BOE Meeting

1. Meeting Call to Order

1.A Roll Call

1.B Approval of Agenda - The Board approved the agenda as presented.

2. Pledge of Allegiance
3. Public Open Forum
 - 3.A Recognition of Visitors – President Gorman and Superintendent Mongan welcomed attendees and those watching remotely.
 - 3.B Recognition of Girls Soccer Team - Principal Podgorski recognized the girls soccer team who took fourth in the state competition in June.
 - 3.C National Recognition from College Board - Principal Podgorski recognized students who earned College Board National Recognition awards for a combination of factors including PSAT scores and GPA.
 - 3.D Public Comments - Public comment was heard regarding concerns about the cost of the referendum and other related costs if it passes; staffing, including lack of utilization of grant funds, class sizes, and number of staff; class work regarding insects as a potential food source; and multiple referenda by various taxing bodies.
4. Action Items
 - 4.A Consent Agenda – Business Manager Pflug reviewed the revenues and expenditures. The District received \$165,604.06 in impact fees for 22 home starts in July, as well as \$2,095.02 in transition fees. The bills payable reports for both Central 301 and Northern Kane are typical for September and catch up the remaining summer invoices. Northern Kane’s report includes the final FY24 grant expenditures and Central’s report includes payments of \$700,605.07 to Shales McNutt Construction.
 - 4.B Approve Central CUSD #301 Final FY25 Budget – Business Manager Pflug shared that we held a public hearing to review the changes to the budget right before the regular Board meeting. Revisions were routine adjustments. The budget requires formal approval from the Board.
 - 4.C Approve Cross Country Overnight Trip – The cross country team traveled to Peoria for the First to the Finish event September 13-14, 2024.
 - 4.D Approve FFA Overnight Trip – This is an annual trip for the FFA students. The convention will be held in Indianapolis, Indiana October 23-26, 2024.
 - 4.E Approve Illinois High School Theatre Festival Overnight Trip – Principal Podgorski shared that four Central students were selected to participate in the production of *The Prom* at the University of Illinois Urbana-Champaign January 5-11, 2025.
 - 4.F Approve Veterinary Affiliation Agreements. – Curriculum Director Buchs shared that four of the agreements (Anderson Humane Wildlife Center, Dundee Animal Hospital (Dundee), Hampshire Animal Hospital and Red Barn Animal Hospital Gilberts) are renewals. We have a new partner, Randall Road Animal Hospital (South Elgin). Ms. Ballard and our team do a great job of securing partnerships to provide externship opportunities for our students.
 - 4.G Approve MOU Between Central 301 and the Alignment Collaborative for Education - Curriculum Director Buchs shared that we are looking to expand our agreement with the Alignment in order to guarantee five additional internship opportunities for our students, even though we had more students selected than were guaranteed last year. The Alignment provides additional opportunities for students and a portion of this cost is funded through grant dollars.

- 4.H Approve Partnership with Code to the Future for Curriculum and Integration - Curriculum Director Birkmeier shared that we have selected Prairie View and Lily Lake to participate in this program this year and we have at least five teachers in each school wanting to participate. They will be getting started with the program in October.
- 4.I Approve Reciprocal Reporting Agreement with City of Elgin - Dr. Mongan shared that this agreement allows for the two-way communication of student information between the District and the City of Elgin when there is a legal situation. Deputy Durham is generally the conduit for these communications. We already have an agreement in place with Kane County. This agreement is a renewal that will continue through 2026.
5. Information Items
- 5.A Facilities Update – Facilities Director Polowy shared that they are finishing their summer project work. They are working through some generator equipment issues at HBT, but the PV and LL generator projects are being finalized. They are working on the final hookup of HVAC equipment in the CHS addition and working with a landscaper for the topsoil and overseeding of the grounds around the addition. They will be sealcoating Stadium Drive, the upper lot, and the main lot soon. We plan to do a reverse auction to try to secure the best electricity rate and will be bringing a range of rates to the October Board meeting and request approval to select a bid within that range at that time.
- 5.B 301 Design Dive Meeting Update – Dr. Mongan shared that we had 83 people sign up to attend these events held September 11th and 12th, but only about half of them participated. Another 16 people attended without registering, for a total of 57 participants. During the event they reviewed plans for each building that would be impacted if the referendum were to pass and participants were able to ask questions and provide feedback. Despite multiple communications about the event, we had low turnout, but that is typical of District events. It is challenging to find a night free of other building events.
- 5.C Options if Referendum Does Not Pass - Dr. Mongan reviewed a presentation regarding what the District's options would be if the referendum does not pass in response to the community asking for this information. She reviewed the construction and enrollment history of the District as well as RSP's analysis of expected District growth as compared to our past enrollment growth. She also explained that the projection that the addition could support another 1,914 students is not realistic as the average class size at CHS is 23 students. She explained that boundary shifts and adding more mobiles will be likely. She outlined some possible changes, such as moving early childhood (EC) to CMS with 6th grade, shifting 8th grade to PKMS as they currently bus students there for athletics. Alternatively, we could put EC and Kindergarten at CMS, moving 6th grade to the elementary buildings and 7th and 8th grades at PKMS. Mobiles may still be required and this would create licensure issues for current 6th grade teachers. We could also increase class sizes, move specials to a cart, reduce elective options, or utilize a split or hybrid schedule. All of these options would be short-term solutions and a future referendum for new buildings would still be required to manage enrollment growth.
- 5.D Public Act 97-256 Requirements - Administrator and Teacher Salary and Benefits - Business Manager Pflug explained that we are required to report annually information about staff salaries and benefits. We utilize the EIS report for this purpose and it will be posted on the District website as required.
- 5.E Public Act 97-0609 Requirements - Posting of IMRF Compensation Packages - Business Manager Pflug shared that this is also a state requirement. The report includes salary and benefit information

