22-110, amended by P.A. 103-47 and renumbered by P.A. 104-391; see sample policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*.

This policy's list of protected classifications aligns with the list in sample policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. The protected classifications are found in 105 ILCS 5/22-110(a), amended by P.A. 103-47 and renumbered by P.A. 104-391; 775 ILCS 5/1-103; 23 Ill.Admin.Code §1.240.

The list of protected classifications in sample policy 7:10, *Equal Educational Opportunities*, is different – it does not contain the classifications that are exclusively identified in the bullying statute. Id.

The Ill. Human Rights Act (IHRA) and an Ill. State Board of Education (ISBE) rule prohibit schools from discriminating against students on the basis of *sexual orientation* and *gender identity*. 775 ILCS 5/5-101(A)(11); 23 Ill.Admin.Code §1.240. *Sexual orientation* is defined as the "actual or perceived heterosexuality, homosexuality, bisexuality, or gender related identity, whether or not traditionally associated with the person's designated sex at birth." 775 ILCS 5/1-103(O-1). *Gender identity* is included in the definition of sexual orientation in the Act. The Act permits schools to maintain single-sex facilities that are distinctly private in nature, e.g., restrooms and locker rooms. 775 ILCS 5/5-103. Additionally, *race* is defined to include traits associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twists. 775 ILCS 5/1-103(M-5). 775 ILCS 5/1-102(A) added *order of protection status* to its list of protected categories. IHRA's jurisdiction regarding schools as a public accommodation is specifically limited to: (1) failing to enroll an individual, (2) denying access to facilities, goods, or services, or (3) failing to take corrective action to stop severe or pervasive harassment of an individual. 775 ILCS 5/5-102.2. It is also a violation of IHRA if a district is aware of an employee or agent's harassment towards a student but fails to take appropriate action to stop the harassment. 775 ILCS 5/5A-101 and 102, amended by P.A. 103-472.

[2] See f/n 4 in sample policy 7:10, *Equal Educational Opportunities*, for a discussion about Executive Order (EO) 2019-11 establishing the Affirming and Inclusive Schools Task Force (Task Force) that made policy and administrative procedure recommendations to ISBE that are discussed in its publication *Sample District Policy and Administrative Procedures* at www.isbe.net/supportallstudents.

For boards that want to incorporate ISBE's sample policy recommendation, insert the following in place of "gender identity;": gender; gender identity (whether or not traditionally associated with the student's sex assigned at birth);

If the board inserts this option, it must also insert the options in f/ns 4 and 9 of policy 7:10, *Equal Educational Opportunities*, but note the protected statuses list in this policy is different and should not be copied from here into 7:10, *Equal Educational Opportunities*.

[3] This list of examples of prohibited conduct is optional. While hate speech is not specifically mentioned in this paragraph, any hate speech used to harass or intimidate is banned. Hate speech without accompanying misconduct may be prohibited in response to actual incidents when hate speech interfered with the educational environment. West v. Derby Unified Sch. Dist., 206 F.3d 1358 (10th Cir. 2000).

Sexual Harassment Prohibited

The District shall provide an educational environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law.[4] See Board policies 2:265, *Title IX Grievance Procedure*, and 2:260, *Uniform Grievance Procedure*.

Making a Report or Complaint

Students are encouraged to promptly report claims or incidents of bullying, intimidation, harassment, sexual harassment, or any other prohibited conduct to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the student is comfortable speaking. [5]

Reports under this policy will be considered a report under Board policy 2:260, *Uniform Grievance Procedure*, and/or Board policy 2:265, *Title IX Grievance Procedure*. The Nondiscrimination Coordinator, Title IX Coordinator, and/or Complaint Manager or designee shall process and review the report according to the appropriate grievance procedure. The Superintendent shall insert into this policy the names, office addresses, email addresses, and telephone numbers of the District's current Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers.

---

[4] Two laws apply to sexual harassment of students in Illinois. Title IX of the Education Amendments of 1972 (Title IX) prohibits sexual harassment in any educational program or activity receiving federal financial assistance. 20 U.S.C. §1681. Title IX defines sexual harassment as conduct on the basis of sex that meets one or more of the following: (1) a district employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; (2) unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it denies a person equal access to the District's education program or activity; or (3) *sexual assault*, *dating violence*, *domestic violence*, or *stalking* as defined in federal law. 34 C.F.R. §106.30. See sample policy 2:265, *Title IX Grievance Procedure*, and sample exhibit 2:265-E, *Title IX Glossary of Terms*. Consult the board attorney to ensure the nondiscrimination coordinator and complaint managers are trained to appropriately respond to allegations of Title IX sexual harassment. See sample procedures 2:265-AP1, *Title IX Response*, and 2:265-AP2, *Formal Title IX Complaint Grievance Process*.

IHRA prohibits any district employee or agent from sexually harassing a student, and defines sexual harassment as any unwelcome sexual advances or requests for sexual favors made to a student, or any conduct of a sexual nature toward a student, when: (1) such conduct has the purpose of substantially interfering with the student's educational performance or creating an intimidating, hostile or offensive educational environment; or (2) the district employee or agent either explicitly or implicitly makes the student's submission to or rejection of such conduct as a basis for making various enumerated education-related determinations. 775 ILCS 5/5A-101(E).

School districts are liable for damage awards for an employee's sexual harassment of a student in limited situations. Liability occurs only when a district official who, at a minimum, has authority to institute corrective action, has actual notice of and is deliberately indifferent to the employee's misconduct. Gebser v. Lago Vista Independent Sch. Dist., 524 U.S. 274 (1998). Schools are liable in student-to-student sexual harassment cases when school agents are deliberately indifferent to sexual harassment, of which they have actual knowledge that is so severe, pervasive, and objectively offensive that it can be said to deprive the victims of access to the educational opportunities or benefits provided by the school. Davis v. Monroe County Bd. of Educ., 526 U.S. 629 (1999). The Ill. Dept. of Human Rights investigates charges of sexual harassment in violation of the IHRA, and it is a civil rights violation when a district fails to take remedial or disciplinary action against an employee the district knows engaged in sexual harassment. 775 ILCS 5/5A-102, amended by P.A. 103-472.

[5] Using "or any employee with whom the student is comfortable speaking" ensures compliance with Title IX regulations providing that "any employee" of an elementary or secondary school who has notice of sexual harassment or allegations of sexual harassment is deemed to have *actual knowledge* which triggers a district's duty to respond. 34 C.F.R. §106.30. By including "any employee" in this list, this policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

The Superintendent shall use reasonable measures to inform staff members and students of this policy by including:

1. For students, age-appropriate information about the contents of this policy in the District's student handbook(s), on the District's website, and, if applicable, in any other areas where policies, rules, and standards of conduct are otherwise posted in each school. [6]

[6] In addition to notifying students of Board policies 2:260, *Uniform Grievance Procedure*, and 2:265, *Title IX Grievance Procedure*, a district must notify them of the name, office address, email address, and telephone number of district's Title IX Coordinator. 34 C.F.R. §106.8(a). 105 ILCS 5/10-20.69 requires districts to maintain and implement an *age-appropriate* policy on sexual harassment that is included in the school district's student handbook, as well as on a district's website and, if applicable, other areas where such information is posted in each school. The law does not expressly state that the age-appropriate policy is for students; however, that is the most logical interpretation. In practice, most districts maintain a student handbook for each building. Because the law only requires one policy, this policy manages the age-appropriate requirement by directing age-appropriate explanations of the policy be included in the building-level student handbook(s). Student handbooks can be developed by the building principals, but should be reviewed and approved by the superintendent and school board. The Ill. Principals Association maintains a handbook service that coordinates with **PRESS** material, *Online Model Student Handbook (MSH)*, at: www.ilprincipals.org/msh.

2. For staff members, this policy in the appropriate employee handbook(s), if applicable, and/or in any other areas where policies, rules, and standards of conduct are otherwise made available to staff.

Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator, Title IX Coordinator, or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Title IX Coordinator or designee shall consider whether action under Board policy 2:265, *Title IX Grievance Procedure*, should be initiated.

For any report or complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall investigate under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*.

For any other alleged student harassment that does not require action under Board policies 2:265, *Title IX Grievance Procedure*, or 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under Board policies 2:260, *Uniform Grievance Procedure*, and/or 7:190, *Student Behavior*, should be initiated, regardless of whether a written report or complaint is filed.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in[7] 720 ILCS 5/11-9.1A(b), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to Board policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under Board policy 2:265, *Title IX Grievance Procedure*, or Board policy 2:260, *Uniform Grievance Procedure*.

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action up to and including discharge. Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action, including but not limited to, suspension and expulsion consistent with the behavior policy. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to disciplinary action.

[7] Required for districts located within a county served by an accredited Children's Advocacy Center (CAC). Delete this subhead if your school district is within a county not served by an accredited CAC. 105 ILCS 5/22-85 (governing the investigation of an *alleged incident of sexual abuse* of any child within any Illinois counties served by a CAC). Retaliation Prohibited

Retaliation against any person for bringing complaints or providing information about harassment is prohibited (see Board policies 2:260, *Uniform Grievance Procedure*, 2:265, *Title IX Grievance* Procedure, and 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*).

Students should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

School Admissions and Student Transfers To and From Non-District Schools [1]

Age [*Elementary or Unit Districts only*]

To be eligible for admission, a child must be five years old on or before September 1 of that school term.[2] A child entering first grade must be six years of age on or before September 1 of that school term.[3] Based upon an assessment of a child's readiness to attend school, the District may permit him or her to attend school prior to these dates.[4] A child will also be allowed to attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will be six years old on or before December 31.[5] A child with exceptional needs who qualifies for special education services is eligible for admission at three years of age.[6] Early entrance to kindergarten or first grade may also be available through Board policy 6:135, *Accelerated Placement Program*. [7] [8]

---

[1] State law requires some of the subject matter contained in this sample policy to be covered by policy and controls this policy's content. Boards must adopt a policy on school admissions (105 ILCS 5/10-21.2) and restricting a student from transferring from another school while under a suspension or expulsion from that school (105 ILCS 5/10-22.6). A *registration guidance document*, updated annually, is available from the Ill. State Board of Education (ISBE) at: www.isbe.net/Documents/guidance_reg.pdf.

