VI. Board Discussion

VI.A. September/October Board Meeting Date(s)

- Next meeting is scheduled for September 8 and then there isn't another meeting scheduled until October 27; this is due to Rosh Hashanah and Indigenous People's Day;
- Would like to find another date in between these two meetings; tends to be a busier time of the year; potentially another day that is not a Monday;
- Superintendent Leyko will have a recommendation for new Assistant Superintendent by September 22; would like to see if a meeting could be scheduled on another day of that week;
- Look at either September 25 or September 29; the 29th did not work for Superintendent Leyko; October 6 would work however if there is a new hire, a special meeting would need to be held;
- Thursday, September 26 makes sense;
- Do we want to schedule a meeting in the first half of October? Are we okay with having a four-week gap?
- Suggestion to schedule a meeting and it could be canceled if the meeting is not needed; Tuesday, October 14
- There is a meeting scheduled on November 24; due to the Thanksgiving Break that week should we cancel the meeting? Past practice is that there isn't a

meeting scheduled when school isn't in session; agreed that this meeting should be canceled.

- The November 10 regular meeting is not on the meeting schedule on the website; will have it added

Up to ninety (90) minutes of this time may be scheduled by the building administrator as a curriculum night at the beginning of the second semester.~~ See Appendix E

- F. Full-time elementary teachers shall receive one hundred ninety (190) minutes of unscheduled time per week in blocks of not less than twenty (20) minutes.

1. Such unscheduled time shall be provided subsequent to the beginning of the students' instructional day and prior to student dismissal.
2. Classroom teachers will not be required to supervise another teacher's classroom in order to provide such time.
3. On weekdays when school is not in session, in whole or in part, unscheduled time need not be provided.
4. The Board and Association recognize elementary schedules may be infrequently altered to accommodate special activities which may cause the interruption of unscheduled time. Whenever reasonably possible, said unscheduled time will be provided at a later time. The administration and staff will work together to keep such cancellations at a minimum.
5. Staff and administration may, by mutual consent, schedule meetings during unscheduled time.
6. Elementary teachers employed one-half time or more will have unscheduled planning time prorated. Elementary teachers employed less than one-half time shall have no unscheduled planning time guaranteed.
7. Special area teachers shall receive one hundred ninety (190) minutes of unscheduled planning time per week in blocks of not less than twenty (20) minutes. Special area teachers employed less than full time will be accorded unassigned planning time.
8. Special area teachers who travel between levels during the day shall be granted one-half ($\frac{1}{2}$) day per semester release time to be used for records. Scheduling of the half day shall be done by mutual agreement between the building principal and the affected teacher. If necessary, additional days may be granted at the discretion of the Superintendent or designee.

G. Teacher Professional Development time is included under Article 21.

H. School counselors and the District Media Specialist shall work an extended calendar up to ten (10) additional workdays per school year beyond the regular teacher calendar. The scheduling of these days shall be determined in coordination with building principal. Counselors and the District Media Specialist shall be compensated at their per diem rate for each extended calendar day worked.

The purpose of these additional days is to provide for the completion of beginning of the year responsibilities, end-of-year responsibilities, student scheduling, orientation activities, and other duties as assigned related to the opening and closing of the school

year.

Article 7
Teaching Conditions and Class Loads

A. The parties recognize that the availability of optimum school facilities for both students and teachers is desirable to ensure the high quality of education that is the goal of the Association, its members and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward ensuring that the energy of the teacher is primarily utilized to this end.

B. Class Size and Combined Student Load

1. Grades K-5 (Elementary)

For the following class size overload conditions, an elementary teacher shall receive four hundred dollars (\$400) per student per semester for the student(s):

- a. For Pre-K and K, if a regular education elementary classroom teacher has more than twenty-two (22) students;
- b. For grades 1-2, if a regular education elementary classroom teacher has more than twenty-four (24) students;
- c. For grades 3-5, if a regular education elementary classroom teacher has more than twenty-eight (28) students;

2. Grades K-5 (Elementary) Special Areas

If the average class size for a K-5 special areas teacher exceeds twenty eight (28) students, then the special area teacher shall receive five hundred dollars (\$500) per semester.

3. Grades 6-12 (Secondary)

If any of the following class size overload conditions are met, a secondary teacher shall receive one hundred fifty dollars (\$150) per student per semester for the student(s).

- a. The combined student load is one hundred fifty (150) students or more per semester for the secondary teacher, or
- b. The secondary teacher has more than thirty (30) students in an individual class.
- c. This overage payout is limited to either condition (a) or condition (b) and shall not be paid for both. If both conditions exist, then payment is based on the greater amount of 7.B.3.a. or 7.B.3.b.

