DOUGLAS COUNTY SCHOOL DISTRICT
Information Concerning Board Policy and Procedures
For Communication with the Board of Trustees

The Douglas County School District ("DCSD") welcomes visitors at our meetings and appreciate constructive suggestions and comments, which help to meet the educational needs of the District. The Board has a scheduled order of business to follow. The agenda has been available for study by the Members of the Board since published. The Board may only take action items agendized for possible action, unless it finds that the need to discuss or act upon an un-agendized item was truly unforeseen at the time the meeting agenda was posted, the matter requires immediate action, and is to be an emergency as defined by Nevada Revised Statutes.

The Board may act on the consent items with one motion unless a Trustee requests that a consent item be pulled for individual consideration, in which case the Chairperson of the Board will defer action on the particular consent item or items to the regular agenda for consideration separately.

Although each Trustee represents a geographical area of the District, Trustees are elected at large and, as such, represent all citizens of Douglas County. It is the desire of the Board to make decisions that in the best interests of the District. In making decisions, Members of the Board strive to meet the needs of every student enrolled in DCSD schools and will best serve the interests of the entire District.

Members of the Board of Trustees are responsible for exercising their public function in accordance with the requirements of applicable law and regulations, as well as Board Policies adopted by the Board of Trustees of DCSD.

If copies of the complete agenda (and supporting materials) are desired in advance, they may be obtained at the District Office on the Monday preceding a regular meeting of the Board. Please contact DCSD at 775-782-5134 or suptoffice@dcsd.k12.nv.us. Communication with the Board of Trustees as a unit may be either in writing, by personal appearance at a meeting of the Board, or by verbal communication through the District Superintendent.

Public Comment: During regular Board meetings, there will be a general period of public comment for any matter that is not specifically agendized for possible action, and on each item listed on the agenda for possible action.

The Board limits public comment to three minutes per commenter.

Written Communication: Written communication to the Board of Trustees, related to an action item on the agenda, can be emailed to the Board, the District Superintendent, or the Board Secretary, prior to the meeting. Although this communication will not be read during the meeting, it will be added to the minutes of the meeting upon request.

Personal Appearance at a Board Meeting: When an individual or group desires to communicate with the Board of Trustees by means of placing an item on the agenda, at a meeting of the Board, the District Superintendent shall be notified no later than 12:00 noon two weeks prior to the scheduled regular meeting, and the Board President and Superintendent, in their discretion, will determine whether the subject of the communication will be placed on the agenda. When a holiday observed by the District falls on a meeting date, the deadline shall be two weeks prior to the meeting.

- At the time of the meeting, the public can add their name to a sign-up sheet and they will be called upon during the allocated public comment time.
- The Board may set a reasonable time limit for each speaker and for answering questions.
- Extensive formal statements addressing specific items for consideration by the Board should be submitted in writing.

Although the Board may impose reasonable restrictions on the time, place and manner of public comments, it may not restrict comments based on viewpoint. No action may be taken on a matter raised during public comment that is unrelated to any agenda item.

Non-discrimination/Notice to Individuals with Disabilities: The Douglas County School District does not and shall not discriminate on the basis of race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in any of its activities or operations. Members of the public who require special assistance or accommodations at a meeting of the Board of Trustees are asked to notify the District Administration at 1638 Mono Ave., Minden, Nevada 89423, or by calling 775-782-5134, so that such notification is received at least twenty-four hours prior to the meeting.

1. **Call to Order**

   A. **Adoption of the Agenda, as submitted *(For Possible Action)* (*Public Comment will be taken prior to any action*)**
   Please Note: The Board reserves the right to (1) take items in a different order, (2) combine two or more Agenda items for consideration, and (3) to remove an item from the Agenda or delay discussion relating to an item on the Agenda at any time, in order to accomplish the business on the Agenda in the most efficient manner.

   B. **Pledge of Allegiance**

2. **Public Comment *(For Discussion Only)***
Comments will be accepted in person, or through virtual participation via email; suptoffice@dcsd.k12.nv.us no later than 12:30 p.m. the day of the meeting. Email for public comment must include the submitting party's full name. Email for public comment will be posted as a supplemental document and copies will be provided to the board members. The names of those who have provided virtual public comment will be read during public comment and the emails will be included in the record, but the virtual public comment will not be read during the meeting. Comments may be made by members of the public on any matter within the authority of this Board. Please note that public comment will be taken on items marked "for possible action" before action is taken on such items, and members of the public are encouraged to comment on such items at the time they are being considered. Although members of the Board may respond to questions and discuss issues raised during public comment, no action may be taken on such a matter until the matter is placed on an agenda for action at a meeting of the Board. In making public comment, speakers are asked to come to the table or podium, sign in, speak into the microphone, and identify themselves for the record. Commenters are instructed to limit their comments to no more than three (3) minutes, and not simply repeat comments made by others.

3. **Special Recognition *(For Discussion Only)***
The Board would like to acknowledge the 2025-26 Student Board Representatives, Prairie Jackson and Jocelyn Crow.

4. **Closed Session *(For Discussion Only)***
The Board will recess to closed session in order to discuss matters with its management representatives pursuant to NRS 288.220(4). No action will be taken during closed session.

5. **Consent Items (*For Possible Action*)**
Information concerning the following consent items has been forwarded to each Board Member for study prior to this meeting. Unless a Trustee or individual organization interested in one or more consent items has any

questions concerning a particular item, the items are approved at one time by the Board of Trustees. The Board President may defer action on such a particular matter or matters at his or her discretion, and may choose to place the same at the end of the regular agenda for separate consideration.

A. **Minutes of the Regular Board Meeting of May 19, 2026, and Special Board Meeting of June 3, 2026.** **8**

Attached are Minutes of the Regular Board Meeting of May 19, 2026, and Special Board Meeting of June 3,2026, for review and approval.

B. **Accounts Payable Special and Regular Run Vouchers**

A complete list of payments contained in Accounts Payable Special Vouchers Numbers 8873, 8874, 8875, 8876, 8877, 8878, 8879, 8880, and Regular Run Voucher Numbers 8871 and 8872 are attached. Vouchers have been prepared in accordance to state law and copies of the Vouchers are available for review by the public at the Superintendent's office prior to the meeting.

C. **Budget Voucher Adjustments** **45**

A complete list of budget adjustments made by the Director of Business Services during the recent course of business is provided for review and approval by the Board of Trustees as required by NRS 354.598005.

D. **Personnel Report No. 26-06** **57**

Listed on the Personnel Report No. 26-06 are personnel actions presented for consideration by the Board of Trustees. Salaries for individuals employed will be determined in accordance with salary regulations of the District.

E. **2026-2027 School Calendars** **63**

F. **Interlocal Transfer Agreement — Douglas County Assessor's Parcel Number 1320-32-110-005** Yvonne Wagstaff, Board President **68**

Approve, Modify, or Deny the Interlocal Agreement to transfer Assessor's Parcel Number 1320-32-110-005 to the Town of Minden. Approval of this item includes a waiver of any conflict of interest in the legal representation of the District and the Town.

Financial Impact: The Town of Minden will pay a purchase price of $420,000.00 to the School District and assumes responsibility for all associated title, escrow, and recording costs.

Intended Use: Upon transfer, the Town of Minden will utilize and maintain the property as a dog park open to the general public.

Legal Authority: This property transfer is facilitated under Nevada Revised Statutes 277.180, which authorizes public agencies to enter into contracts for governmental activities.

G. **Superintendent Contract - First Amendment** Yvonne Wagstaff, Board President **81**

6. **Consideration of Final 2025-2026 Budget Amendments and Augmentations (*For Discussion and Possible Action)*** Presenter: Susan Estes, Director of Business Services **83**

In accordance with Nevada Revised Statutes, Nevada Administrative Code and Department of Taxation Regulations, it is necessary to consider adoption of the following resolutions in order to make final amendments and augmentations to the District's 2025-2026 budgets:
No. 26-08 "Resolution to Augment/Amend the General Fund for the Fiscal Year 2025-2026"
No. 26-09 "Resolution to Augment/Amend Certain Funds (to which ad valorem taxes are not allocated) for Fiscal Year 2025-2026"
All budget amendments and augmentations, both revenues and expenditures, included in the Resolutions are adjustments made to reflect financial events that have occurred after February 2026 - the last time that the District amended District budgets. These amendments are intended as final budget adjustments for fiscal year 2025-2026, and action is required to make them effective in accordance with Nevada Revised Statutes.

7. **Health Advisory Committee: Self Funded vs Fully Funded Insurance Programs *(For Discussion and Possible Action)*** Presenter: Nate Kerr, LP Insurance **187**

- Review, discussion, and potential action regarding the marketing results and competitive proposals for the 2027 health insurance plan year, managed by LP Insurance Services. As part of our ongoing fiduciary review, a comprehensive Request for Proposal (RFP) was executed to benchmark our current self-funded plan against both alternative self-funded administrators and fully funded market options. The Board will review the comparative findings focusing on member benefit structures, network disruption, administrative cost efficiencies, and total risk exposure to ensure the optimal plan design remains in place for our members.

8. **DCSD Regional Equipment Transfer MOU *(For Discussion and Possible Action)*** **205**

Presenter: Ashley Mitchell, AGPM Administrator

The Board is presented with this Memorandum of Understanding (MOU) which sets forth the terms, conditions and understanding between {Sub-Recipient} and the {Receiving Jurisdiction/Agency} in regard to transferring and receiving equipment purchased with State and/or Federal grant funds.

9. **Approval of Tentative Agreement for Collective Bargaining Between the District and Douglas County Support Staff Organization (DCSSO) *(For Discussion and Possible Action)*** **212**

Presenter: Jeannie Dwyer, Executive Director of Human Resources

The Board will consider approval of the Tentative Agreement reached between the District and the Douglas County Support Staff Organization (DCSSO) following collective bargaining negotiations. The Agreement establishes terms and conditions of employment for the designated bargaining unit for the period of **July 1, 2025, to June 30, 2027**. Key provisions include negotiated adjustments to compensation, benefits, and working conditions as mutually agreed upon by both parties. The Tentative Agreement has been ratified by the Association and is now presented to the Board for final approval. Approval of this item will authorize implementation of all terms effective upon Board action.

Fiscal Impact: Savings of approximately $144,451

10. **Approval of Tentative Agreement for Collective Bargaining Between the District and Douglas County Professional Education Association (DCPEA) *(For Discussion and Possible Action)*** **259**

Presenter: Jeannie Dwyer, Executive Director of Human Resources and Christine Ensign

The Board will consider approval of the Tentative Agreement reached between the District and the Douglas County Professional Education Association (DCPEA) following collective bargaining negotiations. The Agreement establishes terms and conditions of employment for the designated bargaining unit for the period of **July 1, 2025, to June 30, 2027**. Key provisions include negotiated adjustments to compensation, benefits, and working conditions as mutually agreed upon by both parties. The Tentative Agreement has been ratified by the Association and is now presented to the Board for final approval. Approval of this item will authorize implementation of all terms effective upon Board action.

Fiscal Impact: Savings of approximately $392,589

11. **Distance Education Program Amendment *(For Discussion and Possible Action)*** **318**

Presenter: Leslie Peters, Assistant Director of Educational Services

The Board is presented with the Distance Education course offering changes for review and approval. The DCSD online platform, Edmentum, now has additional courses that will count for both elective and content course credit that DCSD would like to offer students.

12. **Approval of Fiber Optic Outside Plant Management and Dark Fiber Agreement with Digital Technology Solutions (DTS Fiber) *(For Presentation, Discussion, and Possible Action)*** **324**

Presenter: Jared Rex, Director of IT and Jonathan Young of DTS

The Board will consider approval of the Fiber Optic Outside Plant Management and Dark Fiber Agreement between the District and Digital Technology Solutions, Inc. (DTS Fiber). Under the Agreement, DTS will design, install, operate, maintain, and restore the District's fiber optic outside plant system at no cost to the District. The Agreement also provides the District with a dedicated dark fiber path and required optical equipment while granting DTS limited use of spare conduit and fiber capacity. All installed infrastructure will become the sole property of the District.

13. **Establishment of a Finance Committee *(For Discussion and Possible Action)*** Terri Willoughby, CFO **334**

The Board is presented with the proposed Finance Committee Policy and the authorization for the establishment of a Finance Committee effective immediately to replace the existing Budget Committee.

14. **Authorize the submission of requested Fiscal Reports to the Department of Taxation under Fiscal Watch Guidelines *(For Discussion and Possible Action)*** Terri Willoughby, CFO **339**

The following items are required to be submitted by the District to the Department on an ongoing basis, along with proof of submission to this Board and their approval and acceptance of the items.

- Monthly Bank Reconciliations
- Monthly Treasurer's Report
- Cash Balances of All Funds
- Written status report on how fiscal practices or budgetary conditions have been corrected and/or improved.

15. **Procurement Efficiency and Modernization Initiative *(For Discussion and Possible Action)*** Presenter: Terri Willoughby, CFO **573**

The Board is presented with the request to authorize the Chief Financial Officer to conduct an assessment of current procurement policies, processes and procedures and return to the Board at their September 2026 meeting with recommendations.

16. **Surplus of Real Property - C.C. Meneley Elementary School Resolution #26-07 *(For Discussion and Possible Action)*** Presenter: Terri Willoughby, CFO **594**

District staff have determined that the real property located at **APN 1220-15-310-052; 1220-15-310-051; 1220-15-310-049 (1446 Muir Drive, Gardnerville, NV 89460)** are no longer needed for current or future educational or operational purposes. Under NRS 393, the Board may declare the property surplus as the first step in the formal disposition process. This designation allows staff to proceed with required actions such as appraisal, public notice, and evaluation of potential sale or transfer options. Declaring the property surplus does not obligate the District to sell it but enables further analysis and recommendations. Staff recommends approval of the surplus designation so the District can explore appropriate next steps.

17. **Approve the Special Attendance Area (SAA) Designation Application for Jacks Valley and Pinon Hills to the Nevada Department of Education and Commission on School Funding. *(For Discussion and Possible Action)*** Frankie Alvarado, Superintendent **596**

This item requests a formal Letter of Approval from the Board of Trustees to submit a Special Attendance Area (SAA) designation application to the Nevada Department of Education prior to the June 30, 2026, deadline. The application cites "Extenuating Circumstances" to demonstrate an operational necessity, rather than administrative convenience, due to the severe environmental and community safety barriers isolating the proposed sites. Applying for this SAA status represents the most fiscally responsible use of District resources. This application requires legislative action in order to allow the site to receive a Pupil-Centered Funding Plan (PCFP) adjustment to be integrated into the upcoming biennial budget build process.

18. **NASB Nominations and Possible Committees *(For Discussion and Possible Action)*** Presenter: Yvonne Wagstaff, Board President **612**

19. **NASS iNVest Resolution #26-06 *(For Discussion and Possible Action)*** Presenter: Frankie Alvarado, Superintendent **625**

20. **Board Reports *(For Discussion Only)***

Brief updates from the Board regarding District committees to which they are assigned.

21. **Superintendent Report *(For Discussion Only)***

Superintendent, Frankie Alvarado, will report to the Board regarding activities of the past month and upcoming District events that may be of interest to them.

22. **Informational Items *(For Discussion Only)***

ALL MATTERS LISTED UNDER INFORMATIONAL ITEMS ARE CONSIDERED ROUTINE NON-ACTION ITEMS. ANY MEMBER OF THE BOARD OR ANY CITIZEN MAY REQUEST THAT AN ITEM BE TAKEN FROM INFORMATIONAL ITEMS AND DISCUSSED DURING THIS MEETING.

A. **Summary of Donations**

Donations received by school sites over the last month. The District wishes to acknowledge and thank the generosity of all donors on behalf of the students we serve;

Donations:

- Patrick Schmid donated a 2005 Jeep Liberty valued at $800 to the DHS Automotive Program
- Tami Anderson of MCA Mechanical Inc. donated goods and services valued at $1231.65 to the DHS Welding Program.

B. **Monthly Update of Enrollment Counts** **637**

Monthly update on enrollment numbers for each school site is provided to the Board.

23. **Future Board Agenda Items *(For Discussion Only)***

Future Agenda Items will provide trustees an opportunity to identify topics for upcoming board meetings that support strategic planning, policy review, and district improvement efforts. This item allows board members to request reports, propose new initiatives, or flag emerging issues that may require discussion or action. Suggested items will be prioritized by the Board Officers and Superintendent based on urgency, alignment with district goals, and available resources. No action will be taken during this meeting, as this item is intended solely for planning and direction-setting.

24. **Adjournment**

(*) Times are estimated. Items on the Agenda may be taken out of order. The Board of Trustees may combine two or more agenda items for consideration, and may remove an item from the agenda or delay discussion relating to an item on the agenda at any time. Generally speaking, the item will be heard no earlier than the time indicated.

If copies of the complete agenda (and supporting materials) are desired in advance, they may be obtained at the District Office on the Monday preceding a regular meeting of the Board. Please contact the District Office at 775-782-5134 or Suptoffice@dcsd.k12.nv.us.

Notice to Individuals with Disabilities: Members of the public who require special assistance or accommodations are asked to notify the District Administration at 1638 Mono Avenue, Minden, Nevada, 89423, or by calling 782-5134, so that such notification is received at least twenty-four (24) hours prior to the meeting. In conformance with the Open Meeting Law, it is hereby noted that the agenda for the meeting of the Douglas County School Board of Trustees has been posted at the following locations:

Meeting minutes are created and provided to the public in accordance with NRS 241.035. They are not a word-for-word transcript of the meeting. Audio and video of some meetings are maintained on the district website for public review.

1. Call to Order
(For Possible Action)

Mrs. Wagstaff called the meeting to order at 4:30 p.m. and provided the expectations for behavior during the meeting. Student Representative, Jocelyn Crow, led the Pledge of Allegiance.

PUBLIC COMMENT: None

MOTION: Trustee Miller made a motion for a flexible agenda. Seconded by Trustee Gneiting.

VOTE: 7-0

2. DHS National Merit Recognition (For Discussion Only)

Presenter: Michael Rechs, Principal of DHS

Item taken out of order

Mr. Rechs introduces two students, Shannon Brady and Jed Lu, and recognizes their achievements in school and explains what it takes to earn National Merit awards. There are about 4 million graduating seniors in the United States this year, approximately 1 million of graduates take the PSAT exam at some point in their high school career, of those the top 50,000 highest scoring students are reviewed, 16,000 are then named semi-finalists. To advance in the competition and be considered for a national merit scholarship award a semi-finalist has to fulfill several more requirements including submitting a detailed scholarship application, presenting a record of very high academic performance, and of course present their extremely high PSAT score to become one of less than 7,000 finalists. This award is rarer in Nevada due to the lower population. DHS has had a winner in 2024, a winner in 2025, and now two winners from the class of 2026. They each accepted full scholarships to UNR where Jed will be attending to study electrical engineering and perhaps earn a masters degree in math or physics, and Shannon will be studying biology and hopes to attend medical school to become an anesthesiologist.

3. DCSD Shout-outs *(For Discussion Only)*

Item taken out of order

Trustee Wagstaff gave a shout-out of thanks to all of the retirees that were recognized prior to the Board meeting and wishes them all the best in their future endeavors.

4. Public Hearing (must take place at 4:30 p.m.) on the District's 2026-2027 Tentative Budget and Adoption of the Final Budget (For Discussion and Possible Action)

The Board reviewed the Tentative Budget at its meeting held on April 9, 2026. The District's Director of Business Services, Mrs. Susan Estes, has prepared the Final Budget inclusive of known estimated revenues and projected expenditures for the 2026-27 school year and will present it for adoption as the Final Budget.

Item taken out of order – 1st

Sue Estes speaks on the budget being balanced and having a positive ending fund balance, at this time, of $48,000. Changes from the tentative budget to the final budget are:

- $1.9M savings in salaries and benefits
- Increase in DCSD insurance that added $60,000 into that budget
- Inclusive Education transfer from the general fund was reduced to $100,000 due the department possibly moving some people into the local plan next year

There will be other changes that the Board will see come next December. There are still al lot of changes that need to be made and the District continues to work with the Nevada Department of Taxation. The Legislature has mentioned changing the 5% limit of Hold Harmless to 3% and that may help DCSD if they decide to do that.

Trustee Jackson thanks Mrs. Estes for the hard work that went into balancing this budget and it is very appreciated.

Trustee Jensen thanks Superintendent Alvarado for the extensive work he and the District team have done to bring us to this balanced budget.

PUBLIC COMMENT: None

MOTION: Trustee Jackson makes a motion to adopt the revised tentative budget as final for 2026-2027. Seconded by Trustee Miller.

VOTE: 7-0

5. Review and Update of the District's Five-Year Capital Improvement Plan for 2026-2030 (For Discussion and Possible Action)

Presenter: Terri Willoughby, Interim CFO, speaks on the five-year capital improvement plan that is being presented to the Board.

Items 5 and 21 are combined in discussion

Superintendent Alvarado notifies President Wagstaff that the District will frontload all of its capital improvement plan needs across the district before they go into the real property asset overview.

Terri Willoughby speaks first on the five-year capital improvement plan for 2026-2030 stating it is required by NRS 354.5945. It is important to a school district because it helps set priorities and creates a roadmap for maintenance and renovation of existing buildings. It creates financial stability by planning for future needs and maintenance so you don't have an emergency situation that would disrupt the operating budget.

Trustee Gneiting asks if the cost of air conditioning at ZCES is listed at $320,000 was a typo as GWHS was listed at $4.8M. Mr. Rex explains that he and Mrs. Willoughby have inherited the current plan, without a lot of detail to support it, and they will be looking into the details of the cost breakdowns over the next 60 to 90 days to bring information back to the Board. Superintendent Alvarado adds context to the HVAC system at ZCES as it is a much older building and the heating units are integrated into the walls, so they cannot add air conditioning to those units. They would need to add mini splits to every classroom and they are more cost effective. He believes the dollar amounts are true to value as they are a completely different air conditioning system.

Superintendent Alvarado reminds the Board and community that the document attached was inherited from Mr. Demus, previous facilities director, and this is a list to memorialize the needs at our sites. They will do a complete review of sites over the summer and bring a new and improved CIP that has an additional five-year outlook so it will be like a 10-year plan that encompasses every project that is needed at every single school and it will be used as a menu to work within the confines of the budget. Superintendent Alvarado reminds the Board of the Resolution they passed earlier in the year to take debt service money and move it into capital projects. There is just over $7M to do many of these projects.

Trustee Jackson asks for clarification that this item is a requirement for the department of taxation and that changes can be made. Mrs. Willoughby verifies that it is a plan and plans do change, it is best practice to have it on the plan in case a grant comes up. Any projects or budgetary items would come back to the Board, there is no money being spent today with this item.

PUBLIC COMMENT: None

MOTION: Trustee Brady motions that the Board approve 5-year Capital Improvement Plan and to request for the continuation of the levy for residential building permit tax that supports the 5-year Capital Improvement Plan as required by NRS 387.331. Seconded by Trustee Miller.

VOTE: 7-0

6. Boiler Replacement Project in Accordance with the Capital Improvement Plan (For Discussion and Possible Action)

Item taken out of order

Terri Willoughby presents this item in place of Scott Mccullough. This design project is $116,000 and the work will be billed on an hourly basis, a not to exceed contract.

Trustee Miller asks why the boilers are being redesigned. Superintendent Alvarado explains the project requires engineering, so we have to proceed with the contract in order to get the boilers updated. Mr. Rex adds that the company will provide bid specs so that the District can go out and get bids for the work.

Trustee Zinke asks if this was the only estimate or the best estimate. Mrs. Willoughby explains that under Nevada law it is not required to give estimates for professional services contracts, this firm was chosen as they have done quite a bit of engineering for the District and is familiar with the facilities.

PUBLIC COMMENT: None

MOTION: Trustee Brady moves to approve the design contract from Sierra Engineering at $116,000 for the boiler replacement engineering project as presented and in accordance with the Capital Improvement Plan. Seconded by Trustee Jansen.

VOTE: 7-0

7. Board Policy 521 - Student Dress and Grooming (2nd Reading) (For Discussion and Possible Action)

Leslie Peters presents the second reading of Board Policy 521. Based on the survey responses of the Board the policy is consistent from Pre-K to 12th grades.

PUBLIC COMMENT: None

MOTION: Trustee Jackson makes a motion to approve Board Policy 521 as proposed. Seconded by Trustee Gneiting.

VOTE: 7-0

8. Public Comment (For Discussion Only)

Comments will be accepted in person, or through virtual participation via email; suptoffice@dcsd.k12.nv.us no later than 12:30 p.m. the day of the meeting. Email for public comment must include the submitting party's full name. Email for public comment will be posted as a supplemental document and copies will be provided to the board members. The names of those who have provided virtual public comment will be read during public comment and the emails will be included in the record, but the virtual public comment will not be read during the meeting. Comments may be made by members of the public on any matter within the authority of this Board. Please note that public comment will be taken on items marked "for possible action" before action is taken on such items, and members of the public are encouraged to comment on such items at the time they are being considered. Although members of the Board may respond to questions and discuss issues raised during public comment, no action may be taken on such a matter until the matter is placed on an agenda for action at a meeting of the Board. In making public comment, speakers are asked to come to the table or podium, sign in, speak into the microphone, and identify themselves for the record. Commenters are instructed to limit their comments to no more than three (3) minutes, and not simply repeat comments made by others.

PUBLIC COMMENT: None

9. Verkada Camera Contract (For Discussion and Possible Action)

Presenter: Jared Rex, Director of IT

Item taken out of order

Mr. Rex refreshes the information presented to the Board at the April 9 meeting. This system brings our sites security to optimum. There are many deficits in security at several sites and that is concerning for our student safety. He verifies that his budget can cover the cost without taking from student needs. In addition, the equipment at CCMES will be pulled back to the department for using elsewhere. The cost breakdown is $26 to $27 per student per year. There is no impact to this budget year, the first payment will be in July. There are current security issues that will be rectified with this system.

Trustee Jackson asks for reiteration of clarification that this cost does not come from the general fund, that it does not take away from salaries or classrooms, and that the funds are coming from the IT department budget and Mr. Rex feels confident that all other department needs will still be accomplished with the remaining budget. Mr. Rex states that many districts including ours leaned hard on ESSER funds around 5-years ago and exceeded the limit. When looking at this camera project, it is a priority, we feel we need to do right by our students. His department will need to work aggressively as they move forward to do everything else they are trying to accomplish. The current budget amount needs to be higher, but they will make it work. They have reduced personnel, 10 down to 4.5, and they work with the resources they have. There is

always opportunity and possible grants. The technology infrastructure hasn't been updated in 11 to 12 years and Verkada offers the cloud-based solution, which is modular. With consolidations or transitions the cameras can be unplugged and moved where needed, they are reliant on server infrastructure. If we don't go with this solution, moving into next year we are looking at $120,000 to $150,000 for onsite memory that will need to be added because what we have does not work. Mr. Rex admits it is a large cost, he is confident that the department can cover this and all other needs and it will put the District in the position to pursue goals of efficiency, effectiveness and improving safety.

Trustee Brady asks about the timeline of implementation. Mr. Rex verifies that if the Board approves the contract tonight the initial work would start within two weeks. Mr. Brady asks if we need an interlocal agreement with Douglas County Sheriff Office for them to be able to access this system. Mr. Rex confirms that the 911 call center is ecstatic about this solution and they will sit down with us to develop policy that protects DCSO and DCSD. Superintendent Alvarado adds that the Board, earlier this year, approved a bus stop-arm camera policy. An MOU will need to be executed with DCSO for that work and he would like to encompass everything into one MOU. Trustee Miller asks when the install work will be complete. Mr. Rex states that the current cameras will be replaced before the start of school. The backup plan for if there is a delay before school starts, work will continue after the end of the school day or a second shift situation.

PUBLIC COMMENT: Adrienne Sawyer, parent, supports this item with the caveat that student, staff, and teachers are not targeted for surveillance.

MOTION: Trustee Brady makes a motion that the Board approve the purchase agreement with Verkada for $816,654.80. Seconded by Trustee Jansen.

10. Consent Items *(For Possible Action)*
(Public Comment will be taken prior to any action)

Information concerning the following consent items has been forwarded to each Board Member for study prior to this meeting. Unless a Trustee or individual organization interested in one or more consent items has any questions concerning a particular item, the items are approved at one time by the Board of Trustees. The Board President may defer action on such a particular matter or matters at his or her discretion, and may choose to place the same at the end of the regular agenda for separate consideration.

A. Minutes of the Regular Board Meeting of April 9, 2026, and the Special Board Meeting of April 13, 2026. Attached are Minutes of the Regular Board Meeting of April 9, 2026, and the Special Board Meeting of April 13, 2026, for review and approval.

B. Accounts Payable Special and Regular Run Vouchers

A complete list of payments contained in Accounts Payable Special Vouchers Numbers 2689, 2690, 2691, 2692, 2693, 2694, 2695, 2696, 2697, 2698, 2699 and Regular Run Voucher Numbers 8881 and 8882 are attached. Vouchers have been prepared in accordance to state law and copies of the Vouchers are available for review by the public at

the Superintendent's office prior to the meeting.

C. Budget Voucher Adjustments

A complete list of budget adjustments made by the Director of Business Services during the recent course of business is provided for review and approval by the Board of Trustees as required by NRS 354.598005.

D. Personnel Report No. 26-05

Listed on the Personnel Report No. 26-05 are personnel actions presented for consideration by the Board of Trustees. Salaries for individuals employed will be determined in accordance with salary regulations of the District.

E. AB56 Violation

There has been one (1) report of restraint/aversive intervention for the month of April. A Corrective Action Plan (CAP) has been developed and submitted to the Department of Education under NRS 388.5315.

F~~. Board Policy 523 - Substance Use, Misuse and Abuse (2nd Reading)~~

This item is being moved to the June agenda. Presenter: Leslie Peters, Education Services The Board will review and discuss proposed revisions to Douglas County School District Policy No. 523. The Board may provide direction to staff, request additional information, or take formal action to approve, modify, or deny the proposed revision. G. Board Policies 100 Series (2nd Reading) Presenter: Frankie Alvarado, Superintendent The Board will review and discuss proposed revisions to the Board Policy 100 Series, which governs objectives. The Board may provide direction to staff, request additional information, or take formal action to approve, modify, or deny the proposed revisions.

G. Board Policies 100 Series (2nd Reading) Presenter: Frankie Alvarado, Superintendent
The Board will review and discuss proposed revisions to the Board Policy 100 Series, which governs objectives. The Board may provide direction to staff, request additional information, or take formal action to approve, modify, or deny the proposed revisions.

Trustee Miller asks that the Personnel report be pulled from consent to be discussed separately.

Trustee Jackson asks for clarification on Board Policy 115 – Social Networking, how are volunteers a part of the social media account. Superintendent Alvarado explains that if school sites have volunteers monitoring or managing social media that is tied to a school or the District, the District would ask for the usernames and passwords as they are representing the District a that time. At no point in time would the District ever ask for personal social media account, these are only District or school affiliated social media accounts in which we would want authority over. Trustee Miller asks if this would include athletics and parent groups. Superintendent used an example of Whittell having a student or a volunteer managing the Facebook account. The District would ask the Principal to retrieve the username and password, the District would log in one time to make sure it works because they are representing the District and we have every right to control a social media account that is representing the District. Trustee Miller states there may be an Instagram that students use to promote activities and things going on at the school.

PUBLIC COMMENT: Adrienne Sawyer, parent, would like some clarification that this is for "volunteers" as "volunteer in charge of social media".

MOTION: Trustee Gneiting makes a motion to approve the consent items. Seconded by Trustee Jansen. Trustee Brady clarifies that this is absent item D.

VOTE: 7-0

Item D. Personnel Report: Superintendent Alvarado gives more information in regard to the movement of staff between sites to keep fiscally responsible. Current staff are used internally (laterally not promotionally) so as not to increase external hiring costs.

Trustee Gneiting asks whether positions are opened internally for transfers. Superintendent Alvarado confirms if there is no interest then the Cabinet can determine a directed transfer of staff. She asks if this has happened and he replied, "yes".

Trustee Jackson asks what the cost will be for the change of two Principals instead of one Principal and one Vice Principal. Superintendent Alvarado gives clarification on the model change at the Lake schools. They previously had a Principal at each school site and then consolidated one of those Principal positions into a Vice Principal position. As the District received a retirement notice from the current Vice Principal this is an opportune time to go back to a Principal and Principal model. It is about a $6,000 impact, which isn't a huge impact to provide a Principal for each of the buildings where they can have a deeper focus on teaching and learning, supporting teachers, parents, students, and everything that helps create a well-engaged school climate.

Trustee Miller wants to make sure that the Lake community is represented and comments that when the model changed, in 2019, the community was not informed. She would like the Board to have better communication with how they will go forward with changes. Superintendent Alvarado agrees and states the District would never communicate in advance of a Board action. So, based on the Boards action, the District will issue a communication. He acknowledges that Mrs. Peters oversees the Lake school and has worked to schedule a parent meeting. Even though there was not a lot of parent or staff input on the selection, the next steps to create the road map for the school will be infused with input from students, staff, and parents, to design what the future will look like. The first meeting with parents will be next Tuesday afternoon with Superintendent Alvarado, Mrs. Peters, and Mrs. Braaksma present. Mrs. Peters will follow up with scheduling a meeting with students and staff afterward.

Trustee Gneiting asks if this process is reversed from how it usually goes. Superintendent Alvarado confirmed it is since he has been present, but when there is no interest for a lateral or promotional move, the District has to find the person with the most experience that is relative to the school site. In looking at ASPIRE, which is an alternative school, they do have a 7th through 12th program, very similar to what Whittell offers, 6th through 12th, and that is why the decisions were made to do a transfer.

Superintendent Alvarado comments that there may be a lot of questions about what will happen with ASPIRE. The District will post an internal vacancy and if there are no applications for a

transfer either laterally or promotionally it will then go out to the aspiring administrators in the District and hire from within. All aspiring administrators are current teachers.

Trustee Miller questions about the athletic director position since it was part of the Vice Principal duties. Superintendent Alvarado states that is not part of the personnel pages, but he shares the information that the District will consider a teacher release period to manage athletics.

11. DCSD Athletic Program (For Discussion Only) Presenters: Dan Senger, Athletic Director, and Jim Pace, Vice Principal of GWHS

Item taken out of order

Mr. Senger shared a full year of athletics at DHS and presented a detailed slideshow with statistics. There were 354 student athletes in the Fall:

- Cheer
- Cross Country placed 3rd in Regionals with one student named to an All-Region honors and 9th in State
- Football (3 levels) play 5A Division, finished 4th out 6, graduated 33 seniors from Varsity, and had numerous All-Region honors in the group

- Baseball JV & Varsity (35 athletes) Finished 8th in the 5A North earning a Regional spot
- Boys Golf (12 athletes) 1 qualified for State
- Softball (16 athletes) Finished 5th and made the top 4

- Swim/Dive (29 athletes) 16 athletes qualified,13 went to State: boys team won Regionals and finished 10th at State. Dive had two boys get 1st and 2nd at State and one girl earned 8th
- Track & Field (59 athletes – 30 boys, 29 girls) 6 State qualifiers in three events: two girls qualified in 300-meter hurdles finishing 6th and 7th, one girl in 800-meter dash finished 8th, and 4x4 team finished 7th

Next Tuesday 20 students will be honored at the signing for college sports next week.

Trustee Brady asks what the academic requirement is for students. They follow what the NIAA has set in stone: 9-week compliance check in terms of academics with a 2.0 GPA and making sure there is no more than one "F". They also do a status check every 3-weeks for "F"s and they can't carry an "F" for the same class in that timeframe, so if they have it the second check, they will be ineligible.

Trustee Jackson asks about honors for athletes that hold a higher GPA. Mr. Senger verifies that there is an academic state accolades for students that hold an unweighted 4.0. She asks for this information to be included in a future presentation.

Mr. Pace, Whittell VP, made a presentation which Mr. Senger was able to present for him.

Fall Sports:

- Boys and Girls Soccer: Boys (15 athletes) finished 4th in League, qualified for State and advanced to semi-finals before falling into League Champion. Girls (15 athletes) finished 3rd in League and advanced to State semi-finals before losing to the eventual State Champion.
- Boys Cross Country (5 athletes) the Team finished 8th at Regionals and individually they had one runner place 2nd at both Regionals and State
- Girls Golf (4 athletes) one qualified for State

Winter Sports:

- Boys Basketball (JV and Varsity) (18 athletes) finished 5th in League
- Ski Team had strong participation with 18 athletes as well.

Spring sports:

- Boys/Girls Track: one relay team State Champion and three individual State Champions
- Girls Swimming: (1 athlete) first time in over 20 years that the swim program has been funded

Logan Robertson capped off his high school athletic career by becoming a 12-time State Champion after winning the 800, 1600, and 3200 for the fourth time in a row. In addition, Logan was honored with the prestigious NIAA Top Ten Student Athlete of the Year award for his outstanding athletic, academic, and personal accomplishments.

Trustee Miller shares a statement from Mr. Pace stating that over 50% of high school students participated in athletics this year across all three seasons. He thanks coaches, families, staff , and community members for the continued support of Whittell athletics and most importantly,

congratulate the student athletes for their dedication, perseverance, and accomplishments throughout the year.

12. Annual Renewal of District Property and Casualty Liability Insurance (For Discussion and Possible Action)

Presenter: Jeannie Dwyer, Executive Director of Human Resources

Item taken out of order

Brandon Lewis, USI Insurance Services broker/agent, and Alan Kalt, CFO POOL/PACT, share information with the board about the POOL/PACT program and how it works. Mr. Kalt presented each Trustee and Cabinet member with a challenge coin and speaks on the seven principles that are engraved on the edge of each coin: proactive, accountability, responsibility, strength, stability, safety, and service. Mr. Kalt speaks on the levels of service from the group: school safety, e-learning program, HR consulting, safety and law enforcement, health and wellness, and cybersecurity. Mr. Lewis goes over the policy review and proposal: DCSD is self-insured for the first $400,000 of every worker compensation occurrence, so the excess workers compensation, as required by the State, is covered with Incline Casualty with a premium around $50,000. What prompted this review is the lower property rates for current replacement cost values that have gone up 18%. The property liability package includes a wide range of coverage: property insurance which is called professional and employment practices liability, cyber insurance coverage, environmental or pollution coverage, as well as student accident coverage. Other resources included are safety and training, the online courses.

