

BUDGET COMMITTEE MEETING OF THE BOARD OF DIRECTORS

Thursday, May 14, 2026 - 6:00 PM
Oakdale Middle School Room 230
815 S. Oakdale Ave.
Medford, OR 97501

AGENDA

- 1. **Call to Order / Pledge of Allegiance / Roll Call**
- 2. **Agenda Adjustments and Approval**
- 3. **Approval of Minutes for April 30, 2026** **2**
- 4. **Citizen Comments**
 - a. *The Budget Committee will only hear citizen comments regarding the Proposed FY2026-27 Budget during this part of the meeting. All comments or concerns regarding other district business should be directed to the next School Board meeting scheduled for May 21.*
- 5. **Answers to Questions of the Budget Committee** **6**
- 6. **Action of the Budget Committee** (if desired for this meeting) **169**
- 7. **Announcements**
 - a. June 4 - Budget Committee Meeting (if needed) - Oakdale Middle School
 - b. June 11 - Public Hearing for the FY2026-27 Budget at the Board Work Session - Oakdale Middle School
 - c. June 25 - Budget Adoption at the Board Meeting - Oakdale Middle School
- 8. **Adjournment**

We welcome all attendees and are here to help accommodate requests for participation. Requests for interpretation, translation services, an interpreter for the hearing impaired, or other accommodations can be made in advance (48 hours) by emailing the [Superintendent's office](#) or by phone at 541-842-3621.

EXECUTIVE SUMMARY

Meeting Date:	May 14, 2026
Agenda Item:	Consideration for approval of minutes from previous meeting
Item Type:	Minutes
Administrator:	Jeanne Grazioli, Jodi Fahy
Objective:	Approve meeting minutes

Background: School Board policies BDDG and BDDC indicate the Board shall provide for the taking of written minutes of all its meetings, and that the minutes shall be available to the public after approval by the Board.

Additional Materials: Draft minutes for the April 30 Budget Committee Meeting.

Recommendation: Review and approve the minutes.

Suggested Motion: *“I move to approve the April 30th Budget Committee minutes as presented.”*

BUDGET COMMITTEE MEETING of the Board of Education

Thursday, April 30, 2026 6:30 PM

Oakdale Middle School Room 230
815 S. Oakdale Ave.
Medford, OR 97501

Budget Committee members present: Ilex Brandenberger, Lilia Caballero, Christy Clark, Kendell Ferguson, Erik Johnsen, Brooke Lazzari, Lupe Murillo, Amanda Olson, Sunny Spicer, Casey Stine, Michael Williams, and Angela Zbikowski
Member absent: Sandra LaNier McHenry

A video recording of the Board meeting can be found on the district website at [this link](#). The slide presentation can be viewed by clicking on Extras listed next to the meeting at [this link](#).

1. Call to Order / Pledge of Allegiance / Roll Call

Budget Committee Chair for the 2025-26 Budget Lupe Murillo called the meeting to order at 6:40 PM, led the pledge of allegiance, and confirmed a quorum through roll call.

2. Welcome and Introductions

Murillo led a round of introductions.

3. Election of Budget Committee Chair

Murillo opened the floor for nomination of Budget Committee Chair for the 2026-27 Budget.

**Kendell Ferguson nominated Amanda Olson for Budget Committee Chair.
Voice Vote: ALL AYES**

Amanda Olson was elected as Budget Committee Chair unanimously.

4. Election of Budget Committee Vice Chair

Newly elected Budget Committee Chair Olson opened the floor for nomination of Budget Committee Vice Chair for the 2026-27 Budget.

**Erik Johnsen nominated Ilex Brandenberger for Budget Committee Vice Chair.
Voice Vote: ALL AYES**

Ilex Brandenberger was elected as Budget Committee Vice Chair unanimously.

5. Superintendent's Budget Message

Superintendent Jeanne Grazioli welcomed and thanked committee members for their service, and recognized the business services team for preparing the proposed budget. She outlined district priorities—strengthening relationships, optimizing curriculum and instruction, expanding student opportunities, supporting safe and inclusive schools, and maintaining financial stability—along with key initiatives supporting those goals. She also shared strategic planning outcomes, including a new district vision and identified three main areas of focus; building trust and relationships, closing achievement gaps, and ensuring long-term financial sustainability. She concluded by directing the committee to her message in the proposed budget for an overview of the financial outlook, challenges, and the growing needs of students with disabilities.

6. FY2026-2027 Proposed Budget & Presentation

Assistant Superintendent of Operations Brad Earl opened the proposed budget presentation by outlining the challenging financial landscape at the local, state, and national levels. He reflected on past funding downturns following the 2008 financial crisis, subsequent investments such as Measure 98, and more recent shifts driven by the pandemic and declining birth rates. He noted that the district is entering another period of constrained resources requiring difficult decisions, and expressed appreciation for the finance team and principals for their collaborative work beginning in November.

Finance Controller John Petach presented an overview of the proposed budget, beginning with key themes of declining enrollment, increasing financial pressures, and the need to plan for a smaller, more sustainable district. He provided background on Oregon's public school funding model, including the State School Fund, current service level, and broader state and federal budget pressures.

The presentation outlined statewide and national trends impacting K–12 education, including demographic shifts, declining birth rates, rising pension and healthcare costs, and examples of budget reductions and school closures in other districts. Additional context was shared regarding Oregon-specific challenges such as funding limitations, special education cost pressures, and legislative and policy considerations.

The meeting was recessed for 10 minutes.

District-specific information included enrollment trends and long-term projections, shifts in student demographics, and the financial and operational impact of declining enrollment. Key cost drivers were reviewed, including special education growth, staffing, and PERS obligations.

The presentation concluded with an overview of the district’s budget assumptions, staffing adjustments, and a summary of revenues, expenditures, and projected deficit spending for the 2026–27 budget.

Budget Committee members asked questions regarding staffing reductions and grant funding. Clarification was provided that staff reductions are primarily achieved through attrition, retirements, and vacant positions, and that the district has been successful in securing seismic upgrade grants due to its proactive application efforts.

7. Budget Committee Next Steps

Earl reviewed the layout of the budget book, noting that sections are color-coded by fund, include narratives on each page, and are supported by a glossary of terms in the appendix.

Budget Committee members asked about the availability of the one-page ED-1 synthesis form and requested additional information on the transfer of the Jackson Detention Education Program to Southern Oregon ESD. Staff indicated the draft ED-1 form would be shared and explained that the program transfer, including associated grants and staffing, is expected to be cost-neutral and better aligned as a regional service.

Earl outlined the next steps, emphasizing the importance of gathering community input. He noted that an opportunity for citizen comment will be provided at the next meeting. Budget committee members were encouraged to contact staff directly with any questions and to submit questions via email by May 8; responses will be compiled and shared with the full committee.

Earl also reiterated that, while financial conditions remain challenging, he is encouraged by the district’s relative stability when compared to the local university and other districts across the state.

8. Announcements

Chair Olson announced the next Budget Committee meeting on May 14 at 6:00 PM.

9. Adjournment

With no further business before the Budget Committee, the meeting was adjourned at 8:17 PM.

EXECUTIVE SUMMARY

Meeting Date:	May 14, 2026
Agenda Item:	Answers to Questions of the Budget Committee
Item Type:	Presentation/Discussion
Administrator:	Brad Earl
Objective:	Take public input, receive answers to questions asked by the Budget Committee

Background: At this meeting, the Budget Committee will take citizen comment about the FY2026-27 Proposed Budget. The District’s Finance team will distribute the answers to questions posed by Budget Committee members and will answer follow-up questions about the responses. The deadline to submit questions is noon on Friday, May 8.

After public input, the Committee may approve the budget.

As a reminder, there will be a Public Hearing on the Approved Budget at the Board meeting on Thursday, June 11, and the School Board will take a vote to adopt the budget at the Board meeting on June 25.

Additional Materials: [FY26-27 Proposed Budget](#); Committee Questions and Answers (provided prior to the meeting)

Recommendation: Take public input and review answers to questions posed by Budget Committee members.

Suggested Motion: N/A

Question Number	Question	Asked By	Answer
1	I would like to see a draft of the Approved Budget ED-1 form.	Amanda Olson	2026-27 ED-1 Form Draft
2	Do you happen to have a digital file of the budget proposal?	Christy Clark	2026/27 Proposed Budget
3	Interest on investments seems to be trending down. Why? Is this LGIP? (<i>General Fund Sources, P.10</i>)	Erik Johnsen	This is a primarily estimate of interest earned from the Local Government Investment Pool (LGIP) at this time. We also have a few million dollars in a savings account at People's Bank that pays the same interest rate as LGIP. Open market rates are below LGIP interest rates right now, but open market treasury investments were used in prior years when the return on them was higher than LGIP. Interest income has been trending down and is projected lower due to lower interest rates and lower cash balance due to lower fund balance from deficit spending. See budget presentation page 60.
4	Why are rentals (revenue) budgeted so high? (<i>General Fund Sources, P.10</i>)	Erik Johnsen	This revenue in question is for facility rental income. Facility rental income fell off during and after COVID but has been rebounding since. In 2020, pre-COVID rental income was \$131k, the budget for next year is \$100K and this year 2025-26 actual is trending toward \$75K. Staff believes our estimate for 2026-27 is reasonable.
5	What was the Additional Salary all about? (<i>Salary & Wages Summary, P.16</i>)	Erik Johnsen	We paid a \$1500 stipend to the remaining hourly employees who were paid monthly on a prorated basis to move to bi-weekly payroll in 2024-25 and 2025-26. This conversion to bi-weekly payroll for hourly employees was completed in 2025-26.
6	I like this layout. Based on Jeanne's description of the restructuring of Administration, I don't really see how that is impacting this table. Would be helpful for me to understand this, so I can articulate to others. (<i>Staffing Summary Fold-Out Page 18</i>)	Erik Johnsen	In addition to page 18, the FTE changes are discussed in the budget presentation on pages 58 and 66 in detail by position type . Most of the District Admin reductions (Coordinators) were offset with licensed (TOSA) additions or Assistant Director positions in the same functional area.
7	These general observations across all Functions... 1. Unemployment budget is increasing 2x - 3x compared to last year, and up 900% compared to 2-3 years ago. Why? What is the cumulative increase across all Functions? 2. Life insurance costs seem to be pretty volatile. Why? (<i>Function Detail-various pages</i>)	Erik Johnsen	Great question! Unemployment is a flat percentage of gross payroll spread across all functions. The cumulative increase (see page 22) is a 988% or \$0.82 million since 2023-24. The amount has increased steadily over the last couple years due to a partial offset that was available from a reserve account the District had at the Unemployment trust. The reserve is now completely used up. The rate has increased substantially due primarily to the passage of 2024 SB 849 which allows classified employees who work less than 12 months to apply for unemployment benefits. So school classified employees who work during the school year but not over the summer or breaks are allowed to file for unemployment benefits for those times school is not in session after a two week waiting period each year. There was no additional funding to pay these increased unemployment cost/mandate after it was adopted by the legislature. For life insurance , in 2023-24 and 2024-25 there was some coding issues between line item object codes for life insurance and long term disability, for 2025-26 and the 2026-27 budget it is consistent. In addition, you may note that we are spending \$0.3 million for Oregon Paid Leave which is another unfunded mandate which started in 2022-23.
8	Pupil transportation is up 28% in 4 years. Anything we can do to curtail this? Are we just hostage to First Student? (<i>Purchased Services, P.24</i>) 2. There's another line for Student Transportation. Numbers are similar but different to page 24. Up 30% in 4 years. What is this? (<i>General Support, P.76</i>)	Erik Johnsen	Transportation costs cratered after COVID, first due to remote school and then due to a 50% driver staffing shortage after COVID when our driver count dropped in half to 49 from 98. Over the last four years we have been able to work with First Student to help them add back drivers and routes. Page 76 of the Proposed Budget Book is for the function student transportation, the numbers differ from page 24 because page 24 it is the summary across all departments and some student transportation is charged to individual departments. Individual department charges are often the 30% match on curriculum related field trips. Also it is important to remember Home to School (HTS) transportation and curriculum related field trips are reimbursed at 70% by the State of Oregon.
9	Tuition jumped almost 100% compared to 2024-25. What is this? (<i>Purchased Service, P.24</i>)	Erik Johnsen	Tuition expense across all funds including High School Success has increased from \$85K in 2023-24 to \$233K in 2024-25 to \$363K in 2026-27. These are funds paying for college tuition for high school students getting college credits primarily from SOU and RCC.

Question Number	Question	Asked By	Answer
10	Anything we can do to control Cyber security costs? Up 500% from 2 years ago (<i>Software, P.25</i>)	Erik Johnsen	While Cyber security software costs (firewall etc.) have increased, they are not up 500% from two years ago. This is the software budget object across all functions on page 25, including IT 2661 and 2669, of \$1.95 million. Curriculum in 1111, 1121, 1131 totaling \$0.59 million and smaller amounts in 25 other functional areas. Software costs in general have been rising 12-13% per year for several years. For the completed years 2023-24 and 2024-25 they include GASB 96 Subscription Based Information Technology Arrangement (SBITA) entries which reclass a portion of the cost out of software to Principal and Interest as reflected page 26. When you combine the two the totals from pages 25 and 26 the totals are 2023-24 actual cost of \$3.29 million, 2024-25 \$2.09 million, 2025-26B \$2.64 million and 2026-27 \$3.00 million. GASB 96 also requires multiple year software agreements to be fully expensed in the first year so software purchasing/SBITA costs will not be reflected in a linear pattern. Prior to the implementation of GASB 96 a 3 year software purchase would have been spread equally over three years in a linear pattern.
11	Up 50% from 2 years ago. Is this due to the gym collapse? Can we shop insurance, or is this from PACE? (Property Insurance, P.26) Another Property Insurance line, which has increased 62% in 4 years. How does this differ from pg 26? Can this be controlled? (Maintenance Services, Function 2544, P.89)	Erik Johnsen	One general comment , the budget book summarized by expense object across all functions in total for the General Fund on pages 16-26 and then by object within individual function on pages 27-101. Property insurance costs started rising nationwide prior to the gym collapse at NMHS due to inflation and increased claims, but as verbally noted in the budget presentation large claims by Bend SD and Medford SD due to facility collapses have added to those increases. A large water damage claim in Portland and fire claims from 2020, including the SOESD, have also driven up K12 property insurance costs.
12	Special Programs are up 70% in 3 years. Why? (<i>Student Instruction, P.28</i>)	Erik Johnsen	Yes it is. Special Education for MAPS and FOCUS enrollment (and the severity of the conditions of the kids enrolled) and costs have increased quite a bit over the last decade and are projected to increase at a faster rate the next five years as discussed in the budget presentation on pages 44-45 . It should be noted that filling SpEd staffing positions has been challenging for decades across Oregon and the entire US , and all prior years include some savings for positions that were vacant for partial or full year.

Question Number	Question	Asked By	Answer
13	1. Ell Payroll has increased 40% over 4 years. Is this commensurate with the students we're serving? 2. Large increase in software due to Duolingo use. Is this worth it? A good value, for a free program? (ELL, Function 1291, P.51)	Erik Johnsen	<p>It is important to note that school District in Oregon get a 0.50 extra funding weighting that is uncapped for ELL students. As we discussed in the budget presentation page 49 there are 1,177 ELL students at December 2025 with a 24.8% increase over the last five years. Payroll costs are up 40% over 4 years but are lower 24% over three years. Part of the reason the 4 year increase looks so big is due to some vacant positions back in 2023-24.</p> <p>ELL Software purchases for this year are primarily Flashlight 360 and Imagine Learning not Duolingo, there was an error in the narrative. Flashlight 360 is a platform that mimics the Speaking and Writing tasks that students are asked to complete on ELPA. We use it for two things: -- Fall/Winter/Spring Benchmarks that align with the English Proficiency Standards -- We are required to have assessment tools as part of the EL Outcomes Cohort. So this supports that work. -- Ongoing assessment and instructional tool. -- Secondary has Common Summative Assessments aligned to the Planned Course Statements using Flashlight 360. -- There is also a bank of lessons that are based on specific areas of student need. So teachers can pull canned lessons to support areas they see are needed based on the assessments or classwork.</p> <p>Other points of interest: Research indicates usage is linked to ELPA scores improving. ESSA Tier 2 certification. (This is part of why we prioritized this product over Imagine Learning.) https://www.evidenceforessa.org/program/flashlight360/</p> <p>ELL spending function 1291 is heavily monitored by ODE to assure the District is spending our full weightings. For 2025-26 our weightings multiplied times funding \$/ADMw is approximately \$5.7 million.</p>
14	Pretty big jump a couple years ago. Just wondering how many students we're serving each year with this program. (Homebound Instruction, Function 1295, P.54)	Erik Johnsen	This varies from year to year based on student needs. This year 2025-26 we have had between 12 and 20 students receiving homebound instruction throughout the year.
15	Same question: How many students are being served each year? (Homeschool, Function 1296, P.55)	Erik Johnsen	The student information system (Synergy) shows 54 students as of 05/08/2026, though it was about half that at the start of the year.
16	SRO costs are up 70% over 4 years. Why? (Student & Staff Support Services, P.58)	Erik Johnsen	School Resource Officers (SRO) function 2115 has increased \$416K over the last four years. The \$416K increase can be split between the following: a \$250K increase due to charging the Director of Security to this function (Previously the Executive Director was charged to Maintenance Function 2544), a \$166K increase for the rollout of the Marshal program at Elementary Schools and no change to SRO contract flat at \$434K.
17	1. Board of Education costs are up 69% over 4 years. Is that us? Why?? 2. 70% increase in Liability insurance in 4 years. Why so much? Can we shop this? (Board of Education Services, Function 2310, P. 77)	Erik Johnsen	BOD function 2310 cost increase is primarily due to liability insurance cost increases in the insurance pool due to the increased number and amounts of liability claim settlements across the state. Also, Oregon has eliminated the statute of limitations for civil sexual abuse claims (both child and adult) arising on or after June 26, 2025, allowing lawsuits at any time. The pool has also reduced coverage levels for liability insurance which require insurees to buy up to retain previous levels of coverage.
18	1. \$30,000 for Elections is probably the right budget, but should this be an every-other-year budget? Didn't need to be in 2025-26, but should be in 2026-27	Erik Johnsen	You are correct, there should not have been a budget of \$20K this year (2025-26) year for Elections . Unless there is a special election, elections are held every other year for the Board of Directors.