[2] 105 ILCS 5/10-20.12. The district may, however, establish a kindergarten for children between the ages of 4 and 6 years old. 105 ILCS 5/10-22.18. Any child between the ages of 7 and 17 (unless the child has already graduated from high school) must attend public or private school, with certain exceptions allowed for physical and mental disability, lawful employment, or other reasons as specified by statute. 105 ILCS 5/26-1. The phrase "a child between the ages of 7 and 17" is liberally construed to fully carry out the true intent and meaning of the General Assembly (5 ILCS 70/1.01), which is to ensure that students graduate from high school (105 ILCS 5/26-1). Therefore, "the ages of 7-17" means a child is 17 until his or her 18th birthday.

[3] Optional sentence.

[4] 105 ILCS 5/10-20.12.

[5] Id. Delete the first four sentences in this paragraph if the district operates a year-round school and use the following alternative:

> To be eligible for admission, a child must be at least five years old within 30 days after the commencement of that school term. Based upon an assessment of the child's readiness to attend school, the District may permit him or her to attend school prior to this date. A child may also attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool and continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will attain age six within four months after the commencement of the term.

[6] 105 ILCS 5/14-1.02 and 5/14-1.03a. An ISBE rule states: "Each school district shall be responsible for actively seeking out and identifying all children from birth through age 21 within the district (and those parentally-placed private school children for whom the district is responsible under 34 C.F.R. §300.131) who may be eligible for special education and related services." 23 Ill.Admin.Code §226.100. Note that after a child is determined to be eligible for special education services, the child must be placed in the appropriate program no later than the beginning of the next school semester. 105 ILCS 5/14-8.02.

[7] 105 ILCS 5/14A-17, Accelerated Placement Act (APA). For high school districts, delete this sentence and the cross reference to 6:135, *Accelerated Placement Program*. See sample policy 6:135, *Accelerated Placement Program*, and sample administrative procedure 6:135-AP, *Accelerated Placement Program Procedures*, for further detail.

Attorneys disagree whether the APA conflicts with 105 ILCS 5/10-20.12 (*School year – School age.)*. See f/n 4 in sample policy 6:135, *Accelerated Placement Program* for a discussion about reconciling the APA and 105 ILCS 5/10-20.12. **Consult the board attorney for guidance.**

[8] Districts should consider implementing specific and objective criteria for early admissions and address such issues as who pays the costs for assessments, etc. Using this exception defeats the age requirement rules because it only relies upon a child's readiness, regardless of his or her age.

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate.[9] When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent[10] record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within ~~ten~~ 10 days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that ~~ten~~10-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content. [11]
2. Proof of residence, as required by Board policy 7:60, *Residence*.

---

[9] Presenting a certified copy of a student's birth certificate is a missing children's law enforcement issue that may not be used for denying enrollment. See Guidance Documents subhead in sample administrative procedure 7:50-AP, *School Admissions and Student Transfers To and From Non-District Schools*, for more information about enrollment and residency issues. Consult the board attorney if a student cannot produce a certified copy of his or her birth certificate and wishes to provide a passport, visa, or other governmental documentation of identity. To balance the tension between the missing children's laws reporting requirements, Plyler v. Doe (457 U.S. 202 (1982)), and 105 ILCS 5/22-105 (final citation pending), added by P.A. 104-288, many attorneys advise not to report a student's failure to produce a birth certificate; however always consult the board attorney for assistance based upon the specific facts of the enrollment situation (see f/n 11 below). See also f/n 6 in sample administrative procedure 7:150-AP, *Managing Agency and Law Enforcement Requests*, for discussion of place of birth as directory information.

[10] 23 Ill.Admin.Code §375.10 states that the *student permanent record* shall include basic identifying information, including the student's name, birth date and place, and gender, and evidence required under 325 ILCS 50/5(b)(1).

[11] Two almost identical laws govern this requirement: Missing Children Records Act (325 ILCS 50/) and Missing Children Registration Law (325 ILCS 55/). We reconciled their differences as much as possible but chiefly used the language from the Registration Law because it has the clearest explanation. The statutory enforcement requirements, as nonsensical as they may seem, are quoted in the policy. **Important:** Schools cannot deny admission based upon immigration status alone. Note that singling out foreign-looking students for visa requests is probably illegal discrimination. See Plyler v. Doe and 105 ILCS 5/22-105 (final citation pending), added by P.A. 104-288. See also f/n 18 below.

According to the Ill. State Police, a certified copy of the student's birth certificate is the only acceptable proof of the child's identity and age. 20 Ill.Admin.Code §1290.60(a). For more discussion about acceptable proof of identity, see f/n 1 in sample administrative procedure 7:50-AP, *School Admissions and Student Transfers To and From Non-District Schools*. The Missing Children Records Act requires schools to make prompt copies of these certified copies. 325 ILCS 50/5(b)(1). Once made, schools need not request another certified copy with respect to that child for any other year in which the child is enrolled in that school or other entity. Id. While the Act does not mandate where the copy should be kept, it is appropriate for placement in the student's permanent record. See 23 Ill.Admin.Code §375.10 and f/n 10, above. The school person who receives the copy of the certified birth certificate should initial and date the document. That way, if there is a question or an investigation (which can happen even years after enrollment) there will not be an issue as to who received the document and the date it was processed.

A district must also *flag* a student's record on notification by the State police of the student's disappearance and report to the State police any request for a *flagged* student record. 325 ILCS 50/3, 50/5.

3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*. [12]

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U.S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year.[13] Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed. [14]

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment.[15] Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Ill. Dept. of Children and Family Services (DCFS) when enrolling in or changing schools. The District's liaison ensures that DCFS' Office of Education and Transition Services receives all written notices and records pertaining to students in the legal custody of DCFS as required by State law. [16]

---

[12] Each school must maintain records for each student that reflect compliance with the examinations and immunizations required by 105 ILCS 5/22-105, renumbered by P.A. 104-391, and 23 Ill.Admin.Code §1.530(a). A tuberculosis skin test is required if the student lives in an area designated by the Ill. Dept. of Public Health as having a high incidence of tuberculosis. 105 ILCS 5/22-105(1), renumbered by P.A. 104-391.

[13] 105 ILCS 5/22-70. Districts must report this enrollment information as aggregate data to ISBE. Id.

[14] The Educational Opportunity for Military Children Act (105 ILCS 70/) further details enrollment and entrance requirements for children of active military personnel. 105 ILCS 70/33. After enrollment, the law allows a district to perform evaluations to ensure appropriate placement of the student. Course, program, graduation, extracurricular(s), and other placement options for this student population are further discussed in sample administrative procedure 7:50-AP, *School Admissions and Student Transfers To and From Non-District Schools*.

[15] Required by Education for Homeless Children Act (105 ILCS 45/) and the McKinney-Vento Homeless Assistance Act (42 U.S.C. §11431 et seq.). See §11432(g)(3)(C)(i).

[16] Required by 105 ILCS 5/10-20.59. These DCFS liaisons must be licensed under Article 21B of the School Code. 105 ILCS 5/10-20.59 directs how employees are prioritized for DCFS liaison appointment. DCFS liaisons are "encouraged to build capacity and infrastructure within their school district to support students in the legal custody of the Department of Children and Family Services." Schools are required to give DCFS liaisons certain notices, records, and meeting invitations. See 105 ILCS 5/10-20.77 (notice and invitation to attend parent-teacher conferences and other meetings); 105 ILCS 5/10-21.8 (copies of correspondence and reports upon request of DCFS); 105 ILCS 5/13B-60.10 (notice and invitation to attend alternative learning opportunities program conference); 105 ILCS 5/14-8.02 (notices related to special education); 105 ILCS 10/ (student records). See sample administrative procedure 7:340-AP1, *School Student Records*, for more information regarding DCFS access to the student records of children in its legal custody. The law does not specifically require that a district's DCFS liaison perform these duties; this policy assigns them to the DCFS liaison because they logically fit within the responsibilities outlined in 105 ILCS 5/10-20.59, which may include:

1. Streamlining the enrollment process for students in foster care;
2. Implementing student data tracking and monitoring mechanisms;
3. Ensuring that students in DCFS custody receive all school nutrition and meal programs available;
4. Coordinating student withdrawal from a school, record transfers, and credit recovery;
5. Becoming experts on the foster care system and State laws and policies in place that support students in DCFS custody;
6. Coordinating with child welfare partners;
7. Providing foster care-related information and training to the district;
8. Working with DCFS to help students maintain their school placement, if appropriate;

Student Transfers To and From Non-District Schools [17]

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

Foreign Students [*High School or Unit Districts only*] [18]

---

9. Reviewing student schedules to ensure students are on track to graduate;
10. Encouraging a successful transition into adulthood and postsecondary opportunities;
11. Encouraging involvement in extracurricular activities; and
12. Knowing what support is available within the district and community for students in DCFS custody.

[17] 105 ILCS 5/2-3.13a requires each transferor (original) school to keep documentation of transfers in the student's record. It also requires "notification [by the transferee (recipient) school] of the transfer on or before July 31 following the school year during which the student withdraws from the transferor school or school district or the student shall be counted in the calculation of the transferor school's or school district's annual student dropout rate." ISBE rule, 23 Ill.Admin.Code §375.75(e), is consistent with this requirement. The rule also requires the transferring school or district to maintain any documentation of the student's transfer, including records indicating the school or school district to which the student transferred, in that student's temporary record. Id.

Out-of-state transfer students, including children of military personnel, may use unofficial transcripts for admission to a school until official transcripts are obtained from the student's last school district. 105 ILCS 10/8.1(d) and 70/32. See also sample administrative procedure 7:50-AP, *School Admissions and Student Transfers To and From Non-District Schools*.

A board has two basic options for students transferring into the district who are serving a suspension or expulsion. Under option one, it may comply with the minimum requirements of 105 ILCS 5/2-3.13a by refusing to allow a student transferring from any public school to attend classes until the period of any suspension or expulsion has expired when the penalty was for: (1) knowingly possessing in a school building or on school grounds a weapon as defined in the Gun Free Schools Act; (2) knowingly possessing, selling, or delivering in a school building or on school grounds a controlled substance or cannabis; or (3) battering a staff member of the school. Under option two, a board may require a student who was suspended or expelled for *any* reason from any public or private school in this or any other state to complete the entire term of the suspension or expulsion before being admitted to the school district. The sample policy uses the second, more simple, more comprehensive alternative.

