NORTHVILLE YOUTH NETWORK PROGRAM REPORT
October 2026

PROGRAMS, SERVICES & COMMUNITY PARTNERSHIPS

Northville Youth Network's Youth Assistance group programs resumed this month with Teen Talk welcoming four high school students and Project Impact serving five middle school students in the current cohort. The return of these programs provides Northville youth with targeted opportunities to build positive peer relationships, develop healthy decision-making and communication skills, and address challenges before they escalate. NYN is pleased to continue offering these programs in partnership with our schools, families, and community partners.

Community engagement and partnership-building remained a priority for Northville Youth Network throughout the month. The NYN team was pleased to once again participate in the Northville Township Fire Department Open House, where we had the opportunity to connect with hundreds of Northville residents, strengthen community relationships, and share information about the resources and support available through NYN.

Director Sondreal also represented Northville Youth Network during the annual Northville Township Budget Study Session, where Township department directors highlighted key accomplishments from the past year and shared priorities for effectively meeting the needs of the community in 2027. The session provided an opportunity to showcase NYN's ongoing work and the impact of our programs and services in supporting Northville youth and families.

Strengthening our partnerships with Northville Public Schools also remained a key focus. This month, Director Sondreal, Bridget Drezewicki, and Christine Spangler presented at two important meetings with our school-based referral partners: the NPS psychologist and social worker meeting and the Northville High School VIP meeting, attended by principals, assistant principals, school counselors, and social workers. These meetings provided an opportunity to introduce our team, highlight NYN's current programs and services, and discuss how we can continue to best support the students and families who are referred to us. Maintaining strong communication with our referral partners is essential to ensuring that families receive timely, responsive, and individualized support.

October marked the second session of OverBooked 2.0, NYN's reimagined parent education series. The program is designed to make high-quality mental health education accessible to Northville families while providing parents and caregivers with practical, evidence-informed strategies they can use at home. This month, we were pleased to welcome Kerry Biskelonis, clinical psychologist and founder of Reset Brain and

Body. Kerry shared valuable information and practical guidance with parents while also providing an opportunity for attendees to ask questions and engage in meaningful conversation with both the presenter and other parents. The continued development of OverBooked 2.0 reflects NYN's commitment to providing accessible education and resources that respond to the evolving needs of Northville families.

As part of NYN's BeWell programming, NYN launched Learn, Connect, Build, a four-week program designed for students in grades three through five. The program was developed in response to increased referrals related to peer conflict, social anxiety, and challenges with social connection. The program focused on strengthening social skills, building confidence, and fostering meaningful connections through activities centered on cooperation, flexibility, communication, problem-solving, and empathy. Parent education was incorporated into each session, giving parents the opportunity to learn about the skills being developed and ways to reinforce them at home and in their children's everyday social environments. Five Northville youth and their parents participated in the inaugural group, and NYN received positive feedback from participating families. Based on the success of the initial group, NYN plans to offer Learn, Connect, Build again in Spring 2027, continuing to expand responsive programming based on the needs identified through our youth and family referrals.

From responding to referrals and connecting families with resources to creating opportunities for education, connection, and community, NYN remains committed to helping raise a community where every Northville child and family feels supported, connected, and never alone.

GENERAL OPERATIONS

Northville Youth Network also continues to expand its digital outreach efforts, helping ensure that Northville residents have timely access to mental health resources, program information, and educational content. Throughout September NYN highlighted ADHD Awareness Month as well as World Mental Health Day. NYN continues to use its digital platforms to share information about community resources to connect individuals and families with support.

YOUTH SUPPORT SERVICES

The tables below indicate the status of referrals for October. The first table outlines the number of clients who are new, in progress, or have been discharged during this period. The second table provides a detailed breakdown of Youth Assistance Program (diversion program) referrals by reason, as well as behavioral health support referrals from all other sources (e.g., parent or school) by reason and type.