- Workers Comp Bond $6,800.
- $10,000 deductible limit, liability or property claim including earthquake, flood, fire, etc
- $500M per loss limit
- $10M per liability limit and subject to a $10M aggregate for the term
- $2.5M for sexual abuse claims
- $1M cyber risk limit
- Pollution coverage is built in with a $25,000 deductible
- Student accident coverage

Trustee Brady asks for clarification on the two amounts presented. Mr. Lewis explains that the $1,109,000 is the total renewal is for POOL Coverage and the $1,165,000 total premium includes the second year of the excess workers comp policy and the workers comp bond.

Trustee Jackson asks questions in regard to properties the board is considering selling, Would the policy reflect those saving in the current year or in the next year? The district would not receive money back if a property is sold, but it would be removed from the policy for the next year.

Trustee Miller asks about the cost per staff and since there are retirements and resignations will they adjust the cost with the numbers as of the start of school. Mr. Lewis explains that the quote is based on what was reported to the POOL in early January for the following school year. Any increase or decrease from that point will be in the snapshot provided to them next January for the following school year.

PUBLIC COMMENT: None

Trustee Brady asks Superintendent Alvarado why property insurance is paid from the general fund instead of from the buildings and sites fund. Superintendent Alvarado responds that it is a past practice and he can reach out to legal to see if their opinion supports shifting this expenditure to capital funds.

MOTION: Trustee Jansen makes a motion to direct staff to renew the District property and casualty liability coverage through the Nevada Public Agency Insurance POOL for the period of July 1, 2026, through July 1, 2027, as presented for $1,165,493.94. Seconded by Trustee Brady.

13. Resolution #26-~~04~~05- Hard to Fill Position Declaration *(For Discussion and Possible Action)* Presenter: Frankie Alvarado, Superintendent and Terri Willoughby, CFO

Item taken out of order

Superintendent Alvarado presents information on the positions that the district has determined to be hard to fill. Through legislation AB 398, Pathway 1: hiring incentive for teachers to be hired for vacant positions and Title 1 schools. Pathway 2, which this resolution is written for, is to provide a retention grant incentive for teachers. In order to do this the Board has to declare these positions as hard to fill. This resolution provides the declaration for these positions to be hard to fill and the authorization of District staff to submit an application for the grant money. The specific positions for secondary teachers are English language arts, math, science, or special education and at the elementary level it would include all teachers as each one teaches all of the subjects. Mrs. Willoughby has been in contact with Megan Peterson at the Nevada Department of Education and an MOU to provide incentive money to teachers has been sent. Superintendent Alvarado and Miss Lamb had a discussion before the meeting and he has a couple components he would like to add to the MOU for her to execute and then he will bring it back to the Board at the June meeting.

Trustee Jackson asks why this is coming as a resolution and how will the funds be used. Superintendent Alvarado explains that a resolution will be for this fiscal year, but extend into the next fiscal year. It will be good until the money is exhausted so the District won't have to bring back multiple items 2-years in a row, or bring an item that crosses over multiple fiscal years. Once there is a MOU with the association that identifies the employees in these positions they will look at the grant funds allocated, approximately $1.5M, a formula will be created to apply the incentive for employees to stay with the District. Every employee will be designated the same dollar amount.

Trustee Miller asks when the employees will receive the funds and if they get it at the beginning of the year and don't stay do they reimburse it to the District. Superintendent Alvarado states that's an operations piece, but he will give clarification on it. First the resolution, then the MOU, then Mrs. Dwyer and Mrs. Willoughby can work with the State, apply for the grants incentive, determine what will be given to every teacher. It is good for two fiscal years 2026 and 2027, so the formula will be created to cover all employees for both years.

15. Approval of Tentative Agreement for Collective Bargaining Between the District and Bus Drivers Chapter #6 *(For Discussion and Possible Action)*

Presenter: Jeannie Dwyer, Executive Director of Human Resources.
Item taken out of order

The Board will consider approval of the Tentative Agreement reached between the District and the Bus Drivers Chapter #6 following collective bargaining negotiations. The Agreement establishes terms and conditions of employment for the designated bargaining unit for the period of July 1, 2025, to June 30, 202~~9~~7. Key provisions include negotiated adjustments to compensation, benefits, and working conditions as mutually agreed upon by both parties. The Tentative Agreement has been ratified by the Association and is now presented to the Board for final approval. The fiscal impact of the Agreement is a reduction. Approval of this item will authorize implementation of all terms effective upon Board action.

Mrs. Dwyer reminds the Board of the ratified tentative agreement that was brought to them on December 18 was denied at that time due to the District's pending fiscal emergency and the critical need for further cost containment measures. This tentative agreement has the same ratifications presented for approval with the addition of some amended language and compensation which saves around $5,400 over the next 2-years with the cost of the contract.:

- Cost of the step and column increase
- PERS, workers compensation, and Medicare is approximately $12,731 per year
- 5-day contract reduction would be an estimated cost savings of $30,925

The language items reviewed were in regard to:

- Employee corrective action and discipline (written warning, written reprimands, and subsequent offenses)
- video surveillance and the sole use of it for discipline
- Contract days decrease for 1-year only, the 2026-27 school year (171 and 174 student attendance days)

Louie Trio and Juan Sanchez are in attendance to assist if needed. Mr. Trio speaks on the cost savings pertaining to trainings if they have to do them on non-work days will cost the District

less. Mrs. Dwyer verifies that they will be paid on a timesheet for specific training hours opposed to having drivers come in for a full day of work while still following FSLA (labor laws). In trying to find a way to reduce overtime, they have negotiated for compensatory time.

Trustee Miller asks for clarification using an example of a driver working 50 hours one week and 30 hours the next week. Is the driver able to flex 10 hours to the second week to get paid for two 40-hour weeks? Mr. Trio verifies that if a driver has 50 hours one week, they get time-and-a-half for the extra 10 hours, so they will have 15 hours that they can use 10 hours of on their 30-hour week which then reduces them to only 5 hours of overtime. The group uses a time clock to track their hours.

Trustee Jackson thanks Mrs. Dwyer for the Board memo that shows the history of negotiations and thanks the bus drivers for their time and working with the District to lower costs.

Trustee Brady asks what metric triggers the reopen clause. Mrs. Dwyer explains that they were trying for a 4-year contract, but decided on this 2-year contract, so as soon as it get approved they will go back into negotiations to start working on the next contract. The reopener clause was for if our financial situation changes in one way or another they would reopen and go back to negotiations like they did. Trustee Brady would like to see a definitive answer, for example if the ending fund balance increases to 8% it would trigger the reopen clause.

Louie Trio explains why they were looking at expanding to a four-year agreement instead of a two-year, but decided to stick with the two-year during this fiscal time. These negotiations started back in February of 2025 and are just now being completed. They will start again in February 2027 and they will be looking to expand to a 4-year contract with the reopener clause to avoid a full negotiation change, they could handle one or two language items or monetary if there is funding, or if the comp time needs changing.

17. Approval of Modification of Douglas County School District (DCSD) and Douglas County Administrators Association (DCAA) Meet & Confer Document for 2025-2027 *(For Discussion and Possible Action)*

The District and DCAA have reached an agreement on modifications of the meet & confer agreement for the term of July 1, 2025 to June 30, 2027. The modifications include a temporary five (5) day calendar work day reduction for non-instructional work days, and a modification of the vacation day payout and accrual for the 2026-2027 school year.

Item taken out of order

Superintendent Alvarado goes over the new language in the agreement:

- One year, temporary, 5-day work reduction
- This Meet & Confer covers July 1, 2025, through June 30, 2027, so it satisfies this entire biennium.
- Temporary (1-year) modification to the paid vacation. Administrators receive (2) paid vacation days per year and in the current language they can accrue up to (8) days and any days in excess the District would pay out. This is not fiscally responsible to continue to pay out these days so they agreed to increase the accrual to (14) days. If someone were to retire next year there is a provision that they can get paid out their accrued vacation time.

18. Amendment of Board Meeting Dates and Locations for 2026 calendar year (For Discussion and Possible Action)

Presenter: Yvonne Wagstaff, Board President

As part of its annual organization, at the January 2026 Board Meeting, the Board approved the schedule of Board Meetings for the 2026 calendar year (February 2026 - January 2027). The schedule is offered for amendment of the June meeting date.

Trustee Miller explains that there will be work on the fire system on June 25th and they may not be done by the time the board meeting starts. It would be beneficial to move to the 18th, Trustee Zinke will not be able to attend on the 18th.
June meeting will remain on the 25th, but will be moved from the Lake to the Valley (ATC).
The board discusses keeping the July meeting on the 16th, no change of date or location.

20. Board Policy 518 — Graduation Requirements *(1st Reading) (For Discussion Only)*

Presenter: Leslie Peters, Assistant Director of Education Services

Mrs. Peters speaks on the changes to this policy due to Assembly Bill 501 additions passed in the last legislative session:

- students in 7th through 12th grade to earn outdoor recreation credit (up to 2 elective credits) for example:
    1. rebuilding trails
    2. bird watching
    3. Boy Scouts earning their Eagle Scout
- Millennium Scholarship requirement is out of place when the table is all about types of diplomas so it was cleared out

Administrative Regulation 518(g) is the exemption of credit for students for PE and now students can have up to 2 credits of PE exempted. This AR has been made a little broader so that it doesn't have to come back with added activities that can count for exemption.

21. Real Property Asset Overview *(For Discussion and Possible Action)*

Presenter: Frankie Alvarado, Superintendent and Terri Willoughby, Interim CFO

Item combined with item 5 discussion

Superintendent Alvarado reminds the Board that at a previous meeting Mr. Zinke asked him to prepare an item where the Board can review possible alternative locations for the District office. He clarifies that Mrs. Willoughby and himself planned a real property asset analysis, so in this presentation the Board will see an overview of every parcel the District owns or that is recorded with District ownership with the County and alternative options for the District office location to go through the Board's authority to provide direction today for the real property that is owned. He reviews the current real estate portfolio for the District and identifies opportunities for optimization, looking at assets and having key decisions for underutilized assets to make sure the District is reducing operational cost. The Boards guiding principles for this item is ensuring prioritization for education, practicing fiscal stewardship, and transparency with the community with the properties owned and the direction the Board is providing the District to take those properties. There are community and legal considerations as you look at the properties, each property has zoning that is recorded at the County, that may have entitlements applied to that zoning, statutory requirements for the Board to follow, and stakeholder communication needs to increase.

Mrs. Willoughby explains NRS 393, which governs the disposition of school assets, and how it

relates to our properties and their decision to make agreements to use, lease, or sell them. The Board must appoint one appraiser and the State Superintendent of Public Instruction appoints a second appraiser that will present to the Board at a future meeting the cash value and or rental value of the property, the Board would then adopt a resolution to sell or lease the property. The property may be sold through a bidding process or through a licensed real estate broker, but not an exclusive listing to one broker. The selling price cannot be less than the appraised value. If there are no bids meeting the criteria, the resolution must be amended, a subsequent meeting set and bidding opened again. Eventually, if you do not get the appraised price you can sell to the highest bidder, but you have to go through several rounds of public meetings. The sale must be a cash sale with no less than 25% down with payments no more than 10 years. The total District portfolio is (12) properties encompassing 241 acres and over 503,000 square feet.

- Active campuses: (12) schools on (10) District owned parcels and one deeded parcel, which is the Lake schools.
- Administrative support sites: Two facilities, the Airport Training Center and the District office.
- Vacant and surplus properties: one unused school site and one vacant parcel of land, which is currently zoned as a detention basin.
- Leased properties: one leased property, which is the museum building that is leased to the Douglas County Historical Society.
- The first asset discussed is the Virginia Ranch Homes that was donated to the school district in 2024 by an agreement by the developer, which was not executed or recorded. However, the development is conditioned upon those properties being deeded to the school district. Unfortunately, the original developer has passed away, however, the entitlement on the property and that development stays to whenever those properties are completed.

- (10) high-performing assets which are fully utilized and in good condition. One school site, CCMES, has been consolidated to another elementary. The assets requiring Board consideration are:
    - CCMES – (3) parcels total over 10-acres with 52,000 square foot primary building area with a taxable value of $5.2M, zoned general commercial.
    - District office, which is an administrative office covering (2) parcels total 0.72 acres, the primary building being over 5,000 square feet, taxable value is $991,000, zoned general commercial with a second zoning on the other parcel of parking.
    - Vacant land is 16.31 acres, currently a detention basin, taxable value of $430,000, zoned vacant commercial.
    - Museum facility is part of a combined parcel that includes CVMS. The museum building is 8,000 square feet with a replacement cost listed as $1.6M. The total parcel acreage is 25.72 acres and is zoned general commercial.
    - An additional very small well site which is located near James Lee Park in Indian Hills.

Superintendent reminds the Board of their decision to allow him to work with the Town of Minden in regard to the transfer of the District Office vacant property known as “the dog park”. The Board will also need to determine where they would like to place the District personnel and what they would like to do with the property the building is on.

Trustee Jackson states that at this time the District office building is the most reasonable place for the personnel to be and there is no cost to move back into it. If the staff are placed in any other facility there will be accompanied costs.

Mrs. Willoughby explains that if the Board wants to do anything with the Museum property the parcel would need to be subdivided, a cost of about $20,000. JVES property could be subdivided as well. There is a financial impact for inaction as sites that sit without maintenance will cost more to care for later. There is capital tied up in these properties that can be used for one-time projects.

Superintendent Alvarado gives the strategic options for any of the real property assets:

- Hold
- Repurpose or consolidate
- Lease for short or long term
- Dispose or sell

There are three recommendations for the Board:

1. Declare CCMES as “surplus property” and authorize a resolution come back to open bidding for the purchase of the property. (There are harmful effects with this option)
2. Consider a subdivision application for Jacks Valley.
3. Authorize the CFO to renegotiate the lease at the Museum facility.

Trustee Zinke is not in agreement to keep the District office building and feels the Board needs more information on the other sites and the cost to improve them for the district staff use. Trustee Jackson speaks on the fact that most likely there will be consolidations in the future. At this time, it doesn’t make sense to move the District office to another school site and cause another move next year.

Trustee Jensen feels that the most sensible plan is to keep the District office and utilize it for now.

PUBLIC COMMENT: Blaine Spires speaks on the space at CCMES, that Parks and Rec owns a parcel adjacent it and the tight space they have at SES with the consolidation. He would like CCMES to be a short-term site to hold items that are shared by the consolidated schools so that they can utilize them as needed.

Matt Bernard, member of the historical society, born and raised in Douglas County. He would like to convince the Board to allow them to obtain an appraisal on the museum building in hopes they may be able to purchase it in the future.

Alecia Main, member of the historical society, offers to put together a presentation for the Board to show how they use the facility.

Adrienne Sawyer, parent, appreciates the overview of the properties, but mentions some of the missing information in the presentation: there is no map to show the well site or its size and value. She encourages the District to explore partnerships with other community entities such as the Town of Minden in regard to the District lots “dog park” and the County Stormwater Division in regard to the detention basin. She is in agreement of the subdivision of the JVES property only if there is a demand and demonstrated financial benefit, and only after the Board decided whether or not it will remain an active school. She strongly opposes the termination of the museum facility lease unless they are open to it. She also opposes an interfund loan from building and sites to the general fund as she feels it is a short-term fix for a long-term structural

problem that increases interest costs while risking staff reductions and consolidations.

Jeannie Dwyer comments on the District office and would like the Board to think of a space for all staff to be together and not on a school site where the safety of students can be jeopardized.

Trustee Brady asks Superintendent Alvarado what the source and use of funds would be with an interfund loan. Superintendent Alvarado states it would be an emergency situation if there is a lack of additional revenue through the PCFP in the next biennium. If we continue to experience declining enrollment at 100 to 200 students per year, which is a $1M to $2M less revenue, the loan could keep us from going into the negative and maintain local control rather than continuing to report to the Department of Taxation. He is confident that we will reach sum zero next year, but the legislature hasn't decided what mechanisms they will change within the PCFP or if they will increase the base allocation.

Trustee Miller asks about the use of CCMES for district staff and the use of classrooms for the SES/CCMES overflow of equipment and if it can be utilized by students for field trips. Superintendent Alvarado states that the site is doable as a District office and there are several spaces that could be designated and used for Mr. Spires requests on a field trip basis. Pau-Wa-Lu also has classrooms that can be utilized for SES needs and is in walking distance. Trustee Wagstaff asks instead of considering the District office be in a pod at Pau-Wa-Lu, could they utilize that wing for Scarselli. Superintendent Alvarado states that the rooms are already set up as classrooms with desk and technology equipment for teachers to utilize. It can be made to work at either site. Trustee Miller comments on a middle school consolidation, whether it is 5-years down the road, the stuff that is moved to Pau-Wa-Lu for SES use will need to be relocated or sold off. Trustee Wagstaff reminds her that if enrollment continues on the same decline there will be less students at SES and therefore the items could be moved into the site. Trustee Gneiting feels that the saving from the CCMES consolidation will be lost if the site it used again and there is available space at PWLMS and unfortunately, with the decline it can be probably be moved to SES in a couple of years.

Superintendent Alvarado brings the conversation back to Mr. Brady's comment of making a decision on the District office location and the Board staying at the oversight level rather than down at the boots on the ground level. Trustee Wagstaff agreed and asked legal if it is recommended that they lump their decision into one motion or can they take multiple actions. Legal counsel stated that if they can determine what they want and make it in one motion or state one motion at a time. Trustee Wagstaff made the decision to make one motion at a time.

Trustee Jackson agrees with Trustee Zinke that there is not enough information to determine locating the District office anywhere but back in the original site. Superintendent Alvarado asks for clarification on what information has not been provided. He asks her if she is looking for an itemized list of what renovations need to be made to move the District into Pau-Wa-Lu because we moved the District staff into GES with no modifications. If you are speaking of sound proofing on a wall, that is minimal. He reiterates for clarity, what exactly are they wanting so that he can work with staff to prepare that information. Trustee Zinke states he would like: the locations it could go, a list of pros and cons - how it would work or not work for each site according to all the information. Some of the information will be opinionated, that's fine, some would be factual, whether it's a sound wall or modifying rooms, and the opinions of vetted people, like Mrs. Dwyer statement. Superintendent Alvarado understands the request and states that it a mistake to treat this as a considered a consolidation as this would be the sale and disposing of the District office and moving the staff somewhere else. He asks the Board to make a motion to give him additional direction today. Terri Willoughby comments that like selling

your home, it is easier to sell a building that is occupied. Trustee Brady states, " You have been having these conversations long before I arrived and at this rate you will be having them well after I leave", he feels this presentation shows a lot of opportunity: subdivide Jacks Valley property, work with the historical society to perhaps have a sale or renegotiate a lease, he doesn't see much with the detention pond unless it is turned into a pool, and with respect to the District office he notes that the recommendation of the Superintendent has not changed, it has been consistent all along the way. He quotes lyrics from Tears for Fears," I can't stand this indecision married with a lack of vision" and states that is where they are at. The Board needs to make a decision and not make the Superintendent chase his tail. Trustee Jansen agrees 100% with Trustee Brady.

District Office:

MOTION: Trustee Jansen motions to move the administrative staff back into the District office. Seconded by Trustee Brady.

VOTE: 7-0

Trustee Gneiting asks to move on to the museum site and doesn't feel like we renegotiate the lease, but should look into selling the building to the historical society and asks if the Board should propose that avenue or the subdivision of the property first. Mrs. Willoughby states the first step would be to direct the Superintendent and CFO to seek proposals for professional services and bring that contract back to the Board with an outline of what the steps should be. Trustee Brady comments on the recommendations and what additions they can make to them to provide a motion for each site.

Museum:

MOTION: Trustee Gneiting makes a motion to direct the Superintendent to seek proposals for professional services and next steps on the museum. Seconded by Trustee Jansen.

VOTE: 7-0

CCMES:

Trustee Zinke asks about the previous discussion of not utilizing CCMES and clarifies that just because there is a recommendation he vows not be a rubber stamp. Trustee Brady states a recommendation is a recommendation not a mandate. Trustee Wagstaff clarifies with that previous Board decision was that CCMES would not be utilized for any District use. Superintendent Alvarado comments on the Boards previous and current concern for cost savings and utilizing the building for any purpose would reduce the cost savings that are being anticipated, $938,000. Trustee Wagstaff asks Superintendent Alvarado for proper direction needed to move forward. Superintendent Alvarado state the Board will make a motion to direct the Superintendent to bring back a resolution to declare this as surplus property.

MOTION: Trustee Zinke states, "So moved". Seconded by Trustee Jackson.

Trustee Miller shares her concern of a charter school purchasing the property. Trustee Wagstaff states that although she doesn't like the idea of a charter school being in the District and further reducing enrollment, if they provide students with a good education, so be it, families need to make those decisions. Superintendent Alvarado clarifies that this meeting along with a follow-up

article with the Record Courier will announce that this property could potentially be deemed as surplus property and sold. Any interested party will reach out to the Superintendent office and will then be brought back to the Board for next steps. Trustee Miller asks that he reach out to the Town of Gardnerville to see if they have interested. Trustee Gneiting asks that he reach out to Gardnerville Ranchos GID as well.

VOTE: 7-0

JVES:

Trustee Wagstaff asks whether the property to be surplused needs to be subdivided first. Superintendent Alvarado confirmed that it does. The motion, if you want to pursue this, would be to authorize the Superintendent to submit a subdivision application to the county.

MOTION: Trustee Zinke states, “So moved”. Seconded by Trustee Jansen.

Superintendent Alvarado states that it is essential to make a decision today as the next time the County reviews this is in June, just a few weeks away. Otherwise, it will need to wait until January.

Trustee Wagstaff clarifies this is to submit an application to subdivide.

3. Consideration of Consolidation of Jacks Valley and Pinon Hills Elementary Schools *(For Discussion and Possible Action)*

Presenter: Frankie Alvarado, Superintendent and Cabinet Leaders

Superintendent Alvarado thanks all staff, parents, families, and students that joined the District today to share their input with the Board. He shares timeline information and ongoing communications with NDE. With regard to the attendance zone the criteria are that in peak traffic time if a location takes 30 minutes or more to arrive at from the District office then it can be considered for a new attendance zone. What the District has done with the budget presented at the May 19 Board Meeting is a temporary situation. The District will continue to use viable information to continue to bring the District to fiscal compliance. These difficult discussions cannot be dismissed and need to happen. The District and Board keep the concerns and emotions of the staff and community in mind during these times.
New information received by the District:

- Consolidation spoken about at 7 different Board meetings this year, starting December 3, part of those discussions were ideas, wishful thinking, that the State would qualify the District for new attendance area adjustments for JVES
- Commission for school funding recently had attendance area adjustments on their agenda on May 15. Douglas County did not make the agenda even though requests were submitted. In the last two biennia the Legislature has not taken any recommendations from the Commission on school funding. At the May 15 meeting the Commission decided to combine four attendance zones in Washoe County School District and is making recommendations to amend the criteria. Current criteria states 20 miles from the District office as the crow flies. The new criteria recommendation to be added to the 20 miles is if it takes 30 minutes in peak traffic time to go from the District office to the school site then the District would be eligible to submit an application for a new attendance zone. Unfortunately, Douglas County does not qualify for either one of those conditions.
- The Nevada Department of Education intends to apply the criteria within the attendance zone requirement across all Districts in the State of Nevada in accordance with NRS. The new modified criteria still have to go before the Legislature in the next biennium, which will start February 2027.

- Relief is not expected through PCFP, legislation, commission on school funding, or the Nevada Department of Education so the District must be more conservative.

Superintendent Alvarado explains to the Board that this meeting is for them to have open discussion and they cannot converse outside of the meeting as it would be an OML violation. The only time to speak on these types of issues has to be in a public setting, such as this meeting, and provide community members, employees, students, parents, and families a time to voice their opinions in these situations. Other factors in the "why?" are:

- as Mr. Patrick mentioned a retirement, every time there is a turnover in positions there is a review and analysis. This is an internal control process that was implemented in January 2025. It does not mean a position will not be posted or filled.
- Infinite Campus enrollment data is still trending down. This month alone, May 6 to present, there is a decline of 5 students at JVES.
- The District has been placed in Fiscal Watch by the CLGF and the Department of Taxation, which is one step closer to receivership. In reviewing the criteria, DCSD meets 6 of the conditions within NRS severe financial emergency. It only takes one met criteria for Taxation to place the District in a receivership and take local control away. The Department of Taxation has the authority to levy additional tax dollars for every homeowner in the county. Currently homeowners pay $3.66 for every $1,000 of assessed value, the Department of Taxation could in crease that to $4.50. This has an impact larger than DCSD, it has an impact for every homeowner in Douglas County and that is why it is important for the Board to have these discussions in public no matter how uncomfortable the topics are and allow the community to share their opinion.
- The District cannot run on "what if?" scenarios, it has to take the most conservative approach. It is forced to make structural changes within the budget. What has been done in this budget year, what was presented to the Board and approved on May 19, are temporary adjustments for one year. They allow the time for the District to make structural changes to break the cycle and be fiscally solvent for years to come and provide the best possible education for kids.
- Capital projects of approximately $1.1M have been approved by the Board, however, there will be a new project coming up in the next school year for a boiler replacement which could be between $500,000 to $700,000 depending on the bids. There is substantial investment considered for the JVES property, which is necessary. The Board needs to determine if that is a viable option given the newly received information.

The Board has no authority over the Nevada Department of Education or the legislators, only over Douglas County School District. The Boards supreme authority and responsibility is to ensure DCSD has a fiscally sound budget and no budget violations. It is expected there will be multiple budget violations in the next audit as the Board has heard the CLGF has concerns about spending through the All Funds, which are restricted dollars. It is important for the Board to be aware of what the law is, how to get back into compliance, and trigger directives to staff to reach compliance as swiftly as possible.

Superintendent Alvarado shares with the students, staff, and parents that the District cares about all of them, about all schools, and the District. These difficult discussions cannot be avoided, they must be discussed until the budget is structurally sound. The Board cares about everything as well, but they have to speak about these things today. Timing is not good, but with the new information of not getting a new attendance area adjustment the Board needs more public discussion. This presentation shows what changes may look like not that any decisions have been made. The Town Halls listed will only be triggered if the Board makes a decision

today.

Ms. Mitchell presents the facility capacity review and what it is based on at this moment. Open enrollment initiative guidance was used to assess capacity. She speaks on the differences in the numbers given a few months ago and new data. Several spaces were left off of the initial capacity review as they were not in the NDE allowance for open enrollment: Kids club room in the MPR, IEP meeting room, and workroom. However, these spaces were reconsidered as possible spaces that could house students in the second review. Another difference is there was not a max capacity attached for the Autism CLS classroom as there are multiple spaces functioning for those students. Each of those rooms has an individual capacity, but at the current moment they are serving one population. The third reason the second review numbers are higher is due to PreK, they have a morning and an afternoon session, so the total capacity it 48. Each session is kept around 22 students, but it can go up to 25.

Trustee Miller asks about the literacy library and maker's space and whether they will remain or be used for other needs. Miss Mitchell explains the final decision for what goes in each room is not hers, but with the original review there was still space for a resource room not a literacy library or maker space.

Trustee Jackson asks for clarification of the numbers listed for classrooms: 17 at JVES and 15 at PHES and when put together the information shows 27 of 27 spaces being utilized, but the math is 32. Miss Mitchell shares that those numbers are more about student to staff ratio on Mrs. Dwyer's side.

Mrs. Dwyer speaks on the graph showing class size ratio plan that has been presented at several Board meetings and Town Hall meetings. This used to be a funded mandate per NRS, there is no longer funding but the data on class size still needs to be presented to NDE. This data is the average for grade levels across the district. The projected 2026-27 enrollment for JVES & PHES is graphed for transparency. This used to be a funded mandate to decrease class size and add teachers. This is no longer funded. However, the District still has to submit a plan, with the State, that shows how it will reduce class sizes in order to achieve their prescribed ratios . The three listed teacher positions are not loss of teachers they are open positions that would not be filled. The chart is by level across the entire District, not by school site. In response to Trustee Jacksons question: the 27 of 27 classroom ratio was reached by combined numbers of JVES and PHES students using current data from Infinite Campus. Kindergarten for example at JVES would require 5 classrooms, but JVES students combined at PHES would need 4 classrooms with a ratio of 24:1, approximately 2 students over the projected ratios the District tries to keep. This would decrease one teaching position for the District. Keep in mind these ratios do not account for partially enrolled students or PreK students. The three positions that are shown reduced by consolidation does not mean reducing teachers in-force, there are open/vacant positions that would not be filled.

Mrs. Miller states that the number of staff at PHES gave her was over 600 enrollment and the graph shows 536 students and she would like to know why the numbers differ. Mrs. Dwyer explains the data used is current to date for 2026-27 enrollments in Infinite Campus:

- PreK and TK are not included
- Only currently received registrations for Kindergarten 26-27
- Current 5th graders are not counted, as they will be leaving

Trustee Zinke asks about the (4) classrooms that are open. Mrs. Dwyer speaks on those rooms being held for possible PreK and TK students. He would like these numbers to be included in

the future. Mrs. Dwyer explains most PreK is not funded and that may be why the data didn't pull. The numbers change rapidly, but she will be sure those grade levels will be present with future data.

Mrs. Peters speaks on Read by Grade 3 and explains the testing that is involved for the intervention and the number of students currently receiving the support. She would like both literacy specialists to be placed at a consolidated school. EL specialists also supply services and recommended to keep them for adequate support. All teachers will be required to have language acquisition by 2030 to keep their licensure.

Ms. Mitchell runs through the Title 1 numbers and the impact it may have with a consolidation. PHES could retain Title 1 funding for 1 year and then most likely lose it the following year as the combined percentage would be 32.6% and the qualification is 35%.

Trustee Jackson asks if we receive the same funding every year how does it get allocated to Title 1 schools. The District receives $550,000 which is divided to schools with a 35% FRL threshold and then allocated per student at that site. Does our enrollment play a part in what amount is funded to the District? Yes.

Trustee Gneiting asks what JVES uses Title 1 funds for at this time. They use it for Professional Development for staff, subs, and general supplies for intervention teachers.

Trustee Wagstaff ask about the funding being used toward PreK and if it is not used anymore then it will be spread across each site. Is it likely that they will receive more funds if spread out amongst the schools? Yes, for one year they could be allotted a larger sum.

Mrs. Kidman-Delaney goes over the special education programs at both JVES and PHES and the differences between the current PreK classes and the new NV! Ready PK program. With a consolidation there will be over one hundred speech students alone, so the District must maintain staffing ratios appropriately and numbers for caseloads. Adequate space is critical for students with disabilities.

Trustee Gneiting asks if there would be adequate space with the consolidation at this time. Mrs. Kidman-Delaney states that she would need to walk the campus again, but it would be tight.

Mrs. Willoughby speaks on the JVES approved HVAC project last year and a change order can cancel it if necessary as there have been no expenses to date. The newly approved Boiler project can also be cancelled and the CIP cost savings can be shifted to other priority projects would have a saving of just over $1M. The cost savings analysis for JVES and PHES consolidation is broken down by position with an estimated savings of $1,128,614.

Trustee Jackson asks if the consolidation is not done until the 27-28 school year would the project need to be completed or could the units last until then? Mrs. Willoughby does not have that information, but will reach out to the project manager and get back to the Board.

Mrs. Willoughby speaks on the salaries for the consolidation and explains that the number given is an <u>average:</u>

- current teaching positions at $124,975, so some make more and some make less
- only one principal position needed would have a cost savings around $200,000
- addition of a full-time vice principal

- secretaries – currently 2 at each school, would be reduced to 2 total
- custodial – currently 5.5 total, would be reduced to 3 total
- media tech – currently 1 at each school, would be reduced to 1 total
- counselor – currently 1 at each school, would be reduced to 1 total
- nurse – currently 1 at each school, would be reduced to 1 total
- grade level teachers – currently 26, would be absorbed to 23 due to the 3 open positions remaining unfilled.

Trustee Zinke would like to know what the projected total was including those 3 positions. Mrs. Willoughby explains that the numbers show the average for the budgeted figures for actual positions and is the closest estimate at this time based on the current budget. Superintendent Alvarado speaks on the cost saving analysis and reminds the Board that it was first presented to them on January 7th and is about $894,000 cost savings taking the lowest compensated person in each of the classifications. There are very few first step applicants, most have 8 to 10 years of experience, so they are middle of the road in terms of placement on the salary schedule. Trustee Zinke asks what the difference is in the projected and actual savings costs if they use CCMES/SES consolidation as a reference. Superintendent Alvarado states that a rough estimate would be $800,000 as an additional half-time counselor has been added to Scarselli with the consolidation and PWLMS has the largest counselor caseload so the District added a half-time counselor there as well. So, there is 1 full position that the District did not move forward with removing. A second counselor will most likely be added if this consolidation is approved.

Superintendent Alvarado presents on JVES transportation for approximately 190 students on 7 routes, at this rate buses are half full. Transportation has kept in mind that 3 more routes may be needed due to an increase in ridership. Students would have approximately 17 minutes added to their transportation time morning and afternoon for a total of 34 minutes roundtrip.

Trustee Jackson asks if the district will need to purchase more buses for the increased routes. No, the district has a surplus of buses, almost one extra bus per route.

Trustee Zinke asks what the current ride time is and does the extra 17 minutes make routes more in the 45-minute time range. Superintendent Alvarado shares that he does not have exact times, but transportation has confirmed that the ride time is less than that of the students that ride from TRE to the valley for school.

The last slide of the presentation is the options for the Board to consider.

1. Not an ideal option
2. Most ideal to give staff and families of each site time to have collaborations, Principal Reid to assess the spaces, and
3. JVES staff are not on board with this option

Trustee Zinke feels the consolidation should be pushed out to 2027-28 with continuing to monitor enrollment. He feels this is the accurate consolidation to bring back to the Board, but 2026-27 is not the year to do this.

Trustee Miller speaks on the fact they knew another consolidation was coming, but having a year to see the shortfalls with the current consolidation to make adjustments to avoid the same.

Trustee Gneiting asks how we got back to these two schools. Superintendent Alvarado reminds

them that this is one of the consolidations that was taken off the dashboard and with new facts that have arisen brought it back. The officers had a discussion and felt this was the next consolidation to be brought back to the Board.

Trustee Brady makes a statement that the Department of Taxation wants to see the Board making good decisions and therefore option 4 is not an option. He feels that an option needs to be chosen tonight to keep things moving in the right direction.

Trustee Jackson states that if we do nothing the State will come in and take over. She feels that with the first consolidation they are on track to look at other elementary schools as they are not able to move sixth grade back and combine the middle schools. She feels the district needs to send out letters of intent to the families of the two schools to be considered for consolidation.

Trustee Wagstaff reiterates that no conversations or decisions have been made prior to this meeting. They feel very strongly about OML and being transparent with the community.

PUBLIC COMMENT: Becky Goins speaks on the Record Courier article in regard to the retirement of a principal triggering this consolidation instead of hiring a replacement and then continues with the possibility of selling the land that surrounds JVES to a developer as an opportunity to create housing in the area instead of a consolidation.

Jen Kelly, JVES teacher, speaks on the need of Title 1 funding to support the student population that is over 40% FRL and need the funding for the continued resources.

Cristine Jezek speaks on the Title 1 funds and what they pay for: intervention teachers, before and after school tutoring, decodable readers aligned to the science of reading, materials for engineering kids, math camps, Lexia club, summer school for this July which includes field trips with an emphasis on history and science, registration fees for professional development for teachers with the writing revolution, and professional reading books for book clubs. These are critical supports for students who need additional academic assistance. They are essential tools that help students reach long term success.

Amanda Wolfe, teacher at JVES, feels that a consolidation decision this late in the school year would cause RIFs and home stress, distrust of staff, and unable to travel the distance to the new school. It would be further beneficial to collaborate the two communities and make the consolidation more comfortable. She asks that they are given a definitive timeline as the uncertainty is difficult for them and more importantly their kids.

Brandi Bray-Torres, reading specialist at JVES, thanks the Board for being reasonable as Option 1 is not reasonable. Please do not separate staff in a phase out plan and let's make a decision and stick to it. It has been a roller coaster ride, it's been rough.

Kelsey Hoult, parent, questions this last-minute decision. Please wait and see what happens with the first consolidation to see what impact it has. There needs to be clear evidence of education success with the first consolidation before the district moves forward with another one.

Luke Hontz commends the District on hiring Terri Willoughby as CFO and thanks Mr. Alvarado's willingness to lead during a difficult time. Respectfully, he asks the Board to look into increasing revenue by contacting engaged County leaders, legislators, local businesses, and gaming partners. Have you explored grants, partnerships, special funding, or other creative solutions?

He asks the Board to pause the proposed consolidation, allow the new CFO time to fully evaluate the situation, learn from the first consolidation, and ensure every alternative has been explored.

Janise Howard, special ed aide at JVES, knew this was inevitable and asks the Board to wait on consolidation of JVES and PHES. It instilled fear in the staff and created a divide.

Chris Masterson, father of 2 at JVES, speaks on the 4 options given. Glad to hear there was push back on the phased transition from the cost saving and human standpoints. Reiterates that stakeholders are pushing back at the state level, as what they are incorporating is not working. They are not funding rural areas appropriately.

Adrian Sawyer, parent, recognizes that the board is doing the best they can with the information provided to them.

Matt Cooper expresses concern of late notification, less than a week, to parents. It is poor service to the community you serve. It has affected the teachers and students. He urges the Board to consider every feasible avenue.

Amy Hannink, mother, moved from Elko county to this District. 1. Provide student focused impact on consolidation. 2. Survey to families if they will stay in the district, homeschool, or leave the community with this consolidation.

Michael Keehne, father, thanks the teachers, recognizes the board has a tough job with the shortfall of the budget.

