10:00 a.m. Welcome and Introductions – Commissioner Blomstedt and Dave Ludwig

Commissioner Blomstedt discussed the changing of support systems across the state to include our students. We all need to work collaboratively to achieve this statewide mission. NDE Board has created a strategic vision to guide their processes.

Purpose:

- Enhance Collaborative Efforts & Relationships
- Provide Improved Support for Our Schools
- Provide Improved Support for Each Other
- Meet Rule 84 Requirements

A. State-wide Initiatives

Progress Reports:

1. **Teacher/Principal Evaluations** (Educator Effectiveness) - Donlynn Rice gave an update on educator effectiveness. Appreciate the work/help of ESUs help. Working to get all schools to move toward using an instructional model and using student learning objectives. Donalynn would like to be hosted to train superintendents - two to three hours. Reauthorization of NCLB - does not include SLOs in current version, but include in our waiver model.

2. **Data (SLDS)**

- o [AQuESTT/EBA](#) – Brian Halstead

Reviewed the accountability system that was approved by the state board. We do not want to do minimum, we want to exceed those

expectations. The six tenets of AQuESTT - College and Career Ready, Assessments, Educator Effectiveness, Educational Opportunities and access, transitions, positive partnerships, relationships, and student success. Classification of districts and schools, required to designate priority schools, support and interventions team's, progress plan approved by NDE. Indicators - NESA results, adjustment for improvement, adjust for growth, adjust for non-proficient students, limit participation rate, limits for graduation rate. Classifications: Excellent, Great, Good, Needs Improvements. Final Classification from State Board to include indicators representing all tenets. Evidence Based Analysis (EBA) what we are doing and what we need to improve/need help. District and School all to submit an EBA - to be completed by November 1, 2015. Only use is to be positive - can only move up. Designation of priority schools - fall in needs improvement classification (approx 100 schools in this classification - narrow to three schools). These will be the schools in greatest needs of assistance, priority schools recommendations will be made at the December 2015 NDE Board meeting. Support and Interventions Teams - share best practices with other schools. May involve staff of NDE, ESUS, outside experts. Progress plans for priority schools due next August 15, 2015. <http://aquestt.com> Will ESUs have access to look at classifications of their schools? Pre-release to schools, ESUs should be able to see the data. How do the intervention teams work? Will designate personnel as they identify and build the processes required.

- o **ADVISER/EAP** - Single Sign On – Russ Masco gave updates on EAP/Advisor. Thirty-one districts working towards being an early adopter. Each ESU has identified a person to be the communicator for their schools. There is also an advisory committee (Whisler, Downing, Forslund, Fernading) EAP continue to look down the road on how to bring more schools on (100 next round) Collecting feedback from schools, organizing and consolidating information. EAP has website, there are resources to outline processes. Powerschool, Infinite Campus, and SIMS are working. The pilots district have been helping to create protocol for dashboard. September PDO - demo'd the data reporting system (DRS) ESUs now have access to secure site (can see data in their districts) Continuous Improvement reports (ready made) to have immediate access to data. Cube view - click on grid to see bar charts, etc. ESU administrators will designate their staff to who can have access. Working to gather perceptual data, creating the tables, etc to dump in data. Google site - districts can gather step by step instructions. The school will have all the forms and everything need to walk through the process. Schools to share with ESU personnel to help guide the through the process. ESUs (staff developer) will

continue to help schools use their perceptual data/surveys. Data Cadre meets every month, to help continue to move forward.

3. **BlendED** – Beth Kabes gave updates on single sign on, LOR, LMS (Canvas, Schoology, BlackBoard Learn, Moodle), [NE BlendEd](http://bit.ly/neblend) (bit.ly/neblend) - Pilot Project in partnership with NCSA. Identify districts to work with them on implementation of blended environment.

ESUs are creating BlendEd departments. Online content - instructional materials to provide resources to school for equal access.

DEAC is a member of NROC for statewide use. EdReady - blended learning system. Students can learn at their own pace, place, time and path. Continue to bring on new accounts for teachers.

B. NDE/ESUCC – [Memorandum of Understanding](#).

- o Purpose – Commissioner Blomstedt - document to gather lists of all projects that NDE/ESUCC continue to work on in collaboration. Description of each of the projects. Moving forward this will allow to create contracts between the two. Begin next biennium already in January. This will continue to be a living document for those projects we are working on.
- o Content – Dave Ludwig (11 projects) Began collaboration process in April 2012. Data system, instructional support system, single sign on, accreditation/school improvement, evaluation and instructional frameworks, AQuESTT, Special Education, Early Childhood, Title and Federal programs, 21st Century Learning Community, Nebraska Career Connections. Focus on 307,000 students in the state to have equal and equitable access.

C. Building Positive Partnerships & Relationships

- o [I3 Grant](#) – Dave Ludwig reviewed the grant that has been applied for between ESUCC and NDE. Fostering Connections in Education - working with system involved (justice system, HHS, etc) students. Approximately 1/3 of students are systems involved. Three million with matching private (Kiewitt, Sherwood, etc) Will find out in December if we receive the grant. ESUs 1 & 8, 3, 13 will be part of the pilot process of creating system to align with statewide dashboard. Grant would begin in January 2016.
- o [2016-17 Results Driven Accountability \(RDA\) IDEA Discretionary Funding](#) – Gary Sherman, Beth Wierda, Steve Millikan

Beth Wierda reviewed Results Driven Accountability (RDA). Compliance doesn't create results. State systemic improvement plan (SSIP) - five year plan, report progress annually, and needs to "move the needle" Goal: Improve reading proficiency rates for students with disabilities at third grade thereby reducing the reading proficiency gap between special and general education. Strategy - student centered, evidence based, build on what is currently in place. Create a multi-tiered system of support (MTSS). Must detail - infrastructure, funding, and evaluation of progress. Have targets over the next five years to close the gap. Option 1 - Could increase the GAN awarded to UNL for the purpose of increasing the staff etc. necessary to provide statewide services to all districts requesting assistance from the Nebraska Multi-Tiered System of Support Team. Option 2 - Could, through the RFP process, provide grants to 203 ESUs interested in establishing "mega" regional centers for the purpose of assisting districts in the implementation of MTSS. Option 3 - Could, through the RFP process, provide "mini" grants to districts/groups of districts or ESUs interested in implementation of MTSS. Option 4 - Could combination of options of #1 and #2 and #3 Option 5 - other options suggested by Stakeholders To ensure MTSS is implemented with fidelity to achieve anticipated results: ESUs or schools receiving grants would be required to carry out a proposed plan for ensuring implementation with fidelity and engaging in training, consultation, and collaboration with the NE MTSS of Support Team.

- [NDE Liaison Plan/Rule 84](#) – Freida Lange reviewed the Rule 84 regulations for the accreditation of Educational Service Units. MOU exists between the ESUCC and NDE to enhance our working relationship in order to build capacity and statewide systems of support. Rule 84 contains sections that require collaborative efforts between ESUs and NDE. Current initiatives: Data, Teacher/Principal; BlendEd. An application for a grant, i3 Grant has been written to Foster Connections. Needs: Formal Liaison Structure, NDE Participation at ESU Meetings.

Dear ESU Coordinating Council:

I have greatly enjoyed my position as secretary and treasurer over the last eight plus years. As of December 31, 2015, I will be resigning my position knowing that a very qualified ESU administrator will fill the position of treasurer. Members of the Finance, Audit, and Budget Committee have added support and expertise in keeping the ESUCC in a sound financial position. ESUCC is fortunate in having David Ludwig and Priscilla Quintana in the planning and the management of the finances.

Thanks for your support,

Dennis Radford

2015-2018 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and hand2mind, Inc. ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 249 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A**, which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.
2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Discount percentage listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing. Contractor reserves the right to update hosted catalog quarterly to reflect changes in list prices, new and discontinued items.
3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume on purchase orders referencing the Nebraska ESU Special Buy agreement number, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.
4. **Term.** This Agreement is effective on December 1st, 2015 ("Effective Date") and shall continue until 12:00 midnight (CST) on December 1st, 2018, unless terminated earlier as provided by this Agreement or by law.
5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce

this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Brown County, Nebraska.

6. Termination.

- A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.
- B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.
- C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.
- D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:
 - (1) Insolvent;
 - (2) Makes a general assignment for the benefit of creditors;
 - (3) Files a voluntary petition of bankruptcy;
 - (4) Suffers or permits the appointment of a receiver for its business or assets;
 - (5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
 - (6) Has wound up or liquidated, voluntarily or otherwise.
- E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.
- F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.
- G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

- A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.
 - B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.
 - C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.
 - D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.
 - E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.
8. **Insurance.** Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:
- A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of \$1,000,000 per person and \$5,000,000 per occurrence; and
 - B. If applicable, workers compensation coverage meeting all statutory requirements.
- The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.
9. **Public Records.** The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.
10. **Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.
11. **Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance

of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.
13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.
14. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.
15. **Taxpayer Identification.** Contractor's federal employer identification number is: 36-0972955.
16. **Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.
17. **Notice.** Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

With copy to:

Lincoln, NE 68501-2028

Contractor: hand2mind, Inc.
500 Greenview Court
Vernon Hills, IL 60061

Notice is effective only if the party giving the Notice has complied with this section.

