2. Positive Learning Environment

A place where all members of the school community are engaged in hands-on, real-world experiences and feel safe, empowered, supported and valued.

3. Equity

The practice of beliefs and creation of systems that provide access and opportunities, fair treatment, and full inclusion of all students. This applies across race, ethnicity, socioeconomic status, gender identity and expression, disability and different learning needs, sexual orientation, language, immigrant status, religion, and other characteristics in order to realize equitable opportunities and outcomes for everyone.
