Dear Rachel,

After much thought and consideration, I have decided to retire effective June 30, 2026. It has been a privilege to work with SASED over the years.

I have enjoyed working with all the staff and will miss the camaraderie. I treasure the many lifelong friends I have made while working here.

As part of my retirement transition, I would appreciate confirmation regarding the payment for my 40 years of service and the compensation for any unused excess sick leave.

Between now and my retirement date, I am committed to ensuring a smooth transition.

Thank you for all your support and encouragement. It has been a pleasure to work with you. I wish SASED the best going forward.

Sincerely,

Dear Julia,

My decision to accelerate my retirement has not been an easy one to make. I truly have a passion for teaching and I become very attached to my students each year.

However, due to the ongoing stress that this school year has brought and the impact on my mental well-being, I have made the decision to retire before I had planned.

My last day at SASED will be Friday, December 19, 2025.

2:120 Board Member Development

SASED desires that its individual Board members learn, understand, and practice effective governance principles. Each SASED Board is responsible for Board member orientation and development.

The Chairperson of each Board and/or the Executive Director shall provide all Board members with information regarding education materials, publications, and notices of training or development pertinent to governance of the cooperative.

Mandatory Board Member Training

Each Board member is responsible for his or her own compliance with the mandatory training laws that are described below:

1. Each Board member elected or appointed to fill a vacancy of at least one year's duration must complete at least four hours of professional development and leadership training in: (1) education and labor law; (2) financial oversight and accountability; (3) fiduciary responsibilities; (4) trauma-informed practices for students and staff; and (5) improving student outcomes, within the first year of his or her first term.
2. Each Board member must complete training on the Open Meetings Act (OMA) no later than 90 days after taking the oath of office for the first time. After completing the training, each Board member must file a copy of the certificate of completion with the Board. Training on OMA is only required once.
3. Each Board member must complete a training program on evaluations under the Performance Evaluation Reform Act (PERA) before participating in a vote on a tenured teacher's dismissal using the optional alternative evaluation dismissal process. ~~This dismissal process is available after the SASED PERA implementation date.~~ PRESSPlus1
4. Each new Board member must attend the SASED New Board Member Orientation as per the Articles of Joint Agreement.

Professional Development; Adverse Consequences of School Exclusion; Student Behavior

The Board Chairperson or Executive Director, or their designees, shall make reasonable efforts to provide ongoing professional development to Board members about the requirements of 105 ILCS 5/10-22.6 and 105 ILCS 5/10-20.14, adverse consequences of school exclusion and justice-system involvement, effective classroom management strategies, culturally responsive discipline, trauma-responsive learning environments, appropriate and available supportive services for the promotion of student attendance and engagement, and developmentally appropriate disciplinary methods that promote positive and healthy school climates.

Board Self-Evaluation

The Board will conduct periodic self-evaluations with the goal of continuous improvement.

New Board Member Orientation

The orientation process for newly elected or appointed Board members includes:

1. The Board Chairperson or Executive Director, or their designees, shall give each new Board member a copy of or online access to the Board Policy Manual, the Board's regular meeting minutes for the past year, and other helpful information including material describing the District and explaining the Board's roles and responsibilities.
2. The Board Chairperson or designee shall schedule one or more special Board meetings, or schedule time during regular meetings, for Board members to become acquainted and to review Board processes and procedures.
3. The Board Chairperson may request a veteran Board member to mentor a new member.

2:150 Committees

The Board of Directors may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board Chairperson makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board - it may only make recommendations to the Board.

Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Board Policy Committee. This committee researches policy issues, and provides information and recommendations to the Board.
2. Parent-Teacher Advisory Committee. This committee assists in the development of student behavior policy and procedure, and provides information and recommendations to the Board. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. 3. Behavioral Interventions/Oversight Committee. This committee develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*, and provides information and recommendations to the Board. At the Board Chairperson's discretion, the Parent-Teacher Advisory Committee shall perform the duties assigned to the Behavioral Interventions Committee.

2:270 Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited

Discrimination and harassment on the basis of race, color, or national origin negatively affect a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from such discrimination and harassment is an important District goal. The District does not discriminate on the basis of actual or perceived race, color, or national origin in any of its education programs or activities, and it complies with federal and State non-discrimination laws.

Examples of Prohibited Conduct

Examples of conduct that may constitute discrimination on the basis of race, color, or national origin include: disciplining students more harshly and frequently because of their race, color, or national origin; denying students access to high-rigor academic courses, extracurricular activities, or other educational opportunities based on their race, color, or national origin; denying language services or other educational opportunities to English learners; and assigning students special education services based on a student's race, color, or national origin.

Harassment is a form of prohibited discrimination. Examples of conduct that may constitute harassment on the basis of race, color, or national origin include: the use of racial, ethnic or ancestral slurs or stereotypes; taunts; name-calling; offensive or derogatory remarks about a person's actual or perceived race, color, or national origin; the display of racially-offensive symbols; racially-motivated physical threats and attacks; or other hateful conduct.

Making a Report or Complaint; Investigation Process

Individuals are encouraged to promptly report claims or incidents~~[illegible]~~PRESSPlus1 of discrimination or harassment based on race, color, or national origin to the Nondiscrimination Coordinator, a Complaint Manager, or any employee with whom the student is comfortable speaking. Reports under this policy will be processed under Board policy 2:260, *Uniform Grievance Procedure*.

Any District employee who receives a report or complaint of discrimination or harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of discrimination or harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

This policy does not impair or otherwise diminish the existing rights of unionized employees to request an exclusive bargaining representative to be present during any investigatory interviews, nor does this policy diminish any rights available under an applicable collective bargaining agreement, including, but not limited to, a grievance procedure.

Federal and State Agencies

If the District fails to take necessary corrective action to stop harassment based on race, color, or national origin, further relief may be available through the Ill. Dept. of Human Rights (IDHR) or the U.S. Dept. of Education's Office for Civil Rights. To contact IDHR, go to: https://dhr.illinois.gov/about-us/contact-idhr.html or call (312) 814-6200 (Chicago) or (217) 785-5100 (Springfield).

Prevention and Response Program

The Superintendent or designee shall establish a prevention and response program to respond to complaints of discrimination based on race, color, and national origin, including harassment, and retaliation. The program shall include procedures for responding to complaints which:

1. Reduce or remove, to the extent practicable, barriers to reporting discrimination, harassment, and retaliation;
2. Permit any person who reports or is the victim of an incident of alleged discrimination, harassment, or retaliation to be accompanied when making a report by a support individual of the person's choice who complies with the District's policies and rules;
3. Permit anonymous reporting, except that an anonymous report may not be the sole basis of any disciplinary action;
4. Offer remedial interventions or take such disciplinary action as may be appropriate on a case-by-case basis;
5. Offer, but do not require or unduly influence, a person who reports or is the victim of an incident of harassment or retaliation the option to resolve allegations directly with the accused; and
6. Protects a person who reports or is the victim of an incident of harassment or retaliation from suffering adverse consequences as a result of a report of, investigation of, or a response to the incident.

Policy Posting and Distribution

This policy shall be posted on the District's website. The Superintendent shall annually inform staff members of this policy by posting it in a prominent and accessible location such as the District website, employee handbook, staff intranet site, and/or in other areas where policies and rules of conduct are made available to staff. The Superintendent shall annually inform students and their parents/guardians of this policy by posting it on the District's website and including an age-appropriate summary of the policy in the student handbook(s).

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, up to and including discharge.

Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, including but not limited to, suspension and expulsion consistent with Board policy 7:190, *Student Behavior*.

Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to remedial and/or disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints, participating in the complaint process, or

otherwise providing information about discrimination or harassment based on race, color, or national origin is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Individuals should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

The Board of Directors and SASED officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence. Board members are bound by Board policy 2:100, *Board Member Conflict of Interest*. No SASED employee having influence on SASED's investment decisions shall:

4:190 Targeted School Violence Prevention Program

Threats and acts of targeted school violence harm SASED's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure SASED environment is an important Board of Directors goal. While it is not possible for SASED to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps SASED reduce these risks to its environment.

The Executive Director or designee shall develop and implement the Program. The Program oversees the maintenance of a SASED environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of SASED's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a SASED-level School Violence Prevention Team to: (a) develop a SASED-level Targeted School Violence Prevention Plan, and (b) oversee SASED's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Require all SASED staff, volunteers, and contractors to report any expressed threats or behaviors that may represent a threat to the community, school, or self.
4. Encourage parents/guardians and students to report any expressed threats or behaviors that may represent a threat to the community, school, or self.
5. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects SASED from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within SASED, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, SASED staff, or visitors.

5:90 Abused and Neglected Child Reporting

Any SASED employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability, shall immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873) (within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY). Any SASED employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Executive Director or Program Administrator/Coordinator that a report has been made. The Executive Director or Program Administrator/Coordinator shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Negligent failure to report occurs when a SASED employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any SASED employee who discovers child sexual abuse material ~~pornography~~ PRESSPlus1 on *electronic and information technology equipment*, as defined in 325 ILCS 5/4.5(a), shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.missingkids.org. The Executive Director or Program Administrator/Coordinator shall also be promptly notified of the discovery and that a report has been made.

Any SASED employee who observes any act of hazing that does bodily harm to a student must report that act to the Program Administrator/Coordinator, Executive Director, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Executive Director or Program Administrator/Coordinator. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and *Erin's Law* Training

The Executive Director or designee shall provide staff development opportunities for SASED employees in the detection, reporting, and prevention of child abuse and neglect.

All SASED employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Executive Director or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.

3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors (including *sexual misconduct* as defined in *Faith's Law*), and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse; Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a SASED employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Executive Director or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform SASED when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude SASED from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with Board policy 7:20, *Harassment of Students Prohibited*.

Special Executive Director Responsibilities

The Executive Director shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a SASED employee and was the subject of a report made by a SASED employee to DCFS.

When the Executive Director has reasonable cause to believe that a license holder (1) committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA or an act of sexual misconduct under *Faith's Law*, and (2) that act resulted in the license holder's dismissal or resignation from SASED, the Executive Director shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Executive Director must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Executive Director shall develop procedures for notifying a student's parents/guardians when a SASED employee, contractor, or agent is alleged to have engaged in sexual misconduct with the student as defined in *Faith's Law*. The Executive Director shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of sexual misconduct. Notification shall not occur when the employee, contractor, or agent alleged to have engaged in sexual misconduct is the student's parent/guardian, and/or when the student is at least 18 years of age or emancipated.

The Executive Director shall execute the recordkeeping requirements of *Faith's Law*.

Special Governing Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Executive Director or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any SASED employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in Board policy 2:20, *Powers and Duties of the Governing Board; Indemnification*.