4. Physical Education Grades 6-12 (Secondary)

If any of the following class size overload conditions are met, a secondary physical education teacher shall receive one hundred fifty dollars (\$150) per student per semester for the student(s).

a. The combined student load exceeds either of the following:

- i. one hundred sixty (160) students or more per semester for the secondary teacher who teaches five (5) physical education classes, or
- ii. the total based on five (5) classes using the formula of thirty-two (32) for each physical education class and thirty (30) for each non physical education class.

b. The secondary teacher has more than thirty-two (32) students in an individual class.

c. This coverage payout is limited to either condition (a) or condition (b) and shall not be paid by both. If both conditions exist, then payment is based on the greater amount of 7.B.3.a. or 7.B.3.b.

5. Class size leveling shall be implemented so that there is not a variance of more than three (3) students per grade level at an elementary building or per like course and class hour at the Middle School or High School. If an imbalance exists for more than thirty (30) calendar days in any one semester then the teacher with the larger class shall receive payment as specified in 7.B.1 (elementary) and 7.B.3 (secondary for each student over the three (3) student variance. This payment would be in addition to payment, if any, that may be part of class size language as specified in 7.B.1 and 7.B.3.

6. Any class size overload beyond two (2) students beyond the class size limits as assigned to teachers at all levels shall have the stipends identified in this Article doubled for each student who exceeds the allowable two variance.

7. This above class size overload language (Sections 1-6) does not apply to sections of performing arts, special education, or English language learners ("ELL").

8. The Board shall provide up to a maximum of two hundred thousand dollars (\$200,000), which includes FICA and MPERS costs, annually to remedy all overload issues. This amount shall not be used for the hiring of additional teachers.

9. Approximately one (1) week after the October and February student count

days the Board agrees it will provide to the Association a compilation of the number of students assigned to each teacher. An elementary, middle school, and high school representative from the Association along with a central office administrator will use these class size reports to calculate class size and combined student overloads. Class size and combined student overload stipends, if any, will be paid as soon as possible after the Association and central office representatives agree on the overload calculations. The Association may request up to ten (10) exceptions to the "snapshots" used to calculate teacher class size overages. The request must be submitted in writing, by the ELEA President, to the Director of Finance and Operations no later than one (1) month after the original "snapshot" date used to run class size reports.

- C. The following language applies only to those support staff positions which provide direct assistance for teacher needs and does not apply to those support staff positions that provide general building or program support (e.g., library aides, science aides, security aides).
1. The number of support staff work hours at each of the elementary levels shall include general aides assigned to each elementary building and will be determined at a minimum of 1.25 hours per FTE elementary general education classroom teacher per week.
 2. There will be a 1.0 FTE support staff position at the High School and a 1.0 FTE support staff position at the Middle School.
 3. The primary function of these support staff positions is to assist teachers with the instructional programs and clerical needs, as well as to supervise students (including recess).
 4. The specific duties of the support staff shall be established by the building principal, after consultation with building teachers.
 5. Once the building support staff schedule for the school year is established, that schedule shall be distributed to building teachers.
 6. If available, substitute aides will be hired when building aides are absent from work.
- D. The Board recognizes that appropriate texts, library reference materials, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession, and timely provision thereof is absolutely essential for good teaching. The Board or its representatives agree to meet with the duly designated representatives of the Association from time to time for the purpose of improving the selection and use of such educational tools, and the Board agrees promptly to implement all joint decisions made by its representatives and the Association, consistent with its financial ability to do so. The Board agrees at all times to keep the schools reasonably and properly

equipped

and

maintained.

- E. The Board agrees that no teacher will be required to supervise elementary recess for more than one hundred (100) minutes every two (2) weeks. Student contact limits shall not exceed a two-week average of twenty-five (25) hours and twenty-five (25) minutes. Classroom teachers will supervise both grade-level classes for their assigned recess time. Two grade levels will have their classroom recess scheduled concurrently. However, teachers may choose to arrange for their class to attend recess outside of this scheduled time. Any modifications to the recess schedule must be mutually agreed upon within both of the grade-level teams and consistent with supervision expectations outlined in this agreement.

Special area teachers will be required to supervise recess for no more than sixty (60) minutes per week in order to remain at or under their weekly student contact hours as listed in Article 6.D.

- F. On those days designated as records and conference days at the elementary level, there shall be no administrative meetings scheduled which require the attendance of elementary teachers and/or consultants. On said days teachers and consultants shall be free to meet for the purpose of curriculum coordination and planning.
- G. The Board recognizes that new curriculum and/or the implementation of major curriculum changes require appropriate in-service training. To this end, the Association agrees that teachers who will be required to deliver new or changed curriculum to students will participate in appropriate in-service in advance of the implementation of same.