18. **Warranties and Specifications.** Contractor shall be responsible for providing to Members all manufacturer warranties on all goods and services. Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, or the Cooperative upon request.
19. **Entire Agreement.** The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.
20. **Amendments and Modifications.** The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.
21. **Waivers.** The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, or (2) In requiring the satisfaction of any condition under this Agreement, and (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.
22. **Severability.** If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.
23. **Counterparts.** The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. **Force Majeure.** Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is caused by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.
25. **Assignment.** This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.
26. **Subcontractors.** The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.
27. **Captions.** The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.
28. **Rights and Remedies Cumulative.** Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.
29. **Relationship Among Parties.** This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.
30. **Rules of Construction.** The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.
31. **Attachments.** Attachments to this Agreement include the following:

**ADOBE® VOLUME LICENSING
CUMULATIVE LICENSING PROGRAM EDUCATION MEMBERSHIP
(Consortium Members and Self Enrolled Affiliates – US and CA only)**

This Cumulative Licensing Program Education Membership Agreement ("Agreement") is effective as of the date last signed (the "Effective Date") and entered into between ADOBE SYSTEMS INCORPORATED, a Delaware corporation having a place of business at 345 Park Avenue, San Jose, CA 95110-2704 ("Adobe"), and the entity identified in Exhibit A under "Program Applicant Information" ("Member"). Such entity, whether a Member or Self-enrolled Consortium Member shall be referred to as a "Member" for the purposes of this Agreement.

1. Program Description.

1.1 General. The Cumulative Licensing Program ("CLP") is a flexible volume licensing program offered through Adobe Volume Licensing. The CLP applies the same discount level to all of Member's and its Self-enrolled Consortium Members' qualified Adobe software purchases ("Software") during the Term based on the value of the initial order. Member has no order commitment except the initial order. Member may improve its discount level as it and its Self-enrolled Consortium Members order additional Software during the Term. CLP membership begins on the Effective Date and continues through the two (2) year anniversary of the day immediately prior to the Effective Date, provided Member complies with all obligations under this Agreement (the "Term"). Notwithstanding the foregoing, either party may terminate the Agreement with or without cause on sixty (60) days prior written notice. For additional information on the CLP, refer to the current version of the CLP Program Guide (the "Program Guide"), posted in the Adobe Volume Licensing section of the Adobe website. Membership in the Education CLP is regional. Orders cannot be placed outside of the region in which the CLP membership is established.

1.2 Software. For a complete list of Software available through the Education CLP, along with the point values for purchases, Member shall contact its Adobe License Center ("ALC") or a reseller authorized by Adobe to resell education versions of Adobe software under CLP ("Adobe Authorized Education Reseller") (the ALC, Adobe Authorized Education Reseller collectively and individually, the "Reseller" herein) or use the Adobe Discount Level Calculator available on the Adobe website. All Software point values are consistent worldwide. All use of the Software licensed under the CLP is subject to the applicable Adobe End User License Agreement ("EULA"). As such, all Software purchased under the Agreement are solely for use within Member's own organization and all resale, sublicensing and other distribution is subject to the restrictions set forth in the applicable EULA.

1.3 Discount Levels. Member may improve its discount level as it and its Self-enrolled Consortium Members (defined below) continue to order Software through the CLP. Member's discount level shall be applied to its Self-enrolled Consortium Members' orders and the points accumulated with each Member or Self-enrolled Consortium Member order shall be added to Member's cumulative point total. On the 14th day of each month, Adobe will review the points accumulated by Member and its Self-enrolled Consortium Members from the Effective Date to that day. If the total points equal or exceed the minimum requirement for the next discount level, then upon the 15th day of that same month, Member and its Self-enrolled Consortium Members will become eligible for the improved discount level. Resellers operate as independent distributors and are not agents or affiliates of Adobe. As a result, Member and its Self-

enrolled Consortium Members are responsible for informing any Reseller of its CLP membership and applicable discount.

2. Participation.

2.1 Member must be a cooperative association, and meet the following criteria: (a) be comprised of multiple qualifying educational institutions that join the cooperative association by enrolling, executing a written, legal agreement, or otherwise being qualified by Member as a member (each a Consortium Member); (b) have a primary purpose of creating and managing volume-driven procurement/licensing agreements on behalf of its Consortium Members; (c) must limit participation under this Agreement to Consortium Members that are K-12 entities within the State of Nebraska and (d) must provide Adobe with an updated list of its participating Consortium Members at least once per calendar quarter. Member expressly understands and agrees that it may not order or otherwise participate in the program on its own behalf, unless it is both an educational institution and an end user. Any and all references throughout this Agreement to a Member's ability to order or install any educational software products pertains only to that situation where a Member qualifies for participation in this program by being both an educational institution and an end user.

2.2 Concurrent with Member's execution of this Agreement, Member must nominate a Reseller. Resellers operate as independent distributors and are not agents or affiliates of Adobe. Member is free to change its designated Reseller during the term upon written notice to Adobe.

2.3 Member's Consortium Members must each be an educational institution and end user, and Member hereby represents and warrants to Adobe that it and any participating Consortium Members are educational institutions and end users.

2.4 Education Entity. Consortium Members **must each be a qualified educational institution to participate in CLP.** The following is a non-exhaustive list of qualified educational institutions: (i) Accredited (by official accrediting entities) public or private primary or secondary school providing full-time instruction; (ii) Accredited public or private university or college (including community, junior or vocational college) that grants degrees requiring not less than the equivalent of two years of full-time study; (iii) Named educational institutions approved by Adobe, only if individual named entities are approved by Adobe in writing; (iv) Hospitals that are wholly owned and operated by an otherwise qualified educational institution, where "wholly owned and operated" means the educational institution is sole owner of the hospital and the only entity exercising control over day to day operations; and (v) Higher education research laboratories that are a public institution and recognized by a national or state educational authority.

The following is a non-exhaustive list of entities that are not qualified educational institutions: (i) Non-accredited schools; (ii) Museums or libraries; (iii) Hospitals not wholly owned and operated by an otherwise qualified educational institution; (iv) Churches or religious organizations that are not accredited schools; (v) Vocational training centers or schools granting certificates for courses such as computer software training or job training that are not accredited schools or which grant degrees requiring less than the equivalent of two years of full-time study; (vi) Military schools that do not grant academic degrees; and (vii) Research laboratories not recognized by a national or state ministry overseeing education. For example, institutions recognized by other government branches are not eligible.

2.5 Consortium Members. "Consortium Member" means a division, department, organization, or other related schools, campuses or colleges of an educational institution, each of whose primary purpose is teaching, that allows Member to act on its behalf as set forth herein below.

Notwithstanding anything to the contrary, any and all references to "Member-listed Consortium Member and or Member-listed Affiliate" in the Program Guide or other CLP related materials shall not apply under this Agreement. Any terms under the Program Guide or other CLP related materials as it relates to "Self-enrolled Affiliates" shall apply to Self-enrolled Consortium Member(s). Consortium Members may participate in CLP by becoming a "Self-enrolled Consortium Member". Self-enrolled Consortium Member means any eligible Consortium Member that enrolls in the CLP separately provided that (i) each such Self-enrolled Consortium Member references Member's CLP membership agreement number ("Agreement Number") on its enrollment form and (ii) complies with this Agreement. Self-enrolled Consortium Members will receive their own serial numbers, may designate their own Reseller, and choose their own Upgrade Plan payment option. Self-enrolled Consortium Members may enroll online using the Adobe Education Self-enrolled Affiliate enrollment form located at <http://www.adobe.com/aboutadobe/volumelicensing/enroll/education.html>. All Self-enrolled Consortium Member ordering and contact information will be visible and available to Member. Members may refuse to allow a Consortium Member to benefit from this Agreement and/or may terminate a Self-enrolled Consortium Member's participation at any time during the Term. Member hereby confirms on behalf of the Self-enrolled Consortium Members that Self-enrolled Consortium Members expressly grant Member the right and authority to renew its participation in the CLP at the time Member renews its membership in the CLP.

