**BYLAWS
OF
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL**

Article I. Authority and Purpose.

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

Article II. Membership and Meetings.

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

Article III. Officers.

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

- (a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.
- (b) President-Elect. In the absence of the President or in the event of his or her death, inability, or refusal to act, the President-Elect shall perform the duties of the President. When so acting the President-Elect, shall have all the powers of, and be subject to all the

restrictions upon, the President. The President-Elect shall perform such other duties as from time to time may be assigned by the President or by the Council.

- (c) Past-President. In the absence of the President or the President-Elect or in the event of his or her death, inability, or refusal to act, the Past-President shall perform the duties of the President. When so acting the Past-President, shall have all the powers of, and be subject to all the restrictions upon, the President. The Past-President shall perform such other duties as from time to time may be assigned by the President or by the Council.
- (d) Secretary. The Secretary shall prepare minutes of the meetings of the Council, serve as the custodian of the Council's records, keep a current roster of the physical and e-mail addresses of all Council members, and perform all duties incident to the office of Secretary, and perform such other duties as from time to time may be assigned by the President or by the Council.
- (e) Treasurer. The Treasurer shall have charge and custody of and be responsible for, all funds and securities of the Council, receive receipts for all securities and monies due and payable to the Council from any source whatsoever and give such receipts to the Council, deposit all such monies in the name of the Council in such banks, trust companies, or in other depositories designated by the Council, and perform all the duties incident to the office of Treasurer and perform such other duties as from time to time may be assigned by the President or by the Council. If required by the Council, the Treasurer shall give a bond for the faithful discharge of his or her duties in such sum and with such surety or sureties as the Council shall determine.
- (f) Executive Committee. The Executive Committee shall meet as needed to prepare for Council meetings, to formulate recommendations for the Council, and for such other reasons as deemed appropriate by the President or as directed by the Council.

Article IV. Administration.

Section 1. Reimbursement for Expenses. Council members and Council employees shall be entitled to reimbursement for actual expenses incurred in the performance of their duties as allowed by NEB. REV. STAT. § 79-1217 and other laws and applicable regulations as they may be amended from time to time. No request for reimbursement shall be submitted by an individual for an expense which has been paid by an educational service unit, other educational agency, or political subdivision. No charge for mileage shall be allowed when such mileage accrues while using an automobile owned by the State of Nebraska or one of its political subdivisions.

Section 2. Budget. The Council shall annually adopt a budget as required by the Nebraska Budget Act. Fiscal agents shall, pursuant to the agency agreement between the fiscal agent and the ESUCC, segregate funds contributed to a project from other funds maintained by the fiscal agent, either by maintaining a separate account of the Council designated for such a purpose or by maintaining a segregated fund within the budget of the educational service unit serving as fiscal agent. The Council shall require each fiscal agent appointed by the Council to provide to the Council quarterly statements of all activity for each project.

Section 3. Agency Agreements and Fiscal Agents. The Council may enter into agency agreements with individual educational service units or other public or private entities. The purpose of such agreements will be for the Council to delegate to the agent entity the authority and responsibility to oversee particular statewide cooperative projects. The agency agreement shall specify whether the agent entity will also serve as the fiscal agent for the project.

Section 4. Powers. The Council shall have the power to:

- (a) Purchase and/or lease supplies, materials and equipment and enter into a contract with any person, firm, corporation or other entity.
- (b) Accept for any of its purposes and functions any and all donations, grants of money, equipment, supplies, materials and services, conditional or otherwise from any person or entity, and receive, utilize, and dispose of the same. The nature, amount, and conditions, if any, attendant upon any donation or grant accepted

pursuant to this section shall be detailed in the annual report of Council.

- (c) Employ, compensate, evaluate and discharge staff limited only to those persons necessary to carry out its duties and functions;
- (d) Establish committees as it deems necessary for the purpose of advising the Council on any and all matters pertaining the Council's duties or activities;

Section 5. Annual Plan. The Council shall develop a written document outlining the programs, services and other projects which the Council will operate each year ("Annual Plan"). The Council will annually review the Annual Plan and may amend it as the Council deems necessary.

Section 6. Advisory Committees. The Council may solicit input from advisory committees comprised of teachers, administrators, board members, staff development staff, and other individuals. Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes. (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) twenty-four hours before the scheduled commencement of the meeting or (b) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the

agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if: (a) Reasonable advance publicized notice is given; (b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used; (c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference; (d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and (e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing. Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; (f) Reasonable arrangements are made to provide viewing at other in-state locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and (g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the in-state location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

ESUCC Scope of Work (CARES Act)

Introduction

The COVID -19 Coronavirus pandemic has provided unprecedented challenges and highlighted significant needs for students, teachers and schools in support of continuity of learning and supports.

The enabling federal legislation:

- The Governor's Emergency Education Relief Fund (GEER Fund) (Section 18002 of the CARES Act).

The Elementary and Secondary School Emergency Relief Fund (ESSER Fund) (Section 18003 of the CARES Act).