1. These in-services may be scheduled through released time or within the limits of the thirty-one (31) hours as specified under Article 6.A. Under such circumstances compensation will not be granted.
2. When an in-service for the purpose of addressing new or major changed curriculum is offered other than through released time or outside the limits of Article 6.A., teachers will be paid under Article 23.D. The scheduling of such in-service shall be limited to the days for which the teacher is contracted to work (as designated on the school calendar), except when bargaining unit members elect to participate.
3. It is agreed that some staff may be excluded from the requirement of in-service for new or major restructured curriculum for reasons of expertise in the area or because of involvement in the development of the new or changed curriculum. Such exceptions may be made by the Superintendent or designee.
4. This in-service training is not intended as a substitute for the in-service which is scheduled throughout the school year at the discretion of the administration.
5. Bargaining unit members who are employed to develop and/or improve

curriculum shall be compensated at the rate found in Article 23.C.

- H. Telephone facilities providing a reasonable degree of privacy shall be made available for teacher use.
- I. The Board shall make available in each school lunchroom, lounge, and lavatory facilities. Further, the Board agrees that in any new or remodeled school facilities it will furnish lunchroom, lounge, and lavatory facilities exclusively for adult use.
- J. Traveling teachers shall be provided parking at each building. The Board shall make every effort to see that areas assigned to teachers are available for exclusive teacher use. Parking areas and schools will provide appropriate access as required by law for persons with disabilities.
- K. To ensure a free and appropriate public education in the least restrictive environment, the parties agree that the continuum of programs and services for identified special education students will be determined by an Individualized Education Program Team (IEP Team).

In addition, a process will be developed in each building to provide for notification to a teacher when special education students will be placed in his/her general education classroom. Each process will address means for providing teacher input into the special education student's program, reviewing student placement, and providing support necessary for a successful classroom environment for both general education and special education students.

To ensure proper program implementation and as required by law, teachers will attend IEP Team meetings.

- L. Teachers who are assigned to more than one (1) building shall have adequate storage space for instructional materials provided in each building to which he/she is assigned.
- M. The Board agrees to hire substitute teachers for the regularly-assigned physical education teachers who conduct and participate in the annual track and field days at the elementary level, provided alternative scheduling is not possible.

Article 8
Vacancies and Placement~~**Promotions Of Non-Teaching Positions**~~

- ~~A. A vacancy shall be defined as a bargaining unit position which is unfilled and for which there is no teacher with a contractual right to return. If a vacancy is to be filled through the recall of a bargaining unit member on layoff, the employer shall not be required _____ to _____ post _____ such _____ vacancy.~~

~~Whenever a vacancy for a non-teaching position occurs within the bargaining unit, or a new non-teaching position is created within the bargaining unit, and said non-teaching position or vacancy is to be filled on a permanent basis, the Board shall give written notice thereof to the Association President or designee. The Personnel Office will provide for appropriate posting of said notice in every school building on a bulletin board used for posting vacancies and on the District's website. During the summer months when school is not in session, vacancies for a non-teaching position shall be posted on the bulletin board in the reception area of the Board of Education Office, on the District's website, and written notice of such vacancies will be forwarded to those bargaining unit members who have filed a written request for same with the Superintendent or designee during the last week of school.~~

- ~~B. Any teacher may apply for a vacancy or new position by submitting a letter to the Personnel Office. For a professional staff member working in a non-teaching position the Board agrees to fill such vacancy or new position on the basis of qualifications, certification, and seniority as set forth in Article 24. In such circumstances, an applicant with less service in the system shall not be awarded the vacancy or new position unless the applicant's qualifications are superior to applicants with greater service. The Board declares its support of a policy of promotion from within its own teaching staff; however, the Association recognizes that the Board shall not be limited in the selection of personnel to fill vacancies or new positions to applicants from within the unit, or to the person temporarily assigned to the vacancy or new position before the termination of the school year in which the vacancy occurs or the new position is created. Service shall be defined as _____ the _____ seniority _____ determinants _____ specified _____ in _____ Article _____ 11.B.~~

- A. A vacancy exists when a bargaining unit position is newly created, or when a bargaining unit position is open due to transfer, resignation, retirement, discharge, or death, unless the position is scheduled to be eliminated and goes unfilled at the Superintendent's or designee's discretion.
1. No permanent appointment to such position or vacancy shall be made until fifteen (15) calendar days have elapsed following the posting and said notice to the Association President or designee. For the months of July and August, the requirement shall be seven (7) calendar days.
 2. Nothing herein shall prevent the Board from making temporary

assignments of personnel (temporary teachers) to fill a vacant position during the school year. For a professional staff member working in a non-teaching position, said temporary assignments shall not extend beyond the end of the semester in which the temporary assignment occurs in a given school year unless it is mutually agreed in writing by the parties. A professional staff member working in a non-teaching position who is temporarily appointed to fill such vacancy or position shall not be given preference for permanent appointment over any applicant from within the unit.