2.6 Agreement and Serial Numbers. Member will be assigned an Agreement Number, which number must be referenced on any orders. Each Self-enrolled Consortium Member, if any, will receive a separate Agreement Number which will be linked to the Member Agreement Number. Each serial number references a single Software product defined by version, language, and platform, except for products available in both Macintosh® and Windows® versions for which Member will receive serial numbers for both platforms, even when only one platform is licensed. Member may use the same serial number for all validly licensed installations of given Software; new serial numbers are issued for upgrades.

2.7 Confidentiality. The Agreement and serial numbers are confidential, except as stated in Section 2.6 and Section 3. Member shall treat membership and serial numbers as confidential and not share or disclose

such numbers. Member is responsible for Self-enrolled Consortium Members compliance with these confidentiality terms. Self-enrolled Consortium Members are also responsible for protecting their agreement and serial numbers.

2.8 Licensing Website. Adobe shall provide Member and Self-enrolled Consortium Members with access to the Adobe Licensing Web Site ("LWS") (<http://licensing.adobe.com>) allowing Members access to pertinent information about their membership including expiration dates, comprehensive order details, LWS account information and Software serial numbers. The designated Program Administrator for new Members and Self-enrolled Consortium Members will receive a communication containing instructions on setting up their LWS account login and password providing them access to LWS for management of their CLP membership.

3. Ordering and Fulfillment.

3.1 Ordering and Pricing. Member and/or Self-enrolled Consortium Member shall order licenses for Software within 30-days of the date that such Software is installed and/or deployed. All fees are determined by the Reseller. Adobe does not set the pricing that Member or its Self-enrolled Consortium Members are charged and Adobe cannot guarantee any particular discount. Member is free to negotiate fees directly with its Reseller. Matters such as price, delivery and payment terms must be agreed between Member and Resellers.

3.2 Minimums. Member's initial order must meet or exceed the minimum point value for the discount level selected on the enrollment form. If Member does not order sufficient Software within forty-five (45) days of enrollment, Adobe may terminate or suspend that Member. To reorder, Member or Self-enrolled Consortium Members must place an order of at least one point. Member and its Self-enrolled Consortium Members shall ensure that all purchases include Member's or Self-enrolled Consortium Member's Agreement Number and any additional information in order for the Reseller to accept such order.

3.3 Electronic Software Distribution (ESD) and Media. Adobe offers ESD for selected Software to Members and Self-enrolled Consortium Members for no additional fee. Member and Self-enrolled Consortium Members may download via LWS Software for which they are currently licensed. Each license includes the right to print one hard copy version of any electronic user documentation. Member and its Consortium Members are not permitted to have more media than licenses. Media and printed documentation orders do not count toward point accumulation. Unless Member or Self-enrolled Consortium Member signs and returns to Adobe a separate media duplication agreement, neither Member nor Self-enrolled Consortium Members is entitled to make additional copies of the Software media or user documentation. Member and its Self-enrolled Consortium Members may order hard media from the Reseller.

3.4 Returns. Member or Self-enrolled Consortium Member must request return of purchases made under the Agreement through the same Reseller that placed the original order with Adobe. Requests must be made within 30 days of the original Software order date, and Adobe must approve all return requests before any return is valid. If the return is approved, Member's point totals will be adjusted in the next accumulated point review process. Member or Self-enrolled Consortium Member must submit a signed Letter of Destruction with each return.

4. Upgrade Plan.

4.1 General. Member or Self-enrolled Consortium Member may pay to receive future versions of Software ("Upgrades") by purchasing an upgrade plan ("Upgrade Plan") during the Term of CLP membership. Member may purchase an Upgrade Plan for licenses acquired prior to the Effective Date of the Agreement only during the first three months of the Term. Member may purchase an Upgrade Plan for Software purchased under this Agreement at any time during the Term and such plan shall be prorated to the end of the CLP Term as further described in the Program Guide. Points are received for the value of Upgrade Plan purchases. The Upgrade Plan can be purchased for all, some, or none of any purchased Software, but the number of Upgrade Plans may not exceed the number of licenses purchased for Software. Member agrees that any and all Upgrades are for replacement of the copies of Software previously licensed to Member, and shall only be provided for such licenses for which Member purchased the Upgrade Plan. Member understands that Upgrade Plan costs are non-refundable, even if Adobe discontinues covered Software or if agreement is terminated before the two year anniversary date.

4.2 Renewal. Adobe will use reasonable efforts to notify Member ninety (90) days prior to expiration of the CLP Membership Term and Upgrade Plan coverage. If Member elects to make Upgrade Plan payments in two annual installments, Adobe will notify Member sixty (60) days prior the date the second annual installment payment is due. Member must renew Upgrade Plan prior to the Upgrade Plan anniversary date in order to ensure uninterrupted coverage. Renewal orders may be placed before the anniversary date but early renewal does not change the initial anniversary date.

5. Miscellaneous.

5.1 Transfer of License. Adobe's Software EULAs may permit the transfer of Software licenses to another person or legal entity. However, Member may transfer licenses purchased pursuant to this Agreement only (i) when it becomes necessary due to mergers, acquisitions, consolidations, or divestitures or (ii) to any other existing CLP Member or TLP Software licensee so long as both the previous and new licensees complete and sign the Transfer of License form, the new licensee agrees to the terms of the EULA, and all CLP points attributable to the Software transfers to the new licensee's CLP, if applicable. Any active Upgrade Plan for a license must be transferred along with the license. Adobe reserves the right to review and reject any such transfer it deems improper in its sole discretion.

5.2 License Compliance. Member and its Self-enrolled Consortium Members must maintain systems and/or procedures sufficient to ensure an accurate record of (i) the number of copies of the Software that have been installed and (ii) number of named users to the Software to the extent the Software is otherwise made available to users over a proprietary network, and Member retains records of Software installation and/or deployment for 2 years after the termination or expiration of the Agreement. To ensure that Member's and/or Self-enrolled Consortium Members' installation and deployment is consistent with the license entitlements, Adobe or its representatives may conduct an audit of Member's and/or Self-enrolled Consortium Members' Software installation/deployment not more than once per year on 30 days written

notice. Such audit will require Member or Self-enrolled Consortium Members to provide an unedited accurate report of all Software installed by Member and/or Self-enrolled Consortium Members and all valid purchase documentation for all Software within 30 days of request and, if the audit findings demonstrate non-conformity with the Software licenses, Member or Self-enrolled Consortium Member shall purchase the necessary licenses within 30 days of being so notified. Adobe reserves the right to conduct an onsite audit of Member or Self-enrolled Consortium Members' license deployment on ten (10) business days prior written notice during regular business hours. This section 5.2 shall survive termination or expiration of the Agreement for a period of two (2) years. Members may order concurrent licenses for lab or administrative use of Software. However, this option may be subject to additional fees, and Member must maintain and use adequate verification to manage the concurrency.

5.3 Concurrent Use Licenses. Members may order Concurrent Use Licenses under the Education CLP solely for use on Member owned or leased computers that are physically located at an on-campus classroom or student lab facility. Concurrent Use Licenses are subject to additional fees, and Member must use and maintain adequate verification systems to manage the Concurrent Use Licenses. The terms and conditions set forth at www.adobe.com/aboutadobe/volumelicensing/policies ("Concurrent Use License Terms") shall apply to Concurrent Use Licenses and are hereby incorporated by reference into this Agreement. Adobe may update the Concurrent Use License Terms from time to time, but the version of the Concurrent Use License Terms published at the time of your installation of Concurrent Use License Software (or upgrade thereto) shall govern your use of such Software.

5.4 K-12 Education Site Licenses. K-12 Education Site Licenses may be available for some Software under the CLP, and are made available solely to Members who qualify as K-12 Education Institutions. Such Software ordered pursuant to a K-12 Education Site License are subject to the terms and conditions of this Agreement and the additional K-12 Education Site License terms and conditions that accompany the media that Member receives as part of its K-12 Education Site License order and which are hereby incorporated by reference into this Agreement ("K-12 Site License Terms"). For Member's convenience, the K-12 Site License Terms may be made available for reference at www.adobe.com/aboutadobe/volumelicensing/policies. Adobe may update the K-12 Site License Terms from time to time, but the version of the K-12 Site License Terms published at the time

5.5 Use of Information. Adobe may use information about Member or Self-enrolled Consortium Members for purposes of administering the CLP and for fulfilling its obligations under the Agreement. Such information may be used among Adobe entities worldwide and among ALCs and resellers worldwide. This use includes, but is not limited to, the following: (a) sharing necessary program information of any Member (or Self-enrolled Consortium Member) with its Reseller, including member number (End User ID), (b) sharing information about a Member with its Self-enrolled Consortium Members, or vice-versa, (c) use of the name and contact details including phone email address and other contact details of a Member or Self-enrolled Consortium Member designated licensing contact to send program related communications to such licensing contacts including, but not limited to, notices of upgrades, program changes, and notice of discontinuance of SKUs, and (d) allowing Members to view all program and order information for all of its Self-

enrolled Consortium Members. Self-enrolled Consortium Member members will only have access to information for orders placed by that Self-enrolled Consortium Member.