ONLINE: Erin Kambra, parent, mental health professional in the community, doesn't see any social workers on the staff list for either of these schools and feels there may be a lot of adjustment issues arise with the consolidation.

ONLINE: Susan McNeall, SES Principal, opposed to an immediate consolidation as it has been difficult for the CCMES and SES staff.

Maxine Cahill, parent, feels the timing is off on this and there was more information that was to have had which parents were not aware of.

Pam Gilmartin, JVES Principal, is disappointed that this came to their school in the last four days of the school year.

Nina Morris, parent JVES, is concerned about the safety of transporting students across the HWY 395 and more buses in the Stephanie area would be detrimental.

Kate Kennedy, parent, moved to the Pinion area for the close nit community and school.

Kendra Wilson, resident, excited to being so close to JVES that once their children were school aged they are within walking distance. If this is due to the retirement of a Principal this is an HR failure and at the feet of the Superintendent.

Amanda Lang, parent, speaks on the mental health affect on students and families.

DRAFT

Ashley Nilssen, teacher PHES, the timing was very poor with this situation. Relieved to hear that option 1 was not an option anyone wants to choose at this point. On record that it has nothing to do with the population of the community and staff at Jacks, “we would invite you in”.

Ala Ervin and Abby Horning, students at JVES, talk about how upset they are about this decision and even though they are not affected as 5th graders they have younger siblings that will still be there. They are sad that they will never be able to go back and visit if it closes.

Amelia, JVES students for 3 years, feels it is not fair that new students won’t get to come to this school. It has great teachers and people that support you.

Jason Reid, states Pam and the JVES staff are amazing and he is proud of them. He talks about the discrepancy on the number of classroom at PHES, 29 classrooms, 3 modified classrooms for CLS/Autism. He recommends that they choose option 4 tonight and states they should follow the staffing ratios that they approved in February.

ONLINE: Alyssa Park, SES teacher, disgusted of the timeline of the decision to bring this forward at this late time. Speaks on the spacing for students with special needs

Brian Patrick asks about the JVES PreK full day that was approved for this next year, will this still happen if consolidated. Why are people leaving for homeschool? There is something in our community that is broken, if the District is struggling where are the community leaders that should be helping to understand and heal to move forward.

Megan Stocks, JVES parent and DCSD custodian, points out that she knew this was coming based on previous Board meetings. It is sad, but this is something outside of their school and was in existence before Mr. Alvarado became Superintendent. There is not enough housing for a lot of individuals to live in our community, the cost is too high. If people have been watching Board meetings they would know this is not new and has been discussed several times.

Andrew Fromdahl, Principal MES, 6-years were at CCMES and 13-years at JVES. He shares encouragement and as a District we need to be collectively comprehensive. Decisions must be careful, flexible, and creative with responsive problem solving. A consolidation impacts all schools and they have to work collaboratively.

ONLINE: Carrie Auckenbach, parent, our valley is not a small community anymore. She feels consolidating schools is a short-term solution to the issue the District is facing.

ONLINE: Nicole Serrano, parent JVES and sub, extra time on a bus increases discipline issues. She is still waiting to hear back from the Principal on a bullying report that took place over two weeks ago. With increased students how will discipline and safety be taken care of.

Jessica Johnson, mom, considered homeschool before enrolling at PHES. She can’t imagine the school housing double the student capacity. Makers Space is a big deal to these kids as many do not get to engage in these activities at home.

Clarissa Cavaness, parent and acting PTO president at JVES, they were on a waiting list for Grace Christian Academy and there was only one spot open. They ended up going to Jacks Valley, mainly because the bus stop was in front of her house and her kids wanted to get on the bus. She has ended up spending a lot of time. A parent is pulling two children from Jacks to attend Grace Academy. Some conversations she has had shows some single parent

households will opt to go to Carson for lower cost housing and more school options.

ONLINE: Emily Overt, Kindergarten aide at JVES, speaks on the community aspect. She attended JVES and her children attend. There is an emotional connection to JVES for people who attended there. She states they are being fear-mongered into closing the school, it is like a war zone with staff right now. She addresses Frankie, as she will not address him as Mr. Alvarado because he told her to call him by first name, about the Friday meeting and her opinion that it was a fear-mongering meeting that was not fair to staff or parents to have done to them. She states it turned a very united school front into a very scary union. She is thankful the Board is asking questions that matter and for seeing the reality in this. As a family, they can recover from this, but it is a community that cannot be shut down.

MOTION: Trustee Brady motions to authorize the Superintendent to file legal notices to consolidate Jacks Valley and Pinion Hills Elementary for the 2027-2028 school year. Seconded by Trustee Zinke.

Continued Board discussion about the notices that need to be sent out and the timing of them. Legal confirms that the Board can give directive on the timing of notices at a future meeting. Trustee Zinke asks that they make sure it is October or later as that is when they get more accurate enrollment numbers. Superintendent Alvarado acknowledges the request and suggests that they wait until after the December budget amendment, so that they also have accurate budget data. Trustee Miller asks if the timing would be acceptable to the Department of Taxation and CLGF. Superintendent Alvarado has his first meeting on Friday morning in fiscal watch and he will ask.

The Board would like Superintendent Alvarado to use the December meeting date for his notice.

VOTE: 5-2 (Motion Passes) (Trustee Jackson and Trustee Gneiting – Nay)

Trustee Brady explains to all in attendance what has been done in reaching out for assistance and guidance and what can be done as a community in the new legislative session. He shares the contacts he has made and that the money is there, but the Governor will not release it. A coalition needs to be formed during this next session and make a voice heard at the legislature.

Hello,
I'm emailing in regards to agenda item three, the possible consolidation of JVES and PHES. My son attended Jacks Valley Elementary School from 2018-2023 and is now currently attending CVMS. My son is neurodivergent and his time at Jack's Valley helped set him up for success, every teacher he had and the administration were deeply invested his success and wellbeing.

Consolidation of these two schools would result in lay off of many qualified and exceptional staff members. It would be a disadvantage to the students of both schools as classrooms would become overcrowded. The students should not be the ones that have to suffer because of this district's continuous issues with fiscal irresponsibility.

Thank you for your time.

Hello, I'm unsure if I will be able to make the meeting tonight so I wanted to be sure to submit my comments and concerns to all just in case. Please see attached/below, unsure of which format was better. Thank you for the opportunity to be heard.

Tiffany

My name is Tiffany Kaplan and my husband and I completed our schooling in this district and moved to a home that ensured that our children would attend the same schools we had the opportunity to attend. My husband and I began our journey at Jacks Valley and now our two children currently attend.

It appears that the district is suddenly looking for a quick resolve in closing yet another school due to the price tag associated with the property. Jacks Valley currently has a higher enrollment and services the north end of the county which has seen more growth with new homes built. The price tag placed on the property seems to be an enticing "fix" for the district's current budget deficit.

Having a quick fix may erase part of the current deficit however change to overall spending is the real answer that will take more time to modify for the benefit of the district. Think about it. A person who has a spending problem and is in extreme debt suddenly wins the lotter and has their debt erased. The spending habits are still there and while the lottery win was a quick fix, they soon go right back to old habits and are back in the same predicament.

Change takes time. Once you close a school, it isn't as if it can magically reopen when the enrollment in the district goes up, which it will. Latest information shows a 15% increase in kindergarten enrollment. Closing two schools in such a small span of time can lead to overcrowding at the two schools (Scarcelli and Pinion) and has an obvious impact on staff and children. The other reason for consideration for the sudden closure of Jacks Valley is said to be due to retirement of key staff. Given these staff have long standing tenure, incoming administration and staff would not be at the same pay rate as those who have been on site for 20-30 years which should be considered and viewed as a cost savings.

Last Friday all families received a notification of the importance of today's meeting as we are on the agenda yet again in regards to consolidation/closure. The news article published in the Record Courier also states that the consolidation/closure is ultimately the board's decision on what happens with the school. How interesting that every time I speak to other families in the Valley, everyone seems to believe this is a done deal and there was already a decision made. Rumors around town are saying that there is already a contract in place on the property and that the decision has already been made. So is it really the boards decision? Is this meeting and public comment a formality to make it seem like the public is being heard? Why the sense of urgency and mad rush to make a decision. If the rumor is true you will be handing many families and students over to the entity who seems to be touting that they are already under contract.

At the last consolidation meeting it was mentioned that moving the district office would help rezone attendance funding for Jacks Valley students as the school is already so far from the office. That factor hasn't even been tested/given time to put into effect.

Moving 360 students further into the valley would also have an impact on transportation and the district already struggles with drivers and getting to the schools on time. This would add additional back and forth for multiple routes to drop off after middle/high schools around jacks valley.

Thank you for your time, I truly hope the board is open to public comment and hears the concerns from parents regarding the potential sudden closure of jacks valley. Closing jacks valley is not the right answer and it's time to look internally rather than at options that affect families and children of the district.

My name is Neal Keyes. I have two children currently enrolled in the district, with a third who will be starting kindergarten this Fall.

I feel compelled to comment on the current consideration to close and consolidate Jack's Valley Elementary to help alleviate the budgetary crisis the district is facing.

I am overwhelmingly opposed to closing and consolidating the school. My middle son was diagnosed with ADHD and struggled academically until he was enrolled at Jack's Valley. The resources provided to him at the school have been instrumental in his success. If the school is closed, it would be a catastrophe for him and many others.

I understand the deficit is a huge problem, and there's not much that can be done at this time due to federal issues (hopefully in the very near future the department of education will resume its duties as the department of education). Closing such a wonderful school and further straining the district's resources seems like the wrong way to fight the deficit.

Hidden behind the mundanity of financial analysis is the very real impact these decisions have on the community and our children's success. To quote Helen Lovejoy unironically, "won't somebody please think of the children?"

Thank you for your time and consideration.

Re: FY25-26 Budget Adjustment Vouchers

****

The majority of budget adjustment submittals are due to grant budgets that are adjusted outside of the normal budget submittals to the board due to changes in grant funding (e.g., by state or federal agencies), request by responsible grantee to move budget categories, etc. Additionally, many of the grant submittals do not run on the same budget cycle as the district, and funding allocations are revised as approved by grantor.

All budget journal entries are completed by the Director of Business Services upon the approval of the Administrator that is responsible for that budget. This aligns with our purchasing policy adopted by the Board of Trustees.

Budget journal entries 58 - 67 were made in June for FY25-26.

INTERLOCAL GOVERNMENT TRANSFER AGREEMENT

THIS INTERLOCAL TRANSFER AGREEMENT ("Agreement") dated as of the last date reflected on the signature page hereto ("Effective Date"), is entered into between Douglas County School District, a political subdivision of the State of Nevada, hereinafter referred to as "Seller", and the Town of Minden, an unincorporated town located in Douglas County, Nevada and a political subdivision of the State of Nevada, hereinafter referred to as "Buyer," and with Seller, the "Parties."

RECITALS:

WHEREAS, Seller is the owner of certain real property in Douglas County, Nevada, bearing Assessor's Parcel Number 1320-32-110-005 (the "Property");

WHEREASE, Nevada Revised Statute ("NRS") 277.180 provides that one or more public agencies may enter into an agreement to perform any governmental service, activity or undertaking which any of the public agencies entering the contract is authorized by law to perform; and

WHEREAS, Seller is the owner of the Property and desires to transfer it to Buyer to further public opportunities, including specifically use as a dog park open to the general public.

NOW, THEREFORE, for payment of Four Hundred and Twenty Thousand United States Dollars ($420,000.00) (the "Purchase Price"), and in consideration of the representations, warranties, covenants, and agreements contained herein, and subject to the terms and conditions hereof, the Parties hereto agree as follows:

1. In consideration of the Buyer's payment of the Purchase Price, and the other covenants and conditions, terms and provisions set forth in this Agreement, Seller will transfer title to, and Buyer will accept title to the Property to be used and maintained as a dog park. The "Property" as defined herein shall include the Property and: (i) all easements, hereditaments and belonging to or inuring to the benefit of Seller or pertaining the Property; (ii) all assignable warranties and guaranties issued in connection with the Property and/or structures, facilities or other improvements (collectively, the "Improvements"), if any, located on, in or adjacent to the Property; (iii) and all transferable consents, authorizations, variances or waivers, licenses, permits and approvals from any governmental or quasi-governmental agency, department, board, commission, bureau or other entity or instrumentality solely in respect of the Property (collectively, the "Permits"), if any.

2. Consideration. The transfer hereunder is made and accepted as a result of the Buyer's payment of the Purchase Price, and the respective Parties' historic and continuing mutual commitment to dog park and general public purposes and the mutual maximum utilization of the Property for the general public in Douglas County, Nevada.

3. The Seller's Deed. In conjunction with the closing of the transfer hereunder (the "Closing"), Seller shall deliver a notarized quitclaim deed in the form attached hereto as Exhibit A (the "Seller's Deed") conveying the Property to Buyer executed by Seller. Seller makes no representation or warranty as to A) the condition of the Property, B) legal title to the Property, or any encumbrances to such title, C) any environmental matter related to the Property, or the violation of any federal, state, or local environmental law, regulation, statute or ordinance related to the Property, or D) the suitability of any of the Property, the Improvements, the Permits, or the Plans and Specifications or any particular use, Seller disclaiming any and all warranties and representations with respect to the Property, the Improvements, the Permits, or the Plans and Specifications

4. Actions, Suits or Proceedings. Other than those expressly set forth herein, to the best of Seller's knowledge, there are no actions, suits, or proceedings which are pending or threatened before any court or governmental department, commission, board, bureau, agency, or instrumentality that would materially and adversely affect the Property or the right to occupy or utilize it.

5. Power and Authority. Seller has the full right and authority to enter into this Agreement and consummate the transactions contemplated herein; each of the persons signing this Agreement on behalf of Seller is authorized to so sign; and the execution, consent or acknowledgment of no other person or entity is necessary in order to validate the execution of this Agreement by Seller. The Douglas County School Board of Trustees (the **"Board of Trustees"**) has approved Seller's rights and obligations set forth herein at a public meeting on March 12, 2026 noticed and held in accordance with applicable Nevada law and the policies and procedures of the Board of Trustees. Likewise, Buyer has the full right and authority to enter into this Agreement and consummate the transactions contemplated herein; each of the persons signing this Agreement on behalf of Buyer is authorized to so sign; and the execution, consent or acknowledgment of no other person or entity is necessary in order to validate the execution of this Agreement by Buyer. The Minden Town Board (the **"Minden Board"**) has approved Buyer's rights and obligations set forth herein at a public meeting on June 3, 2026 noticed and held in accordance with applicable Nevada law and the policies and procedures of the Minden Board.

6. Other Agreements. To the best of Seller's knowledge, entry into this Agreement, and the performance by Seller of its obligations hereunder, does not contravene or constitute a breach of any agreement, contract, obligation, or indenture to which Seller is a party.

7. Other Agreements. Entry into this Agreement, and the performance by any Party hereto of its obligations hereunder, does not contravene or constitute a breach of any agreement, contract, obligation, or indenture to which either Party is a party.

8. Survival of Provisions. The representations, warranties, agreements, and indemnities set forth in this Agreement shall remain operative, shall be deemed made at Closing, and shall survive the Closing.

9. Captions. Captions in this Agreement are inserted for convenience of reference only and do not define, describe, or limit the scope or the intent of this Agreement.

10. Entire Agreement. This Agreement contains the entire agreement between the Parties relating to the transactions contemplated hereby, and all prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement.

11. Modification. No modification, waiver or discharge of this Agreement shall be valid unless it is in writing and signed by the party against which the enforcement of the modification, waiver or discharge is or may be sought.

12. Successors; Assignment. All terms of this Agreement shall be binding upon and inure to the benefit of the Parties and their respective administrators or executors, successors, and assigns. Neither party may assign this Agreement without the written consent of the other party, except that Buyer shall, without the consent of Seller, be entitled to assign this Agreement and its rights and obligations hereunder to another entity with common ownership or control at or prior to Closing.

13. Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original, but all of which together will constitute but one instrument.

14. Costs. Buyer shall bear any and all title, escrow, and recording costs and fees associated with this transaction, and Seller's sole obligation shall be to tender the fully executed Deed to Buyer, within five (5) business days of Buyer's request, following approval of this Agreement by the Board of Trustees and Minden Board, and following Seller's receipt of the Purchase Price in immediately available United States Dollars. Seller shall reasonably cooperate with Buyer to effectuate the Closing.

15. The Buyer, as a local governmental entity, is subject to the requirements of NRS 244.230 and NRS 354.626, which require the Buyer to budget annually for its expenses and which prohibit Buyer from obligating itself to expend money or incur liability in excess of the amounts appropriated for a particular function or purpose. Notwithstanding the monetary obligations of this Agreement, the total amount of Buyer's payment obligations hereunder for any fiscal year shall not exceed the amount that Buyer has appropriated for the Purchase Price, as set forth in this Agreement. All Buyer's financial obligations under this Agreement are subject to those statutory requirements hereinafter referred to as the "Fund Out Clause."

16. Governing Law. This Agreement shall be construed in accordance with the laws of the State of Nevada. Any action brought to enforce the terms hereof shall be brought in a court of competent jurisdiction in Carson City, Nevada.

Schedule BB-14A

RESOLUTION 26-09

Resolution to Augment and/or Amend Certain Funds (to which ad valorem taxes are NOT allocated) of the Douglas County School District for the 2025-2026 Fiscal Year

Whereas, the resources of certain funds of the Douglas County School District (Exhibits A through H hereto attached), have been determined to be different than was previously estimated, and

Whereas, there is a need to provide for expenditures and/or various expenditures in these expenditure funds (as specified in Exhibits A through H), and

Whereas, Nevada Revised Statutes require certain actions by the Board of Trustees to authorize these augmentations and amendments as detailed in Exhibit A through H, and

Now, therefore, it is hereby resolved that the Board of Trustees of the Douglas County School District augments and amends, as necessary, the budgets of the aforementioned funds as detailed in Exhibit A through H.

Passed and adopted the 25th day of June, 2026, by the following vote:

Ayes: 6

Noes: 0

Absent: 1

Board Agenda Item Memo

Date: 06/25/26

From: Jeannie Dwyer, Executive Director of Human Resources

Re: 2027 Self Insured & Fully Insured Marketing Analysis

Requested Action:
To approve the Self Insured health insurance model and Hometown Health as the third party administrator (TPA) for the 2027 plan year based on the RFP evaluation results, and authorize management to execute the necessary contracts.

Background Information:
As part of our ongoing fiduciary review, a comprehensive Request for Proposal (RFP) was executed to benchmark our current self-funded plan against both alternative self-funded administrators and fully funded market options.
DCSD has had a self-funded insurance plan for over 15 years.

Budget Considerations and Impact:
Average annual cost: $8,743,189

Recommendation:
To approve the Self Insured health insurance model and Hometown Health as the third party administrator (TPA) for the 2027 plan year.

Discussed at Previous Meeting:
Refer to Insurance Workshop by LP Insurance April 7, 2026

Key issues for Board Discussion:
Fiduciary RFP Objective: The Request for Proposal (RFP) was conducted by LP Insurance Services, LLC to benchmark Douglas County School District's current self-funded plan against the broader commercial market for the 2027 plan year.

Fully Insured Market Deficit: Shifting to a fully insured model is financially disadvantageous; carriers showed virtually no appetite for the risk, with Anthem, UMR, Cigna, and Prominence declining to quote, and Aetna deemed uncompetitive.
Fully Insured Cost Penalty: The only viable fully insured quote came from Hometown Health at 11% over current costs ($10,444,842), which is $313,318 more expensive than remaining self-funded.
Self-Funded Model Validated: Remaining self-funded is projected at $10,131,524 (+8% over current), representing the most fiscally responsible path forward for the district.
TPA Finalist Winner (Hometown Health): Among self-insured Third-Party Administrator (TPA) finalists, the incumbent, Hometown Health, presented the most competitive renewal at -2.8% below current fixed costs ($315,800 annually).
Zero Member Disruption: Hometown Health secures a 100% network match for the district's top 50 providers (including access to Renown Health System) and guarantees a 15% lower discount at Renown facilities, eliminating member disruption.
National TPA Competitors: Aetna (-2.7% fixed fees / 99% network match) and Anthem (+0.3% fixed fees / 98% network match) presented strong national networks but introduced member disruption for negligible administrative savings.
Claims Convergence Risk: Historical data from 2019–2026 reveals a 7.5-year average annual cost trend of +6.2%, but a sharp +9.7% spike in 2026 annualized costs, causing net total costs to converge tightly with premium revenues.
Cost Containment Levers: Projected 2027 medical/Rx claims are estimated at $8,821,000. To protect self-funded reserves, the board has the option to implement independent plan design changes, such as:

- Increasing the PPO deductible from $1,000 to $1,500 to save $156,582.
- Adjusting PPO Co-insurance from 80%/60% to 70%/50% to save $179,007.
- Increasing the HSA Individual deductible to $3,000 to save $31,695.

Douglas County School District
Board Agenda Item Memo

Date: 05/19/2026

To: DCSD Board of Trustees

From: Ashley Mitchell

Re: MOU for Internal Equipment Transfers

Requested Action: **Review the MOU for Internal Equipment Transfers**

Background Information: **DCSD's CTE department has heavy equipment for a CTE course of study that is no longer offered. The CTE administrator reached out to NDE to look into transfers, sales, disposals, etc. NDE directed him to reach out to other Nevada districts to see who would be interested in receiving these state-purchased items via transfer. WCSD responded, but no process was in place for formally transferring heavy equipment between DCSD and other districts. This MOU was therefore developed and reviewed by legal counsel.**

Budget Considerations and Impact: **No inherent cost is associated with this MOU**

Recommendation: **Approve the MOU for Internal Equipment Transfers**

Discussed at Previous Meeting: **N/A**

Key issues for Board Discussion: Inter-district transfers of grant-funded equipment

DCSD Regional Equipment Transfer MOU

This form should be used as a template and is only intended to serve as a guide. Each transfer should be evaluated on a case-by-case basis to determine if the use of this form is appropriate. The parties to the agreement should consult their own local legal counsel and/or compliance officials to determine the appropriateness of the content for each jurisdiction.

Multiple items may be transferred using a single form, provided all required information for each piece of equipment being transferred is included.

When completing this form be sure to include:

- Sub-recipient information
- Receiving jurisdiction information
- Applicable attachments
- **ALL** required equipment information
- Any additional responsibilities for either party, sub-recipient and receiving jurisdiction
- Signatures from both the sub-recipient and receiving jurisdictions

Both parties are required to sign the document when the actual physical transfer takes place.

Purpose

This Memorandum of Understanding (MOU) sets forth the terms, conditions and understanding between {Sub-Recipient} and the {Receiving Jurisdiction/Agency} in regard to transferring and receiving equipment purchased with State and/or Federal grant funds.

Duration

This MOU shall become effective upon signature by the authorized officials from each party and may be modified or terminated upon mutual written consent of both authorized officials. Subrecipient and Receiving Jurisdiction/Agency hereby agree that Subrecipient may, at any time, cancel this MOU and obtain immediate return of the equipment transferred hereunder if cancellation and return of the equipment is required by any condition or term of Subrecipient's Grant Award or any provision of law.

Certification by Subrecipient

Subrecipient hereby certifies that the equipment being transferred hereunder was acquired by the expenditure of grant funds awarded to the Subrecipient, that all relevant and applicable Grant Award Documents are included in Attachment B hereto, and that it is duly authorized to enter into this MOU by its governing authority.

Certification by Receiving Jurisdiction/Agency

The Receiving Jurisdiction/Agency certifies that it has received a copy of the Grantee Conditions and Responsibilities Memo (Attachment A) and has knowledge of and is in compliance with the laws, rules and regulations of the grant, including compliance with all applicable state and federal grant eligibility requirements. The Receiving Jurisdiction/Agency further certifies that it has received a copy of the Subrecipient's Grant Award (Attachment B) and agrees to be bound by all the terms, conditions,

Board Agenda Item Memo

Date: 06/25/26

To: DCSD Board of Trustees

From: Jeannie Dwyer, Executive Director of Human REsources

Re: DCSSO Negotiated Agreement

Requested Action:
Recommendation that the Board review and approve the ratified collective bargaining agreement between the Board and the for the two-year term of July 1, 2025, through June 30, 2027.

Background Information:
A ratified agreement brought forward in December of 2025 was not approved by the board due to the fiscal emergency. DCSD and DCSSO continued negotiations and came to an agreement which was ratified by the DCSSO organized unit.

To conclude this extensive process, the District and DCSSO were able to come to an agreement that preserves the vast majority of the original Tentative Agreement (TA) but introduces critical, targeted structural adjustments to directly address the fiscal emergency.

Key Terms & Contract Amendments

The contract maintains all terms of the original TA, subject only to the following amendments designed to safeguard District finances:

- **Duration:** Two (2) years, covering July 1, 2025, through June 30, 2027.
- **Fiscal Year Alignment:**Amended to ensure the employment contract strictly aligns with the District's fiscal year cycles.
- **Targeted Base Work Year Reduction (2026–2027 Only):** up to 5 less contract days per employee.

9-Month Employees (Tied to Student Attendance):

- Comped at regular hourly rates for student attendance days.
- **2025–2026 Only:** Received two (2) additional paid Professional Development (PD) days. *This provision completely terminates for the 2026–2027 school year.*

10-Month Employees:

- Contracted workdays temporarily reduced from 190–209 days (in 2025–2026) down to **190–204 days** for the 2026–2027 school year.

11-Month Employees:

- Contracted workdays temporarily reduced from 210–229 days (in 2025–2026) down to **205–229 days** for the 2026–2027 school year.

12-Month Employees:

- Defined as any classified employee contracted to work 230 or more days (subject to the up to 5-day reduction framework for 2026–2027).

Budget Considerations and Impact:

Fiscal Impact = Savings of approximately $144,451

Recommendation:

Recommendation that the Board review and approve the ratified collective bargaining agreement between the Board and the for the two-year term of July 1, 2025, through June 30, 2027.

ARTICLE II - RECOGNITION

2-1

The Board of Trustees recognized the contracted Douglas County School District Support Staff Employees (as defined in Article 1-9 of the Definitions) represented by the Support Staff Organization of the Nevada State Education Association, as the exclusive negotiating representative of the contracted Support Staff Employees of the Douglas County School District, subject to the provisions of NRS 288.

2-2

The bargaining unit shall represent eligible contracted employees as defined in Article 1-8 in positions listed in the Appendix of this Agreement.

All other classified employees including supervisory, part-time, temporary, confidential and bus drivers are not covered by this Agreement.

2-3

All rights and privileges granted under the terms and provisions of this Agreement shall be for the exclusive use of all eligible contracted Support Staff Employees of the Douglas County School District.

2-4

Nothing in this Agreement shall limit the authority of the District to classify positions. The District will consult with the DCSSO as to the appropriateness of inclusion in the bargaining unit any new classifications added to the salary schedule during the term of this Agreement.

ARTICLE III – ORGANIZATION ACTIVITIES AND EMPLOYEE RIGHTS

3-1

It is the right of every contracted Support Staff Employee to join or refrain from joining the Organization, at any time, that is party to this Agreement.

3-2

The Organization shall post on the designated bulletin boards with only organization materials such as meeting notices, benefits, updates, and any other material pertaining to organization business.

3-3

The Organization may use District facilities for meetings provided such use complies with District policy and does not interrupt the normal school day nor the day-to-day operations.

3-4

The Organization may use the District's internal mail system to communicate between schools with members of the bargaining unit regarding Organization business. However, the District mail system shall not be used to distribute political campaign materials

3-5

The District will not discriminate against any employee by reason of his participation in the activities of the Organization.

ARTICLE IV – MEMBERSHIP DUES DEDUCTIONS

4-1

Upon receipt by Business Services of a signed authorization from a contracted Support Staff Employee to deduct membership dues, the District shall make uniform monthly membership dues deductions from the salary earned by such contracted Support Staff Employee.

4-2

No later than September 1 of each year, the Organization will provide the District with a list of contracted Support Staff Employees who have voluntarily authorized the District to deduct Organization dues and the uniform amount to be withheld for each Support Staff Employee. No later than the first of each month, the Organization will provide the District a list of any additional contracted Support Staff Employees who have voluntarily authorized a membership dues deduction. Authorized membership dues deductions will begin with the first pay period in the payroll month following the receipt of the authorization.

4-3

Upon receipt of a properly completed NSEA enrollment form, the School District shall deduct from the salary of any contracted Support Staff Employee and make remittance for DCSSO, NSEA, NEA dues deductions. It is recognized that the District in agreeing to deduct membership dues for Organization members is performing a solely administrative function on behalf of the Organization for its convenience and is not a party to any agreement between the Organization and its members regarding the deductions of dues. The Organization, therefore, indemnifies, defends, and holds the District harmless against any and all claims, demands, grievances, or

other liability that arise out of or by reason of actions taken by the District pursuant to this Membership Dues Deduction Article.

4-4

Business Services will forward monies from membership dues deductions to the Treasurer of the Douglas County School District Support Staff Employees no later than the last day of the month in which deductions are made.

4-5

The District agrees not to honor any membership dues deduction authorization executed by a contracted Support Staff Employee in the bargaining unit in favor of any other labor organization representing Support Staff Employees for the purpose of negotiations.

4-6

A contracted Support Staff Employee's earnings must be sufficient after other required deductions are made to cover the amount of the Organization's membership dues. In the case of a contracted Support Staff Employee who is on non-pay status during part of the pay period and/or whose wages are not sufficient to cover the full withholding, no Organization membership dues deductions shall be made. In this connection, all other required deductions have priority over Organization dues.

ARTICLE V – GRIEVANCE PROCEDURE

5-1 - DEFINITIONS

5-1-A

A "grievance" is an allegation by a Support Staff Employee or DCSSO that the District has violated an expressed provision of this Agreement.

5-1-B

An "aggrieved person" is the Support Staff Employee or DCSSO asserting a grievance.

5-1-C

A "party in interest" is any person or persons who might be required to take action, or against whom action might be taken, in order to resolve the grievance.

5-1-D

The term "days" when used in this Article shall, except where otherwise indicated, mean days when the District Office is open for business. Extensions to days may be granted by the Superintendent in cases during summer break when the grievant may not be readily available.

5-2 – TIME LIMITATIONS

5-2-A

The time limitations set forth in this Article are the essence of the grievance procedure. No grievance shall be accepted by the District unless it is submitted or appealed within the time limits set forth in the Procedural Steps below. If the grievance is not timely submitted at Step One or Step Two, it shall be deemed waived. If the grievance is not timely appealed, it shall be deemed settled in accordance with the District's answer at the previous step. If the District fails to answer within the time limits set forth in the Procedural Steps, the grievance shall automatically proceed to the next step.

5-2-B

By mutual agreement between the District and the grievant, the time limitations set forth in the Procedural Steps may be extended. Any extension granted cannot be cited as precedent for any other grievances.

5-3 – GRIEVANCE STEPS

5-3-A Step One -Informal Discussion:

5-3-A-1

The parties acknowledge that it is usually most desirable for a Support Staff Employee and immediate supervisor to resolve problems through informal communications. Accordingly, an aggrieved person must request and discuss the matter informally with his or her immediate supervisor or with the administrator who is responsible for the alleged violation within ten (10) days of when the aggrieved person became aware of or should have known of the alleged violation, with the objective of resolving the matter informally. When requesting the meeting, the aggrieved person shall provide the name of the Article and exact provision of the contract allegedly violated to the best of his or her knowledge. A timely and proper request for an informal discussion cannot be denied.

5-3-A-2

If the matter is not resolved at the informal discussion level, and the grievant wishes to file a grievance, it must be done no later than ten (10) days after the informal meeting with the supervisor. The grievance would then move to Step Two.

5-3-B Step Two- Immediate Supervisor:

5-3-B-1

The term "Immediate Supervisor" shall be defined as the site administrator, department head, classified supervisor or other supervisor as defined in Article 1-16 who is responsible for the supervision of the grievant.

5-3-B-2

All grievances presented at Step Two must set forth in writing: the facts giving rise to the grievance; the specific provision(s) of the Agreement alleged to have been violated; the name of the aggrieved Support Staff Employee; and the specific remedy sought. All grievances at Step Two must be signed and dated by the aggrieved Support Staff Employee and the designee of the Douglas County Support Staff Organization. Within ten (10) days after receiving the grievance, the immediate supervisor shall contact the grievant to schedule a date and time to hear the grievance.

5-3-B-3

The immediate supervisor shall forward to the grievant within ten (10) days after the hearing a written response, signed and dated.

5-3-C Step Three – Executive Director of Human Resources:

If the grievance is not settled at Step Two, the grievant, not later than ten (10) days after receipt of the immediate supervisor's written answer to Step Two, may file a written appeal of that answer to the Executive Director of Human Resources. The written appeal must state specifically the grievant's objection to the immediate supervisor's written answer. No later than ten (10) days after receipt of the written appeal, the Executive Director of Human Resources shall hold a hearing with the grievant. The Executive Director of Human Resources shall give his/her written answer to the grievance within ten (10) days after such meeting.

5-3-D Step Four – Superintendent:

If the grievance is not settled at Step Three, the grievant, not later than ten (10) days after receipt of the Executive Director of Human Resources' written answer to Step Three, may file a written appeal of that answer to the Superintendent. The written appeal must state specifically the grievant's

objection to the Executive Director of Human Resources' written answer. No later than ten (10) days after receipt of the written appeal, the Superintendent or his/her designee shall hold a hearing with the grievant. The Superintendent shall give his/her written answer to the grievance within ten (10) days after such meeting.

5-3-E Step Five - Board of Trustees:

If the grievance is not settled at Step Four, the grievant, not later than ten (10) days after receipt of the Superintendent's written answer to Step Four, may file a written appeal to the Board of Trustees. The written appeal must state specifically the grievant's objection to the Superintendent's answer. Not later than the first opportunity to properly agendize the appeal, the Board of Trustees shall meet with all parties involved in Steps Two, Three, and Four of this procedure. The Board of Trustees shall give its written answer to the grievance within ten (10) days after such meeting.

5-3-F Step Six - Mediation:

If the grievance is not settled at Step Five, the grievant, not later than ten (10) days after receipt of the Board of Trustees answer at Step Five, may file a written appeal to the Superintendent requesting mediation.

Procedures for Grievance Mediation:

1. Within ten (10) days, the Superintendent or his/her designee, will acknowledge the receipt of the request for mediation and contact the Federal Mediation and Conciliation Service (FMCS) to obtain a mediator.

2. The mediator shall confer with the Superintendent, or his/her designee, and the Organization, and hold a hearing promptly. Nothing said or done by the parties during the mediation hearing can be used against them during the Arbitration proceedings.

3. The mediator shall confer with the Superintendent, or his/her designee, and the Organization, and hold a hearing promptly. Nothing said or done by the parties during the mediation hearing can be used against them during the Arbitration proceedings.

The mediator shall have no power to compel a resolution but shall attempt to help the parties reach a mutually acceptable solution.

4.The costs of mediation shall be shared equally by the District and the Organization.

5. If no solution is reached to the satisfaction of both parties, the grievance and all information from previous steps may be submitted to Step Seven by the aggrieved.

5-3-G Step Seven- Arbitration:

5-3- G-1

Any grievance, that has been properly and timely processed through Step Six and that has not been settled at the conclusion thereof, may be appealed to arbitration by the Organization's serving the Superintendent with written notice of its intent to appeal. The failure to appeal a grievance to arbitration in accordance with this paragraph within ten (10) days after receipt of the written answer of the Board of Trustees shall constitute a waiver of the Organization's right to appeal to arbitration, and the written answer of the Board of Trustees at Step Five shall remain final and binding on the aggrieved employee, the District, and the Organization.

5-3- G-2

Not later than ten (10) days after the Organization serves the Superintendent with written notice of intent to appeal a grievance to arbitration, the District and the Organization shall jointly request the American Arbitration Association to furnish, to the District and the Organization, a list of seven (7) qualified and impartial arbitrators. Within ten (10) calendar days after receipt of that list by the District, the District and the Organization shall alternately strike names from the list, until only one (1) name remains. The arbitrator whose name remains shall hear the grievance. The Organization shall strike the first name.

5-3-G-2-A

The parties are not precluded from mutually agreeing to the selection of an arbitrator prior to the request for an American Arbitration Association panel.

5-3-G-2-B

No evidence may be presented for the Arbitrator's consideration that was not presented for the Board's consideration at Step Five. If new evidence, which could reasonably be expected to change the outcome of the grievance, is discovered after the Board at Step Five, and prior to the Arbitration hearing, the Arbitration timelines may be suspended until the new evidence can be considered by the Board before going to the Arbitrator. Any costs associated with changing the date of the Arbitration hearing will be borne by the party bringing forth the new evidence.

5-3- G-3

The jurisdiction and authority of the Arbitrator and his opinion and award shall be confined exclusively to the interpretation and/or application of the expressed provision(s) of this Agreement at issue between the Organization and the District. He shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement; to impose on either party a limitation or obligation not explicitly provided for in this Agreement; or to establish or alter any wage rate or wage structure. The arbitrator shall not hear nor decide more than one (1) grievance without the mutual consent of the District and the Organization. The written award of the Arbitrator on the merits of any grievance adjudicated within his jurisdiction and authority shall be final and binding on the aggrieved employee, the Organization and the District.

5-3- G-4

The fee of the American Arbitration Association and the fees and expenses of the Arbitrator shall be shared equally by the District and the Organization; otherwise, each party shall bear its own arbitration expense.

5-4 – RIGHT TO PARTICIPATE

No reprisals of any kind shall be taken by either party against any party in interest, any school representative, or any other participant in the grievance procedure by reason of such participation.

Any party in interest may be represented at any level of the grievance procedure by a person of his own choosing.

5-5 – SEPARATE FILING

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

5-6 – FORMS FOR FILING

Forms for filing and processing grievances shall be jointly prepared by the parties and distributed by the Organization.

5-7 – WITHDRAWAL OF GRIEVANCE

A grievance may be withdrawn at any level by the aggrieved Support Staff Employee without prejudice when the aggrieved Support Staff Employee has strictly adhered to the time lines.