3. No professional staff member working in a non-teaching position shall be involuntarily transferred to a part-time position. A professional staff member working in a non-teaching position who was previously full-time and who is subsequently voluntarily assigned to a part-time position shall have the right to return to a full-time position when a vacancy occurs for which said professional staff member working in a non-teaching position is certified and qualified and for which he/she possess sufficient seniority. Reinstatement is contingent on the professional staff member working in a non-teaching position providing written notice of his/her desire to return to full-time teaching at the next semester.

Full-time probationary professional staff members working in a non-teaching position who are voluntarily assigned to a part-time position shall have the right to return to a full-time vacancy for which they are certified and qualified. Provided, that the professional staff member working in a non-teaching position and more senior probationary professional staff member working in a non-teaching position on layoff shall be recalled to a vacancy for which they are certified and qualified in preference to a part-time probationary professional staff member working in a non teaching position, as described above.

B. Applying the definition of “vacancy” in Article 8.A., the Superintendent or designee, will determine when a vacancy exists and when a posting is to be made. Consistent with Revised School Code Section 1248, teacher placement decisions will be made by the Superintendent or designee in their discretion based on the following factors:

1. Staffing the curriculum with the most effective and qualified teachers to instruct the applicable courses and grade levels.
2. Appropriate certification, approval, or authorization for all aspects of the assignment. The certification, approval, or authorization is determined by the Revised School Code, the MDE Teacher Certification Code, the MDE Rules for Special Education Programs and Services, and other applicable statutes and regulations.
3. Effectiveness criteria established by Revised School Code Section 1249.

4. Teachers must be fully qualified for all aspects of their assignments, as determined by the Board, based on Appendix D , including but not limited to:
 - a. Compliance with applicable state or federal regulatory standards, including standards established as a condition to receipt of foundation, grant, or categorical funding;
 - b. Credentials needed for District, school, or program accreditation;
 - c. District-provided professional development, training, and academic preparation for an instructional assignment that is anticipated to contribute to the teacher's effectiveness in that assignment and is integrated into instruction;
 - d. Relevant special training, other than professional development or continuing education as required by state or federal law, and integration of that training into instruction in a meaningful way;
 - e. Disciplinary record, if any;
 - f. Length of service in grade level(s) or subject area(s);
 - g. The three most recent effectiveness ratings;
 - h. Attendance and punctuality;
 - i. Compliance with state and federal law; or
 - j. Any other reason that is not arbitrary or capricious.
 5. Length of service will be considered as a tiebreaker if a teacher placement decision involves two (2) or more teachers and all other distinguishing factors are equal.
 6. If a teacher petitions for nullification of the teaching certificate or any endorsement, the teacher must promptly provide written notice of that petition to the Superintendent's office.
- C. An alleged violation of this Article is not subject to arbitration in the grievance process.

Article 9
Seniority/Length of Service

- A. For purposes of this Agreement, seniority shall be defined as the amount of unbroken service accumulated in a position of teacher in the East Lansing Public Schools as based on the teacher's earliest date of hire into a bargaining unit position. Date of hire shall be the first day a teacher reports to work and receives pay according to the negotiated work year calendar.
1. Leaves of absence, with or without pay, and absences due to layoff are not considered as a break in service.
 2. Time spent in an administrative position in the District shall not be considered a break in service, but seniority shall not accumulate while in an administrative position.
 3. Days worked in any extracurricular position shall neither accrue seniority nor establish a date of hire.
- B. The Employer shall develop a seniority list and make the appropriate revisions as they occur. The seniority list shall be posted in all buildings by October 30 and April 15 each year. Upon request, the Association President will be provided with the current revised copy of the seniority list.
1. The placement of all individuals on the seniority list as of August 15, 2003 shall be recognized as fixed upon certification by the Association.
 2. In the case of more than one (1) teacher having the same date of hire after August 15, 2003, a meeting of the teachers affected, the Superintendent or designee, and the Association President shall be held to determine the teachers ranking on the seniority list. Teachers will draw lots to determine their placement. For teachers who are unable or unwilling to participate in the drawing, the Association President will draw on their behalf.
 3. The Superintendent or designee, in consultation with the Association President, shall be responsible for sending out notice of the seniority placement meeting within thirty (30) days after ratification of this Agreement and as necessary thereafter.
- E. All seniority is lost if the teacher or administrator:
1. Resigns.
 2. Retires.
 3. Is discharged and the discharge is not reversed through the grievance

procedure.

4. Does not return to work when recalled after a layoff as specified within the provisions of this Article.
5. Does not return to work on the required date for return from an approved leave of absence. Exceptions due to extenuating circumstances may be made by the Superintendent or designee.
6. Has probationary status and is laid off for two (2) consecutive years without being recalled.

