**BYLAWS  
OF  
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL**

**Article I. Authority and Purpose.**

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

**Article II. Membership and Meetings.**

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

### **Article III. Officers.**

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

- (a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.
- (b) President-Elect. In the absence of the President or in the event of his or her death, inability, or refusal to act, the President-Elect shall perform the duties of the President. When so acting the President-Elect, shall have all the powers of, and be subject to all the

The Past-President shall perform such other duties as from time to time may be assigned by the President or by the Council.
- (d) Secretary. The Secretary shall prepare minutes of the meetings of the Council, serve as the custodian of the Council's records, keep a current roster of the physical and e-mail addresses of all Council members, and perform all duties incident to the office of Secretary, and perform such other duties as from time to time may be assigned by the President or by the Council.
- (e) Treasurer. The Treasurer shall have charge and custody of and be responsible for, all funds and securities of the Council, receive receipts for all securities and monies due and payable to the Council from any source whatsoever and give such receipts to the Council, deposit all such monies in the name of the Council in such banks, trust companies, or in other depositories designated by the Council, and perform all the duties incident to the office of Treasurer and perform such other duties as from time to time may be assigned by the President or by the Council. If required by the Council, the Treasurer shall give a bond for the faithful discharge of his or her duties in such sum and with such surety or sureties as the Council shall determine.
- (f) Executive Committee. The Executive Committee shall meet as needed to prepare for Council meetings, to formulate recommendations for the Council, and for such other reasons as deemed appropriate by the President or as directed by the Council.

Fiscal agents shall, pursuant to the agency agreement between the fiscal agent and the ESUCC, segregate funds contributed to a project from other funds maintained by the fiscal agent, either by maintaining a separate account of the Council designated for such a purpose or by maintaining a segregated fund within the budget of the educational service unit serving as fiscal agent. The Council shall require each fiscal agent appointed by the Council to provide to the Council quarterly statements of all activity for each project.

**Section 3. Agency Agreements and Fiscal Agents.** The Council may enter into agency agreements with individual educational service units or other public or private entities. The purpose of such agreements will be for the Council to delegate to the agent entity the authority and responsibility to oversee particular statewide cooperative projects. # Nebraska Open Meetings Act

**84-1407. Act, how cited.** Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

**84-1408. Declaration of intent; meetings open to public.** It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

**84-1409. Terms, defined.** For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

**84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.**

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

**84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.**

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site. (ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by: (A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site; or (B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting. (iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of

an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

A suit to void any final action shall be commenced within one year of the action.

## ESU Standards (Pilot Draft 1) January 2020

### **Educational Service Unit Standards of Performance and Practice**

#### **Context**

Educational service units (ESU) were established in 1965 by the Nebraska legislature to “provide for economy, efficiency, and cost-effectiveness in the cooperative delivery of educational services.” Nebraska State Statute (79-1204) particularly tasks service units with

- Provision of core services in the following service areas in order of priority:
  - Staff development
  - Technology, including distance education services
  - Instructional materials services
- Provision of other services as requested by member school districts
- Provision of educational services through leadership, research, and development in elementary and secondary education
- Take action in cooperation with and support of the State Department of Education

Rule 84 (79-318; 79-1204) further requires that each ESU be evaluated and accredited to assure a level of quality in the educational programs and services provided to school districts by the educational service units.

#### **Purpose**

The purpose of the Educational Service Unit Standards of Performance and Practice is to define the knowledge, skills, practices and dispositions necessary for ESUs to provide quality programs and services to Nebraska schools (see Rule 84). The standards promote a common language that fosters an understanding of what it means to be a member of the ESU statewide network and can be used to inform the improvement efforts of individual agencies. The document contains four essential domains: purpose and leadership, programs and services, stakeholder relationships and communication, and resource capacity. The Bold Step 1 committee anticipates that either a rubric or a set of indicators will be developed subsequent to ESUCC approval of a final set of standards.

## **Process**

In February, 2018 the Educational Service Unit Coordinating Council (ESUCC) comprised of administrators from each of the 17 ESUs along with representatives from the Staff Development Affiliate, Teaching and Learning Team Affiliate, Network Operations Affiliate, ESU Special Education Directors Affiliate and the Nebraska Department of Education engaged in an ESUCC organizational redesign process facilitated by Dr. Susan Leddick. The redesign group identified Five Bold Action Steps necessary to enable ESUs to work together effectively, efficiently and equitably to accomplish common goals and deliver high value to the state's education system.

