Strategic Planning

Throughout the school year we have provided individual progress updates at our curriculum workshops, committee of the whole meetings and board meetings. A final report on the 2025-26 Key Performance Indicators will be coming to the board in June. 2026-27 KPIs will be presented at the June 18, 2026 BOE meeting or the July 16, 2026 BOE meeting so that we can start the 2026-27 off and running when staff and students return to school in August. KPIs will be crafted to move the work of Huntley 2030 forward, incorporating the Portrait of a Learner, Portrait of a Learning Environment and Portrait of a Work Environment.

Professional Learning

April 24, 2026 is our final Institute Day for FY26. We are excited to be trying something new; a student lead session titled, "What Engagement Looks Like: Lessons from Students". We have seen the power of students and teachers collaborating together and this is another opportunity where stakeholders can continue to learn from one another.

Subject: Month of April Updates

Executive Summary:

April was a busy month for us Student Advisory Representatives. Below is a high-level overview of the work completed and upcoming projects.

Application Update:

Completed the first round of interviews for the Student Advisory Representative position. More to be shared at a later time.

Student Led PD:

Following the idea of a student-led professional development being mentioned at a recent board meeting. The student advisory representatives met with the Learning and Innovation team. We then decided on the theme of classroom engagement based on the feedback we have received from students. A team of diverse students was assembled to put this session together. The session is entirely student-led, with a variety of activities.

Superintendent Student Advisory Committee Update:

On April 29th, there will be another full district meeting with students from each level at Huntley 158. The activities will be led by Ms. Lombard, the district administration, and the student advisory representatives. We will also be sure to let the board know about what was discussed and the students' feedback from the meeting.

What's Great In Huntley 158 Student Edition - High School:

In an effort to reach HHS's vast student body, we decided, in consultation with the communications department, to use an online survey to gather feedback. To allow time to put together the survey, collect responses, and analyze the feedback, we will push this back to the May regular board meeting.

Executive Summary

This memo aims to provide information on continued work within the Learning & Innovation Department over the past month.

State Assessments

Our spring state testing season is nearing completion. Students and staff have successfully finished the Illinois Assessment of Readiness (IAR) and the ACT, and we are in the final stages of administering the Illinois Science Assessment (ISA) this week. In addition, the Dynamic Learning Maps (DLM) assessment window remains open through May 6, which will bring our full state testing cycle to a close. We appreciate the careful planning, flexibility, and support of our educators, students, and families in ensuring these assessments are administered smoothly and in a manner that reflects our commitment to providing an optimal testing environment.

1st Grade 1:1 Devices Update

Starting with the 2026–27 school year, 1st grade students will follow the same successful model implemented in kindergarten last year: Chromebooks will stay at school instead of going home. Each classroom will have a set of 10 devices (12 for Dual Language) used in small groups for purposeful activities rather than extended screen time. This approach helps balance early literacy and math learning, social interaction, and hands-on experiences, all while supporting digital citizenship and responsible technology use. Research shows that limiting screen time and focusing on meaningful, developmentally appropriate technology use benefits young learners' language, literacy, and social skills. Teachers will continue to guide how and when technology is used to ensure it's engaging and supportive of learning. For a full overview of what this will look like in classrooms, check out the details [here](#).

Executive Summary

Huntley Community School District 158 has an Intergovernmental Agreement with the McHenry County Regional Office of Education for utilization of the McHenry County Regional Safe Schools Program. The Administration would like to extend the validity period of the current Intergovernmental Agreement to include July 1, 2026 to June 30, 2027. Enclosed you will find a Resolution Authorizing Participation through the McHenry County Regional Safe School Program and extending the validity period of the current agreement.

Regional Safe School Programs across Illinois operate through a combination of grant funding, general state aid, and school district fees. Similar to previous years, funding for the Regional Safe School Program (RSSP) has been included in the Illinois State budget. The Regional Safe School per diem rate will be \$45 a day for FY27 (July 1st, 2026) and invoiced based on any district 158 student participation in the program. Funding is currently proposed in our FY27 budget to account for participation for Huntley 158 students.

General Personnel

Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

All applicants must complete a District application in order to be considered for employment.

Former Employees

It shall be the policy of the District that former employees shall not be eligible for reemployment with the District in a substitute capacity until a minimum of twenty-six (26) consecutive weeks have elapsed from their effective date of separation.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current, comprehensive job description for each position or job category, however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, or any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination.

Drug Testing

The District is a drug-free workplace as provided in policy 5:50, *Drug- and Alcohol-Free Workplace, E-Cigarette, Tobacco, and Cannabis Prohibition*. Upon receipt of a contingent offer of employment, applicants must complete pre-employment drug testing which shows no positive result of cannabis, illegal drugs, or alcohol. Applicants to whom a contingent offer is made whose pre-employment drug

test returns positive for illegal drugs or alcohol will be ineligible for employment and will have their contingent offer of employment revoked.