5-8 – ADMINISTRATION COOPERATION

The administration will cooperate with the aggrieved grievant in the investigation of the grievance, and further, will furnish the grievant with such information as is pertinent and available for the processing of such grievance. The grievant will cooperate with the District and shall furnish the District with such information as is pertinent and available for the processing of the grievance.

5-9

Prior to signing a grievance settlement with the District, the DCSSO and the grievant will specifically notify, in writing, of any issues either party intends to pursue in another forum.

5-10

The sole remedy available for any alleged breach of this Agreement or any alleged violation of the rights hereunder granted shall be pursuant to the grievance procedure as set forth in Article V. All steps of the grievance procedure must be pursued prior to the grievant taking any other action.

ARTICLE VI – CORRECTIVE ACTION AND DISCIPLINARY PROCEDURES

6-1

The continued employment of a contracted Support Staff Employee is dependent upon satisfactory performance of duties and maintaining personal fitness to perform those duties. The District may also move to discharge, demote or suspend a Support Staff Employee given just cause.

6-2

An employee may be disciplined and/or terminated based upon information received from video recordings, audio recordings, GPS, or any successor system that similarly tracks or surveils an employee's movements or actions. An employee's failure to accurately recall what is reflected by the technology shall not by itself be considered dishonesty. The district will make a reasonable

effort to confirm by direct observation or other corroborating evidence any other violations warranting termination.

Should a contracted employee's work habits, overall attitude, adherence to rules, conduct, or demeanor become unsatisfactory during the course of his/her employment, his/her supervisor will first attempt corrective action assistance with a counseling meeting to assist the employee in identifying and remediating those behavioral and/or performance problems. Corrective action can also include retraining prior to 6-2 of this agreement. Any documented conversation and/or training as applied to this section (6-2) will be documented in the site/departmental employee file only.

The District agrees that principles of progressive discipline will be followed with respect to minor offenses. A counseling meeting and/or retraining shall be considered non-disciplinary; however, two (2) conversations and/or trainings of the same offense within a span of two (2) years will constitute a written reprimand. Minor offenses include but are not limited to: discourteous treatment of members of the public or a coworker or student(s) during work hours, lateness, long breaks, unintentional failure to follow school board policy, unintentional minor damage of $500.00 or less, unauthorized unassigned overtime, and workstation or equipment cleanliness.

However, if the contracted employee fails to respond to corrective action, his/her supervisor will provide a counseling meeting to explain the possible consequences if the employee fails to improve performance. During the counseling meeting, the supervisor will provide a copy of Article VI of this agreement. Discipline shall generally be imposed on a graduated basis as follows:

- Written Warning: A written warning to be placed in one's personnel file that the employee had received previous corrective action, retraining, and a counseling meeting from his/her supervisor regarding unacceptable behavior and/or performance; that the corrective action/retraining counseling has been unsuccessful; and that should the unacceptable behavior and/or performance continue, more stringent disciplinary action will follow. Written warning and corresponding retraining documentation shall not be used for discipline eighteen (18) months after the effective date of the warning.
- Written Reprimand: A written reprimand to be placed in one's personnel file that the employee had received previous corrective action, retraining, a counseling meeting, and a written warning from his/her supervisor regarding unacceptable behavior and/or performance; that the corrective action/retraining counseling has been unsuccessful; and that should the unacceptable behavior and/or performance continue, more stringent disciplinary action will follow. Written reprimands not leading to nor resulting in a suspension shall not be used for discipline twenty-four (24) months after the effective date of the reprimand.
- Suspension: A written notification outlining the previous efforts in remediating the unacceptable behavior and/or performance with a recommendation to suspend without pay

subject to review by the Director of Human Resources. Prior to suspension, a meeting will be held including the employee, supervisor, Director of Human Resources or designee, and a representative of the employee's choice. Suspensions will not be used for discipline by the District after two (2) years from the effective date of the reprimand or suspension.

- Subsequent Offenses: Should the contracted employee continue to violate, disregard, or show indifference to acceptable behavioral and/or performance standards, his/her supervisor may recommend termination subject to review by the Director of Human Resources.

With the exception of dishonesty, theft, gross misconduct, being under the influence of alcohol or drugs during the work day, or any act that results in a criminal charge of a felony, the District will provide progressive discipline before discharge. Dishonesty, theft, gross misconduct, being under the influence of alcohol or drugs during the work day, or any act that results in a criminal charge of a felony, may be cause for immediate discharge without progressive discipline. (Refer to Board Policy 409)

6-3

The provisions of this Article shall not be available to probationary Support Staff Employees.

6-4

The employee will be given a copy of any disciplinary documentation before it goes into the employee's personnel file. The employee shall have ten (10) days to respond in writing to the disciplinary document or written criticism. The employee's response shall be attached to the District's document and placed in the personnel file.

ARTICLE VII – REDUCTION IN FORCE

7-1

Upon the District determining that a reduction in force is necessary, the District at the earliest possible time and before initiating reduction in force shall meet with the organization to determine possible alternatives to the reduction in force. Such alternatives may include a reduction in hours or days. Any such agreement on alternatives to reduction in force shall be reduced to writing and agreed upon by all parties. If alternatives to the reduction of force cannot be agreed upon, the District will determine when a reduction in force/layoff is necessary and the number of individuals to be laid off. The District shall notify in writing the Organization's president at least ten calendar (10) days prior to the written notification of contracted employees being reduced in force. Contracted employees being reduced in force shall receive at least thirty (30) calendar days written prior notice of the intended layoff.

The District shall meet with the organization within the 10 calendar days prior to classified employees receiving written prior notice of layoffs in order for the District and Organization to verify all job category reductions and corresponding voluntary transfers and/or involuntary reassignments follow Article 7 processes for reduction in force.

The term "Job Category" refers to the actual job in which a Support Staff Employee works.
The term "Job Family" refers to all job categories of similar job descriptions. For example a grounds person falls in the building/site maintenance job family. (See Appendix A, list of job families for specific categories and families.)
The term "Seniority" in respect to the RIF process refers to the amount of post probationary days worked that a Support Staff Employee has in a job family.

The District shall provide the Organization with an updated seniority lists per job category and job family annually, no later than December 31st of each year.

SUBJECT TO THE DETERMINATIONS, SET FORTH IN 1 ABOVE, THE DISTRICT AGREES TO THE FOLLOWING:

7-2

Contracted Support Staff Employees who voluntarily resign in the job category being reduced will be the first to be reduced in force.

7-3

Probationary Support Staff Employees in the job category being reduced will be reduced before Support Staff Employees who have completed their probation.

7-4

Support Staff Employees with overall minimally effective or below ratings on each of their performance evaluations for the last two consecutive years will be reduced before those who have completed their probationary period and have received a satisfactory performance evaluation.

7-5

Reductions in force in the job category(s) being reduced will be based upon an Employee's post probationary seniority with the District in the job category being reduced.

The Support Staff Employee, in the job category listed in the Appendix that is being reduced, with the least continuous service experience with the District will be laid off first.

Continuous service experience shall mean an employee's length his or her contracted employment with the District in a particular job category.

Any resignation, reclassification, or termination of employment shall constitute a break in service in a job category for the purpose of determining continuous service experience. Continuous service experience will be determined by the first working day subsequent to the most recent break in service, if any.

Experience shall be based on total time worked or in a paid leave status.

7-6

If the employee to be laid off has District experience in another job category, the employee retains experience right in the previous job category. Should an opening occur during the call back period, the Support Staff Employee with experience in either job category will be notified of the opening by certified mail. The District will consider such individuals prior to hiring a new employee to the District.
Should the employee who was laid off apply and be rehired within the call back period of one year, all previous experience in the job category would be recognized on the salary schedule.

A laid off Support Staff Employee shall, upon application, be granted priority status on the substitute list according to his or her seniority. The laid off employee working as a substitute will receive their rate of pay at the time of the lay-off when subbing until any of the conditions in Article 7-10 are met.

7-7

In the event two (2) or more Support Staff Employees have the same date of employment, experience will be determined by lot.

7-8

The District shall establish an experience list(s) with the employee with the greatest experience in each job category listed first. Reductions shall be made within job categories as noted on the List of Job Families. The Job Categories List shall be designated as Appendix A of the Classified Agreement.

7-9

Should a contracted vacancy occur following a reduction in force, laid off contracted Support Staff Employees shall be recalled in reverse order of lay-off in their particular job category.

The District will forward notice of recall by e-mail to the Support Staff Employee's last known e-mail address as reflected on District records. For this purpose, it shall be the Support Staff Employee's responsibility to keep the District advised of his or her current address and personal phone number. The Support Staff Employee must, within ten (10) calendar days of delivery or attempted delivery of the notice of recall, notify the District of his intent to return to work on the date specified for recall and, thereafter, return to work on such date.

7-10

A Support Staff Employee's contracted experience with the District shall be terminated and his rights to recall forfeited for the following reasons:

- Discharge, quit, retirement, or resignation;
- Failure to give notice of intent to accept or refuse return to work after recall within the time period specified in 7-9 of this Reduction in Force Article, or failure to return to work on the date specified for recall, as set forth in the written notice of recall;
- Failure to return to work upon expiration of a leave of absence;
- Lay-off for a period of twelve (12) months.

7-11

A reduction in the number of hours in a day or days in a contract year for which a Support Staff Employee is contracted to work shall not constitute a lay-off. However, at the earliest possible time and before initiating a reduction of hours or days, the District will meet and provide the Organization with the rationale and opportunity for input for such action. The Superintendent will retain the final authority.

7-12

No provision of this Article shall be made available to probationary, temporary, or part-time Support Staff Employees.

ARTICLE VIII – LEAVES

8-1 – SICK LEAVE

8-1-A

At the beginning of each school year, eligible Support Staff Employees will be credited with sick leave in hour increments, which will be calculated as follows:

1.25 X Months Worked X Regular Hours Per Day the Employee Works or is in Paid Leave Status

Support Staff Employees who leave the District, for whatever reason, will be charged for sick leave used beyond the monthly amount credited. The amount due to the District must be paid within thirty (30) days of the Support Staff Employee's separation date from the District.

Probationary Support Staff Employees are eligible for the following sick leave hours during their probationary period, which will be calculated as follows:

Regular Hours Per Day the Employee Works X 2

However, if the Probationary Support Staff Employee completes the probationary period successfully, she/he will be credited with sick leave earned during the probationary period. *If the Probationary Support Staff Employee does not complete the probationary period successfully, she/he will have her/his pay docked for the hours used.*

Nine-month employees, contracted to work for 121-189 days, are granted the following sick leave hours: 11.25 X Regular Hours Per Day the Employee Works or is in Paid Leave Status, accumulated to a maximum of 1440 hours.

Ten-month employees, contracted to work for 190-209 days, are granted the following sick leave hours: 12.50 X Regular Hours Per Day the Employee Works or is in Paid Leave Status, accumulated to a maximum of 1600 hours.

Eleven-month employees, contracted to work for 210-229 days, are granted the following sick leave hours: 13.75 X Regular Hours Per Day the Employee Works or is in Paid Leave Status, accumulated to a maximum of 1760 hours.

Twelve-month employees, contracted to work 230 or more days, are granted the following sick leave hours: 15.0 X Regular Hours Per Day the Employee Works or is in Paid Leave Status, accumulated to a maximum of 1984 hours.

Unused sick leave may be accumulated from one year to the next up to a total of the employee's last contracted year with the District as indicated above.

Once an employee reaches the maximum accumulation of sick leave hours, his/her maximum total will not decrease unless he/she uses more than the annual accumulation of sick leave hours

in any given school year. The District will keep an account for each employee for any sick leave accumulated over the maximum accumulation. These hours will be available to the employee with approval of the Board of Trustees following exhaustion of his/her maximum accumulation.

Sick leave hours in one's account beyond his/her maximum accumulation are not subject to any other use except for providing for catastrophic coverage in case of one's own illness.

8-1-B

Sick leave may be taken in ½ hour increments. All sick leave which has been accumulated by a Support Staff Employee may be used for his own illness or disability or to enable him to consult his physician or dentist during work hours. When requested by the immediate supervisor, the employee will verify a medical appointment during working hours with a document from the attending physician.

8-1-B-1

Upon a supervisor's request, verification of the Support Staff Employee's illness, disability or medical appointment may be required in order to charge an absence to sick leave. Inappropriate use of sick leave may result in disciplinary action and a pay dock for each ½ hour of inappropriate use.

A Support Staff Employee absent for five (5) or more consecutive working days may, at the discretion of the supervisor, be required to present a release from a medical provider prior to their return to work.

8-1-C

Sick leave may also be taken for the following reasons:

8-1-C-1

Sick leave may be deducted from accumulated sick leave for unavoidable absences caused by the illness or injury of the employee's child(ren), spouse, parent, sibling, grandparent, grandchild and those similarity related by marriage. The number of sick leave hours available per year for this purpose will be calculated as follows:

Regular Hours Per Day the Employee Works or is in Paid Leave Status X 15.

Exceptions to this restriction may be appealed to the Director of Human Resources in cases of extended illness if the Support staff employee has additional personal sick leave available. In all cases dealing with exceptions, the determination of the Director of Human Resources shall be final and not subject to appeal.

8-1-C-2

In the event of bereavement, Support staff employees will be granted a leave of absence to be deducted from sick leave. A Support staff employee may not take more than 3 times the regular hours per day the employee works or is in paid leave status for each occurrence. Additional leave, not to exceed 5 times the regular hours per day the employee works or is in paid leave status, may be deducted from sick leave for immediate family *as defined in 1-25* for each occurrence at the discretion of the Superintendent. The Superintendent or his/her designee may request verification to confirm the need for the bereavement leave.

8-1-C-3

The provisions of sick leave contained herein may be applied to any illness or disability attributed to pregnancy, termination of pregnancy, or recovery therefrom.

Use of accumulated sick leave for recovery from childbirth is limited to six (6) weeks for normal delivery and eight (8) weeks for cesarean section delivery unless a verifiable medical condition exists to justify additional use of sick leave.

Verification is subject to a second opinion at the District's expense. Sick leave is not to be used for child rearing.

Up to fifteen (15) days of accumulated sick leave will be granted as paternity leave for the birth of one's child.

Up to fifteen (15) days of accumulated sick leave may be taken by the employee for the adoption of a child.

8-1-C-4

Upon retiring, the District will contribute thirty ($30) per every eight (8) hours of unused sick leave, up to the maximum accumulation in accordance with Article 8-1-A, for any Support Staff Employee who meets the following criteria:

1. has completed five (5) years of service with the Douglas County School District;

2. has verified through the Public Employees' Retirement System of Nevada or the United States Social Security Administration the date that retirement benefits will begin.

The Contribution will be applied as follows:

Thirty ($30) per every eight (8) hours of accumulated sick leave in a lump sum payment.

8-1-D – SICK LEAVE BANK

8-1-D-1

The purpose of the sick leave bank is to provide assistance to contracted Support Staff Employees who are unable to perform the duties of their position due to long term, catastrophic illness or disabilities and who have exhausted their sick leave accumulation. Sick Leave Bank assistance is not to be used for normal pregnancy related conditions or disabilities. Sick Leave Bank assistance will not be granted for dependent or immediate family illness.

8-1-D-2

In order to be eligible, contracted Support Staff Employees who have served two (2) consecutive contracted years in the District and who are interested in participating in the sick leave bank shall complete and submit a Sick Leave Bank Participation/Authorization form to the Sick Leave Bank Committee of the Douglas County Support Staff Organization (DCSSO) with copies forwarded to Human Resources and Business Services.

1. Sick Leave Bank Participation/Authorization forms will only be accepted during the open enrollment period of September 1 through September 30.

2. Sick Leave Bank Participation/Authorization forms will be made available from the building representative.

3. Although the District will not be involved in decisions regarding the Sick Leave Bank's operation, the DCSSO agrees to keep written minutes of the Sick Leave Bank Committee's deliberations. Such minutes are to be sent to the Superintendent following each of those deliberations and/or meetings.

8-1-D-3

Contracted Support Staff Employees participating shall donate and have deducted from their own sick leave account the hours equivalent of up to two (2) days per year for the operations of the sick leave bank.

8-1-D-4

Whenever the total number of hours in the sick leave bank is less than 800, the Organization will inform the bank membership that a special assessment of the hours equivalent to one additional sick leave day per member will be made to reimburse the bank. Such assessment, if needed, to be assessed but once in a year.

8-1-D-5

Contracted Support Staff Employees participating in the sick leave bank shall continue their participation from year to year unless they notify the DCSSO Sick Leave Bank Committee in writing of their intent to withdraw.

1) A contracted Support Staff Employee who withdraws from the sick leave bank will not be reimbursed for the sick leave hours already contributed.

8-1-D-6

Hours not used during the school year will carry over to the next year.

8-1-D-7

Only contracted Support Staff Employees who have contributed to the sick leave bank will be eligible to receive assistance from the sick leave bank. Contracted Support Staff Employees must exhaust all accumulated sick leave before they can become eligible to receive assistance from the bank. Only current sick leave bank members are eligible for this benefit.

8-1-D-8

Contracted Support Staff Employees who wish to apply for assistance from the sick leave bank shall complete and submit a Sick Leave Bank Assistance Application to the DCSSO. Sick Leave Bank Assistance Applications will be available upon request from the site building representative.

1. The DCSSO Sick Leave Bank Committee shall consist of three (3) DCSSO members appointed by the DCSSO President.

2. The DCSSO Sick Leave Bank Committee shall review the employee's application, sick leave account, and usage. The committee has the right to accept or reject requests.

3. The DCSSO Sick Leave Bank Committee shall forward its decision to the District Human Resources and Business Services Offices. The decision of the DCSSO Sick Leave Bank Committee is final and is only subject to review through the internal structure of the DCSSO.

4. An eligible contracted employee approved for assistance from the sick leave bank may be granted a maximum of the hours equivalent to 30 days sick leave per year. In cases of a catastrophic leave, an eligible contracted employee may apply to the DCSSO Sick Leave Bank Committee for up to the hours equivalent to an additional 30 days from the sick leave bank not to exceed a total accumulation of the hours equivalent to 60 (sixty) sick leave bank days per person per year. Applications for additional sick leave bank hours (beyond the hours equivalent of 30 days) must be accompanied by documented medical verification and shall be subject to final approval by the Superintendent, whose approval will not be unreasonably denied.

8-1-D-9

The Organization and its members shall hold the District harmless against any and all claims, demands, grievances, or other liability that arise out of or by reasons of actions taken by the DCSSO in administrating the Sick Leave Bank.

8-1-D-10

As part of the agreement between DCSSO and DCSD to convert Sick Leave Bank days to hours, the parties agreed that the number of days in the Sick Leave Bank at the time this agreement is ratified by the
Board of Trustees will be multiplied by the average number of hours worked per day of the DCSSO Sick Leave Bank members calculated on the same date. As an example, if there are 852 days in the DCSSO Sick Leave Bank at the time this agreement is ratified, and the average number of hours worked per day of the Sick Leave Bank members is 6.0 hours per day, the Sick Leave Bank balance would be converted to 5,112 hours.

8-1-D-10 – SICK LEAVE NON-USE INCENTIVE

Support Staff Employees who use no more than three (3) sick leave days and unpaid personal leave during their contract year will be awarded an additional paid personal day, subject to the

restrictions of 8-2-A, for the following contract year. This additional day must be used during that following contract year. There will be no accrual for paid personal days granted under this Article.

The purpose of this Article is to reduce the use of sick leave by Support Staff Employees.

8-2 – PERSONAL LEAVE

8-2-A Paid Personal Leave

Following completion of their probationary period, all Support Staff Employees will be granted two (2) days of paid personal leave during their contract year. Personal leave cannot be taken during the first five (5) days nor the last five (5) days of the student school year.

Only one (1) day will be granted on a day preceding or following any scheduled holiday, holiday weekend or vacation recess. Exceptions to this restriction of personal leave use or the two (2) days prior notice may be appealed to the Executive Director of Human Resources in cases of bereavement not under the definition of Article 1-25, the verified graduation of a family member as defined in Article 1-25, or a bona fide emergency. Approval for exceptions to the restriction of personal leave will be at the sole discretion of the Executive Director of Human Resources and not subject to appeal.

Request to use personal leave, except in the case of bereavement not under the definition of Article 1-25 or a bona fide emergency, must be submitted to the Support Staff Employee's immediate supervisor at least two (2) days in advance of such leave.

Any combination of personal and unpaid leave is subject to prior approval by the Executive Director of Human Resources.

Support Staff Employees may accumulate up to a maximum of ten (10) days of paid personal leave per contract year. Support Staff Employees will be compensated, for each unused day in excess of eight (8) days available for accumulation, at 51% of their hourly rate multiplied by the number of hours worked per day at Step 1 of the Support Staff Employee’s assigned range.

8-2-B Unpaid Personal Leave

Following completion of their probationary period, all Support Staff Employees will be eligible to request up to five (5) unpaid personal leave days during their contract year.

Requests for unpaid personal leaves must be submitted at least five (5) days in advance of such leaves, except in the case of a bona fide emergency. Additional unpaid leave may be requested in writing in case of bona fide emergency. Approval for extended leaves will be at the discretion of the Executive Director of Human Resources.

8-2-C Holidays

- Twelve (12)-month, 260-day employees will be paid for 13 holidays:
  - Independence Day, July 4th
  - Labor Day
  - Nevada Day
  - Veterans Day
  - Thanksgiving Day and the Friday after Thanksgiving
  - Christmas Day, December 25
  - New Year's Day, January 1
  - Martin Luther King, Jr. Day
  - Presidents' Day
  - The First Monday of Spring Break
  - Memorial Day
  - Juneteenth

  In addition to the paid holidays, five (5) paid days will be allocated and assigned each year by the District as non-work days for all twelve (12) month, 260 day Classified Employees.

- All other employees, who are eligible to be in the bargaining unit, will receive paid holidays for:
  Seven (7) paid holidays:
  - Labor Day
  - Nevada Day
  - Veterans Day
  - Martin Luther King, Jr. Day
  - Presidents' Day
  - The First Monday of Spring Break
  - Memorial Day

8-2-C-1 Paid Vacation – 12 Month Classified Employees

- Twelve (12) month classified employees shall earn vacation time as part of their compensation as follows:

First through fifth years:	10 (ten) working days
Sixth through twentieth years:	15 (fifteen) working days
Twenty-first through twenty-fifth years:	20 (twenty) working days
Twenty-sixth and all subsequent years:	25 (twenty-five) working days

The vacation accrual rate during a twelve (12)-month employee's first five (5) years is eight-tenths (8/10) of a day per month; during the sixth through twentieth years the rate is one and one-quarter (1¼) days per month; during the twenty-first through the twenty-fifth years of service, the rate is one and two-thirds (1 2/3) days per month; during the twenty-sixth and all subsequent years of service, the rate is 2.08 days per month.

Earned vacation days may not be taken in advance of their accrual. No more than twenty (20) days' vacation will carry over after June 30th of any year.

- Vacation leave shall be scheduled and approved in advance by the supervisor, principal or administrator. Efforts shall be made to enable vacation time to be taken at times convenient to the employee, and consistent with the needs of the service and the work load of the department.
- The salary at which vacation is paid shall be the employee's current salary rate. An employee whose vacation time is earned and begun under a given status shall suffer no loss of earned vacation salary by reason of subsequent changes in conditions of employment.

- 210+ day employees who are hired into 260 day positions will be credited for purposes of vacation accrual according to their years of service in the 210+ day position.

8-2-C-2 Paid Vacation – 12 Month Classified Employees in Ranges A-C

- Classified employees in Ranges A-C shall earn vacation time as part of their compensation as follows:

First through fifth years:	10 (ten) working days
Sixth through fifteenth years:	15 (fifteen) working days
Sixteenth through twenty-fifth years:	20 (twenty) working days
Twenty-sixth and all subsequent years:	25 (twenty-five) working days

The vacation accrual rate during the first five (5) years is eight-tenths (8/10) of a day per month; during the sixth through fifteenth years the rate is one and one-quarter (1¼) days per
month; during the sixteenth through the twenty-fifth years of service, the rate is one and two-thirds (1 2/3) days per month; during the twenty-sixth and all subsequent years of service, the rate is 2.08 days per month.

Earned vacation days may not be taken in advance of their accrual. No more than twenty-five (25) days of vacation will carry over after June 30th of any year.

Should an employee on Ranges A-C depart the Douglas County School District after July 1, 2016, paid vacation for any replacement of his/her position will be earned as outlined in Article 8-2-C-1.

- Vacation leave shall be scheduled and approved in advance by the supervisor, principal or administrator. Efforts shall be made to enable vacation time to be taken at times convenient to the employee, and consistent with the needs of the service and the work load of the department.
- The salary at which vacation is paid shall be the employee's current salary rate. An employee whose vacation time is earned and begun under a given status shall suffer no loss of earned vacation salary by reason of subsequent changes in conditions of employment.

- 210+ day employees who are hired into 260 day positions will be credited for purposes of vacation accrual according to their years of service in the 210+ day position.

8-3 – JURY DUTY

Time necessary for jury duty shall be provided. Support Staff Employees shall suffer no interruptions of pay because of jury duty so long as any court compensation received, exclusive of mileage and meal reimbursement, is remitted to the District.

8-4 – UNPAID LEAVE

Support Staff Employees will be granted leave without pay for a period not to exceed six (6) months because of the Support Staff Employee's medically verifiable serious illness or disability of five (5) or more consecutive workdays, including pregnancy and maternity, after having exhausted all available sick leave or for the medically verifiable serious illness or disability of the spouse, child or parent of the employee.

Upon return from such leave, a Support Staff Employee will be placed in the same or comparable position as held prior to the leave. Absences of five (5) or more consecutive workdays will require a doctor's release
prior to the Support Staff Employee's return to work. A Support Staff Employee who fails to report to work immediately following the expiration of an approved unpaid leave will be deemed to have voluntarily resigned.

8-4-A – LONG TERM LEAVE

The Board may grant an uncompensated leave of up to twelve (12) months but not less than one semester *as defined by the District adopted calendar* to any Support Staff Employee who has served a minimum of five (5) years of continuous services with the District. A request for long term leave will only be considered once every three (3) years.

The request must be made in writing and as much in advance of the requested time off as possible; it shall state the reason for the request and include the date the leave will commence and when the employee anticipates returning to duty. The Board will not consider a request that has not been approved by the Support Staff Employee's supervisor and the Superintendent.

Support Staff Employees who wish continuation of the group health benefits while on unpaid long term leave must make advance premium payments to cover the term of the personal leave of absence.
Upon return from an unpaid long term leave, a Support Staff Employee will be returned to the same job as prior to the commencement of said long term leave or to a job that is comparable with seniority and benefits intact.

8-5 – ORGANIZATION LEAVE

8-5-A

On July 1 of each year, the Organization shall be credited with fifteen (15) days aggregate leave to be used for Organization business. Such leave is not accumulative.

8-5-B

Organization leave must be requested by the Organization president not less than three (3) work days prior to the commencement of such leave.

8-5-C

The Organization will be billed in accordance with Nevada Revised Statute Chapter 288 for individuals released for Organization leave.

8-6 – UNAUTHORIZED LEAVE

Any absence without authorization shall be grounds for disciplinary action. Any unauthorized absence of three (3) consecutive workdays shall constitute an abandonment of position and will be treated by the District as a resignation except in cases of verifiable emergency approved by the Superintendent.

ARTICLE IX – HEALTH INSURANCE

9-1

The District agrees to offer group health, dental, optical, and life and accidental death and dismemberment (AD&D) insurance to all eligible contracted Support Staff Employees who are contracted to work five (5) or more hours per day and at least twenty-five (25) hours per week, and their dependents.

9-2

The District will pay $950.00 per month for the individual group health, dental, optical, and Group Term life and AD&D insurance for all eligible Support Staff Employees covered by this Agreement. The group term life insurance included in this premium will be in the amount of $20,000.00.

The School Board, at its discretion, may implement no more than one premium holiday per calendar year provided that there is a fiscally prudent reserve of the previous six (6) months of claims in the Self Insurance Fund.

No later than November of each year, the Advisory Insurance Committee created under this Article shall review and consider projected costs of the Plan, projected revenues for the Self-Insurance Fund, and the Insurance Fund Balance to make a recommendation to the School

Board. In the event the Advisory Insurance Committee does not make a recommendation, the School Board reserves the right to make changes to the Plan.

At the May Board Meeting, the Advisory Insurance Committee will provide an update to the Board regarding year end and financial status of the self-insurance fund.

Whenever there is a new Board member, a workshop will be held to inform members of the workings of the self-insurance fund.

When the Health Insurance Advisory Committee presents a recommendation to the Board of Trustees, representatives selected by the committee shall present the recommendation and answer any Board questions.

An Advisory Insurance Committee shall be formed consisting of the Executive Director of Human Resources, three teachers selected by the DCPEA, two classified employees selected by DCSSO, one bus driver selected by the Douglas County School Bus Drivers, and one administrator selected by the Douglas County Administrator Association.

The committee shall meet monthly unless a majority votes otherwise. No more than two (2) meetings per year may be cancelled.

The responsibilities of the committee shall be to:

1. Review the actuarial soundness of the plan.
2. Review the benefits and features of the program.
3. Review premium requirements.
4. Evaluate the plan administrator.
5. Review the re-insurance.
6. Evaluate and review any other factors that may affect the program.
7. Review bids from plan administrators and health insurance carriers when the committee deems it appropriate.
8. Review general claim issues.
9. Review the fiscal prudence of a health insurance premium holiday prior to submission to the Board.

Minutes from each meeting shall be distributed to the Board of Trustees within ten (10) working days after the meeting is adjourned. The committee shall make majority recommendations to

the Board and employee organizations regarding suggested changes to the insurance program, which are subject to final approval by the Board, to be considered as a part of the annual renewal process.

9-3

Dependents of Support Staff Employees eligible for insurance benefits under the Agreement will be allowed to participate in this insurance program but shall bear the full premium cost for coverage afforded under this insurance program. Group term life insurance will not be offered to dependents.

ARTICLE X – MEDICAL EXAMINATION

10-1

Should the District require post-employment medical examinations or tuberculosis tests, the District will pay the cost of such examinations or tests provided the employee uses the District's appointed technician or physician.

10-2

Any examination required by any other government entity is not covered by this provision.

ARTICLE XI – SAFETY

11-1

The District will continue to provide safe, healthy working conditions for Support Staff Employees in accordance with applicable Nevada Revised Statutes. Support Staff Employees with possible exposure to blood/body fluid borne pathogens that cannot be practically addressed through other preventative measures, as determined by the Executive Director of Human Resources and the Chief Health Nurse, in accordance with the District's Exposure Control Plan as prescribed by OSHA, will be given the option of receiving Hep A and/or Hep B vaccines at no cost to the employee.

11-2

Upon discovery, Support Staff Employees agree to report unsafe working conditions to their immediate supervisor as well as agree to comply with all applicable District safety regulations and procedures

ARTICLE XII – NO STRIKE AGREEMENT

12-1

Each contracted Support Staff Employee herein agrees that he will not instigate, promote, encourage, sponsor, engage in, or condone a strike, stoppage of work, or slow down of the operations of the District and that any such act is illegal.

ARTICLE XIII – GENERAL SAVINGS CLAUSE

13-1

It is not the intent of either party hereto to violate any laws of the State of Nevada or of the United States. The parties agree that in the event any provision of this Agreement is held by a court of competent jurisdiction to be in contravention of any such laws, they will enter into immediate negotiation thereon at a time and date agreeable to both parties. The remainder of the Agreement shall remain in full force and effect.

13-2

The District shall not be bound by any requirement, which is not expressly stated in this Agreement. This Agreement terminates and supersedes those procedures, rules or regulations inconsistent with the provisions herein. The parties agree that during the negotiations, which culminated in this Agreement, each party enjoyed and exercised without limitations the right and opportunity to make demands and proposals or counterproposals with respect to any matter not reserved by policy or laws from compromise through negotiations.

ARTICLE XIV – COMPENSATION

14-1

The District shall pay longevity and step increases for the 2025-26 and 2026-27 school years covered in this agreement. The District and the Organization agree to the following additional provisions related to compensation:

Instructional para-educators and special education para-educators, who meet the "highly qualified" state and federal requirements of HR1 and SB1, shall be placed on Range 1-F (instructional) or 13-B (special education) of the salary schedule upon meeting the requirements. In order to advance to a Para-Educator III or Para-Educator IV job classification during the current contract year, official transcripts, or appropriate notification, must be received by Human Resources on or before October 1st.

The District shall pay 100% of the employee and employer portion of the PERS increase for the school years covered by this agreement.

In the event that certified staff, administrators, or directors receive any across the board salary increase, cost of living adjustment, or general wage increase during the term of this agreement, all classified staff covered under this agreement shall receive the same percentage increase, effective on the same date.

This provision shall not apply to increase based on merit, promotion, reclassification, stipends, supplemental duty, or compensation funded exclusively by external grants or restricted program funds.

14-3

In the event a contracted Support Staff Employee is promoted, the promoted employee will be placed on a step at which the hourly rate is at least a 2% increase or one step higher, whichever is more, than the hourly rate of one's previous assignment. If the employee's previous rate was the employer/employee paid PERS rate (50%) and they choose to switch to employer paid PERS at the time of promotion, their previous rate will be matched to the 50% rate and they will be placed on that step at the employer paid rate (100%) 14-4

At the discretion of the school principal, a yearly stipend of $500.00 may be paid to a qualified Support Staff Employee who provides bilingual services outside the employee's regular work day for the benefit of the school. The school principal will determine the qualifications necessary, the duties required and to whom the stipend will be given.

14-5 Professional Growth

14-5-A DCSD Sponsored Training

When opportunities arise through late start days, early release days and the like, the District will work with site administration and Classified Supervisors to plan training sessions to improve the skillset of support staff employees. Support staff employees will be invited to participate in all PLC, site staff development opportunities, data discussions, and other instructional group meetings that occur within their scheduled work day. When required by a

supervisor, support staff employees will attend meetings and trainings. Support staff employees may attend staff trainings and meetings that occur outside of their work day commitment if they desire to volunteer to do so.

14-5-B Education

The District shall credit any Non-Instructional, Instructional, and Special Education Para-Educators (Ranges 1A – 1H and Ranges 13A – 13D) who desires professional growth advancement on the Classified Salary Schedule for the school year 2018-19, and thereafter, with professional growth credit for any "education" related continuing education courses that are taken from an accredited institution and are pre-approved by the Executive Director of Human Resources prior to enrollment in the course(s).

In all cases of the above-approved courses, one (1) continuing education credit requires a minimum of ten (10) hours of participation in an education program. A grade no lower than a "B" must be earned for the course. Courses for which only a "pass/fail" or "satisfactory/unsatisfactory" grade can be obtained will not be approved unless there is no option to receive the letter grade for the course. In such cases, the employee is required to provide verification from the institution that a letter grade is not an option.

Official transcripts, or appropriate verification, must be received by Human Resources by October 1st of each year should an advancement in job category exist for a promotion on the salary schedule. An advancement in job category, verified by October 1st, will be paid retroactively to the start of the employee's contract year. Official transcripts, or appropriate verification, received after October 1st, will not be credited on the salary schedule until the following contract year.

If either release time or District funding is given to attend classes, workshops, or conferences, any credit received for such attendance will not count for advancement to a new para-educator job category.

14-6 Longevity

Any Support Staff Employee in a contracted position covered by this Agreement who has completed a total of fifteen (15) continuous contracts of service with the District shall receive a 5% salary increase beginning with the sixteenth (16th) consecutive year of service. Any employee who completes a total of nineteen (19) continuous contracts of service with the District shall receive a 5% salary increase beginning with the twentieth (20th) year of continuous service.

Any support staff employee who has completed a total of twenty-five (25) continuous contracts of service with the District shall be eligible for a $675 longevity bonus per year beginning with the twenty-sixth (26th) year of continuous service.

Note: In exchange for Article XXI – Fingerprinting language, DCSSO agreed to reduce the $750 twenty-five (25) year longevity bonus to $675.

To be counted as a year of contract service to the District, the employee must have worked no less than 65% of the total days in a complete contract year for that position.

Continuous service includes years worked in succession. When an employee terminates from the District, a break in continuous service occurs.

14-7 Out of Classification Pay

Contracted employees temporarily assigned (other duties as assigned) by the District to the responsibilities of an employee in a higher rated position, completing assignments that are beyond their current scope, shall be compensated as follows:

Consecutive Work Days 1 – 5: Contract employees will receive the hourly rate at which they are currently being paid in their classification.

Consecutive Work Days day 6 plus: Contract employees shall be compensated at range of the higher rated position and at the contract employee's current step.

At the discretion of the supervisor or administrator, an employee may be paid at a higher rate on a short term basis in order to meet the needs of the department.

Contracted employees temporarily assigned by the supervisor to perform work in a lower rated position shall continue to be paid their regular hourly rate for the duration of that assignment.

14-8 Overtime:

Compensation for overtime is, by definition, for work performed in excess of 40 hours in a workweek (not to include paid time off) by employees who are non-exempt under applicable wage and hour laws. The workweek in the Douglas County School District is defined as Monday through Sunday. Also, other than in the case of an employee whose regular hourly rate of pay is less than 1.5 times the minimum wage, regardless of the number of hours an employee may work in a given day, overtime compensation for any hours worked in excess of 8 hours in a day is not required unless the employee works more than a total of 40 hours in that workweek. In such case, the employee must be paid or given time off by the end of the following pay period at the same 1.5 rate on an overtime basis only for those hours worked in excess of 40. Time or pay will

be determined by pay period and may not be carried over for future use. All time must be pre-approved by the authorized classified supervisor or site administrator.

14-9 Extra Time

Extra time is any additional time worked over the contracted time on any given day and does not exceed 40 hours in a work week. Non-essential staff that have reported to work prior to a school closure or when other staff are dismissed and approved by the supervisor, the supervisor will track the time worked and allow for release time by the end of the following pay period of the time worked. *Refer to Appendix B - Table 1 of school closure guidance for who reports/does not report.

