Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

(1)(a) Except as provided in subsection (9) of this section, each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committees, such notice shall be given by:

(III) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers. Such notice shall be placed in the newspaper and on the websites by the newspaper; or

(B)(I) Posting to the newspaper's website, if available, and (II) posting to a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the public body's jurisdiction is to be finalized for printing prior to the time and date of the meeting. Such notice shall be placed in the newspaper and on the websites by the newspaper.

(ii) In the case of the governing body of a city of the second class or village, any advisory committee of such governing body, or the governing body of a rural or suburban fire protection district, such notice shall be given by:

(A)(I) Publication in a newspaper of general circulation within the public body's jurisdiction that is finalized for printing prior to the time and date of the meeting, (II) posting on such newspaper's website, if available, and(III) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers. Such notice shall be placed in the newspaper and on the websites by the newspaper;

(B)(I) Posting to the newspaper's website, if available, and (II) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the public body's jurisdiction is to be finalized for printing prior to the time and date of the meeting. Such notice shall be placed in the newspaper and on the websites by the newspaper; or

(C) Posting written notice in three conspicuous public places in such city, village, or district. Such notice shall be posted by the public body in the same three places for each meeting.

(iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(iv) In case of refusal, neglect, or inability of the newspaper to publish the notice, the public body shall (A) post such notice on its website, if available, (B) request the newspaper submit a post on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers, and (C) post such notice in a conspicuous public place in such public body's jurisdiction. The public body shall keep a written record of such posting pursuant to subdivision (1)(b)(iv)(A) and (C) of this section and a written record of the request to the newspaper pursuant to subdivision (1)(b)(iv)(B) of this section. The record of such posting shall be evidence that such posting was done as required and shall be sufficient to fulfill the requirement of publication.

(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

SPECIAL BUY AGREEMENT

Deleted: 6

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Newsela ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. The Parties acknowledge that the Prior Agreement and any Addendums is hereby replaced in its entirety by this Agreement. Pursuant to the Termination paragraph of the Prior Agreement, this Agreement shall be effective, and the Prior Agreement shall be terminated, upon the execution of this Agreement by the Parties. Upon such execution, all provisions of the Prior Agreement are hereby superseded in their entirety and replaced herein and shall have no further force or effect.

3. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

4. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUCC, ESUs, and Members. This fee will be submitted to ESUCC on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

5. **Term.** This Agreement is effective on September 12, 2025 ("Effective Date") and shall continue until 12:00 midnight (CST) on September 11, 2028, unless terminated earlier as provided by this Agreement or by law. Notwithstanding the effective date of termination of this Agreement, Contractor agrees to comply with Paragraph 5 of this Agreement.

For example, if the Contracted Services allow a member to purchase or license Services for a certain period of time, but this Agreement expires prior to the end of the service period, the Contractor agrees to maintain such Contracted Services until the expiration of said period of service and in accordance with the terms and provisions of the purchase or license.

Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

   C. **Definition of Personally Identifiable Information.** Personally Identifiable Information includes but is not limited to: personal identifiers such as name, address, phone number, date of birth, Social Security number, and student or personnel identification number; "personal information" as used in Neb. Rev. Stat. § 84-712.05 and personally identifiable information contained in student education records as that term is defined in the Family Educational Rights and Privacy Act, 20 USC 1232g.

D. **Definition of User.** User means a participant, instructor, or administrator of the Cooperative, ESUCC, or its Members who are authorized with login credentials by the Cooperative or its Members to use the goods and/or services provided by this Agreement.

E. **Data De-Identification.** Contractor may use deidentified Data for product development, research, or other purposes. De-identified Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Contractor agrees not to attempt to re-identify deidentified Data and not to transfer de-identified Data to any party unless that party agrees not to attempt reidentification.

F. **Marketing and Advertising.** Contractor will not use any Data to advertise or market to students or their parents. Advertising or marketing may be directed to the Cooperative, ESUCC, Members, or their school districts only if student information is properly de-identified."

H. **Data Collection.** Contractor will only collect Data necessary to fulfill its duties as outlined in this Agreement.

I. **Data Use.** Contractor will use Data only for the purpose of fulfilling its duties and providing services under this Agreement, and for improving services under this Agreement.

J. **Data Mining.** Contractor is prohibited from mining Data for any purposes other than those agreed to by the parties. Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited.

K. **Data Sharing.** Data cannot be shared with any additional parties without prior written consent of the User except as required by law.

L. **Data Transfer or Destruction.** Contractor will ensure that all Data in its possession and in the possession of any subcontractors, or agents to which the Contractor may have transferred Data, are destroyed or transferred to the Cooperative under the direction of the Cooperative when the Data are no longer needed for their specified purpose, at the request of the Member.

M. **Rights and License in and to Data**. Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of the Member, and Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in the Agreement. This Agreement does not give Contractor any rights, implied or otherwise, to Data, content, or intellectual property, except as expressly stated in the Agreement. This includes the right to sell or trade Data.

N. **Access.** Any Data held by Contractor will be made available to a Member upon request by the Member.

O. **Security Controls.** Contractor will store and process Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure Data from unauthorized access, disclosure, and use. Contractor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. Contractor will also have a written incident response plan, to include prompt notification of the Member in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. Contractor agrees to share its incident response plan upon request.

P. **Response to Legal Orders, Demands or Requests for Data.** Except as otherwise expressly prohibited by law, Contractor will:

(1) Promptly notify the Cooperative and Members of any subpoenas, warrants, or other legal orders, demands or requests received by Contractor seeking Data;
(2) Consult with the Cooperative and Members regarding its response;
(3) Cooperate with the Cooperative's and Member's reasonable requests in connection with efforts by them to intervene and quash or modify the legal order, demand or request; and
(4) Upon the Cooperative's or a Member's request, provide them with a copy of its response.

9. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

10. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative, ESUCC, and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative, ESUCC, or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

11. Tariffs. In the event of significant delay or price increase of materials or goods occurring during the performance of the contract due to a tariff (or other similar government-mandated price adjustment) that goes into effect after the execution of this contract, the contract price/sum, time of performance, or contract requirements may, by mutual agreement, be equitably adjusted by written amendment of the contract. A change in price of an item of material or good will be considered significant when the price of an item increases 5 percent between the date of execution of the contract as a direct result of a tariff or other government-mandate. The price amendment must be effective only as long as the tariff is in effect. The intent of the adjustment is to hold the vendor harmless from the impact of the tariff, but the price adjustment is in no way intended to provide or guarantee the same percentage of profit to the benefit of the vendor. The vendor must provide documentation that is satisfactory to ESUCC to support any claim under this section. In addition, ESUCC will have the right to request a cost analysis vs. price analysis for each change in tariff adjustment request. In the event that the parties are unable to reach an agreement regarding a contract amendment under this section, either party has the option to terminate the contract during the term of the contract, bid award and/or re-award the item to the next low bid.

12. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

13. Public Records. The Contractor acknowledges that the Cooperative, ESUCC, ESUs, and Members must comply with Neb. Rev. Stat. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

14. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

15. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESUCC, ESU, or Member

premises or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESUCC, ESU, or Member property or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESUCC, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESUCC, ESU, or Member premises or at Cooperative, ESUCC, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

16. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

17. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESUCC, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

18. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

19. **Taxpayer Identification.** Contractor's federal employer identification number is: 47-1882828

20. **Sales Tax.** The Cooperative, ESUCC, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUCC, ESUs, and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

21. **Notice.** Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, ESUCC, or the Cooperative upon request.

23. **Entire Agreement.** The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

24. **Amendments and Modifications.** The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

25. **Waivers.** The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

26. **Severability.** If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

27. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

28. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

29. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

30. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

31. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

32. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

33. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or

authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.

34. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

35. Piggyback Clause. For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state.

2025-2028
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Nelnet Business Solutions, Inc. ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

Such use is limited to Member's internal use.
   - **b.** Documentation License. Subject to the terms and conditions contained in this Agreement, Contractor hereby grants to each Member a non-exclusive, non-sublicensable, non-transferable license to use the services during the Term solely for Member's internal business purposes.

CONTRACTOR MAKES NO WARRANTY OF ANY KIND THAT THE SERVICES, OR ANY PRODUCTS OR RESULTS OF THE USE THEREOF, WILL MEET MEMBER'S OR ANY OTHER PERSON'S REQUIREMENTS, OPERATE WITHOUT INTERRUPTION, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM, OR OTHER SERVICES, OR BE SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE, OR ERROR FREE.

and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. A change in price of an item of material or good will be considered significant when the price of an item increases 5 percent between the date of execution of the contract as a direct result of a tariff or other government-mandate. The price amendment must be effective only as long as the tariff is in effect. The intent of the adjustment is to hold the vendor harmless from the impact of the tariff, but the price adjustment is in no way intended to provide or guarantee the same percentage of profit to the benefit of the vendor. The vendor must provide documentation that is satisfactory to ESUCC to support any claim under this section. In addition, ESUCC will have the right to request a cost analysis vs. price analysis for each change in tariff adjustment request. In the event that the parties are unable to reach an agreement regarding a contract amendment under this section, either party has the option to terminate the contract during the term of the contract, bid award and/or re-award the item to the next low bid.

