**BYLAWS
OF
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL**

Article I. Authority and Purpose.

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

Article II. Membership and Meetings.

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

Article III. Officers.

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

- (a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.

NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public. (b) (i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website. (ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by: (A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website; or (B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting. (iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public

body.(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee. (d) Each public body shall record the methods and dates of such notice in its minutes. (e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2)(a) The following entities may hold a meeting by means of virtual conferencing if the requirements of subdivision (2)(b) of this section are met: (i) A state agency, state board, state commission, state council, or state committee, or an advisory committee of any such state entity; (ii) An organization, including the governing body, created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act; (iii) The governing body of a public power district having a chartered territory of more than one county in this state; (iv) The governing body of a public power and irrigation district having a chartered territory of more than one county in this state; (v) An educational service unit; (vi) The Educational Service Unit Coordinating Council; (vii) An organization, including the governing body, of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act; (viii) A community college board of governors; (ix) The Nebraska Brand Committee; (x) A local public health department; (xi) A metropolitan utilities district; (xii) A regional metropolitan transit authority; and (xiii) A natural resources district. (b) The requirements for holding a meeting by means of virtual conferencing are as follows: (i) Reasonable advance publicized notice is given as provided in subsection (1) of this section, including providing access to a dial-in number or link to the virtual conference; (ii) In addition to the public's right to participate by virtual conferencing, reasonable arrangements are made to accommodate the public's right to attend at a physical site and participate as provided in section 84-1412, including reasonable seating, in at least one designated site in a building open to the public and identified in the notice, with: At least one member of the entity holding such meeting, or his or her designee, present at each site; a recording of the hearing by audio or visual recording devices; and a reasonable opportunity for input, such as public comment or questions, is provided to at least the same extent as would be provided if virtual conferencing was not used; (iii) At least one copy of all documents being considered at the meeting is available at any physical site open to the public where individuals may attend the virtual conference. (2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings, including meetings held by virtual conferencing. A body may not be required to allow citizens to speak at each

meeting, but it may not forbid public participation at all meetings.

The body shall require any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the address requirement is waived to protect the security of the individual.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and (f) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the in-state location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when; agenda and minutes; required on website; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

84-1415. Open Meetings Act; requirements; waiver; validity of action. No motion, resolution, rule, regulation, ordinance, or formal action made, adopted, passed, or taken at a meeting as defined in section 84-1409 of a public body as defined in such section shall be invalidated because such motion, resolution, rule, regulation, ordinance, or formal action was made, adopted, passed, or taken at a meeting or meetings on or after March 17, 2020, and on or before April 30, 2021, pursuant to a Governor's Executive Order which waived certain requirements of the Open Meetings Act.

2023-2026 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and Wheelhouse Solutions LLC, dba My Central Supply ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

- 1. Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A**, which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.
- 2. Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.
- 3. Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.
- 4. Term.** This Agreement is effective on _____, April 5, 2023 ("Effective Date") and shall continue until 12:00 midnight (CST) on _____, April 5, 2026, unless terminated earlier as provided by this Agreement or by law.
- 5. Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State

of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

- A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.
- B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.
- C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.
- D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:
 - (1) Insolvent;
 - (2) Makes a general assignment for the benefit of creditors;
 - (3) Files a voluntary petition of bankruptcy;
 - (4) Suffers or permits the appointment of a receiver for its business or assets;
 - (5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
 - (6) Has wound up or liquidated, voluntarily or otherwise.
- E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.
- F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.
- G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but

not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

- A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.
- B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.
- C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.
- D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.
- E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

- A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of \$1,000,000 per person and \$5,000,000 per occurrence; and
- B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

- 10. Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.
- 11. Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.
- 12. Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.
- 13. Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.
- 14. Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.
- 15. Taxpayer Identification.** Contractor's federal employer identification number is: **85-2384775**.
- 16. Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

- 17. Notice.** Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) - 19. Entire Agreement.** The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.
- 20. Amendments and Modifications.** The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.
- 21. Waivers.** The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective

only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

- 22. Severability.** If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.
- 23. Counterparts.** The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.
- 24. Force Majeure.** Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.
- 25. Assignment.** This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.
- 26. Subcontractors.** The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

- 28. Rights and Remedies Cumulative.** Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. RE: Open Meetings Act Question

Donley, Leslie <Leslie.Donley@nebraska.gov>

Justin:

As you know, “[n]o closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.” Neb. Rev. Stat. § 84-1410(4). Also, “[v]irtual conferencing, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.” Neb. Rev. Stat. § 84-1411(3).

The intent of the Open Meetings Act is to ensure that public policy is formulated in an open, public meeting and “not be conducted in secret.” Neb. Rev. Stat. § 84-1408. The conduct you describe below, if proven, would violate both statutory provisions. Such conduct could subject the school board to civil actions seeking to declare actions taken during these meetings void or voidable. Members of the public body would be personally subject to criminal penalties for knowing, intentional violations of the act. Neb. Rev. Stat. § 84-1414(1) and (4).

Board members should also be made fully aware that any emails, texts, etc. sent or received during public meetings which “relate how other board members plan to vote and solicit[] or receiv[e] feedback on agenda items” would be subject to disclosure under the provisions of the Nebraska Public Records Statutes, Neb. Rev. Stat. §§ 84-712 to 84-712.09 (2014, Cum. Supp. 2022).

Thank you.--

Subject: Open Meetings Act Question

Leslie:

Good morning and I hope you are well. Hopefully we will not get the snow or freezing rain that other parts of the state are enjoying.

I have a client that asked me to reach out to your office for any guidance or clarification you can provide. The client (a public school district) has several board members who some suspect are texting, emailing, and/or social media messaging other board members and/or members of the public during board meetings. There is apparently some suspicion that these communications during the board meetings relate how other board members plan to vote and soliciting or receiving feedback on agenda items via private messages.

Any input or feedback your office could provide on the issue of private communications by board members during public meetings would be greatly appreciated.

3.2.3. Open Meeting Law - Texting During Board Meetings

The Open Meetings Act & Board Members Texting During Meetings: Recently, several school board members were seen texting throughout a board meeting. Other board members and meeting attendees (apparently) viewed those board members as (1) texting each other on how they should vote; and/or (2) texting others to ask how they should vote. This perception caused hard feelings and distrust on the board. Eventually, the board president asked me to seek clarification from the Attorney General's Office about board members texting during a public meeting. Per the attached response (shared with permission and without any names included), the Attorney General's Office confirmed that it would be deemed a violation of the Open Meetings Act for board members to text others during a board meeting about school business. A knowing violation of the Open Meetings Act could also subject board members to criminal prosecution. I wanted to share this with you to make sure that you and your board are aware of this to ensure that board members avoid texting/private messaging about school business during a board meeting.