Accepted the following grants for the terms, amounts, and purposes noted:

Grant	Grantor	Amount	Term	Purpose	Responsible Party
ISD Collaboration	Michigan Department of Education	$300,000	10/01/2026 - 09/30/2027	Wayne County Regional Educational Service Agency (WRESA) (Grantee) is granted from the Michigan Department of Education (MDE) (Grantor) for reimbursement of costs associated with the Title I Statewide System of Support Program Evaluation grant with the purpose to increase student academic achievement through such strategies as improving teacher and principal quality and increasing the number of highly qualified teachers in the classroom.	Finance
ISD Collaboration	Michigan Department of Education	$500,000	10/01/2026 - 09/30/2027	Wayne County Regional Educational Service Agency (WRESA) (Grantee) is granted from the Michigan Department of Education (MDE) (Grantor) for	Finance

				reimbursement of costs associated with the Title II Grants to Local Educational Agencies. This grant is designed to help local educational agencies (LEAs) improve teaching and learning in high-poverty schools in particular for children failing, or most at-risk of failing, to meet challenging State academic achievement standards.	
ISD Collaboration	Michigan Department of Education	$260,000	10/01/2026 - 01/31/2027	Wayne County Regional Educational Service Agency (WRESA) (Grantee) is granted from the Michigan Department of Education (MDE) (Grantor) for reimbursement of costs associated with M-V Homeless expanding the state's compliance with federal requirements and enhance the capacity at the Intermediate School District (ISD) level to assist local school districts.	Finance

The Board also considered and approved the following Action Items:

1. Wayne RESA Board Election Date – Monday, June 7, 2027
2. Intergovernmental Agreement for Literacy Funding – Wayne County Executive Office
3. Appointment of Director, Special Education and Early Intervention Services – Dr. Katie Dodge

Superintendent's Comments
Dr. Colbert shared:

- A moment of sadness was shared regarding the school shooting at Silver Rail Elementary School in Bend, Oregon, on October 15, where three children and a teacher lost their lives, and others were injured. The tragedy is devastating and brings collective grief, concern, and uncertainty for students, families, educators, and communities across the country. Thoughts and prayers were extended to the families and school community.
    - The importance of continued conversations around safe storage, mental health supports, safety and security, and reducing harmful rhetoric was emphasized. Wayne RESA's commitment to safe, secure, welcoming, and emotionally supportive schools must remain unwavering. Schools must continue to lead with empathy, respond with care, and ensure that school communities have access to the resources they need.
    - Appreciation was extended to the Safe and Healthy Schools, Communications, and Special Education and Early Intervention teams for ensuring that resources and communications shared with districts remain relevant and timely.
- Appreciation was also extended to the Safe and Healthy Schools and Crisis teams for their coordination and leadership following the sudden loss of colleague Dr. Joseph Leonard Musial III. The team demonstrated resilience throughout the heartbreaking news shared with the Wayne RESA family. Gratitude was expressed to Oakland Schools for its partnership and support during a time when Wayne RESA's own team also needed support.
    - Earlier in the meeting, prior to the Wayne County Data Presentation, Dr. Colbert shared a touching tribute to the life and legacy of Dr. Joseph Leonard Musial III.
    - An excerpt of the tribute:
        - On September 15, 2026, we experienced a heartbreaking and unimaginable loss. While the passing of Dr. Joe has left a tremendous void in our organization, his life reminds us of something powerful: The true measure of a person's legacy is not simply the years they lived or the titles they held, but the lives they touched, the people they lifted, and the difference they made along the way.

          Dr. Joe was relevant and made a difference through his scholarship, his service, his leadership, and, perhaps most importantly, through the kindness and humanity he extended to others.

          Dr. Joe joined Wayne RESA on December 17, 2007, and dedicated nearly 19 years of service to our organization as an Assessment and Evaluation Consultant. Throughout those years, he brought an extraordinary depth of knowledge in educational research, assessment, evaluation, statistics, and psychometrics.

          Dr. Joe believed in serving and supporting his colleagues. Within Wayne RESA, he served the Wayne County Schools Support Federation (WCSSF) as Secretary/Treasurer from 2019 through 2022 and Vice President from 2023 through 2026.