Stat. § 84-712 through § 84-713 and release public records as defined law upon request, which may include non-confidential terms of this Agreement and all records created and maintained in relation to this Agreement.

28. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

29. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. EXHIBIT B
SERVICE LEVEL AGREEMENT (SLA)

The SaaS Services will achieve System Availability (as defined below) of at least ninety-nine percent (99%) during each calendar year of the Subscription Term. "**System Availability**" means the number of minutes in a year that the key components of the SaaS Services are operational as a percentage of the total number of minutes in such year, excluding downtime resulting from (a) scheduled maintenance, (b) events of Force Majeure in the SaaS Agreement), (c) malicious attacks on the system, (d) issues associated with the Customer's computing devices, local area networks or internet service provider connections, or (e) inability to deliver services because of acts or omissions of Customer or any user. Vosaic reserves the right to take the Service offline for scheduled maintenance for which Customer has been provided reasonable notice and Vosaic reserves the right to change its maintenance window upon prior notice to Customer.

If Vosaic fails to meet System Availability in the year, upon written request by Customer within thirty (30) days after the end of the year, Vosaic will issue a credit in Customer's next invoice in an amount equal to one percent (1%) of the yearly fee for the affected SaaS Services for each one percent (1%) loss of System Availability below stated SLA per SaaS Service, up to a maximum of the Customer's fee for the affected SaaS Services. If the yearly fee has been paid in advance, then at Customer's election Vosaic shall provide a credit to Customer to be used for additional Users or term extension. The remedy stated in this paragraph is Customer's sole and exclusive remedy for interruption of SaaS Services and Vosaic's failure to meet System Availability.

Deleted: <<VENDOR-INSERT SOFTWARE LICENSE AGREEMENT>>¶

2025-2028
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Voss Electric dba ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUCC, ESUs, and Members. This fee will be submitted to ESUCC on a calendar quarter basis beginning from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on September 1, 2025 ("Effective Date") and shall continue until 12:00 midnight (CST) on August 31, 2028, unless terminated earlier as provided by this Agreement or by law. Notwithstanding the effective date of termination of this Agreement, Contractor agrees to comply with Paragraph 5 of this Agreement.

5. **Duration of Services Purchased.** If this Agreement, for any reason, terminates before the service end date of any agreement or license between a Member and the Contractor, the Contractor shall continue, maintain, and make such Services available to such Member until the agreed upon date between the Contractor and Member or until the term for the service expires. For example, if the Contracted Services allow a member to purchase or license Services for a certain period of time, but this Agreement expires prior to the end of the service period, the Contractor agrees to maintain such Contracted Services until the expiration of said period of service and in accordance with the terms and provisions of the purchase or license.

6. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

7. **Student Privacy Protections.**
   A. **Definition of Data.** Data include all Personally Identifiable Information (PII), Member Data, and other non-public information. Data include, but are not limited to, student data, metadata, and user content.
   B. **Definition of Member Data.** Member Data includes all PII and other information that is not intentionally made generally available by the Cooperative, ESUCC, ESUs, or its Members on public websites or publications, including but not limited to business, administrative and financial data, intellectual property, and student and personnel data and metadata.
   C. **Definition of Personally Identifiable Information.** Personally Identifiable Information includes but is not limited to: personal identifiers such as name, address, phone number, date of birth, Social Security number, and student or personnel identification number; "personal information" as used in Neb. Rev. Stat. § 84-712.05 and personally identifiable information contained in student education records as that term is defined in the Family Educational Rights and Privacy Act, 20 USC 1232g.
   D. **Definition of User.** User means a participant, instructor, or administrator of the Cooperative, ESUCC, or its Members who are authorized with login credentials by the Cooperative or its Members to use the goods and/or services provided by this Agreement.
   E. **Data De-Identification.** Contractor may use deidentified Data for product development, research, or other purposes. De-identified Data will have all

direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Contractor agrees not to attempt to re-identify deidentified Data and not to transfer de-identified Data to any party unless that party agrees not to attempt reidentification.

F. **Marketing and Advertising.** Contractor will not use any Data to advertise or market to students or their parents. Advertising or marketing may be directed to the Cooperative, ESUCC, Members, or their school districts only if student information is properly de-identified."

G. **Modification of Terms of Service.** Contractor will not change how Data are collected, used, or shared under the terms of this Agreement in any way without advance notice to and consent from the Cooperative, the Members, and the affected school district(s).

H. **Data Collection.** Contractor will only collect Data necessary to fulfill its duties as outlined in this Agreement.

I. **Data Use.** Contractor will use Data only for the purpose of fulfilling its duties and providing services under this Agreement, and for improving services under this Agreement.

J. **Data Mining.** Contractor is prohibited from mining Data for any purposes other than those agreed to by the parties. Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited.

K. **Data Sharing.** Data cannot be shared with any additional parties without prior written consent of the User except as required by law.

L. **Data Transfer or Destruction.** Contractor will ensure that all Data in its possession and in the possession of any subcontractors, or agents to which the Contractor may have transferred Data, are destroyed or transferred to the Cooperative under the direction of the Cooperative when the Data are no longer needed for their specified purpose, at the request of the Member.

M. **Rights and License in and to Data**. Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of the Member, and Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in the Agreement. This Agreement does not give Contractor any rights, implied or otherwise, to Data, content, or intellectual property, except as expressly stated in the Agreement. This includes the right to sell or trade Data.

N. **Access.** Any Data held by Contractor will be made available to a Member upon request by the Member.

O. **Security Controls.** Contractor will store and process Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure Data from unauthorized access, disclosure, and use. Contractor will conduct periodic risk assessments and remediate any

identified security vulnerabilities in a timely manner. Contractor will also have a written incident response plan, to include prompt notification of the Member in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. Contractor agrees to share its incident response plan upon request.

P. **Response to Legal Orders, Demands or Requests for Data.** Except as otherwise expressly prohibited by law, Contractor will:

(1) Promptly notify the Cooperative and Members of any subpoenas, warrants, or other legal orders, demands or requests received by Contractor seeking Data;
(2) Consult with the Cooperative and Members regarding its response;
(3) Cooperate with the Cooperative's and Member's reasonable requests in connection with efforts by them to intervene and quash or modify the legal order, demand or request; and
(4) Upon the Cooperative's or a Member's request, provide them with a copy of its response.

8. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;

(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

9. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative, ESUCC, and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative, ESUCC, or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

10. Tariffs. In the event of significant delay or price increase of materials or goods occurring during the performance of the contract due to a tariff (or other similar government-mandated price adjustment) that goes into effect after the execution of this contract, the contract price/sum, time of

performance, or contract requirements may, by mutual agreement, be equitably adjusted by written amendment of the contract. A change in price of an item of material or good will be considered significant when the price of an item increases 5 percent between the date of execution of the contract as a direct result of a tariff or other government-mandate. The price amendment must be effective only as long as the tariff is in effect. The intent of the adjustment is to hold the vendor harmless from the impact of the tariff, but the price adjustment is in no way intended to provide or guarantee the same percentage of profit to the benefit of the vendor. The vendor must provide documentation that is satisfactory to ESUCC to support any claim under this section. In addition, ESUCC will have the right to request a cost analysis vs. price analysis for each change in tariff adjustment request. In the event that the parties are unable to reach an agreement regarding a contract amendment under this section, either party has the option to terminate the contract during the term of the contract, bid award and/or re-award the item to the next low bid.

11. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

12. Public Records. The Contractor acknowledges that the Cooperative, ESUCC, ESUs, and Members must comply with Neb. Rev. Stat. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

13. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

14. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESUCC, ESU, or Member

premises or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESUCC, ESU, or Member property or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESUCC, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESUCC, ESU, or Member premises or at Cooperative, ESUCC, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

15. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

16. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESUCC, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

17. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

18. **Taxpayer Identification.** Contractor's federal employer identification number is: 47-0582038

19. **Sales Tax.** The Cooperative, ESUCC, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUCC, ESUs, and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

20. **Notice.** Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

21. Warranties and Specifications. Contractor shall be responsible for providing to Members all manufacturer warranties on all goods and services. Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, ESUCC, or the Cooperative upon request.

22. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

23. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

24. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

25. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

26. **Counterparts.** The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

27. **Force Majeure.** Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

28. **Assignment.** This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

29. **Subcontractors.** The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

30. **Captions.** The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

31. **Rights and Remedies Cumulative.** Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

32. **Relationship Among Parties.** This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that

would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.

33. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

34. Piggyback Clause. For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state.

2025-2028
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Brisk Labs Corp. ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUCC, ESUs, and Members. This fee will be submitted to ESUCC on a calendar quarter basis beginning from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on July 21, 2025 ("Effective Date") and shall continue until 12:00 midnight (CST) on July 20, 2028, unless terminated earlier as provided by this Agreement or by law. Notwithstanding the effective date of termination of this Agreement, Contractor agrees to comply with Paragraph 5 of this Agreement.

5. **Duration of Services Purchased.** If this Agreement, for any reason, terminates before the service end date of any agreement or license between a Member and the Contractor, the Contractor shall continue, maintain, and make such Services available to such Member until the agreed upon date between the Contractor and Member or until the term for the service expires. For example, if the Contracted Services allow a member to purchase or license Services for a certain period of time, but this Agreement expires prior to the end of the service period, the Contractor agrees to maintain such Contracted Services until the expiration of said period of service and in accordance with the terms and provisions of the purchase or license.

6. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

7. **Student Privacy Protections.**

A. **Definition of Data.** Data include all Personally Identifiable Information (PII), Member Data, and other non-public information. Data include, but are not limited to, student data, metadata, and user content.

B. **Definition of Member Data.** Member Data includes all PII and other information that is not intentionally made generally available by the Cooperative, ESUCC, ESUs, or its Members on public websites or publications, including but not limited to business, administrative and financial data, intellectual property, and student and personnel data and metadata.

C. **Definition of Personally Identifiable Information.** Personally Identifiable Information includes but is not limited to: personal identifiers such as name, address, phone number, date of birth, Social Security number, and student or personnel identification number; "personal information" as used in Neb. Rev. Stat. § 84-712.05 and personally identifiable information contained in student education records as that term is defined in the Family Educational Rights and Privacy Act, 20 USC 1232g.

D. **Definition of User.** User means a participant, instructor, or administrator of the Cooperative, ESUCC, or its Members who are authorized with login credentials by the Cooperative or its Members to use the goods and/or services provided by this Agreement.

E. **Data De-Identification.** Contractor may use deidentified Data for product development, research, or other purposes. De-identified Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to,

name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Contractor agrees not to attempt to re-identify deidentified Data and not to transfer de-identified Data to any party unless that party agrees not to attempt reidentification.

F. **Marketing and Advertising.** Contractor will not use any Data to advertise or market to students or their parents. Advertising or marketing may be directed to the Cooperative, ESUCC, Members, or their school districts only if student information is properly de-identified."
G. **Modification of Terms of Service.** Contractor will not change how Data are collected, used, or shared under the terms of this Agreement in any way without advance notice to and consent from the Cooperative, the Members, and the affected school district(s).
H. **Data Collection.** Contractor will only collect Data necessary to fulfill its duties as outlined in this Agreement.
I. **Data Use.** Contractor will use Data only for the purpose of fulfilling its duties and providing services under this Agreement, and for improving services under this Agreement.
J. **Data Mining.** Contractor is prohibited from mining Data for any purposes other than those agreed to by the parties. Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited.
K. **Data Sharing.** Data cannot be shared with any additional parties without prior written consent of the User except as required by law or as necessary to provide the services under this Agreement. Contractor may share Data with its subprocessors who are contractually bound to maintain protections consistent with this Agreement.

L. **Data Transfer or Destruction.** Contractor will ensure that all Data in its possession and in the possession of any subcontractors, or agents to which the Contractor may have transferred Data, are destroyed or transferred to the Cooperative under the direction of the Cooperative when the Data are no longer needed for their specified purpose, at the request of the Member.
M. **Rights and License in and to Data**. Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of the Member, and Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in the Agreement. This Agreement does not give Contractor any rights, implied or otherwise, to Data, content, or intellectual property, except as expressly stated in the Agreement. This includes the right to sell or trade Data.
N. **Access.** Any Data held by Contractor will be made available to a Member upon request by the Member.
O. **Security Controls.** Contractor will store and process Data in accordance with industry best practices. This includes appropriate administrative, physical, and

technical safeguards to secure Data from unauthorized access, disclosure, and use. Contractor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. Contractor will also have a written incident response plan, to include prompt notification of the Member in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. Contractor agrees to share its incident response plan upon request.

P. **Response to Legal Orders, Demands or Requests for Data.** Except as otherwise expressly prohibited by law, Contractor will:

(1) Promptly notify the Cooperative and Members of any subpoenas, warrants, or other legal orders, demands or requests received by Contractor seeking Data;
(2) Consult with the Cooperative and Members regarding its response;
(3) Cooperate with the Cooperative's and Member's reasonable requests in connection with efforts by them to intervene and quash or modify the legal order, demand or request; and
(4) Upon the Cooperative's or a Member's request, provide them with a copy of its response.

8. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

9. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative, ESUCC, and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses to the extent caused by the Contractor's breach of this Agreement, violation of law, or negligence or willful misconduct. .

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith to the extent required under this section

C. If any judgment shall be rendered against the Cooperative, ESUCC, or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same to the extent the judgment arises from circumstances described in Section A.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

F. The Cooperative agrees to indemnify and hold harmless the Contractor and its officers, directors, employees, and agents from and against any and all third-party

claims, damages, liabilities, costs, and expenses (including reasonable attorney's fees) to the extent caused by the Cooperative's breach of this Agreement, violation of law, or negligence or willful misconduct.

10. Tariffs. In the event of significant delay or price increase of materials or goods occurring during the performance of the contract due to a tariff (or other similar government-mandated price adjustment) that goes into effect after the execution of this contract, the contract price/sum, time of performance, or contract requirements may, by mutual agreement, be equitably adjusted by written amendment of the contract. A change in price of an item of material or good will be considered significant when the price of an item increases 5 percent between the date of execution of the contract as a direct result of a tariff or other government-mandate. The price amendment must be effective only as long as the tariff is in effect. The intent of the adjustment is to hold the vendor harmless from the impact of the tariff, but the price adjustment is in no way intended to provide or guarantee the same percentage of profit to the benefit of the vendor. The vendor must provide documentation that is satisfactory to ESUCC to support any claim under this section. In addition, ESUCC will have the right to request a cost analysis vs. price analysis for each change in tariff adjustment request. In the event that the parties are unable to reach an agreement regarding a contract amendment under this section, either party has the option to terminate the contract during the term of the contract, bid award and/or re-award the item to the next low bid.

11. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and
B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

12. Public Records. The Contractor acknowledges that the Cooperative, ESUCC, ESUs, and Members must comply with Neb. Rev. Stat. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

13. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

14. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESUCC, ESU, or Member premises or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESUCC, ESU, or Member property or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESUCC, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESUCC, ESU, or Member premises or at Cooperative, ESUCC, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

15. Nondiscrimination. The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

16. Independent Contractor. Contractor is an independent contractor under this contract and is not a Cooperative, ESUCC, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

17. Employment Eligibility Verification. The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

18. Taxpayer Identification. Contractor's federal employer identification number is: 92-2719229

19. Sales Tax. The Cooperative, ESUCC, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUCC,

ESUs, and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

20. Notice. Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

21. Warranties and Specifications. Contractor shall be responsible for providing to Members all manufacturer warranties on all goods and services. Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, ESUCC, or the Cooperative upon request.

22. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

23. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

24. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or

course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

25. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

26. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

27. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

28. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

29. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

30. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

31. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise

of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

32. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.

33. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

34. Piggyback Clause. For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state.

35. Scrutinized Company. BEHAVIOR INTERVENTION TRAINING AND TEACHER SUPPORT ACT

WHAT SCHOOL LEADERS NEED TO KNOW

The Behavior Intervention Training and Teacher Support Act (BITS) was created by the Nebraska Legislature in the spring of 2023. **This act mandates that every Nebraska public school teacher, administrator, counselor, paraprofessional, and nurse receive behavioral awareness training at least once every three years**

Beginning with the 2024-25 school year, the Educational Service Unit Coordinating Council shall ensure annual behavioral awareness training is available statewide, and Nebraska's ESUs will develop, implement, and administer an ongoing statewide support system.

SELECT THE RIGHT APPROACH FOR YOUR SCHOOL STAFF

OPTION 1: IN-PERSON TRAINING

Nebraska's ESUs will provide Behavior Intervention Training & Teacher Support training upon request from their respective school districts. The training will last no more than one hour. The training may be held in conjunction with the annual suicide prevention training at the request of the school district and shall not exceed a total of two hours.

OPTION 2: ONLINE TRAINING

For individual, asynchronous training, visit the NDE Learning Network site, enroll (for free) in their Canvas Instance, and search for the ESUCC Behavior Intervention Trainings.
***Click here for details on Canvas registration**

For large group viewing, both the BITS 101 and BITS 102 are in the BITS YouTube playlist.

