   4.A. Hustle Strength & Performance

BUSINESS PARTNER RECOGNITION
HUSTLE STRENGTH & PERFORMANCE

We are thrilled to continue our Business Partner program, which acknowledges businesses, organizations and individuals for their assistance in building futures for our students and helping to accomplish our mission and vision. We know these collaborations are vital to ensure our students are successful, and we truly value and appreciate these partnerships.

Hustle Strength & Performance in Addison is a prime example of a company working with us to achieve our goals. Tonight, we're pleased to recognize Anthony D'Astice, founder and owner of Hustle, for his incredible support of District 88. D'Astice graduated from Addison Trail in 2007 and has continued to give back to his alma mater through supporting students.

D'Astice recently committed to help District 88 expand its new Youth Apprenticeship/Internship Course by welcoming a student intern to Hustle Strength & Performance in the future. The course, which launched this fall, gives seniors the opportunity to earn credit while gaining hands-on experience during the school day. Students attend class one day a week to build professional skills and check in, and they spend the rest of the week at their internship site. During the semester, they complete at least 60 hours of career exploration, job shadowing, mentorship and workplace skill development. We're grateful D'Astice is willing to share what he has learned as a business owner and give a future intern a firsthand look at careers in fitness and entrepreneurship.

D'Astice also has participated in the district's "Dream. Plan. Do. – From the Halls to the Hustle" future-focused speaker series. This monthly program features presentations from professionals, who were once students walking the halls of high school and are now making their mark in a variety of careers. Speakers discuss their personal story: from their early dreams, to the plans they made, to the hustle it took to get where they are today. The purpose of sharing these real-world journeys is to help students explore diverse career paths, learn from authentic experiences and feel empowered to chart their own course – whether that's college, military service or entering the workforce. During his presentation, D'Astice spoke with students about the fitness industry and being an entrepreneur/business owner.

As you can see, Hustle Strength & Performance is a tremendous Business Partner, and we're proud to honor D'Astice in recognition of his efforts. We truly thank him for all he has done and continues to do for our students, families and the community.

We are always looking to develop more partnerships, and those who are interested can find information at www.dupage88.net/BusinessPartnerships.

4.B. York Township 708 Mental Health Board

BUSINESS PARTNER RECOGNITION
YORK TOWNSHIP 708 MENTAL HEALTH BOARD

We are thrilled to continue our Business Partner program, which acknowledges businesses, organizations and individuals for their assistance in building futures for our students and helping to accomplish our mission and vision. We know these collaborations are vital to ensure our students are successful, and we truly value and appreciate these partnerships.

The York Township 708 Mental Health Board is a prime example of an organization working with us to achieve our goals. Tonight, we're pleased to recognize Michael Ledonne, President of the board, for his incredible support of District 88.

The York Township 708 Mental Health Board was established after being approved in November 2024, and we have worked with the group to secure funding for our mental health services. Recently, we implemented an intergovernmental agreement through which the board will generously provide funds to support mental health professional development for District 88 staff members, as well as help finance our partnerships with Serenity House, NuPAGE Communities and ReferralGPS to provide clinical services such as counseling and substance use treatment for our York Township students and families.

The intergovernmental agreement will allocate $56,330 toward these initiatives for this school year.

As you can see, The York Township 708 Mental Health Board is a tremendous Business Partner, and we're proud to honor Ledonne in recognition of his efforts. We truly thank him for all he has done and continues to do for our students, families, and the community.

We are always looking to develop more partnerships, and those who are interested can find information at www.dupage88.net/BusinessPartnerships.

5. **Recognition of District 88 Successes**
   5.A. 88's Best

88’S BEST

We will be honoring two students as 88’s Best for their achievements, Silvana (Nana) Ibarra Carvajal from Addison Trail and Alveena Syeda from Willowbrook.

DISTRICT 88'S BEST

Alveena Syeda

The transition to high school can be challenging, but often provides the most unique opportunity for students to demonstrate their true skills, talents, passion, and commitment. Senior Alveena Syeda is an outstanding example of just this, as she has continued to exhibit the continuous growth and improvement we hope for in all of our students. As a result of her commitment to her own development and improvement, Alveena has earned the recognition of being named as one of DuPage High School District 88's Best.

To begin, Alveena's accomplishments are highlighted by the comments from our own staff.

English Teacher Beck Rogers says, "Alveena is a pleasure to have in class. As an English student, she is thoughtful and open. As a person, she's dedicated and intelligent, and she is a forward thinker who is engaged in the world around her and who will do great things when she moves on from Willowbrook. I'm thrilled to hear that she is to be celebrated as 88's Best for November. She is incredibly deserving of the honor."

Chris Dunk, Automotive Instructor, adds, "In Auto 1, Alveena consistently demonstrates the qualities of a dedicated and hardworking student. In my Auto class, she comes prepared to learn, participates regularly, and takes an active interest in the material we cover. She is not afraid to ask questions when she needs clarification and takes the initiative to attend Warrior Time for additional help when needed. She takes pride in her work and makes an effort to complete assignments to the best of her ability. Her willingness to put in extra effort, positive attitude, and commitment to improving make her a great example of what it means to be an outstanding student. She is very deserving of this recognition."