### Five Bold Steps: ESUCC

1. Develop ESU Standards
2. Develop joint decision-making parameters
3. Complete SIMPL inventory
4. Develop value-add metric
5. Develop ESUCC Value Proposition

The Coordinating Council appointed a Bold Step 1 ESU Standards committee of representative ESU administrators and affiliate membership to develop a draft set of standards of performance and practice specific to Nebraska's ESUs. The process included input from the entirety of the ESUCC, the ESU Affiliate leadership as well as the ESU Affiliate membership. This draft is intended for final review and approval by the ESUCC Board. During 2020-21, several ESUs will pilot the use of the newly created ESU Standards during their Continuous Improvement Process.

## **Guiding Framework**

The Educational Service Unit Standards of Performance and Practice are intended to fill a void. There are no state or national standards of performance for educational service units. They are provided as one definition of effective practice for Nebraska's service units. Use of these standards to guide the continuous improvement efforts of individual ESUs is voluntary. The ESUCC recognizes that while there are common components to providing regional programs and services, the implementation of those components will be specific to the needs of the member districts of each service unit.

## **Domain 1: Purpose and Leadership**

A1: The ESU commits to a vision, purpose, and a core set of beliefs about providing programs and services that meets the expectations of the ESU and its member districts.

A2: The ESU engages in a continuous improvement process that improves professional practice, effectiveness, and results.

A3: ESU leadership establishes a strategic plan, as well as processes, procedures and conditions to support agency effectiveness.

A4: The ESU establishes conditions to support the development of individual and collective knowledge, skills and professionalism.

A5: The ESU provides professional growth opportunities for internal and district staff in leadership positions.

A6: The ESU uses a comprehensive process for staff evaluation.

A7: The ESU demonstrates actions that ensure the achievement of the ESUCC's purpose.

A8: The ESU Board, through board policies, understands and practices its defined roles and responsibilities to maintain an effective agency.

A9: ESU programming and services fulfill the requirements of Rule 84.

## **Domain 2: Programs and Services**

B1: ESUs use a data-driven process to systematically identify the needs of districts to develop an agency service plan.

B2: The ESU ensures its services are developed and delivered, have clear and measurable outcomes, and are aligned with evidence-based practices.

B3: The ESU has established a process to assess implementation of targeted programs and services.

B4: Learning opportunities are provided to ESU staff in order to develop and enhance the skills necessary for delivering the agency service plan.

B5: The ESU fosters an innovative and collaborative culture to optimize program and service delivery.

### **Domain 3: Stakeholder Relationships and Communication**

C1: ESU staff provide internal and external stakeholders with opportunities to collaborate and inform the development of the agency's purpose, programs, and services.

C2: ESU staff communicate efficiently and effectively with internal and external stakeholders.

C3: The ESU provides an induction process to their service agency for new district leadership.

C4: The ESU is an active partner in activities and initiatives of the ESUCC, and formally engages with and collaborates with the Nebraska Department of Education.

### **Domain 4: Resource Capacity**

D1: The ESU utilizes strategic planning to align human, material, and fiscal resources to meet the short and long term goals of the agency.

D2: The ESU allocates human, material, and fiscal resources to optimize agency efficiency and effectiveness.

D3: The ESU recruits, employs and retains highly qualified staff.

D4: The ESU provides induction, mentoring, professional learning opportunities for staff to grow and improve.

Approved: February 6, 2020

## Standards Implementation Rubric

### Revised 6/17/2021

PLEASE NOTE: The purpose of this single-point rubric is to provide ESUs an entry point for the use of a standards-based rubric during Spring 2021 external visits. This is the first step in developing an in-depth rubric. Future development of the rubric will be informed by ESU and external visitation leader feedback during Spring 2021 external visits, Bold Step 1 Committee input, and statewide ESU input as further drafts are developed for review.

# Independent Auditor's Report

To the Governing Board  
Educational Service Unit Coordinating Council:  
La Vista, Nebraska

## Report on the Financial Statements

We have audited the accompanying cash basis financial statements of the governmental activities and the major fund of Educational Service Unit Coordinating Council (ESUCC) as of and for the year then ended August 31, 2020 and the related notes to the financial statements, which collectively comprise ESUCC's basic financial statements as listed in the table of contents.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash-basis financial position of the governmental activities and the major fund of ESUCC as of August 31, 2020, and the respective changes in cash basis financial position for the year then ended in accordance with the cash basis of accounting described in Note 1.

## Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

**Other Matters**

*Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise ESUCC's basic financial statements. Management's Discussion and Analysis, the Budgetary Comparison Schedule – Budget and Actual – General Fund and the Notes to the Budgetary Comparison Schedule on pages 3 through 7, 18 and 19 are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Management's Discussion and Analysis, Budgetary Comparison Schedule – Budget and Actual – General Fund, and Notes to the Budgetary Comparison Schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated \_\_\_\_\_, on our consideration of ESUCC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of ESUCC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ESUCC's internal control over financial reporting and compliance.