14-10

In emergency circumstances, e.g., snow removal, facility and vehicular emergency repairs, overtime or extra time may be authorized by the most available and appropriate supervisor and then reported as quickly as is practical to the Superintendent or designee to obtain the written approval. The employee will be compensated for a minimum of 2 hours.

ARTICLE XV – TERM OF AGREEMENT

15-1

This agreement shall be effective upon ratification by the Board of Trustees from July 1, 2025 to June 30, 2027.

ARTICLE XVI– DISTRICT RIGHTS

16-1

Except as expressly modified or restricted by a specific provision of this Agreement, the School Trustees retain those management rights as provided by statute.

16-2

All other rights of management not expressly limited by the terms of this Agreement are also expressly reserved to the District even though not enumerated above. The expressed provisions of this Agreement constitute the only contractual limitation upon the District's rights.

ARTICLE XVII- BREAKS

17-1

Each eight-hour Support Staff Employee is entitled to two paid ten-minute rest breaks. The first rest break should take place at or near the midpoint of the work period prior to the lunch break and the second rest break should be taken at or near the midpoint of the work period after the lunch break. Each eight-hour employee is entitled to a one-half hour, non-paid, uninterrupted lunch break at or near the midpoint of their eight-hour shift.

17-2

Employees who work fewer than eight (8) hours and work more than four (4) consecutive hours without a lunch break are entitled to one ten (10) minute rest break at or near the midpoint of the employee's work day (i.e., seven (7) hour employees with a lunch break are not entitled to a rest break if they do not work four (4) consecutive hours). Rest breaks may not be attached to the lunch break thus extending the lunch break.

17-3

Lunch breaks and rest breaks shall be assigned by the employee's supervisor and should not be taken at the beginning or end of the shift to shorten the workday. Should a need arise in which an employee needs to modify his/her established work hours; it shall be permissible for the employee's supervisor to grant permission for modifications. Any changes in the established work hours must be approved by the supervisor, are at the sole discretion of the supervisor, and are not subject to an appeal. Employees will be
responsible for making up missed work time within the same calendar week, or they will receive a pay dock for the time missed.

17-4

All breaks are to be scheduled and taken at the direction of the employee's immediate supervisor.

17-5

Employees unable to take a rest break will not receive any remuneration in lieu of the rest break.

ARTICLE XVIII– POSTING VACANCIES/TRANSFERS

18-1

The DCSSO agrees that the Executive Director of Human Resources in conjunction with the appropriate supervisor is authorized to make appointments to all vacant positions based upon the needs of the District. Prior to filling vacancies, the procedures below will be followed.

1. All vacancies for classified positions, including new positions, shall be emailed to all classified employees. In addition, the position will be posted on the District website for a period of five (5) working days before the selection process begins.

2. The posting shall include job title, wage classification, job location, and closing date for application.

3. The posting will not be filled for five (5) days from the date of posting during which time transfer requests by individuals within the job categories listed in the Appendix being posted shall be considered. Individuals with an effective or highly effective performance rating on their most recent evaluation will be guaranteed an interview. If an individual's request for transfer is not granted, the District will provide the individual a written explanation as to why the transfer was denied.

4. In considering whether a transfer will be granted or not, the District will examine the following criteria:

    a. Previous experience
    b. Performance evaluations
    c. Job-related training
    d. Experience working with children

ARTICLE XIX– WORK DAY EXCEPTION

19-1

School Support Staff Employees who provide direct instructional support to students will work four (4) hours on the last teacher workday prior to the start of the school year. Employees will be paid on a timesheet for the difference between the time they owe for leaving early on any minimum days and the four (4) hours they are required to work on the teacher workday.

ARTICLE XX– FINGERPRINTING

20-1

As a condition of employment with the District, employees must submit to a background check prior to being hired by the District, and at least once every 5 years thereafter. Support Staff Employees will be responsible for any administrative fees charged by the Douglas County Sheriff's Office or any other agency where the fingerprinting process is completed.

Douglas County School District
Board Agenda Item Memo

Date: 06/25/26

To: DCSD Board of Trustees

From: Jeannie Dwyer, Executive Director of Human REsources

Re: DCPEA Negotiated Agreement

Requested Action:
Recommendation that the Board review and approve the ratified collective bargaining agreement between the Board and the for the two-year term of July 1, 2025, through June 30, 2027.

Background Information:
A ratified agreement brought forward in December of 2025 was not approved by the board due to the fiscal emergency. DCSD and DCPEA continued negotiations and came to an agreement which was ratified by the DCPEA organized unit.

To conclude this extensive process, the District issued a Best and Final Offer that preserves the vast majority of the original Tentative Agreement (TA) but introduces critical, targeted structural adjustments to directly address the fiscal emergency.

Key Terms & Contract Amendments

The contract maintains all terms of the original TA, subject only to the following amendments designed to safeguard District finances:

- **Duration:** Two (2) years, covering July 1, 2025, through June 30, 2027.
- **Fiscal Year Alignment:** Articles 1–8 are amended to ensure the employment contract strictly aligns with the District's fiscal year cycles.
- **Targeted Base Work Year Reduction (2026–2027 Only):** To align directly with the 180-day instructional school year, the base work year for certified personnel is reduced by five (5) days (from 185 days down to 180 days) for the 2026–2027 school year only.

Budget Considerations and Impact:
Fiscal Impact = Savings of approximately $392,589

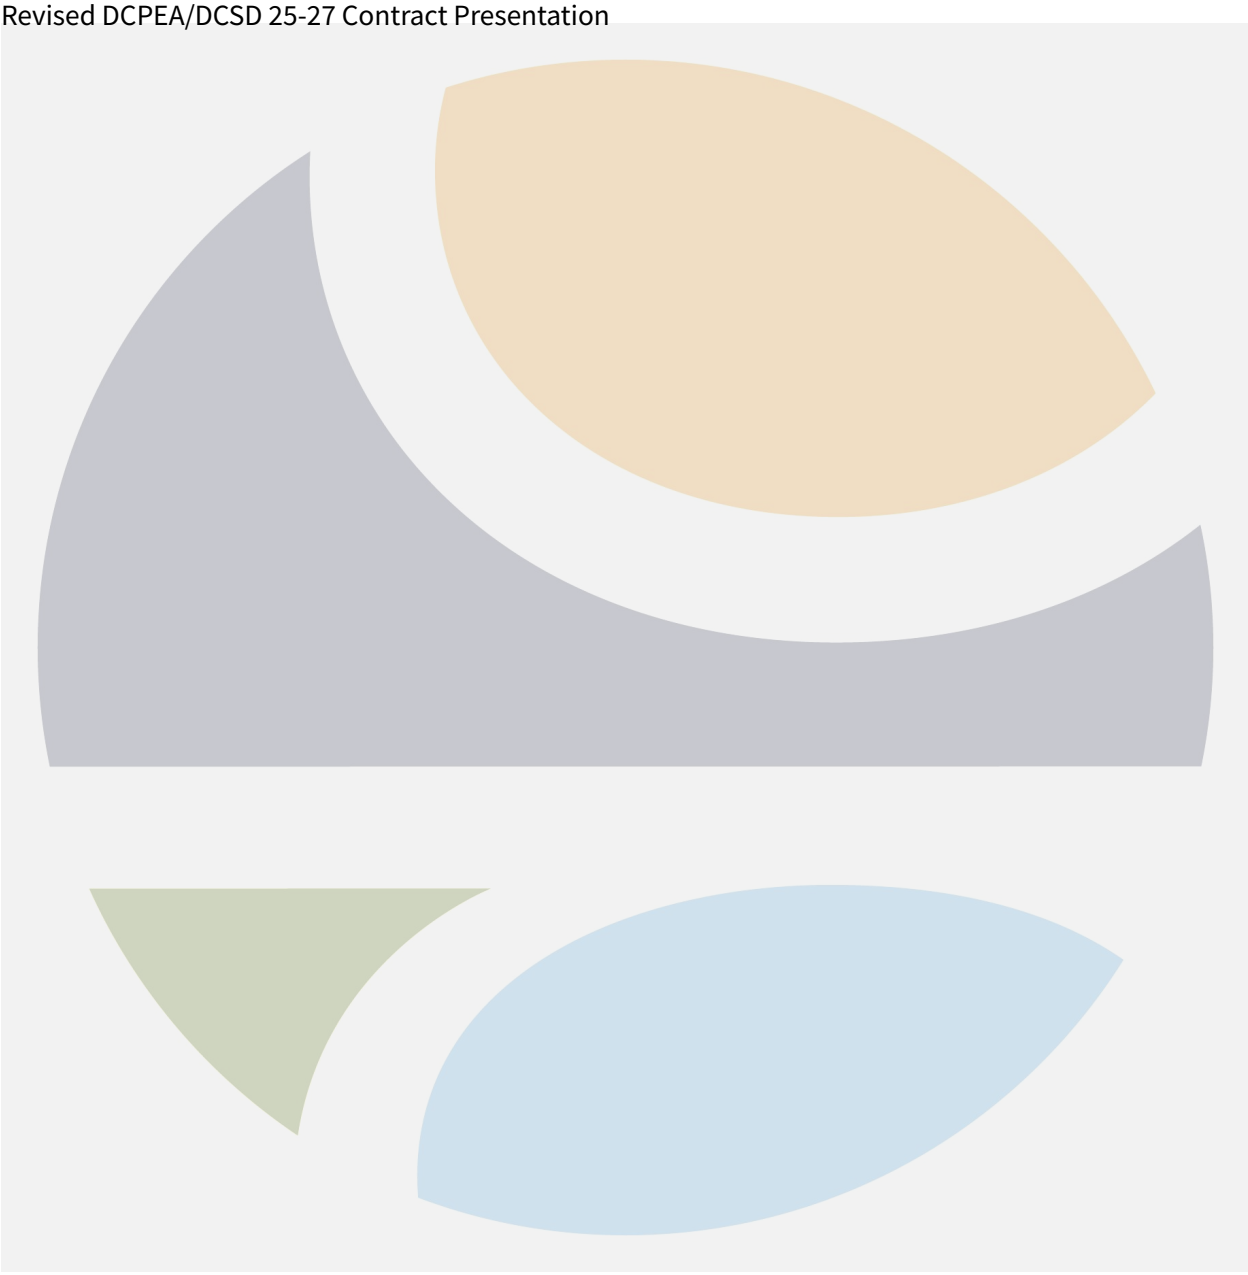

Recommendation:

Recommendation that the Board review and approve the ratified collective bargaining agreement between the Board and the for the two-year term of July 1, 2025, through June 30, 2027.

ARTICLE I: Definitions

1-1 The term "Negotiations Law," as used in this Agreement shall refer to Chapter 288 of NRS and subsequent revisions, also known as the Local Government Employee-Management Relations Act.

1-2 The term "Teacher," as used in this Agreement, shall refer to all contractual, non-administrative, licensed personnel eligible for membership in the Douglas County Professional Education Association.

1-3 The term "Association," as used in this Agreement, shall mean the Douglas County Professional Education Association and is the entity known as the Employee Organization in Chapter 288 of NRS.

1-4 The term "School Trustees," as used in this Agreement, shall mean the Board of Trustees of the Douglas County School District and is the entity known as the Local Government Employer in Chapter 288 of NRS.

1-5 The term "School Trustee" and "Association" shall include authorized officers, representatives, and agent. Despite references herein to "School Trustee" and "Association" as such, each reserves the right to act hereby through committees or designated representatives.

1-6 The term "School District," used in this Agreement, shall mean the Douglas County School District.

1-7 The term "Superintendent," as used in this Agreement, shall mean the Superintendent of Schools of the Douglas County School District or his/her designated representative.

1-8 The term "Contracted School Year," as used in this Agreement, shall refer to the period of time between July 1st and June 30th.

1-9 The term "Immediate Family," as used in this Agreement, shall mean the employee's spouse, parent, sibling, child, grandchild, and grandparent, and persons similarly related by marriage or any other person living in the immediate household of the employee. At the discretion of the Superintendent, exceptions to defining individuals as "immediate family" may be considered in unique circumstances involving those who may have served as surrogate parents.

1-10 The term "Board," as used in this Agreement, shall mean the Local Government Employee-Management Relations Board, as provided in NRS 288.030.

1-11 The term "Agreement," as used in this Agreement, shall refer to the name of this document, being the "Professional Negotiation Agreement between the Douglas County School District and the Douglas County Professional Education Association."

1-12 The term "Days," as used in this Agreement, shall mean teacher employment days.

1-13 The term "Consultant," as used in this Agreement, shall mean any person requested by either the Association or the School Trustees to provide assistance in the negotiations process.

1-14 The term "Grievance," as used in this Agreement, shall mean a claim by a grievant that a dispute or disagreement of any kind exists involving interpretation or application of this Agreement. Teachers and/or the Association having disputes or disagreements and/or the Association having disputes or disagreements not involving the interpretation or application of this Agreement can seek resolution through the principal, superintendent, and Board of Trustee levels as prescribed in Article II of this Agreement.

1-15 The term "Grievant," as used in this Agreement, shall mean the person or persons making the claim.

1-16 The term "Party in Interest," as used in this Agreement, shall refer to the person or persons making the claim and any person or persons who might be required to take action or against whom action might be taken in order to define the problem, as defined in 1-14.

1-17 The term "Supervisor," as used in this agreement, shall refer to the principal and vice-principals of each school in the District.

1-18 The term "Community or Civic Activities," as used in this Agreement, shall mean those activities of a nature generally of benefit to, and limited to, Douglas County.

1-19 A District-wide employee is any employee who is not assigned to a specific site(s).

1-20 The term "unassigned time," as used in this agreement, shall refer to the time before and after the instructional student contact day.

1-21 The term "assigned time", as used in this agreement, shall refer to the time during the instructional student contact day.

1-22 The term "non-disciplinary", as used in this agreement, shall mean that an informal notice of concern cannot be used in action against an employee except to show notice was provided.

1-23 The term "preparation time", as used in this agreement, shall mean that time herein and assured in Article 10-4 that a teacher shall use for preparing lesson plans or materials, correcting papers, conferring with students, parent, or colleagues, or performing any other professional responsibility. The Board and the Association understand that the list set forth herein is not exhaustive.

1-24 The term "specialist", as used in this agreement, shall refer to all certified non-classroom educators eligible for membership in the Douglas County Professional Education Association.

ARTICLE II: Grievance Procedure

2-A RIGHT TO REPRESENTATION

2-A-1 The School Trustees shall recognize a Professional Rights and Responsibilities Committee upon its selection by the Association.

2-A-2 The parties in interest acknowledge that it is most desirable for the employee(s) and/or representative(s) and the immediately involved supervisor to meet in an attempt to resolve a possible grievance through free and informal communications. If an informal meeting is held, the immediately involved supervisor shall provide a written response to the problem within five (5) working days of the informal meeting.

2-A-3 If the group of teachers and/or the Association is not satisfied with the disposition of its grievance as stated in 2-A-2, beginning within five (5) school days after receiving the answer in writing from the principal or supervisor, the group of teachers and/or the Association may process such grievance through all proper levels of the grievance procedure.

2-A-4 Class grievance involving more than one supervisor and grievances involving administrators above the building level, but not including the Superintendent, shall be resolved as stated in 2-A-2. If the aggrieved parties are not satisfied with the disposition of the grievance as stated in 2-A-2, then the Association may file a written class grievance with the Superintendent, and if need be, process such grievance through all proper levels of the grievance procedure.

2-A-5 In matters dealing with alleged violations of Association rights by the Superintendent, the grievance shall be initiated at Level 2.

2-B INDIVIDUAL RIGHTS

2-B-1 Nothing contained herein shall be construed as limiting the right of any teacher having a complaint to discuss the matter via administrative channels and to have the problem adjusted without the intervention of the Association.

2-B-2 A grievant may be represented at these meetings by himself/herself, or, at his/her option, an Association representative selected by the Association may be present with the aggrieved party. The Association may be present upon permission of the grievant to state its views at all stages of the grievance procedure.

2-C STEPS

2-C-1 INFORMAL DISCUSSION.

2-C-1-A The parties acknowledge that it is usually most desirable for a teacher and immediate supervisor to resolve problems through informal communications. Accordingly, an aggrieved person must request and discuss the matter informally with his/her or his/her immediate supervisor or with the administrator who is responsible for the alleged violation within ten (10) days of when the aggrieved person became aware of or should have known of the alleged violation, with the objective of resolving the matter informally. When requesting the meeting, the aggrieved person shall provide the name of the Article and exact provision of the contract allegedly violated to the best of his/her or his/her knowledge. A timely and proper request for an informal discussion cannot be denied.

2-C-1-B If the matter is not resolved at the informal discussion level, and the grievant wishes to file a grievance, it must be done no later than ten (10) days after the informal meeting with the supervisor. The grievance would then move to Step One.

2-C-2 STEP-1: SCHOOL PRINCIPAL. Upon receiving a grievance, the supervisor will arrange for a meeting to take place within five (5) days after receipt of the grievance. The written grievance provided for herein shall give a clear and concise statement of the alleged grievance including the fact upon which the grievance is based, the issues involved, the provision involved, and the relief being sought. Besides the grievant and the supervisor, either may request to have a representative also present for the meeting. The supervisor shall provide the aggrieved party and the Association with a written answer to the grievance within five (5) days after the meeting. Such an answer shall include the reasons upon which the decision was based.

2-C-3 STEP-2:-SUPERINTENDENT OF SCHOOLS.

a) If the grievant is not satisfied with the disposition of his/her grievance at Step-1, or if no decision has been rendered within five (5) school days after the meeting on the grievance, then the grievance may be referred to the Superintendent or his/her official designee.

b) The grievant and the Association must, within (5) days of receiving a reply from the principal, submit the grievance in writing to the Superintendent. If the grievance is not filed within the time limit (five days), the grievance is withdrawn.

c) The Superintendent shall arrange for a hearing with the grievant and the Association representative to take place within five (5) days of his/her receipt of the grievance. The parties in interest shall have the right to include in the representation such witnesses and counselors as they deem necessary to develop facts pertinent to the grievance. Upon conclusion of the hearings, the Superintendent will have five (5) days to

provide his/her written decision, together with the reasons for the decision, to the grievant and the Association.

2-C-4 STEP-3: MEDIATION

If the grievance is not settled at Step-2, the grievant, not later than five (5) days after receipt of the Superintendent's answer at Step-2, may file a written appeal to the Superintendent requesting mediation.

Procedures for Grievance Mediation:

1. Within five (5) days, the Superintendent or his/her designee, will acknowledge the receipt of the request of mediation and contact the Federal Mediation and Conciliation Service (FMCS) to obtain a mediator.
2. The mediator shall confer with the Superintendent, or his/her designee, and the Association, and hold a hearing promptly. Nothing said or done by the parties during the mediation hearing can be used against them during the Arbitration proceedings.
3. If no solution is reached to the satisfaction of both parties, the grievance and all information in Step-1 and Step-2 may be submitted to Step-4 by the aggrieved.

2-C-5 STEP-4: SCHOOL TRUSTEES. If the aggrieved party is not satisfied with disposition of the grievance at Step-3, and if the Association agrees that the grievance has not been satisfactorily settled, then the grievant and the Association may request a hearing of the grievance by the School Trustees within five (5) days after the conclusion of mediation, and the School Trustees, who shall hear the grievance no later than its next regular meeting, will have five (5) days following the meeting to answer the grievance.

2-C-6 STEP-5-BINDING ARBITRATION

a) If the grievant and the Association are not satisfied with the disposition of the grievance at Step 4, or if no decision has been rendered within five (5) days after they have first met with the School Trustees, they may, within five (5) days after a decision by the School Trustees or ten (10) school days after they have first met with the School Trustees, whichever is sooner, request in writing that the Association submit the grievance to arbitration. If the Association determines that the grievance involves the interpretation, meaning, or application of any of the provisions of this agreement, it may, by written notice to the Superintendent and the School Trustees within ten (10) school days after receipt of the request from the aggrieved person, submit the grievance to binding arbitration. If any question arises as to arbitrability, such question will first be ruled upon by the arbitrator selected to hear the dispute.

b) Within ten (10) days after such written notice of submission to arbitration, the Superintendent and the Association will attempt to agree upon an arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such commitment within the 10-day period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

c) Neither party shall be permitted to assert in the arbitration proceedings any evidence which was not submitted to the other party before the completion of Step-4 meetings.

The arbitrator selected will confer with the representatives of the Superintendent and the Association and hold hearings promptly and will issue his/her decision not later than twenty (20) days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statements and proofs are submitted to him/her. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is a violation of the terms of

this Agreement. The decision of the arbitrator will be submitted to the School Trustees and the Association and will be final and binding upon the parties.

d) The arbitrator shall not have the authority to modify, amend, alter, add to, or subtract from any provision of this Agreement.

e) The costs of the services of the arbitrator, including per diem expenses, if any, and his/her travel and subsistence expenses and the cost of any hearing room will be borne equally by the School Trustees and the Association. All other costs will be borne by the party incurring them.

f) Time is of the essence in the discharge of grievances and all parties hereto shall comply strictly within the time limitations set forth above. If the grieving party fails to exhaust the grievance under the grievance procedure within the time limits set or fails to abide by such procedure within the time limits set or fails to abide by such procedure, the grievance shall be considered abandoned. If either party fails to meet the time limits set throughout this Article including the request for arbitration, the opposing party shall have the right to unilaterally initiate the next grievance step as provided herein. All time limits set forth above shall be exclusive of Saturdays, Sundays, and holidays.

2-D EXCEPTIONS TO TIME LIMITS

2-D-1 When a grievance is submitted on or after June 1, time limits shall consist of all week days, except holidays, so that the matter may be resolved as soon as possible.

2-E NO REPRISALS

2-E-1 No reprisals of any kind will be taken by the School Trustees or the school administration against any teacher because of his/her participation in this grievance procedure.

2-E-2 The filing of a grievance shall in no way interfere with the right of the School Trustees to proceed in carrying out its management responsibilities, subject to the final decision on the grievance.

2-F COOPERATION OF SCHOOL TRUSTEES AND ADMINISTRATION

2-F-1 The School Trustees and the administration will cooperate with the Association in its investigation of any grievance, and further will furnish the Association such information as is requested and may be legally furnished by the School Trustees for the processing of any grievance.

2-G RELEASE TIME

2-G-1 It is understood that the investigation and processing of grievances shall not interfere with normal school operations nor involve members of the teaching staff during the time of normal teaching assignments. If, however, the investigation or processing of any grievance requires that a teacher or an Association representative be released from his/her regular assignment, he shall be released with substitute's pay deducted and with substitute's pay reimbursed by the Association.

2-H PERSONNEL FILES

2-H-1 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

2-I GRIEVANCE FORMS

2-I-1 Forms for filing grievances, serving notices, taking appeals, reports, and recommendations, and other necessary documents will be prepared jointly by the Superintendent and the Association so as to facilitate operation of the grievance procedure. The costs of preparing such forms shall be borne equally by the School Trustees and the Association.

2-I-2 Statement of Objection. Level One grievances and any appeal beyond Level I must categorically state the grievant's specific objection to the answer received at the level from which the grievant is appealing, the specific issues still being grieved, the specific remedies still being sought, and be signed by the grievant.

ARTICLE III: Association Activities

3-1 The School Trustees and the Association hereby agree that every teacher of the School District shall have the right to freely join or refrain from joining the Association.

3-2 The School Trustees will not discharge, dismiss, or discriminate against any teacher by reason of his/her membership in the Association, his/her participation in activities of the Association, or his/her participation in any grievance.

3-3 The Association shall be allowed at least thirty minutes during the first general session of all teachers at the beginning of each school year for presentation of the local Association and its officers, and/or representatives from N.E.A., N.S.E.A., and/or U.C.N. The Association will notify the Superintendent one week before this meeting of its wish to be placed on the agenda. In the event that a general session is not held prior to the first teaching day, an Association representative from each school shall be granted at least thirty (30) minutes during one (1) of the three (3) teacher work days preceding the academic year for the purpose of presenting information about the Association.

3-4 The Association agrees that all of its activities will be conducted so as not to interfere with teachers' regular duties and obligations. This will not be construed so as to prevent Association negotiations team members from participating in the fact-finding sessions of the Local Government Employee-Management Relations Act. The Association agrees to pay the cost of the substitute's pay of the Association negotiation team members attending fact-finding.

3-5 The Association shall have the right to place, in a reasonable manner, appropriately identified notices, circulars, and other materials on school faculty bulletin boards not to exceed four (4) feet by eight (8) feet in area and in the teacher's mail boxes. The contents of any Association notices, circulars, and other materials to be posted on School property or to be distributed via school mail, including e-mail, shall be made available to the site supervisor prior to posting or distribution. Prior notice will consist of the association representative providing a signed, dated copy indicating the time the notice was made available to the site administrator. A signed hard copy of any email would automatically contain the necessary information. For district- wide information, the above will be provided to the Superintendent prior to posting or distribution.

3-6 The Association and its representatives shall have the right to use school buildings at all reasonable hours for meetings, scheduling such use with the principal of the school, provided that this shall not interfere with or interrupt normal school operations.

3-7 The Association will not send notices home with students and will not discuss Association business with students.

3-8 The Association shall have the privilege of using school facilities and equipment, including typewriters, mimeographing machines and other duplication equipment, calculating machines, and audio-visual equipment at reasonable times, providing such use shall not interfere with normal school requirements and providing the

Association has the permission of the principal of the site involved. The Association shall reimburse the District for any costs the District incurs as a result of permitting this use privilege. Reimbursement shall be paid on a quarterly basis.

3-9 Upon receipt of a properly completed NSEA membership enrollment form, the School District shall deduct from the salary of any teacher and make appropriate remittance for D.C.P.E.A., N.S.E.A., and N.E.A. dues. Deductions will be made in 12 equal monthly installments during the individual's contracted pay periods. Not later than the first of each month, the Association will provide the School District with any new properly completed NSEA membership enrollment forms. The Association will notify the School District monthly of any changes in dues deductions. Members who wish to withdraw their membership for the following contract year must notify the DCPEA president or secretary in writing between July 1st to 15th. The Association and its members shall hold the District harmless against any and all claims, demands, grievances, or other liability that arise out of or by reasons of actions taken by the Association concerning dues deductions.

3-10 With prior approval of the school principal, the duly authorized representatives of the Association and the organizations with which the Association is affiliated not employed by the Douglas County School District shall be permitted to discuss matters pertaining to Association business only before the arrival or after the dismissal of the students or during the teacher's scheduled lunch period.

3-11 The Board of Trustees recognizes the Douglas County Professional Education Association as the exclusive bargaining representative of the contracted teachers of the Douglas County School District (as defined in Section 1-2 of the Definitions), subject to the provisions of NRS 288.

3-12 The teacher bargaining unit as recognized by the Douglas County School District Board of Trustees includes exclusively the following contracted employees: classroom teachers, school nurses, school counselors, school psychologists, special education teachers, school librarians, P.D.C. trainers, and Special Program Assistants.

ARTICLE IV: Employment of Teachers

4-1 Subsequent to the effective date of this Agreement, all personnel hired as classroom teachers for other than vocational or technical courses shall be required to have at least a bachelor's degree from an accredited college or university. Teachers employed in specialist classification areas, such as remedial reading, special education, library, speech therapy, psychology, etc., shall hold a bachelor's degree and the appropriate special license granted by the State of Nevada Department of Education.

4-2 Teachers employed by the School District shall comply with the Nevada Teacher Licensure requirements for the position to which they are assigned, and such compliance must be completed no later than five (5) working days prior to any paycheck being issued. Teachers must maintain appropriate licensure to be paid on the Licensed Personnel Salary Schedule. Non-compliance may lead to payment at the substitute rate, non-payment and/or termination.

4-3 Teachers will be given letters of intent on or before May 1 unless modified by the state legislature. Teachers shall be given at least ten (10) days to examine their own contract or letter of intent before it must be signed and returned to their principal. In the event that contracts or letters of intent are issued prior to May 1st, the ten (10) days a teacher has to decide whether to accept or reject employment will begin on the date the teacher received such contract or letter of intent. Once a contract or letter of intent is signed accepting employment for the subsequent school year, the teacher shall not be released pending the District's finding an adequate replacement.

ARTICLE V: Leave of Absence

5-1 All leaves granted will be in units of full days or half-days. Application for leaves of absence under these provisions should be submitted to the principal for clearance two weeks in advance, except in extreme emergency. Policies pertaining to leaves will not be changed without prior notification to the Association.

5-2 All benefits to which a teacher is entitled at the time the leave of absence commences shall continue to him/her upon his/her return.

5-3 Should a certified employee occasionally need to modify his/her established work hours; it shall be permissible for the employee's supervisor to grant permission for modifications. Any changes in the established work hours must be approved by the supervisor, are at the sole discretion of the supervisor, and are not subject to an appeal. The intent of this language is to provide flexibility to employees and reduce the need for substitute teachers.

5-A Extended Leaves of Absence

5-A-1 Upon request prior to April 1, the School Trustees may grant a leave of absence without pay to any teacher who has been employed in the district for the preceding six (6) years. Leave requested under this section must be for the entire school year. Under no circumstances shall such a leave be extended beyond one school year nor shall such a leave ever be granted to allow for another K-12 teaching position. The decision of the School Trustees concerning such a leave shall be final and not subject to appeal. Exceptions to the six (6) year restriction may be appealed to the Executive Director of Human Resources whose decision shall be final and binding.

5-A-2 Exceptions to requesting an unpaid leave of absence prior to April 1 will be considered in the following instances: illness when recommended by the attending physician or death in the immediate family. The applicant will be informed in writing by the Superintendent or his/her designee of the disposition of the leave request on or before May 1 preceding the academic year for which the leave is requested.

5-A-3 Written notice must be filed with the Superintendent by March 1st of the year in which the leave is effective, stating whether or not the teacher plans to return. Failure to give such notice will automatically forfeit the right of the teacher to return.

5-A-4 Teachers granted a leave of absence will return to duty at the same status on the salary schedule, unless the teacher has qualified for advancement, as shown at the date the leave was granted. He/she shall also be credited with the unused sick leave accumulated up to the time the leave of absence was granted.

5-A-5 A teacher has the Constitutional right to become a candidate for any elective office and to serve in such elective office if elected. Regularly appointed teachers shall be granted leave of absence without pay to serve in any State Legislative Office. When the Legislative Session is over, the teacher may return to his/her classroom.

5-A-6 Upon return from leave of absence, he/her will be assigned to the same position, if practicable, or to a similar position for which he/her is qualified if he/her has given written notice as provided in 5-A-3.

5-A-7 Since teachers on leave of absence have not resigned, they shall at their option, be considered as members of the teaching staff for insurance purposes, with the employee paying the full amount of such premium, due on the 20th of each preceding month but no later than the 1st of each month or the insurance will be canceled subject to approval of the plan sponsor.

5-B Sick Leave

5-B-1 Fifteen (15) days of sick leave shall be allowed for each certified employee whose contract is written for one school year and each year thereafter until a total of two hundred (200) days maximum is reached. Sick leave days shall be accumulated at the rate of 1.5 days per month for ten months. The full amount of sick leave shall be made available on the first day of work each year. If a teacher leaves employment with the district prior to finishing her/his contract year, the amount of sick leave will be pro-rated according to the 1.5 days per month standard.

Once an employee reaches the 200-day maximum accumulation of sick leave days, his/her 200-day maximum total will not decrease unless he/she uses more than fifteen (15) sick leave days in any given school year. The District will keep an account for each employee of any sick leave accumulated over 200 days. These days will be available to the employee with approval of the Board following exhaustion of his/her 200-day accumulation. Sick leave days in one's account beyond his/her 200-day accumulation are not subject to any other use except for providing for catastrophic coverage in the case of one's own illness.

5-B-2 Licensed teachers under contract who are employed four or less hours per day during the school year shall be members of the sick leave plan. Sick leave may be accumulated to the maximum available to full-time licensed employees and the monthly benefit is to be computed as follows:

HOURS WORKED PER SCHOOL MONTH BY PART-TIME EMPLOYEE

HOURS WORKED PER SCHOOL MONTH BY A REGULAR LICENSED EMPLOYEE (X) 1.5 Day

5-B-3 Licensed employees who have resigned their positions, and later return to the School District with a break in service, will not be given credit for prior accumulated sick leave.

5-B-4 A licensed employee absent for personal or family illness reasons for four (4) or more consecutive days will be required to present a doctor's release prior to his/her return and provide verification of the illness. At least one day prior to his/her expected return the employee shall notify his/her supervisor in order that any substitute employee may be terminated. If the employee fails to notify his/her supervisor and both the employee and the substitute report, the employee is entitled to the assignment and the employee shall lose one-half of the daily rate of the substitute's pay.

5-B-5 The District will grant leave of absence, with pay, to be deducted from accumulated sick leave, for not more than fifteen (15) days in one year, to any teacher unavoidably absent because of illness, critical illness, injury or serious accident within the teacher's immediate family. Verification of sick leave use may be requested per 5-B-8 of this agreement. Exceptions to this restriction may be appealed to the Executive Director of Human Resources in cases of extended illness and if the teacher has additional personal sick leave available. In all cases dealing with exceptions, the determination of the Executive Director of Human Resources shall be final and not subject to appeal.

5-B-6 Employees who have exhausted accumulated sick leave shall be given additional time to recuperate subject to the approval of the School Trustees. Upon approval of the School Trustees, a leave of absence without pay shall be granted for the duration of the illness, but not to exceed a period of one (1) year. The School Trustees may request periodic medical verification of the illness and a release from the physician before the employee may return to work.

5-B-7 The provisions of sick leave contained herein may be applied to any illness or disability attributed to pregnancy, termination of pregnancy, or recovery there from. Use of accumulated sick leave is limited to eight (8) weeks for the employee to bond with a newborn child of the employee.

Up to (20) twenty days of accumulated sick leave may be used to bond with the newborn child of the employee's spouse or domestic partner.

5-B-8 In all cases involving use of sick leave, the employee shall, if physically able, assume the responsibility of personally communicating to his/her supervisor or designee that he/she is ill or otherwise unable to perform his/her duties. Unless the teacher is so disabled that he/she is unable to communicate, he/she shall notify his/her supervisor or designee as soon as he/she knows of his/her inability to report to work.

If abuse or misuse of sick leave is suspected and documented, a site or district-level administrator may share their concern and/or request verification of the teacher's illness, disability or medical appointment in the form of a doctor's signed statement. Sick leave usage that cannot be verified will result in a pay dock for each day of non-verified sick leave and may result in disciplinary action. In the event the District requires a second opinion to verify a teacher's use of sick leave, the District will bear the cost of the examination with no loss of leave or pay to the employee.

5-B-9 Up to twenty (20) days of accumulated sick leave may be taken by a teacher for the adoption of a child within the first three (3) months of the adoption process.

5-B-10 When a teacher has accrued at least 85 sick days, he/she may trade 5 sick days for one (1) "incentive" paid personal leave day, without holiday restrictions, that must be used during the year it is granted. It is not subject to compensation if unused.

5-B-11 Teachers who use no more than a combined three (3) sick leave days and unpaid personal leave during their contract year will be awarded an additional "incentive" paid personal leave day, without holiday restrictions, for the following contract year, or be compensated $125 in lieu of an additional "incentive" paid personal leave day.

Eligible staff will be notified by September 1st. By September 15th, teachers eligible for the sick leave non-use incentive must notify Human Resources if they want to receive the cash incentive.

5-B-12 Upon retiring, the District will pay $30.00 per day for each day of unused sick leave, up to a maximum accumulation of 200 days, for any teacher who meets the following criteria:

a) has completed ten (10) years of service with the Douglas County School District;
b) has verified through the Public Employees' Retirement System of Nevada the date that retirement benefits will begin.

Any teacher who meets criteria (a) and (b) above, and has 250 or more days of combined sick leave and catastrophic leave, will receive an additional $1,000 payout. All sick leave and catastrophic leave eligible for payout must have been earned in Douglas County School District.

Any teacher meeting the above criteria will receive a lump sum payment, which will be paid within 30 calendar days of their official date of retirement.

5-C SICK LEAVE BANK

5-C-1 The purpose of the sick leave bank is to provide assistance to contracted teachers who are unable to perform the duties of their position due to non-elective major surgery, cancer, heart attack, stroke or related illnesses, serious accident or extended chronic illness and who have exhausted their sick leave and personal leave accumulations. Sick Leave Bank assistance is not to be used for normal pregnancy related conditions or disabilities. Sick Leave Bank assistance will not be granted for dependent or immediate family illness.

5-C-2 A teacher who has served a minimum of two (2) years with Douglas County School District and is interested in participating in the sick leave bank shall complete and submit a Sick Leave Bank Participation/Authorization

form to the Sick Leave Bank Committee of the Douglas County Professional Education Association (DCPEA) with copies forwarded to Personnel Services and Business Services.

1. Sick Leave Bank Participation/Authorization forms will only be accepted during the open enrollment period of September 15 through October 15.
2. Sick Leave Bank Participation/Authorization forms will be made available from the building representative.
3. Although the District will not be involved in decisions regarding the Sick Leave Bank's operation, the DCPEA agrees to keep written minutes of the Sick Leave Bank Committee's deliberations, such minutes to be sent to the Superintendent following each of those deliberations and/or meetings.
4. The Association retains the right to deny membership or remove a member for misuse of the sick leave bank. If a member is removed from the sick leave bank, all donated days are forfeited.

5-C-3 Teachers participating shall donate and have deducted from their own sick leave account one (1) day per year for the operation of the sick leave bank.

5-C-4 Whenever the total number of days in the sick leave bank is less than 100, the Association will inform the bank membership that a special assessment of one additional sick leave day per member will be made to reimburse the bank. Such assessment, if needed, to be assessed but once in a year.

When the total number of available sick days in the Sick Leave Bank exceed 1000, any member who has donated five (5) or more days will have their annual sick leave deductions suspended the following year. If the number of sick leave days available goes below 500, the deductions will resume for the following year.