Question Number	Question	Asked By	Answer
19	Another software line item. Almost doubled since last year. This all due to Cyber security contract? (IT, Function 2669, P.98)	Erik Johnsen	For the completed years 2023-24 and 2024-25 they include GASB 96 Subscription Based Information Technology Arrangement (SBITA) entries which reclass a portion of the cost out of software to Principal and Interest as reflected lower on the page. When you combine the two totals the grand totals are 2023-24 actual \$1.14 million, 2024-25 \$0.74 million, 2025-26B \$0.53 million and 2026-27 \$1.10 million. GASB 96 also requires multiple year (usually 3 years) software agreements to be fully expensed in the first year so software purchasing/SBITA costs will not be reflected in a linear pattern. Prior to the implementation of GASB 96 a 3 year software purchase would have been spread over three years in a linear pattern.
20	1. Rental Expense seems to be on the rise. What is this? 2. Non-Consumables have doubled over 4 years. Why? (IT, Function 2669, P.99)	Erik Johnsen	Page 99 is a subtotal page for IT related functions 2661 and 2669 and the subtotal rollup page had some linking errors in it. The corrected rollup page for IT 2661 and 2669 can be found here and will be included in the Approved and Adopted budget books. Rental should be titled Lease & Rental. GASB 87 for lease accounting requires a portion of the charges to be reallocated as Principal and Interest so the best way to get the full picture is to look at pages 24 and 26. When you combine the lease & rental costs on pages 24 and 26 you get the following 2023-24 \$1.254 million, 2024-25 \$0.834 million 2025-26 \$0.88 million and 2026-27 \$0.667 million. Also, because of GASB 87, some multiple year lease agreements will be fully expensed in the first year so costs will no longer be linear. The largest leased items are copiers that often are also used as printers for computers because their cost per page for printing is usually lower than conventional computer printers. When we look at non-consumables across all functions on page 25 , we see the following trend 2023-24 actual \$0.82 million, 2024-25 actual \$0.54 million, 2025-26 budget \$0.71 million and 2026-27 budget \$0.78 million. So the 2026-27 budget is less than 2023-24 but higher than 2025-26 due primarily to higher spending in maintenance and IT as this account funds pieces and parts for various facility and technology/security related repairs over 1.95 million square feet of facility space, 279 acres of grounds, 14,000 chromebooks, thousands of security cameras and thousands of other computers/computer peripherals.
21	We are deficit spending by ~\$2M. What additional cuts would need to be made to bring that to \$0? If we aren't bringing that to \$0 this year, then what is the plan going forward to bring it back into the black? (P. 7)	Ilex Brandenberger	While the District General Fund is projected to deficit spend \$2.05 million for the 2026-27 fiscal year, it is important to note the deficit spending is being driven by what we ideally believe to be one-time capital projects for wood truss inspections and repairs and SpEd facility upgrades. The wood truss inspections are not yet complete and we have as of yet to complete any repairs so repair estimates are just that, estimates. At this point with the 2026-27 funds of \$1.8M plus the \$1.2M in the current year we have a total of \$3.0 million set aside for the wood truss inspections and repairs. If final estimates are higher, the District may need to spend additional funds in 2027-28 on wood truss inspection and repairs. If we don't have to spend more than the \$3.0 million then these project costs will go away in 2027-28 and effectively balancing the budget.
22	Page 20 shows that there are no staffing funds for TAG. However, page 42 shows that we are planning to spend \$52,824 on TAG. If there is no staffing, what does that money go to?	Ilex Brandenberger	There is a Teacher On Special Assignment (TOSA) in the Special Revenue Student Investment Act (SIA) grant that shows up in 1111 Elementary that is also the TAG coordinator. The budget for TAG function 1210 on page 42 also shows about \$10K for additional Licensed Temp help.
23	Special Ed is increasing by 23.1%. What is the percentage increase in enrollment in Special Ed (I doubt it is 23%)? Are we making up for understaffing in this area? Since we don't get extra funding from the state past a certain percentage of students in the district, are we getting to point of diminishing returns? (P.44)	Ilex Brandenberger	As noted on the 2026-27 Proposed budget presentation pages 44 and 45 SpED enrollment has increased 11.4% over the last five years and the number of high needs SpEd students is also increasing particularly at the youngest grades. As noted in the presentation, SpEd staffing has increased 103 FTE or 77% over the last decade and is expected to increase at twice that rate over the next five years with the addition of 100 FTE over the next five years. Given the increase in the percentage of SpEd students over the last 35 years with no increase in the capped funding limitation (11% of ADMr) from the State of Oregon over that time, this is a large unfunded mandate. It should be noted that filling SpEd staffing positions has been challenging for decades across Oregon and the entire US , and all prior years include some savings for positions that were vacant for partial or full year.

Question Number	Question	Asked By	Answer
24	Does the district get funding from any source for helping homeschooling? (P.55)	Ilex Brandenberger	The homeschooling function is funded by the State School Fund, there is no separate funding for homeschooling.
25	I don't see the Reading and Math test pass rates in the budget this year? Are the Math pass rates finally going up?	Ilex Brandenberger	<p>Students in grades 3–8 and 11 are currently participating in state assessments. When comparing Spring 2024 to Spring 2025 results, we saw gains in both reading and math in several grade levels, including 4th and 6th grade ELA, as well as 3rd, 4th, 6th, and 8th grade math. There were also some grade levels that experienced declines.</p> <p>Overall, achievement in reading and math remained relatively flat year over year. We will have a more complete picture this fall once the assessment data has been fully validated and analyzed.</p> <p>It is also important to note that this was the first year of implementing a new math curriculum. In our early learner data, we saw encouraging gains, particularly in 1st grade reading and math.</p>
26	Page 17 - Can you please provide the breakdown by school where the FTE reductions/additions are occurring? Page 34 - Are the FTE cuts occurring at the schools with low enrollment?	Brooke Lazzari	<p>The FTE changes are discussed in the budget presentation on pages 58 and 66 in detail by position type. The district staffs to ratios of Students to Staff. As an example, the ratios for Students to Teachers by grade as is follows: Kindergarten 18-22, 1st Grade 20-22, 2nd Grade 22-26, 3rd Grade 24-26, 4th Grade 26-28, 5th Grade 26-29, Middle School 23 on average, High School 27 on average. With declining enrollment there are also some blended grade classes at some Elementary locations. In the end, the by location changes come from the District balancing to these ratios in the fall of the new school year when we see how many kids in each grade show up at various locations. Then there is a balancing exercise that happens between locations particularly in Elementary Schools. So, for instance, the plan for -21.5 FTE non-spced licensed reduction by location includes -13.0 FTE Elementary Licensed reductions planned by location are Oak Grove -2.0 FTE, Griffin Creek -2.0 FTE, Hoover -2.0 FTE, Jackson -2.0 FTE, Kennedy -1.0 FTE, Washington -1.0 FTE, Howard -1.0 FTE, Jefferson -1.0 FTE, Wilson -1.0 FTE, and the plan for the -4.0 FTE Middle school is -2.0 FTE at Oakdale, -1.0 FTE Hedrick and -1.0 FTE McLoughlin and the plan for -3.0 FTE at High school is -1.0 FTE Innovation Academy, -1.0 FTE South Medford and -1.0 FTE North Medford, and -2.5 FTE are reduced with the transfer of regional Juvenile Detention and Barriers to Bridges programs to SOESD, and there is an addition of +1.0 TOSA for ELL that will work in a district wide capacity, but the actual reductions by location could and likely will change a little based on where students do or don't show up in the fall for the new school year.</p>
27	<p>Page 30: Are there any theories or studies explaining why the Special Education Child Count has increased so much and continues to rise? Was there a change in the evaluation process that results in more children being identified today than in the past?</p> <p>I understand that providing these services requires significant additional staff, classroom support, and facilities. However, at least in terms of funding in this budget, it is to the detriment of general education students. The State isn't providing the necessary funding so what is the "breaking point" to still be able to fund the other students?</p>	Brooke Lazzari	<p>Special education enrollment keeps growing. These 3 graphics show how. - Improved diagnosis and screening, rising autism and behavioral needs, reduced stigma and increased awareness and broader definitions and legal mandates. While we have not verified it, we have been told by a local representative that many smaller districts remain at or near the 11% level, which would suggest parents are moving to larger districts where broader services are available. When is the breaking point? Based on the action being taken by the 10 largest Oregon K-12 school districts next year, more than 1,000 FTE reductions, it seems Oregon K-12 is reaching or has already reached the breaking point.</p>

Question Number	Question	Asked By	Answer
28	Page 31: Is the elementary school minimum of 40 minutes of music instruction a District policy? If so, what is the rationale for prioritizing music instructional time over other programs such as STEAM?	Brooke Lazzari	No, it is not a policy. 40 minutes for "specials/electives" has been the norm for a long time. These specials allow for teacher prep time, which is outlined in the teacher's contract. All electives (Music, STEAM and PE) are all 40 minute blocks of time. PE is a priority (2x per week) due to the state's PE requirements for minutes. We try to balance offerings between STEAM and music at elementary schools but it is challenging with small schools and sharing across sites. We have recently tried a quarterly rotation to try to make it as equitable as possible.
29	Page 59: Do Attendance Specialists cover all schools or only high school?	Brooke Lazzari	Positive Attendance Specialists work with all K-12 schools in their Data Team and Student Services structures. Here are assignments.
30	Page 60 - What is the FTE in this program if the District contracts with the City of Medford?	Brooke Lazzari	Prior to this year there was an Executive Director who had a combined role to oversee Facilities, Project Management and Security and this person's wages were charged to Facilities/Maintenance Function 2544. The new role of Director of Security is the 1.0 FTE staff member charged to the Security department and he performs a variety of duties including but not limited to: Oversees the SRO/Marshal program, ensures the District is compliant with state mandated safety and security drills, and is tasked with developing and maintaining a comprehensive safety and security program at every site, including conducting site security assessments and executing improvements to each site.
31	Page 117 Jackson Track-is the Jackson PTO contributing to the project?	Brooke Lazzari	No.
32	Page 117 Special Education Facility Upgrades-where are these upgrades occurring?	Brooke Lazzari	While some of this is still being finalized right now, there are planned upgrades at SMHS, OMS, KNE, OGE and HVE
33	Page 137 Has the District considered a Local Option Levy?	Brooke Lazzari	The District hired Patinkin Research in August of 2024 to conduct polling for a potential Local Option Levy. Polling suggested 50% of local voters are in favor of a levy in an amount ranging from \$0.50 to \$1.50 per \$1,000 of assessed value. The Bend-Lapine School District had stronger polling for a May 2024 Local Option Levy election and it failed 58 to 42. We paused our effort at that time.
34	Page 139 Does 1111 cover K-6 or is it K-5 now?	Brooke Lazzari	1111 Elementary should be grades K-5 and 1121, 1122 should be grades 6-8. We will get this updated.
35	Presentation slide 43: Last year, there was discussion about possibly closing schools due to declining enrollment. Is that still being considered now that enrollment continues to fall below 400 students?	Brooke Lazzari	U.S. Schools Face a Crisis as the Number of Children Drops - The New York Times - this article was published last week and notes with fewer students, many public school districts are confronting unfilled classrooms and hard choices about school closures. We also see some districts in Oregon this year, Portland Public , West-Linn Wilsonville and Corvallis actively developing or already approving plans for school closures. While there is no plan for school closures at the Medford School District in the 2026-27 budget, it seems inevitable that this will be a topic of discussion at some time in the future.
36	Presentation Slide 43 Also, when reviewing the ADMr numbers, have those counts been adjusted to account for the transfer of 6th grade students to the middle school?	Brooke Lazzari	For the years sixth grade was held at Elementary Schools the ADMr is included in each Elementary School, and for the years after sixth grade moved to Middle School it was not included in those schools in the chart on page 43 of the 2026-27 Proposed budget presentation.

Introduction

Dear Medford School District Community,

As we continue our commitment to transparency and responsible stewardship of public resources, I want to provide an overview of how our schools are funded, the financial challenges we are facing, and the steps we are taking to ensure long-term stability while maintaining a high-quality education for our students.

Even amid the challenges in public education, I am continually inspired by the dedication of our teachers and staff. Each time I visit our schools and departments, I see individuals deeply committed to supporting students and improving learning in meaningful ways. I am truly grateful for their work. I also want to extend my appreciation to our budget committee for the time and care they have given to ensuring our plan reflects our shared priorities.

Oregon's school funding system is complex and influenced by factors at the state, local, and federal levels. Understanding this broader context is important as we navigate the decisions ahead.

How Oregon Schools Are Funded

Oregon public school funding is primarily driven by the state's General Fund, totaling roughly \$12.95 billion for the 2025–27 biennium. In summary, we rely on the following sources to provide a high-quality education:

- **State School Fund (SSF):** The largest source (\$11.4 billion), made up of state income taxes and a portion of local property taxes.
- **State Grants:** Including the Student Investment Account (SIA), High School Success (HSS), and other targeted or time-limited grants (e.g., literacy, multilingual learners).
- **Local Revenue:** Primarily property taxes. These are equalized through the SSF. When local collections are higher, state support is reduced, and vice versa.
- **Federal Funding:** Typically about 5%-10% of district budgets, including Title programs, IDEA, ESEA, and nutrition services.

Financial Outlook

We are preparing for significant financial headwinds in the 2027–29 biennium and likely beyond.

Across Oregon, many districts have already made substantial cuts, with others implementing mid-year reductions or planning deeper cuts next year. A small number are even facing solvency concerns. Like all districts, Medford is proposing spending reductions this year and anticipating further adjustments in the next biennium. However, our reductions are proportionally smaller than many of our peers, reflecting both disciplined fiscal management and some key strategic decisions over the past several years.

Between 2020 and 2024, Oregon districts received approximately \$1.62 billion in federal ESSER funds. While some districts used these funds to maintain staffing levels despite declining enrollment, we focused primarily on one-time investments: facility improvements, classroom upgrades, and targeted staffing to address post-pandemic learning loss and special

education needs. We also built a plan to phase out or transition those positions before the funding expired in September 2024, helping us avoid the abrupt “funding cliff” others are now experiencing.

Another factor affecting districts statewide has been Pension Obligation Bonds (POBs). While some districts benefited from investment gains that temporarily offset rising PERS costs, the maturation of those bonds has created significant new expenses; some in the tens of millions of dollars. Medford’s experience was different. Our 2007 POB strategy was impacted by the 2008 recession, limiting long-term savings and, as a result, we are not experiencing the same sudden cost increases. Our final POB payment will occur in the 2026–27 fiscal year.

At the same time, broader economic and demographic pressures are intensifying. Oregon now has more residents over age 65 than school-aged children, a reversal from just 20 years ago. Increased demand for healthcare, potential new transportation funding needs, and anticipated reductions in federal funding are all placing additional strain on the state budget. The Governor has estimated that federal funding reductions associated with HR1 could total approximately \$15 billion over five years. It is likely the state will need to redirect resources to partially offset losses in areas such as healthcare and food assistance, limiting the ability to increase K–12 funding.

Locally, we are also experiencing key trends:

- **Declining enrollment:** Our non-charter enrollment has declined by nearly 10% since 2020, with projections indicating continued decline over the next 20 years.
- **Rising special education needs:** Special education enrollment now exceeds 17% of our student population, while state funding remains capped at 11%. This gap creates ongoing financial pressure, as these services are essential but more costly to provide.

Medford School District 2026–27 Budget

Our proposed budget reflects a balanced approach; aligning ongoing revenue with ongoing expenses while making targeted, one-time investments in safety and infrastructure.

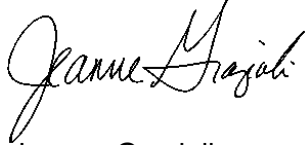

- Total revenue is projected to increase by \$5.20 million (2.6%).
- We are proposing a one-time deficit spend of \$2.05 million, primarily for safety-related facility improvements, including wood ceiling truss inspections/repairs and facility upgrades for special education needs.
- This will reduce our General Fund balance to approximately 8%, but keeps us above the minimum 5% as required by Board policy DBDB.

To maintain long-term financial stability, the budget includes approximately \$3 million in ongoing reductions, primarily through staffing adjustments. In total, we are proposing a net reduction of 20 FTE. This includes adding 17 FTE in special education to meet growing student needs, while reducing 37 FTE across licensed, administrative and classified roles. Most of these reductions are being achieved through attrition, internal transfers and/or placement. While these decisions are difficult, they are necessary to ensure the district remains financially stable and able to serve students effectively over time.