SELECT THE RIGHT CONTENT FOR YOUR STAFF

Our **BITS 101** training answered the Legislature's call for an "awareness" level training. Our **BITS 102** is also available as a deeper dive into this topic.

MANDATORY REPORTING REQUIREMENTS

On or before June 30 annually, each school district shall submit a behavioral awareness training report to the ESUCC.

To meet this requirement, the ESUCC has created the Behavior Intervention Reporting Tool (BIRT System) that prompts superintendents (or the district designee) for all of the required reporting elements. Each district is responsible for keeping record of all trained employees.

The Behavior Intervention Training and Teacher Support Act was created by the Nebraska Legislature in the spring of 2023. This act mandates that every Nebraska public school teacher, administrator, counselor, paraprofessional, and nurse receive behavioral awareness training at least once every three years. This course was developed to meet the requirements of that act.

The course is organized into three modules:

- Part 1: The Signs and Symptoms of Trauma
- Part 2: Positive Behavioral Interventions, Supports, and Teaching Strategies
- Part 3: Verbal Intervention and De-escalation Strategies

To successfully complete the course, you must progress through each module in order. This involves watching a series of videos and completing an assignment before you can access the next module. Once you have finished all three modules and completed all reflection assignments, you will be awarded a certificate of completion.

BEHAVIOR INTERVENTION TRAINING AND TEACHER SUPPORT ACT

WHAT SCHOOL LEADERS NEED TO KNOW

The Behavior Intervention Training and Teacher Support Act (BITS) was created by the Nebraska Legislature in the spring of 2023. **This act mandates that every Nebraska public school teacher, administrator, counselor, paraprofessional, and nurse receive behavioral awareness training at least once every three years**

Beginning with the 2024-25 school year, the Educational Service Unit Coordinating Council shall ensure annual behavioral awareness training is available statewide, and Nebraska's ESUs will develop, implement, and administer an ongoing statewide support system.

SELECT THE RIGHT APPROACH FOR YOUR SCHOOL STAFF

OPTION 1: IN-PERSON TRAINING

Nebraska's ESUs will provide Behavior Intervention Training & Teacher Support training upon request from their respective school districts. The training will last no more than one hour. The training may be held in conjunction with the annual suicide prevention training at the request of the school district and shall not exceed a total of two hours.

OPTION 2: ONLINE TRAINING

For individual, asynchronous training, visit the NDE Learning Network site, enroll (for free) in their Canvas Instance, and search for the ESUCC Behavior Intervention Trainings.
***Click here for details on Canvas registration**

For large group viewing, both the BITS 101 and BITS 102 are in the BITS YouTube playlist.

SELECT THE RIGHT CONTENT FOR YOUR STAFF

Our **BITS 101** training answered the Legislature's call for an "awareness" level training. Our **BITS 102** is also available as a deeper dive into this topic.

MANDATORY REPORTING REQUIREMENTS

On or before June 30 annually, each school district shall submit a behavioral awareness training report to the ESUCC.

To meet this requirement, the ESUCC has created the Behavior Intervention Reporting Tool (BIRT System) that prompts superintendents (or the district designee) for all of the required reporting elements. Each district is responsible for keeping record of all trained employees.

REQUIRED CONTENT FOR THIS TRAINING

ESSER Reimbursement Status

All possible expenses for ESSER-related contract work were submitted to the NDE for reimbursement. We have not received the reimbursement payment as of this writing. Communications from the US Department of Education to the NDE suggest that these expenses will be paid. NDE staff does not have a projected timeline, but assures us that they will process our reimbursement request when they receive the funds.

Cybersecurity Coordination

SLCG

Reimbursements for year 1 (FY 22) project expenses have been paid to the ESUCC. Grant award notifications for year 2 (FY 23) projects were issued in mid-May for 3 of 4 ESU-related projects. Unfortunately, the second year of NCNE funding was omitted from the list of awards due to an oversight. I have worked with Abby Eccher (OCIO) and the SLCG state committee to restore this funding. The state committee voted in August to restore this funding, and the Nebraska Emergency Management Agency staff have submitted the necessary amendment documentation to CISA and FEMA for their approval and are working through that process. During the state committee meeting on September 9, 2025, I learned that the federal approval is anticipated within about 1 month. I am also working with Abby Eccher to resolve some confusion around the ESU 4, 5, 6, 9, 11, 18, and 19 logging project's partial award so that it can move forward.

The state committee is reviewing the application process and forms for the year 3 (FY 24) funds. The funds allocated to Nebraska for FY 24 are $3.89 million, and a 30% cost share is required for grant recipients. NEMA has applied for a cost share waiver, which was granted in the two previous fiscal years. Informally, states have been informed that the cost share waivers are unlikely to be granted for FY 24 or FY 25 projects. The priority for project proposals for the FY 24 funds is the Recovery phase as defined by the NIST SP 800-184 standard. The state committee plans to finish revisions on the application forms and process and to open the application window as close to October 1st, 2025 as possible, and to keep it open for about 45 days. The precise dates and requirements will be announced when they are finalized.

Elastic Logging Projects

All ESUs, through two SLCG grant applications, are planning and beginning to set up a network of logging servers which will receive logging information from network, server, and end-user

devices across the state. This logging information will be used to inform and alert school district and ESU technical staff of unusual or malicious events as they occur and provide data for analysis of past events. Servers which will serve ESU areas 1, 2, 3, 7, 8, 10, 13, 15, 16 and 17 have been received. ESU technical staff are invited to ongoing training opportunities with Elastic and professional services are available during the setup of the servers and deployment of the Elastic agent software across the network.

Proofpoint Renewal

Proofpoint was renewed for the 2025-2026 school year at 17,312 full licenses x $3.69 subsidized cost. Scott will organize introductory and refresher training for technical staff on administering and using the tools.

NebraskaCloud Update

The NebraskaCloud single sign-on software was updated over the summer thanks to Cody Ernesti's work and assistance. We are measuring faster performance and fewer bug-related errors than with the older software. Because the new NDE portal uses the single sign-on for its authentication, this service is important for every school.

FortiMail

The FortiMail filtering systems provide extra security screening for incoming mail as well as can provide secure delivery for outgoing email that contains sensitive information. This service is fully available and districts are being on-boarded upon request. Each ESU technology director or designee has the ability to manage, configure and assist school districts in their areas.

Bringing Us Together

The logging project is an example of a shared need and shared approach to cybersecurity. I would like to build on this with ESUs to find more common ground and ways to work together. Leveraging partnerships with other stakeholders, such as NATA (large school technology directors), CoSNe (Consortium of School Networking Nebraska chapter), NDE, and OCIO/NITC can help bring in different perspectives and buy-in. Some early feedback on finding common ground is to structure efforts with shared leadership and control and to include useful and needed resources and services for the spectrum of districts we serve (large & small, urban & rural), and meeting needs that they all share. NOC also discussed this.

    - Grateful to Bryce Wilson and Theresa Haarberg for their continued support of the TLP effort.

- **SUPPORTED Site: A Rule 84 Professional Learning Group Collaboration**
    - This site will house not only a myriad of NDE and ESU calendars but we also intend for it to serve as a communication hub for communicating statewide events, giving educators a single place to go that points to the breadth of efforts in Nebraska being made to support professional learning in PreK-12 education.
    - At this point, we have secured a URL, begun outlining the organization of the home page, have identified a calendar system, and started testing it. We also have a logo and tagline established…

SUPPORTED

You're One Click Away from Your Next Inspiration

- **Textbook Loan Program**
    - All nonpublics participating in the Textbook Loan Program (TLP) submitted over 4,000 requests via our TLP Ordering System for a total of nearly two million dollars in materials
    - Erin Bussen has been the lead on ordering, and Mindy Reed and Priscilla Quintana have been instrumental in the billing process.
    - S/O to Bryce Wilson and Theresa Haarberg for being thought partners in support of all the TLP efforts!
    - S/O also to Scott Isaacson for his work in continuing to develop the TLP Ordering site, adding in the ability for all schools to update their unused inventory as needed.

SRS and Project Para Staff Report

September, 2025

SRS

The SRS team updated the IEP form in July based on feedback from the advisory team members experiences with file reviews and legal advice. This rollout went smoothly and was accompanied by written and video documentation of the changes to help users to use the updated form successfully. SRS is certified with the NDE to publish special education records to the ADVISER data system. Currently 219 districts use SRS to publish their ADVISER special education records. Rita McKinney (helpdesk) and Todd Hatcher (assistant technology director) participate in online and in-person training events for SRS and the online ADVISER workdays.

Along with the IEP updates, SRS has implemented a form version support system to allow users to complete in-progress forms which were started in the previous version, while also allowing new forms to be created in the new format.