A board may adopt a policy providing that if a student is suspended or expelled for any reason from any school, anywhere, the student must complete the suspension's or expulsion's entire term in an alternative school program under Article 13A (105 ILCS 5/13A, amended by P.A. 103-473) or an alternative learning opportunities program under Article 13B (105 ILCS 5/13B) before being admitted into the school district if there is no threat to the safety of students or staff in the alternative program. 105 ILCS 5/2-3.13a and 5/10-22.6(g), amended by P.A. 102-466, *a/k/a Ensuring Success in School (ESS) Law*. If a board adopts such a policy, it must allow for the consideration of any mitigating factors (including the student's status as a parent, expectant parent, or victim of domestic or sexual violence as defined in 105 ILCS 5/26A). 105 ILCS 5/10-22.6(g), amended by P.A. 102-466, *a/k/a ESS Law*. If a board wants to provide for this alternative, it may add the following to either of the above options and add 105 ILCS 5/26A to the Legal References:

> The Superintendent is authorized to allow a student who was suspended or expelled from any public or private school to be placed in an alternative school program established under Article 13A of the School Code or an alternative learning opportunities program established under Article 13B of the School Code for the remainder of the suspension or expulsion. When determining whether to authorize such placement, the Superintendent shall consider any mitigating factors relating to the suspension or expulsion, including the student's status as a parent, expectant parent, or victim of domestic or sexual violence as defined in 105 ILCS 5/26A.

[18] Generally, a citizen of a foreign country who wishes to enter the U.S. must first obtain either: (1) a nonimmigrant visa (for temporary stay for tourism, medical treatment, business, temporary work, or study), or (2) an immigrant visa for permanent residence. Common visas presented by foreign students are:

1. J-1 nonimmigrant visas for participants in educational and cultural exchange programs designated by the U.S. Dept. of State (DOS), Exchange Visitor Program, and Designation Staff. These students are enrolled provided they otherwise qualify for admission. For information about J-1 visas and the Exchange Visitor Program, see j1visa.state.gov/programs.
2. F-1 nonimmigrant student visa. F-1 visas are not issued for attendance at an elementary or middle school (K-8). Before obtaining an F-1 student visa, the individual must submit evidence that the school district has been reimbursed for the unsubsidized per capita cost of the education. These students are enrolled provided they otherwise qualify for admission. However, attendance at U.S. public high schools cannot exceed a total of 12 months.
3. B-2 visitor nonimmigrant visas. There is disagreement over whether these students must be enrolled tuition-free. Their *visitor* visa is evidence of nonresident status. Call the district's attorney for guidance.

The District accepts foreign exchange students with a J-1 visa and who reside within the District as participants in an exchange program sponsored by organizations screened by administration. Exchange students on a J-1 visa are not required to pay tuition. [19]

Privately sponsored exchange students on an F-1 visa may be enrolled if an adult resident of the District has temporary guardianship, and the student lives in the home of that guardian. Exchange students on an F-1 visa are required to pay tuition at the established District rate.[20] F-1 visa student admission is limited to high schools, and attendance may not exceed 12 months.

The Board may limit the number of exchange students admitted in any given year. Exchange students must comply with District immunization requirements. Once admitted, exchange students become subject to all District policies and regulations governing students.

Re-enrollment [21] [*High School or Unit Districts only*]

Re-enrollment shall be denied to any individual 19 years of age or above who has dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his or her 21st birthday. However, at the Superintendent's or designee's discretion and depending on program availability, the individual may be enrolled in a graduation incentives program established under 105 ILCS 5/26-16 or an alternative learning opportunities program established under 105 ILCS 5/13B-1 (see 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*). Before being denied re-enrollment, the District will offer the individual due process as required in cases of expulsion under policy 7:210, *Expulsion*

---

4. The qualified school-age child of an alien who holds another type of visa, i.e., A, E, H, I, L, etc., other than a visitor visa. These students are enrolled provided they otherwise qualify for admission. Likewise, dependents of foreign nationals on long-term visas are enrolled provided they otherwise qualify for admission.
5. No immigration documentation. Plyler v. Doe and 105 ILCS 5/22-105 (final citation pending), added by P.A. 104-288. A school cannot deny admission based upon immigration status alone. Note that singling out foreign-looking students for visa requests is probably illegal discrimination. Thus, undocumented aliens are enrolled, provided they otherwise qualify for admission. See sample policy 7:150, *Agency and Law Enforcement Requests*, and sample administrative procedure 7:150-AP, *Managing Agency and Law Enforcement Requests*.
6. Immigrant visa. These students are enrolled provided they otherwise qualify for admission.

The Student and Exchange Visitor Information System (SEVIS) is an Internet-based system that provides tracking and monitoring, with access to accurate and current information on nonimmigrant students (F and M visas) and exchange visitors (J visa), and their dependents (F-2, M-2, and J-2). 8. U.S.C. §1372(c)(2), implemented by 8 C.F.R. §214.1(h), is an exception to the Family Educational Rights and Privacy Act (20 U.S.C. §1232g) authorizing and requiring districts to report information concerning an F, J, or M nonimmigrant to the extent necessary to comply with 8. U.S.C. §1372 and 8 C.F.R. §214.3(g) to certify these students for enrollment. SEVIS enables schools and program sponsors to transmit electronic information and event notifications, via the Internet, to the U.S. Dept. of Homeland Security (DHS) and DOS throughout a student's or exchange visitor's stay. SEVIS will provide system alerts, event notifications, and reports to the end-user schools and programs, as well as for DHS and DOS offices.

According to federal regulations, students who apply for F-1, M-1, F-3, J-1, or M-3 visas must pay a fee to the DHS. The regulations describe when and how the fee is to be paid, who is exempt from the fee, and the consequences for failure to pay, 8 C.F.R. Parts 103, 214, and 299.

19 **Optional.** State law allows, but does not require, boards to waive nonresident tuition for these students. 105 ILCS 5/10-22.5a.

20 Exchange students on F-1 visas must pay the full-unsubsidized public education costs before entering the U.S. 8 U.S.C. §1101(a)(15)(F); 8 U.S.C. §1184(m). Boards may not waive the fee.

21 105 ILCS 5/26-2(b). The requirements in this section are provided in State law, that is: (1) it is mandatory that a district deny re-enrollment as provided in this section; (2) it is permissive whether to enroll the individual in a district graduation incentives program or alternative learning opportunities program (although depending on circumstances, a student below the age of 20 may be entitled to enroll in a graduation incentives program); (3) it is mandatory to provide due process before denying re-enrollment; (4) it is mandatory to offer the individual who is denied re-enrollment counseling and to direct that person to alternative educational programs; and (5) it is mandatory that this section not apply to students eligible for special education.

105 ILCS 5/26-2(c) allows a district to deny enrollment to a student 17 years of age or older for one semester for failure to meet minimum academic or attendance standards if certain conditions are met. See sample policy 7:70, *Attendance and Truancy*.

Procedures. A person denied re-enrollment will be offered counseling and be directed to alternative educational programs, including adult education programs that lead to graduation or receipt of a GED diploma. This section does not apply to students eligible for special education under the Individuals with Disabilities Education Improvement Act or accommodation plans under the Rehabilitation Act, Section 504.

Students

Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students [1]

Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering kindergarten or the first grade; [2]
2. Entering the sixth and ninth grades;[3] and
3. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country). [4]

Proof of immunization against meningococcal disease is required for students in grades 6 and 12. [5]

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician. [6]
2. A diabetes screening is a required part of each health examination; diabetes testing is not required. [7]
3. Option 2: Once a student presents proof that he or she received a developmental screening or a social and emotional screening, the school may, with a parent/guardian's consent, make available appropriate school personnel to work with the parent/guardian, child, and provider who signed the screening form to obtain any appropriate evaluations and services.

Note: Even if the district does not offer the above optional services, consult the board attorney about whether the presence of developmental or social and emotional screening information on the Child Health Examination form triggers Child Find obligations under the Individuals with Disabilities Education Act and/or Section 504 of the Rehabilitation Act of 1973.

13 105 ILCS 5/22-105(5), renumbered by P.A. 104-391, requires compliance by October 15 unless a district establishes an earlier date with 60 days' notice. If an earlier date is established, replace "October 15" in this paragraph with the earlier locally established date. During any student's exclusion from school for non-compliance with this policy, the student's parents/guardians shall be considered in violation of 105 ILCS 5/26-1 and subject to any penalty imposed by 105 ILCS 5/26-10, as provided in 105 ILCS 5/22-105(5), renumbered by P.A. 104-391. 105 ILCS 5/22-105(2.5), renumbered by P.A. 104-391, exempts developmental or social and emotional screenings from the exclusion from school requirement.

Note: 77 Ill.Admin.Code §665.240(n) states "It is not the intent of this Part that any child whose parents comply with the intent of this Part, the Act or the School Code should be excluded from a child care facility or school. A child or student shall be considered in compliance with the law if there is evidence of the intent to comply. Evidence may be: 1) a signed statement from a health care provider that he or she has begun, or will begin, the necessary immunization procedures; or 2) the parent's or legal guardian's written consent for the child's participation in a school or other community immunization program." Consult with the board attorney about the impact this regulation may have on the district's ability to and procedures for excluding students for non-compliance with this policy.

14 This sentence is optional. The timeframe of 30 days is a matter of local discretion except that out-of-state transfer students who fail to provide proof of the required vaccinations after 30 days must be excluded until such proof is properly submitted. 105 ILCS 5/22-105(5), renumbered by P.A. 104-391. Consult the board attorney about establishing timeframes other than 30 days.

physician, advanced practice registered nurse, physician assistant, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by October 15 may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations.[16] If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.[17]

Eye Examination [18]

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required. [19]

Parents/guardians of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

If a student fails to present proof by October 15, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination [20]

All children in kindergarten and the second, sixth, and ninth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second, sixth, or ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

[16] Id. The special treatment of out-of-state transfer students resulted from the enactment of the Educational Opportunity for Military Children Act, 105 ILCS 70/. There are no more sunset dates in this law, which eliminates its constituents' need to continually revisit the law and extend its effective dates.

[19] While 105 ILCS 5/22-105, renumbered by P.A. 104-391, requires eye examinations for students entering kindergarten or an Illinois school for the first time, it still encourages parents/guardians to have their children undergo eye examinations at the same points in time as their required health examinations. The IDPH must require that individuals conducting vision screenings give a child's parent/guardian a written notification stating (105 ILCS 5/22-105(2), renumbered by P.A. 104-391):

> Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months.

