Curriculum Workshop on Student Achievement Middle School Data

February 22, 2024

4:30-6:00 PM

Location: Marlowe Middle School

Purpose: To examine our student achievement on state assessments with a focus on continuous improvement and data-driven decision-making.

Objectives:

1. Examine the latest state assessment data to identify trends, areas of celebration, and areas for growth.
2. Identify key goals and strategies outlined in the District Strategic Plan or School Improvement Plans and their impact on results.
3. Recognize and celebrate areas where the school has demonstrated significant improvement or consistently strong performance.

Agenda:

1. Welcome & Norms (5 minutes)
2. Data Analysis (25 minutes)
 - a. Presentation of the latest national, state, and Huntley data
 - b. Facilitated discussion on identified trends, areas of improvement, and areas of concern
3. Review of District Strategic Plan and School Improvement Plans (60 min)
 - a. Overview of key goals and strategies outlined in District Strategic Plan and School Improvement Plans
 - b. Discussion of how data informs the actions and strategies of these plans
 - c. Overview of key action steps to support the goals identified within the SIP and District Strategic Plan
4. Wrap Up