Science Teacher Brad Schmit includes, "Alveena is a dedicated and passionate student in 8th period Human Body Systems. She is a very serious student with a strong work ethic both in and outside of class. Alveena has balanced her rigorous coursework this year while also working and dealing with the unfortunate accident of her sister. Every day Alveena shows up with a smile on her face. Alveena is very personable and has an excellent rapport with her fellow classmates and teachers. In class, Alveena's science background is an asset to the classroom. She has an intense thirst for knowledge which is

demonstrated by her complete immersion in the lecture or laboratory activity. . In class Alveena is attentive and engaged; her questions reflect her involvement in the material and benefit the entire class. She sees the “big picture” and is always searching for applications outside of the classroom.”

Jaqueline Hartman, Science Teacher, says, “I had Alveena in my PLTW Principles of Biomedical Science class last year as a junior, and I really got to see two very different versions of her throughout that school year. Throughout the first semester, Alveena was navigating some personal challenges that impacted her attendance and ability to keep up with classwork. She was falling behind, struggling to understand the material, and did not take the steps necessary to get herself back on track or ask for help when she needed it. However, second semester, she completely changed for the better. She became much more focused, responsible, and organized. She started taking ownership of her learning, advocating for herself, asking questions, and consistently putting in the effort to improve. Her engagement in class flourished, and she became much more invested and in control in her learning. She worked incredibly hard to turn things around, ultimately earning an A and becoming one of the most dedicated and hardworking students in my classes that semester. I am extremely impressed and proud of the maturity, determination, and growth Alveena demonstrated in just one semester and she absolutely earned this recognition. Congratulations, Alveena!”

Throughout her high school career, Alveena has demonstrated perseverance and continuous improvement. She is currently enrolled in dual credit and honors courses, pursuing her passion of helping others and “working with her hands.” Alveena plans to continue her education at the College of DuPage and complete her initial coursework, with the intent to pursue a degree in Psychology and become a therapist.

Willowbrook High School is proud and honored to recognize Alveena Syeda for her commitment to improvement and success and for exemplifying what it means to be one of District 88’s Best!

District 88's Best

Addison Trail High School

November 2026: Silvana (Nana) Ibarra Carvajal

It is with great pride that we recognize Silvana (Nana) Ibarra Carvajal for Highly Improved Performance at Addison Trail High School. This distinction honors students who demonstrate extraordinary growth, resilience, and a relentless drive to push past barriers. Nana's journey exemplifies every bit of that spirit. From entering high school in English Learner Level II classes to thriving in multiple Honors and Dual Credit courses, Nana has consistently challenged herself to reach new heights. Her determination, work ethic, and unwavering positivity make her a truly deserving recipient of District 88's Best.

Born in Colombia, Nana moved to the United States at age eight, settling in Melrose Park and attending elementary school without knowing how to speak English. She later moved to Addison, attending Indian Trail Jr. High School during the challenges of remote learning in 6th grade before dedicating her 7th and 8th grade years to mastering the English language. Living in Illinois with her mother, older sister, and niece, while her father and extended family remain in Colombia, Nana drew deep inspiration from watching her mother work tirelessly to support their family. Motivated to build a bright future, earn a college degree, and make her family proud, Nana made the conscious decision to push herself out of her comfort zone.

Nana's academic trajectory at Addison Trail is a testament to her grit and ambition. Beginning her high school career in English Learner (EL) Level II classes, she worked relentlessly until transitioning into mainstream courses midway through her sophomore year. Not content to simply settle in, Nana continued to challenge herself, advancing into multiple Honors and Dual Credit classes while earning a spot on the Honor Roll every single semester. Her academic excellence and character also earned her induction into the National Honor Society.

Outside the classroom, Nana has embraced every opportunity Addison Trail has to offer, evolving into a standout student-athlete and leader. On the field and sidelines, she competes in Soccer, Flag Football, and Cheerleading, showcasing leadership as a

Sophomore JV Soccer Captain, a two-year JV Cheer Captain, and Senior Cheer Captain. She is also deeply involved in the school community through DECA, Student Council, LADIES, Sew Crafty, and Horticulture Club. Reflecting on her time as a Blazer, one of her favorite memories is the long bus ride back from an away soccer game listening to music, laughing with teammates, and reminiscing about how far they have come since freshman year.

Nana credits much of her growth to the unwavering support of her mother, sister, and niece, alongside her friends, soccer teammates, and dedicated staff members like Mrs. Delgado and Mrs. Witte. Her advice to incoming freshmen encourages them to take full advantage of high school: "Do what makes you happy, but also try something new. My freshman year, I didn't know if I wanted to play soccer, and now my teammates are my best friends. Even when I joined cheer, I was nervous, but I made great friends and learned something new every single day."

Looking ahead to the future, Nana hopes to play Division I collegiate soccer while pursuing a degree in Sports Management, with dreams of one day working for a professional soccer organization. Above all, she hopes her story reminds others of the power of perseverance and connection: "Maybe I am not the only one who has good grades, but I never give up, and I try to make good connections with everyone I meet. People need to know they are not alone."