The Board President discussed the issue with Open Meetings Law regarding texting during meetings.

RE: Open Meetings Act Question

Justin:

As you know, “[n]o closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.” Neb. Rev. Stat. § 84-1410(4). Also, “[v]irtual conferencing, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.” Neb. Rev. Stat. § 84-1411(3).

The intent of the Open Meetings Act is to ensure that public policy is formulated in an open, public meeting and “not be conducted in secret.” Neb. Rev. Stat. § 84-1408. The conduct you describe below, if proven, would violate both statutory provisions. Such conduct could subject the school board to civil actions seeking to declare actions taken during these meetings void or voidable. Members of the public body would be personally subject to criminal penalties for knowing, intentional violations of the act. Neb. Rev. Stat. § 84-1414(1) and (4).

Board members should also be made fully aware that any emails, texts, etc. sent or received during public meetings which “relate how other board members plan to vote and solicit[] or receiv[e] feedback on agenda items” would be subject to disclosure under the provisions of the Nebraska Public Records Statutes, Neb. Rev. Stat. §§ 84-712 to 84-712.09 (2014, Cum. Supp. 2022).

Thank you.--

Subject: Open Meetings Act Question

Leslie:

Good morning and I hope you are well. Hopefully we will not get the snow or freezing rain that other parts of the state are enjoying.

I have a client that asked me to reach out to your office for any guidance or clarification you can provide. The client (a public school district) has several board members who some suspect are texting, emailing, and/or social media messaging other board members and/or members of the public during board meetings. There is apparently some suspicion that these communications during the board meetings relate how other board members plan to vote and soliciting or receiving feedback on agenda items via private messages.

Any input or feedback your office could provide on the issue of private communications by board members during public meetings would be greatly appreciated.

**2023-2024 Master Services Agreement
Between the
Educational Service Unit Coordinating Council and
Educational Service Unit __**

THIS MASTER SERVICES AGREEMENT (“Agreement”) is entered into this ____ day of _____, 2023 (“effective date”) by and between THE EDUCATIONAL SERVICE UNIT COORDINATING COUNCIL, a political subdivision of the State of Nebraska, hereinafter referred to as “the Council” or “the ESUCC,” and EDUCATIONAL SERVICE UNIT NO. ____, a political subdivision of the State of Nebraska referred to as “the ESU.”

Recitals

Whereas, ESUCC is charged by NEB. REV. STAT. § 79-1245 with the administration of statewide education initiatives and provision of statewide education services;

Whereas, the ESU wishes to receive certain services and participate in certain Projects that are conducted by the ESUCC; and

Whereas, the ESU wishes to have certain services and initiatives made available to its member school districts.

Now, therefore, the ESUCC and the ESU agree as follows:

1. General Provisions

- a. Purpose. The purpose of this Agreement is to establish the general terms and conditions applicable to the education initiatives, services and projects (collectively “Projects”) which ESUCC supplies to the ESU for the 2023-24 school year. This Agreement is intended to serve as a framework for the provision of services under one or more of the ESU CC’s Projects.
- b. Participation in Individual Projects. This Agreement outlines several Projects which ESUCC has undertaken for the statewide benefit of Nebraska educational service units and their member school districts. Other than the statewide core service initiatives designated herein as required by Rule 84 of the Nebraska Department of Education, the ESU may choose to participate in some, but not all of the Projects referenced by this Agreement. The ESU shall indicate its intention to participate in a particular Project by marking, where indicated, each Project in which it wishes to participate or make available to its member school districts. ESUCC is only obligated to provide services to the ESU for the Projects which the ESU has marked as provided herein.
- c. Term. The term of this Agreement shall be one (1) year, commencing on August 1, 2023 and ending on July 31, 2024.

- d. Provision of Services by ESUCC's Agents. The ESUCC may contract with third parties to provide some or all of the services described in this Agreement. The ESU hereby expressly agrees to the provision of those services by said third-party agents and agrees to cooperate with all agents of ESUCC in the implementation of such Projects including, but not limited to, invoicing, payment and administration necessary for the delivery of Project services in the name of ESUCC.
- e. Compliance with State Law. Each Party will comply with applicable laws in its performance hereunder and will advise the other of changes in laws that concern the conduct of the Projects and services contemplated by this Agreement. Each Party shall obtain and maintain all approvals required to perform its obligations under this Agreement.
- f. Right to Make Changes. ESUCC reserves the right in its sole discretion, to make changes to the operation of each of the individual Projects referred to herein, including, but not limited to, an increase in the fees charged for particular Projects, if the ESUCC determines that such fee increase is necessary for the continued operation of the particular Project, provided, however, that no such change shall have a material adverse impact on the ESU.
- g. New Projects. In the event ESUCC determines to offer a new Project during the term of this Agreement and the ESU wishes to participate in said new Project, the parties may describe the new Project in writing and incorporate that writing as a formal addendum to this Agreement.
- h. Amendments in Writing. Notwithstanding any provision of this Agreement to the contrary, any amendment to this Agreement must be in writing and signed by an authorized representative of each Party. No oral understanding or agreement not incorporated in this Agreement is binding on any of the Parties.
- i. Indemnification. To the extent permitted by applicable law, but without waiving any rights under any applicable state governmental immunity act, the Parties hereto agree to indemnify each other from any and all liabilities, claims, expenses, losses or damages, including attorneys' fees, which may arise in connection with the execution of the work herein specified and which are caused, in whole or in part, by the negligent act or omission of the Indemnifying Party.
- j. Assignment. The ESU shall not assign any right or delegate any obligation arising hereunder without the prior written consent of ESUCC. This provision does not prevent the ESU from allowing its member school districts to participate in some or all of the Projects described herein.
- k. Third Party Beneficiaries. This Agreement shall be binding upon and inure solely to the benefit of and be enforceable by each Party hereto and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, is intended to or shall confer upon any third party any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

