Return to Learn 2021 Tentative Plans

We are in the process of meeting with stakeholders to determine the best course of action for next school year. Remote learning may be significantly different from the experience MCHS students received this school year. Courses may be offered through an MCHS staff member online, or via Edgenuity, which are online courses that include all lessons and assessments. Our Department Chairs, Instructional Team, Administration and MEA have engaged in meaningful dialogue to help support our students and staff for next school year. Communication to outline our next school year and application are included below:

- ❑ [Return to Learn 2021 Communication](#)
- ❑ [Remote Learning Application](#)

Administration will continue to send this message to families during the Summer and the Remote Application Team will review students' needs.

MINOOKA COMMUNITY HIGH SCHOOL DISTRICT #111

Mission: To inspire and motivate our students with an educational experience that leads to achievement and success.

John Troy

Assistant Superintendent of Business and General Counsel

May 12, 2021

To: Board of Education
Dr. Kenny Lee

RE: Out-of-district tuition for the 2021-2022 school year

The Board of Education is authorized by the Illinois School Code to charge tuition to out-of-district students, 105 ILCS 5/10-20.12a. The reason for this charge is that the parents of these students do not pay property taxes to the district. Per school code the amount charged by the district shall not exceed 110% of the per capita tuition cost.

2021-2022

Per Capita Tuition Cost (PCTC, per the Annual Financial Report)	\$11,719.33
10%	<u>\$1,171.93</u>
Total	\$12,891.26

For reference the following was the 2020-2021 approved tuition rate

Per Capita Tuition Cost (PCTC, per the Annual Financial Report)	\$11,022.11
10%	<u>\$1,102.21</u>
Total	\$12,124.32

If this meets with the Board's approval, the following motion would be appropriate:

**RESOLUTION RETAINING INTEREST EARNED IN THE DEBT SERVICE FUND AS INTEREST
AND NOT AS PRINCIPAL**

WHEREAS, The Illinois School Code provides that unless otherwise provided by statute or specified by board resolution adopted prior to June 30 of a fiscal year, interest earnings shall be added to and become part of principal as of June 30 of the fiscal year; and

WHEREAS, the Board of Education may transfer the interest earned from investment of the debt service fund upon adoption of a resolution so providing and directing the transfer of the amount in such fund to the education fund at the close of the current school year pursuant to Article 10 of The School Code; and

WHEREAS, the Board of Education finds that it is financially prudent to retain the ability to transfer earned interest from the debt service fund to the education fund;

4:100 Insurance Management

We continue to work with Bushue Human Resources to manage our liability, catastrophic, comprehensive property, and Worker's Compensation insurance. We are currently working on our insurance renewal. It was the recommendation of Bushue, and in agreement with John and I that we renew as oppose to bid this year because with our current claim history, and recent bid letting, we do not feel as if bidding at this time would benefit the district. We plan to have these renewals approved at the June meeting.

Student accident insurance is also in process, and we will have its renewal at the June meeting as well.

5:110 Recognition for Service:

We recognized District employees for their service at the beginning of the year. I delivered them personally, as we did not have our traditional beginning of the year institute. We generally also recognize staff periodically during the school year at BOE meetings, but that has been sparse as a result of the pandemic. We plan to have a retirement recognition at the BOE meeting in May.

5:200 Evaluation

"On an annual basis, the Superintendent will provide the Board with a written report which outlines the results of the District's teacher evaluation system.

Janel usually reports this to you at the May meeting. We did not evaluate this year, and followed school code with regard to evaluation. Those results will be reported at the May meeting.

Superintendent Contract Goals:

STUDENT PERFORMANCE AND ACADEMIC IMPROVEMENT - This Contract is a performance-based contract linked to student performance and academic improvement of the schools within the District. The SUPERINTENDENT shall strive to meet the goals during the term of this Contract. The parties agree the goals and indicators are linked to the student performance and academic improvement of the schools within the District.

Annually, the SUPERINTENDENT, with the assistance of his administrative team, shall (1) evaluate student performance, which shall include but not be limited to, student performance on standardized tests such as performance on the standardized tests required by state and/or federal law, completion of the curriculum, attendance, and drop-out rates; (2) review the curriculum and instructional services; and (3) report to the BOARD on his findings as to (a) student performance and (b) recommendations, if any, for curriculum or instructional changes as a result of his evaluation of student performance.

Each spring/early summer, based on when test scores are released and the administrative team has had time to compile data, SAT results are presented to the BOE. The results of SAT data, along with other pertinent data, are analyzed to drive decision-making. Sometimes, this leads to proposed changes in the curriculum, which are presented to the BOE in October. The curriculum review process, which involves teachers out of the classroom, has been put on hold for the Social Studies Department in light of the pandemic, and will resume in the 2021-2022 school year. As we receive tests scores back, they will be presented to the BOE. Also, some curricular changes may be proposed as a result of the Special Committee/Task Force.

Project Surge / Lion Electric Co. Overview

Date: May 5, 2021

To: Minooka Community High School District 111

Subject: Project Surge Overview and Property Tax Abatement Request

About the Company:

The Lion Electric Co. is an innovative manufacturer of zero-emission vehicles founded in 2011 and headquartered in Saint-Jérôme, Québec. Lion is a leader in the design, development, manufacturing, and distribution of purpose-built all-electric medium and heavy-duty urban vehicles. The company currently employs about 465 employees worldwide, most of which are based at the Saint-Jerome plant, the company's sole operating plant. Lion currently has an annual production capacity of up to 2,500 vehicles and an in-house R&D and testing center.

