**BYLAWS
OF
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL**

Article I. Authority and Purpose.

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

Article II. Membership and Meetings.

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

Article III. Officers.

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

- (a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.
- (b) President-Elect. In the absence of the President or in the event of his or her death, inability, or refusal to act, the President-Elect shall perform the duties of the President. When so acting the President-Elect, shall have all the powers of, and be subject to all the

The Past-President shall perform such other duties as from time to time may be assigned by the President or by the Council.
- (d) Secretary. The Council shall require each fiscal agent appointed by the Council to provide to the Council quarterly statements of all activity for each project.

Section 3. Agency Agreements and Fiscal Agents. The Council may enter into agency agreements with individual educational service units or other public or private entities. NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public. (b) (i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website. (ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by: (A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website; or (B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting. (iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public

body.(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee. (d) Each public body shall record the methods and dates of such notice in its minutes. (e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2)(a) The following entities may hold a meeting by means of virtual conferencing if the requirements of subdivision (2)(b) of this section are met: (i) A state agency, state board, state commission, state council, or state committee, or an advisory committee of any such state entity; (ii) An organization, including the governing body, created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act; (iii) The governing body of a public power district having a chartered territory of more than one county in this state; (iv) The governing body of a public power and irrigation district having a chartered territory of more than one county in this state; (v) An educational service unit; (vi) The Educational Service Unit Coordinating Council; (vii) An organization, including the governing body, of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act; (viii) A community college board of governors; (ix) The Nebraska Brand Committee; (x) A local public health department; (xi) A metropolitan utilities district; (xii) A regional metropolitan transit authority; and (xiii) A natural resources district. (b) The requirements for holding a meeting by means of virtual conferencing are as follows: (i) Reasonable advance publicized notice is given as provided in subsection (1) of this section, including providing access to a dial-in number or link to the virtual conference; (ii) In addition to the public's right to participate by virtual conferencing, reasonable arrangements are made to accommodate the public's right to attend at a physical site and participate as provided in section 84-1412, including reasonable seating, in at least one designated site in a building open to the public and identified in the notice, with: At least one member of the entity holding such meeting, or his or her designee, present at each site; a recording of the hearing by audio or visual recording devices; and a reasonable opportunity for input, such as public comment or questions, is provided to at least the same extent as would be provided if virtual conferencing was not used; (iii) At least one copy of all documents being considered at the meeting is available at any physical site open to the public where individuals may attend the virtual conference. The public body shall also provide links to an electronic copy of the agenda, all documents being considered at the meeting, and the current version of the Open Meetings Act; and (iv) Except as otherwise provided in this subdivision or subsection (4) of section 79-2204, no more than one-half of the meetings of the state entities, advisory committees, boards, councils, organizations, or governing bodies are held by virtual conferencing in a calendar year. In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, the organization may hold more than one-half of its meetings by virtual conferencing if such organization holds at least one meeting each calendar year that is not by virtual conferencing. The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by virtual conferencing if the governing body's quarterly meetings are not held by virtual conferencing.

(3) Virtual conferencing, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by virtual conferencing. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness to appear before the public body by means of virtual conferencing.

(7)(a) Notwithstanding subsections (2) and (5) of this section, if an emergency is declared by the Governor pursuant to the Emergency Management Act as defined in section 81-829.39, a public body the territorial jurisdiction of which is included in the emergency declaration, in whole or in part, may hold a meeting by virtual conferencing during such emergency if the public body gives reasonable advance publicized notice as described in subsection (1) of this section. The notice shall include information regarding access for the public and news media. In addition to any formal action taken pertaining to the emergency, the public body may hold such meeting for the purpose of briefing, discussion of public business, formation of tentative policy, or the taking of any action by the public body. (b) The public body shall provide access by providing a dial-in number or a link to the virtual conference. The public body shall also provide links to an electronic copy of the agenda, all documents being considered at the meeting, and the current version of the Open Meetings Act. Reasonable arrangements shall be made to accommodate the public's right to hear and speak at the meeting and record the meeting. Subsection (4) of this section shall be complied with in conducting such meetings. (c) The nature of the emergency shall be stated in the minutes. Complete minutes of such meeting specifying the nature of the emergency and any formal action taken at the meeting shall be made available for inspection as provided in subsection (5) of section 84-1413. (8) In addition to any other statutory authorization for virtual conferencing, any public body not listed in subdivision (2)(a) of this section may hold a meeting by virtual conferencing if: (a) The purpose of the virtual meeting is to discuss items that are scheduled to be discussed or acted upon at a subsequent non-virtual open meeting of the public body; (b) No action is taken by the public body at the virtual meeting; and (c) The public body complies with subdivisions (2)(b)(i) and (2)(b)(ii) of this section.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, a camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings, including meetings held by virtual conferencing. A body may not be required to allow citizens to speak at each

meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body shall require any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the address requirement is waived to protect the security of the individual.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and (f) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the in-state location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when; agenda and minutes; required on website; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

84-1415. Open Meetings Act; requirements; waiver; validity of action. No motion, resolution, rule, regulation, ordinance, or formal action made, adopted, passed, or taken at a meeting as defined in section 84-1409 of a public body as defined in such section shall be invalidated because such motion, resolution, rule, regulation, ordinance, or formal action was made, adopted, passed, or taken at a meeting or meetings on or after March 17, 2020, and on or before April 30, 2021, pursuant to a Governor's Executive Order which waived certain requirements of the Open Meetings Act.

2024-2027 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and **ByteSpeed** ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

- 1. Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A**, which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.
- 2. Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.
- 3. Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a calendar quarter basis beginning from the Effective Date of this Agreement for all transactions completed and paid during said quarter.
- 4. Term.** This Agreement is effective on April 3, 2024 ("Effective Date") and shall continue until 12:00 midnight (CST) on April 2, 2027, unless terminated earlier as provided by this Agreement or by law. Notwithstanding the effective date of termination of this Agreement, Contractor agrees to comply with Paragraph 5 of this Agreement.