Exemptions [21]

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected. [22]
2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.
3. Eye examination requirement, if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
4. Dental examination requirement, if the student's parents/guardians show an undue burden or a lack of access to a dentist.

Teen Dating Violence Prohibited [1]

Engaging in teen dating violence that takes place at school, on school property, at school-sponsored activities, or in vehicles used for school-provided transportation is prohibited.[2] For purposes of this policy, ~~the term~~ *teen dating violence* occurs whenever a student who is 13 to 19 years of age uses or threatens to use physical, mental, or emotional abuse to control an individual in the dating relationship; or uses or threatens to use sexual violence in the dating relationship. [3]

The Superintendent or designee shall develop and maintain a program to respond to incidents of teen dating violence that: [4]

1. Fully implements and enforces each of the following Board policies: [5]
   a. 2:260, *Uniform Grievance Procedure*. This policy provides a method for any student, parent/guardian, employee, or community member to file a complaint if he or she believes that the School Board, its employees, or its agents have violated his or her rights under the State or federal Constitution, State or federal statute, Board policy, or various enumerated bases.
   b. 2:265, *Title IX Grievance Procedure*. This policy prohibits a District employee, agent, or student from engaging in sexual harassment in violation of Title IX of the Education Amendments of 1972. Prohibited conduct includes but is not limited to sexual assault, dating violence, domestic violence, and stalking.
   c. 7:20, *Harassment of Students Prohibited*. This policy prohibits any person, including a District employee, agent, or student, from harassing intimidating, or bullying a student based on the student's actual or perceived characteristics of sex; sexual orientation; gender identity; and gender-related identity or expression (this policy includes more protected statuses).
   d. 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. This policy prohibits students from engaging in bullying, intimidation, and harassment at school, school-related events and electronically. Prohibited conduct includes threats, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying.

---

[1] All school boards must have a policy on teen dating violence. 105 ILCS 5/27-240, renumbered by P.A. 104-391. This sample policy is designed to align with a district's already-existing procedures for reporting bullying and school violence. See f/n 7. The curriculum components for teen dating violence education, which apply to districts with students enrolled in grades 7 through 12, are listed in sample administrative procedure 6:60-AP1, *Comprehensive Health Education Program*.

[2] 105 ILCS 5/27-240(b)(1), renumbered by P.A. 104-391. School officials must proceed carefully before disciplining a student for out-of-school conduct. A school's authority over off-campus conduct is much more limited than incidents that occur on school grounds. However, school officials may generally: (1) remove a student from extracurricular activities when the conduct code for participation requires students to conduct themselves at all times as good citizens and exemplars of the school (see sample policy 7:240, *Conduct Code for Participants in Extracurricular Activities*); and (2) suspend or expel a student from school attendance when the student's expression causes substantial disruption to school operations.

[3] 105 ILCS 5/27-240(a), renumbered by P.A. 104-391. For districts that wish to broaden the ages (e.g., perhaps include 11-12 year olds in a middle school setting), delete the following phrase from the first sentence: "~~who is 13 to 19 years of age~~". The law defines *dating* or *dating relationship* as an "ongoing social relationship of a romantic or intimate nature between two persons." The terms do not include "a casual relationship or ordinary fraternization between two persons in a business or social context."

[4] Required by 105 ILCS 5/27-240(b)(3), renumbered by P.A. 104-391.

[5] Be sure the referenced board policies, as adopted locally, contain the language paraphrased in this policy. If not, either substitute similar language from the locally adopted board policies on the same topics, or just insert the titles from relevant locally adopted policies.

The statutory content requirements for a teen dating policy include "establish[ing] procedures for the manner in which employees of a school are to respond to incidents of teen dating violence." This policy fulfills this requirement by incorporating by reference the following administrative procedure: 7:180-AP1, *Prevention, Identification, Investigation, and Response to Bullying*. This means that 7:180-AP1 should be considered to be part of this policy.

2. Encourages anyone with information about incidents of teen dating violence to report them to any of the following individuals: [6]
   a. Any school staff member. School staff shall respond to incidents of teen dating violence by following the District's established procedures for the prevention, identification, investigation, and response to bullying and school violence. [7]
   b. The Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager identified in Board policy 7:20, *Harassment of Students Prohibited*. [8]
3. Incorporates age-appropriate instruction in grades 7 through 12, in accordance with the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*. [9]
4. Incorporates education for school staff, as recommended by the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager. [10]
5. Notifies students and parents/guardians of this policy. [11]

---

[6] 105 ILCS 5/27-240(b)(4), renumbered by P.A. 104-391, requires the policy to identify by job title which school officials are responsible for receiving reports related to teen dating violence.

[7] Id. at f/ns 5 and 6. Sexual violence is one listed component of teen dating violence. 105 ILCS 5/27-240(a), renumbered by P.A. 104-391. Sexual violence has also been found by the Ill. Gen. Assembly to be a component of bullying and school violence. 105 ILCS 5/22-110, renumbered by P.A. 104-391. Thus, identifying *any school staff member* is consistent with sample administrative procedure 7:180-AP1, *Prevention, Identification, Investigation, and Response to Bullying*, which uses the student-friendly reporting system outlined in sample exhibit 7:180-AP1, E2, *Be a Hero by Reporting Bullying*.

[8] Id. Under any reporting system, a report involving bullying and school violence that is based upon a protected status (often teen dating violence will involve conduct based upon the target's sex) must be referred to the district's Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager (7:20, *Harassment of Students Prohibited*). Customize this list to reflect local conditions. These individuals may also take reports directly from students.

[9] Required by 105 ILCS 5/27-240(b)(2), renumbered by P.A. 104-391. The curriculum-specific components for teen dating violence education are listed in 6:60-AP1, *Comprehensive Health Education Program*.

[10] Id. For boards that add the optional paragraphs in policy 5:100, *Staff Development Program*, add the phrase "and Board policy 5:100, *Staff Development Program*."

[11] Required by 105 ILCS 5/27-240(b)(5), renumbered by P.A. 104-391. Boards must communicate this policy to students and their parents/guardians. This may be accomplished, in part, by (1) sending exhibit 7:185-E, *Memo to Parents/Guardians Regarding Teen Dating Violence*, and (2) amending the district's anti-bullying campaign statement(s), such as the following, in the student handbook and school website:

Bullying, teen dating violence, intimidation, and harassment are not acceptable in any form and will not be tolerated at school or any school-related activity. The School District will take disciplinary action against any student who participates in such conduct or who retaliates against someone for reporting incidents of bullying, teen dating violence, intimidation, or harassment.

Bus Conduct [1]

All students must follow the District's School Bus Safety Rules.

School Bus Suspensions

The Superintendent, or any designee as permitted in the School Code, is authorized to suspend a student from riding the school bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following:

1. Prohibited student conduct as defined in School Board policy 7:190, *Student Behavior*.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the Superintendent or designee deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the ~~School~~ Board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The District's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus. [2]

Academic Credit for Missed Classes During School Bus Suspension [3]

A student suspended from riding the bus who does not have alternate transportation to school shall have the opportunity to complete or make up work for equivalent academic credit. It shall be the responsibility of the student's parent or guardian to notify the school that the student does not have alternate transportation.

[1] All districts must have a policy on student discipline. 105 ILCS 5/10-20.14, amended by P.A.s 104-391 and 104-430; 23 Ill.Admin.Code §1.280. Ill. Electronic Recordings on School Buses [4]

Electronic visual and audio recordings may be used on school buses to monitor conduct and to promote and maintain a safe environment for students and employees when transportation is provided for any school related activity. Notice of electronic recordings shall be displayed on the exterior of the vehicle's entrance door and front interior bulkhead in compliance with State law and the rules of the Illinois Department of Transportation, Division of Traffic Safety.

Students are prohibited from tampering with electronic recording devices. Students who violate this policy shall be disciplined in accordance with the Board's discipline policy and shall reimburse the School District for any necessary repairs or replacement.

ADMIN. PROC.: 4:110-AP3 (School Bus Safety Rules)

[4] This section is optional; it contains the statutory prerequisites for districts that want to use electronic audio and visual recording devices on school buses. 720 ILCS 5/14-3(m). These required prerequisites reside in an exception to the criminal eavesdropping statute. The criminal eavesdropping statute prohibits recording a conversation in which someone has a reasonable expectation of privacy without the consent of all parties but allows citizens to record public conversations without obtaining consent. While the criminal eavesdropping statute was legislatively corrected as of 12-30-2014, 720 ILCS 5/14-3(m) remains the same. Districts should consult with their board attorney regarding the requirements of the statute.

In addition, consult with the board attorney concerning the status of video and/or audio recordings that were made on school buses. Confusion surrounds whether or not videotapes are education records for purposes of the federal Family Education Rights and Privacy Act (20 U.S.C.§1232g) and/or school student records as defined in the Ill. School Student Records Act (ISSRA) (105 ILCS 10/). ISBE considerably reduced the confusion by stating in its rule that school student records do not include video or other electronic recordings "created at least in part for law enforcement or security or safety reasons or purposes." 23 Ill.Admin.Code §375.10. ISBE rules also specify that: (1) electronic recordings made on school buses, as defined in the exemption from the criminal offense of eavesdropping in 720 ILCS 5/14-3(m), are not school student records, and (2) no image on a school security recording may be designated as directory information. 23 Ill.Admin.Code §§ 375.10, 375.80(a)(2)(B). This treatment exempts school bus videos from the multiple requirements in ISSRA. However, when responding to a request under the Freedom of Information Act (5 ILCS 140/) for recordings on school buses, a district will need to find an exemption other than the recording is a school student record.

Misconduct by Students with Disabilities [1]

Behavioral Interventions [2]

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The School Board will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for children with disabilities.

Discipline of Special Education Students [3]

The District shall comply with the Individuals With Disabilities Education Improvement Act of 2004 and the Ill.~~inois~~ State Board of Education's *Special Education* rules when disciplining special education students. No special education student shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his or her disability.