Article 10
Promotion to Vacancies or New Positions Outside the Bargaining Unit

- A. Whenever a vacancy occurs in any supervisory or administrative position outside of the bargaining unit, or when a new position of like nature is created outside of the bargaining unit, and said vacancy or position is to be filled on a permanent basis, the Board shall give written notice thereof to the Association President or designee.
1. The Superintendent or designee will provide for appropriate posting of such vacancies as set forth in Article 8. ~~CA~~. No permanent appointment to such vacancy or position shall be made until fifteen (15) calendar days have elapsed following the posting and notice to the Association President or designee. For the months of July and August, the requirement shall be seven (7) calendar days.
 2. Nothing herein shall prevent the Board from making temporary assignments of personnel to fill a position, but said temporary assignment shall not extend beyond the balance of the school year.
- B. Teachers who desire to apply for a position shall file their applications in writing with the Superintendent. The Board shall consider all applications and shall make the permanent appointment as soon as is practical. It is recognized that the right of selection of personnel to fill said vacancy or position remains within the discretion of the Board, but the Board further agrees and recognizes support of a policy of promotion from within its own teaching staff to vacancies and new positions under this Article.

Article 11

Transfers

The Board and the Association recognize that frequent transfers of teachers are disruptive of the educational process, but may be necessary and beneficial to the teacher, student, and education program; and therefore, it is agreed as follows:

A. Involuntary

Transfers

1. To the extent possible, no probationary professional staff member working in a non-teaching position shall be involuntarily transferred.
2. Subject to the provisions of Section 1, above, when such involuntary transfers are necessary, an effort shall be made to transfer professional staff members working in a non-teaching position with lesser service in the District.
3. When large numbers of transfers are involved in staffing a new facility, it may be necessary to transfer more experienced professional staff members working in a non-teaching position to provide a balance of experienced and relatively inexperienced professional staff members working in a non teaching position on the new staff and the staff from which the transfers were made.
4. Professional staff member working in a non-teaching position involuntarily transferred will be transferred only to comparable positions. The Association will be notified of the need for such transfers and shall be given the opportunity to offer information before any reassignment of teachers.
5. An involuntary assignment or transfer shall be made only after a meeting between the affected professional staff member working in a non-teaching position, his/her supervisor and/or his/her Association Representative, and the Superintendent or designee, at which time the professional staff member working in a non-teaching position shall be apprised in writing of the reason(s) for the assignment or transfer. If the professional staff member working in a non-teaching position objects to the assignment or transfer the teacher and/or his/her Association Representative shall have the right to appeal the assignment or transfer to the Superintendent or designee.
6. In the determination of assignments and transfers, the convenience and wishes of the professional staff member working in a non-teaching position will be honored to the extent that these considerations do not conflict with the instructional requirements and best interests of the school system and students.
7. Any teacher who shall be transferred or assigned by the employer to a position or vacancy outside of the bargaining unit and shall later return

to a position within the bargaining unit shall be entitled to retain such rights as the teacher may have had under this Agreement before such transfer or assignment to a position outside of the bargaining unit.

8. It is agreed that in the event of an involuntary transfer the professional staff member working in a non-teaching position aggrieved by said action has the right to file a grievance commencing at Step 2.

B. Voluntary Transfers

1. It is the policy of the Board to consider the request of teachers who desire transfers to teaching vacancies which occur in buildings other than the one in which the teacher is teaching.
2. Whenever a vacancy, other than temporary, exists, the Board agrees such vacancies shall be filled by a professional staff member working in a non teaching position on the basis of qualification, certification and seniority; and further, that preference will be given to a professional staff member working in a non-teaching position with a request for transfer on file with the Superintendent or designee. Should more than one (1) request for transfer be on file for the same position, the more senior unit member shall be awarded the position.
3. Transfer requests shall be filed annually by April 15 and shall remain in force for one (1) year. Transfer requests filed after April 15 may still be considered, but only after all other transfer requests and call-backs have been considered.
4. Where voluntary assignments are made to positions of special purposes or for growth or to meet specific needs, it is permissible for the Superintendent or designee, the Association President, and the teacher to enter into a letter of understanding that would protect the teacher's original position for a two (2) year period with the same limitations that are applied to compensated professional leaves in terms of the teacher's return to his/her original assignment.

- C. If the Board of Education implements a grade-level reorganization, either party may request to invoke the consultation procedures of Article 20.