- 5. Duration of Services Purchased.** If this Agreement, for any reason, terminates before the service end date of any agreement or license between a Member and the Contractor, the Contractor shall continue, maintain, and make such Services available to such Member until the agreed upon date between the Contractor and Member or until the term for the service expires. For example, if the Contracted Services allow a Member to purchase or license Services for a certain period of time, but this Agreement expires prior to the end of the service period, the Contractor agrees to maintain such Contracted Services until the expiration of said period of service and in accordance with the terms and provisions of the purchase or license.
- 6. Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.
- 7. Termination.**
- A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.
- B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.
- C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.
- D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:
- (1) Insolvent;
 - (2) Makes a general assignment for the benefit of creditors;
 - (3) Files a voluntary petition of bankruptcy;
 - (4) Suffers or permits the appointment of a receiver for its business or assets;

- (5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
 - (6) Has wound up or liquidated, voluntarily or otherwise.
- E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.
- F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.
- G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

8. Indemnification.

- A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.
- B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.
- C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.
- D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.
- E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

9. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

- A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with

minimum liability limits of \$1,000,000 per person and \$5,000,000 per occurrence; and

- B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

- 10. Public Records.** The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.
- 11. Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.
- 12. Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.
- 13. Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.
- 14. Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.
- 15. Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of

employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

- 16. Taxpayer Identification.** Contractor's federal employer identification number is: **45-0456218**.
- 17. Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.
- 18. - 20. Entire Agreement.** The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the

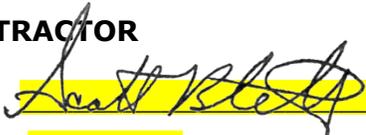

matters contained in this Agreement are expressly merged into and superseded by this Agreement.

- 21. Amendments and Modifications.** The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.
- 22. Waivers.** The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.
- 23. Severability.** If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.
- 24. Counterparts.** The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.
- 25. Force Majeure.** Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.
- 26. Assignment.** This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

- 27. Subcontractors.** The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

- 29. Rights and Remedies Cumulative.** Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. - 31. Rules of Construction.** The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

Dr. Kraig Lofquist
Executive Director, ESUCC

Dr. Lofquist:

Thank you for your March 27th email where you asked the following questions. After researching and reviewing your questions, please find our analysis, below:

Q1. Does *each* ESU have to list their lobbying fees, or can the ESUCC list them all, because the ESUCC makes one payment for the lobbying services?

Currently, the ESUCC bills each ESU for lobbying fees and pays them in one lump sum.

A1: Each political subdivision is required to post its lobbying fees on its own website. But this requirement only applies to an “individual lobbyist or lobbying firm” contracted with the political subdivision. If the contract with the lobbying firm is between the ESUCC and that lobbying firm, then only the ESUCC would need to disclose the lobbying contract/fees on the ESUCC website. But if the lobbying contract includes all ESU’s as covered clients, then each ESU will need to list its proportionate lobbying fees paid on its website.

Q2. Do we have to add speech/language pathology national annual memberships paid to the American Speech/Language and Hearing Association (ASHA)? School psychologist Association, etc.

Q3. Do we have to list every administrator's (superintendent, principal, sped director, business office manager, etc.) annual membership to NCSA? Association of Educational Service Agencies (AESA)? NRCSA? NASB? or attendance at state and national conferences?

Q4. Do membership dues reimbursed to employees still require disclosure? We reimburse our SLPs for their ASHA dues, we don’t pay the organization directly.

A2,3&4: As I read LB 304, only those memberships of an ESU's Board (NRCSA, NASB, etc.) are covered. Individual memberships by ESU employees (such as NCSA, AASA, and the like) are not covered and would not need to be disclosed, even if the ESU reimburses its employees for those individual membership dues. If the ESU Board is a dues paying member of AESA, then AESA would need to be listed on the ESU website.

Q5. ESUCC Annual Master Service Agreement fees?

Note: Each year the ESUCC creates a master service agreement (MSA). The master (MSA) is a comprehensive document that includes services that are both optional and required. For example, all service units must participate in ESUPDO (three meetings each year). Conversely, ESUs can opt out of services such as the online IEP system known as SRS.

A5: In my opinion, the Annual MSA fees are not covered by LB 304 and do not need to be disclosed on the ESUCC's or any ESU's websites. Only those "membership dues" are required to be disclosed, and (in my view) optional service fees are not the same as "membership dues."

Q6. Can we pay a non-index wage to employees that they could then utilize for work related items they deem as important to their work (i.e, to cover **partial/full cell phone costs** because they use their cell phones for work from time to time, membership fees - i.e.,

A6: As long as the ESU Board and employee agree, then the ESU could make payments as you described. However, the ESU would need to review its negotiated agreement (if any) to determine if paying certificated staff a different amount than the negotiated agreement's wages would run contrary to that agreement. If it would, then the ESU would need the Association's consent to deviate from the negotiated agreement.

Q7. ESUCC pays their Executive Director and he is a registered lobbyist. Does that need to be disclosed as well?

A7: In my opinion, no. The Executive Director's salary from the ESUCC does not amount to "fees" paid to an individual lobbyist.

Q8. Where on the website do we post?

A8: LB 304 does not provide any specifics on the website posting requirements. Pursuant to the text of LB 304 itself, as long as the information is listed somewhere on the ESU's website, that satisfies the requirements of the new law. I should note that this is unlike the Superintendent Transparency Act (Neb. Rev. Stat. § 79-2402), which requires the Superintendent's contract be "prominently displayed" on the school's website.

Q9. Must the list be kept current or do we update annually for the prior year? When would we be allowed to remove a disclosure if we stopped paying that membership due?

A9: Under the wording of the new law, the list must be kept current. If an ESU enters into a new lobbying contract, those lobbying fees would need to be disclosed on the ESU's website. On the other hand, if the ESU cancelled a lobbying contract, then the ESU could remove that lobbying fee from its website.

Q10. What is the start date? Is the list meant to be retrospective or starting from the date the bill is enacted?

A10: LB 304 did not include an emergency clause, so LB 304 will become effective three months after the Legislature adjourns. LB 304 also does not include any retroactive provisions, so the new law will take effect in mid-July and will only apply to memberships and lobbying fees that exist in mid-July and those moving forward.

I trust that the foregoing is helpful. Please let me know if you have any questions or concerns, and what I can do to help.

Sincerely,

PERRY, GUTHERY, HAASE
& GESSFORD, P.C., L.L.O.

Legal Opinion info from Justin:

Good morning, Dr. McNiff,

Under the Open Meetings Act, a committee meeting (less than a quorum of the Board) is not considered a "public body" subject to the Act's advertising or the in-person/virtual meeting rules. And since the virtual conferencing statute (84-1411) only applies to the "meetings" of a public body, a committee meeting is not subject to the typical virtual meeting requirements. As such, under the Open Meetings Act, your committee meetings could be held by Zoom, as long as the committee itself does not take any formal action on behalf of the full ESUCC board. (If committees merely make recommendations to the full board, they would not be taking any formal action.)