We have already begun consolidating district office space to reduce lease costs and are proposing a reduction in contracted services. As we look ahead, we will also need to carefully evaluate our overall facilities footprint in relation to long-term enrollment trends to ensure we are using our resources efficiently while sustaining high-quality programs across the district.

We recognize these are not easy conversations, and we are committed to approaching them thoughtfully and transparently. Thank you for your continued support of Medford schools. We remain committed to making thoughtful, student-centered decisions and to keeping our community informed as we move forward together.

With appreciation,

A handwritten signature in black ink that reads "Jeanne Grazioli". The signature is written in a cursive, flowing style.

Jeanne Grazioli
Superintendent

Organization

District Overview

Jackson County School District No. 549C, also known as the Medford School District (The District), is the eighth largest in Oregon. Serving approximately 13,397 students, the District enrolls approximately two percent of the total K-12 student population within the state.

The District, formed in 1959, is located in Jackson County and includes most of the City of Medford, the City of Jacksonville, portions of the City of Central Point, and unincorporated areas of the county. Situated in the Rogue River Valley, the District extends beyond the City of Medford’s urban growth boundary and encompasses approximately 361 square miles.

The District operates two comprehensive high schools, three middle schools, 13 elementary schools, one K-8 School, one alternative high school, and four charter schools. Historical and projected enrollments are shown below:

The City of Medford, City of Jacksonville, Ruch, and Jackson County are key partners with the Medford School District. These communities embrace their schools. Businesses, parents and other volunteers generously offer their time and resources to help students. Parks, recreation, after-school and summer programs are provided for children. In addition, citizens of all ages have access to libraries, community centers, parks, educational, social and recreational opportunities.

Professionally advanced police and fire departments provide comprehensive emergency response services to residents. The District has a close and unique partnership with the Medford Police Department, which provides security, training, and consultation to all campuses.

School Board Strategic Governance

The Medford School Board recognizes that it has a unique and important role to play in assuring that the school system achieves the results expected by the community and deserved by students. In addition, the board and staff understand the significance of fiscal integrity and accountability. The board accepts the challenge to perform its own duties with the same degree of excellence expected of the Superintendent and all staff members.

Budget Presentation and Process

Each year, the District prepares a budget according to Oregon budget law and school board policy. At the center of budget development are the school board mission, values, goals, and guiding principles. The primary objective is to present budget information in a manner that provides a clear and accurate account of the District’s financial position, educational programs, and services for the coming fiscal year.

The budget acts as a business and operating plan for the fiscal year, and is revised as necessary. Budgets are presented on the modified accrual basis of accounting for all governmental funds. This is consistent with Generally Accepted Accounting Principles (GAAP). A balanced budget by fund is required. Unencumbered annual appropriations lapse at the end of each fiscal year.

The budget is designed to help ensure fiscal transparency, efficiency, effectiveness and integrity. The Business Department and administration continually monitor all budgeted accounts and establish internal controls over all expenditures.

The budget is adopted by the School Board, appropriations are made, and the tax levy is declared no later than June 30. The process includes planning, feedback, preparation, approval (by the Budget Committee), adoption (by the Board), implementation, evaluation and monitoring, and finally, auditing at the conclusion of the budget cycle.

FY26-27 Budget Calendar

Thursday April 9, 2026	Budget Committee Orientation during the Board Meeting at Oakdale
Thursday April 30, 2026	1st Budget Committee Meeting at Oakdale – Committee elects officers, Superintendent delivers budget message and committee receives budget document.
Thursday May 14, 2026	2nd Budget Committee Meeting at Oakdale – Public comment, committee discusses and approves Proposed Budget. Budget chair signs resolutions.
Thursday June 4, 2026	3rd Budget Committee Meeting at Oakdale– If needed

Thursday

June 11, 2026

Board Meeting. Public Budget Hearing on FY26-27 Budget* - at Oakdale

Deliberate on budget approved by budget committee and considers additional public comment.

Thursday

June 25, 2026

Board Meeting; FY26-27 Budget Adoption* - at Oakdale Board enacts resolutions adopting the budget, makes appropriations, imposes and categorizes tax levy.

June 30, 2026

District must submit balanced budget by this date.

July 30, 2026

District submits required budget documents to County Assessor, Department of Education, and Southern Oregon Education Service District by July 15, 2026.

*Budget Committee members are invited but not required to attend.

Publishing must be done either twice in the newspaper, 5-30 days before meeting, OR **on website at least 10 days before the meeting AND printing once in the newspaper 5-30 days before the meeting.

Financial

NOTE: As with any budget, the development of this budget involves using estimates and making assumptions. Ultimately, the District understands that some of these assumptions may be required to be collectively bargained, and as such, readers of this document should understand that some of these assumptions may change. Some key assumptions include, but are limited to, \$11.359 billion for the 2025-27 Oregon K-12 budget, high cost sped to be reimbursed at a minimum of 20-25%, SIA funded at Continuing Service Level Estimate, a 4.25% Cost of living Adjustment (COLA) for all employees; step wage increases for those employees who qualify, and purchasing healthcare from the Oregon Educators Benefit Board (OEBB) for the full fiscal year.

All District Funds

 NMHS Gym

Other Funds:
 Debt Service - General Obligation Bonds
 Debt Service - Pension Obligation Bonds
 Debt Service - MSDEC Remodel
 Capitan Projects Fund - GO Bonds
 Student Scholarship Fund
 Student Body Fund

The General Fund is the primary funding source for operational spending in the District. In the FY26-27 Budget, the General Fund represents 69.7% of all resources versus 71.1% in the FY25-26 Amended Budget. Total resources across all fund types for FY26-27 is \$319.1M vs \$312.1M in the FY25-26 Amended Budget, which is 7.0M, or 2.3% higher. This increase is primarily due to the \$7.32M increase in Special Revenue Funds (p.105) primarily driven by the \$16.3M increase in NMHS gym construction which is paid for by insurance proceeds. The gym spending increase is partially offset by lower project reserves funding/spending and no plans for a seismic upgrade project in 2026-27. The current year 2025-26 project reserves budget included \$3.3M for SMHS track and field upgrade and carryover of over \$3.0M from 2023-24 Innovation Academy (IA) facility upgrades completed in the summer of 2025.

General Fund - Fund Balance Roll Forward

(\$ Thousands)	FY26-27	
	Projection	
Beginning Fund Balance	\$	18,301
1. Previous Annual Surplus/(Deficit)		(4,758)
2. Change in Revenue		5,202
3. Change in Transfers In & Other Sources		-
4. Change in Salary & Wages		(2,083)
5. Change in Associated Payroll Costs		(1,358)
6. Change in Purchased Services		(1,768)
7. Change in Supplies and Materials		(476)
8. Change in Capital Outlay		10
9. Change in Other Objects		(279)
10. Change in Transfers Out/Other Uses		3,460
11. Total Annual Surplus/(Deficit)		(2,050)
12. Ending Fund Balance	\$	16,251

In the General Fund, Fund Balance projection above for FY26-27, the District is proposing to deficit spend \$2.05M (line 11). Revenue and Transfers In is \$204.15M (p.9), are exceed by Expenditures and Transfers Out, which are \$206.20M (p.15). Descriptions of the major year over year changes in the FY26-27 budget are summarized in the schedule above and the words below.

- The General Fund previous year FY25-26 forecast is to deficit spend \$4.758M as of the latest FY25-26 budget amendment, driven primarily by \$3.3M for SMHS Track and Field upgrade, \$1.208M for wood truss inspections and repairs and \$0.25M for one-time movement of staff out of Biddle office building.
- Total revenue (resources minus transfers in and beginning fund balance) is estimated to increase \$5.2M or 2.6% over prior budget.
- There will not be a change in transfers in from other funds and other income from FY25-26 to FY26-27. Transfers In includes \$0.55M from the PERS reserves fund, and other income of \$1.3M from GASB 96 and \$0.6M from GASB 87 Leases.
- Total General Fund salaries and wages are up \$2.08M or 2.4% to \$87.24M from \$85.15M in the prior year. The primary drivers of the \$2.15M increase are: \$3.40M for a 4.25% COLA increase and \$1.24M for step increases. There is a reduction of -\$1.71M, for -20.13 FTE for staffing changes, -19.55 of which are in the General Fund. We assume a vacancy savings of -\$0.77M, and all other salary and wages changes net to -\$0.08M. See page 18 for a detailed explanation on staffing changes for all funds.
- Total General Fund Associated Payroll Costs are up \$1.36M or 2.6% to \$53.21M from \$51.86M in the prior year. There is a \$2.03M increase from the associated payroll costs on COLA and STEP wage increases. Other changes include an increase of \$0.49M for Unemployment and \$0.27M for healthcare. These increases are partially offset by a -\$1.02M savings from FTE reductions, -\$0.29M savings on the vacancy assumption and all other changes total a savings of -\$0.12M.
- Total General Fund Purchased Services are up \$1.77M or 4.1% to \$44.9M from \$43.1M in the prior year. This is due to an increase in charter school pass through payments of \$0.84M, an increase in utilities of \$0.17M and an increase in pupil transportation of \$0.23. There is a decrease in Professional Services Non-Instruction of -\$0.24M, which is mainly due to the decrease in the Vitality benefits app. There is an increase in Professional and Technical Instructional Services of \$0.1M for the Foster Grandparent Program (in function 1111), \$0.15M to cover increased speech eligibility services (function 2150), and an increase of \$0.165M for 3 contracted skilled trainers (function 1240). The District contracts with Presence Learning for online speech and language services. This amount is highly variable and dependent on the number of available SLP's for hire. Repairs and maintenance has an increase of \$0.22M based on prior year numbers and contractor price escalation. The remaining variance is due to the ever-increasing substitute usage in our district (an increase of \$0.23M).
- Supplies have increased a total of \$0.48M or 6.5% from the prior year due primarily to an increase in computer software and hardware. Hardware is up \$0.08M due to the cost of equipment continuing to rise as well as more technology being added to the classrooms. Software has an increase of \$0.176M for English Language Learners due to replacing Rosetta Stone with Duo lingo. There are also renewals for Flashlight360 and ELlevation. Software has also increased a total of \$0.36M or 13.5%. Additionally, the cost of digital and physical materials are outpacing inflation.
- Total General Fund Capital Outlay costs are down -\$0.01M or -0.44%.
- Other Objects is up \$0.28M or 13.9% due primarily to an estimated 20% increase in property insurance and a 10% increase in liability insurance.
- Total General Fund Transfers Out to Other Funds is down -\$3.46M, or -28.9% due primarily to a \$3.10 M reduced transfer to the projects reserve fund. The General Fund is budgeting to transfer a total of \$8.488M, which will be distributed as follows: \$5.178M to the project reserve fund (p. 115) to fund Curriculum, Capital Maintenance and Repairs and IT infrastructure, \$0.575M to Special Revenue Secondary Athletics (p.112), \$0.29M to partially fund the Physical Education Expansion (PEEK) (p.111), \$0.025M for State and Local Programs (p. 109), \$1.25M for Chromebook Reserves fund (p.121), and \$1.17M to Debt Service (p.131). The detail of where these transfers are sent to can be found in the green Special Revenue section starting on page 105.

General Fund Resources & Requirements

The General Fund is the primary operating fund of the District.
This fund is used to account for all unrestricted resources.

In FY26-27, General Fund Budget Resources are \$222.5M, an increase of \$0.4M or 0.2% from the prior year. Revenues minus expenditures leaves a deficit balance of \$2.05M. Beginning fund balance is projected to be \$18.3M, -\$4.7M or -20.6% lower than the prior year. See pp. 9-14 for more information on resources and pp. 15-103 for more information on requirements.

General Fund Resource Summary

	2023-24	2024-25	2025-26	2026-27	2026-27	2026-27
Total General Fund Resources	Actual	Actual	Amended	Proposed	Approved	Adopted
Local	51,371,285	53,532,541	55,388,533	56,550,466		
Intermediate	3,693,402	3,615,426	3,400,000	3,650,000		
State	124,114,169	130,252,673	137,576,880	141,366,756		
Federal	175,553	125,715	130,000	130,000		
Transfers In and Other Sources	3,631,838	2,272,580	2,450,000	2,450,000		
Beginning Fund Balance	24,139,326	21,279,184	23,058,686	18,300,686		
TOTAL RESOURCES	207,125,574	211,078,120	222,004,099	222,447,908	-	

Including transfers in from other funds and the beginning fund balance, there is a \$0.44M or 0.20% increase in total resources from the prior year. This difference is mainly due to a increase of nearly \$1.1M in Local resources driven by higher property tax partially offset by lower interest income, a \$3.8M increase in State Sources primarily from the State School Fund (SSF) partially offset by lower revenue for the regional JDEP program which is transferred to SOESD in 2026-27, and a reduction in the beginning fund balance by -\$4.7M. There is a \$0.25M increase in Intermediate funds driven by higher expected revenue in the second year of the 2025-27 biennial budget. More details of resource changes can be found on pp. 9-14.

Total revenue (resources minus transfers in and beginning fund balance) is estimated to increase \$5.2M or 2.6% over prior budget.

Transfers in from other sources of income are budgeted at \$2.45M, of which \$0.55M is from the PERS fund, to help cover the rising PERS rates. See p. 110 for more detail regarding the PERS reserve fund.

Self-Pay Health Ins Reimbursement	565,060	570,277	533,000	533,000		
E-Rate Reimbursement	65,227	110,673	103,000	103,000		
LOCAL SOURCES	51,371,285	53,532,541	55,388,533	56,550,466		

Local sources for FY26-27 are budgeted to come in at \$56.5M, up \$1.1M (2.1%) from the FY25-26 Amended Budget of \$55.4M. Local revenue sources primarily come from property taxes, which make up nearly 92% of the local sources. Property taxes are pooled together at the state level and allocated equally as part of the State School Fund (SSF) funding formula. For the FY26-27 Budget, property taxes are projected to come in at \$51.9M, which is \$1.5M (3.0%) higher than the FY25-26 Budget.

General Fund Resources

	2023-24	2024-25	2025-26	2026-27	2026-27	2026-27

STATE SOURCES	124,114,169	130,252,673	137,576,880	141,366,756		

Intermediate sources for FY26-27 are estimated at \$3.65M, which is \$.25M higher than the prior year due to higher SSF allocation to SOESD in the second year of the 2025-27 biennium. The \$3.65M of Intermediate revenue is coming from the Southern Oregon Education Service District (SOESD) as a pass-through in lieu of Special Education (SpEd) and non-SpEd services provided.

District staff are working with the SOESD staff to finalize the SpEd service plan for FY26-27. As such, this is a work in process, and the pass through estimate from SOESD could change.

State sources are estimated at \$141.4M for FY26-27, up \$3.8M (2.8%). For FY26-27 the Medford School District (MSD) is in the second year of an estimated \$11.359B 2025-27 K-12 biennial funding where 49% of the SSF was allocated for the first year and 51% for the second year. Juvenile Detention (JDEP) revenue and expense function 1283 (page 47) are both down to zero for this regional program as it is being transferred to SOESD.

2026-27 Budget

The projected consolidated ADMr of 13,341 for the District budget is down 56 or 0.4% from prior year. Consolidated ADMr is down 770 or 5.4% students from 2017-18.

Charter School ADMr: Charter school ADMr is projected at 2,087, equal to prior year. Enrollment has increased 1,690 students or 23.5% from 2017-18.

Non-Charter ADMr: Non-Charter school ADMr is projected down 56.0 ADMr or 0.5% from prior year and has decreased 1,167 students or 9.4% from 2017-18.

Other Sources - GASB 87 Leases	225,700	496,534	600,000	600,000		
OTHER SOURCES	3,631,838	2,272,580	2,450,000	2,450,000		
TOTAL Federal and Other Sources	3,807,391	2,398,295	2,580,000	2,580,000		

Federal sources are budgeted at \$0.13M, which is flat to the prior year budget.

Transfers in are budgeted at \$0.55M from the PERS reserve fund. See p. 110 for more detail regarding the PERS reserve fund.

The other sources of income from GASB 96 Subscription Based Information Technology Arrangements (SBITA) and from GASB 87 Leases are offset by an equal capital expense. These are required accounting entries that have no impact to Contingency/Fund Balance.

General Fund Resources

Beginning Fund Balance	2023-24 Actual	2024-25 Actual	2025-26 Amended	2026-27 Proposed	2026-27 Approved	2026-27 Adopted
Beginning Fund Balance	24,139,326	21,279,184	23,058,686	18,300,686		
BEGINNING FUND BALANCE	24,139,326	21,279,184	23,058,686	18,300,686		

Beginning Fund Balance is down -\$4.7M, -20.6% due to deficit spending in FY25-26.

General Fund Requirements By Object Group

TOTAL General Fund	2023-24 Actual	2024-25 Actual	2025-26 Amended	2026-27 Proposed	2026-27 Approved	2026-27 Adopted
Salaries and Wages	76,633,310	78,054,765	85,154,967	87,237,695		
Benefits	47,319,436	46,561,424	51,856,744	53,214,841		
Purchased Services	37,829,948	41,451,568	43,183,664	44,951,989		
Supplies and Materials	6,826,169	4,873,619	7,281,330	7,757,140		
Capital Outlay	3,263,254	2,093,232	2,275,000	2,265,000		
Other Objects	3,609,459	3,486,668	2,003,707	2,282,557		
Transfers	10,364,813	11,498,650	11,948,000	8,488,000		
Contingency	21,279,185	23,058,193	18,300,686	16,250,686		
TOTAL General Fund	207,125,573	211,078,119	222,004,099	222,447,908		

General Fund Requirements are up \$0.53M or 0.2% to \$222.5M, due primarily to a 4.25% increase in the Cost of Living adjustment. The Cost of Living Adjustment is partially offset by lower transfers out to other funds, staffing reductions and lower contingency due to deficit spending. Spending is up \$6.0M to \$197.8M (3.2%), transfers out to other funds are down -\$3.4M (-28.9%) and Contingency is down -\$2.05M (11.2%). See spending detail on pages 16 to 103 for more information. Total FTE across all funds is down -20.13 (see the following pages for more details).