Applicants to whom a contingent offer is made whose pre-employment drug test returns positive for cannabis may be ineligible for employment and are subject to having their contingent offer of employment revoked. Applicants who test positive for cannabis will be afforded a reasonable opportunity to explain a positive result for cannabis. The District has sole discretion in determining whether to revoke the contingent offer of employment.

No applicant will be tested under this policy without his or her consent. However, the failure or refusal of any applicant for employment to consent to such testing will be treated as a failure to complete the application process, precluding any consideration of the applicant for employment.

Cannabis means marijuana, hashish, and other substances that are identified as including any parts of the plant *Cannabis sativa* and including derivatives or subspecies, such as *Indica*, of all strains of cannabis, whether growing or not; the seeds thereof, the resin extracted from any part of the plant; and any compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or resin, including tetrahydrocannabinol (THC) and all other naturally produced cannabinol derivatives, whether produced directly or indirectly by extraction; however, “cannabis” does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted from it), fiber, oil or cake, or the sterilized seed of the plant that is incapable of germination.

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

Substitute Teachers

The Superintendent may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute license and may teach in the place of a licensed teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows:

1. A substitute teacher holding a substitute license may teach for any one licensed teacher under contract with the District only for a period not to exceed 90 paid school days in any one school term.
2. A teacher holding a Professional Educator License or Educator License with Stipulations may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 paid school days.

The III. Teachers' Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year through June 30, 2026, but not more than 100 paid days in the same classroom. Beginning July 1, 2026, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

The Board establishes a daily rate of pay for substitute teachers. Substitute teachers receive only monetary compensation for time worked and no other benefits.

Short-Term Substitute Teachers

A short-term substitute teacher must hold a valid short-term substitute teaching license and have completed the District's short-term substitute teacher training program. Unless otherwise permitted by law, short-term substitutes may teach no more than five consecutive school days for each licensed teacher who is under contract with the Board.

Former Employees

See policy 5:30, General Personnel

It shall be the policy of the District that former employees shall not be eligible for reemployment with the District in a substitute capacity until a minimum of twenty-six (26) consecutive weeks have elapsed from their effective date of separation.

Emergency Situations

A substitute teacher may teach when no licensed teacher is under contract with the Board if the District has an emergency situation as defined in State law. During an emergency situation, a substitute teacher is limited to 30 calendar days of employment per each vacant position. The Superintendent shall notify the appropriate Regional Office of Education (ROE) within five business days after the employment of a substitute teacher in an emergency situation. The Board may continue to employ the same substitute teacher in a vacant position for 90 calendar days or until the end of the semester, whichever is greater, if, prior to the end of the then current 30 calendar-day period, the District makes a written request to the ROE for a 30 calendar-day extension and the extension is granted by the ROE.

Drug Testing

The District is a drug-free workplace as provided in policy 5:50, *Drug- and Alcohol-Free Workplace, E-Cigarette, Tobacco, and Cannabis Prohibition*. Upon receipt of a contingent offer of employment, applicants must complete pre-employment drug testing which shows no positive result of cannabis, illegal drugs, or alcohol. Applicants to whom a contingent offer is made whose pre-employment drug

test returns positive for illegal drugs or alcohol will be ineligible for employment and will have their contingent offer of employment revoked.

Applicants to whom a contingent offer is made whose pre-employment drug test returns positive for cannabis may be ineligible for employment and are subject to having their contingent offer of employment revoked. Applicants who test positive for cannabis will be afforded a reasonable opportunity to explain a positive result for cannabis. The District has sole discretion in determining whether to revoke the contingent offer of employment.

No applicant will be tested under this policy without his or her consent. However, the failure or refusal of any applicant for employment to consent to such testing will be treated as a failure to complete the application process, precluding any consideration of the applicant for employment.

Cannabis means marijuana, hashish, and other substances that are identified as including any parts of the plant *Cannabis sativa* and including derivatives or subspecies, such as *Indica*, of all strains of cannabis, whether growing or not; the seeds thereof, the resin extracted from any part of the plant; and any compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or resin, including tetrahydrocannabinol (THC) and all other naturally produced cannabinol derivatives, whether produced directly or indirectly by extraction; however, “cannabis” does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted from it), fiber, oil or cake, or the sterilized seed of the plant that is incapable of germination.

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

Substitute Teachers

The Superintendent may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute license and may teach in the place of a licensed teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows:

1. A substitute teacher holding a substitute license may teach for any one licensed teacher under contract with the District only for a period not to exceed 90 paid school days in any one school term.
2. A teacher holding a Professional Educator License or Educator License with Stipulations may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 paid school days.