## Management's Discussion and Analysis August 31, 2020

---

Management of Educational Service Unit Coordinating Council (ESUCC) provides the following discussion and analysis of ESUCC's financial performance, as reflected in the financial report for the fiscal year ended August 31, 2020. Please read it in conjunction with ESUCC's basic financial statements, which follow.

### OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to ESUCC's financial statements. The provisions of Statement No. 34 of the Governmental Accounting Standards Board (GASB), "Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments," established standards for external financial reporting for all state and local government entities. These standards require three components for ESUCC's basic financial statements: 1) government-wide financial statements; 2) fund financial statements; and 3) notes to the financial statements. This report also contains other information (Budgetary Comparison Schedule, and Notes to the Budgetary Schedule) in addition to the basic financial statements. These components are described below:

#### Government-Wide Financial Statements

These statements are intended to provide a broad view of ESUCC's operations in a manner similar to the private sector, providing both a short-term and a long-term view of ESUCC's financial position. ESUCC prepared its government-wide statements on the cash basis of accounting. Under the cash basis, receipts are recognized when collected rather than when earned, and disbursements are recognized when paid rather than when incurred. Accordingly, ESUCC's government-wide financial statements are not intended to present the financial position and results of operations in accordance with accounting principles accepted in the United States of America (GAAP). The government-wide financial statements include two statements, the Statement of Net Position and the Statement of Activities.

The *Statement of Net Position* on page 8 presents all of ESUCC's assets on the cash basis, as described above.

The *Statement of Activities* on page 9 presents information showing how ESUCC's net position changed during the reporting year. Changes reported are on the cash basis, as described above. The statement of activities demonstrates the degree to which the direct disbursements of a given function or segment are offset by program receipts. Direct disbursements are those that are clearly identifiable with a specific function or segment. Program receipts include: (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment; and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Appropriations and other items not properly included among program receipts are reported, instead, as general receipts.

#### Fund Financial Statements

This is the second set of financial statements presented in the report. Under GAAP, these statements would be different from the government-wide statements in that these statements would use a different accounting approach and focus on the near-term inflows and outflows of ESUCC operations.

ESUCC has only one fund, the General Fund. GAAP classifies funds into three categories – Governmental Funds, Proprietary Funds, and Fiduciary Funds. The General Fund of an entity is classified as a Governmental Fund, as it accounts for all basic services. The Fund Financial Statements, which can be found on pages 10 and 11, provide detailed information about ESUCC's General Fund. A fund is a method of accounting that uses a set of accounts to maintain accountability and control over specific sources of funding and spending for a particular activity or objective.

The five projects that make up the General Fund in addition to ESUCC Administration are: ESU Professional Development Organization (ESUPDO); Nebraska ESU Cooperative Purchasing Unit (Coop); Distance Education; Instructional Materials (I-Mat); and Special Education.

#### Notes to the Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in all of the basic financial statements. The notes can be found beginning on page 12.

### Other Information

Following the basic financial statements and the accompanying notes thereto is additional information that further explains and supports the information in such financial statements. The other information consists of the Budgetary Comparison Schedule – Budget and Actual – General Fund and notes to the schedule. This information can be found beginning on page 18.

### FINANCIAL AND OPERATING HIGHLIGHTS

ESUCC's Net Position for the fiscal year ended August 31, 2020, compared to the fiscal year ended August 31, 2019, increased by \$412,423. This increase is primarily due to the fact that ESUCC had a large decrease in current year disbursements compared to the prior year. The table on the following page provides a more detailed picture of the changes in net position.

### FINANCIAL ANALYSIS OF ESUCC AS A WHOLE

#### Net Position

ESUCC's assets totaled \$1,422,123 at August 31, 2020, as compared to \$1,009,700 at August 31, 2019. Due to the preparation of the financial statements on a cash basis for fiscal years ended August 31, 2020 and 2019, there were no liabilities as of August 31, 2020 and 2019.

Unrestricted net position is all other net position that does not meet the definition of "restricted" or "invested in capital assets, net of related debt." ESUCC's unrestricted net position totaled \$1,422,123 as of August 31, 2020.

	Net Position	
	As of August 31,	
	Cash Basis 2020	Cash Basis 2019
<b>ASSETS:</b>

Total Assets	\$ 1,422,123	1,009,700
<b>NET POSITION:</b>		
Unrestricted	\$ 1,422,123	1,009,700
Total Net Position:	\$ 1,422,123	1,009,700

As of August 31, 2020 and 2019, ESUCC's assets consisted of cash and cash equivalents. ESUCC did not have any liabilities as of August 31, 2020 and 2019.

ESUCC's net position was \$1,422,123 and \$1,009,700 as of August 31, 2020 and 2019, respectively. ESUCC's net position may vary based on receipts and disbursements in Cooperative Purchasing as well as other ESUCC projects.