Individual changes by object and function are described in the following pages of this budget document. The chart above shows the allocation of requirements by object, including contingency. When fund balance reserves, contingency, and charter school pass-through payments are excluded, the ratios for percentage of total General Fund spending are: salaries and wages 47.92%, payroll benefit cost 29.23%, services/supplies/capital outlay 16.94%, and other objects/transfers 5.91%. This again demonstrates that most of the District spending for ongoing operations is in personnel costs with 77.1% of ongoing operational spending going toward salaries and benefits. It should also be noted, the Medford School District outsources transportation and if transportation was not outsourced, salary and benefit spending would exceed 80% of total spending excluding charter school pass throughs.

General Fund Expenditures - Salary & Wages Summary

SALARIES & WAGES	76,633,310	78,054,765	85,154,967	87,237,695		

Total General Fund salaries and wages are up \$2.08M or 2.45% to \$87.2M from \$85.1M in the prior year. The primary drivers of the \$2.08M increase are: \$3.40M for a 4.25% COLA increase and \$1.24M for step increases. There is a reduction of -\$0.1M in temporary labor, as well as -\$0.77M assumed vacancy rate/open positions, based on prior years. The remaining balance is due to a reduction of -\$1.71M, for -19.55 FTE staffing changes in the General Fund. See the next page for a detailed explanation on staffing changes for all funds.

TOTAL CONSOLIDATED	1,358.71	1,378.84	(20.13)	1,369.85	(11.15)

SpEd = Special Education

The projected staffing for FY26-27 is 1,358.71 FTE, a net decrease of 20.13 FTE or -1.46% lower across all funds.

The decrease is due to the following changes by grouping:

Instruction, General Fund, Non-SpEd -29.55 FTE

The decrease in this area is due to the following reductions (note: some reductions in FTE is due to a move of that FTE to the Special Revenue fund): The reduction of 21.0 FTE certificated staffing, a reduction of 5.63 classified Educational Support Staff, a reduction of 2.0 FTE Blending Learning, a reduction of 1.92 FTE for Alternative Education, and a net positive move of 1.0 FTE to Special Revenue funds.

Instruction, Special Revenue Fund, Non-SpEd 0.42 FTE

The decrease in this area is due to the following: A reduction of -0.8 FTE Emerging Migrant Ed Coordinator (position being changed to TOSA), the reduction of -0.78 FTE Alt Ed Coordinator, the reclass of -1.0 FTE from the SIA fund to the General Fund. This is mostly offset by the move of 3.0 FTE from the General Fund to Measure 98 (Special Revenue).

Instruction, General Fund, SpEd 17.0 FTE

There has been an increase of 17.0 FTE in this budget due to the expectation of an increased SpEd student population and need.

Support Services, General Fund, Non-SpEd -7.0 FTE

Note that all reductions in this area are from resignations or vacancy positions. The 7.0 FTE decrease is from the following: Multilith Operator, Helpdesk Staff, Application Data Management, Roving Custodian, Custodian, Compliance & Practice Officer, and Administrative Assistant.

Support Services, Special Revenue, Non SpEd -1.0 FTE

This is from reducing 2.0 FTE Curriculum Coordinators and addition of 1.0 FTE Curriculum Assistant Director.

FTE Roadmap by Function - Across all Funds

The table above shows the increase in staffing across all funds by function since FY17-18. To achieve the goals set by the Board, the District has allocated resources to increasing total staffing by 121 FTE to 1,358.71 FTE in FY26-27 from 1,237.64 in FY17-18, a 9.8% increase. During the same time frame where staff has increased by 9.8%, enrollment for non-charter schools has decreased by -1,167 or 9.4% (see page 12).

GRAND TOTAL		1,358.71	1,378.84	1,237.64	121.07	140.20

While the number of students projected for FY26-27 non charter enrollment is down 9.4% when compared to FY17-18 (see page 12), the proposed FY26-27 staffing has increased by a total of 121.07 FTE, or 9.8%. Approximately 113.61 FTE or 93.8% of the 121.07 FTE increase over the last decade is driven by increases in SpEd 103.38 FTE (MAPS & FOCUS 67.59 FTE and ERC Resource Rooms 35.79 FTE) and ELL 10.23 FTE .

The largest count increase in staffing from 2017-18 to 2026-27 is in Instruction 57.07 FTE or 6.3% where increases in SpEd and ELL areas are partially offset by decreases in Elementary and Title FTE. It should be noted about 38 positions transferred from Elementary schools to Middle Schools when sixth grade transferred to middle schools in FY 23-24. In SpEd functions MAPS, FOCUS and ERC Resource rooms staff has increased by 103.38 or 77% over the last decade. The largest percentage increase from 2017-18 to 2026-27 is in General Support 52.43 FTE or 23.3% driven primarily by increases in Office of the Principal and Information Technology.

BENEFITS	47,319,436	46,561,424	51,856,744	53,214,841		

Total General Fund Associated Payroll Costs are up \$1.36M or 2.6% to \$53.2M from \$51.8M in the prior year. There is a \$2.03M increase from the associated payroll costs on COLA and STEP wage increases. Other changes include an increase is a \$0.49M increase for Unemployment and \$0.27M for healthcare. These increases are partially offset by a -\$1.02M savings from FTE reductions, -\$0.29M savings on the vacancy assumption and all other changes total a savings of -\$0.10M.

Medford SD 549c Proportionate Share Of PERS UAL

This chart shows the change over time in the MSD's proportionate share of Oregon Public Employees Retirement System (PERS) Unfunded Actuarial Liability (UAL) as measured by Milliman actuaries for the State of Oregon. This information is required to be reported as part of Government Accounting Standards Board (GASB) statement #68. Long term targeted earnings assumptions for PERS retirement assets have changed slightly over the years dropping from 7.75% in 2015 actuarial reporting to 6.9% in 2021 actuarial reporting. The blue bar in the chart above is our District's estimated proportionate share of the UAL assuming PERS assets have a return at the targeted rate. The orange bar is the UAL assuming actual earnings are 1% below the targeted rate. Over the last ten years, the UAL assuming the long term earnings at the targeted rate has grown \$10.21M or 8.8%, from \$115.81M in 2016 to \$126.02M in 2025

PERS investment returns have been below the 6.9% target, three of the last four years.

As a side note, as part of our full faith & credit bond issuance, Moody's did a review of District financials including pension obligations. Moody's uses 3.51% as the discount rate for all school district pension programs regardless of state, and they estimate Medford's pension debt closer to \$450 M at the 3.51% discount rate.

The District will be closely monitoring future PERS actuarial reports and future employer rate expectations for the 2027-29 biennium and beyond. At this point, there is a large \$1.6 billion overall increase to PERS employer contributions projected for the 2027-29 biennium.

PURCHASED SERVICES	37,829,948	41,451,568	43,183,664	44,951,989		

Total General Fund Purchased Services are up \$1.77M or 4.1% to \$44.9M from \$43.1M in the prior year. This is due to an increase in utilities of \$0.2M, an increase in pupil transportation of \$0.23, and charter school pass through payments of \$0.84M. The decrease in Professional Services Non-Instructional of -\$0.24M is mainly due to the decrease in VIDA and Vitality benefits apps. There is an increase in Professional Services Instructional of \$0.1M for the Foster Grandparent Program (in function 1111), \$0.15M to cover increased speech eligibility services (function 2150), and an increase of \$0.165M for 3 contracted skilled trainers (function 1240). The District contracts with Presence Learning for online speech and language services. This amount is highly variable and dependent on the number of available SLP's for hire. Repairs and maintenance has an increase of \$0.2M based on prior year numbers and contractor price escalation. The remaining variance is due to the ever-increasing substitute usage in our district (an increase of \$0.23M).

CAPITAL OUTLAY	3,263,254	2,093,232	2,275,000	2,265,000		

Supplies have increased a total of \$0.475M or 6.5% from the prior year due primarily to an increase in software and hardware. Hardware is up due to the cost of equipment continuing to rise as well as more technology being added to the classrooms. The increase in software includes the 3 year renewal for Cybersecurity.

Total General Fund Capital Outlay costs are down -\$0.01M or -0.44%.

GASB 96 SBITA and GASB 87 Lease costs are capital outlay offset by an equal other income entry. These are required accounting entries that have no impact to Contingency/Fund Balance.

Total General Fund Other Objects costs have an increase of \$0.28M to the prior year due to liability and property insurance.

Total General Fund Transfers Out to Other Funds is down -\$3.46M, or -28.9% primarily due to a \$3.10M reduced transfer to the projects reserve fund. The General Fund is budgeting to transfer a total of \$8.488M, which will be distributed as follows: \$5.178M to the project reserve fund (p. 115) to fund Curriculum, Capital Maintenance and Repairs and IT infrastructure, \$0.575M to Special Revenue Secondary Athletics (p.112), \$0.29M to partially fund the Physical Education Expansion (PEEK) (p.111), \$0.025M for State and Local Programs (p. 109), \$1.25M for Chromebook Reserves fund (p.121), and \$1.17M to Debt Service (p.129). The detail of where these transfers are sent to can be found in the green Special Revenue section starting on page 105.

Contingency/Fund Balance Reserves of \$16.25M is the General Fund Resources minus the expenses and transfers out to other funds. The minimum fund balance reserve Board policy or contingency is 5.0% of the General Fund revenue dollars plus transfers in, not including the beginning balance. The contingency percentage for the FY26-27 Budget is 7.96%.

*Appropriation Level

Instruction and Support Services spending are a combined total of \$195.8M, a \$6.0M or 3.2% increase from FY25-26. This is mainly due to an increase in wages from COLAs and Steps as well as associated payroll costs partially offset by FTE reductions. There is a reduction of debt & transfers out to other funds of -\$3.46M, and a reduction of contingency, -\$2.05M.

Contingency is projected to be \$16.2M or 8.0%, which is -\$2.05M less than the prior year due to deficit spending of \$1.8M on truss inspections and repairs plus \$0.25M for SpEd facility upgrades in FY26-27.

On a year-to-year basis, the District analyzes the General Fund spending as a percentage of total requirements on a relative basis by function compared to the prior year amended budget. The FY26-27 Budget for Instruction spending is 55.16% of total spending, an increase of 1.6% from the FY25-26 budget level of 53.5%. Support Services percentage of spending is 33.63%, up 1.61% from the FY25-26 Budget level of 32.0%, Contingency on a percentage basis of the total spending is -0.88% lower, and Debt & Transfers Out is a decrease of -1.53%.

STUDENT INSTRUCTION	107,091,977	107,717,450	118,780,454	121,701,808		-

In FY26-27, MSD will have 20 non-charter schools, 4 charter schools, and 1 homeschool option, and is projected to serve approximately 13,341 students, including 2,087 charter students. Total FY26-27 Budget spending for Student Instruction is \$121.7M, up \$2.9M (2.5%) from the FY25-26 Budget of \$118.7M. The increase in spending is primarily driven by COLA and STEP salary and associated payroll cost increases partially offset by FTE reductions.

There will be an decrease of 19.55 FTE in the General Fund (see pages 17-21 for more details)

In FY23-24, all 6th graders were moved from elementary to middle school, which is now grades 6 through 8.

Total Spending for Special Education (SpEd) & Student Wellness in the General Fund including transportation in the FY26-27 Budget is \$38.15M up \$3.16M or 9.0%. Total staffing across all funds is 290.67 FTE, which is an increase of 17 FTE to the current staffing. The JDEP program will transfer to SOESD in 2026-27.

A more detailed explanation of each functional area is explained in the narrative of the following pages.

In FY25-26 the District served approximately 2,382 Special Education Students with most students receiving services in more than one area. Services provided include 1,466 students in Education Resource Centers across all schools, 1,480 students in Speech-Language Therapy, 1,069 students in Assessment and Evaluation, 378 students in Self-contained Classes (MAPS and FOCUS - at 13 schools), 32 students in the Transitions School (for 18-21 year old students), 183 students in Occupational Therapy, 6 students who are in the deaf or hard of hearing program, and 19 students in steps classes operated by SOESD at two District schools, schools in other districts, and American Sign Language (ASL) interpreters for students who are deaf or hearing impaired.

High School FTE	6.18	6.18	-
Total Music Staffing	24.56	24.56	-

The District music program serves students from Kindergarten through 12th grade. The vast majority of the costs are for salaries and stipends for expertise in music instruction, with a small amount included for supplies. Salaries and FTE schedules are charged to either the elementary, middle school or high school functions according to where the instructor teaches. Music staffing is remaining the same.

Students in Kindergarten through 5th grade receive a minimum of 40 minutes of general music instruction each week. Beginning in middle school, students may elect to participate in choir or an instrumental music program.

At the high school level, music selections expand with a variety of vocal and instrumental selections being offered, including choices such as concert band, wind ensemble, jazz band, chamber orchestra, treble choir, men's choir, and more. Concerts are held regularly to showcase student learning. Music Directors often combine multiple levels of students in each concert giving the younger musicians an opportunity to hear what they will sound like in middle and high school.

General Fund Detail Budget - 1111 Elementary Programs (K-5)

All non-charter students K-5 beginning 2023-24

1111 Elementary Programs (K-5) Continued

In FY26-27, function 1111 serves approximately 4,865 students across 13 Elementary Schools and (1) K-8 School. In FY26-27 the budget is \$32.7M is \$0.5M or -1.5% lower than FY25-26. Staffing across all funds is 290.61 FTE, which is -16.75 FTE less (-13.0 FTE Certificated and -3.75 FTE Classified) than the FY25-26 amended budget primarily due to declining enrollment.

The software budget includes our iReady Diagnostic subscription. We have been able to use Early Literacy grant funds to purchase K-3 instructional materials. Aside from software, most other areas of the budget is largely equal to the prior year. There is an increase in Professional Technical Services for the Foster Grandparent Program. There is an increase of \$70K due to the ever-increasing usage of substitutes in our classrooms. Targeted classroom ranges by grade for FY25-26 are as follows: Kindergarten: 18-22, 1st grade: 20-22, 2nd grade: 22-26, 3rd grade: 24-26, 4th grade: 26-28 and 5th grade 26-29.

Elementary After School Programs

The District completed a request for proposal (RFP) process at the end of FY24-25 to select afterschool providers for 13 elementary schools beginning the FY25-26 school year. Both contracts were approved to continue through, August, 2028.

Prior to the 25/26 school year, the District supplemented a combination of \$150,000 from Title I funds, \$113,000 from the General Fund, and an in-kind contribution of rent-free facilities. The general fund contribution was eliminated beginning the FY25/26 budget, meaning after school programs are only supported through Title Funds.

Innovation Learning operates contracted afterschool programs at Abraham Lincoln, Hoover, Jacksonville, and Lone Pine. Kids Unlimited operates contracted afterschool programs at Griffin Creek, Howard, Jackson, Jefferson, Kennedy, Oak Grove, Roosevelt, Washington, and Wilson.

All non charter students Grades 6-8 beginning 2023-24

1121 Middle School
Except Co-Curricular Continued

In FY26-27, function 1121 will serve approximately 2,606 middle school students, grades six through eight. The software budget includes our iReady Diagnostic subscription as well as costs for digital and physical instructional materials.

The FY26-27 Budget is \$17.2M, up \$0.2M and 1.1% over the FY25-26 Budget. The increase is primarily due to steps and COLA wage increases, offset by a reduction of 4.0 FTE certificated staffing. Staffing across all functions in this function is a total of 136.65 FTE.

The FY26-27 school year targeted student to licensed staff ratio is 1 to 23.

General Fund Detail Budget - 1131 High School (Except Co-Curricular)

All non-charter students grades 9-12

**1131 High School
Except Co-Curricular Continued**

Function 1131 serves approximately 3,784 high school students across three locations.

Expenditures in the FY26-27 budget is \$21.3M, up slightly from the FY25-26 Budget. This is largely due to an increase in steps and COLA wage increases offset by a reduction of 4.0 FTE certificated staffing. Total staffing across all funds for FY26-27 is 181.91 FTE.

This function includes discretionary funds at each high school, which is determined and approved by the principal at each school. It also houses several software applications that are used by the students.

The targeted licensed staff to student ratio is 1 to 27. This ratio includes General Fund programs of Math, English, Science, Social Science, CTE, PE, Arts, ESS, and excludes SpEd and ELL.

General Fund Detail Budget - 1220/1240 SpEd Self Contained Programs & Other Specialized Supports

1220/1240 Special Education Self-Contained Programs & Other Specialized Supports Continued

Function 1220-1240 provides funding for direct program support and instruction for approximately 378 students in FY25-26 at fifteen school sites. For a comprehensive picture of the changes to consolidated Special Education spending and staffing across all functions and funds, see the year-over-year SpEd budget comparison on pp. 29 and 30. We have also consolidated all self contained programs (MAPS and FOCUS) to this budget.