The III. Teachers' Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year through June 30, 2026, but not more than 100 paid days in the same classroom. Beginning July 1, 2026, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

The Board establishes a daily rate of pay for substitute teachers. Substitute teachers receive only monetary compensation for time worked and no other benefits.

Short-Term Substitute Teachers

A short-term substitute teacher must hold a valid short-term substitute teaching license and have completed the District's short-term substitute teacher training program. Unless otherwise permitted by law, short-term substitutes may teach no more than five consecutive school days for each licensed teacher who is under contract with the Board.

Former Employees

See policy 5:30, General Personnel

It shall be the policy of the District that former employees shall not be eligible for reemployment with the District in a substitute capacity until a minimum of twenty-six (26) consecutive weeks have elapsed from their effective date of separation.

Emergency Situations

A substitute teacher may teach when no licensed teacher is under contract with the Board if the District has an emergency situation as defined in State law. During an emergency situation, a substitute teacher is limited to 30 calendar days of employment per each vacant position. The Superintendent shall notify the appropriate Regional Office of Education (ROE) within five business days after the employment of a substitute teacher in an emergency situation. The Board may continue to employ the same substitute teacher in a vacant position for 90 calendar days or until the end of the semester, whichever is greater, if, prior to the end of the then current 30 calendar-day period, the District makes a written request to the ROE for a 30 calendar-day extension and the extension is granted by the ROE.

REVISED: January 15, 2026

REVISED

**ASSISTANT SUPERINTENDENT FOR SPECIAL SERVICES
2026-2029**

THIS CONTRACT is made this 16th day of April, 2026 between the **BOARD OF EDUCATION OF HUNTLEY COMMUNITY SCHOOL DISTRICT NO. 158**, McHenry and Kane Counties, Illinois, hereinafter referred to as the "Board" and **DEANNA GILL**, hereinafter referred to as the "Assistant Superintendent for Special Services".

A. EMPLOYMENT AND COMPENSATION

1. The Board hereby employs the Assistant Superintendent for Special Services for the term commencing on July 1, 2026, and terminating on June 30, 2029. The base annual salary of the Assistant Superintendent for Special Services shall be \$175,000.00 for the 2026-2027 school year. The base annual salary for future years shall be determined by the Board provided, however, that the salary shall not be less than the immediately preceding school year.

The salary shall be payable in equal installments, in accordance with the rules of the Board governing payments of other certified staff members for the professional staff in the District; and the Assistant Superintendent for Special Services hereby accepts employment upon the terms and conditions hereinafter set forth.

2. In addition to the salary paid by the Board as expressed in Section A,1., the Board shall pick up and pay, on the Assistant Superintendent for Special Services's behalf, the Assistant Superintendent for Special Services's entire nine percent (9%) contribution to the Illinois Teachers' Retirement System pension fund ("TRS") during the term of this Agreement. It is the intention of the parties to qualify all such payments picked up and paid by the Board on the Assistant Superintendent for Special Services's behalf as employer payments pursuant to Section 414(h) of the *Internal Revenue Code of 1986*, as amended. The Assistant Superintendent for Special Services shall have no right or claim to the funds so remitted, except as they may subsequently become available upon retirement or resignation from the Illinois Teachers' Retirement System. Both parties acknowledge that the Assistant Superintendent for Special Services did not have the option of choosing to receive the contributed amounts directly, instead of having such contributions paid by the Board to the Illinois Teachers' Retirement System, and further acknowledge that such contributions are made as a condition of employment to secure the Assistant Superintendent for Special Services's future services, knowledge and experience.

The Board will pick up and pay on behalf of the Assistant Superintendent for Special Services his/her entire contribution to the Teachers' Health Insurance Security ("THIS") fund. The Board will remit THIS contribution to the TRS as the funds' collection agent. The THIS payments made by the Board to TRS under this paragraph will not be reportable to TRS as creditable earnings. The parties further agree that the payments will be excluded from the Assistant Superintendent for Special Services's taxable income.

The Board and the Assistant Superintendent for Special Services make no commitment or guarantee that the Board's payment of the contribution limits under this Section 2 will continue to be excludable from the Assistant Superintendent for Special Services's gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply.

Because neither party can represent what position the IRS, or any other government entity, will take with respect to these payments and withholdings, it is mutually agreed that each party will be responsible for any miscalculations for which it is legally responsible without indemnification or any other recourse from the other party. That is, if it is subsequently determined that the Assistant Superintendent for Special Services should have paid taxes in any portion of the contribution limit for which he/she did not pay taxes, the interest and penalties are the Assistant Superintendent for Special Services's responsibility alone. If the Board is penalized for failing to withhold enough taxes based on the payroll information in its possession at the time of payment of the contribution limit, those penalties are the Board's responsibility alone. Both the Board and the Assistant Superintendent for Special Services expressly waive the right to seek indemnification or reimbursement from the other as the result of any government decision on the taxability of these amounts. In the event the IRS, or any other government entity, determines that the Assistant Superintendent for Special Services owes more taxes, he/she has no right to seek additional sums from the Board.