for IMRF employees who exceed \$75,000 a year. It will be posted on the District website.

- 5.F Enrollment Report - The enrollment report is in the Board packet. There were no questions.
- 6. Freedom of Information Act
 - 6.A GenesisOne - We received a request for information regarding District printer leases, print management software, and toner. – We were able to comply with this request.
 - 6.B Ms. Kurtz - We received a request for results of all surveys or feedback forms received by any Board member or the Superintendent between January 1, 2024 and June 30, 2024, as well as emails related to these surveys or feedback forms. – This request was denied as it was deemed unduly burdensome, but we invited Ms. Kurtz to reduce the scope of her request. We recently received a new request.
 - 6.C Ms. Welch - We received a request for the chart of accounts used by Central 301 for accounting purposes and related descriptions. – We were able to comply with this request.

 - 6.G Ms. Welch - We received a request for the Eriksson Engineering report and slide presentation from the October 12, 2023 BOE meeting. – We were able to comply with this request; however, there wasn't a BOE meeting on October 12, 2023, so there was no information to provide.
 - 6.H Ms. Welch - We received a request for the traffic study performed by Eriksson Engineering for the future high school. - We were able to comply with this request; however, the traffic study was not finalized so we did not have the report to provide.
 - 6.I Ms. Welch - We received a request for all emails, text messages, other written correspondence, and/or phone notes between Dr. Mongan and Robert Schwarz or anyone else from RSP & Associates. - We were able to comply with this request, but redacted some information pursuant to FOIA rules and regulations. Dr. Mongan shared that we are receiving so many FOIA requests now that we may need to talk about getting additional support to respond to them. The Board asked whether we can make a change to Board policy to allow us to charge for FOIA requests. They indicated we should discuss this as an option.
- 7. Executive Session
 - 7.A Adjourn to Closed Session - The Board adjourned to closed session to hear information regarding exceptions 2(c)(1), 2(c)(2) and 2(c)(21).

RE: SkillsUSA Leadership Conference for Students & Advisors Oct 17-19

Our SkillsUSA Sponsor Mr. Bilen is requesting to take the following students to participate in the SkillsUSA Leadership Conference.

L.E.A.D. - Learn. Educate. Act. Dream.

(A SkillsUSA Leadership Conference for student leaders at Central High School and their advisor)

L.E.A.D. is a three-day employability skill development conference that helps student members activate their career and leadership potential through hands-on, high-energy and motivational programming. During the course of the conference, participants spend time working together in a project management atmosphere. Collectively they learn teamwork to set and accomplish goals. They take a look at what it means to present a responsible, positive image – and the effects that image can have not only on themselves, but also on their school, SkillsUSA, and career and technical education.

L.E.A.D. is also for career and technical education professionals (SkillsUSA advisors), offering development around the best practices of career readiness instruction and this year will focus on work-based learning initiatives.