I hope this helps -- please let me know if you have any questions,

Justin

**2024-2025 Master Services Agreement
Between the
Educational Service Unit Coordinating Council and
Educational Service Unit __**

THIS MASTER SERVICES AGREEMENT (“Agreement”) is entered into this ____ day of _____, 2024 (“effective date”) by and between THE EDUCATIONAL SERVICE UNIT COORDINATING COUNCIL, a political subdivision of the State of Nebraska, hereinafter referred to as “the Council” or “the ESUCC,” and EDUCATIONAL SERVICE UNIT NO. ____, a political subdivision of the State of Nebraska referred to as “the ESU.”

Recitals

Whereas, ESUCC is charged by NEB. REV. STAT. § 79-1245 with the administration of statewide education initiatives and provision of statewide education services;

Whereas, the ESU wishes to receive certain services and participate in certain Projects that are conducted by the ESUCC; and

Whereas, the ESU wishes to have certain services and initiatives made available to its member school districts.

Now, therefore, the ESUCC and the ESU agree as follows:

1. General Provisions

- a. Purpose. The purpose of this Agreement is to establish the general terms and conditions applicable to the education initiatives, services and projects (collectively “Projects”) which ESUCC supplies to the ESU for the 2024-25 school year. This Agreement is intended to serve as a framework for the provision of services under one or more of the ESU CC’s Projects.
- b. Participation in Individual Projects. This Agreement outlines several Projects which ESUCC has undertaken for the statewide benefit of Nebraska educational service units and their member school districts. Other than the statewide core service initiatives designated herein as required by Rule 84 of the Nebraska Department of Education, the ESU may choose to participate in some, but not all of the Projects referenced by this Agreement. The ESU shall indicate its intention to participate in a particular Project by marking, where indicated, each Project in which it wishes to participate or make available to its member school districts. ESUCC is only obligated to provide services to the ESU for the Projects which the ESU has marked as provided herein.
- c. Term. The term of this Agreement shall be one (1) year, commencing on August 1, 2024 and ending on July 31, 2025.

- d. Provision of Services by ESUCC's Agents. The ESUCC may contract with third parties to provide some or all of the services described in this Agreement. The ESU hereby expressly agrees to the provision of those services by said third-party agents and agrees to cooperate with all agents of ESUCC in the implementation of such Projects including, but not limited to, invoicing, payment and administration necessary for the delivery of Project services in the name of ESUCC.
- e. Compliance with State Law. Each Party will comply with applicable laws in its performance hereunder and will advise the other of changes in laws that concern the conduct of the Projects and services contemplated by this Agreement. Each Party shall obtain and maintain all approvals required to perform its obligations under this Agreement.
- f. Right to Make Changes. ESUCC reserves the right in its sole discretion, to make changes to the operation of each of the individual Projects referred to herein, including, but not limited to, an increase in the fees charged for particular Projects, if the ESUCC determines that such fee increase is necessary for the continued operation of the particular Project, provided, however, that no such change shall have a material adverse impact on the ESU.
- g. New Projects. In the event ESUCC determines to offer a new Project during the term of this Agreement and the ESU wishes to participate in said new Project, the parties may describe the new Project in writing and incorporate that writing as a formal addendum to this Agreement.
- h. Amendments in Writing. Notwithstanding any provision of this Agreement to the contrary, any amendment to this Agreement must be in writing and signed by an authorized representative of each Party. No oral understanding or agreement not incorporated in this Agreement is binding on any of the Parties.
- i. Indemnification. To the extent permitted by applicable law, but without waiving any rights under any applicable state governmental immunity act, the Parties hereto agree to indemnify each other from any and all liabilities, claims, expenses, losses or damages, including attorneys' fees, which may arise in connection with the execution of the work herein specified and which are caused, in whole or in part, by the negligent act or omission of the Indemnifying Party.
- j. Assignment. The ESU shall not assign any right or delegate any obligation arising hereunder without the prior written consent of ESUCC. This provision does not prevent the ESU from allowing its member school districts to participate in some or all of the Projects described herein.
- k. Third Party Beneficiaries. This Agreement shall be binding upon and inure solely to the benefit of and be enforceable by each Party hereto and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, is intended to or shall confer upon any third party any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

- i. Entire Agreement. This Agreement supersedes and replaces all prior agreements or understandings and constitutes the entire agreement between the Parties concerning the subject matter hereof; there are no other agreements, understandings, or representations, whether written or oral, between the ESU and ESUCC concerning the subject matter addressed herein.
- m. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Nebraska.
- n. Nondiscrimination. The parties shall not discriminate against any employee or applicant who is to be employed for performance of this MOU with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.
- o. Employment Eligibility Verification. The parties shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If a party employs or contracts with any subcontractor in connection with this Agreement, the contracting party shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

2. Professional Development Project (ESUPDO Project)

- a. Purpose of Professional Development Projects. One of the core services provided to school districts is professional development of their staff. Pursuant to Rule 84 of the Nebraska Department of Education, all ESUs are required to participate in statewide core service initiatives as established by the ESU Coordinating Council as a condition of accreditation. The ESUPDO Project is one of the mandatory statewide core service initiatives undertaken by the ESUCC. Mandatory participation includes financial support of the project pursuant to the terms set forth in this section.
- b. Professional Development Planning Committee. The ESUCC shall appoint educators and other experts to a Professional Development Planning Committee. The initial committee shall consist of members who possess expertise in professional development and specific curriculum areas including members from NDE and statewide initiatives/projects at the discretion of the ESUCC and its Executive Director. The Professional Development Planning Committee shall provide the ESUCC's Executive Director with suggestions and input on technical and other matters related to professional development and specific special projects involving educators' professional development, within the State of Nebraska. The ESUCC Executive Director may also form ad hoc committees from time to time to address matters relevant to the various Professional Development Initiatives.

- c. Annual Professional Development Program. The ESUCC will develop an annual program of professional development offerings that will assist the ESU and its member districts in providing professional development to educators statewide. The ESUCC will assist the ESU in meeting its obligations pursuant to Rule 84 of the Nebraska Department of Education in collaborating to create opportunities for educational training and staff development for the staff of educational service units, the Nebraska Department of Education, and school districts statewide.
- d. ESUPDO Project. The ESUPDO serves as a collaborative effort to provide statewide training and alignment of efforts for ESU employees and key NDE Staff statewide. Professional development is among the core services identified by state statute for ESU's. ESUPDO consists of four affiliate groups comprised of ESU employees across the seventeen ESU's with representation from essential NDE Staff.