3. This Agreement is a performance-based contract as required by Section 5/10-23.8a of the Illinois School Code. At least annually of each school year, the Superintendent shall, during the term of this Agreement, review with the Assistant Superintendent for Special Services, the Assistant Superintendent for Special Services' progress toward established goals, and working relationships among the Assistant Superintendent for Special Services, the faculty, the staff and the community.

In addition, the Assistant Superintendent for Special Services shall meet, address and fulfill additional goals and indicators of which shall be developed and approved by the Superintendent in cooperation with the Assistant Superintendent for Special Services by March 1, annually ("Performance Goals"). The Assistant Superintendent for Special Services's attainment of the Performance Goals shall be determined annually as part of the evaluation.

4. Any salary or other adjustment or modification made during the life of this Contract shall be in the form of a written amendment and shall become a part of this Contract, but such adjustment or modification shall not be construed as a new Contract with the Assistant Superintendent for Special Services, nor as an extension of the termination date of this Contract.
5. During the term of this Contract, the Assistant Superintendent for Special Services shall hold a valid and properly registered certificate issued by the State of Illinois qualifying him/her to act as Assistant Superintendent for Special Services in the School District.

6. The Assistant Superintendent for Special Services represents that he/she is not under Contract with any other school district for any portion of the term covered by this Contract. The Assistant Superintendent for Special Services further represents that all information provided to the District in the process of application for employment was true and complete.
7. As a required condition of initial employment for new employees, the Assistant Superintendent for Special Services shall authorize a criminal background investigation by the Board, pursuant to the *School Code* and a DCFS Child Abuse Registry background investigation.

B. BENEFITS

1. The Board will provide the Assistant Superintendent for Special Services with the following benefits:
 - a. Full family hospitalization and medical insurance, and group dental insurance, as provided under any program effective in the District. Where the Contract is not renewed, full family hospitalization and medical insurance and group dental insurance will be terminated on June 30 of the final year of this Contract. In the event the Assistant Superintendent for Special Services's Contract is renewed there will be no break in insurance coverage between the end of the current Contract and the start of the subsequent Contract. In the event that any health reform legislation or other law shall prohibit, otherwise restrict, or result in a penalty or other cost to the Board from providing the insurance benefit herein described, the Board retains the right to limit participation of the Associate Superintendent and her beneficiaries in the district Health Plans to the same terms and conditions provided to other certified employees. In such event, the monetary equivalent of the difference in premium cost for the Associated Superintendent's elected coverage shall be paid to the Associate Superintendent as salary to the extent that any such additional payment does not result in a penalty or other cost to the Board from TRS.
 - b. Term life insurance in the amount of \$50,000.00. Additional life insurance may be purchased at the expense of the individual.
 - c. Long Term Disability (LTD), the Board shall provide and pay the premiums for LTD as provided to certified members of the professional staff.

Approved mileage shall be reimbursed at the recognized IRS rate.
3. The Assistant Superintendent for Special Services shall be entitled to all legal school holidays specified on the Board-approved school calendar.

4. The Assistant Superintendent for Special Services shall be entitled to a paid vacation of twenty (20) working days annually, exclusive of legal holidays. Vacation shall be taken, subject to the approval of the Superintendent. 8. The Assistant Superintendent for Special Services shall be entitled to two (2) bereavement leave days per school term without loss of pay. If more than two (2) days of bereavement leave are necessary, such days will be deducted from the Assistant Superintendent for Special Services's accumulated sick leave.
9. The District complies with the Illinois School Code of Illinois Section 10-20.7 and provides further that there shall be no loss in salary or benefits due to jury duty.
10. The Assistant Superintendent for Special Services shall be entitled to membership in one professional organization of his/her choice at District expense.
11. The Assistant Superintendent for Special Services is expected to attend appropriate professional meetings at the local and state levels, and, subject to prior Board approval, at the national level. All reasonable expenses incurred shall be paid by the Board.
12. From the annual salary stated in paragraph A.1 of this Contract, the Assistant Superintendent for Special Services may authorize a salary reduction in order that the Board may purchase an annuity policy for the Assistant Superintendent for Special Services as described in Section 403 (b) or Section 457 of the *Internal Revenue Code*.
13. The Assistant Superintendent for Special Services is encouraged to participate in local civic and fraternal organizations in the interest of promoting a better understanding of the District and its concerns. Subject to its prior approval, the Board shall pay the dues incurred through membership of one (1) such organization.
14. The Assistant Superintendent for Special Services shall be allowed such other privileges, leaves, and fringe benefits as are commonly extended to other District certified professional personnel.