          He understood the power of research and data to inform decisions, strengthen educational practices, and ultimately improve outcomes for students.

          Dr. Joe brought more than expertise to his work. He brought his heart.

          He was a husband, father, colleague, and friend.

          He was someone who understood that relationships, kindness, and the way we treat people matters. He loved people through the simplest, yet most meaningful gestures, a thoughtful note, a check-in, a kind word, or something done for

someone simply because he cared.

His contributions strengthened Wayne RESA, supported the educational community, and helped advance the important work we do on behalf of students, educators, and schools throughout Wayne County.

On behalf of the Wayne RESA Board of Education, our leadership team, and our entire Wayne RESA family, I extend our deepest gratitude for the life, service, and extraordinary contributions of Dr. Joseph Leonard Musial, III. May we honor his legacy not only by remembering how he lived, but by carrying forward the love and kindness he so freely gave.

We keep his wife, Nicol, and son, Jonah, his entire family, loved ones, friends, and colleagues in our thoughts.

- Thanks were extended to the Workforce Development team, specifically the Career Technical Education consultants, for their continued leadership of the Wayne County Aviation, Aeronautics, and Aerospace Initiative. The first Program Advisory Committee meeting of the 2026–2027 school year was held at Grosse Ile Airport, bringing together partners committed to expanding opportunities for students. Partners included the City of Detroit Mayor's Office, Coleman A. Young Municipal Airport, Grosse Ile Airport, Schoolcraft College, Square One, area flight schools, local school districts, and Selfridge Air National Guard. The initiative continues to provide elementary, middle, and high school students with exposure to aviation, drones, and emerging career pathways, connecting students to opportunities they may not have previously known existed.
- Wayne RESA's continued partnership with Southeast Michigan Community Alliance (SEMCA) was recognized. During a recent meeting, SEMCA shared its Registered Apprenticeship Guide and discussed opportunities for continued collaboration. Dr. Colbert will attend an upcoming SEMCA Board meeting to present on the Wayne County Aviation, Aeronautics, and Aerospace Initiative and other partnership opportunities.
    - Appreciation was extended to SEMCA for covering expenses for students participating in Drone Discovery. Four students have successfully passed the FAA Part 107 certification exam, with a fifth student working toward certification.
    - SEMCA was also recognized for its partnership, leadership, and coordination of Manufacturing Day, held October 1, which provided additional opportunities to connect students with modern manufacturing and career pathways.
- Dr. Colbert highlighted her recent visit to the Girls in Aviation program at Detroit City Airport, which provides opportunities for students to connect with STEM and aviation-related careers. Excitement was also expressed regarding Davis Aerospace's return to Coleman A. Young Municipal Airport and the continued development of career pathways that encourage Michigan students to remain in Michigan.
- Appreciation was extended to Woodhaven-Brownstown School District and Superintendent Matthew Salah for hosting Super Saturday on October 17, bringing together more than 400 transportation professionals. Dr. Colbert had the opportunity to welcome participants and recognize their important role in transporting students safely to and from school and other activities throughout Wayne County.
    - Special appreciation was extended to Kelly Schultz and the Transportation team, along with Dr. Jennifer Taiariol and the SEEIS team, for their leadership and coordination of the event. Transportation professionals were recognized for the exceptional service they provide to students and school communities each year.
- The importance of continued advocacy was emphasized, particularly the need to ask the Federal Communications Commission (FCC) to preserve and strengthen the E-Rate broadband discount

program. Wayne RESA does not support cuts to E-Rate, recognizing that the program is essential to schools and their infrastructure.