These groups are:

- i. Staff Development Affiliate (SDA): Members are responsible for providing staff development for their school districts and assisting the Nebraska Department of Education efforts on statewide and local assessment as well as school improvement for Nebraska's school districts.
- ii. Teaching and Learning with Technology (TLT): The purpose of the Teaching and Learning with Technology Affiliate (TLT) is to connect educators with resources, best practices, and emerging technologies to transform teaching and learning within the classroom. This support is provided through school improvement efforts, professional development, and coordinated statewide projects, services, and efforts.
- iii. Network Operations Committee (NOC): NOC supports the extensive communications network within and among the ESU's and school districts. NOC provides network security and protocols for their districts and ESU's and ensures the communications network for distance education, internet, email, and phones are functioning and secure.
- iv. ESU Special Populations Directors (ESPD): This group consists of Special Education Directors and staff from across the state. This group was included in the ESUPDO as the need for special education professional development for special education and classroom teachers emerged in the age of standards and assessment. ESPD is involved with the Nebraska Department of Education in providing leadership for special education training and support.
- v. ESUPDO Fees. Each ESU will participate in the ESUPDO Project and contribute \$2,550 to fund the activities of the Professional Development Annual Program.

- e. Professional Development Special Projects. The ESUCC may also facilitate special projects, organize and facilitate programs, or serve as a fiscal agent for activities to enhance professional development opportunities. These special projects may include but are not limited to special education grant programs, NDE career education grant programs, and other grant or collaborative efforts that enhance statewide professional development.
- f. Fees for Participation in Specific Professional Development Activities. Professional Development activities may include registration, material, and other fees. Such fees will be set at no more than \$25 per person per day. Material and other fees will actually be incurred costs beyond normal registration. Any fees billed through an agent of ESUCC must identify the specific core activity provided on behalf of the ESUCC and be appropriately allocated by such agent in accordance with agreed upon billing practices. ESUCC will provide to each ESU that participates in the Professional Development Project invoices that detail the expenditures for each event or meeting. Participation fees shall be billed bi-annually by ESUCC during the academic year.

The following is a cost summary for this project:

Section 2	PD Annual Program Fees	\$ 2,550
	(Each ESU will participate.)	
Section 3	PD Participation Fees	\$ 25 per person per day
	(Each ESU will participate.)	
MSA Fees for 2023-2024: \$2,400/\$20		
	PD Participation Fees	\$ 20 per person per day

- 3. Service Implementation Model Process and Log (SIMPL): This service is a data-driven process to systematically identify the needs of our districts and develop services to fill the gaps. The SIMPL online tool allows ESUs to comprehensively assess the available services for optimal implementation at the school district level.

The following is a cost summary for this project.

SIMPL fee	Up to \$ 1,500
(Each ESU will participate.)	
Fees for 2023-2024:	Up to \$1,500

**4. Digital Learning Services and Projects:
Encompassing Distance Education, Blended Learning, Open Educational
(OER), Instructional Materials, and Learning Management Systems (LMS)**

- a. Purpose of Digital Learning Services and Projects. The ESUCC shall provide distance education services including brokering and facilitating the exchange of distance education courses, the administration of learning management systems, and the assessment of distance education needs and evaluation of distance education services as provided for in NEB. REV. STAT. § 79-1248 and other state statutes and regulations. Additionally, the ESUCC is charged with the administration of state-wide initiatives and provision of statewide services among other duties in NEB. REV. STAT. § 79-1246. The ESUCC also has managed statewide services in “core services” as that term is defined in statute, including instructional materials services. The purpose of these services is to assure cost-efficient and equitable delivery of digital learning opportunities in partnership with educational service units, school districts, and other potential partners. The ESUCC Digital Learning Services and Projects promote statewide collaboration to provide students and school districts with access to a mix of different learning environments that best supports the combination of traditional face-to-face classroom methods with more technology-mediated activities.
- b. Nebraska Department of Education Rule 84. Pursuant to Rule 84, all ESUs are required to participate in statewide core service initiatives as established by the ESUCC as a condition of accreditation. Components of the Digital Learning Services and Projects are mandatory statewide services administered by the ESUCC and require financial support from all ESUs.
- c. Distance Education Brokering. The ESUCC will provide the Nebraska Virtual Instruction Source (NVIS) course clearinghouse for use in finding and exchanging distance education courses between participating ESUs and school districts. Funding for this service is provided by allocated State appropriation. If additional fees for distance education brokering become necessary, they will be approved by the ESUCC board through the approval process.
- d. Digital Learning Ad Hoc Committees: Ad hoc committees may form to address matters relevant to the Digital Learning Services and Projects. These committees will provide the ESUCC’s Executive Director and Digital Learning Coordinator with suggestions and input on technical and other matters related to distance education, digital learning, instructional materials, or learning management systems, within the State of Nebraska.
- e. Open Educational Resources (OER): The Nebraska OER hub is available to all ESUs and their district schools and offers statewide access to local and national open educational resources. The OER hub is a customized branded landing page on OER Commons, a product of ISKME. Within the Nebraska OER hub, collaborative statewide efforts with and between the Nebraska Department of

Education, the ESUCC, school districts and educators are possible and provide the support to curate and create quality open educational resources that are aligned to Nebraska curriculum. The cost for the platform and services is funded by the Digital Learning administration fee.

- f. Learning Object Repositories (LOR): ESUCC will coordinate **access** to digital libraries that enable educators from within participating ESUs to use educational resources that are aligned to academic standards. These digital libraries may include both free and subscription based services.

Federal Deposit Insurance Corporation (FDIC) insurance information.

The following information provides summary highlights of FDIC coverage and how it might affect your deposits at Union Bank & Trust. If you need additional information please contact your Union Bank & Trust officer, personal banker, or go to the FDIC website at www.fdic.gov.

\$250,000 per Depositor

FDIC insurance covers all deposit accounts, including checking and savings accounts, money market deposit accounts and certificates of deposit. The standard maximum deposit insurance amount is \$250,000 per depositor, per insured bank, for each account ownership category.

FDIC Coverage on Sweep Arrangements

FDIC regulations require us to annually notify sweep account customers whether their swept funds are considered deposits eligible for deposit insurance coverage by the FDIC. This does not reflect any change, but simply further details how FDIC insurance is pertinent to each situation as the funds move from one account to the other.

A) Short Term Federal Investment Trust (STFIT) Sweep Contracts (no loan involved)

You have established a pre-arranged transfer of funds from your deposit account to your STFIT account. Depending on the target balance you establish in your Sweep Agreement, funds may be swept from your deposit account into your STFIT account on a daily basis; however, the transaction is not completed until the next business day. Federal regulation requires us to inform you that in the event of a bank failure, the sweep will not occur and the funds will remain in your deposit account, and will be eligible for FDIC Deposit Insurance coverage (up to the established limits).

