C. Action Item-Teacher Hire

Sara Boone-Science Teacher for MMHS We are pleased to recommend the hire of a candidate with a strong background in middle and high school science education. Our interview committee, consisting of Mitch, Bridget, and myself, conducted two thorough rounds of interviews with Ms. Boone. She also demonstrated her teaching abilities by delivering a short lesson to six students and was given a comprehensive tour of our building and of Manistee.

Since 2021, she has been a High School Science educator at Columbia Options High School. There, she developed and taught rigorous science curricula, including Biology, Anatomy, Earth Science, and various science electives, incorporating hands-on, real-world applications to foster scientific literacy and critical thinking. Her commitment to cultivating a positive, inclusive classroom environment that promotes active learning and student voice aligns exceptionally well with our school's values. We are looking forward to having her join us at MMHS!

D. Action Item- Teacher Hire

Heather Dean-ELA for MMHS

Heather Dean comes to us with a Michigan Standard Teaching Certificate in 6-12 English and 6-12 Psychology, both stemming from her education at Michigan State University. We had the pleasure of interviewing her at the end of May. Shortly after her interview she left for a month-long vacation in France!

Her teaching experience includes a Teacher Intern role in AP Psychology at East Kentwood High School as well as a Teacher Intern for 6th grade E.L.A. at Crestwood Middle School. We're excited to share that she will be teaching 6th and 7th grade ELA classes at Manistee.

E. Action Item-Teacher Hire

Crystal Harthun- Begindergarten We're excited to move forward with the hire of a teacher for our new Begindergarten classroom, Crystal Harthun. After seeing Crystal teach a math lesson, it's clear she brings the heart and experience we're looking for as we launch this important program.

Crystal has a strong background in early childhood education and a deep commitment to developmentally appropriate practice. Her Master's thesis focused on creating a high-quality, play-based kindergarten model, and she's passionate about making sure young learners—especially those who may not be quite ready for kindergarten—are supported in the right environment.

She's eager to collaborate with our team to engage in PLC work, and brings a genuine enthusiasm for meeting children where they are. We believe she's a great fit for MAPS and for the families we serve.

We're thrilled to welcome Ms. Harthun aboard as we grow our early childhood

offerings in meaningful and responsive ways.

8. **New Business**

9. **Announcements**

A. Thrun July Policy Updates were released. Lauren is currently getting that ready for the Board.

B. We are planning on doing a ribbon cutting for Manistee Elementary with the Chamber. Lauren will keep you updated as plans progress.

C. NMSLA Summer Dinner-RSVP with Lauren

Northern Michigan Schools Legislative Association is hosting a dinner event on August 7th in Traverse City at 5:30. State Representatives will be in attendance and there will be an opportunity for discussion about the latest legislative educational updates.

D. We are currently working on strengthening our alumni communications. We are working on a page for the website that will be ready by the 2025-2026 school year.

E. No July Study Session per Board Schedule