- Wayne RESA's continued commitment to the Early Childhood Center was reinforced, recognizing the opportunity to directly serve the county's youngest scholars each day. As this represents a new area of direct student service for Wayne RESA, it also brings unique operational and security considerations. The Board will continue to receive communications and updates as Wayne RESA works to ensure a safe and secure learning environment.
- The Wayne County Literacy Promise was highlighted, emphasizing the continued movement from commitment to action and outcomes. The promise is more than words, and the focus remains on improving student achievement through collective leadership and intentional school improvement efforts.
    - Support will continue for districts in ensuring they have a guaranteed and viable curriculum, evidence-based instructional practices, and intentional time for students to learn. While progress is being made, the goal is to make significant gains through collective leadership and school improvement priorities.
- Building the educator workforce remains a priority. Wayne RESA continues to participate in Talent Together, with Dr. Colbert scheduled to moderate a panel featuring Deputy Superintendent Beth Gonzalez at this week's conference. Dr. Jennifer Taiariol and her team will also present on Wayne County's para-to-teacher offerings. These efforts reflect Wayne RESA's continued commitment to developing educators, building capacity, and strengthening the educator talent pipeline.
- The recent Wayne County Women in Leadership Network convening was highlighted as another opportunity to build capacity and empower leaders. Participation extended beyond Wayne County, with attendees representing neighboring communities and counties. The continued interest in Wayne RESA's professional learning opportunities reflects the high quality of our offerings, the exceptional support provided by our teams, and our commitment to meaningful collaboration, leadership development, relevant and timely learning and training, and an intentional focus on improved outcomes for all.
- Wayne RESA will be recognized with the MI HEARTSafe School Award on Friday in East Lansing. Appreciation was extended to our Safe and Healthy Schools team for its leadership and commitment to cardiac emergency preparedness, including ensuring that automated external defibrillators (AEDs) and appropriate emergency response measures are in place throughout Wayne RESA facilities and more. This recognition reflects our continued commitment to providing safe, healthy, and supportive environments for all.
- Appreciation was expressed for the Board's continued leadership, advocacy, and commitment to educational excellence. Board members were thanked for their participation in the Michigan Association of School Boards (MASB) Region 8 Legislative Priorities Convening and Annual Conference, and for their ongoing efforts to elevate and advocate for the needs and priorities of Wayne County's students, families, educators, and communities.

Board Highlights are published by the Office of the Superintendent following monthly meetings of the Wayne RESA Board of Education.

Thornton Creek Elementary School

November 10, 2026 Board Presentation
6:30 pm

Deagon M. Jewett
Principal

Welcome to Mission Control!

Together, we are launching the leaders of tomorrow!

Dear Members of the Board of Education, Superintendent, Honored Guests, Families, Friends, and Thornton Creek Community,

Welcome to Thornton Creek Elementary! We are absolutely thrilled to host you this evening. Whether you are a longtime friend of our school or stepping through our doors for the first time tonight, we extend our warmest and most authentic gratitude for your presence, your partnership, and your unwavering support of our students.

Tonight, we are proud to invite you on a brief journey as we honor and celebrate our Legacy at Thornton Creek: *We Make A Difference*.

Our journey has been defined by years of intentional culture-building, deep-rooted traditions, and a collective commitment to **Begin with the End in Mind.** From the early visionary efforts of the leaders who came before us to our signature Make-A-Difference Days, Thornton Creek has always been a place where learning extends far beyond classroom walls. Our commitment to service, empathy, and community impact has shaped generations of Gators who understand that no act of kindness is ever too small.

At the heart of everything we do is a belief in shared leadership among our staff, students, and families. When we **Synergize,** incredible things happen, though, as any parent or educator here tonight can attest, synergy in an elementary school sometimes looks like orchestrated chaos! Yet, through it all, our absolute highest priority remains elevating student voice and student ownership. You will see that pride and confidence shine through in our young leaders each and every day, whether they are leading morning announcements, tracking their own goals, or taking charge of community projects.

To kick off our presentation, we are excited to have many of our Kindergators lead us in the pledge, followed by a short video highlighting the heart and soul of Thornton Creek. We extend a special thank you to our District Communications Specialist, Anthony Writer, whose creative talents and dedication helped bring our story to life on screen.