Article 12

Reduction of in Personnel Staff Member Working in a Non-Teaching Position

~~A. Before official action on reduction of professional staff members working in a non-teaching position is taken by the Board, it will give notice of the contemplated action to the Association and afford the Association an opportunity to discuss it. As soon as the layoff incentives are known, a list shall be provided to the Association. In any year where there are layoffs, the Association will be given notice of layoffs, assignments, transfers, and call-backs in a time frame agreed to by both parties.~~

~~B. If it becomes necessary to reduce the number of professional staff members working in a non-teaching position employed by the Board of Education, such reduction shall be based upon the qualifications as specified in Article 24 (Qualifications and Assignment).~~

~~2.~~

~~C. The last bargaining unit members laid off shall be those certified and qualified professional staff members working in a non-teaching position who have the greatest seniority in the East Lansing Public Schools. The Board shall provide at least thirty (30) calendar days' notice of layoff to the Association and the affected employees.~~

~~The order in which layoffs will occur is:~~

- ~~1. Probationary professional staff members working in a non-teaching position with the least amount of seniority in the East Lansing Public Schools shall be laid off first, provided there are more senior certified and qualified professional staff members working in a non-teaching position for available positions.~~
- ~~2. Professional staff members working in a non-teaching position with the least amount of seniority in the East Lansing Public Schools shall be laid off in accordance with Section B, above, provided there are more senior certified and qualified professional staff members working in a non-teaching position for available positions.~~
- ~~3. No new professional staff members working in a non-teaching position shall be employed by the Board while there are professional staff members working in a non-teaching position of the East Lansing Public Schools who are laid off, unless none of the East Lansing professional staff members working in a non-teaching position on layoff is qualified and certified to fill the vacancy.~~
- ~~4. In order for a less senior professional staff member working in a non-teaching position to be retained in a position, that professional staff member working in a non-teaching position shall have qualifications and certification in the assigned area which the more senior professional staff member working in a non-teaching position lacks.~~

~~When such an occasion should arise, the Association President will be advised in advance of the number and category of such professional staff members working in a non-teaching position. The discretion vested in the Board shall not be abused. Complaints that the Board has abused its discretion in this respect may be taken up through the grievance and arbitration procedures provided in this Agreement.~~

- ~~5. When the decision to reduce the work force for the upcoming school year occurs before noon on the 6th business day before returning professional staff members working in a non-teaching position are to report for the start of the upcoming school year, the Board agrees to reassign more senior professional staff members working in a non-teaching position to ensure that the least senior professional staff member working in a non-teaching position is laid off, provided there are more senior certified and qualified professional staff members working in a non-teaching position for available positions. After that time and during the school year, any layoffs will be implemented by identifying the position which is to be eliminated and placing the affected professional staff member working in a non-teaching position in a position for which they are certified and qualified which is held by a less senior professional staff member working in a non-teaching position. If there is no position held by a less senior professional staff member working in a non-teaching position for which they are certified and qualified, they will be laid off.~~
 - ~~6. When the decision to recall a professional staff member working in a non-teaching position for the upcoming school year occurs before noon on the 6th business day before returning professional staff members working in a non-teaching position are to report for the start of the upcoming school year, the Board agrees to reassign more senior staff to ensure that the most senior professional staff member working in a non-teaching position on the layoff list is recalled, provided such reassignment allows for a position for which the most senior professional staff member working in a non-teaching position on the layoff list is certified and qualified for. After that time and during the school year, professional staff members working in a non-teaching position shall be recalled, on a seniority basis, to available positions provided they are certified and qualified for the open position without any reassignment of staff. Recall procedures for professional staff members working in a non-teaching position shall be implemented before voluntary transfers are considered.~~
 - ~~7. The reassignment of professional staff members working in a non-teaching position outlined in C.5. and C.6. above, shall not occur during the school year, unless mutually agreed otherwise.~~
- ~~7.~~
- ~~F. Any professional staff member working in a non-teaching position on layoff shall be recalled in inverse order of layoff, provided the professional staff~~

~~member working in a non-teaching position is certified and qualified for the vacancy.~~

- ~~1. Should the Board recall out of line of inverse order of layoff, the Association President will be advised in advance of the number and category of such professional staff members working in a non-teaching position.~~
- ~~2. The discretion vested in the Board shall not be abused. Complaints that the Board has abused its discretion in this respect may be taken up by a professional staff member working in a non-teaching position only through the grievance and arbitration procedure provided in this Agreement.~~

~~H. The Board shall give written notice of recall from layoff by sending a certified letter to the last known address of the professional staff member working in a non-teaching position.~~

~~I. A laid-off professional staff member working in a non-teaching position shall lose the right of recall when said professional staff member working in a non-teaching position refuses a position of at least the same full-time equivalency held when laid off.~~

~~J. It shall be the responsibility of each bargaining unit employee to notify the Board of any change of address. The employee's address as it appears on the Board's records shall be conclusive when used in connection with recall or other notice to the teacher. If a bargaining unit employee fails to respond to the call-back notice within fifteen (15) calendar days from the date of sending of the recall notice, said employee shall be considered as a voluntary quit and shall terminate his/her employment relationship with the Board.~~

~~A. Consistent with Revised School Code Section 1248, teacher reduction/recall decisions will be based on the following clear and transparent procedures:~~