The FY26-27 Budget is funded at \$11.3M, which is a \$2.1M (23.1%) increase from the FY25-26 Budget. This is mainly due to contractual steps and COLA wage increases, an increase of 17.0 FTE in the General Fund to address increased SpEd enrollment, and a \$165K increase in Professional Instructional Services for 3 contracted skills trainers. Staffing for the FY26-27 Budget for these functions across all funds is 139.97 FTE, which is 17 FTE higher than the prior year amended FTE, due to an expected increase in SpEd student counts for FY26-27.

General Fund Detail Budget - 1250 ERC - Resource Rooms

Function 1260, Early Intervention provides evaluation services for approximately 600 MSD early childhood students younger than five years old. Function 1261, Early Intervening Services, provides preventative academic and behavioral support to school age students not eligible for special education services.

Professional Services includes the cost per evaluation by DESD for an estimated 200 evaluations. Unit cost rate will remain the same of \$1235/evaluation with an anticipated increase rate in the next fiscal year to reflect COLA for them,

Across all funds, these two functions have a total of 13.22 FTE, which is flat to the current year's FTE.

ALTERNATIVE EDUCATION	489,589	667,173	634,406	181,859		

Alternative Education is the title given to programs outside of our traditional schools. The FY26-27 Budget of \$0.18M is down \$0.45M or 71.3% compared to the FY25-26 budget. The JDEP and B2B regional programs will be transferred to SOESD for 2026-27 and beyond.

This function has changed significantly in recent years from a Special Education function to Alternative Education programs and includes the Options, Options Jr., B2B, JDEP, and Medford Opportunity School (MOS). Staffing is being reduced by 4.38 FTE to a total of 1.13 FTE for FY26-27. This includes a 1.0 FTE reduction in Alternative Education, a 2.88 FTE reduction in JDEP, and a 0.5 FTE reduction in B2B.

The Options program is a classroom designated for high school students who have been expelled and/or require a smaller setting. Options Junior is a similar classroom for middle school students. The Juvenile Detention Education Program is a county-wide program for students who have been incarcerated and are in the juvenile detention building. Their education is continued in these programs until their release back to their neighborhood school.

CHARTER SCHOOLS	18,737,350	20,246,137	21,010,994	21,851,434		

Function 1288 provides for the pass-through of state school funding per Oregon Revised Statute (ORS) 338.155 and individual agreements with each Charter School. The Madrone Trail Public Charter School, Logos Public Charter School, Kids Unlimited Academy Public Charter School, and The Valley School of Southern Oregon are the four District-sponsored charter schools budgeted. Charter School ADMr is projected at 2,087 for the FY26-27 budget, equal to the prior year. Ongoing charter school contract negotiations could change this assumption.

Overall spending is projected to be \$0.84M or 4.0% higher at \$21.8M for FY26-27 based on higher \$/ADMw in the 2025-26 budget.

General Fund Detail Budget - 1291 English Language Learners

1291 English Language Learners Continued

The District's English as a Second Language (ESL) program represents 53.19 FTE across all funds. English for Speakers of Other Languages (ESOL) endorsed teachers (24 FTE) are assigned to all elementary, middle, and high school locations based on the number of students at each location. Staff focus on instructing students, using the English Language Development Curriculum and other supplementary materials, with the goal of English language acquisition for every student. There are 6.0 FTE EL Success Specialists, 2.69 FTE ELD Assistants, 12.5 ELL Educational Assistants, 1.0 ELL Success Specialist, 1.0 FTE TOSA, 1.0 FTE Family and Community Liaison, 1.0 FTE Lead Translator Interpreter, 1.0 FTE Secretary, 1.0 FTE Teaching and Learning Facilitator, 1.0 FTE Translator Interpreter, and 1.0 FTE Two Way Immersion Kindergarten teacher.

The FY26-27 Budget of \$5.7M is \$0.3M higher, or 5.6% primarily driven by wage increases. The software increase is due to replacing Rosetta Stone with Duolingo. There is also a 2-year contract for the Flashlight360 renewal.

Year	ELL Count	ELL % of ADMr	1 Year Change	2 Year Change	3 Year Change	4 Year Change	5 Year Change

The Pregnant and Parenting Teen (PPT) program is located at the North Medford High Early Learning Center (ELC), formerly called the Child Development Center (CDC). Enrollment in the program is not mandatory for pregnant and parenting teens and there is no waiting list. The PPT program serves students from school districts across Southern Oregon and helps achieve multiple objectives including: 1) helping pregnant students graduate from high school or obtain a GED; 2) helping students pursue a high school pathway and take college articulated coursework; 3) providing childcare services both for students with children and the community at large; 4) teaching healthy lifestyles and parenting skills; and 5) educating high school students on child development. They serve an average of 10 teen parents, 14 preschool aged children, and 18 pre-education students.

The ELC is a vital piece for our NMHS Pre-Education Pathway and education courses. The program is articulated with Rogue Community College's Early Learning and Elementary Education Program. Any student has the opportunity to take numerous levels of education courses, along with some field experiences courses in our ELC. Students who complete the program are eligible for 13 college credits which awards them a basic certificate in Early Childhood Education upon graduation. There are Federal block grants, and the State Department of Human Services support payments and local Preschool user fees to help fund the PPT program.

HOMEBOUND INSTRUCTION	51,198	49,390	226,727	234,463		

Homebound teachers are assigned on an as-needed basis to students who, for one reason or another, cannot attend school. Students who typically require homebound instruction include students with medical conditions that cannot be accommodated at school, teen parents, students with behavior issues that cause them to be a danger to themselves or others, students who are awaiting alternative placement, and expelled students who may need this option. Spending in FY26-27 is roughly flat from the prior year. There is no FTE designated to this function. Temporary labor is used on an as needed basis by licensed staff for students who currently need homebound instruction, which fluctuates throughout the year.

A new program of choice, Homeschool Connection was launched in the 25-26 school year. This program aims to partner with families and offer a hybrid model that supports at home distance learning with a parent while providing families access to resources, materials and personnel from the school. A Learning Coach will be assigned to the family. There is 1.0 FTE for this function, but FTE could increase if increased enrollment warrants.

General Fund Detail Budget - 1297 At-Risk

SUMMER SCHOOL	266,344	232,187	202,184	187,068		

The budget for the Summer Programs for FY26-27 is \$0.18M in the General Fund. There will also be a state summer school special revenue grant this year (included as part of page 109). The Summer Programs provide critical additional support for students who are credit deficient, in need of additional support, or to complete graduation requirements. Students will continue to have access to credit recovery options and targeted interventions based on each student's specific needs. Students can use this option to graduate on time with their class cohort. The summer program also includes Panther and Tornado Camp which is a two week period for incoming freshman students in need of academic confidence and support as they transition to high school. We also have week long bridge programs for 5th graders moving to middle school to support their transition from elementary to middle school. Additionally, we offer a Kindergarten Jumpstart program, aimed at preparing our earliest learners for kindergarten. They focus on routines and procedures, literacy, and building confidence for their first experience in school. This program is very well attended each year.

There are no full time FTE dedicated to this function, instead is staffed with existing employees who choose to work during the summer. There will be administrative presence during the Summer Programs at all sites as well as classified support staff. During the summer sessions, schools will be open for four to five hours each day.

-------------------------------	-------------------	-------------------	-------------------	-------------------	--	--

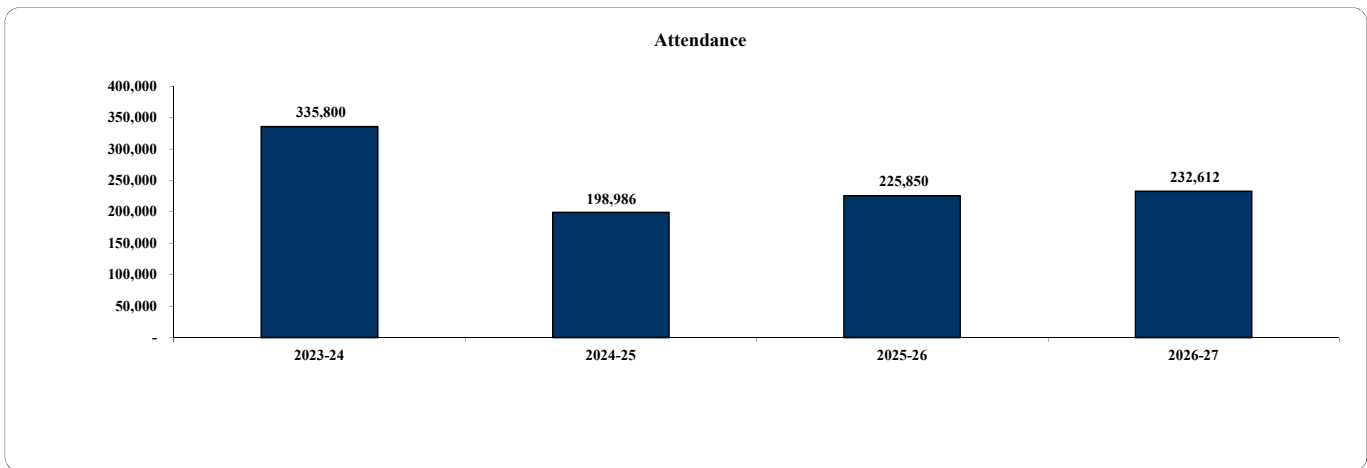

Spending for the Student and Staff Support functions are budgeted at \$74.1M for the FY26-27 Budget, up \$3.1M (4.6%) from the FY25-26 Budget. Across all funding sources the FY26-27 Budget is 114.3 FTE, which is 1 FTE less than the prior year due to a decrease in function 2213, Curriculum Development.

Spending variances compared to the prior year's Budget for each function are described in the following pages.

Function 2115 provides law enforcement support for enhancing student safety in partnership with the Medford Police Department (MPD) for School Resource Officers (SROs) and School Marshals.

Safety and security are shared values in our district and always a top priority. This function has a total of 1.0 FTE.

Our SROs are based out of our high schools and middle schools. They also have coverage responsibilities in our elementary schools as well. Our Marshals are dedicated to elementary school security and work closely with the SROs. The District and MPD work closely with the Jacksonville Police Department, Jackson County Sherriff's Office, and the Oregon State Police to serve the schools located outside of the Medford Police Department's service area. Each of the local emergency service agencies noted above, as well as the local fire departments, work together with the District's Security Department for all types of emergency preparedness and response.

OFFICE OF THE DEAN	469,481	469,000	494,493	517,439		

The budget for Office of the Dean is \$0.5M. The total FTE in this function is 3.0 with one dean at each middle school.

During the critical developmental stages in middle school, highly qualified student deans are utilized to maintain a safe and orderly educational environment. Deans (one per middle school) are involved in master scheduling and managing student schedules, student behavior support, and provide communication links to the home. They also provide much needed supervision during school and after-hours at school events.

SPEECH AND AUDIOLOGY	3,287,911	3,566,657	4,311,470	4,587,694		

Function 2150 provides support services to Special Education students across the District, including the identification, assessment, and treatment of students with speech, hearing, and language impairments. There are currently 1,406 students who receive speech-language services. The District contracts with Presence Learning for online speech and language services. This amount is highly variable and dependent on the number of available Speech Language Pathologists (SLP's) for hire. If MSD hires more SLP's, then this number with Presence Learning will decrease.

The FY26-27 Budget of \$4.5M is \$0.27M or 6.4% higher than the FY25-26 Budget. This fluctuates based on the ability to recruit qualified staff. There is an \$0.15 M increase in Professional Services to serve the projected need as well as cover a new contract with the Stepping Stones program. Staffing for FY26-27 is equal to last year at 22.2 FTE across all funds.

STUDENT SUPPORT SERVICES	817,273	904,052	1,119,128	1,221,006		

Function 2190 provides SpEd support services across the District. Activities include the direction and management of Special Education programs and other student behavioral support. Professional Growth is to cover expenses for COSA SpEd & Law Conferences, Transition Conferences to support students ages 18-21, SynergySE Conference and Assistive Technology Training. The FY26-27 budget of \$1.22M is up \$0.10 M or 9.1% when compared to the FY25-26 budget. About half of the spending increase due to the previously noted professional development plus \$15K for settlements and judgements. The other half is due to COLA and STEP increases and the associated payroll costs on those increases. Total staffing across all funds is 6.0 FTE. While the total FTE is the same as the amended budget, there has been a shift of roles within the FTE. There will be a reduction of 3 FTE Coordinator positions replaced with 1 FTE Assistant Director, and 2 SpEd TOSA's.

Function 2212 is for differentiated professional development for teachers. Per the Medford Education Association (MEA) Collective Bargaining Agreement, all bargaining unit members are allocated \$75 (increased from \$50 in prior years) for in-service use each contract year. Additionally, MEA bargaining unit members may also access tuition reimbursement for a portion of the tuition fee for courses directly related to the employee's instructional assignment. Spending is expected to be flat to the current year. There are no FTE in this function.

Function 2213 supports K-12 District initiatives for the improvement of instruction through ongoing curriculum development. FY26-27 spending is \$0.21M, 0.028M higher than the FY25-26 Budget. This function fluctuates from year to year based on the specific curriculum needs. The budget for textbooks includes annual textbook replenishment. Computer software includes ongoing hosting fees, and other tools for students to access curriculum.

Staffing across all funds for FY26-27 is 1.0 FTE (housed in the SIA grant), which is 1.0 FTE lower than FY25-26.

Function 2221 is for activities involved in the direction and management of educational media services used by teachers. This includes printed instructional materials and Destiny (our library information system) which includes digital reading resources, online digital library book access for students and teachers, and audio and video tools for recording real-time teaching. The Instructional Media Center (IMC) processes printed instructional materials, which includes barcoding and labeling, adding them to our digital library catalog, and covering them with a protective coating so they are shelf-ready.

Function 2222 includes staff, services, books, periodicals, technology, supplies, and other resources for school libraries. Each of our schools has one Media Center Technician (except the comprehensive high schools who have two) and the support of the certified K-12 District Library Media Specialist.

FY26-27 Budget spending is \$1.78M. Staffing is 22.47 FTE, which is flat to the prior year. Goals for this function include creating a captivating and sustainable vision for MSD schools' media centers that increase student and class visits to our media centers and creating a system that supports and teaches Oregon Schools Library Standards.

Function 2240 supports activities designed to train licensed and non-licensed staff in the use of District instructional resources and best teaching practices to improve instruction and support curriculum adoption. This function includes training for new teacher orientation as well as a contract with the ESD to hire experienced teachers to mentor new teachers who join the district. The FY26-27 Budget of \$0.5M is lower than the prior year by \$0.1 M or 15.5% due to year to year variation in need to support staff/curriculum implementations. There is no designated staffing in this function.

The communications and community engagement office supports schools and students by coordinating communication and engagement with families, staff, and our community. The team is the primary point of contact for the news media and manages all District and school websites and social media. It also coordinates direct family engagement and community-wide events. MSD values the input of staff, families, and community members. The communications department works to gather feedback from all stakeholders using a variety of mechanisms. The communications department also produces publications and videos, and keeps families and staff up-to-date on the latest District news and information using a mass notification system. Professional services includes signs for the District to help inform the public of events as well to keep buildings up to date. Spending and staffing in this function are essentially equal to prior year. This function includes 3.4 FTE, which is flat compared to the prior year.

Office of the Principal Continued

Function 2410 includes services, supplies, materials, and staff to support the principals and assistant principals at all 21 Medford non-charter schools. Spending for the FY26-27 Budget is \$12.7M, which is an increase of \$0.74M or 6.1% versus the FY25-26 Budget, primary due to a 4.25% increase in COLA. Staffing across all funds is 105.22 FTE, which is flat to the prior year.

General Fund Detail Budget - 2544 Maintenance Services

2544 Maintenance Services Continued

Function 2544 includes services, supplies, equipment, utilities, materials, and staff necessary to maintain and repair all District schools, auxiliary buildings, and grounds across 23 sites with 1.95 M square feet of facility space and over 279 acres of grounds. Spending in the FY26-27 budget is \$12.3M, \$0.43M (3.6%) higher than the FY25-26 Budget. This is mainly due to an increase in utilities, insurance premiums, and increased supplies prices. Rental Expense includes rentals of lifts, tractors, and porta potties. There is a reduction in Rental Expense due to the move of district staff to the Oakdale Middle School building, and there no longer being the lease for the Biddle property. Water and sewer rates are expected to increase 10%, electricity is expected to increase 5%, and garbage 3%. See pp. 115-119 for more information about capital projects.

Staffing for FY26-27 is 31 FTE, which is -1.0 FTE less than the current budget due to the elimination of a vacant position. This is due to a resignation in a position that will not be refilled.

General Fund Detail Budget - 2545 Vehicle Maintenance

Object Description	2023-24 Actual	2024-25 Actual	2025-26 Amended	2026-27 Proposed	2026-27 Approved	2026-27 Adopted

Function 2550 includes a service agreement with First Student to provide all home-to-school transportation activity, as well as non-charter athletic transportation services. This is the gross expense for the District. The state revenue allocation includes a 70% transportation grant reimbursement for home-to-school transportation activity, as well as curriculum related travel. The FY26-27 Budget of \$7.3M is up \$0.25M (3.5%) due to the expectation that bussing will resume close to the prior year. The Safe Routes to School position was eliminated in FY25-26.