As we **Put First Things First** tonight, we want to pause and express our deepest appreciation to each of you. Thank you to our Board of Education for your leadership, to our dedicated staff for their passion, and to our families for entrusting us with your children. Together, we continue to build a lasting impact that will resonate for years to come.

With heartfelt gratitude and Gator pride,

The Thornton Creek Elementary Team

Thornton Creek Elementary School

November 10, 2026 Board Presentation
6:30 pm

Deagon M. Jewett
Principal

Welcome to Mission Control!

Together, we are launching the leaders of tomorrow!

Pledge ~ *KinderGators from each of our 4 kindergarten classrooms*

Welcome & Introductions ~ *Principal Jewett & Mrs. Gibson*

Charting the Course w/our Mission Commanders

1. ACADEMIC → Cascading Goals
    a. *Goal Alignment – How District Strategic Planning cascades to our schoolwide Wildly Important Goals (WIGs), which then cascade down to grade-level and classroom WIGs*
    b. *Math Mastery – Highlighting math interview items and progress tracking metrics*
    c. *Literacy Growth – Showcasing targeted literacy task items, student performance indicators, and data tracking methods*
2. CULTURE → Building Culture & Peer Engagement
    a. Peer Affirmation Station – Demonstrating how peer-to-peer appreciation builds positive school climate and community
    b. Crew Reports – Student-led crew reports and how our students drive daily culture
3. LEADERSHIP → Leadership in Action & Everyday Impact
    a. Classroom Highlights – Spotlight on student-led goals and leadership across all grade levels
    b. Everyday Leadership – Transitioning from structured classroom goals to authentic, everyday leadership
4. LEGACY REVIEW → "We Make A Difference"
    a. Event Overview – How daily choices foster responsibility, ownership, and lasting impact
    b. Community Support – Acknowledgement of the journey and those who have come before us, paving the way for who we are today
    c. Legacy Video – A Brief History of Time

THANK YOU!

Northville Public Schools

Memo

TO: RJ Webber, Superintendent

FROM: Brian Sumner, Director of Human Resources and Employee Relations

CC: Rebecca Pek, Assistant Superintendent of Human Resources & Development
Devin Kling, Assistant Superintendent of Finance and Operations
Emily Pohlonski, Assistant Superintendent of Instruction

DATE: November 3, 2026

RE: Teacher Hire

Background:

Cooke School recently experienced the resignation of one of its SCI teachers, creating a vacancy that the District posted and is seeking to fill.

Cooke School

SCI Teacher

Megan Schork completed her Bachelor of Science in Elementary Education and Special Education, with a focus on Cognitive Impairments, and has experience teaching students with cognitive impairments in both Plymouth Canton Community Schools and Livonia Public Schools in self-contained classrooms, before recognizing her true passion and calling was working with students in a center based program like Cooke School, where she has been substituting in various capacities over the course of the past year. Megan's experience prior to teaching includes similar work, having served as a direct care worker at the St. Louis Center supporting individuals with intellectual and developmental disabilities. While working at Cooke over the course of the past year, Megan has gained the respect of both administration and staff, while building strong connections with students. We're excited Megan is invested in Cooke and its students and excited about the potential of her becoming a part of Cooke's team in a permanent capacity.

Recommendation:

On behalf of the central office administrative team, I recommend that the Board of Education approve a probationary contract for the 2026-2027 school year for Megan Schork. Please refer to the supporting reference documents for additional information about the candidates.

NORTHVILLE PUBLIC SCHOOLS
Northville, Michigan

RE: Early Childhood Coordinator Hire Recommendation

HUMAN RESOURCES

As the Board is aware, Chelsea Simons previously made the difficult decision to pursue a leadership opportunity at the state level, allowing her to contribute to the expansion and advancement of early childhood education across Michigan. While we were sorry to see her leave Northville Public Schools, we knew her vision, expertise, and leadership would be a tremendous asset to any organization fortunate enough to have her.

Over the past several months, the District has worked diligently to identify a candidate capable of filling the significant void left by Chelsea's departure. At the same time, Chelsea was navigating her new role and ultimately came to realize that her passion and professional calling remain centered in direct early childhood program leadership and service at the center level.