#### Changes in Net Position

The condensed financial information below was derived from the Government-Wide Statement of Activities and reflects how ESUCC's net position changed during the year. Following the table is management's analysis of the changes in net position for the fiscal year ended August 31, 2020.

#### Receipts

The largest single source of receipts for ESUCC is charges for services. Charges for services are primarily receipts generated by the Nebraska ESU Cooperative Purchasing Unit for services provided to ESUs and school districts and program receipts for the various projects. Charges for services for the fiscal year ended August 31, 2020, were \$1,872,937 and for the fiscal year ended August 31, 2019, were \$1,758,570. ESUCC's charges for services increased largely due to increased instructional material local receipts. ESUCC offers access to high quality instructional materials and support based on a set cost as well as expanded options based on additional user fees. Some examples of high quality instructional materials include videos on demand linked to specific state standards, open education resources (lesson plans), access to ESUCC online professional development library and other special projects identified by ESUCC affiliate groups.

The second largest source of receipts, during fiscal year 2020, are state appropriations from the Nebraska Department of Education. Total state appropriations received during the fiscal year ended August 31, 2020, were \$543,072 and for the fiscal year ended August 31, 2019, were \$521,341. ESUCC works closely with the Nebraska Department of Education to ensure statewide initiatives are seamlessly implemented. One of these initiatives includes software innovation funds. The increase in funding in this case is based on necessary work to help create a software innovation network.

### Disbursements

The largest purpose of disbursements for ESUCC was for the Nebraska ESU Cooperative Purchasing, which were then provided to ESUs and school districts. Disbursements for these services for the fiscal year ended August 31, 2020, were \$922,157 and for the fiscal year ended August 31, 2019, were \$993,588. These disbursements can and do fluctuate based on purchases made by school districts and ESUs. In this case, the decrease in Coop disbursements was caused by schools and ESUs purchasing less items through the Coop in the current year than in the previous year.

The second largest purpose of disbursements for ESUCC was for goods and services disbursed by the ESU Professional Development Organization (ESUPDO), which provides training for ESU employees statewide. Disbursements for these services for the fiscal year ended August 31, 2020, were \$503,783 and for the fiscal year ended August 31, 2019, were \$906,964. There were two significant causes that facilitated this decrease. First there was a decrease in amounts charged to ESUs and schools for trainings, including threat assessment training. Secondly, the pandemic started in the early spring of 2020 which had an adverse impact on a regularly scheduled two day PDO training session that was to be held (in person) during the month of May.

The remaining disbursements for ESUCC relate primarily to the various other programs managed by ESUCC. Disbursements for various programs for the fiscal year ended August 31, 2020, were \$987,104 and for the fiscal year ended August 31, 2019, were \$1,188,656. The decrease in these programs was caused primarily by an decrease in Instructional Materials (I-Mat) program purchases.

### ANALYSIS OF ESUCC'S GENERAL FUND VARIATIONS

The table below provides a comparison of budgeted receipts and disbursements to actual receipts and disbursements.

	<u>Budget</u>	<u>Actual</u>	<u>Positive (Negative) Variance</u>
Beginning balance	\$ 1,002,438	1,009,700	7,262
Total receipts	4,931,757	2,825,467	(2,106,290)
Total disbursements	<u>4,931,756</u>	<u>2,413,044</u>	<u>2,518,712</u>
Net increase	<u>1</u>	<u>412,423</u>	<u>412,422</u>
Ending balance	\$ <u>1,002,439</u>	<u>1,422,123</u>	<u>419,684</u>

The largest known variance between budgeted and actual receipts was local receipts. The amount budgeted for the current year was \$4,044,118, but actual receipts amounted to only \$1,872,937. The majority of this variance can be explained primarily by the budgeted flow-through revenues included in the budget.

The largest variances between budgeted and actual disbursements were due to purchased services, which had budgeted \$2,752,908 but incurred actual costs of only \$1,332,067. This difference is caused by ESUCC budgeting for potential grants, which are unknown at the time the budget is prepared.

### FACTORS THAT WILL AFFECT THE FUTURE

Several factors will influence the future of ESUCC and its projects. Some projects, products and services are based on participation and tend to vary. This includes Cooperative Purchasing, and professional development. Additionally, having access to adequate funding will continue to create an environment in which schools and ESUs must prioritize the goods and services they can provide to schools. Over the course of the years, state appropriations have been reduced for support of ESUCC and its required Distance Education program. These reductions will impact overall resources available for the foreseeable future.