Staff who worked closely with Silvana had the opportunity to provide comments, which are included below.

Jose Hernandez, Social Studies teacher, said, “Estoy muy orgulloso de ti!!! ¡Ganas, hija!”

Jenn Schulmeister, Flag Football coach, added, “Nana is an absolute joy to be around. She works hard and is always looking to improve. We will definitely miss her next year!”

Lily Chavira, School Nurse, wrote, “As a nurse who has had the opportunity to interact with her, I have consistently observed her respect, warmth, and thoughtfulness toward others. Nana demonstrates respect and friendliness in every interaction. She is always smiling and attentive, helping create a welcoming atmosphere for those around her. These qualities reflect care for others and a positive approach to the people she meets. I have also seen Nana grow considerably since middle school. I am proud of the progress she has made and the effort she has shown along the way. Her development speaks to her potential to continue learning and take on new opportunities. I am confident she will do great things in her future.”

Karrie Martinez, English Language teacher, said, “Nana was an exemplary student in EL English class. She consistently brought energy, insight, and a genuine eagerness to learn. She was always asking thoughtful questions and looking for opportunities to expand her knowledge. Nana was also a natural leader in the classroom, and I could always count on her to support and encourage classmates who were struggling. Her positive attitude, curiosity, and willingness to help others made her a wonderful asset to our class. She is truly a well-deserving recipient of this award!”

Megan King, Soccer and Flag Football coach, added, “I coached Nana in both soccer and flag football throughout her time at Addison Trail. She is someone who truly lights up and commands a space when she walks into it. Nana was a force that united our team, and always made her peers laugh. She is someone who always makes everyone feel included. Not only this, she is a very talented athlete. I am really proud to know her and she deserves this honor!”

Stacey Puccini, Accounting teacher, said, “Congratulations on your recognition. Silvana is a hard worker that wants to achieve success whether athletically or academically. Whatever she intends to pursue post-high school, she will find excellence.”

Shannon Garcia, Science teacher, expressed, “Nana is such a joy to be around and one of the most hardworking students I know. I had the pleasure of having her in my sheltered biology class her sophomore year. She was always on task, asking questions, checking her answers, clarifying concepts, and working hard at whatever task was in front of her. She always made sure to say hi whenever I saw her outside of class, even years later when she's a senior. She is kind and respectful, and I know that she will do great things in the future! I am so grateful to have been her teacher.”

Bridget Colleran, Fashion and Apparel teacher, said, “Nana is a beacon of light in any room with her kind, funny, and laid-back personality. Nana has a natural ability to connect with others and encourage others to put their best foot forward. Very well deserved—congratulations, Nana!”

Ryan Dini, PE teacher and Soccer coach, said, “Nana is very deserving of being recognized as District 88's Best. Nana always gives it 100 percent, helps others, and was a pleasure to teach and coach at Addison Trail. Nana is always in a good mood and is very supportive of her classmates and teammates. Really happy for Nana to get this award, and keep up the great work!”

Lilia De La Torre, Public Speaking teacher, said, “Nana took my public speaking and communication class in the fall of 2024. She was a timid yet fearless sophomore navigating the intricacies of high school. Despite her timid nature, she consistently went above and beyond with her speeches. Nana worked exceptionally well with others and consistently served as a positive role model for her peers. Her positive character and willingness to put forth her best effort truly stood out. I am very proud of all she has accomplished and the growth she has demonstrated. Good luck, Nana!”

Andrea Grossart, Science teacher, expressed, “So many beautiful words come to mind when I reflect on Silvana. First and foremost, she is a leader. She was a powerhouse when it came to motivating her peers so they would have success. Her positive attitude and strong work ethic were infectious in my classroom. She is a nurturer who would take such pride and care of our greenhouse plants. I could always count on her to not only get a task done, but to do it with care and diligence. I remember she would walk into horticulture every day with a smile and kindness towards myself and her peers. She truly cares about others. I hope she knows how inspiring this can be to the classroom and the community. I know her future is bright and any path she chooses will be guided by her light!”

Angel Vega, Soccer coach, added, “Amazing person on and off the field. Nana is a natural-born leader—very proud to call her a Blazer.”

Janin Huerta, Science teacher and Student Council sponsor, shared, “Congratulations, Nana! There are so many kind words I can use to describe Nana. She is one of those students who radiates positivity wherever she goes. I am certain that her leadership and commitment will continue to shine in her next chapter. Congrats again, Nana!”

Esther Delgado, Administrative Assistant, said, “I LOVE Silvana; she is just the most outgoing, hard-working, always-willing-to-give-a-helping-hand young lady. I am so happy for her because she is trying very hard to help her mother at home and making her mom proud”

Isabel Witte, Guidance Counselor, shared, “It is truly an honor to recognize Silvana, better known as Nana, as District 88’s Most Improved Student. As her school counselor, I feel incredibly fortunate to have gotten to know her and witness the growth she has made, not only academically, but personally. Watching her journey has been so rewarding, and I hope she knows just how proud I am of her.