Before re-entering the job market, Chelsea reached out to determine whether the District would be interested in discussing her return. Without hesitation, the Assistant Director of Early Childhood, the Offices of Instruction and Human Resources, and Dr. Webber enthusiastically supported the opportunity to welcome her back.

We are thrilled that Chelsea has chosen to return to the program she helped build and nurture into the outstanding early childhood program it is today. Her knowledge of our community, proven leadership, and unwavering commitment to young learners make her uniquely qualified to continue advancing this important work.

RECOMMENDATION

It is with complete confidence, without reservation, and with tremendous excitement that I recommend the Board of Education approve the re-hire of Chelsea Simons as Early Childhood Coordinator for Northville Public Schools.

Memo

TO: Devin Kling

FROM: Steven Mezzadri

DATE: October 23, 2026

RE: MDOT Performance Resolution for Public School District

The administration is requesting Board approval of the attached Michigan Department of Transportation (MDOT) resolution at the November 10 meeting so we can obtain a permit needed for our Bond 2023 fiberoptic network project.

The project will connect Northville's network to Wayne RESA through Plymouth-Canton Community Schools, allowing both districts to share internet connectivity and costs. The connection requires crossing the M-14 expressway at Beck Road, which requires an MDOT permit.

Before issuing the permit, MDOT requires the district to adopt this resolution. In plain language, the district agrees to follow the permit requirements, repair damage caused by the work, and accept responsibility for certain claims against MDOT and other specified state parties, subject to the resolution’s terms and applicable law. The resolution also designates who may apply for permits on the district’s behalf.

Adopting the resolution will allow Amcomm, our contracted vendor, to complete the work without obtaining a large bond. MDOT will also waive the permitting fees because we are a K–12 public school district.

Requested Board action:

-Adopt the attached MDOT resolution.

-Designate Steven Mezzadri, Director of Technology, as the district’s authorized permit applicant.

-Authorize completion and signing of the required certification so we can obtain the permit and move forward with the project.

If you require assistance accessing this information or require it in an alternative format, contact the Michigan Department of Transportation's (MDOT) Americans with Disabilities Act (ADA) coordinator at www.Michigan.gov/MDOT-AD

PERFORMANCE RESOLUTION FOR
PUBLIC SCHOOL DISTRICT

This Performance and Indemnification Resolution is required by the Michigan Department of Transportation for purposes of issuing to a Michigan Public School District an "Individual Permit for Use of State Trunkline Right of Way," or an "Annual Application and Permit for Miscellaneous Operations Within State Trunkline Right of Way."

RESOLVED WHEREAS, the Northville Public Schools
(PUBLIC SCHOOL DISTRICT)

hereinafter referred to as the "PUBLIC SCHOOL DISTRICT", periodically applies to the Michigan Department of Transportation, hereinafter referred to as the "DEPARTMENT", for permits, referred to as "PERMIT", to construct, operate, use and/or maintain utility or other facilities, or to conduct other activities, on, over, and under state trunkline right of way at various locations; within and adjacent to its corporate limits;

NOW, THEREFORE, in consideration of the DEPARTMENT granting such PERMIT, the PUBLIC SCHOOL DISTRICT agrees that:

1. It will fulfill all permit requirements and will, to the extent permitted by law, indemnify, save harmless, represent and defend the State of Michigan, Michigan Transportation Commission, and the DEPARTMENT and all officers, agents, employees and those contracting governmental bodies performing permit activities for the DEPARTMENT according to a maintenance contract:

   a. from any and all claims and losses occurring or resulting to any and all persons, firms, or corporations furnishing or supplying work, services, materials, or supplies to the PUBLIC SCHOOL DISTRICT as the result of the PUBLIC SCHOOL DISTRICT's installation, construction, operation, or maintenance activities which are being performed under the terms of the PERMIT on, over, and/or under the state trunkline right of ways, except claims resulting from the negligence or willful acts or omissions of said DEPARTMENT, the State of Michigan or the Michigan Transportation Commission; and