B) Short Term Federal Investment Trust (STFIT) Established As Same-Day Sweeps

You have established a pre-arranged transfer of funds from your deposit account to your STFIT account. Depending on the target balance you establish in your Sweep Agreement, funds may be swept from your deposit account into your STFIT account on a daily basis. Federal regulation requires us to inform you that in the event of a bank failure, the funds beyond your established target balance will be swept from your deposit account, and will not be considered deposits, meaning that the swept funds will not be eligible for deposit insurance coverage and will not be afforded status as a deposit under the depositor preference statute.

C) Sweep Arrangements Involving Loans

You have established a pre-arranged transfer of funds from your deposit account to your loan. Depending on the target balance you establish in your Sweep Agreement, funds are swept from your deposit account to pay down an existing loan. Federal regulation requires us to inform you that in the event of a bank failure this transaction will be completed prior to determining end-of-day deposit and account balances. Therefore, the funds that have been swept out of the deposit account by the end of the business day will be used to reduce your loan balance; funds remaining in the deposit account below the target balance are considered deposits.

**EMPLOYMENT AGREEMENT
CHIEF EXECUTIVE OFFICER ASSIGNED TO ESUCC
PROJECTS**

THIS EMPLOYMENT AGREEMENT is made by and between the **Educational Service Unit No. 17 of the State of Nebraska**, and referred to as "ESU 17", and Dr. Larianne Polk, referred to herein as "the Chief Executive Officer". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the ESU 17 Board agrees to employ the Chief Executive Officer, and the Chief Executive Officer agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Employment. The Chief Executive Officer shall be employed indefinitely commencing on July 1, 2024. References to "contract year" shall mean the period from July 1st through June 30th and shall consist of all days except Saturdays and Sundays and any holidays or leave days listed in Section 8.

Section 2. Salary. The Chief Executive Officer's salary for the 2024-2025 contract year shall be \$210,000.00 which shall be paid in 12 equal monthly installments beginning in the month of August 2024. The Chief Executive Officer shall also receive "additional compensation" as provided in Exhibit B to the Negotiated Agreement between the certificated personnel of ESU 17 and ESU 17. ESU 17 shall not reduce the Chief Executive Officer's salary during the term of this Agreement, but may increase it and/or the benefits during the term of this Agreement, as an amendment to the Agreement, without the amendment constituting a new contract, requiring a hearing, or extending the term of this Agreement.

Section 3. Deductions. This Agreement shall conform to the statutes and regulations governing deductions from compensation and shall be subject to the School Employees Retirement Act. The Chief Executive Officer authorizes ESU 17 to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Chief Executive Officer or the value of property or money entrusted to the Chief Executive Officer or owed by the Chief Executive Officer to ESU 17 or to the Educational Service Unit Coordinating Council (ESUCC) during the course of or as a result of the Chief Executive Officer's employment, if such property or money have not properly been returned to ESU 17 or ESUCC. ESU 17 shall withhold other deductions as the Chief Executive Officer and Board may agree.

Section 4. Professional Status. The Chief Executive Officer affirms that he or she is not under contract with any other school district, educational

service unit, or other entity covering any part or all of the term provided in this Agreement. Throughout the Agreement term, he or she will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which he or she will register and maintain on file in ESU 17's central administrative office. This Agreement shall not be valid and ESU 17 will not compensate the Chief Executive Officer for any service performed prior to the date that he or she registers his certificate. The Chief Executive Officer represents that: (1) all information he or she provided in connection with his or her application for employment with ESU 17 or the ESUCC was true and accurate at the time of application, and if there is or has been a material change in such information, he or she will advise ESU 17 and the ESUCC immediately; (2) he or she has never been convicted of or plead no contest to, a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) he or she has not had any professional licenses or certificates suspended or revoked.

Section 5. Chief Executive Officer's Duties. The parties agree that the Chief Executive Officer will be assigned to the ESUCC to perform his or her duties. The Chief Executive Officer's duties shall be as prescribed by statute and by ESUCC policies, rules, regulations, job description, and directives, which may be changed at any time with or without notice to the Chief Executive Officer. The Chief Executive Officer agrees to devote his or her time, skill, labor, and attention to his or her duties throughout the term of the Agreement. He or she shall be subject to the direction and control of the ESUCC at all times and shall perform such administrative duties as the ESUCC assigns to him or her. By agreement with the ESUCC, he or she may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out his or her duties and obligations to ESU 17 and the ESUCC.

Section 6. Right to Reassign. ESU 17 and its Administrator retain the right to assign and reassign the Chief Executive Officer pursuant to its statutory authority to assign employees. The Chief Executive Officer understands and agrees that ESU 17, in consultation with the ESUCC, has the right to assign Chief Executive Officer to a position different from that originally assigned.

Section 7. Termination of Agreement. In exchange for \$1 and other valuable consideration which the Chief Executive Officer acknowledges receiving, the parties agree that this Agreement is not subject to the requirements of NEB. REV. STAT. § 79-824 through § 79-858 or NEB. REV. STAT. § 79-1201 through § 79-1249. By accepting this additional consideration,

the Chief Executive Officer understands that he or she is waiving statutory rights such as to notice and a hearing and other rights regarding nonrenewal of employment, to the extent that he or she possesses any such right. He or she does so voluntarily and with full knowledge of the rights he or she is waiving. The Chief Executive Officer understands that this contract may be cancelled by either party with 30 (thirty) days written notice.

Section 8. Fringe Benefits. ESU 17 shall provide the Chief Executive Officer with the following fringe benefits:

- a. AFLAC 125 Plan.** The Chief Executive Officer will be allowed to participate in ESU 17's AFLAC 125 plan, and will be allowed to use funds placed into the 125 fund to purchase health insurance, dental insurance, or child care.
- b. Disability Insurance.** The Chief Executive Officer shall purchase long-term disability insurance from ESU 17's carrier at his or her own expense. The Board will increase his or her salary by the amount of the premium cost.
- c. Sick Leave.** The Chief Executive Officer shall be entitled to 9 days of sick leave per year, which may accumulate to a total of 60 days. Sick leave may only be used for personal illness or family members as designated in policy by ESU #17. If the Chief Executive Officer qualifies for disability pay under the long-term disability policy, he or she shall be required to take the disability pay instead of sick leave pay. The Chief Executive Officer shall keep complete and accurate records of his or her sick days and shall provide the Board and the ESUCC with a report of his or her accumulated sick days at least quarterly. The Chief Executive Officer shall not be compensated for unused days of sick leave upon the ending of his or her employment with the ESU 17.
- d. Vacation.** The Chief Executive Officer shall have 22 vacation days for the 2024-2025 contract year which he or she may use at times he or she chooses so long as his or her absence does not interfere with the proper performance of his or her duties. Any extended vacation period (more than 10 days) will require advance approval by the Board and the ESUCC, and the parties will cooperate in arranging vacation time so as to cause the least inconvenience to the normal operation of ESU 17 and the ESUCC. After the 2024-2025 contract year, the Board shall give the Chief Executive Officer the number of days necessary to restore his or her total to