15. The Board of Education feels that the successful implementation of the District Strategic Plan is vital. If all elements of the Strategic Plan are addressed appropriately, then the Board feels there should be a performance bonus. This Strategic Plan performance pay will be calculated using the same methodology as that used for the HESPA employees.

**ASSISTANT SUPERINTENDENT FOR LEARNING AND INNOVATION
2026-2029**

THIS CONTRACT is made this 16th day of April, 2026 between the **BOARD OF EDUCATION OF HUNTLEY COMMUNITY SCHOOL DISTRICT NO. 158**, McHenry and Kane Counties, Illinois, hereinafter referred to as the "Board" and **ANNA HOYOU**, hereinafter referred to as the "Assistant Superintendent for Learning and Innovation".

A. EMPLOYMENT AND COMPENSATION

1. The Board hereby employs the Assistant Superintendent for Learning and Innovation for the term commencing on July 1, 2026, and terminating on June 30, 2029. The base annual salary of the Assistant Superintendent for Learning and Innovation shall be \$163,000.00 for the 2026-2027 school year. The base annual salary for future years shall be determined by the Board provided, however, that the salary shall not be less than the immediately preceding school year.

The salary shall be payable in equal installments, in accordance with the rules of the Board governing payments of other certified staff members for the professional staff in the District; and the Assistant Superintendent for Learning and Innovation hereby accepts employment upon the terms and conditions hereinafter set forth.

2. In addition to the salary paid by the Board as expressed in Section A,1., the Board shall pick up and pay, on the Assistant Superintendent for Learning and Innovation's behalf, the Assistant Superintendent for Learning and Innovation's entire nine percent (9%) contribution to the Illinois Teachers' Retirement System pension fund ("TRS") during the term of this Agreement. It is the intention of the parties to qualify all such payments picked up and paid by the Board on the Assistant Superintendent for Learning and Innovation's behalf as employer payments pursuant to Section 414(h) of the *Internal Revenue Code of 1986*, as amended. The Assistant Superintendent for Learning and Innovation shall have no right or claim to the funds so remitted, except as they may subsequently become available upon retirement or resignation from the Illinois Teachers' Retirement System. Both parties acknowledge that the Assistant Superintendent for Learning and Innovation did not have the option of choosing to receive the contributed amounts directly, instead of having such contributions paid by the Board to the Illinois Teachers' Retirement System, and further acknowledge that such contributions are made as a condition of employment to secure the Assistant Superintendent for Learning and Innovation's future services, knowledge and experience.

The Board will pick up and pay on behalf of the Assistant Superintendent for Learning and Innovation his/her entire contribution to the Teachers' Health Insurance Security ("THIS") fund. The Board will remit THIS contribution to the TRS as the funds' collection agent. The THIS payments made by the Board to TRS under this paragraph will not be reportable to TRS as creditable earnings. The parties further agree that the payments will be excluded from the Assistant Superintendent for Learning and Innovation's taxable income.

The Board and the Assistant Superintendent for Learning and Innovation make no commitment or guarantee that the Board's payment of the contribution limits under this Section 2 will continue to be excludable from the Assistant Superintendent for Learning and Innovation's gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply.

Because neither party can represent what position the IRS, or any other government entity, will take with respect to these payments and withholdings, it is mutually agreed that each party will be responsible for any miscalculations for which it is legally responsible without indemnification or any other recourse from the other party. That is, if it is subsequently determined that the Assistant Superintendent for Learning and Innovation should have paid taxes in any portion of the contribution limit for which he/she did not pay taxes, the interest and penalties are the Assistant Superintendent for Learning and Innovation's responsibility alone. If the Board is penalized for failing to withhold enough taxes based on the payroll information in its possession at the time of payment of the contribution limit, those penalties are the Board's responsibility alone. Both the Board and the Assistant Superintendent for Learning and Innovation expressly waive the right to seek indemnification or reimbursement from the other as the result of any government decision on the taxability of these amounts. In the event the IRS, or any other government entity, determines that the Assistant Superintendent for Learning and Innovation owes more taxes, he/she has no right to seek additional sums from the Board.

3. This Agreement is a performance-based contract as required by Section 5/10-23.8a of the Illinois School Code. At least annually of each school year, the Superintendent shall, during the term of this Agreement, review with the Assistant Superintendent for Learning and Innovation, the Assistant Superintendent for Learning and Innovation's progress toward established goals, and working relationships among the Assistant Superintendent for Learning and Innovation, the faculty, the staff and the community.

In addition, the Assistant Superintendent for Learning and Innovation shall meet, address and fulfill additional goals and indicators of which shall be developed and approved by the Superintendent in cooperation with the Assistant Superintendent for Learning and Innovation by March 1, annually ("Performance Goals"). The Assistant Superintendent for Learning and Innovation's attainment of the Performance Goals shall be determined annually as part of the evaluation.