5.6 Governing Law and Venue. This Agreement shall be governed by and interpreted in all respects by the laws of the State of California, without reference to conflict of laws' principles, as such laws are applied to agreements entered into and to be performed entirely within California between California residents.

All disputes arising under this Agreement will be brought in Superior Court of the State of California or the Federal District Court of San Jose in Santa Clara County, as permitted by law.

5.7 General. With respect to any applicable exhibits and schedules as applied to this Agreement, all references to the term "Affiliate" shall mean Consortium Member and all references to "Program Member" shall mean

Member. No modification will be valid or binding unless in writing and signed by the parties. The parties are independent contractors, and this Agreement will not be construed to imply that either party is the agent, or venturer of the other. If any provision is held unenforceable, this Agreement will continue in full force and effect without said provision and will be interpreted to reflect the parties' original intent. The parties agree that the United Nations Convention on Contracts for the International Sale of Goods is specifically excluded from application to this Agreement. Member may not assign this Agreement (by operation of law or otherwise) without the prior written consent of Adobe, and any prohibited assignment will be null and void. This Agreement will be binding upon and will inure to the benefit of any permitted successors or assignees. This Agreement represents the entire agreement between the parties on the subject matter of this Agreement.

2. *How the Academic Select Plus License program works.*

The Academic Select Plus License program allows Registered Affiliates to order Licenses and services at academic pricing. Registered Affiliate can participate in this program if it (1) submits a minimum qualifying Order as defined in the Product List, (2) identifies and maintains at least one active Qualifying Contract, or (3) identifies an order placed under a separate agreement during the 12 months preceding the effective date of this agreement that would otherwise have been a minimum qualifying order. For public Qualified Educational Users, only Registered Affiliates identified in a registration will be responsible for complying with the terms of that registration, including the terms of this agreement incorporated by reference in that registration.

3. *How to purchase under a Product category.*

- a. Academic Price level.** Each Product is assigned to a Product pool and given a point value per License as shown on the Product List. To qualify for academic level pricing and be eligible to order Licenses from any particular pool under this agreement, Registered Affiliates, in the aggregate, must order the quantity of Licenses in that pool each year to accumulate at least the minimum required points for that pool, as shown on the Product List.
- b. Compliance check.** Each year, on the agreement's anniversary date, Microsoft will review Institution's purchases to count the number of points earned by all Registered Affiliates for each pool during the preceding 12-month period. If Institution does not maintain a Qualifying Contract or place sufficient Orders to maintain eligibility for this program, Registered Affiliates will not be able to place additional Orders under this agreement until Institution has placed a minimum qualifying Order.

4. *License for Products*

- a. License Grant.** Microsoft grants Registered Affiliate a non-exclusive, worldwide and limited right to download, install and use software Products, and to access and use the Online Services, each in the quantity ordered. The rights granted are subject to the terms of this agreement, the Product Use Rights and the Product List and are granted only for the term specified in the Order. Microsoft reserves all rights not expressly granted in this agreement.

- b. Use by Affiliates.** Registered Affiliate may sublicense the right to use the Products ordered under this agreement to any Affiliates, but Affiliates may not sublicense these rights and their use must be consistent with the terms of this agreement.
- c. Duration of Licenses.** Subscription Licenses and most Software Assurance rights are temporary and expire when the applicable agreement is terminated or expires, unless Registered Affiliate exercises a buy-out option, which is available for some Subscription Licenses. Except as otherwise noted in the applicable agreement or Product Use Rights, all other Licenses become perpetual only when all payments for that License have been made and any applicable Software Assurance term has expired.
- d. Applicable Use Rights.**
 - (i) Products (other than Online Services).** The Product Use Rights in effect on the effective date of the agreement will apply to all Registered Affiliates' use of then-current versions of each Product, regardless of the date of the Order. For future versions, the Product Use Rights in effect when those future versions are first released will apply. In both cases, subsequent changes made by Microsoft to the Product Use Rights for a particular version will not apply to Registered Affiliates' use of that version, unless Institution chooses to have such changes apply
 - (ii) Online Services.** For Online Services, the Product Use Rights in effect on the subscription start date will apply to Institution's use of the Online Service for the first 12 months of the subscription term, except as otherwise noted in the Product Use Rights. The process for updating the applicable user rights are detailed in the Product Use Rights.
- e. Earlier versions (downgrade rights).** Registered Affiliate may use an earlier version of a Product than the version that is current on the effective date of the Agreement. In that case, the Product Use Rights for the current version will apply to the use of the earlier version. If the earlier Product version includes features that are not in the new version, then the Product Use Rights applicable to the earlier version apply with respect to those features.
- f. New Version Rights under Software Assurance.** With Software Assurance coverage, Registered Affiliates may use a new version of a licensed Product as soon as it is released. New version rights apply to the License automatically upon release of the new version, even if Registered Affiliate chooses not to use the new version immediately.
 - (i)** Except as otherwise permitted under a Qualifying Contract, use of the new version will be subject to the new version's Product Use Rights.
 - (ii)** If the License to the earlier version of the Product is perpetual at the time the new version is released, the License for the new version will also be perpetual. Perpetual licenses obtained through Software Assurance replace any perpetual licenses to the earlier version.
- g. Multi-Language rights.** Registered Affiliate may use different language versions of any Product it Licenses under this agreement, provided that the License, L&SA, or Software Assurance for that different language version is available at the same or lower price than the price paid for the language version ordered of the same Product and License type.
- h. Developer Products.** For each copy of Microsoft Developer Products a Registered Affiliate licenses for instructional purposes in connection with a class or other educational program, the Registered Affiliate may, as an alternative to deploying the product pursuant to the licensing model described in the Product Use Rights, either
 - (i)** permit an unlimited number of its student users to run the Product on a single computer or similar device, provided that all such users comply with all other terms of this agreement; or
 - (ii)** if the Registered Affiliate has licensed multiple copies of the product, then, at any time, its students or faculty may run as many copies of the Product as it has licensed, provided that those users comply with all other terms of this agreement. If the anticipated number of users of the Product will exceed the number of copies the Registered Affiliate has licensed,

it must have a reasonable mechanism or process in place to ensure that the number of persons running the product at any given point in time does not exceed the number of copies licensed.

- i. **License confirmation.** This agreement, the applicable Order, any Order confirmation, and any documentation evidencing transfers of perpetual Licenses, together with proof of payment, will be Registered Affiliate's evidence of all Licenses obtained under this agreement.
- j. **After-acquired Licenses.** At any time after Microsoft has accepted its registration, Registered Affiliate may use any Product as if licensed under the terms of this agreement, provided it submits an Order for a sufficient number of Licenses to authorize Registered Affiliate's use of the Product in the same calendar month in which the Product is first used.
- k. **Benefits limited to qualified educational user.** Products licensed under this agreement may be used only by and for the benefit of a qualified educational user. Client Access Licenses that the Registered Affiliates acquire solely to enable their students to access their servers are, for the purposes of this restriction, deemed to be used by and for the benefit of a qualified educational user. For each such student Client Access License the Registered Affiliate acquires, it does not need to acquire a separate Client Access License for the parent(s) or legal guardian(s) of the licensed student user. Licenses obtained under this agreement may not be transferred, sublicensed, rented, leased, or loaned to any person or entity that is not a qualified educational user.

5. *Redistribution of Software Updates to Students*

- a. **License grant.** Microsoft grants Institution a limited, non-exclusive, royalty-free, non-assignable, non-transferable, revocable License to distribute Software Updates to Institution's students in accordance with the terms of this section. Institution's students must use the Software Updates solely for their personal benefit in accordance with the end-user license agreement with Microsoft ("EULA") included with each Software Update.
- b. **Redistribution of Software Updates.** Institution may redistribute Software Updates to Institution's students (1) by electronic means provided that Institution's method of electronic distribution is adequately licensed and incorporates access control and security measures designed to prevent modification of the Software Updates and prevent access by the general public, or (2) by acquiring authorized copies on fixed media from a fulfillment source approved by Microsoft.
- c. **Limitations.** Institution may not: (1) produce or replicate Software Updates onto CDs or other distributable storage media; (2) combine the Software Updates with other non-Microsoft software; (3) distribute any Software Updates as a stand-alone component via email attachment; (4) charge for the Software Updates, other than to recover any reasonable costs incurred in providing the updates to Institution's students; (5) remove, modify, or interfere with the EULA or the EULA acceptance functionality included by Microsoft with any Software Update; or (6) alter the Software Updates in any way. Microsoft is not responsible for any cost related to the acquisition, distribution, or recall of the Software Updates.
- d. **Tracking and recall.** Institution must track the quantity and method of distribution of the Software Updates by means that will allow Institution to provide notice of a recall and offer replacements as provided in this subsection. Institution agrees to stop redistributing Software Updates within 10 days of receipt of a notice of recall from Microsoft, and within 30 days of that notice, Registered Affiliate agrees to (1) return to Microsoft or destroy all copies of Software Updates in Registered Affiliate's possession, and (2) notify Registered Affiliate's students of the recall by same or similar means in which they were notified of the availability of the Software Updates.
- e. **Replacement Software Updates.** If Microsoft makes available to Registered Affiliate a replacement Software Update, Registered Affiliate agrees to make the replacement available to its students within 10 days of receipt and in the same quantity and method of distribution as

Registered Affiliate made the original Software Update available. Institution's distribution of replacement Software Updates is subject to the same conditions and restrictions as other Software Updates under this section.