   b. from any and all claims of every kind for injuries to, or death of, any and all persons, and for loss of or damage to property, and environmental damage or degradation, and from attorney's fees and related costs arising out of, under, or by reason of the PUBLIC SCHOOL DISTRICT's installation, construction, operation or maintenance activities which are being performed under the terms of the PERMIT on, over, and/or under the state trunkline right of way, except claims resulting from the negligence or willful acts or omissions of said DEPARTMENT, the State of Michigan or the Michigan Transportation Commission; and

   c. from any and all claims made by any and all persons, firms, or corporations furnishing or supplying materials, supplies, work, or services on, over, and/or under the State trunkline right of way pursuant to an agreement with the State of Michigan, the DEPARTMENT and/or the Michigan Transportation Commission, as a result of the PUBLIC SCHOOL DISTRICT's failure to move or otherwise relocate its facilities in a timely manner after being requested to do so by the DEPARTMENT.

2. Any work performed for the PUBLIC SCHOOL DISTRICT will be solely for the PUBLIC SCHOOL DISTRICT and not as a contractor or agent of the DEPARTMENT. Any claims against the State of Michigan, the Transportation Commission, the DEPARTMENT, and all officers, agents, and employees thereof will be the sole responsibility of the PUBLIC SCHOOL DISTRICT. The DEPARTMENT shall not be subject to any obligations or liabilities by vendors and contractors of the PUBLIC SCHOOL DISTRICT, or their subcontractors or any other person not a party to the PERMIT without its specific prior written consent and notwithstanding the issuance of the PERMIT.

3. Any unlawful action or conduct taken by the PUBLIC SCHOOL DISTRICT, which arises either directly or indirectly out of its obligations, responsibilities, and duties under the PERMIT which results in claims being asserted against or judgment being imposed against the State of Michigan, the Michigan Transportation Commission, the DEPARTMENT, and all officers, agents and employees thereof pursuant to a maintenance contract will be considered as a breach of the PERMIT thereby giving the State of Michigan, the DEPARTMENT, and/or the Michigan Transportation Commission a right to seek and obtain any necessary relief or remedy, including, but not by way of limitation, a judgment for money damages.

4. It will, by its own volition and/or request by the DEPARTMENT, promptly and reasonably restore and/or correct physical or operating damages to any State trunkline right of way resulting from the installation construction, operation and/or maintenance of the PUBLIC SCHOOL DISTRICT's facilities according to a PERMIT issued by the DEPARTMENT.

5. With respect to any activities authorized by PERMIT, when the PUBLIC SCHOOL DISTRICT requires insurance on its own or its contractor's behalf it shall also require that such policy include as named insured the State of Michigan, the Transportation Commission, the DEPARTMENT, and all officers, agents, and employees thereof and those governmental bodies performing permit activities for the DEPARTMENT and all officers, agents, and employees thereof, pursuant to a maintenance contract.

6. The incorporation by the DEPARTMENT of this indemnification resolution as part of a PERMIT does not prevent the DEPARTMENT from requiring insurance before issuance of a PERMIT, in amounts currently carried by the PUBLIC SCHOOL DISTRICT.

7. This indemnification resolution shall continue in force from this date until cancelled by the PUBLIC SCHOOL DISTRICT or the DEPARTMENT with no less than thirty (30) days prior written notice to the other party. It will not be cancelled or otherwise terminated by the PUBLIC SCHOOL DISTRICT with regard to any PERMIT which has already been issued or activity which has already been undertaken.

BE IT FURTHER RESOLVED that the following position(s) are authorized to apply to the Michigan Department of Transportation for the necessary permit to work within state trunkline right of way on behalf of the PUBLIC SCHOOL DISTRICT.

Name	And/Or	Title
Steve Mezzadri		Director of Technology
Devin Kling		Asst. Supt. for Finance & Operations
RJ Webber		Superintendent

I HEREBY CERTIFY that the foregoing is a true copy of the Resolution adopted by the