[1] State or federal law controls this policy's content. State law requires each district to have a policy on student behavior (105 ILCS 5/10-20.14; 23 Ill.Admin.Code §1.280) plus "policies and procedures" on behavioral interventions (105 ILCS 5/14-8.05). In its continuing commitment to help school districts and special education cooperatives comply with the Ill. State Board of Education's requirements for policy and procedure, the Ill. Council of School Attorneys, special education committee, reviewed this policy and prepared extensive procedures, *Special Education Procedures Assuring the Implementation of Comprehensive Programming for Children with Disabilities*. These procedures, plus other material, are available gratis on the IASB website at: www.iasb.com/policy-services-and-school-law/guidance-and-resources/special-education/special-education-procedures-and-sample-policies/.

[2] State law specifies what must be covered in the mandatory "policies and procedures" on behavioral interventions. 105 ILCS 5/14-8.05(c). They must "be developed with the advice of parents with students with disabilities and other parents, teachers, administrators, advocates for persons with disabilities, and individuals with knowledge or expertise in the development and implementation of behavioral interventions for persons with disabilities." Id. A board that wants to highlight the components of the procedures may add the following:

> The committee shall review the Ill. State Board of Education's guidelines on the use of behavioral interventions and use them as a non-binding reference. This policy and the behavioral intervention procedures shall be furnished to the parents/guardians of all students with individual education plans (IEPs) within 15 days after their adoption or amendment by, or presentation to, the School Board or at the time an individual education plan is first implemented for a student; all students shall be informed annually of this policy and the procedures. At the annual ~~individualized education plan~~ IEP review, this policy shall be given to the parents/guardians and the behavioral interventions procedures explained and made available to them on request.

Conduct Code for Participants in Extracurricular Activities [1]

The Superintendent or designee, using input from coaches and sponsors of extracurricular activities, shall develop a conduct code for all participants in extracurricular activities consistent with School Board policy.[2] The conduct code shall: (1) require participants in extracurricular activities to conduct themselves as good citizens and exemplars of their school at all times, including after school, on days when school is not in session, and whether on or off school property; (2) emphasize that hazing and bullying activities are strictly prohibited; and (3) notify participants that failure to abide by it could result in discipline, up to and including removal from the activity. Participants who violate the conduct code will be allowed to give an explanation before being progressively disciplined.[3] The conduct code shall be reviewed by the Building Principal periodically at his or her discretion and presented to the Board.

Participants in extracurricular activities must abide by the conduct code for the activity and Board policy 7:190, *Student Behavior*. All coaches and sponsors of extracurricular activities shall annually review the conduct code with participants and provide participants with a copy. In addition, coaches and sponsors of interscholastic athletic programs shall provide instruction on steroid abuse prevention to students in grades 7 through 12 participating in these programs. [4]

Performance Enhancing Drug Testing of High School Student Athletes [5]

The Illinois High School Association (IHSA) prohibits participants in an athletic activity sponsored or sanctioned by IHSA from ingesting or otherwise using any performance enhancing substance on its banned substance list, without a written prescription and medical documentation provided by a licensed physician who evaluated the student-athlete for a legitimate medical condition. IHSA administers a performance-enhancing substance testing program. Under this program, student athletes are subject to random drug testing for the presence in their bodies of performance-

…and the rules adopted by any association in which the School District maintains a membership.

[3] In most cases involving a student's removal from an extracurricular activity, courts have ruled that participation in extracurricular programs is a privilege rather than a right. Clements v. Bd. of Educ. of Decatur Public Sch. Dist. No. 61, 133 Ill.App.3d 531 (4th Dist. 1985). The deprivation of a privilege does not trigger the Constitution's due process provision. Consequently, unlike school attendance, students generally have no constitutional right to participate in extracurricular programs. See also Kevin Jordan v. O'Fallon THSD 203, 302 Ill.App.3d 1070 (5th Dist. 1999). This case involved a type of *good citizen* rule in which all student-participants in extracurricular activities agreed to abide by the school's ban on alcohol and drug use. Pursuant to this rule, the school suspended a star football player who police had found intoxicated at a convenience store around 3:00 A.M. The suspension was upheld.

Compare with Mahanoy Area Sch. Dist. v. B.L., 594 U.S. 180 (2021), which involved a student suspended from the cheerleading squad for one year after she posted two vulgar *snaps* on Snapchat while off campus during the weekend. The U.S. Supreme Court held that while schools may have a special interest in regulating some off-campus student speech, e.g., teaching good manners and preventing disruption, here the school's interests were insufficient to overcome the student's interest in free expression, and the one-year suspension violated the student's First Amendment rights. The Court noted that the school's interest in regulation was diminished by the fact that the student's speech did not identify the school, did not target any member of the school community, and was transmitted through a personal cell phone to an audience consisting of her private circle of Snapchat friends. Comments during oral argument suggest the Court was particularly struck by the severity of the discipline issued as well. Careful factual analysis, in consultation with the board attorney, should occur when considering discipline of participants for off-campus activity. Exemption from Physical Education [1]

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act.[2] The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request.[3] Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting. [4]

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course. [5]

State law prohibits the Board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District. [6]

A student who is eligible for special education may be excused from physical education courses in either of the following situations: [7]

1. He or she (a) is in grades 3-12, (b) his or her Individualized Educational Program/Plan (IEP) requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or
2. He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Superintendent or designee.

A student requiring adapted physical education must receive that service in accordance with his or her ~~Individualized Educational Program/Plan~~ IEP. [8]

[1] An ISBE rule requires boards to have a policy defining the types of parental excuses that will be accepted in order for a student to be exempted from P.E. 23 Ill.Admin.Code §1.425(e), amended at 42 Ill.Reg. 11542-43. State or federal law controls this policy's content.

[3] Required by 23 Ill.Admin.Code §1.425(d)(1) and (2). School boards must identify any evidence/support they will require for excuses they will deem appropriate. Before the board adopts this sample policy, it should have a conversation with the superintendent to discuss and review and/or amend the sample reasons for excusal offered in this sample policy. Topics for discussion include determining whether (a) the sample reasons are sufficient, (b) more reasons are needed, and/or (c) the sample reasons should be amended. These conversations should be based upon the community's needs.

Students in grades 7 and 8 may submit a written request to the Building Principal to be excused from physical education courses because of his or her ongoing participation in an interscholastic or extracurricular athletic program.[10] The Building Principal will evaluate requests on a case-by-case basis.

The Superintendent or designee shall maintain records showing that the criteria set forth in this Board policy were applied to the student's individual circumstances, as appropriate. [11]

Students who have been excused from physical education shall return to the course as soon as practical.[12] The following considerations will be used to determine when a student shall return to a physical education course: [13]

1. The time of year when the student's participation ceases;
2. The student's class schedule; and
3. The student's future or planned additional participation in activities qualifying for substitutions for physical education as outlined in Board policy 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students*. [14]

Communicable and Chronic Infectious Disease [1]

A student with or carrying a communicable and/or chronic infectious disease has all rights, privileges, and services provided by law and the School Board's policies.[2] The Superintendent will develop procedures to safeguard these rights while managing health and safety concerns.

---

[1] 105 ILCS 5/10-21.11 requires all boards to adopt a policy on the appropriate manner of managing children with chronic infectious diseases. State or federal law controls this policy's content. This policy concerns an area in which the law is unsettled in that competing interests (balancing the protection of the afflicted student's rights against the protection of the health and safety of the student body) have not been completely resolved.

[2] A student with a contagious disease is probably an ~~handicapped~~ *individual with a disability* under Section 504 of the Rehabilitation Act of 1973. 29 U.S.C. §794(a). See Sch. Bd. of Nassau Co. v. Arline, 480 U.S. 273 (1987) (teacher with tuberculosis was covered under Section 504); Thomas v. Atascadero Unified Sch. Dist., 662 F.Supp. 376 (C.D. Ca. 1986) (a child with AIDS was covered under Section 504); Dist. 27 Cmty. Sch. Bd. v. Bd. of Educ. of the City of New York, 502 N.Y.S.2d 325 (1986).

Students with contagious diseases may also qualify for special education under the Individuals With Disabilities Education Improvement Act of 2004. 20 U.S.C. §1400 et seq. Each school district, independently or in cooperation with other districts, must provide a comprehensive program of special education that meets the needs of children from ages 3 through 21 with exceptional characteristics as identified in State law, specifically including physical or health impairments. 105 ILCS 5/14.

Decisions to place a student in a class outside regular classes due to infectious disease must be based on medical evaluations indicating a need to protect the health and safety of others. Cmty. High Sch. Dist. 155 v. Denz, 124 Ill.App.3d 129 (2nd Dist. 1984).

Cases involving contagious diseases are highly fact-specific. Generally, the appropriate treatment of a student depends on the severity of the disease and the risk of infecting others, but in all cases, the board attorney should be consulted.

Students

Extracurricular Athletics

Student participation in school-sponsored extracurricular athletic activities is contingent upon the following:

1. The student must meet the academic criteria set forth in Board policy 6:190, *Extracurricular and Co-Curricular Activities*. [1]
2. A parent/guardian of the student must provide written permission for the student's participation, giving the District full waiver of responsibility of the risks involved. [2]
3. The student must present a current certificate of physical fitness issued by a licensed physician, an advanced practice registered nurse, or a physician assistant. The ***Pre-Participation Physical Examination Form***, offered by the Illinois High School Association and the Illinois Elementary School Association, is the preferred certificate of physical fitness.[3]
4. The student must show proof of accident insurance coverage either by an insurance policy purchased through the District-approved insurance plan or a parent/guardian written statement that the student is covered under a family insurance ~~plan~~ policy. [4]
5. The student must agree to follow all conduct rules and the coaches' instructions.
6. The student and his or her parents/guardians must: (a) comply with the eligibility rules of, and complete any forms required by, any sponsoring association (such as, the Illinois Elementary School Association, the Illinois High School Association, or the Southern

[1] State or federal law controls this policy's content.

A comprehensive Student Handbook can provide notice to parents and students of the school's conduct rules, extracurricular and athletic participation requirements, and other important information. The building principal usually develops the Handbook, subject to review and approval by the superintendent and board.

Each board in a district that maintains any of grades 9 through 12 must have a *no pass-no play* policy. 105 ILCS 5/10-20.30. See sample policy 6:190, *Extracurricular and Co-Curricular Activities*, for complete details.