PRESSPlus Comments

PRESSPlus 1. Updated in response to Mahmoud v. Taylor, 145 S.Ct. 2332 (2025), holding that classroom instruction will likely burden parents' free exercise rights if it requires their children to submit to instruction "that poses 'a very real threat of undermining' the religious beliefs and practices that the parents wish to instill." Unless otherwise required by law, it is unclear from Mahmoud whether a district would ever need to give advance notice to all parents/guardians of the use of certain curriculum or instructional materials that could trigger religious objections. Doing so could present discrimination concerns. Given the many unsettled legal issues in this area and the fact-dependent nature of the analysis involved, boards should consult with the board attorney regarding any curriculum objections. **Issue 120, October 2025**

6:280 Grading and Promotion

The Executive Director or designee shall establish a system of grading and reporting academic achievement to students and their parents/guardians. The system shall also determine when promotion and graduation requirements are met. The decision to promote a student to the next grade level shall be based upon the recommendation of the IEP team, and shall be based on successful completion of the curriculum, attendance, and performance on the standardized tests required by the Illinois State Board of Education (ISBE) and/or other assessments. A student shall not be promoted based upon age or any other social reason not related to academic performance. The administration shall determine remedial assistance for a student who is not promoted.PRESSPlus1

Every teacher shall maintain an evaluation record for each student in the teacher's classroom. A SASED administrator cannot change the final grade assigned by the teacher without notifying the teacher. Reasons for changing a student's final grade include:

- A miscalculation of test scores,
- A technical error in assigning a particular grade or score,
- The teacher agrees to allow the student to do extra work that may impact the grade,
- An inappropriate grading system used to determine the grade, or
- An inappropriate grade based on an appropriate grading system.

Should a grade change be made, the administrator making the change must sign the changed record.

2. Use policies or procedures or engage in practices that have the effect of excluding a student from participating in or denying the benefits of any District program or activity.

6. Disclose information related to the actual citizenship or immigration status of a student or a person associated with the student to any other person or nongovernmental entity if the District has direct knowledge of the student's or associated person's actual citizenship status, subject to the requirements in 105 ILCS 5/22-105(c)(3).

State law does not prohibit or restrict the District from sending or receiving information about the citizenship or immigration status of an individual to or from the U.S. Dept. of Homeland Security or any other governmental entity under 8 U.S.C. §§1373 and 1644.

Responding to Agency and Law Enforcement Requests[PRESSPlus4]

individual student.

3. Minimize potential disruption.
4. Foster a cooperative relationship with government agencies and law enforcement authorities.
5. Maintain discipline and recognize that school employees stand in the relationship of the parents/guardians to the students during the school day.

   a. Notify or attempt to notify the student's parent(s)/guardian(s) and document the time and manner in writing;
   b. Make reasonable efforts to ensure the student's parent/guardian is present during questioning or, if they are not present, ensure that school employees (including, but not limited to, a school social worker, psychologist, nurse, counselor, or any other mental health professional) are present during the questioning; and
   c. If practicable, make reasonable efforts to ensure a trained law enforcement officer[PRESSPlus6] to promote safe interactions and communications with the student is present during questioning.
7. Manage reviewing and authorizing requests from law enforcement agents attempting to enter a school or school facility, in accordance with the requirements of 105 ILCS 5/22-105(c)(4).[PRESSPlus7]

P.A. 104-288, eff. 1-1-26, requiring schools to establish a policy by 7-1-26 regarding agency and law enforcement requests at school, and for continuous improvement. 105 ILCS 5/22-105(b), added by P.A. 104-288, eff. 1-1-26,

PRESSPlus 4. With the exception of items #6 and #7, the listed standards for procedures are at the local school board's discretion and may be omitted. For procedures addressing #1-6, refer to the *Guidelines for Interviews of Students*, published by the Ill. Council of School Attorneys (*ICSA Guidelines*) at: www.iasb.com/policy-services-and-school-law/guidance-and-resources/guidelines-for-interviews-of-students/ in consultation with the board attorney. For procedures addressing the items listed in #7, refer to sample administrative procedure 7:150-AP, *Managing Agency and Law Enforcement Requests*, available at PRESS Online by logging in at www.iasb.com, in consultation with the board attorney. Procedures covering item #7 are required by 105 ILCS 5/22-105, added by P.A. 104-288, eff. 1-1-26, and must be implemented by 7-1-26. **Issue 120, October 2025**

PRESSPlus 5. 105 ILCS 5/22-88. The statute does not specifically assign these duties to a school official, but instead states that "a law enforcement officer, school resource officer, or other school security personnel" must ensure these conditions are met before detaining and questioning a student on school grounds. For ease of implementation, this policy assigns these duties to a school official as they routinely contact parents/guardians and can arrange for the presence of school personnel during an interview. See the *ICSA Guidelines* for further discussion of school officials' responsibilities when law enforcement authorities interview students at school. **Issue 120, October 2025**

PRESSPlus 6. A *trained lawenforcement officer* is someone who: (1) received training in youth investigations approved or certified by his/her law enforcement agency or under 50 ILCS 705/10.22, or (2) is a juvenile police officer per 705 ILCS 405/1-3(17). 105 ILCS 5/22-88(b)(4). **Issue 120, October 2025**

PRESSPlus 7. 105 ILCS 5/22-105(c)(4), added by P.A. 104-288, eff. 1-1-26, requires a school to develop procedures that: (1) designate authorized personnel at the school and the superintendent's office or school administrative office who may contact the board attorney, (2) require the designated authorized person and board attorney to work together to review requests from law enforcement agents to enter a school or school facility, including under judicial warrants, nonjudicial warrants, and subpoenas, (3) require the designated authorized personnel to monitor or accompany and to document all interactions with law enforcement agents while on the school's premises, and (4) require the designated authorized person to notify and seek consent from a student's parent/guardian, or from the student if the student is 18 years old or older or emancipated, if a law enforcement agent requests access to a student for immigration enforcement purposes, unless such access is in compliance with a judicial warrant or subpoena that restricts the disclosure of the information to the student's parent/guardian.

Regarding requirement #2 in the paragraph immediately above, ensure that the superintendent's authority to designate others to contact the board attorney aligns with policy 2:160, *Board Attorney*. The superintendent will need to work with the board attorney to create a list of administrators authorized to consult directly with the board attorney if any agency or law enforcement request is received. Factors to consider when drafting this list include: the type of request received, the type of agency or law enforcement unit making the request, whether or not a warrant is presented, and whether or not exigent circumstances are claimed. **Issue 120, October 2025**

7:70 Attendance and Truancy

Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades kindergarten through 12 in the public school regardless of age.

Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness (including mental or behavioral health of the student), attendance at a verified medical or therapeutic appointment (including a victim services provider), observance of a religious holiday, death in the immediate family, attendance at a civic event, family emergency, other situations beyond the control of the student as determined by the Board, voting pursuant to policy 7:90, *Release During School Hours* (10 ILCS 5/7-42 and 5/17-15), other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety, or other reason as approved by the Executive Director or designee. For students who are parents, expectant parents, or victims of domestic or sexual violence, valid cause for absence also includes the fulfillment of a parenting responsibility and addressing circumstances resulting from domestic or sexual violence. Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

Absenteeism and Truancy Program

The Executive Director or designee shall manage an absenteeism and truancy program in accordance with the School Code and Board policy. The program shall include but not be limited to:

1. A protocol for excusing a student from attendance who is necessarily and lawfully employed. The Executive Director or designee is authorized to determine when the student's absence is justified.
2. A protocol for excusing a student in grades 6 through 12 from attendance to sound *Taps* at a military honors funeral held in Illinois for a deceased veteran.
3. A protocol for excusing a student from attendance on a particular day(s) or at a particular time of day when his/her parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings.
4. A process to telephone, within two hours after the first class, the parents/guardians of students in

grade 8 or below who are absent without prior parent/guardian notification.

5. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in 105 ILCS 5/26-2a.
6. A description of diagnostic procedures for identifying the cause(s) of a student's unexcused absenteeism, including interviews with the student, his or her parent(s)/guardian(s), and staff members or other people who may have information about the reasons for the student's attendance problem.
7. The identification of supportive services that may be offered to truant, chronically truant, or chronically absent students, including parent-teacher conferences, student and/or family counseling, and information about available community services relevant to such students' needs. See Board policy 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program.*
8. A process for the collection and review of chronic absence data and to:

    a. Determine what systems of support and resources are needed to engage chronically absent students and their families, and
    b. Encourage the habit of daily attendance and promote success.

9. Reasonable efforts to provide ongoing professional development to all school personnel, Board members, and school resource officers on the appropriate and available supportive services for the promotion of student attendance and engagement.
10. A process to request the assistance and resources of outside agencies, such as, the juvenile officer of the local police department or the truant office of the appropriate Regional Office of Education, if truancy continues after supportive services have been offered.
11. A protocol for cooperating with non-SASED agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Board, and a comprehensive community based youth service agency. Any disclosure of school student records must be consistent with Board policy 7:340, Student Records, as well as State and federal law concerning school student records.
12. An acknowledgement that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a truant minor for his or her truancy unless available supportive services and other school resources have been provided to the student.
13. The criteria to determine whether a student's non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Executive Director believes qualifies.
14. An approval process for students to attend activities allowed under 105 ILCS 5/10-19.05(k), including provisions for making up missed coursework that do not penalize students. PRESSPlus1
15. A process for a 17-year-old resident to participate in SASED's various programs and resources for truants. The student must provide documentation of his/her dropout status for the previous six months. A request from an individual 19 years of age or older to re-enroll after having dropped out of school is handled according to provisions in 7:50, *School Admissions and Student Transfers To and From Non-SASED Schools.*
16. A process for the temporary exclusion of a student 17 years of age or older for failing to meet minimum attendance standards according to provisions in State law. A parent/guardian has the right to appeal a decision to exclude a student.

7:180 Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important SASED goals.

Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, physical appearance, socioeconomic status, academic status, pregnancy, parenting status, homelessness, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, order of protection status, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by SASED or the school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any non-school-related activity, function, or program.

Definitions from 105 ILCS 5/22-11027-23.7 PRESSPlus1

Artificial intelligence means a machine-based system that, for explicit or implicit objectives, infers, from the input it receives, how to generate outputs such as predictions, content, recommendations, or decisions that can influence physical or virtual environments. *Artificial intelligence* includes generative artificial intelligence.

Bullying includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, posting or distributing sexually explicit images, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the posting or distribution of an unauthorized digital replica by electronic means if the posting or distribution creates any of the effects enumerated in the definition of *bullying*.PRESSPlus2

Digital replica means a newly created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear and that is so realistic that a reasonable observer would believe it is a performance by the individual being portrayed and no other individual.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Unauthorized digital replica means the use of a digital replica of an individual without the consent of the depicted individual.

Bullying Prevention and Response Plan

The Executive Director or designee shall develop and maintain a bullying prevention and response plan that advances SASED's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below.

1. SASED uses the definition of *bullying* as provided in this policy.
2. Bullying is contrary to State law and the policy of SASED. However, nothing in SASED's bullying prevention and response plan is intended to infringe upon any right to exercise free expression

or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.

3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Title IX Coordinator, Program Administrator/Coordinator, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to SASED'S named officials or any staff member. SASED named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted; however, this shall not be construed to permit formal disciplinary action solely on the basis of an anonymous report.