- i. Entire Agreement. This Agreement supersedes and replaces all prior agreements or understandings and constitutes the entire agreement between the Parties concerning the subject matter hereof; there are no other agreements, understandings, or representations, whether written or oral, between the ESU and ESUCC concerning the subject matter addressed herein.
- m. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Nebraska.
- n. Nondiscrimination. The parties shall not discriminate against any employee or applicant who is to be employed for performance of this MOU with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.
- o. Employment Eligibility Verification. The parties shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If a party employs or contracts with any subcontractor in connection with this Agreement, the contracting party shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

2. Professional Development Project (ESUPDO Project)

- a. Purpose of Professional Development Projects. One of the core services provided to school districts is professional development of their staff. Pursuant to Rule 84 of the Nebraska Department of Education, all ESUs are required to participate in statewide core service initiatives as established by the ESU Coordinating Council as a condition of accreditation. The ESUPDO Project is one of the mandatory statewide core service initiatives undertaken by the ESUCC. Mandatory participation includes financial support of the project pursuant to the terms set forth in this section.
- b. Professional Development Planning Committee. The ESUCC shall appoint educators and other experts to a Professional Development Planning Committee. The initial committee shall consist of members who possess expertise in professional development and specific curriculum areas including members from NDE and statewide initiatives/projects at the discretion of the ESUCC and its Executive Director. The Professional Development Planning Committee shall provide the ESUCC's Executive Director with suggestions and input on technical and other matters related to professional development and specific special projects involving educators' professional development, within the State of Nebraska. The ESUCC Executive Director may also form ad hoc committees from time to time to address matters relevant to the various Professional Development Initiatives.

The ESUCC will develop an annual program of professional development offerings that will assist the ESU and its member districts in providing professional development to educators statewide. The ESUCC will assist the ESU in meeting its obligations pursuant to Rule 84 of the Nebraska Department of Education in collaborating to create opportunities for educational training and staff development for the staff of educational service units, the Nebraska Department of Education, and school districts statewide.
- d. ESUPDO Project. The ESUPDO serves as a collaborative effort to provide statewide training and alignment of efforts for ESU employees and key NDE Staff statewide. Professional development is among the core services identified by state statute for ESU's. ESUPDO consists of four affiliate groups comprised of ESU employees across the seventeen ESU's with representation from essential NDE Staff.

These groups are:

- i. Staff Development Affiliate (SDA): Members are responsible for providing staff development for their school districts and assisting the Nebraska Department of Education efforts on statewide and local assessment as well as school improvement for Nebraska's school districts.
- ii. Teaching and Learning with Technology (TLT): The purpose of the Teaching and Learning with Technology Affiliate (TLT) is to connect educators with resources, best practices, and emerging technologies to transform teaching and learning within the classroom. This support is provided through school improvement efforts, professional development, and coordinated statewide projects, services, and efforts.
- iii. Network Operations Committee (NOC): NOC supports the extensive communications network within and among the ESU's and school districts. NOC provides network security and protocols for their districts and ESU's and ensures the communications network for distance education, internet, email, and phones are functioning and secure.
- iv. ESU Special Populations Directors (ESPD): This group consists of Special Education Directors and staff from across the state. This group was included in the ESUPDO as the need for special education professional development for special education and classroom teachers emerged in the age of standards and assessment. ESPD is involved with the Nebraska Department of Education in providing leadership for special education training and support.

These special projects may include but are not limited to special education grant programs, NDE career education grant programs, and other grant or collaborative efforts that enhance statewide professional development.
- f. Fees for Participation in Specific Professional Development Activities. Professional Development activities may include registration, material, and other fees. Such fees will be set at no more than \$20 per person per day. Material and other fees will actually be incurred costs beyond normal registration. Any fees billed through an agent of ESUCC must identify the specific core activity provided on behalf of the ESUCC and be appropriately allocated by such agent in accordance with agreed upon billing practices. ESUCC will provide to each ESU that participates in the Professional Development Project invoices that detail the expenditures for each event or meeting. Participation fees shall be billed bi-annually by ESUCC during the academic year.

- a. Purpose of Digital Learning Services and Projects. The ESUCC shall provide distance education services including brokering and facilitating the exchange of distance education courses, the administration of learning management systems, and the assessment of distance education needs and evaluation of distance education services as provided for in NEB. REV. STAT. § 79-1248 and other state statutes and regulations. Additionally, the ESUCC is charged with the administration of state-wide initiatives and provision of statewide services among other duties in NEB. REV. STAT. § 79-1246. The ESUCC also has managed statewide services in “core services” as that term is defined in statute, including instructional materials services. The purpose of these services is to assure cost-efficient and equitable delivery of digital learning opportunities in partnership with educational service units, school districts, and other potential partners. The ESUCC Digital Learning Services and Projects promote statewide collaboration to provide students and school districts with access to a mix of different learning environments that best supports the combination of traditional face-to-face classroom methods with more technology-mediated activities.
- b. Nebraska Department of Education Rule 84. Pursuant to Rule 84, all ESUs are required to participate in statewide core service initiatives as established by the ESUCC as a condition of accreditation. Components of the Digital Learning Services and Projects are mandatory statewide services administered by the ESUCC and require financial support from all ESUs.
- c. Distance Education Brokering. The ESUCC will provide the Nebraska Virtual Instruction Source (NVIS) course clearinghouse for use in finding and exchanging distance education courses between participating ESUs and school districts. Funding for this service is provided by allocated State appropriation. If additional fees for distance education brokering become necessary, they will be approved by the ESUCC board through the approval process.
- d. Digital Learning Ad Hoc Committees: Ad hoc committees may form to address matters relevant to the Digital Learning Services and Projects. These committees will provide the ESUCC’s Executive Director and Digital Learning Coordinator with suggestions and input on technical and other matters related to distance education, digital learning, instructional materials, or learning management systems, within the State of Nebraska.
- e. Open Educational Resources (OER): The Nebraska OER hub is available to all ESUs and their district schools and offers statewide access to local and national open educational resources. The OER hub is a customized branded landing page on OER Commons, a product of ISKME. Within the Nebraska OER hub, collaborative statewide efforts with and between the Nebraska Department of

Education, the ESUCC, school districts and educators are possible and provide the support to curate and create quality open educational resources that are aligned to Nebraska curriculum. The cost for the platform and services is funded by the Digital Learning administration fee.