RE: Electricity Auction Qualifying Round Results

The District's current electricity supply contract expires in November 2024. Given the increase in energy prices and current market climate, the District is seeking ways to mitigate further cost increases and provide budget certainty for the District's energy costs. Therefore, Central CUSD 301 is seeking approval to utilize a live reverse auction for the purchase of electricity.

Nania Energy Advisors completed the sealed qualifying round of electricity supply rates with registered retail energy suppliers on October 16, 2024. The purpose of this qualifying round was to (1) qualify responsive and responsible suppliers who can meet all RFP parameters and (2) establish the thresholds for acceptable results from the upcoming live reverse auction. Results from the qualifying round were between .07/kwh and .10/kwh and represent the lowest bids for each term, plus 10% to allow for market movement only in the threshold approval. For reference, our current rate is .0562/kwh.

We respectfully recommend the Board of Education for Central CUSD 301 to authorize district administration to execute an electricity supply contract for a term not to exceed 5 years following the live reverse auction, so long as the rates received fall below the max approved auction thresholds of .10/kwh. Final auction results will be shared at the November board meeting.

RE: AP Honor Roll

Central Community Unit School District 301 and Central High School are proud to report we have been awarded two distinctions from the College Board regarding our Advanced Placement (AP) Courses. CHS has been awarded an AP Access Award and the AP School Honor Roll Award due to the success of the class of 2024.

The AP Access Award honors schools that encourage low-income and underrepresented minority students to take AP courses. The percentage of students in at least one of these categories who took at least one AP exam before graduation is proportional to the population of CHS.

CHS was also placed on the College Board's AP School Honor Roll for the 2023-2024 school year. This award signifies the commitment to expanding the school's college culture by both offering access to AP courses and supporting students to ensure they are successful in those courses. The class of 2024 was celebrated because 53% of them took at least one AP course during their high school career, 39% of students earned college credit by scoring a 3 or higher on their exams and 16% of the class took 5 or more AP exams during their high school career.

Research shows that students who take AP courses and exams are more likely to attend college and graduate on time. Even for those who do not earn college credit, the advanced coursework provides exposure to college-level coursework and contributes to a college-going school culture.

These efforts and the recognition of these awards are a combined effort of all stakeholders – dedicated teachers, counselors, students, parents and administrators – to both make AP access a priority and ensure student success.

Thank you,

Patrick Podgorski

Your school achieved all criteria to be listed on this year's AP School Honor Roll as a Silver school!

For planning and goal-setting, the three criteria for **GOLD** schools are:

- Expand your school's college culture by enabling 65% of your Class of 2025 to experience 1 AP course before graduating.
- Assist with college affordability by enabling 35% of your Class of 2025 to earn college credit by earning an AP Exam score of 3.
- Optimize student's college readiness by creating opportunities for 10% of your Class of 2025 to take a total of 5 APs across their high school years, with at least 1 taken in 9th or 10th grade.

AP Access Award

The 2024 AP School Honor Roll also recognizes Central High School as providing all students the chance to participate in AP, including students of underrepresented populations.

To qualify for the 2024 AP School Honor Roll, schools must meet or exceed the criteria for a given recognition level for all three metrics. This report always reflects the most recent data for your organization. Additional information about the AP School Honor Roll can be found on [AP Central](#).

College Optimization	2%	5%	10%	15%	16% (53/325)	Platinum

To qualify for the 2024 AP School Honor Roll, schools must meet or exceed the criteria for a given recognition level for all three metrics. This report always reflects the most recent data for your organization. Additional information about the AP School Honor Roll can be found on [AP Central](#).

If 'N/A' is shown this means that the percentage could not be calculated as your school did not provide 12th grade enrollment data for the 2023-24 school year or it was reported as zero.

Your School Enrollment: The school level enrollment data was submitted by your AP Coordinator in AP Registration and Ordering and checked against federal registrar data from the National Center for Education Statistics. Your AP Coordinator should annually check that the correct data is provided in AP Registration and Ordering at the start of the school year.

College Culture: Percent of students in the graduating class who took an AP exam at any point in high school, regardless of score. To avoid pressure on students to take large numbers of APs, only 1 AP exam per student contributes to this indicator.

College Credit: Percent of students in the graduating class who scored 3+ on any AP Exam in high school. To avoid pressure on students to take large numbers of APs, only 1 AP exam score of 3 or higher, per student, contributes to this indicator.