Across all of our technology projects, our team members are implementing a practice of forecasting needs, estimating work effort, and analyzing the interactions of the project needs with each other. This is to ensure that our work efforts go toward the highest priority needs first and that all projects have appropriate / proportional attention and time allocated to them.

Project Para

Access to the old para system was closed on August 1st, so all participation is now through the newer Canvas courses in the NDE Canvas catalog. Three courses leading to certificates in the Title I, Special Education and Early Childhood specialties are available. The content of these courses is being updated and a meeting is scheduled for September 23rd, 2025 with the NDE area experts in these areas to finalize the changes needed. We expect these updated courses will be introduced around January 1st, 2026. In the summer of 2026, we plan to begin charging a per-student fee of $10 for users of the Project Para courses **from outside of Nebraska** to cover the costs associated with the Canvas seat licenses and support.

INTERLOCAL AGREEMENT FOR COOPERATIVE PUBLIC/GOVERNMENTAL PURCHASING

This Interlocal Agreement ("Agreement") is made and entered into under the provisions of the Nebraska Interlocal Cooperation Act, NEB. REV. STAT. §§ 13-801 to 13-827 ("Act"), between the Educational Service Unit Coordinating Council, commonly known as ESUCC ("ESUCC"), and White River School Dist. 47-1, commonly known as White River School Dist. 47-1. The parties are referred to collectively as "Agencies."

WHEREAS, the Act, provides that two or more public agencies may enter into an agreement for joint or cooperative action, and this Agreement is made and entered into pursuant to the provisions of that Act; and

WHEREAS, each entity is a "public agency" pursuant to NEB. REV. STAT. § 13-803(2), as amended;

WHEREAS, the ESUCC and White River School Dist. 47-1 desire to jointly bid and contract, for supplies, materials, equipment, and services through the ESUCC's Cooperative Purchasing Program;

WHEREAS, each party agrees to extend to the other party the right to purchase pursuant to such bids and contracts to the extent permitted by law, and to the extent agreed upon between each party and the bidder, contractor, vendor, supplier, or service provider;

WHEREAS, the Agencies desire to make the most efficient use of their taxing authority and other powers to enable them to cooperate with each other and other entities as further agreed on the basis of mutual advantage to provide goods, services, and facilities in a manner and pursuant to forms of governmental organization that will accord the best results in terms of geographic, economic, population, and other factors that will influence the needs and development of the Agencies;

WHEREAS, the ESUCC will provide organizational and administrative structure for sourcing/bidding; provide marketing of Nebraska ESUCC Cooperative Purchasing to expand membership, awarded contracts, and commodity categories; and provide members with current awarded vendor contracts, instructions for obtaining quotes

and ordering procedures;

WHEREAS, White River School Dist. 47-1 commits to participate in the Nebraska ESUCC Cooperative Purchasing program by purchasing goods and services from awarded contracts when in the best interest of the entity and to pay awarded vendors in a timely manner per the Terms & Conditions of the contract for all goods and services received and

WHEREAS, the Agencies have passed resolutions authorizing each Agency to approve and enter into this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, it is agreed by the parties as follows:

1. Recitals. The foregoing Recitals are hereby incorporated into and made a part of this Agreement.

2. No Separate Legal Entity. This Agreement does not establish a separate legal or joint entity.

3. Purpose. The purposes of this Agreement are as provided in the Recitals and paragraph 6.

4. Term. This Agreement shall remain in full force and effect until terminated or modified by mutual agreement of the parties.

5. Administration. The ESUCC Executive Director shall be responsible for administering the cooperative undertaking described in this Agreement. The Administrator may take any action authorized, either explicitly or implicitly, by the Interlocal Cooperation Act, including any action that may be necessary to perform the duties and functions as provided in this Agreement.

6. Bids and Contracts. Each party from time to time may solicit public bids and enter into contracts on its own behalf to purchase supplies, material, equipment, and services. Each of the parties agrees to extend to the other party the right to purchase pursuant to such bids and contracts to the extent permitted by law, and to the extent agreed upon between each party and the bidder, contractor, vendor, supplier, or service provider. Each of the parties shall contract directly with the bidder, contractor, vendor, supplier, or service provider, and pay directly in accordance with its own payment procedures for its own

purchases. Any purchase made pursuant to this Agreement is not a purchase from either of the parties. This Agreement shall create no obligation for either of the parties to purchase any particular good or service, nor create to either of the parties any assurance, warranty, or other obligation from the other party with respect to purchasing or supplying any good or service.

7. Manner of Acquiring, Holding, and Disposing of Real and Personal Property. The Agencies do not anticipate a need to acquire, hold, or dispose of real property to accomplish the purposes of this Agreement. The Agencies' respective governing boards shall determine the manner of acquiring, holding, or disposing of real property in the event that such a need arises. In no event shall the Administrator have the authority to acquire real property on behalf of the Agencies.

8. Financing and Budgeting. Each party will finance its respective responsibilities under this agreement through its existing internal financing and budgeting processes. The parties shall provide a copy of their respective budgets to the Administrator upon request.

9. Expenses. Unless provided otherwise herein, all expenses of this Agreement shall be shared and paid equally by the Agencies.

10. Taxes. This Agreement does not grant the Agencies any authority to levy, collect, or account for any tax authorized under sections 13-318 through 13-326 or 13-2813 through 2816.

11. Nondiscrimination. The Agencies shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

12. Employment Eligibility Verification. The Agencies shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If a party employs or contracts with any subcontractor in connection with this Agreement, the contracting party shall include a provision in the contract requiring the subcontractor to use a federal immigration

verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

13. Termination. Either party may terminate this agreement by providing written notice to the other party not less than 60 days prior to termination. Any funds contributed to or for the benefit of this Agreement in possession of any of the Agencies upon termination of this Agreement shall be divided as nearly as practicable in proportion to the amounts contributed over the life of the Agreement. Any other personal property owned by any of the Agencies as a result of this Agreement shall be the property of the party that purchased it. In the event that the cost of the personal property was shared equally by the Agencies, the property shall be liquidated or distributed in kind upon the termination of this Agreement. If a dispute arises between the Agencies as to the value of such property or as to how it will be distributed, such property shall be sold by taking bids at public auction and selling said property to the highest bidder with the proceeds therefrom being divided equally by the Agencies. Termination shall not impair a party's obligation for its share of any outstanding indebtedness incurred under this Agreement.

14. Withdrawal. An Agency's governing board may withdraw from this Agreement by passing a resolution and submitting a copy of it to the other Agency at least 60 days in advance of the stated date of withdrawal. Withdrawal shall not impair an Agency's obligation for its share of any outstanding indebtedness.

16. Notice. Each Agency giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or electronic mail (to the Agency's then executive officer or the governing board's president, with receipt confirmed). Notice is effective only if the party giving the Notice has complied with this section.

17. Amendments and Modifications. The Agencies may amend or modify this Agreement only by a written agreement signed by both parties that identifies itself as an amendment or modification to this Agreement. No other alterations in the terms of this agreement shall be valid or binding.

18. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement shall remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

19. Counterparts. The Agencies may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the Agencies need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other Agencies to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each Agency to the other Agencies. In proving this Agreement, an Agency must produce or account only for the executed counterpart of the Agency to be charged.

20. Assignment. The Agencies shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person or entity without the previous written consent of each of the other Agencies.

21. Entire Agreement. The Agreement is the complete and exclusive expression of the Agencies' agreement on the matters contained in this Agreement. All prior and contemporaneous

negotiations and agreements between the Agencies on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

5. Welcome new ESUCC staff member to Coop, Jenny Ciancio (pronounced chahn-choh) Coop Project Assistant

a. **5 things to know about Jenny:**

i. I grew up on a dairy farm by Chambers, NE. Up until I went to college, I knew 2 things were consistent in my life: There would always be chores to do, and we would always be late arriving to and leaving early from any and all functions.
ii. I am scared to death of bumblebees. I chalk that up to working in the hayfield and being stung and attacked too many times.
iii. I love to bake! My husband and family think I need to open a bakery, but I would rather do it for fun.
iv. I am a huge Huskers fan! I remember crying when I was a kid when we would lose to Oklahoma. My favorite memories are in the fall when we were cutting silage and all the guys helping would have radios in their tractors listening to Kent Pavelka call the games.
v. I am a huge Denver Broncos fan! My husband recently inherited his family's season tickets to the Broncos, so we will be making many trips out there this

fall. My very first Broncos game was in the AFC Division Championship game when Denver played New England to go to the Super Bowl. It was incredible!

b. On May 23 ESUCC advertised the vacancy for the Coop Project Assistant. We had 30 individuals that submitted information showing interest in the position. The interview team made up of Dr. Polk, Priscilla Quintana and myself narrowed the candidates to six that we interviewed on June 10. The team then narrowed the candidates to three before making our decision.
c. Jenny started work on July 14 with an onboarding process made up of the ESUCC staff (Mindy Reed, Scott Isaacson, Todd Hatcher, Priscilla Quintana, Craig Peterson) discussing a number of topics to include AptaFund Timekeeping, Aptafund, Zoom, the ESUCC Employee Handbook, Coop Goals, Overview of Evaluation process, Accounts Receivable processes, Clifton strengths assessment, the Coop Website, ESUCC Staff Links, IonWave, ESUCC Marketplace, JitBit Tickets, Vector Trainings, Shared Goals for First week and First Month.
d. On Day 2 we began the process for Jenny to familiarize herself with ESUCC Coop Sales and the databases that are utilized to track these. Since then, she has caught us up on the reports that we fell behind in keeping updated. I feel after almost 2 months that Jenny is catching on quickly to processes and has been able to make some changes making us more efficient in tracking Sales.
e. Jenny and I continue to have mini trainings either weekly and sometimes daily providing her nuggets of knowledge dumps in different areas of the Coop project. We have transitioned to receiving payments from the Ainsworth office to the LaVista office although we are receiving these at both sites until we get vendors and school districts retrained to send these to our office in LaVista.
f. Jenny is fitting in well with team members and always brings a positive attitude to work every day. She is showing initiative in answering questions from members either via phone, email or in help desk tickets. It has been a joy getting to know her better over the past 2 months and I look forward to her growth in our organization.