- f. Learning Object Repositories (LOR): ESUCC will coordinate **access** to digital libraries that enable educators from within participating ESUs to use educational resources that are aligned to academic standards. These digital libraries may include both free and subscription based services.
- g. Conditions of Participation.
 - i. Intellectual Property. The ESU and each of its participating school districts agree to comply with all relevant laws governing copyright and other intellectual property. The ESU agrees to hold ESUCC harmless for any violation of this provision by the ESU or its agents.
 - ii. No Assignment. No Party shall assign any of its rights or obligations under this Project without the prior written consent of the ESUCC's Executive Director or the ESUCC board.
- h. Fees. Each ESU will be invoiced a \$5,700 fee to support the administration of statewide Digital Learning Services and Projects. Mandatory participation includes financial support of the services pursuant to the terms set forth in this section. Additional fees may be determined and assessed by the ESUCC board to provide these necessary services.

The following is a cost summary for the project:

Digital Learning Administration (Each ESU will participate.)	\$ 5,700
---	-----------------

MSA Fees for 2022-2023: \$ 5,700

- i. Optional Digital Learning Services and Projects. The Digital Learning Services and Projects are structured to allow ESUs to participate at the mandatory level or at an expanded level. The expanded optional services and projects supplement the statewide efforts in blended learning, open educational resources, instructional materials, and other digital learning products as recommended by appropriate affiliates. On an annual basis, ESUs may choose to participate in all or none of the expanded optional projects or services. Some of the services are made available to school districts directly when an ESU does not participate in the expanded optional services. Due to the nature of some projects, ESUs may not elect to withdraw or amend their participation mid-contract year after this Agreement has been approved.
 - i. OverDrive Professional Development Library. The ESUCC OverDrive Professional Library is a customized digital collection of ebooks and audiobooks for use by ESU staff across the state. Participating ESUs

contributed \$1,000 each for the initial start up to build the collection. ESUs that elected not to participate in the initial set-up can opt in at any time for a fee of \$1,000 plus any additional fees that have incurred since start up. Annual fees will be up to \$600 per ESU based upon the assessed need for additional books on current professional development topics as recommended by the affiliates. If an ESU chooses not to continue participation, access to the library will be terminated.

The following is a cost summary of the project:

The TLT affiliate will submit project proposals to the ESUCC board for approval based upon identified assessed needs. It is recommended to budget up to \$7,500 per ESU for Special Projects. Any fees for Special Projects will be invoiced only when an actual cost is incurred.

The following is a cost summary of the project:

 - iii. Prepare official bid documents and invite suppliers to bid in connection with supplies to be purchased by ESUCC and members.

Federal Deposit Insurance Corporation (FDIC) insurance information.

The following information provides summary highlights of FDIC coverage and how it might affect your deposits at Union Bank & Trust. If you need additional information please contact your Union Bank & Trust officer, personal banker, or go to the FDIC website at www.fdic.gov.

\$250,000 per Depositor

FDIC insurance covers all deposit accounts, including checking and savings accounts, money market deposit accounts and certificates of deposit. The standard maximum deposit insurance amount is \$250,000 per depositor, per insured bank, for each account ownership category.

FDIC Coverage on Sweep Arrangements

FDIC regulations require us to annually notify sweep account customers whether their swept funds are considered deposits eligible for deposit insurance coverage by the FDIC. This does not reflect any change, but simply further details how FDIC insurance is pertinent to each situation as the funds move from one account to the other.

A) Short Term Federal Investment Trust (STFIT) Sweep Contracts (no loan involved)

You have established a pre-arranged transfer of funds from your deposit account to your STFIT account. Depending on the target balance you establish in your Sweep Agreement, funds may be swept from your deposit account into your STFIT account on a daily basis; however, the transaction is not completed until the next business day. Federal regulation requires us to inform you that in the event of a bank failure, the sweep will not occur and the funds will remain in your deposit account, and will be eligible for FDIC Deposit Insurance coverage (up to the established limits).

B) Short Term Federal Investment Trust (STFIT) Established As Same-Day Sweeps

You have established a pre-arranged transfer of funds from your deposit account to your STFIT account. Depending on the target balance you establish in your Sweep Agreement, funds may be swept from your deposit account into your STFIT account on a daily basis. Federal regulation requires us to inform you that in the event of a bank failure, the funds beyond your established target balance will be swept from your deposit account, and will not be considered deposits, meaning that the swept funds will not be eligible for deposit insurance coverage and will not be afforded status as a deposit under the depositor preference statute.

C) Sweep Arrangements Involving Loans

You have established a pre-arranged transfer of funds from your deposit account to your loan. Depending on the target balance you establish in your Sweep Agreement, funds are swept from your deposit account to pay down an existing loan. Federal regulation requires us to inform you that in the event of a bank failure this transaction will be completed prior to determining end-of-day deposit and account balances. Therefore, the funds that have been swept out of the deposit account by the end of the business day will be used to reduce your loan balance; funds remaining in the deposit account below the target balance are considered deposits.

2. Roll call

3. Agenda Item

3.1. GEER Fund Update

Deb Hericks has compiled a final summary of GEER I funds (attached) showing the distribution of those funds.

About \$1.6 million of GEER II is available for additional robotics item purchases. ESUCC, NDE and the Governor's office agreed verbally on a scope of work, which was drafted into a contract. The NDE and Department of Labor have finalized their agreement, our contract is circulating for signatures and should be ready to sign soon (April).

Reviewed the notes from the Technology Director. The contract for more robotic devices is close to being ready.

3.2. Future Ready Digital Learning Collaborative (FRDLC)

ESUs are continuing to implement Proofpoint Security Awareness Training with their schools. We currently have 103 schools and ESUs who have signed up to use the product. Based on NOC feedback, Andy Boell and I are organizing training and work sessions on the topics where there have been questions or uncertainties. Proofpoint has addressed some of the multi-tenant difficulties we have seen and we have workable solutions for most or all of the reported issues now.

Signup for Duo Security licensing opened March 1, 2023 via a Google sign up form and remains open because as of April 3rd, 1,384 licenses are still available to receive the full subsidy. The pricing for those who have signed up so far is \$2 per user per year from March 30, 2023 - March 29, 2024; \$5 per user from March 30, 2024 - March 29, 2025; \$8 per user from March 30, 2025 - March 29, 2026; and estimated at \$11 per user from March 30, 2026 - March 29, 2027.

