5. Treasurer's report

Mr. Kjar reviewed the December 2025 Treasurer's report with the Board.

6. Recognition of Students and Staff

Mrs. Beck reported that starting in January, the elementary has transitioned their Student of the Month recognition to Student Spotlight. Student spotlight gives our teachers a chance to recognize students with specific positive feedback for meeting our schoolwide expectations. Also congratulations to Ellen Eriksen! Mrs. Eriksen was selected by KTIC radio as the teacher of the week during the last week of January.

Mr. Heitz recognized the state girls wrestling qualifiers, EHC Honor Band and the FFA State Qualifiers.

9. DISCUSSION ITEMS

9.1. THS Facilities Use for 2026-2027

Mr. Kjar presented the proposed Facilities Use Agreement/Policy that the District would like to put into place. Mr. Kjar asked the Board to please take some time to review.

10. Principal Reports

10.1. Elementary Principal

Mrs. Beck's elementary report showed enrollment remains fairly steady at 287 students. The Nebraska Reading Improvement Act has been in place for several years, and requires us to identify, and then intervene for students who are below the benchmark in the area of reading. Beck reported that after our mid-year screening of students, we've seen great growth. Beck provided the Board with a chart by grade showing the improvement in reading plans.

10.2. Secondary Principal

Mr. Heitz informed the Board that he attended the Wayne State Career Fair where he spoke to tons of students in the field of education. We currently do not have any openings, however, he said it was good to make connections and see if anyone is interested in settling in our area after they graduate. Heitz spoke about the Practice ACT test that he performed in an effort to

get the juniors more comfortable as the real test is approaching on March 24th. Heitz also reported that the musical "Mean Girls" will be performed on March 5, 6, and 7th.

11. Board Reports

11.1. Building, Grounds, Transportation Committee

The Building and Grounds committee have been working on finalizing the construction projects that are on the books to begin this spring. The first phase is a new building at Tiger Stadium. This building will consist of ADA-compliant bathrooms, a concessions area, locker room, team room and the ticket booth. This building would replace the field house in the city park. The current structure at the field will be upgraded to all storage. The second phase of the project is a space update for our Elementary and Life Skills students. The unofficial plan shows converting the current 5th and 6th grade rooms into Special Ed space and closing in the back portion of the slab, creating 4 classrooms and storage areas.

12. Superintendent Report

Mr. Kjar reported LB 1038 information regarding a new school finance model-there will be more information to come as it is still unclear what the plan all involves. Kjar has done the prep work and has received the door decals to number our exterior doors. Kjar also reported bus no. 12 had exhaust pipe repairs.

13. Adjournment

The motion to adjourn the meeting at 6:39pm Passed with a motion by Chris Booth and a second by Bill Skinner.

Chris Booth: Yea, Abby Mathistad: Yea, Mandyn Pruess: Yea, Burt Rogers: Yea, Bill Skinner: Yea, Sheryl Stansberry: Yea

Staff and Student Recognition

- Student Spotlight continues for February! In addition to the specific positive feedback, our students are earning a mini flashlight to celebrate their spotlight! Here are a few examples of Student Spotlight:
 - Anthony Belgarde- He is a responsible student who is kind to his peers, and always a joy to be around.
 - Drake Robinson- Improving his letter formation and overall handwriting.
 - Stephen Fleming- He did a fantastic job representing our school at the spelling bee!
- Thank you to Mackenzie Kahlandt for her outstanding work planning our Title I school-wide assembly, and for organizing our One School, One Book reading of *Stuart Little* in January and February. We had several parents attend our assembly, and it was an incredible display of coordination and involvement from our whole school. Thank you Kenzie!

Principal's Report

- Our current enrollment is 285. We had two students transfer out of the district recently.
- Quick update on my therapy dog project: Cooper is doing a great job in his therapy dog training, and we are on track for our first level of certification by the end of April. In June we will certify and insure through [Healing Hearts Therapy Dogs](#). I am very familiar with this organization from my time in Fremont, and they certify and insure most of the therapy dogs in Fremont Public Schools.
 - I hope to ask for board approval on certified therapy dogs in July or August.