4. Consistent with federal and State laws and rules governing student privacy rights, the parents/guardians of all students involved in an alleged incident of bullying will be notified of such, along with threats, suggestions, or instances of self-harm determined to be the result of bullying, within 24 hours after the school's administration is made aware of the student's involvement in the incident. As appropriate, the school's administration shall also discuss the availability of social work services, counseling, school psychological services, other interventions, and restorative measures. The school shall make diligent efforts to notify a parent or legal guardian, utilizing all contact information the school has available or that can be reasonably obtained within the 24-hour period.
5. The Executive Director or designee shall promptly investigate and address reports of bullying, by, among other things:

    a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of a bullying incident was received and taking into consideration additional relevant information received during the course of the investigation about the reported bullying incident.
    b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.

c. Notifying the Building Principal or school administrator or designee of the reported incident of bullying as soon as possible after the report is received.
d. Consistent with federal and State laws and rules governing student privacy rights, providing parents/guardians of the students who are parties to the investigation information about the investigation and an opportunity to meet with the Building Principal or school administrator or his or her designee to discuss the investigation, the findings of the investigation, and the actions taken to address the reported incident of bullying.

The Executive Director or designee shall investigate whether a reported incident of bullying is within the permissible scope of SASED's jurisdiction and shall require that SASED provide the victim with information regarding services that are available within SASED and community, such as counseling, support services, and other programs.

6. The Executive Director or designee shall use interventions to address bullying, that may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.
7. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. Any person's act of reprisal or retaliation will be subject to disciplinary action, up to and including discharge with regard to employees, or suspension and/or expulsion with regard to students.
8. A student will not be punished for reporting bullying or supplying information, even if SASED's investigation concludes that no bullying occurred. However, a person who is found to have falsely accused another of bullying, as a means of retaliation, as a means of bullying, or provided false information will be treated as either: (a) *bullying*, (b) student discipline up to and including suspension and/or expulsion, and/or (c) both (a) and (b) for purposes of determining any consequences or other appropriate remedial actions.
9. SASED's bullying prevention and response plan is based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Executive Director or designee shall post this policy on SASED's publicly accessible website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must be distributed annually to parents/guardians, students, and school personnel (including new employees when hired), and must also be provided periodically throughout the school year to students and faculty.
11. Pursuant to State law and policy 2:240, *Board Policy Development*, the Board monitors this policy every two years by conducting a review and re-evaluation of this policy to make any necessary and appropriate revisions. The Executive Director or designee shall assist the Board with its re-evaluation and assessment of this policy's outcomes and effectiveness. Updates to this policy will reflect any necessary and appropriate revisions. This process shall include, without limitation:

    a. The frequency of victimization;
    b. Student, staff, and family observations of safety at a school;
    c. Identification of areas of a school where bullying occurs;
    d. The types of bullying utilized; and
    e. Bystander intervention or participation.

    The evaluation process may use relevant data and information that SASED already collects for other purposes. Acceptable documentation to satisfy the re-evaluated policy submission include one of the following:

        1) An updated version of the policy with the amendment/modification date specifying the

date of adoption (indicated by month, date, and year) PRESSPlus3 included in the reference portion of the policy;

2) If no revisions are deemed necessary, a copy of Board minutes indicating that the policy was re-evaluated and no changes were deemed to be necessary; or

3) A signed statement from the Board Chairperson indicating that the Board re-evaluated the policy and no changes to it were necessary.

The Executive Director or designee must post the information developed as a result of the policy re-evaluation on SASED's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students. Reviews and re-evaluations in years they are due must be submitted to ISBE by September 30.

    g. 7:20, *Harassment of Students Prohibited.* This policy prohibits *any* person from harassing, intimidating, or bullying a student based on an identified actual or perceived characteristic (the list of characteristics in 7:20 is the same as the list in this policy).

7:190 Student Behavior

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and *Where* Conduct Rules Apply

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

    a. Any illegal drug, controlled substance, or cannabis (including marijuana, hashish and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under Ashley's Law).
    b. Any anabolic steroid unless being administered in accordance with a physician's or licensed practitioner's prescription.
    c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.
    d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing

physician's or licensed practitioner's instructions. The authorized medical use of cannabis is prohibited unless the student is authorized to be administered a medical cannabis infused product under Ashley's Law).

   (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.

5. Using or possessing an electronic paging device.
6. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Unless otherwise banned under this policy or by the Program Administrator, all electronic devices must be kept powered off or silenced and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's individualized education program (IEP) or Section 504 plan; (c) it is used during the student's lunch period, or (d) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
7. *Sexting*, which, for purposes of this policy, is the act of creating, sending, sharing, viewing, receiving, or possessing sexually explicit messages, images, or videos electronically, regardless of whether they are authentic or computer-generated, through the use of a computer, electronic communication device, or cellular phone. 8. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.

11. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student or urging other students to engage in such conduct. Prohibited conduct specifically includes without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or school computer network, or other comparable conduct.
12. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. 22. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Executive Director or designee.
23. Engaging in any activity, on or off campus, that violates the disciplinary rules or policies of a SASED member district, or interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; (b) endanger the health or safety of students, staff, or school property; or bears a nexus with school or school-related activities.

For purposes of this policy, the term "possession" includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored events.

Efforts, including the use of positive interventions and supports, and progressive discipline, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Executive Director, Program Administrator or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the authority of SASED or a member district to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

SASED administration shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. Administration shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parents/guardians.
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost or damaged property
6. In-school suspension for a period not to exceed 5 school days. Program Administrator or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study, provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Program Administrator or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. SASED/member district will not provide transportation. Administration shall use this option only as an alternative to another disciplinary measure giving the student and/or parent/guardian the choice.
9. Seizure of contraband: confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension from the bus, in accordance with Board policy 7:220, Bus Conduct and 7;230 Misconduct by Students with Disabilities.
11. Out of school suspension from school and all school activities in accordance with Board policy 7:200, Suspension Procedures. A student who has been suspended may also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed two

calendar years, provided that the appropriate procedures regarding the discipline of students with disabilities are followed. A student who has been expelled may also be restricted from being on school grounds and at school activities.

13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), "look-alikes," alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between SASED and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited in all circumstances. *Corporal punishment* is defined as a discipline method in which a person deliberately inflicts pain upon a student in response to the student's unacceptable behavior or inappropriate language, with an aim to halt an offense, prevent its recurrence, or set an example for others. It includes slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as permitted by 105 ILCS 5/10-20.33.

Isolated Time Out, Time Out, and Physical Restraint

Isolated time out, time out, and physical restraint may only be used when a student's behavior presents an imminent danger of serious physical harm to the student or others, less restrictive and intrusive measures have been tried and proven ineffective in stopping the imminent danger of serious physical harm, there I no known medical contraindication to its use on the student, and the school staff member or members applying the intervention have been trained in its safe application, in accordance with 105 ILCS 5/10-20.33, Ill. State Board of Education (ISBE) rules (23 Ill. Admin. Code Section 1.285), and SASED procedures.

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school may be expelled, subject to the *Individuals with Disabilities Education Act*, as amended, the *Illinois School Code*, and *Section 504 of the Rehabilitation Act of 1973*, and their respective rules and regulations, for a period of at least one calendar year but not more than two calendar years:

1. A *firearm*, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 2012 (720 ILCS 5/24-1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alikes" of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent of the student's district of residence, and the Superintendent's determination may be

modified by the Board of the student's district of residence on a case-by-case basis. The Superintendent of the student's district of residence or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the SASED Board of Directors or the Board of the district hosting a SASED program, permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Executive Director or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A SASED staff member shall immediately notify the office of the Program Administrator in the event that he or she: (1) observes any person in possession of a firearm on ~~or around~~ school grounds, becomes aware of any person in possession of a firearm on school grounds, or becomes aware of any threat of gun violence on school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member or is subject to a battery. *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Upon receiving a report of (1), above, the Building Principal or designee shall immediately notify local law enforcement. If the report of (1), above, pertains to a threat of firearm violence made by a student, the Building Principal or designee shall attempt to notify the student's parent/guardian as soon as possible and shall further attempt to contact the parent/guardian to ensure that the student does not have access to a firearm.[PRESSPlus1] In addition, upon receiving a report on any of the above (1)-(3), the Building Principal or designee shall notify the Executive Director or designee and any involved student's parent/guardian.

Upon receiving a report on any of the above (1)-(3), the Executive Director or designee shall immediately notify local law enforcement. The Executive Director or designee shall also report these incidents to ISBE through its web-based School Incident Reporting System as they occur during the year and no later than July 31 for the preceding school year.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline of SASED and the member district in which the student resides. All disciplinary actions so imposed shall be consistent with and subject to applicable federal and State laws and regulations related to the discipline of students with disabilities, and consistent with such students' IEPs. Teachers, other licensed educational employees, and any other persons (whether or not a licensed

employee) providing a related service for or with respect to a student, may only use reasonable force as permitted by 105 ILCS 5/10-20.33. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Executive Director or Program Administrator or the appropriate administrator from the student's district of residence are authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. SASED in collaboration with the district of residence may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Program Guides and Student Handbook

The Executive Director or designee, may request input from the Parent Advisory Council, shall prepare disciplinary rules implementing SASED's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A program guide and/or student handbook, including SASED's disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or upon a student's enrollment.

All school-sponsored communications shall comply with the ethics and rules of responsible journalism. Text that is libelous, obscene, vulgar, lewd, invades the privacy of others, conflicts with the basic educational mission of the school, is socially inappropriate, is inappropriate due to the maturity of the students, or is materially disruptive to the educational process will not be tolerated.

The author's name will accompany personal opinions and editorial statements. An opportunity for the expression of differing opinions from those published/produced will be provided within the same media.

Creating, distributing, and/or accessing non-school sponsored publications shall occur at a time and place and in a manner that will not cause disruption, be coercive, or result in the perception that the distribution or the publication is endorsed by SASED.

Students are prohibited from creating, distributing, and/or accessing at school any publication that:

1. Will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities;
2. Violates the rights of others, including but not limited to material that is libelous, invades the privacy of others, or infringes on a copyright;

4. Is reasonably viewed as promoting illegal drug use; or
5. Is distributed in kindergarten through eighth grade and is primarily prepared by non-students, unless it is being used for school purposes. Nothing herein shall be interpreted to prevent the inclusion of material from outside sources or the citation to such sources as long as the material to be distributed or accessed is primarily prepared by students.

Accessing or distributing *on-campus* includes accessing or distributing on school property or at school-related activities. A student engages in gross disobedience and misconduct and may be disciplined for: (1) accessing or distributing forbidden material, or (2) for writing, creating, or publishing such material intending for it to be accessed or distributed at school.

Non-School Sponsored Publications Accessed or Distributed Off-Campus

A student engages in gross disobedience and misconduct and may be disciplined for creating and/or distributing a publication that: (1) causes a substantial disruption or a foreseeable risk of a substantial disruption to school operations, or (2) interferes with the rights of other students or staff members.

Bullying and Cyberbullying

The Executive Director or designee shall treat behavior that is *bullying* and/or *cyberbullying* according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 18 years who has been arrested or taken into custody.