We have submitted a proposal to continue the Software Innovation Network and Dorann Avey submitted a proposal for other Future Ready-related work, including support for the Canvas consortium. The current round of Innovation funds is July, 2022 through June, 2025, though proposed legislation on the use of lottery funds may change the time window and availability of the funds.

Reviewed the notes from the Technology Director. He continues to move forward with the Proofpoint and Duo Security. We have submitted a proposal for the next generation of the Software Innovation funds.

3.3. Cybersecurity

We are tracking the progress of LB638 (proposed by ESUCC), LB651 and LB635.

The Nebraska Infrastructure Investment and Jobs Act cyber security grant committee opened applications for sub-grants on March 1, 2023 and will accept applications in the first window through April 30, 2023. Applicants for sub-grants will be required to complete the National Cyber Security Review self-assessment and will have until December 1, 2023 to fulfill that requirement. After the application window, the committee members will score proposals and award sub-grants to the highest-scoring projects as funds are available. In the first year, priority is given to assessment-related projects which will provide the committee with aggregate data to understand where needs are and how to best apply funds in the future years of the program.

A sub-grant proposal, through ESUCC on behalf of NOC, is being developed to fund hosting of the CSET cyber security analysis tool which would be made available to all schools and ESUs in Nebraska.

Reviewed the notes from the Technology Director. They continue to watch the cyber security bills in the legislative session.

3.4. Powerschool Consortium

Discussed the increase of fees and the possible addition of a new staff member.

3.5. SIMPL Report

More work has been done on the customizable data visualizations. We have made it easier to be able to import services from the master service catalog.

Work is being done on customizable data visualization.

3.6. Staff Reports

3.6.1. Scott Isaacson

Reviewed the notes from the Technology Director. They are in the review process for the Projector Coordinator.

3.6.2. Andrew Easton

The Digital Learning Coordinator gave updates for his report. Finalizing the Digital Citizenship Symposium has ended and they are working on announcing the winners. He reviewed the data for his podcasts and social media. Discussion on ChatGPT.

3.6.3. Rhonda Eis

Reviewed the notes from the instructional materials project coordinator. She gave updates on the website and TLT.

Scott Isaacson Staff Report

April, 2023

Governor's Emergency Education Relief (GEER)

Deb Hericks has compiled a [final summary report of GEER I data](#) showing the distribution of those funds.

About \$1.6 million of GEER II is available for additional robotics item purchases. ESUCC, NDE and the Governor's office agreed verbally on a scope of work, which was drafted into a contract. The NDE and Department of Labor have finalized their agreement, our contract is circulating for signatures and should be ready to sign soon (April).

Future Ready Digital Learning Collaborative (FRDLC)

ESUs are continuing to implement **Proofpoint** Security Awareness Training with their schools. We currently have 103 schools and ESUs who have signed up to use the product. Based on NOC feedback, Andy Boell and I are organizing training and work sessions on the topics where there have been questions or uncertainties. Proofpoint has addressed some of the multi-tenant difficulties we have seen and we have workable solutions for most or all of the reported issues now.

Signup for **Duo Security** licensing opened March 1, 2023 via a Google sign up form and remains open because as of April 3rd, 1,384 licenses are still available to receive the full subsidy. The pricing for those who have signed up so far is \$2 per user per year from March 30, 2023 - March 29, 2024; \$5 per user from March 30, 2024 - March 29, 2025; \$8 per user from March 30, 2025 - March 29, 2026; and estimated at \$11 per user from March 30, 2026 - March 29, 2027.

We have submitted a proposal to continue the Software Innovation Network and Dorann Avey submitted a proposal for other Future Ready-related work, including support for the Canvas consortium. The current round of Innovation funds is July, 2022 through June, 2025, though proposed legislation on the use of lottery funds may change the time window and availability of the funds.

Cyber Security

We are tracking the progress of LB638 (proposed by ESUCC), LB651 and LB635.

The Nebraska Infrastructure Investment and Jobs Act cyber security grant committee opened applications for sub-grants on March 1, 2023 and will accept applications in the first window through April 30, 2023. Applicants for sub-grants will be required to complete the National Cyber Security Review self-assessment and will have until December 1, 2023 to fulfill that requirement. After the application window, the committee members will score proposals and award sub-grants to the highest-scoring projects as funds are available. In the first year, priority is given to assessment-related projects which will provide the committee with aggregate data to understand where needs are and how to best apply funds in the future years of the program.

A sub-grant proposal, through ESUCC on behalf of NOC, is being developed to fund hosting of the CSET cyber security analysis tool which would be made available to all schools and ESUs in Nebraska.

Staffing

ESUCC has received applications for the Project Coordinator position opening and is considering all options to fill that position. This position will assist with development of online course content and organize work tasks for developers on projects such as Project Para, SRS, NVIS and others to ensure work is organized and completed to meet requirements and expectations of these projects.

The ESUCC Social Studies Inquiry Project Proposal

Contact Persons: Andrew Easton (ESUCC), Lori Broady (ESU 4), Mark Brady (ESU 7), Deb Paulman (ESU 16), and Nick Ziegler (ESU 5)

Project Title: Developing HQIM Exemplars for Social Studies Grades 4-8
(High-Quality Instructional Materials, Digital Age Pedagogy, and Instructional Shifts)

Dates for the Project: May-June 2023. Specifically, May 30 (Virtual Inquiry Training and Collaboration Time with All Project Teachers and Leaders) followed by in-person work time on June 7-8 to develop inquiry units of study. Six ESU staff members will then allocate one day each to reading through the projects, offering feedback, and investing in the process of ensuring these projects meet the HQIM standard.

Projected cost of project: \$50,000

Rule 84 Priority Goals

- Goal 3: Continuous Improvement
Align ESU and NDE work so districts are enabled to establish cultures of high-quality continuous improvement with strategic focus on the implementation and use of MTSS/HQIM and inclusive practices.

ESUCC Digital Learning Plan

- [ESUCC Digital Learning Plan](#)
Goal 3: Digital learning will be integral and instinctive to Nebraska educators.

AQuESTT Tenets

Equal Opportunities and Access - Each student has access to effective, comprehensive, and continuous learning opportunities that prepare them for ongoing school success, postsecondary education, and career goals.

Educator Effectiveness - Each student is engaged by effective educators throughout their learning experiences, such that schools and districts develop effective teachers and school leaders who establish a culture of success.