For purposes of clarity, the IASB uses a curricular-extracurricular dichotomy. All classes are included in the category *curricular* as well as what was formally known as *co-curricular*, e.g., band and choral performances that are a required part of the class. The category *extracurricular* includes all school-sponsored activities that are not a part of a student's educational program as reflected in the student's class schedule. Examples include football, cheerleading, French club, Key Club, and student government. Note that extracurricular activities may be curriculum-related or non-curriculum-related for purposes of determining access to school facilities under the federal Equal Access Act. See sample policy 7:330, *Student Use of Buildings - Equal Access.*

[2] At a minimum, schools should: (1) fully inform and warn students and their parents/guardians of risks inherent in a sport, (2) assist their understanding and appreciation of these risks, and (3) document the school's efforts. See sample exhibit 7:300-E1, *Agreement to Participate.* This form's provision concerning waiver of liability and hold harmless should be reviewed with the board attorney. The district may not be able to waive gross negligence or recklessness on its part, but the waiver language in the form serves to alert the student and his/her parents/guardians to the seriousness of potential injuries.

[3] Students participating in interscholastic athletics must have an annual physical exam. 23 Ill.Admin.Code §1.530(b)(2). Ill. High School Association (IHSA) bylaw 2.150 requires schools to have on file for each student participating in interscholastic athletics a certificate of physical fitness issued by a licensed physician, physician assistant, or nurse practitioner not more than 395 days preceding any date of participation; a form is available on the IHSA website at: www.ihsa.org/resources/download-center.

[4] This item ensures that students are covered by insurance for medical expenses up to $50,000 (before the district's catastrophic accident insurance kicks in) and that students who are not covered by the district's catastrophic insurance are otherwise covered by insurance.

105 ILCS 5/22-15 requires (with limited exceptions) each school district having grades 9-12 to maintain catastrophic insurance coverage for student athletes who sustain an accidental injury while participating in interscholastic athletic events sanctioned by IHSA that results in medical expenses in excess of $50,000. A district maintaining grades K-8 may, but is not required to, provide accident and/or health insurance on a group or individual basis for students injured while participating in any school-sponsored athletic activity. Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine ~~District~~ Board policy, the School Board welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has bylaws containing the following: [1]

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members, including on any organization or club websites or social media accounts.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization's or club's recommendation. [2]

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was

---

[1] For boards that want to require all parent organizations and booster clubs to have 501(c)(3) status, use the following paragraph:

> Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club is a 501(c)(3) that has submitted proof of its status and has by-laws containing the following:
>
> > A 501(c)(3) organization is an organization that qualifies for exemption from federal income tax because it is organized and operated exclusively for one or more of the following purposes: religious; charitable; scientific; testing for public safety; literary; educational; fostering national or international amateur sports competition (but only if none of its activities involve providing athletic facilities or equipment); or the prevention of cruelty to children or animals. For more information, see www.irs.gov/charities-and-nonprofits.

[2] Booster clubs are ~~understandably~~ selective in their support. However, by accepting booster club assistance that creates vast gender differences, a board may face claims that it has violated Title IX. Title IX's focus is on equal funding opportunities, equal facility availability, similar travel and transportation treatment, comparable coaching, and comparable publicity. See 34 C.F.R. Part 106.

recognized and/or permitted to use any of the above-mentioned names or logos.[3] The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.

CROSS REF.: 8:80 (Gifts to the District)

[3] Booster clubs present potential liabilities to a school district beyond loss of funds because they seldom are properly organized (they generally are not incorporated or otherwise legally recognized), carry no insurance, raise and handle large sums, and club members hold themselves out as agents of the school (after all, no funds could be raised but for the school connection). A disclaimer, such as the one presented here, may not be sufficient. A district may take several actions, after discussion with its board attorney, to minimize liability, such as adding a requirement to item 6 above that the club: (1) operate under the school's authority (activity accounts); or (2) be properly organized and demonstrate fiscal responsibility by being a 501(c)(3) organization, obtaining a bond, and/or arranging regular audits. Ultimately, the best way to minimize liability is to be sure that the district's errors and omissions insurance covers parent organizations and booster clubs.

Unbalanced budget. A Deficit Reduction Plan must be adopted and submitted concurrently with this budget. This Deficit Reduction Plan must result in a balanced budget by the last year of the attached plan, as adopted by the local board of education. (Tab: Deficit BudgetSum Calc)

A deficit reduction plan is required if the local board of education adopts (or amends) the 2025-2026 school district budget in which the "operating funds" listed above result in direct revenues (line 9, BudgetSum 2-4) being less than direct expenditures (line 19, BudgetSum 2-4) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81, BudgetSum 2-4).

Note: *The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.*

Per School Code (105 ILCS 5/17-1) - If the Deficit AFR Summary Information tab from the 2024-2025 Annual Financial Report (AFR) reflects a deficit as defined above, then the school district shall adopt and submit a deficit reduction plan (found here on page 23-27) to ISBE within 30 days after acceptance of the AFR.

The deficit reduction plan, if required, is developed using ISBE guidelines and format.

Deficit Reduction Plan-Background/Assumptions (School Districts Only)
Fiscal Year 2025-2026
through Fiscal Year 2028-2029

Richland County CUSD 1 ***12080001026***

Please complete the following schedule and include a brief description to identify any areas of the budget that will be impacted from one year to the next. If the deficit reduction plan relies upon new local revenues, identify contingencies for further budget reductions which will be enacted in the event those new revenues are not available.

1. **Background and Narrative of Budget Reductions:**

The district is using up excess fund reserves to build and renovate the athletic facilities at Richland County High School. Additionally, the district is installing solar at Richland County High School and Richland County Middle School

2. **Assumptions Used in the Deficit Reduction Plan:**

Assume that staff will be consistent and current educational programs will remain in place.

- EBF and Estimated New Tier Funding:

EBF will remain at the current Tier level with only a 2%, 1.5%, and a 1% increase in the 3 years.

- Equal Assessed Valuation and Tax Rates:

EAV is assumed to increase in FY27 by 7.25%. In FY28 by 5.50%. In FY29 by 5.5%

- Employee Salaries and Benefits:

Salaires and benefits are assumed to stay on their current trend.

Deficit Reduction Plan-Background/Assumptions (School Districts Only)
Fiscal Year 2025-2026
through Fiscal Year 2028-2029

- Short- and Long-Term Borrowing:

No additional short term or long term borrowing is planned.

- Educational Impact:

As stated before the plan does not reflect a change to insturctional programs. The district is using fund reserves to complete the project which has caused the need for a defict reduction plan.

- Other Assumptions:

- Has the district considered shared services or outsourcing (Ex: Transportation, Insurance)? If yes, please explain:

Evidence-Based Funding: Fiscal Year 2026 Spending Plan
Richland County CUSD 1

Part I: Achieving Student Growth and Making Progress Toward State Education Goals

The questions below allow you to indicate the strategic priorities and strategies that will drive your efforts to achieve student growth and make progress toward state education goals. These may involve investing in any combination of an Organizational Unit's core resources: time, money, people, and programs.

Collaboration Opportunity - Organizational Units may find that Part I is most easily and effectively completed if led by program leaders in consultation with finance leaders.

1) What are the Organizational Unit's strategic goals for student success for the 2025-26 school year? What measures will be used to evaluate progress? (*No more than 2000 characters, including spaces.*)

RCCU #1 will place its primary focus on the improvement of programs, curriculum and students learning in 2024-2025. The district is dedicated to examining and developing high quality programming that will help our students to achieve at their highest levels. Several measurement tools will be used to evaluate progress according to the individual student. Some of those will include the use of STAR 360, IAR and ACT.

	Top Strategy 1	Top Strategy 2	Top Strategy 3
2) Select the top three strategies that the Organizational Unit will employ to achieve student growth and make progress toward state education goals. (Select three different responses from the dropdown list.)	Improve programs, curriculum, and/or learning tools	Provide alternative learning programs and models to address unique student needs	Increase the number of high-quality educators dedicated to special student groups

If "Other" was selected in question 2, please describe. (*No more than 1000 characters, including spaces.*)

Part II: Planned Use of Evidence-Based Funding

The questions below provide an opportunity to document the stakeholders with whom you consulted and the data you analyzed as you determined your strategic allocations of FY 2026 EBF dollars. Key statistics related to EBF distributions are provided for your reference. Form 50-36/50-39 is typically released before current-year appropriations are known. Therefore, the figures provided are for the prior fiscal year.

Collaboration Opportunity *- Organizational Units may find that questions in this section are most easily and effectively completed if led by finance leaders in consultation with program leaders.*

5) **Cost Factor Table**

The table below presents the regionally adjusted amount embedded in the Organizational Unit's FY 2025 Adequacy Target for each of the 34 cost factors in the Evidence-Based Funding model (Column F). Column G is required for all Organizational Units that receive at least $5,000 in Tier Funding, while column H is optional. Organizational Units may choose to provide additional narrative context in Columns I-M to elaborate on the figures included in the table. ISBE has produced guidance for populating the cost factor table. The guidance includes a definition for each cost factor, along with suggestions for using Employee Information System position codes and common expenditure accounts to support a determination of expenditures. This guidance is available at https://www.isbe.net/ebfspendingplan.

Column G: If the Organizational Unit will receive at least $5,000 in FY 2026 Tier Funding (as entered in Q2.1/cell G31), column G is required. Please indicate the Organizational Unit's planned expenditures in FY 2026 from Tier Funds only. Organizational Units are not expected to place a value in each cell. Rather, the table allows for the communication of priority investments with new state resources for the current fiscal year. During years in which there is no new Tier Funding, column G will not be required. During years in which Tier Funding is available, the amount of new Tier Funding entered in Q2.1/cell G31 above must equal the sum in cell G90 below. If some or all Tier Funding is invested outside of the cost factors, enter a dollar amount in cell G89 and provide additional context in the space for a narrative beginning in row 93.

Column H: Optionally, Organizational Units may populate column H with total planned expenditures in FY 2026 for each cost factor from all revenue sources (e.g., not just from EBF). By comparing the figures in column F to the figures entered in column H, the Organizational Unit may engage local stakeholders in productive dialogue about resource allocation decisions.

*The subtotal for Per Student Investments is a calculated figure that adjusts salary portions of Central Office and Maintenance & Operations to account for regional salary differences. As a result, the sum of each individual cost factor will not equal the subtotal.
**The total is the Final Adequacy Target (adjusted for Regionalization Factor) calculated in the Full FY 2025 EBF Calculation file. Due to differences in rounding, this figure may vary slightly from the sum of the subtotals in this table.