# Educational Service Unit Coordinating Council

## Management's Discussion and Analysis August 31, 2020

---

Long-term trends will include further strategic reorganization of projects and services to address the likelihood of a decrease in future resources. Strategic reorganization efforts impacting the future will include organizing professional development services under a new structure that will allow for the development of new statewide projects. Additionally, existing projects in technology are being organized to manage most efficiently and effectively the changing environment in educational technology. Future fiscal years will continue to combine efforts in instructional materials and distance education under a "digital learning" initiative. Similarly, professional development efforts will include new statewide projects and services. Future projects and services of ESUCC will be maintained through expanded partnerships and possibly through statewide grants or contracts facilitated by ESUCC.

### (1) Description of Organization and Summary of Significant Accounting Policies

The following describes the organization and the summary of the significant accounting policies of Educational Service Unit Coordinating Council (ESUCC).

#### A. Organization

ESUCC was created in statute to coordinate statewide activities of Nebraska's 17 Educational Service Units (ESUs). The governing body for ESUCC consists of an Administrator Representative from each of the 17 ESUs and an Executive Director. ESUCC was created by Legislator Bill (LB) 603 (2007) and officially came into existence, according to statute, on July 1, 2008. Neb. Rev. Stat. § 79-1246(1) (Reissue 2014) outlines ESUCC's general responsibilities and duties as follows:

ESUCC shall work toward statewide coordination to provide the most cost-effective services for the students, teachers, and school districts in each educational service unit. ESUCC's duties include, but are not limited to:

- Preparation of strategic plans to assure the cost-efficient and equitable delivery of services across the state.
- Administration of statewide initiatives and provision of statewide services; and
- Coordination of distance education.

Prior to the creation of ESUCC by the Nebraska Legislature, the 17 ESUs worked in partnership to provide statewide activities. Based on the above statutory authority, ESUCC decided that all statewide activities offered in partnership by the ESUs would be placed under the umbrella of ESUCC. ESUCC contracts with ESU 17 to provide all staff for ESUCC. This is accomplished annually by ESU 17 developing employment contracts with all ESUCC project employees, including the Executive Director of ESUCC. Thus, all ESUCC project employees and ESUCC Executive Director are ESU 17 employees. Through an interlocal agreement, ESUCC reimburses ESU 17 for all salaries and benefits for these employees.

The following is a brief description of each statewide project budgeted for and administered by ESUCC:

- ESU Professional Development Organization (ESUPDO): The ESUPDO serves as a collaborative effort to provide training for ESU employees statewide. Professional development is among the core services identified by State statute for ESUs.
- Distance Education: Distance Education originated with the Distance Education Council, which was formed by legislation in 2006 and has since evolved into a program under ESUCC. Neb. Rev. Stat. § 79-1248 (Reissue 2014) includes, among the powers and duties of ESUCC, various responsibilities pertaining to the operation of the State's distance education network.
- Nebraska ESU Cooperative Purchasing (Coop): Coop provides cooperating purchasing services to Educational Service Unit Member schools throughout the State of Nebraska.
- Instructional Materials (I-Mat): I-Mat is a statewide project that purchases rights to media materials and makes them available through local ESUs in a variety of formats.
- Special Education (SPED) Projects: The purpose of the SPED Projects is for participating parties to pool their resources in connection with the special education services and for the training of special education teachers and other staff members employed by educational institutions within the State of Nebraska.

## Educational Service Unit Coordinating Council

### Notes to the Financial Statements August 31, 2020

---

- BlendEd Initiative (Technology Direction): In May 2013, the position of Technology Director was formed to coordinate this work across ESUCC project areas. Projects involved in this effort are the Distance Education and I-Mat, including Learning Object Repository. Blended education calls for making strategic choices about when face-to-face (synchronous) instruction is needed and when and how online (asynchronous) instruction can be best used to provide elements of student control over time, place, path, and pace and provide more equity, efficiency, and flexibility.

#### B. *Reporting Entity*

ESUCC is a governmental entity established under and governed by the laws of the State of Nebraska. In evaluating how to define ESUCC for financial reporting purposes, all potential component units have been considered. The basic – but not the only – criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, and the ability to influence significantly operations and accountability for fiscal matters.

Based upon the above criteria, the accompanying financial statements include all funds for which ESUCC has oversight responsibility. ESUCC does not have any component units and has only one fund – the General Fund. ESUCC is not considered a component unit of any other governmental entity.

#### C. *Basis of Accounting*

ESUCC prepares its financial statements on the cash basis of accounting. Under the cash basis of accounting, receipts are recognized when collected rather than when earned, and disbursements are recognized when paid rather than when incurred. Accordingly, the financial statements are not intended to present the financial position and changes in financial position in accordance with accounting principles generally accepted in the United States of America.

#### D. *Basis of Presentation*

ESUCC's basic financial statements include both government-wide (reporting ESUCC as a whole) and fund financial statements (reporting ESUCC's major funds).