4. Any salary or other adjustment or modification made during the life of this Contract shall be in the form of a written amendment and shall become a part of this Contract, but such adjustment or modification shall not be construed as a new Contract with the Assistant Superintendent for Learning and Innovation, nor as an extension of the termination date of this Contract.
5. During the term of this Contract, the Assistant Superintendent for Learning and Innovation shall hold a valid and properly registered certificate issued by the State of Illinois qualifying him/her to act as Assistant Superintendent for Learning and Innovation in the School District.

6. The Assistant Superintendent for Learning and Innovation represents that he/she is not under Contract with any other school district for any portion of the term covered by this Contract. The Assistant Superintendent for Learning and Innovation further represents that all information provided to the District in the process of application for employment was true and complete.
7. As a required condition of initial employment for new employees, the Assistant Superintendent for Learning and Innovation shall authorize a criminal background investigation by the Board, pursuant to the *School Code* and a DCFS Child Abuse Registry background investigation.

In the event that any health reform legislation or other law shall prohibit, otherwise restrict, or result in a penalty or other cost to the Board from providing the insurance benefit herein described, the Board retains the right to limit participation of the Associate Superintendent and her beneficiaries in the district Health Plans to the same terms and conditions provided to other certified employees. In such event, the monetary equivalent of the difference in premium cost for the Associated Superintendent's elected coverage shall be paid to the Associate Superintendent as salary to the extent that any such additional payment does not result in a penalty or other cost to the Board from TRS.

8. The Assistant Superintendent for Learning and Innovation shall be entitled to two (2) bereavement leave days per school term without loss of pay. If more than two (2) days of bereavement leave are necessary, such days will be deducted from the Assistant Superintendent for Learning and Innovation's accumulated sick leave.

A. EMPLOYMENT AND COMPENSATION

1. The Board hereby employs the Associate Principal for the period commencing on July 1, 2026, and terminating on June 30, 2027, at an annual salary of \$137,454.64 payable in equal installments, in accordance with the rules of the Board governing payments of other certified staff members for the professional staff in the District; and the Associate Principal hereby accepts employment upon the terms and conditions hereinafter set forth. It is the intention of the parties to qualify all such payments picked up and paid by the Board on the Associate Principal's behalf as employer payments pursuant to Section 414(h) of the *Internal Revenue Code of 1986*, as amended. The Associate Principal shall have no right or claim to the funds so remitted, except as they may subsequently become available upon retirement or resignation from the Illinois Teachers' Retirement System. The Board will pick up and pay on behalf of the Associate Principal his/her entire contribution to the Teachers' Health Insurance Security ("THIS") fund. In the event the IRS, or any other government entity, determines that the Associate Principal owes more taxes, he/she has no right to seek additional sums from the Board.

3. Any salary or other adjustment or modification made during the life of this Contract shall be in the form of a written amendment and shall become a part of this Contract, but such adjustment or modification shall not be construed as a new Contract with the Associate Principal, nor as an extension of the termination date of this Contract.

B. BENEFITS

Beginning in the contract year in which the degree is earned, the salary annual shall be increased such that the Administrator’s creditable earnings does not exceed 106% of the prior year’s creditable earnings. The portion of the increase applied to any contract year shall be determined by subtracting the administrator’s salary after his or her annual increase from 106% of the prior year’s creditable earnings but not exceeding the remaining amount of the 10% increase left to be credited to the Administrator. The remainder of the increase shall be paid in successive contract years under the same limitations. If the administrator separates from employment for any reason prior to realizing the entire amount of the 10% increase in his or her annual salary, the remainder of the increase shall be paid in a lump sum after the last regular paycheck as non-creditable earnings under TRS regulations. Notwithstanding the above, the District shall retain the right to accelerate the application of the increase in any contract year where the District determines that TRS employer payments or penalties will likely not be imposed.
11. From the annual salary stated in paragraph A.1 of this Contract, the Associate Principal may authorize a salary reduction in order that the Board may purchase an annuity policy for the Associate Principal as described in Section 403 (b) or Section 457 of the *Internal Revenue Code*.

**ASSOCIATE PRINCIPAL
EMPLOYMENT CONTRACT
2026-2027**

THIS CONTRACT is made this 16th day of April, 2026, between the BOARD OF EDUCATION OF HUNTLEY COMMUNITY SCHOOL DISTRICT NO. 158, MCHENRY AND KANE COUNTIES, ILLINOIS, hereinafter referred to as the "Board" and **Shaina Poczowski**, hereinafter referred to as the "Associate Principal".