- f. **No Warranties.** Notwithstanding anything to the contrary in this agreement, and to the extent permitted by law, Software Updates that Registered Affiliate redistributes to Institution's students are provided "as-is" without any warranties. Institution and its Registered Affiliates acknowledge that the provisions of this paragraph with regard to the Software Updates are reasonable considering, among other things, that the Software Updates are complex computer products. Institution further acknowledges that the performance of the Software Updates will vary depending upon hardware, platform and software interactions and configurations.
- g. **Exclusion of Damages.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL MICROSOFT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, CONSEQUENTIAL, OR INDIRECT DAMAGES THAT ARISE OUT OF OR ARE IN ANY WAY RELATED TO INSTITUTION'S REDISTRIBUTION OF THE SOFTWARE UPDATES TO INSTITUTION'S STUDENTS. FURTHERMORE, IN NO EVENT SHALL MICROSOFT BE LIABLE FOR ANY SUCH DAMAGES BASED DIRECTLY OR INDIRECTLY UPON THE PROVISION OF SOFTWARE UPDATES OR UNAVAILABILITY OF SOFTWARE UPDATES -- INCLUDING WITHOUT LIMITATION, DAMAGES DUE TO BUSINESS INTERRUPTION, LOSS OF PROFITS, REVENUE OR BUSINESS OPPORTUNITY, LOSS OF DATA AND THE LIKE, FAILURE TO MEET ANY DUTY, OR NEGLIGENCE.
- h. **Limitation of liability.** With respect to Registered Affiliate's redistribution of the Software Updates, the Limitation of Liability provisions in this agreement shall apply in those situations in which Institution or a Registered Affiliate assert a right to damages or other compensation from Microsoft.
- i. **No support.** Institution understands that Microsoft has no obligation to provide any support for Software Updates that Registered Affiliate may redistribute to its students, including any benefits accruing from Software Assurance.

6. *How to order Product Licenses.*

- a. **Placing Orders.** Registered Affiliate may purchase Licenses Microsoft makes available under this program by placing Orders with Registered Affiliate's authorized Reseller. The price and payment terms for all Orders will be determined by agreement between Registered Affiliate and Registered Affiliate's Reseller. When placing Orders, a Registered Affiliate must specify the country in which the Registered Affiliate will use the Licenses.

Microsoft may change the Products available under this program and refuse to accept an Order if it has a business reason to do so.

- b. **How to confirm Orders.** Information about Orders, including an electronic confirmation of each Order, will be provided in a password-protected website at <https://licensing.microsoft.com> or a successor site. Upon Microsoft's acceptance of this agreement, the contact Registered Affiliate designates on the Affiliate Registration Form will be provided access to this site.
- c. **Invoices and payments.** For any Orders for Software Assurance or L&SA, Registered Affiliate may elect with its Reseller to spread its payments over three years rather than payment in a lump sum. In such cases, Microsoft will invoice the Reseller in installments, the first installment upon receipt of the Order, and subsequent installments on each anniversary of the Order or at Registered Affiliate's option, on the Affiliate anniversary month. Orders for Licenses without accompanying Software Assurance will be invoiced to the Reseller in full upon receipt of the Order.
- d. **When is Registered Affiliate eligible to order only Software Assurance?** A Registered Affiliate may add Software Assurance to a previously licensed Product without ordering a new License for the product if:

- (i) Registered Affiliate previously obtained a perpetual License for a Product through Upgrade Advantage, Software Assurance, or any similar upgrade protection and, prior to the expiration of its existing upgrade protection, orders Software Assurance for the Product to become effective no later than one day following the scheduled expiration of the previous upgrade protection;
- (ii) Registered Affiliate is eligible to order Software Assurance for Products licensed through retail sources or from an original equipment manufacturer ("OEM") and places its order within the required time frame. The Product List at <http://www.microsoft.com/licensing/contracts> identifies those Products that may be enrolled in Software Assurance and the applicable time frame for placing an order;
- (iii) the Product List expressly permits Registered Affiliate to order Software Assurance without ordering a new License for the Product; or
- (iv) Registered Affiliate renews Software Assurance as described in the section of this agreement titled, "How to renew an Order."

7. *Making copies of Products and re-imaging rights.*

- a. **General.** Registered Affiliate may make as many copies of the Products licensed as necessary to distribute the Products within its organization. All copies of any Product must be true and complete copies (including copyright and trademark notices) from master copies obtained from a Microsoft approved fulfillment source. The Registered Affiliate may also have a third party make or distribute copies, but the Registered Affiliate is responsible for such third party's actions. The Registered Affiliate agrees to make reasonable efforts to notify its employees, agents, and other individuals running a Product that the Product is licensed from Microsoft and subject to the terms of this agreement.
- b. **Copies for training, evaluation, and back-up.** The Registered Affiliate may (1) use up to 20 complimentary copies of any Product in a dedicated training facility on its premises, (2) use up to 10 complimentary copies of any Product for a 60-day evaluation period, and (3) use one complimentary copy of any licensed Product for back-up or archival purposes for each of its distinct geographic locations.
- c. **Right to re-image.** In certain cases, re-imaging is permitted using the Product media. If the Microsoft Product(s) is licensed (1) from an original equipment manufacturer (OEM), (2) as full packaged Product through a retail source, or (3) under another Microsoft program, then media provided under this agreement may be generally used to create images for use in place of copies provided through that separate source. This right is conditional upon the following:
 - (i) Separate Licenses must be acquired from the separate source for each Product that is re-imaged.
 - (ii) The Product, language, version, and components of the copies made must be identical to the Product, language, version, and all components of the copies they replace and the number of copies or instances of the re-imaged Product permitted remains the same.
 - (iii) Except for copies of an operating system and copies of Products licensed under another Microsoft program, the Product type (e.g., upgrade or full License) re-imaged must be identical to the Product type licensed from the separate source.
 - (iv) Any Product-specific requirements for re-imaging identified in the Product List.
 - (v) Re-imaged Products remain subject to the terms and use rights provided with the License acquired from the separate source. This subsection does not create or extend any Microsoft warranty or support obligation.

8. *Work at home rights.*

For each copy of Microsoft Office Registered Affiliate licenses, the primary user (who may be any of its faculty, staff, or other employee users but not any student user who is not also an employee user) of the computer or similar device on or from which such Product is run may also run a second copy, so long as this agreement is active, solely for work-related purposes from either a laptop or desktop computer that he or she owns or leases.

Registered Affiliates must make reasonable efforts to ensure that faculty, staff, or other employee users delete and remove such copies from the temporary memory (RAM) and permanent memory (e.g., hard disk) of their computers at the end of the term of this agreement.

9. *Distributing media.*

Access to media by the Registered Affiliate's faculty and staff for work-at-home purposes must be restricted and regulated by the Registered Affiliate. All media for Product distributed to the Registered Affiliate's faculty and staff for work-at-home purposes must be acquired from a Microsoft approved fulfillment source, and such Product may be distributed to such users only in the following ways:

- a. Registered Affiliate acquires media for work-at-home and may distribute one copy of such media directly to each authorized work-at-home user. Work-at-home media may contain Product activation features that limit the number of installations; Reseller can identify media and Product that contains Product activation features. The Registered Affiliate is advised to contact its reseller for details on ordering and distributing media for work-at-home; or
- b. Registered Affiliate may use volume licensing media to electronically distribute copies via download from secure network server(s) or other storage device(s), provided Registered Affiliate controls the download to ensure that the number of permitted copies is not exceeded and that parties making the download are licensed to do so. Registered Affiliate may engage a Microsoft approved entity to electronically distribute Products on its behalf. If Registered Affiliate uses a third party entity Registered Affiliate must enter into a separate agreement with the entity selected to provide electronic software delivery that is no less protective of Microsoft rights than this agreement; or
- c. Registered Affiliate may utilize volume licensing media via (1) controlled download from the Registered Affiliate's secure network servers or other storage devices or (2) manual installation by the Registered Affiliate at a central location that the Registered Affiliate controls.