##### Government-Wide Financial Statements

The government-wide financial statements categorize activities as governmental or business-type and exclude any fiduciary activities.

Governmental activities, which normally are supported by tax and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for services.

ESUCC does not report any business-type or fiduciary activities.

The statement of net position – cash basis presents ESUCC's nonfiduciary assets and liabilities, with the difference reported as net position. Net position is reported in the following categories:

*Restricted net position* results when constraints placed on net position use are either externally imposed or are imposed by law through constitutional provisions or enabling legislation. Enabling legislation did not result in any restricted net position.

*Unrestricted net position* consists of net position not meeting the definition of the preceding categories. Unrestricted net position is often subject to constraints imposed by management which can be removed or modified.

# Educational Service Unit Coordinating Council

## Notes to the Financial Statements August 31, 2020

---

The statement of activities – cash basis demonstrates the degree to which the direct disbursements of a given function or segment are offset by program receipts. Direct disbursements are those that are clearly identifiable with a specific function or segment. Program receipts include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included as program revenue are reported instead as general receipts.

### Fund Financial Statements

The accounts of ESUCC are organized on the basis of funds. ESUCC's fund financial statements consists of one fund, the General Fund, described below.

General Fund - The General Fund represents the operating fund of ESUCC. It is used to account for all financial resources.

#### *E. Cash and Cash Equivalents and Pooled Investments*

ESUCC's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. A portion of ESUCC's cash balances are pooled and invested in the Nebraska Federal Investment Trust (NFIT). NFIT deposits and investments include certificates of deposit, demand deposit accounts, repurchase agreements, and government agency securities. These investments are valued at amortized cost, which approximates fair value due to the short-term nature of the investments.

#### *F. Net Position/Fund Balances*

In the government-wide statements of net position, net position classifications are as follows:

*Restricted* – Net position is reported as restricted when constraints placed on net position use are either externally imposed by creditors, grantors, contributors, or laws and regulations of other governments or are imposed by law through constitutional provisions or enabling legislation.

*Unrestricted* – Net position reported as unrestricted does not meet the definition of restricted net position.

ESUCC first applies restricted resources when an expense incurred for purposes for which both restricted and unrestricted resources are available.

Fund balance of ESUCC is classified in the governmental fund financial statements as unassigned fund balance, the residual classification of fund balance for the general fund, as ESUCC has no fund balance that is restricted, committed or assigned for a specific purpose.

#### *G. Budget Process*

Prior to September 20, the Council Members of ESUCC prepare and legally adopt an operating budget prepared on the cash receipts and disbursements basis for the fiscal year commencing September 1. Once approved by the Council Members, total expenditures cannot legally exceed total appropriations at the fund level without holding a public budget hearing and obtaining approval from the Council.

#### *H. Capital Assets*

Capital assets are recognized as disbursements at the time of purchase by ESUCC and are not capitalized in the government-wide or fund financial statements.

## Notes to the Financial Statements August 31, 2020

---

### I. *Use of Estimates*

The preparation of financial statements in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### J. *Risk Management*

ESUCC is exposed to various risks of loss related to torts; theft; damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. ESUCC carries commercial insurance for risks of loss including workers' compensation. ESUCC assumes liability for any deductibles and claims in excess of coverage limitations. Significant coverage includes:

	<b>Maximum Coverage</b>
General Liability	\$ 2,000,000
Umbrella Liability Coverage	1,000,000
Automobile Liability	1,000,000
Worker's Compensation Insurance	500,000
Transportation Coverage	300,000
Electronic Data Processing Equipment	200,000

No insurance claims resulting from these risks were filed during the fiscal year by ESUCC. Settled claims resulting from these risks have not exceeded the above coverage in the past three years.

### K. *Subsequent Events*

ESUCC has considered events occurring through \_\_\_\_\_ for recognition or disclosure in the financial statements as subsequent events. That date is the date the financial statements were available to be issued.

## (2) **Deposits and Pooled Investments**

Nebraska Revised Statute §79-1043 provides that ESUCC may, by and with the consent of the Council, invest the funds of ESUCC in securities, including repurchase agreements, the nature of which individuals of prudence, discretion and intelligence acquire or retain in dealing with the property of another.

ESUCC's bank accounts and pooled investments are held by ESUCC's agents in ESUCC's name in accordance with State statutes. The accounts and pooled investments are fully insured or collateralized through joint custody security arrangements or, in the case of U.S. government instruments, are registered in ESUCC's name.