State and federal law grants students, parents/guardians, and when applicable, the Ill. Dept. of Children and Family Services' Office of Education and Transition Services, certain rights, including the right to inspect, copy, and/or challenge school student records. The information contained in school student records shall be kept current, accurate, clear, and relevant. SASED may release directory information as permitted by law, but a parent/guardian shall have the right to opt-out of the release of directory information regarding his or her child. Upon a student's 18th birthday, SASED shall obtain written permission from the student to collect student biometric information. Failure to provide written consent to collect biometric information shall not be the basis for refusal of any services otherwise available to a student.

All collected biometric information shall be stored and transmitted in a manner that protects it from disclosure. Sale, lease, or other disclosure of biometric information to another person or entity is strictly prohibited.

SASED will discontinue use of a student's biometric information and destroy all collected biometric information within 30 days after: (1) the student graduates or withdraws from SASED, or (2) SASED receives a written request to discontinue use of biometric information from the person having legal custody/parental responsibility of the student or the student (if over the age of 18). 8:30 Visitors to and Conduct on SASED Property

For purposes of this policy, "SASED property" is defined as all SASED buildings, grounds, and parking areas, whether or not such property is currently being used for SASED purposes, SASED vehicles, any location used for a Board meeting, an athletic event or other SASED sponsored event. "SASED property" includes real or personal property owned or leased by SASED, or otherwise used by SASED for SASED purposes.

For purposes of this policy "a visitor" is any person other than an enrolled student or employee. When leaving the building, visitors must return their badge. On those occasions when large groups of parents and friends are invited onto SASED property, visitors are not required to sign in but must follow the instructions of SASED and/or host district officials. Persons on SASED property without permission will be directed to leave and may be subject to criminal prosecution. The Board of Directors may designate one or more specific SASED playground areas as available for the use of residents of the surrounding community, outside of the SASED program school day, and as exceptions to the foregoing "visitor" procedures.

Any person wishing to confer with a staff member should contact that staff member by telephone or email to make an appointment. Conferences with teachers are held, to the extent possible, outside school hours or during the teachers' conference/preparation period.

Requests to access a school building, facility, and/or educational program, or to interview personnel or a student for purposes of assessing the student's special education needs, should be made at the appropriate building. Access shall be facilitated according to guidelines from the Executive Director or designee.

10. Enter upon any portion of SASED premises at any time for purposes other than those that are lawful and authorized by the Board;
11. Operate a motor vehicle: (a) in a risky manner, (b) in excess of 20 miles per hour, or (c) in violation of an authorized SASED employee's directive;

13. Violate other SASED policies or regulations, or a directive from an authorized security officer or SASED or host district employee; or
14. Engage in any conduct that interferes with, disrupts or adversely affects SASED or a SASED function.

Exclusive Bargaining Representative Agent

Authorized agents of an exclusive bargaining representative, upon notifying the appropriate SASED Administrator and Building Principal's office, may meet with a SASED school employee (or group of employees) in the school building during free times of such employees.

Convicted Child Sex Offender

State law prohibits a child sex offender from being present on school property or loitering within 500 feet of school property when persons under the age of 18 are present, unless the offender is or has:

1. A parent/guardian of a student attending the school and has notified SASED Administration and the Building Principal of his or her presence at the school for the purpose of: (i) attending a conference at the school with school personnel to discuss the progress of his or her child academically or socially, (ii) participating in child review conferences in which evaluation and placement decisions may be made with respect to his or her child regarding special education services, or (iii) attending conferences to discuss other student issues concerning his or her child such as retention and promotion or

In all cases, the Executive Director, or designee who is a licensed PRESSPlus1 employee, shall supervise a child sex offender whenever the offender is in a child's vicinity.

Enforcement

Any staff member may request identification from any person on school grounds or in any school building; refusal to provide such information is a criminal act. The Building Principal or designee shall seek the immediate removal of any person who refuses to provide requested identification.

Any person who engages in conduct prohibited by this policy may be ejected from or denied admission to SASED property in accordance with State law. Re: Global Compliance Network - GCN Annual Subscription

Purpose: SASED currently utilizes Infinitec as a platform for employees to complete annual mandated policy reviews and training. While Infinitec is free to Illinois public schools, the platform is difficult to utilize, manage, and customize in meeting SASED's needs in an efficient and effective manner. We transitioned to Infinitec from GCN in 2024 and are recommending that we return to GCN as our policy review/training platform for both direct hire and contractual employees.

Please see the attached Pricing/Invoice.

Financial Impact: $2000 annual subscription

Recommended Action: SASED Administration requests that the Board of Directors approve the annual subscription fee for use of GCN as our policy review/training platform.

This Agreement is made and entered into on the date set forth below, by and between the Board of Directors of The School Association for Special Education in DuPage County ("SASED") and the Board of Education of **CHSD 218** ("School District").

WHEREAS, pursuant to the Illinois Constitution (Article VII, Section 10) and the Illinois Intergovernmental Cooperation Act (5 ILCS 220/3), units of local government and school districts are authorized to contract among themselves to combine and transfer powers and functions by intergovernmental cooperation; and

WHEREAS, SASED and the School District have determined that it is in their best and mutual interests to contract with each other to provide for attendance by an identified School District student(s) in a SASED program ("Student" or Student(s)");

NOW THEREFORE, in consideration of the mutual promises contained in this Agreement, the parties agree as follows:

1. Term: This Agreement will remain in effect until either party provides at least thirty (30) days prior written notice to the other party of termination of this Agreement, which may be for any reason.

2. Program Services:

   a. Subject to the terms and provisions of this Agreement, SASED will provide services for the School District Student(s). The specific terms and conditions for each Student will be identified and signed by both parties, which is incorporated herein by reference.

   b. Each Student will be permitted to attend the Program on the terms and conditions set forth in this Agreement.

   c. SASED will provide special education and related services in accordance with the Student's individualized education program (IEP), except as otherwise stated herein.

   d. Assessments and reevaluations will be conducted by SASED, except that SASED will not be responsible for independent educational evaluations (IEEs) requested by a parent/guardian or other private evaluations approved by the School District or the IEP team.

   e. Assistive technology devices, equipment, and related training offered to students as part of the Program will be provided by SASED. The School District shall be solely responsible for funding, procurement, and maintenance of any other Assistive Technology devices, equipment or training identified in the Student's IEP.

   f. As warranted, SASED will convene IEP team meetings and issue required notices.

g. SASED may permanently dismiss the Student from the Program, terminating the applicable program page in Appendix A, under the following conditions:

ii. Upon fifteen (15) days' prior written notice to the School District, in the event that there is insufficient space in the Program for SASED member district students.

iii. Immediately if the Student commits gross disobedience or misconduct that warrants removal, as determined by SASED.

3. School District's Responsibilities:

a. The School District shall procure and directly fund all IEEs and any other School District-approved or IEP team-approved private evaluations at public expense.

b. The School District shall procure and directly fund related services not typically provided by SASED and any other related services that SASED is unable to provide due to circumstances beyond SASED's control.

d. A School District representative shall attend all IEP meetings for the Student(s) and shall serve as the local educational agency (LEA) representative.

e. The School District shall provide the Student(s) with transportation to and from the Program.

f. The terms of this Agreement notwithstanding, the School District remains the Student's resident school district for all purposes, remains ultimately responsible for the Student's educational services, and remains responsible for providing the Student with a free appropriate public education (FAPE) in the least restrictive environment.

This Agreement is made and entered into on the date set forth below, by and between the Board of Directors of The School Association for Special Education in DuPage County ("SASED") and the Board of Education of **CHSD 218** ("School District").

WHEREAS, pursuant to the Illinois Constitution (Article VII, Section 10) and the Illinois Intergovernmental Cooperation Act (5 ILCS 220/3), units of local government and school districts are authorized to contract among themselves to combine and transfer powers and functions by intergovernmental cooperation; and

WHEREAS, SASED and the School District have determined that it is in their best and mutual interests to contract with each other to provide for attendance by an identified School District student(s) in a SASED program ("Student" or Student(s)");

NOW THEREFORE, in consideration of the mutual promises contained in this Agreement, the parties agree as follows:

1. Term: This Agreement will remain in effect until either party provides at least thirty (30) days prior written notice to the other party of termination of this Agreement, which may be for any reason.

2. Program Services:

   a. Subject to the terms and provisions of this Agreement, SASED will provide services for the School District Student(s). The specific terms and conditions for each Student will be identified and signed by both parties, which is incorporated herein by reference.

   b. Each Student will be permitted to attend the Program on the terms and conditions set forth in this Agreement.

   c. SASED will provide special education and related services in accordance with the Student's individualized education program (IEP), except as otherwise stated herein.

   d. Assessments and reevaluations will be conducted by SASED, except that SASED will not be responsible for independent educational evaluations (IEEs) requested by a parent/guardian or other private evaluations approved by the School District or the IEP team.

   e. Assistive technology devices, equipment, and related training offered to students as part of the Program will be provided by SASED. The School District shall be solely responsible for funding, procurement, and maintenance of any other Assistive Technology devices, equipment or training identified in the Student's IEP.

   f. As warranted, SASED will convene IEP team meetings and issue required notices.

g. SASED may permanently dismiss the Student from the Program, terminating the applicable program page in Appendix A, under the following conditions:

i. Upon thirty (30) days' prior written notice to the School District, in the event that SASED determines, in SASED's sole discretion, that:

(a) The Program is no longer appropriate for the Student; or
(b) SASED will no longer be operating the Program.

ii. Upon fifteen (15) days' prior written notice to the School District, in the event that there is insufficient space in the Program for SASED member district students.

iii. Immediately if the Student commits gross disobedience or misconduct that warrants removal, as determined by SASED.

3. School District's Responsibilities:

a. The School District shall procure and directly fund all IEEs and any other School District-approved or IEP team-approved private evaluations at public expense.

b. The School District shall procure and directly fund related services not typically provided by SASED and any other related services that SASED is unable to provide due to circumstances beyond SASED's control.

c. The School District shall prepare and maintain a proper and adequate IEP for the Student(s).

d. A School District representative shall attend all IEP meetings for the Student(s) and shall serve as the local educational agency (LEA) representative.

e. The School District shall provide the Student(s) with transportation to and from the Program.

f. The terms of this Agreement notwithstanding, the School District remains the Student's resident school district for all purposes, remains ultimately responsible for the Student's educational services, and remains responsible for providing the Student with a free appropriate public education (FAPE) in the least restrictive environment.

g. In the event of a dispute or challenge by the Student's parent/guardian or Student (including but not limited to a due process request, State complaint, request for mediation, Office for Civil Rights complaint, or Illinois Department of Human Rights complaint), the School District shall be responsible for all costs associated with the defense thereof (including but not limited to attorney's fees).

h. The School District is responsible for paying the costs identified.