22 days. For example, if he or she uses 12 days of vacation one year, the board will provide him or her with 12 days the following year to bring his or her total to 22 days. The Chief Executive Officer shall develop a system for recording his or her use of vacation days and shall keep such records current and on file in the ESU 17 and ESUCC central offices. The Chief Executive Officer shall keep complete and accurate records of his or her vacation days and shall provide the Board and the ESUCC with a report of his or her accumulated vacation days at least quarterly. The Board or ESUCC may require him or her to use his or her vacation days and shall compensate him or her for unused vacation days upon the conclusion of his or her employment at the rate of \$2 per day.

e. Holidays. The Chief Executive Officer shall receive the following paid holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day. The Chief Executive Officer shall receive annually 3 additional "floating" paid holidays to be used at the Chief Executive Officer's discretion.

Section 9. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this Agreement.

Section 10. Amendments to be in Writing. This Agreement may be modified or amended only by a writing duly authorized and executed by the Chief Executive Officer and ESU 17.

Section 11. Severability. If any portion of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this Agreement.

Section 12. Legal Actions. ESU 17 will support the Chief Executive Officer if there is a legal dispute caused by him or her carrying out his or her duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Chief Executive Officer as a result of his or her performance of his or her duties or his or her position as Executive, ESU 17 will provide him or her with a legal defense to the maximum extent permitted by law so long as he or she acted in good faith and in a manner which he or she reasonably believes to be in or not opposed

to the best interests of ESU 17 and/or ESUCC and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful.

3. Agenda Item

3.1. Future Ready Digital Learning Collaborative (FRDLC)

The Technology Director gave updates 141 school districts and ESUs are participating in the Proofpoint Security Awareness Training platform, utilizing 22,152 staff licenses. 49 school districts and ESUs are participating in the Duo Security multi-factor authentication system, utilizing 8,646 licenses. 1,354 licenses remain available.

Canvas Updates: 152 public school districts, 47 non-public schools are participating in the Canvas consortium. Bill Schroeder is joining our Canvas team on April 8, 2024. Bill comes to us from Clarkson college with deep experience as an instructional designer and Canvas administrator. Review some dates for training for Administrators for this Spring/Summer.

The Nebraska Future Ready Conference is June 10-11, 2024 both in person at the NDE office and virtually.

The STEADfast project is a browser plug-in designed to help school districts collect data about the performance of home broadband Internet services and indicate areas of the state where service improvements are needed. This project was started with the development work of ESU 10 using GEER funds earlier. \$45,000 remaining ESSER III funding is available to continue development and pilot this software with a school district. We are working out the details of this with NDE and ESU 10.

3.2. Cybersecurity

The Technology Director gave updates for cybersecurity.

The SLCG committee has received copies of the submitted year 2 proposals. At the March 14, 2024 committee meeting, we learned updated numbers: 60 project proposals were submitted, totalling \$7.7 million in requested funding. \$4.2 million in funding is available. Projects range from very small (just a few thousand dollars, to one that is \$4.4 million by itself). The projects have not been assigned for scoring yet. The plan is to have the projects scored during April, with announcements to the projects moving forward in May.

Four cybersecurity projects are moving forward with \$500,000 in ESSER III funding allocated through ESUCC:

- Establish a Nebraska chapter of the Consortium of School Networking (CoSN)

- Provide summer workshops and support for schools and ESUs to create and improve cyber incident response plans
- Support the Cyber Tatanka training and simulation exercises conducted in the summer
- Fund trials of security operation center (SOC) and penetration testing services

All work must be completed with these funds by September 30, 2024.

3.3. SIMPL Report

The latest upgrades to the software include abilities for ESUs to add articles and data visualizations to highlight special things happening for their ESU. These articles are called showcases in the software and have the ability to highlight services, and to add live chart data to provide evidence supporting the narrative items in the showcase. This link shows one example for the COOP purchasing service. <https://simpl.esucc.org/Showcase/1> This should provide a needed means to provide qualitative data to provide meaning and emphasis to the quantitative data collected through SIMPL processes.

Additionally there was a meeting last Friday for some visioning around the SIMPL product. One action item is the adjustment of our implementation phases to be implementation tiers. This adjustment is necessary as we have gone through almost all the phases for implementing SIMPL, and need to communicate that the work needs to be an annual process, not a set of one time tasks. I would expect to hear of other action plans from the group.

Nate

Dr. Schnoes was present to give an update from the SIMPL Workgroup meeting. The group feels it is important to have SIMPL attached to the Information Services Committee. They would like to re-brand this group. They would like to redefine the purpose/position. Rework the phases into a tier structure. This would allow the opportunity to possibly sell the product outside of Nebraska. Explanation of the proposed tier structure.

3.4. dmarcian Group Purchase

DMARC is a standard email authentication method. DMARC helps mail administrators prevent hackers and other attackers from spoofing their organization and domain.

The dmarcian platform visualizes the data so we can quickly identify authentication gaps (SPF/DKIM) and unauthorized use of our domains.

nfo Services Summary

The NNNC is requesting that ESUCC assume contract ownership of the dmarcian contract. This contract is currently utilized by every ESU, except 18 & 19. The cost will be \$12,000 per year. We are also working on a partnership with multiple post-secondary institutions which can help to reduce the cost to all ESUs. Management of this service would be done by a member of the ESUCC technical staff.

In the future, this contract could be included into the ESU Master Service Agreement if desired.

Background:

dmarcian is an email security product that has been in use across the state for a number of years. In 2017 the NNNC landed a group buy and was allowed to extend the buy to every ESU who was interested. In the year since, the participation has climbed to be used by every ESU except 18 & 19.

Cost:

The cost of this purchase has done nothing but drop since the first agreement. The cost currently is \$7,654.40 per year for up to 250 active domains and up to 65 million DMARC Capable Volume per month. Our current usage is 175 active domains and roughly 7 million DMARC Capable Volume per month.