## (3) **Contracted Employees**

ESUCC contracts with ESU 17 through an interlocal agreement to provide staffing for ESUCC. Thus, all of ESUCC project employees and ESUCC Executive Director are ESU 17 employees. Through the interlocal agreement, ESUCC agrees to reimburse ESU 17 for all salaries and benefits for these employees. To better reflect the nature of these disbursements, salaries and benefits in the amount of \$1,230,695 is classified as purchased services for contracted employees on the Statement of Receipts, Disbursements, and Changes in Fund Balance – Cash Basis.

## (4) **Nebraska School Employees Retirement System**

Benefits provided by ESUCC under the interlocal agreement with ESU 17 includes retirement benefits, as ESU 17 employees are eligible to be members of the Nebraska School Employees Retirement System. Thus, ESU 17 contributes to the NPERS on behalf of ESUCC from retirement contributions collected from ESUCC.

#### Plan Description

The Nebraska School Employees Retirement System is a cost-sharing multiple-employer defined benefit pension plan administered by the Nebraska Public Employees Retirement System (NPERS). NPERS provides retirement and disability benefits to plan members and beneficiaries. The School Employees Retirement Act establishes benefit provisions.

In 1945, the Nebraska Legislature enacted the law establishing a retirement plan for school employees of the State. During the NPERS fiscal year ended June 30, 2019, there were 265 participating school districts. These were the districts that had contributions during the fiscal year. All regular public school and educational service unit employees in Nebraska, other than those who have their own retirement plans (Class V school districts, Nebraska State Colleges, University of Nebraska, Community Colleges), are members of the plan.

Normal retirement is at age 65. For an employee who became a member before July 1, 2013, the monthly benefit is equal to the greater of: 1) the sum of a savings annuity, which is the actuarial equivalent of the member's accumulated contributions and a service annuity equal to \$3.50 per year of service; or 2) the monthly average of the three 12-month periods of service as a school employee in which such compensation was the greatest, multiplied by total years of creditable service, multiplied by a formula factor of 2.0%, and an actuarial factor based on age.

For an employee who became a member on or after July 1, 2013, the monthly benefit is equal to the greater of the following: 1) the sum of a savings annuity, which is the actuarial equivalent of the member's accumulated contributions and a service annuity equal to \$3.50 per year of service; or 2) the average of the five 12-month periods of service as a school employee in which such compensation was the greatest, multiplied by total years of creditable service, multiplied by a formula factor of 2%, and an actuarial factor based on age.

Benefit calculations vary with early retirement. Employees' benefits are vested after five years of plan participation or when termination occurs at age 65 or later.

For school district and educational service unit employees who became members prior to July 1, 2013, the benefit paid to a retired member or beneficiary receives an annual cost of living adjustment, which is increased by the lesser of the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers or 2.5%. The current benefit paid to a retired member or beneficiary is adjusted so that the purchasing power of the benefit being paid is not less than 75% of the purchasing power of the initial benefit.

For school district and educational service unit employees who became members on or after July 1, 2013, the benefit paid to a retired member or beneficiary receives an annual cost-of-living adjustment, which is increased by the lesser of the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers or 1%. There is no purchasing power floor for employees who fall under this tier.

#### Contributions

The State's contribution is based on an annual actuarial valuation. In addition, the State contributes an amount equal to 2% of the compensation of all members. This contribution is considered a nonemployer contribution since school district and educational service unit employees are not employees of the State. The employee contribution was equal to 9.78% from July 1, 2018, to June 30, 2019. The employer contribution is 101% of the employee contribution. For the fiscal year ended August 31, 2020, ESUCC's contributions to the Plan amounted to \$104,564.

#### **(5) Unemployment Compensation Insurance**

ESUCC has adopted the reimbursable option of the State of Nebraska's Unemployment Compensation Insurance Program. Under this option, a claimant would receive unemployment compensation from the State. ESUCC is liable to reimburse the State the actual amount of the claim(s).

	<u>\$ 30,623</u>

Rental expenditures relating to these leases for the year ended August 31, 2020 amounted to \$26,489.

### (7) Accounts Receivable

At August 31, 2020, ESUCC had \$663,783 in accounts receivable for services performed under various agreements. In accordance with the cash basis of accounting, these receivables are not recognized in the financial statements. They are recognized as receipts when funds are received.

*Budget Process and Property Taxes* – ESUCC follows these procedures in establishing the budgetary data reflected in the accompanying schedule:

**Independent Auditor's Report on Internal Control Over Financial Reporting and  
on Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with *Government Auditing Standards***

Educational Service Unit Coordinating Council  
LaVista, Nebraska

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the cash basis financial statements of the governmental activities and major fund of the Educational Service Unit Coordinating Council (ESUCC), as of and for the year ended August 31, 2020, and the related notes to the financial statements, which collectively comprise ESUCC's basic financial statements, and have issued our report thereon dated \_\_\_\_\_.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered ESUCC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ESUCC's internal control. Accordingly, we do not express an opinion on the effectiveness of ESUCC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether ESUCC's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

DRAFT FOR DISCUSSION PURPOSES ONLY - SEIM JOHNSON, LLP

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## Required Communications As of and for the Year Ended August 31, 2020

---

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

### Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States have been described to you in our arrangement letter dated February 25, 2021. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

### Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated February 25, 2021, regarding the planned scope and timing of our audit and have discussed with you our identification of, and planned audit response to, significant risks of material misstatement.