College Optimization: Percent of students in the graduating class who took 5 or more AP Exams in high school, where at least 1 exam was taken in 9th or 10th grade. Because research finds that 6 or more APs do not improve college graduation rates beyond the optimal total of 5 such courses in high school, no exams beyond 5 per student contribute to this indicator. The Honor Roll also recognizes schools that encourage students earlier on their AP journeys so as not to overload them with AP courses their junior and senior years.

AP Access Award: An additional recognition is given to schools when the percentage of underrepresented and/or low income students accessing the school's AP Program is the same as, or greater than the percentage in the school's graduating class. School level enrollment for this award is sourced from the National Center for Education Statistics using the most recent finalized dataset.

RE: Fee Structure and Allowables for FOIA Requests

At the Board of Education meeting held September 23, 2024, members of the board had inquired about charging for FOIA requests and wanting more information on the guidelines of what was allowable.

Section 6 of FOIA (5 ILCS 140/6 (West 2022)) titled "Authority to charge fees" outlines the permissible fees a public body may charge in response to most FOIA requests.

Specifically section 6(b) of FOIA (5 ILCS 140/6(b) (West 2022)) states:

*Except when a fee is otherwise fixed by statute, each public body may charge fees reasonably calculated to reimburse its actual cost for reproducing and certifying public records and for the use, by any person, of the equipment of the public body to copy records. **No fees shall be charged for the first 50 pages** of black and white, letter or legal sized copies requested by a requester. The fee for black and white, letter or legal sized copies **shall not exceed 15 cents per page**. In calculating its actual cost for reproducing records or for the use of the equipment of the public body to reproduce records, a public body shall not include the costs of any search for and review of the records or other personnel costs associated with reproducing the records, except for commercial requests as provided in subsection (f) of this Section.*

As information, district policy posted on the district website, we charge \$.05 per copy. Additionally, section 6(a) of FOIA (5 ILCS 140/6(a)(West 2022)) states:

"Statutory fees applicable to copies of public records when furnished in a paper format shall not be applicable to those records when furnished in an electronic format."

In regards to a voluminous request section 6(a-5) of FOIA (5 ILCS 140/6(a-5)(West 2022)) states,

"If a voluminous request is for electronic records and those records are not in a portable document format (PDF), the public body may charge up to \$20 for not more than 2 megabytes of data, up to \$40 for more than 2 but not more than 4 megabytes of data, and up to \$100 for more than 4 megabytes of data. If a voluminous request is for electronic records and those records are in a portable document format, the public body may charge up to \$20 for not more than 80 megabytes of data, up to \$40 for more than 80 megabytes but not more than 160 megabytes of data, and up to \$100 for more than 160 megabytes of data. If the responsive electronic records are in both a portable document format and not in a portable document format, the public body may separate the fees and charge the requester under both fee scales.

If a public body imposes a fee pursuant to this subsection (a-5), it must provide the requester with an accounting of all fees, costs, and personnel hours in connection with the request for public records."

Section 2(c-10) of FOIA (5 ILCS 140/2(c-10)(West 2022)) speaks to Commercial Requests and states:

*"the public body may charge up to \$10 for each hour spent by personnel in searching for and retrieving a requested record or examining the record for necessary redactions, except that the public body may **not charge for the first 8 hours.**"*

I have created the table below for reference:

FOIA Category	Item	Allowable Cost	Current Policy
Private	Print Material	\$0.15/per B&W copy after the first 50 pages.	\$0.05/per B&W copy after the first 50 pages.
Private	Personnel Work Time	Not Allowable	
Private	Paper to PDF (Voluminous Record)	Under 2mb- \$20 Over 2 Under 4mb- \$40 Over 4mb- \$100	
Private	PDF (Voluminous Record)	0-80mb- \$20 81-160mb- \$40 Over 160mb- \$100	
Commercial	Paper to PDF (Voluminous Record)	Under 2mb- \$20 Over 2 Under 4mb- \$40 Over 4mb- \$100	
Commercial	PDF (Voluminous Record)	0-80mb- \$20 81-160mb- \$40 Over 160mb- \$100	
Commercial	Print Material	\$0.15/per B&W copy after the first 50 pages.	\$0.05/per B&W copy after the first 50 pages.

RE: Potential Issuance of Tax-Exempt Bonds

Working alongside with Tammie Beckwith Schallmo, our municipal advisor with PMA Securities, LLC, the District may have the opportunity to sell referendum bonds this calendar year, dependent upon the outcome of November 5th's election results. If the referendum doesn't pass this option would not be available to us.