5-C-5 Teachers participating in the sick leave bank shall continue their participation from year to year unless they notify the Douglas County Professional Education Association Sick Leave Bank Committee in writing of their intent to withdraw.

1) A teacher who withdraws from the sick leave bank will not be reimbursed for the sick leave days already contributed.

2) Any teacher given assistance from the Sick Leave Bank will contribute one (1) day for the next five (5) years, regardless of the total number of days in the Sick Leave Bank.

5-C-6 Days not used during the school year will carry over to the next year.

5-C-7 Only teachers who have contributed to the sick leave bank will be eligible to receive assistance from the sick leave bank. Teachers must exhaust all accumulated sick leave before they can become eligible to receive assistance from the bank. Only current sick leave bank members are eligible for this benefit.

5-C-8 Teachers who wish to apply for assistance from the sick leave bank shall complete and submit a Sick Leave Bank Assistance Application and all accompanying documentation to the DCPEA. Sick Leave Bank Assistance Applications will be available upon request from the site building representative.

1. The DCPEA Sick Leave Bank Committee shall consist of three (3) DCPEA members appointed by the DCPEA President.

2. The DCPEA Sick Leave Bank Committee shall review the teacher's application, sick leave account, and usage. The committee has the right to accept or reject requests.

3. The DCPEA Sick Leave Bank Committee shall forward its decision to the District Personnel Services and Business Services Offices. The decision of the DCPEA Sick Leave Bank Committee is final and is only subject to review through the internal structure of the DCPEA.

4. An eligible teacher approved for assistance from the sick leave bank may be granted up to 30 days sick leave per year. In cases of extreme hardship due to prolonged illness/injury, a teacher may apply to the DCPEA Sick Leave Bank Committee for up to an additional 30 days from the sick leave bank not to exceed a total accumulation of 60 (sixty) sick leave bank days per person per year. Applications for additional sick leave bank days (beyond 30) must be accompanied by documented medical verification and shall be subject to final approval by the Superintendent, whose approval will not be unreasonably denied.

5. Lifetime usage of Sick Leave Bank is limited to 200 days maximum per person. Sick leave bank usage was reset to 0 days at the beginning of the 2018-19 school year for all employees.

5-C-9 The term 'year' for purposes of this procedure shall be defined as the school year July 1-June 30.

5-C-10 The Association and its members shall hold the District harmless against any and all claims, demands, grievances, or other liability that arise out of or by reasons of actions taken by the Association in administrating the Sick Leave Bank.

5-D CHILD REARING LEAVE

5-D-1 Upon written application to the Superintendent, child rearing leave shall be granted to any teacher in the District to care for his/her newborn or newly adopted child provided that all other sub-sections of 5-D are met. Extenuating circumstances involving the notification of the availability of a child for adoption will be considered when such notification comes at an unanticipated time; however, the provisions of 5-D will not be automatically waived.

5-D-2 Child rearing leave shall be granted only if it is requested by April 1 if the leave is for the first semester of the following school year and by August 1 if the leave is for the second semester of the following school year, or at any other time prior to the start of the semester in the case of a bona fide emergency, as determined by the Superintendent. Child rearing leave is granted only if it is requested for no less than an entire semester or an entire school year. If child rearing leave is to commence at the start of the second semester of a school year, the Superintendent may grant an extension of not more than nor less than one school year.

5-D-3 Child rearing leaves shall not be granted in consecutive school years except as extended by the Superintendent in accordance with 5-D-2.

5-D-4 Teachers having taken a child rearing leave must notify the Superintendent of their intended return by March 1.

5-D-5 Teachers shall receive no salary or fringe benefits while on leave except as provided in 5-A-7.

5-D-6 A teacher returning from child rearing leave will be assigned to a position similar to the one held prior to leave.

5-D-7 Teachers granted a leave of absence will return to duty at the same status on the salary schedule, unless the teacher has qualified for advancement, as shown at the date the leave was granted. Teachers shall also be credited with the unused sick leave accumulated up to the time the leave of absence was granted.

5-E BEREAVEMENT LEAVE

5-E-1 Bereavement Immediate Family

Teachers will be granted a leave of absence of up to eight (8) days for each occurrence of bereavement for immediate family. The days for immediate family bereavement leave do not have to be taken consecutively. Bereavement days are deducted from the employee's sick leave accumulation. At the discretion of the District, verification may be required to confirm and verify the bereavement leave.

5-E-2 General Bereavement

Teachers will be granted a leave of absence of up to three (3) consecutive days for each occurrence of bereavement for any person not defined as immediate family. Bereavement days are deducted from the employee's sick leave accumulation. At the discretion of the District, verification may be required to confirm and verify the bereavement leave.

5-F MILITARY LEAVE

5-F-1 Teachers who must serve under order in military programs may participate in such programs for up to fifteen (15) school days per school year without loss of pay provided no option to fulfill that obligation existed during the summer recess.

5-G PROFESSIONAL LEAVE

5-G-1 With the approval of the principal and Superintendent, leave will be granted for the purpose of attending professional meetings, conferences, assemblies and conventions, with no deduction from salary if it is thought that such attendance will render an educational service of value to the School District. At the discretion of the Superintendent per diem and/or travel reimbursement may be provided by the School District.

5-G-2 Two (2) professional days per year will be granted to those who are pursuing and are officially registered for the National Board-Certified Teacher (NBCT) program to fulfill the requirements for the NBCT program.

One (1) professional day during a teacher's employment with the district will be granted to fulfill the requirements of a Master's Degree or Doctoral Program.

Proof of enrollment in the NBCT or degree program must be provided to the Executive Director of Human Resources prior to leave approval.

5-H PERSONAL LEAVE

5-H-1 A teacher shall be granted two (2) days of "standard" paid personal leave per school year. Teachers may accumulate up to a maximum of ten (10) days of "standard" paid personal leave. At no time may a person use more than five (5) "standard" paid personal leave days in any one school year.

5-H-2 Except for bona fide emergencies, teachers must notify their principal of their intent to use personal leave at least three (3) days prior to the date to be used.

5-H-3 Personal leave days will not be granted during: A) pre-service days; B) the first three (3) days of student contact; C) during final examination time; D) the last five (5) workdays of the contract year.

Exceptions to these restrictions of personal leave may be appealed to the Executive Director of Human Resources in cases involving the verified graduation of a spouse, sibling, child, grandchild, unique circumstances, or a bona fide emergency. In cases of dealing with exceptions, the determination of the Executive Director of Human Resources shall be final and not subject to appeal.

5-H-4 Personal leave days may be granted for days preceding or following any scheduled holidays or vacation recess, however, in an attempt to not put undue strain on the operation of the school, the principal may deny the request if the following criteria are not met:

1. The employee has submitted a written request at least 10 school days prior to the absence(s) requested.

2. The total number of pre-arranged absences for the day(s) requested does not exceed 20% (rounded up to the nearest whole number) of the teaching staff at the site the employee is assigned to for that day.

Appeals of a principal's denial may be made to the Executive Director of Human Resources. The determination of the Director shall be final and not subject to appeal.

5-H-5 Teachers will be compensated at the end of the school year at the substitute teacher rate per day for each unused "standard" paid personal leave day in excess of eight (8) days available for accumulation.

5-H-6 The District will compensate a teacher at the substitute teacher rate per day for up to ten (10) "standard" paid personal leave days at the time of retirement if they meet the following criteria:

a) Has completed five (5) years of service with the Douglas County School District
b) Has verified through the Public Employees' Retirement System of Nevada the date that retirement benefits will begin.

5-H-7 "Incentive" paid personal leave days, as referenced in Article 5-B-10 and Article 5-B-11 must be used in the contract year they were awarded. "Incentive" paid personal leave days will not be subject to compensation if unused.

5-I ASSOCIATION LEAVE

Upon two (2) weeks written notification from the Association President to the Executive Director of Human Resources, a total of fifteen (15) days inclusive may be granted Association members each year for the purposes of attending professional Association meetings, conferences, delegate assemblies, and conventions or for the purpose of visiting other schools within the school district. The total of fifteen (15) leave days granted and taken under this provision will be reimbursed by the Association at the rate of the substitute's daily rate. The Superintendent or Executive Director of Human Resources may allocate additional days of association leave deemed to be a benefit to the District when representing a similar position to that of the District.

5-J ADDITIONAL LEAVES

5-J-1 When unforeseen circumstances prevent a teacher from exercising his/her teaching duties, leave time may be granted for not more than five (5) days in one school year with the approval of the Executive Director of Human Resources. If leave is approved, salary deductions will be limited to the substitute's pay scale.

5-J-2 Leaves of absence not to exceed three (3) days in any school year may be granted upon written application in advance for participation in civic or community activities associated with Douglas County. Upon approval of such requests by the Executive Director of Human Resources, such leave will be granted with salary deduction limited to the substitute's pay scale.

5-J-3 Upon official notification to one's immediate supervisor, teachers shall be granted leave with pay when called for jury duty or when subpoenaed to testify in a school-related matter or as a matter of civic service to the community. Subpoenas regarding strictly personal matters, i.e. divorce, criminal involvement, etc., shall not qualify for paid leave.

In turn, those teachers excused for paid jury duty or subpoena leave must remit to the District any amount paid by the court for services related to such service. In the event teachers are called to serve jury duty or respond to applicable subpoenas outside their county of residence, they may deduct monies received for meals and/or mileage from their court remittance to the District.

5-L NSEA LEAVE OF ABSENCE

5-L-1 The District shall allow full-time release for any member of the local Association elected to serve as President of the NSEA or NEA, not to exceed two terms or six years. Upon return from the leave of absence, he/she will be assigned to the same position, if practicable, or to a similar position for which he/she is qualified and at the same column and step he/she held at the time of the leave.

The NSEA will reimburse the District for the total amount of the salary and fringe benefits, which include the total PERS contribution, worker's compensation, and health insurance package. The employee will not accumulate sick leave or personal leave during his/her absence, but upon return, all leave time held at the time of release will be credited to the employee.

Failure of the employee to return at the end of his/her term(s) of office will be considered as a resignation from the District.

A teacher seeking any office under the above-mentioned terms and conditions, must notify the Superintendent in writing six (6) months in advance to receive the leave of absence. Should a teacher be appointed to a NSEA or NEA position with less than six month's notice, the Superintendent and the teacher shall mutually agree on the terms and conditions of the leave and the employee's return to the District.

ARTICLE VI: Group Insurance

6-1 The School District agrees to offer group health, dental, and optical, insurances to all contracted employees and their dependents. Life and accidental death and dismemberment (AD&D) insurance will be offered to all eligible, contracted employees.

6-2-1 The School District shall pay $950 from January 1, 2026 through December 31, 2027, of the individual group health, dental, optical, and Group Term life and AD&D insurance for all employees covered by this contract commencing with the first day of the month following the commencement of actual work for new employees and commencing with the first day of the new contract year for continuing employees.
At the May Board Meeting, the Advisory Insurance Committee will provide an update to the Board regarding year end and financial status of the self-insurance fund.

Whenever there is a new Board member, a workshop will be held to inform members of the workings of the self-insurance fund.

When the Advisory Insurance Committee presents a recommendation to the Board of Trustees, representatives selected by the committee shall present the recommendation and answer any Board questions.

6-2-2 The School Board, in its discretion, may implement no more than one premium holiday per calendar year provided that there is a fiscally prudent reserve of the previous six (6) months of claims maintained in the Self-Insurance Fund. Prior to implementing a premium holiday, the District will notify the Health Advisory Committee of its intent to recommend a premium holiday.

6-3 The School District will pay 100 percent of the group term life insurance in the amount of $20,000 for all employees covered by this contract for the full twelve-month period of the contract year.

6-4 It is clearly understood that the face amount of insurance is to remain the same. In the event the company is changed, every effort will be made to maintain the premium at the same rate.

6-5 An Advisory Insurance Committee shall be formed consisting of the Executive Director of Human Resources, three teachers selected by the DCPEA, two classified employees selected by DCSSO, one bus driver selected by the Douglas County School Bus Drivers, and one administrator selected by the Douglas County Administrators Association.

The committee shall meet monthly unless a majority votes otherwise. No more than two (2) meetings per year may be canceled. The responsibilities of the committee shall be to:

1. Review the actuarial soundness of the plan.
2. Review the benefits and features of the program.
3. Review premium requirements.
4. Evaluate the plan administrator.
5. Review the re-insurance.
6. Evaluate and review any other factors that may affect the program.
7. Review bids from plan administrators and health insurance carriers when the committee deems it appropriate.
8. Review general claim issues.

Minutes from each meeting shall be distributed to the School Board within ten (10) working days after the meeting is adjourned. The committee shall make majority recommendations to the Board and employee organizations regarding suggested changes to the insurance program, which are subject to final approval by the Board, to be considered as a part of the annual renewal process.

No later than November of each year the Advisory Insurance Committee created under Article 6-6 shall review and consider projected costs of the Plan, projected revenues for the Self-Insurance Fund, the Insurance Fund Balance to make a recommendation to the School Board. In the event the Advisory Insurance Committee does not make a recommendation, the School Board reserves its right to make changes to the Plan.

6-6 The School District further agrees to provide payroll deductions for additional premiums, if any are required. The School District also agrees to provide reasonable record-keeping and/or verification of employment which may be required of the insurance carrier.

ARTICLE VII: Protection for Teachers

7-1 The School Trustees will provide liability insurance protection and/or legal assistance for any teacher who is acting within the scope of his/her duties.

7-2 No written periodic evaluation report or written reprimand concerning a teacher shall become part of the teacher's personnel file without the teacher being presented a copy signed by both the teacher and the evaluator thereof, and being given the opportunity to discuss the matter with the principal. Teachers shall have the right, upon request, to review the contents of their personnel file in the presence of the Superintendent or his/her designee. A teacher will be entitled to have a representative of the Association accompany him/her during such review, if the teacher's written consent is given to the Superintendent or his/her designee. If at any time a teacher feels that any matter in his/her personnel file is objectionable, he shall have the right to respond in writing, which response shall become part of his/her permanent personnel file. A teacher may request the removal of any objectionable material, which removal would be subject to the approval of the School Trustees.

7-3 A teacher may restrain a pupil when it is essential for self-defense, or for the protection of other persons or property.

7-4 If any complaints are filed against a teacher that warrant written documentation, the teacher should be notified of such complaints and allowed to respond in writing. Other than School Trustees' executive sessions, the teacher will have the right to be present during any conferences that concern the above complaints.

7-5 No teacher shall be reduced in rank or compensation as a disciplinary act. Any such reduction in rank or compensation because of disciplinary action shall be subject to the professional grievance procedure as set

forth in Article II. All information forming the basis for such disciplinary action will be made available to the teacher, and upon written consent of the teacher, to the Association.

7-6 Protection for teachers. No post-probationary teacher will be suspended, dismissed, or not reemployed without just cause. The requirements of NRS 391.750 to 391.800, inclusive, shall not apply to post probationary teachers. Progressive discipline shall apply to all disciplinary action undertaken by the District, unless the charged misconduct justifies immediate suspension or summary dismissal; however, any discipline less severe than suspension or termination shall not be subject to final and binding arbitration, but can be grieved in accordance with the existing grievance procedures up to Level 4 – School Trustees.

No licensed employee shall be reprimanded or disciplined publicly. Such an act shall be considered as a gross violation of policy.

7-7 Reduction in Force

7-7-1 The School Trustees' designee may refuse to reemploy any teacher for the next contract year because of declining enrollment; fiscal, economic, or budgetary decrease; change in number of teacher positions; and/or curtailment of programs, courses, or services, provided there is consultation with the Association prior to the decision to make any such reduction, and provided that the reduction shall be accomplished according to the following provisions:

The School Trustees' designee will state in writing the reason for a reduction in force.

a) The School Trustees' designee shall determine the areas in which reductions shall be made and such reductions shall be accomplished in the following order:

1. Teachers who volunteer to resign;
2. Any teacher who has received any of the following evaluation ratings in the two most recently completed school years:
    i. Two ineffective evaluations
    ii. A combination of one developing and one ineffective evaluation
3. Probationary teachers with an ineffective evaluation rating from the most recently completed school year. Year one probationary evaluations will use the current school year.
4. Probationary teachers with a developing evaluation rating from the most recently completed school year. Year one probationary evaluations will use the current school year.
5. Post probationary teachers with an ineffective performance evaluation from the most recently completed school year;
6. Probationary teachers;
7. Post probationary teachers with a developing performance evaluation from the most recent evaluation;
8. Post probationary teachers.

In subgroups 2 through 8, determination of reduction order will be based on seniority and/or instructional needs.

b) Seniority shall mean the number of years of continuing service, excluding approved leave, commencing with the first day of the semester in which the teacher began working for the School District. Any teacher who has voluntarily or involuntarily terminated employment with the District shall establish a new hire date on the date the teacher was re-employed with the District. Approved leaves of absence do not constitute termination. The time during which a teacher is on approved leave does not count toward seniority.

c) In the event two or more teachers have the same semester seniority, teacher(s) commencing work after the beginning of the semester shall be credited with proportionately less seniority as determined by the actual date the teacher(s) began work subsequent to the beginning of the semester.

d) In the event two or more teachers have the same seniority after the above factors have been considered, seniority shall then be determined first by the date the teaching contract was consummated, and next, all else being equal, by a lottery in which teachers having the same seniority shall draw lots.

e) Released teachers shall be placed on leave of absence with no obligations to rehire after the expiration two (2) years. Each teacher placed on leave of absence as aforementioned shall be selected for an offer of employment based on the criteria in 7-7-1-a to a position for which he is licensed and competent in inverse order.

f) The School Trustees' designee shall notify teachers on leave of absence of subsequent vacancies by certified mail and email to the last mail and email address registered by the teacher at the School District office. No new appointments, except on a substitute basis, shall be made within ten (10) days from the emailing of such notification. The teacher must respond not more than 10 days following the receipt of the emailed notification of recall. If the notification is undeliverable, the District shall have no further obligation after 10 days have elapsed following the attempt to notify the teacher. If a teacher does not commit to return to work and return at the specified time, the School Trustees shall have no further employment obligation to him/her, except that when a teacher who has given notice of his/her intent to return is prevented from doing so due to illness or other bona fide emergency, his/her leave shall be extended for a period not to exceed one (1) year.

g) Upon his/her return such teacher shall retain all credits toward all leaves of absence and experience credits for salary purposes, but he/she shall not accrue any such credits for leave of absence and experience for salary purposes during the layoff, except that teaching experience gained in another school district or system during the layoff period shall be credited for salary purposes upon reemployment. Qualifying college or university credit earned during the layoff shall be counted for salary purposes upon reemployment.

h) Teachers who have two half time contracts at the time of a layoff will be considered for all positions according to the above language. For RIF purposes, ½ (one-half) time contracted teachers will accrue seniority at ½ (one-half) the rate of full-time teachers. When a half-time position is reduced, the half-time teacher involved will be placed in a half-time position over another half-time teacher with less seniority. If there is no half-time position for which the teacher being reduced has more seniority, the teacher will be placed in a full-time position over a teacher for which they have more seniority. If the teacher involved rejects the full-time position made available for transfer, the district is under no further obligation to the teacher.

7-8 This Agreement shall not be interpreted as providing an all-inclusive statement of the rights and privileges of the teachers and the School Trustees.

ARTICLE VIII: Employment Standards

8-1 Research papers and experience reports concerning the School District may be written by employees and submitted for college credit or Master's thesis without first being presented to the Superintendent or the School Trustees for scrutiny. However, when the research involves the use of people, be they District staff or District students, during the school day, the researcher must first obtain the permission of the Superintendent and then permission of the persons to be involved.

ARTICLE IX: Curriculum and Instruction

9-A TEXTBOOKS

9-A-1 Textbooks shall be considered an instructional aid and shall be provided in sufficient quantities based on enrollment. Supplementary materials shall be supplied if evidence can be provided to justify the educational value and economic investment.

9-B SUPPLIES AND EQUIPMENT

9-B-1 Teachers' recommendations of the quality and durability of supplies and equipment shall be considered when ordering or re-ordering.

9-B-2 Teachers shall retain a copy of the requisition form whereupon they have requested supplies and equipment and shall be informed of the disposition of their request upon inquiry of the principal, or the person responsible for ordering said material.

ARTICLE X: Teaching Conditions

10-1 Classroom teachers covered by this Agreement shall be required to work a regular work day of seven (7) hours and 30 minutes, including a duty-free lunch period of not less than thirty (30) minutes. The daily starting and departure time for classroom teachers shall be set in each school by the principal, subject to any limitation placed upon him/her by his/her supervisors due to transportation, enrollment, or other aspects of the student day. Further, it shall be permissible for principals, at their discretion, to do one of the following:

1. dismiss teachers early on the last day of the workweek after the students have been dismissed or for other special days; or
2. allow teachers to report after their normal reporting time on the last day of the workweek, so long as the teacher reports prior to any assigned duties and the official start of the school day.

The aforementioned provision relating to regular work day shall be subject to the following qualification:

1. the employee agrees that there are evening and other responsibilities connected with a school program and agrees to share such duties as shall be assigned.
2. The employee cannot be dismissed early and report after their normal reporting time on the same day.

10-2 The use of the public address system shall be confined, except on days that necessitate deviation from the following procedure because of special events, to the first four (4) minutes at the start of a class period, the last four (4) minutes preceding lunch period, or the last four (4) minutes prior to the end of the class day, unless an emergency exists as determined by the principal. Every effort shall be made to minimize classroom interruption.

10-3 The base work year for post-probationary general education teachers in Douglas County shall consist of one hundred eighty-five (185) days for the 2025-26 school year and one hundred eighty (180) for the 2026-27 school year.

1. The base work year for post-probationary special education teachers and service providers shall consist of one hundred eighty-five (185) days, plus one additional training day for the 2025-26 school year and one hundred eighty (180) plus one additional training day for the 2026-27 school year which will, 1) be held on the day prior to the pre-service days at the start of the school year, and 2) be compensated at

their daily rate of pay.

2. The work year for probationary teachers and all post probationary teachers new to Douglas County serving their first full year in the Douglas County School District shall consist of one hundred eighty-nine (189) days for the 2025-26 school year and one hundred eighty-four (184) for the 2026-27 school year, four (4) of which shall consist of orientational in-service/training. Teachers will be compensated at their current step and column rate of pay for the four (4) in-service training days.

3. First and second year teachers will be required to attend monthly in-service trainings. Probationary teachers will submit time sheets to receive compensation for the time they spend outside their contracted hours to complete the monthly in-service trainings.

4. Five (5) days of a teacher's base work year shall be non-teaching days.

5. A minimum of one (1) non-teaching day, or the equivalent of seven (7) hours over two or more non-teaching days, prior to the beginning of the school year shall be reserved for classroom preparation by teachers.

6. The days to be worked in the work year shall be distributed according to the calendar determined and officially adopted by the Board of School Trustees after consultation with the Douglas County Professional Education Association.

10-4 Secondary Teaching Conditions

10-4-1 Every effort shall be maintained during a teacher day to allow time for scheduled uninterrupted preparation equivalent in duration to an assigned period, provided no new personnel are required in meeting the stipulations of that effort.

Elementary Teaching Conditions

10-4-2 Unassigned time – the time before and after the instructional student contact day

Elementary teachers, as well as provided the considerations given above, will be assured a minimum of 120 minutes for uninterrupted preparation per week during their unassigned time, and from that time, there will be a minimum of two (2) 30-minute blocks in the morning hours prior to commencement of the instructional student contact day, except that in shortened work weeks due to holidays or teacher leave usage, the requirement will be reduced to a one (1) 30-minute block.

10-4-3 Assigned Time - the time during the instructional student contact day.

In the event an elementary teacher's class is receiving instruction/supervision from a District-contracted art, music, counselor, media specialist, or physical education specialist, such elementary teacher will not be required to participate and the time will be considered as prep time.

10-4-4 If an elementary teacher's class does not receive art, music, library or physical education during their regular scheduled time because there is no substitute available and the site administrator determines that the class cannot be made up within 10 school days; the teacher will be compensated at their hourly rate on the certified salary schedule (i.e. certified employee's current step/185 days/ 7 hours for the 2025-26 school year and 180 days/7 hours for the 2026-27 school year.

10-4-5 Elementary specialists will be guaranteed a minimum of two (2) thirty-minute prep periods per week during assigned time.

10-4-6 If an elementary specialist does not receive their regularly scheduled prep time when covering a class because there is no substitute available and the site administrator determines that the class cannot be made up within 10 school days; the teacher will be compensated at their hourly rate on the certified salary schedule (i.e. certified employee's current step/185 days/ 7 hours for the 2025-26 school year and 180 days/7 hours for the 2026-27 school year).

General Teaching Conditions

10-4-6 Teachers also recognize that occasionally school business may require use of one's preparation time; however, when such occasions arise, twenty-four (24) hours notification will be given except in cases of unavoidable emergency.

10-4-7 10-4-7 Any certified employee asked to cover another certified employee's class during an assigned prep time will be compensated at the certified employee's hourly rate on the certified salary schedule (i.e. certified employee's current step 185 days/7 hours for the 2025-26 school year and 180 days/7 hours for the 2026-27 school year.)

10-4-8 Use of either preparation or unassigned time during one's contracted day for purposes other than work-related activities is subject to the leave provisions found elsewhere in this Agreement.

10-5 Teachers shall not be required to work under unsafe conditions or to perform tasks which endanger their health or safety, provided their refusal to work is not a unilateral decision made without consulting their supervisor. If there is disagreement as to whether conditions are unsafe and/or injurious to health or safety, the supervisor's decision will prevail until such time as the situation has been properly resolved by grievance. The District will notify employees should mitigation be required in his/her primary work place and the reason for the mitigation. The employee has the right to request moving his/her work place if she/he feels it is unsafe. The principal or supervisor will consider the request and provide a response to the employee in writing.

10-6 TRANSFER

10-6-1 Involuntary Transfer. The Association agrees that the Executive Director of Human Resources in conjunction with the site administrator is authorized to make appointments of all employees to vacant positions based upon the needs of the District. Involuntary transfers may be necessary due to any of the following conditions:

a) declining enrollment
b) fiscal, economic, or budgetary decrease
c) change in the number of teaching positions
d) curtailment of programs, courses, or services

The Executive Director of Human Resources will issue a formal notification to all site administrators and the president of the Association to inform which condition(s) exist in the District.

The District agrees to seek properly licensed volunteers for involuntary transfer prior to implementing such transfer. In cases when no properly licensed teacher has volunteered for involuntary transfer, a teacher with the most recent hire date in the District will be involuntarily transferred first from the affected site or program to another District site or program within the teacher's area of licensure.

Before initiating an involuntary transfer, the District will provide the teacher to be affected with the rationale for such action. Once notified of any available placement options, involuntary transfers will have two (2) business days, with days defined as the days the District Office is open, to make a selection. If a choice is not made, the involuntary transfer waives their choice and their placement will be assigned by the Executive Director of Human Resources.

In cases where a teacher has been involuntarily transferred to a different school site, they will be provided an opportunity to return to the next available opening at their previous site within the following stipulations: regular education to regular education, special education to special education, specialist to specialist, or content area to content area. Should a teacher not accept the first available opening, they waive their right to automatically return to their previous site, but would retain rights to seek future voluntary transfers.

10-6-2 Voluntary Transfer. All vacancies for non-management licensed positions for the following school year, including new positions, will be posted in the Administrative Services Office, and on the District web page for a period of five (5) full days, with days being defined as the days the District Office is open, for the purpose of allowing interested and qualified licensed personnel to apply for transfer to that position. Voluntary transfers can only take place to a vacancy with the same job description. Half-time teachers may apply for transfer to a full-time position; however, they must meet all other requirements of this article. A Request for Transfer form must be submitted to the principal of the site with the vacancy and a copy to the Human Resources Office no later than 5:00 p.m. on the last day of the five day transfer period.

Transfers for the following school year will be considered between March 1 and May1 of each year. The District will consider requests for those positions prior to considering new applicants from out of the District. Applications submitted from existing teachers will be accorded first consideration by the principal or site supervisor making that decision. The selection of an external candidate, over the transfer applicant, will be upheld unless the choice of the external candidate is shown to be arbitrary or punitive.

The Association agrees that the Executive Director of Human Resources-in conjunction with the site administrator is authorized to make appointments of all employees to vacant positions based upon the needs of the District, using the following procedures:

1. A licensed employee may request a voluntary transfer on the District's voluntary transfer form whereon the teacher shall express preference for a specific vacant position at a specific site.

2. A licensed employee with the proper licensure who requests a voluntary transfer will be interviewed.

3. If the current teacher's request for transfer is not granted, the District will provide the teacher a written explanation as to why the transfer request was denied.

4. The District shall attempt to honor transfers when the training and experience of the requesting teacher match the vacant position's job specifications.

5. In cases in which there are multiple requesting teachers being considered for a vacant position, the administrator will follow the district's internal hiring process.

6. Voluntary transfers will not be considered until after a teacher has completed three (3) full contract years in the District and currently holds post-probationary status. However, should a vacant position not be filled through the voluntary transfer process, teachers within their first three (3) years in the district will be allowed to apply.

7. Voluntary transfers will not be considered if a teacher does not currently hold the licensure required for the vacant position.

8. Certified employees who have voluntarily left their original assignment for a teacher on special assignment (TOSA) position within the District are guaranteed to be placed back at their original location and assignment (grade level/course), following the completion of their TOSA contract. This guarantee will be in place for a maximum of three (3) school years. After three (3) school years the employee will be placed following the voluntary or involuntary transfer process.

   If the employee that held the position for the TOSA is on a standard contract they will be reassigned following the Involuntary Transfer (Article 10-6-1) process. If there are no positions available, the Reduction in Force (Article 7-7) process will apply. If the TOSA does not return to their original assignment or the three years have passed, the employee holding the TOSA's position may stay in the current assignment but is subject to the standard involuntary transfer and/or Reduction in Force procedures.

10-7 Extended Contracts. Teachers who accept extended contracts beyond their regular base work year of 185 contracted days for the 2025-26 school year and 180 contracted days for the 2026-27 school year, with the exception of probationary teachers and all post probationary teachers new to Douglas County serving their first full year in the Douglas County School District, shall be compensated at their daily rate of pay for each additional day of service. Teachers on extended contracts will be given mutually agreed upon flexibility in scheduling days off.

ARTICLE XI: Travel Requests and Reimbursement

11-1 The School District shall reimburse any teacher for travel required for school business at the rate established by the Board of Trustees.

11-2 Travel out of the immediate area of the place of regular assigned employment must have the prior approval of the principal and Superintendent before the claim for reimbursement will be honored.

11-3 Actual mileage will be paid for approved trips. Mileage shall begin and/or end at the employee's regular place of work or from the employee's home, whichever is the shorter distance.

11-4 Private vehicle travel will be reimbursed at the federal rate.

11-5 District-owned vehicles shall be used whenever they are available. If a private vehicle is used in lieu of the available District-owned vehicle, no reimbursement will be allowed.

11-6 The School District may, at the determination of the Superintendent, reimburse teachers for educational meetings, conventions, workshops, or other functions which prove beneficial and educational to teachers within the School District, and which ultimately improve the educational system within the School District. Such reimbursement shall be at the rate provided for in this Article.

ARTICLE XII: Contract Printing Expense

12-1 The expense of reproducing this Agreement shall be borne equally by the Association and the School District. Sufficient quantities shall be reproduced to ensure that each teacher within the School District shall receive a copy. Additional copies may be requested by either the Association or the School District.

ARTICLE XIII: Salary Schedule

13-1 Licensed Teaching Personnel Salary Schedule--See Exhibit "A".

13-2 Extracurricular Pay--See Exhibit "B".

13-3 Education - The District shall credit any teacher who desires professional growth advancement on the Teacher's Salary Schedule with professional growth credit for any course(s) taken from an accredited university or college that is related to:

a) The teacher's major or minor field of preparation
b) The teacher's current assignment
c) The teacher's present licensure.

The District will also consider for professional growth credit courses that may be educationally beneficial to the District which relate to:

d) The teacher's present degree
e) Additional licensure being pursued by the teacher
f) Additional degree(s) being pursued by the teacher
g) Lower division or non-degree eligible credits that are determined by the Executive Director of Human Resources to be a direct benefit to a District program. The determination of the Executive Director of Human Resources regarding the merits of the course or program offering shall be final and not subject to appeal.

In all cases of the above approved courses, the course must count towards an upper division credit for a Bachelors or higher degree at that college, even if the teacher is not seeking that degree. A grade no lower than a "B" must be earned. Courses for which only a "pass/fail" or "satisfactory/unsatisfactory" grade can be obtained will not be approved unless no option to receive a letter grade for the course is available.

The teacher shall submit the request for prior approval for the courses to the Executive Director of Human Resources who shall either approve or disapprove the course based upon the above criteria. Official transcripts, or appropriate notification, must be received by Human Resources by October 1st of each year should an increment and/or degree promotion exist for an increase on the salary schedule.

Only approved upper division and graduate university or college level units will be accepted for advancement on the salary schedule with the exception of (g) above. In the case of (g) above, and when the college/university does not provide credit opportunity, the District will grant 1.0 credits per every fifteen (15) hours of instruction. The District will maintain and post a list of qualifying programs on the District website. These programs will be reviewed and the example list updated at least every two years. As with (a-f) above, request for approval must occur prior to credit being earned.

With respect to new personnel, only upper division and graduate level units will be accepted for initial placement on the salary schedule. All units indicated are semester units. Quarter hour units are equivalent to 2/3 of a semester unit.

Should the District choose to offer in-service classes, it will grant one credit of professional growth for every fifteen (15) hours of instruction provided the in-service instruction occurs at a time other than during one's contracted work time. A District in-service credit so earned will be applicable to salary schedule advancement. District in-service credit taken after October 1st of each year will not be credited on the salary schedule until the following school year. If teachers receive either release time or District funding to attend classes, any credit received for those classes will not count for advancement on the salary schedule even though such credit may apply for re-licensing.

13-4 Experience Acquired Within the District

a. One (1) year of teaching experience will be given to those teachers who have worked 65% of the base work year of 185 days for the 2025-26 school year and 180 days for the 2026-27 school year, plus extended contract days.

b. Exceptions to (a) above may be appealed to the Executive Director of Human Resources, who may consider the type(s) of leave utilized. In cases of dealing with exceptions, the determination of the Executive Director of Human Resources shall be final and not subject to appeal.

c. Teachers who have worked 33% or more of the base work year of 185 days for the 2025-26 school year and 180 days for the 2026-27 school year, plus extended contract days, may have that counted as ½ year. If an additional ½ year credit is earned in the District within the following contract year, one year of teaching experience will be granted. Partial year credit will not be considered for salary scale placement.

13-5 Experience Acquired Outside the District. The District will follow the provisions of NRS 391.160 and will apply those provisions to teachers employed on or after the date NRS 391.160 went into effect. In instances when 391.160 does not apply, only twenty (20) years of experience outside of Nevada that occurred in the last twenty-five (25) years may be allowed. Equivalent experience that is determined by the Executive Director of Human Resources to be a direct benefit to the District may be considered in the initial placement on the salary schedule. The determination of the Executive Director of Human Resources regarding the placement on the salary schedule shall be final and not subject to appeal. The District will maintain a list of accepted equivalent experience granted or denied.

13-6 Experience Acquired Within Nevada. In-state personnel entering the District will be allowed credit for in-state teaching experience pursuant to NRS.

ARTICLE XIV: General Savings Clause

14-1 It is not the intent of either party hereto to violate any laws of the State of Nevada or of the United States. The parties agree that in the event any provision of this Agreement is held by a Court of competent jurisdiction to be in contravention of any such laws, they will enter immediate negotiations thereon. The remainder of the Agreement shall remain in force.

14-2 Management Rights. Except as restricted by this Agreement, Nevada law, or federal law, the DCSD and DCPEA recognize those management rights enumerated in NRS 288.150.

ARTICLE XV: Term of Agreement

15-1 This Agreement shall become effective August 1, 2025, upon acceptance by the School District and the Association and shall remain in effect through July 31, 2027 and will continue in full force and effect for additional periods of one (1) year unless either party gives written notice to the other in accordance with the provisions of NRS 288.180 and of a desire to change, amend, or modify the Agreement.

15-2 Renewal of this Agreement, with or without amendments, may be negotiated during the term of this Agreement, in accordance with the provisions of Chapter 288, Nevada Revised Statutes.

15-3 This Agreement is not binding upon either party until ratified by both parties.

15-4 The parties acknowledge that, during the negotiations which resulted in this Agreement, each has had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the areas of mandatory bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. No additional

negotiations on this Agreement will be conducted on any item, whether contained herein or not, except by mutual consent.

15-5 In the event a successor agreement is not executed before the termination date of this agreement as stipulated in 15-1 above, the District will continue to honor any benefits a teacher may have accrued prior to the termination date of this agreement without enhancing those benefits until such time a successor agreement is ratified by both parties. Should the legislature allocate monies to be used specifically to cover the cost of roll-ups, the District will honor increments beginning with the first pay period of one's contract year.

ARTICLE XVI: No Strike

16-1 Each teacher hereby agrees that he will not instigate, promote, encourage, sponsor, engage in, or condone a strike, stoppage of work, or slowdown of the operations of the School District during the term of this Agreement.

ARTICLE XVII: Compensation

17-1 **Compensation**

1. The District will fund any increases to PERS at the statutorily required rate for all employees. A committee will be formed with all employee groups to discuss how the District addresses future PERS contribution rate increases/decreases. Upon notification of a rate increase/decrease by Nevada PERS the district will convene a meeting of the committee no later than March 30th of the year the increase will go into effect.

2. The District will pay step and column increases for the 2025-2026 and 2026-2027 school years.
3. The District and the Association agree to the following additional provision:

    - Limited reopener for a financial review following the December 2025 and December 2026 Budget Amendment. This limited negotiated agreement reopener will occur on or before February 1, 2026 and February 1, 2027 to discuss potential enhancement to compensation and recovered days/compensation for the 2026-2027 contract year.
        - The reopener shall be activated only if the December Augmented and Amended Budget reflects an ending fund balance that meets or exceeds the statutory minimum ending fund balance requirement of four percent (4%) as outlined in the Nevada Revised Statutes. Any compensation allocated shall be deemed as one-time compensation.
    - During the 2026-27school year, but no later than December 31, 2026, the District and DCPEA agree to reopen negotiations for the following considerations:
    - Salary or wage rates or other forms of direct monetary compensation and benefits.
        - No more than three (3) contract language issues each for DCPEA and DCSD.