She has worked incredibly hard to strengthen her English language skills, and it has been amazing to see how far she has come. Her progress is a true reflection of her

determination, perseverance, and willingness to step outside of her comfort zone. I have watched her confidence grow, seen her come out of her shell, and enjoyed watching her become more involved in school activities and new experiences.

She is a sweet, kindhearted, and respectful young lady with a true go-getter attitude. One of the things I admire most about Nana is the passion she brings to the things that matter to her. When she cares about something, she gives it her all, and you can see her personality shine. She approaches life with a genuine desire to learn, grow, and do her best.

I feel lucky to know her and to have played even a small part in her journey. She has reminded me that growth isn't always about how quickly you get somewhere, but about the courage to keep trying, the willingness to believe in yourself, and the determination to keep moving forward.

I have no doubt that she has a bright future ahead of her. I hope she carries the confidence she has gained with her wherever life takes her and never forgets how much she is capable of accomplishing. She is so deserving of this recognition, and I couldn't be happier to celebrate her!

Congratulations! Keep believing in yourself, keep working hard, and never stop shining!”

Nana, we congratulate you on being named District 88’s Best. Your remarkable growth, courage to challenge yourself, and uplifting spirit have inspired the entire Addison Trail community. We are immensely proud of all you have achieved and look forward to watching your continued success. You will always be a Blazer!

5.B. School Board Members Day and American Education Week 2026-27

AMERICAN EDUCATION WEEK AND SCHOOL BOARD MEMBERS DAY

American Education Week will take place from Nov. 16 to 20 and presents all Americans with an opportunity to celebrate public education and honor individuals who are making a difference in ensuring every child receives a quality education. Educators today serve as teachers, coaches, mentors and more for all students to help them succeed inside the classroom and beyond. We have more than 500 staff members at District 88 – from administrators, to teachers, to support staff, clerical staff and maintenance staff – all of whom work tirelessly to have a positive impact on each and every student, each and every day.

Nov. 15 is designated as School Board Members Day each year in Illinois to recognize the outstanding efforts of the nearly 6,000 elected school board members throughout the state. School board members serve their communities without monetary compensation to make public education the best it can be for every child. Their policies and oversight guide the district as tough decisions are made on complex education and social issues that affect the entire community and individual students. District 88 Board members spend countless hours attending meetings, events and workshops to ensure students receive a high-quality education. The villages of Addison, Lombard and Villa Park have provided proclamations to honor this special day.

The administration thanks District 88 staff and school board members for their passion, dedication and service. It is through their commitment and efforts, along with all of our partners, that we're able to accomplish the district's mission and vision.

11. **Discussion Items**

A. Special Purpose Treasurer Bond

Mr. Ryan Domeracki, Chief Financial Officer, presented the Special Purpose Treasurer Bond.

B. Proposed Property Tax Levy 2026

Mr. Ryan Domeracki, Chief Financial Officer, presented information regarding the proposed property tax levy. The estimated tax levy will be presented to the Board of Education for discussion in November and subsequent approval in December.

Board member Amy Finnegan asked if the TIF districts are exclusive to residential areas or a mix of commercial and residential properties. Mr. Domeracki replied that it is a mix based on a geographical area.

C. School Report Card Preview

Mrs. Yvonne Tsagalis, Assistant Superintendent for College and Career Readiness, shared information on the upcoming release of the 2026 Illinois School Report Card.

Board member Margarita Look asked if the ratings compare performance against other schools. Mrs. Tsagalis explained that ratings are determined strictly by where District 88's performance percentages fall on the presented Clear Criteria chart. Mrs. Cain commented that many student subgroups within the district are successful, but noted that their performance could possibly impact the district's overall score.

Mrs. Cain clarified that credit is awarded simply upon completion of the student climate survey, which Mrs. Tsagalis confirmed.

Mrs. Look commented that the new model will be difficult for parents to understand.

Dr. Barbanente added that the district graduation rate will positively impact our score.

Board member Amy Finnegan asked if the same model is used for K–12 schools. Mrs. Tsagalis replied that high school is different from elementary, noting that the elementary model has fewer indicators. Ms. Finnegan asked if the many pathways the district offers

are taken into consideration. Mrs. Tsagalis stated that they have not been part of our designation. Dr. Barbanente added that those pathway indicators drive higher ratings across other district evaluation models.

Mrs. Tsagalis noted that the 2026 Illinois Report Card will be released on October 30th.

7.C. Treasurer’s Bond

DUPAGE HIGH SCHOOL
DISTRICT 88 ADDISON TRAIL WILLOWBROOK

TO: Dr. Jean Barbanente
Board of Education

DATE: November 10, 2026

FROM: Mr. Ryan Domeracki

RE: **Treasurer Surety Bond Renewal for Special Issue G.O. Bonds (2025)**

The general obligation bonds that we issued in last fall require a special treasurer surety bond that must be maintained until the proceeds are completely expended. The actual bond was initially purchased effective October 21, 2025. We renew this annually and certify this to the Regional Office of Education. In accordance with the Illinois School Code, the minimum level of bonding allowed is 10% of the remaining bond proceeds. We applied for a renewal surety bond in the amount of $500,000, which is slightly above the 10$ threshold as the bond proceeds were slightly over $4,000,000 with a quotation from One 80 Intermediaries (Brokers' Risk) of $791.00 for the coverage period of November 16, 2026 through November 16, 2027.