How does the project align with the goals and mission of ESUCC and NDE?

This project extends the previous NDE/ESUCC statewide instructional materials initiative from the summer of 2022 where the ESUCC was responsible for the development of high-quality,

Future Ready Nebraska Goals

GOAL: UST1. LEARNING ENVIRONMENT: Ensure students have access to learning environments that support personalized learning.

GOAL: UST2. LEARNING PEDAGOGY: Provide students access to a variety of pedagogies that support personalized learning.

GOAL: UST3. EXEMPLARS: Provide personalized learning models that exemplify the Use of Space and Time.

standards-aligned instructional materials for Social Studies Grades 4-8. Resources from that 2022 project were developed and later housed within OER Commons, and as such continue to be openly accessible to all Nebraska educators. Similar to that earlier effort, the inquiry units of study created as a part of this project will be housed in Nebraska's OER Commons and will promote instructional strategies supported by the ESUCC Digital Learning Plan Goal 3, "Digital learning will be integral and instinctive to Nebraska educators", and the NDE Teacher Performance Standards.

Description: This project will be a collaborative effort between members of the SDA Social Studies cadre and TLT affiliate. Their shared aim will be to enhance the work being done by the Nebraska Instructional Materials Collaborative by developing high-quality instructional materials (units of study) for [Social Studies grades 4-8](#).

Teacher participants will develop units with an emphasis on Nebraska's 2019 instructional shifts, specifically the Inquiry Design Model (IDM), while also promoting best practices in Digital Age Pedagogy, and making all resources freely available to all Nebraska educators in OER Commons.

Thirty teachers will be asked to spend three days plus any additional time to finalize their work over the summer of 2023 developing these units of study. The SDA social studies cadre and TLT contribution to the project will be (1) leading and facilitating professional learning around the social studies standards and instructional shifts while also providing training on the C3 Framework for designing inquiry units of study. (2) ESU personnel will serve in a coaching capacity, providing support to participants in the acquisition of content resources as well as the inclusion of instructional shifts and digital-age pedagogy strategies.

Over the first days, May 30th, teacher learning will be online via Zoom and will focus on the Social Studies content area standards, instructional shifts, and IDM. This training will be led by members of the SDA Social Studies cadre with TLT collaborators in attendance.

On days two and three, teachers will meet in-person (at one of three locations) to create (to completion) the materials for their respective units. With enhanced knowledge of IDM and having spent a day brainstorming and designing their unit materials, teachers will learn about digital age pedagogy on the morning of day two of this sequence. This professional learning will support teachers as they look to integrate technology into the materials they are developing. The late morning and afternoon will be continued collaboration time as groups look to finalize their plans.

The impact of this project will be measured in a number of ways. Within the Nebraska OER Commons Hub we will be able to capture the number of resources created, the number of times the resources are viewed, as well as the number of times the resources are copied or remixed. There will also be reports showing the geographic and demographic reach of the project. There is also work being done to develop a feedback tool that will measure the reach and level of implementation of the resources.

The funds allocated to this effort will be used to supplement the instructional materials included in Nebraska's OER Commons Hub. Participant artifacts will significantly enhance the quality of the OER collection inside Nebraska's hub.

Project Title: Developing HQIM Exemplars for Social Studies Grades 4-8
(High-Quality Instructional Materials, Digital Age Pedagogy, and Instructional Shifts)

Dates for the Project: May-June 2023. Specifically, May 30 (Virtual Inquiry Training and Collaboration Time with All Project Teachers and Leaders) followed by in-person work time on June 7-8 to develop inquiry units of study. Six ESU staff members will then allocate one day each to reading through the projects, offering feedback, and investing in the process of ensuring these projects meet the HQIM standard.

Projected cost of project: \$50,000

Rule 84 Priority Goals

- Goal 3: Continuous Improvement
Align ESU and NDE work so districts are enabled to establish cultures of high-quality continuous improvement with strategic focus on the implementation and use of MTSS/HQIM and inclusive practices.

ESUCC Digital Learning Plan

- [ESUCC Digital Learning Plan](#)
Goal 3: Digital learning will be integral and instinctive to Nebraska educators.

AQuESTT Tenets

Equal Opportunities and Access - Each student has access to effective, comprehensive, and continuous learning opportunities that prepare them for ongoing school success, postsecondary education, and career goals.

Educator Effectiveness - Each student is engaged by effective educators throughout their learning experiences, such that schools and districts develop effective teachers and school leaders who establish a culture of success.

How does the project align with the goals and mission of ESUCC and NDE?

This project extends the previous NDE/ESUCC statewide instructional materials initiative from the summer of 2022 where the ESUCC was responsible for the development of high-quality,

Future Ready Nebraska Goals

GOAL: UST1. LEARNING ENVIRONMENT: Ensure students have access to learning environments that support personalized learning.

GOAL: UST2. LEARNING PEDAGOGY: Provide students access to a variety of pedagogies that support personalized learning.

GOAL: UST3. EXEMPLARS: Provide personalized learning models that exemplify the Use of Space and Time.

standards-aligned instructional materials for Social Studies Grades 4-8. Resources from that 2022 project were developed and later housed within OER Commons, and as such continue to be openly accessible to all Nebraska educators. Similar to that earlier effort, the inquiry units of study created as a part of this project will be housed in Nebraska's OER Commons and will promote instructional strategies supported by the ESUCC Digital Learning Plan Goal 3, "Digital learning will be integral and instinctive to Nebraska educators", and the NDE Teacher Performance Standards.

Description: This project will be a collaborative effort between members of the SDA Social Studies cadre and TLT affiliate. Their shared aim will be to enhance the work being done by the Nebraska Instructional Materials Collaborative by developing high-quality instructional materials (units of study) for [Social Studies grades 4-8](#).

Teacher participants will develop units with an emphasis on Nebraska's 2019 instructional shifts, specifically the Inquiry Design Model (IDM), while also promoting best practices in Digital Age Pedagogy, and making all resources freely available to all Nebraska educators in OER Commons.

Thirty teachers will be asked to spend three days plus any additional time to finalize their work over the summer of 2023 developing these units of study. The SDA social studies cadre and TLT contribution to the project will be (1) leading and facilitating professional learning around the social studies standards and instructional shifts while also providing training on the C3 Framework for designing inquiry units of study. (2) ESU personnel will serve in a coaching capacity, providing support to participants in the acquisition of content resources as well as the inclusion of instructional shifts and digital-age pedagogy strategies.