17-2 When a need to attract new teachers is determined by the District to exist, The District may, in its discretion, allocate up to $20,000 for the purpose of hiring bonuses to teachers new to the District and up to $10,000 for the purpose of incentivizing notification of early retirement for all District teachers and administrators. Hiring bonuses are not PERS eligible.

The amount of the allocated hiring bonus will depend upon the number of full-time teachers hired by September 1 and the positions they are hired into. Teachers hired into hard to fill positions (Secondary Math, Secondary Science, Special Education, or providers of Speech Language, Occupational Therapy, or Physical Therapy services) are to receive a hiring bonus double that of teachers hired to non-hard to fill positions. The allocated hiring bonuses will be paid over two years, with 50% paid on September 30 of the first year and 50% paid on September 30 of the second year if the teacher is still employed by the District. All recipients of the hiring bonus must complete all requirements of the DCSD Teacher Induction Program (Level-1 & Level-2). Failure to complete the requirements of the induction

program, or leaving the District at any point during the school year will require a prorated repayment of the hiring bonus. One-year only teachers are not eligible for a hiring bonus. Returning teachers to the District must have a 24-month break-in-service from DCSD to be eligible.

Licensed personnel who notify the District of their intention to retire at the end of the current school year will receive a payment of $400, which will be paid retroactively on April 1st of each school year. The $400 payments will be available on a first come, first served basis until the designated maximum allocation of up to $10,000 has been exhausted. These employees would be required to sign a form designated by the District, submit a resignation letter effective at the end of the contract, and agree that their resignation would be irrevocable. The District will annually establish the deadline by which the early notification must be submitted. The $400 Early Notification of Retirement payment will be PERS eligible.

17-3 Licensed school psychologists will be compensated an additional 10% above their designated step and column placement on the licensed salary schedule.

IN WITNESS WHEREOF, the parties have hereunto set their hands this date 6/25/26 (~~December 18, 2025~~).

Out-of-state teaching personnel entering the Douglas County School District will be allowed credit for outside teaching experience in public schools to a maximum of twenty (20) years and that experience must have occurred within the last twenty-five (25) years. In-state personnel entering the District will be allowed credit for in-state teaching experience pursuant to NRS statutes.
The District pays 36.75% of an employee's salary to the Public Employees Retirement System (PERS) for retirement benefits. NRS 286.421(3) requires that the District and employee share equally the cost of any increase in contribution rates to PERS.
All units indicated are semester units. Quarter hour units are equivalent to two-thirds (2/3) of a semester unit. Only upper division and graduate level units will be accepted for advancement on the salary schedule.
Teachers whose assignment extends beyond the base work year of 185 days and who provide service similar to those provided in the base year shall be compensated at a daily rate of 1/185 of their contract amount for the base work year times the number of extended days worked. The number of extended days worked shall be determined by the District. Those teachers working extended days shall be required to work a regular work day of seven (7) hours and thirty (30) minutes, including a duty-free lunch period of not less than thirty (30) minutes.
Teachers whose assignment extends beyond the base work day of seven (7) hours and who provide services similar to those provided in the base work day shall be compensated at an hourly rate equal to 1/7 of their daily rate for any additional time for which they are contracted. An honorarium in the amount of $1000 will be added each year to the salary of any teacher who has earned either a Ph.D. or an Ed.D. The honorarium will be awarded in the contract year following conferral.

This Salary Attachment is for the 2025-2027 biennium, DCSD will receive funding as made available through Senate Bill 500 of the 2025 Legislative Session. Any awarded funds will be applied to salary and benefits, as permitted by law. Any increase in salary and benefits will only be for the 25-27 biennium term and will sunset effective July 1, 2027, unless extended by the Nevada Legislature.

Funds will be reported separately on employee contracts and paychecks as clarification for all employees. Funds will be applied, upon receipt, consistent with a successful subgrant award.

Out-of-state teaching personnel entering the Douglas County School District will be allowed credit for outside teaching experience in public schools to a maximum of twenty (20) years and that experience must have occurred within the last twenty-five (25) years. In-state personnel entering the District will be allowed credit for in-state teaching experience pursuant to NRS statutes.
The District pays 36.75% of an employee's salary to the Public Employees Retirement System (PERS) for retirement benefits. NRS 286.421(3) requires that the District and employee share equally the cost of any increase in contribution rates to PERS.
All units indicated are semester units. Quarter hour units are equivalent to two-thirds (2/3) of a semester unit. Only upper division and graduate level units will be accepted for advancement on the salary schedule.
Teachers whose assignment extends beyond the base work year of 185 days and who provide service similar to those provided in the base year shall be compensated at a daily rate of 1/185 of their contract amount for the base work year times the number of extended days worked. The number of extended days worked shall be determined by the District. Those teachers working extended days shall be required to work a regular work day of seven (7) hours and thirty (30) minutes, including a duty-free lunch period of not less than thirty (30) minutes.
Teachers whose assignment extends beyond the base work day of seven (7) hours and who provide services similar to those provided in the base work day shall be compensated at an hourly rate equal to 1/7 of their daily rate for any additional time for which they are contracted. An honorarium in the amount of $1000 will be added each year to the salary of any teacher who has earned either a Ph.D. or an Ed.D. The honorarium will be awarded in the contract year following conferral.

Note: SB 500 funding will be fully dispersed as an equal percentage salary increase paid to all qualified employees.

SALARY: The percent shown for the various activities represents the amount of salary paid for said service. The amount of salary is calculated by multiplying the percent shown times the teacher's base salary (Column A: B.A. +0).

EXPERIENCE INCREMENT: Step A = Zero (0) years of experience through three (3) years of experience. Step B = After three (3) years of experience or more. (Note: Experience must be in the Douglas County School District and in the same level of responsibility.)

DOUBLE SERVICE: If a person assumes the responsibility to take both girls and boys teams in the same season and the same sport, he or she would not receive a double stipend but would receive a salary at 1-1/2 the normal rate for said activity. The Executive Director of Human Resources reserves the right to allocate full stipends depending on the needs of the school and unique circumstances and responsibilities of the athletic activity.

VACANCIES: Vacancies for compensatory extracurricular positions that cannot be filled within the school will be posted in the Administrative Services Offices and faculty rooms of the District schools ten (10) days prior to filling the vacancy except as noted in the emergency provision. Should an emergency exist, however, wherein a delay in hiring personnel for a vacancy is adjudged by the district as detrimental to children, the District may waive the ten (10) school days prior notification of the vacancy.

NON-CONTRACT TIME: Stipends will only be paid for hours outside contract time. 1.5% of a stipend allocation is equal to fifteen (15) hours of non-contract time (i.e. a 4.5% stipend would require forty-five (45) hours of non-contract time). Stipends will be paid in quarter, half or full increments based on verified hours. The Executive Director of Human Resources reserves the right to request documentation of student participation and other artifacts (e.g. Meeting Flyers/Announcements) related to a stipend activity.

SUB-COMMITTEE: A stipend sub-committee, of equal representation between the Association and District, will meet to ensure all athletics and student activity monies distributed to school sites for athletics and student activities are used for such purposes.

During the 25-26 school year, a committee will convene by February 13, 2026 to review stipend usage. After review, the sub-committee will recommend a process for the reallocation of funds. The committee will also recommend addition or removal of stipend positions.

III. Elementary School Extra-Curricular Salary Schedule

B.A. +0 Base Rate = $53,300

School	% of B.A. +0 Base Rate	Amount
C.C. Meneley Elementary School	17.00%	$9,061
Gardnerville Elementary School	17.00%	$9,061
Jacks Valley Elementary School	17.00%	$9,061
Minden Elementary School	17.00%	$9,061
Piñon Hills Elementary School	17.00%	$9,061
Scarselli Elementary School	17.00%	$9,061
Zephyr Cove Elementary School	17.00%	$9,061

Each elementary school will be credited with the amount stated above, which is based on a percentage of the B.A. + 0 base salary, at the start of each school year to be used for stipends for sponsors of various approved extended day programs.

Stipends should be allotted in multiples of 1/20 of the total amount available for each recorded 8.5 hours of non-contract time required to sponsor the activity assigned. No activity, however, will be allotted more than four (4) multiples (4/20) regardless of the non-contract time spent.

Assignment of extra-curricular stipends is at the discretion of the site administrator provided the total cost of all activities does not exceed a particular school's fiscal allotment for stipends. Participation by a site stipend committee is encouraged.

At the conclusion of an approved stipend activity, the sponsor will account for the number of student contact hours spent, the average number of students participating, and the dates, along with a description of any meetings, activities, or events which took place. Stipends will only be paid for hours outside contract time that is documented. Stipends will not be paid until Human Resources receives a completed Stipend Tracking Form. The Executive Director of Human Resources reserves the right to request documentation of student participation and other artifacts (e.g. Meeting Flyers/Announcements) related to the stipend activity.

If any sponsor of an approved activity is assigned daily release time during their contract day, the hours spent during contract time cannot be used towards the 8.5 hours of non-contract time required to sponsor the activity.

IV. Licensed Special Rates Schedule

Licensed Professional Educators will be paid at their hourly rate for the following types of work:

- Curriculum Development (Requires approval from Education Services)
- Teachers of: Summer School, ESY, Reading Camp, Adult Education, Home Placement, and Homebound

In-Service Training (Daily - 15 hours)	$695.45
In-Service Training (Hourly)	$41.16

Intramural #4 (0.5)	Advisor	2.25%	$1,167	2.75%	$1,426

SALARY: The percent shown for the various activities represents the amount of salary paid for said service. The amount of salary is calculated by multiplying the percent shown times the teacher's base salary (Column A: B.A. +0).

EXPERIENCE INCREMENT: Step A = Zero (0) years of experience through three (3) years of experience. Step B = After three (3) years of experience or more. (Note: Experience must be in the Douglas County School District and in the same level of responsibility.)

DOUBLE SERVICE: If a person assumes the responsibility to take both girls and boys teams in the same season and the same sport, he or she would not receive a double stipend but would receive a salary at 1-1/2 the normal rate for said activity. The Executive Director of Human Resources reserves the right to allocate full stipends depending on the needs of the school and unique circumstances and responsibilities of the athletic activity.

VACANCIES: Vacancies for compensatory extracurricular positions that cannot be filled within the school will be posted in the Administrative Services Offices and faculty rooms of the District schools ten (10) days prior to filling the vacancy except as noted in the emergency provision. Should an emergency exist, however, wherein a delay in hiring personnel for a vacancy is adjudged by the district as detrimental to children, the District may waive the ten (10) school days prior notification of the vacancy.

NON-CONTRACT TIME: Stipends will only be paid for hours outside contract time. 1.5% of a stipend allocation is equal to fifteen (15) hours of non-contract time (i.e. a 4.5% stipend would require forty-five (45) hours of non-contract time). Stipends will be paid in quarter, half or full increments based on verified hours. The Executive Director of Human Resources reserves the right to request documentation of student participation and other artifacts (e.g. Meeting Flyers/Announcements) related to a stipend activity.

SUB-COMMITTEE: A sub-committee comprised of equal representation between the Association and District will meet at least once annually to review extra-curricular stipend allocations.

III. Elementary School Extra-Curricular Salary Schedule

B.A. +0 Base Rate = $51,859

School	% of B.A. +0 Base Rate	Amount
Gardnerville Elementary School	17.00%	$8,816
Jacks Valley Elementary School	17.00%	$8,816
Minden Elementary School	17.00%	$8,816
Piñon Hills Elementary School	17.00%	$8,816
Scarselli Elementary School	17.00%	$8,816
Zephyr Cove Elementary School	17.00%	$8,816

Each elementary school will be credited with the amount stated above, which is based on a percentage of the B.A. + 0 base salary, at the start of each school year to be used for stipends for sponsors of various approved extended day programs.

Stipends should be allotted in multiples of 1/20 of the total amount available for each recorded 8.5 hours of non-contract time required to sponsor the activity assigned. No activity, however, will be allotted more than four (4) multiples (4/20) regardless of the non-contract time spent.

Assignment of extra-curricular stipends is at the discretion of the site administrator provided the total cost of all activities does not exceed a particular school's fiscal allotment for stipends. Participation by a site stipend committee is encouraged.

At the conclusion of an approved stipend activity, the sponsor will account for the number of student contact hours spent, the average number of students participating, and the dates, along with a description of any meetings, activities, or events which took place. Stipends will only be paid for hours outside contract time that is documented. Stipends will not be paid until Human Resources receives a completed Stipend Tracking Form. The Executive Director of Human Resources reserves the right to request documentation of student participation and other artifacts (e.g. Meeting Flyers/Announcements) related to the stipend activity.

If any sponsor of an approved activity is assigned daily release time during their contract day, the hours spent during contract time cannot be used towards the 8.5 hours of non-contract time required to sponsor the activity.

IV. Licensed Special Rates Schedule

Licensed Professional Educators will be paid at the hourly rate of $38.64 (based upon the base rate for a beginning teacher) per hour for the following types of work:

- Curriculum Development (Requires approval from Education Services)
- Teachers of: Summer School, ESY, Reading Camp, Adult Education, Home Placement, and Homebound

In-Service Training (Daily - 15 hours)	$695.45
In-Service Training (Hourly)	$38.64
Teacher Supervising During Lunch Period (30-Minutes)	$20.58

Re: Distance Education Application Amendment

Background Information:
Nevada Department of Education requires submission of amendments when there are significant changes to the Distance Education course offerings, which may include the addition of new programs, a change in method of instruction, change in program providers, etc. Our online platform, Edmentum, now has additional courses that will count for both elective and content course credit that we want to be able to offer students.

Budget Considerations and Impact: (Identify cost and which budget this will be paid from) No impact

Recommendation: (Identify recommendation for board decision making)
It is recommended that the board approve the amendment to the DCSD Distance Education Program.

Discussed at Previous Meeting: (Timeline of information being provided to the board for decision making and any other timelines associated with the decision making) The amended Distance Education Program application will be submitted to NDE upon board consent approval.

FIBER OPTIC OUTSIDE PLANT MANAGEMENT AND DARK FIBER AGREEMENT

This Fiber Optic Outside Plant Management and Dark Fiber Agreement ("Agreement") is entered into as of ("Effective Date"), by and between:

Douglas County School District, a public school district organized under the laws of the State of Nevada ("District"), and

Digital Technology Solutions, Inc., d/b/a DTS Fiber, a Nevada corporation and certificated competitive local exchange carrier ("DTS").

District and DTS may be referred to individually as a "Party" and collectively as the "Parties."

1. PURPOSE

The purpose of this Agreement is to assign to DTS responsibility for the management, operation, maintenance, and restoration of the District's fiber optic outside plant provide the District with a continuous dark fiber path between designated locations, establish DTS's obligation to furnish optical equipment and splicing services, and grant DTS access to spare conduit and fiber capacity to support community broadband Connectivity.

2. SCOPE OF SERVICES

DTS shall, at no cost to the District, design, furnish, install, construct, test, and place into service a complete fiber optic outside plant system ("OSP Fiber System") to serve the District's facilities. The OSP Fiber System shall include, without limitation, all conduits, ducts, vaults, splice enclosures, fiber optic cables, appurtenances, and related infrastructure, together with all necessary trenching, boring, backfilling, restoration, and permitted, if required, required for a fully operational system.

DTS shall, during the term of this Agreement, provide routine and preventative maintenance of this OSP Fiber System, including inspection, testing, cleaning, repair, replacement of defective components, emergency response services, including emergency fiber cut restoration, payment of all applicable lease fees, completion of 811 locates, and preservation of existing District fiber infrastructure as necessary to maintain the OSP Fiber System in good operating condition. DTS shall respond to outages or service-affecting conditions within commercially reasonable timeframes consistent with industry standards.

DTS shall promptly repair any damage to the OSP Fiber System, at no cost to the District, and restore affected areas to enable proper operation of the system.

DTS hereby expressly agrees and affirms that the aforementioned services shall be provided to the District at no cost and no expense to the District.

DTS shall have the right to bill, invoice, or seek reimbursement from any third party responsible for damaging the fiber, conduit, poles, or related infrastructure, including all reasonable repair, replacement, restoration, labor, material, equipment, and emergency response costs.

3. **DARK FIBER PROVISIONING**

DTS shall provide the District with a continuous, dedicated dark fiber path between Pine Nut / U.S. 395 and the Airport Two (2) Stands, as further described in Exhibit B. DTS shall perform all splicing, testing, and turn-up required to deliver a functional end-to-end dark fiber path.

4. **OPTICAL EQUIPMENT**

DTS shall provide, install, and maintain all required MUX and DEMUX equipment necessary to support the dark fiber path, including all optical configuration and documentation.

5. **GRANT OF SPARE CONDUIT AND FIBER USE**

The District grants DTS the right to access and use spare conduit and spare fiber strands within the District's OSP Fiber System, as identified in Exhibit A, provided such use does not materially impair District operations. District use shall retain priority.

6. **OWNERSHIP OF OSP FIBER SYSTEM**

The entire OSP Fiber System installed, constructed or located on, within, or under any real property owned by the District, unless otherwise provided by law or agreed by the Parties, shall, upon installation and incorporation, immediately become the sole and exclusive property of the District, free and clear of any and all liens, encumbrances, and claims. DTS hereby assigns and transfers to the District all right, title, and interest in and to the OSP Fiber System upon such installation.

DTS shall have no ownership or security interest in the OSP Fiber System following installation, except as may be expressly set forth in this Agreement. DTS shall execute such additional documents and instruments as the District may reasonably request or require to evidence or confirm the District's ownership of the OSP Fiber System.

7. TERM AND RENEWAL

This Agreement shall have an initial term of twenty (20) years commencing on the Effective Date. Upon expiration of the initial term, this Agreement may be renewed for one (1) additional twenty (20) year term upon mutual written agreement of the Parties, or for any additional term of any length upon mutual written agreement of the Parties and approval by the District's governing authority if required.

8. TERMINATION

This Agreement may be terminated under the following conditions:

a) Material failure by DTS to deliver the services described herein, after written notice and reasonable opportunity to cure;

b) Any breach of this Agreement by DTS; or

c) Bankruptcy, insolvency, or cessation of business operations by DTS.

Upon termination of this Agreement, all fiber, conduit usage rights, documentation, and operational control shall immediately revert to the District.

9. INDEMNIFICATION

DTS agrees to indemnify, defend, and hold harmless the District, its board of trustees, employees, agents, and representatives from and against any and all claims, demands, losses, judgments, liabilities, damages, fines, penalties, costs, or any other expenses, including reasonable attorneys' fees and costs, which the District or its employees or agents may incur, suffer, or be liable for as a result of or in connection with any of the following:

(a) Any act, error, omission, negligence, or misconduct by DTS, its employees, agents, subcontractors, or representatives in connection with the performance of this Agreement;

(b) Breach of this Agreement by DTS, including failure to perform any obligation hereunder;

(c) Violation of any federal, state, or local law, regulation, or ordinance by DTS, its employees, agents, subcontractors, or representatives;

(d) Personal injury, including death, or property damage caused, in whole or in part, by DTS's services, activity, or operations hereunder; and

(e) Employment-related claims brought by any employee, subcontractor, or agent of DTS, including, but not limited to, claims under federal or state labor laws.

10. DEFENSE AND SURVIVIAL

DTS shall provide a complete defense of any claim subject to indemnification under this Agreement at the sole expense of DTS. The District shall have the right, but not the obligation, to participate in the defense. The District shall provide DTS with prompt notice of any claim subject to indemnification, but the failure to provide such notice shall not relieve DTS of its obligation to indemnify the District and defend against the claim. DTS shall keep the District reasonably informed of the status of any claim or proceeding and shall not settle any claim without the District's prior written consent. The indemnification and defense obligations set forth in this Agreement shall survive the termination, expiration, or completion of this Agreement.

11. GOVERNING LAW; DISPUTE RESOLUTION

This Agreement shall be governed by and construed in accordance with the laws of the State of Nevada. Any dispute, claim, or controversy arising out of or relating to this Agreement, including its interpretation, enforcement, or breach hereof, shall be resolved exclusively in the Ninth Judicial District Court of the State of Nevada, in and for the County of Douglas. The parties irrevocably submit to the exclusive jurisdiction thereof and waive any objection based on forum non conveniens or any other jurisdictional grounds. The prevailing party in any legal action or proceeding arising from this Agreement shall be entitled to recover its reasonable attorneys' fees and costs incurred in connection with said action or proceeding.

12. ENTIRE AGREEMENT

This Agreement constitutes the complete and entire understanding and agreement between the District and DTS with respect to the subject matter herein and supersedes all prior or contemporaneous negotiations, discussions, representations, warranties, agreements, and understandings, whether oral or written, between the parties. Each party acknowledges that, in entering into this Agreement, it has not relied on any statement, promise, assurance,
or representation made by or on behalf of the other party other than as expressly set forth in this Agreement.

13. MODIFICATION

No amendment, modification, or waiver of any provision of this Agreement shall be valid unless it is in writing and signed by an authorized representative of each party. Neither oral agreements nor course of dealing may modify, interpret, or supplement this Agreement.

Douglas County School District
Board Agenda Item Memo

Date: **June 25, 2026**

To: **DCSD Board of Trustees**

From: **Chief Financial Officer, Terri Willoughby**

Re: **Douglas County School District Finance Committee**

Requested Action: Approval of the proposed Finance Committee Policy and authorize the establishment of a Finance Committee effective immediately to replace the existing Budget Committee.

Background Information: The Douglas County School District is committed to maintaining the highest standards of fiscal stewardship, transparency, accountability, and long-term financial sustainability.

As the District continues to address challenges associated with enrollment fluctuations, rising operational costs, compensation competitiveness, capital facility needs, and long-range financial planning, additional opportunities for focused financial review and community engagement are warranted.

Many high-performing school districts utilize Finance Committees to provide a structured forum for detailed review of financial information prior to consideration by the full Board of Trustees. Such committees strengthen governance by allowing for deeper examination of budgetary issues, financial trends, audits, forecasting, and fiscal risks while increasing transparency and public understanding of District finances.

The proposed Finance Committee would serve in an advisory capacity and would not possess decision-making authority. All recommendations would continue to be presented to the full Board of Trustees for consideration and action.

Budget Considerations and Impact: Minimal. Administrative support for the committee will be provided by existing District staff. Any costs associated with agenda preparation, meeting notices, and recordkeeping can be accommodated within existing departmental budgets.

Recommendation: It is recommended that the Board of Trustees approve the proposed Finance Committee Policy and authorize the replacement of the Budget Committee with the proposed Finance Committee effective immediately.

Key issues for Board Discussion:

The proposed Finance Committee would:

- Review budget development assumptions and financial projections.
- Review budget-to-actual financial reports and fund balance trends.
- Evaluate long-range financial planning and sustainability strategies.
- Review compensation and staffing financial analyses.
- Review independent audit results and internal control initiatives.
- Review capital planning and major maintenance funding strategies.
- Provide recommendations to the Board regarding financial policies and fiscal priorities.

The committee would consist of Board members and community representatives with financial and business expertise, allowing the District to benefit from additional perspectives while maintaining appropriate Board oversight.

The committee would operate in compliance with the Nevada Open Meeting Law and would provide regular reports to the Board of Trustees regarding its activities and recommendations.

Attachment(s): DCSD Finance Committee Framework

Douglas County School District
Finance Committee Framework

1. Purpose

The Finance Committee exists to:
• Provide deep financial oversight and transparency
• Vet complex financial decisions before full Board action
• Strengthen long-term financial sustainability
• Improve public trust and understanding of district finances

Important: The committee reviews and recommends—it does not approve or direct operations.

2. Membership Structure

Core Voting Members (5 total):
• 2 Board Trustees
• 1 Community financial expert (CPA, banker, or CFO-level)
• 1 Parent/community representative
• 1 At-large community member

Non-Voting Staff:
• CFO (lead)
• Superintendent
• HR Director
• Operations/Facilities representative

3. Meeting Cadence

• Monthly during budget season (Jan–June)
• Quarterly (July–December)
• Duration: 60–90 minutes

All meetings comply with Nevada Open Meeting Law requirements.

4. Core Responsibilities

Budget Oversight:
• Review draft budgets
• Analyze revenue assumptions

DRAFT

• Evaluate expenditure trends

Financial Reporting:
• Review fund balance, variances, and cash flow

Long-Term Planning:
• 3–5 year projections
• Scenario modeling

Douglas County School District
Board Agenda Item Memo

Date: June 25, 2026

To: DCSD Board of Trustees

From: Terri Willoughby, Chief Financial Officer
Susan Estes, Director of Business Services

Re: Required Submission-Department of Taxation

Requested Action: Accept the attached documents and approve submission to the Department of Taxation.

Background Information: On May 19, 2026, the Nevada Department of Taxation placed Douglas County School District on "Fiscal Watch". Under Nevada law, Fiscal Watch is defined as the monitoring of a local government by the Department of Taxation after the Department determines certain financial risk conditions exist. After an agency is placed on Fiscal Watch, the Department of Taxation and the Committee on Local Government Finance (CLGF) increase their oversight of the organization. At this time, the following items are required to be submitted by the District to the Department on an ongoing basis, along with proof of submission to this Board and their approval and acceptance of the items.

- Monthly Bank Reconciliations
- Monthly Treasurer's Report
- Cash Balances of All Funds
- Written status report on how fiscal practices or budgetary conditions have been corrected and/or improved.

These items are attached to this report for the Board's review and consideration.

Budget Considerations and Impact: None.

<u>Recommendation:</u> Accept this report and the attached documents.

<u>Key issues for Board Discussion:</u> Discussion of the effects of Fiscal Watch and the recovery process. The proposed response to Fiscal Watch would be for the District to:

- **Acknowledge the findings**
- **Develop a written corrective action plan**
- **Establish monthly financial reporting**
- **Strengthen internal controls**
- **Complete all audits and filings on time**
- **Provide regular updates to the Board and State officials**
- **Demonstrate measurable progress within 6-12 months**

<u>Attachment(s):</u>

1. Bank Statements: February 2026-April 2026
2. Cashbooks: 25-26
3. GL Cash Reports: February-May 2026
4. Fiscal Practices and Budgetary Conditions Corrective Action Plan Report

Our mission is to ensure that all students achieve excellence in education, character and citizenship, in partnership with parents and community.

IMPORTANT INFORMATION:
BANK DEPOSIT ACCOUNTS

How to Contact Us - You may call us at the telephone number listed on the front of this statement.

Updating your contact information - We encourage you to keep your contact information up-to-date. This includes address, email and phone number. If your information has changed, the easiest way to update it is by visiting the Help & Support tab of Online Banking.

Deposit agreement - When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule which contain the current version of the terms and conditions of your account relationship may be obtained at our financial centers.

Electronic transfers: In case of errors or questions about your electronic transfers - If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (10 calendar days if you are a Massachusetts customer) (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will provisionally credit your account for the amount you think is in error, so that you will have use of the money during the time it will take to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

Reporting other problems - You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you and you agree to not make a claim against us, for the problems or unauthorized transactions.

Direct deposits - If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you may call us to find out if the deposit was made as scheduled. You may also review your activity online or visit a financial center for information.

IMPORTANT INFORMATION:
BANK DEPOSIT ACCOUNTS

How to Contact Us - You may call us at the telephone number listed on the front of this statement.

Updating your contact information - We encourage you to keep your contact information up-to-date. This includes address, email and phone number. If your information has changed, the easiest way to update it is by visiting the Help & Support tab of Online Banking.

Deposit agreement - When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule which contain the current version of the terms and conditions of your account relationship may be obtained at our financial centers.

Electronic transfers: In case of errors or questions about your electronic transfers - If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (10 calendar days if you are a Massachusetts customer) (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will provisionally credit your account for the amount you think is in error, so that you will have use of the money during the time it will take to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

Reporting other problems - You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you and you agree to not make a claim against us, for the problems or unauthorized transactions.

Direct deposits - If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you may call us to find out if the deposit was made as scheduled. You may also review your activity online or visit a financial center for information.

IMPORTANT INFORMATION:
BANK DEPOSIT ACCOUNTS

How to Contact Us - You may call us at the telephone number listed on the front of this statement.

Updating your contact information - We encourage you to keep your contact information up-to-date. This includes address, email and phone number. If your information has changed, the easiest way to update it is by visiting the Help & Support tab of Online Banking.

Deposit agreement - When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule which contain the current version of the terms and conditions of your account relationship may be obtained at our financial centers.

Electronic transfers: In case of errors or questions about your electronic transfers - If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (10 calendar days if you are a Massachusetts customer) (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will provisionally credit your account for the amount you think is in error, so that you will have use of the money during the time it will take to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

Reporting other problems - You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you and you agree to not make a claim against us, for the problems or unauthorized transactions.

Direct deposits - If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you may call us to find out if the deposit was made as scheduled. You may also review your activity online or visit a financial center for information.

IMPORTANT INFORMATION:
BANK DEPOSIT ACCOUNTS

How to Contact Us - You may call us at the telephone number listed on the front of this statement.

Updating your contact information - We encourage you to keep your contact information up-to-date. This includes address, email and phone number. If your information has changed, the easiest way to update it is by visiting the Help & Support tab of Online Banking.

Deposit agreement - When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule which contain the current version of the terms and conditions of your account relationship may be obtained at our financial centers.

Electronic transfers: In case of errors or questions about your electronic transfers - If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (10 calendar days if you are a Massachusetts customer) (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will provisionally credit your account for the amount you think is in error, so that you will have use of the money during the time it will take to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

Reporting other problems - You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you and you agree to not make a claim against us, for the problems or unauthorized transactions.

Direct deposits - If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you may call us to find out if the deposit was made as scheduled. You may also review your activity online or visit a financial center for information.

Fiscal Practices and Budgetary Conditions Corrective Action Plan Report

Executive Summary

This report provides the proposed efforts to correct identified fiscal practices and improve budgetary conditions in response to the placement of the District on Fiscal Watch by the Nevada Department of Taxation. The report documents proposed actions, and will report back to the Board on the progress achieved, challenges encountered, and next steps to ensure long-term fiscal sustainability, transparency, accountability, and compliance.

Budget Development and Monitoring

Implement monthly budget-to-actual reviews, department accountability, multi-year forecasting, and expenditure trend analysis.

Financial Reporting and Transparency

Establish monthly closing procedures, reporting calendars, standardized Board reports, and improved budget reporting.

Procurement and Expenditure Controls

Modernize procurement practices, strengthen purchasing compliance, evaluate purchasing cards, and improve vendor management.

Cash Flow and Fund Balance Management

Implement cash flow forecasting, reserve targets, and ongoing monitoring of cash position and fund balances.

Payroll and Staffing Cost Management

Improve position control, staffing analysis, vacancy monitoring, and personnel cost forecasting.

Internal Controls and Compliance

Update procedures, strengthen segregation of duties, improve documentation standards, and conduct compliance reviews.

Key Performance Indicators

Track month-end close timelines, budget variances, procurement compliance, reporting timeliness, fund balance levels, and audit findings.

Risks and Challenges

Monitor enrollment trends, inflation, staffing challenges, funding uncertainty, and rising benefit costs.

Conclusion

Continue implementation of corrective actions to improve fiscal health, transparency, accountability, and long-term sustainability.

Douglas County School District
Board Agenda Item Memo

Date: **June 25, 2026**

To: **DCSD Board of Trustees**

From: **Terri Willoughby, Chief Financial Officer**

Re: **Douglas County School District Procurement Modernization**

Requested Action: Authorization for Chief Financial Officer to conduct an assessment of current procurement policies, processes and procedures and return to the Board at their September 2026 meeting with recommendations.

Background Information: Public procurement is the process through which the District acquires the goods and services necessary to support student learning and daily operations. Effective procurement ensures that public funds are spent responsibly, transparently, and in compliance with applicable laws and Board policies. The guiding principle is: Every Public Dollar, Maximum Public Value.

Budget Considerations and Impact: None at this time.

Recommendation: Staff recommends that the Board support the Procurement Efficiency and Modernization Initiative and authorize the CFO to proceed with the proposed 60-day assessment.

Key issues for Board Discussion:
Modern procurement practices improve service to schools, strengthen transparency and accountability, enhance internal controls, improve vendor management, and maximize value for taxpayers.

Expected Outcomes include: reduced procurement cycle times, expedited vendor payments, improved budget visibility, stronger compliance, enhanced transparency, and more effective use of public resources.

Using Purchasing Cards to Streamline the Purchasing Process

GFOA recommends that governments implement a purchasing card program to improve the efficiency and effectiveness of their purchasing processes.

Purchasing card (also known as procurement card or P-Card) programs provide an efficient, cost-effective method of purchasing and paying for small-dollar and high-volume purchases. Purchasing cards offer an alternative to the traditional purchasing process and can result in a significant reduction in the volume of purchase orders, invoices, petty-cash transactions, and checks processed. Purchasing cards can be used whenever a purchase order, check request, or petty cash would have been processed and with any vendor that accepts credit cards.

Purchasing card programs can provide significant benefits to governments who choose to use them. Benefits of a Purchasing Card Program can include:

- Convenience (simplified purchasing and payment process)
- Efficient payment method
- Lower transaction costs
- Rebate revenue
- Improved purchasing data analytics
- Alternative to petty cash

- Immediate payment to vendors
- Emergency preparedness

Purchasing card programs overall benefit governments, but with any program implementation come some challenges:

- Approval process (ensure policy is set up effectively)
- Duplicate payments
- May shift reconciliation responsibility (addressed in the design of the program)
- Compliance (keeping card users accountable and properly trained)
- Complex spend analysis (reporting can be difficult – upfront discussion with vendor)
- Delays in recording activity (Process / ERP Integration)
- "Front Page" Risk - governments using credit cards (ensuring proper controls exist)

GFOA recommends that governments explore the use of purchasing cards to improve the efficiency of their purchasing procedures. A competitive process should be used to select a purchasing card provider.

Governments need to maintain appropriate controls, in accordance with the purchasing policy, to ensure the ongoing success of a purchasing card program. Governments should also adhere to any state or local laws in place regarding purchasing card use. This should be done through the development of a Purchasing Card Program that should include the following elements:

- Defining the scope of the program (usually for small dollar, high-volume purchasing, and possibly travel)
- Having a Purchasing Card Policy and ensuring that it conforms to the entity's overall procurement policy
- Developing a P-Cards procedures manual that also addresses fraud prevention

- Implementing a training program (include a training manual)
- Developing a process for selecting and managing the right issuer/ card provider (Competitive RFP Process)

What is Procurement?

Procurement is the process of purchasing the goods and services needed to operate the school district.

- Classroom supplies
- Technology and software
- School buses and vehicles
- Maintenance and facilities services
- Food service supplies
- Professional services and consultants
- Construction and capital projects

What are the principles of Public Procurement?

-
- Stewardship of public funds
- Improve service to schools
- Strengthen accountability and transparency
- Enhance internal controls
- Support long-term financial sustainability

Procurement Balancing Act

- Service, compliance, stewardship, controls, and value
- Improve service to schools
- Strengthen accountability and transparency
- Enhance internal controls
- Support long-term financial sustainability

Why This Matters

- Supporting students through efficient operations
- Improve service to schools
- Strengthen accountability and transparency
- Enhance internal controls
- Support long-term financial sustainability

Current Challenges

- Manual processes
- Approval delays
- Inconsistent workflows
- Limited spend visibility
- Administrative burden

Strategic Goals

- Simplify purchasing
- Improve accountability
- Accelerate service
- Improve reporting
- Reduce manual work

Current State Assessment Areas

- Requisitions
- Purchase orders
- Accounts payable workflows
- P-cards
- Vendor management
- Technology systems

Key Modernization Opportunities

- Electronic workflows
- Catalog purchasing
- P-card optimization
- Cooperative purchasing
- Spend analytics

Benefits to Schools

- Faster approvals
- Easier ordering
- Less paperwork
- Better budget visibility

Benefits to the District

- Improved controls
- Better audit readiness
- Reduced administrative cost
- Better purchasing leverage

Financial Stewardship

- We need to direct our dollars back to the classroom
- Improved purchasing supports long-term sustainability
- Strategic procurement helps offset enrollment-related pressures

Proposed Timeline

- 0–60 Days: Assessment
- September-Return to Board
- 3–9 Months: Standardization
- 9–24 Months: Automation & analytics

Recommendation

- Authorize CFO to conduct a procurement assessment
- Develop baseline metrics-(i.e. Develop KPIs such as days paid)
- Identify modernization opportunities
- Return in September with phased implementation plan

Nevada Department of Education
700 E. Fifth Street Carson City, Nevada 89701-5096

TO: Dr. Victor Wakefield, Superintendent of Public Instruction Office of the Superintendent,

SUBJECT: Formal Board Approval for Special Attendance Area (SAA) Designation Applications – Jacks Valley & Pinon Hills

Dear Superintendent Wakefield,

Please accept this formal Letter of Approval from the Douglas County Board of Trustees, submitted in accordance with the required certification procedures for a Special Attendance Area (SAA) designation.

On June 25, 2026, the Board of Trustees formally reviewed and approved the enclosed application to seek an SAA designation for Jack's Valley and Pinon Hills under the Pupil-Centered Funding Plan (PCFP) adjustment pursuant to Nevada Revised Statutes (NRS) 387.1218. We respectfully submit this request ahead of the February 28 deadline to ensure consideration for the upcoming biennial budget build process.

The Board has rigorously evaluated this proposal and certifies that this request is based on strict operational necessity rather than administrative convenience. We fully endorse the application based on the following verified "Extenuating Circumstances":

- **Community Safety and Environmental Barriers:** The proposed site is located 8.5 miles from the nearest existing elementary school and is bisected by a major Interstate Highway. This presents a severe physical barrier and creates an environment completely lacking safe walking routes for students, mandating a localized school presence.
- **Geographic Distinction:** The school site possesses a physical city address that is distinctly separate from the surrounding county townships, further isolating this community logistically.
- **Demonstrated Community Need:** The localized boundary contains an estimated K-12 enrollment of approximately 355 students. Furthermore, the site is approved to host a critical Nevada Pre-K program, compounding the need for safe, immediate, and localized access to early childhood and elementary education.