6. 2025-2026 Coop Goal

a. **Purpose:** This goal is highly relevant as it directly addresses member value, resource optimization, and ESUCC's competitive positioning. By focusing on items that members are actively purchasing through ESUCC and eliminating less utilized items, ESUCC can:
   - Enhance its perceived value to members by offering a more curated and relevant catalog.
   - Reduce administrative overhead associated with managing underperforming items.
   - Strengthen our market position by focusing on categories where its aggregated purchasing power can truly compete or offer unique benefits (e.g., specific educational supplies, specialized equipment, local vendor support) over mass-market retailers.
b. **2025-2026 Goal:** Optimize Annual Buy Catalog for Member Value and Competitive Advantage
   i. To date the following tasks have been completed to meet our Goal

- A Report of 4 Year Sales history was created and then merged with current line items in the bid to see where gaps appear, identifying items that we haven't received bids on or where we have no reported sales in 4 years.
- To date 09/05/2025 the following number of items have been identified and:
    a. 309 items removed from the bid for not having any sales history in the last 4 years.
    b. 111 Kept Item in Catalog
    c. 47 Recent New Item – Keep
    d. 192 items we have Updated the specifications to
    e. 2 items moved to another bid section to align with vendors that would bid these items
    f. 108 items still need to be evaluated.
- Goal will be met prior to October 1 when we publish the 2026 Annual Buy sections.

c. **Update on 2024-2025 Goal:** Increase awareness, engagement and purchasing activity among ESUCC Cooperative Purchasing members who exhibit purchasing from a single program or vendor

    i. ESUCC Coop staff have identified 128 entities have only purchased from one Program (AEPA, Annual Buy, Custodial Buy, Food Buy, Paper Buy or Special Buy) or having only purchased less than $50,000 in total. List of Members can be viewed here.

    ii. Members having met our goal of a 5% increase in sales from last year's reported sales is 51, 39.84% of those identified.

7. Annual/Paper Buy

Bid Awards announced in December and January, catalogs with over 4,200 items are published and distributed to schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.

5.1.14 Buy American: To the maximum extent practicable, the Bidder will purchase domestic commodities or products produced in the United States or processed substantially using commodities produced in the United States

5.1.15 Minority Business Owners: ESUCC will contract with minority-owned businesses, women's business enterprises, and labor surplus firms when possible. Steps to ensure compliance with this provision will include:

5.1.15.1 Qualified small, minority, and women's businesses on solicitation lists so that when such businesses are potential vendors, they are included in ESUCC solicitations.

5.1.15.2 Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation for such businesses.

5.1.15.3 Establishing delivery schedules, where requirement permits, which encourage such enterprises

5.1.15.4 Use services of Small Business Administration, Minority Development Agency, or similar state agency to maximize participation.

5.1.15.5 Require vendor, if subcontracts are to be let, to follow the above steps

5.1.16 Debarment and Suspension: The parties agree and understand that under Executive Orders 12549 and 12689 that a contract award (see 2 CFR 180.220) must not be made to any party listed on the government-wide Excluded Parties List System in the System for Award Management (SAM). The Bidder, by signature to this IFB, certifies that neither the Bidder nor its key employees are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency from participating in transactions (debarred). The Bidder also agrees to include the above requirements in any and all sub-contracts into which it enters. The Bidder must immediately notify the ESUCC if, during the term of this contract, Bidder becomes debarred. The ESUCC may immediately terminate consideration of the Bidder by providing Bidder written notice if Bidder becomes debarred during the term of the potential contract.

5.1.17 State Letting Law - Neb. Rev. Stat. § 73-101 et seq. Vendors awarded a contract for a public work must file with ESUCC - Cooperative Purchasing a statement as required by Neb. Rev. Stat. § 73-102. The statement must indicate that the bidder is complying with and will continue to comply with fair labor standards in the pursuit of its business and in the execution of the contract upon which it is bidding. Failure to provide such a statement may result in the bid being disqualified. As used herein, "fair labor standards" means such a scale of wages and conditions of employment as are paid and maintained by at least fifty percent of the companies in the same business or field of endeavor as the bidder. If the requirements of this provision would increase the cost to the cooperative of merchandise, materials, supplies or services, this provision must not be a requirement for bidding. Written Notification required from bidders opting out of this requirement due to increased costs to be received prior to bid close.

5.1.18 Conflict of Interest - By submitting a proposal, Bidder certifies that there does not now exist any relationship between the Bidder and any person or entity which is or gives the appearance of a conflict of interest related to this Invitation for Bid. The Bidder certifies that it will not take any action or acquire any interest, either directly or indirectly, which will conflict in any manner or degree with the performance of its services hereunder or which creates an actual or appearance of conflict of interest. The Bidder certifies that it will not employ any individual known by Bidder to have a conflict of interest.

5.1.19 Personnel Recruitment Prohibition - The Bidder must not, at any time, recruit or employ any employee or agent who has worked on the Request for Qualification or project, or who had any influence on decisions affecting the Invitation for Bid or project.

5.1.20 Nondiscrimination Laws: By submitting a bid, the Bidder agrees that it and its subcontractors, if any, must not discriminate against any employee or applicant who is to be employed for performance of any bid award with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, national origin, or other protected status.

5.1.21 Federal Immigration Verification: The Bidder agrees that it must use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska as the result of any bid award. If the Bidder employs or contracts with any subcontractor in connection with any bid award, the Bidder must include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska as a result of the bid award.

5.1.22 Debarment Requirements: Submission of a bid is certification that the vendor and any subcontractor is not currently debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from submitting proposals to any State or Federal department or agency or any political subdivision of the State of Nebraska.

5.1.23 Public Records: The Bidder acknowledges that ESUCC must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include vendor's bid documents and all records created and maintained in relation to it. By submitting this bid, Bidder agrees and acknowledges that any materials submitted in the bid, and any subsequent documents received by the ESUCC, may be disclosed in response to a public records request.

5.1.24 The submission of the offer did not involve collusion or other anti-competitive practices. Neither signatory nor any person on his behalf, has not agreed, connived or colluded to produce a deceptive show of competition in the matter of the bidding or award of a contract under this solicitation.

5.1.25 Bidder has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted offer.

5.1.26 Neither Bidder, nor any officer, director, partner, member or associate of Bidder, nor any of its employees directly involved in obtaining contracts with the State of Nebraska, ESUCC, or any subdivision of the state has been convicted of false pretenses, attempted false pretenses, or conspiracy to commit false pretenses, bribery, attempted bribery or conspiracy to bribe under the laws of any state or federal government for acts or omissions after January 1, 1985

5.1.27 Reporting Notice - The parties must adhere to the United States Department of Education, and any other federal agency's requirements and regulations that pertain to reporting. This includes, but is not limited to, 34 CFR Part 80.

5.1.28 Record Retention - The parties must retain all required records for at least three (3) years after the purchasing party makes final payment and all other pending matters are closed.

5.1.29 Pursuant to federal and state law, the Company hereby certifies that: (1) the Company is not a "scrutinized company" (as defined by state and federal law); (2) the Company will not subcontract with any "scrutinized company" for any aspect of the performance of this Agreement; and (3) that any products or services to be provided under this Agreement do not originate with any "scrutinized company."

