Recommendation to approve

Submitted by: Coerina Fife, Executive Director of Personnel and Title IX

Recommendation:

It is recommended that the school board approve the 26-27 LEA-Specific Endorsements and Licenses

Recommended Motion:

I move that the 2026-2027 LEA-specific endorsements and Licenses be approved.

Background:

Because of a shortage of educators graduating with teaching degrees and the required endorsements, we have a program to hire the right individuals for these positions and then help them earn the necessary endorsements and licenses. Also, some teachers earn their degree and wait for the university they graduated from to report it to the state so they can receive their teaching license.

Policy Implications:

This is in accordance with [Policy 3022, Employment: Box Elder School District – Local Education Agency Specific Teacher License/Endorsement](#)

Financial Implications:

n/a

Staff Implications:

Through our current program, educators are earning 16 new endorsements, and 2 additional educators are working on professional teaching licenses.