- ~~1. Acting within the approved budget, the Superintendent shall establish the number and nature of teaching assignments to implement the approved curriculum. If the Superintendent determines that insufficient funds are budgeted for the existing teaching staff or that a reduction in teaching staff is necessary due to program, curricular, or other operational considerations, the Superintendent will recommend to the Board those teaching positions subject to reduction.~~
- ~~2. Teacher reduction and recall decisions are based on teacher effectiveness criteria established in Revised School Code Section 1249.~~
- ~~3. Teachers must be fully qualified for all aspects of their assignments, as determined by the Board, based on Appendix D including but not limited to:~~

- a. Compliance with applicable state or federal regulatory standards, including standard established as a condition to receipt of foundation, grant, or categorical funding;
 - b. Credentials needed for District, school, or program accreditation;
 - c. District-provided professional development, training, and academic preparation for an instructional assignment that is anticipated to contribute to the teacher's effectiveness in that assignment and is integrated into instruction;
 - d. Relevant special training, other than professional development or continuing education as required by state or federal law, and integration of that training into instruction in a meaningful way;
 - e. Disciplinary record, if any;
 - f. Length of service in grade level(s) or subject area(s);
 - g. The three most recent effectiveness ratings;
 - h. Attendance and punctuality;

Article 13

Leave Time

~~A. Any bargaining unit employee absent from duty because of personal illness or injury shall be paid the person's full salary for the period of time off, not to exceed the total number of unused accumulated sick leave days in his/her personal account. Sick leave days shall accrue effective the first day of school at the rate of ten (10) days per school year. Part-time teachers will receive sick leave days on a pro-rata basis. Teachers who are employed after the beginning of a given school year shall be granted, for the balance of that school year, as many sick leave days as there are months remaining in the school year. During any school year, a teacher earns sick leave days only to the limit of what he/she actually works.~~

~~Where teachers leave before earning the number of sick days used in a school year, they will reimburse the Board for the difference.~~

~~B. At the beginning of each school year, each teacher shall retain the number of sick days with the number of days of sick leave not used during the prior school year. Unused sick leave days shall accumulate from year to year without limitation.~~

~~C. In addition to personal illness or injury, sick leave may also be used for medical, dental, or optical examinations or treatments. No less than one-half (½) sick day will be charged unless otherwise arranged with the supervisor.~~

A. EARNED SICK TIME

1. Employees will receive 10 days (70 hours) of earned sick time per school year, if working a full school year. Employees may access and use Earned Sick Time before it is earned through actual hours worked.
2. If the employee is hired after the contract year begins or is a part-time employee, a prorated amount will be made available to the Employee.
3. Sick leave days accrued and unused as of June 30, 2025, will be converted to Earned Sick Time hours and credited to the employees' Earned Sick Time leave.
4. An employee that ends employment prior to the end of the school year, will have to repay the district for days used that are not proportionate to the time worked. The Employer may deduct the amount equivalent to any used but unearned Sick Time from the Employee's final paycheck, to the extent permitted by law.
5. Earned Sick Time can be used in increments of at least 1 hour. If a substitute is required for the position, the employee must use time off in ½ day increments.

6. Unused sick leave days shall accumulate from year to year without limitation.
7. Employees may use Earned Sick Time (EST) for any EST purpose, and earned sick time is subject to terms and conditions specified in the Michigan Earned Sick Time Act (ESTA) and the District's ESTA policy, as that policy may be adopted and amended from time to time. Employee may use earned sick time for the following reasons:
 - a. The employee's mental or physical illness, injury, or health condition; the medical diagnosis, care, or treatment of such illness, injury, or condition; or the employee's preventative medical, dental, or optical examinations and treatment.
 - b. For the employee's family member's mental or physical illness, injury, or health condition, medical diagnosis, care, or treatment of the employee's family member's mental or physical illness, injury, or health condition or preventative medical care for a family member of the employee;
 - c. If the employee or the employee's family member is a victim of domestic violence or sexual assault, for medical care or psychological or other counseling for physical or psychological injury or disability, to obtain services from a victim services organization, to relocate due to domestic violence or sexual assault, to obtain legal services, or to participate in any civil or criminal proceedings related to or resulting from the domestic violence or sexual assault;
 - d. For meetings at a child's school or place of care related to the child's health or disability, or the effects of domestic violence or sexual assault on the child; or
 - e. For closure of the employee's place of business by order of a public official due to a public health emergency, for an employee's need to care for a child whose school or place of care has been closed by order of a public official due to a public health emergency, or when it has been determined by the health authorities having jurisdiction or by a health care provider that the employee's or employee's family member's presence in the community would jeopardize the health of others because of the employee's or family member's exposure to a communicable disease, whether or not the employee or family member has actually contracted the communicable disease.
 - f. An employee who is unable to perform their duties due to illness or disability shall notify their supervisor before the start of the workday or as soon as practicable. If an illness or disability extends beyond the first absence day, the employee and the

employee's supervisor may decide the notice frequency for the continued illness or disability.