The purpose of this statement of work is to outline the expectations and requirements of contracted services provided by the ESUCC on behalf of NDE, in support of Nebraska schools. To achieve this expectation:

The ESUCC proposes to establish and operate a process to coordinate the:

- purchase, delivery and reimbursement of student devices (personal computers, laptops, tablets, iPads or other devices used for learning).
- Support broadband services and related infrastructure projects
- Development of the academic advancement plan software to ensure continuity of learning for students involved with facility based schools in Nebraska.

This scope of work and enabling legislation provide coverage from March 13, 2020 through September 30, 2022 unless otherwise agreed upon by all parties in writing.

The total up to amount of this contract would be \$16,700,000 and would be funded through the CARES act resources of both GEER and ESSER. A general breakdown of the resources provide the following:

GEER: \$16.4 million

Infrastructure = 20% of the total \$3.28 million

Devices = 75% of the total for \$12.3 million

HomeSchool and Other = 5% of the total for \$820,000

ESSER: \$300,000

Develop Device & Service Distribution Process

Deliverable: Device & Service Distribution Communications

Timeline: September, 2020

Cost: \$300,000 Fixed Price

The ESUCC shall prepare an electronic process for the selection, purchase and distribution of student devices used for learning. Data shall be used from the NDE Digital Learning Profile and Plan collected in July, 2020 to:

- contact public and non-public schools and districts who responded to the aforementioned profile;
- confirm requests and receive device and broadband service orders;
- receive and process device and broadband service reimbursement requests;
- aggregate orders;
- place student device orders with suppliers and manufacturers;

into orders with suppliers and manufacturers participating in the Nebraska ESU Cooperative purchasing system to procure devices and ensure that they are delivered as ordered to the requesting schools and districts. The actual cost of purchased devices “up to” \$400 per device shall be invoiced to the NDE. Any costs over \$400 shall be invoiced by the ESUCC to the school or district purchasing the devices.

The NDE shall transfer payment to the ESUCC prior to ordering the devices.

NOTE: Requests for devices that have already been purchased by schools or districts must meet specific criteria including: Product invoice, including date of purchase, and the specific costs for the device(s). Also, the purchase of any devices made prior to March 13, 2020 shall not be considered for qualified reimbursement.

After reviewing the requests and supporting documentation, ESUCC shall invoice NDE for the cost of the requests up to \$400 per device. The NDE shall transfer payment to the ESUCC within 30 days of invoicing. ESUCC shall provide payment for the verified requests to the schools and districts. The total amount for device purchases and reimbursements shall not exceed \$12,000,000.

ESUCC shall receive and process reimbursement requests from schools and districts for home broadband services.

Finally, ESUCC shall also receive proposals for pilot infrastructure projects which have potential to address locations with insufficient or no broadband coverage. The total amount for broadband services, infrastructure projects and reimbursements shall not exceed \$3,200,000.

Academic Advancement Plan (AAP)

Utilizing this plan, ESUCC shall develop, test and release an initial version (minimum viable product) of the software with the stakeholders and their representatives. Using iterative agile development processes, ESUCC shall continue to build, test and release additional features and functions within the software according to the priorities of the stakeholders during the term of this agreement.

Payment Schedule and Process:

Payments on the contract are provided upon invoice to the Nebraska Department of Education.

For the digital device process, it is not expected the ESUCC would provide upfront costs required, but would invoice for the appropriate amount. Due to the nature of the emergency initial invoices may require up to 80% of the device deliverable contract amount.

3. Agenda Item

3.1. Software Innovation Network

3.1.1. Assessment and Diagnostic Tools

This project team is being formed and a business case being developed. The area of assessment and diagnostic tools has a broad set of meanings to different people, from building= and administering assessments to collecting and visualizing assessment data. One of the first challenges is to determine the scope of the needs.

3.1.2. Single Sign-On Expansion

This team will become more formally organized and document its scope and plans. The eduroam project will explore and determine the interest and feasibility of participating in this global WiFi partnership, which can allow K-12 students access to additional wireless networks around the state, country and world. Clever and Microsoft Azure AD/Office 365 integrations will provide more and easier options for students and staff to sign in and gain access to more applications. A standard and reliable rostering service is needed to reduce or eliminate manual work in many districts to configure applications for student access. App launch portal enhancements will provide access to new types of applications such as content repositories and more granular control over access to applications by groups of users.

3.1.3. Canvas

This project is already in progress. The software innovation team aims to learn from and assisting this project if and where needed, first by providing a liaison between the teams. One coach has been hired, Adam Moon for the eastern side of the state. Meeting with statewide canvas with the ESU 5 consortium, there will be no loss of content.

3.1.4. Data Privacy and Security

The work in this area is coming under the software innovation network from a separate 3-year project. The project team will be refreshed and a new scope drafted for the next phase of work. Generally, this project will collect information from districts about which software applications they use and share that information in a searchable database. Later phases will work with application vendors to agree to the already existing contract terms drafted by the KSB and Perry law firms, and collect accessibility and efficacy ratings for the applications being used.

3.2. GEER Device Purchasing

We are working with the 302 public and non-public schools and districts who completed NDE's technology profile and plan survey in July, confirming the need for devices that were indicated at that time, and determining whether the responding districts want to purchase through our purchasing process or want reimbursement for purchases made on their own. A subsidy for the actual cost of devices up to \$400 per device is available. Funding of \$12.5 million was allocated for these subsidies.