If some or all Tier Funding was invested outside of the cost factors, please describe. (*No more than 1000 characters, including spaces.*)

Part III: Support for Special Student Groups

EBF statute sets aside specific allocations to be spent for special education, English learners, and low-income students. Per statue these designated funds must be spent on programs and services benefiting these specific student groups. Funds for English learners and low-income students must be spent in addition to, and not in lieu of, funding that supports general programs of instruction for all students. Funds attributable to special education must be used for the provision of special education facilities and services as outlined in ILCS 14-1.08. Current-year EBF amounts attributable to each of the special student groups must be reported in Question 1 below (cells G100-G102). If the Organizational Unit received at least $5,000 for any of the student groups, a response to Questions 2 through 4 below is required. For amounts less than $5,000, a response is optional for those questions. All other EBF funds may be spent in any manner deemed appropriate by the school district.

Collaboration Opportunity *- Organizational Units may find that questions in this section are most easily and effectively completed through collaboration between program leaders affiliated with each student group and finance leaders.*

Organizational Units should maintain supporting documentation (e.g., sign-in sheets, meeting agendas) to affirm the veracity of the below assurances. Responses in this section are only required if an Organizational Unit receives any amount of EBF dollars attributable to English learners.

ESTIMATED LIMITATION OF ADMINISTRATIVE COSTS (School Districts Only)

(For Local Use Only)

This is an estimated Limitation of Administrative Costs Worksheet only and will not be accepted for Official Submission of the Limitation of Administrative Costs Worksheet.

The worksheet is intended for use during the budgeting process to estimate the district's percent increase of FY2026 budgeted expenditures over actual FY2025 expenditures.
Budget information is copied to this page. Insert the prior year estimated actual expenditures to compute the estimated percentage increase (decrease).

The official Limitation of Administrative Costs Worksheet is attached to the end of the Annual Financial Report (ISBE Form 50-35) and must be submitted in conjunction with that report.
An official Limitation of Administrative Costs Worksheet can also be found on the ISBE website at: Limitation of Administrative Costs

RE: FY26 Tentative Amended Budget

Please find attached the tentative amended budget for fiscal year 2026. In addition, a summary of the amended items is listed below.

- **Fund 10- Education Fund**
  - Decrease revenue line to $18,159,176.00 from $26,830,026.00
    - This reflects the change in shifting EBF revenue from the Education Fund to Capital Projects Fund
  - Estimated ending fund balance for June 30, 2026 will go from $25,108,288.00 to $16,551,277.00

- **Fund 60- Capital Projects**
  - Increase revenue line to $17,428,429.96 from $865,000.
    - This reflects revenue from EBF and from the sale of alternative revenue bonds.
  - Increase expense line to $13,190,902.00 from $840,000.00
    - This reflects construction expenses associated with the new athletic facility, athletic building, and purchase of property.
  - Estimated ending fund balance for June 30, 2026 will go from $1,054,516.00 to $5,212,521.96

The tentative amended budget requires a deficit reduction plan. The reason this plan is required is because the operating funds result in direct revenues being less than direct expenditures by an amount greater than ⅓ of the ending fund balance. The district took advantage of large fund balances to complete the projects. Once the athletic complex is complete, expenses will normalize in our long range budget planning.

Issuance of a purchase order or payment pursuant to this Price Quote, or usage of the products specified herein, shall be deemed acceptance of such Terms & Conditions.

Terms & Conditions

1. Scope. These Customer Terms and Conditions are a legal agreement between Amplify Education, Inc. (“Amplify”) and the local education agency or authority, school district, school network, independent school, or other regional education system (“Customer”) for the license and use of one or more of Amplify products or services (the “Products”), as specified in the receipt, price quote, proposal, renewal letter, or other ordering document containing the details of this purchase (the “Quote”). These Customer Terms and Conditions, all addenda, attachments, and the Quote, as applicable (together, the “Agreement”), constitute the entire agreement between the

parties relating to the subject matter hereof. The provisions of this Agreement will supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and will supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof.

2. Agreement Acceptance. This Agreement becomes effective at the earliest of the following: (i) issuing a purchase order, shipment request, or payment against the Quote; (ii) accessing, downloading, or using the Products; or (iii) otherwise accepting this Agreement. This term of the Agreement will be as specified in the Quote and may be renewed or extended by mutual agreement of the parties. Customer represents and warrants that: (1) Customer is of legal age to accept this Agreement; (2) Customer is authorized to accept this Agreement and to access and use the Products; and (3) Customer's use of the Products will comply at all times with Amplify's Acceptable Use Policy available at amplify.com/acceptable-use ("AUP"). The Customer may not access, download, or use the Products if the Customer does not agree to this Agreement.

3. License. Subject to the terms and conditions of the Agreement, Amplify grants to Customer a non-exclusive, non-transferable, non-sublicensable license to access and use, and permit Authorized School Users, as defined below, to access and use the Products in accordance with the AUP, for the duration specified in the Quote (the "Term"), and for the number of Authorized School Users specified in the Quote for whom Customer has paid the applicable fees to Amplify. "Authorized School User" means the K–12 students registered or authorized for instruction with Customer and the educators, agents and staff members who use the Products as authorized by Customer who Customer permits to access and use the Products subject to the terms and conditions of the Agreement, solely while such individual is so employed or so registered. Each Authorized School User's access and use of the Products will be subject to the AUP in addition to the terms and conditions of the Agreement. Violations of this Agreement or the AUP may result in suspension or termination of the applicable account.

4. Restrictions. Customer may access and use the Products solely for non-commercial instructional and administrative purposes. Guidelines for such purposes may be set forth at https://amplify.com/amplify-program-usage-guidelines/ and additional guidelines may be detailed in materials associated with the Product the Customer is accessing. Further, Customer may not, except as expressly authorized by Amplify: (a) copy, modify, translate, distribute, disclose, or create derivative works based on the contents of, sell, or otherwise exploit, the Products, or any part thereof; (b) decompile, disassemble, reverse engineer the Products, or otherwise use the Products to develop functionally similar products or services; (c) modify, alter, or delete any of the copyright, trademark, or other proprietary notices in or on the Products; (d) rent, lease, or lend the Products or use the Products for the benefit of any third party; (e) avoid, circumvent, or disable any security or digital rights management device, procedure, protocol, or mechanism in the Products; (f) use any content from the Products, including but not limited to text, images, videos, assessments, lesson plans, or code, as input or training material for any machine learning or artificial intelligence system, including large language models, neural networks, or other algorithmic models, for any purposes, commercial or non-commercial; or (g) permit any Authorized School User or third party to do any of the foregoing. Customer also agrees that any works created in violation of this section are derivative works, and, as such, Customer agrees to assign, and hereby assigns, all right, title, and interest in such works to Amplify. The Products and derivatives thereof may be subject to export control laws, restrictions, regulations, and orders of the U.S. and other jurisdictions (together, "Export Laws"). Customer agrees to comply with all applicable Export Laws, and will not, and will not permit Authorized School Users to, export, or transfer for the purpose of re-export, any Product to any prohibited or embargoed country in violation of any U.S. export law or regulation. Further, Customer represents that it is not a party subject to sanctions by the U.S. Office of Foreign Assets Control or included on any restricted party list maintained by the U.S. Bureau of Industry and Security. The software and associated documentation portions of the Products are "commercial items" (as defined at 48 CFR 2.101), comprising "commercial computer software" and "commercial computer software documentation," as those terms are used in 48 CFR 12.212. Accordingly, if Customer is the U.S. Government or its contractor, Customer will receive only those rights set forth in this Agreement in accordance with 48 CFR 227.7201-227.7204 (for Department of Defense and their contractors) or 48 CFR 12.212 (for other U.S. Government licensees and their contractors).

5. Reservation of Rights. SUBSCRIPTION PRODUCTS ARE LICENSED, NOT SOLD. Subject to the limited rights expressly granted hereunder, all rights, title, and interest in and to all Products, including all related IP Rights, are and will remain the sole and exclusive property of Amplify or its third-party licensors. "IP Rights" means, collectively, rights under patent, trademark, copyright, and trade secret laws, and any other intellectual property or proprietary rights recognized in any country or jurisdiction worldwide. Customer must promptly notify Amplify of any violation of Amplify's IP Rights in the Products, and will reasonably assist Amplify as necessary to remedy any such violation. Amplify Products are protected by patents (see amplify.com/virtual-patent-marking). Amplify reserves the right to update or modify the Products at any time and to discontinue the Products upon reasonable notice.

6. Payments. In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer will be responsible for all state or local sales, use

or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.

7. Shipments. Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported to Amplify by Customer within 60 days of receipt. In such case, Customer may not return Products without Amplify's written authorization.

8. Account Information. For subscription Products, the authentication of Authorized School Users is based in part upon information supplied by Customer or Authorized School Users, as applicable. Customer will and will cause its Authorized School Users to (a) provide accurate information to Amplify or a third-party service as applicable, and promptly report any changes to such information, (b) not share login credentials or otherwise allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized School Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized School Users.

9. Confidentiality. Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized School Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how, or trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

10. Student Data. The parties acknowledge and agree that in the course of providing the Products to the Customer, Amplify may collect, receive, or generate information that directly relates to an identifiable student of Customer ("Student Data"). Student Data may include personal information from a student's "educational records," as defined by the Family Educational Rights and Privacy Act of 1974 ("FERPA"). Student Data is owned and controlled by the Customer and Amplify receives Student Data as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Individually and collectively, Amplify and Customer agree to uphold our obligations, as applicable, under FERPA, the Children's Online Privacy Protection Act ("COPPA"), the Protection of Pupil Rights Amendment ("PPRA"), and applicable state laws relating to student data privacy. Amplify's Customer Privacy Policy at amplify.com/customer-privacy ("Privacy Policy") will govern collection, use, and disclosure of Student Data collected or stored on behalf of Customer under this Agreement. In addition, Amplify has entered into the data privacy agreements listed at amplify.com/privacy-security aligned with state and national templates to facilitate compliance with applicable state laws and help expedite Customer's student data privacy documentation process. Customer is responsible for providing notice and obtaining appropriate consents under applicable laws to authorize Authorized School Users' use of the Products, including making a copy of the Privacy Policy available to the parents or guardians of users who are under the age of 13.

11. Customer Materials and Requirements. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized School Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at amplify.com/customer-requirements.

12. Warranty Disclaimer. PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD-PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS, OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD-PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD-PARTY CONTENT AND SOFTWARE

MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE, AND DISCLOSURE PRACTICES OF THIRD PARTIES.