Suggested Motion:

Move that the Board of Education accept the proposal from One 80 Intermediaries (Brokers' Risk) to renew the treasurer surety bond for the 2025 special issue of G.O. Bonds at a premium cost of $791.00

   9.A. Proposed Property Tax Levy 2026

DUPAGE HIGH SCHOOL
DISTRICT 88 ADDISON TRAIL WILLOWBROOK
Building Futures

TO: Dr. Jean Barbanente
Board of Education

DATE: November 10, 2026

FROM: Mr. Ryan Domeracki

RE: **Proposed Property Tax Levy 2026**

A property tax levy is the dollar amount of taxes requested by the Board of Education to be collected from all property owners within the District. The District has three limitations to the amount of taxes we may collect:

- √ The legal maximum tax rate
- √ The Property Tax Limitation Law ("tax cap")
- √ The amount of the levy request filed in December

The District is responsible for levies in the Education, Tort Immunity, Special Education, Operations and Maintenance, Transportation, IMRF, Social Security, Life Safety, and Working Cash Funds. The County Clerk automatically extends the amount of taxes required to meet the payment schedule for each debt issue from the Debt Service Fund. Taxes levied in December of 2026 are scheduled to be collected in June 2027 and September 2027.

Each year the administration prepares the estimated tax levy that is presented to the Board of Education for discussion in November and subsequent approval in December, following a public hearing if necessary. Effective for the 2005 levy year and all subsequent levy years, the maximum tax rate definition was changed to what is set for specific funds by statute. This rate ceiling is not permitted to be further increased by referendum or otherwise. Therefore, taxing districts have substantially increased flexibility to levy taxes for the purposes for which they most need the funding. However, the overall "tax cap" remains in place (see explanation below). A taxing district's limiting rate will continue to control the overall level of property tax rate change. In accordance with the Truth in Taxation statute, a public notice and hearing will not be necessary for the 2026 Tax Levy as the request for increase will not exceed 5% over the 2025 final property tax extension. Although the board has consistently committed to transparency, adopt this estimated tax levy resolution and conduct the public hearing in December anyway.

The Property Tax Extension Limiting Law (PTELL or Tax Cap) was originally applied to the 1991 levy year for taxes payable in 1992. The Tax Cap limits the increase in property tax extensions to the lesser of 5.0% or the actual percent increase in the All Urban Consumer Price Index (CPI) as published by the U.S. Dept. of Labor, during the 12-month calendar year proceeding the levy year, plus new property/construction. **The CPI {as of December 2025} for the 2026 property tax levy is 2.7%.** The ten year history of the CPI is attached for reference in ***Exhibit 3.*** The property tax extension for the

previous year 2025 is increased by the CPI for the basis of our request. In addition to the CPI, the formula allows for the recognition of new property/construction that comes onto the tax base for each tax year. This includes any expiring Tax Increment Financing (TIF) property and previously tax exempt property that is sold and may become taxable. The total Equalized Assessed Value (EAV) estimate is what we use as the base for planning the 2026 property tax levy. The past two years new property/construction has contributed an additional 0.41% (2024) and 0.19% (2025) respectively to our annual tax extension. As in the past, because this actual property information is unknown at the time of filing a property tax levy request, it is a sound practice to build in some buffer to capture any potential available funds from new property growth. It is an absolute under the Tax Cap that if the annual Tax Levy request isn't high enough compared to the county clerk's extension in the spring, we will forfeit access to the full extension. This would be a permanent loss of access to property tax revenue for the district and one that would compound in the years ahead.

The prior year 2025 new property/construction value of $7,714,676 represented an increase of 0.19%. The overall Equalized Assessed Value (EAV) of property increased by 7.29%. Currently having discussions with the local assessors as of October, as we iron our estimates for what the expected increase of our overall EAV will be and most importantly new property.

Some property owners may be frustrated by the fact that their tax bill is increasing. This is due to a number of possible factors including: 1) the total tax levy request that is filed including debt service repayment or, 2) changes in the assessment value of their property by the assessor office or, 3) property assessment appeals that can reduce overall district taxable property (EAV) which in turn increases the tax rate for each remaining property. The downturn in the economy from 2009 to 2014 brought about changes to this taxation process that were unique and challenging for all. During this time, the most common concern was how their tax bill could be increasing when the value of their property was declining. A more detailed explanation is provided in the attached Tax Levy Process Frequently Asked Questions (FAQ) that I prepared to assist the community. We are but one of the contributors to this property tax system and work closely to explain the process to our constituents. In addition, the area township assessors provide similar information to help explain the somewhat complex process of property assessment and taxation.

