Dear Mr. Widdifield,

It is with a heavy heart that I write this letter of resignation from Minden Public Schools. I have greatly enjoyed my time in the classroom both at C.L. Jones Middle School and at East Elementary. This spring will be my last semester as a middle school art educator as I have accepted a position at the University of Nebraska Kearney starting in the fall.

Minden Public Schools has been a great environment for me both to grow in my field and to work with some of the best teachers in the state. I take pride in saying that I am a Whippet. My hope is that in the near future I will be able to work with Minden Public Schools in a different capacity as a university instructor and department liaison. Thank you for your continued support; this has been a very difficult decision.

Sincerely,

Elizabeth Bloomfield, Art Educator
