NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

body.(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee. (d) Each public body shall record the methods and dates of such notice in its minutes. (e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Scott Isaacson Staff Report

May, 2024

Future Ready Digital Learning Collaborative (FRDLC)

142 school districts and ESUs are participating in the **Proofpoint Security Awareness Training** platform, utilizing 22,215 staff licenses. Billing is in progress for this year's participation.

48 school districts and ESUs are participating in the **Duo Security** multi-factor authentication system, utilizing 8,646 licenses. 1,354 licenses remain available. Billing is in progress for this year's participation.

188 school districts and ESUs are participating in the **Canvas consortium**, utilizing 82,619 licenses. During April, the Canvas team presented sessions for school administrators at ESU 3, ESU 13, ESU 10 and the Northeast Community College Norfolk campus. Roughly 60 administrators attended these sessions.

Over the summer, the team will be presenting 2-day workshops for Canvas users of all levels. Register at <https://bit.ly/CanvasNE> for one of these Canvas Roadshow sessions:

- May 28, 29 - Scottsbluff / ESU 13
- May 30, 31 - Maxwell
- June 5, 6 - Wakefield / ESU 1
- June 13, 14 - LaVista / ESU 3
- June 17, 18 - Norfolk
- June 19, 20 - Hastings / ESU 9

The **Nebraska Future Ready Conference** is June 10-11, 2024 both in person at the NDE office and virtually.

The **STEADfast** project is a browser plug-in designed to help school districts collect data about the performance of home broadband Internet services and indicate areas of the state where service improvements are needed. This project was started with the development work of ESU 10 using GEER funds earlier. \$45,000 remaining ESSER III funding is available to continue development and pilot this software with a school district. We are working out the details of this with NDE and ESU 10.

Cybersecurity

The State and Local Cybersecurity Grant (SLCG) state committee is in the process of scoring year 2 proposals. 60 project proposals were submitted, totalling \$7.7 million in requested funding. \$4.2 million in funding is available. Projects range from very small (just a few thousand dollars, to one that is \$4.4 million by itself). The plan is to have the projects scored with notifications to the projects moving forward in May. The state committee meets again on May 9, 2024.

Four cybersecurity projects are moving forward with \$500,000 in ESSER III funding allocated through ESUCC:

- Establish a Nebraska chapter of the Consortium of School Networking (CoSN)
- Provide summer workshops and support for schools and ESUs to create and improve cyber incident response plans
- Support the Cyber Tatanka training and simulation exercises conducted in the summer
- Fund trials of security operation center (SOC) and penetration testing services

All work must be completed with these funds by September 30, 2024.

dmarcian Group Purchase

The NNNC is requesting that ESUCC assume ownership of the dmarcian contract. This contract is currently utilized by every ESU, except 18 & 19. The cost will be \$12,000 per year, with each participating ESU paying their share. Andy Boell is working on a partnership with multiple post-secondary institutions which can help to reduce the cost to all ESUs. Management of this service would be done by a member of the ESUCC technical staff. This is an action item on today's agenda.

DMARC stands for "Domain-based Message Authentication, Reporting & Conformance" and its purpose is to authenticate email from our domains to help people receiving our email to know it is or isn't really from us to reduce spam and security threats through email. The dmarcian platform is a tool to help configure, test and monitor DMARC much more easily than doing the tasks manually.

Equipment Disposal

The 14" MacBook Pro computer with ESUCC asset tag 0502 is near the end of its useful life. The technology director recommends disposal of this computer and removal from our fixed asset inventory.

Other Projects

SRS

The SRS team continues to upgrade the software. Rita McKinney (SRS helpdesk and communications specialist) and Scott Isaacson presented a session at the NDE data conference April 16th-17th, 2024. The SRS team has met with 30+ districts in Zoom sessions to hear their feedback on the software, and has collected feedback from 40+ through a Google feedback form. Future/roadmap items for SRS include:

1. Electronic signatures
2. Synchronization with SIS, automation to improve ADVISER reporting
3. Make data entry screens and printed forms look the same (as much as possible)
4. Spanish translation and other languages - companion guide? Start with IEP?
<https://nebraska.jitbit.com/helpdesk/KB/View/51885636-spanish-or-other-language-translation>
5. Progress report "helper" / duplicator -
6. Changes to highlighting students in search & forms, dates
7. Real-time collaboration - "Google docs"-style multiple users on same form
8. Goals - label goal tabs and allow moving/reordering of goals

NVIS

The team continues to update and test the software, preparing for a summer, 2024 release.

Project Para

A new user registration process is being set up using the Canvas catalog and will be tested for release in the summer, 2024. The advisory team for the project will be engaged to review and recommend updates to the course content and the Canvas team will work during the 2024-2025 school year to make these updates.

Staff Change

Ryan Mueller is no longer with our software development team. We are looking at the structure of the team and will rehire this developer position as soon as possible.