Recent News:

At the Spring NETA conference this year, I had conversations with the University system and the State College system about the possibility of their organizations participating in our group buy. The University system is currently a dmarcian customer and while their cost is not very much, they asked for the possibility of saving some money. Once the idea was not denied by dmarcian, I reached out to other post-secondary institutions for their interest. At this point only the State College system is considering joining us.

Account Upgrade:

The University system has approximately 150 active domains and 2 million DMARC Capable Volume per month. This would exceed our current contract. The next step up for us is unlimited domains and unlimited DMARC Capable Volume. The list price for that is \$20,000 per year. They are offering it to us for \$12,000.

Let it be known that if K-12 and ESU usage continues to climb, K-12 alone would eventually exceed the 250 active domains without any partnerships with post-secondary.

Proposal:

I have proposed to both the University system and State College system that they could join our group buy if they can cover the cost of the account upgrade. I offered them a price of \$2,200 each. The University has tentatively accepted; I am awaiting confirmation from the State Colleges. If in the future additional post-secondary institutions desire to join, we can determine a reasonable participation cost and use that to offset the cost to the ESUs. If asked to determine a cost, I would suggest \$550 per institution. This is based on there are 4 institutions in the University System, which calculates to \$550 per institution. \$500 is also roughly what each ESU is currently paying for themselves and all of their schools.

The Technology Director shared that the NNNC is requesting that ESUCC assume ownership of the dmarcian contract. This contract is currently utilized by every ESU, except 18 & 19. The cost will be \$12,000 per year, with each participating ESU paying their share. Andy Boell is working on a partnership with multiple post-secondary institutions which can help to reduce the cost to all ESUs. Management of this service would be done by a member of the ESUCC technical staff. DMARC stands for "Domain-based Message Authentication, Reporting & Conformance" and its purpose is to authenticate email from our domains to help people receiving our email to know it

is or isn't really from us to reduce spam and security threats through email. The dmarcian platform is a tool to help configure, test and monitor DMARC much more easily than doing the tasks manually.

3.5. Staff Reports

3.5.1. Scott Isaacson

SRS

The SRS team continues to upgrade the software. Rita McKinney (SRS helpdesk and communications specialist) and Scott Isaacson will present a session at the NDE data conference April 16th-17th, 2024. The SRS team has met with 28+ districts in Zoom sessions to hear their feedback on the software, and has collected feedback from 40+ through a Google feedback form. Discussed future/roadmap items for SRS.

NVIS

The team continues to update and test the software, preparing for a summer, 2024 release.

Project Para

A new user registration process has been set up using the Canvas catalog and is being tested now for release in the summer, 2024. The advisory team for the project will be engaged to review and recommend updates to the course content and the Canvas team will work during the 2024-2025 school year to make these updates.

3.5.2. Andrew Easton

The Digital Learning Director gave his updates to the committee.

3.5.3. Rhonda Eis

The IMAT Project Coordinator gave updates from her report.

Scott Isaacson Staff Report

April, 2024

Future Ready Digital Learning Collaborative (FRDLC)

141 school districts and ESUs are participating in the **Proofpoint Security Awareness Training** platform, utilizing 22,152 staff licenses.

49 school districts and ESUs are participating in the **Duo Security** multi-factor authentication system, utilizing 8,646 licenses. 1,354 licenses remain available.

152 public school districts, 47 non-public schools are participating in the Canvas consortium. Bill Schroeder is joining our Canvas team on April 8, 2024. Bill comes to us from Clarkson college with deep experience as an instructional designer and Canvas administrator.

During April, the **Canvas** team will be presenting sessions around the state for school administrators (9 AM - 3 PM each day). Register at <https://bit.ly/CanvasNEAdministration> for one of these sessions:

- April 18 - ESU 3
- April 22 - ESU 13
- April 23 - ESU 10
- April 25 - Northeast Community College, Norfolk campus

Over the summer, the team will be presenting 2-day workshops for Canvas users of all levels. Register at <https://bit.ly/CanvasNE> for one of these Canvas Roadshow sessions:

- May 28, 29 - Scottsbluff / ESU 13
- May 30, 31 - Maxwell
- June 5, 6 - Wakefield / ESU 1
- June 13, 14 - LaVista / ESU 3
- June 17, 18 - Norfolk
- June 19, 20 - Hastings / ESU 9

The **Nebraska Future Ready Conference** is June 10-11, 2024 both in person at the NDE office and virtually.

The **STEADfast** project is a browser plug-in designed to help school districts collect data about the performance of home broadband Internet services and indicate areas of the state where service improvements are needed. This project was started with the development work of ESU 10 using GEER funds earlier. \$45,000 remaining ESSER III funding is available to continue development and pilot this software with a school district. We are working out the details of this with NDE and ESU 10.

Cybersecurity

The SLCG committee has received copies of the submitted year 2 proposals. At the March 14, 2024 committee meeting, we learned updated numbers: 60 project proposals were submitted, totalling \$7.7 million in requested funding. \$4.2 million in funding is available. Projects range from very small (just a few thousand dollars, to one that is \$4.4 million by itself). The projects have not been assigned for scoring yet. The plan is to have the projects scored during April, with announcements to the projects moving forward in May.

Four cybersecurity projects are moving forward with \$500,000 in ESSER III funding allocated through ESUCC:

- Establish a Nebraska chapter of the Consortium of School Networking (CoSN)
- Provide summer workshops and support for schools and ESUs to create and improve cyber incident response plans
- Support the Cyber Tatanka training and simulation exercises conducted in the summer
- Fund trials of security operation center (SOC) and penetration testing services

All work must be completed with these funds by September 30, 2024.

dmarcian Group Purchase

The NNNC is requesting that ESUCC assume ownership of the dmarcian contract. This contract is currently utilized by every ESU, except 18 & 19. The cost will be \$12,000 per year, with each participating ESU paying their share. Andy Boell is working on a partnership with multiple post-secondary institutions which can help to reduce the cost to all ESUs. Management of this service would be done by a member of the ESUCC technical staff.

DMARC stands for “Domain-based Message Authentication, Reporting & Conformance” and its purpose is to authenticate email from our domains to help people receiving our email to know it is or isn't really from us to reduce spam and security threats through email. The dmarcian platform is a tool to help configure, test and monitor DMARC much more easily than doing the tasks manually.