Over the first days, May 30th, teacher learning will be online via Zoom and will focus on the Social Studies content area standards, instructional shifts, and IDM. This training will be led by members of the SDA Social Studies cadre with TLT collaborators in attendance.

On days two and three, teachers will meet in-person (at one of three locations) to create (to completion) the materials for their respective units. With enhanced knowledge of IDM and having spent a day brainstorming and designing their unit materials, teachers will learn about digital age pedagogy on the morning of day two of this sequence. This professional learning will support teachers as they look to integrate technology into the materials they are developing. The late morning and afternoon will be continued collaboration time as groups look to finalize their plans.

The impact of this project will be measured in a number of ways. Within the Nebraska OER Commons Hub we will be able to capture the number of resources created, the number of times the resources are viewed, as well as the number of times the resources are copied or remixed. There will also be reports showing the geographic and demographic reach of the project. There is also work being done to develop a feedback tool that will measure the reach and level of implementation of the resources.

The funds allocated to this effort will be used to supplement the instructional materials included in Nebraska's OER Commons Hub. Participant artifacts will significantly enhance the quality of the OER collection inside Nebraska's hub.

2023-2026 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and Wheelhouse Solutions LLC, dba My Central Supply ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

- 1. Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A**, which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.
- 2. Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.
- 3. Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.
- 4. Term.** This Agreement is effective on _____, April 5, 2023 ("Effective Date") and shall continue until 12:00 midnight (CST) on _____, April 5, 2026, unless terminated earlier as provided by this Agreement or by law.
- 5. Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State

of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

- A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.
- B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.
- C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.
- D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:
 - (1) Insolvent;
 - (2) Makes a general assignment for the benefit of creditors;
 - (3) Files a voluntary petition of bankruptcy;
 - (4) Suffers or permits the appointment of a receiver for its business or assets;
 - (5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
 - (6) Has wound up or liquidated, voluntarily or otherwise.
- E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.
- F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.
- G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but

not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

- A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.
- B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.
- C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.
- D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.
- E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

- A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of \$1,000,000 per person and \$5,000,000 per occurrence; and
- B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

- 10. Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.
- 11. Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.
- 12. Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.
- 13. Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.
- 14. Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.
- 15. Taxpayer Identification.** Contractor's federal employer identification number is: **85-2384775**.
- 16. Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

The parties are referred to collectively as "Agencies."

WHEREAS, the Act, provides that two or more public agencies may enter into an agreement for joint or cooperative action, and this Agreement is made and entered into pursuant to the provisions of that Act; and

WHEREAS, each party agrees to extend to the other party the right to purchase pursuant to such bids and contracts to the extent permitted by law, and to the extent agreed upon between each party and the bidder, contractor, vendor, supplier, or service provider;

WHEREAS, the Agencies desire to make the most efficient use of their taxing authority and other powers to enable them to cooperate with each other and other entities as further agreed on the basis of mutual advantage to provide goods, services, and facilities in a manner and pursuant to forms of governmental organization that will accord the best results in terms of geographic, economic, population, and other factors that will influence the needs and development of the Agencies;

WHEREAS, the ESUCC will provide organizational and administrative structure for sourcing/bidding; provide marketing of Nebraska ESUCC Cooperative Purchasing to expand membership, awarded contracts, and commodity categories; and provide members with current awarded vendor contracts, instructions for obtaining quotes

and ordering procedures;

WHEREAS, City of Minden commits to participate in the Nebraska ESUCC Cooperative Purchasing program by purchasing goods and services from awarded contracts when in the best interest of the entity and to pay awarded vendors in a timely manner per the Terms & Conditions of the contract for all goods and services received and

WHEREAS, the Agencies have passed resolutions authorizing each Agency to approve and enter into this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, it is agreed by the parties as follows:

1. Recitals. The foregoing Recitals are hereby incorporated into and made a part of this Agreement.

2. No Separate Legal Entity. This Agreement does not establish a separate legal or joint entity.

3. Purpose. The purposes of this Agreement are as provided in the Recitals and paragraph 6.

4. Term. This Agreement shall remain in full force and effect until terminated or modified by mutual agreement of the parties.

5. Administration. The ESUCC Executive Director shall be responsible for administering the cooperative undertaking described in this Agreement. The Administrator may take any action authorized, either explicitly or implicitly, by the Interlocal Cooperation Act, including any action that may be necessary to perform the duties and functions as provided in this Agreement.

Each of the parties agrees to extend to the other party the right to purchase pursuant to such bids and contracts to the extent permitted by law, and to the extent agreed upon between each party and the bidder, contractor, vendor, supplier, or service provider. Each of the parties shall contract directly with the bidder, contractor, vendor, supplier, or service provider, and pay directly in accordance with its own payment procedures for its own

purchases. Any purchase made pursuant to this Agreement is not a purchase from either of the parties. verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

Any funds contributed to or for the benefit of this Agreement in possession of any of the Agencies upon termination of this Agreement shall be divided as nearly as practicable in proportion to the amounts contributed over the life of the Agreement. Any other personal property owned by any of the Agencies as a result of this Agreement shall be the property of the party that purchased it. In the event that the cost of the personal property was shared equally by the Agencies, the property shall be liquidated or distributed in kind upon the termination of this Agreement. If a dispute arises between the Agencies as to the value of such property or as to how it will be distributed, such property shall be sold by taking bids at public auction and selling said property to the highest bidder with the proceeds therefrom being divided equally by the Agencies. Termination shall not impair a party's obligation for its share of any outstanding indebtedness incurred under this Agreement.

The signatures of all of the Agencies need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other Agencies to this Agreement. INTERLOCAL AGREEMENT FOR COOPERATIVE PUBLIC/GOVERNMENTAL PURCHASING

This Interlocal Agreement ("Agreement") is made and entered into under the provisions of the Nebraska Interlocal Cooperation Act, NEB. REV. STAT. §§ 13-801 to 13-827 ("Act"), between the Educational Service Unit Coordinating Council, commonly known as ESUCC ("ESUCC"), and Village of Republican City, commonly known as Village of Republican City. The parties are referred to collectively as "Agencies."