Always actively seeking new technologies, Lion vehicles have unique features that are specifically adapted to its users and their everyday needs. Lion's growing line-up of all-electric vehicles consists of seven mid-range truck and bus models available for purchase today. Lion further has an active product development pipeline and expects to launch eight new mid-range truck and bus models over the next two years with the belief that transitioning to all-electric vehicles will lead to major improvements in our society, environment and overall quality of life.

Project Overview:

Lion Electric is contemplating a new electric vehicle production facility in the United States, which would produce in excess of 10,000 vehicles per year. Sites in multiple states are currently under consideration, including a site in Texas and a local site in Illinois.

The Illinois site currently under consideration is a building currently under construction located in Clarius Park Joliet at 3835 Youngs Road, Joliet, IL 60434. This building is located on 40.19 acres on PINs 04-10-03-400-013-0000 and 04-10-03-400-014-0000. The project would also develop the undeveloped 15.55 acre parcel immediately to the east of this building, PIN 04-10-02-300-013-0000.

The 3835 Youngs Road building was planned as a 906,517 square foot speculative building. Instead, Lion Electric would plan to take over mid-construction, effectively making the property a build-to-suit for their manufacturing operation. A copy of the site overview is attached as part of the abatement application.

As part of its expansion efforts and growth strategy, Lion's project is to establish the company's first US vehicle production facility, which will provide additional capacity to meet growing demand with manufacturing footprint in closer proximity to the large U.S. customer pool. Lion aims to build a

high-volume, state-of-the-art vehicle production facility in the Joliet building. In addition, the project will further increase production capacity in close proximity to Lion’s key customers and suppliers and will provide a greater appeal to US buyers with a “Made in America” branding.

The project is expected to require a **capital investment of \$130 million** and generate a **job creation of 1,418 FTE over four years.**

Abatement Request

Lion Electric has completed a Will County Property Tax Abatement Program application, which is **attached following this document.** The Center for Economic Development has completed its evaluation of the application using the Program criteria, which recommends a **5-year/50%** abatement on the project.

The total property taxes for this undeveloped property (55.74 acres on PINs 04-10-03-400-013-0000, 04-10-02-300-013-0000, and 04-10-03-400-014-0000) for 2020 payable 2021 is \$9,580, with the Minooka Community High School District 111 portion currently at \$2,511.

Estimated property taxes generated by the completed project are roughly \$1,000,000 per year based on current taxation at neighboring facilities. At that level, the estimated Minooka Community High School District 111 property taxes during a potential abatement period is \$132,000 per year, and \$262,000 per year following the abatement period.

The abatement incentive request for this project will be made to Minooka Community High School District 111, Troy Community Consolidated School District 30-C, City of Joliet, and Will County. If successful, the project is anticipated to begin operations later in 2021. In addition, this project is being strongly supported by the State of Illinois, with approval in place for the Economic Development for a Growing Economy (EDGE) program and High Impact Business program.

Please contact me at 815-774-6065 or doug.pryor@willcountyced.com with any questions or if we can be of any assistance.

Thank you,

Doug Pryor
Vice President, Economic Development

RE: Safety Grant Proposal

In 2018, Minooka Community High School performed a Health, Life, and Safety assessment of the District. This assessment included physical and procedural security at both campuses. Using the assessment, MCHS was able to develop an implementation plan that would improve the areas in need. Some projects were quickly approved and added security cameras, replaced the intercom system at central campus, updated the Access Control hardware and software, implemented the RAPTOR visitor management systems. Due to COVID-19, additional security changes were put on hold. We have now revisited these projects and are ready to propose the following projects that address the district's needs. Below is a comprehensive package that helps to move MCHS in the proper direction:

- Lock Down System at Each Campus
 - Pull stations throughout each campus
 - Alert Strobes and Horns for notifying an incident
 - VOIP phones with lockdown capabilities
 - Send out to 911 dispatches in seconds
 - Integrated with intercom system and radios for alert
 - Integrated Solution from ITR and Rival 5
 - Cost ITR – Honeywell & Lock Down - \$52,730
 - Cost Rival 5- R Lock \$59,334
 - Cost Rival 5 – Yealink Phones \$18,683

- Digital Radios at Each Campus and Bus Barn
 - 60 radios divided between each campus
 - Digital Radio standard instead of analog
 - New Digital Repeaters at each location
 - Ability to do all-call to all radio channels
 - Integrated with Lock down system
 - Solution from United Radio Communications
 - Cost \$61,711

- Outdoor Security Cameras

Re: Drivers ed car purchase (2) and summer lease (3)

New Car Purchase (2)

Two new drivers ed cars are being recommended for purchase. These cars will replace one of our cars that our insurance totaled due to an accident, as well as one car that has over 196,000 miles. The district has budgeted \$50,000 dollars for these vehicles and has received approx. \$10,000 dollars in insurance proceeds on the totaled car.

The administration recommends purchasing these cars from Darcy Motors at a cost of \$18,766 each plus fees and licensing.

Summer Car Lease (3)

The administration recommends leasing 3 cars from Darcy Motors at a cost of \$10/day plus fees for installation of teacher brake.

Re: Gas and Electric Bid

Electric –

I have attached the best offers from four electric suppliers. Our current rate under contract is \$0.02756/kWh which is out only through July of 2022. The best rate is \$0.02916 for a 24 month contract (same term that we have now) with Direct Energy, the # two retail supplier in the U.S. Keep in mind that these prices for electric and natural gas may change slightly (+/-) between now and the day we contract. I will ask for 'best and final' pricing once we get approval.

Natural gas --

12 month \$3.115/decatherm

24 month \$3.099/decatherm

Current contract rate of \$2.907/decatherm which is out only to July 2022 also. The best rate is \$3.099/decatherm for a 24 month contract.

I recommend locking for 24 months because I think rates have bottomed and there is pressure going forward from the current administration to reduce gas fracking as a fuel source.