10. *Transferring and reassigning Licenses.*

- a. **Transferring Licenses to third parties.** License transfers are not permitted, except that Registered Affiliate may transfer full-paid perpetual Licenses to:
 - (i) an Affiliate; or
 - (ii) a third party solely in connection with the transfer of hardware or employees to whom the Licenses have been assigned as part of (1) divestiture of an Affiliate or a division of an Affiliate or (2) a merger involving Registered Affiliate or an Affiliate
- b. **Notification of License Transfer.** Registered Affiliate must notify Microsoft of a License transfer by completing a license transfer form, which can be obtained from <http://www.microsoft.com/licensing/contracts>, and sending the completed form to Microsoft before the License transfer. No License transfer will be valid unless the Registered Affiliate provides to the transferee, and the transferee accepts in writing, the applicable Product Use Rights, use restrictions, limitations of liability (including exclusions and warranty provisions), and the transfer restrictions described in this section. Any License transfer not made in compliance with this section will be void and Registered Affiliate must either return or destroy the licensed copies.

- c. **Internal Assignment of Licenses and Software Assurance.** Licenses and Software Assurance must be assigned to a single user or device within the organization. Licenses and Software Assurance may be reassigned within the organization as described in the Product Use Rights.

11. Term and termination.

- a. **Term.** This agreement will remain in effect unless it is terminated by either party as described below.
- b. **Termination without cause.** Either party may terminate this agreement without cause upon 60 days' written notice. In the event of termination, new Orders will not be accepted, but any terms of this agreement applicable to any Orders not otherwise terminated will remain in effect.
- c. **Termination for breach.** Without limiting any other remedies it may have, either party may terminate this agreement if the other party materially breaches its obligations under this agreement, including any obligation to submit orders or pay invoices. Except where the breach is by its nature not curable within 30 days, the terminating party must give the other party 30 days' notice of its intent to terminate and an opportunity to cure the breach. If Microsoft gives such notice to a Registered Affiliate, Microsoft will also give Institution a copy of the notice, and Institution agrees to help resolve the breach. If the breach affects other Affiliate registrations and cannot be resolved between Institution and Microsoft within a reasonable period of time, Microsoft may terminate this agreement and all other Affiliate registrations under it. If a Registered Affiliate ceases to be an Affiliate of Institution or ceases to be a Qualified Educational User, Institution must promptly notify Microsoft, and Microsoft may terminate the former Affiliate's registration under this Agreement.
- d. **Effect of termination.** When this agreement is terminated, Registered Affiliate must order Licenses for all copies of Products it has run for which it has not previously submitted an Order. Any and all unpaid payments or any order of any kind, including subscription services, remain due and payable.
- e. **Modification or termination of an Online Service for regulatory reasons.** Microsoft may modify or terminate an Online Service in any country or jurisdiction where there is any current or future government requirement or obligation that (1) subjects Microsoft to any regulation or requirement not generally applicable to businesses operating there, (2) presents a hardship for Microsoft to continue operating the Online Service without modification, and/or (3) causes Microsoft to believe these terms or the Online Service may conflict with any such requirement or obligation.
- f. **Program updates.** Microsoft may make a change to this program that will make it necessary for Customer to enter into a new agreement before a Registered Affiliate may place a new Order.

12. How to renew Software Assurance.

- a. **Notice of Expiration.** Microsoft will provide notice prior to the expiration of any Software Assurance Registered Affiliate orders under this agreement and advise Registered Affiliate of its Software Assurance renewal options.
- b. **Renewal Order.** To maintain Software Assurance coverage for any Licenses previously ordered under this agreement, Registered Affiliate must submit an Order for an additional term of Software Assurance for those Products prior to or at the expiration of the previous term. Microsoft may make changes to this program that will make it necessary for Customer to enter into a new agreement to renew Software Assurance.

- c. **Consequences of non-renewal.** If Registered Affiliate allows Software Assurance for any Licenses to lapse, then Registered Affiliate may not renew Software Assurance for those Products again without first acquiring L&SA.

13. Restrictions on Use.

Registered Affiliate must not:

- a. separate and use the components of a Product on two or more computers, upgrade or downgrade components at different times, or transfer components separately, except as provided in the Product Use Rights;
- b. reverse engineer, decompile, or disassemble any Product or Fix, except to the extent applicable law permits it despite this limitation; or
- c. distribute, sublicense, rent, lease, lend, or host to or for third parties any Product or Fix, except as permitted by this agreement or in a separate written agreement.

14. Confidentiality.

- a. **What is included.** "Confidential Information" is non-public information, know-how and Trade Secrets in any form that
 - (i) are designated as "confidential"; or
 - (ii) a reasonable person knows or reasonably should understand to be confidential; or
 - (iii) include non-public information regarding either party's products or customers, marketing and promotions, or the negotiated terms of Microsoft agreements.
- b. **What is not included.** The following types of information, however designated, are not Confidential Information. Information that:
 - (i) is, or becomes, publicly available without a breach of this agreement;
 - (ii) was lawfully known to the receiver of the information without an obligation to keep it confidential;
 - (iii) is received from another source who can disclose it lawfully and without an obligation to keep it confidential;
 - (iv) is independently developed; or
 - (v) is a comment or suggestion one party volunteers about the other's business, products or services.
- c. **Treatment of Confidential Information.**
 - (i) **In general.** Subject to the other terms of this agreement, each party agrees:
 - 1) it will not disclose the other's Confidential Information to third parties; and
 - 2) it will use and disclose the other's Confidential Information only for purposes of the parties' business relationship with each other.
 - (ii) **Security precautions.** Subject to the other terms of this agreement, each party agrees:
 - 1) to take reasonable steps to protect the other's Confidential Information -- these steps must be at least as protective as those the party takes to protect its own Confidential Information;
 - 2) to notify the other promptly upon discovery of any unauthorized use or disclosure of Confidential Information; and

- 3) to cooperate with the other to help regain control of the Confidential Information and prevent further unauthorized use or disclosure.

(iii) Sharing Confidential Information with Affiliates and representatives.

- 1) A "Representative" is an employee, contractor, advisor, or consultant of one of the parties or of one of the parties' Affiliates.
- 2) Each party may disclose the other's confidential information to its Representatives (who may then disclose that Confidential Information to other of that party's Representatives) only if those Representatives have a need to know about it for purposes of the parties' business relationship with each other. Before doing so, each party must:
 - A. ensure that Affiliates and Representatives are required to protect the Confidential Information on terms consistent with this agreement; and
 - B. accept responsibility for each Representative's use of Confidential Information.
- 3) Neither party is required to restrict work assignments of Representatives who have had access to Confidential Information. Neither party can control the incoming information the other will disclose to it in the course of working together, or what that party's Representatives will remember, even without notes or other aids. Each party agrees that use of information in Representatives' unaided memories in the development or deployment of the parties' respective products or services does not create liability under this agreement or trade secret law, and each party agrees to limit what it discloses to the other accordingly.

(iv) Disclosing Confidential Information if required to by law. Each party may disclose the other's Confidential Information if required to comply with a court order or other government demand that has the force of law. Before doing so, each party must seek the highest level of protection available and, when possible, give the other enough prior notice to provide a reasonable chance to seek a protective order.

- d. **Length of Confidential Information obligations.** Except as permitted above, neither party will use or disclose the other's Confidential Information for five years after it is received. The five-year time period does not apply if applicable law requires a longer period or the Product Use Rights provide a more specific requirement.

15. Warranties.

- a. **Limited warranty.** Microsoft warrants that:

- (i) Online Services will perform in accordance with the applicable Service Level Agreement;
- (ii) Products other than Online Services will perform substantially as described in the applicable Microsoft user documentation; and
- (iii) Services will be performed with professional care and skill.

- b. **Limited warranty term.** The limited warranty for:

- (i) Online Services is for the duration of Institution's use of the Online Service, subject to the notice requirements in the applicable Service Level Agreement;
- (ii) Products other than Online Services is one year from the date Institution first uses the Product; and
- (iii) Services is 90 days from delivery of a services Deliverable, unless otherwise agreed.

- c. **Limited warranty exclusions.** This limited warranty is subject to the following limitations:

- (i) the limited warranty does not cover problems caused by accident, abuse or use in a manner inconsistent with this agreement or the Product Use Rights, or resulting from events beyond Microsoft's reasonable control;
 - (ii) the limited warranty does not apply to components of Products that Institution is permitted to redistribute;
 - (iii) the limited warranty does not apply to free, trial, pre-release, or beta products; and
 - (iv) the limited warranty does not apply to problems caused by the failure to meet minimum system requirements.
- d. **Remedies for breach of limited warranty.** If Microsoft fails to meet any of the above limited warranties and Institution notifies Microsoft within the warranty period, then Microsoft will:
 - (i) for Online Services, provide the remedies identified in the Service Level Agreement for the affected Online Service;
 - (ii) for Products other than Online Services, at its option either (1) return the price paid or (2) repair or replace the Product; and
 - (iii) for Services, at its option either (1) return the price paid for the specific Service or (2) re-perform the specific Service.