In summary, with the CPI limit of 2.7% and applying an estimate of $15,000,000 for new property, it is likely the tax extension will increase approximately 3.04% or $2,162,839. **The 2026 proposed Property Tax Levy of $74,018,792** represents a requested increase of 3.97%, (***see Exhibit 2, row 9, columns C and E***) to protect us from any unexpected new property increase. This levy is based upon an estimate of property value (EAV) increasing by 4.2% in accordance with trending from area assessors. Again, this is the first year of returning to more sustainable inflation compared to the previous two years, as we previously discussed with the board, it continues to reflect the same inflationary pressures on the district operating budget as the local economy. Therefore, we are submitting a levy request that provides appropriate protections to sustain our comprehensive educational programming. The updated property tax booklet is provided to assist with historical trending and other important property tax information including area high school comparisons.

The tax levy process takes place over three board meetings as follows to comply with the law and avoid unnecessary tax objections.

- Tax levy process is outlined in detail in **Exhibit 1.**
- At the October 19, 2026 Board Meeting, initial property tax levy process discussion.
- At the November 16, 2026 Board Meeting the Board adopts the "Resolution Regarding Estimated Amounts Necessary To Be Levied For The Year 2026", and establish the Public Hearing date of December 14, 2026.
  Board Secretary must sign Truth In Taxation public notice for publication
- Truth in Taxation notice to the public will be published in the Daily Herald on Thursday, December 3, 2026 – see attached
- At the December 14th Board Meeting we will conduct the public hearing and recommend adoption of the 2026 property tax levy to be filed with the DuPage County Clerk.

Tax Levy Process and Frequently Asked Questions

1. What is a Levy?
The amount of money a governmental entity (like public school district) certifies to be raised from property tax – the request.

2. What is an extension?
The process in which the County Clerk calculates the tax rate needed to raise the revenue (Levy) allowable by law and certified by each school district in the county. The total extension is the product of the district's total combined property value {referred to as equalized assessed valuation (EAV)} multiplied by its calculated tax rate and is equal to the total property tax billings on the district's behalf. The EAV is calculated by the township assessor but in simple terms they will calculate the most recent three year sales ratio across regional areas and apply the rate of change to other properties in that area. They also manage the various types of exemptions for each property and assist homeowners who may disagree with the assessment value of their property. In general, the goal is to provide a uniform and fair assessment that equates to the established county value for that type of property. This is then multiplied by what is called the county multiplier, assigned by the Illinois Dept. of Revenue to equalize all property values to achieve the overall 33% level for the county. Overall the total property within the county should reach 33% of the determined property value for property tax purposes. Historically the multiplier is typically closer to 1.0 but due to the unprecedented rate of foreclosure activity and downturn in the real estate market, it is not uncommon to see a negative multiplier for some areas recently. More information is available through contacting your local assessor for a more specific discussion about your property value or EAV.

Example: Home value of $300,000 = (approximately) $100,000 EAV

3. What is The Truth In Taxation Act?
Legislation approved and effective July 1981 provides procedures for Public Notice and Public Hearings on Tax Increases greater than 105% of the prior year's extension.

4. What is The Property Tax Extension Limitation Law?
The Property Tax Extension Limitation Law, commonly referred to as "TAX CAP" or "PTELL" limits the increase in property Tax Extensions to 5% or the Consumer Price Index (CPI), **whichever is less**, not counting new construction or Bond & Interest Obligations. Last year, the district tax extension (excluding debt service) was approved to collect $59,315,444.54 in tax revenue. The CPI used for determining this year's levy will be capped at 5.0% percent. This means the district will be allowed to collect an additional $2,965,772 plus whatever taxes are generated from new properties, including any expiring or closed Tax Increment Finance (TIF) properties or previously exempt properties.

5. How does the district determine its levy?
The annual budget expenditures for the education program and support services are projected to define the "need" for financial resources. The district then prepares an annual request (tax levy) and the board adopts that levy request by December each year after holding a public hearing. The law allows the district to make a prediction to request (levy) more taxes than they expect to collect, ***because at the time of the levy in December, the new property EAV is unknown.*** The actual new property value is not available until March when the County Clerk finalizes the tax extension and tax rate allowed under the Tax Cap.

6. Is it possible for your tax bill to increase even when your property value is declining?
Yes, the percent change in your property tax bill is not a 1 to 1 relationship with the percent change in your property value. In addition, other important factors also impact your tax bill:

- **Did your homeowner's exemption amount change from the prior year?**
  The recent decline of home values is generating a loss of the senior citizen assessed value freeze. This means that while they may have qualified for a protection from increases to their property tax bill during a good economy …when the value of their homes declines below the "assessment freeze" level, so does their protection. Consequently, they will begin to see increases to their property tax bills. This can be quite troubling to those who are on fixed income during retirement.

- **Did another exemption possibly expire?**
  The change in ownership may result in the loss of a senior citizen exemption or the loss of a homestead improvement exemption that expires after four years.

- **What was the change in your taxable property value (EAV) as compared to other taxable properties in the community?**
  The rate of change in EAV for individual properties will cause a shift in the tax burden to other properties. If other property EAV's decreased by a larger percent than yours, your resulting EAV would represent a larger portion of the total EAV than it previously did. Therefore, you would be responsible for a larger portion of the taxes than you previously were. With thousands of taxable properties making up the total EAV, it is impossible to predict your tax bill simply based upon what happens to your individual property's EAV.