A. EMPLOYMENT AND COMPENSATION

1. The Board hereby employs the Associate Principal for the period commencing on July 1, 2026, and terminating on June 30, 2027, at an annual salary of \$118,450 payable in equal installments, in accordance with the rules of the Board governing payments of other certified staff members for the professional staff in the District; and the Associate Principal hereby accepts employment upon the terms and conditions hereinafter set forth. In addition to the above, Associate Principal shall be paid additional salary of \$7,500 per annum for the 2026-2027 school year.

2. In addition to the salary paid by the Board as expressed in Section A,1., the Board shall pick up and pay, on the Associate Principal's behalf, the Associate Principal's entire contribution to the Illinois Teachers' Retirement System pension fund ("TRS") during the term of this Agreement. It is the intention of the parties to qualify all such payments picked up and paid by the Board on the Associate Principal's behalf as employer payments pursuant to Section 414(h) of the *Internal Revenue Code of 1986*, as amended. The Associate Principal shall have no right or claim to the funds so remitted, except as they may subsequently become available upon retirement or resignation from the Illinois Teachers' Retirement System. Both parties acknowledge that the Associate Principal did not have the option of choosing to receive the contributed amounts directly, instead of having such contributions paid by the Board to the Illinois Teachers' Retirement System, and further acknowledge that such contributions are made as a condition of employment to secure the Associate Principal's future services, knowledge and experience.

The Board will pick up and pay on behalf of the Associate Principal his/her entire contribution to the Teachers' Health Insurance Security ("THIS") fund. The Board will remit THIS contribution to the TRS as the funds' collection agent. The THIS payments made by the Board to TRS under this paragraph will not be reportable to TRS as creditable earnings. The parties further agree that the payments will be excluded from the Associate Principal's taxable income.

The Board and the Associate Principal make no commitment or guarantee that the Board's payment of the contribution limits under this Section 2 will continue to be excludable from the Associate Principal's gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply.

Because neither party can represent what position the IRS, or any other government entity, will take with respect to these payments and withholdings, it is mutually agreed that each party will be responsible for any miscalculations for which it is legally responsible without indemnification or any other recourse from the other party. That is, if it is subsequently determined that the Associate Principal should have paid taxes in any portion of the contribution limit for which he/she did not pay

taxes, the interest and penalties are the Associate Principal's responsibility alone. If the Board is penalized for failing to withhold enough taxes based on the payroll information in its possession at the time of payment of the contribution limit, those penalties are the Board's responsibility alone. Both the Board and the Associate Principal expressly waive the right to seek indemnification or reimbursement from the other as the result of any government decision on the taxability of these amounts. In the event the IRS, or any other government entity, determines that the Associate Principal owes more taxes, he/she has no right to seek additional sums from the Board.

3. Any salary or other adjustment or modification made during the life of this Contract shall be in the form of a written amendment and shall become a part of this Contract, but such adjustment or modification shall not be construed as a new Contract with the Associate Principal, nor as an extension of the termination date of this Contract.
4. During the term of this Contract, the Associate Principal shall hold a valid and properly registered certificate issued by the State of Illinois Teachers' Certification Board qualifying him/her to act as Associate Principal in the School District.
5. The Associate Principal represents that he/she is not under Contract with any other school district for any portion of the term covered by this Contract. The Associate Principal further represents that all information provided to the District in the process of application for employment was true and complete.
6. The Associate Principal shall work a minimum of two hundred sixty (**260**) days during the term of this Contract. The work schedule shall be determined by joint agreement between the Associate Principal and the supervising Principal. The annual salary stated in paragraph A.1 of this Contract is not subject to increase based upon the length of time required to complete essential duties of the position.
7. As a required condition of initial employment for new employees, and prior to commencing duties under this Contract, the Associate Principal shall submit to a physical examination by a physician licensed in Illinois to practice medicine and surgery in all its branches, and shall provide the Board with the physician's report of such examination, pursuant to Section 24-5 of the *School Code*. The Associate Principal shall further submit, at Board expense, to a physical or mental examination by a physician licensed in Illinois to practice medicine and surgery in all its branches whenever the Board deems such examination necessary and in accordance with applicable law. As a condition of employment, the Associate Principal also agrees to comply with all health requirements established by law.
8. As a required condition of initial employment for new employees, the Associate Principal shall authorize a criminal background investigation by the Board, pursuant to the *School Code* and a DCFS Child Abuse Registry background investigation.