6. Bid Submission

6.1 All bids must be submitted electronically through the ESUCC - Cooperative Purchasing's hosted sourcing application service at https://esucc.ionwave.net/ via the Internet. Submitting your bid through this application will signify your authorized signature and acceptance of all Bid Terms and Conditions for the ESUCC-2026 bid. 8. Bid Bond Requirement

The undersigned bidder hereby agrees to submit a **bid bond**, on or before the "Bid Submittal Deadline", from a reputable surety company in the amount of $2,500.00 or a bid bond in the form of cash, certified check, or money order, in the amount of $2,500.00. Upon awarding the bids the amount of the bid bond, if cash, certified check, or money order, will be returned to said bidder once all product is received. The bid bond must be conditioned upon honoring said bid if awarded to said bidder and must be in favor of ESU Coordinating Council.

Bid Bonds should be mailed to:
ESU Coordinating Council
Attn: Jenny Ciancio
6949 South 110th Street
LaVista, NE 68128

9. Terms and Conditions

The submission of bids to ESUCC - Cooperative Purchasing must be the consideration for this agreement. The undersigned bidder hereby agrees to honor bid prices regardless of quantities and said bidder agrees that guaranteed quantities are not a condition of this bid. The undersigned upon the execution of this document hereby agrees to the Terms and Conditions of this bid and ESUCC - Cooperative Purchasing agrees to accept such bids under the following conditions.

9.1 Delivery

9.1.1 All items bid upon are for FOB Destination Tailgate delivery to participating school districts or individual school buildings of the Nebraska ESU's or any entity by statute ESU's/ESUCC may serve. Winning bidders, in compliance with bid bond requirements, may begin deliveries no earlier than "First Day for Delivery" defined in the "Key IFB Dates.

9.1.2 Vendor must notify the respective "ship to" destination 48 hours in advance of delivery to schedule and insure a delivery time. Failure to schedule a delivery appointment with 48-hour lead-time may result in refusal to receive shipment until appropriate arrangements can be made. ESUCC - Cooperative Purchasing, Schools, or members and its receiving locations will not be responsible for any costs incurred for winning bidder's or their designated shipper's failure to make delivery appointments.

9.2 Package/Lot Bids

9.2.1 When a Package/Lot BID is requested, a respondent is expected to bid each and every item within the Package/Lot, and the award will be made based upon the "Total Package Bid" calculation for the stipulated Package. The calculation for "PACKAGE BIDS" will be evaluated on a weighted average basis based on the previous year's sales volume. Each bidder will be responsible for the accuracy of each "Total Bid Package". If the package bid for the current year does not have previous year sales volumes to compare then the package will be awarded based on the low bid of the entire package.

9.2.2 In the event that not all items within a Package/Lot can be sourced by the respondent, ESUCC - Cooperative Purchasing reserves the right to omit items from the calculation in the event that the removal from the package/ lot is in the best interest of the previous year's order quantities and the pricing calculation.

9.2.3 To ensure the highest quality of service and products to the ESUCC Members, any Package/Lot bids submitted by a vendor who was awarded a bid from the previous year that received more than ten (10) complaints about issues or delivery in the previous year may be disqualified for this year's award. The ESUCC has the full discretion and final determination of whether a vendor will be disqualified under this Paragraph.

9.3 Quantities

9.3.1 ESUCC - Cooperative Purchasing is hereby not stipulating estimated quantities of merchandise for bidding. There is no guarantee that quantities will be greater or smaller than those purchased in prior years. Bidders submitting responses with stipulations, conditions on quantities or awarded dollar amounts by line-item, category, or total order will be disqualified from consideration for award. The undersigned bidder hereby agrees to honor bid prices and shipments regardless of quantities or dollar volume actually determined following bid awards, and said bidder hereby agrees that guaranteed purchase order quantities or dollar amounts are not a condition of this bid.

9.4 Bid Award Determination

9.4.1 The ESUCC - Cooperative Purchasing Awards Committee may award contracts to the lowest responsible bidders, as determined by the Awards Committee in its sole discretion. In the event of a tie the award will be determined by a public coin flip, to establish the winner unless one of the involved bidders has been designated a Nebraska resident bidder (Corporate office address, not Sales Representative office address) in which event said bidder will be automatically declared the winner. The Committee, however, reserves the right to award an additional selection whenever a substantial brand-name preference has been indicated by the participating schools and when it is determined that said brand-name bid is competitive in price. The undersigned bidder hereby agrees to these bidding conditions by submitting this signed document on or before the Bid Closing date as specified below.

9.4.2 Notwithstanding anything to the contrary in Paragraph 9.4.1, the ESUCC - Cooperative Purchasing reserves the right to reject any or all bids in whole or in part; to waive any formalities or irregularities in any bids, and to accept the bids, which in its discretion, may be for the best interest of ESUCC - Cooperative Purchasing.

9.4.3 Preliminary awards will be available during the "Vendor Review Period of Awards" defined in "Key IFB Dates". Vendors will have until the end of the "Vendor Review Period" to review awards. Please note that during portions of this review period the offices of ESUCC - Cooperative Purchasing will be closed. Vendors may formally dispute awards, in writing, to ESUCC - Cooperative Purchasing during the "Vendor Dispute Period" defined in "Key IFB Dates". Disputes will be reviewed and vendors will be notified of decisions. Final Bid Awards will be available as defined in "Key IFB Dates".

9.5 Warranties and Specifications

9.5.1 The Company receiving the award will be responsible for providing the manufacturer's standard warranty or other in-state warranty service facility to the schools, educational service units, and other members.

9.5.2 Every item bid will include all attachments normally supplied with the machine by the manufacturer or vendor and none must be omitted when shipped.

9.5.3 Complete product specification sheets or brochures must be submitted when requested and can be submitted electronically through the ESUCC sourcing application per Response Attachments. Failure to provide said specification sheets could disqualify the bid. All product specifications must be submitted on or before the Bid Closing date and must be clearly identified with the vendor's name and the ESUCC - Cooperative Purchasing Item Number.

9.6 Product Safety Information

9.6.1 Bidders are responsible to ensure that all equipment meets applicable safety codes and that all electrical equipment bids will be Underwriters Laboratory Certified. The awarded vendor must, upon request, provide data that substantiates that the items bid are not hazardous or toxic in the manufactured condition as to asbestos content. etc. The vendor further agrees to provide proper Safety Data Sheets (SDS), as required by law, with products upon delivery.

9.7 Service Manuals and Product Nomenclature

9.7.1 Operator's manuals should be supplied for all items when shipped. The vendor agrees to make service manuals available, at a reasonable cost, to Schools, Educational Service Units and members upon request.

9.7.2 The ASA code or other lamp nomenclature must be specified by the vendor for each type of projection equipment to facilitate projection lamp stocking at all schools and Educational Service Unit's repair facilities.

9.8 "Equivalent to" Item Specifications

9.8.1 When an item specification lists "Equivalent to", bidders may submit a single "equivalent to" item. However, each bidder is restricted to one item submitted per item number unless the ESUCC - Cooperative Purchasing staff provide the ability of offering an alternate through the sourcing application. Multiple submissions on a single line-item will not be considered and will automatically disqualify that bidder from all award consideration for that item number if an alternate hasn't been enabled through the sourcing application.

9.8.2 ESUCC - Cooperative Purchasing recommends that vendors submit requests for "alternative brand name approval" in the "annual bid specification review period" scheduled in August and September of each year.

9.8.3 Whenever the word "ONLY" follows the specific brand, model name or number, equivalents will not be accepted and should not be submitted.

9.9 Samples

9.9.1 Samples, when required, must be submitted within the time specified at the bidder's expense. Whenever the notation "SAMPLE REQUIRED" is made, a sample must be submitted for the bid to be considered. Each sample and specification sheet must be provided on or before the bid closing date. Each sample and specification sheet must be labeled with the name of the vendor/manufacturer submitting the sample for consideration and the ESUCC - Cooperative Purchasing item number. If not consumed by testing, samples will be returned upon written request only at the expense of the bidder. All samples will become the property of ESUCC - Cooperative Purchasing if a written "Return Request" is not submitted with the sample. Samples and specification sheets not properly labeled may not be considered in the bid award.

9.9.2 Previous year awards will not be used to determine current year awards. A sample must be submitted for all specifications that indicate "Sample Required" and current "specification sheet" must be submitted when indicated. Failure of a bidder to do so may result in disqualification for that item.

9.10 Payment Terms

9.10.1 Payments will be made to vendors directly from Schools, Educational Service Units, and members. All payment terms are Net 45 based on product received date by members. The first possible day of delivery is defined in "Key IFB Dates", and, the earliest payment due date is also defined in "Key IFB Dates". All Purchase Orders must be delivered and verified 100% complete and accurate before they will be considered payable. Any product not received by "Delivery Deadline for Items" as defined in "Key IFB Dates" will be subject to late shipment penalties and should be adjusted on the member invoices accordingly.