If the referendum does pass, we could position the District to issue approximately \$14.7 million of bonds in December 2024. This means PMA would start that process in late October and would pause their efforts, with no costs for this initial work if it doesn't pass.

The IRS limits the amount of interest earnings school districts may earn on tax-exempt bond proceeds. Anything above that limit must be paid to the federal government (known as "arbitrage rebate"). There are certain exceptions to arbitrage rebate, which are the small issuer and several spend-down exceptions. Under the small issuer exception, the District does not have to pay arbitrage rebate if it issues less than \$15 million of tax-exempt debt in a calendar year.

The timing for the sale of the District's remaining referendum authority would be determined in early 2025 (once the construction manager and architect have prepared an estimated monthly draw schedule for the full project). The monthly draw schedule will also help inform whether the District would satisfy any of the spend-down exceptions for its subsequent referendum bond sales.

This financing opportunity would be beneficial to the District and would require a quick turnaround on paperwork and a special board meeting in the beginning of December to approve a parameters resolution. If the referendum passes, we would enter the market with the approximately \$14.7 million bond issue the second week of December and the District would receive the proceeds by December 31st.

Dear Ms. Martinez,

Thank you for writing to Central Community Unit School District 301 "Central 301" with your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq., received by Central 301 on Thursday, October 3, 2024, for the following records:

All meeting minutes, documentation, contracts, and internal communications (including phone notes or calendar entries) between Dr. Esther Mongan and Aramark (food company).

As written, your request would require Central 301 to review an unreasonable number of potentially responsive records to determine what information is responsive and exempt under FOIA. It would take an excessive amount of staff and/or attorney time to analyze, review, and redact all of the responsive materials to comply with your request. Not only does such correspondence contain exemptions, but we believe your request is overbroad as compared to any topics in which you may be interested. *See National Ass'n of Criminal Defense Lawyers v. Chicago Police Dept.*, 399 Ill. App. 3d 1, 17 (1st Dist. 2010) ("A request that is overly broad and requires the public body to locate, review, redact and arrange for inspection a vast quantity of material that is largely unnecessary to the appellants' purpose constitutes an undue burden."). Because of the size and anticipated burdens of your request, Central 301 must invite you to confer with us in an attempt to reduce the request to more manageable proportions. Unless you reduce the request to a manageable scope and provide more specific search criteria and a narrower timeframe, Central 301 believes that compliance with your request would disrupt our duly-undertaken work in violation of the purposes of the FOIA statute. *See 5 ILCS 140/1*. If you choose not to narrow your request, Central 301 believes the burdens of your request will outweigh any public interest in the information, and Central 301 would need to deny your request pursuant to FOIA Section 3(g).

If you wish to discuss your options for reducing the scope of your request, kindly contact me. If you narrow your request to a manageable scope, we will be happy to provide a response to your request on its merits, which may include a denial of your request in part or in full as allowed under the FOIA statute. If you do not wish to narrow the request, the request will be deemed "unduly burdensome" within the meaning of FOIA. *See 5 ILCS 140/3(g)*.

You have a right to have the denial of your request reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General. 5 ILCS 140/9.5(a). You can file your Request for Review with the PAC by writing to:

Office of the Illinois Attorney General

You also have the right to seek judicial review of your denial by filing a lawsuit in the State Circuit Court. 5 ILCS 140/11.

If you choose to file a Request for Review with the PAC, you must do so within 60 calendar days of the date of this denial letter. 5 ILCS 140/9.5(a). Please note that you must include a copy of your original FOIA request and this denial letter when filing a Request for Review with the PAC.

RE: RESPONSE TO FOIA REQUEST

Ms. Welch:

Thank you for writing to Central Community Unit School District No. 301 ("the District") with your request for information pursuant to the Illinois *Freedom of Information Act* ("FOIA"), 5 ILCS 140/1 et seq., received on Wednesday, October 9, 2024. Your request is restated below:

As of 10/1/2024:

-The total number of students enrolled in District 301, by school, by grade

-The total number of students housed "out-of-district/not housed in 301" enrolled in District 301 by school, by grade

-The total number of students "non-resident/house in district" enrolled in District 301 by school, by grade

These numbers were typically aggregated and presented to the community in an Enrollment Report whose format was changed to remove these details beginning with the September 2024 BOE meeting.