13. Limitation of Liability. TO THE EXTENT SUCH LIMITATION IS NOT PROHIBITED BY APPLICABLE LAW, IN NO EVENT WILL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED SCHOOL USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE, OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT SUCH LIMITATION IS NOT PROHIBITED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, MAY NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12-MONTH PERIOD. UNDER NO CIRCUMSTANCES WILL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS BY AN AUTHORIZED SCHOOL USER THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

14. Termination. Without prejudice to any rights either party may have under this Agreement, in law, equity, or otherwise, a party will have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized School User) materially breaches any term, provision, warranty, or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge, or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible for the cost of any continued use of the Products following termination. Upon termination, Amplify will return or destroy any Student Data provided to Amplify hereunder. Notwithstanding the foregoing, nothing will require Amplify to return or destroy any data that does not include Student Data, including de-identified information or data that is derived from access to Student Data but which does not contain Student Data. Sections 3–14 will survive the termination of this Agreement.

15.
Miscellaneous. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement will apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." For United States-based Customers, this Agreement will be governed by and construed and enforced in accordance with the laws of the U.S., state, commonwealth, or territory in which Customer resides based on the address set forth in the Quote, without regard to that state's, commonwealth's, or territory's choice of law rules. For Customers based outside of the United States, this Agreement will be governed by the laws of the U.S., state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement will constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized School User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement will for any reason be held to be unenforceable at law, such provisions will be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify will have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, pandemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network. Each party represents and warrants that it has all necessary right, power, and authority to enter into this Agreement and to comply with the obligations hereunder.

Issuance of a purchase order or payment pursuant to this Price Quote, or usage of the products specified herein, shall be deemed acceptance of such Terms & Conditions.

Terms & Conditions

1. Scope. These Customer Terms and Conditions are a legal agreement between Amplify Education, Inc. ("Amplify") and the local education agency or authority, school district, school network, independent school, or other regional education system ("Customer") for the license and use of one or more of Amplify products or services (the "Products"), as specified in the receipt, price quote, proposal, renewal letter, or other ordering document containing the details of this purchase (the "Quote"). These Customer Terms and Conditions, all addenda, attachments, and the Quote, as applicable (together, the "Agreement"), constitute the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement will supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and will supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof.

2. Agreement Acceptance. This Agreement becomes effective at the earliest of the following: (i) issuing a purchase order, shipment request, or payment against the Quote; (ii) accessing, downloading, or using the Products; or (iii) otherwise accepting this Agreement. This term of the Agreement will be as specified in the Quote and may be renewed or extended by mutual agreement of the parties. Customer represents and warrants that: (1) Customer is of legal age to accept this Agreement; (2) Customer is authorized to accept this Agreement and to access and use the Products; and (3) Customer's use of the Products will comply at all times with Amplify's Acceptable Use Policy available at amplify.com/acceptable-use ("AUP"). The Customer may not access, download, or use the Products if the Customer does not agree to this Agreement.

3. License. Subject to the terms and conditions of the Agreement, Amplify grants to Customer a non-exclusive, non-transferable, non-sublicensable license to access and use, and permit Authorized School Users, as defined below, to access and use the Products in accordance with the AUP, for the duration specified in the Quote (the "Term"), and for the number of Authorized School Users specified in the Quote for whom Customer has paid the applicable fees to Amplify. "Authorized School User" means the K–12 students registered or authorized for instruction with Customer and the educators, agents and staff members who use the Products as authorized by Customer who Customer permits to access and use the Products subject to the terms and conditions of the Agreement, solely while such individual is so employed or so registered. Each Authorized School User's access and use of the Products will be subject to the AUP in addition to the terms and conditions of the Agreement. Violations of this Agreement or the AUP may result in suspension or termination of the applicable account.

4. Restrictions. Customer may access and use the Products solely for non-commercial instructional and administrative purposes. Guidelines for such purposes may be set forth at https://amplify.com/amplify-program-usage-guidelines/ and additional guidelines may be detailed in materials associated with the Product the Customer is accessing. Further, Customer may not, except as expressly

authorized by Amplify: (a) copy, modify, translate, distribute, disclose, or create derivative works based on the contents of, sell, or otherwise exploit, the Products, or any part thereof; (b) decompile, disassemble, reverse engineer the Products, or otherwise use the Products to develop functionally similar products or services; (c) modify, alter, or delete any of the copyright, trademark, or other proprietary notices in or on the Products; (d) rent, lease, or lend the Products or use the Products for the benefit of any third party; (e) avoid, circumvent, or disable any security or digital rights management device, procedure, protocol, or mechanism in the Products; (f) use any content from the Products, including but not limited to text, images, videos, assessments, lesson plans, or code, as input or training material for any machine learning or artificial intelligence system, including large language models, neural networks, or other algorithmic models, for any purposes, commercial or non-commercial; or (g) permit any Authorized School User or third party to do any of the foregoing. Customer also agrees that any works created in violation of this section are derivative works, and, as such, Customer agrees to assign, and hereby assigns, all right, title, and interest in such works to Amplify. The Products and derivatives thereof may be subject to export control laws, restrictions, regulations, and orders of the U.S. and other jurisdictions (together, "Export Laws"). Customer agrees to comply with all applicable Export Laws, and will not, and will not permit Authorized School Users to, export, or transfer for the purpose of re-export, any Product to any prohibited or embargoed country in violation of any U.S. export law or regulation. Further, Customer represents that it is not a party subject to sanctions by the U.S. Office of Foreign Assets Control or included on any restricted party list maintained by the U.S. Bureau of Industry and Security. The software and associated documentation portions of the Products are "commercial items" (as defined at 48 CFR 2.101), comprising "commercial computer software" and "commercial computer software documentation," as those terms are used in 48 CFR 12.212. Accordingly, if Customer is the U.S. Government or its contractor, Customer will receive only those rights set forth in this Agreement in accordance with 48 CFR 227.7201-227.7204 (for Department of Defense and their contractors) or 48 CFR 12.212 (for other U.S. Government licensees and their contractors).

5. Reservation of Rights. SUBSCRIPTION PRODUCTS ARE LICENSED, NOT SOLD. Subject to the limited rights expressly granted hereunder, all rights, title, and interest in and to all Products, including all related IP Rights, are and will remain the sole and exclusive property of Amplify or its third-party licensors. "IP Rights" means, collectively, rights under patent, trademark, copyright, and trade secret laws, and any other intellectual property or proprietary rights recognized in any country or jurisdiction worldwide. Customer must promptly notify Amplify of any violation of Amplify's IP Rights in the Products, and will reasonably assist Amplify as necessary to remedy any such violation. Amplify Products are protected by patents (see amplify.com/virtual-patent-marking). Amplify reserves the right to update or modify the Products at any time and to discontinue the Products upon reasonable notice.

6. Payments. In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer will be responsible for all state or local sales, use or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.

7. Shipments. Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported to Amplify by Customer within 60 days of receipt. In such case, Customer may not return Products without Amplify's written authorization.

8. Account Information. For subscription Products, the authentication of Authorized School Users is based in part upon information supplied by Customer or Authorized School Users, as applicable. Customer will and will cause its Authorized School Users to (a) provide accurate information to Amplify or a third-party service as applicable, and promptly report any changes to such information, (b) not share login credentials or otherwise allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized School Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized School Users.

9. Confidentiality. Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized School Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how, or trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

10. Student Data. The parties acknowledge and agree that in the course of providing the Products to the Customer, Amplify may collect, receive, or generate information that directly relates to an identifiable student of Customer ("Student Data"). Student Data may include personal information from a student's "educational records," as defined by the Family Educational Rights and Privacy Act of 1974 ("FERPA"). Student Data is owned and controlled by the Customer and Amplify receives Student Data as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Individually and collectively, Amplify and Customer agree to uphold our obligations, as applicable, under FERPA, the Children's Online Privacy Protection Act ("COPPA"), the Protection of Pupil Rights Amendment ("PPRA"), and applicable state laws relating to student data privacy. Amplify's Customer Privacy Policy at amplify.com/customer-privacy ("Privacy Policy") will govern collection, use, and disclosure of Student Data collected or stored on behalf of Customer under this Agreement. In addition, Amplify has entered into the data privacy agreements listed at amplify.com/privacy-security aligned with state and national templates to facilitate compliance with applicable state laws and help expedite Customer's student data privacy documentation process. Customer is responsible for providing notice and obtaining appropriate consents under applicable laws to authorize Authorized School Users' use of the Products, including making a copy of the Privacy Policy available to the parents or guardians of users who are under the age of 13.

11. Customer Materials and Requirements. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized School Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at amplify.com/customer-requirements.

12. Warranty Disclaimer. PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD-PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS, OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD-PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD-PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE, AND DISCLOSURE PRACTICES OF THIRD PARTIES.

13. Limitation of Liability. TO THE EXTENT SUCH LIMITATION IS NOT PROHIBITED BY APPLICABLE LAW, IN NO EVENT WILL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED SCHOOL USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE, OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT SUCH LIMITATION IS NOT PROHIBITED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, MAY NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12-MONTH PERIOD. UNDER NO CIRCUMSTANCES WILL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS BY AN AUTHORIZED SCHOOL USER THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

14. Termination. Without prejudice to any rights either party may have under this Agreement, in law, equity, or otherwise, a party will have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized School User) materially breaches any term, provision, warranty, or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge, or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible for the cost of any continued use of the Products following termination. Upon termination, Amplify will return or destroy any Student Data provided to Amplify hereunder. Notwithstanding the foregoing, nothing will require Amplify to return or destroy any data that does not include Student Data, including de-identified information or data that is derived from access to Student Data but which does not contain Student Data. Sections 3–14 will survive the termination of this Agreement.

15.
Miscellaneous. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement will apply to their singular and plural forms, as applicable. The word “including” means “including without limitation.” For United States-based Customers, this Agreement will be governed by and construed and enforced in accordance with the laws of the U.S., state, commonwealth, or territory in which Customer resides based on the address set forth in the Quote, without regard to that state’s, commonwealth’s, or territory’s choice of law rules. For Customers based outside of the United States, this Agreement will be governed by the laws of the U.S., state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement will constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized School User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement will for any reason be held to be unenforceable at law, such provisions will be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify will have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, pandemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network.