9.10.2 A "late delivery" penalty fee of 2% must be deducted from a member's final invoice for deliveries made after "Delivery Deadline for Items" and "Delivery Deadline for Paper". An additional 2% per month "late delivery" penalty fee will be assessed for deliveries made for any part of each month on the total dollar amount of all undelivered merchandise. Members must communicate in writing non-receipt of product(s) to vendors at a minimum of one week prior to the delivery deadline or if the deadline has passed the vendor will have 14 days to deliver product without penalty after receiving communication of non-delivery of items from member.

9.10.3 A bidder is in default for any merchandise not delivered by end of day for "Delivery Deadline for Items" and "Delivery Deadline for Paper" as defined in "Key IFB Dates" and any ESUCC - Cooperative Purchasing member may, at their option, purchase the merchandise elsewhere on such terms and at such prices as available or cancel the item. Upon default by a bidder, the bidder and the surety named in the bid bond will then become liable to ESUCC - Cooperative Purchasing for the difference of the total amount between the total cost of the replacement merchandise and the total bid of the undelivered merchandise, and any additional administrative costs and expenses of ESUCC - Cooperative Purchasing or members.

9.11 Lost and Damaged Merchandise

9.11.1 The awarded vendor must accept full responsibility and pay for return shipping charges on any item received by a school, Educational Service Unit, or member that is found to be deficient in quality, defective in packaging, fails to meet specifications or is an unauthorized substitution so as to render the item unsuitable for its intended purpose.

9.12 Discontinued Items/Model Changes/Cancellations

9.12.1 Bidders are responsible for bidding items and model numbers that are current. Winning bidders are responsible for notifying, in writing ESUCC - Cooperative Purchasing, of any model changes prior to shipment of product, addressed to coop@esucc.org. These written notifications are subject to approval from ESUCC - Cooperative Purchasing. Items delivered prior to any notification of changes are subject to rejection at receiving without prior notice.

9.12.2 Discontinued items bidders will be required to submit a letter from the Manufacturer (Producer, Creator, Maker, etc..), Wholesaler or produce an original email showing all communications about discontinued item. Email must show Subject, From, To and Date headers to be an accepted form of communication. A message cut and pasted into another email will not be acceptable.

9.12.3 By bidding an item, the bidder is accepting responsibility for delivering that item if awarded. Bidders will be responsible for finding an acceptable replacement of equal or greater quality for all discontinued or cancelled items. Failure to provide a suitable replacement will result in ESUCC - Cooperative Purchasing deducting the cost of having to secure acceptable replacements from winning bidders bid bond.

9.13 Late Shipments

9.13.1 Vendor is responsible to notify, in writing, ESUCC - Cooperative Purchasing coop@esucc.org of any late or delayed shipments as soon as the vendor is aware of this information. On date noted in "Key IFB Dates", vendors must submit to ESUCC - Cooperative Purchasing a complete list of all items that have yet to be shipped and an estimate, by line-item and delivery location, of expected delivery dates.

9.13.2 ESUCC - Cooperative Purchasing and its affiliates reserve the right to cancel the whole or any part of this agreement due to failure by the vendor to carry out any obligation, term or condition of the agreement.

9.13.3 ESUCC - Cooperative Purchasing will issue written notice to the vendor for acting or failing to act in any of the following:

- 9.13.3.1 The vendor provides material that does not meet the specifications of the agreement;
- 9.13.3.2 The vendor fails to adequately perform the services set forth in the specifications of the agreement.
- 9.13.3.3 The vendor fails to observe any of the terms and conditions of the agreement.

9.13.3.4 The vendor fails to follow the established procedure for purchase orders, invoices, and receipt of funds as stipulated by ESUCC - Cooperative Purchasing.

9.13.4 ESUCC - Cooperative Purchasing reserves the right to cancel, or suspend the use thereof, any agreement resulting from this IFB if the vendor files bankruptcy protection, or is acquired by an independent third party. Upon receipt of the written notice, the vendor will have ten (10) business days to provide a satisfactory response to ESUCC - Cooperative Purchasing. Failure on the part of the vendor to address adequately all issues of concern may result in cancellation of the agreement.

9.14 Inspections and Acceptance

9.14.1 Inspection and acceptance will be at the member delivery destination unless specified otherwise, and will be made at the ship to address by a duly authorized representative. Until delivery and acceptance, and after any rejection, risk of loss will be the vendors unless loss results from negligence by the receiver.

9.15 Electronic Procurement System

9.15.1 ESUCC - Cooperative Purchasing and its members will issue orders for supplies, equipment and services utilizing an electronic procurement system.

9.16 General Information

9.16.1 Sales Summary Reports will be provided reflecting a vendor's total catalog sales upon request only.

9.17 Multiple Awards

9.17.1 In order to assure that any bid award will allow ESUCC - Cooperative Purchasing to fulfill current and future requirements, ESUCC - Cooperative Purchasing reserves the right to award bids to multiple vendors. The actual use of any bid award will be at the sole discretion of ESUCC - Cooperative Purchasing affiliated schools, ESU's or members. Each vendor should take into account the fact that ESUCC - Cooperative Purchasing may consider multiple awards. It is at the discretion of ESUCC - Cooperative Purchasing to make multiple bid awards, to award only one bid, or to make no awards.

9.18 Governing Law

9.18.1 This IFB, any resulting contracts, and the vendor's performance will be governed by and construed in accordance with the laws of the State of Nebraska.

9.19 Publicity

9.19.1 ESUCC does not endorse the goods or services of the vendors. Except for listing ESUCC as a client during the term of any award or related contract, news releases or other publicity concerning the award or contract must not be made by the vendor without the prior written approval of ESUCC.

9.20 Disqualification of Bidders

9.20.1 Vendors may be disqualified and their proposals disregarded for reasons which include but are not limited to the following:

9.20.1.1 ESUCC Cooperative Purchasing has reason to believe that vendors have engaged in collusion.

9.20.1.2 The vendor has indicated possible litigation against the ESUCC, the Cooperative, or any of its ESUs or their member school districts.

9.20.1.3 The vendor is in arrears on any existing contract or has defaulted on a previous contract.

9.20.1.4 The vendor has uncompleted work which, in the judgment of the ESUCC, will prevent or hinder its ability to complete this project, if it were awarded to the Vendor.

9.21 Non-Responsive Bids

9.21.1 A vendor that fails to respond to any request for information may be deemed non-responsive and its bid may not be considered for the award.

9.22 Electronic Bid Protocol

9.22.1 All bids and modifications thereof, will not be viewable until the day and time indicated in the bid. A "Close Date & Time" time will be displayed for all types of bids. No bid can be received or modified after the "Bid Close Date & Time" designated for whatever reason.

9.22.2 Because of the availability of electronic bidding, ESUCC - Cooperative Purchasing reserves the right to postpone the electronic Bid Closing due to electrical or communication problems on our end or with a hosted server, due to accidents or acts of God. Bidders must mail or electronically submit information as requested by ESUCC - Cooperative Purchasing either through USPS, FedEx, UPS, other courier services or through the ESUCC sourcing application. A Digital signature is required to validate the bid. By submitting your response, you certify that you are authorized to represent and bind your company. Neglecting to provide the information requested on the "Response Submission" tab of each bid constitutes a Digital Signature and will result in disqualification of the bid.

9.23 Piggyback Clause.

9.23.1 For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state that has executed an interlocal agreement with ESUCC.

10. Indemnification

10.1 Bidder agrees to indemnify, defend, and hold harmless the ESUCC and its member agencies against any and all claims, suits, or judgments, including costs, expenses, damages, and reasonable legal fees based upon and arising from Bidder's violation of the rights of others or by reason of a breach of any of the foregoing warranties.

10.2 Bidder represents and warrants that the contents of this response to Invitation for Bid and all figures, illustrations, photographs, charts, and other supplementary material herein are original and do not libel anyone or infringe upon any patent, copyright, proprietary right, or any other right whatsoever of any other party. Bidder represents and warrants that they have full power and authority to execute this Copyright Release and to grant the ESUCC and its member agencies the right granted herein.

11. Tariffs

11.1 In the event of significant delay or price increase of materials or goods occurring during the performance of the contract due to a tariff that goes into effect after the execution of this contract, the contract price/sum, time of performance, or contract requirements must be equitably adjusted by written amendment of the contract. A change in price of an item of material or good will be considered significant when the price of an item increases 5 percent between the date of execution of the contract and the date of catalog publishing February 1, 2026. The price amendment must be effective only as long as the tariff is in effect. The intent of the adjustment is to hold the vendor harmless from the impact of the tariff, but the price adjustment is in no way intended to provide or guarantee the same percentage of profit. The vendor must provide documentation that is satisfactory to ESUCC to support any claim under this section. In addition, ESUCC will have the right to request a cost analysis vs. price analysis for each change in tariff adjustment request. In the event that the parties are unable to reach an agreement regarding a contract amendment under this section, either party has the option to terminate the contract, bid award or re-award the item to the next low bid.