4. Tuition and Reimbursement: The School District will pay tuition and reimbursement, as set forth below, for the services identified herein. The actual costs of related services provided by SASED for the Student(s) (including but not limited to Social Work Services, and Speech and Language Services, as applicable) are included in the tuition costs. The costs of all assessments and reevaluations of the Student(s) conducted by SASED are also included in

the tuition costs. Vision and Orientation & Mobility Itinerant Services are included in the tuition costs for the Vision Program. Occupational Therapy and Physical Therapy Services are not included in tuition costs for all Programs.

a. The School District will pay a nonmember tuition rate equal to 110% of SASED's per pupil cost of the Program. The estimated annual tuition for each student is set forth in this agreement.

b. The School District will pay for the actual costs of Occupational Therapy, Physical Therapy, Vision Itinerant (with the exception of students enrolled in the Vision Program), O&M Itinerant (with the exception of the Vision Program), and Hearing Itinerant (with the exception of the Deaf & Hard of Hearing Program), services provided by SASED for the Student(s) based on direct and consult minutes listed on IEP.

c. In addition to paying the non-member district tuition, the School District will reimburse SASED for all the following:

   i. The actual costs (to include salary and benefits) for all SASED paraprofessionals, medical assistants/teacher assistants and interpreters providing one-to-one services to the Student(s).

   ii. The actual costs of all assistive technology devices and equipment, and any related training, provided by SASED for the Student's use.

d. For any Student that is enrolled for at least 10 days tuition will be calculated based on the amount of time the Student is in the Program.

e. Extended School Year: If a Student's IEP calls for extended school year services and the District chooses for the Student to attend ESY services in the Program, the School District will pay SASED's per pupil costs as calculated for Extended School Year Program.

5. National School Lunch/School Breakfast Programs: If SASED participates in the National School Lunch Program and/or School Breakfast Program and the Student(s) is eligible under free or reduced-priced breakfast or lunch under those programs, SASED is required to claim this Student(s).

6. Invoices and Payment:

   a. An invoice for 100% of the annual tuition amount will be issued by SASED within the month of July after this Agreement is fully signed. A prorated invoice will be sent based on actual days of enrollment. For Students who enroll after September 1 an invoice will be sent within ten (10) days after the Appendix A is fully signed for the tuition following the above schedule.

   b. In or around, July, SASED will calculate the final costs and issue a final invoice to the School District for any remaining balance to be paid.

   c. In the event that the School District's initial payments exceed the actual final costs (resulting in an overpayment by the School District), SASED will issue a refund to the School District by September 15.

Nothing in this Agreement is intended, either expressly or impliedly, to provide any right or benefit of any kind to any person or entity who is not a party to this Agreement, or to acknowledge, establish or impose any legal duty to any third party.

9.    Moreover, the School District waives any and all claims it may have against SASED (or SASED's Board members, employees, volunteers or agents) relating to the Program or the services provided to the Student by SASED.

Re: Approve Wight & Company as SASED's Architect on Record

Summary:

An RFQ for a new Architect Firm was submitted in August. As a result, ten bids were received. A small team of SASED administrators and an administrator from a partner school district reviewed the bids and selected 4 agencies to move forward with formal interviews. Interviews were conducted by a small team of SASED administrators and an administrator from a partner school district. As a result of this process, SASED selected Wight and Company to be the new Architects for SASED. Much negotiation ensued regarding the contractual language and cost. SASED is bringing forth the final negotiated contract for Board approval.

Financial Impact: Limited as costs are commensurate to those of previous architect firm.

Recommended Action: SASED Administration requests that the Board of Directors approve Wight & Company as SASED's Architect on Record as well approve the attached contract.

ADDITIONS AND DELETIONS: The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An *Additions and Deletions Report* that notes added information as well as revisions to the standard form text is available from the author and should be reviewed.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

affect the Architect's services under this Agreement unless the Owner and the Architect amend this Agreement in a writing signed by both parties.

§ 3.6.1.2 The Architect shall advise and consult with the Owner during the Construction Phase Services. The Architect shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Architect shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, nor shall the Architect be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect shall be responsible for the Architect's negligent acts or omissions, but shall not have control over or charge of, and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the Work. If the Construction Documents furnished by the Architect are found to contain any error or omission, such error or omission shall be promptly corrected by the Architect at no cost to the Owner. These provisions shall not limit the Owner's remedies under this Agreement.

§ 3.6.1.3 Subject to Section 4.2 and except as provided in Section 3.6.6.5, the Architect's responsibility to provide Construction Phase Services commences with the award of the Contract for Construction and terminates on the date the Architect issues the final Certificate for Payment.

§ 3.6.1.4 The Architect shall, as appropriate for the stage of construction, attend periodic progress meetings conducted by the Contractor with the Owner.

§ 3.6.2 Evaluations of the Work

However, the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Architect shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and promptly report to the Owner (1) known deviations from the Contract Documents, (2) known deviations from the most recent construction schedule submitted by the Contractor, and (3) defects and deficiencies observed in the Work.

§ 3.6.2.1.1 The Architect shall, at no additional cost to the Owner, provide Project representation beyond Basic Services when required due to the Architect's or its employees' or consultants' failure to exercise the standard of care applicable to Architect's services.

§ 3.6.2.2 The Architect has the authority to recommend to the Owner to reject Work that does not conform to the Contract Documents, and the Owner shall in its discretion have responsibility and authority to reject such Work. Whenever the Architect considers it necessary or advisable, the Architect shall have the authority to require inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not the Work is fabricated, installed or completed. If the Architect recommends testing or inspections of the Work beyond those required in the Contract Documents, the Architect shall promptly notify the Owner when it recommends such additional inspection or testing. However, neither this authority of the Architect nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Architect to the Contractor, Subcontractors, suppliers, their agents or employees, or other persons or entities performing portions of the Work.

§ 3.6.2.3 The Architect shall interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Architect's response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

§ 3.6.2.4 Interpretations and decisions of the Architect shall be consistent with the intent of, and reasonably inferable from, the Contract Documents and shall be in writing or in the form of drawings. § 3.6.2.5 Unless the Owner and Contractor designate another person to serve as an Initial Decision Maker, as that term is defined in AIA Document A201–2017, as amended by Owner, the Architect shall render initial decisions on Claims between the Owner and Contractor as provided in the Contract Documents. However, notwithstanding anything in the Contract Documents to the contrary, the Architect shall not serve as an Initial Decision Maker with respect to any disputes or claims between the Owner and the Architect or on claims where the Architect has a conflict of interest. In such instances, the Owner and the Architect shall mutually select a replacement Initial Decision Maker.

§ 3.6.3 Certificates for Payment to Contractor

§ 3.6.3.1 The Architect shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Architect's certification for payment shall constitute a representation to the Owner, based on the Architect's evaluation of the Work as provided in Section 3.6.2 and on the data comprising the Contractor's Application for Payment, that, to the best of the Architect's knowledge, information and belief, and based upon the Architect's reasonable exercise of care and skill, all required lien waivers have been submitted, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractor is entitled to payment in the amount certified. The foregoing representations are subject to (1) an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) results of subsequent tests and inspections, (3) correction of minor deviations from the Contract Documents prior to completion, and (4) specific qualifications expressed by the Architect.

§ 3.6.3.2 The issuance of a Certificate for Payment shall not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and suppliers and other data requested by the Owner to substantiate the Contractor's right to payment, or (4) ascertained how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 3.6.3.3 The Architect shall maintain a record of the Applications and Certificates for Payment.

§ 3.6.4 Submittals

§ 3.6.4.1 The Architect shall review and approve the Contractor's submittal schedule and shall not unreasonably delay or withhold approval of the schedule. The Architect's action in reviewing submittals shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time, in the Architect's professional judgment, to permit adequate review.

§ 3.6.4.2 The Architect shall review and approve, or take other appropriate action upon, the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Contractor's responsibility. The Architect's review shall not constitute approval of safety precautions or construction means, methods, techniques, sequences or procedures. The Architect's approval of a specific item shall not indicate approval of an assembly of which the item is a component. The Owner shall require its Contractor to submit all substitutions of materials for approval of the Architect. If the Architect approves a material substitution, the new material shall be considered the same as if specified in the original Construction Documents.

§ 3.6.4.3 If the Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials, or equipment, the Architect shall specify the appropriate performance and design criteria that such services must satisfy. The Architect shall review and take appropriate action on Shop Drawings and other submittals related to the Work designed or certified by the Contractor's design professional, provided the submittals bear such professional's seal and signature when submitted to the Architect. The Architect's review shall be for the limited purpose of checking for conformance with

information given and the design concept expressed in the Contract Documents. The Architect shall be entitled to rely upon, and shall not be responsible for, the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals, unless the Architect independently knows that the submittals are inaccurate or incomplete.

§ 3.6.4.4 Subject to Section 4.2, the Architect shall review and respond to requests for information about the Contract Documents. The Architect shall set forth, in the Contract Documents, the requirements for requests for information. Requests for information shall include, at a minimum, a detailed written statement that indicates the specific Drawings or Specifications in need of clarification and the nature of the clarification requested. The Architect's response to such requests shall be made in writing within any time limits agreed upon, or otherwise with reasonable promptness. If appropriate, the Architect shall prepare and issue supplemental Drawings and Specifications in response to the requests for information.

§ 3.6.5 Changes in the Work

§ 3.6.5.1 The Architect may order minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Subject to Section 4.2, the Architect shall prepare Change Orders and Construction Change Directives, with supporting drawings as required, for the Owner's approval and execution in accordance with the Contract Documents. Any change order or series of change orders resulting in an increase in the Contract Sum of Ten Thousand Dollars ($10,000) or more, or an increase in the Contract Time of 30 days or more, must be approved in writing by the Owner in order to be binding on the Owner, and then only if the Owner determines that the circumstances requiring the change a) was not reasonably foreseeable at the time the Agreement was signed; b) is germane to the original Agreement as signed; or c) is in the best interest of the Owner and is authorized by law.
§ 3.6.5.1.1 The Architect shall review requests by the Owner or Contractor for changes in the Work, including adjustments to the Contract Sum or Contract Time. A properly prepared request for a change in the Work shall be accompanied by sufficient supporting data and information to permit the Architect to make a reasonable determination without extensive investigation. If necessary, upon consultation with and approval by Owner, the Architect shall prepare additional Drawings and Specifications to accompany the changes in the Work as an Additional Service in accordance with this Agreement. If the Architect determines that requested changes in the Work are not materially different from the requirements of the Contract Documents, the Architect may, at the Owner's option, issue an order for a minor change in the Work or recommend to the Owner that the requested change be denied.
§ 3.6.5.2 The Architect shall maintain records relative to changes in the Work and shall regularly notify the Owner of same at the construction progress meetings.

§ 3.6.5.3 As agreed to in paragraph 2.2, the Architect shall perform its services consistent with the commonly accepted Standard of Care. The Owner recognizes that due to a variety of reasons, including the complexity of a multi-phase, multi-bid package project, the Project cannot be free of errors and omissions and that a reasonable allowance to accommodate changes has been provided for in the budget. The Owner acknowledges that omissions which result in betterment to the Project, effectively serve as the initial cost to the Project, whether they were provided at the time of bidding or during the construction phase and shall be included in the Cost of Work calculation in Section 6.1. The Owner acknowledges that the Architect should not be held responsible for payment of the initial cost for these items.