Other Projects

SRS

The SRS team continues to upgrade the software. Rita McKinney (SRS helpdesk and communications specialist) and Scott Isaacson will present a session at the NDE data conference April 16th-17th, 2024. The SRS team has met with 28+ districts in Zoom sessions to hear their feedback on the software, and has collected feedback from 40+ through a Google feedback form. Future/roadmap items for SRS include:

1. Electronic signatures
2. Synchronization with SIS
3. Make data entry screens and printed forms look the same (as much as possible)
4. Spanish translation and other languages - companion guide? Start with IEP?
<https://nebraska.jitbit.com/helpdesk/KB/View/51885636-spanish-or-other-language-translation>
5. Progress report "helper" / duplicator -
6. Changes to highlighting students in search & forms, dates
7. Real-time collaboration - "Google docs"-style multiple users on same form
8. Goals - label goal tabs and allow moving/reordering of goals

NVIS

The team continues to update and test the software, preparing for a summer, 2024 release.

Project Para

A new user registration process has been set up using the Canvas catalog and is being tested now for release in the summer, 2024. The advisory team for the project will be engaged to review and recommend updates to the course content and the Canvas team will work during the 2024-2025 school year to make these updates.

Administrators

I wanted to update everyone about the progress with NWEA Growth. I met with Tamika Chambers again on Monday March 18 to discuss an ESUCC COOP contract and with a possibility of an NDE contract that could come out of the RFI they would not be interested in entering into another contract with us at this time. She said this is a grey area right now and they don't want to change any setup on their end just in case the Department does decide to enter into another contract. What we do know is the following:

- Pricing is set at the beginning of the fiscal year and is the following until the end of 2024 (are there any deviations on the pricing below that others have heard)
 - MAP Growth \$12.50
 - MAP RF \$7.00
 - MAP Accelerator \$11.25
 - Science \$2.50

- NWEA will work with Schools directly and have begun communicating directly with them. I have asked for a copy of those communications and for the Sales/Primary contact for Nebraska Schools and will forward this when I receive it.
- NWEA will work with ESU's if you are interested in hosting Professional Learning workshops and bring in multiple districts to be trained as long as the training doesn't include viewing student data
 - They would recommend 2-3 sessions per quarter at \$2,500 - \$4,500
 - They have both virtual and in person options available
 - 20-40 people per session
- If an ESU is looking to pay the Map Growth licensing for their member districts they will need to work with the Primary contact at NWEA on a Fiscal Agent Agreement that identifies the ESU as the one fiscally responsible for licensing.

2024-2027 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and **ByteSpeed** ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

- 1. Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A**, which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.
- 2. Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.
- 3. Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a calendar quarter basis beginning from the Effective Date of this Agreement for all transactions completed and paid during said quarter.
- 4. Term.** This Agreement is effective on April 3, 2024 ("Effective Date") and shall continue until 12:00 midnight (CST) on April 2, 2027, unless terminated earlier as provided by this Agreement or by law. Notwithstanding the effective date of termination of this Agreement, Contractor agrees to comply with Paragraph 5 of this Agreement.

- 5. Duration of Services Purchased.** If this Agreement, for any reason, terminates before the service end date of any agreement or license between a Member and the Contractor, the Contractor shall continue, maintain, and make such Services available to such Member until the agreed upon date between the Contractor and Member or until the term for the service expires. For example, if the Contracted Services allow a Member to purchase or license Services for a certain period of time, but this Agreement expires prior to the end of the service period, the Contractor agrees to maintain such Contracted Services until the expiration of said period of service and in accordance with the terms and provisions of the purchase or license.
- 6. Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.
- 7. Termination.**
- A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.
- B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.
- C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.
- D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:
- (1) Insolvent;
 - (2) Makes a general assignment for the benefit of creditors;
 - (3) Files a voluntary petition of bankruptcy;
 - (4) Suffers or permits the appointment of a receiver for its business or assets;

- (5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
 - (6) Has wound up or liquidated, voluntarily or otherwise.
- E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.
- F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.
- G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

8. Indemnification.

- A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.
- B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.
- C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.
- D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.
- E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

9. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

- A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with

minimum liability limits of \$1,000,000 per person and \$5,000,000 per occurrence; and

- B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

- 10. Public Records.** The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.
- 11. Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.
- 12. Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Coop Directors report to ESUCC Board

1. Consent Agenda Items for Coop

a. Approve Extension with Equal Level for the ESUCC Marketplace

- i. We have had Equal Level as our Marketplace provider for 9 years, since 2015 after a very poor experience with our previous provider ESM that ended in a law suite after we terminated their contract. Since then, the Marketplace has evolved into a steady \$4 million plus in sales through it. There is also a unique feature that Equal Level has coded for the Annual Buy where it takes all orders for a specific address and aggregates those requested orders into single line items for each item. I am unaware of anyone else in the nation that does this. This extension will be 3rd Amendment/Extension to the contract since 2015. Equal Level has been purchased by Euna Solutions who also purchase IonWave, our sourcing/bidding solution. My hope would be to see these two products combine in away that would allow us to take our Annual Buy items right from the award processing into a catalog for the Marketplace.

b. Approve Extension with World Book

- i. This contract has been in place for 20 plus years with very little to no changes in pricing over the years to include this year with no changes. World Book meets Rule 10 requirements for an updated encyclopedia in schools. It also generates over \$125,000 in sales every year.

c. Approve Special Buy agreement with [ByteSpeed](#).

- i. Custom-Built Computer Hardware & Networking and professional IT services for Education nationwide. Industry partners include ASUS, Lenovo, Juniper, Ruckus, Barracuda, Cachebox, Kingston/Hyper-X, Samsung, and many more.

2. Annual/Paper Buy

- a. **Definition of the Annual Buy:** This is a line item bid were vendors are awarded by line item. If there is a tie for the bid price then a Nebraska vendor wins over an out of state vendor, otherwise it goes to a coin flip. Bids are sent to registered vendors nation-wide in October. Bid Awards announced in December and January, catalogs with over 4,200 items are published and distributed schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.

3. AEPA

- a. **Definition of AEPA:** The Association of Educational Purchasing Agencies (AEPA) is a group of Educational Service Agencies/political subdivisions organized through a Memorandum of Understanding between all participating states for the purpose of securing combined volume purchasing contracts based on potential sales by qualifying customers in participating states. Of the many advantages to this unique purchasing group, are the combined human resources representing purchasing/bidding expertise, current and past vendor relationships, past experience and overall vision with regard to the needs of the qualified customers within each represented state. Nebraska is a founding member of AEPA, which started with ten states in 2000 and now has grown to 29 states. AEPA is a voluntary run organization and asks for volunteers from the membership to complete work in Bid Oversight, Administrative Committees, Marketing, Website management, Reporting and other areas as required.
