Subject: Canvass May 7, 2022 Board of Trustee General Election Returns

Date: May 17, 2022

Background Information and Rationale:

A General Election was held on May 7, 2022, for the purpose of electing Place 3 and Place 4 on the Northwest ISD Board of Trustees. In accordance with the Texas Election Code Section 67, the governing authority must conduct an official canvass of the returns, or an examination of the votes cast in the election.

The district contracted with Denton, Tarrant, and Wise counties to conduct the election. The canvass may not be conducted until the early voting ballot board at each county has verified and counted all provisional ballots and all timely received ballots cast from addresses outside the United States. The eleventh day after the election, May 18, 2022, is the last day for a governing body to conduct the local canvass.

The cumulative and precinct reports for each county will be provided for the Board's review at the meeting on May 17. The Board will certify that the figures on the tally sheets correspond with the figures on the returns. The completion of the canvass shall be documented in the minutes and in the recording required by the Open Meetings Act.

Support of Strategic Goals:

- Students will achieve success through meaningful learning experiences, innovative pathways, and personalized opportunities.
- Northwest ISD will recruit, value, and retain exceptional staff to create a rewarding learning environment.
- Northwest ISD will create and foster an environment where all stakeholders are engaged in the transformational work of the NISD family.

Budget and/or Fund Impact:

The 2021-2022 Adopted Budget provides funds for conducting the election.

Recommendation:

Canvass the May 7, 2022 Board of Trustee election returns.

Respectfully submitted,

Ryder Warren, Ed.D.