§ 3.6.6 Project Completion
§ 3.6.6.1 The Architect shall:

- **.1** conduct inspections to determine the date or dates of Substantial Completion and the date of final completion;

§ 3.6.6.2 The Architect's inspections shall be conducted with the Owner to check conformance of the Work with the requirements of the Contract Documents and to verify the accuracy and completeness of the list submitted by the Contractor of Work to be completed or corrected.

§ 3.6.6.3 When Substantial Completion has been achieved, the Architect shall inform the Owner about the balance of the Contract Sum remaining to be paid the Contractor, including the amount to be retained from the Contract Sum, if any, for final completion or correction of the Work. The Architect shall also prepare a list of items to be completed by the Contractor to achieve Substantial completion ("Punch List"). The Architect shall provide copies thereof to the Owner and Contractor and establish a date by which the items listed in the Punch List shall be completed. Once the Contractor has notified the Architect in writing that the Substantial Completion Punch List is complete, the Architect will review for final completion.

§ 3.6.6.4 The Architect shall forward to the Owner the following information received from the Contractor: (1) consent of surety or sureties, if any, to reduction in or partial release of retainage or the making of final payment; (2) affidavits, receipts, releases and waivers of liens, or bonds indemnifying the Owner against liens; and (3) any other documentation required of the Contractor under the Contract Documents.

The Owner shall update the Owner's budget for the Project as necessary throughout the duration of the Project until final completion. however, Architect acknowledges that the Owner, as a public body, may not delegate full authority to a representative for the Project and certain matters may need approval by the Owner's Governing Board. The Owner's representative shall advise the Architect when Board approval is needed for a particular action.

§ 5.4 The Owner shall furnish surveys to describe physical characteristics, legal limitations and utility locations for the site of the Project, and a written legal description of the site. The surveys and legal information shall include, as applicable, grades and lines of streets, alleys, pavements and adjoining property and structures; designated wetlands; adjacent drainage; rights-of-way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries and contours of the site; locations, dimensions, and other necessary data with respect to existing buildings, other improvements and trees; and information concerning available utility services and lines, both public and private, above and below grade, including inverts and depths. All the information on the survey shall be referenced to a Project benchmark.

§ 5.5 The Owner shall, upon reasonable advance written request of the Architect, directly contract for geotechnical, surveying, construction material testing and fixture, furnishing and equipment design services when such services are reasonably required by the scope of the Project. The Architect shall assist with soliciting proposals and provide recommendations for the terms of such agreements as requested by the Owner. The Owner, in consultation with its geotechnical consultants, shall furnish services of geotechnical engineers, which may include test borings, test pits, determinations of soil bearing values, percolation tests, evaluations of hazardous materials, seismic evaluation, ground corrosion tests and resistivity tests, including necessary operations for anticipating subsoil conditions, with written reports and appropriate recommendations.

§ 5.6 The Owner shall provide the Supplemental Services designated as the Owner's responsibility in Section 4.1.1.

§ 5.8 The Owner shall coordinate the services of its own consultants with those services provided by the Architect. Upon the Architect's request, the Owner shall furnish copies of the scope of services in the contracts between the Owner and the Owner's consultants. The Owner shall furnish the services of consultants other than those designated as the responsibility of the Architect in this Agreement, or authorize the Architect to furnish them as an Additional Service, when the Architect requests such services and demonstrates that they are reasonably required by the scope of the Project. The Owner shall require that its consultants and contractors maintain insurance, including professional liability insurance, as appropriate to the services or work provided.

§ 5.9 The Owner or its designated contractor or material testing agency retained by the Owner shall furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests, tests for air and water pollution, and tests for hazardous materials.

§ 5.10 The Owner shall furnish its own legal, insurance, and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner's needs and interests.

§ 5.11 Although the Owner has no duty or obligation to inspect the Project, the Owner shall provide prompt written notice to the Architect if the Owner becomes aware of any fault or defect in the Project, including errors, omissions or inconsistencies in the Architect's Instruments of Service.

§ 5.12 The Owner shall include the Architect in all communications with the Contractor that relate to or affect the Architect's services or professional responsibilities. The Owner shall promptly notify the Architect of the substance of any direct communications between the Owner and the Contractor otherwise relating to the Project. Communications by and with the Architect's consultants shall be through the Architect.

§ 5.13 Before executing the Contract for Construction, the Owner shall coordinate the Architect's duties and responsibilities set forth in the Contract for Construction with the Architect's services set forth in this Agreement. The Owner shall provide the Architect a copy of the executed agreement between the Owner and Contractor, including the General Conditions of the Contract for Construction, as amended if applicable.

§ 5.14 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Contractor to provide the Architect access to the Work wherever it is in preparation or progress.

§ 5.15 Upon reasonable advance written request from the Architect, the Owner shall furnish in a timely manner information as necessary and relevant for the Architect to evaluate, give notice of, or enforce lien rights.

ARTICLE 6 COST OF THE WORK

§ 6.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include contractors' or construction managers' general conditions costs, fee, overhead and profit. To the extent the Project is not completed, the Cost of the Work shall be the Contractor's bid price, as modified by any Change Orders then executed. The Cost of the Work does not include the compensation of the Architect; the costs of the land, rights-of-way, financing, or unused contingencies for changes in the Work; or other costs that are the responsibility of the Owner. The Cost of the Work also does not include Work which the Architect has performed as a Supplemental or Additional Service. The Architect's sole compensation for Supplemental or Additional Services shall be the hourly rates or agreed-upon fixed fees agreed in writing by the parties. In addition, for purposes of calculating the Architect's fee and compensation, the Cost of the Work shall not include additions by Change Order as a result of errors by the Architect or its consultants.

§ 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and shall be adjusted throughout the Project as required under Sections 5.2, 6.4 and 6.5, subject to all necessary approvals by the Owner. Evaluations of the Owner's budget for the Cost of the Work, and the preliminary estimate of the Cost of the Work and updated estimates of the Cost of the Work, prepared by the Architect, represent the Architect's judgment as a design professional. It is recognized, however, that neither the Architect nor the Owner has control over the cost of labor, materials, or equipment; the Contractor's methods of determining bid prices; or competitive bidding, market, or negotiating conditions. Accordingly, the Architect cannot and does not warrant or represent that bids or negotiated prices will not vary from the Owner's budget for the Cost of the Work, or from any estimate of the Cost of the Work, or evaluation, prepared or agreed to by the Architect.

§ 6.3 In preparing estimates of the Cost of Work, the Architect shall be permitted to include reasonable contingencies for design, bidding, and price escalation; to determine what materials, equipment, component systems, and types of construction are to be included in the Contract Documents, with the consent of the Owner; to recommend reasonable adjustments in the program and scope of the Project; and to include design alternates as may be necessary to adjust the estimated Cost of the Work to meet the Owner's budget. The Architect's estimate of the Cost of the Work shall be based on current area, volume or similar conceptual estimating techniques. If the Owner requires a detailed estimate of the Cost of the Work, the Architect shall provide such an estimate, if identified as the Architect's responsibility in Section 4.1.1, as a Supplemental Service.

§ 6.4 If, through no fault of the Architect, the Procurement Phase has not commenced within 90 days after the Architect submits the Construction Documents to the Owner, the Owner's budget for the Cost of the Work shall be adjusted to reflect changes in the general level of prices in the applicable construction market.

§ 6.5 If at any time the Architect's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect shall notify the Owner in writing and shall make appropriate recommendations to the Owner to reduce the estimated Cost of the Work, including but not limited to adjusting the Project's size, quality, or budget for the Cost of the Work, and the Owner shall cooperate with the Architect in making such adjustments.

§ 6.6 If the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services is exceeded by the lowest bona fide bid or negotiated bid, the Owner shall

- **.1** give written approval of an increase in the budget for the Cost of the Work;
- **.2** authorize rebidding or renegotiating of the Project within a reasonable time;
- **.3** terminate in accordance with Section 9.5;
- **.4** in consultation with the Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work and/or rebid the Project; or,
- **.5** implement any other mutually acceptable alternative.

§ 6.7 If the Owner chooses to proceed under Section 6.6.4, the Architect shall modify the Construction Documents as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services, or the budget as adjusted under Section 6.6.1. . In any event, the Architect's modification of the Construction Documents and/or rebidding the Project shall be the limit of the Architect's responsibility under this Article 6.

ARTICLE 7 COPYRIGHTS AND LICENSES

§ 7.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project.

§ 7.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.

§ 7.3 The Architect grants to the Owner a nonexclusive license to use the Architect's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations under this Agreement, including prompt payment of all sums due pursuant to Article 9 and Article 11. The Architect shall obtain similar nonexclusive licenses from the Architect's consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service, subject to any protocols established pursuant to Section 1.3, solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 9.4, the license granted in this Section 7.3 shall terminate.

§ 7.3.1 In the event the Owner uses the Instruments of Service without retaining the authors of the Instruments of Service, the Owner releases the Architect and Architect's consultant(s) from all claims and causes of action arising from such uses. The Owner, to the extent permitted by law, further agrees to indemnify and hold harmless the Architect and its consultants from all costs and expenses, including the cost of defense, related to claims and causes of action asserted by any third person or entity to the extent such costs and expenses arise from the Owner's use of the Instruments of Service under this Section 7.3.1. The terms of this Section 7.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 9.4.

§ 7.4 Except for the licenses granted in this Article 7, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Architect and the Architect's consultants.

§ 7.5 Except as otherwise stated in Section 7.3, the provisions of this Article 7 shall survive the termination of this Agreement.

ARTICLE 8 CLAIMS AND DISPUTES

§ 8.1 General

§ 8.1.1 The Owner and Architect shall commence all claims and causes of action against the other and arising out of or related to this Agreement, whether in contract, tort, or otherwise, within the period specified by applicable law.

§ 8.1.2 To the extent damages are covered by property or builder's risk insurance, the Owner and Architect waive all rights against each other and against the contractors, consultants, agents, and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A201–2017, General Conditions of the Contract for Construction, as amended by Owner. The Owner or the Architect, as appropriate, shall require of the contractors, consultants, agents, and employees of any of them, similar waivers in favor of the other parties enumerated herein.

If the Architect elects to suspend services, the Architect shall give thirty (30) days' written notice to the Owner before suspending services. In the event of a suspension of services due to the Owner's failure to make payment in accordance with this Agreement, the Architect shall have no liability to the Owner for delay or damage caused to the Owner because of such suspension of services. access to the completed Project to make such representations. However, the Architect's materials shall not include the Owner's confidential or proprietary information if the Owner has previously advised the Architect in writing of the specific information considered by the Owner to be confidential or proprietary. The materials also shall not contain photographs of Owner's students from which individual students may be identified. The Owner shall provide professional credit for the Architect in the Owner's promotional materials for the Project. This Section 10.7 shall survive the termination of this Agreement unless the Owner terminates this Agreement for cause pursuant to Section 9.4.

§ 10.8 If the Architect or Owner receives information specifically designated on its face as "confidential" or "business proprietary," the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except as set forth in Section 10.8.1. This Section 10.8 shall survive the termination of this Agreement.