B. BENEFITS

1. The Board will provide the Associate Principal with the following benefits:

- a. Full family hospitalization and medical insurance, and group dental insurance, as provided under any program effective in the District. Where the Contract is not renewed, full family hospitalization and medical insurance and group dental insurance will be terminated on June 30, 2027. In the event the Associate Principal's Contract is renewed there will be no break in insurance coverage between the end of the current Contract and the start of the subsequent Contract.
 - b. Term life insurance in the amount of \$50,000.00. Additional life insurance may be purchased at the expense of the individual.
 - c. Long Term Disability (LTD), the Board shall provide and pay the premiums for LTD as provided to certified members of the professional staff.
2. The Board shall reimburse the Associate Principal for reasonable monthly expenses incurred in the performance of his/her duties. Substantiation of all expenses incurred pursuant to this provision shall be made by the Associate Principal in accordance with the regulations of the *Internal Revenue Code*, as amended. Approved mileage shall be reimbursed at the recognized IRS rate.
 3. The Associate Principal shall be granted sick leave, as defined in Section 24-6 of the *School Code*, of fourteen (14) working days per year which may be accumulated up to 340 days. Unused sick leave or unreported sick leave to TRS will be reimbursed at \$15.00 per day upon retirement, up to 40 days.
 4. The Associate Principal shall be entitled to a paid vacation of twenty (20) working days annually, exclusive of legal holidays. Vacation shall be taken, subject to the approval of the Superintendent. Up to ten (10) vacation days may carry over to a subsequent contract year if the associate principal is re-employed.
 5. Unused carryover vacation days shall be transferred to sick leave days on July 1st of the following school year.
 6. The Associate Principal shall be entitled to personal days of two (2) working days per year, exclusive of legal holidays, which if not used, will accumulate up to 4 days per year. Any unused personal days over 4 will transfer to sick balance on July 1st of each year.
 7. The Associate Principal shall be entitled to two (2) bereavement leave days per school term without loss of pay. If more than two (2) days of bereavement leave are necessary, such days will be deducted from the associate principal's accumulated sick leave.
 8. The District complies with the Illinois School Code of Illinois Section 10-20.7 and provides further that there shall be no loss in salary or benefits due to jury duty.
 9. The Associate Principal is expected to attend appropriate professional meetings at the local and state levels, and, subject to prior Board approval, at the national level. All reasonable expenses incurred shall be paid by the Board.

10. The Board offers incentives to administrators to continue their education by earning their doctoral degree. Administrators enrolled in doctoral program from an accredited college/university are eligible for tuition reimbursement up to \$160 per credit hour. The maximum reimbursement will be twelve (12) credit hours per contract year.
- a) The doctoral degree must directly apply to their assigned administrative responsibilities and be approved by the Superintendent or designee.
 - b) Successful completion of the course, a grade of “B” or better, is required.
 - c) An Associate Principal must remain in the district for one year following doctoral course completion and reimbursement, or the district shall be due to the entire reimbursement.
 - d) Deadlines for application for reimbursement:
 - First semester course: August 30
 - Second semester course: January 21
 - Summer course: May 1st
 - e) Administrators who earn their doctorate; degree through an approved and accredited university will receive a 10% increase on their base salary once the degree is conferred. In the event that the doctorate is earned within four (4) years of retirement, the amount of the increase will be calculated at the time the doctorate is earned and will be divided into an increase in base salary in two or more contract years. Beginning in the contract year in which the degree is earned, the salary annual shall be increased such that the Administrator’s creditable earnings does not exceed 106% of the prior year’s creditable earnings. The portion of the increase applied to any contract year shall be determined by subtracting the administrator’s salary after his or her annual increase from 106% of the prior year’s creditable earnings but not exceeding the remaining amount of the 10% increase left to be credited to the Administrator. The remainder of the increase shall be paid in successive contract years under the same limitations. If the administrator separates from employment for any reason prior to realizing the entire amount of the 10% increase in his or her annual salary, the remainder of the increase shall be paid in a lump sum after the last regular paycheck as non-creditable earnings under TRS regulations. Notwithstanding the above, the District shall retain the right to accelerate the application of the increase in any contract year where the District determines that TRS employer payments or penalties will likely not be imposed.
11. From the annual salary stated in paragraph A.1 of this Contract, the Associate Principal may authorize a salary reduction in order that the Board may purchase an annuity policy for the Associate Principal as described in Section 403 (b) or Section 457 of the *Internal Revenue Code*.
12. The Associate Principal shall be allowed such other privileges, leaves, and fringe benefits as are commonly extended to other District certified professional personnel.

13. The Board of Education feels that the successful implementation of the District Strategic Plan is vital. If all elements of the Strategic Plan are addressed appropriately, then the Board feels there should be a performance bonus. This Strategic Plan performance pay will be calculated using the same methodology as that used for the HESPA employees.

2. Discharge for cause during the term of this Contract shall be for any conduct, act, or failure to act by the Associate Principal which is detrimental to the best interests of the School District. Reasons for discharge for cause shall be given in writing to the Associate Principal, who shall be entitled to notice and a hearing before the Board to discuss such causes. If the Associate Principal chooses to be accompanied by legal counsel, she shall bear any costs therein involved. The Board hearing shall be conducted in executive session.