Consider this simplified example:

Year 1: The school district needs taxes of $10,000 to provide services to your children. Suppose there are only 2 taxable properties in the community, your home and a commercial bank. The taxable value (EAV) of your home is $100,000 and the EAV of the bank property is $700,000.

Your home represents 12.5% of the total EAV ($100,000/$800,000), so your share of the tax bill is 12.5% x $10,000 or **$1,250.**

Year 2 declining EAV: The school district is limited by the Consumer Price Index (CPI) to an increase in property taxes of 0.70% or $70, for a total tax extension of $10,070. At the same time, your EAV decreases by 15% to $85,000 and the bank EAV decreases by 30% to $490,000.

Your home **now** represents 14.8% of the total EAV ($85,000/$575,000), so your share of the tax bill is 14.8% x $10,070 or **$1,490.**

Therefore, even though your taxable EAV decreased, the bank's EAV decreased more, ***so your property now represents a larger proportion of the total tax base***, and a larger proportion of the tax burden. The recent increase in property assessment appeals combined with the number of foreclosed properties throughout the county has contributed to this actual trend.

Year 2 Increasing EAV: The school district is limited by the Consumer Price Index (CPI) to an increase in property taxes of 0.70% or $70, for a total tax extension of $10,070. However, had your EAV increased by 20% to $120,000 and the bank's EAV by 30% to $910,000, you would not have seen a 20% increase in your tax bill.

Your home now represents 11.7% of the total EAV ($120,000/$1,030,000), so your share of the tax bill is 11.7% x $10,070 or **$1,178.**

Even though your EAV increased, the bank's EAV increased more, ***so your property now represents a smaller proportion of the total tax base***, and therefore a smaller proportion of the tax burden.

7. Why would a District propose a levy which is higher than the limits of the Property Tax Extension Limitation Law?
Because under the Property Tax Extension Limitation Law (PTELL) if you under levy, you can never recapture the lost revenues for the District. Also, at the time of the levy, a very important fact is unknown to the School District***: the amount of new construction property that will be coming on to the tax base in the coming year. The assessment process timing does not align with our November/December levy cycle. The new property value is not determined until three months after the levy request***.

8. Why doesn't the School District lower its Levy?
We would be penalized under the Tax Cap for future years as each year is limited by the year prior. The CPI in 2008 was an unprecedented 0.10% which severely limited property tax revenue and resulted in a funding shortfall for most school districts. At the time of the 2021 tax extension ***we permanently lost access to $15.8 million for education programs***. This is a permanent funding reduction of the annual property tax revenue for the district. Consequently, we have worked diligently to adjust the programs and services to live within the available fiscal resources and be diligent with any borrowing.

9. How have the District's financial matters been managed?
During the period of 2003 through the year 2011 DuPage High School District 88 had maintained the highest designation of 4.0 on the Financial Profile rating with ISBE (Illinois State Board of Education) which is the equivalent of the "Recognition" rating. Unfortunately, this score declined during the downturn of the economy from 2012 to 2014, due to a combination of deficit spending and declining property values, to downgrade one level to the "Financial Review" rating. In addition, the District financial rating from Moody's Rating Service was downgraded to Aa1 from Aaa as of 2014. Some of this downgrade was simply due to the deteriorating State of Illinois financial condition. In addition, the combination of the low CPI of 2008 (explained above in paragraph 8) and the program demands for comprehensive services to the community outpacing available resources, were causing us to draw down financial reserves. The combination of a recovering economy and budgetary control have contributed to our return to "Recognition" status since the fiscal year 2015 and Moody's has recently affirmed in 2025 our financial rating of Aa1.

10. How does the District 88 tax rate compare to other districts?

The amount and type of property in a community does affect the homeowner tax bill. A community that has more successful commercial/industrial property will typically generate a total overall taxable EAV that is much greater. This balanced mix of properties helps distribute the tax burden throughout the community. The higher the combined property value the lower the tax rate.

9.C. ISBE School Maintenance Grant

DUPAGE HIGH SCHOOL
DISTRICT 88 ADDISON TRAIL WILLOWBROOK
Building Futures

TO: Dr. Jean Barbanente
Board of Education

DATE: November 11, 2026

FROM: Mr. Ryan Domeracki

RE: **ISBE School Maintenance Matching Grant Program**

We just received notification from the Illinois State Board of Education that another round of the matching School Maintenance Program Grant is being funded. This program is a dollar for dollar state matching grant up to $50,000 for maintenance or upkeep of existing buildings. Funds cannot be obligated or expended prior to the application and award of the grant. All project activities must be expended within 2 years of the disbursement by the State. Therefore, we are recommending submittal of the application for the hot water system replacement at Willowbrook that is planned for the summer 2027.