These are Institution's only remedies for breach of the limited warranty, other than remedies required to be provided under applicable law.
- e. **DISCLAIMER OF OTHER WARRANTIES. OTHER THAN THIS LIMITED WARRANTY, MICROSOFT PROVIDES NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS. MICROSOFT DISCLAIMS ANY IMPLIED REPRESENTATIONS, WARRANTIES, OR CONDITIONS, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, TITLE, OR NON-INFRINGEMENT. THESE DISCLAIMERS APPLY UNLESS APPLICABLE LAW DOES NOT PERMIT THEM. Any warranties, guarantees or conditions that cannot be disclaimed as a matter of law last for one year from the start of the limited warranty.**

16. *Defense of infringement, misappropriation, and third party claims.*

- a. **Microsoft's Agreement to protect.** Microsoft will defend Institution and its Affiliates against any claims made by an unaffiliated third party that (i) any Product, Fix, or Services Deliverable made available by Microsoft for a fee infringes that party's patent, copyright, or trademark or makes intentional unlawful use of its Trade Secret or (ii) arising from Microsoft's provision of an Online Service in violation of laws applicable to Microsoft as a service provider. Clause (ii) will not apply to (A) any laws or regulations applicable to Institution or Institution's industry that are not also generally applicable to information technology security providers, and (B) any violations of laws or regulations related to a claim covered under clause (i). Microsoft will also pay the amount of any resulting adverse final judgment (or settlement to which Microsoft consents). This section provides Institution's exclusive remedy for these claims.
- b. **Limitations on defense obligation.** Microsoft's obligations under (a)(i) above will not apply to the extent that the claim or award is based on:
 - (i) Customer Data, non-Microsoft software, modifications Institution makes to, or any specifications or materials Institution provides or makes available for, a Product, Fix or Services Deliverable;
 - (ii) Institution's combination of a Product, Fix or Services Deliverable with a non-Microsoft product, data or business process or the use of a non-Microsoft product, data or business process;

(iii) Institution's use of either Microsoft's trademarks or the use or redistribution of a Product, Fix, or Services Deliverable in violation of this agreement or any agreement incorporating its terms; or

(iv) Institution's use of a Product, Fix or Services Deliverable after Microsoft notifies Institution to discontinue that use due to a third party claim.

Institution will reimburse Microsoft for any costs or damages that result from any of these actions.

c. Institution's agreement to protect. Institution will defend Microsoft against any claims made by an unaffiliated third party that:

(i) any Customer Data or non-Microsoft software Microsoft hosts on Institution's behalf infringes the third party's patent, copyright, or trademark or makes unlawful use of its Trade Secret; or

(ii) arise from violation of the Acceptable Use Policy, which is described in the Product Use Rights.

Institution must pay the amount of any resulting adverse final judgment (or settlement to which Institution consents). This section provides Microsoft's exclusive remedy for these claims.

d. Rights and remedies in case of possible infringement or misappropriation.

(i) **Microsoft offerings.** If Microsoft reasonably believes that a Product, Fix, or Services Deliverable may infringe or misappropriate a third-party's intellectual property rights, Microsoft will seek to: (1) procure for Institution the right to continue to use the Product, Fix or Services Deliverable; or (2) modify or replace it with a functional equivalent to make it non-infringing and notify Institution to discontinue use of the prior version, which Institution must do immediately. If the foregoing options are not commercially reasonable for Microsoft, or if required by a valid judicial or government order, Microsoft may terminate Institution's license or access rights (or for certain Services Deliverables, Institution's ownership rights) in the Product, Fix, or Services Deliverable. In such a case, Microsoft will notify Institution and refund any amounts Institution has paid for those rights to the Product, Fix or Services Deliverable (or for Online Services, any amount Institution has paid in advance for unused Online Services).

(ii) **Customer Data or use of non-Microsoft software with Online Services.** If an unaffiliated third party asserts that Customer Data or non-Microsoft software or technology used by Institution with the Online Services violates their intellectual property rights, Microsoft may ask Institution to remove the allegedly infringing item. If Institution fails to do so within a reasonable period of time, Microsoft may suspend or terminate the Online Service to which the Customer Data or non-Microsoft software relates.

e. Obligations of protected party. Institution must notify Microsoft promptly in writing of a claim subject to the Subsection titled "Microsoft's agreement to protect" and Microsoft must notify Institution promptly in writing of a claim subject to the Subsection titled "Institution's agreement to protect." The party invoking its right to protection must (1) give the other party sole control over the defense or settlement; and (2) provide reasonable assistance in defending the claim. The party providing the protection will reimburse the other party for reasonable out of pocket expenses that it incurs in providing assistance.

17. Limitation of liability.

a. Limitation on liability. To the extent permitted by applicable law, the total liability of each party, including its Affiliates, and its Contractors, for all claims arising under this agreement is limited to direct damages up to (1) for Services, the amount Institution was required to pay for the Services under the applicable Statement of Services (2) for each Product other than the Online Services, the amount Institution was required to pay for the Product under this

agreement and (3) for Online Services, the amount Institution was required to pay for the Online Services during the 12 months before the cause of the action arose; provided, that in no event will a party's aggregate ability for any Online Service exceed the amount paid for that Online Service under the applicable Agreement. In the case of Products or Services provided free of charge, or code that Institution or its Affiliates are authorized to redistribute to third parties without separate payment to Microsoft, Microsoft's liability is limited to direct damages and capped at U.S. \$5,000. These limitations apply regardless of whether the asserted liability is based on breach of contract, tort (including negligence), strict liability, breach of warranties, or any other legal theory. However, the limitations in this section will not apply to:

- (i) Microsoft's and Institution's obligations under the section entitled "Defense of infringement, misappropriation, and third party claims";
- (ii) liabilities arising out of any breach by either party of its obligations under the section entitled "Confidentiality"; except that Microsoft's liability arising out of or in relation to Customer Data shall in all cases be limited as provided above for the applicable Online Service or Services; and
- (iii) violation by either party of the other party's intellectual property rights.

- b. **EXCLUSION OF CERTAIN DAMAGES.** TO THE EXTENT PERMITTED BY APPLICABLE LAW, WHATEVER THE LEGAL BASIS FOR THE CLAIM, NEITHER PARTY, NOR ANY OF ITS AFFILIATES OR CONTRACTORS, WILL BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, OR INCIDENTAL DAMAGES, OR DAMAGES FOR LOST PROFITS, REVENUES, BUSINESS INTERRUPTION, OR LOSS OF BUSINESS INFORMATION ARISING IN CONNECTION WITH THIS AGREEMENT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF SUCH POSSIBILITY WAS REASONABLY FORESEEABLE. HOWEVER, THIS EXCLUSION DOES NOT APPLY TO EITHER PARTY'S LIABILITY TO THE OTHER FOR VIOLATION OF (1) ITS CONFIDENTIALITY OBLIGATIONS (EXCEPT TO THE EXTENT THAT SUCH VIOLATION RELATES TO CUSTOMER DATA), (2) THE OTHER PARTY'S INTELLECTUAL PROPERTY RIGHTS, OR (3) OBLIGATIONS IN THE SECTION TITLED "DEFENSE OF INFRINGEMENT, MISAPPROPRIATION, AND THIRD PARTY CLAIMS."
- c. **Affiliates and Contractors.** Neither Microsoft nor Institution shall bring any action against the other's Affiliates or contractors in respect of any matter which is disclaimed on their behalf in this Section. Each party will indemnify the other in the event of any breach of this provision.

18. Verifying compliance.

- a. **Right to verify compliance.** Institution and its Registered Affiliates must keep records relating to the Products it and its Affiliates use or distribute under any license agreement. Microsoft has the right to verify Institution's and its Affiliates' compliance with the agreement and licenses terms for the Products, at Microsoft's expense.
- b. **Verification process and limitations.** Microsoft will provide Institution at least 30 days' notice of its intent to verify compliance. Microsoft will engage an independent auditor, which will be subject to a confidentiality obligation. Verification will take place during normal business hours, and in a manner that does not interfere unreasonably with Institution's or its Registered Affiliates' operations. Institution must promptly provide the independent auditor with any information it reasonably requests in furtherance of the verification, including access to systems running the Products and evidence of licenses for Products Institution hosts, sublicenses, or distributes to third parties. As an alternative, Microsoft can require Institution to complete Microsoft's self-audit process relating to the products Institution and any of its Affiliates use or distribute under this agreement. Such information will be used solely for purpose of determining compliance.
- c. **Remedies for noncompliance.** If verification reveals any unlicensed use or distribution, Institution must within 30 days order sufficient licenses to cover that use or distribution. If

unlicensed use is 5% or more, Institution must reimburse Microsoft for the costs Microsoft has incurred in verification and acquire the necessary additional licenses at 125% of the then current price list and Institution price level within 30 days. The unlicensed use percentage is based on the total number of licenses purchased compared to actual install base. If there is no unlicensed use, Microsoft will not undertake another verification of the same Institution for at least one year. By exercising the rights and procedures described above, Microsoft does not waive its rights to enforce this agreement or to protect its intellectual property by any other means permitted by law.