WHEREAS, the Act, provides that two or more public agencies may enter into an agreement for joint or cooperative action, and this Agreement is made and entered into pursuant to the provisions of that Act; and

WHEREAS, each entity is a "public agency" pursuant to NEB. REV. STAT. § 13-803(2), as amended;

WHEREAS, the ESUCC and Village of Republican City desire to jointly bid and contract, for supplies, materials, equipment, and services through the ESUCC's Cooperative Purchasing Program;

WHEREAS, each party agrees to extend to the other party the right to purchase pursuant to such bids and contracts to the extent permitted by law, and to the extent agreed upon between each party and the bidder, contractor, vendor, supplier, or service provider;

WHEREAS, the Agencies desire to make the most efficient use of their taxing authority and other powers to enable them to cooperate with each other and other entities as further agreed on the basis of mutual advantage to provide goods, services, and facilities in a manner and pursuant to forms of governmental organization that will accord the best results in terms of geographic, economic, population, and other factors that will influence the needs and development of the Agencies;

WHEREAS, the ESUCC will provide organizational and administrative structure for sourcing/bidding; provide marketing of Nebraska ESUCC Cooperative Purchasing to expand membership, awarded contracts, and commodity categories; and provide members with current awarded vendor contracts, instructions for obtaining quotes

and ordering procedures;

WHEREAS, Village of Republican City commits to participate in the Nebraska ESUCC Cooperative Purchasing program by purchasing goods and services from awarded contracts when in the best interest of the entity and to pay awarded vendors in a timely manner per the Terms & Conditions of the contract for all goods and services received and

WHEREAS, the Agencies have passed resolutions authorizing each Agency to approve and enter into this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, it is agreed by the parties as follows:

1. Recitals. The foregoing Recitals are hereby incorporated into and made a part of this Agreement.

2. No Separate Legal Entity. This Agreement does not establish a separate legal or joint entity.

3. Purpose. The purposes of this Agreement are as provided in the Recitals and paragraph 6.

4. Term. This Agreement shall remain in full force and effect until terminated or modified by mutual agreement of the parties.

5. Administration. The ESUCC Executive Director shall be responsible for administering the cooperative undertaking described in this Agreement. The Administrator may take any action authorized, either explicitly or implicitly, by the Interlocal Cooperation Act, including any action that may be necessary to perform the duties and functions as provided in this Agreement.

6. Bids and Contracts. Each party from time to time may solicit public bids and enter into contracts on its own behalf to purchase supplies, material, equipment, and services. Each of the parties agrees to extend to the other party the right to purchase pursuant to such bids and contracts to the extent permitted by law, and to the extent agreed upon between each party and the bidder, contractor, vendor, supplier, or service provider. Each of the parties shall contract directly with the bidder, contractor, vendor, supplier, or service provider, and pay directly in accordance with its own payment procedures for its own

purchases. Any purchase made pursuant to this Agreement is not a purchase from either of the parties. This Agreement shall create no obligation for either of the parties to purchase any particular good or service, nor create to either of the parties any assurance, warranty, or other obligation from the other party with respect to purchasing or supplying any good or service.

7. Manner of Acquiring, Holding, and Disposing of Real and Personal Property. The Agencies do not anticipate a need to acquire, hold, or dispose of real property to accomplish the purposes of this Agreement. The Agencies' respective governing boards shall determine the manner of acquiring, holding, or disposing of real property in the event that such a need arises. In no event shall the Administrator have the authority to acquire real property on behalf of the Agencies.

8. Financing and Budgeting. Each party will finance its respective responsibilities under this agreement through its existing internal financing and budgeting processes. The parties shall provide a copy of their respective budgets to the Administrator upon request.

9. Expenses. Unless provided otherwise herein, all expenses of this Agreement shall be shared and paid equally by the Agencies.

10. Taxes. This Agreement does not grant the Agencies any authority to levy, collect, or account for any tax authorized under sections 13-318 through 13-326 or 13-2813 through 2816.

11. Nondiscrimination. The Agencies shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

12. Employment Eligibility Verification. The Agencies shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If a party employs or contracts with any subcontractor in connection with this Agreement, the contracting party shall include a provision in the contract requiring the subcontractor to use a federal immigration

verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

13. Termination. Either party may terminate this agreement by providing written notice to the other party not less than 60 days prior to termination. Any funds contributed to or for the benefit of this Agreement in possession of any of the Agencies upon termination of this Agreement shall be divided as nearly as practicable in proportion to the amounts contributed over the life of the Agreement. Any other personal property owned by any of the Agencies as a result of this Agreement shall be the property of the party that purchased it. In the event that the cost of the personal property was shared equally by the Agencies, the property shall be liquidated or distributed in kind upon the termination of this Agreement. If a dispute arises between the Agencies as to the value of such property or as to how it will be distributed, such property shall be sold by taking bids at public auction and selling said property to the highest bidder with the proceeds therefrom being divided equally by the Agencies. Termination shall not impair a party's obligation for its share of any outstanding indebtedness incurred under this Agreement.

14. Withdrawal. An Agency's governing board may withdraw from this Agreement by passing a resolution and submitting a copy of it to the other Agency at least 60 days in advance of the stated date of withdrawal. Withdrawal shall not impair an Agency's obligation for its share of any outstanding indebtedness.

15. Insurance. Each party shall obtain and pay for its own insurance coverage for their participation in this Agreement.

16. Notice. Each Agency giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or electronic mail (to the Agency's then executive officer or the governing board's president, with receipt confirmed). Notice shall be sent to the following addressees at the following addresses:

ESUCC: ESUCC
Attn: Executive Director
6949 South 110th Street
LaVista, NE 68128

Village of Republican City:

Attn: _____

Notice is effective only if the party giving the Notice has complied with this section.

17. Amendments and Modifications. The Agencies may amend or modify this Agreement only by a written agreement signed by both parties that identifies itself as an amendment or modification to this Agreement. No other alterations in the terms of this agreement shall be valid or binding.

18. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement shall remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

19. Counterparts. The Agencies may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the Agencies need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other Agencies to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each Agency to the other Agencies. In proving this Agreement, an Agency must produce or account only for the executed counterpart of the Agency to be charged.

20. Assignment. The Agencies shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person or entity without the previous written consent of each of the other Agencies.

21. Entire Agreement. The Agreement is the complete and exclusive expression of the Agencies' agreement on the matters contained in this Agreement. All prior and contemporaneous

negotiations and agreements between the Agencies on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.