Note: O.T.H.T.S = Other Than Home To School

HUMAN RESOURCES/EMPLOYEE SERVICES	1,818,079	1,542,867	1,851,787	1,806,212		

Function 2640 is for the direction and management of all personnel and employee services. This includes services, supplies, advertising, software, and staff necessary for the recruitment, monitoring, placement, and pay assignment of all employees. It also includes bargaining, administrative assistance, and contract management. Professional services includes contractual work from outside agencies for employee and volunteer background checks, employee drug screens and consultant fees to assist with some investigations. This object has a decrease of \$200K due to the non-renewal of VIDA and Vitality, a prior benefit offered to employees. Software includes: Perform, Records, Recruit and Hire and Frontline Education. \$25K is budgeted in Legal for the Hungerford Law Firm and Garrett Hemann Robertson for addressing employee relations issues. The FY26-27 Budget of \$1.81M is - \$0.05M lower than the prior year primarily driven by the previously noted decrease in professional services partially offset by COLA and STEP wage increases and increases in the associated payroll costs on those increases. The FY25-26 year included some vacancy savings in staffing for partial year vacancies in 2025-26. Staffing across all funds for FY26-27 is 9 FTE, which is flat to the prior year.

Function 2661 includes costs associated with ongoing computer applications and data services for MSD. Several software solutions for the District’s financial, accounting, human resources, student information, and Oregon Department of Education reporting needs are maintained by this department. The primary driver of costs incurred for this area are annual software maintenance expenses for the core software applications of the District. The District also contracts out for mailing services, special forms, confidential document destruction, and other external services managed by this department.

This function is responsible for selecting, implementing, and maintaining various software applications including but not limited to: Synergy Student System, Blackboard messaging, PowerSchool Business Plus ERP, and UKG Timekeeping. A combination of IT and NTS is on pp. 97-99.

FY26-27 spending of \$5.1M is roughly flat to the prior year. Staffing across all funds is 31 FTE, which is -2.0 FTE less than the prior year. This is due to the elimination of two vacant positions.

Function 2669 includes services, supplies, equipment, software, and staff necessary to design, install, and maintain District network, telecommunication, and security systems. The increase in software is due to the 3 year renewal for the Cybersecurity Incident 24/7 Response Service. Software includes: Adobe and Microsoft licensing, Active Directory Management, software for "password management," the phone system, security firewall, and many other services that are used to keep every school, as well as the District office, up and running technologically. The \$210K in Professional Services is for contracted work for new cameras and additional network wiring.

This page summarizes the spending in both 2661 and 2669 functions. Spending is higher due to higher hardware and software expenses. There are multiple year leases and Subscription Based Information Technology Agreements (SBITA) agreements being fully expensed beginning in 2023-24. IT and NTS are not two separate departments. Instead, there is one single department called IT with three divisions:

- IT - Applications and Data Services
- IT - Infrastructure and Network Services
- IT - Helpdesk

General Fund Detail Budget - 2700 Early Retirement

Object Description	2023-24 Actual	2024-25 Actual	2025-26 Amended	2026-27 Proposed	2026-27 Approved	2026-27 Adopted
Early Retirement Stipends	539,000	500,000	621,484	638,400		
SALARIES & WAGES	539,000	500,000	621,484	638,400		
Social Security	32,079	29,435	56,631	39,581		
Medicare	7,664	6,884	13,244	9,257		
Workers Compensation	-	-	-	2,949		
Unemployment	1,199	113	-	-		
Oregon Paid Leave	2,052	1,872	-	-		
Post Retirement Healthcare	599,050	589,214	493,112	506,308		
BENEFITS	642,045	627,518	562,987	558,095		
EARLY RETIREMENT	1,181,045	1,127,518	1,184,471	1,196,495		

The Early Retirement function includes costs for one time stipends, district paid healthcare associated with the District supplemental early retirement program provided to qualified District retirees, and retired employee paid healthcare. These benefits are in addition to the state Public Employees Retirement System (PERS) benefits. Expenditures for FY26-27 are projected to be \$1.1M. Approximately \$0.64M, including fringe benefits, is budgeted for the one-time early retirement stipend program and \$0.5M for healthcare (see paragraph below for details). How much is spent in total in this function can vary higher or lower significantly based on the timing of when employees choose to retire.

The District paid early retirement healthcare benefit has been sunsetted for all employees who started after 2006. There are different levels of benefits depending on the bargaining group for those who started before 2006. The 2020-21 fiscal year was the last year for district paid retiree healthcare eligibility. For those who qualify for this benefit and retire in FY21-22 or later, there is a one-time stipend based on years of service at June 30, 2012. The maximum one-time stipend is \$56,000 per retiree. The amounts and terms vary by employee group and years of experience at June 30, 2012.

Per Oregon law, retirees may choose to buy healthcare services from the District at the average full cost of each plan offered until they become eligible for Medicare.

General Fund Expenditures- Community/Facilities/Debt & Transfer Functions

Total General Fund Transfers Out to Other Funds is down \$3.46M due to the reduction of the amount transferred to the project reserves fund (p. 115). The General Fund is budgeting to transfer a total of \$8.488M, which will be distributed as follows: \$5.178M to the Project Reserve Fund to fund Maintenance and Repairs, technology Hardware, and Curriculum (p. 19), \$0.575 to Special Revenue Secondary Athletics (p. 112), \$0.29M to partially fund the Physical Education Expansion (PEEK) (p. 111), \$0.025M for State and Local Programs (p. 109), \$1.25M for Chromebook Reserves fund (p. 121), and \$1.17M to Debt Service (p. 129). The detail of these transfers can be found in the green Special Revenue section starting on p. 105.

Special Revenue Resources/Appropriations are projected at \$72.0M for FY26-27, an increase of \$7.3M (11.3%) from the FY25-26 Budget, mainly due to increased NMHS Gym Rebuild activity partially offset by lower Project Reserves activity and smaller variances among the other grants. See the following pages for more details on each program or grant.

Federal Program grant revenues are projected at \$10.0M in the FY26-27 Budget, which is \$0.48M (5.0%) higher than the FY25-26 Budget. Over 80% of the grant monies are awarded in two areas: IDEA and Title I. A description of the District's two major Federal Programs are described as follows:

IDEA - Under the Individuals with Disabilities Education Act (IDEA), federal Special Education funds are distributed by the state through three grant programs. Part B of the law, the main program, authorizes grants to state and local education agencies to offset part of the costs of the education needs of children with disabilities 5-21 years of age. The purpose of special education is to provide a Free Appropriate Public Education (FAPE) to eligible students at public expense, under public supervision and direction, at no cost to the parents, and in conformity with an Individualized Education Program (IEP). Special Education services include specially designed instruction, related services, and supplementary aides designed to meet the unique needs of a child with a disability. The District's December Special Education Child Count for 2020-21 was 2,117, 2,147 for 2021-22, 2,124 for 2022-23, 2,211 for 2023-24, 2,317 for 2024-25, and 2,382 for 2025-26.

The following Special Education services and programs are offered in MSD: (Note: This is not the same as the total child count above because some students can be in more than one of the programs below.)

<u>Program/Service</u>	<u>Students Served in FY25-26</u>	<u>Students Served in FY24-25</u>

Special Revenue Funds - Federal Programs

Federal Programs Narratives Continued

FEDERAL PROGRAMS IN THE ELEMENTARY AND SECONDARY EDUCATION ACT

Title I-A – Improving Basic Programs
Title I-C- Migrant Education
Title I-D – Neglected and Delinquent or At-Risk Children
Title II A – Teacher Quality
Title III – English Learners and Immigrant Youth
Title IV – Student Support and Academic Enrichment

Title I-A: Improving Basic Programs

The purpose of Title I-A funding is to ensure that all children have a fair and equitable opportunity to learn and achieve. Title I-A funding is a supplement to District and school resources to ensure our economically disadvantaged students receive a high quality education. It may not be used to supplant General Fund dollars.

The District funds are expended as authorized or required by federal and state law. Below is a narrative describing the purposes of the District set-aside funds and a brief summary of the planned expenditures:

Administration and Leadership. This set-aside supports District administration of the Title I-A program. This includes a portion of FTE of Federal Programs & School Improvement Executive Director, Systems Analyst II, Family Outreach Liaisons, and an Administrative Assistant. Additionally, Title I-A funds school administrators to support the MTSS process at Title I-A schools that do not meet the minimum enrollment requirements for an assistant principal.

Extended Time for Learning. Extra hours for contracted services to provide licensed teachers and classified staff to provide after-school programs at Title I-A schools.

Homeless. This required set-aside support services for homeless students in all District facilities. The District provides academic support to homeless students in non-Title I buildings from this required set aside. Expenditures include support of 5 family case workers through Maslow Project and 1.0 FTE for a District Foster Care & McKinney-Vento Liaison specialist. The District Foster Care & McKinney-Vento Liaison directly supports reengagement in school and attendance supports.

Parent Involvement. This is a required set-aside in the amount of 1% of the total allocation to implement effective Parent/Family Involvement. Each of the Title I-A schools receives a portion of the parent involvement funds based on a per-pupil amount.

Neglected Funds. This required set-aside provides licensed staff to provide quality education to students in the Bridges to Barriers program. This program is for students who meet the federally defined requirements of “neglected youth.”

Equitable Services for Private Schools. Private schools that opt-in for Title IA services receive a portion of this set-aside amount for professional development and direct interventions for reading and math instruction in the targeted assisted setting. This amount varies per year and is determined in the fall of each school year. Funding is dependent on enrollment numbers in each school that opts into services.

A portion of Title I funding is allocated directly to each qualifying Title I-A school. Schools are funded by a rank-order based on poverty and grade bands. The school funds are expended in accordance with the school-level Title I-A plan.

Title I-C – Migrant Education

Medford School District is part of the Southern Oregon Education District Consortia and does not receive money directly. These dollars are based on the number of students identified by the SOESD as migrant eligible. In order to qualify for services, children must have moved within the past three years, across state, or school district lines with or to join a migrant parent or guardian who is seeking to obtain qualifying temporary or seasonal employment in agriculture, fishing, or dairy. Title I-C funds provide support staff for migrant families across all schools, including parent engagement, registration for after school and summer school experiences, and translation and interpreting services. The Migrant Education Parent Advocacy Committee makes recommendations to that budget.

Title I-D: Neglected and Delinquent or At-Risk Youth

The purpose of Title-ID funds are to support educational services provided within the Juvenile Services center. These funds pay for a FTE licensed teacher to provide instruction in reading, math and English Language services (if needed) and classified support.

Additional funds, if available, are spent on providing student programs such as Career and Technical Education, training for staff in technology and career education, and online programs for career and transition readiness.

Special Revenue Funds - Federal Programs

Federal Title Programs Narratives Continued

Title II-A: Teacher Quality

Title II-A funds focused on providing leadership and instructional coaching in the school-wide implementation of the Medford School District Instructional Model. To this end, teacher quality is the focus of Title II-A funds. Curriculum supports K-12 are illustrated by providing mentoring support, a New Teacher Support, Teacher on Special Assignment, Teaching and Learning Facilitators at the district and middle school levels, and on-site professional development.

Equitable Services for Private Schools. Private schools that opt-in for Title II-A services receive a per pupil amount as set by Oregon Department of Education.

Title III: English Learners and Immigrant Youth

Title III funds ensure English learners, including immigrant children and youth, attain English proficiency and develop high levels of academic achievement in English. To this end, Title III supports newcomers to the district, including educational assistants, teachers, principals, and other school leaders in establishing, implementing and sustaining effective language education programs. In addition, Title III promotes parental, family and community participation in language instruction education programs.

English Language programs across the district are supported by a Teacher on Special Assignment to support students in English Language programs. In addition, 1.5 FTE, split between the two comprehensive high schools and blended with general fund, supports students in Newcomer programs by facilitating parent involvement and assisting with transitions into and out of high school.

Title IVA : Student Support and Academic Enrichment (SSAE)

The purpose of the SSAE grant program is to improve students' academic achievement by increasing the capacity of states, LEAs, schools, and local communities in three areas: providing a well-rounded education, improving school conditions for a healthy and safe school environment, and increasing technical and digital literacy of students.

MSD provides all students with access to a well-rounded education through district-wide programs. These include a MKV Transportation Coordinator and a lead Teaching and Learning Facilitator. To improve school conditions for students, a portion of the FTE of our Student Wellness Director oversees safe and healthy schools. This includes supports for physical education programs, student health and wellness policies and providing K-12 counseling programs. This position also engages with community partners to support the health and well-being of students.

Technology integration and curricular support is provided by a Teacher on Special Assignment. This meets the federal requirement of technology support for this Title program.

Systems Analyst II supports well-rounded schools and district compliance, and a portion of the Family Engagement Liaisons support healthy and safe schools and well-rounded education.

Equitable Services for Private Schools. Private schools that opt-in for Title IV-A services receive a per pupil amount as set by Oregon Department of Education.

The FY26-27 Budget for Other Federal, State, and Local Programs includes the Food Service Capital Reserve and several smaller, mostly local grants. This includes, but is not limited to: Oregon Community Foundation, Medford Schools Foundation, Aspire, Project Dove, Anna May, Fred Meyer, summer school grant, and West Foundation. This area also includes state Summer School and English Learner Outcomes Program (ELOP) grants. For the Adopted budget for 2026-27, the \$0.3M or 10.6% decrease in resources due to a smaller beginning fund balance.

Special Revenue Funds - PERS Reserves

This fund represents the PERS reserve that was originally setup to partially offset large rate increases in the PERS rate over the 2017-19 biennium and beyond. In FY26-27 there will be a transfer of \$0.55M to the General Fund. This fund has approximately three years left of transfers at the current rate. The graph below shows future expected Oregon PERS benefit payouts over time. Benefit payouts are currently projected to peak in the year 2052.

Special Revenue Funds - Physical Education Expansion (PEEK) Grant

This page shows the Physical Education Expansion (PEEK) Grant. The District expects to be awarded the PEEK Grant again for the FY26-27 school year, in the amount of \$250K. We will be notified regarding the FY26-27 school year in the summer of 2026.

Background

The source of statewide funding for the PEEK grant is from the tobacco settlement monies that were allocated to Oregon.

- The tobacco settlement money is allocated by a separate committee.
- This grant is competitive and was intended to be seed money to get Districts up and running with the idea that the District (over time) would take over funding of their own PE programs.
- It is anticipated that the tobacco settlement money will continue in the next biennium (although there is less certainty about the amounts noted above).
- It is anticipated that more school districts will apply for this grant in the next biennium, based on the current trend and the required minutes of PE instruction per grade level. We are predicting getting less money next year and the year after. Thus far, the Medford School District has received the most funds from this grant.

Special Revenue Funds - Secondary Athletics

Secondary Athletics includes revenues and expenses other than the coaching stipends that are paid for by the General Fund (GF) in function 1122 (p.37) and 1132 (p.41). In FY26-27, the GF will transfer \$575K to help support this fund. Other revenues are received from admission fees to games and participation fees from athletes.

Other revenue sources include athletic participation fees, and except for football participation fees, these have remained unchanged for several years. The Medford School District has worked to keep the cost of participation fees down for families and remain some of the lowest in our area. Admissions fees have remained consistent with what other schools in our conference charge.

In an effort to increase safety for football, secondary schools are leasing helmets as opposed to purchasing them. This will have more upfront cost, but will eliminate the need for reconditioning helmets. The lessor will provide the reconditioning on an annual basis and will provide helmets that are not older than five years. This will keep athletes in newer technology with a higher standard of care.

Special Revenue Funds - Food Service Operations

Total requirements are up \$0.024M or 0.3% from the prior year. The \$0.5M in Capital Outlay for FY26-27 is for outdoor eating area improvements at various locations.

MSD food services are provided for students by Sodexo, Inc. The majority of the anticipated requirements or expenditures are reflected in Purchased Services, which is primarily comprised of Sodexo’s fee to the district, which includes all food, supplies, and labor that go into providing individual meals. The remainder of the expenditures is in Supplies and Materials, which is used primarily for commodities. This is required to be accounted for separately and the value is reimbursed to the District by Sodexo as received, and in Capital Outlay, which is primarily used for anticipated replacement of kitchen hardware.

Sodexo serves approximately 1,700,100 meals and equivalent meals per year to students across all 21 school locations. Meals are calculated on the following contractual basis, set by ODE: Lunch and Supper = 1/1, Breakfast = 2/1, Afterschool Snacks = 3/1, Equivalent meals = \$4.99/1.

At this time costs are offset by federal sources and daily sales. The Federal Sources are from the USDA National School Lunch, Breakfast, and Afterschool Snack Programs. If additional resources were needed to cover costs, those resources would come from a transfer from the General Fund.

Special Revenue Funds - Seismic Upgrades Grant

The MSD has seismically upgraded several facilities, but does not have a grant or plans to do so in FY26-27. In 2016-2017, we worked closely with local engineers to develop a districtwide seismic assessment to assist with prioritization and focus resources appropriately. In 2019, we updated the District seismic assessment to further focus our efforts.

Oregon Revised Statute (ORS) 455.400 states, “subject to the availability of funding, all seismic rehabilitations or other actions to reduce seismic risk must be completed before January 1, 2032.” This is no small undertaking and requires a concerted effort and a comprehensive plan. Seismic upgrades take time and significant funding. In terms of strategy, we can accomplish this task through new construction, in conjunction with on-going projects, and/or retrofit.

Two important terms to understanding seismic rehabilitation:

- Life Safety means that a building may be damaged beyond repair during an earthquake, but people will be able to safely exit the building.
- Immediate Occupancy means that not only will the building remain standing after an earthquake but emergency services will be able to continue to operate and provide services.