The following individuals were assigned to your audit and spend most of their professional time serving governmental and not-for-profit industry clients:

	Years of Service
Darren R. Osten	25
Jason R. Rasmussen	5
Reagan E. Bowen	1
Meredith M. Reehl	1

### Accounting Policies and Practices

#### Preferability of Accounting Policies and Practices

Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. Management has selected to report under the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The use of the cash basis of accounting is permissible by the State of Nebraska Department of Education for educational service units. In our view, in such circumstances, management has selected the preferable accounting practice.

#### Adoption of, or Changes in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by ESUCC. ESUCC did not adopt any significant new accounting policies during the current period, nor have there been any changes in existing significant accounting policies during the current period.

#### Significant or Unusual Transactions

We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

### Audit Adjustments

There were no audit adjustments identified as a result of our audit procedures.

### Uncorrected Misstatements

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

#### Departure From the Auditor's Standard Report

Our report includes an other matter paragraph to identify supplementary information presented to supplement the financial statements for purposes of additional analysis. Our opinion is not modified with respect to these matters.

#### Observations About the Audit Process

##### Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

##### Consultation with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

##### Significant Issues Discussed with Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

##### Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

#### Letter Communicating Internal Control Related Matters and Constructive Suggestions

Please refer to the internal control related matters and constructive suggestions letter attached as Exhibit A.

#### Significant Written Communications Between Management and Our Firm

In connection with our audit, we received representation letters from management confirming it has the primary responsibility for the fair presentation in the financial statements in conformity with accounting principles generally accepted in the United States of America. The representation letters reduce to writing the more significant oral representations made by management during the course of the audit. A copy of these representation letters can be provided upon request.

#### Quality Review

A copy of our most recent quality review is attached to this correspondence.

**DRAFT FOR DISCUSSION PURPOSES ONLY - SEIM JOHNSON, LLP**

---

To the Council Members  
Educational Service Unit Coordinating Council  
La Vista, Nebraska

In planning and performing our audit of the financial statements of Educational Service Unit Coordinating Council (ESUCC) as of and for the year ended August 31, 2020, in accordance with auditing standards generally accepted in the United States of America, we considered ESUCC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ESUCC's internal control. Accordingly, we do not express an opinion on the effectiveness of ESUCC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Following are descriptions of identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

#### **Financial Statement Preparation**

Many organizations rely on the auditor to assist with the preparation of the footnotes to the annual financial statements. Auditing standards emphasize that the auditor cannot be part of the system of internal control over financial reporting.

Preparation of ESUCC's basic financial statements and notes to the financial statements thereto requires a high degree of technical expertise and substantial experience in preparing such statements and notes. We understand ESUCC has made a conscious decision, based on cost benefit considerations, to not prepare the financial statements and related notes. We believe that this is not an uncommon situation for an organization such as yours. As a result, this could cause the ESUCC's basic financial statements to be misstated and not be detected by the ESUCC's personnel. We recommend management mitigate this situation by having a heightened awareness of the transactions being reported.

#### **Segregation of Duties Over Financial Reporting**

One important aspect of internal control over financial reporting is segregation of duties among employees to prevent an individual employee the ability to circumvent the system of internal control. In reviewing the financial reporting preparation process and controls, due to a limited number of administrative personnel, a lack of segregation of duties exists. In order to have proper segregation of duties, ideally, the following four items should be performed by separate individuals:

- *Authorization*: the process of reviewing and approving transactions.
- *Custody*: having access to or control over any physical asset (cash, checks, equipment, supplies, or materials) and intangible assets such as computer systems and data.

- *Recordkeeping*: the process of creating and maintaining departmental records (e.g. revenues, expenditures, etc.). These may be manual records or records maintained in automated computer systems.
- *Reconciliation*: verifying the processing or recording of transactions to ensure that all transactions are value, properly authorized, and properly recorded on a timely basis. This includes following-up on any differences or discrepancies identified.

Proper segregation of duties ensures an adequate internal control structure and, without this segregation, a greater risk of fraud and defalcation may exist. While we realize that it is not always economically feasible to employ additional personnel for the purpose of greater segregation of duties, we recommend ESUCC continue to review internal control policies and procedures and job assignments to ensure an adequate internal control structure.