§ 10.8.1 The receiving party may disclose "confidential" or "business proprietary" information after 7 days' notice to the other party, when required by law, arbitrator's order, or court order, including a subpoena or other form of compulsory legal process issued by a court or governmental entity, or to the extent such information is reasonably necessary for the receiving party to defend itself in any dispute. The receiving party may also disclose such information to its employees, consultants, or contractors in order to perform services or work solely and exclusively for the Project, provided those employees, consultants and contractors are subject to the restrictions on the disclosure and use of such information as set forth in this Section 10.8.

§ 10.9 The invalidity of any provision of the Agreement shall not invalidate the Agreement or its remaining provisions. If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Agreement.

§ 10.10 To the fullest extent permitted by applicable law, the Architect shall indemnify and hold the Owner, its Board of Education, individual board members, officers, directors, and employees (collectively, "Indemnitees") harmless from and against all losses, liabilities, damages and expenses, including reasonable attorney's fees and court costs, for which an Indemnitee is found to be owing to a third party claimant under applicable law, to the attributable to bodily injury, sickness, disease or death or the injury to or destruction of property and caused by or resulting from the Architect's or its employees' or consultants' negligence or willful misconduct in the performance of services under this Agreement. However, nothing herein shall require the Architect to indemnify and hold harmless any Indemnitee for its own negligence or willful misconduct.

§ 10.11 The Architect shall notify the Owner in writing of any actual or probable claim for personal injury or property damage relating to the Work or of any occurrence which might give rise to such a claim of which it becomes aware.

§ 11.1 For the Architect's Basic Services described under Article 3, the Owner shall compensate the Architect as set forth on the applicable Project Authorization Exhibit, which shall be determined in accordance with the fee structure set forth in this Article 11 and Exhibit A – Fee Structure, unless superseded or otherwise modified by the applicable Project Authorization for the Project. When compensation is on a percentage basis, if it is in the best interest of both parties, the Parties may mutually decide, in writing, to convert the percentage fee into a fixed fee at an agreed upon milestone.

§ 11.2 For the Architect's Supplemental Services designated in Section 4.1.1 and for any Sustainability Services required pursuant to Section 4.1.3, the Owner shall compensate the Architect as follows:
(Insert amount of, or basis for, compensation. If necessary, list specific services to which particular methods of compensation apply.)

§ 11.6 When compensation identified in Section 11.1 is on a percentage basis, progress payments for each phase of Basic Services shall be calculated by multiplying the percentages identified in this Article by the Owner's most recent budget for the Cost of the Work. Compensation paid in previous progress payments shall not be adjusted based on subsequent updates to the Owner's budget for the Cost of the Work.

§ 11.6.1 When compensation is on a percentage basis and any portions of the Project are deleted or otherwise not constructed, compensation for those portions of the Project shall be payable to the extent services are performed on those portions in accordance with Section 11.5 herein based on the lowest bona fide bid or negotiated proposal, or if none is received, then the Owner's most recent budget for the Cost of the Work for such portions of the Project. The Architect shall be entitled to compensation in accordance with this Agreement for all services performed whether or not the Construction Phase is commenced. Specifically regarding bid alternates prepared by the Architect, compensation for alternate bids that require the Architect to perform architectural services and are not awarded shall be invoiced to the Owner at the rate of 80% of the applicable percentage fee multiplied by the lowest bona fide bid or negotiated proposal. If a bid alternate does not require architectural services (e.g. preparing specifications with different flooring materials), the Architect shall not be entitled to fees on such bid alternate.

§ 11.7 The hourly billing rates for services of the Architect and the Architect's consultants are set forth below. The rates shall be adjusted in accordance with the Architect's and Architect's consultants' normal review practices.

Exhibit A to AIA Document B101-2017 between
SASED and Wight & Company
This information is proprietary to Wight & Company and must remain confidential to the extent permitted under the law.

SCOPE OF SERVICES

Under either a Master District Architect Agreement or a project-specific arrangement, Wight proposes to perform the required professional services using the fee structure outlined within this document. Based on a preliminary project program and budget, Wight will provide the full scope of professional services necessary to fulfill the project requirements, either through in-house resources or through partnering with outside consultants, exclusive of existing consulting relationships the District may wish to contract for directly. For projects developed under a Master District Architect Agreement, a Project Authorization Letter will be developed that describes the project understanding, required scope of services, anticipated schedule, compensation, and other requirements unique to the project.

The fee structure described below is for Basic Services as defined in a typical American Institute of Architects (A.I.A.) Agreement. Basic Services generally include architectural, structural, mechanical, electrical, plumbing and fire protection engineering services. Civil engineering services may be required on certain projects. Inclusion of civil engineering services within the Basic Services Fee Structure will be evaluated on a project-by-project basis depending on the scope of work. Any required Additional Services or Specialty Consultants would be identified within a Project Authorization Letter and be outside of the fee structure percentages.

If desired by the District for a project, registration, and submittal documentation (for design credits only) to achieve LEED Certification will also be included in these percentages. Documentation of construction credits would be the responsibility of the selected contractor/construction manager. Applicable registration fees will be the responsibility of the District and will be invoiced as a reimbursable expense.

FEE STRUCTURE

The following fee structure will serve as the basis for professional fees on an individual project basis. As pre-planning, timelines and the scope of work is developed, adjustments can be made to reflect project or building program specific criteria. This fee structure applies to each individual school site/building when part of a larger capital improvement program with improvements at multiple locations. The Project Authorization Letter will provide either a fixed fee or percentage fee based on the Cost of the Work as defined in section 6.1 of the AIA B101-2017 Agreement. After a three-year period from the contract date, these fee ranges may be revised as agreed upon by both parties. If due to circumstances beyond the Architect's control, the Architect wishes to adjust these percentage fees prior to the completion of the three-year period, the Architect shall notify the Owner and the parties shall mutually agree upon any adjustments, if any.

A - Fee Schedule for Addition, Renovation, and/or Remodeling Projects

For Remodeling/Renovation Projects below a $4M Cost of Work and with limited scope, limited trades, and limited complexity, including projects with in-kind replacement scope, appropriate fees will be negotiated on a fixed fee or percentage arrangement for projects.

Potential Fee Modifier for Accelerated, Phased or Fast-Track Projects
If complex phasing, or early bid packaging is required to accommodate fast-track/multiple-bid package construction, the fee percentages below may be adjusted on a per project basis to reflect the complexity and additional coordination required for out-of-sequence design work to accommodate the bidding and construction plan. This modifier could range from 0.2% – 0.4%.

The Owner acknowledges that accelerated, phased, or fast-track scheduling provides a benefit, but also carries with it associated risks. Such risks include the Owner incurring costs for 1) the Architect to coordinate design elements out of sequence, 2) the Architect to redesign portions of the Project affected by procuring or installing elements of the Project prior to the completion of all relevant Construction Documents, and 3) costs for the Contractor to remove and replace previously installed Work. If the Owner selects accelerated, phased, or fast-track scheduling, the Owner agrees to include in the budget for the Project sufficient contingencies to cover such costs.

Planning, Special Studies, Surveys and Various Consulting Services
Appropriate fees will be negotiated on a fixed fee arrangement based on understood goals, level of involvement and durations of effort. If subsequent projects result from these services, the fees may be wholly or partially credited towards the Basic Services design fee. For smaller or additional service efforts in which the Owner prefers an hourly rate structure, Exhibit B or Wight's current year standard hourly rate schedule will be used.

Reimbursable Direct Expenses
The above fees are exclusive of reimbursable direct expenses described in the AIA B101-2017 Agreement Reimbursable direct expenses are unique to each project and the Project Authorization Letter will provide an estimate of Reimbursable Direct Expenses.

Exhibit A to AIA Document B101-2017 between
SASED and Wight & Company
This information is proprietary to Wight & Company and must remain confidential to the extent permitted under the law.

Construction Management Services
The Owner may elect to engage Wight's in-house construction management capabilities as an optional Extended or Supplementary Service. All professional services, bidding, procurement, contract award, and project accounting fully comply with the Illinois School Code and State public procurement requirements. Depending on the project requirements and/or Owner preferences, the AIA Document B101-2017 Standard Form of Agreement between Owner and Architect referenced herein may be modified or amended to include these services, or a separate agreement for Construction Management Services can be executed between the Owner and Wight.

The cost of Construction Management Services is typically broken down into three categories: 1) Pre-Construction Phase CM Fee; 2) Construction Management Fee; and 3) General Conditions, General Requirements, and Insurance. An estimate of all three categories and an actual fee proposal will be reviewed/approved before Construction Management services commence.

Potential Design Fee Reduction
Due to the inherent coordination efficiencies, enhanced teamwork, and value-focused approach of integrating design services and construction management services under Wight we can offer corresponding design fee reductions ranging from 0.2% – 0.5%.

1. Pre-Construction Phase CM Fee
During the design phase and leading up to and including bidding the project, our preconstruction is integrated with the design team and the Owner in planning the project leading up to the start of construction. The Pre-Construction Fees could be based on percentage of the estimated cost of construction (typically 0.5%-1.0%), a flat rate based on estimated effort for services, or on an hourly basis arrangement. The following services are typically included in the Preconstruction Fee:

- Prepare initial project construction schedule to incorporate the completion of the design, procurement, permitting, construction, commissioning, and closeout
- Collaborate with design team to identify long-lead items that are critical path to achieve schedule
- Perform constructability reviews, providing input to the design details and product selections that could impact the construction schedule, sequencing, and budget
- Work with the Owner and design team to prepare a site logistics and construction phasing plan that meets the Owner's needs for operations during construction
- Provide cost estimates at each of the milestones throughout the project.
- Develop bidding schedule and strategy to maximize bidder participation and facilitate the construction schedule
- Develop and distribute scope documents to prospective bidders
- Conduct pre-bid meetings/job walkthroughs as necessary to allow bidders to review the site conditions and plan for their work
- Respond to Requests for Information (RFI's) and issue addenda to clarify the bid documents and scope requirements
- Review, tabulate, and analyze bids
- Conduct scope reviews with the low bidder(s) to ensure the intended scope of work is fully covered
- Prepare recommendations for awarding trade contracts for Owner review and approval
- Work with the trade contractors to ensure submittals are submitted timely in support of the required schedule
- Finalize project construction schedule and logistical plans based on delivery schedules and coordination input from the selected subcontractors

2. Construction Management Fee

After award of construction contracts (following award by the Board of Education) the construction and closeout phases of a project commence. Construction Management Fee covers profit and overhead including home office accounting, administrative and project management. The pricing of Construction Management Fee is normally based on a percentage of construction (typically 2.5%-5%). The variance is based on size, complexity, and duration of the project as well as the potential risk on the assignment. The following services are typically included in the Construction Management Fee:

- Pre-Construction meetings
- Issuance of schedules, drawings, and instructions to subcontractors
- Assistance in obtaining permits
- Collection and review of all insurances and bonds
- Subcontractor coordination and meetings
- Management of schedules and review of expediting reports
- Coordination of supplies and deliveries
- Safety compliance procedures
- Review of progress and quality of work
- Project accounting. Financial reporting and review of requests for change orders
- Review and distribution of construction phase paperwork (meeting minutes, transmittals, inspection reports, pay requests, etc.)
- Punch list compilation, coordination of inspections and certificates of occupancy
- Assembly of as-built drawings and warranties
- Review of final pay requests

3. Construction Management General Conditions, General Requirements, and Insurance:

General Conditions (GC) cover our on-site project supervision and necessary expenditures to professionally manage the project. Examples of these costs include field office trailer rental, field office supplies, field office telephone and power, mailing and copying costs, personnel such as construction project manager, project field superintendent and project engineers, project insurances, project payment and performance bonds (if required to be provided by Wight). General Requirements (GR) include costs of executing the project. Examples of these costs include surveying, testing, temporary lighting and power on the site, portable toilets, fencing and barricades, safety equipment and signs, site cleaning, site security and material hoisting.