In addition to the extensive upgrades completed districtwide during the last bond, we have been awarded SRGP funding for several sites over the last seven years. We have completed work at Washington (\$270,000) in 2011, Ruch (\$1,477,100) in 2017, Griffin Creek (\$1,498,160) and Howard in 2018 (\$1,498,690). SRGP grants are not always large enough to upgrade a whole campus; however, this work allowed us to bring several buildings up to life safety standards and bring the Ruch and Howard gyms up to immediate occupancy standards. Work at Hoover was completed in December of 2019 with a \$1,498,345 grant and the District matched the grant funding with an additional \$462,000 to bring the whole campus up to life safety standards and the gym and cafeteria building up to immediate occupancy standards. Using District funds to match the grant funding allowed for the campus to be upgraded in its entirety, with one mobilization, and minimized the level of inconvenience to the school’s education process. The match funds were again used in 2021-2023, when the Oakdale gymnasium was updated to immediate occupancy standards (\$2,499,070) + \$800,000 from the District General Fund.

The Jacksonville Elementary Phase I seismic upgrade began in June 2023, and was completed in August of 2023. The entire campus was updated to immediate occupancy standards when Phase II was substantially completed in September of 2024. This project was accomplished through \$2,499,070 in SRGP funding and \$600,000 in match funds from the District.

In the Fall of 2024 the MSD was awarded SRGP funding for a seismic retrofit of Griffin Creek Elementary. These funds will fully cover the cost of bringing classrooms 1-8, the Kindergarten wing, and the cafeteria areas up to immediate occupancy standards, with no need for additional district funds. This project was completed in September, 2025.

MSD will continue to work toward accomplishing all life safety and immediate occupancy seismic goals in the years to come.

The Project Reserves Fund is dedicated primarily for curriculum, computer hardware, computer software, large facility repair and maintenance projects, and reserves. The fund is budgeted to receive a \$5.178M transfer from the General Fund in FY26-27 for these purposes. The fund includes a \$20K transfer from the General Fund, which is reserved for future turf replacement at Spiegelberg Stadium. The fund is forecasted to receive Construction Excise Tax (CET) receipts estimated at \$0.83M and Public Purpose Charge (PPC) receipts estimated at \$0.47M. PPC credits are earned for energy savings projects implemented and approved by the Oregon Department of Energy. Most of the PPC credits were earned during the 2006-2012 bond construction and are coming to an end in the next few years.

Year over year requirements are down -\$6.43 M or -47.2% due primarily to two unusually large one-time capital projects for SMHS track and field and Innovation Academy classroom buildout.

This section describes the three areas that are funded under Project Reserves: Curriculum (\$1.75M) for World Languages, Network and Telecommunication Services (\$0.893M), and Facilities (\$3.921M), which are described in detail in the following pages.

Special Revenue Funds - Project Reserves

Capital and Repair and Maintenance Projects Planned for FY26-27

Special Revenue Funds - Project Reserves

Capital Repairs Fund Narratives

Capital and Repair and Maintenance Project Narratives FY26-27

Furniture

Furniture Replacement Cycle – Administration (\$100,000)

Furniture replacement cycle funds for Administration \$5,000, Elementary Schools \$45,000 and Secondary Schools \$50,000

Site Improvements

Washington Parking Lot (\$250,000)

The Washington site needs additional parking spaces. This project will create twenty-four additional spaces where the Pre-K playground was located. The parking area will be code compliant, adding required green space and lighting.

Lone Pine Parking Lot (\$210,000)

The Lone Pine primary parking lot is in need of repairs. These funds will be used to repair and seal the existing parking area and re-apply appropriate paint lines.

Hedrick Roofing (\$154,000)

The entire Hedrick campus is in need of a new roof. We have identified the most deficient area to be the east roof paralleling Keene Way. This project will replace the current roof that was installed in 2008 with a new membrane roof including a No Dollar Limit (NDL) 20 year warranty.

North Roofing - Science & Graphic Arts Building (\$340,000)

Both of these buildings show significant signs of cracking in the roofing material. This project will replace the current roofs that were installed in 1990 and 2000 respectively, with a new membrane roof including a No Dollar Limit (NDL) 20 year warranty.

Columbus Warehouse Roof (\$146,000)

The District Warehouse has several leaks that could potentially damage items stored there. This project will remove the old roofing that was installed in 1985, and replace it with a new membrane roofing material that includes a No Dollar Limit (NDL) 20 year warranty

Jackson Track (\$125,000)

These funds will be used to replace Jackson Elementary's deteriorated track. The current track has degraded to little more than gravel. The track area will be re-graded and prepared for asphalt with an upgraded substrate.

Griffin Creek Restroom Upgrades (\$35,000)

These funds will be used to resurface the floors and replace the damaged stall panels in the boys and girls restrooms adjacent to room 25.

ADA Upgrades - North (\$200,000)

A recent ODE assessment of the District's ADA compliance at North produced a list of upgrades that need to be addressed. Most of the items pertain to Accessible parking spaces and path of travel from these spaces to the building entrances. Others will be included in the gym rebuild. One item that will account for most of these funds is an ADA accessible path to the new Field House.

HVAC Equipment Replacement (\$50,000)

These funds will be used to replace antiquated rooftop equipment.

Parking Lot Lighting (\$100,000)

In an effort to create safer parking areas, these funds will be used to add LED lighting to the parking lot at Jacksonville Elementary.

Lone Pine Security Vestibule (\$91,050)

These funds will cover the cost associated with the addition of a security vestibule at Lone Pine.

Special Education Facility Upgrades \$250,000

Facility upgrades necessary to house MAPS and FOCUS classes at various school locations

Long Beam Span Inspection & Repairs (\$1,800,000)

Second year of long beam span inspection & repair as required by insurance

Abraham Lincoln Track (\$70,000)

The ALE PTO has raised funds to replace their existing track. The project consists of removing the existing and replacing the asphalt with minimal work done to the substrate.

Total Capital Repair and Maintenance Projects FY26-27	\$	3,921,050
--	-----------	------------------

Special Revenue Funds - Project Reserves

Network and Telecommunication Projects Planned for FY26-27

Description	JL or PO	Dollars	Manager
Computer Replacements	27PRRFCR00	254,700	Brabham
Security Camera Replacements	27PRRFSC00	320,000	Brabham
Copier Replacements	27PRRFCC00	118,000	Brabham
Projector Additions and Replacements	27PRRF PJ00	200,000	Brabham

Total Network & Telecommunication Projects FY26-27 892,700

Computer Replacement (\$254,700)

Computer replacements for school and district level administrative computers, after replacing teacher computers at all schools the previous two years.

Security Camera Replacements (\$320,000)

Ongoing replacement plan of security cameras, replacing aging cameras not included in initial upgrade and adding additional cameras based off of security assessments.

Copier Replacements (\$118,000)

Replacement of the oldest production copier in Print shop.

Projector Additions and Replacements (\$200,000)

Installation of interactive short-throw projectors in non-core classrooms and replacement of the oldest projectors.

Total IT Infrastructure Projects FY26-27 \$ **892,700**

Special Revenue Funds - Project Reserves

Curriculum Spending Plan

Curriculum is aligned, reviewed, and updated on a seven year cycle. During the school year, prior to reviewing instructional materials, the District K-12 teams align standards and learning targets. As part of the process, teams also review open source materials and integrated technology needs. Professional development is provided to all teachers in the content area when new materials are adopted. The state allows districts three options: adopt new materials from the state-approved list, maintain current materials, or complete an independent adoption.

MSD Adoption Cycle Plan (based on the [Oregon Adoption Cycle](#))

Year	Phase 1: Curriculum Alignment, Curriculum Identification & Planning	Phase 2: Training, Purchase and Implementation Monitoring & Feedback	Phase 3: Full Curriculum Implementation with continued Monitoring, Evaluation & Feedback	Phase 4: Core Curriculum & Instructional Materials Evaluation & Feedback	Phase 5: Instructional Materials Renewal
2022-2023	K-12 ELA K-12 ELP				
2023-2024	K-12 Math	K-12 ELA K-12 ELP

	K-12 Social Science				
2026-2027	World Languages and the Arts	K-12 Science	K-12 ELA K-12 ELP	K-12 ELA K-12 ELP	
		K-12 Health and Physical Education	K-12 Math		
		K-12 Social Science			
2027-2028		World Languages and the Arts	K-12 Math	K-12 ELA K-12 ELP	
			K-12 Science		
			K-12 Health and Physical Education		
			K-12 Social Science		

Curriculum FY26-27

According to the adoption cycle, World Languages and the Arts instructional materials will be reviewed by teams of teachers for recommendation to the school board for approval. \$1,750,000.00 is currently budgeted in Curriculum expenditures for FY26-27. We will request that the board approved the expenditure and the materials will be implemented beginning August, 2027.

Making an investment in the highest quality instructional materials is vital to ensure a rigorous and engaging curriculum aligned to state standards and across all classrooms. The process to select instructional materials involves classroom teachers and administrators conducting a thorough review of Oregon State Standards, state approved materials, and evaluation against a rubric addressing rigor, accessibility for diverse learners, and alignment to state standards. Implementation of new curriculum includes professional development and ongoing instructional coaching.

Total Curriculum FY26-27 \$1,750,000

Chromebook Narrative

The District began setting aside \$1.25M each year starting in FY20-21 towards a new Chromebook Reserves account. Chromebooks cost approximately \$400 each and have an expected life span of six years. In past years, Chromebooks have been expensed out of the Special Revenue Projects Reserves Fund (pp.115-119) and the General Fund function Network and Telecommunication Services, 2669 (p.98). In January 2024 the District refreshed all student Chromebooks. In FY26-27 the number of Chromebooks remains static at 14,000.

In November 2016, Oregon voters passed ballot Measure 98 also known as the High School Success (HSS) Act. Coming on the heels of the Great Recession which resulted in deep cuts to Oregon public education, the High School Success Act aims to reestablish and expand Career and Technical Education (CTE), enhance college and career readiness, and significantly increase drop-out prevention services. The bulleted items below highlight Medford School District's High School Success investment priorities:

Career and Technical Education

- Continue development and expansion of CTE programs aligned with Rogue Valley workforce priorities: Construction Technology, Manufacturing, Health Science, Education, Computer Science/IT, Agriculture, Culinary, Engineering, Emergency Services, and Transportation
- Expand construction trades pre-apprenticeship (MPACT) training to include: Plumbing, Electrical, HVAC and Residential Carpentry
- Provide all high school students community-based, career training opportunities.
- Expand work-based learning opportunities for all CTE students including pre-apprenticeships, youth internships and integrated work-simulations
- Deepen and expand partnerships with industry employers and community colleges to facilitate CTE students' successful transition into the workforce or postsecondary enrollment
- Expand introductory level CTE courses into middle schools
- Maintain the FTE, equipment and learning resources needed to support MSD CTE programs

College Level Opportunities

- Develop a K-12 School Counseling framework based on the American School Counselor Association (ASCA) standards and Oregon's Framework for Comprehensive School Counseling Programs
- Support middle and high school counseling FTE
- Develop a Student Pathways Plan function within Synergy to document students' pathway selection and connect students' emerging career interests with related high school courses
- Provide tuition support for high school students enrolled in postsecondary courses and courses for industry recognized certifications or credentials
- Increase enrollment of historically underrepresented students in AP and other advanced coursework through regular, systematic monitoring
- Align and articulate MSD Pathways courses with postsecondary degree programs and courses.
- Provide professional development for engagement and retention of historically underrepresented students in college-level courses

Drop Out Prevention

- Provide RVTD bus transportation to increase student access
- Provide FTE and learning resources for credit retrieval
- Provide FTE and resources for youth suicide prevention services
- Support FTE for coordinated, case management services (Maslow Project) for houseless students under the McKinney-Vento Act
- Provide community-based mental health counseling services at each secondary school

For 2026-27 HSS will fund approximately 21.45 FTE

Measure 99 created an Outdoor School Education Fund from Oregon State Lottery Funds. The measure required that withdrawals from the State Lottery Fund cannot reduce lottery proceeds dedicated to the restoration and preservation of parks, beaches, watersheds, and native fish and wildlife. The Outdoor School Education Fund was designed to provide Oregon fifth- and sixth-grade students with an outdoor school program. The Oregon State University Extension Service assists in the administration of the funds.

MSD is given a dollar amount per student based on the length of each program, ranging from \$80 per student for three days (with no overnights) up to \$456 for six days (with five overnights).

Continued funding of this program is contingent on many factors at the state level and at the time of the adoption of the budget funding for 2026-27 has not been finalized but is expected to be below prior year levels due to cuts in funding.

Special Revenue Funds - Literacy Grant

Medford School District’s Literacy Plan centers around implementation of research based practices and implementation of all of the components of English Language Arts Instruction. Early Literacy and High Dosage Tutoring dollars will enable us to offer professional development and coaching, small group literacy intervention, and monitor our efforts with student growth assessment.

MSD Educators will undergo targeted professional development and coaching centered around evidence-based literacy strategies, designed to enhance literacy instruction and support them in the use of rigorous curriculum.

One way we assess student growth is by utilizing i-Ready Diagnostic. The i-Ready diagnostic is an individualized, computerized, adaptive assessment of phonemic awareness, phonics, high frequency words, vocabulary, comprehension of literature, and comprehension of informational text. The data is used to group students for Additional Targeted Instruction. It is also used to monitor district level systems’ health. (\$73K)

There is a budget for 4 FTE of Literacy Coaches will be funded from this grant to provide Professional Development and Coaching to staff for the implementation of the Medford SD Early Literacy Plan. (\$705K)

The Student Investment Account (SIA) is funded by a State Corporate Activity Tax (CAT) beginning with a partial year of funding in FY20-21. FY21-22 was the first year for full funding SIA. The funds are focused on improving the following student performance/metrics:

- On-time 4-year graduation and 5-year completion
- Ninth grade on-track rates
- Third grade reading proficiency rates
- Regular attender rates
- Other applicable local metrics

Allowable uses of SIA funds are broadly defined as:

- Expanding Instructional Time
- Addressing Student Health and Safety
- Reducing Class Size and Caseloads
- Providing a Well-Rounded Education

The District Summary Level year over year plan is shown on the following page. The SIA budget from the state has been in fluctuation and the District will adjust the allocated sources as needed. The SIA budget is expected to decrease in FY26-27, which is compensated for by transferring FTE from the SIA budget to the General and Title Funds.

Special Revenue Funds - Student Investment Account

Description	2025-26		2026-27

GRAND TOTAL	78.75	13,225,048.29	77.75	13,764,846.18

The SIA for FY26-27 is 4.0% higher than 2025-26. The 2026-27 SIA budget had to reduce 1.0 FTE due to this funding level not covering all cost increases, primarily driven by the assumption of a 4.25% COLA. Outside of this one change, the overall program is consistent year over year.

Special Revenue Funds - Elementary and Secondary School Emergency Relief Funds (ESSER) Grants

Elementary and Secondary School Emergency Relief (ESSER) funds are currently three separate Federal grants with a similar focus targeted to address the impacts that COVID-19 has had, and continues to have, on our educational community.

Acceptable uses of these funds are similar, though not exactly the same for all three grants, and they are defined in broad terms including, but not limited to:

- Other activities necessary to maintain the operation of and continuity of services in LEAs and continuing to employ existing staff
- Purchasing educational technology, which could include hardware, software, and connectivity, for students served by the LEA that aids in regular, substantive educational interaction between students and educators, including low-income students and students with disabilities
- Addressing learning loss among all students in all subgroups (20% of ESSER III)
- School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards and support student health needs (ODE agrees this also means the needs for additional instruction space)
- Providing resources for principals and others school leaders to address school-specific needs

The final ESSER III grant funding period ended 9/30/2024.

The District has one outstanding General Obligation Debt Bond issuance. The 2015 bonds refunded the majority, but not all, of the outstanding 2007A, 2007B, 2008 and 2009 bonds to reduce interest rates. The 2007A bond payments finished in 2016-17 and payments on the 2007B, 2008, and 2009 bond payments finished in fiscal 2017-18. The 2015 refunding bonds have both interest and principal payments from 2017-18 through 2033-34. Total principal outstanding on the General Obligation bonds at the beginning of FY26-27 will be \$74.8M. The budget reflects the principal and interest payment schedule defined at issuance of the 2015 refunding bonds. Annual principal and interest payments on the remaining General Obligation Debt Bonds will remain relatively steady averaging \$12.8M through 2031-32 before reducing to \$10.2M in 2032-33 and \$1.8M in 2033-34.

In 2007, the District issued \$40.2M of Pension Obligation Bonds, the proceeds of which went directly to the Oregon Public Employee Retirement System (PERS) as a pre-payment on future District pension obligations for the purpose of reducing the District's annual PERS contribution rates. Debt Service is scheduled to be paid through Fiscal 2026-27. The budget reflects the principal and interest payments schedule defined at the issuance of the bonds. Revenue for payments on these bonds is funded through withholding as a percentage of gross payroll for PERS. At the beginning of FY26-27 there will be \$5.14M in principal due on the Pension Obligation Bonds and the final principal payment will be made in June 2027.

The District issued Full Faith & Credit Bonds in June 2021 to fund capital projects with a primary emphasis on seismically retrofitting the Oakdale Middle School. The issuance included \$19.75M par bonds and \$2.953M reoffering premium which netted \$22.5M for construction after cost of issuance. Debt Service is scheduled to be paid through Fiscal 2045-46. The budget reflects the principal and interest payments schedule defined at the issuance of the bonds. Revenue for payments on these bonds is funded through a transfer from the General Fund. At the beginning of FY26-27 there will be \$17.155M in principal due on the Full Faith & Credit Bonds.