We are asking for authorization from the Board of Education to proceed with an application to participate in the State Board of Education school maintenance matching grant program. The program provides financial assistance to school districts based upon a prioritization schedule and available funding. We may qualify for up to $50,000 of financial assistance to complete needed repairs to the facilities. The governor has set aside approximately $50 million for the fiscal year 2027 round 1 program. This is similar to the programs that were funded periodically since 2013-14 and most recently for this past fiscal year. The application, if approved, would require us to perform this work within two years and will fund up to the maximum of the matching grant approval level. We are estimating the hot water system replacement work at Willowbrook will exceed the $100,000 cost, which would maximize this grant, as the Addison Trail hot water system replacement a couple of years ago was approximately $325,000.

Suggested Motion:
Move that the Board of Education authorize the administration to prepare and submit the application to the Illinois State Board of Education School Maintenance Program Grant for the hot water system replacement work at Willowbrook.

9.D. Resolution Urging Congress to Fulfill Its Promise to Fund 40 Percent of IDEA Costs

Resolution Urging Congress to Fulfill Its Promise to Fund 40 Percent of IDEA Costs

Dr. Jean Barbanente will present the resolution urging congress to fulfill its commitment to fund 40 percent of special education costs under the Individuals with Disabilities Education Act (IDEA).

Suggested motion: Move that the Board of Education adopt the resolution urging congress to fulfill its commitment to fund 40 percent of special education costs under the Individuals with Disabilities Education Act (IDEA).

Resolution Urging Congress to Fulfill Its Promise to Fund 40 Percent of IDEA Costs

A Resolution of the DuPage High School District 88 School Board Urging the United States Congress to Fulfill Its Longstanding Commitment to Fund 40 Percent of Special Education Costs Under the Individuals with Disabilities Education Act (IDEA)

WHEREAS, the Individuals with Disabilities Education Act (IDEA) was enacted in 1975 to ensure that students with disabilities receive a Free Appropriate Public Education (FAPE); and

WHEREAS, Congress made a clear commitment in IDEA to fund 40 percent of the cost to educate students to help cover the excess costs of providing special education services; and

WHEREAS, despite this longstanding promise, federal IDEA funding has consistently fallen far short — in 2027 providing just 10 percent of the cost nationally — leaving the State of Illinois, local school districts, and taxpayers to subsidize the federal government's unmet obligation; and

WHEREAS, students covered by IDEA have grown exponentially from 3.7 million in 1975 to 8.3 million students today; and

WHEREAS, statewide Illinois school districts collectively face a statewide special education shortfall exceeding $1.4 billion annually, requiring local districts to redirect general education revenues to meet mandated special education needs; and

WHEREAS, the federal funding shortfall places significant and increasing pressure on local budgets, widens funding imbalances among school districts, undermines general education programs, and forces reductions in staffing, class size initiatives, mental health supports, and other essential student services; and

WHEREAS, fulfilling the federal promise of 40 percent IDEA funding would provide substantial relief to Illinois school districts, reduce reliance on local levies, stabilize district budgets, and strengthen educational outcomes for all students;

NOW, THEREFORE, BE IT RESOLVED that the School Board of DuPage High School District 88 hereby urges the United States Congress to:

1. Fulfill its statutory commitment to fund 40 percent of IDEA special education costs by supporting annual increases that result in 40 percent by the year 2040;

2. Ensure IDEA funding remains stable and protected from across-the-board cuts.

3. Publicly reaffirm the federal government's responsibility to fully fund (40%) mandated special education services.

BE IT FURTHER RESOLVED, that the Board President and Superintendent are directed to share this resolution with:

- The Members of the Illinois Congressional delegation representing the school district;
- The Illinois Association of School Boards; and
- The State legislators representing the school district.

ADOPTED by the School Board of DuPage High School District 88 this 16th day of November, 2026.

    10.A. Supplemental Property Tax Levy Resolution for 2026

DUPAGE HIGH SCHOOL

TO: Dr. Jean Barbanente

RE: **Supplemental Property Tax Levy Resolution for 2026**

Within the planning for the prior year 2025 borrowing of $4 million for capital improvements and equipment, we anticipated the use of a supplemental property tax levy to capture the allowed increase to our annual Debt Service Extension Base (DSEB). The DSEB is basically a limit on how much we can levy to repay non-referendum debt on an annual basis. The Illinois School Code allows for us to request an increase for the tax year 2026, equivalent to the Consumer Price Index for said tax levy year which as you know is capped by the Property Tax Extension Limitation Law (PTELL) at 5.0%. Similar to the process that we followed in levy years 2019 and 2022, there is a process in place to capture this allowed increase.

The outstanding debt repayment schedule for 2026 through 2028 currently exceeds the annual DSEB (See Exhibit A). The bond structure prepared and adopted for the 2025 bond issuance anticipated a conservative CPI rate of 1.50% for each of these years. Working with PMA Securities and Chapman and Cutler, we prepared the attached supplemental levy resolution. By approving this supplemental property tax levy, we will be able to extend the full amount for levy year 2026, and additional amounts in levy years 2027 and 2028 (See Exhibit B).

In addition to the supplemental property tax levy fulfilling our planning to cover the current outstanding debt repayment, it will also provide us with some flexibility for future borrowing capacity as the DSEB increase will be sustained at a higher rate for future years. Therefore, we are recommending approval of the Supplemental Property Tax Levy resolution for tax levy year 2026 at the December 14, 2026 board meeting.