These costs typically range between 6%-12% of the project construction costs. The variance depends on size, schedule, and complexity of the project and also the project management effort necessary for success. A GC/GR breakdown of these costs will be provided upon final scope and schedule verification prior to construction. These costs are billed monthly during construction in conjunction with the progress of the project. Additionally, we will provide General Liability Insurance for the project for a cost equal to 1.20% of our contract value.

2:80 E2 SASED Board of Directors Agreements and Protocols

The following Board of Directors Agreements and Protocols were developed by the Board of Directors and SASED's Executive Director as a means to memorialize successful practices and to strengthen a culture of effective Board governance in SASED.

1. Roles and Responsibilities (Board Policy 2:10, 2:20, 2:80, 2:130, 3:40)
   A. Board members will respect and follow the Code of Conduct for Members of School Boards by the Illinois Association of Schools Boards and Conduct per Board Policy.
   B. Board members understand the importance of maintaining a positive Board culture and serve on the Board in support of public education and for the students in SASED Programs.
   C. Board members understand the importance of effective school governance, recognize that their collective authority is only present at a legally called meeting of the Board, and that the role of day-to-day management of SASED is the responsibility of the Executive Director and not of the Board.
   D. Board members will review all information communicated by the Executive Director and shared with the Board prior to its meetings.
   E. Board members recognize that each member has a right to speak and be heard at a legally called meeting, as well as a right to vote his or her individual conscience.
   F. Board members recognize that each member has a right to disagree with the decision of the Board but will support the Board and the Executive Director by abiding by the will of the majority.
   G. Board members will take no private action that might compromise the Board or administration.

2. Respect for Confidentiality
   A. Board members understand that they will have access to information which requires the strictest standards of confidentiality and will respect the confidentiality of this privileged information.

3. Board Meetings- Agenda Development and Questions about the Agenda (2:220)
   A. Board agendas are developed by the Executive Director.
      1. As needed prior to the Board meeting, the Board Chairperson and Executive Director will confer regarding the development of the agenda.
   B. Prior to 5 calendar days of a scheduled Board Meeting or Board Committee Meeting, Board members who wish to have an item placed on the agenda will contact both the Board Chairperson and the Executive Director (and the Committee Chair for committee agenda requests).
      1. The Board Chairperson and Executive Director, and/or committee chair as needed, will consider the request and determine whether or not to place the requested item on the agenda.

2900 Ogden Ave. Lisle, IL 60532
Telephone: (630) 778-4500 Fax: (630) 778-0196

a. Either the Board Chairperson or Executive Director will contact the requestor to inform him/her of the decision. If the decision is to include the item on an agenda, the requester will be informed when it will be placed on the agenda. If the decision is not to include the item on the agenda, the requestor will be provided an explanation. The Board will be notified of any decision not to include an agenda item.

C. In most cases, Board Agendas will be sent to the Board of Directors the Friday before all scheduled Board Meetings.

D. If a Board Member has a question about the agenda, he/she should email the Executive Director.

1. The Executive Director will collect and consider questions related to the agenda. Using discretion, the Executive Director will attempt to answer all questions related to the Board agenda prior to the scheduled Board Meeting. Responses will be shared with the whole Board as appropriate.

4. Communication with the Executive Director, including requests for information

A. The Executive Director will provide updates to the entire Board regarding the operations of SASED at least two times a month via email.

1. Updates will be brief, preferably bullet points, with links embedded with additional/supporting documents. The Executive Director will provide a summary of any follow up needed by the Board at the end of each update.

B. The Executive Director will additionally email SASED's monthly newsletter to the Board on the Friday following Board Meetings.

C. Individual contacts will be made between the Executive Director and Board Members regarding individual district business, unrelated to Board business.

1. Depending on the nature of the business, the Executive Director will use his/her discretion to determine the best method of communication, including, but not limited to text messaging, phone calls, and/or emails will be utilized.

D. Board Members requesting information from the Executive Director will share their request via email to the Executive Director and the Board Chairperson, if Board related.

1. Using discretion, the Executive Director will comply with requests in a reasonable time frame. If the requested information is Board relevant, the Executive Director will share the requested information with the whole Board. If the information being requested is not reasonable or accessible, the Executive Director will contact the requestor to problem solve. As appropriate, the Executive Director will share the exchange with the Board Chairperson or the whole Board.

Re: Buildings and Grounds Update

Administration will like to provide an update on several Buildings and Grounds matters and the steps being taken to address them.

Southeast Alternative School
Mechanical Work Completed:

- Air Handler Test & Balance completed on Nov 4, 2025
- Service Tech from FE Moran repaired thermostat in room 38
- Condensate drain pipes were repaired

Dampers Change Order Request (COR)

Regarding the broken dampers, it has been determined that this expense is the financial responsibility of SASED. The test and balance identified up to eight potentially broken dampers. The attached change order request reflects that repairs will not exceed $18,204. If fewer than eight dampers require replacement, we will only be invoiced for the actual quantity and work performed. In all cases, the total cost is capped at $18,204.

There is $62,500 remaining in contingency funds; therefore, the mechanical project remains under budget.

The work is tentatively scheduled for Saturday, November 14. The contractor has confirmed that this work will not impact or shut down any heating components during school hours.

The annual ROE inspection was conducted on November 12, 2025, at the Administration Center and Southeast School. No violations of the Health Life/Safety Code for Public Schools (23 Illinois Administrative Code Part 180) were identified.

Re: Executive Director Report

SASED Strategic Plan

High Quality Staffing:

Staffing continues to be an area in which much focus is placed, including recruitment and retention. SASED currently uses contractual staff to fill 25% of their positions. Meetings are occurring with several contractual agencies to assist with onboarding, offboarding, retention, substitutes, timesheets, and overall contractual staff management. Staff management systems have been deeper analyzed and problems have been identified and solutions are being implemented. Surveys have been shared with staff seeking input for pipeline options as more university and college partnerships have been established. More than 50% of the staff responding to the survey noted no interest in pursuing pipeline advancements. Between 8-12 certified staff members noted interest in pursuing an administrative degree only if there was some reimbursement. One classroom assistant noted interest in pursuing advanced degrees.

Exemplary Programs:

Dr VanderWoude and her team have developed a formal observation/walk through data gathering sheet. They conducted several walk throughs together to strengthen interrater reliability. They will be using the data collected to identify needed professional development and instructional priorities.

ESY

SASED is reorganizing ESY for the summer of 2026. ESY will run full day instead of 3.5 hours, and run for three weeks, instead of six, in June 2026. This new plan and schedule will be shared with the district directors in November. Additionally, SASED will not be able to host non SASED students for ESY 2026. This information will be shared with the partner directors as well.

Communication:

A staff survey was administered last month to gauge communication efforts. Seventy six staff members completed the survey. This is approximately 19% of the entire SASED Staff. PLT's. GLT's and PLC's have been scheduled for most certified staff at this time. Less than 2 percent of staff found the meetings not helpful. Programs are now sending weekly updates to all staff regarding programs. The newsletter continues to go out monthly. Staff survey

results indicate about 85% of staff are reading their weekly program updates. Of these 85% of staff reading the newsletter 10% did not find the information useful or relevant. In regard to the newsletter, the most useful information identified was the board briefs, strategic plan updates, executive director's message and "who you gonna call" information. Eighty eight percent of the staff reading the newsletter noted the information was helpful. It remains problematic that only 18% of staff responded to the survey. It is difficult to make informed decisions regarding staff and communication when only 18% of staff respond. That said, the Administration reviews the results and considers the responses.

The SASED Steering Committee had their second meeting this year. It was a positive and very solution focused meeting. The team was wonderful in not only identifying concerns, but were more focused on improving our organization. Some of the team's key walkaways were:

- The Steering Committee identified tangible evidence that progress is being made in each program and in the organization
- The Steering Committee is very solution focused
    - Encourages programs to be solution focused and share ideas
- Overall recognition and awareness that folks in SASED are tired and fatigued
- We need to focus on what we can control and identify ways for different innovations
- We all need to create and treat our classrooms like sanctuaries
- Recognition that fatigue may impair professional judgement-need to encourage positivity-flip the script
- SASED is entrusted to work with the most exceptional students in DuPage County, approach our work with curiosity rather than anger or negativity

Operations:

We have completed the review of the service menu and tuition billing model. Mr. Wisniewski and Dr. VanderWoude met with the partner CSBO's and Special Education Directors. Their input was critical in completing this review and in finalizing our process and documents. You can find the updated Billing Schedule here. Additionally, in regard to tuition, shifts were made determining our tuition rates annually. SASED's Finance Department will use the current budget to estimate project cost increases for the following year (~4%). Any significant program changes will also be taken into account. SASED will use a proposed mid level enrollment to determine tuition for the following year. True up will occur in February and potentially earlier if needed due to significant changes in projections or programming. The menu of service will also include a worksheet for the districts to use the projected tuition costs to project their budget for the following year. The goals of these changes is to provide districts with tuition costs earlier than in the past so that district budgets can be accurately developed.

Dr. Dryier, Dr. Filipiak, Dr. VanderWoude, Mr. Langton, Mrs. Schmallo (PMA), and Mrs. Wisniewski met on Friday, November 14 to further discuss funding options, including offset costs, for facility projects. More information will be shared at the November 19 Board Meeting.

Dr. Kim Dryier
Executive Director

Dr. Wheaton, Dr. VanderWoude and Mrs. Wisniewski are beginning talks with SASED OT/PT to review their agreement. SASED's two contractual agreements with both certified and non certified staff will be negotiated this year. Dr. Filipiak, Dr. Castillo, Dr. Zaher, Dr. Wheaton, Dr. VanderWoude, and Mrs. Wisniewski will serve as SASED's Administrative Negotiators.

Program Leases

SASED will like to finalize all classroom assignments for the 2026/2027 school year by January 2026. As such, districts have been requested to share room availability with Dr. Dryier by the end of December, 2026. So far, three districts have responded.

Storage Space

SASED is in need of storage space for the summer of 2026. If any partners have unused space, SASED would be interested in leasing. Otherwise, SASED will find other storage spaces for the summer. Similar to classroom leases, SASED needs to have this information by the end of December.