The District issued \$22.5M of Full Faith and Credit Bonds net of premium that was primarily used to remodel the Oakdale Middle School which opened in fall of 2023. After cost of issuance net proceeds were \$22.5M. The District used \$17.5 M of these bond proceeds along with \$13.7M of ESSER III funds for a total of \$31.2M to remodel the Oakdale Middle School. Most of the remaining \$4.958 M of bond was used to replace the track lights, underground utilities, and upgrade seating at Spiegelberg Stadium.

*Appropriation Level

Bond funded construction was completed in FY12-13. This fund holds a note receivable from Madrone Trail Charter School for the West Side School sale because bond funds were used to make improvements at West Side School prior to the sale to Madrone Trail. The note receivable started in 2010 and has a twenty year term that runs through 2030. The balance of the note receivable at the beginning of FY26-27 is approximately \$0.13M. The budget includes the collection of interest on the note.

\$0.35M will be appropriated from this account to fund the stage rigging replacement project at Oakdale Middle School, which is as follows: The stage curtain supports and rigging are over 40 years old and have been flagged as needing updates and/or replacement during a recent inspection. This project would allow MSD to hire a contractor to add new supports above the stage and replace the rigging with newer safer equipment.

The District has three scholarship funds for graduating seniors. These funds are donated by outside agencies such as the Touvelle Foundation, Kiwanis, Medford Rotary, and Carpenter Foundation. Some scholarships have been set up in memory of past students and teachers. The donors normally set the amount per award and the specific criteria, which can be financial need, GPA, post-secondary field of study, etc. These funds are administered by District employees and the student scholarship applications are reviewed by a committee at each school.

The purpose of the Student Body Fund is to account for monies raised by the school's students and/or parents to be used for student needs. These funds are controlled by the student body and not the District. The District performs an agency oversight role for these funds. The majority of the accounting for this fund is completed by the District office, with direction from the individual schools. The student body funds are included in the annual financial audit.

Supplemental Information

Revenue Sources

The District receives revenue from two primary sources: State aid and ad valorem taxes. Approximately 70 percent of the District’s General Fund is provided by the state and about 25 percent is generated from tax collections. The balance of General Fund revenues are from fees, interest earnings, grants, and other miscellaneous sources.

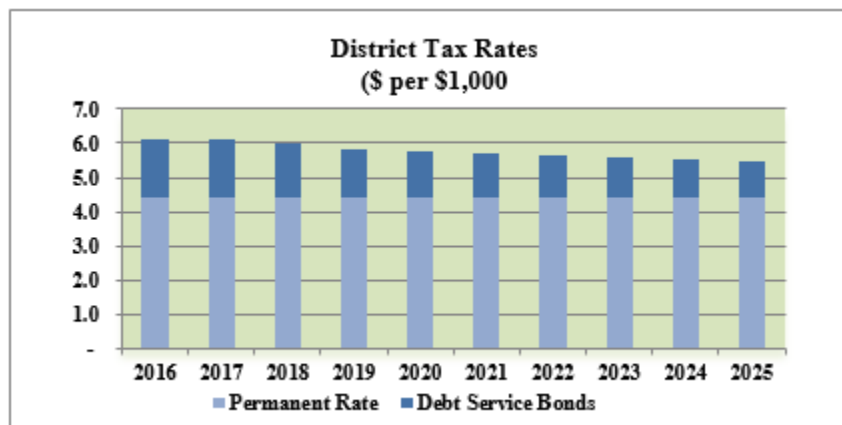

Property Taxes

Most local governments, including Medford School District, have permanent authority to levy taxes for operations. Public school system taxes are limited to \$5 per \$1,000 of the taxable Real Market Value of property. The District’s permanent tax rate is \$4.4123 per \$1,000 of assessed valuation. The law allows districts to increase tax revenue through a voter approved Local Option Levy; however, Medford School District has never made such a request of its voters.

In addition, districts are allowed to seek voter authorization to issue general obligation bonds for the purpose of funding capital construction projects. In November 2006, voters authorized the District to issue \$188.9 million in general obligation bonds.

District Property Tax Rates
(Rates per \$1,000 of Assessed Value)

Fiscal Year	General Tax Permanent Rate (\$5 Limit)	Local Option	General Obligation Debt Service Bonds	Total District Tax Rate
2025	4.4123	-	1.0789	5.4912

2015	4.4123	-	1.8590	6.2713

Revenue Sources

State School Fund

The State School Fund was created to distribute state aid to Oregon school districts. The objective was to provide equal funding for all districts. Local property tax collections are included in the formula. The grant allocated to each district is comprised primarily of a general purpose grant and a transportation grant. The transportation grant provides a 70 percent reimbursement for home-to-school and instructional field trip transportation costs.

The Oregon Department of Education (ODE) provides estimates of state appropriations beginning in March prior to the beginning of a new fiscal year (July 1). Apportionments are re-estimated throughout the year and finalized in May of the following fiscal year.

Fiscal Year	General Purpose Grant	Transportation Grant	Total
2026	187,317,400	5,127,500	192,444,900
2025	171,490,933	4,515,000	176,005,933
2024	163,761,162	4,550,000	168,206,162
2023	157,895,255	4,550,000	162,095,255
2022	157,074,814	4,550,000	161,624,814
2021	148,530,970	2,985,500	151,516,470
2020	143,310,019	4,256,560	147,566,579
2019	132,467,200	4,075,750	136,542,950

2017	130,313,369	3,780,000	134,093,369

Function Glossary – Medford School District 549C

STUDENT INSTRUCTION

- 1111 Elementary Programs (K-6)**
All regular elementary school instructional programs for kindergarten through grade six. Includes staff, services, classroom supplies, and equipment.
- 1121 Middle School Programs (7-8)**
All regular middle school instructional programs for students in grades seven through eight. Includes staff, services, classroom supplies, and equipment.
- 1122 Middle School Co-Curricular (7-8)**
Advisor and coaching stipends, supplies, and equipment for extracurricular activities.
- 1131 High School Programs (9-12)**
All regular high school instructional programs for students in grades nine through twelve. Includes staff, services, classroom supplies, and equipment.
- 1132 High School Co-Curricular (9-12)**
Advisor and coaching stipends, supplies, and equipment for extracurricular activities.
- 1210 Talented and Gifted (TAG) Programs**
Program services and supplies for students identified as talented or gifted.
- 1220 Special Education Self-Contained Programs & Other Specialized Supports: Multi-Age Positive Support (MAPS)**
Provides instructional and direct services for students with disabilities who spend one-half or more of their time in a special education setting. Specialized supports are also provided to students with sensory impairments.
- 1221 Southern Oregon Education Service District**
Provides specialized services and service providers, such as Braillists, Sign-Language Interpreters, Autism Consultants and STEPS classrooms for students with disabilities.
- 1227 Extended School Year Services**
Services are provided to students who experience documented, undue regression in acquired skills, based on IEP goals, and require extended periods to recoup the skills.
- 1240 Special Education Self-Contained Programs & Other Specialized Supports: Focus on Choosing Useful Skills (FOCUS)**
Provides instructional and direct services for students with disabilities who spend one-half or more of their time in a special education setting. Specialized supports are also provided to students with social, emotional and behavior impairments.

1250 ERC - Resource Rooms

Learning experiences outside the regular classroom for students with disabilities. Students receive specialized remedial instruction within these resource rooms.

1260 Early Intervention Childhood

Provides evaluation services for early childhood students younger than five years old.

1261 Early Intervening Services

Provides preventative academic and behavioral support to school age students not eligible for special education.

1283 Alternative Education Programs

Learning experiences for students who may be more successful in a non-traditional classroom setting. Includes instructional programs designed to meet the needs of students at risk of dropping out of school. District programs include the Juvenile Detention Center.

1285 Medford Online Academy School 9-12

The Medford School District offers an online program where students can work virtually with a certified teacher.

1286 Medford Online Academy School K-8

1287 Daycare

These funds were for a one-time day care program in 2020-210 to assist parents and staff during extreme COVID-19 conditions. This program will not continue in 2021-22.

1288 Charter Schools

Contracted learning experiences for students attending the District sponsored Madrone Trail, Logos, The Valley, and Kids Unlimited.

1291 English Language Learners (ELL)

Instructional activities designed to assist students who speak English as a second language. Includes staff, services, and classroom supplies.

1292 Teen Parent Program

Instructional program designed to accommodate the needs of teen parents. This program is located on the campus of North Medford High School. Includes staff, services, and classroom supplies.

1295 Homebound Program

Instructional program designed to assist students who are unable to attend a regular school setting. These students receive instruction at home, typically on a temporary basis.

1296 Homeschool

Homeschool Connection is being launched in the 25-26 school year. This program aims to partner with families and offer a hybrid model that supports at home distance learning with a parent while providing families access to resources, materials, and personnel from the school.

1297 At-Risk Program

Instruction activities designed to assist students with risk factors that often affect the learning process.

1299 Other Programs (Remediation)

This function will be used in FY20-21 for additional FTE to help children who are not at grade level.

1430 Summer School Program – High School (9-12)

Includes staff, supplies, and materials to operate summer school for high school students.

DIRECT STUDENT SUPPORT SERVICES

2112 Attendance Services

Attendance monitoring and record keeping.

2115 Community Service Officers

Activities associated with enhancing student safety. The District contracts with the City of Medford to provide Community Service Officers.

2121 Offices of the Deans (7-8)

Activities associated with directing and managing guidance services at middle schools.

2122 Counseling (9-12)

Includes staff, services, and materials used in counseling centers. Each traditional high school is assigned four counselors. Central Medford High School is staffed with one full-time counselor.

2126 School to Work Program

Includes career counseling, placement and referral services for students.

2134 Nursing

Nursing activities which are not instruction, such as health inspection, treatment of minor injuries and referrals for other health services.

2139 Long Term Care and Treatment

Includes activities concerned with testing, interpreting results, and providing psychological services to students. Includes staff, services, travel and supplies.

2140 Psychological Services

- Includes activities concerned with testing, interpreting results, and providing psychological services to students. Includes staff, services, travel and supplies.
- 2148 Family Solutions**
Includes a continuum of mental health services for students from early intervention to intensive residential treatment. Supports are provided in the community, school, home and treatment settings.
- 2150 Speech and Audiology Services**
Includes the identification, assessment, and treatment of students with impairments for speech, hearing and language.
- 2160 Occupational Therapy**
A related service for students who are eligible for special education. The focus of support is fine and gross motor, and self-regulation skills.
- 2190 General Student Support Services**
Direction and management of all student service programs, including special education, ELL and other at-risk programs.
- 2191 Student Wellness**
The Student Wellness Department supports the student service areas directed toward students' overall health and wellness K-12. In the Medford School District we strive for ALL students to be ready and available for learning and we know that this starts with physical, emotional and mental wellbeing.

DIRECT STAFF SUPPORT SERVICES

- 2210 Improvement of Instruction - Coaches**
Professional development activities provided by instructional coaches and mentors to assist teachers to improve instructional practices.
- 2211 Improvement of Instruction - Media**
This function is for activities providing direction and management of educational media services used by teachers. Designed to assist instructional staff plan, develop, and evaluate the process of providing effective learning experiences for students.
- 2212 Instructional Development**
Activities designed to assist teachers and administrators to effectively use adopted curriculum materials.
- 2213 Curriculum Development**
This function support District initiatives for the improvement of instruction through ongoing curriculum development.

- 2221 Instructional Media Services**

Direction and management of educational media services used by teachers. This includes hardware, software, printed materials, on-line and other distance learning resources.

2222 School Libraries

Includes staff, services, books, periodicals, technology, supplies and other resources for school media centers.

2223 Audiovisual Services

Includes materials, supplies, and equipment for multimedia services used by instructional and administrative staff.

2240 Instructional Staff Development

Activities designed to assist licensed and non-licensed staff in preparing and using district curriculum materials, the understanding of best teaching practices, and other strategies to improve instruction.

GENERAL SUPPORT SERVICES

2310 Board of Education

Includes expenses for policy development, audits, legal services, elections, dues, liability insurance and other responsibilities of the governing body.

2320 Executive Administration

This function was previously used to record costs associated with bond preparation and planning.

2321 Office of the Superintendent

Includes services, supplies, travel, postage, materials and staff to support the Superintendent's office.

2322 Communications

The communications office supports schools and students by coordinating communication with families, staff and our community.

2325 Offices of the Educational Directors

Direction and management of all elementary and secondary education, instruction, and operations. Includes staff, services, travel and supplies.

2327 Teaching and Learning

This function provides the direction and management for all elementary and secondary education, instruction, and operations.

2329 Secondary Athletics

Direction and management of all secondary athletic programs.

- 2410 Offices of the Principals**
Includes services, supplies, materials and staff to support the Principals and Assistant Principals at each school.
- 2510 Office of the Business Services Director**
Direction and management of district business and operation services. Includes services, supplies and staff to support the Chief Financial Officer.
- 2521 Business Services**
Direction, management and oversight for all district fiscal services, including accounting, audits, payroll, and budgets. Includes services, supplies, and staff to support the Fiscal Controller.
- 2529 Other Fiscal Services**
Includes services, supplies and bank fees.
- 2542 Custodial**
Includes services, supplies, equipment, materials, utilities and staff used to clean and operate all schools and auxiliary buildings.
- 2544 Maintenance Services**
Includes services, supplies, equipment, materials, and staff necessary to maintain and repair all district schools, auxiliary buildings and grounds.
- 2545 Vehicle Maintenance**
Includes services, supplies, and equipment needed to maintain all district-owned vehicles.
- 2546 Security Services**
Includes a service contract with Sonitrol to provide security and safety of all district property.
- 2548 Classroom Furniture**
Includes costs of new and replacement classroom furniture. Beginning in 2008-09 this expense has been recorded in a separate capital reserve fund.
- 2550 Student Transportation**
Includes a service agreement with First Student to provide all home-to-school activity, and athletic transportation services.
- 2572 Purchasing/Distribution Services**
Includes costs of services, supplies, staff, storage, delivery and equipment necessary to purchase, receive, control and distribute district goods.
- 2574 Printing and Publishing Services**
Includes supplies, equipment, and staff used to print and publish district reports and instructional materials.

2630 Information Services

Includes activities, services, supplies, postage, and materials necessary to prepare, write, and communicate district information to the community, parents, staff and students.

2633 Public Information

Includes the costs associated with organizing, duplicating and monitoring public document information.

2640 Human Resource/Employee Services

Direction and management of all personnel and employee services. Includes services, supplies, advertising, software, and staff necessary for the recruitment, monitoring, placement and pay assignment of all employees. It also includes bargaining, administrative assistance, and contract management.

2661 Information Technology

Includes costs associated with computing, programming and data processing services.

2669 Network and Telecommunication Services

Includes services, supplies, equipment, software and staff necessary to design, install and maintain district network and telecommunication systems.

2700 Early Retirement Program

Includes costs associated with the supplemental early retirement program provided to qualified retirees.

OTHER SERVICES/FUNCTIONS

3120 School Lunch Match

Required expenditures to qualify as district support necessary to participate in the National School Lunch program.

3360 Family Outreach

Includes outreach to strengthen school and home partnership as well as supports community school needs.

4150 Building Acquisition and Construction

Includes professional services, supplies, equipment and staff necessary for the purchase or construction of new facilities or building improvements.

4190 Other Facility Services

Costs for improvements to other district assets, such as grounds.

5110 Long-term Debt Service

Includes fees associated with the issuance of debt lasting more than 12 months.

5201 Transfer of Funds

Transactions with withdraw resources from one fund and place it into another fund for a specific purpose.

6110 Operating Contingency

Portion of budget not designated for a specific use, but appropriated for unforeseen and unanticipated needs.

7700 Unappropriated Fund Balance

An estimate of funds needed to maintain operations of the district from July 1 of the ensuing fiscal year and the time when sufficient new revenue becomes available. No expenditure shall be made from the unappropriated fund balance in which it is budgeted. It is reserved for use in the subsequent year.

EXECUTIVE SUMMARY

Meeting Date:	May 14, 2026
Agenda Item:	Resolution Approving 2026-2027 Budget and Budget Approval Levels
Item Type:	Action
Administrator:	Brad Earl
Objective:	Approve the Proposed FY 2026-27 Budget and set Budget Levels

Background:

The Budget Committee of the Medford School District met for the first time this year on April 30, 2026 to receive a copy of the Superintendent’s Budget Message and the Proposed Budget for fiscal year 2026-27. District staff presented a summary of the key elements of the Proposed Budget.

The Budget Committee will receive a copy of the responses and will take citizen comment at this meeting.

We are recommending approval of the budget and budget approval levels by the Budget Committee.

Additional Materials: [Resolution Approving FY26-27 Proposed Budget](#), and [FY26-27 Budget Approval Levels](#)

Recommendation: Review the budget and approve the Resolutions.

Suggested Motion: *“I move to adopt the Resolution approving the 2026-27 Budget and Budget Levels as presented.”*

**MEDFORD SCHOOL DISTRICT 549C
RESOLUTION APPROVING 2026-2027 BUDGET
May 14, 2026**

BE IT RESOLVED that the Budget Committee of Medford School District 549C hereby approves the 2026-27 Budget in the following amounts:
