NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. The public body shall keep a written record of such posting. (3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

I. Priorities

The purpose of this MOU is to enhance the working relationship between the parties in order to provide more effective and efficient services to students, school districts and their employees, and educational service units and their employees. The parties shall achieve this purpose by collaborating on the following projects:

- A. NEBRASKA LITERACY PROJECT:** The Nebraska Department of Education (NDE) and the Nebraska ESU Coordinating Council (ESUCC) agree to support the development and implementation of a statewide system of professional learning aimed at providing teachers of children aged four through grade 3 with evidence-based reading practices. Both parties commit to ensuring that these practices are accessible and aligned with state educational goals.
- B. PROFESSIONAL LEARNING:** NDE and ESUCC agree to collaborate in the design, delivery, and evaluation of high-quality professional learning opportunities for education professionals across Nebraska. This partnership will focus on building capacity through the use of evidence-based practices and leveraging both in-person and digital learning formats to ensure accessibility. The parties will share resources, expertise, and data to ensure that professional learning initiatives align with state standards, address district and school needs, and support continuous improvement in teaching and learning.
- C. MULTI-TIERED SYSTEMS OF SUPPORTS:** NDE and ESUCC commit to promoting and supporting the implementation of a Multi-Tiered

Systems of Supports (MTSS) framework across schools statewide. This framework will guide continuous improvement efforts and ensure that every student receives the necessary support to enhance their educational outcomes. The parties agree to collaborate in providing schools with the tools and resources needed to implement MTSS effectively.

- D. TEACHER RECRUITMENT, RETENTION, AND CERTIFICATION:** NDE and ESUCC will collaborate to strengthen communication among stakeholders, including teachers, administrators, ESU staff, NDE staff, and educator preparation programs, to address teacher recruitment, retention, and certification challenges. This collaboration aims to identify opportunities and solutions that contribute to reducing the educator shortage and improving the overall recruitment and retention process.
- E. CYBERSECURITY:** NDE and ESUCC, along with school districts and partner agencies, agree to work collaboratively to address cybersecurity needs within Nebraska's education system. Through individual and collective efforts, the parties will clarify roles and responsibilities, identify additional support and resources, and ensure consistency in cybersecurity practices across the state. Both parties may pursue grant opportunities to further support these initiatives.
- F. STATEWIDE DATA COLLECTION AND REPORTING:** NDE and ESUCC agree to share educational data in compliance with FERPA and state law. Data will be exchanged solely for the purpose of improving educational services and supporting state initiatives. The parties will maintain regular communication to ensure that data-sharing practices align with legal requirements and uphold student privacy. NDE and ESUCC will work together to enhance the use of data to improve educational outcomes across Nebraska.
- G. COLLABORATIVE MENTAL WELLNESS:** NDE and ESUCC will continue to collaborate to provide school districts with professional development, technical guidance, and assistance related to mental wellness and behavioral intervention. Both parties agree to support the promotion of equitable access to mental health resources and services for all students and staff. The collaboration will also focus on facilitating partnerships with state and community agencies to meet the mental wellness needs of children and families.
- H. LEGISLATIVE ADVOCACY:** NDE and ESUCC agree to engage in shared legislative advocacy efforts to support educational improvements across the state. The collaboration will focus on addressing statutory redundancies, resolving conflicts between statutes, and seeking relief from unfunded mandates. The parties agree to

advocate for priorities such as foundational literacy, educator excellence, cybersecurity, mental health, and distance learning, while ensuring alignment with the needs of schools, ESUs, and the state education system.

- I. SCHOOL SAFETY:** NDE and ESUCC will collaborate to provide guidance and support to schools in creating and maintaining safe and secure learning environments. The parties agree to focus their efforts on the four pillars of school safety: prevention, preparedness, response, and recovery. This collaborative approach will empower schools to offer safe educational communities for students and staff throughout Nebraska.
- J. EARLY CHILDHOOD:** NDE and ESUCC agree to work together to support teachers and administrators in understanding and implementing developmentally appropriate practices for early childhood education. The collaboration will ensure that resources are provided to promote effective instruction and learning experiences for young children, supporting their readiness for continued educational success.

Additional agreements between the Parties, not covered in this MOU, will require a separate agreement.