DRAFT

The Board has also reviewed the required operational and fiscal justification metrics. We confidently affirm that establishing Jack's Valley and Pinon Hills as a designated Special Attendance Area represents the most fiscally responsible use of District resources when compared to the prohibitive transportation costs and safety risks associated with transporting students across an Interstate Highway.

We appreciate the Nevada Department of Education's careful review of our application and comparative analysis. Should your office require further verification of the enclosed boundary descriptions or K-12 enrollment projections, please contact the District Superintendent's office directly.

Sincerely,

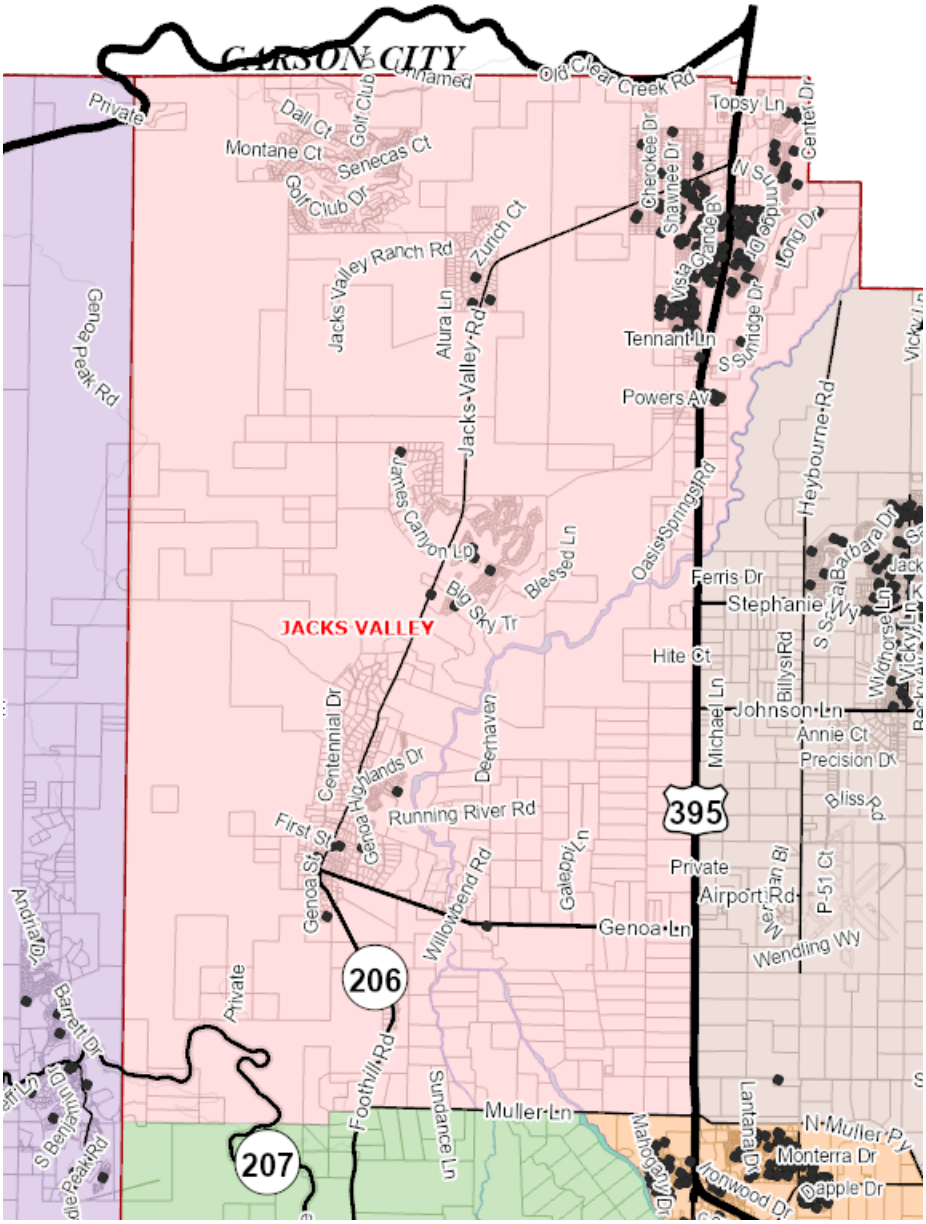

Yvonne Wagstaff

Special Attendance Area (SAA) Designation Application

June 26, 2026

TO: Dr. Victor Wakefield, Superintendent of Public Instruction, Nevada Department of Education

FROM: Frankie Alvarado, Superintendent, Douglas County School District

SUBJECT: Special Attendance Area (SAA) Designation Application under Extenuating Circumstances for Jacks Valley and Piñon Hills

I. Overview & Statement of Need

This application formally requests a Special Attendance Area (SAA) designation to receive the Pupil-Centered Funding Plan (PCFP) adjustment for low-density school operations pursuant to Nevada Revised Statutes (NRS) 387.1218. While the proposed sites do not meet the standard 20-mile distance or 30-minute commute criteria, this request is submitted under documented *Extenuating Circumstances* driven by critical operational necessity, community safety, and significant fiscal constraints. This application contains a request for two (2) Special Attendance Area designations. DCSD requests that an individual decision be made for each SAA designation request identified as Jacks Valley and Piñon Hills.

Extenuating Circumstances Justification:
DCSD is experiencing financial hardship and is working diligently to align our budget structure to meet statutory requirements. Your consideration of this application is pivotal for DCSD to maintain operations at Jacks Valley and Piñon Hills. Both Jacks Valley and Piñon Hills serve a high percentage of students identified as students within a vulnerable population. A potential consolidation has been triggered by the Board of Trustees, with an anticipated final decision being considered mid-year in the 2026-2027 school year. Revenue allocated through an SAA will provide important operational funding to maintain operations at our local schools for two separate, distinct sub-communities of Douglas County.

These two schools within the Douglas County School District are located 8.5 miles from each other and are physically divided by US Highway 395. This major infrastructure barrier results in an absolute lack of safe walking routes to school for neighborhood children. Douglas County is rural and does not have public transportation infrastructure like urban and more developed rural counties that can support parents with

transportation to school sites for important educational planning meetings, student recognition activities, and school events. This degrades our families' sense of community and belonging, which can have unintended impacts for student educational outcomes, a continued and or more rapid decline in enrollment, and increased chronic absenteeism.

Furthermore, a potential consolidation may trigger an additional decline in enrollment due to the closer proximity of a neighboring school district facility. Seelinger Elementary School in the Carson City School District is at a distance of 5.8 miles from Jacks Valley Elementary, with an estimated travel time of 12 minutes per Google Maps. That places DCSD in undue hardship and potentially places the District in a constant cycle of financial hardship due to rapid loss of enrollment and revenue. The District's goal is to maintain operations for each SAA requested in this application. The District is in unprecedented times and has unprecedented needs, which require your consideration of this application.

Given an estimated enrollment of 328 students and the site's recent approval to host a Nevada Pre-K program, establishing a localized SAA is an essential, fiscally responsible decision that ensures safe and equitable educational access for vulnerable student populations in low-density areas. Jacks Valley is specifically unique due to the demographics of the population served at the school and the demographics of the community. Piñon Hills' needs are similar but with a differing vulnerable population and the lack of Pre-K programming for the community. These details are specifically stated below in the narrative of *extenuating circumstances*.

The legislative intent of the statutory provision for the SAA is to ***provide a funding adjustment to cover the higher per-pupil costs of operating schools in low-density areas.*** The Douglas County School District formally requests an operational funding adjustment for Jacks Valley Elementary School and Piñon Hills Elementary School. While both campuses face significant fiscal headwinds due to declining enrollment under the standard Pupil-Centered Funding Plan, their continuation as independent facilities is a logistical, geographical, and socioeconomic necessity that is consistent with the intent of this statute. Both communities are identified as low-density areas.

Forcing these two distinct communities into a singular campus would not solve the financial realities of serving a low-density region; it would simply transfer the financial burden onto families via travel times and dilute essential educational services for vulnerable student groups. The Douglas County School District respectfully requests the application of this funding adjustment to appropriately cover the elevated per-pupil operational realities of Jacks Valley and Piñon Hills, ensuring educational equity and student safety remain uncompromised by low regional density. The legislative intent in the provision is for ***the Department of Education to determine if additional money is necessary for a pupil enrolled in a public school in the area to receive a reasonably equal educational opportunity as a pupil enrolled in a public school in an area with a higher population density.*** The District requests that careful consideration be given to our

application due to our locally unprecedented challenges.

II. Required Data

- **Proposed SAA #1 Name:** Jacks Valley
    - **Geographic Boundary Description:** Tahoe Township boundary (Public Land Survey System - Range 18/19); Douglas County Boundary; Carson River; Hwy 395; Muller Ln; Public Land Survey System - Township 13 Range 19, sections 28, 29;
    - **Estimated PK-5 Enrollment:** Approximately 328 students (Note: Site is approved for a Nevada Pre-K program).
    - **Proposed School Site:** 701 Jacks Valley Rd, Carson City, NV 89705

- **Proposed SAA #2 Name:** Piñon Hills
    - **Geographic Boundary Description:** Carson River; Douglas County Boundary; Public Land Survey System – Range 20/21; Kristi Ln; East Valley Rd; Buckeye Dr; N Muller Pkwy; Muller Ln; Hwy 395
    - **Estimated K-5 Enrollment:** Approximately 238 students
    - **Proposed School Site:** 1479 Stephanie Way, Minden, NV 89423

III. Parameter Assessment

DCSD requests an exception to the standard parameters due to the *extenuating circumstance* justifications contained within this application. The District does not meet standard criteria. The District is applying under the *extenuating circumstances* provision. Provided herewithin is the criteria data for Jacks Valley and Piñon Hills Special Attendance Areas as required for the application:

Proposed SAA #1 Name: Jacks Valley

- **Distance Verification:** The precise mileage from the proposed boundary to the District Central Office is 12.1 miles (verified via Google Maps). The distance to the nearest elementary school within Douglas County is 8.5 miles.
- **Transit Verification:** The documented driving time from the District Central Office during peak school-transit windows is 18 minutes and 13 seconds. The documented driving time between Jacks Valley and Piñon Hills during the peak school-transit window is 13 minutes and 55 seconds.

Proposed SAA #2 Name: Piñon Hills

- **Distance Verification:** The precise mileage from the proposed boundary to the District Central Office is 9.4 miles (verified via Google Maps). The distance to the nearest elementary school within Douglas County is 8.5 miles.
- **Transit Verification:** The documented driving times from the District Central Office during peak school-transit windows are 15 minutes and 27 seconds. The documented driving time between Jacks Valley and Piñon Hills during the peak school-transit window is 13 minutes and 55 seconds.

IV. Extenuating Circumstances

This application is justified under the following *Extenuating Circumstances* and on the basis that Jacks Valley and Piñon Hills are identified as low-density areas and students require additional funding to receive equitable educational services and ***a reasonably equal educational opportunity as a pupil enrolled in a public school in an area with a higher population density.***

Proposed SAA #1 Name: Jacks Valley

- **[X] Community Safety:** The 8.5-mile distance to the nearest Douglas County elementary school is bisected by a major US Highway. There are no safe walking routes available for students, mandating a localized school presence to ensure student protection.
    - School bus transportation is impacted due to the inability to make a left turn when needing to travel north on US Highway 395 from the west side of US Highway 395.
        - To travel north from the west side of US Highway 395, buses are forced to travel south down US Highway 395 and make a U-turn at one of two designated roundabouts to the east and west of the intersection of US Highway 395 and Highway 88 to then travel back north. This extends travel time by approximately 10-15 minutes.

- **[X] Environmental & Physical Barriers:** US Highway 395 acts as a significant physical barrier and logistical hazard, rendering standard transit to existing facilities unsafe for pedestrian students and necessitating a dedicated community school. The current capacity levels at Jacks Valley are higher than Piñon Hills'. The facility is not able to accommodate a consolidation of Piñon Hills to Jacks Valley. This would put the site at over 100% utilization and over 100% capacity. The utilization rate of 100% reflects the necessity to expend capital funds to expand the school site to ensure we meet capacity thresholds and are below the 100% utilization rate. This does not provide ample space to provide intervention services, enrichment activities, specially designed instruction for inclusive education students, related service providers such as speech pathologists, occupational therapists, physical therapists, social workers, and behavior specialists. At over 100% capacity, it leaves the school with no opportunities for new enrollments to be registered and may require an overflow process for specific grade levels and students will be displaced another time by having to attend a school in a different area of Douglas County. At this point, neither Jacks Valley nor Piñon Hills can absorb the other in a consolidation.

- **[X] Demographic Necessity:** This community school represents a large population of low socioeconomic families. Over 25% of the student population requires intensive Literacy Specialist services. Over 11% of the student population are English Language Learners. This school is designated as Title I and 42.45% of the

student population qualifies for free or reduced lunch. Over 35% of the student population receives Inclusive Education services and have Individualized Education Plans (IEPs). This school is approved for a Nevada Pre-K Ready program and the District is implementing the program in the 2026-27 school year.

Proposed SAA #2 Name: Piñon Hills

- **[X] Community Safety:** The 8.5-mile distance to the nearest elementary school is bisected by a major US Highway. There are no safe walking routes available for students, mandating a localized school presence to ensure student protection.
    - School bus transportation is impacted due to the inability to make a left turn when needing to travel north on US Highway 395 from the west side of US Highway 395.
        - To travel north from the west side of US Highway 395, buses are forced to travel south down US Highway 395 and make a U-turn at one of two designated roundabouts to the east and west of the intersection of US Highway 395 and Highway 88 to then travel back north. This extends travel time by approximately 10-15 minutes.

- **[X] Environmental & Physical Barriers:** US Highway 395 acts as a significant physical barrier and logistical hazard, rendering standard transit to existing facilities unsafe for pedestrian students and necessitating a dedicated community school. The current capacity levels at Piñon are low. However, the facility is not able to accommodate an immediate consolidation of Jacks Valley to Piñon Hills. This would put the site at 100% utilization and over 90% capacity. The utilization rate of 100% reflects the necessity to use every single classroom and space within the school to provide education services to students. However, it does not provide ample space to provide intervention services, enrichment activities, specially designed instruction for inclusive education students, related service providers such as speech pathologists, occupational therapists, physical therapists, social workers, and behavior specialists. At 90% capacity, it leaves the school with limited opportunities for new enrollments to be registered and may require an overflow process for specific grade levels and students will be displaced another time by having to attend a school in a different area of Douglas County. At this point, neither Jacks Valley nor Piñon Hills can absorb the other in a consolidation.

- **[X] Demographic Necessity:** This school serves Inclusive Education Students in a Comprehensive Life Skills (CLS) program. Over 17% of the student population requires intensive Literacy Specialist services. Over 29% of the student population receives Inclusive Education services and have Individualized Education Plans (IEPs).

V. Operational and Fiscal Justification For SAA Necessity

The following comparative analysis demonstrates that this SAA designation represents the most fiscally responsible use of resources, specifically considering the 328 projected

students and the approved Pre-K program for Jacks Valley.

Proposed SAA #1 Name: Jacks Valley

Metric	Integration (Current/Alternative)	Proposed SAA (Request)
Transportation	A potential consolidation requires additional bus routing to transport 328 students along and across US Highway 395 daily; high fuel and driver shortages make this an operational issue. Current HR data has identified Bus Drivers as hard-to-fill positions. There is a regional driver shortage that will impact the current and future workforce recruitment.	Eliminates highway crossing risks; keeps kids closer to home; reduces ongoing structural expenditures in transportation; provides students more opportunities to attend after-school programming and extra-curricular activities.
Instruction	Early childhood education in a local community school is pivotal in the development of the whole child. A consolidation would eliminate an essential service to the local community. The impact on instruction may be increased chronic absenteeism, lack of parent engagement due to transportation and an increased rate of declining enrollment. There is a greater likelihood of decreased parent engagement and involvement in their students' education.	Maximizes classroom time via local proximity for the K-12 population and Pre-K learners. A local community school increases parent engagement and involvement in learning, which produces positive student outcomes. Provides educational services within their home community.

Facilities	Merging Jacks Valley into Piñon Hills would push the facility to 100% utilization and over 90% capacity, necessitating immediate capital improvement projects to provide adequate spacing for service providers, enrichment programs/activities, and intervention services. Merging students from Piñon Hills into Jacks Valley would exceed utilization limits and capacity levels.	Maintaining Jacks Valley as a designated SAA utilizes existing district infrastructure to serve the highly vulnerable localized population (including Title I and over 35% IEP students), offsetting the immediate need for capital expansion at neighboring campuses.

The following comparative analysis demonstrates that this SAA designation represents the most fiscally responsible use of resources, specifically considering the 238 projected students and the Comprehensive Life Skills (CLS) program for Piñon Hills. The school also lacks a Pre-K program.

Proposed SAA #2 Name: Piñon Hills

Metric	Integration (Current/Alternative)	Proposed SAA (Request)
Transportation	Transporting 238 students across US Highway 395 requires complex, unsafe routing due to the inability to make left turns northbound, forcing buses to detour through Minden and adding 10-15 minutes per trip. This exacerbates operational challenges caused by the regional bus driver shortage and hard-to-fill	Eliminates highway crossing risks; keeps kids closer to home; reduces ongoing structural expenditures in transportation.; provides students more opportunities to attend after-school programming and extra-curricular activities.

	driver positions.	
Instruction	A consolidation would eliminate essential inclusive education services to the local community. The impact on instruction may be increased chronic absenteeism, lack of parent engagement due to transportation and an increased rate of declining enrollment. There is a greater likelihood of decreased parent engagement and involvement in their students' education.	Maximizes classroom time via local proximity for the K-12 population. A local community school increases parent engagement and involvement in learning, which produces positive student outcomes. Provides educational services to students within their home community.
Facilities	Absorbing students into Piñon Hills would push the facility to 100% utilization and over 90% capacity, necessitating immediate capital improvement projects to provide adequate spacing for service providers, enrichment programs/activities, and intervention services.	Operating Piñon Hills independently avoids triggering emergency expansion costs and ensures the specialized CLS facilities remain accessible.

VI. Certification and Submission

By signing below, the School District Superintendent certifies that all data, particularly enrollment projections and boundary descriptions, have been verified as accurate prior to submission. The DCSD Board of Trustees authorized the submission of this application at the regular board meeting on June 25, 2026. This application is submitted for formal integration into the biennial budget build process.

Nevada Association of School Superintendent Talking Points
iNVest 2027

Funding

Increase and align education funding to ensure that resources match students' needs:

First priority: The committee's discussion revolved around the desire to, at least, have the legislature distribute all dollars budgeted each year, particularly if enrollment statewide decreased. This would probably require a change to the IFC process to allow them to reconvene mid-year and to allocate unspent dollars, or to recalculate the per pupil funding - given the new (potentially Oct. 1) count.

Second priority: Declining enrollment / Hold Harmless Policy. The committee discussed changing the current 5% threshold to be much lower - potentially 1%. The concern with a number that is too low, however, is that any reprieve would be shared by all equally such that the districts who needed it most would not get the relief they needed. The committee settled on a 2% 'bar'. If a district has a 2%, or more, population decrease - their funding would be honored at the previous year's enrollment - but the district would know that the next year, they will have to have adjusted to live on the newer, lower, funding level. This recommendation is to have a one-year lookback only. Included in this proposal would be to move from a quarterly student count - to an annual count - doing away with ADE.

Third priority: At Risk formula: The recommendation was to have the current system of the '72 items in a black box' formula - simplified and clarified to use 4 elements at most. This way it could be more transparent and consistent. The districts could then have a much better way to project and budget according to their enrollment year to year.

Additional Priorities:

- Ensure the base per-pupil amount increases consistently with inflation.
- Greater funding of Special Education costs
- Universal Pre-K
- Fund both weights when a student qualifies for more than one weight (Special Education, English Leaners, At Risk, Gifted and Talented)

SB460

Refine SB460 (2025) to more effectively and positively impact school district operations and student success.

1. **State Intervention and the "Public Education Oversight Board"**

- **The Issue:** The bill establishes a Public Education Oversight Board that can be convened to assume the authority of a local board of trustees in response to issues identified by the State Superintendent. Furthermore, it grants the State Superintendent the power to place districts on "probation" and initiate "state intervention" for persistently underperforming schools, which can include direct management by the Department of Education.

- **Proposed Option 1: Remove Oversight Board's control - Eroding** Preservation of local board authority and governance. Local school districts best understand their communities and are accountable to their local communities. Nevada's district superintendents argued that creating new standards without additional funding will cause unnecessary disruption in our communities with little evidence of a benefit to our students.
- Schools and districts need more clarity on the criteria, due process, and transparency involved in probation and takeover.
- **Proposed Fix:** Amend Section 9.1 to redefine the Oversight Board's role from "taking authority" to "providing technical assistance." Replace the "direct management" trigger in Section 14.4 with a requirement for a jointly developed improvement plan that must be approved by the local board of trustees before implementation. Timelines also need to be adjusted to ensure a phased approach.

2. Municipal Charter Authorizing and Enrollment Expansion

- **The Issue:** SB 460 allows cities and counties to sponsor new or expanded charter schools even if they exceed previous enrollment caps, provided certain performance or overcrowding conditions are met. It also allows the State Public Charter School Authority to override a local district's objection to a new charter school if the Authority finds the district's assessment of the community's needs is "incorrect".
- **Proposed Fix:** Amend Section 19 to make a local district's objection binding unless the State Public Charter School Authority can prove through an independent audit that the district is unable to provide the specific educational program requested. Re-establish strict enrollment caps for municipal sponsors to prevent unregulated growth and require the municipality to submit a district verified enrollment impact analysis.

3. Onerous Reporting and "Red Tape"

- **The Issue:** The bill requires elementary schools to prepare individual achievement plans and mandates standardized reporting for teacher vacancies, pupil-centered funding allocations, and the amount of classroom time spent on assessments. While Section 1.7 permits some waivers of redundant data, the overall burden remains substantial.
- **Proposed Fix:** Consolidate the multiple reporting dates within SB460 (e.g., the various August and December deadlines) into a single annual "District Accountability Window" during the month of November.

4. Mandatory "Differential Pay" Scales

- **The Issue:** The bill requires "large school districts" (Clark and Washoe) to negotiate a differential pay scale for personnel at Title I schools and reserve specific funds for this purpose.

- **Proposed Fix:** Amend Section 55 to make the differential pay scale permissive rather than mandatory or provide a dedicated state categorical fund to pay for the "differential" so it does not drain the district's general fund. There is precedent with this already being built into AB 398 (2025).

5. Principal Accountability Aligning with School Tenure

- **The Issue:** The bill (Section 1.3) requires principals at schools that do not meet their goals in three consecutive years to be removed from the school or reapply for their positions, but it does not take into account if the principal was appointed at the school within that three year period and did not yet have an opportunity to meet the goals in the school's strategic plan.
- **Proposed Fix:** Amend Section 1.3 to apply to principals who have been at the school for a minimum of three years.

6. Low-Performing School Definition and Probation Period

- **The Issue:** The bill (Section 14.25) requires that a low-performing school be placed on probation beginning "on the first day of the first school year following the date of the designation of the public school as a low-performing school." However, this could result in schools meeting standards for the previous academic year, but being newly designated as low performing for the current year. Schools receive ratings each September, but the designations would not take effect until the following August, almost a year later. Additionally, Section 14.25.5 requires "quarterly" assessments be conducted, but most established interim assessments are conducted each trimester.
- **Proposed Fix:** Amend Section 14.25 to align designations of low-performing and probation with the established dates for reporting of accountability ratings, not calendar years. Additionally, amend section 14.25.5 to "at least each trimester".

7. Maintaining Accountability for Employees not Receiving Satisfactory Evaluations.

- **The Issue:** The bill (Sections 38.4, 38.7, and 52.5) requires that post probationary administrators and teachers who receive an evaluation designating their performance as ineffective or minimally effective for 2 consecutive school years be placed on a performance improvement plan for 2 years. Current law allows 1 year for employees to demonstrate improved performance before either returning to post-probationary status or receiving a notice of non-re-employment.
- **Proposed Fix:** Amend the language of Sections 38 and 52.5 to align with the shorter timeline already established in law.

8. Foundational Literacy Skills Training

- **The Issue:** The bill (Section 39) requires that all teachers in grades K-3 complete a course of instruction in foundational literacy skills, provided at no cost to the teacher or

their employer, however this requirement is not built into teacher preparation programs within NSHE institutions.
- **Proposed Fix:** Amend the language of Section 39 to require that foundational literacy skills, grounded in the science of reading, be included in the coursework for all teacher preparation programs within NSHE institutions, beginning July 1, 2028.

Additional Thoughts -

- New reports created in SB460 should be waived by the State Superintendent

Read By Grade 3

Strengthen early literacy supports without harmful student retention requirements.

Research indicates that non-voluntary retention is a primary predictor of high school disengagement, increasing dropout risks by over 2.6 times. We believe Nevada's resources are better invested in proven support systems—specifically in the K–2 years—rather than the $10,000–$20,000 annual cost of repeating a grade.

Actionable Legislative Recommendations

To modernize Nevada's literacy laws and focus on student growth, NASS proposes the following specific changes:

- **Repeal the Retention Mandate:** Amend current statutes to remove the **requirement** that third-grade students who do not achieve a passing score on the uniform reading exam must be retained.
- **Repeal Reporting Requirements**: NRS 392.775 requirements redundant with Nevada Report Card information.
- **Remove Transitional Setting Requirement**: Capacity of districts to have something meaningful is vastly different across the state. $$$.
- **Retain Local Control of Decision**: This is essential to keep. However, the ways that can qualify will likely lead to tons more increased documentation and over-identification of SPED, 504, and other ways. The superintendent is removed from decisions about individual students. "Approval" would be perfunctory.
- **Shift to a Support-First Promotion Model:** Create possibilities for pathways where struggling readers are promoted to fourth grade upon the completion of intensive summer learning camps or high-dosage tutoring. These need to be funded. $$$.
- **Reallocate Retention Costs to K–2 Intervention:** Direct the projected per-pupil cost of retention toward hiring additional literacy specialists for early identification and intervention in grades K–2 to prevent the "third-grade cliff" entirely.
- **Automate Intervention Plans:** Transition the Good-Cause framework into an automatic Intervention Requirement, ensuring that students currently eligible for exemptions (such

as English Learners and students with IEPs) receive immediate, specialized support without the administrative burden of an exemption application. $$$.

Reaffirming Core Literacy Frameworks

While we seek to remove the retention mandate, NASS strongly supports maintaining the following critical components already established in Nevada law:

- Early identification of reading deficiencies in grades K–3.
- Collaboration with, and written notice to, parents/guardians regarding identified deficiencies.
- 90 minutes of daily research-based reading instruction for all students.
- The continued provision of intensive instruction and intervention services for any student promoted via an alternative pathway.

Pre-Kindergarten Expansion

Stabilize, align, and expand Pre-K funding structures.

1. Philosophical Foundation

Pre-K as a Grade Level: Move away from viewing Pre-K as a "special program" and toward treating it as the foundational year of the K-12 continuum with an ultimate goal of Universal Pre-Kindergarten for all Nevada children.
Prioritizing Highest Need First: Prioritize "Pre-K Deserts" in rural and Title I urban areas before statewide scaling.

2. Strategic Implementation Pillars

- **Formula Integration:** Advocate for Pre-K to be fully funded as other Nevada students in the Nevada Pupil-Centered Funding Plan, rather than relying on the uncertainty of competitive grants.
    - Currently, Nevada Ready! State Pre-K funding is generally set at $8,410 per pupil, which is lower than the PCFP pre-pupil funding, and is only available for eligible 4-year-olds.
    - The timing mechanism for allocation of seats does not align with district and school budget cycles.
- **Mixed-Delivery Collaboration:** Leverage a "Hub and Spoke" model. School districts serve as the quality-control hubs, partnering with private providers to meet capacity needs while maintaining district standards.
- **Program Licensure:** Ensure that private partnerships and district NR!PK programs are given the same considerations regarding program licensure.

Nevada Association of School Superintendent Talking Points
iNVest 2027

- **Workforce Pipeline:** Support state-funded "Para-to-Teacher" scholarship specifically for Early Childhood Education (ECE) endorsements to meet the surge in staffing demand.
- **One Statewide Waiting List:** Instead of all Pre-K operators running their own individual waiting lists for Pre-K, create LEA-led application processes, inclusive of municipality and private providers within each county.

Nevada Association of School Superintendents

Investing in Nevada's Education, Students, Teachers, and Economic Future

A future-ready education system is essential for Nevada's students, and to support this goal, the Nevada Association of School Superintendents (NASS) has developed the iNVest roadmap to outline key priorities for improving student achievement.

We are proud of the work we have accomplished in partnership with the Legislature, but our children deserve more. The 2027 legislative session is an opportunity to take the next step by focusing on what matters most for student success.

1 Increase and align education funding to ensure that resources match student needs.

NASS's school funding reform plan centers on four critical priorities:

- Protect schools from sudden, drastic budget cuts during population decreases and stabilize district budgets by addressing statutory deadlines and timelines that define count days, true ups, and funded enrollment for the Pupil-Centered Funding Plan.
- Work with the State to find alternative revenue mechanisms to support the State Education Fund.
- Support sustainable funding for all districts.
- Provide districts with more oversight over differential pay to ensure funds align with strategic plans and initiatives.

2 Refine SB 460 (2025) to more effectively and positively impact school district operations and student success.

NASS proposes revisions to SB 460 that protect local control and reduce unnecessary compliance requirements while maintaining high levels of accountability:

- Reinforce local governance by redefining state oversight as technical assistance and aligning accountability timelines with existing law.
- Streamline and consolidate reporting, modernizing assessment schedules, and ensuring fair principal tenure protections are also important.
- Require science of reading foundational literacy coursework in all NSHE teacher preparation programs is also a critical component for strengthening Nevada's education landscape and outcomes.

3 Strengthen early literacy supports without harmful student retention requirements.

Improve the principles of Read by Grade 3 (NRS 392.700-392.785) to ensure the use of research-based practices:

- Ensure early identification and communication with families about reading deficiencies
- Repeal the retention mandate in Read by Grade 3 to allow greater local control of retention decisions without adding documentation burden. Maintain evidence-based components of law proven to help students.
- Redirect retention costs to K-2 literacy interventions, summer learning, high-dosage tutoring, and automated intervention plans that will maintain high standards while investing in proven literacy gains.
- Embed science of reading in teacher preparation programs so all students begin K-12 with a strong literacy foundation that helps prevent intervention/retention need.

4 Stabilize, align, and expand Pre-K funding structures.

Ensure strong foundations for students regardless of zip code by investing in Pre-K:

- Improve access, starting with students in high-need rural and urban "Pre-K deserts."
- Move from unpredictable, competitive grant funding structures to more sustainable funding options with dedicated and consistent annual funding to high-quality providers.
- Create licensure pathways, including credit for prior life experience, to build the early-childhood workforce.

NASS is comprised of all 17 school district superintendents and the State Public Charter School Authority. *For more than two decades, we have worked in partnership with the Legislature to advance policies that strengthen Nevada's public education system. We appreciate our continued collaboration with the Legislature and remain committed to practical, student-centered solutions.*

Un sistema educativo preparado para el futuro es esencial para los estudiantes de Nevada; para respaldar este objetivo, la Asociación de Superintendentes Escolares de Nevada (NASS, por sus siglas en inglés) ha desarrollado la ruta iNVest, la cual describe las prioridades clave para mejorar el rendimiento estudiantil.

Estamos orgullosos del trabajo que hemos realizado en colaboración con la Legislatura, pero nuestros niños merecen más. La sesión legislativa de 2027 representa una oportunidad para dar el siguiente paso, centrándonos en aquello que más importa para el éxito de los estudiantes.

Invirtiendo en la Educación, Estudiantes, Maestros y el Futuro Económico de Nevada

1 Aumentar y alinear los fondos de la educación para garantizar que los recursos se ajusten a las necesidades de los estudiantes.

El plan de reforma de los fondos de la educación de NASS se centra en cuatro prioridades fundamentales:

• Proteger a las escuelas de recortes presupuestarios repentinos y drásticos durante periodos de disminución de la población estudiantil, y estabilizar los presupuestos de los distritos abordando los plazos establecidos por ley que definen los días de recuento, los ajustes finales y la registración financiada para el Plan de Fondos Centrado en el Alumnado.
• Colaborar con el Estado para identificar mecanismos alternativos de ingresos que respalden el Fondo Estatal de Educación.
• Respaldar fondos sostenibles para todos los distritos.
• Permitir que el incentivo adicional al salario para los educadores sea opcional o financiado por el Estado.

2 Perfeccionar el SB 460 (2025) para impactar de manera más efectiva y positiva las operaciones de los distritos escolares y el éxito de los estudiantes.

NASS propone revisiones al proyecto de ley SB 460 que protegen el control local y reducen los requisitos de cumplimiento innecesarios, al tiempo que mantienen altos niveles de rendición de cuentas:

• Reforzar la gobernanza local redefiniendo la supervisión estatal como asistencia técnica y alineando los plazos de rendición de cuentas con la legislación vigente.
• Optimizar y consolidar la presentación de informes, modernizar los calendarios de evaluación y garantizar protecciones justas en la titularidad de los directores son también aspectos importantes.
• Exigir la inclusión de cursos sobre los fundamentos de la lecto-escritura —basados en la ciencia de la lectura— en todos los programas de formación de enseñanza del NSHE constituye asimismo un componente crítico para fortalecer el panorama educativo y los resultados académicos de Nevada.

3 Fortalecer los apoyos tempranos a la lecto-escritura sin requisitos perjudiciales de retención de estudiantes.

Mejorar los principios del programa Leer Para el 3er Grado (NRS 392.700-392.785) para garantizar el uso de prácticas basadas en la investigación:

▪ Garantizar la identificación temprana y la comunicación con las familias sobre las deficiencias en la lectura.
• Anular el mandato de repetición de curso en Leer para el 3er Grado para permitir un mayor control local de las decisiones de repetición sin aumentar la carga de documentación. Mantener los componentes de la ley basados en la evidencia que han demostrado ser beneficiosos para los estudiantes.
▪ Redirigir los costos de repetición de curso hacia intervenciones de lecto-escritura en los grados de kínder a segundo grado, aprendizaje de verano, tutorías intensivas y planes de intervención automatizados para mantener altos estándares mientras se invierte en mejorar la lecto-escritura.
• Integrar la ciencia de la lectura en los programas de formación de la enseñanza para que todos los estudiantes comiencen del kínder al grado doce con una sólida base de lecto-escritura que ayude a prevenir la necesidad de intervención o repetición de curso.

4 Estabilizar, alinear y ampliar las estructuras de fondos de la educación preescolar.

Garantizar bases sólidas para los estudiantes, independientemente de su código postal, mediante la inversión en educación preescolar (Pre-K):

• Mejorar el acceso, comenzando por los estudiantes que se encuentran en zonas rurales y urbanas de alta necesidad consideradas como desiertos de educación preescolar.
• Pasar de estructuras de fondos impredecibles y competitivos hacia opciones de financiación más sostenibles, con asignaciones anuales dedicadas y constantes para los proveedores de servicios de alta calidad.
• Crear vías de obtención de licencias —incluyendo el reconocimiento de experiencia de vida previa— con el fin de fortalecer la fuerza laboral en el área de la primera infancia.

NASS está integrada por los 17 superintendentes de distritos escolares y la Autoridad Estatal de Escuelas Públicas Charter. *Durante más de dos décadas, hemos trabajado en colaboración con la Legislatura para promover políticas que fortalezcan el sistema de educación pública de Nevada. Valoramos nuestra continua colaboración con la Legislatura y mantenemos nuestro compromiso con soluciones prácticas y centradas en los estudiantes.*

Resolution #26-06 in Support of iNVest 2027

WHEREAS, iNVest is the collective work of the Nevada school district superintendents;

WHEREAS, beginning with the 2007 Session of the Nevada Legislature and continuing to the present, the superintendents supported by the seventeen elected school boards have produced a biennial iNVest document which is the cornerstone of the answer to the question, “What is needed to improve student achievement in Nevada?”;

WHEREAS, the vibrant future of Nevada is dependent upon all children graduating ready for college and career and prepared to be productive, responsible citizens, who are competitive in meeting the challenges of the global environment;

WHEREAS, there are approximately 484,240 students in over 773 schools and countless Nevada classrooms;

WHEREAS Nevada’s classrooms require a highly trained and effective teacher, individualized instruction, safe, modern, and innovative spaces, student supports, leadership, engaged families and communities, and students meeting academic and social milestones;

NOW, THEREFORE, BE IT FURTHER RESOLVED THAT the Board of Trustees of the Douglas County School District encourages the Nevada State Legislature to increase and align education funding to ensure that resources match student needs; and

NOW, THEREFORE, BE IT FURTHER RESOLVED THAT the Board of Trustees of the Douglas County School District encourage the Nevada State Legislature to refine SB460 (2025) to more effectively and positively impact school district operations and student success; and

NOW, THEREFORE, BE IT FURTHER RESOLVED THAT the Board of Trustees of the Douglas County School District encourage the Nevada State Legislature to strengthen early literacy supports without harmful student retention requirements; and

NOW, THEREFORE, BE IT FURTHER RESOLVED THAT the Board of Trustees of the Douglas County School District encourage the Nevada State Legislature to stabilize, align and expand Pre-K funding structures.

As the Board of Trustees of the Douglas County School District, we commit to working together collaboratively with the Governor, educators, parents, community and business

leaders, superintendents, other school boards, and legislative policymakers to bring about a positive change in Nevada's investment in public education that will make a difference for each student.

Adopted this 25th day of June, 2026, by the Board of Trustees of the Douglas County School District.