- d. Additionally, Institution must use reasonable efforts to make Users aware of the terms and conditions upon which they are allowed to run the Products. Accordingly, Institution must:
- (i) Notify all Users in advance of running the Products that:

However, Microsoft is not responsible for compliance with any laws applicable to Institution or Institution's industry that are not also generally applicable to information technology services providers. Institution consents to the processing of personal information by Microsoft and its agents to facilitate the subject matter of this agreement.
 - (ii)** Institution and its Affiliates may choose to provide personal information to Microsoft on behalf of third parties (including Institution's or its Affiliates' contacts, resellers, distributors, administrators and employees) as part of this agreement. Institution and its Affiliates will obtain all required consents from third parties under applicable privacy and data protection law before providing personal information to Microsoft.

- o. **Advisor fee.** Microsoft, or its Affiliates, sometimes pays fees to software advisors, or other third parties authorized by Microsoft or one of its Affiliates. The fees are in exchange for their advisory services. The payment of fees depends upon several factors, including the type of agreement under which Registered Affiliate orders Licenses, which Licenses Registered Affiliate orders, and whether Registered Affiliate chooses to use an advisor. The fee amounts increase with the size of the orders placed under this agreement.
- p. **Applicable law.** This agreement shall be interpreted in accordance with and governed by the laws of the State of Washington, unless Institution is a public qualified educational user, in which event this agreement shall be interpreted in accordance with and governed by the laws of Institution's state, in either case without giving effect to conflicts of law provisions. - r. **Subcontractors.** Microsoft may use contractors to perform Services and support Online Services. Microsoft will be responsible for their performance subject to the terms of this agreement.
- s. **Natural disaster.** In the event of a natural disaster, Microsoft may provide additional assistance or rights by posting them on <http://www.microsoft.com> at such time.
- t. **Section headings.** All section and subsection headings used in this agreement, as well as any Enrollments or Statement of Services, are for convenience only and shall not affect the interpretation of this agreement.
- u. **FERPA.** Upon receipt of a judicial order or lawfully issued subpoena requiring the disclosure of personally identifiable information from education records related to Institution in Microsoft's possession, Microsoft or an Affiliate of Microsoft will attempt to redirect the request to Institution. INTERLOCAL AGREEMENT FOR COOPERATIVE PUBLIC/GOVERNMENTAL PURCHASING

This Interlocal Agreement ("Agreement") is made and entered into under the provisions of the Nebraska Interlocal Cooperation Act, NEB. REV. STAT. §§ 13-801 to 13-827 ("Act"), between the Educational Service Unit Coordinating Council, commonly known as ESUCC ("ESUCC"), and The City of Pawnee, commonly known as Pawnee City. The parties are referred to collectively as "Agencies."

WHEREAS, the Act, provides that two or more public agencies may enter into an agreement for joint or cooperative action, and this Agreement is made and entered into pursuant to the provisions of that Act; and

WHEREAS, each entity is a "public agency" pursuant to NEB. REV. STAT. § 13-803(2), as amended;

WHEREAS, the ESUCC and The City of Pawnee desire to jointly bid and contract, for supplies, materials, equipment, and services through the ESUCC's Cooperative Purchasing Program;

WHEREAS, each party agrees to extend to the other party the right to purchase pursuant to such bids and contracts to the extent permitted by law, and to the extent agreed upon between each party and the bidder, contractor, vendor, supplier, or service provider;

WHEREAS, the Agencies desire to make the most efficient use of their taxing authority and other powers to enable them to cooperate with each other and other entities as further agreed on the basis of mutual advantage to provide goods, services, and facilities in a manner and pursuant to forms of governmental organization that will accord the best results in terms of geographic, economic, population, and other factors that will influence the needs and development of the Agencies;

WHEREAS, the ESUCC will provide organizational and administrative structure for sourcing/bidding; provide marketing of Nebraska ESUCC Cooperative Purchasing to expand membership, awarded contracts, and commodity categories; and provide members

with current awarded vendor contracts, instructions for obtaining quotes and ordering procedures;

WHEREAS, The City of Pawnee commits to participate in the Nebraska ESUCC Cooperative Purchasing program by purchasing goods and services from awarded contracts when in the best interest of the entity and to pay awarded vendors in a timely manner per the Terms & Conditions of the contract for all goods and services received and

WHEREAS, the Agencies have passed resolutions authorizing each Agency to approve and enter into this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, it is agreed by the parties as follows:

1. Recitals. The foregoing Recitals are hereby incorporated into and made a part of this Agreement.

2. No Separate Legal Entity. This Agreement does not establish a separate legal or joint entity.

3. Purpose. The purposes of this Agreement are as provided in the Recitals and paragraph 6.

4. Term. This Agreement shall remain in full force and effect until terminated or modified by mutual agreement of the parties.

5. Administration. The ESUCC Executive Director shall be responsible for administering the cooperative undertaking described in this Agreement. The Administrator may take any action authorized, either explicitly or implicitly, by the Interlocal Cooperation Act, including any action that may be necessary to perform the duties and functions as provided in this Agreement.

6. Bids and Contracts. Each party from time to time may solicit public bids and enter into contracts on its own behalf to purchase supplies, material, equipment, and services. Each of the parties agrees to extend to the other party the right to purchase pursuant to such bids and contracts to the extent permitted by law, and to the extent agreed upon between each party and the bidder, contractor, vendor, supplier, or service provider. Each of the parties

shall contract directly with the bidder, contractor, vendor, supplier, or service provider, and pay directly in accordance with its own payment procedures for its own purchases. Any purchase made pursuant to this Agreement is not a purchase from either of the parties. This Agreement shall create no obligation for either of the parties to purchase any particular good or service, nor create to either of the parties any assurance, warranty, or other obligation from the other party with respect to purchasing or supplying any good or service.

7. Manner of Acquiring, Holding, and Disposing of Real and Personal Property. The Agencies do not anticipate a need to acquire, hold, or dispose of real property to accomplish the purposes of this Agreement. In no event shall the Administrator have the authority to acquire real property on behalf of the Agencies.

9. Expenses. Unless provided otherwise herein, all expenses of this Agreement shall be shared and paid equally by the Agencies.

10. Taxes. This Agreement does not grant the Agencies any authority to levy, collect, or account for any tax authorized under sections 13-318 through 13-326 or 13-2813 through 2816.

11. Nondiscrimination. The Agencies shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

12. Employment Eligibility Verification. The Agencies shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If a party employs or contracts with any subcontractor in connection

with this Agreement, the contracting party shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

13. Termination. Either party may terminate this agreement by providing written notice to the other party not less than ____ days prior to termination. Any funds contributed to or for the benefit of this Agreement in possession of any of the Agencies upon termination of this Agreement shall be divided as nearly as practicable in proportion to the amounts contributed over the life of the Agreement. Any other personal property owned by any of the Agencies as a result of this Agreement shall be the property of the party that purchased it. In the event that the cost of the personal property was shared equally by the Agencies, the property shall be liquidated or distributed in kind upon the termination of this Agreement. If a dispute arises between the Agencies as to the value of such property or as to how it will be distributed, such property shall be sold by taking bids at public auction and selling said property to the highest bidder with the proceeds therefrom being divided equally by the Agencies. Termination shall not impair a party's obligation for its share of any outstanding indebtedness incurred under this Agreement.

14. Withdrawal. An Agency's governing board may withdraw from this Agreement by passing a resolution and submitting a copy of it to the other Agency at least 60 days in advance of the stated date of withdrawal. 17. Amendments and Modifications. The Agencies may amend or modify this Agreement only by a written agreement signed by both parties that identifies itself as an amendment or modification to this Agreement. No other alterations in the terms of this agreement shall be valid or binding.

18. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement shall remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

19. Counterparts. The Agencies may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the Agencies need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other Agencies to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each Agency to the other Agencies. In proving this Agreement, an Agency must produce or account only for the executed counterpart of the Agency to be charged.

20. Assignment. The Agencies shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person or entity without the previous written consent of each of the other Agencies.