- g. If an employee's need to use leave is foreseeable, the employee must provide notice to the District of the employee's intent to use earned sick time at least 7 days prior to the date leave is to begin.
- h. For leave of more than five (5) consecutive days, upon District request, the eligible employee must provide the District, within 15 days after the request, reasonable documentation that earned sick time was used for an ESTA purpose.
 - 1. If a teacher's illness extends beyond five (5) work days, the Board may require an examination by a physician of the teacher's choice. The Board may require a second opinion by a physician chosen by the teacher from three (3) names submitted by the Board. The second opinion shall be at the Board's expense. The teacher may select an examination by only one (1) of the Board's doctors at the Board's expense.
- i. An employee who has exhausted sick leave credit may use personal business days in lieu of Earned Sick Time.
- j. If, at the beginning of any school year, a teacher is ill and unable to resume teaching duties in the school system, and such teacher has unused Earned Sick Time at the end of the prior school year, the teacher will be allowed to use such previously Earned Sick Time while the teacher remains ill and unable to work, provided the teacher is not otherwise employed. For the period the teacher is unable to resume teaching duties under this paragraph, the teacher shall not accumulate any further Earned Sick Time until the time the teacher has returned to teaching, but shall be compensated according to Article 27.D.

B. WORKERS COMPENSATION

Any teacher absent because of injury or disease compensable under the Michigan Worker's Compensation Law shall be entitled to use previously accumulated sick leave in one-third (1/3) day increments to make up the difference between the allowance under the Worker's Compensation Law and the regular salary during the period of disability compensable under Michigan Worker's Compensation Law, with or without interruption in consecutive days, attributable to the same accident.

C. EXHAUSTED SICK LEAVE TIME

- 1. Any teacher whose illness or injury results in an absence exceeding

their Earned Sick Time under Article 13, and is not covered by family and medical leave under this Article, shall be granted a leave of absence for the duration necessary to achieve full recovery. Compensation during this leave will follow the provisions of Article 13 or the applicable sections of Article 26 or 27. The Board will maintain the teacher's full insurance benefits through the month following the start of the leave. Upon return, the teacher will be reinstated to a position for which they are certified, qualified, and sufficiently senior, with restoration of fringe benefits, seniority, and all other rights as provided by this Agreement.

2. Teachers who exhaust sick days may send a written request to the ELEA Executive Board to borrow up to five (5) future sick days for medically verifiable (verification submitted via the designated medical leave form) illness/disability of the individual, spouse, father, mother, sibling, child, and grandchild. Use for other than personal illness and/or disability shall be in addition to the ten (10) day maximum use of sick days under Article 13.A.1.

The maximum borrowed each year by the entire ELEA bargaining unit will be capped at forty (40) days. The ELEA Executive Board shall provide the number of borrowed sick days for each individual to the Human Resources Department.

After returning to work and earning additional sick days, teachers who borrowed from their future sick days agree to repay such days over two (2) years at the rate of two and one-half (2.5) days per year. Teachers may not borrow additional days until all five (5) days are repaid.

If the teacher does not return to work, his/her final pay will be reduced by an amount equivalent to the remaining borrowed sick days. Should an employee leave without repaying the borrowed sick days, the bargaining unit members will be docked one-half (0.5) sick day starting with the most senior and continuing down the seniority list until all days have been repaid. Docking will only be taken from bargaining unit members with twenty (20) or more sick days. Subsequent docking shall start where the previous repayment stopped.

This Article is subject to reopening each year of this contract by either party.

C. MATERNITY LEAVE

Maternity leave will be treated in the same manner as any other disability leave. The duration of maternity leave shall not exceed six (6) weeks for a vaginal delivery or eight (8) weeks for a cesarean delivery. Employees must submit written notification of leave, accompanied by medical documentation confirming the pregnancy, the type of delivery, and the expected delivery date. See article 13.J.5.

2. The leave will begin no sooner than the school year which follows the birth of the child and no later than four (4) years after the birth of the child.
3. The leave will be given for one (1) school year or two (2) school years. Such leaves shall commence at the beginning of a school year and terminate at the end of a school year. Application for such leave shall be submitted to the Superintendent or designee by May 1st.

The Board has the responsibility to develop, approve, and implement policies on family and medical leave which satisfy and comply with the requirements of the FMLA. The Board will not develop, approve, or implement any policy, rule, or regulation that denies any member the use of any benefit provided under this Agreement. It is agreed that the benefits extended to a bargaining unit employee under FMLA and those provided under this Agreement may be applicable concurrently.
