May 2026 Bond Proposal

Maintaining Safe, Functional Schools

May 19, 2026 | Primary Election

Why Are We Talking About Facilities Now?

- Schools built 1950 AMS, 1954 BHHS, and 1958 KSchool
- Major systems nearing end of useful life
- Infrastructure aging beyond its intended lifespan
- Deferred maintenance is becoming critical

Frequently Asked Questions

1. What is the total amount of the bond?

The bond would authorize up to \$12.5 million. If approved, the district would receive an additional \$6.1 million in State matching funds, for a total of \$18.6 million.

2. What would the bond pay for?

Repairs and upgrades to electrical, plumbing, HVAC systems, roofs, siding, ADA improvements, safety improvements at the elementary school, technology infrastructure, and outdoor learning areas.

3. Can bond funds be used for salaries or operating expenses?

No. Bond funds are legally restricted to capital improvements.

4. What is the estimated tax impact?

Approximately \$0.55 per \$1,000 of assessed property value. For an average assessed home value of \$260,302, that equals about \$143.17 annually. Actual rates may vary.

5. How long would the bonds last?

Bonds would mature within 10 years of issuance.

6. What happens if the bond does not pass?

The district would not receive the \$6.1 million State matching grant. Facility needs would remain and would need to be addressed through other means over time.

7. How will funds be monitored?

If approved, an independent citizen oversight committee would review expenditures to ensure funds are used only for voter-approved purposes.