A scope of work has been drafted with NDE and is being formalized into a contract, which will be reviewed by our legal team. When this is in place, we will receive funding to complete the device purchase and reimbursement process, and the broadband service and infrastructure process, described next.

3.3. GEER Broadband

\$3.2 million was allocated of the GEER funds to support expanding the reach of home

broadband services. The NDE is releasing a request for information (RFI) to telecommunication providers and preparing a searchable map of broadband services available by area/address. Funds in this category will support broadband service subscriptions and infrastructure projects which expand the long-term reach of broadband access services. The process for prioritizing the use of these funds and the method for schools and districts to apply for them is being designed.

3.4. TLT Special Projects 2021 - High Quality Instructional Materials, Digital Age Pedagogy and Instructional Shifts

Project Title: High Quality Instructional Materials, Digital Age Pedagogy and Instructional Shifts

Description: This proposal is presented in partnership with the Nebraska Department of Education. NDE representatives have requested up to 15K of Title IVA funds to match TLT/SDA Special Project funds to expand on the work begun during the 2019-20 academic year.

The project will focus on enhancing the work being done by the Nebraska Instructional Materials Collaborative, developing units with an emphasis on the new instructional shifts, promoting best practices in Digital Age Pedagogy, and making all resources freely available to all Nebraska educators in OER Common

TLT brought forth a draft proposal for the 2020-21 school year to work on high quality instructional materials, digital age pedagogy and instructional shifts. Discussion on marketing the OER to further get more usage.

3.5. TLT Bylaws

TLT updated and approved the changes by majority vote following the September meeting. (No response from ESU 6, 9 or 15 TLT representatives.)

TLT Bylaws has been updated and bringing forth from the TLT Affiliate.

Software Innovation Network

The leadership team of the software innovation network meets roughly every two weeks. Ben Nelson, a project manager, has begun helping with the organization of the project teams.

SRS

The SRS team is focused on the ADVISER reporting process which runs through October. 209 districts are using SRS to report their special education data. Minh Vu is attending all of the online ADVISER work days where he presents SRS's ADVISER features and provides one-on-one help for districts who have questions. The process is going smoothly this year.

NVIS

Work has begun on an update of the NVIS software. Mila Arkhptcova, our contract developer, is working from the ideas of the distance learning coordinators and updating the system. While we are in the early stages of work, we aim to have the work ready for an early 2021 release.

Coop Directors report to ESUCC Board
submitted by: Craig Peterson
October 8, 2020

1. Annual/Paper Buy

- a. **Definition of the Annual Buy:** This is a line item bid were vendors are awarded by line item. If there is a tie for the bid price then a Nebraska vendor wins over an out of state vendor, otherwise it goes to a coin flip. Bids are sent to registered vendors nation-wide in October. Bid Awards announced in December and January, catalogs with over 4,200 items are published and distributed schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.

2. Special Buys

- a. **Definition Special Buy:** Contracts are negotiated agreements with exclusive pricing to ESUCC Cooperative Purchasing members. These contracts may range from one to three years. Within the agreement, terms shall be explicitly defined as to both parties' expectations and the scope of the agreement.
 - i. **PPG Paints** – Sales contact called and said he had no contract to attach sales to for smaller schools in Nebraska unlike the larger districts that utilize other National cooperatives like E&I, TIPS or U.S Communities. He wanted to setup a contract in Nebraska for these schools and said someone gave them ESUCC Coop as the contact.

3. AEPA

- a. **Definition of AEPA:** The Association of Educational Purchasing Agencies (AEPA) is a group of Educational Service Agencies/political subdivisions organized through a Memorandum of Understanding between all participating states for the purpose of securing combined volume purchasing contracts based on potential sales by qualifying customers in participating states. Of the many advantages to this unique purchasing group, are the combined human resources representing purchasing/bidding expertise, current and past vendor relationships, past experience and overall vision with regard to the needs of the qualified customers within each represented state. Nebraska is a founding member of AEPA, which started with ten states in 2000 and now has grown to 29 states. AEPA is a voluntary run organization and asks for volunteers from the membership to complete work in Bid Oversight, Administrative Committees, Marketing, Website management, Reporting and other areas as required.
- b. **2019 AEPA Sales/Revenue (January 1 to December 31, 2019)**
 - i. 41 Signed AEPA Contracts
 - ii. \$4,410,501.44 2019 Total Sales compared to \$3,182,499 in 2018
 - iii. \$90,668.87 2019 Total Revenue compared to \$56,952.17 in 2018
 - iv. \$4,041.32 Assessment Fees paid to AEPA for dues.
 - 1. Assessments are based on a \$2,500 flat rate for all members plus .0003*Total Sales to equal the State Members Assessment Fee.
 - 2. Fees are collected in April of each year for the previous year's sales.
 - 3. 2019 was the first year of the increased \$2,500 flat rate cost it was previously \$1,500. According to records, I could find this formula has been utilized dating back to 2012.
